Chapter 94 Indifference Said , " I'll support whatever decision you make , Tilda . Whatever you decide , I know you have your reason and I won't interfere . " Then he added , " May the glory and courage of victory be given to you . " A small smile appeared on Tilda's face . Of course ! " The next day . The first trial was scheduled to begin at ten in the morning . It was a small case - just a typical dispute . But because of the people involved , it became a big deal . And Tilda's side had made it clear that there would be no private settlement .

judge in Slosa had never been this careful before . On one side was Russell , the head of the Jensons , On the other side was the Jensons ' long - lost real daughter , Tilda , who'd made headlines after being missing for 19 years . And this long - lost heiress was actually filing a lawsuit against Russell . She wanted him to issue a public apology to her and Una in the media . It sounded almost unbelievable . Even the slightest leak would set off a media storm . And if that wasn't enough . 200 Tilda's lawyer was Andy , Cetherland's top attorney .

The Jensons were represented by Rose , a popular lawyer from Yvoria . Afraid of making headlines , they planned to handle this case quietly . Even if they didn't , the Jensons would have asked for it . They were pleased to learn that the court had the same idea . Tilda's side , meanwhile , stated that they supported all the court's decisions . And so , Tilda and Andy walked up the courthouse steps . It was 9 a.m. , an hour before the trial . Perfect timing . Tilda and Andy ran into Russell , Dominic , and Rose right at the courthouse entrance .

The Jensons didn't bring the whole family , they kept it low - key with just the main people . The moment Russell laid eyes on Tilda , his gaze practically shot flames . He looked as if he wanted to get rid of her as soon as possible . Andy and Rose just gave each other a nod . Finished Rose was wearing a bright suit . The sun was scorching , and she adjusted her tie with a hint of provocation and said , " Andy , it's been a while . " " It has been , Rose . I didn't expect the Jensons to bring you in " I guess this case is going to be a little more interesting now.

Andy's smile didn't reach his eyes . His voice was low , calm , and casual . His green eyes didn't show any emotion , as if he had everything under control . I'll make this case interesting , even if it's a minor matter . Since you're my opponent , I'll give it 120 % - attitude and skill . " Rose wanted to beat Andy so badly . Even if it was just once . 4 She had stayed up all night to organize all the materials . The lawsuit was simple , so one day was enough time for Rose to prepare . Rose was here to wipe away her shame .

Normally , she would have complained about Tilda being so dramatic and taking such a small matter to court . Isn't this a waste of everyone's time ? She must be insane . But because Tilda had brought Andy to fight this evenly matched case , Rose was actually grateful to her . Facing Rose's fiery gaze , Andy

shrugged . " I'll be waiting ." Clearly , he wasn't letting her provocation get to him . Rose huffed coldly and strode into the courthouse first . Dominic , on the other hand , was indifferent .

He didn't even glance at Tilda , just like in her past life . The cold way he looked at her made Tilda feel pushed aside . Finished Even as Tilda tried cautiously , humbly , to approach him - the backbone of the Jensions , the eldest brother all the others looked up to , the one Russell and Blair trusted deeply - he still wouldn't look at her . But ... This was Dominic's first time seeing Tilda . Unlike Wade's more obvious coldness and cruel insults , Dominic's method was simply to ignore her . He would simply cast Tilda aside . In his eyes , only Kyla existed .

Whenever Tilda and Kyla were together , Dominic would only look at Kyla . He would walk over to her , being incredibly doting , gentle , and concerned . He treated Tilda like she wasn't even there . Even when Kyla wasn't around , and Tilda worked up the courage to greet him ... Dominic would ignore her , turn around , and leave . He treated Tilda like a virus he needed to avoid , like touching her would make his whole body rot . That's when Tilda realized - there was something crueler than cold violence , anger , insults , or misunderstanding . And ... Dominic's words .
