Chapter 93 Jealousy They needed Rose to prepare the materials for the trial the next day . Finished Dominic only knew the general idea of the situation , Russell and the others were the ones with the details , so they took Rose to the study on the second floor . " Dominic ! You're finally back ... Kyla's eyes were brimming with tears as she walked up to him . Dominic , usually cold and unreadable , actually softened when he saw his favorite , spoiled sister . He gently wiped her tears . " If I hadn't come back , who would have wiped your tears away when you were crying like this ?

" His voice was deep and incredibly gentle . " Dominic ... 8 S \* Kyla broke down instantly after hearing what Dominic said . She sniffled hard and started to cry again . She threw herself into his arms , her body shook as she cried . " Dominic , it's so good that you're back . Boohoo ... We didn't know what to do ‡ — " Tilda hates me , she even wants to sue Dad . The mood at home has been so tense . I couldn't help , and it's all because of me because of me ... ... Dominic held Kyla and gently patted her back . He spoke in a firm voice . " Don't worry , Kyla , I'm back .

" I'll protect this family . I'll protect Dad , Mom , and everyone . I won't let Tilda hurt any of you . " " Mhm ! " SA Kyla's hot tears soaked into Dominic's shirt as she nodded hard . " Dominic . " Howard and Wade were staring at him with open admiration . Now that Dominic was back , they finally had someone to rely on . Not only that , but he had solved their most urgent problem by bringing back a lawyer from abroad who could go up against Andy ! " Now is not the time to relax . The trial is tomorrow . " Tilda .... At the mention of that name , Dominic's eyes darkened .

The disgrace of the family . She has Jenson blood in her , yet she dares to betray us ! Unforgivable ! That night . Andy gave Tilda a call . " Tilda , I heard Dominic is back , and he brought someone with him . A lawyer named Rose . " Andy had his own network of informants , of course . As a lawyer , he had to know all of his opponent's moves , especially when defending his client . Even in a case that he was certain to win . " Dominic ... " Tilda narrowed her eyes .

1 The name was a haunting nightmare from her previous life because Dominic was unlike her other brothers . As the eldest of seven , Dominic's cold , ruthless nature was something none of his brothers could match . In her past life , the first time Dominic and Tilda met , he left a " deep impression on her . She still remembered the words he said that day . Those words haunted her ever since - she'd feared him back then . But ... In this life , the tables had turned . " Just giving you a heads - up .

Sure , Dominic and Rose aren't easy to deal with , but they're destined to walk away disappointed . " They'd never imagine ... you've got enough evidence in your hands to completely destroy them ! " And about tomorrow's trial , do you want me to get the reporters and media ready ? " " No need . Once the trial starts , people will publicize it for us . " " Okay . " After her call with Andy , she was glad she didn't

have classes the next day . No one would've guessed she'd actually take the Jensions to court . Soon , the news would spread like wildfire .

What would Russell's face look like then ? The Jenson family's reputation would be in ruins , and their stock would tank . All Tilda had to do was sit back and enjoy the show . Just then , her phone buzzed . It was a message from Jude " Do you need me to send you food tonight ? " Tilda replied . " No thanks , I already ate out with Andy " Jude replied with a smiley emoticon , " Oh . Tilda's nose twitched . Something ... felt off . Almost like he was jealous . Where was that jealousy coming from ? The feeling was so strong she read the message again .

Nope . Everything looked perfectly normal . Meanwhile , Jude was starting to regret why he ever agreed to let Andy and Tilda get so close . Even though they were just friends , Jude felt like he had a powerful rival . That jealousy had nowhere to go . Tilda and Andy had been spending a lot of time together lately , and Jude was about to go crazy . He wanted to hit somebody . Good thing Alfie and Maurice weren't around . Otherwise , seeing Jude's cold , bitter , and murderous expression , they would have certainly been the first to get beaten up . Poor guys .

Jude sent a message , " The trial with the Jensions starts tomorrow . If you need anything , just say the word . " Tilda wasn't surprised he'd say that . The case wasn't public yet , but Dominic already knew . With Jude's resources , it would've been weird if he didn't . Tilda replied , " I'm 100 % ready . Don't ask me why I'm doing this , that's the biggest help you can give ."
