Chapter 68 She's Rebellious " Tilda , why did you run in to save them ? Do you realize how dangerous that was ? Finished " That car was leaking gas and about to blow up ! Why not let the professionals handle it ? What if something happened to you ? " Just thinking about it made Blair break into a cold sweat . Sure , Tilda and Andy got everyone out quickly , but what if it had gone wrong ? That would've been a disaster . " Whether I get hurt or not isn't your business . Stop acting high and mighty like a mother !

I've already cut ties with the Jensons . " Isn't that what you want if I die ? I'm just a problem for you . If I'm alive , I'm a threat . If I'm gone , you won't have to deal with lawsuits or worry about losing pride ! " Tilda couldn't figure Blair out . Why did Blair suddenly act concerned after all the times she had ignored her ? When Tilda needed her , Blair didn't even glance her way . She let Tilda get bullied , insulted , and pushed to the edge . " Tilda ! Do you have to talk to me like that ? Don't you realize how much it hurts ?

I'm just trying to care about you , and yet you keep pushing me away . " Why can't you be more like Kyla - gentle , kind , understanding ? If it were Kyla , she wouldn't make me this mad ! She wouldn't talk back or treat my concern like trash ! " If you're so quick to help strangers , why can't you show some patience to your family ? You just got back to the Jensons , and you're already trying to replace Kyla by taking all the attention and love ! Don't you see how selfish that is ? " Blair was trembling with anger , thinking Tilda was prickly as a porcupine . She was just trying to be nice .

She even panicked when the car blew up , scared Tilda might get hurt . And that was how Tilda repaid her concern ? Blair felt disappointed . How could the daughter she risked her life to give birth to turn out like that ? It had to be some cruel cosmic joke . If only Kyla had been the real Jenson daughter , life would've been perfect , and she would have no regrets . " Concern ? I don't need your fake , condescending concern Finished " Also , I'm not the Jenson heiress . None of this has anything to do with me .

Whether I'm patient or selfish , I'll do what I want . That's none of your business ! " In your eyes , Kyla is a million times better than me . I've already cut ties with you , so let her have the throne and treat her like your one and only daughter ! " Tilda didn't care about being the Jenson heiress . Honestly , that title didn't mean anything to her now . Every time she ran into that crazy family , it never ended well . But she wasn't someone to be messed with either . Tilda only spoke a few words , but Blair was left fuming , his face turning red . " Mrs.

Jenson , are you here to bother Tilda again ? " Andy had finished handling everything and came over . His green eyes were sharp and dangerous as they landed on Blair . Blair shrieked , " I wouldn't dare ! I'm not worthy ! I must have owed you a big time from a previous life ! " She clutched her chest furiously

and stormed off . She tried to care about Tilda's safety , but Tilda saw it as some condescending favor . Tilda risked her life for strangers , but she stood against her family . They were supposed to be family , but it felt like enemies .

All doubts Blair had about Tilda and about her way of handling things vanished completely . Tilda was just a rebellious brat . Blair thought she must've been blind back then , even thinking of bringing Tilda back to the Jensons . Everyone had persuaded and reminded her that she already had Kyla , her perfect little angel . There was no point regretting now . She'd better get home before Tilda drove her crazy . She also had to figure out how to fix this mess . " Andy , we were wrong earlier . Even a dog would risk everything for its owner . Some people aren't even as good as a dog !

" Tilda didn't bother whispering . She said it loud enough for Blair to hear . Blair was so furious that she nearly cracked her teeth . She jumped in her car , spun it around , and sped off . You pissed her off ."

She had it coming ! " Tilda didn't hide her contempt for Blair . Andy shrugged . " Honestly , I didn't expect you to help . " " Just think of it as a moment of kindness . " She looked at the father and daughter being loaded into the ambulance . Finished " The man drives for rideshare . He's alone at home .

His wife died young , and he has no one to care for his daughter . He had no choice but to keep her with him . "
