

Sacred Body 301

[Chapter 301: The mysterious forces go to Jiang's house, Jun Xiaoyao arrives, Jiang Chuhan](#)

Huanggu Jiangjia is located in Qingzhou, one of the three thousand states in the Huangtian fairyland.

It was also far away from Huangzhou where the Jun family was located.

However, most of Daozhou and Daozhou have teleportation arrays, so it doesn't take too long.

When Jun Xiaoyao went this time, he didn't alarm anyone, and he didn't make a big announcement.

The Jiang family didn't spread the fact that Jiang Daoxu was seriously ill.

After all, if something happens to a supreme Supreme, it will still have a great impact on an immortal family.

Not all immortal forces are the same as the Jun family, and they can dig out a group of supreme powerhouses from the ancestral temple.

The Jiang family's background is also very deep, the number of supreme powers cannot be too small, but it is impossible to have as many as the Jun family.

There are even some more shabby immortal forces, which may have declined to only two or three supreme beings.

That kind of immortal force has the risk of falling into the altar.

Even though Jiang's family is a bit thinner than Jun's, it's not much worse.

Among the immortal forces, it is still a top-notch existence.

Just when Jun Xiaoyao and others set foot on the way back.

It is located in a Daozhou in the far north of the Wild Sky Immortal Territory.

There is an ancient clan land, in which there is a voice.

"Someone has heard news that the old antique from the Jiang family may not be in good health."

"Hehe, this is my family's opportunity, just wait for him to have such a day."

"It is an honor for the Jiang family to be able to marry a member of my clan. Will you send someone now?"

"Of course, I believe that the Jiang family will not refuse the goodwill released by our clan. It is an honor for the Jiang family goddess to marry my son."

"Of course, although the Jiang family goddess is a congenital Taoist, it is still a high climb with the young emperor of my clan."

"Yes, I believe the Jiang family will not be ignorant."

The conversation weakened.

But for a long time, a group of people, vast and mighty, rose into the air from this ancient clan land.

Its driving direction is Qingzhou, the resident of Huanggu Jiangjia!

...

Qingzhou is a very prosperous state among the three thousand states in the wild and immortal realm.

It is a pure land with rich things, great people and great people.

Its area is not much smaller than that of Huangzhou where Zhijun's family is located.

When Jun Xiaoyao took the boat and sailed into the realm of Qingzhou, he felt the beauty of this land.

The mountains overlap, the dragon veins gather, and the spirit is full.

"Is this the Qingzhou where the mother clan is? It really is a spiritual land." Jun Xiaoyao couldn't help but admire.

"Haha... Young Master is now homecoming." Aside, Jiang Xuling flattered.

"Is it too early for this name?" Jun Xiaoyao said.

Although with his talent and strength, coupled with his mother Jiang Rou's former goddess status, there is almost no problem in being the young master of the Jiang family.

But Jun Xiaoyao is always surnamed Jun, not Jiang.

Moreover, the Jiang family may also have candidates for the young master.

Jun Xiaoyao is not a greedy person either. He is already the son of the Emperor's family, number zero, and the son of the Holy Spirit Academy.

With so many noble identities, Jun Xiaoyao didn't care about the identity of the young master of the Jiang family.

"What are you talking about? As the young master of the Jiang family, you can't find a second person besides the son of God." Jiang Xuling continued to flatter.

When he was in the lower realm, he had already decided to hug Jun Xiaoyao's thighs tightly.

Jun Xiaoyao smiled and said nothing.

He doesn't force it, and everything goes with the flow.

Not long after, Jun Xiaoyao and others finally approached the location of Jiang's house.

Looking at it, it was a pure land with a radius of a million miles.

The peaks are soaring into the clouds, the dragon veins are undulating, and the aura is full, like a fairyland on earth.

Many divine islands are suspended in the void, and there are countless stars that rotate around the sky, like an ancient formation.

On the earth, there are countless majestic cities, pavilions, and palaces.

At first glance, one can feel a magnificent momentum, and one can't help but sigh. It is worthy of an ancient family.

If it is a monk who hasn't seen the world very much, he will be dumbfounded when he sees the foreground.

But what kind of identity is Jun Xiaoyao?

The Jun family's handwriting is only stronger than the Jiang family.

So Jun Xiaoyao was not too surprised, but there was also a touch of surprise in his eyes.

"Is this the mother clan? It's not much worse than the Jun family." Jun Xiaoyao sighed.

Isn't his origin too luxurious?

The boat on which Jun Xiaoyao was riding also attracted the attention of some Jiang family members.

Their eyes cast away.

"It's the goddess Jiang Shengyi and others from the Hui people, hey, the goddess Jiang Rou has also come, besides, that one is..."

Many members of the Jiang family first glanced at Jiang Shengyi, and then looked at Jiang Rou with surprise.

After all, Jiang Rou had been married to the Jun family for many years, and it was impossible to come back often.

And when their eyes fell on Jun Xiaoyao in the end, many Jiang family members' eyes froze instantly.

Because Jun Xiaoyao suddenly decided to come, the Jiang family didn't know that Jun Xiaoyao would come.

This time, it exploded the pot.

"Oh my God, it's the son of the Jun Family who is here!"

"What, the son of Jun's family has come to my Jiang's house, it's strange, it's so strange!"

"Isn't this normal? Half of the Jiang family's blood is flowing in the Lord's Son, and it's half of the Jiang family!"

There were many exclamations in all directions.

Some members of the Jiang family rushed to send information and inform the whole party.

It can be said that the arrival of Jun Xiaoyao is a big event for the Jiang family.

While above the boat, Jiang Luoli saw this scene with a smile on his small face, revealing two pear vortices.

She said to Jun Xiaoyao: "Brother Xiaoyao, although you are returning to Jiang's house for the first time, your reputation in Jiang's family is not weak. Many young people in Jiang's family regard you as an idol."

"Is it?"

Jun Xiaoyao didn't expect that he would have such a big influence in Jiang's family.

The young people of the Jiang family all showed admiring eyes, and some of the Jiang family girls had their beautiful eyes shining brightly.

As the saying goes, seeing is better than hearing.

The name of Jun Xiaoyao, their ears were cocooned, and now they saw it for the first time, and it was amazing.

The news of Jun Xiaoyao's arrival also spread quickly ~www.mtlnovel.com~ and in Jiang's house, somewhere above the Lingfeng.

Two figures, one man and one woman, are practicing Taoism.

One of the girls, about ten years old, has a creamy skin and a pretty face.

She is in excellent shape and has a proud curve.

The most eye-catching thing is the long aqua-blue hair with a vertical buttocks, swaying slightly in the wind.

And the man beside the girl was about twenty years old, dressed in gorgeous clothes and handsome.

There was a special aura on his body, which made the surrounding void faintly distorted, as if he could control the void with his gestures.

"Chu Han, when the ancient world is over, we can get married." The man said softly.

"Yeah." The girl named Jiang Chuhan nodded slightly, with neither too much joy nor too much resistance in her expression.

Although the man in front of him is not from Jiang's family, he is Tianjiao, the foreign surname of Jiang family.

He could only be married by marriage and completely bound to the Jiang family's chariot.

Jiang Shengyi and Jiang Luoli two daughters, naturally it is impossible to do such a thing.

Then only Jiang Chuhan was left.

She is very good and obeys the family's arrangements.

In front of the face, this man, in terms of his talents, is definitely an immortal heir level, and he is worthy of her.

Seeing that Jiang Chuhan didn't say anything against, a faint smile appeared in the man's eyes.

He is in Jiang's house and is developing very well.

Next, after marrying Jiang Chuhan and getting married, maybe even the young master can compete.

The man smiled. He was very confident in himself and thought he had this ability.

At this moment, a maid of Jiang Chuhan suddenly rushed over, her face flushed with excitement.

"Miss Chu Han, something big happened!"

[Chapter 302: Jiang family surname Tianjiao, Void Emperor, Hua Yuanxiu](#)

"Huh? What happened?" Jiang Chuhan raised his eyes and looked at his maid.

This is the base camp of the ancient Jiang family, what big things can happen?

"Miss will never think of anyone coming to our Jiang's house." The maid blushed, very excited, with a look of excitement.

"Who is it?" Jiang Chuhan was a little curious.

In the past, those young handsome sons of immortal forces came to visit, and they didn't see their maid so excited.

"It's the son of God of the Jun family here!" The maid said excitedly.

"what?!"

The calm on Jiang Chuhan's face was instantly broken.

This name can be described as thunderous.

After defeating Princess Longji, Jun Xiaoyao almost became the most popular young supreme in the wild fairyland.

Plus Jun Xiaoyao is half of the Jiang family.

Many young people in the Jiang family also feel proud, and regard Jun Xiaoyao as an idol.

Jiang Chuhan is no exception.

She is the arrogant daughter of the Jiang family. She bears the Xuanshui spirit body. Among the younger generation of the Jiang family, she is second only to Jiang Shengyi and Jiang Luoli.

However, even she was very curious about the rumored son of the Jun Family.

"Let's go and take a look." Jiang Chuhan couldn't help being curious, and went straight away, ignoring the man beside him.

The expression on the man in Chinese clothes, Hua Yuanxiu, changed slightly.

"It's the son of the Jun family, Jun Xiaoyao, why did he come?"

Hua Yuanxiu felt surprised in his heart.

Looking at Jiang Chuhan's hurriedly leaving back, Hua Yuanxiu's eyes sank slightly, and a dark glow flashed under his eyes.

He thought for a moment, and followed suit.

At this moment, Jun Xiaoyao and others have entered the Jiang family.

There are many **** families around.

Being watched by so many people, Jun Xiaoyao felt like a monkey in a zoo.

"Sure enough, the **** son of the Jun family has the appearance of being banished to the immortal, just like the rumors."

"Yes, the stranger is like jade, the son of God is unparalleled."

I don't know how many young girls from the Jiang family have fallen under Jun Xiaoyao's appearance and temperament.

Because Jun Xiaoyao is so perfect, from any angle, it can be considered impeccable, without any shortcomings.

In terms of face value, even a face dog like Jiang Luoli has fallen at a glance, thinking that he is the most handsome in Xianyu.

In terms of talent, the fourteen-year-old prince of the Heavenly Heaven Realm has the dual physique of the ancient Eucharist and the supreme bone.

In terms of strength, the ancient freaks like Princess Longji could only lose in embarrassment and could not hurt Jun Xiaoyao.

In terms of identity, the son of the Jun family, number zero, and even the son of the Holy Spirit Academy, even if he is in the Jiang family now, his status is not trivial.

From various perspectives, Jun Xiaoyao is impeccable.

Just ask the entire Huangtian Immortal Domain, can you find a second such perfect person?

It's no wonder that these young girls from the Jiang family will fall directly.

Jiang Luoli was a little triumphant on the side.

She also felt honored that Jun Xiaoyao was able to show off.

Because she has determined that Jun Xiaoyao is her man.

Can his own man be unhappy because he has attracted much attention?

At this time, some powerful aura appeared in the distance.

Those were middle-aged men and middle-aged beautiful women. Seeing Jun Xiaoyao one by one, they were all staring at Bao.

"Is this Xiaoyao, tut, it's the first time I've seen you."

"The young man is handsome, he deserves to have inherited the excellent lineage of my Jiang family."

These people walked to Jun Xiaoyao's side, looked at Jun Xiaoyao, and their faces were filled with loving and satisfying smiles.

Jun Xiaoyao can faintly feel that their auras are very strong, and the weakest are all saints.

"Come on, Xiaoyao, this is your seventh aunt, this is your eighth aunt, and your third uncle, second uncle, fourth master..." Jiang Rou greeted with a smile on his face.

Jun Xiaoyao was sweaty in his heart.

It seems that Jiang Rou's line of mother-in-law, should be considered the most prosperous line in Jiang's family.

"Xiaoyao has seen all the elders..." Jun Xiaoyao replies one by one, arching his hands.

Such an attitude made the relatives of the Jiang family even more satisfied with a full smile on their faces.

The Jiang family around was also sighing.

Originally, with the identity of Jun Xiaoyao, with so many characters, they would not be surprised.

But I didn't expect that Jun Xiaoyao's behavior was so calm and polite.

"Before there were rumors from the outside world that the son of God was rebellious and defiant. Now it seems that they are all rumors."

"Yes, the character of the **** child is really good."

Jun Xiaoyao's actions undoubtedly won the favor of everyone in the Jiang family.

Jiang Rou was also very pleased.

What she fears most is that Jun Xiaoyao stayed at Jun's house since he was a child, and she would feel repulsive and distanced from Jiang's house.

It now appears that there is no need to worry about such things.

"If this is the case, then you can also think about it and let the family give Xiaoyao an identity." Jiang Rou muttered in her heart.

At this time, two streams of light swept across the sky again.

The light and shadow dissipated, revealing two figures of a man and a woman.

The girl was dressed in a light blue fringed long dress, with aqua-blue hair swaying in the wind, white and beautiful, delicate and delicate.

And the man is as rich as jade, handsome and handsome.

It was Jiang Chuhan and Hua Yuanxiu who came here.

Jiang Chuhan saw Jun Xiaoyao in the crowd at a glance, and his mind was slightly shocked.

Seeing is better than hearing.

Originally, Jiang Chuhan thought that Hua Yuanxiu beside him was already a very good man.

But he was still incomparable with the white-clothed Shengxue, who looked like an immortal.

As long as Jun Xiaoyao stood there, it was like the center of heaven and earth, taking away everyone's eyes.

Hua Yuanxiu also looked at Jun Xiaoyao, his eyes also showed a touch of surprise.

Jun Xiaoyao's breath is too deep, unfathomable, like a black hole.

He even deliberately checked, but found that he couldn't capture the breath of Jun Xiaoyao at all.

"Ok?"

Jun Xiaoyao also noticed Jiang Chuhan and Hua Yuanxiu ~www.mtlnovel.com~ Regarding Jiang Chuhan, Jun Xiaoyao only glanced at it.

Instead, it was Hua Yuanxiu, and Jun Xiaoyao took a look.

"Not an ordinary physique..." Jun Xiaoyao thought to himself.

Seeing Jun Xiaoyao looking over, Hua Yuan Xiu felt like a light on his back, like a knuckle in his throat, as if he had been seen through.

"Jiang Chuhan has seen Lord God Son." Jiang Chuhan stepped forward and bowed to Jun Xiaoyao.

"You're polite." Jun Xiaoyao smiled courteously.

As for Hua Yuanxiu, he just slightly bowed his hand to Jun Xiaoyao and said nothing.

Jiang Xuling, who was on the side, spoke to Jun Xiaoyao and gave a little introduction.

"It turns out that this man named Hua Yuanxiu turned out to be the legendary Void Emperor." Jun Xiaoyao secretly said.

The Void Emperor is a very strong physique that can control the power of the void.

This physique not only possesses extreme speed, comes without a shadow, and goes without a trace, but it can also blend the body into the void.

In addition, you can also manipulate the void and display space cages.

This powerful void emperor, every generation is born, can ascend to the top, as long as it does not fall, at least it can achieve the supreme position.

It is no wonder that the Jiang family is so fancy to the Huayuan Institute.

Even if he is a foreign surname Tianjiao, he is also dedicated to training.

You can even let him join the Jiang family, let him marry his arrogant daughter Jiang Chuhan.

Hua Yuanxiu's non-salty and indifferent attitude made some Jiang family youths vaguely unhappy.

Although Jun Xiaoyao is not named Jiang, half of the Jiang family's blood runs through his body.

But this Hua Yuanxiu, but the real foreign surname Tianjiao, was recruited without any Jiang family blood.

In their opinion, how could Hua Yuanxiu treat Jun Xiaoyao with such a perfunctory attitude?

[Chapter 303: Grandfather Jiang Daoxu's gift to the young master of the Jiang family, Hua Yuan...](#)

As for Jun Xiaoyao himself, he didn't care much about Hua Yuanxiu's attitude.

The Void Emperor is very strong, but Jun Xiaoyao is not afraid of it.

How do you say that?

I am invincible, you are free.

Jun Xiaoyao didn't pay attention to any emperor and divine body, because no body could compare to his ridiculous ancient sacrament.

He also ignored Hua Yuanxiu, just nodded slightly at Jiang Chuhan and chatted a few words.

Jiang Chuhan suddenly felt flattered, with a cheerful smile on his pretty face.

This made De Hua Yuanxiu feel extremely upset.

His marriage contract with Jiang Chuhan has been confirmed.

After the fate of the ancient world is over, they are married.

At that time, he was regarded as officially becoming the Jiang family, and even qualified to become the young master of the Jiang family.

As the young master of the Jiang family, Hua Yuanxiu has coveted and planned for a long time.

Only with this status can he truly receive the full support and training of the Jiang family.

Although he couldn't compete for the position of Patriarch because he didn't have the blood of the Jiang family, he was more than enough to be the Deputy Patriarch and the Supreme Elder in the future.

Marriage with Jiang Chuhan is the most critical link.

And now, looking at Jiang Chuhan, who was chatting and laughing with Jun Xiaoyao, with a blushing face.

Hua Yuanxiu always has a feeling of green grassland on his head.

"Then what, Sister Chu Han, have you talked enough, let's take Brother Xiaoyao into the clan to rest first."

Jiang Luoli stepped forward, deliberately holding Jun Xiaoyao's arm, as if taking an oath of sovereignty.

Jiang Chuhan came back to his senses only then, and his pretty face blushed, a little embarrassed.

Jun Xiaoyao can only be regarded as not seeing.

After all, the charm is too big and he can't help it.

Afterwards, everyone in the Jiang family led Jun Xiaoyao into a luxurious hall in the clan estate.

"Xiaoyao, would you like to take a break?" Jiang Rou asked.

"Yes, Brother Xiaoyao, take a break," Jiang Luoli said.

"No, go visit Grandpa first." Jun Xiaoyao waved his hand.

This attitude is even more touched by the Jiang family.

Jun Xiaoyao still cares about their Jiang family.

Under this subtle influence, Jun Xiaoyao also conquered everyone in the Jiang family.

In the depths of the Jiang family, there is a palace filled with ancient atmosphere.

Usually, people of the tribe are forbidden to approach.

Because this place is the place where the supreme powerhouse of the Jiang family adjusts their breath and rests.

The supreme supreme, any immortal force placed on it, is a pillar-like existence, with a transcendent status.

At this moment, under the leadership of Jiang Rou and some Jiang family elders, Jun Xiaoyao and everyone came outside the hall.

A clan elder stepped forward and said, "Take the elder Taishang, someone asks to see you."

"Didn't you say, don't you see anyone?"

In the depths of the hall, an old voice came.

"Back to the Supreme Elder, it is Miss Jiang Rou and Jun Xiaoyao who have returned."

"what?"

After a word fell, the gate of this palace that had been sealed off for a long time on weekdays suddenly opened.

"In!"

All the people present are entering it.

Jun Xiaoyao also stepped in.

Looking at it, the whole palace is not a palace, but a small world with universe inside.

Lingwu is full of mist, Yao grass is everywhere, and various old medicines of ten thousand years grow among the cliffs.

There are spirit beasts prancing, cranes spread their wings.

In such a small world, there are nine spiritual mountains.

At this moment, there are four spirit mountains, all sitting cross-legged.

There are beautiful middle-aged women with beautiful faces, sloppy middle-aged men with yellow teeth in black, and bald old men.

But without exception, their auras are very powerful, as if they contain a terrifying power that can crush the heavens.

There is no doubt that these people are all supreme and powerful!

But Jun Xiaoyao locked an old man with white eyebrows at a glance.

The old man was wearing a plain linen robe, with white beard and hair, and some rickets on his back, making him look very old.

His body exudes a rotten breath, like a piece of rotten wood about to rot.

But even so, the old man's aura was deep and terrifying, and between breathing and breathing, Zhou Tian seemed to tremble because of him.

There is no doubt that this old man with white eyebrows is Jun Xiaoyao's grandfather, Jiang Rou's father, Jiang Daoxu!

"Xiaoyao, it's you..."

Jiang Daoxu's calm old face was instantly broken after seeing Jun Xiaoyao.

It is hard to imagine that a supreme and powerful person would be so gloomy, and his rickety body would tremble slightly.

Upon seeing this, Jun Xiaoyao bowed his hands respectfully and bowed deeply: "Grandpa Jun Xiaoyao, I have seen Grandpa, I hope Grandpa will not blame him, Grandpa came to see you so late."

"Haha, Xiaoyao, it would be nice if you can come."

Jiang Daoxu's figure was blurred, and the next moment he appeared in front of Jun Xiaoyao.

His old eyes first glanced at Jun Xiaoyao deeply, then suddenly smiled up to the sky.

"It is indeed my grandson of Jiang Daoxu, super dusty, destined to stand on the top of the Nine Heavens Immortal Territory, overlooking the eternal ups and downs!"

Jiang Daoxu's words caused all the Jiang family elders and the clansmen present to take a deep breath, and there was no sense of astonishment in their eyes.

The weight of this statement is too heavy.

The most important thing is that the one who said this was a supreme powerhouse!

The supreme and strong are generally not easy to speak falsely, because it is likely to attract great cause and effect.

But now, Jiang Daoxu said so, without any taboo.

Jun Xiaoyao also understood. It is estimated that Jiang Daoxu could see through the origin of God in his body at a glance.

This is the reason Jiang Daoxu appreciates.

"Daddy..." Jiang Rou saw Jiang Daoxu on the side, and her eyes were slightly red.

Because of Jiang Daoxu, too much old age.

In his early years, Jiang Daoxu conquered the Quartet for the Jiang family, leaving many roots of disease.

Now, even with a supreme cultivation base, it is difficult to suppress it.

Now, I have to retreat in this small world all year round.

"Hehe, what is the girl crying? Xiaoyao is here today, and the old man is happy." Jiang Daoxu smiled.

"Boss, you are so lucky to have such a good grandson."

The other three supreme powerhouses sitting cross-legged on Lingshan also laughed.

"By the way, Xiaoyao, there is a gift. I originally wanted to give it to you at your ten-year-old banquet~www.mtlnovel.com~ but it's not too late to give it to you."

Jiang Daoxu suddenly thought of something, he took out a token.

A **** is engraved on the token.

"this is....."

When seeing this token, the Jiang family present, their eyes were instantly frozen.

Jiang Chuhan, Jiang Luoli, Jiang Shengyi and others also showed a touch of surprise.

"That's... the Young Master of my Jiang family!" An old Jiang family took a deep breath.

The Young Master Decree represents the identity of the Jiang Family Young Master.

It is the same as Jun Xiaoyao's God Child Order, which represents his identity as the God Child of the Jun Family.

The Jiang family can only have one young master, and he must be a male.

Therefore, it is impossible for Jiang Shengyi, Jiang Luoli and others to obtain the Young Master's order.

It is strange to say that Jiang's contemporary generation is quite a bit of yin and decay.

Jiang Shengyi, Jiang Luoli, Jiang Chuhan and others are all the proud women of heaven, with extraordinary talents.

On the contrary, among young men, none are too outstanding.

The only one, Jiang Xuling, can only be considered good.

The Jiang family, unlike the Jun family, did not possess the ten major sequences with a reputation.

Therefore, the position of Young Master Jiang was put on hold.

Originally, it was Hua Yuanxiu who was most likely to get the status of this young master.

As long as he is married, married, and becomes Jiang's family, he is eligible to be the young master.

But now, everything is settled.

Hua Yuanxiu's long-term plan, hard work, and goal.

It was so easy, and Jun Xiaoyao got it.

Hua Yuanxiu's brain exploded with a bang!

The blood rushed to the forehead.

He didn't know where the courage came from, so he couldn't help but said, "Yuan Xiu asked boldly, is it a bit sloppy?"

[Chapter 304: What about Emperor Void? If you can't beat you with 1 move, I lose!](#)

Hua Yuanxiu didn't know why he had the guts to ask.

As soon as he said his words, he regretted it in his heart.

The Jiang family around him also looked at Hua Yuanxiu with sorrow.

This is the decision of the Supreme Elder. Regardless of whether it is right or not, it is definitely not something the younger Hua Yuanxiu can interrupt.

"Yuan Xiu, what are you talking about?" Jiang Chuhan's face was also white.

For the first time, she felt that Hua Yuanxiu was so reckless.

Before Hua Yuanxiu was in front of her, he was calm and indifferent.

As a result, he is so gaffey now.

"Huh?" Jiang Daoxu frowned slightly.

He has been in retreat in the small world of Qiankun all the year round, so he doesn't know much about the juniors in the clan.

"Yuan Xiu, you are too presumptuous." A clan elder hurriedly stepped forward, and then arched his hand to Jiang Daoxu: "Sorry, elder too, this son is a foreign surname Tianjiao recruited from underneath, with a void imperial body. , With extraordinary talent, dedicated to doing my best for my Jiang family."

"If you are not of my race, their hearts must be different." Jiang Daoxu said lightly.

He is dignified and supreme and strong, but he will not pull down and care about a junior.

However, this sentence made De Hua Yuanxiu's expression ugly to the extreme.

indeed.

No matter how powerful his talent is, even if it is the Void Emperor.

But as long as he is not from the Jiang family, he will never be trusted and cultivated by the Jiang family.

And what about Jun Xiaoyao?

Even though his surname is Jun, half of the Jiang family's blood is flowing in him.

Coupled with his natural strength and influence, even if he directly became the young master of the Jiang family, no one would say anything.

"Damn..." Hua Yuanxiu held his hands tightly, and his heart couldn't calm down.

What he couldn't get through a long struggle.

Jun Xiaoyao can get it casually.

How unfair God is to him!

The coldness in Hua Yuanxiu's eyes was also seen by Jun Xiaoyao.

"Are you dissatisfied?"

Jun Xiaoyao was very straightforward and asked directly.

Hua Yuanxiu took a deep breath and tried to calm his mood: "How dare Huan refuse to obey the son of God?"

Although he said that, everyone could hear the vague resentment in Hua Yuanxiu's tone.

"Let's do it, don't say this **** son didn't give you a chance." Jun Xiaoyao was also very simple.

Big fist is the last word.

"Huh?" Hua Yuanxiu's eyes changed, and he couldn't understand Jun Xiaoyao's intention for a while.

Wouldn't he be even more offensive if he shot Jun Xiaoyao? He was afraid that he would be offended by the Jiang family.

"You don't have to worry about it. If you can beat this son of God, why not give you the position of the young master of the Jiang family?" Jun Xiaoyao stood with his hands indifferent, his tone indifferent.

"Take this seriously!" A gleam of light flashed through Hua Yuanxiu's eyes.

"Yes, but there is a condition." Jun Xiaoyao smiled faintly.

"Heh... So there are still conditions." Hua Yuanxiu smiled, which was not beyond his expectation.

Jun Xiaoyao is not a fool, how could he give him the position of Young Master so easily.

Moreover, Hua Yuanxiu is a void emperor, and in terms of strength, he can be ranked among the top talents.

If Jun Xiaoyao wanted to deal with it, it must not be that simple.

"Well, if that's the case, then I will learn it!" Hua Yuanxiu was energetic, and a light flashed in his eyes.

Jun Xiaoyao didn't have a word of nonsense, and slapped it out directly.

Immortal Mang Taotao, God's energy surges, chaos is permeated, and the world is overthrown!

A palm came out, like the heavens and the earth broke, shaking the entire universe.

"how is this possible!"

With this terrifying power, as if the sky had fallen, Hua Yuanxiu's face changed drastically, and he hurriedly urged his power to the extreme.

The void around him shook, and a terrifying void handprint slapped out.

However, this move is like a worm shaking a tree.

Under Jun Xiaoyao's horizontal push, there was no resistance at all, and he couldn't splash any water.

Hua Yuanxiu changed color, gritted his teeth, urged his physique, and wanted to blend into the void.

In any case, let this move through.

However, what made Hua Yuanxiu frightened was that he could not blend into the void.

His physique seemed to be out of order.

Looking at the trembling Hua Yuanxiu, Jun Xiaoyao's eyes flashed with mockery.

His hand is mixed with a trace of the origin of the universe.

The power of the source confines the emptiness in all directions.

How could Hua Yuanxiu escape?

Even if he is a Void Emperor, unless his realm is too much higher than Jun Xiaoyao, he cannot escape.

There was a loud bang.

Hua Yuanxiu felt as if being crushed by the Great Ancient Elephant, his bones creaked, blood in his mouth, mixed with some broken internal organs, spit out wildly.

The whole person flew upside down like a cannonball, and slammed into the distant cliff.

Disappeared, breathless, covered in blood!

one move!

Defeat the Void Emperor!

The four fields were silent, and all Jiang's family were caught in a silent shock.

No one would have thought that Jun Xiaoyao was really so strong, that the younger generation was invincible.

"Good!" Jiang Daoxu smiled from ear to ear.

Jun Xiaoyao's performance was too dazzling.

Jiang Daoxu asked himself, at the same age as Jun Xiaoyao, he was far less than Jun Xiaoyao.

Jun Xiaoyao is no longer a supreme posture, but a great emperor posture.

Even, there is a fairy posture!

"Is this the invincible power of the Son of God?"

"It's too powerful to defeat the Void Emperor with one move!"

"The son of God can be the young master of my Jiang family~www.mtlnovel.com~ It is an honor for my Jiang family!

Jun Xiaoyao's performance completely conquered all Jiang's family.

Even the several clan elders who admired Hua Yuanxiu before are silent at this moment.

I have to admit that Jun Xiaoyao is much better than Hua Yuanxiu.

When Hua Yuanxiu saw this scene, he spit out blood again.

He finally understood.

Jun Xiaoyao didn't want to give him a chance at all.

Instead, he used him as a stepping stone and used him to establish majesty.

Jun Xiaoyao, so insidious!

"Now, if anyone wants to challenge, the son of God can take it."

Jun Xiaoyao looked at Hua Yuanxiu, with a hint of sarcasm in his eyes, then looked around and spoke.

"Long live the young master!"

Jiang Xuling was the first to call out this dogleg.

"Long live Young Master!" The other Jiang family also shouted, completely impressed.

Even Jiang Chuhan looked at Jun Xiaoyao's eyes with admiration and admiration.

In contrast, Hua Yuanxiu, who she thought was acceptable before, was so embarrassed and shambled at this moment.

There is simply no comparison between the two.

Thinking of waiting for the immortal world to end, and marrying these people, Jiang Chuhan inevitably felt a little bit of uneasiness in his heart.

Jun Xiaoyao's identity as the young master of the Jiang family is completely solid.

And at this moment, outside the universe, an elder of the clan entered and bowed and said: "Thank you, the elder, the king of the North is here!"

"Huh? Beidi Wang Family, what are they doing here?" Jiang Daoxu was suspicious.

Jun Xiaoyao's eyes flashed.

King of the North?

It seems that the young emperor Wang Teng, who is known as a great emperor, is a member of the royal family of the North?

What are they doing at Jiang's house?

[Chapter 305: The king of the North landed to propose a marriage, hitting Jiang Shengyi's idea](#)

The Jiang family and the Wang family had no contact, neither had too much communication, nor had any grudges. They were like passersby.

It is precisely because of this that Jiang Daoxu is curious, what do people from the Wang family of the Northland come to their Jiang family?

"This time, there seems to be a quasi-supreme in the team of the king of the north. It seems that they should come to discuss something with my Jiang family." The clan veteran said.

Generally speaking, when a quasi-superior person appears, there must be important things to discuss.

As for the door-to-door provocation, that way is not enough.

Jiang family is not an existence that anyone can provoke casually.

Although the King of the North is strong, it is impossible to be so stupid as to be an enemy of the Jiang family for no reason.

And if you really want to provoke the hostility, it is impossible to send only a quasi-supreme to come, it is no different from delivering food.

"You go take a look." Jiang Daoxu waved his hand.

He is in poor health and is not very good to come forward.

"Come on, Jiang Rou, Xiaoyao, you talk to me." Jiang Daoxu smiled kindly.

He felt vaguely that his body would not last long.

In these limited days, enjoying the happiness of family relationships is the last comfort.

As for life and death, Jiang Daoxu, as the supreme powerhouse, has long been bearish.

Jiang Daoxu has already seen through many things in this level.

The only people who can't worry about it are the family, and Jiang Rou, Jun Xiaoyao and other relatives.

Jun Xiaoyao nodded, and at the same time was thinking, is there really no way to save grandpa?

At the same time, some of the Jiang family elders also went outside to deal with the people of the Northdi Wang family.

Outside the gate of Jiangjiashan, a group of people stayed formidable in the sky.

There are ancient beasts pulling carts, there are buildings and boats in the sky, with banners and flags, and a letter of king!

The ancient royal family, the supreme overlord of the extreme north of the wilderness, the family occupies more than 30 Daozhou, it is extremely prosperous and powerful.

Even the Huanggu Jiang Family, one of the three imperial families, should be treated with caution when facing the Northern King Family.

The elders of the Jiang family have a dignified look in their eyes.

They didn't understand the purpose of the Northland King's visit to Jiang's house.

The royal family of the North and the Jiang family do not have much relationship. They are neither alliance forces nor hostility. The two major forces are like passers-by and do not interfere with each other.

Now, the King of the North has come to Jiang's family, and it is also led by a quasi-senior.

Obviously, this is something about the Wang family and I want to discuss it with the Jiang family.

"Hehe, I didn't expect that the overlord of the Northland would come to my Jiang's house, and it really made my Jiang family's glory." An old Jiang family politely said.

"You're polite, it's worthy of being one of the ancient Jiang family, one of the three imperial families, the clan is magnificent and magnificent, I am ashamed of the royal family of the North.

A magnificent figure stepped on the sky, carrying a heavy oppression.

This is not possible, but a natural aura.

Regarding the flattery of the Wang Family's quasi-supreme, the Jiang family did not care, but straightforwardly said: "I don't know if you all come to my Jiang family so much, what is the so-called?"

Facing the royal family of the North, the Jiang family was cautious, but not afraid.

Friends are here, there is wine!

The enemy is coming, there are swords!

"Hehe, don't have to be so alert, my Wang family came with absolute goodwill and sincerity, and want to conclude an alliance with the Jiang family." Wang Jiazhun supreme smiled lightly.

"Conclude a covenant?" The old Jiang family was surprised.

The two forces of them couldn't fight together.

Why now the Wang family has the intention of forming an alliance?

"Your old drunkard from the Jiang family is good at calculating secrets and deducing fortunes. You should also know that the great world is coming, and the situation is turbulent."

"A variety of impossible things may happen in this era. Even the immortal forces may be destroyed in this world of great controversy."

"Therefore, the alliance between our two families is good for both sides." Wang Jiazhun said.

The old eyes of the Jiang family changed.

This is true.

The advent of the great world may indeed cause earth-shaking changes, even if it is a barren ancient family who has passed on countless epochs, it is impossible to sit still in the Diaoyutai.

"Then what your royal family means is..." The old Jiang family stopped talking.

"Marriage." Wang Jiazhun said.

"Marriage?" The Jiang family raised an eyebrow.

The Wang family and his party came to Jiang's family not far away just for marriage?

"That's right, I think you have heard of my name as the Emperor of the Wang Family." Wang Jia Zhunzhi raised his chin slightly, with a hint of pride in his tone.

Wang Jiashao Emperor Wang Teng is almost the pride of everyone in the Wang family.

For Wang Teng's rise, the Wang family can pay any price.

"The name of the young emperor of the Wang family is like thunder, no one knows." The old Jiang family smiled.

If it were before, the Jiang family would be old, maybe they would still be envious, the Wang family actually had such a unicorn.

But now, these Jiang families are old and very calm.

Because now the young master of their Jiang family is Jun Xiaoyao.

An existence that is definitely not weak for the Emperor of the Wang Family!

Seeing Mr. Jiang's somewhat perfunctory expression, Wang Family Zhunzhi frowned insignificantly.

But he still said: "You Jiang family, but there are also people, you can be worthy of my Wang family's Young Emperor."

"Oh, don't you dare to ask who it is?" The old family Jiang raised his eyebrows slightly.

What Wang Jiazhun supreme said is that they are worthy of their Wang Family Young Emperor.

These words meant a little to belittle their Jiang family.

"Jiang Family Goddess, Jiang Shengyi~www.mtlnovel.com~ Wang Family Zhunzhidao.

"What, Shengyi?" The clansmen were slightly surprised.

They didn't expect that the Wang Family's young emperor would hit Jiang Shengyi's head.

Jiang Shengyi is pregnant with a congenital fetus, and his future achievements are limitless.

Not to mention other things, if someone can become Jiang Shengyi's Taoist companion, the benefits are endless.

If you double repair, it is a great good fortune just to be born with the womb.

Obviously, the king's young emperor was able to fight, it should be the idea.

Of course, apart from this, Jiang Shengyi is indeed a pinnacle woman who is the best in the realm of the wild and immortal.

"This...it was a bit sudden, and I still have to seek the advice of Shengyi." The Jiang family said.

The proud daughter of the general power may be a tool of marriage and alliance.

However, the ancient Jiang family is powerful, and there is also a super powerful ally of the Jun family.

There is no need at all, in order to win over the Wang family, at the expense of Jiang Shengyi's happiness.

Of course, if Jiang Shengyi himself was willing, that would be another matter.

At least the Jiang family will not force Jiang Shengyi to marry.

Hearing this somewhat vague and ambiguous answer, Wang Jiazhun Supreme frowned slightly, somewhat dissatisfied.

Their young emperor of the royal family is such a stunning young supreme.

In his vision, the Jiang family should be happy to agree directly.

But for this kind of situation, the Wang family was also well prepared.

The Wang Family Zhunzhi, with an inexplicable smile at the corner of his mouth, said lightly: "I said, our Wang family came with sincerity and kindness this time."

"Your Jiang Daoxu, the supreme who once swept all over the place, Jiang Daoxu, is the situation a bit bad now, right?"

As soon as these words came out, the faces of the Jiang family elders instantly froze!

[Chapter 306: As long as you don't want to, it's the Heavenly King Lao Tzu who is here and can't bring...](#)

How could the Wang family know about Jiang Daoxu's condition?

Jiang Daoxu has never taken a shot in recent years, and has been retreating in the small world of Qiankun.

It stands to reason that it should be impossible for the outside world to know this.

"How did you know?" An old Jiang family replied in a deep voice.

Before, their attitude towards the Wang family was fairly polite.

But now, it's a bit cold.

Wang Jiazhun Zhizun smiled and shook his head and said: "This is not important. What is important is that our Wang family is sincere and can restore Jiang Daoxu's health."

"what?"

Hearing this, the old face of the Jiang family changed slightly.

They don't have to hide anything now, because the Wang family already knows the situation.

But if the Wang family can really save Jiang Daoxu, that would definitely be a great favor.

After all, if a supreme person falls, the impact and loss will be great for the Jiang family and other wild and ancient families.

"Oh, does the Wang family have a way to restore health to the old man?"

At this moment, an old figure directly tore through the void and it was Jiang Daoxu.

At the back of the clan land, Jiang Rou, Jun Xiaoyao and the others also rushed in.

A decadent aura permeated Jiang Daoxu's body.

However, the coercion that belonged to the Supreme Supreme still made Wang's Zhun Supreme's complexion condensed.

Jiang Daoxu is a well-known top powerhouse in Huangtian Immortal Territory.

Even if he hasn't made another shot in recent years, Yu Wei is still there.

"Haha, it would be a shame if someone like Old Jiang falls so sadly."

"My royal family is willing to trade a nine-miao reincarnation immortal grass in exchange for the marriage of the Jiang family goddess and my Wang family's young emperor."

The words of Wang Jiazhun Supreme shocked all Jiang's family present.

A strange color flashed across Jun Xiaoyao's face.

The young emperor of the Wang Family actually paid attention to Jiang Shengyi?

Jun Xiaoyao narrowed his eyes, and a cold light flashed under his eyes.

Jun Xiaoyao has also heard of Jiu Miao Reincarnation Immortal Grass.

This is an extremely rare undying medicine, even among undying medicines, it is considered the best.

This kind of nine-second cycle of immortal grass is rumored to be completely reborn, get rid of all diseases, dark diseases, defects, baptize the flesh and soul, and let people reach a near-perfect state.

Of course, perhaps it is because this medicine is too effective.

Therefore, from ancient times to the present, there are not a few Jiu Miao Reincarnation Immortal Grasses.

Looking at the Huangtian Immortal Territory, it is estimated that no one or two can be found.

If this medicine could be easily obtained, then the Jiang family would have found it for Jiang Daoxu.

It is even rumored that this medicine has only appeared in dangerous places such as the Burial Grounds of the Ages.

The Wang family has a Nine Wonders of Reincarnation Immortal Grass, which is surprising.

As if afraid that the Jiang family would not believe it, Wang Jia Zhunzhi waved with one hand.

A blade of grass appeared in his hands.

This grass has seven leaves, all of different colors.

There is a strong energy circulating, lingering with a very rich fragrance.

Just by smelling that smell, there is a feeling that people want to soar.

"It is indeed the Nine Wonders Reincarnation Undead Grass!" The old pupils of the Jiang family trembled slightly.

The Wang family was really willing to come up with this top-notch elixir, which everyone did not expect.

"How about it, my Wang family is sincere enough, and take this Nine Wonders Reincarnation Immortal Grass as a bride price."

"Furthermore, the youngest emperor of my Wang family is absolutely worthy of your Jiang family goddess. Old Jiang can also recover his health. Why not take the best of both worlds?"

The words of Wang Clan Zhunzhi made some Jiang family elders slightly moved.

Indeed, their Jiang family and Wang family have never had grievances.

It is not impossible to form an alliance.

And this is good for the Jiang family.

Not to mention the benefits of alliances, at least Jiang Daoxu was saved.

It is also extremely important to the Jiang family to save a supreme Supreme.

The only thing to see now is Jiang Shengyi's attitude.

At this moment, Jiang Shengyi's teeth bit his red lips, a picturesque fairy face, slightly pale.

She also didn't expect that the Wang family came for her.

Also let her marry the Wang Family.

To be honest, Jiang Shengyi has naturally heard the name of the Emperor of the Wang Family.

But so what?

Jiang Shengyi was already occupied by a figure in his heart, how could he tolerate others?

But if you don't agree, Jiang Daoxu will be helpless.

From a family perspective, Jiang Shengyi should agree.

Jiang Rou's expression also became a little nervous.

After all, Jiang Daoxu had the possibility of recovery.

But Jiang Rou didn't speak, and asked Jiang Shengyi to agree.

This kind of thing is indeed unfair to Jiang Shengyi.

Many Jiang family members present all looked at Jiang Shengyi and were waiting for her decision.

"Sister Shengyi..." Jiang Luoli showed a look of worry on her small face.

She didn't know that something happened accidentally between Jiang Shengyi and Jun Xiaoyao.

But she also didn't want Jiang Shengyi to sacrifice her happiness.

It was Hua Yuanxiu, his eyes flashed slightly, and he said: "The youngest emperor of the Wang family is also a hero in the world. If the goddess is married, he will not be wronged by the goddess, and he will be able to get the Nine Wonders of Reincarnation Immortal Grass, and save the elders, He Le Not for it?"

Hua Yuanxiu's words were recognized by some Jiang family members.

Indeed, if it is to marry a cat or dog, it is indeed wronged Jiang Shengyi.

But the Emperor of the Wang Family is not a cat or a dog.

On the contrary, it was one of the most popular, strongest, and most prestigious young supreme in the entire deserted fairyland.

Marrying the Emperor of the Wang Family is indeed not a shame. Jiang Shengyi~www.mtlnovel.com~ It is your luck to marry the Emperor of the Wang Family. Does this kind of good thing still need to be considered? "The Wang Family Zhunzhi said lightly.

After hearing this, Jiang Shengyi clenched his jade hands tightly.

Out of the corner of her eye, she couldn't help but glance at Jun Xiaoyao.

Jun Xiaoyao stood with his hands in his hands, a calm face without any expression.

This made Jiang Shengyi's heart feel a tingling pain.

Don't you care about Jun Xiaoyao?

Thinking of the absurdity of that time, Jiang Shengyi felt even more torn apart.

Perhaps this kind of feeling shouldn't have happened.

"I...Yes." Jiang Shengyi said with difficulty, with a self-deprecating smile on the corner of his lips.

Upon hearing this answer, the Jiang family present all sighed slightly.

How could they not see the reluctance and reluctance on Jiang Shengyi's face.

Wang Jiazhun Zhizun nodded slightly, no matter whether Jiang Shengyi was really willing or not, at least she agreed.

The main reason why Wang Jiashadi wanted to marry Jiang Shengyi was to take advantage of her congenital womb to get to the next level.

As for the luxury of feelings, it doesn't matter whether there is or not.

At this moment, a voice faintly sounded.

"Sister Shengyi, is this really your intention?"

Hearing this, Jiang Shengyi's body trembled suddenly.

A little sparkling, glittering in her beautiful eyes.

She turned her face and looked at Jun Xiaoyao.

Jun Xiaoyao's eyes also looked at Jiang Shengyi.

The two eyes faced each other, their eyes intertwined.

"If this is Sister Shengyi's original intention, I won't say a word."

Jun Xiaoyao spoke, and his tone contained a touch of domineering.

"But if it's not, let alone the Northland King's family, it's the Heavenly King Lao Tzu who has come and can't take you away!"

[Chapter 307: Wang Teng appeared](#)

Jun Xiaoyao's words rang out in every ear.

No one thought that at this time, it was Jun Xiaoyao who stood up to speak for Jiang Shengyi.

Jiang Shengyi's body trembled, and his heart was numb, an indescribable touch and joy came to his heart.

This sentence of Jun Xiaoyao, although there is no love word, a love word.

But in Jiang Shengyi's ears, it seemed to be the most beautiful love story in the world.

At this moment, Jiang Shengyifang's heart was completely moved.

Mingming Jun Xiaoyao is more than ten years younger than her, but now, Jiang Shengyi is looking for warmth and security in Jun Xiaoyao.

This feeling is the first time Jiang Shengyi has experienced.

If it weren't for the crowds, Jiang Shengyi might really be tempted to embrace Jun Xiaoyao.

The Jiang family members present looked at Jun Xiaoyao and Jiang Shengyi again, with a vague color in his eyes.

Both of them are dressed in white.

Jun Xiaoyao is beautiful and handsome, like an exile in the sky.

Jiang Shengyi looks outstanding, like a fairy in the moon palace.

How do you feel, with a look?

Even if it was Jiang Luoli, the big eyes turned suspiciously around them.

Don't think Jiang Luoli is usually a silly girl, but there are also times when she is delicate in her mind.

How do these two feel that there is something wrong with the relationship?

Wang Jiazhun is supreme, his face sinking slightly.

He hadn't seen Jun Xiaoyao before, so he didn't know that this white-clothed boy was the famous son of the Jun family.

"Where is the ignorant junior, are you qualified to interrupt?"

Jiang Shengyi agreed, but was stopped by a hairy boy halfway, Wang Jiazhun Supreme was naturally upset.

Had it not been for the fact that the boy was from Jiang's family, Wang Jiazhunzhi would have slapped him.

"Does this young master have the qualifications, do you need to have the final say?"

Jun Xiaoyao stood with his hands in his hand, confronting Wang's Zhunzhi.

"Are you the young master of the Jiang family?" Wang Jiazhun supreme frowned and glanced at Hua Yuanxiu without a trace.

Jun Xiaoyao's claim that he is not the son of God, but the young master.

The difference is huge.

Jun Xiaoyao, who represents this moment, is not speaking as the son of the Jun family, but as the young master of the Jiang family.

"Jun Xiaoyao is the new Young Master of my Jiang family. If he is not qualified, then no one else in my Jiang family is qualified." An old Jiang family said coldly.

"What, you are Jun Xiaoyao?"

Wang Jiazhun's face changed.

This greatly exceeded his expectations.

The average juniors really don't have the right to talk to him.

But Jun Xiaoyao, not only the son of the Jun family, but now also the young master of the Jiang family.

If this news spreads out, it will surely set off another shock in the Wild Immortal Realm.

The identity of Jun Xiaoyao is extremely noble.

Insulting Jun Xiaoyao is equivalent to insulting the Jun family and Jiang family, as well as the tripartite forces of the Holy Spirit Academy.

Even Wang's Zhunzhizun can't hold it!

The reason why Jun Xiaoyao spoke like this didn't mean anything else.

Even if that ridiculous thing hadn't happened between him and Jiang Shengyi, Jun Xiaoyao would still stand up.

It is impossible for him to look at Jiang Shengyi, sacrificing his own happiness for the sake of the immortal grass of the Nine Wonders of Reincarnation.

As for his complicated relationship with Jiang Shengyi.

Jun Xiaoyao really doesn't want to think too much now.

"I reject!"

Jiang Shengyi hardly had any hesitation.

She can't go against her heart.

More importantly, if she still reluctantly agreed, wouldn't it make Jun Xiaoyao misunderstood.

Jiang Shengyi's grievance does not matter, but he doesn't want Jun Xiaoyao to misunderstand her.

Jun Xiaoyao nodded faintly, and looked at Wang's Zhunzhi: "You have also heard it. In that case, please go back."

Jun Xiaoyao's words made Wang Jiazhun Supreme's throat choke and his face was ugly.

Jun Xiaoyao destroyed the situation that had been going smoothly.

And for the Wang family, what Jun Xiaoyao destroyed was not just the marriage.

Another Wang's plan was indirectly destroyed by Jun Xiaoyao.

This made Wang's Zhunzhizun look at Jun Xiaoyao with coldness.

At this moment, a voice suddenly came from a carriage behind the Wang family team.

"Jun Xiaoyao, as expected, like a rumor, arrogant."

Hearing this voice, everyone present condensed.

boom!

Accompanied by a loud bang.

The carriage burst open directly.

Immediately, a figure shrouded in great brilliance, and stepped out of it with its hands!

One step, the world changes!

The Qi in Qiankun seemed to be chaotic with his appearance.

Some people have this kind of temperament, are born high above, and have an extraordinary life!

"Then...that person, is it the Young Emperor of the Wang Family?"

"Wang's Young Emperor came here personally?"

Many young people in the Jun family couldn't help but exclaim.

Emperor Wang Jiashao, Wang Teng, has a loud voice in Huangtianxian's domain.

The main reason is that the Wang family is propagating everywhere.

There is also Wang Teng's father who talks about my son as a great emperor all the time, for fear that others will not know.

But now, I feel this energy that can move the world.

The name of the Emperor of the King's family is quite true.

"Oh? Wang Teng." Jun Xiaoyao's expression remained unchanged, and he looked at the figure shrouded in endless glory.

This appearance is quite irritating.

But what about that, Jun Xiaoyao is not afraid of any existence.

At this moment, Wang Teng's figure is shrouded in endless brilliance, making it hard to see his appearance.

Around him, various divine visions manifested.

The real dragon goes to sea, the divine phoenix spreads its wings, the unicorn leapt into the sky, and the Xuanwu Tuoshan.

This aura, strong and terrifying, is definitely the premier existence of the young generation of Xianyu~www.mtnovel.com~ He is confronting Jun Xiaoyao.

These two people.

A popular machine is powerful and chaotic.

One person is peerless in white, and the world is intimidating.

The Emperor of the Wang Family.

Jun family **** son.

A long time ago, some people were curious about how violent sparks would collide if the two people met.

And now, they are finally paired up.

Wang Teng first looked at Jiang Shengyi and said, "Jiang Shengyi, you are indeed worthy of the Young Emperor."

When Jiang Shengyi heard this, his beautiful eyes just showed a touch of disgust.

It seemed that she was going to post Wang Teng upside down.

Jiang Shengyi wanted to post it upside down, and it was also upside down to post Jun Xiaoyao. How could Wang Teng qualify?

"Obviously he is coveting the congenital Dao fetus, but he just said how high he is, Wang Teng, standing high and falling miserably." Jun Xiaoyao stood with his hands in his hands, with a hint of sarcasm in his tone.

"Oh, aren't you?" Wang Teng sneered.

If you say someone who stands tall.

He Wang Teng is touted.

But Jun Xiaoyao, why not standing on a high place?

"You and I are different, this son of God is supposed to be, but you...you have a false name!" Jun Xiaoyao said.

These words made everyone in the Quartet almost stop breathing.

The two of them, at the very beginning, pointed their needles to the wheat, full of gunpowder.

Wang Jiazhun is supreme, and his eyes are full of anger.

Jun Xiaoyao dared to so despise and offend his Wang Family Young Emperor.

"Hehe, I finally met someone who was mader than the young emperor." Wang Teng sneered.

"Young Emperor? Do you deserve it?"

Jun Xiaoyao's voice fell, and the whole body was capable of surging, pushing across the sky with one hand, directly facing Wang Teng in an absolutely powerful and domineering posture!

[Chapter 308: The young emperor war **** son, martial arts Tianyan, 1 foot to destroy!](#)

Everyone was so shocked that they were numb all over!

No one would have thought that Jun Xiaoyao was so powerful and domineering.

If he didn't agree with him, he shot and suppressed Wang Teng.

This sudden move surpassed everyone's expectations.

The son of the king's family and the young emperor of the king's family, these two are peerless figures, and each of them is invincible.

The two collided together, like a pinpoint against a wheat mang.

As the saying goes, the king does not see the king.

If the two kings meet, they will fight!

Seeing Jun Xiaoyao's aggressive shot, Wang Teng also snorted.

He stomped on the ground with one foot, and countless gods turned into sharp swords, cutting away from the sky, as if to split the ten directions of void.

Jun Xiaoyao pushed across the sky with one hand, and the power of the idol's jailbreaking force surged and turned into a golden idol, suppressing Yunei Shifang!

boom!

The elephant trunk curled up and set off a wave of golden mana, wiping out all those divine swords.

"Oh, it's interesting." Wang Teng smiled faintly, and then said: "However, Sora has a supernatural power, but only a brash man."

Wang Teng's comments made everyone in the Jiang family angry.

Jun Xiaoyao's current status is the young master of the Jiang family, what qualifications does Wang Teng have to evaluate.

However, the next moment, Wang Teng's eyes burst three feet, and above his head, an eye-like pattern appeared, as if he could penetrate the world.

"That's... the martial arts eye!"

The young man from the Jiang family, who was a little angry at Wang Teng, couldn't help taking a breath when seeing that eye at the moment.

The martial arts sky eye is a kind of terrifying ability that can only evolve after practicing martial arts and reaching an extremely profound level.

Rumor has it that when the martial artist's eyes appear, all the flaws in supernatural powers can be seen.

Any move, in front of the martial arts heavenly eyes, is full of flaws and has nowhere to hide.

boom!

Wang Teng pointed out again, and directly extinguished the golden idol.

Jun Xiaoyao's face was still plain.

His move just now was nothing more than a temptation, he just shot it at will.

Under this temptation, Jun Xiaoyao's mouth evoked a sneer.

He already knew the details of Wang Teng.

Jun Xiaoyao unfolded the god-swallowing magic power with one hand, and the horrible swallowing vortex seemed to be able to swallow the heavens, oppressing Wang Teng.

"Sacred Art of Chaos!"

Wang Teng played with both hands, and his mana was condensed into countless dao pikes, which seemed to be able to break this world.

That power made Jiang Xuling and other Tianjiao all uncontrollable.

This is the power of the young emperor, which is terrifying.

However, Jun Xiaoyao did not waver.

His swallowing **** devil skill collided with Wang Teng's holy technique of chaosing the sky.

At the same time, the fist light shined in the sky, and a set of six reincarnation punches were punched out, blessing the power of one hundred and forty large Luo fairy bones.

The fairy light is mighty, as if to obliterate a party of emptiness.

Rao was Wang Teng, and his stature was shocked.

Because of his martial arts heavenly eyes, it was impossible to see any flaws in this punch.

Jun Xiaoyao's six reincarnation fists were almost flawless.

Rumble!

The six reincarnation vortexes, like six small worlds, accompanied by Jun Xiaoyao's boxing front, crushed against Wang Teng.

then!

Puff!

Wang Teng's figure was directly destroyed!

This scene made everyone tremble.

Many of the arrogances of the Jiang family have their eyes widened and their scalp is tingling.

The dignified king's family, the youngest emperor, Wang Teng, was so defeated?

This makes it impossible for everyone to recover.

"You..." Wang Jia Zhunzhi and the others also showed a touch of surprise.

At this time, Wang Teng, who was about to be destroyed, spoke, "Very well, dare to destroy my spiritual body, Jun Xiaoyao, you are the first."

"what!"

Hearing this, the Jiang family, who was shocked just now, was even more unbelievable at this moment.

Wang Teng with such a powerful aura is only a spiritual body?

Of course, it was the younger generation of the Jiang family who were surprised.

Those clan elders and others had already seen through, and there was no turbulence on their faces.

However, some young people from the Jiang family were shocked.

Right now, Wang Teng was just a spiritual body, so powerful.

How strong should the real Wang Teng be?

"Don't put gold on your face, even if you are really here, in front of this young master, it is no different from this spiritual body."

Jun Xiaoyao's eyes were faint.

He has developed an invincible Taoist heart, without fear of any opponents and challenges.

Jun Xiaoyao stepped on with one foot, with the most powerful and domineering attitude, directly trampled on Wang Teng's spiritual body.

"Jun Xiaoyao, this Young Emperor remembered, Immortal Ancient World, I will give you a defeat!"

After speaking, Wang Teng's spiritual body shattered into endless spots of light, dissipating into the void.

"There are a lot of sorrows, I hope you can raise my interest, don't be so embarrassed." Jun Xiaoyao said indifferently.

Quite a few people said harsh words to him.

But in the end...

Well, it seems very miserable.

Seeing that Wang Teng's spiritual body was easily defeated by Jun Xiaoyao, Wang's Zhunzhizhi's complexion was not too good.

After all, once Wang Teng's body was able to suppress some of the proud sons of heaven.

As a result, with two or two moves, Jun Xiaoyao was beaten to a breakdown.

Even if the Wang family is quasi-supreme, you can no longer understand Jun Xiaoyao.

I have to admit that Jun Xiaoyao is qualified to compete with their Wang Family Young Emperor.

"It seems that your Jiang family is going to reject my Wang family's kindness?" Wang Jiazhun said coldly.

"Where are you from and where you are going? I won't be with you!" Jun Xiaoyao was tough.

"Okay, okay, this Nine Wonders of Reincarnation Undead Grass, there is only this one. You want to find the second one in a short time. It is simply a fantasy~www.mtlnovel.com~ It may not be long before you can hear it, Jiang There is news that the supreme family has fallen." Wang Jiazhun said in a cold voice.

"Humph!"

Jiang Daoxu stepped out one step, and the terrifying supreme **** surged out.

Puff!

Wang Jiazhun was supreme, retreating more than ten steps, and a mouthful of blood poured in his throat.

He looked pale and looked at Jiang Daoxu with a panic.

Jiang Daoxu, although he is about to decay, but that supreme might not he can provoke.

Wang Jia Zhunzhi was dumb and he didn't dare to say anything, for fear that he would be killed by Jiang Daoxu if he said more.

Then he has suffered a big loss, there is nowhere to say that there is injustice.

He turned around and hurried away with the Wang family and his party, a little embarrassed from his back.

After the Wang family left, the tense atmosphere of the Jiang family also eased.

However, the faces of some of the Jiang family's old people still don't look pretty.

After all, Jiu Miao Reincarnation Immortal Grass might indeed save Jiang Daoxu's life.

Jun Xiaoyao suddenly turned to Jiang Daoxu, and said deeply, "Grandpa, sorry, it's all grandchildren's recklessness, which not only made the Jiang family and the Wang family unhappy, but also caused grandpa to lose the Nine Wonders of Reincarnation Immortal Grass."

"No, it's not, it's all saintly willfulness, it has nothing to do with Xiaoyao."

Hearing that Jun Xiaoyao took the responsibility on himself.

Jiang Shengyi stood up directly and walked to Jun Xiaoyao, wanting to take over the responsibility.

"Sister Shengyi, you..." Jun Xiaoyao didn't know what to say for a while.

"Don't say anything, Xiaoyao, you are out there because of me, I can't let you take this responsibility." Jiang Shengyi said firmly.

In the depths of her beautiful eyes, she looked at Jun Xiaoyao with a hint of tenderness.

Seeing this pair of people defending each other, the eyes of some Jiang family members present were a little weird.

There is something wrong with these two people!

[Chapter 309: The new sign-in place is refreshed, and go to the burial ground of Eternal Age!](#)

Anyone with a discerning eye can feel that Jiang Shengyi's attitude towards Jun Xiaoyao is a little unusual.

If it weren't for the knowledge that Jiang Shengyi was Jun Xiaoyao's aunt, some people would even regard them as Taoists.

Because these two people really match each other.

Of course, no one cares whether the situation is like this.

After all, Jiang Shengyi was just Jun Xiaoyao's aunt.

Moreover, although Jiang Shengyi and Jiang Rou are sisters, they are not actually sisters.

Jiang Rou gave Jiang Shengyi a suspicious look, as if thinking of something, with a joking smile hidden in her beautiful eyes.

"Shengyi, this little hoof, has it hit my son?"

Jiang Luoli's big eyes were even more suspicious.

The more she thought about it, the more it felt wrong.

However, when thinking of Jiang Shengyi's identity, Jiang Luoli felt that this should not be possible.

Seeing some Jiang family members with narrow smiles in their eyes, Jiang Shengyi couldn't help blushing.

Even the glittering ears are stained with red clouds, and the roots of the ears are red.

Jiang Shengyi is pregnant with a congenital Taoist fetus, usually as quiet as a virgin, and as beautiful and exquisite as a fairy Guanghan.

Had ever shown such a shy expression.

Some young men from the Jiang family looked straight.

As for Jiang Daoxu, he looked at the two and sighed slightly, "Xiaoyao, in your eyes, is Grandpa such a selfish person?"

"Of course not." Jun Xiaoyao replied.

"Don't worry, no matter what you do, Grandpa will support you. The Wang family wants to coerce you with the life of the old man, don't even think about it!"

Jiang Daoxu's tone was very determined.

He would rather die himself than Jun Xiaoyao would be humiliated by the royal family.

"Yes, young master, what you did is not wrong, we all support you!"

"The King of the North is a fart, our Jiang family is not afraid at all!"

The Jiang family members around shouted loudly, supporting Jun Xiaoyao.

Looking at this scene, even if the character is as cold as Jun Xiaoyao, a touch of emotion rises in my heart.

It was only the first time that he came to Jiang's family, and everyone in the Jiang family supported him and trusted him.

How can Jun Xiaoyao fail his mother?

He took a deep breath and asked, "Is it really impossible to find the Nine Wonders Reincarnation Immortal Grass?"

Jun Xiaoyao must save Jiang Daoxu's life.

Finally, if there is really no way.

Even if you mobilize the power of the Jun family, you must force the Wang family to hand over the Nine Wonders of Reincarnation Undead Grass.

Of course, this is an extreme approach.

Before the last moment, Jun Xiaoyao would not do this.

Jiang Daoxu probably wouldn't agree, the Jun family clashed with the Northdi Wang family for him.

After all, the Jun family has made enough enemies now.

If you add a Northland King family, the pressure will be even greater.

At this time, Hua Yuanxiu's eyes flashed, and suddenly he said: "I've heard that the news of the last existence of the Jiu Miao Reincarnation Immortal Grass seems to have come from the burial soil of the ages."

"The Wang Family's Nine Wonders Reincarnation Immortal Grass, seems to have been obtained from the burial soil of eternity by chance."

Hua Yuanxiu's words made some of the Jiang family members present faintly discolored.

Eternal Burial Ground, what is that place, absolutely forbidden.

Most people don't dare to mention it, for fear of some kind of misfortune.

"Huh?" Jun Xiaoyao glanced at Hua Yuanxiu.

Before he was slapped into a dog by Jun Xiaoyao, he should have hated him extremely.

As a result, the news was even given now.

This caused Jun Xiaoyao to flash a certain thought, Hua Yuanxiu was a little bit tricky.

But Jun Xiaoyao still asked the Jiang family elder and others for confirmation.

"It's true. There was news of the Jiu Miao Reincarnation Undead Grass in the burial soil of the ages, but it is not certain whether it is really there," a Jiang family veteran confirmed.

On this point, Hua Yuanxiu did not deceive.

"Then why not go to the Eternal Burial Ground to find it?" Jun Xiaoyao asked in doubt.

If the Jiang family learns that there is the Nine Wonders of Reincarnation Immortal Grass, they should go to investigate and try to get it.

However, the Jiang family did not send anyone to the burial ground of Eternal Age.

"The young master does not know that the Eternal Burial Ground is a forbidden place. It is not among the three thousand states in the Wild Heaven and Immortal Realm. There are all kinds of weirdness and great horrors, and the water is very deep." An old Jiang family said helplessly.

Jun Xiaoyao only then understood.

The Eternal Burial Ground is probably the same as what he had heard before, the Seven Unbelievable Immortals.

They all represent some kind of big cause and effect, big weirdness, big horror.

It is definitely not an existence that ordinary people can get involved.

An old Jiang family continued to explain to Jun Xiaoyao.

It turns out that if a strong person with a high level of cultivation enters the burial ground of eternity, it will attract the attention of the horrible creatures in the burial ground, just like a bright light in the dark, too conspicuous, difficult to enter.

As for those with weak cultivation bases, even if they can get close to the Burial Grounds of the Ages, it is difficult to go deep, because they simply don't have the strength to survive.

So over time, there were not many creatures in Xianyu, who dared to go to the burial ground for eternity.

In addition, there are many strange legends and mysterious creatures in the burial ground.

That area has also become a forbidden place for ordinary people to retreat.

After Jun Xiaoyao listened to it, he finally understood why it was difficult for the Jiang family to go deep into the burial ground of the ages.

"Since it is difficult for those with a high level of cultivation to go deep, and it is also difficult for those with a weak cultivation level to enter, then it is better to let me go." Jun Xiaoyao said casually.

His voice fell, and the voice of the system rang in his mind.

"Ding, congratulations to the host, the new sign-in place has been refreshed, please sign in at the Eternal Burial Land!"

When Jun Xiaoyao heard the system prompt ~www.mtlnovel.com~, he was determined to go to the burial land of Eternal Ages.

But hearing this, everyone present changed color.

Especially Jiang Daoxu, Jiang Rou, Jiang Shengyi, Jiang Luoli and others all changed their colors.

"Xiaoyao, you can't go to such a dangerous place." Jiang Rou said directly.

"Xiaoyao, Eternal Burial Ground is too dangerous." Jiang Shengyi said.

"Brother Xiaoyao, you can't go to that kind of place, it's scary." Jiang Luoli was also persuading.

Jiang Daoxu also said: "Xiaoyao, your heart is unexpectedly open, but that place is too dangerous, and there may not really be nine miraculous reincarnations. There is no need to go."

These relatives of Jun Xiaoyao firmly opposed.

A cold light flashed through Hua Yuanxiu's eyes.

Jun Xiaoyao's move was exactly what he wanted.

If Jun Xiaoyao died in the burial ground of the ages, of course it would be better for him.

"Grandpa, don't you believe me? Is there anything difficult to get me?" Jun Xiaoyao smiled faintly.

The eternal burial soil that has changed from ordinary people's conversation seems to be the same in Jun Xiaoyao's mouth.

"Xiaoyao, if you grow up in the future, it doesn't matter if you go to the burial ground for eternity. It's too early to go." Jiang Daoxu shook his head.

The current Jun Xiaoyao is the heart of the Jun family, the Jiang family, and the two great families.

In case it is damaged in the burial ground of Eternal Ages.

That kind of consequence is beyond the imagination of the two great ancient families.

Jiang Daoxu would rather not have his own life than let Jun Xiaoyao take risks.

"Grandpa, the grandson's heart is determined, and there is a mother, don't persuade you, for the eternal burial ground, I will definitely go to Xiaoyao!"

Jun Xiaoyao's tone was firm and could not be opposed.

What about the burial ground of the ages, he is happy, he has to go!

[Chapter 310: If Jun Xiaoyao has an accident, the 2 Great Desolate Ancient Family will not stop!](#)

Since his birth, Jun Xiaoyao has been invincible of the same generation, has developed an invincible Taoist heart, and possesses grandeur.

For him, where is the world so big?

Even if it was the eternal burial ground that was so talkative, Jun Xiaoyao didn't have the slightest fear.

This is not a reckless behavior, but Jun Xiaoyao has absolute confidence in himself.

Jun Xiaoyao's aura also infected others.

This is the young master of their Jiang family, a peerless talent with invincible spirit!

Seeing Jun Xiaoyao's attitude so determined, Jiang Rou and others didn't know what to say.

Jiang Daoxu's old eyes showed a touch of touch.

With a grandson like this, even if he falls now, there will be no regrets.

Seeing Jun Xiaoyao's attitude so firm, Jiang Daoxu stopped persuading him.

Because if it is dissuaded, it may affect Jun Xiaoyao's mentality.

"Okay, Xiaoyao, since your attitude is so determined, don't worry, if you really happen to have any accident in the Eternal Burial Ground..."

Jiang Daoxu paused, and said in a cold tone: "Even if Grandpa I've exhausted my life, I will turn the burial ground upside down!"

"That's right, if the young master is in danger in the Eternal Burial Land, my Jiang family will never let go!" The other Jiang family members also said coldly.

A wild ancient family is really going to get angry, and that is not something that everyone can bear.

Even if it is as strange as the burial soil of the ages, it is estimated that it will peel off a layer of skin.

"Yes, Xiaoyao, and the Jun family, I will never sit back and watch you in distress." Jiang Rou said.

One can imagine what accident happened to Jun Xiaoyao in the burial ground of the eternal age.

It is estimated that the Jun family and the Jiang family will go violently and will not turn a blind eye.

If the two great ancient families of the three imperial families join forces to attack the burial ground of the ages, how huge will the energy be?

It is estimated that the burial soil of the ages will not be able to bear it and will suffer huge losses.

"In this way, I feel more at ease." Jun Xiaoyao smiled.

He also knew that if he was trapped in the burial ground for eternity, the Jun family and Jiang family would never sit back and watch.

The Jun family is a little weird about the burial soil of the eternal age, but it does not mean that the family is afraid of the burial soil of the eternal age.

If you really want to start, the Jun family doesn't care about that much, it's possible to push the burial ground horizontally.

"Xiaoyao, this happened because of me, I'll go with you." Jiang Shengyi stood up with a firm tone.

"Yes, there is me, Brother Xiaoyao, I want to go too!" Jiang Luoli stood up unwilling to show weakness.

"No, I'll be alone on this trip, and one more person will have more risks." Jun Xiaoyao waved his hand.

It is naturally impossible for him to put Jiang Shengyi and Jiang Luoli in danger.

"Don't mix up, I believe Xiaoyao can do it," Jiang Rou said.

Although she was also worried about Jun Xiaoyao in her heart.

But this is Jun Xiaoyao's own decision, and the mother can only fully support it.

For this matter, it is said that after a period of adjustment in Jiang's house, Jun Xiaoyao will go to the Eternal Burial Ground.

"The young master is indeed a man of great ambition, husband, take it so." Jiang Chuhan also sighed, inevitably there is a brilliant flow in his beautiful eyes.

"Oh, yes, but since ancient times, the hero is short of breath, and the winner is the one who survives."
Hua Yuanxiu smiled disapprovingly.

"Are you cursing the young master?" Jiang Chuhan frowned.

She felt more and more that Hua Yuan repaired small belly chicken intestines, without any courage, and was almost incomparable with Jun Xiaoyao.

"Naturally not, I also hope that he can walk out safely." A dark cloud flashed across Hua Yuanxiu's eyes, sounding majestic.

But in fact, I was thinking that Jun Xiaoyao had better not go back.

After the matter was confirmed, Jiang Daoxu also issued an order.

Any resources that Jun Xiaoyao needs, the Jiang family must unconditionally supply.

Of course, Jun Xiaoyao has now become the young master of the Jiang family, and he was originally qualified to use any resources of the Jiang family.

Jun Xiaoyao was not polite, he also asked the Jiang family to give him Xianyuan.

After learning that Jun Xiaoyao needed Xianyuan, the Jiang family almost emptied the treasure house.

Give Jun Xiaoyao more than three thousand fairy sources.

The thing of Xianyuan is so rare, it is impossible for the ancient family to have too much inventory.

Three thousand pieces are a lot.

But for the current Jun Xiaoyao, it was just a drop in the bucket.

He tempered Daluo Immortal Bone, and needed a lot of immortal source.

In the beginning, a few immortal sources may be able to refine a large Luo immortal bone.

But now, it may take dozens or hundreds of Xianyuan to refine one piece.

The farther to the back, the more difficult it is.

And just when Jun Xiaoyao sank into practice.

The royal family of the North, within the clan land, in a splendid palace.

A middle-aged man in a purple python robe lives in a high seat with a gloomy expression.

His cultivation has also reached the realm of quasi supreme.

And below, there was another figure standing, it was the prince who rushed to the Jiang family before.

"The Jiang family is too ignorant, and Jiang Shengyi, doesn't she think my son is worthy of her?"

This man in a purple python robe is the father of Wang Teng and the head of the Wang family, Wang Yuanba.

"In fact, the main thing is Jun Xiaoyao. If it weren't for him, things would never be like this." Wang Jiazhun said coldly.

"Hmph, Jun Xiaoyao dared to destroy my son's spiritual body, it is really bold." Wang Yuanba's eyes were very cold.

In his eyes, his son Wang Teng is the invincible existence of the younger generation. UU Reading www.uukanshu.com should not be offended.

However, Jun Xiaoyao was so bold and reckless that Wang Yuanba felt cold.

At this time, an elder Wang suddenly entered the report and said: "Enjoy the Patriarch, there is news from the Jiang family, that Jun Xiaoyao, it seems that he is going to the burial ground of the ages."

"What, haha, it's true that a newborn calf is not afraid of tigers." Wang Yuanba suddenly smiled when he heard this.

He didn't expect that Jun Xiaoyao would really dare to venture into the Burial Ground of Eternal Ages for the sake of a Nine Wonders Reincarnation Immortal Grass.

"That kid is really looking for death." Wang Jia Zhunzhi also sneered.

"Spread this news, the legend of the king's **** son, I am afraid that it will end in the burial soil of the ages." Wang Yuanba Lang said.

What a dangerous place is the burial ground of the ages.

Jun Xiaoyao entered, so don't think about coming out again.

And in the depths of the Wang family, within a piece of spiritual soil.

Wang Teng, who was in retreat, also learned of this news.

He slowly opened his eyes, as if the sun and the moon were rotating in his eyes, and the sight of the stars dying out appeared.

Around him, there are also powerful visions such as the real dragon leaping over the sea, the divine phoenix spreading its wings, and the basalt carrying sky.

Qi is so powerful that it is frightening.

"Dare to go to Eternal Burial Ground, Jun Xiaoyao, should you say you are brave or stupid?"

"The congenital Dao fetus is very useful for my breakthrough, Jun Xiaoyao, if you don't go back, Jiang Shengyi, this woman, this Young Emperor will laugh at it."

Wang Teng sneered, the space around his body was shocking, and his breath was amazing.

Jiang Shengyi, this woman, he is going to make a decision!

However, in just a few days, under the deliberate dissemination of the Wang family.

The news that Jun Xiaoyao was going to enter the burial ground of the ages was also completely spread.

At this moment, the Desolate Heaven and Immortal Territory boiled, completely exploding the pot!
