Chapter 69 They Can't Understand Her 37 % Finished Andy quickly caught on to what happened . " Good thing he had insurance . With a case this big , the payout should be decent . Both of them only got minor injuries - nothing serious . Their lives won't be ruined . " ... Let's go . " Tilda got into the car. She couldn't stop thinking about the father's and daughter's tears earlier . Her mind was a mess . Even at rock bottom , some people never gave up on their kids . They protected them with everything they had .

Even with all their wealth , some people could just sit back and watch their daughter - gone for 19 years - be hurt and overlooked by her family . Tilda would rather have been born into a normal family . Anything would be better than Jenson Villa - it was basically a hellhole . She left with Andy , unaware that someone had filmed her rescuing that father and daughter right before the car blew up . The video got posted on TikTok . It went viral immediately . Likes , comments , and shares shot through the roof . [Respect From Everyone ! The Most Beautiful Heroine !

] Wade dragged Clive to Nightingale Bar for a drink . Watching Wade drink like he was trying to kill himself , Clive finally snapped and grabbed the bottle . " Wade , stop ! If you keep this up , you'll ruin yourself . You're supposed to be on medical leave . What the hell are you doing ? " Wade just gave him a blank stare , finished his glass , and hit the call button . " Another bottle . " " Yes , sir- " " No ! Don't bring it ! " Clive slammed his hand on the table . The staff knew Clive and Wade were regulars , and Clive was the boss's brother , so they didn't argue and hung up .

Finished . " What's your problem , Clive ? I'm spending money at your bar , and you're stopping me ? Is that your idea of business ? " " If you weren't my friend , I wouldn't care if you drank yourself to death or got played , as long as the tab was paid , " Clive snapped . Still annoyed , he downed his drink . Wade stayed quiet . His handsome face was flushed from the alcohol , but his eyes burned with anger he couldn't hide . Clive rolled his eyes . " Want to pick a fight ? All the girls ran off today . You scared them away .

易 " You called me out to drink so you could vent , right ? Guess I'm unlucky to have had you as a friend since we were kids . Spill it - what happened ? " Wade slumped on the couch , rubbed his forehead , and finally said , " Tilda is planning to take my dad to court . " " Wait - what ?! " Clive thought he was dreaming . " You heard me . She even hired top lawyer Andy - the courtroom magician , the undefeated prodigy . " My parents are freaking out , running around all day because of this . My dad and Howard even went to Orica University to mess with Tilda . " And ...

they misunderstood her again . " My mom rushed to the airport to stop Andy , hoping for a miracle . I have no clue how that went . I tried to comfort Kyla . But honestly , I don't even know how to face her . I just dumped her on Howard and ran . " As Wade spoke , he wasn't even sure how he felt anymore .

Since Tilda got her DNA tested and returned to the Jensons , she'd been hit with cold shoulders , double standards , endless comparisons , and constant misunderstandings . It had become normal for her . Maybe no one else had experienced that .

Everyone else in Jenson Villa was happy , privileged , and respected . They never had to worry about meals or clothes , got top - notch schooling , mingled with the elite , and were always dressed to the nines . They experienced things ordinary people couldn't even imagine , living in luxury and honor . Their starting line was like the finish line for regular folks . But the Jensons weren't like other rich families . They didn't fight over money or shares , bribe , threaten , or turn on each other . They were close , sticking together against outsiders .

The brothers had wildly different personalities , and outsiders might call them weird . 37 % Finished Still , when it came to protecting and valuing their family , the Jensons were probably the most devoted among all the great families . Thanks to their family environment and their upbringing , Russell and Blair set a strong example . So , they couldn't understand what Tilda was going through . If only they could see things from her point of view .

After being missing for all those years , she finally thought her lonely , tough life was over . She longed for a warm , loving family like everyone else had . But after she returned to Jenson Villa , they crushed her hopes again and again , until there was nothing left .
