The sweet pursuit Chapter 27-“I am an adult, but also your teacher, and it is my fault that I should not be bought by money!”

.....

“That’s nice!”

Ling Jiuze suddenly spoke, looking at the two through the rearview mirror, “Such a lecture qi? How about you worship now? Su

Xi and Ling Yihang stopped talking.

Ling Jiuze paused and said to Ling Yihang, “It’s not wrong to act righteously and bravely when you are sure of your own safety, and protect the weak, but treat your classmates and don’t have to strike so hard.”

Ling Yihang obediently let out an “oh”.

“In general, you have done nothing wrong in this matter, I will not discipline you!”

Ling Jiuze immediately raised his eyebrows and smiled, “Thank you, Second Uncle!”

“But,” Ling Jiuze said in a heavy tone, “You let Teacher Su pretend to be a parent, how do you say this?” As

soon as Su Xi was about to speak, she saw Ling Jiuze in the mirror with deep eyes, and she immediately closed her mouth.

Ling Yihang lowered his head, “I was wrong, not in the future!”

“Well, not only do you have to know what is wrong, but you also have to be able to correct it!” Ling Jiuze’s voice slowed down and said quietly, “There is one more class, you go to class!”

“Yes!” Ling Yihang responded, and glanced at Su Xi uneasily before getting off the car, “Second uncle, you forgave me, can you also forgive Teacher Su?”

Su Xi looked at Ling Yihang’s pure eyes, and his heart softened.

“Don’t worry, I won’t fire her!” Ling Jiuze said.

Ling Yihang was relieved, said goodbye to the two, got out of the car, and was escorted into the school by the bodyguard.

When he left, there were only two people left in the car, Su Xi and Ling Jiuze, and the atmosphere suddenly became delicate.

As soon as Su Xi was about to apologize again, he saw Ling Jiuze in the mirror with thin lips, and opened his mouth without saltiness, “Has your IQ dropped to the same level as elementary school students?” You said it was his second aunt, thinking that the teacher would believe it?

Su Xi’s face turned pale, and he spoke solemnly, “First of all, the IQ of elementary school students can also be very high. It’s wrong for me to lie and not set a good example for Yihang, you can fire me, but you can’t insult me, and you don’t have to insult me and take everyone else with you. And again,”

her eyes flashed, and she didn’t say anything more.

Ling Jiuze did not show joy and anger on his face, and looked at her through the mirror, “Continue, what else?”

Su Xi took a deep breath and had a very serious expression, “Yihang said that you like young people, and it is reasonable to have a young second aunt.”
Ling

Jiuze Jun’s face was not tense, he pursed his lips and smiled, turned his head to look out the window, his arm was on the steering wheel, and the cuffs of his shirt were pulled, revealing a cut of his arm, pampered, and strong and powerful.

Su Xi thought for a moment, and then said, “Don’t get me wrong, I didn’t mean to be a second aunt of the first flight,”

“You are thinking of beauty!” The man interrupted her and seemed to smile, “Don’t worry, even if I like young people, I don’t like underage, you don’t have to be afraid.”

Su Xi frowned, wanting to say that she was an adult, but saying it seemed to cause unnecessary conjecture, so she simply shut up and didn’t speak.

Ling Jiuze asked again, "You said that you were bought by money, how much money did Ling Yihang give you?"

"Huh?" Su Xi's face changed slightly, had she ever said such a thing?

Her IQ has indeed decreased, otherwise how could she have blew herself up?

Anyway, there are enough people who have lost today, and Su Xi simply opened up, "He said that after the matter is done, he will persuade you to double my salary."

Ling Jiuze nodded and spoke without hurry, "Yihang's study has improved, and I did have the idea of raising your salary before."

Su Xi was delighted.

Ling Jiuze continued, "But not anymore."
