

SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

Chapter 18: The marriage contract was abandoned, and the head was green, fighting against Xiao Chen

Seeing Xiao Chen's brainless anger, Bai Yuer felt more disappointed.

This person and person, I don't know, I am surprised.

It turned out that she thought Xiao Chen was a very good person.

But now, in comparison with Jun Xiaoyao, Xiao Chen immediately turned into a loach in the mud.

It's an eye-catching way to see it.

"This kind of person turns out to be my fiance..." Bai Yuer secretly shook his head.

She opened the mouth and said, "All this is my voluntary, Xiao Chen, you can leave."

Bai Yuer's words, like a crit, hit Xiao Chen's heart severely.

He was so angry that his chest was rising and falling, and his expression was cold and stern, staring at Jun Xiaoyao and said, "Your name is Jun Xiaoyao, it must be you. What fascination soup did you pour into Yuer?"

Xiao Chen is like an angry lion.

And at this moment, Jun Xiaoyao's face was faint, with a strange color in his eyes, staring at Xiao Chen.

To be precise, he stared at the Panlong ring on Xiao Chen's finger.

Because Jun Xiaoyao has the idea of chaos and gods in his cultivation, his soul sensitivity is far better than ordinary people.

On that dragon ring, Jun Xiaoyao felt a different kind of energy and soul fluctuation.

"No way, it turned out to be such a routine?" Jun Xiaoyao was surprised.

Grandpa Ring, betrayed his fiancée.

is still the familiar recipe, the original taste.

is just a standpoint, but it is reversed.

"It's interesting, this Xiao Chen wants to come and hit me in the face?" Jun Xiaoyao thought to himself.

Bai Yuer continued to speak, "Enough, Xiao Chen, I have decided that I will serve the Son of God for the rest of my life, as a slave and a maid. Let's stop the marriage contract between you and me."

In the heart of Bai Yuer now, only Jun Xiaoyao is alone.

Jun Xiaoyao is the master of her life.

As for Xiao Chen, that little childhood friendship has long been wiped out in disappointment and lies again and again.

Xiao Chen promised to give her the elixir, but never fulfilled the promise.

"No...how can you do this, Yuer..." Xiao Chen was shaking slightly.

My fiancée was robbed.

Xiao Chen felt that his head was green, and he even thought that Bai Yuer was given the gift of Jun Xiaoyao by betraying his body.

"Hehe, is that so, you bitch, use your body to change the elixir?"

Xiao Chen's heart sank to the bottom, he simply tore his face torn apart, and smiled in anger, his face was cold and sarcasm.

He couldn't bear it, his own woman's betrayal.

Bai Yuer is also sluggish.

She didn't expect that Xiao Chen, who had always been calm and determined and cared about her, would say such things.

Jun Xiaoyao is not surprised at this.

The protagonist, it is not the one who follows me prosper, and the one who opposes me perishes.

Will those who betray the protagonist end well?

But Jun Xiaoyao asked himself, if Xiao Chen changed his position, he would not hesitate to kill Bai Yu'er.

Our Lady? If it doesn't exist, he can only do more ruthlessly than Xiao Chen.

But unfortunately, now Bai Yuer is his **** and slave, he cannot allow Xiao Chen to move to worship Yuer.

And at this time, you can also take the opportunity to perform, which once again makes Bai Yuer desperate.

"You are still Bai Yu'er's fiancé, and you even slander her innocence like this. I am an outsider, and I feel so heartbroken for Bai Yu'er."

Jun Xiaoyao stepped out and stood in front of Bai Yuer, shaking his head and sighing.

"My Son of God..." Bai Yuer's heart was touched, and there was mist and water in her beautiful scarlet eyes.

She did not expect that Jun Xiaoyao would stand up and speak for her.

At this moment, Bai Yuer's feeling towards Jun Xiaoyao, in addition to respect and worship, is also a little bit more inexplicable.

And this kind of look in Xiao Chen's eyes is naked and affectionate.

"Damn, you bitch!" Xiao Chen was so angry that his internal organs were burning with anger.

Bai Yuer actually flirted with Jun Xiaoyao in front of him.

This is no longer green on the head, but a prairie Hulunbuir.

"Jun Xiaoyao, do you dare to fight a fair fight with me?" Xiao Chen shouted.

The only solution right now is to completely crush Jun Xiaoyao in front of Bai Yu'er and trample him under his feet.

Only in this way can Xiao Chen vent the anger in Xiao Chen's heart.

He wanted to see that Bai Yuer regretted so much, kneeling in front of him in a gesture of repentance.

"I'm only eight years old, and you're already fifteen or sixteen, it's a fair fight." Jun Xiaoyao smiled faintly, with irony.

Xiao Chen's expression was a little unnatural, but he still said hard: "So what, you are the son of the king's family with countless resources, and it is fair, or you dare not fight with me?"

Xiao Chen showed a provocative gesture.

During this period, he finally developed the martial arts supernatural power passed to him by the Panlong ring.

He is confident, and few of his peers can compete with him.

The son of the king's family is the same.

"Well, go to the fighting arena." Jun Xiaoyao took his hand and stepped out directly.

Now, there is nothing to say.

This kind of protagonist who feels good about himself should wake him up with a slap.

Bai Yuer and Jun Linglong followed closely.

Jun's exquisite eyes looked at Xiao Chen, with a hint of sarcasm and pity in his eyes.

Jun Xiaoyao defeated the Tenth Sequence Jun Zhanjian at the age of three.

How strong he is now, even Jun Linglong is not sure.

Looking at Jun Xiaoyao, who was accompanied by two beauties, there was jealousy in Xiao Chen's eyes.

"If I was born in a desolate family, my achievements would not be lower than this monarch Xiaoyao, but he would never expect that I had the help of the Panlong ring. UU reading www.uukanshu.com" Xiao Chen thought in his heart.

Soon, Jun Xiaoyao and Xiao Chen came to the fighting arena.

Their arrival also attracted the attention of many Jun family disciples.

"It's Lord God, what is he doing in the fighting arena?"

"I heard that there is a guy with short eyes who wants to challenge Lord God."

"Is the prince of the ancient country of Qinglong, really stupid."

"Yes, it is already his honor for Lord God Son to condescend to fight him."

Along the way, almost all of the Jun family members mocked Xiao Chen with contempt.

Xiao Chen looked in his eyes, his fists clenched.

The protagonists in those legendary novels are also blinded, but in the end they can counterattack.

"A group of dogs look at things that are low on people, how about being born in a barren ancient family, I will let you know what it means to be conquering the sky!" Xiao Chen's mouth provoked an arc of pride.

Jun Xiaoyao and Xiao Chen stood on a ring.

Jun Linglong, Bai Yuer, and many Jun family members are all watching.

In the dark, some clan elders like Jun Zhantian are also observing in secret.

They are not worried that Jun Xiaoyao will lose.

Instead, I wanted to use this battle to see clearly where Jun Xiaoyao's strength was.

"Okay, you can shoot."

On the ring, Jun Xiaoyao stood with his hands in his hands, his expression faint.

"Hmph, if I make a move, you may not have a chance to fight back." Xiao Chen's mouth showed a cold and arrogant smile.

He is a genius in the palace realm.

And this Jun Xiaoyao is only eight years old, where can he be so strong?

"Really, all right." Jun Xiaoyao nodded slightly.

He is simple, slapped out with a palm, golden blood is overwhelming, and
the void is trembling!
