Chapter 92 Rose Kyla still wanted to say something . " Go on , Kyla . No matter what happens , you'll always be a member of our family - my daughter . Finished " In this world , no such thing as sacrificing a daughter for peace . At least not in our family . Absolutely not ! " When Wade heard Blair's words , his lips twitched . Tilda humiliated him so badly half a month ago , and he came home furious , ready to hit someone just to vent . But since then , he'd kept quiet . He hadn't told his family about what happened , and he hadn't gotten involved in the lawsuit .

It wasn't just that Wade couldn't deal with it - even Russell and Blair struggled with this . Deep down , he still felt guilty toward Tilda , even though she had humiliated and furiously retaliated against her so - called brother . Now , hearing Blair's words , Wade felt even more silent . No such thing as sacrificing a daughter for peace ... So what exactly is Tilda to the Jensons ? Kyla looked at the silent Wade and couldn't help but roll her eyes . Over the past two weeks , Wade had become increasingly withdrawn and quiet .

Even though he still smiled at Kyla , doted on her , and ruffled her head like he always had , Kyla could feel that Wade had changed . He was starting to become distant from her ! Just as Kyla was about to speak , a surprised voice called out , " Mr. Jenson , Mrs. Jenson , Mr. Dominic has returned ! " Russell and the others were stunned . They looked toward the sound of footsteps . At six - foot - two , he carried himself with an effortless air of prestige . Even though he looked tired from traveling , his handsome face , sharp eyebrows , and dark , deep eyes still stood out .

On his wrist was a sleek black Hublot worth millions - simple , no diamonds , every detail flawless , just like how meticulous he was .. Dominic's expression was indifferent . His features were sharply defined , and the slight lift of his chin gave away a quiet , unshakable sense of nobility . Like a firefly in the dark , he drew attention . Once you spotted him , you couldn't look away ; your gaze was instinctively drawn to him . " Dominic ! " The Jensons ' faces lit up with joy the instant they saw him . Finished Russell hurried forward .

" Why did you come back so suddenly ? Did the negotiations in Lucien go well ? " " It's all taken care of . I left the follow - up work with the company manager there . " I've already heard about the lawsuit with Tilda . I've got a very capable lawyer friend in Lucien . When she learned about the situation , she agreed to take the case . I brought her with me . " Rose . " " Okay . " A mixed - heritage woman with blue eyes and dark hair walked in , dressed in a suit . Calm and confident , she introduced herself with ease .

She switched easily between languages , speaking with flawless fluency . Russell's face lit up . " Rose Romano ! I know you ! You're a famous lawyer in Yvoria ! With you on our side , I'm completely confident . " She was so famous that even Russell , all the way in Cetherland , had heard of her that said

everything about her skill . " You're too kind , Mr. Jenson . But I am confident about this case . Dominic has already briefed me on the situation , and as long as the other side doesn't have solid evidence , I'm sure we can win , even if the opponent is Andy . " Rose was full of confidence .

As a fellow top - tier lawyer , she had faced off against Andy several times . She'd been impressed by him , who was as refined and charming as a vampire . But , she had never won . She felt humiliated , but her interest in Andy only grew stronger . When Dominic asked Rose to help with the lawsuit against Andy , Rose accepted without hesitation after ' hearing the details . It was because of her friendship with Dominic , and because she was determined to get back at Andy for her past humiliation ! This time , she was confident . " That's for sure .

We deleted the original videos , so the other side won't have any evidence . " Hearing you say that , Ms. Romano , we can feel at ease now . Russell never expected things to turn out like this ! It was the last day , and they still hadn't found the right lawyer . They'd been completely stuck ! Who would've thought Dominic had learned about it ahead of time , and even brought back a lawyer who could go against Andy ? Russell and Blair didn't have time to properly catch up with Dominic .

The trial was the next day , so they needed to fill Rose in right away and go over every detail .
