Chapter 251 I Love You Tilda stuffed a tangerine slice into Jude's mouth . The carefully prepared frozen tangerine , with added ingredients , mixed with the high - tech food Jude brought , which was made for Omega - types . Somehow , it created a wonderful taste . " This is so good ... " Jude was impressed . " See ? If it's good , have some more . I already had dinner , and there's plenty here - it'd be a shame to waste it . " Tilda smiled happily , as if she had been given a big compliment . , She then went back to enjoying her meal . Jude tried that same combination again . It tasted good .

But not as amazing as before . The reason ... He knew perfectly why . It was because Tilda didn't feed him any tangerine slices this time . It was that small gesture that made it taste better than any delicacy Jude had ever had . Jude couldn't take his eyes off Tilda . Tilda became too embarrassed to continue eating with gusto . " Ahem ... Jude , I know I don't eat very gracefully , you don't have to stare at me like that . " " Sorry , Tilda . You are so beautiful that I couldn't help but stare . " Tilda was speechless . Jude's serious and sincere words made her not know what to do .

At the same time ... Why did her heart suddenly start pounding so fast ? The strange rush of emotion made her lower her head . " Did what I just said make you feel uncomfortable ? " Jude had never been in a relationship and was a total idiot when it came to love . This was completely different from the dignified , powerful business leader he was . When Tilda suddenly went quiet , as if she was ignoring him , Jude got anxious . So this is what it feels like to fall in love . To care so much about your place in someone else's heart .

Time and again , unintentionally , he found himself wondering . What does Tilda truly think of me ? They'd known each other for a long time and been through so much . But the answer was still unclear to Jude . " No , it's just ... Jude , sometimes I wonder if you really like me , or if it's just the attraction between our blood types ? Finished " When I'm around you , I can feel my blood boiling .

It's a kind of chemistry that only happens between two people with the Omega - types . " " The closer we get , the harder it is to control this wild feeling inside . At first , I was embarrassed and scared of losing control ... though I've gotten used to it now Tilda cupped her cheek , looking at Jude seriously , speaking from the heart . " The more she spoke , the more unsure she felt about what to say next . Why was she saying this ? Was she trying to confirm something ?

She wanted to be sure that Jude's care , attention , and love for her were genuine , not just a blood - type attraction that would force them to rely on each other to live a happy life . It had to be something

deeper ... But what was that reason ? As a virgin who'd never been in a relationship in this life or the last , Tilda felt completely lost . When it came to love , she wasn't any better than Jude . Both of them were clueless . Tilda was the Queen of the dark web , and Jude was the King of Slosa . Together , they were powerful enough to shake the world ..

But here they were , in a living room , face to face , behaving like awkward teenagers with out - of - control hormones . Anyone who knew Tilda and Jude would be shocked to see this . They'd think the sun was going to rise in the west tomorrow . " I admit , Tilda , if it wasn't for the attraction between our Omega - types at first , I wouldn't have approached " But I can tell you for sure that in this world , the only person who can stand with you is me , and it has to be me . " I've fallen for you , Tilda .

Doesn't matter if it's because of our blood types or because of you - you make me reckless , like I'm not myself , and yearn for a home and real happiness . " Only this . No matter how many times you ask , I'll always tell you without hesitation . I love you , Tilda ! And as your suitor , I won't give up ... Not until the day you fall for me ! " As Jude spoke , his eyes burned with an intensity that felt like it could pierce the heavens . And that " holy spear " It struck Tilda's heart with every word , piercing her most vulnerable spot . Tilda's blood boiled uncontrollably once again .

She could feel Jude's emotions down to her very soul . Jude pressed his lips together .

Chapter 252 Forever and Ever Call Jude possessive if you want . He simply couldn't accept any other man being near Tilda . That feeling , which had been on the verge of bursting out of his chest , finally found an opportunity to be expressed to the person he wanted to tell the most . Jude wouldn't regret it . Even if it scared Tilda , even if it made her distance herself from him . Because this was what his heart wanted . He was hopelessly in love with her ! It took Tilda a while to accept it . And then .... She couldn't help but smile . " Jude , hearing you say that ...

it makes me really happy . " Admit it , Tilda . You have feelings for this man . After all , he was such a noble and amazing man . And to be chosen so firmly by someone like him - never backing down , never doubting ... It was the sweetest poison for Tilda , who had always lacked trust and love . She couldn't resist it . Whether they had the Omega - types , whether it might affect the future .... None of that mattered anymore . " Tilda , I'm sorry if what I said just now scared you . " But ... I want you to know that the moment you came into my world and caught my interest ....

" You were already a light that shone into the frozen , dark world in my heart . " If a beam of light falls into the darkness and can't clear it , it should just leave . Otherwise , even this light will get dirty and turn black . Jude didn't want that . Even if he fell into the abyss , surrounded by darkness and covered in mud , he still wanted to reach out and use all his strength to grab that light ! " Okay , I get it , Jude ... I

already said I'm happy . Why do you think you scared me ? " Ahem , thank you for your serious and heartfelt confession .

I can't say for sure if I want to spend my life with you , makes me feel like a jerk , leading you on- " which Before she could finish , Jude cut in . He spoke each word clearly and firmly , " Tilda , I'll wait for you . Until the day you're ready to truly accept my feelings . "

And until that day came , Jude would move toward Tilda with great care , effort , and love . Until he could reach Tilda's heart , leave his mark on it , and make her his . Jude still didn't know much about Tilda . But he did know one thing .

Because of the Jensons , she was deeply hurt and had shut herself off . She didn't want to deal with so - called family affection anymore . Getting close to her this fast was already more than he'd expected . Only Jude knew better than anyone else in this world how precious and treasured she was . She was a rare gem , the shining star , and the warm sunlight that can scatter all darkness ! A quick spark of attraction fades , but lasting love is true tenderness . Looking into Jude's shining eyes , it was as if for the first time ... Tilda saw the reflection in his deep , dark eyes .

They used to be like an empty , black universe . This time , she saw her own reflection very clearly . At least in that moment , Jude's heart held only her . For some reason , Tilda asked , " Jude , do you know how to blow - dry hair? " " Huh ? " He wasn't expecting her to say that . " My hair's still wet . I'm worried I won't sleep well later . Help me dry it ? " Without giving him a choice , Tilda stood up . Jude was stunned for a moment before following her . Tilda sat down at the vanity and handed Jude the hair dryer . Jude took it and gently began drying her hair .

Her hair was smooth and silky , soft to the touch . It carried the faint fragrance of her shampoo , which was very pleasant . Tilda closed her eyes , feeling relaxed . " I used to read a few romance novels , and I always wanted something like this . " Like ... you drying my hair , me shaving your stubble - those little everyday moments that feel calm and happy . Finished " Hey , Jude , don't you think we're kind of like the main characters in those old novels , doing this at the end of the story ? " Jude's gaze was so gentle it looked like it could melt .

His long fingers combed through Tilda's hair as the warm air from the dryer carried her fragrance . " As long as you're willing , we can keep going like this - forever and ever ." Jude's answer would not change .

He was only waiting for the day Tilda would say , " I do . " " I don't know why I love you , but you're the reason I can't love anyone else . " Tilda closed her eyes , fully at peace .

Chapter 253 He's Happy She put her legs on the chair , hugged them , and rested her face on her knees . Like a lazy cat lost in a sweet dream . Tilda's words made Jude's heart skip a beat . He didn't dare think too far . Afraid he'd get hurt . Afraid he was misunderstanding her . But at that moment .... Jude really wanted to ... Lean closer . Kiss Tilda's hair . Kiss her cheek . And ... Her slightly red lips . Finished Jude left . He had just finished blow - drying Tilda's hair and watched her put on her makeup . No matter what , he was still the head of the Bells , the CEO of DY Group .

Even though his impulse was about to break through his self - control and destroy his reason In the end , he still thought of Tilda . Her presence alone pulled him back to his senses and made him stop . Tilda's heart felt a little tangled . She actually wanted Jude to kiss her tonight . But after all , she was still a girl . It would feel embarrassing to ask him to .. Too bad Jude held himself back . Oh , well ... A man who is too rational and not emotional is sometimes not a good thing . But Tilda and Jude still had plenty of time to take things slow .

In this life , she wouldn't make the same stupid mistake and ruin her future . She already had something even more important than family . In this life , she wasn't alone anymore .

" Okay ... Time to pull an all - nighter and finish the mission the organization gave me . " Let's go , Tilda ! " Finished Jude left the apartment and got into the car . Vassal asked , " Boss , are we heading back ? " Jude didn't answer right away . He just pulled out his phone and called Maurice and Alfie . Maurice was at a party . Alfie was already asleep .

But Jude dragged them both out anyway . After hanging up , Jude said , " Go to Nightingale Bar . " " Yes , sir . " Nightingale Bar . Jude had already downed a few glasses of '82 Lafite . Alfie and Maurice rushed over , looking anxious . " What's going on ? I was in the middle of a sweet dream about kissing my future wife , and you disturbed me ! " Alfie , who was grumpy from being woken up , puffed his cheeks out like an angry squirrel . " Okay , Jude's never been this worked up before . Something big must've happened ... Let's sit down and talk . " " Jude , what's going on ?

" Maurice pulled Alfie into a seat , both of them staring curiously at Jude . Nothing had ever made Jude so anxious that he had to call Maurice and Alfie to the Nightingale Bar . Because Jude was a monster - no matter how difficult a problem was or how impossible it seemed to others , he could always handle it perfectly . " It's nothing . Let's drink . " Tonight , it's all on me . " Huh ? Alfie and Maurice couldn't believe they were hearing this from Jude . " Jude ... are you sick ? Don't scare me . " Facing such a strange Jude , Alfie quietly swallowed . He was scared ! " What's wrong ?

I'm in a good mood and feel like drinking . Is that a problem ? " Jude's cold , thin lips curved into a faint smile . He was radiating the unmistakable air of a man in love .

Alfie and Maurice were dumbfounded . They got it ! Jude wasn't in trouble ! He's in love and ending his single life ! He's happy ! Damn it ! Is this how you treat your single friends ? O It's bad enough we were dragged out of bed in the middle of the night ... But now we've gotta sit here and watch him show off ! Tilda ! Control your man !

Tilda had no idea what Alfie and Maurice were going through . After working all night , she finally finished the mission . Surprisingly , she still felt great . Maybe it was because of the food Jude brought . Or maybe ... She was just in too good a mood ? Probably both . Tilda stretched , packaged the documents , and sent them to Manfred . Then she went to bed to catch up on sleep . She didn't have classes in the morning anyway . After Tilda fell asleep , she found herself in a pink flower field . Pink petals floated through the air . It was beautiful , like a fairy tale .

Blue skies and white clouds stretched endlessly . Before she could even process what was happening , a beam of light tore through the horizon . And from within it - like the sun breaking through - came Jude . He flew to Tilda's side . That godlike , handsome face carried a smile full of doting and love . He took Tilda's hand and pulled her into his arms . Tilda felt like she had no strength left . She could only let Jude have his way with her . Once she was in his embrace .... The kiss that hadn't happened before .... O NO Slowly happened . Deepened .

Happy Even if it was only a dream ,. Jude's lips tasted sweeter She felt that spark spark again .

Chapter 254 Representative She just wanted to close her eyes , arms wrapped around Jude's neck . Lost inside this dream castle made of pink flowers . She never wanted to wake up . Finished Tilda was woken up by her alarm . She rubbed her hair , sat up , and glanced at the time . Oh my gosh ! It was already two in the afternoon ! She was going to be late ! Tilda was usually a light sleeper . She had never slept this deeply before . She even dreamed about ... kissing Jude ? Tilda rubbed her temples in shame . Seriously two lifetimes , and she was still having childish princess dreams .

Tilda , Tilda ... You've lost it . Since she was already late , Tilda decided to take the entire afternoon off . A message popped up from Dane . " Tilda , Mr. Parker already gave me your files . You did a great job . Well done ! " Tilda replied , " Hehe , it's my honor to be able to help you ." Dane asked , " The International College Art Competition is coming up soon , right ? Don't take on any new tasks for now . Just rest and get ready . " Tilda replied , " Don't worry , Dane . I won't let you down . This time , the world championship - it's mine !

" Not just for herself ; she wanted to live up to her senior's expectations and bring honor to her country too . Dane replied , " I believe in you . With your talent , you can do it ." After chatting with Dane , Tilda

checked in with Manfred about her upcoming assignments . Manfred said , " Queen , finishing that task so quickly has already been a huge help to our research . You should take a break . " Tilda replied , " Mr. Parker , don't worry about me . I have a lot of energy .

Just give me any tasks you need done ." She wanted to speed up Dane's research on the lithography machine , break the chip monopoly , and push Cetherland onto the world stage . Dane was working hard to make the country better . As his junior , Tilda definitely couldn't slack off . Manfred sighed and said , " Queen , I'm sorry that we doubted you when you first came to the organization . If only ...

" Mr. Parker , your doubts were right . Anyone in your position would have done the same . " It's good that the doubts are gone now .

I just want to do my part for the country , just like Dane . That's all . " They smiled , letting the past go . Meanwhile , the orientation party at Orica University was just around the corner . That day , after class , Una gave Tilda a strawberry lollipop . She had this mischievous grin on her face . " What's going on ? Why are you smiling like that ? " Tilda took the lollipop and gave it a try . Mmm , it's so sweet ! " Tilda , guess what , Kyla's speech as the freshman representative got canceled ! Hahaha , it's so satisfying !

" Una leaned in close to Tilda's ear , barely able to hold back her laughter . " Oh really ? " This surprised Tilda a bit . She'd been so busy training the Comet Squad and handling tasks from Lab Seven . She hadn't been paying much attention to Orica University . In her previous life , Kyla had stolen the spotlight at the orientation party . That performance had caught the eye of a few media companies . They saw that Kyla's performance at large events was impressive . On top of that , she had good looks , a nice figure , and the Jensons backing her .

A Naturally , the companies went after her , hoping to get Kyla to sign with their company . Before Tilda died , Kyla had already made it in the entertainment industry . She became famous by being a " laid - back girl , " a " sweet but clumsy girl , " and a " big eater " on reality shows . She was popular and was considered one of the top rising stars . Finished Of course , Tilda had to admit one thing . Kyla was a great actress when it came to pretending to be pitiful or two - faced .

On top of that , she had several brothers already in the entertainment business and the powerful Jensons backing her . Even if she had zero talent in singing or dancing , she could easily become a B - list star . Not to mention a woman as " ambitious " and " talented " as Kyla . " Of course , Kyla's performance wasn't canceled ... Her speech as the freshman representative was canceled because of the Jensons '

incident recently . The school thought it would look bad . " Plus , didn't Professor Linscott give you the spot for the National College Art Competition instead of her ?

You even won first place and are going to compete globally . " The school probably wants to get on your good side . You cut ties with the Jensons and things got pretty messy , but if you win a world championship ... Kyla won't have any standing at Orica University anymore . " The more Una talked , the more excited she got

Nothing feels better than putting a two - faced girl in her place ! It feels so good ! " Tilda , I believe in you ! You're definitely going to win that world championship ! " Go for it ! Crush that two - faced girl , Kyla !

" Una's eyes sparkled with fire as she clenched her fists , full of confidence in what was to come .

Chapter 255 Kyla's Friends Tilda just smiled and didn't say anything . She was thinking that a week after the orientation party , the International College Art Competition would start . Since Christmas was coming , the organizers abroad planned to hold the competition early . By then , Tilda would be flying overseas with Simon . This time , she was determined to come back with the world champion trophy . She'd make her country and Dane proud ! Just then ... Shaun walked into the classroom . " Tilda , I've been looking for you . " Tilda stood up and raised an eyebrow .

" Professor Manning , is everything all right ? " Well , the orientation party is about to start . All the professors voted and decided that you , as their senior and an outstanding representative of Orica University , should give a speech to the freshmen . " Una was surprised . " Huh ? Professor Manning , isn't this usually the student council president's job ? Why Tilda ? " " Ahem , this year's a bit special . Tilda not only broke my programming record but also became a national champion . " So it's normal for everyone to vote for Tilda to be the representative .

I just don't know if Tilda will accept it ." Tilda thought for a moment and said , " Yeah , I'll do it . " " That's great ! I'll report this to the dean ... " After Shaun left , Una rested her chin on her hands , eyes sparkling . " Tilda , I suddenly feel like this just got way more interesting . What do we do now ? " " Just focus on what we need to do , " Tilda replied calmly . The only reason she agreed to Shaun's request was to provoke Kyla . To make her more and more jealous . Once Kyla had a strong desire to get rid of Tilda , she would fall hard for Tobias ' sweet words .

And when the Jensons finally found out ... That's when things would get interesting . When Tilda went to the bathroom , she happened to run into Kyla . Kyla was with two of her best friends . Tilda knew both of them . One was Sara Moore , the heiress of a cosmetics company . The other was Jennie Johnson , the

heiress of a toy company . Both companies were pretty big in Slosa . You could tell by the latest big - name clothes Sara and Jennie were wearing . They dressed stylishly but with exaggerated flair , looking a little flashy .

But compared to the Jenson Group , their families were small potatoes . Kyla was wearing the newest limited - edition clothes . One piece of her outfit cost more than everything Sara and Jennie wore combined . It was obvious that Sara and Jennie were just Kyla's simps . For Kyla , the more simps , the better - it meant more pawns to use for her own advantage . Especially the simps who were so close to her at Orica University ! In her past life , these two simps caused Tilda a lot of problems at Orica University .

Tilda smirked She didn't think this was a coincidence . After all , there were no freshman classes on this floor today . Even if they went to the bathroom , freshmen would only be on the fourth floor - they wouldn't come all the way up to the sixth . She was curious to see what Kyla was plotting . Tilda ignored Kyla , humming a little tune as she walked into the restroom . A flash of hatred crossed Kyla's eyes . Kyla had already gotten the news the day before . Her scheduled freshman representative speech was canceled . All that was left was a performance . Originally ....

This was supposed to be Kyla's big break - the starting point of her shining career in the entertainment industry . As a freshman representative and an outstanding performer , countless media companies were supposed to notice her talent , then compete to sign her . This time , Tilda ruined everything ! As Tilda walked past Kyla , Kyla suddenly spoke up , " Tilly ... She reached out , trying to grab her . Tilda calmly stepped aside . " Kyla , don't call me that . It makes me sick . " And don't act for me . I don't fall for your two - faced tricks .

Go perform for people who will believe you ." Tilda knew just how shameless Kyla was . Kyla had been humiliated by Tilda so many times , yet she still dared to approach her like this , acting weak and innocent . She was probably just putting on a show for her two followers . Wanna play ? Fine . Let's see if you can handle it ! " Tilda , you're going too far ! Kyla just wants to make up with you ! " " Is what everyone's saying true ? That as the real heiress of the Jenson family , you couldn't stand an adopted daughter , so you

made it a public scandal and cut ties with the Jensons ? " As expected. Sara and Jennie were completely brainwashed by Kyla .

Hearing Tilda's words , they immediately jumped to defend their friend . They were eager to flatter Kyla and keep her pleased . That way , when their family's companies wanted to work with the Jenson Group , they would have a connection .

Chapter 256 Kyla's Old Tricks Of course , they had no idea how powerful Tilda's connections were . If they knew Tilda was connected to Jude , Maurice , Theo , and Andy , they wouldn't dare to mess with her . Tilda was about to speak when Kyla said , " Sara , Jennie , don't say that . It's right for Tilda to hate me ; it's all my fault . " I shouldn't even be alive , and live with the Jensons . I made Tilda hate me and caused the Jensons to suffer such great humiliation . " Tilda , I don't care if you believe me or not , but I'm truly in pain !

I can't sleep at night , always thinking about what happened to our family . We used to be so happy ! " I want you to come back , Tilda . If you'd come back to the Jenson Villa , I'd do anything ... anything ... " Kyla's eyes turned red , and she started crying again . Tilda was speechless . Seriously , girl . Can't you change your lines ? Even a scammer needs to come up with something fresh , right ? Kyla had used these exact lines on Tilda so many times that Tilda was tired of hearing them . And yet , she didn't get bored with her own act . Tilda was totally sick of it .

She felt like throwing up . But Kyla's two brown - nosers were completely moved by her sad performance . They glared at Tilda . " Tilda , don't you have any heart ? Does it feel so good to hurt Kyla like this ? " " Kyla , I told you not to use the restroom here . I was worried we'd run into Tilda . Let's just go . " If looks could kill , Tilda would have been dead on the spot . Unexpectedly , Tilda just said , " Bye . " And then she just turned to go to the restroom . Kyla and the others were speechless . Tilda ... Why wasn't she acting like they expected ?

They had just insulted her like that . Shouldn't Tilda be furious ? Kyla's face darkened . Did ... Tilda figure out my plan ?

The reason she brought her two " friends " to this restroom was to see if Tilda would show up . There were no cameras in the girls ' restroom . Perfect to create trouble . Finished Kyla was worried that Tilda wouldn't come . Unexpectedly , she came ! Kyla just needed to use her usual tricks to make Tilda angry , or even push her . Then , Kyla would fall , hit her head , bleed , and pretend to faint .

Sara and Jennie would then shout loudly to get a crowd . Even without proof , with Kyla injured like that , Tilda would be at the center of a scandal . She would lose her chance to be the senior representative and give a speech at the orientation party ! Exactly ! That was Kyla's simple goal - to frame Tilda and prevent her from becoming the representative ! Because that spot was supposed to be hers ! If Tilda hadn't butted in , Kyla wouldn't have lost her chance to compete . She wouldn't have had her freshman rep speech canceled ! Kyla was full of envy , jealousy , and hatred for Tilda .

She wanted to kill Tilda herself ! It would also make the Jensons and Preston hate Tilda ! Killing two birds with one stone ! But Tilda didn't react at all , leaving Kyla completely at a loss . In Kyla's plan , Tilda wasn't supposed to act like this . Unless Tilda had figured out what Kyla was trying to do . Thinking of this , Kyla rushed forward , crying , and tried to grab Tilda . " Why are you ignoring me ? I'm begging you ... Even if it was forced , Kyla had to get hurt here ! She needed to create a public scandal for Tilda !

After that , she would pay some students to spread the story everywhere . Then , Tilda would lose her spot as the representative . But ! Tilda turned slightly . Phone in hand . And aimed it at Kyla ! Kyla froze for a second . " Huh ? Keep talking . I'm recording " Tilda captured Kyla's expression perfectly on her phone . " I'm listening . Say whatever you want to say . "

Kyla almost forgot . This was Tilda's favorite move . Recording everything ! Tilda was prepared . As Kyla's expected .

Tilda must have figured out what she was trying to do . " You said ... as long as I'm willing to forgive you and go back to the Jensons , you'll do anything , right ? " Well then . If you get down and lick my shoe clean , I'll think about it . What do you say ? " " W - What did you say ? " Kyla trembled , staring at Tilda in disbelief . Finished " Didn't you say you'd do anything ? Just one small sacrifice from you , and I can return to the Jensons just like want . you " Then you can leave and disappear from my life forever , that's what you want . Isn't it enough for the Jensons to be happy ?

" " But to make sure you don't pull any tricks , I need to record a video as proof that you did it willingly and I didn't force you . That's fair enough , isn't it ? "

Chapter 257 She Ran Away Crying " Hey , Tilda , that's totally a personal attack ! " " Yeah , how can you ask Kyla to do something so embarrassing ? " Seeing things going south , Sara and Jennie quickly stepped up to back Kyla . " If you can't do it , don't make promises . Ridiculous . " Tilda smirked and walked into the women's restroom . She closed the door , shutting them out . She left Kyla and the others feeling incredibly awkward . " All right , Kyla , I told you to just ignore Tilda . She's so mean . " " Yeah , I feel so bad for you , Kyla !

How can there be such a horrible woman in the world ? Is she really Mr. Jenson's daughter ? Maybe the DNA test was wrong ! " Jennie and Sara were furious with Tilda . The more they talked about it , the worse Kyla's face looked . Why ? Because when Kyla learned about this news .. Her first thought was that the DNA report was wrong . She even secretly took some of Tilda and Russell's hair to get it tested . The result ? A 99 % match . They really were father and daughter . Why else would Kyla have been so eager to get rid of Tilda ? She succeeded in driving Tilda away .

But it only brought so much trouble . Jennie suddenly rolled her eyes . She went to the sink and filled a bucket with water . Sara's eyes widened . " Jennie , are you trying to ... " Jennie quickly pressed a finger

to her lips . " Shh ! Don't say anything ! Let's teach this bad woman a lesson ! She shouldn't have bullied you like that , Kyla ! " " Jennie , don't ... " Kyla said , trying to stop her , but she didn't move . She was seriously driven crazy by Tilda . Even if this plan failed , at least they could soak Tilda and get some revenge .

Even if Tilda came after her later , she would just blame it all on Jennie .

After all , Kyla had tried to stop her . Jennie was acting on her own . It wasn't their problem . Jennie filled a bucket with water and walked with great effort to the door of Tilda's restroom . She was just about to lift it and dump it inside when . Suddenly ... The door was pushed open . Bang ! Jennie was caught off guard and got hit . The water splashed all over her . She was completely soaked . Her hand was hit by the door , leaving a bruise .

Tilda stayed inside the restroom . After everything was quiet , she slowly walked out . She looked at Kyla and the others , who looked like clowns . " Heh . " She let out a cold , mocking laugh . She strode out of the restroom , leaving Kyla and the others behind . They felt an unprecedented sense of defeat . It was like Tilda could see right through all their thoughts . She didn't even see them as a threat , This was worse than Tilda fighting back directly . Tilda left the restroom and stepped into the hallway . Una came looking for her . " Tilda , what took you so long ?

I was worried you fell in the toilet . " " I'm fine , just took care of a little problem . Anyway , I need to get back and work on my speech . " Since I agreed to Professor Manning , I need to get ready . The orientation party is coming soon . " Tilda made sure her voice was loud enough . At that moment , Kyla and the others walked out of the restroom . Their faces turned even darker . Una immediately had a pretty good idea of what had happened . Finished " That's right !

Our Tilda is not only going to be a legendary graduate of Orica University , but she's also going to win a world championship ! " She has a bright future - far better than a certain two - faced girl who talks big but has no real skills and will always be crushed by Tilda !

Sara got mad and glared at Una . " W - what did you just say ? Funny , was I talking to you ? Are we friends ? Don't jump to conclusions so fast . " I didn't even name anyone , and you're already taking it personally ? How shameless . " Una made a face at Sara .

Kyla ran away at that moment . She ran away crying . Finished This time , she really broke down . She was so angry that she cried . Tilda Jenson ! You bitch , this is the only time you'll be happy ! On the day of the international competition , I will ruin your reputation and make you the laughing stock of the

whole country ! " Wait for me , Kyla ... " Seeing Kyla run away , Sara and Jennie didn't dare to stay and quickly followed her . This made Una burst into laughter . Tilda ruffled Una's hair . " All right , enough laughing .

Come on , help me write my speech . " " Tilda , don't hurt innocent people . You know I'm not smart enough . I'll just wait to see how amazing your final work is . " But I do think I'm getting better at dealing with bad people . I must have learned a lot from you . None of those fake bitch can fool me anymore ."

Chapter 258 Nothing Happened , Right ? " Maybe I should just quit esports and try being a full - time novelist ? I could use the pen name ' Orange You Can't Love Enough ' and publish on Wattpad ! Sounds pretty sweet , right ? " Before long , the orientation party day arrived . Orica University's orientation party was only open to first - year students . Sophomores , juniors , seniors , and graduate students - master's or PhD - could only watch through the live stream . Or they could just soak in the atmosphere outside the auditorium . The auditorium had been set up a day in advance .

Now , staff and student council members were keeping things in order . The representatives were also practicing their speeches on stage . Tilda got the notice and came to the auditorium . She was confident she could do well with the speech . But her personality demanded that once she decided to do something , she had to do it perfectly . So she decided to come here to rehearse , She happened to see Wade on stage , practicing his speech . Kyla was watching Wade from the audience . Wade was a senior and was going to graduate this year .

Before Tilda became famous , Wade was the most brilliant student at Orica University . The school generously gave Wade a chance to give a speech . Of course , this was also to please Jenson Group . Wade's career plan was to get into a famous university abroad for further study . He had already passed the IELTS test and gotten an admission letter . When Tilda saw Wade on stage , she turned and left . Wade saw Tilda and instantly stopped his speech . After hesitating for a moment , he finally mustered the courage . " Kyla , you're here ... Isuddenly have to go out for a bit . " " What ?

Wade , we're still practicing = " Without another word , Wade jumped down from the stage and ran after Tilda's retreating figure . Kyla saw everything . Her nails dug into her palms as she clenched her fists - painful , but her heart hurt even more , Wade , why ? Tilda did so many cruel things to you . Why do you care about her even more ? Why are you even distancing yourself from me because of Tilda ? Did she put some kind of curse on you ?

Right ? The season had slowly shifted from autumn to winter .

Tilda slipped her hands into the pockets of her coat . She exhaled , a small puff of white mist forming in the cold air . The temperature had already dropped into the 50s . Slosa got as cold as 37 degrees at its coldest around midnight . She had lived for so long , but she had never seen it snow in Slosa . She heard some quick footsteps . Wade didn't call out Tilda's name . He just walked straight up to her . Tilda looked at Wade coldly and didn't say a word , like the cold in the air . It made your skin crawl . Made your heart feel cold . Wade took a deep breath , mustering his courage .

" Tilda , I've made up my mind ... I'm going abroad to study , to improve myself and achieve my dreams ! " Tilda was puzzled . So ... What does that have to do with me ? Had Wade lost his mind ? Didn't he know she'd already cut ties with the Jensons ? After everything that's happened , why did Wade have the nerve to come and talk to Tilda about this ? " Tilda , I admit I'm not as good as you , but ... I'll become better . " I stopped you just to say this . Sorry for bothering you . " After Wade said this , he left . He didn't stop Tilda again . Wade knew he had just acted like a madman .

He could tell from the way Tilda looked at him . She probably thought he was crazy . Didn't matter . He was already as bad as he could get in her eyes . He didn't care about one more bad impression . He just wanted Tilda to know what he felt . In the future , if anyone talked about Wade , they wouldn't mention Tilda's good - for - nothing brother ! Wade would give it his all to become a brother who wouldn't embarrass Tilda ! Even if it was already a thing of the past .

Right ? Tilda said nothing .

For once , she watched Wade's retreating figure a little longer . She thought to herself , Did my rebirth quietly change a lot of things ? For example , this arrogant Wade actually turned into a humble lunatic ? Had Tilda hit him so hard that he lost his mind ? But ... That wasn't Tilda's problem anymore . Meanwhile , Kyla was anxiously waiting in the auditorium . She wondered if she should go after Wade and see what he wanted to say to Tilda . Is it too late to go now ? I should have gone with him ! Just as Kyla was lost in her anxious thoughts , Wade came back . Kyla's face lit up .

" Wade , you're back already ? " You've only been gone like five minutes . Nothing happened , right ?

Chapter 259 All Eyes on Tilda " I just took care of something . Okay , let's continue with the rehearsal ." Wade forced a smile at Kyla . He even seemed a little distant - subtle , but noticeable . But Kyla was very good at noticing these things . She immediately saw that Wade was keeping his distance . Her smile froze instantly . Before , it was just a vague feeling , uncertain . But this time , Kyla was absolutely sure . Wade was starting to pull away from Kyla - because of Tilda ! Just like back when Tilda went back to the Jenson Villa , Wade humiliated and ignored Tilda for Kyla's sake !

Kyla's expression shifted in an instant . But she quickly got her emotions under control so Wade wouldn't notice . She was practically fuming inside . She wondered why the day of the international

competition wasn't here yet . If that day didn't come , her plan to make Tilda a global laughingstock couldn't be executed ! It was getting dark . The freshmen entered the auditorium one after another and found their seats . The leaders of Orica University were also there . The lights came on . All eyes were on stage . Tilda , as the representative , slowly walked onto the stage .

For this speech , she wore a red evening gown . She put on red lipstick , let her long hair fall on her shoulders , and tilted her head up slightly to show her graceful neck . Her bare face was flawless , smooth as porcelain , making people want to pinch it . Under her long eyelashes were a pair of deep , calm eyes , like still water . Even in such a nervous moment with everyone watching , she remained composed and unbothered . She walked gracefully in black heels . Her long , slender legs glowed under the auditorium lights . The crowd erupted into applause .

Tilda was , without a doubt , the hottest figure at Orica University . Opinions about her were mixed . Those who admired her truly idolized her . They saw her as a rare genius who had surpassed Wade , won a national championship , and even won a lawsuit against the

Jenson Group chairman . Those who disliked Tilda truly hated her . Finished They found her unapproachable , unfriendly , and a lone wolf who looked down on people just because she was talented . Tilda always did things her own way and never cared to explain herself to anyone .

It was all about one thing for her . "I love that you can't stand me , yet you can't do anything about it . " She began her speech . Her clear , fluent words flowed through the microphone , filling the entire auditorium . Her voice was cool and powerful , like a stream of light and water . Every word was like a drumbeat that echoed in everyone's heart . Tilda's voice had this weird , almost magical pull . Even people who didn't like her , who didn't want to actually pay attention to her speech ... Somehow , over time , they couldn't help but be drawn in by it . Gradually ...

They became lost in her words . They were unable to pull their attention away . It was only when Tilda finished her speech that they slowly came back to their senses . They could still remember everything she said . Even the university leaders in the front row were impressed . Tilda's speech was inspiring but not boring or dull . It was like a great story . They thought Tilda must have spent a long time writing the speech to do so well . But ... What they didn't know - only Una did - was that Tilda had only spent half an hour writing the speech . And that included all the revisions .

She simply left it there and never touched it again - it was done . It was the first time Una had ever seen a student representative speech that was so good , fresh , and not boring . Una's jaw nearly dropped .

She was so amazed at how Tilda's mind worked . How could she write such a great speech so easily ? Seriously ! Comparing yourself to others will only make you mad ! Tilda bowed and stepped down from the stage . The crowd was slow to react , but the applause was thunderous

Everyone began to whisper .

" Oh my gosh , Tilda's red gown is so stunning ! And her figure is killer ! I'm so jealous ! " Finished " I always thought she could be the department's most beautiful girl , but I didn't expect her to be so gorgeous when she dressed up ! " " Department ? Nope . Tilda could easily be the campus belle ! Her elegance ... is not something that other girls can compete with ! " " She is gorgeous and talented ... Ugh ! How unfair is that ? I hate it ! " " I want to confess my love to Senior Tilda - completely naked . Will you guys support me ? " , " Careful , you might get arrested ...

Besides , Tilda's gender isn't a big deal . Girls can be happy together , too ! " " And Tilda's voice is insanely good ! I was completely lost in it earlier . It took me a while to snap out of it ! "

Chapter 260 Jealousy " It seems the Jensions really made a big mistake this time . Losing such a brilliant heiress and sticking with that useless . adopted one . Tsk tsk tsk ... " As they talked , the topic naturally turned to Kyla . They started comparing Tilda and Kyla . After all , these two people ... One was the real heiress of the Jensions , gone for 19 years and cut off once she was found . A The other was the adopted daughter , raised for 18 years in luxury , enjoying the best education . She was living the life of luxury in someone else's place .

The scales totally tipped in Tilda's favor . See ? Bloodline still matters ! Even if Tilda was gone for so long and never had a great education like Kyla , she still used her inherited talent to crush . everyone . So what if Kyla wasn't related to the Jensions and lived a dream life ? She was still crushed by Tilda and couldn't compare to her at all ! Backstage . Kyla watched the live broadcast . She clenched her teeth in envy . She didn't even notice her teammate calling her . " Kyla , get ready . You've memorized your lines , right ? " " Shut up !

" In a fit of rage , Kyla forgot to pretend . Everyone in the backstage lounge stared at her , shocked . Including Wade . As the last student representative to speak after the school leaders , Wade had to wait backstage . He was wearing a custom black suit that made him look very impressive . Watching Tilda's live broadcast , Wade felt a deep surge of pride and emotion . This ... This is Tilda . His real sister . The Jensions ' real daughter . She truly lived up to the Jensions ' excellent bloodline . She had surpassed her parents and grandparents .

Facing so many eyes , she stood on the stage without fear .

The dazzling lights served as a backdrop for her , highlighting her red dress and stunning beauty . Still filled with pride for Tilda , Wade was startled by Kyla's sudden outburst " Shut up ! " He stared at Kyla in shock , unable to believe it . The two angry , mean words were said by Kyla , the sister Wade thought was so innocent and kind ! Kyla immediately regretted it . Dammit ! Because she was so jealous of Tilda , she forgot where she was ! Especially with Wade still there .

Feeling Wade's shocked gaze on her , Kyla's mind raced . She quickly said , " I'm sorry ... I was thinking about something else and misspoke . I'm really sorry ... Finished She apologized over and over . Her red eyes and teary look immediately sparked a desire in the men to protect her . Even the junior student who was mad at being yelled at for no reason was moved by Kyla's look and told her , " It's okay . " Kyla had good looks and a nice body . Her excellent acting skills , her ability to cry at will , and the influence of the Jenson family all worked in her favor .

She finally got the situation back under control . But ... This incident planted a seed of doubt in Wade's mind . He couldn't help but wonder ... Was Kyla just now being so nasty ... Could it be because she was jealous of Tilda's amazing speech ? No ... It can't be ... Kyla was the little sister Wade had grown up with . Even though he didn't know how to deal with her lately because of Tilda , there was no way she could turn into a mean , jealous woman . She is so innocent , simple , and kind ! Wade , you should know that ! Stop thinking about it ! But ...

Once the seed of doubt is planted , it can't be removed . It just waits for the day to grow . Thanks to her connection with Tilda , Una was able to sit in the back . The freshmen of Orica University were captivated by Tilda's beauty and intelligence , praising her nonstop . Una was practically bouncing with pride , standing tall with her nose in the air and hands on her hips . She was happier than if she had been the one praised . Haha , you silly freshmen , See ? My Tilda really is that amazing ! Getting to study at the same university as her is your honor .

You can brag about it later in life ! Next up were the freshmen performances .
