

Sacred Body 1031

[Chapter 1031: The ten-tailed sky disc, absolutely crushed, the bottom of Yun Xiaohei...](#)

At this moment, Yun Xiaohei's chest was cracked, blood was dripping, and he could even see organs such as a peristaltic heart.

Kaitian Shenmo Fist, known as one punch can open the sky.

If it were not for the power of ten black foxes in Yun Xiaohei's body, he would definitely be divided into two halves under this punch.

But even so, Yun Xiaohei at the moment was in a panic.

Fang Qiu was just lashed out, and the coercion that overwhelmed the audience dissipated without a trace.

This sense of contrast made a group of people dumb, not knowing what to say.

There is a feeling that I want to pretend to be a pig and eat a tiger, but it turns out to be a pig.

"How could this happen, I have clearly awakened the power of the ten-tailed black fox!"

Yun Xiaohei himself was stunned, as if there were a hundred thousand thunders rushing into his mind.

Everyone is one of the six kings, so why am I weaker than you?

Yun Xiaohei even wondered if he was a false king of destruction.

Is it a copycat?

"No, it's impossible!"

Yun Xiaohei will never admit that he is a copycat.

When a person of low status becomes a master of humanity.

He will never let himself fall again.

I could have endured the darkness if I had never seen the sun.

Yun Xiaohei had already seen the sun, so he could no longer stand the darkness before.

The surging power surged in Yun Xiaohei's body.

The huge wound on his chest started to heal at a speed visible to the naked eye.

"It's just that I was careless."

Yun Xiaohei sacrificed a treasure.

It was a dark roulette, rising against the storm, extremely huge, it was like a black sky rolled over.

While the roulette wheel was spinning, the void was easily crushed.

Like the whole world, it must be crushed into powder in front of this roulette.

"What a terrifying coercion, what kind of weapon is that?"

Everyone present, under that roulette, only felt as small as an ant.

Right now, it was only Yun Xiaohei of the Supreme Realm who controlled the roulette.

If you change to another powerful person, it will definitely destroy the world!

"Oh, sure enough."

Jun Xiaoyao was not too surprised, but in his expectation.

Each of the six kings of Destroying the World has an exclusive forbidden device for Destroying the World.

This world-destroying device seems to have a secret.

Yun Xiaohei's World Destroying Forbidden Device must be this roulette.

"Ten-tailed Sky Disk!"

Yun Xiaohei urged his exclusive prohibition device.

Every ray of black light spread from the ten-tailed celestial disc, and every ray of black light tore the firmament.

Everything is decomposed and annihilated where it is swept, for the original particle form.

If this forbidden weapon is in the hands of an immortal king.

Can easily destroy a vast star field.

"dead!"

Yun Xiaohei almost mobilized all of his own power, and the ten foxtails dazzled behind him.

As the ten-tailed celestial disc revolves, an annihilation black light is emitted, and it is killing Jun Xiaoyao.

Jun Xiaoyao did not take out the halberd.

Not even Daluo's sword fetus was taken out.

Because against a groom, he still won't let him use weapons.

In Jun Xiaoyao's body, cells are colliding like the world, making shocking sounds.

The power of the five hundred and twenty Xumi worlds is blessed on the front of the boxer.

In addition, the blessings of the laws of the flesh and the powers of the gods and demons are added.

Jun Xiaoyao's punch is almost synonymous with power itself.

Before even punching, the surrounding space couldn't bear the terrifying power, and it collapsed silently.

Punch out!

The sky is cracked!

The vast sky of 100,000 miles seemed to have been shattered by the hand of an ancient god, and various fragmented space fragments were scattered and flying.

Upon seeing this, Concubine Tu Shan hurriedly pinched the Yin Jue, and sacrificed the formation under Tu Shan to resist the waves.

boom!

A dull sound like a collision of planets erupted.

The Ten-tailed Sky Extinguishing Disk was directly blown away by Jun Xiaoyao's punch, and rammed Yun Xiaohei backwards.

Pouch!

Yun Xiaohei's body that had just recovered was severely injured again.

Half of his body was smashed, and flesh and blood spattered.

Yun Xiaohei's half-life was almost removed at this time.

Yun Xiaohei was unacceptable and couldn't say: "Why, I am also the King of Destruction, why is this the result?"

He even sacrificed the World Destruction Forbidden Device, why is he not Jun Xiaoyao's opponent?

Jun Xiaoyao didn't change his face, and said lightly: "Although I am also the Sixth King of Destroying the World, what I can do is enough to kill you thousands of times."

"So, don't jump in front of me."

Although Jun Xiaoyao's words are an understatement.

But it was tantamount to a heavy hammer hitting Yun Xiaohei's heart so hard that his heart would collapse.

And still defeated in front of his own goddess.

The humiliation of being held up high and then smashed down was simply unbearable for Yun Xiaohei.

Rather than that, it would be better to stop this force from the beginning.

Don't be ashamed!

"The son is really invincible!"

Seeing that even the ten-tailed black fox was defeated in the hands of Jun Xiaoyao.

Tu Shanwan is even brighter.

As for the devastated Yun Xiaohei who was terrible.

Tu Shanwan didn't look at it again.

If it was for the sake of her groom, Tu Shanwan would still take care of it.

But Yun Xiaohei's face gained power and the villain's compelling face made Tu Shanwan completely disgusted.

I wondered how I picked up such a **** with a twisted heart.

Seeing Tu Shanwan without even looking at herself, Yun Xiaohei's heart seemed to be split.

It broke our hearts!

Now he and Tu Shanwan have really become passers-by.

Even ~www.mtlnovel.com~ Tu Shanwan has hostility and disgust towards him.

A deep resentment was hidden in Yun Xiaohei's eyes.

Seeing Yun Xiaohei's gaze towards him, Jun Xiaoyao also felt cold in his eyes.

Unless he is to raise leeks, he always cuts the roots in his work.

Jun Xiaoyao was the detective directly, and went to kill Yun Xiaohei Town.

Upon seeing this scene, Concubine Tu Shan Ming opened her red lips, trying to say something, but in the end she said nothing.

She has a lot of thoughts.

No matter how Yun Xiaohei is, he can be regarded as a member of the Tushan Fox Clan, and he has even awakened the blood of ten extinct black foxes.

To the Tushan emperor, it is very valuable.

The best result was that Jun Xiaoyao and Yun Xiaohei were both son-in-laws of the Tushan emperor's family.

But now, Concubine Tu Shan also knows that this is impossible.

Of his five daughters, none of them looked at Yun Xiaohei directly.

Even if she had to choose between the two, she would choose Jun Xiaoyao without hesitation.

It's definitely not because he is handsome.

In all respects, Yun Xiaohei is like a nouveau riche.

Coupled with an unstable mentality, who knows what moths will come out in the future.

Therefore, Concubine Tu Shan sighed, and wisely did not choose to intervene.

And at this moment.

A cold snort sounded.

"Stop it, the six kings in the myths and legends are actually killing each other, what kind of style!"

Several elders appeared with a strong breath.

They are all at the level of Tianzun and Xuanzun.

"Hey, that is the elder of Emperor Ming Zhao!"

"There are also big men from the Mojie clan."

"That is the elder of the Jimeng clan."

Everyone was amazed that these were all powerful immortal emperors, and they all showed up at this moment.

It looked like he was going to support Yun Xiaohei.

And they all have one thing in common.

They are all forces that have hatred with Jun Xiaoyao!

[Chapter 1032: Jun Xiaoyao is from Zuan? Kagura appeared, the secret of six kings](#)

Looking at these immortal emperors who appeared, Jun Xiaoyao was a little surprised and looked at Yun Xiaohedao.

"Yes, I really underestimated you."

Yun Xiaohei urged the power of the world-destroying black fox in his body to recover from his injuries.

He sneered and said nothing.

I'm afraid that everyone will treat him as stunned.

Only Yun Xiaohei knew about it.

Naturally, he can't come alone to grab his relatives.

Rather, it was fully prepared beforehand.

Secretly use his own status as a world-destroying king to communicate with those immortal emperors who have hatred with Jun Xiaoyao.

So as to reach conditions with them.

These immortal emperors are naturally also willing to have a good relationship with a world-destroying king, and maybe they can win the clan.

What's more, they all have a common enemy, Jun Xiaoyao.

"Now that I underestimate me?" Yun Xiaohei smiled coldly.

"I thought you were a complete idiot, but now it seems that you are just a little bit mentally retarded."
Jun Xiaoyao said lightly.

"what?"

Yun Xiaohei almost cracked his heart with anger.

Is this a compliment or a curse?

Hearing this, Tushan Wumei couldn't help but giggled.

"Mr. doesn't talk much, but poison, is Mr. Zuan from the Zuan clan?" Tu Shanchunchun couldn't help laughing.

The Zu'an clan is also an immortal emperor from a foreign land.

This clan is extremely peculiar. The creatures in the clan do not have mothers, but they reproduce parthenosexually.

Not only that, but also hate any other matrilineal creatures.

Always greet the mothers of other ethnic groups.

Determined to turn all the creatures in the world into orphans.

Moreover, the lifeblood and supernatural powers of the Zu'an clan are simply speaking out and following the law.

As the name suggests, you can squirt to death by just relying on the mouth cannon.

The town's supernatural powers, Nima is dead, and the power is extremely powerful.

I don't know how many strong women's mothers were sprayed to death by this type of supernatural power.

So this tribe is also known as the Zuan horse hunters.

Because Jun Xiaoyao's words were a bit poisonous, Tushan Wumei reminded him of the Zuan clan.

Of course, this is ridicule.

They also knew that Jun Xiaoyao could not be Zuan.

Because if it were true, Concubine Tushan would be in danger a long time ago.

Jun Xiaoyao looked at Yun Xiaohei and said, "Do you know why I say this?"

"Because you are stupid, thinking that if you find a few backers, you will have confidence. If I want to kill you, no one can stop it."

"presumptuous!"

The elders of Ming Zhao and Mo Jie were coldly drinking.

They all showed up, and Jun Xiaoyao didn't even put them in his eyes.

"Then try it."

As soon as Jun Xiaoyao was preparing to move, suddenly, he noticed something again, and paused.

"It's all here, why not show up for a while?"

Jun Xiaoyao's sudden sentence made many people wonder.

"What's the mystery?" Yun Xiaohei looked directly at him coldly.

The atmosphere is silent.

And in this quiet atmosphere.

A coquettish voice sounded.

"Hehe, Lord No.1, are you so familiar with the breath of Nunu? You can smell it right away?"

The sound was ambiguous, and it made people feel numb.

The void in the distance split, and a beautiful and beautiful figure hidden in it appeared.

However, it was only a breath of time, and the beautiful figure was as secluded as it was, and it swept to Jun Xiaoyao's side directly.

Jiao Chu and Jun Xiaoyao are very close.

Only then did Jun Xiaoyao clearly see the appearance of the woman in front of him.

This is a woman with a beautiful face and a beautiful face.

In terms of appearance, it is by no means under the five beauty of Tushan.

Liuyue's eyebrows are curving, her snowy skin is full of muscles, and her frowns and smiles all exude a moving style.

She has big eyes, lingering and fascinating, with long eyelashes, a tall nose, bright red lips, and very sexy.

Her figure is also perfect, and her undulating curves are tempting to reverie.

Jun Xiaoyao's eyes fell on this woman's chest.

The girl yelled, "Yiwangdian, where are you looking at?"

"Haha, interesting." Jun Xiaoyao said.

On the snow-white fullness of this woman's chest, a black six-pointed star mark was clearly engraved on it.

The six-pointed star mark of the other world destroyers, if not on the wrist, or on the abdomen.

This woman was actually printed on her chest, and she trembled slightly with the waves.

The identity of this woman is naturally obvious.

Also one of the six kings.

It's just that her name for Jun Xiaoyao makes Jun Xiaoyao a little curious.

The first king, a palace of kings.

"It seems that this woman should know the deeper news." Jun Xiaoyao thought to herself.

"You are also one of the six kings!"

After sensing the woman's breath, Yun Xiaohei couldn't help but speak.

In a word, let the world boil again!

"What, another world-destroying king has appeared!"

"In this way, don't we have witnessed the gathering of the three kings today!"

"Adding Su Hongyi, the follower of Lord Ares, that's four."

"Sure enough, the doomsday myth is about to become a reality!"

Countless creatures were shocked.

Unexpectedly, today, I will witness the gathering of three world-destroying kings with my own eyes.

This is definitely a historic moment.

"You are... from the Yixie clan?" Emperor An Lan frowned slightly, as if thinking of something, said.

Before, he had discussed with the goddess of Po Kui.

After Jun Xiaoyao beheaded the son of Emperor Devourer.

The God Devourers originally wanted to get justice, but they were stopped by another clan
~www.mtlnovel.com~ that clan is the Yixie clan.

"The Yixie clan?"

Jun Xiaoyao was astonished when he looked at the woman who posted to him and seemed to rely on him.

He has also heard of the Yixie clan, and the rumors have something to do with the Unspeakable Land.

The creator of this clan was the mother goddess of Huangquan, Izanami.

It can be said to be extremely mysterious.

"The slave's name is Kagura, and I finally saw a palace of the king." The woman named Kagura had a sweet voice and a smile.

"Do we know each other?" Jun Xiaoyao raised his eyebrows.

"Although we are reincarnations now, in the previous reincarnation, the palace of a king has saved slaves more than once." Kagura said ambiguously as he pressed to Jun Xiaoyao.

"That's it."

Jun Xiaoyao understood.

Destroying the six kings should be from the first king to the sixth king.

And the line of the first God of War should be the first king.

The former king of that line has saved the former king of the line of Shenle.

So the fate has been entangled until now.

Until Kagura woke up, he still had a good impression of longing and relying on him.

"Then he is..." Jun Xiaoyao looked at Yun Xiaohei.

"That is the line of the fifth king, and your follower Su Hongyi is the line of the sixth king." Kagura said.

"how about you?"

"The Palace of One King is really forgetful, and Nu Nu is the fourth king in one line."

Jun Xiaoyao suddenly understood it now.

The first God of War is the first king in the line.

The mother **** Huangquan of the Yixie clan is the fourth king.

The ten-tailed black fox is the fifth king.

The Great Dark Sky God is the sixth king in the line.

Looking at it this way, the Six Kings of Destruction all represent the inheritance of the invincible in a certain line.

The more Jun Xiaoyao thought about it, the more he felt that the Six Kings of Destruction should still have secrets.

And this Kagura should know a lot.

[Chapter 1033: 6 The King's Mission, Jun Xiaoyao's Gift](#)

Right now, with the appearance of Kagura, the situation became more and more treacherous.

Three kings of destruction appeared at the same time.

This is an absolutely rare scene in previous eras.

Although they have not yet fully grown up.

But if it does not fall, it is almost a certainty to become the King of Immortality in the future.

Looking at the Shenle, who is very close to Jun Xiaoyao, there is nowhere to vent the jealousy in Yun Xiaohei's heart.

Why are all the women so good to Jun Xiaoyao and so active?

Is he not as handsome as Jun Xiaoyao or what?

It seems to be the case.

"Gan!" Yun Xiaohei couldn't convince himself.

Compared with Jun Xiaoyao, he is indeed a rubbish.

Whether it is appearance, strength, or personality, there is almost no comparability.

"Yiwangdian, Nunu thinks that you can do nothing against the fifth king first." Shenle said, snuggling beside Jun Xiaoyao.

In this scene, Tu Shanwan and Tu Shanchunchun and the others were staring at sparks.

If it weren't for Kagura who belonged to the Yixie clan, he would have the status of the king of destruction.

I'm afraid they couldn't help but stepped forward and pulled her away.

Today is their recruitment meeting, okay?

"Oh, are you here to intercede for him?" Jun Xiaoyao's tone became indifferent.

Kagura shook his head and said: "Nu-nu is certainly not for him. His position in the heart of Nu-nu is not as good as a piece of hair in a palace of kings."

This remark made Yun Xiaohei vomit blood again.

Nima, if you want to be courteous, do you courteously, and what's the matter of putting me on the gun?

This is so much that you can get a knife while lying down.

Yun Xiaohei is really heartbroken.

"Then what do you mean?"

"The Six Kings still have their own missions. It's best not to fight inwardly."

"Of course, if Yiwangdian really doesn't like it, you can also take action, and the slave is on the side of the Yiwangdian." Kamura said.

Jun Xiaoyao guessed right, this woman really knew something inside.

"What's the mission?" Jun Xiaoyao asked.

"This..." Kagura looked around.

"That's good." Jun Xiaoyao nodded faintly, knowing that there are so many people in the courtyard, and Kagura is hard to say.

"Since you say that, how about giving you a face and spare his life?"

To Jun Xiaoyao, Yun Xiaohei was an existence that could be killed easily.

At one o'clock in the morning and one o'clock in the evening, Jun Xiaoyao didn't care at all.

Besides, he is also very interested in the mission of the so-called Six Kings.

Maybe I can pry out some secret information from Kagura.

"Yiwangdian will still take care of people's minds in this way." Kagura seemed very pleased.

Because Jun Xiaoyao gave her face.

Yun Xiaohei had the urge to vomit blood again.

With the care of the elders such as Ming Zhao, he didn't believe in what Emperor Xiaoyao could do with him.

As a result, Jun Xiaoyao went down.

Not only did he get down the stairs, but he also teased his sister once more easily.

It can only be said that playing with Jun Xiaoyao, Yun Xiaohei is simply the younger brother of the younger brothers.

Called the younger brother.

"Don't get out yet?"

Jun Xiaoyao glanced at Yun Xiaohei.

Yun Xiaohei glanced at Tu Shanwan again.

As a result, Tu Shanwan didn't pay attention to him at all.

Unwillingness and jealousy brewed in Yun Xiaohei's heart.

"A hero does not suffer from immediate losses. With your qualifications, you are destined to become a king in the future, and you don't have to act for a while."

Ming Zhao, the elder of the emperor's clan, exhorted.

To be honest, their performance towards Yun Xiaohei was shocking.

I thought it was a **** that could fight against Jun Xiaoyao.

As a result, the egg was not used, and it was still scum in front of Jun Xiaoyao.

This could not help causing the elders of the several veins of the emperor clan to cast a low glance at Yun Xiaohei.

But Yun Xiaohei is the King of Destroying the World after all, and they don't have much to say.

Even if Yun Xiaohe wasn't reconciled, he could only swallow this suffocated breath.

Even, he didn't even dare to let go of harsh words, and left in a desperate manner, a bit embarrassed from his back.

Coming in high spirits.

Going humiliatedly.

I thought he was the son of destiny who grabbed the kiss and hugged the beauty.

Who ever wanted to look back and see that the clown was actually myself.

After Yun Xiaohei left, the scene was finally settled.

Chi Hongyu was a little lost, Liushen Wuzhu, as if still living in a dream.

Jun Xiaoyao didn't pay attention to him anymore, as long as the soul book was in hand.

"Hey, woman, should you keep a distance?"

Tu Shan Chunchun really couldn't see it, and shouted to Kagura Jiao.

"Yo yo, the little girl is jealous?" Kagura Mei smiled Yanran, **** and charming, with a charming, touching temperament.

She and Tushan Wumei are together, and they will not be compared in the slightest.

"This is the invitation meeting we held, and your husband is the one we are in." Tu Shanchun narrowed his mouth, somewhat aggrieved.

Who is the protagonist of the promo party?

"Well, the situation must be settled by now, I believe no one wants to challenge Xiaoyao again?"

Concubine Tu Shan Ming said.

Quiet all around.

Who would dare to challenge Jun Xiaoyao?

Isn't that looking for abuse?

"Hehe, then congratulations to Brother Dao first." Emperor An Lan was very witty, smiling and arching his hands.

"Congratulations Brother Dao." Pu Kui Tiannv also said.

"Congratulations, Lord Ares!"

Voices rang from all directions.

If other people want to monopolize the five beauty of Tushan Mountain alone, they will definitely arouse anger and be targeted by countless people.

But when it was Jun Xiaoyao, no one felt dissatisfied, but took it for granted.

Some of these women think even more.

Tushan Wumei Peijun Xiaoyao is still a high climb.

Such a fairy character may not be able to produce one in an era.

It is in this world of great controversy that will be born.

"I don't know what kind of gift the Lord Ares will give?"

Suddenly, I didn't know who it was and said.

At once, the surroundings became quiet.

Jun Xiaoyao was here to observe the gift, how could it be possible to bring a gift?

"It's okay, we don't want it. It is an honor for the son to not dislike us." Tu Shanwan hurriedly said.

"Yes, yes." Tu Shanchunchun nodded like a chicken pecking at rice.

Chi Hongyu's face was completely distorted.

They not only worked hard to break through the three levels, but also presented a betrothal gift.

It is impossible to withdraw these gifts.

As a result, now, it is Jun Xiaoyao, UU reading www.uukanshu.com and they don't want to pay gifts, just post them upside down.

This should also be a sentence.

If a woman truly loves a man, she will not stare at the bride price.

Those women who only want sky-high price gifts actually don't care about men at all, but just want to sell themselves for a good price.

In the face of Jun Xiaoyao, Tushan Wumei is fine.

In the face of other men, even if they give sky-high gifts, they are too lazy to take a look.

"This world..."

Chi Hongyu Daoxing completely collapsed.

The mentality is unstable.

He thought it was a shame this time, but in the end he was doubly humiliated.

And also lost the soul book.

Simply defeated.

"It's not good, after all, it's all here, the gift that should be given is still required." Jun Xiaoyao said.

He did not say it was a bride price.

Jun Xiaoyao waved his big sleeve, and five drops of chaotic blood fell on Wumei.

"Chaos Essence!"

The five beautiful bodies were shocked at the same time.

This is an absolute rare treasure, and anyone who looks at it will be enthusiastic.

If it is refining, not to mention that it can become a chaotic body, at least it can get great benefits!

This is more precious than any bride price!

Not only Tushan Five Beauty, others are also amazed by Jun Xiaoyao's handwriting.

Jun Xiaoyao smiled faintly.

There are so many good things in the universe within him.

Heavenly Immortal Tree, Immortal Origin Ancestral Vein, Exotic Dragon Vein, Fountain of Life, Mother Qi of all things.

There is even the world tree, even if a leaf is taken out, it is enough to shock the world.

But Jun Xiaoyao obviously won't take out these good things, it's completely unnecessary.

At this moment, I saw that Concubine Tushan Ming also hesitated, and then hesitated, "I wonder...Can Xiaoyao Xiaoyou also give me a drop of Chaos Essence?"

"Senior Consort Ming also wants my blood?" Jun Xiaoyao asked.

[Chapter 1034: Marry Tushan with 5 beauty, 8 star reward for signing in, big man...](#)

Concubine Tu Shan blushed.

She was mature like a peach, and she felt a sense of shame at this moment.

The next year in the next year will not be young. They will all be mothers, but they will still look like a little girl.

But the chaotic essence and blood are indeed very important to her and have a great effect.

Because Concubine Tu Shan, she was stuck in the realm of the gods of good fortune for a long time.

One step further is to break through to Chaos Dao Zun.

If she could get Chaos Essence and Blood, it would obviously be of great help for her to break through to the Chaos Dao Zun.

And the chaotic body is so rare, there may not be one in an era, let alone chaotic essence.

Right now, Jun Xiaoyao is right in front of him, and Concubine Tu Shan naturally doesn't want to miss this opportunity.

Hearing this, everyone's eyes were a little weird.

Although this sounded no problem.

But there is always something wrong.

"Yes." Jun Xiaoyao nodded slightly.

If you can win over the Tushan emperor with this, it won't be a loss.

Even if you can't win, at least you can build a good relationship.

Anyway, Jun Xiaoyao is not short of blood.

He once again forced out a few drops of chaotic blood from his heart and shot it at Concubine Tushan Ming.

Concubine Tu Shan took it, with a touch of joy on her charming cheeks: "Thank you, little friend Xiaoyao, so next, it should be a wedding banquet."

"This..."

Jun Xiaoyao was speechless for a while.

He was only here to be a melon-eater, so he harvested leeks by the way.

As a result, it seems that he has become the protagonist without knowing it.

Besides, he really didn't plan to marry a fox.

And there are five at once.

"Sir~" Tu Shanchunchun said softly, with big watery eyes open, and said coquettishly.

"The son..." Tu Shanwan was also nervous.

If Jun Xiaoyao refused in public, then they would be embarrassed.

Tu Shan Yueyue, Tu Shan Taotao, Tu Shan Xiaoxiao and the three daughters, the star-like beautiful eyes are also staring at Jun Xiaoyao.

Jun Xiaoyao also felt that if they refused in public, they would not be able to get off the stage.

At that time everyone was embarrassed.

But it is also impossible for him to solve major life events now.

It is even more unlikely to be with five of them.

Especially Tu Shan Yueyue and others, only met for the first time.

No matter how scumbag Jun Xiaoyao is, he won't be so casually.

"The biggest reason they recruited relatives was because of the immortal scriptures they were cultivating. When they saw if there were other ways to do it, they should just let it go."

Jun Xiaoyao showed an awkward and polite smile.

At this moment, Kagura suddenly breathed a sigh at Jun Xiaoyao, exhaling like a orchid: "A palace of kings, anyway, it's all about recruiting relatives, why don't you marry slaves by the way?"

"Nunu doesn't mind how many women you have. Anyway, there are not many good men with a few women."

In this regard, Kagura is very open.

Jun Xiaoyao was ashamed and completely speechless.

It is the first time I realized that being popular with girls is also a very troublesome thing.

"Well, it's better to hit the sun if you choose a day, so let's just get married and enter the bridal chamber." Concubine Tu Shan patted Yushou.

"Okay!" Tu Shanchun smiled openly.

"I can." Tu Shanwan said with a blush.

"I have no opinion either." Tu Shan Xiaoxiao said.

"So nervous." Tu Shan Taotao looked down, wringing his fingers.

"Then let Sister try it." Tu Shan Yueyue showed a charming smile.

Wumei has no opinion.

On the contrary, Jun Xiaoyao had some headaches.

But right now, the crowds can only get past.

Wait until the time comes.

Soon, the recruitment conference became a marriage conference.

Tushan is beaming with lights and festoons.

All the creatures who came to attend the recruitment meeting became guests.

As for Chi Hongyu, he left alone, his back is very lonely.

It is conceivable that this incident has hit him too much, and will not be able to ease it for a long time, immersed in the shadow of Jun Xiaoyao.

But the loser, no one pays attention anymore.

The five princesses of Tushan were all phoenix crowns and xiamen, put on red wedding dresses.

A touch of Zhu Dan on the lips, and a little pink and white, is so beautiful.

The five brides appeared at the same time, they were gorgeous, and the world became their backdrop.

Apart from Kagura, there are really few women who can compare with them.

Even the goddess of Pu Kui is a bit less charming.

"This is five times the happiness." You Tianjiao said with envy.

"If you have the skills of Lord Ares, you can be ten times or a hundred times more happy." Someone joked.

"It's incomparable, it's incomparable, but the Lord of War can't bear it?"

"Are you underestimating the unparalleled chaotic body?"

The atmosphere of the audience was also harmonious.

Jun Xiaoyao was dressed in white, but did not change into red.

To him, this was just a perfunctory act on the spot, so as not to embarrass the Tushan emperor.

His real wedding banquet can only be done willingly by himself.

And if he waits for him to get married, it is estimated that it will be an era-level wedding ceremony!

Of course, that at least has to be after becoming emperor.

Otherwise, you will have no strength, so what can you do to protect your own woman?

Although Jun Xiaoyao is backed by the Jun Family, Jiang Family and other top forces, there is no need to worry about safety at all.

However, Jun Xiaoyao still wanted to rely on his own strength to protect his loved ones, rather than relying on family power.

In this regard, Jun Xiaoyao is still a bit machismo.

Men should protect their women.

While Jun Xiaoyao is contemplating, the wedding ceremony has already begun.

Perhaps it was because he saw what Jun Xiaoyao meant, there was no red tape on the Tushan emperor's side.

There is no etiquette such as husband and wife worship.

A touch of loss flashed in the eyes of Tu Shanwan's women.

But when I thought that Jun Xiaoyao was to take care of their mood, I liked Jun Xiaoyao more in my heart.

The wedding lasted three days.

Three days later, all the guests left.

It is conceivable that after the news spread, Jun Xiaoyao was afraid that countless men would be jealous with envy.

Jun Xiaoyao's headache is, I don't know how Luo Xiangling would feel when he heard the news?

Next, it's time to enter the bridal chamber.

Before entering the bridal chamber, Jun Xiaoyao found Kagura.

"Don't leave first, and then I will ask you something." Jun Xiaoyao said.

"That's natural, unless a palace drove the slaves away, otherwise the slaves wouldn't be willing to leave." Kagura said softly.

Jun Xiaoyao nodded.

After entering the bridal chamber, Jun Xiaoyao at UU reading www.uukanshu.com felt like he was going to the battlefield.

Do not...

Or the two are the same.

Because when you enter the bridal chamber and go to the battlefield, you have to carry your guns into battle.

Jun Xiaoyao sighed, but he was still right.

Then, Jun Xiaoyao was introduced to the back of Tushan by two beautiful maids.

There are continuous palaces and the residence of some noble fox tribes.

Seeing Jun Xiaoyao who was led away, Concubine Tu Shan breathed a sigh of relief.

My daughter's life event has finally been resolved.

But for some reason, there was a faint melancholy in my heart.

"I have no birth but a king, and I am old when a king is born."

Concubine Tu Shan Ming sighed.

If Jun Xiaoyao was born in her time.

Maybe she will be obsessed with it too.

Here, Jun Xiaoyao soon came to a luxurious bedroom.

The door opened and Jun Xiaoyao entered alone.

The red candle flickered inside, and the gauze tent fell down.

There is a huge round red bed in the center.

Let alone five people, even fifty people can sleep.

Multiplayer sports are completely fine.

And beside the bed, five phoenix coronets and beautiful women were sitting dignifiedly.

Even Tu Shanchunchun, the most peculiar character, seemed a little nervous and didn't resurrect his character.

Seeing Jun Xiaoyao's arrival, the women were even more confused.

At this moment, the mechanical sound of the system rang in Jun Xiaoyao's mind.

"Ding, congratulations to the host, you have arrived at the sign-in place, do you want to sign in?"

"Sign in." Jun Xiaoyao said silently.

"Ding, congratulations to the host, sign in the eight-star reward, a man gift package!"

"Men's spree, what is it?"

Jun Xiaoyao was puzzled, and it was the first time he signed in with a spree reward.

And it's a great gift package worth eight stars.

[Chapter 1035: Generous gift package rewards to improve the possibility of the fairy tale](#)

This is the first time that Jun Xiaoyao has received this kind of gift package sign-in reward.

"Open it and see, what's the baby inside?" Jun Xiaoyao meditated.

"Ding, congratulations to the host, get the Xuanyang treasure pestle!"

When Jun Xiaoyao heard the words, his expression was a little weird.

"You pestle, is he serious?" Jun Xiaoyao murmured silently in his heart.

However, the contents of the gift bag are not finished yet.

"Ding, congratulations to the host, for getting the immortal kidney!"

Good guy, Jun Xiaoyao doesn't know what to say.

At the beginning of cultivation, when cultivating the five great gods.

His kidney **** is stronger than other gods, and it can be said to be different from ordinary people.

Now add an immortal kidney, it is almost a perpetual motion machine.

"Ding, congratulations to the host, for getting the celestial sutra!"

This reward made Jun Xiaoyao concentrate.

No wonder it was the eight-star reward, which originally contained a fairy tale.

Any celestial scriptures are of infinite value.

Jun Xiaoyao's three generations of celestial scriptures for practicing Yuanshen were also obtained by signing in.

But is this primordial fairy Scripture the kind of serious celestial scripture?

Jun Xiaoyao stood in place.

He can feel that there is an inexplicable power blessed on every part of his body.

Xuanyang Baochu, as the name suggests, knows everything, so there is no need to explain.

This is definitely something all men dream of.

Although for Jun Xiaoyao, this is just icing on the cake.

Because he is already strong enough.

What's interesting is that this Xuanyang treasure can also bring the essence of Xuanyang.

For women, this is a nourishing holy product, more precious than any elixir.

Enough to make any woman crazy.

As for the Immortal Kidney, let alone.

Jun Xiaoyao's kidney, even his grandfather Jun Zhantian is envious.

Now it's just icing on the cake.

As for the Su Nv Fairy Classic, Jun Xiaoyao glanced roughly.

He did not expect it.

It is a fairy Scripture that teaches double cultivation.

For this, Jun Xiaoyao is interested, and it will be useful in the future.

But this gave Jun Xiaoyao some inspiration.

If you can comprehend some methods in the Su Nv Fairy Sutra, can you help the Tushan Fox Clan and improve their Dream Fairy Sutra?

After all, there are similarities between the two.

Both are methods that require both men and women to practice.

In addition, Jun Xiaoyao has a catalog of the God of War, and it is not completely impossible to analyze and disassemble the celestial scriptures.

His own talent is also enchanting enough.

"My son, are you... in a daze?"

Tu Shanwan asked tentatively.

"What a daze? It's probably because I saw our five sisters' beautiful and flowery appearances. Let's see them in a daze." Tu Shanyue said with a smile.

Their five sisters have pink, daisy and red makeup, and each is beautiful and beautiful. I am afraid that no man will not stay if they look at it.

But they really misunderstood Jun Xiaoyao.

Jun Xiaoyao has seen countless number of beauties, and he has long been immune.

After regaining his senses, Jun Xiaoyao smiled faintly.

Because he already had a solution to the problem in his mind, he also relaxed completely.

However, the system signed him the man's gift package at this time, which was really warm and considerate.

Unfortunately, Jun Xiaoyao is destined to be useless now.

"Sir, what are you waiting for?"

Tu Shanchunchun's face was delicate and shy, no longer lively and playful.

Seeing Tu Shan Chunchun, Jun Xiaoyao was really ashamed.

That's it for the other four women.

Tu Shanchun, the white-haired loli, really feels like a crime.

Although in this world, no one would take him to jail.

But there is always a hurdle in my heart.

Seeing Jun Xiaoyao not stepping forward, Tu Shan Yueyue suddenly smiled ambiguously and said: "Why, is it possible that the famous God of War is still a young child?"

Although their five sisters are all young children.

But they don't think that Jun Xiaoyao is also a young child.

Not to mention women like these outstanding men.

Even if it was three thousand beauties in the harem, they would not be surprised at all.

"Of course I am."

Jun Xiaoyao is very frank, there is nothing to hide.

"Really?"

Tu Shan Xiaoxiao's beautiful eyes widened.

Even Tu Shanwan was very surprised.

After all, there is no shortage of women around Jun Xiaoyao.

Fei Qingxue, Luo Xiangling, even the Su Hongyi that was picked up are pretty and charming.

Tu Shanwan also thought that Jun Xiaoyao had a woman. Although she felt a little pimple in her heart, she didn't mind.

Because the thinking concept of the Fox tribe is not the same as that of the Human tribe.

"Oh, it's really interesting. How about letting my sister help you? Although I am the first time, I have read a lot of little books."

"I know a little bit about the sheep-on-tree pose, the mysterious cicada-attachment style, the white tiger-teng style, and the wild horse leaping style."

Tu Shan Yueyuexiang licked her red lips, tempted extremely.

"Are you testing my qualitativeness?" Jun Xiaoyao was still calm.

Although he is a young child, he is already an old driver in his mentality.

"The son, can you bear it?" Tu Shan Yueyue raised her chest unconsciously.

I have to say that in terms of body shape, Tu Shanyueyue is worthy of the eldest sister among the five sisters.

I am afraid it is only her mother, Concubine Tu Shan Ming can be compared with her.

Jun Xiaoyao said indifferently: "The princess is really big."

Hearing Jun Xiaoyao's slightly ridiculous tone, UU read www.uukanshu.com Tu Shan Yueyue also blushed, but still smiled and said: "It seems that the son is not a sage who sits still, but is also a lustful disciple."

Jun Xiaoyao smiled and said, "Everyone has the heart to love beauty. A gentle lady, a gentleman is so beautiful."

"It's a pity that the delicate flowers are not appreciated by others?"

Jun Xiaoyao is frank and frank.

He has never boasted of a saint or gentleman, Liu Xiahui or the like.

Just appreciating and appreciating, Jun Xiaoyao will not overthrow the girl casually.

After all, in addition to the kidneys, but also the heart.

Jun Xiaoyao can indeed fascinate countless girls, but he doesn't want to become a humanoid self-propelled gun.

"Sir, do you dislike Chunchun for being small?" Tu Shanchunchun posted.

"My son, come on." Tu Shanwan was the same.

Jun Xiaoyao was pushed onto the bed by Wumei.

He didn't expect that he would be pushed down.

These five beauties are simply five juicing girls.

"My son, don't worry, although our five sisters are all the first time, they will definitely take care of you." Tu Shanyueyu put her hand on Jun Xiaoyao's chest.

Surrounded by five foxes, Yingying Yanyan, changing to be any man, the bones will definitely be crumbly, and you will never think about anything again.

"Everyone, wait a minute."

Jun Xiaoyao's gentle force shook Wumei away.

"My son... I really look down on us." Tu Shanwan was very disappointed.

"My son, even if you scold me a few words, don't turn it away." said Tu Shan Taotao, the most courageous and weakest aura.

"I know that the main reason why you recruited relatives was nothing more than the love and dream fairy Scriptures you were practicing, and you needed to practice with men who were entwined with the red thread of marriage."

"If I can improve your celestial scriptures, you won't have to rely too much on men in the future, you can practice alone." Jun Xiaoyao said.

His words made Wumei stunned on the spot.

[Chapter 1036: The immortal scriptures inscribed in the flesh, 10 days to comprehend the love dream fairy...](#)

Improved Dream Fairy?

Wumei looked at each other after hearing the words.

Immediately, Tu Shan Yueyue laughed out loud.

"My son, don't make fun of you. How can ordinary people improve things like the celestial scriptures?"

Tu Shan Xiaoxiao also said: "Yes, son, it's not that we don't believe what you can do, but it's really incredible."

Celestial scriptures are top-level exercises.

Even in the immortal forces, it is of the town clan level and cannot be spread.

It is very difficult for ordinary Tianjiao to comprehend.

Even if it is them, they have only comprehended one-third of the points after they have practiced the Love Dream Immortal Sutra for a long time.

Now Jun Xiaoyao actually said to improve the Dream Fairy Classic.

To put it nicely, call it incredible.

To say it badly is just daydreaming.

"Why, don't believe me, or say I want to lie to your celestial scriptures?" Jun Xiaoyao raised his eyebrows lightly.

"Of course not, the son has vast supernatural powers and controls all kinds of supreme cultivation techniques. How can he covet our fairy scriptures?" Tu Shanwan hurriedly said.

Among the five sisters, she is considered to have had more contact with Jun Xiaoyao.

When Jun Xiaoyao instructed her, from time to time she displayed magical powers that dazzled her.

Jun Xiaoyao's background is much deeper than that of them, so how can you care about a fairy Scripture?

"If you don't mind, can you let me take a look, I will never spread this technique outside."

"If it still doesn't work, I can exchange a fairy Scripture with you."

Jun Xiaoyao's words once again astounded Wumei.

Rare things like fairy scriptures can be exchanged at will.

"We believe in the son, but..." Tu Shanchun stopped talking.

His face turned into a red apple.

"You are..." Jun Xiaoyao was speechless.

Tu Shan Yueyue's beautiful eyes flowed, and said ambiguously: "My son, do you really do not know, or do you not know?"

"What do you mean?" A question mark appeared on Jun Xiaoyao's head.

"The Love Dream Immortal Sutra cultivated by our Tushan Fox Clan is cultivated in and engraved on the flesh."

"The son wants to watch the celestial scriptures, doesn't he want to see our bodies?"

Tu Shan Yueyue's words made Jun Xiaoyao slightly surprised.

Although he also knew that there were some immortal sutras that would be engraved in the musculoskeletal bloodline.

But this was the first time I encountered it.

"My son, if you want to see our body, just say, why do you cover up like this? Anyway, it's all yours."

Tu Shan Xiaoxiao gave Jun Xiaoyao a look, very charming.

"I am not, I am not, don't talk nonsense."

Jun Xiaoyao immediately came to deny three companies.

"Hey, whether it's real or fake, it's all on the bed, so be it."

As the eldest sister, Tu Shan Yueyue is the most open one.

However, this openness is limited to the only man recognized by her.

Tu Shan Yueyue faded from the red dress.

The skin is tender as cream, slippery as fat, and white as snow.

Against the background of the candlelight, it seemed that the skin was faint.

The figure is even worse.

One word, absolutely!

"Sure enough, good health." Jun Xiaoyao secretly said, looking at Tu Shan Yueyue's plump figure.

With Tu Shan Yueyue taking the lead, the other four women were naturally blushing and undressing.

Jun Xiaoyao's expression was plain, and he didn't avoid any taboos. Appreciate if you should.

Tushan is full of months and months.

Tushan peach and peach matte finish.

Tu Shan is Xiaoxiao and fair-skinned.

Tu Shan Wan Wan is well-proportioned.

Tushan is pure and compact.

Each has its own beauty.

I have to say that this scene is a test of a man's determination.

Five golden flowers, a picture that you can pick up.

As long as Jun Xiaoyao is willing, five times the happiness is at your fingertips.

But Jun Xiaoyao was calm.

He knows what to do and what not to do.

Being watched by Jun Xiaoyao like this, even the most casual Tu Shan Yueyue, his face was painted with fat, glowing bright red.

"Let's start." Jun Xiaoyao said.

Wumei settled the mind, and at the same time urged the fairy tale of dreams.

Suddenly, countless mysterious characters appeared on their snow-white jade bodies.

It is not a human script, but a demon rune.

However, Jun Xiaoyao is smart, talented and enchanting. Since he was a child in Jun's Bookstore, he has been familiar with the writings of thousands of people.

So there are no obstacles.

"Hey, this paragraph..."

Jun Xiaoyao approached Tu Shan Yueyue and stared at a certain part of the rune carefully.

"My son, you..."

Even Tu Shan Yueyue bit her red lips secretly.

This is too shameful.

Then, Jun Xiaoyao looked at the fairy scriptures of Tu Shan Taotao, Tu Shan Xiaoxiao and others, and contrasted with each other.

"Cocked up." Jun Xiaoyao suddenly said to Tu Shan Chunchun.

"what...???"

Tu Shanchunchun was full of question marks, and then he was ashamed, his face turned into a red apple.

It's not that Jun Xiaoyao deliberately teased.

But at this moment, he has been immersed in the enlightenment of the fairy tale of love.

Deconstruct this fairy tale through the catalog of the God of War.

This is an absolutely impossible task for ordinary people.

Jun Xiaoyao has to be completed in the shortest time.

One can imagine the extent of its suffering.

This is why Tushan and Five Beauty all think that Jun Xiaoyao is joking.

Now, Tu Shan Yueyue and others are even more sure that this is Jun Xiaoyao teasing them.

"Is it foreplay?" Tu Shan Yueyue thought.

Some humans like to do this kind of bells and whistles.

Never go straight to home base.

In a blink of an eye, ten days passed.

Outside, Concubine Tu Shan looked at the still closed bedroom, with a strange expression on her charming face.

"It's been ten days, haven't you come out yet?"

But then I thought about it, if I came one by one, it would really take time.

"Hey, it's nice to be young." Concubine Tu Shan Ming said with emotion.

And outside Tushan, there are also many exotic creatures waiting to watch the excitement.

"I've been obedient, it's been ten days, why is there no movement at all?"

"It's you, it's only ten days, can you afford it?"

"Yes, you die under the peony flower, and you're a ghost."

"But to be honest, the physical strength of the Chaos Body is really good, after all, the desire of the Tushan Fox Clan is notoriously strong."

Many people were whispering to see when Jun Xiaoyao came out of Wenrouxiang. UU reading www.uukanshu.com

And in one of the pavilions, a beautiful woman who was so beautiful that she had no flaws stayed here all the time.

It is the Kagura of the Yixie clan.

"It's been ten days, a palace of kings, don't you have a drop left, what will the slaves do when the time comes?"

Kagura's eyes flowed, sighing, and Gu Ying felt sorry for herself.

Just when there is a lot of curiosity outside.

On Jun Xiaoyao's side, he finally deconstructed the fairy tale of love.

Not to mention the complete enlightenment, at least I have comprehended a lot of things.

"Enough, please don't bother me in the next time."

Next, Jun Xiaoyao has to pass the God of War catalog and his own evil talent.

Combine and improve the two celestial scriptures of the Love Dream Fairy Classic and the Su Nv Fairy Classic.

So as to change the shackles of the cultivation of the fairy tale of the dream.

Seeing Jun Xiaoyao's expression on his chest.

The five beautiful expressions are all weird.

"Young Master, are you sure this is not foreplay?" Tu Shanyue said.

"What foreplay?" Jun Xiaoyao was puzzled.

Afterwards, Jun Xiaoyao sat cross-legged alone.

"I don't care about our five beautiful beauties, are they really going to improve the Immortal Sutra?" Tu Shan Yueyue didn't know what to say.

"As long as the son is willing, I will support it." Tu Shanwan said.

"But, I really don't like my husband because of the fairy tale." Tu Shanchun squashed his little cherry mouth.

In the beginning, she might indeed have a good impression of Jun Xiaoyao because of the red line of marriage.

After getting along.

She was really impressed by Jun Xiaoyao's personal charm.

She would like it even if she hadn't practiced the fairy tale of dreams.

"Let's see what the son can make out, if it doesn't work, we still have to be eaten by our sisters."

Tu Shan Yueyue licked her **** red lips.

[Chapter 1037: Improved version of the fairy tale of love dreams, eat Dingjun happy](#)

To be honest, let's not say that Jun Xiaoyao is not greedy for their bodies.

But they are indeed greedy Jun Xiaoyao's bodies.

At least Tu Shan Yueyue is very hungry.

After all, it is a chaotic body, plus it is still a young child.

If you can double repair with Jun Xiaoyao, the benefits are endless.

Not to mention the great progress can be made in the Dream Fairy Classic.

All attributes of itself can be improved.

As the existence of three thousand physiques ranked in the top five all year round, and even able to compete for second, is it unusual for a chaotic body?

But Jun Xiaoyao didn't have this intention, and they couldn't come hard either.

The main reason is that they don't have the ability to strengthen Jun Xiaoyao.

In the next time, Jun Xiaoyao continued to deduct the two celestial scriptures.

This kind of work, even if it is to let the quasi emperor come, will consume countless hours.

Therefore, Tu Shan Yueyue, a few women, did not think that Jun Xiaoyao could be completed in such a short time.

In a blink of an eye, three months passed.

The outside world, even Concubine Tu Shan Ming is speechless, this time is too long.

"Are the young people so strong nowadays?" Concubine Tu Shan Ming was a little curious.

But curiosity belongs to curiosity, she is naturally impossible to snoop.

Also issued an order not to allow anyone to disturb.

In the outside world, the noise is even louder.

"My God, five beauties, for three months, God of War is really strong, in all aspects." A male Tianjiao envied.

There are even more women, and they are also extremely envious.

What they admire is naturally Tushan Wumei.

"If Lord Ares can favor me, even if I can only experience it once, I will have no regrets in my life." Many women are looking forward to it.

Jun Xiaoyao immediately became the husband of the whole people.

In the palace.

It is completely different from the illusion of spring in the outside world.

Jun Xiaoyao has been sitting cross-legged for three months.

Wumei didn't leave either, but was observing Jun Xiaoyao, arguing with each other from time to time, which was also seductive.

Finally, Jun Xiaoyao opened his eyes.

Even with his enchanting talent, there was a touch of exhaustion on his face at this moment.

This kind of thing consumes much energy and brain power.

If it weren't for Jun Xiaoyao to be the three-generation primordial spirit, he might not be able to stand it.

"The son!"

Seeing Jun Xiaoyao open his eyes, the five beauties are all approaching.

"Next, I will pass you a piece of law, try it first." Jun Xiaoyao said.

As soon as he pointed it out, five auras fell on the snow-white foreheads of the five beautiful women.

Suddenly, in Wumei's mind, there are various mysterious scriptures shining brightly, running like stars in the sky, flashing, and extremely bright.

"this is..."

The five beautiful and beautiful bodies shook together.

Even at the beginning, Tu Shan Yueyue, who didn't believe in Jun Xiaoyao the least, took a deep breath at this moment.

The chest is undulating.

"How come?" Tu Shan Yueyue lost his temper.

Although this scripture has the feeling of a fairy tale of love, it is not exactly the same.

The most important thing is that there is no need to tie all hopes to the person who leads the red line of marriage as before.

Even if you don't really like the other party, you can practice with the power of the other party's various bloodlines.

The revised Dream Fairy Sutra has become more domineering and more convenient.

Most importantly, there are no shackles.

For the Tushan fox clan, the biggest shackle of the fairy tale of love is that it is difficult to find the destined person.

Jun Xiaoyao's modified version of the Dream Fairy Classic has completely repaired this shortcoming.

Although it looks like it has become a magic scripture.

But they are the monster race, and they don't have to pay so much attention to it.

"How is it possible, this is only three months." Tu Shan Xiaoxiao was also very surprised.

"If my mother knew about it, she would be very surprised." Tu Shanwan's chest was up and down, and she couldn't calm down.

They went through it for the first time and found that this immortal scripture is really not fake, and they can be cultivated!

The five bright gazes all looked at Jun Xiaoyao, bright as stars.

Jun Xiaoyao really exceeded their expectations completely.

Jun Xiaoyao smiled slightly.

In addition to the fusion of the Fairy Sutra and the Fairy Sutra.

It also incorporates the Heitian line, part of the essence of the sacrificial texts of all living beings.

Even some characteristics of Tao Xin magic formula are incorporated into it.

It can be said that if Jun Xiaoyao itself is not strong, and there are not many exercises.

No matter how talented he is, it is impossible to study this modified version of the Dream Fairy Classic.

In fact, Jun Xiaoyao can also do some small tricks in this immortal scripture.

After the Tushan Fox Clan cultivates, they can easily control their lifeblood.

But Jun Xiaoyao did not do this.

As a result, Tu Shanwanwan and others treated him well, and Jun Xiaoyao was not going to dig holes for those who were good to him.

Secondly, among the Tushan emperor clan, there are naturally the existence of the immortal king level.

Although Jun Xiaoyao can do things secretly, if he is discovered, then Jun Xiaoyao is completely insulated from the Tushan emperor clan, and even turns against each other.

What Jun Xiaoyao thought was how to draw Tushan Emperor Clan to his side, and even join the Emperor's Court.

Therefore, for the sake of safety, Jun Xiaoyao did not do anything.

After that, the five beauties all tried to practice a little bit.

They were pleasantly surprised to find that this is indeed a feasible way.

It will have a huge impact on the entire Tushan Emperor Clan!

"Sir, you are really the great lucky star of our Tushan emperor clan!" Tu Shan Chunchun gave Jun Xiaoyao a big hug.

The other four beauties are also close to Jun Xiaoyao.

"Well, now that your practice problem has been resolved, you will not be held back by the red line of marriage in the future, so you can practice with confidence." Jun Xiaoyao said.

Gentle Township, the Tomb of Heroes.

Jun Xiaoyao will not indulge in this palace.

He still has a lot of things left to do in a foreign land.

"My son, in fact, I didn't choose you because of the fairy tale of love." Tu Shanwan looked sad and pity.

"So is Chunchun." Tu Shanchunchun made a behaved and pitiful appearance.

"Tsk tut, son, your attitude like this makes our five sisters so heartbroken." Tu Shan Yueyue also sighed.

"You are all good girls, but I have obsessions and can't let it go for the time being." Jun Xiaoyao sighed.

He would not persuade Tushan Wumei to find other men.

But now, it is impossible for him to stay here.

"Oh, who is the person who can make the son such a transcendent character and obsessive mind, I really want to see it." Tu Shanyue said.

Jun Xiaoyao smiled quietly.

He is in Xianyu, and there are indeed people he cares about.

But what he cares most about now is the whereabouts of his father, Jun Wugui.

"Well, we won't force the son." Tu Shanyue said.

Mainly, it can't be forced.

Jun Xiaoyao is too strong to be pushed down.

Jun Xiaoyao smiled slightly, got up and left the bedroom.

Looking at the back of Jun Xiaoyao, UU reads www.uukanshu.com Tushan Taotao revealed a pity, and said: "Sister, did we really give up like this?"

"Sisters, what do you say?" Tu Shan Yueyue looked at the four women.

"Except for the son, there is no one in this life." Tu Shanwan said firmly.

"It's the same for me." Tu Shan Chunchun said with a pretty simple voice.

"Once, I did meet a man who was as good as him. That man was named Jun Xiaoyao, but he was gone."

"Now, it is estimated that there will be no better man than him." Tu Shan Xiaoxiao said.

"I am the same as everyone." Tu Shantao Tao said.

"Well, since our five sisters have the same goal, we can't put this little piece of meat away, and see who can survive the other!" Tu Shan Yueyue licked his fragrant tongue.

Their five sisters won't have any other men in their lives, so they will eat Dingjun Xiaoyao!

[Chapter 1038: Cross-server chat, the promise of the 9-tailed concubine Wang Da, unveiled...](#)

After three months, Jun Xiaoyao finally came out of the palace.

Three months of dark and exhausting life is finally over.

Jun Xiaoyao was also relieved.

Finally solved the problem of the five foxes.

But what he didn't know was that the five foxes had eaten him.

call out!

In front of the fragrant wind, a plump and beautiful woman appeared in front of Jun Xiaoyao.

It is Concubine Tushan Ming.

"How do you feel, son-in-law?" Concubine Tu Shan Ming was very curious.

For three whole months, even she was waiting a little impatiently.

"tired."

Jun Xiaoyao simply uttered a word.

Can you not be tired after studying and improving the Dream Fairy Sutra for three full months?

"It's a hard work son-in-law, after all, the workload is really huge."

When I think of my five daughters who are like tigers and wolves, even Concubine Tu Shan's face is apologetic.

See what it is like to toss others.

"That's true, after all, I'm doing things day and night, and I haven't stopped for a moment at all." Jun Xiaoyao sighed.

"How could this happen, don't you even give you time to rest?" Concubine Tu Shan opened her red lips slightly, a little startled.

My five daughters are too much.

Don't give people a break even for a moment.

"I can't rest, I'll give up all my previous work once I rest." Jun Xiaoyao said in a serious tone.

Improving the Celestial Sutra, if it is interrupted or even interrupted, it will obviously be more difficult to connect it again.

"Abandoned all previous efforts, you mean..." Concubine Tu Shan Ming was puzzled.

"Fortunately, there is already a result." Jun Xiaoyao smiled slightly.

In three months, it can be regarded as the completion of the improvement of the Dream Fairy Classic.

"What, there will be results so soon, it's only three months?" Concubine Tu Shan was shocked.

Is pregnancy so fast?

"Of course, the five of them will come out immediately and you can talk to Senior Concubine Ming." Jun Xiaoyao smiled.

The Five Beauties of Tushan have all cultivated the improved version of the Immortal Sutra without any problems.

"I...I want to be quiet."

Concubine Tu Shan Mingyu held her forehead with her hand, feeling a little unreal.

Are you going to be grandma so soon?

My son-in-law's marksmanship is too accurate.

Not long after, the five beautiful ladies including Tu Shan Yueyue all came out of the bedroom.

Concubine Tu Shan Ming rushed forward, staring at the five daughters, with a hint of blame in her concern.

"You guys, really, don't you let the family rest?"

"There are only exhausted cattle, no bad farming."

"Also, are you really pregnant?"

Hearing the words of Concubine Tu Shan Ming, Wumei was all dumbfounded.

Slowly type a "?"

"Grandson, are you going to hug your grandson?" Concubine Tu Shan asked eagerly.

This is a grandson with the blood of Chaos Body, it is strange that she is not in a hurry.

At this time, Wumei suddenly felt red, her cheeks flushed as fire.

"Mother, what are you talking about?!"

Five beauty is speechless.

Then he explained it.

Concubine Tu Shan paused, and instantly blushed.

The feeling is that I have made a big oolong and completely misunderstood.

She and Jun Xiaoyao are completely chatting across servers.

In these three months, Jun Xiaoyao has never overthrown five beautiful ladies.

Just when I was visualizing the fairy tale, I pushed it a little.

Pushed, but not completely pushed down.

Next, Jun Xiaoyao also gave the improved version of the Love Dream Fairy Classic to Concubine Tu Shan Ming.

Concubine Tu Shan Ming was shocked as a god.

"How is it possible that there is such a change?" Concubine Tu Shan Ming was completely shocked.

Is this something that a supreme can do?

My son-in-law is really a fairy.

"With this improved version of the Love Dream Fairy Classic, I believe that the Tushan emperor will be able to get rid of the shackles of the exercises and be completely free in the future." Jun Xiaoyao smiled.

"This is a big deal, I need to report it to the king." Consort Tu Shan Ming solemnly took out a jade slip and began to send the message.

Upon hearing this, Jun Xiaoyao's eyes were dark.

The king in the mouth of Concubine Tushan should be the immortal king of the Tushan clan.

Jun Xiaoyao also had the foresight and didn't use his hands and feet in the celestial scriptures, otherwise the result would be unpredictable.

Not all immortal kings stay in the ancestral land.

Most of the time, he stayed in some caves and blessed places.

Even if it is a tribe, under normal circumstances, it will not be easily disturbed.

But this matter is too relevant, and Concubine Tu Shan Ming must report it.

It didn't take too long.

In the void, a red line suddenly fell and wrapped around Jun Xiaoyao's wrist.

Seeing this scene, Concubine Tu Shan Ming and Wu Mei were shocked and couldn't help saying:
"That's..."

At this moment, in the void, a charming and cold female voice resounded in Jun Xiaoyao's ears.

"My little friend, this matter is my tushan, and I owe you a favor."

"In the future, if you encounter any trouble, pull this red line, this king is willing to help you unconditionally once."

"I have seen the king!"

Concubine Tu Shan Ming and Wu Mei knelt down when they heard this voice.

This is the voice of the immortal king of the Tushan imperial clan, King Nine Tails, and Concubine Da.

Concubine Da, the highest nine-tailed sacred fox lineage, is also the pillar of the Tushan imperial family.

Before, even if the ten-tailed black fox appeared, Princess Nine-tailed Wang Da did not respond.

As a result, he was shocked by Jun Xiaoyao's improved version of the Immortal Scriptures, and he promised a personal affection.

This is definitely the supreme glory for outsiders who are not fox clan.

"Thank you, Senior King Nine Tails." Jun Xiaoyao slightly arched his hand towards the void.

Three months of hard work, in exchange for the kindness of the Immortal King, and the conditions for one shot.

Absolutely earn blood!

For Jun Xiaoyao, this is a profitable business.

But think about it, Jun Xiaoyao's improved immortal scripture had too much influence on the Tushan emperor.

Neither did the Tushan emperor abandon the Love Dream Fairy Sutra, but also helped them break the shackles.

It is normal for Jun Xiaoyao to receive such courtesy.

"The son is indeed the son, and he can do earth-shattering things wherever he goes."

Wumei's eyes ~www.mtlnovel.com~ have become more brilliant again.

They regretted now, Fang Jun Xiaoyao left the palace.

The red line on Jun Xiaoyao's wrist was temporarily hidden.

Jun Xiaoyao has a foreboding that this red line will definitely help him a lot in the future.

The Tushan Emperor Clan's affairs have come to an end.

"Five, I have something to do later, I have to return to the God of War Academy, and see you later." Jun Xiaoyao slightly arched his hands towards the five beautiful ladies.

Gentle, modest gentleman.

Although Chunchun, Wan Wan and others are reluctant to give up, it is impossible to forcibly tie Jun Xiaoyao here.

"We will also return to the God of War Academy in the future." Tu Shanwan said.

"At that time we will also look for you." Tu Shan Yueyue smiled.

They won't give up on Raiders Jun Xiaoyao.

Jun Xiaoyao left the Tushan Emperor Clan.

As soon as he appeared, all kinds of noises rang out from the outside world.

"Finally, it's three months!"

"This is not one, but five, how difficult it is to feed them."

"Niu Pian, my role model!"

"We are going to build a temple for the Lord of War, and we will pay respects before having **** every day."

Seeing the noise of the four wilds, Jun Xiaoyao was slightly surprised.

Unexpectedly, there are so many people eating melons.

But they obviously misunderstood.

Jun Xiaoyao got serious, and it was normal for three years.

"Yiwangdian, it's so hard for you to wait for a slave!"

A soft and mellow voice sounded like an ying.

When the fragrant wind hits, the charming Kagura is already nestled beside Jun Xiaoyao.

Looking at Jun Xiaoyao, who had just left the gentle township and was entangled by beauty again.

All the people who eat melon have only one word in their hearts.

Gan!

Jun Xiaoyao raised his eyebrows lightly, his expression faint.

He still has a lot of questions to ask Kagura.

He wants to uncover the secrets of the Six Kings!

[Chapter 1039: The ultimate misfortune, indescribable existence, unspeakable...](#)

Kagura is really beautiful, full of flowers and moon, all over the country.

The eyes are very watery, the eyelashes are very long, the nose is straight and the red lips are bright.

The skin is as warm and smooth as mutton white jade, with a faint glow.

The figure is undulating, slender, straight and slender, without any flaws.

In particular, the abundance of snow on the chest is full, with a black six-pointed star imprint, which is extremely seductive and charming.

She is not weak in appearance and figure, but she has a special temperament on the contrary.

All the people eating melons around were jealous and jealous.

But the jealousy returned to jealous, they also had to take it when they thought of Jun Xiaoyao's enchanting talent and superb looks.

"There are many people here, so let's change the place." Jun Xiaoyao said.

"Is this going to a separate tryst? Yiwang Palace is really a big carrot."

Kagura blinked, her eyes flowed and she was charming and charming.

Jun Xiaoyao smiled and said nothing.

The figures of the two broke through the void in an instant and disappeared in place.

Demon Dazhou, the top of a cloud-shrouded mountain.

Jun Xiaoyao and Kagura appeared.

Jun Xiaoyao raised his hand and grabbed it, and the ground gravel rolled and converged, instantly turning into an exquisite stone pavilion.

Kagura was slightly surprised when he saw this scene.

Although this does not seem to be a big trick.

But it is enough to show from the nuances that Jun Xiaoyao's application of the law has reached the realm of perfection.

In a single thought, change the world, that is a means that the top power can have.

Kagura naturally didn't know that Jun Xiaoyao had already shaped the inner universe.

These methods are just trivial.

"sit."

Jun Xiaoyao has a decent tone.

"You sit down first, and then you can sit down." Shenle Jiao said.

Jun Xiaoyao was not welcome, and just sat down.

However, the next moment, Kagura twisted his waist and sat directly on Jun Xiaoyao's lap.

A pair of jade lotus root arms around Jun Xiaoyao's neck, exhaled like orchids: "One King Palace, do you have any surplus food?"

"What?" Jun Xiaoyao asked back.

"What do you say?"

Kagura's eyes, with an ambiguous light.

"If I say, I haven't touched the five beautiful ladies at all, do you believe it?"

Jun Xiaoyao was calm and relaxed.

If other people are so teased and teased by Kagura, Bacheng will raise a gun in tribute.

But for Jun Xiaoyao himself.

People who can't even control themselves can't become a great weapon.

Right now, his purpose is to explore the secrets behind the Six Kings of the Destroyed World, not to do other things.

"For three months, nothing happened?" Kagura also felt a little strange.

Naturally, she would not think that Jun Xiaoyao was incapable.

If the Chaos Body was not capable, no man would be capable of that day.

"This is a wonderful misunderstanding." Jun Xiaoyao said.

"Nunu naturally believes, after all, Yiwangdian is not an ordinary man." Kagura nodded slightly.

For real heroes, women have always been embellishments.

"I am looking for you to ask you something about the Six Kings of Destroying the World." Jun Xiaoyao said.

"Yiwangdian, your memory" A faint doubt appeared in Kagura's eyes.

"When I woke up, I didn't have too many memories of awakening." Jun Xiaoyao said casually.

"So that's the case, even if you ask Yiwangdian, the slaves know all they can say, and they can say nothing." Kagura laughed.

She can understand.

After all, when she first woke up, she also had a lot of memory loss.

It was the Yixie clan behind her that told her some secrets.

"Our Sixth Kings of the World Exterminator, are they really the King of World Exterminator appointed by the heavens, or are there deeper secrets behind them?"

Jun Xiaoyao had doubts before.

The Six Kings of Destroyed the World are the kings who brought endless calamities to the immortal realm in the myth of the end of the day.

Is this really a destiny appointed by God?

In other words, there are **** hands or conspirators behind?

When Kagura heard this, his expression became more serious.

"The Palace of One King, although we all believe that our six kings are the six kings appointed by heaven to destroy the immortal realm in the myth of the apocalypse."

"But in fact, it is not so much appointed by the heavens, as it is the order of an ultimate being."

"It was the one who appointed the first six kings."

Kagura's tone is very solemn, especially when it mentions "it".

"It?" Jun Xiaoyao's eyes flashed.

"Ultimate disaster!"

When Kagura uttered these four words, there was an instant thunder rolling in the sky, erupting with a deafening roar.

It seems to be an existence that fears even the heavens.

Kagura's face was slightly pale, and his eyes were filled with unprecedented awe.

That kind of awe, like a god!

"Ultimate disaster?" Jun Xiaoyao frowned.

Just listen to the name, it's definitely not a good thing.

"What is this, or is it alone?" Jun Xiaoyao continued to ask.

Kagura shook his head and said: "Nunu doesn't know what it is. It is an indescribable existence, originating from an unspeakable place."

"Perhaps in the unspeakable place, some old antiques in the ultimate emperor will know some."

Jun Xiaoyao is pondering Kagura's words.

Indeed, the real mystery of Foreign Land is the unspeakable place.

That is the most mysterious place outside of the top ten foreign states.

And in the foreign land, the existence that is truly among the top, those ancient and powerful ultimate emperors, the ancestral land is in the unspeakable place.

This is also the reason why Jun Xiaoyao must go to the unspeakable place to explore.

At this moment, a mechanical sound rang in Jun Xiaoyao's mind.

"Ding, congratulations to the host, the new sign-in place has been refreshed, please sign in the unspeakable place!"

Jun Xiaoyao has no accident, but the unspeakable place is the top priority.

He is very curious about what baby can sign in Unspeakable Place.

It must not be easy.

"So, what do you mean is that it is not the so-called destiny, but the ultimate disaster?" Jun Xiaoyao asked.

"Yes or not." Kagura sold it off.

"Because the ultimate disaster for us is no different from the will of heaven."

"Secondly, it is better to say that the six kings of the first generation are followers of the will of the ultimate misfortune, rather than being hand-picked."

Kagura's answer surprised Jun Xiaoyao again.

In exotic legends, the six kings of the world, who could destroy the immortal realm, are just followers of the will of the ultimate evil?

What kind of existence is the ultimate disaster?

How strong is it now?

The fully grown Six Kings of Destruction is so powerful that it is unimaginable, and it is simply a Bss-level existence.

And what kind of taboo exists against the heavens that can bring about the ultimate disaster that destroys the Six Kings?

Is it the ultimate bss more terrifying than ss?

Also, Jun Xiaoyao has always been curious about the origin of the foreign land.

After all, the immortal realm resists the foreign realm, to a large extent, it is also to prevent the invasion of dark matter.

Is there a connection between the dark matter and the ultimate disaster?

What is the relationship?

Jun Xiaoyao obviously came to solve the mystery.

But there are more doubts in his heart.

[Chapter 1040: All kinds of mysterious great horrors in the world, 6 keys, Lord Demon...](#)

Seems to see the confusion on Jun Xiaoyao's face.

Kagura grinned and said, "Yiwangdian, you don't have to worry about this kind of thing."

"Ultimate disaster, it is an indescribable existence that no one can imagine."

"No one knows whether it is a person or other creatures, or even a phenomenon, or something that may happen."

The words of Kagura made Jun Xiaoyao fall into thinking.

This is not impossible.

Misfortune may also refer to a disaster rather than a specific creature.

For example, the dark turmoil that once engraved ancient history.

But if it's just a phenomenon, why can I have my own will to appoint the Six Kings to destroy the world?

"Ultimate misfortune, being able to pick up six kings means that it has at least one mode of thinking that belongs to living creatures."

"A phenomenon cannot have thoughts and wisdom belonging to living beings."

Jun Xiaoyao thought very carefully.

He is inherently smart, possesses great wisdom, and naturally thinks about problems comprehensively.

"That's true, but no one can tell, unless it is the immortal natural disaster grade among those ultimate emperors who have lived for countless years, maybe I can tell you the answer." Kagura sighed.

"Natural disaster grade immortal" Jun Xiaoyao was silent.

That kind of existence is more terrifying than the immortal king, known as a natural disaster.

Once the border gate was broken, and a gap was made, there was a natural disaster-class immortal figure appearing.

That kind of existence, how could it answer Jun Xiaoyao's question.

Besides, even if there is a chance, Jun Xiaoyao has to think twice.

After all, in the face of that kind of existence, Jun Xiaoyao could hardly guarantee that he could not reveal himself at all.

"The source, the great catastrophe of the era, the ultimate disaster, the dark turmoil, the existence buried in the burial world, the secret of the boundary sea"

Jun Xiaoyao faintly felt that these horror existences, which were more mysterious and weird than the Seven Mysteries, seemed to be secretly connected.

He also thought of his father Jun Wugui, who turned into three cleansers, and he was sitting in a foreign land, burial soil, and boundary sea.

Could it be said that in the burial world deep in the burial soil of the ages, and in the legendary borderless sea, there is an unimaginable existence like the ultimate disaster in a foreign land?

Jun Xiaoyao felt that his father should know some secrets, perhaps he was laying out something.

It is not unreasonable for Jun Wuhui to choose these three special locations.

The more Jun Xiaoyao thought about it, the more he felt that he was still far away from the truth of this world.

The water is too deep to grasp at all.

Even Jun Xiaoyao had a headache.

He also began to admire his family.

Under so many hidden threats, the inheritance is still at its peak.

The background of the Jun family can be seen, and the water is also very deep.

But now in a foreign land, he can't use the power of the Jun family, and all the secrets can only be explored by himself.

"The Palace of One Kings, in fact, you don't need to think about it so much, just know that our six kings are endless reincarnations."

"The ultimate disaster has given us the power of the reincarnation of the six kings."

"Even if we die, or if something accident happens, in the future, someone will wake up and inherit the same fate."

"The only way to break it is to complete the destiny of destroying the immortal domain. At that time, the reincarnation of the six kings of the world will end."

Kagura said in a faint tone.

"No, maybe there is another way." Jun Xiaoyao's eyes flickered slightly.

"Oh?" Kagura was curious.

"That is, let the ultimate disaster be complete"

The word disappeared has not been spoken yet.

Kagura directly covered Jun Xiaoyao's lips with his jade hand.

"Yiwangdian, don't make false statements, you may suffer unimaginable consequences." Kagura's face turned pale, and his heart lingered.

Jun Xiaoyao said nothing.

In this world, there is indeed the taboo existence of Weili Tongtian. Just chanting its name can cause induction and vision.

However, Jun Xiaoyao believes that by virtue of his physique of a nihilistic fate.

Even if the ultimate misfortune is really sensitive, it is difficult to trace his cause and effect.

No matter how powerful the existence is, it can't be done.

If it hadn't been so against the sky, how could the fate of nihilism be ranked first in the three thousand physique?

"Okay, let's not talk about it for now, and I still have doubts about the Forbidden Device." Jun Xiaoyao asked.

"Speaking of the topic, this is why Nunu won't let you deal with the Fifth King." Kamura said.

"I would like to hear the details." Jun Xiaoyao came to the spirit.

To be honest, if Kagura didn't stop him, he would really slap Yun Xiaohei's fly.

After all, flies are also annoying.

"Our six kings each have a World Exterminating Device. This is not only our personal armor, but also the key to open the door to the depths of the indescribable."

Jun Xiaoyao was not surprised when he heard this.

He had guessed before that there should be a secret to the Forbidden Device.

Unexpectedly, he really guessed it.

The six world-destroying devices are six keys.

Only by getting together the six keys can you open the door to the depths of the Unspeakable Land.

With a wave of Kagura Yu's hand, a slender samurai sword appeared in her hand. It was five feet long and exuded a cold and dark atmosphere.

"This is Nunu's world-destroying forbidden device, the magic sword is crying, six world-destroying forbidden devices, only the master who controls it can be used as a key." Kagura said.

Jun Xiaoyao nodded slightly and looked at the magic knife in Kagura's hand.

The halberd of the gods, the cry of the magic sword, the mirror of the **** sky, the ten-tailed sky disk.

Of the six world extinction devices, four have already appeared.

"What can I get by opening the door to the Unspeakable Land?" Jun Xiaoyao asked.

"It's not certain. It may be the inheritance of our six kings, or it may be another chance. It may even be the ultimate disaster. No one can say for sure."

Kagura's words made Jun Xiaoyao's eyes very bright.

Fortunately, he didn't kill Yun Xiaohei, otherwise, he wouldn't be able to go to the depths of the unspeakable place to explore the secrets.

"Nunu feels that in this great world, the six kings will really gather, and then we can go to the unspeakable place and get the chance."

"When we grow up and destroy the fairyland, we can enjoy the eternal and immortal glory."

There was a look of longing in Kagura's eyes.

At that time, the fairyland will be destroyed, and the destiny belonging to their six kings will also end.

They will get rid of their destiny completely, without going back and forth again and again.

She can also be with the admired first king forever.

Jun Xiaoyao's eyes were deep, and he didn't say anything.

The immortal domain is impossible to destroy, as long as he is there, it is impossible.

It's not that Jun Xiaoyao is compassionate and fraternal, and wants to be a hero.

It's because the Jun family, Jiang family, the Emperor's Court, and the people he cares about are all in the fairyland.

Without Xianyu, it will lose its foothold.

And besides him, UU Reading www.uukanshu.com Su Hongyi also followed him to the death.

Among the six kings, two are inner ghosts, and it's only strange that they succeeded in the end.

"Thank you for answering my questions, it seems that next, just wait for the remaining two kings to be born." Jun Xiaoyao smiled.

"The palace of the king, next"

Kagura was still sitting on Jun Xiaoyao's lap, his jade arms wrapped around his neck, and his beautiful eyes were full of pink temptations.

"I want to return to the God of War Academy, and I will look for you again in the future."

Jun Xiaoyao got up and shook Kagura away with gentle strength.

"Yiwangdian You" Kagura was slightly dazed.

Is this a person who used her as a tool to search for information?

"Thank you, this conversation was very pleasant."

Jun Xiaoyao showed a decent smile like a modest gentleman, and the next moment, he stepped on his feet and disappeared in place.

Kagura stayed where he was, and then stomped his jade foot with some annoyance.

"Yiwangdian, the slaves will definitely not let you go next time." Shenle muttered to himself.

Then, as if she had thought of something again, her expression became solemn.

One thing she didn't tell Jun Xiaoyao.

"It is rumored that when the Six Kings Qiqi emerges, there will be a leader who will command the Six Kings, the Lord of Devil, will emerge. Is this a legend or a fact?"

Because the Six Kings had never appeared at the same time, Kagura didn't know whether this legend was true or false.

Kagura couldn't tell the truth, so she didn't tell Jun Xiaoyao so as not to mislead him.

She also knew that with the arrogance of the first king, it should be impossible to surrender to anyone's hands.

"I only hope that the legend about the Demon Lord is false."

"Otherwise, the relationship between Lord No.1 and Lord Demon may not be so harmonious."

Kagura sighed from the bottom of his heart.
