Chapter 57 I'm Not Suicidal Kyla realized she had " slipped up " and quickly lowered her head . Howard's angry eyes immediately turned to Tilda . " Tilda , what did you say to Kyla ?! " If you dare hurt her , I swear I'll tear you apart ! " " Haha ! " Tilda laughed , even clapping her hands . The smirk on her lips was sharp and mocking . 222 " What a show ! You guys are like a full - on acting family . It's seriously amazing . " Forget running a company - you should all just join the showbiz . Winning an Oscar would be way too easy for you .

You're all so deep in your roles , it's actually funny . " Why have I never noticed before that the Jensons have clown blood in them ? They should open their own theme park , starring themselves as the clowns . Guaranteed best - selling amusement park in the world . " Tilda ! Even now , you don't feel guilty ? Kyla got hurt because of you ! She even took that slap for you and still defended you ! Don't you feel anything in your heart ? " Why did I get cursed with such a terrible daughter ? " Russell's teeth clenched so hard that it looked like he wanted to strangle Tilda right then and there . I should have stuck to my decision long ago and never let Tilda be born ! If we didn't have seven sons and no daughters , we wouldn't have been so desperate for a girl . I'd been against Blair's late pregnancy from the start . If we wanted a daughter so badly , we should have just adopted . But she got pregnant anyway .

She risked her life giving birth to Tilda , nearly dying . And then , right after she was born , the baby was stolen . Disappeared . Blair sank into deep depression , almost ending her own life . It must be me . I must not have done enough for you . That's why you're angry . I'm so sorry ...

Kyla's eyes filled instantly , tears pouring down like a flood the moment Tilda snapped at her . " Tilda ! Apologize to Kyla right now ! " Seeing his beloved sister cry , Howard exploded . His roar was so loud and fierce that it could make anyone's heart tremble . Howard was huge - built like a WWE champion . His rough voice and explosive temper scared most girls into tears whenever he got mad . His rule had always been to never hit a woman . But this time , Tilda had crossed every line . His fists were itching . Why isn't Tilda a man ?

If she were , I would've beaten her into the ground already . " Before you all kill me off , I've got something to show you . " From the pocket of her coat , Tilda pulled out a phone . Not just any phone . She casually pressed a button . The conversation she'd just had with Kyla played out , word for word . Kyla's face went pale . " Tilda , what- " When dealing with trash like you , of course , I prepare . How could I not ? " It was too obvious - you suddenly wanting a private chat ? Of course , you had bad intentions . " And Russell , Howard - don't worry .

I haven't even played the best part yet . " When the recording reached the part where Tilda guessed that Kyla might have planned the whole trending scandal herself . Russell's face darkened . " Tilda , what do you mean by this ? Are you trying to slander Kyla ? " " Slander ? Me ? How would I dare ? Kyla is your precious gem , your little angel . I'm not suicidal . " I call it logical reasoning . Ob . and Russell , you said you'd find out who framed me and made me the target . So ? It's been days found the culprit yet At those words . Kyla's heart skipped a beat
