

Sacred Body 771

Chapter 771 the eclosion of the gods is the supreme taboo, the king of eclosion, is the enemy or friend?

Everyone is dull.

Unexpectedly, Jun Xiaoyao, as the **** son of the monarch family, would kill Yinmai Tianjiao himself.

This requires great courage.

Because this kind of thing spreads out, it is obviously not a good thing to be known by Yin Mai.

Even if Jun Xiaoyao is the supreme **** son of the monarch family, he will bear a lot of pressure.

Everyone knows that if the Jun family wants to go further and even reach the point of fighting against the Supreme Immortal Court, it must return the hidden veins and gain the power of the hidden veins.

"The son of the Jun family doesn't want the hidden veins to return?"

"The method is really decisive. If it is me, I will definitely be scrupulous and dare not make such a move."

"This is the gap between you and the son of the Jun Family."

Whispering in all directions.

Jun Lanxi and others were also shocked.

It was so sudden, they didn't even react for a while.

But after a while, Jun Lanxi came back to his senses and looked at Jun Xiaoyao and said, "Brother Xiaoyao, I will explain the situation here to Yin Mai. It is also Jun Xuanming's own feeling."

Jun Lanxi, without any hesitation, stood on Jun Xiaoyao's side.

Because Jun Xuanming's ugly face really made her feel nauseous.

Although Jun Xiaoyao's hand has been a little bit, it is reasonable.

If it was her, she might be tempted to slap Jun Xuanming to death.

The mouth owes too much.

"It doesn't matter, it just killed a moth at will. The embankment of a thousand miles was destroyed in an ant's nest." Jun Xiaoyao said meaningfully.

Jun Lanxi immediately gave initiation.

Indeed, in the hidden veins, there are not many people like Jun Xuanming, but not many.

Perhaps it is precisely because of their existence that the Jun Family's hidden veins have become more and more bleak, losing their former sharpness.

"However, since Jun Xuanming is dead, Emperor Jun Yin may have some reaction." Jun Lanxi said.

"Is Yinmai's top taboo?" Jun Xiaoyao said.

Jun Lanxi and Jun Xiaoyao briefly introduced the pattern of the Jun family's hidden veins.

Including Jun Yinhuang and Jun Qingyan, the strongest young generation.

After Jun Xiaoyao heard the words, he nodded slightly and said: "I know, if the **** son is free at that time, you can let them come to visit."

Jun Xiaoyao's words made Jun Lanxi slightly startled.

What Jun Xiaoyao said was for them to come and see him.

It's like a courtier sees the monarch.

This is the attitude of the upper person towards the lower person.

However, Jun Lanxi felt that as Jun Xiaoyao's identity and strength, he did have such qualifications.

"Lan Xi knows."

"Well, the ancient road is dangerous, you should not be so reckless in the future." Jun Xiaoyao said casually.

Jun Lanxi's face was flushed.

When Jun Xiaoyao became overbearing, he was dazzled and looked forward to.

But when it is careful and gentle, it is also very exciting.

"It would be great if I was born in the main line, even if I was just a maid and maid next to Brother Xiaoyao..." Jun Lanxi murmured in his heart.

Afterwards, Jun Lanxi and others also left.

They will also report the situation in this place.

Jun Lanxi still felt unwilling to give up, but she also knew that there would definitely be a chance to meet Jun Xiaoyao again in the future.

It may be time for the hidden veins to return.

The matter here is considered resolved.

At this time, the surrounding Tianjiao was completely relaxed.

Then one by one, with a sense of amazement, they talked about the battle just now.

"This battle is absolutely classic, with one enemy three, destroying the second, and injuring the first, the son of God is going to go against the sky."

"Ultimate Ancient Road, there are not many people who can fight against the gods of the Jun family, right?"

"It's still a young generation, the son of the Jun family is now better than some older generations."

Surprised, admired, admired.

Every time Jun Xiaoyao makes a move, he amazes all beings.

Yu Yunshang looked a little dazzled, his heart seemed to grow wings, and he flew to Jun Xiaoyao's body.

If at the beginning, she was curious and admired for Jun Xiaoyao's appearance, temperament and identity.

So now, I was truly overwhelmed by Jun Xiaoyao's ability.

Jun Xiaoyao is so attractive to the opposite sex.

In addition to the incomparable distinguished status, detached and peerless appearance.

The most important thing is its strength, which can give people a great sense of security.

What do women need most?

It's the sense of security given by men.

Why was Yu Yunshang a brother-in-law before, thinking that no other man could compare to his brother?

It is because the King Feathering is strong enough, which gives her sister a great sense of security.

Now, Yu Yunshang felt that Jun Xiaoyao seemed to be able to give people a solid and safe refuge better than her brother.

"What should I do next, will he follow him facelessly? He shouldn't like such a woman?"

"Ah, this princess is so distressed..."

Yu Yunshang was calm on the surface, but in his heart he was fighting between heaven and man.

She didn't want to miss this opportunity.

At this moment, Jun Xiaoyao, who was standing in the void, had a very deep light in his eyes, and suddenly said lightly.

"Since it's here, then show up."

"Ok?"

Hearing what Jun Xiaoyao said, many people were puzzled and felt inexplicable.

The next moment, a faint gentle laughter suddenly sounded.

"Hehe, I still can't hide Dao Xiaoyao's awareness."

With the voice falling.

In the void, there was a heavy snow of goose feathers.

"Why is it snowing?"

"No, this is not snow, UU reading www.uukanshu.com but... feathers?"

Many monks are astonished.

In the void, countless snow-white and crystal feathers, like heavy snow, fell one after another.

In this magnificent feather snow, a long figure slowly stepped out of the void.

This is a young man.

A snow-white crane cloak, even shoes and socks are white, not stained with dust.

The silver hair is scattered, the light is extremely bright, the facial features are unparalleled, and even the eyebrows are silvery white, and the temperament is excellent.

The whole person looks like Fengshen is handsome, and it is involuntarily praised. He is a peerless beautiful man.

It can be said that if there is no Jun Xiaoyao here, the man who appears in front of him can definitely take the attention of the audience.

Not to mention some female sisters, even some male talents are a little surprised.

But there is Jun Xiaoyao Zhuyu ahead.

The amazement that this man's appearance and temperament brings to people has been reduced invisibly.

Of course, even so, he is definitely a highly anticipated existence.

"Bring your own special effects?" Jun Xiaoyao looked at the figure walking in the void in the feathery snow, feeling surprised.

Generally, people who carry gorgeous special effects with them are not so good.

At the same time, he could also faintly feel the man's hiddenness.

"brother!"

Yu Yunshang's beautiful eyes showed joy, and jumped to the man's side like a deer.

"He is King Feather?" Some Tianjiao asked in surprise.

They suddenly realized that the image of this man is indeed exactly the same as the supreme taboo of the Emperor Yuhua in rumors, the King Yuhua.

"Could it be that... King Yuhua came here to fight the Emperor's Son?"

Many people thought of this and looked at each other.

Chapter 772 take the initiative to make friends, the Queen Mother of the West was born by chance

No wonder they think so.

After all, just now, the Golden Crow Ten Prince and other top taboo Tianjiao, just fought with Jun Xiaoyao.

Now that the legendary King Feathered appears, many people will naturally think about whether he also came to fight Jun Xiaoyao.

"If that's the case, it would be interesting."

"With the strength of the Emperor's Son, there shouldn't be much suspense in the end, right?"

"It's not necessarily true. The King of Feathering is very hidden. He hasn't taken a few shots on the Ultimate Ancient Road, and no one knows its depth."

"Brother, have you got some inheritance from Emperor Yuhua?" Yu Yunshang said with joy.

"Slightly harvested." Yuhua Wang smiled slightly, very softly.

His temperament gives people a feeling of indifferent water, coupled with the handsome and handsome image, it is easy to make people feel good.

No wonder Yu Yunshang is so dependent on her brother.

Some people also understand why Yu Yunchang has such a high-level view of men.

It's completely intrigued since childhood, which invisibly raised the horizon.

Yu Yunshang also smiled, and then, as if thinking of something, his face suddenly changed, staring at King Yuhua and said, "Brother, don't you come here to fight the gentleman too?"

Only then did she witness the tragic fall of Shengtian and others.

At this moment, I am unwilling to make another move by my brother.

In the past, she was very confident of King Yuhua and believed that no one among the younger generation could threaten her brother.

But after seeing Jun Xiaoyao, Yu Yunshang changed his mind completely.

There are people outside, and there are heaven outside.

And whether it was Jun Xiaoyao or King Yuhua, she didn't want any accidents to any of them.

"Hehe, I came to you for my brother, who ever thought, but witnessed a wonderful battle, the strength of the brother, I sigh for yourself."

King Yuhua smiled and shook his head, his words released a wave of kindness.

"It seems that King Yuhua wasn't here to find trouble." Some people murmured.

"Your Excellency is the famous King of Feathering. It's better to see it after hearing it." Jun Xiaoyao held his hand and smiled indifferently.

Reach out and don't hit smiley people.

Since King Yuhua showed kindness, Jun Xiaoyao would naturally give this face.

"Originally I thought that with my strength, not to mention defeating Brother Jun, at least I can compete, but now it seems that I am naive." King Yuhua sighed with a smile.

"Brother Dao, why should he humble himself?" Jun Xiaoyao's eyes were very deep.

Although King Yuhua's aura is restrained, it is not obvious.

But with Jun Xiaoyao's keen soul perception, he could still vaguely detect a faint smell of danger from King Yuhua.

This King of Feathering did not say that he was against him, he would definitely have a great chance of winning against the ten princes and others.

He is Ling Yuan, the ancient emperor, the overlord, the preacher of the human immortal religion, and the reincarnated tianjiao at the level of the Buddha.

Shengtianyi, Xuan Ye and others, although they are also top taboos, there is still a slight distance from the supreme taboo.

But it cannot be said that they are weak.

If they had the power to fight against and protect themselves against the ancient emperor and others.

It's a pity that I ran into Jun Xiaoyao, an eternal strange number that could not be guessed by common sense.

As for the ten princes of the Golden Crow, if he could really cultivate an acquired chaotic body, it would definitely be a very strong existence in the supreme taboo.

But this hope has been extinguished by Jun Xiaoyao himself.

"It's not self-effacing, let's be honest, if Brother Jun is willing to appreciate his face, I want to have a tea discussion with Brother Jun, how about it?"

King Yuhua stepped forward, smiled slightly, his face was handsome, more beautiful than many women.

Some male cultivators with unique hobbies may not help but want to fencing with him.

"King Yuhua is going to take the initiative to make friends with the son of the Jun family?" Many people saw this scene with deep eyes.

Jun Xiaoyao came along the ancient road, almost single-handedly.

There are at most some followers, and few peers.

It may be because Jun Xiaoyao is too detached, and many people feel unworthy of it.

Many of the other supreme taboos are Jun Xiaoyao's opponents.

Such as Zhuxian Tongren, Overlord and so on.

"Brother..." Yu Yunshang also felt very surprised.

Don't look at King Yuhua's calm personality, as calm as water.

But inside, he was indifferent and arrogant.

Never bothered to make friends with others.

This is the first time that King Feather has actively wanted to make friends with his peers.

But Yu Yunshang was naturally happy to see this scene.

She wanted to make King Yuhua and Jun Xiaoyao make friends.

In this way, wouldn't she have a better chance to approach Jun Xiaoyao?

"Brother, you are awesome!" Yu Yunshang felt happy.

Jun Xiaoyao also had a slight surprise, but he didn't expect that King Yuhua would take the initiative to befriend him.

"Heh... why not?" Jun Xiaoyao smiled back.

He looked around now, full of opponents and enemies.

It's not bad to have one or two allies.

The identity and strength of King Feather is indeed qualified to associate with him.

"Ha, refreshing." Yuhua Wang smiled.

Jun Xiaoyao, King of Feathering, two peerless beautiful men standing together, they are simply pleasing to the eye, with unparalleled elegance.

The eyes of some female sisters present were straight.

They feel so happy.

Just when the two wanted to find a quiet place to enjoy tea and talk.

Suddenly, in the extremely far place, a wave of fluctuations radiated.

That wave of volatility is actually with the slightest prestige.

However, they were far apart, as if they were on another continent of Burying Emperor Star.

"It seems that another great emperor was born." Yuhua Wang's eyebrows were slightly raised, and his expression was calm.

He has already got some things left by Emperor Yuhua~www.mtlnovel.com~ so the reaction is not very big.

Jun Xiaoyao looked into the distance, feeling the slightest breath.

Although it was far away, he could also vaguely sense that power.

"Brother Jun, let's go." Yuhua Wang said.

He was obviously not ready to take advantage of that great emperor's chance.

When they pass, the chance may have been ransacked long ago.

However, Jun Xiaoyao's figure did not move, but his brows were slightly frowned.

"Brother Jun?" Wang Yuhua asked.

"I'm going there." Jun Xiaoyao said suddenly.

"Oh?" King Yuhua was surprised.

Didn't Jun Xiaoyao just get the inheritance of the Great Emperor Luangu?

Now want to seize another emperor inheritance?

"Brother Jun, let's rush over now, the day lily is cold." King Yuhua shook his head and smiled lightly.

The birth of the true emperor will definitely attract the eyes of Bafang Tianjiao.

When they rushed past, it was indeed too late.

"My purpose is not that emperor's chance." In Jun Xiaoyao's eyes, there was an unprecedented sheen.

"That's...?" King Yuhua was puzzled.

"In that wisp of emperor's prestige, there seems to be a tinge of congenital Taoism." Jun Xiaoyao said.

"Congenital Dao Ti..., could it be that the legendary Queen Mother of the West?" King Yu Hua also showed surprise in his eyes.

Congenital Dao fetuses are extremely rare physiques, not many in the past.

And the most famous one is the Queen Mother of Yaochi West.

Legend has it that the Queen Mother of the West also left some traces on the Emperor Burial Star.

Now it seems that Queen Mother of Yaochi West was born by chance.

This will definitely cause a sensation in all directions and make everyone's eyes hot!

Chapter 773 The opportunity of the ten princes of the Golden Crow, another Lunar Eucharist, some people will be the first to go

"Brother Jun wants to get the chance of Queen Mother of the West, combine with his own ridiculous ancient sacred body, and morph into the legendary congenital corpse?" King Yuhua guessed.

His eyes were deep, looking at Jun Xiaoyao.

Ruojun Xiaoyao really had this idea and succeeded.

There is no doubt that Jun Xiaoyao's talent strength will soar to an unimaginable level!

This is the unparalleled number, plus the congenital body.

It can be said that looking through the ancient history of the fairyland, such a character cannot be found.

When Jun Xiaoyao heard the words, he smiled and shook his head: "I said, my purpose is not the chance of Queen Mother Xi, but that I should see someone."

Speaking of this, in Jun Xiaoyao's always deep and indifferent eyes, there was a rare softness in the eyes.

She shouldn't be absent from Queen Mother West's inheritance, right?

Yuhua Wang thought for a moment, and suddenly realized.

"So that's the case, it should be the Jiang family goddess with a congenital fetus, she is indeed the most likely to be inherited by the Western Queen."

In the same physique, there will be induction and inheritance.

Just like Jun Xiaoyao, through various chances and effects, finally found the deserted ancient temple, and obtained the emperor's soldiers, blood, undying medicine, cultivation experience and so on left by the ancestor Eucharist.

Jiang Shengyi is pregnant with a congenital Taoist fetus, and she is naturally the person who has the best chance to get the inheritance of the West Queen Mother.

On the side, Yu Yunshang's face was slightly gloomy when he heard this.

Naturally, she had also heard about some things about Jun Xiaoyao and Jiang Shengyi.

The two of them are really gods and goddesses, with a match.

Although Yu Yunshang's status is not low, it does not have any advantage compared with Jiang Shengyi.

And looking at Jun Xiaoyao's expression, his attitude towards Jiang Shengyi was obviously different from that of other women.

Yu Yunshang is really hard to imagine, what kind of excellent woman can make Jun Xiaoyao treat each other like this.

"Follow him, a good person like Jun Gongzi, even if he can't be his main palace, he can be a second room."

Yu Yunshang had never imagined that she was as proud as her, and even thought of being someone else's second room.

Jun Xiaoyao's footsteps swept, tearing the void away.

King Yuhua, Yu Yunshang and others followed suit.

"I'm obedient, Queen Mother of the West has inherited it. Even if you can't eat meat, you can drink a little soup, it will benefit you endlessly."

The Tianjiao present, where could still hold back the heat in his heart, followed in swarms.

It can be said that the birth of West Queen Mother's inheritance has attracted many eyes from the Emperor Burial Star.

At the same time, on the other side.

In the void, a crack appeared.

A figure stumbled and rushed out of it, unable to hold on anymore, and fell directly to the ground.

It was the tenth prince of the Golden Crow who escaped in danger and escape.

His body was cracked, half of his golden black wings were torn off, and his whole person was very embarrassed.

As a person here, he would never recognize him. The extremely embarrassed person in front of him is the tenth prince of Golden Crow, who is famous on the ancient road.

awful.....

That's horrible.....

The top ten princes of the Sun God Mountain, once so energetic, arrogant and domineering, pushing the ancient road horizontally, no one dared to provoke them.

And now?

The top ten princes lose nine of them.

The remaining ten strongest Golden Crow princes were also extremely embarrassed, and they were not Jun Xiaoyao's enemy at all.

The tenth prince of the Golden Crow is called a hate.

The hatred of Jun Xiaoyao in his heart is hard to wash away with all the water.

The tenth prince of the Golden Crow couldn't help but roar to the sky.

Just when he was incompetent and furious.

Suddenly, the transmission jade in his space magic weapon lighted up.

It is the elder of the Sun God Mountain who is sending the message.

The Sun God Mountain already knows some things.

"So why don't you take action and just watch us so embarrassed and watch how many brothers die?"

The tenth Prince of the Golden Crow was about to break his teeth.

"His Royal Highness, even if it is my Sun God Mountain, it is difficult to intervene in the ultimate ancient road."

"Otherwise, if we intervene, will the Jun family ignore it?"

Since embarking on the ultimate ancient road, it itself is conceited.

The forces behind it may have a deterrent effect, but it is not absolute.

Even the immortal forces can hardly intervene in the ultimate ancient road.

Those ancient law enforcement officers are not blind.

"So...this prince is going to suffer this blood loss and make everyone laugh?" The tenth prince Jinwu was extremely unwilling, and his body was trembling.

"His Royal Highness, I want to tell you something about the Lunar Eucharist..."

As soon as these words were spoken, the tenth Prince Jinwu's expression was stagnant, and then an extremely hot light burst into his eyes.

"Have you caught that Yuchanjuan?" The tenth prince Jinwu breathed quickly.

If you catch Yu Chanjuan and cultivate with her, the tenth prince of the Golden Crow is confident that he can cultivate into an acquired chaotic body.

At that time, what will Jun Xiaoyao count?

"That's not the case, but we found another Lunar Eucharist." Elder Jin Crow hesitated for a moment and said.

"Another Lunar Eucharist?" The tenth Prince Jin Wu frowned slightly.

Elder Jinwu's term is not one, but one.

Generally speaking, a living person should not be described by one.

"Hey, your Royal Highness, you should come back first. You still have to decide this matter yourself." The Golden Crow elder hesitated, and finally sighed.

The top ten princes lose nine of them.

This time the Sun God Mountain is really hurting.

Fortunately in the misfortune, at least the tenth prince Jinwu is still alive.

The tenth prince of the Golden Crow was also vaguely aware that there was something in the words of the elders of the Golden Crow.

But he still decided to go back first to check the condition of the Lunar Eucharist.

"As long as there is a chance to become an acquired chaotic body, I won't let it go by UU reading www.uukanshu.com, Jun Xiaoyao, wait..."

The tenth prince of the Golden Crow swears in his heart, and walks away.

On Emperor Funeral Star, another continent.

What was originally a desolate ancient land, at this moment is blooming with all kinds of brilliance.

Miraculous scenes emerged, like dreaming back to ancient times, all kinds of fairy lights gleaming, strange flowers and weeds blooming.

The movement here, it is impossible not to attract people's attention.

At this moment, outside this ancient land, two figures stood in the void.

It is the Princess Silkworm of the Shencanu Valley and the Yaoyuekong of the Sky Demon Ancient Temple.

The princess Shen Silkworm has crystal clear muscles and bones, with a slender figure, and her delicate body is surrounded by nine colors of glow.

Behind her head, there are also the nine gods ring looming, and the blooming Tao is shining, showing her nine-changing **** silkworm's posture against the sky.

The demon Yuekong next to her is also beautiful and evil, with awe-inspiring demon spirit, which is daunting.

It's just that now, Princess Shencan's face is not so pretty.

"It's no wonder that I have been blocked, and I can't find a way to enter it. It turns out that someone has already entered it first." Princess Shencan's tone was a little low.

"Unexpectedly, someone got on first. This ancient place of Jade Lake, not everyone can easily find, let alone enter." Yao Yuekong also frowned.

He is here to help Princess Shencan.

If in the end Princess Divine Silkworm didn't get anything, wouldn't he also appear incompetent?

"Yao Chi, Queen Mother Xi, the congenital Dao fetus, could it be...that one?" Princess Shencan thought of a person.

A world-renowned person who shares the same fame as her in the ultimate ancient road, and is regarded as a fairy goddess by countless people.

Jiang Family Goddess, Jiang Shengyi!

Chapter 774 Jiang Shengyi's final test, soul fantasy, live up to the common people and live up to the Qing
Between men, they will compete.

Among women, there is also a sense of comparison.

Now on the ultimate ancient road, the most famous goddess-level figure.

But it is the emperor Ling Yuan, the Shen silkworm princess, Jiang Shengyi, Ji Qingyi and others.

Of course, it's not that Jiang Luoli, Yan Rumeng and others have no charm.

It's just that the reputation is relatively speaking, not those few high.

Princess Shencan is also very curious about this figure who is as famous as her in Gulu.

"Jiang Family Goddess, will it be her?" Yao Yuekong asked.

"Except for her, I can't think of a second person." Princess Shencan said.

Jiang Shengyi, who is pregnant with a congenital Dao fetus, is most likely to be inherited by Queen Mother of the West.

She also had to admit.

"What about Jiang Shengyi, as long as you want, I will help you get anything." Yao Yuekong said softly and affectionately.

The face of Princess Shen Silk was not relaxed.

She drew her hands together like a cloud of beautiful hair, and said: "The inheritance of Queen Mother of the West has been decided by the principal, but Jiang Shengyi is not the point."

"The point is..." Yao Yuekong hesitated.

"Jun Xiaoyao." Princess Shencan said directly.

Many people know the relationship between Jun Xiaoyao and Jiang Shengyi.

If you really choose to deal with Jiang Shengyi, you will undoubtedly need to face a more powerful and terrifying opponent.

Proud as a princess, she only said that Jun Xiaoyao could not threaten her life.

Never said that she can deal with Jun Xiaoyao completely.

"I admit that Jun Xiaoyao is indeed not weak, but if we two join hands, then Jun Xiaoyao shouldn't be able to help us, right?" Yao Yuekong frowned.

He thinks, is Princess Shencan too much to look at Jun Xiaoyao?

Now Jun Xiaoyao's astonishing record against the three Golden Crow Princes has not been spread.

If he knew this, I'm afraid Yao Yuekong would not say such ignorant words so easily.

"It's always right to be cautious." Princess Shencan said.

"Then what shall we do next?" Yao Yuekong asked.

"The movement here has spread, and it will definitely attract the eyes of all directions. No matter whether Jiang Shengyi can be passed on in the end, this ancient place will always be opened."

"At that time, Jiang Shengyi will have to face it alone, not just the two of us, but hundreds of top talents."

To be honest, Princess Shencan did not want to see the current situation.

The more people know about opportunities, the more disadvantaged it is for her.

But no way, the news has spread.

Next, only those who have a hard fist can get a chance.

As for Jiang Shengyi?

It's not good to say, but it's just a tool for opening the ancient heritage of Yaochi.

As soon as she appeared, everyone would immediately target her.

Even if Jiang Shengyi's identity and strength are placed here, facing the inheritance of the Yaochi West Queen Mother, I am afraid that few people can maintain their sense...

This continent has attracted the gathering of Tianjiao from all directions because of the ancient land of Yaochi.

At this moment, in the depths of the ancient Yaochi, in the ancient temple.

Dressed in an illusory shadow of plain clothes, suspended in the void.

It was a mature and beautiful woman with picturesque eyebrows, but faintly visible the majesty of the past.

She has a full body, a variety of styles, and a mature charm.

It is Jiang Shengyi's big sister, Yu Qingning, the former head teacher of Yaochi.

"As expected of my disciple, it seems that it won't be long before he can pass the test."

"At that time, the real inheritance will also appear, but...this movement is a bit loud."

There was a faint worry in Yu Qingning's noble phoenix eyes.

No matter how great Jiang Shengyi is, he is only one person after all.

And because of the special rules of Emperor Burial Star, it was difficult for Yu Qingning to help Jiang Shengyi.

If she really makes a move, the trace of her soul may be strangled by the rules.

So when he first came to bury the emperor star, Yu Qingning said that everything depends on Jiang Shengyi himself.

"However, if something really happens at that time, even if my soul is scattered, I must keep her..."

Yu Qingning looked at Jiang Shengyi, who was sitting cross-legged in the test of his soul, with a gentle color in her phoenix eyes.

At the beginning, Yu Qingning really wanted to use Jiang Shengyi and her innate power to help her restore her soul and create a flawless body.

But in the process of getting along, Yu Qingning also knew how mature and tough this beautiful and beautiful woman was.

Insert an app: Perfectly reproduce the old version of the book-chasing artifact, an interchangeable app-Mimi Reading.

This made Yu Qingning seem to see herself when she was young.

In addition, Jiang Shengyi is also pregnant with a congenital fetus.

Yu Qingning did not hesitate to accept Jiang Shengyi as a disciple.

Jiang Shengyi's performance did not disappoint her, it was completely impeccable.

"This is a difficult time. If you can get through it, you will completely transform and become a butterfly."
Yu Qing murmured.

At this moment, Jiang Shengyi had already accepted many soul tests.

She spent it one by one.

After all, he is a congenital Taoist, plus Yu Qingning, the former head teacher of Yaochi.

It is only a matter of time before it is passed completely.

In front of me, there is a chaos.

Jiang Shengyi didn't know the passing of time in the outside world, but she felt as if she had been in the soul illusion for thousands of years.

Fortunately, Jiang Shengyi had no time for his heart, and he had a congenital fetus.

All kinds of tests are not difficult for her.

"It should be almost over. What is this level?" Jiang Shengyi muttered to himself.

She wants to end everything quickly and get the inheritance.

Then left the Emperor Funeral Star and walked to the end of the ultimate ancient road.

You can see the figure who thinks day and night.

"Xiaoyao..." Jiang Shengyi murmured in his heart.

As if just reciting these two words, my heart would calm down.

She is not the kind of woman who wants to be by her lover all the time.

But this does not mean that she has no attachment at all.

It's just that Jiang Shengyi understands that she and Jun Xiaoyao both have their own paths to practice.

The short separation, UU read www.uukanshu.com for a longer time.

After regaining his senses, Jiang Shengyi saw a strange sight.

She seems to have returned to the ancient times.

The world is turbulent, the fairyland is chaotic.

All kinds of catastrophes have come one after another.

In countless illusions, she saw a beautiful shadow that utterly overwhelmed the world.

She felt a familiar force from the shadow that swept the world.

Congenital Dao fetus!

"Could that be... Queen Mother of the West?" Jiang Shengyi was extremely surprised.

I didn't expect to see this scene in the soul illusion.

Next, Jiang Shengyi once again witnessed the love between Queen Mother Xi and a man.

That man is an ancient sacrament.

And it is a sacrament that can fight the emperor and approach Dacheng.

The Queen Mother of the West also founded the Yaochi Holy Land, whose grace and beauty has made countless men in the fairyland bend the waist.

They knew each other, fell in love, and became the envy of everyone in the Nine Heavens Immortal Realm.

But in the end, turmoil came, and darkness overthrew the fairyland.

No one can be spared, and even the emperor may fall and die.

The responsibility of the Eucharist is to calm the chaos.

He wants to go to the ruins for nine days and end all the darkness.

But she was stopped by Queen Xi, and Queen Xi wanted to go with him.

In the end, the Eucharist compromised and decided to retreat with the Queen Mother of the West. After the breakthrough, they would go back to the market together for nine days.

However, he lied to her.

When the Queen Mother of the West broke through her retreat, the Eucharist alone went to the ruins for nine days.

Because he didn't want his lover to take risks with him and suffer any harm.

He only left one line of writing.

"I will go back to the ruins for nine days, I hope I will live up to the common people and live up to the Qing..."

Chapter 775 Queen Mother of the West and the Emperor Without End, live up to the common people's life and lose the Qing, Jiang Shengyi's choice

When Queen Mother West broke the barrier, her strength reached its peak.

Just when she was overjoyed and went to find her lover.

In the end only saw that line of words.

I will return to the ruins for nine days now, and I hope to live up to the common people and live up to Qing...

Queen Mother West shed tears, wept, grief and anger.

This man lied to her after all.

She wanted to go back to the ruins for nine days, but she couldn't let go of everyone's plea in the Yaochi Holy Land.

She waited and waited, waited and waited...

I want to wait for my lover to return.

In the end, he only waited for a remnant body that had fallen from Jiutianguixu.

He fought against the darkness and wanted to calm the chaos, but after all, he couldn't sing alone.

He was still a little short of the Great Eucharist, and he lost.

What you pay will be your life.

On that day, Queen Mother of the West turned white head overnight.

But she didn't want, she didn't want her lover to fall away.

She handled all Yaochi's affairs.

He kept his mantle.

Finally, by sacrificing oneself, he will cultivate to the highest level of innate Taoism, which is the Twelve Aperture Immortal Heart.

Dug it out!

She took her life to the sky, and then went against the cycle of life and death!

With the heart of the twelve orifices, blend into the Eucharist.

That day, the sky was raining blood and the sky was furious!

Even the emperor cannot violate the cause and effect of the cycle of life and death.

And Queen Mother West, walks against the sky for love!

At last.....

She closed her eyes.

He opened his eyes.

Since then, there has been an Innate Eucharist in the world.

There was also a heartbroken person.

He sealed the Western Queen Mother in a Wannian Ice Coffin.

Bear it behind.

One person carried a coffin and set foot on the Jiutianguixu.

Suppress the darkness with one hand and put out the turmoil.

The endless beings in the fairyland extol his name and regard him as a true hero.

He left with a cold ice coffin on his back, not visible to the world.

Since then, there will be no heroes in the world to calm the dark turmoil.

There is only one lonely coffin man.

He finally lived up to the common people just as he left.

but.....

But I lost Qing...

Scenes of fantasy scenes unfolded before Jiang Shengyi's eyes and disappeared.

Rao was Jiang Shengyi, who was silent for a while, and his mood was touched.

She suddenly thought that in the fairyland legend, there was an emperor who had touched the immortal realm.

Embrace the supreme innate Communion fetus!

The name, the emperor without end!

It now appears that the Eight Achievements are the Eucharist in the illusion.

Jiang Shengyi also understood that it turned out that the Innate Eucharist Taoism.

It does not necessarily require the combination of the ancient Eucharist and the congenital Taoist birth to produce offspring before they can be born.

Innate Taoists can also sacrifice themselves to perfect the Eucharist.

But throughout the ages, how many people are willing to do this?

Only a fool like Queen Mother Xi would do this.

At this moment, a misty voice sounded in the void.

"If it were you, would you like to do it?"

Jiang Shengyi's eyes dimmed.

She knew that this should be the final test of inheritance.

Because she is also a born mother.

"You can think about it before answering. It's useless to deceive." The misty voice continued.

If what you say is against your heart, it is obviously impossible to pass on.

are you willing?

For some reason, the first thing that appeared in Jiang Shengyi's mind was a beautiful face with a gentle smile.

Isn't the person she yearned for is also the Eucharist.

There is no need to think too much.

Because this question will always have only one answer to Jiang Shengyi.

"I do."

If it is for him, I would...

In the illusory space, there was a deadly silence.

I'm afraid that voice did not expect that Jiang Shengyi would make this choice of sacrificing himself without hesitation.

After a long time, the misty voice sounded a sigh.

"Are you so stupid?"

Jiang Shengyi heard the words, the beautiful and beautiful immortal face is a sweet smile, and the tenderness in her beautiful eyes is like water.

"If a person can come across someone who makes oneself idiotic, makes oneself stupid, makes oneself happy, makes oneself sad, it would be great."

As soon as this said, the voice was silent again.

After a while, the voice said: "Congratulations, you passed the test."

As the voice fell, Jiang Shengyi's figure gradually faded, disappeared, and left the illusion of this trial of soul.

"What has happened will happen again. Everything in the world is a reincarnation..."

The misty voice, whispered, sighed, and finally disappeared.

In the outside world, the entire Yaochi ancient land bloomed with even more brilliant fairy lights.

Deep in the ancient land, in the temple.

Yu Qingning felt the changes around her, and there was a sense of joy in her phoenix eyes.

Jiang Shengyi succeeded.

Rumble!

The earth began to shake.

The endless fairy light is bright, and the aura is so strong that it can't be transformed.

Milky white spirits overflowed.

Submerged the entire ancient temple, filled with aura.

"This place has turned into Yaochi." Yu Qingning sighed.

Yaochi is also called Huaxianchi. Just listen to the name and you will know it is extraordinary.

If a person is immersed in it, although it will not be directly transformed into an immortal, it will also have great benefits.

The body, even the soul, can be baptized at the highest level and become extremely pure.

In the outside world, the water in Yaochi is priced by drop.

At this moment, the entire ancient temple was transformed into a jade pond.

What surprised Yu Qingning even more.

In the place where Jiang Shengyi sits, there is a white, crystal clear lotus blooming with mysterious Taoist patterns.

Jiang Shengyi was sitting among the lotus flowers, like a beautiful mortal.

"Father the Tribulation Immortal Lotus!" Yu Qingning sighed.

Unexpectedly, this treasure of Yaochi Holy Land was actually here.

Anything that touches immortals is extremely precious and rare.

Such as the blood of the remnant fairy, the fetus and so on.

The same is true of Cross Tribulation Immortal Lotus.

The energy contained in the Immortal Lotus Crossing Tribulation is extremely powerful, almost comparable to hundreds of celestial veins.

It is even enough for a sage strong to cultivate to the quasi-supreme.

More importantly, Immortal Lotus Crossing Tribulation has another even more eye-catching attribute.

That is, after refining the energy of Immortal Lotus Crossing Tribulation.

In the future, there will be great benefits when crossing all kinds of tribulations, the Supreme Tribulation.

Can be immune to lightning punishment and calamity to a certain extent.

This is a bit abnormal.

You must know that not everyone is the same as Jun Xiaoyao, who is not painful to the Tribulation~www.mtlnovel.com~ and even suppresses the Tribulation.

For ordinary monks, let alone the Supreme Tribulation.

Even the Seven-Colored Holy Tribulation is extremely risky.

And the farther to the back, the higher the realm, the greater the danger of crossing the catastrophe.

If the Immortal Lotus Crossing Tribulation is refined, the risk can be greatly reduced.

May I ask who is not eager?

Even the supreme powerhouse would be jealous when they saw it.

However, it is not waiting for Yu Qingning to sigh.

There were also many golden runes manifesting in the void, and finally gathered in Jiang Shengyi's hands and turned into a golden scripture.

"The complete version of the Yaochi Immortal Sutra." Yu Qingning was surprised again.

As the former head teacher of the Yaochi, she naturally cultivated the fairy sutra of the Yaochi.

However, it is incomplete.

The Yaochi Holy Land has also experienced turmoil and calamity. The complete version of the Yaochi Immortal Sutra has been broken and has not been passed down.

Only the incomplete version remains.

What Yu Qingning cultivated was the incomplete version.

But now, the full version of the Yaochi Immortal Sutra is in Jiang Shengyi's hands.

"Shengyi, this is a great opportunity." Yu Qingning was happy for her disciple.

Jiang Shengyi, who was sitting cross-legged on the Immortal Lotus, was also happy.

These opportunities can make her catch up with a trace of Jun Xiaoyao's footsteps.

However, it is not over yet.

A terrifying force suddenly emerged from the bottom of the Jade Lake.

It turned out to be a strange stone with nine orifices on the surface, circling the essence of heaven and earth, the blossom of the sun and the moon.

"That's... the nine-aperture stone fetus!"

Even Yu Qingning couldn't help but lose her voice.

The sacred object of the Yaochi Holy Land has been lost for a long time, and it has appeared here!

Chapter 776 The embryo of the Holy Spirit, the man behind Jiang Shengyi, shocks all the arrogances

Yaochi Holy Land has enshrined some strange stones since ancient times.

Some were found by Queen Mother of the West.

These strange stones are all naturally raised, gathering the essence of the universe, the sun and the moon.

To be more blunt, it is equivalent to the embryo of the Holy Spirit.

What is the Holy Spirit?

Dacheng Holy Spirit, that is the existence that can fight the great emperor and the ancient emperor.

Yaochi Holy Land is very concerned about these strange stones, and there is a supreme dedicated to preaching for them.

All kinds of spiritual fluids, precious blood, poured on it.

One of the most precious and rare is a nine-aperture stone embryo.

Rumor has it that the Queen Mother of the West has made the twelve-aperture immortal heart, all of which have the merits of the nine-aperture stone embryo.

Only later, the Jiuqiao stone fetus was lost.

Yu Qingning never thought that the nine-aperture stone fetus was actually here, waiting for the inheritors of the innate Tao fetus in later generations.

"Great chance, this is a real chance!" Yu Qingning sighed.

This nine-aperture stone fetus is absolutely rare.

If Jiang Shengyi absorbs his energy for refining, he can cultivate almost 100% into the Nine Orifices Linglong Dao Heart.

If it is thoroughly refined, the Twelve Aperture Immortal Heart has some permission to be able to train.

Even if it is not refined and cultivated into an external incarnation, an invincible holy spirit can be bred in the future.

It can be said that the chance of this nine-aperture stone fetus is even more precious than the immortal lotus crossing the Tribulation!

Just when the nine-aperture stone body emerged.

That terrifying and boundless fluctuation directly overturned the entire ancient temple.

The surrounding ancient land seems to be razed to the ground!

From here, we can see how much energy this nine-aperture stone fetus possesses.

"Shengyi, quickly, put it away, this is the basis for your future transformation!" Yu Qingning said solemnly.

Jiang Shengyi nodded his head slightly, and with a wave of his snow sleeves, he put away the Jiuqiao stone fetus along with the Yaochi Immortal Sutra.

The nine-aperture stone fetus also seemed to have a vague sense of spirit. He sensed the aura of Jiang Shengyi's innate fetus, and did not resist.

Obviously, the aura of this congenital fetus is the same as that of Queen Mother Xi before.

It can be said that if you change to another person, as long as you are not a congenital Taoist fetus, you will encounter fierce resistance from the Jiuqiao stone fetus.

"This time is really a big gain." Jiang Shengyi's red lips curled slightly, his shell teeth were like jade, and he smiled with joy.

"Okay, Shengyi, next you have to accept the baptism of the Jade Lake, and then refine the Tribulation Immortal Lotus. The movement here is estimated to cause some trouble." Yu Qing said.

"Master, Shengyi understands." Jiang Shengyi sat down on the Dragon Crossing Immortal Lotus with a calm mind.

The baptism in Yaochi is a rare opportunity.

After the supreme baptism, Jiang Shengyi's physical body and primordial spirit will be extremely pure and flawless, and the talent will be further sublimated by removing the waste.

At that time, not to mention the unparalleled talent like Jun Xiaoyao, at least he will be a leader of his generation.

This opportunity is extremely important to Jiang Shengyi!

Just when Jiang Shengyi received the baptism in the Jade Lake, he wanted to refine the Tribulation Immortal Lotus.

The movement of the entire Yaochi ancient land naturally spread.

There are already various visions rising here.

With the addition of the talents above, when the Nine Aperture Stone Fetus was born, the powerful waves emitted had overturned the ancient temple and the surrounding area.

This kind of big movement, it is difficult not to attract the attention of other Tianjiao.

"Hey, what a strong aura, it really is in that ancient place!"

"There is a lake in front, why does it seem like someone is sitting in it?"

In all directions, Tianjiao, attracted by the vision, gathered towards the ancient land of Yaochi.

Some sharp-eyed people saw the depths of the ancient Jade Lake.

The fairy light is shining, the aura is full, and a fairy pond is located in it.

"Then it is, the legendary Jade Pond can undergo a baptism in it, and the level of life can be transformed!"

All who came to this Tianjiao, the eyes are extremely hot.

If there is no great opportunity for such an innate thing as talent, it is difficult to improve and change.

The Yaochi baptism is undoubtedly a huge opportunity for transformation.

"No, not only Yaochi, but there is also a lotus..."

"Fuck, could it be Immortal Lotus Crossing Tribulation?"

Many Tianjiao stared, staring dumbfounded.

The Tianjiao who can walk to the Emperor Burial Star are all dragons and phoenixes among the people, and their vision is naturally very high, and it is reasonable to be able to recognize the Immortal Dragon Crossing.

But it is precisely because they know the effect of Crossing Tribulation Immortal Lotus that they are eager and crazy.

It can be immune to the power of the catastrophe to a certain extent, this effect is simply against the sky, and the ordinary elixir can't match it!

"The immortal lotus crossing the robbery, I will definitely win it!"

A Tianjiao Yujian went across the sky, the fiery heat in his eyes seemed to turn into flames and burst out.

"You dream, these wonders of heaven and earth, those who can live there!" The other Tianjiao are also unwilling to show weakness.

But in a moment, hundreds of Tianjiao flocked to the depths of Yaochi Ancient Land.

However, when they approached, they clearly saw the peerless shadow sitting on the Dragon Crossing Immortal Lotus.

Wearing snow clothes, white and flawless.

The head is full of blue silk, and it is also white as frost and snow, and it is set against a beautiful and picturesque fairy face, which is really a bit dazzling and marveling at the magic of creation.

Jiang Shengyi's temperament is like Tianshan Snow Lotus, which is not dusty and independent.

Now sitting cross-legged on the Immortal Lotus Crossing Tribulation, it shows the cool and peerless goddess demeanor to the fullest!

Some Tianjiao were even dumbfounded and forgot to take action.

"It's Jiang Family Goddess!"

There were also some Tianjiao who reacted with a hint of hesitation in their eyes.

If it is another Tianjiao, they will not hesitate to take advantage of the opportunity.

But if it was Jiang Shengyi, it would be a little difficult.

The difficult point was not Jiang Shengyi himself.

Although she herself is strong enough, many people are jealous. UU reading www.uukanshu.com

But obviously not yet, to the point where it can shock everyone.

It can shock all the arrogant people on the entire ultimate ancient road.

Only one!

That is the unbeatable Jun Xiaoyao who has pushed the younger generation invincible since he was born!

It can be said that anyone who can get involved with Jun Xiaoyao is enough to be daunting.

Not to mention, the relationship between Jiang Shengyi and Jun Xiaoyao is very unusual.

This kind of unusualness is not Jiang Shengyi's aunt status.

But she is very important to Jun Xiaoyao, and her relationship is different from other women.

If something happened to Jiang Shengyi, Tianjiao present had no doubt.

Jun Xiaoyao will directly obliterate them all, leaving none!

"It turned out to be the Jiang family goddess, what should I do?"

Many people have hesitation in their eyes.

And in the Jade Lake, Jiang Shengyi, who was sitting cross-Tribulation Immortal Lotus, slowly opened his crystal clear eyes and looked around.

There are thousands of Tianjiao present.

How many weak ones can walk to Emperor Burial Star?

However, these arrogances did not take the initiative.

Jiang Shengyi knew in his heart what they were caring about.

In Jiang Shengyi's mind, Yu Qingning's sigh sounded.

"They seem to be cautious because of Jun Xiaoyao. Tsk tsk, they didn't expect the disciple's man to have such an influence. It really makes the teacher curious."

Yu Qingning's tone contained a hint of gossip.

To tell the truth, even her ancient Yaochi head teacher became interested in Jun Xiaoyao.

This man can make his disciples so concerned, and he is good enough to make all Tianjiao jealous.

Where is it sacred?

Chapter 777 of the main text The princess of the silkworm arrives, the rune barrier of the Yaochi, the thief appears

Yu Qingning's words made Jiang Shengyi and Bai Xuedi a faint blush.

At the same time, there is a hint of pride in the beautiful eyes.

This is the person she loves, a peculiar man with a boldness that overwhelms the world!

Just relying on a name can shock all the arrogances and make them afraid to act rashly!

This kind of deterrence and influence, even the descendants of Xian Ting, and the Bawang and others, do not have it.

I can only say the three words Jun Xiaoyao, which in itself represents a kind of supremacy!

I dare not offend easily!

Although Jiang Shengyi was very proud.

But she also understood that the opportunity here was too tempting.

The baptism in the Jade Lake and the immortal lotus crossing the robbery made the supreme look hot.

Fortunately, the Yaochi Immortal Sutra and Jiuqiao Stone Fetus were put away by Jiang Shengyi.

Otherwise, even if Jun Xiaoyao's reputation is shocking, he will definitely not be able to suppress the crazy greed in these Tianjiao's hearts.

Jiang Shengyi also understood that this scruples would not last long.

She can only do her best to absorb refining.

Just when Jiang Shengyi wanted to focus on the cultivation of the central god.

A cold voice suddenly sounded.

"Sure enough, this princess was right, Jiang Shengyi, it really is you."

With this voice, two rainbows of light flashed from a distance and fell into the void.

It is the Princess Shen Silkworm and Yao Yuekong.

The princess Shen Silkworm has a long and slender figure, and her muscles and bones are shining.

The nine-color goddess enveloped him, and it set off like a noble goddess.

The Demon Moon on the side was also powerful and beautiful, and it was daunting.

"It's the princess of Shencanu from Shencanu Valley. She has undergone nine transformations, and she is beyond imagination!"

"The Demon Yuekong of the Ancient Sky Demon Temple is also here, and it is rumored that he has cultivated the Demon Emperor Immortal Scripture of the Ancient Sky Demon Temple to an extremely deep level."

These two people are the arrogances of the famous ancient road.

Especially the Princess Shencan, although she is a woman, her strength has made many men's supreme taboo Tianjiao jealous.

The appearance of these two made the hearts of many Tianjiao present, and then showed some helpless wry smiles.

It was originally a big piece of fat, which was divided among a group of wolves.

As a result, the tiger came, and these wolves could only eat some scraps.

No way, in the ultimate ancient road, strength is everything.

Seeing Princess Shen Silkworm and Yao Yuekong, Jiang Shengyi's eyes also showed a dignified look.

Others may be jealous of King Xiaoyao, but Shencan Princess and Yaoyuekong will definitely not.

Behind them are the top-level Primordial Royal Family, the Divine Silkworm Valley, and the Immortal Power of the Demon Race, the Heavenly Demon Ancient Temple.

Not yet to be shocked by Jun Xiaoyao's name.

Yao Yuekong looked at Jiang Shengyi, and there was also a flash of astonishment in her eyes.

To be honest, the **** silkworm princess next to him is already a rare beauty, otherwise he would not be so obsessed, willing to be a tool man and a dog lick.

But Jiang Shengyi's amazingness is not only a beautiful and peerless appearance, but also a temperament like a cold spring snow lotus.

If you can conquer such a peerless woman who doesn't catch fireworks, it will surely make a man extremely satisfied.

Thinking of this, Rao was Yao Yuekong, and he couldn't help but feel jealous of that Jun Xiaoyao.

Jun Xiaoyao's love for women is too good.

The goddess and concubine kept throwing her arms in her arms, infatuated with him.

And Yao Yuekong, chasing a **** silkworm princess had to be a humble licking dog, it was almost impossible.

Slightly calming her emotions, Yao Yuekong sneered and said, "Yao Chi baptism and Immortal Lotus Crossing Tribulation, this opportunity is great."

Insert an app: Perfectly reproduce the old version of the book-chasing artifact, an interchangeable app-Mimi Reading.

Even if Yao Yuekong leaned against the Ancient Temple of the Sky Demon, she had no shortage of opportunities since she was a child.

But seeing the opportunity ahead, I still feel a little eager.

Princess Divine Silkworm, with deep beautiful eyes, shook her head lightly and said, "More than..."

"Huh?" Yao Yuekong was suspicious.

But the silkworm princess looked directly at Jiang Shengyi, her red lips lightly said: "Jiang Shengyi, you are a congenital Taoist, you must be able to get all the inheritance of this place, which should also include the Yaochi Immortal Sutra, and it is even possible. Get something more precious."

The words of Princess Divine Silkworm made Tianjiao's breathing hurried, and his eyes were very fiery. They all turned to Jiang Shengyi.

I have to say that Princess Shencan is very shrewd, and she inferred something.

Jiang Shengyi's gain is definitely not only the baptism of the Jade Lake and the Immortal Lotus of Crossing Tribulation.

Jiang Shengyi's eyebrows were lightly frowned, and her eyes were slightly cold.

Princess Shensi, obviously wanted to put her on the fire and become the target of everyone.

Regardless of other things, the value of just a complete celestial scripture is beyond words.

The town clan exercises of some immortal forces are just a fairy tale.

Fortunately, Princess Shen Silk didn't know the Jiuqiao stone fetus, otherwise, if a holy spirit embryo was born, everyone present would be crazy.

"What if you get it, do you want to make a move?" Jiang Shengyi's voice was indifferent.

At this point, there is no need to hide anything.

"This princess knows that you are backed by the ancient Jiang family, and Jun Xiaoyao will support you, but you must know that by this opportunity, you will be able to support it alone." Princess Shencan's eyes dimmed.

The two stunning beauties competed, I have to say, they are very interesting.

Just as the atmosphere froze.

Finally, there was a Tianjiao with red eyes and couldn't help but shoot.

He didn't want to get the Immortal Lotus of Crossing Tribulation, Immortal Sutra of Jade Lake.

As long as you can enter the jade pond and receive a baptism, that is a great opportunity.

This Tianjiao used magical powers, and mana beams burst out.

However, just when this light beam fell on Jiang Shengyi.

The entire Jade Pool suddenly raised a rune barrier.

The mana beam bombarded the rune barrier without even splashing.

"Very good, it seems that this barrier is to protect you from being baptized with peace of mind."

In Jiang Shengyi's mind, Yu Qingning's voice sounded with a hint of joy.

In this way, Jiang Shengyi can safely accept the baptism and refine the Tribulation Immortal Lotus.

At that time, Jiang Shengyi's talent strength has once again improved, and he can retreat calmly.

And seeing this scene of the Princess Silkworm, her pretty face couldn't help but change.

Raising her jade hand, she blasted an extremely nine-color light, and the powerful fluctuations plowed the ground into a ravine.

however.....

The nine-color divine light bombarded the rune barrier, only a faint wave splashed.

"How could this happen?" Princess Shen Silk squeezed her hand tightly.

Thousands of calculations ~ www.mtlnovel.com ~ did not count this.

Yao Yuekong also shot, but still couldn't break through the rune barrier.

"What's going on, can we just watch it?"

In all directions, many Tianjiao couldn't help but shoot.

All kinds of supernatural powers, like raindrops, fell on the rune barrier on the edge of the jade pond.

However, it can only splash ripples, which is impossible to break.

In this way, they can only watch outside.

This kind of feeling that Jinshan is in front of me but can't get it is too uncomfortable.

Li Yan, the princess of the silkworm, became gloomy.

There are only two kinds of relationships between good women. They either appreciate each other or compare and host each other.

Obviously, Princess Shen Silk was reluctant to watch Jiang Shengyi accept the baptism and refine the immortal lotus.

"If she really allows her to digest this opportunity, coupled with the power of the innate womb, maybe it can really overwhelm me a bit, this princess will never allow it!" The princess of the silkworm held her hand tightly.

But right now, this barrier, like a moat, separates Jiang Shengyi from the outside world.

Unless Jiang Shengyi came out by himself.

But is it possible?

Just when Princess Shencan was a little anxious.

Suddenly, three figures slowly emerged from the void.

The first one, with a wolf-shaped mask on his face, played coldly.

"Jiang Shengyi, I didn't expect you to have such a chance, but...I have a news here, I wonder if you are interested?"

All the Tianjiao in the audience, their eyes converged, and a stunned color appeared in their eyes.

Jiang Shengyi's pupils were also cold and frosty.

The people who showed up were the greedy wolf, the broken army, the seven kills, and the three robbers!

Chapter 778 News of Jiang Luoli, angry Jiang Shengyi, stepping out of Yaochi

The Thirteen Thieves of the Ancient Road were once a fearful existence for everyone.

When any Tianjiao talked about it, he was full of jealousy.

However, this terrifying organization provokes even more terrifying Jun Xiaoyao.

The thirteen thieves were almost slaughtered by Jun Xiaoyao.

Only four thieves headed by Zhu Xian Pirates remained.

And now, there are three directly appearing.

The appearance of the three thieves shocked Tianjiao on the scene.

You know, the thirteen thieves are like a poisonous snake in the dark.

But now, they are showing up grandiosely.

This is abnormal.

"Do they have anything to rely on, is it the one who is here?" Some Tianjiao seemed to think of something, feeling that their hairs were standing up, their eyes were jealous, and they looked around.

Zhuxian Pirates!

The head of this mysterious thirteen thieves has almost never appeared.

But being able to become the leader of the Thirteen Thieves is obviously his strength, absolutely terrifying.

There have been rumors before that, with the power of Zhuxian Pirates, hunting Taboo Tianjiao is as easy as eating and drinking.

But no matter how these Tianjiao probes, they can't detect any hidden aura.

Princess Shen Silkworm and Yao Yuekong were also somewhat surprised.

They also don't have any good feelings about the infamous thirteen thieves on the ancient road.

However, after seeing that the greedy wolf thief and others were targeting Jiang Shengyi, the Princess Silkworm and Yao Yuekong chose to watch the changes.

"It's your group of mice in the gutter again. It seems that I killed Moon Slayer and Star Slayer before, and I still can't deter you."

Jiang Shengyi frowned her eyebrows, her eyes full of disgust.

She hated this group of bandits who assassinated and looted everywhere, depriving others of their blood and physique.

They also thought about Jiang Shengyi's congenital Taoism.

But this is not what makes Jiang Shengyi the most angry.

What made her most angry was that these bandits even dared to pay attention to Jun Xiaoyao.

They once wanted to suppress Jiang Shengyi, lure Jun Xiaoyao to the bait, and then deprive him of his ancient Communion.

This is absolutely unacceptable to Jiang Shengyi.

Anyone who dares to calculate Jun Xiaoyao, Jiang Shengyi will kill it!

"I have nothing to say with you, if you don't leave, then you will die!" Jiang Shengyi's beautiful eyes were filled with killing intent.

She, who was quiet as if she was being banished to the immortal, seemed to have turned into an immortal killing at this moment.

But Jiang Shengyi had no impulse.

Naturally, she couldn't throw away the opportunity to baptize Yaochi in order to kill the greedy wolf thief and others.

The wolf thief sneered, not caring about Jiang Shengyi's attitude, and said lightly: "I said, I'm here to tell you something."

"Not interested." Jiang Shengyi continued to practice and was baptized.

"Oh? It's about Jiang Luoli, aren't you interested in it?" Greed the wolf thief sneered.

"what?"

Jiang Shengyi suddenly shot a cold light in his eyes.

One head is like snow-white hair without wind, fluttering in all directions.

Jiang Shengyi cared about just a few people. In addition to Jun Xiaoyao, Jiang Luoli was one of them.

Although there was a gap between her and Jiang Luoli because of Jun Xiaoyao's relationship, it was resolved later.

She has always regarded Jiang Luoli as her younger sister.

"What happened to Luo Li?" Jiang Shengyi bit his red lips.

If Jiang Luoli had an accident, she could not shirk the blame.

"It's nothing, it's just entering the gate of life and death." Greedy Wolf Thief laughed.

boom!

Jiang Shengyi's mind was like thunder roaring.

Her delicate face immediately turned pale.

She naturally knew where the gate of life and death was.

The most famous Jedi of Burial Emperor Star, Tianjiao who has been in the past and present, few people can come out.

What's more, Jiang Luoli has always been a young girl in Jiang Shengyi's heart, charming and playful.

How could she withstand the experience of life and death?

"You forced it?" Jiang Shengyi was hunting with snow sleeves, a disastrous killing intent rose!

"But we didn't force it, it was the little Niang Pi who wanted to go in. We just wanted to suppress her." The wolf thief sneered.

At the same time, under the wolf-shaped mask, his eyes were treacherous.

He just wanted to deliberately anger Jiang Shengyi, as long as she stepped out of the Yaochi, it was enough.

"You... are unforgivable!"

Jiang Shengyi was angry, his pretty face was cold, and his jade face was full of evil.

Many Tianjiao were accidents, and it was the first time to see this fairy-like woman in Ruoyue Palace angry.

"Shengyi, calm down, your baptism hasn't finished yet, and the Cross Tribulation Immortal Lotus has not been completely refined!"

In Jiang Shengyi's mind, there was a cold shout from Yu Qingning.

In Yu Qingning's eyes, Jiang Shengyi has always been a mature, calm, intelligent and intelligent woman, and will not be so gaffey.

"Master, Luo Li grew up when I watched her. She is like my own sister. Now that her life or death is unknown, how can Shengyi be baptized here with peace of mind?"

Jiang Shengyi gritted his silver teeth and said in his heart.

She naturally knew that this was the aggressive method of the greedy wolf thief and others, just to lead her out of the Jade Lake.

But she couldn't worry about Jiang Luoli.

"You can think about it. If you go out now, not only will the chance be robbed by others, but you will even face danger yourself."

"Due to the rules of Burying Emperor Stars, it is difficult to help you as a teacher." Yu Qingning's tone was extremely serious.

"Sorry, Master, sometimes I know that this choice is stupid, but I still have to do it, because Shengyi can't go against his own heart."

Jiang Shengyi muttered silently in his heart, and then suddenly stood up from the Dragon Crossing Immortal Lotus.

Step by step, she walked out of the Jade Lake, surrounded by radiant avenues all over her body, setting off her like the supremely holy goddess of light.

Seeing this scene, Yu Qingning sighed softly.

Helpless. UU reading [www. uukanshu.com](http://www.uukanshu.com)

But more is gratifying.

Knowing that the choice is silly and will do no harm to me, I still have to do it.

Perhaps this is what Jiang Shengyi admires most.

After all, who would want his apprentice to be just a profit-seeking person?

Seeing Jiang Shengyi walking out, it was not only the eyes of the three greedy wolves and thieves who were killing all in their eyes.

A hint of joy flashed in the eyes of Princess Divine Silkworm.

If Jiang Shengyi really digested the chance, she would never feel comfortable.

Now, she also has the opportunity to compete for the opportunity.

"The Jade Lake Immortal Sutra should be on her, maybe there are other rare treasures." The light in the eyes of Princess Shensi changed.

boom!

Jiang Shengyi stepped out of Yaochi.

And at that instant, the rune barrier of Yaochi also suddenly dimmed.

Obviously because there is no object to guard.

Before long, the entire rune barrier will disappear.

At that time, everyone will have the opportunity to enter, be baptized, and seize the Immortal Lotus Crossing Tribulation.

"Heh... or did you choose to cast yourself into the net?" The three men of Greed Wolf Pirates urged their magic power at the same time, and their breath rose.

The strength of these three people is second only to Zhuxian Pirates among the thirteen thieves.

The three join forces, and the supreme taboo Tianjiao must be jealous.

"Today, the **** thing is you!"

Jiang Shengyi moved with Xueyi, his big sleeves fluttered, and the white silk fluttered all over his head.

She must kill these three people today, and then go to the Gate of Life and Death to explore Jiang Luoli's situation.

And just when the two sides are at war.

Princess Shen Silk stepped out suddenly, staring directly at Jiang Shengyi and said, "Jiang Shengyi, the Yaochi Immortal Sutra should be on you, right?"

Chapter 779 of the main text, with one enemy and five, Jiang Shengyi's true strength, the great bottle

The words of Princess Shensi not only frowned Jiang Shengyi, but also surprised the surrounding Tianjiao.

They didn't expect that Princess Shencan would get into trouble at this time.

"Could it be that... Princess Shen Silk wants to take the opportunity to press the Jiang family goddess with a few thieves?" Tianjiao guessed around.

Now that the rune barrier has not been eliminated, it is naturally impossible for them to compete for the baptism of the Jade Pool and the Immortal Lotus of Crossing Tribulation.

Therefore, Princess Shen Silk hit Jiang Shengyi's attention.

just.....

Pressing down with the thirteen thieves is a bit ugly.

After all, the thirteen thieves are notorious, and everyone hates them.

However, no one dared to question anything in the status of the **** silkworm princess.

"So, you guys have to shoot too?"

Jiang Shengyi looked cold and frosty.

"It's not absolute, as long as you are willing to hand over the Jade Lake Immortal Sutra to share with this princess, this princess can agree not to do it."

The silkworm princess Yu hands closed her soft hair, her face was as plain as water.

"Yes, we are not unreasonable people either." Yao Yuekong said to the side.

Seeing this scene, the three greedy wolf thieves also showed playfulness in their eyes.

It seems that there are helpers.

"You are dreaming, tear off that hypocritical mask." Jiang Shengyi said coldly.

"Hey, this princess knows what your confidence is, it is nothing more than Jun Xiaoyao."

"Don't say he is not here, even if he is here, nothing can be changed."

The **** silkworm princess, the demon moon sky, plus the greedy wolf, breaking the army, seven kills three thieves.

Maybe even the mysterious Zhuxian thief will be attracted later.

With such a lineup, in the eyes of Princess Shencan, even if Jun Xiaoyao came, it couldn't change the situation.

"The frog at the bottom of the well knows how wide the sea is." Jiang Shengyi said sarcastically.

Many Tianjiao have figured out the true strength of Jun Xiaoyao.

But without exception, they were all slapped.

The strength of Jun Xiaoyao is immeasurable.

If it can be measured, then he is not Jun Xiaoyao.

"presumptuous!"

Princess Divine Silkworm hadn't said anything, but the demon Yuekong on the side had directly shot.

He wanted to help Princess Shencan get the Jade Lake Immortal Scripture.

"The sky demon swallows the world!"

Demon Yuekong is an ultimate move, with surging mana and surging demon energy.

A huge scarlet demon shadow emerged, as if to swallow everything in the world, terrifying to the extreme.

This hand was enough to prove Yao Yuekong's strength.

However, Jiang Shengyi danced with white and green silk, and she who came here alone through her experience has already transformed and sublimated, unlike the past.

Jiang Shengyi put out his jade hand, the avenue flickered, and the chain of order emerged, shooting out like a dragon and snake.

Congenital Dao fetuses are in harmony with Dao and can control Dao at will.

The way of all things in the world, all in Jiang Shengyi's hands, turned into the most brilliant chain of gods of order.

boom!

Many chains of order traversed out, directly piercing and tearing the terrifying scarlet shadow.

Seeing this scene, many Tianjiao around are sighed.

Congenital Dao fetus, really powerful!

"Avenue cage!"

Jiang Shengyi shook his five slender jade fingers towards the void.

Suddenly, many forbidden runes flashed around the demon moon sky.

The pattern of heaven and earth, like chains, intertwined with each other to form a cage, confining the demon Yuekong in it.

Insert a sentence, [\\mi\\mi\\reading\\app\\\\] really good, it's worth installing, even Android and Apple phones support it!

Then in an instant that was not allowed, Jiang Shengyi waved his hand again.

The endless bright runes gather and turn into a blade of thousands of feet, as if it can cut off the vastness of time and space!

Blade of the Avenue!

When Yao Yuekong saw this scene, his eyes also showed a touch of shock.

Unexpectedly, Jiang Shengyi's strength was so strong.

Just when he was about to beckon, Princess Shencan made a move.

The nine immortal rings behind his head shimmered and gleamed, and the nine-colored glow of the glow, like a sword of glow, cut horizontally.

Rumble!

The voice of Taoism seemed to be billowing thunderously, blasting in everyone's ears.

"Jiang Shengyi, your choice is very unwise."

The voice of Princess Shen Silk was indifferent.

Demon Yuekong burst out of demon power, as if a huge sky demon phantom appeared behind him, rushing away from the prison cage of the avenue.

His face is not so pretty.

I wanted to show off in front of Princess Shencan, but whoever wanted to let Princess Shencan help.

"Oh, or else, we only need Jiang Shengyi, the Yaochi Immortal Scriptures and other opportunities, you can take it, how about?" Greed the wolf thief looked at Princess Shensi.

Their main goal is just Jiang Shengyi's innate birthplace.

Then through Jiang Shengyi, against Jun Xiaoyao.

Princess Shen Silk lightly touched her chin and said, "Yes."

Next, the **** silkworm princess, demon moon sky, greedy wolf thief, broken army thief, seven kill thief.

A full group of five people surrounded Jiang Shengyi.

"Now, the Jiang family goddess is really bad." Tianjiao around said.

However, in Jiang Shengyi's eyes, there was no trace of fear.

"on!"

Greedy wolf thief and others took the lead.

Greedy wolf Xiaoyue, blood sword across the sky, and so on, when the powerful magical powers are displayed, people are extremely shocked to see.

Jiang Shengyi's expression was indifferent, and he responded calmly.

The endless path is brilliant, blooming from her body.

Although Jiang Shengyi didn't fully receive the baptism late, he was partially sublimated and refined a part of the power of the immortal lotus.

At this moment, she is in her peak state.

"Flowers for the first time!"

Jiang Shengyi moved with Xueyi, fluttering like a fairy.

Countless snow-white petals are falling down like rain~www.mtlnovel.com~ If you look closely, every petal is made up of Dao runes.

This is a big rain of flowers!

boom! boom! boom!

Each petal is enough to shatter a mountain in an instant, and the ground is full of holes.

The greedy wolf thief and others were all retreated, bleeding in their mouths.

Yao Yuekong also shot.

Princess Shencan was a step behind, her pupils flickering, and she was exploring Jiang Shengyi's details.

"You're just struggling to die." Greedy Wolf Thief and the others calmed down the blood rushing in their hearts and said coldly.

"I said, you will die today!"

Jiang Shengyi's jade legs move, and lotus grows step by step.

The speed was extremely fast, and fell in front of the three greedy wolf thief in an instant.

After that, Jiang Shengyisu raised his hand and was urged by the power of the innate womb.

The ultimate power of the avenue emerged, accompanied by the surging fairy light.

Finally, in Qiyu's hands, it turned into a big bottle of avenue!

The endless runes are intertwined with the chain of order and **** between the turning of the aquarium on the avenue!

The mouth of the bottle is like a black hole, shattering everything and decomposing everything!

This is the most powerful move spurred by the congenital Taoist fetus, enough to shock the world, the supreme taboo will stand up when you see it!

"Rewind!"

The greedy wolf thief screamed.

However, it was a step late.

The Seven Killing Thieves among the three robbers were directly pulled by the suction force and caught in the Aquarius on the Avenue.

Even the screams were too late to be emitted, and they were instantly decomposed into particles smaller than dust.

The Quartet is dead!

Princess Shen Silk also gathered her eyes together, with a sense of dread.

Jiang Shengyi has a long and slender body, hunts in snow clothes, and dances with green silk. He has a look of peerless elegance and the potential to kill immortals!

Chapter 780 is in desperate situation, Zhuxian Pirate Xuanyue appears

At this moment, Jiang Shengyi was at the extreme.

Obviously she is an empty and graceful woman, but now she looks like a female war fairy.

Seven thieves, one of the three big thieves, was killed by her forcefully.

You know, Jiang Shengyi is now under siege.

In this way, it can also kill one person, which is enough to prove Jiang Shengyi's strength.

She is not a vase.

It is not only dependent on Jun Xiaoyao.

She alone is enough to break out of the world.

"Damn it, if you don't try your best, don't think about getting what you want." Greedy Langfang's face was ugly, and his eyes turned to Princess Shensi.

"You don't need to say much." Princess Shencan said coldly.

To be honest, Jiang Shengyi's strength really exceeded her expectations.

She originally thought that even if she didn't make a lot of moves, Jiang Shengyi should be subdued.

Princess Divine Silkworm also took action, the nine-color divine ring flickered, and the light beam emitted from the hole annihilated the world, causing the void to collapse.

Demon Yuekong also made a move, her demon spirit shocking the world.

Greedy wolf thief and broken army thief needless to say, and they are also doing their best.

For a time, the four young powerhouses suppressed Xiang Jiang Shengyi together.

When Princess Shencan made a complete move and joined the battle, the situation immediately changed.

The **** silkworm princess is the nine-change **** silkworm, with amazing strength, is extremely famous in the ultimate ancient road, and has amazing combat power.

She alone is enough to deal with Jiang Shengyi.

Not to mention there are three people including Yao Yuekong, greedy wolf thief, and broken army thief.

The situation immediately took a turn for the worse.

Jiang Shengyi was shocked to back again and again.

"Jiang Shengyi, struggling in vain, handing over the Jade Lake Immortal Sutra, there is still room for return." Princess Shencan said coldly.

"Dreaming." Jiang Shengyi said coldly.

"Then don't blame this princess, **** the world!"

Princess Shen Silk waved her jade arm, and her mana burst into nine colors of glow.

Afterwards, the nine colors of Xianguang differentiated into countless silk threads, intertwined with each other, like a nine-color net that shades the sky and sun.

You can simply include the world.

This is a stunning supernatural power of Shencangu.

All things can be included, and then refined.

Jiang Shengyi made the same move, turning the big bottle on his head, with countless runes, resisting the ultimate move of the Princess Silkworm.

Yao Yuekong and the others also shot to calm Jiang Shengyi.

The situation was extremely unfavorable for Jiang Shengyi.

Seeing this, the surrounding Tianjiao also sighed.

Jiang Shengyi's performance is worthy of her reputation.

But no matter what, this lineup, the supreme taboo Tianjiao will also have a headache.

Not everyone, like Jun Xiaoyao, can completely ignore the number of opponents and sweep and crush them all at once.

Under such a siege, he was better than Jiang Shengyi, and he also coughed up blood.

Bright red blood, dots and dots, fell on the snow-white placket, like a peach blossom.

"The Jiang family's little girls are so stubborn." Greed the wolf thief secretly cursed.

Regardless of Jiang Luoli or Jiang Shengyi, the temper is so stubborn and will never give in.

There is no one who can make them obey, except Jun Xiaoyao.

"The net destroys the world!"

The princess Shen silkworm spied out and grabbed at the void.

Suddenly, the nine-color net spewed out the nine-color divine flame.

Upon closer inspection, the **** flames are all composed of endless runes.

It was like a melting pot where Jiang Shengyi was trapped in it for refining.

"The Supreme Treasure Bottle Seal!"

Jiang Shengyi pushed the jade hand horizontally, and the treasure bottle of the avenue turned into a shocking imprint.

Yiyin blasted out, suppressing the universe.

The silk thread nets all over the sky are directly torn apart.

Boom!

The deafening roar blasted into the sky.

Both sides retreated at the same time.

Jiang Shengyi's body was shocked, and Tankou coughed up blood again.

But at this moment, in Jiang Shengyi's mind, Yu Qingning's shout suddenly sounded.

"Shengyi, be careful behind!"

"Ok?"

Jiang Shengyi's heart tightened.

The void behind her was suddenly torn like paper.

A slender figure flashed out of it.

Holding a dark sickle in his hand, like the legendary death god!

The sickle fell and cut through the void.

Even Jiang Shengyi didn't react for a while and it was difficult to resist.

You can only shift your body shape and try to avoid it.

Puff!

The sickle pierced Jiang Shengyi's jade back, and blood splashed out!

cough!

Jiang Shengyi's figure fell from the sky, his face pale as paper.

On her jade back, there was a hideous scar with deep bones, which showed the power of the blow.

Fortunately, Jiang Shengyi's delicate body has been tempered by the essence and blood of Jun Xiaoyao's Eucharist.

Otherwise, this blow might even divide Jiang Shengyi's body in half!

This sudden scene stunned the audience.

Who ever thought that someone would make a sneak attack?

Everyone's gazes swiftly looked at the figure that suddenly appeared.

At this look, it was shocking.

That was a girl.

The girl is slender like a willow, wearing a black silk skirt, and her long jet black hair floating like a waterfall.

The limbs are slender and tender, and the skin is pale and transparent.

There were some bandages wrapped around the crystal-clear lotus root arms and slender legs, and Jade held a sickle of death that was taller than her.

On his face is a grimace mask that looks like crying and laughing.

The whole person looks like a sly fairy in the dark night.

Like a black rose, it brings a sickly beauty and a fatal illusion.

"Boss Xuanyue!"

Seeing the girl who appeared, the greedy wolf thief and the broken army thief, their expressions were a little excited.

The girl who appeared was the first of the thirteen thieves, Zhu Xian Pirates, Xuan Yue!

"What, she is the legendary Zhuxian Pirate?"

Hearing the words of the greedy wolf thief and others, nearly a thousand Tianjiao in the audience were full of surprise.

They also thought that the legendary Zhu Xian thief should be a fierce man, or a cruel demon.

Who would have thought that the head of the cruel thirteen thieves was a girl?

It's just that this girl, UU reading www.uukanshu.com exudes the breath of death.

"Zhuxian Pirate..."

Jiang Shengyi's mouth was full of blood, and the hideous wound on his back was bleeding.

Zhuxian Pirate Xuanyue's sneak attack caused her to suffer heavy losses.

The girl is holding a sickle of the **** of death, like a black silk fluttering in the wind, like a butterfly's wings engraved on the collarbone, very scarlet and enchanting.

She just stepped on the sky quietly.

The Quartet is dead, no one dares to speak!

The sight of the girl's grimace mask fell on Jiang Shengyi, extremely cold.

It's the sight of a hunter staring at his prey.

"Your congenital Dao fetus, I'm going to make it." Xuan Yue's voice was ethereal like rain, cold like frost.

The voice fell, Xuan Yue's delicate jade feet lightly touched the void.

The whole figure was like a ghost, and instantly flashed in front of Jiang Shengyi.

The sickle of death in his hand fell down, like a shadow of death covered it.

Puff!

Although Jiang Shengyi resisted, he was still shocked by blood.

The greedy wolf thief, the broken army thief, etc. saw it, and also killed them.

Yao Yuekong also shot.

"Zhu Xian Pi is really a daunting character, but in this way, Jiang Shengyi will undoubtedly die!" Princess Shencan said inwardly.

The breath of Zhuxian Pirate made her feel a strong sense of fear.

This is definitely an existence of supreme taboo level.

But what puzzled Princess Shencan was that she felt a lot of mixed auras in Xuan Yue.

It's like the fusion of various blood physiques.

This made Princess Shensi feel a little creepy.

What kind of road is this going to take?
