

SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

Chapter 15: Xiao Chen, the prince of the Qinglong ancient country, is also a man of luck

In a blink of an eye, more than half a year passed.

Inside the Palace of Heavenly Emperor, mana fluctuations and roars were heard from time to time.

All Jun's family knew that it was Jun Xiaoyao who broke through again.

At the beginning, many of the Jun family's children were amazed at Jun Xiaoyao's breakthrough speed.

Until now, it's no surprise.

If there is no such breakthrough speed, the Jun family would find it strange.

During this half a year, Bai Yuer has been kneeling outside the Tiandi Palace.

Her face became pale and her bones were pierced, she was much thinner than it was six months ago.

Because he is a cultivator, he hasn't eaten for half a year, and he won't starve to death if he worships Yuer, but he will become weak.

Now she, how can she still have the superiority of the emperor of a country before?

is like a humble and lowly female slave begging Jun Xiaoyao for forgiveness.

During this period of time, Jun Xiaoyao ignored her at all. Even if she walked out of the Heavenly Emperor Palace and met him, Jun Xiaoyao would not look at her more as if she did not exist.

In response, Bai Yuer just smiled at the corner of his mouth.

This is what she is doing and she deserves to be so.

In the Palace of the Emperor of Heaven, Jun Xiaoyao sat in a secret room to practice.

Accompanied by a bang, Jun Xiaoyao's breath climbed to the peak and broke through again.

"Breakthrough to the nine heavens of the divine palace." Jun Xiaoyao muttered.

If you start from the five realms of the physical body, experience the five realms of the gods hidden, the nine layers of the spirit sea, and now the nine layers of the divine palace.

Jun Xiaoyao, who is only eight years old, has broken through 28 cultivation realms in these eight years.

This is absolutely terrifying.

Generally speaking, even for some of the best of heaven, it will take about 20 years to break through so many realms.

Jun Xiaoyao only took eight years to do it.

"It's not enough. At the ten-year-old banquet, I will at least break through to the true spiritual realm." Jun Xiaoyao muttered to himself.

He had a hunch that his ten-year-old banquet would not be so peaceful.

"By the way, there is something about the ancient country of Suzaku, which needs to be done."

Then, Jun Xiaoyao directly transmitted the voice to Jun Linglong.

After a while, Jun Linglong pushed in.

Jun Xiaoyao flipped his wrist and took out a precious herb like a unicorn with purple air from the ring of the void.

is the unicorn medicine.

This immortal drug, if it is released to the outside world, it will cause a **** storm that will be robbed by countless people.

"My Lord God, you want to..." Jun Linglong's beautiful eyes flashed.

Is Jun Xiaoyao finally starting to deal with the affairs of the ancient country of Suzaku?

"Linglong, go to the ancient country of Suzaku on my behalf, and tell the lord of the country of Suzaku that if you are willing to surrender to me, this unicorn will save his life."

Jun Xiaoyao said, handing the Qilin Immortal Medicine to Jun Linglong.

"Linglong must do it, I'll go tell that Bai Yuer." Jun Linglong said.

Bai Yu'er knelt outside the Tiandi Palace for more than half a year, and it was considered sincere and regretful. Jun Linglong saw it all.

"Hold on, don't tell Bai Yu'er first, let her continue to kneel, and Suzaku can't tell Bai Yu'er about this medicine." Jun Xiaoyao waved his hand.

He was going to let Bai Yuer kneel for a year before speaking.

Finally, when she was almost desperate, she heard the news that her father had been cured.

At that time, you can imagine how Bai Yuer felt.

will definitely be faithful to Jun Xiaoyao.

"How do you feel that I have become more and more villainous?" Jun Xiaoyao touched his chin and muttered to himself.

Jun Linglong is very smart, and he thought of this.

She couldn't help but admire Jun Xiaoyao's methods even more.

It is difficult for a Tianjiao with no force to go to the end.

Only Tianjiao, who has both force and resourcefulness, is qualified to reach the top.

After , Jun Linglong left the Tiandi Palace and found a guardian of her line, ready to go to the ancient country of Suzaku.

The Taoist guardian is an old woman. Seeing Jun Linglong busying for Jun Xiaoyao these years, he couldn't help feeling a little distressed, and said.

"Miss, is it really worth it for you to do this? The son of God may really only treat you as a maid."

"Mrs. Hua, don't say anything like this anymore. You can't imagine the future achievements of Lord God Son."

"Even if I'm just a maid, Linglong is content." Jun Linglong said.

Granny Hua sighed secretly when she heard the words.

Naturally, she could not know that Jun Linglong had seen a glimpse of the future.

Being the maid of the future emperor, it seems pretty good too...

Jun Linglong and Granny Hua rushed to the ancient country of Suzaku non-stop.

At the same time, in the Wild Heaven and Immortal Realm, Cangzhou, one of the three thousand states.

The entire Cangzhou, adjacent to Huozhou, has a similar area.

And sitting on the entire Cangzhou, it is the top level of Taoism, the ancient Qinglong country.

Unlike the weakening ancient country of Suzaku, the ancient country of Qinglong is flourishing and has a tendency to become the first of the four ancient countries.

At this moment, in the ancient palace of Qinglong, in a large hall.

A young man in a four-clawed dragon robe was kneeling on the ground.

He looks handsome and handsome, very attractive, and he is about sixteen or seventeen years old.

has reached the Divine Palace Realm in his entire cultivation.

In the ancient aristocracy, reaching the shrine at this age can be considered a genius.

Not to mention looking at the outside world, that is definitely the pride of heaven.

He is the fiance of Bai Yuer, the prince of Qinglong Ancient Country, Xiao Chen.

At this moment, Xiao Chen's eyes are blood-red, with a forbearing angry expression on his face, he arched his hands to speak to the figure shrouded in the endless mana glory.

"Father, please also give the child an elixir to the ancient country of Suzaku!"

On the throne, the leader of the Azure Dragon Kingdom was sitting, and while the mana was shaking, it seemed to faintly condense into the shape of a dragon, with a magnificent breath.

He faintly said: "Emperor, I only have one green dragon immortality in the ancient kingdom of Qinglong, or it was passed down by our ancestors, how could it be given to the ancient kingdom of Vermilion?"

"But Yuer, she is kneeling at Jun's house and suffering humiliation. As her fiancée, how can I be willing?"

Xiao Chen was furious, UU reading www.uukanshu.com clenched his fists with his five fingers, his nails pierced deeply into his palms, causing pain in his heart.

The news of worshipping Yu'er kneeling in front of the palace of the king's **** son has spread.

Many people are curious about the mysterious **** son of the Jun family, but they are also watching the jokes of the ancient kingdom of Qinglong.

My fiancée kneels in front of another male's palace, what kind of humiliation is that?

Let alone worship Yu'er or his childhood sweetheart, how could Xiao Chen bear this breath?

"Emperor, you have to be patient, the matter of the ancient country of Suzaku, the emperor has his own consideration." Qinglong said indifferently.

"What's so great about the **** son of the Jun family, relying on his identity and background to deceive others!"

"Even a woman is insulted, is he still a human?" Xiao Chen scolded.

He doesn't even think about what Bai Yuer did wrong.

My fiancée, how could she do something wrong, must be the fault of Na Jun Xiaoyao.

"Shut up, don't talk nonsense about this matter, leave it, you are not qualified to criticize the monarch family." Qinglong kingdom frowned.

Xiao Chen gritted his teeth, turned and walked out of the hall.

"Wait, what's so great about the son of the Jun family? When I have completed that trick, I will go to the Jun family to bring Yu'er back and teach that son by the way."

Xiao Chen thought to himself, as he couldn't help but rub his fingers with the Panlong ring between them.

This Panlong ring was passed down to him by his passing mother.

A few years ago, this Panlong ring began to pass on his powerful techniques and pure mana.

Because of this, Xiao Chen has the talent and strength of today.

"With the Panlong ring left by the queen mother, even if it is the son of the king's family, I can step on it in the future!"

Xiao Chen's expression was cold and severe, and he believed in a puzzle.
