Chapter 97 Severe Mysophobia Her face remained the same . But her actions and demeanor were completely different . To defeat an enemy , you have to know everything about them . 36 % Finished Tilda's computer skills and her close relationship with Andy were things that Dominic had never known about . He had to find out what other tricks this " enemy " was hiding . Only then could he truly destroy Tilda and ensure she would never return . Tilda caught on to Dominic's probing . Her eyes held nothing but contempt . In her last life , Dominic never managed to uncover who Tilda really was .

Back then , Tilda was just a lap dog for the Jensons , with her emotions tied to their every mood . If Dominic had just tried to understand her a little , Tilda would have foolishly told him everything . But this time was different . To Dominic , it was their first meeting . To Tilda , she had already figured out exactly what kind of man he was . 3 2 9.5 He wasn't worthy of knowing her secrets , and he wasn't capable of figuring them out ! " Dominic , you'll die too . But someone like you only belongs in hell . " Don't you dare say those words to me when you've never truly died once !

" Dominic's eyebrows furrowed . Why ... He felt Tilda's words had a deeper meaning . As if ... She really had died once . It was like she'd already lived through a despair worse than hell - that's what gave birth to the Tilda standing before him now . And that's why she was ruthless and unyielding . Before Dominic could think about it more , Tilda suddenly screamed at the top of her lungs , " Help ! " There's a pervert peeking into the women's restroom ! Help me !

" Even Dominic hadn't expected her to pull something like that after saying such harsh words . For a moment , he just froze . Her shout instantly drew a crowd . " Where's the pervert ? " " How dare he peek into the women's restroom ? This is a courthouse ! " " He's got some guts ! " In no time , a group of people had blocked off the restroom . When they saw Dominic , they were taken aback .. 436 % Finished Some of them didn't recognize him , didn't know this striking man was the CEO of the Jenson Group , the heir of one of the most powerful families around .

But just from his face and the aura he gave off ... He didn't look like the kind of guy who'd peek into women's restroom . You can't judge a book by its cover ! " Tilda - you ?! " Dominic's face darkened as he glared at her . " You have no shame , but I do ! " For Dominic , a stain like this was absolutely unacceptable . He had a severe mysophobia ; no one outside his family was allowed to touch his things , and that included his honor , dignity , and reputation ! This damned Tilda had the audacity to lie so brazenly ! Daphne was right . Blair should never have brought Tilda back .

A girl who'd been missing for 19 years and lived a hard life was already tainted to the core . It was impossible to change her . She was a liar ! Trash from the streets with no real upbringing . Tilda was yelling that Dominic was peeking into the women's restroom . This would not only bring shame to him

but also to her ! Didn't she have any shame ? Help ! He's a pervert ! " Dominic panicked - really panicked .

Tilda covered her face and ran out of the women's restroom , leaving Dominic trapped by the crowd with an ashen face . The moment she was out of the women's restroom , Tilda's expression changed . Humming a little tune , she strolled toward the waiting room . Tilda knew a man like Dominic - who appeared so noble , low - key , and untouchable - had a major weakness . His severe mysophobia meant he couldn't tolerate any kind of stain on his reputation ! Something like this Even if Dominic could easily resolve it , it would still feel like swallowing a cockroach . " Tilda !

" Andy walked over to her . " What took you so long in the restroom ? I was worried about you . " Tilda winked at Andy . " Don't worry . Something fun happened . " " Oh ? Spill it ... ' 17 Seeing Tilda so happy , it was clear that one of her enemies had just been played . How could he miss out on the good gossip ? When it was time for the trial , Tilda and Russell took their places at the plaintiff's and defendant's stands . The lawyers , Andy , and Rose were already in position . This case was being handled quietly , with no jury . The only audience was Dominic . And that only audience ...

Showed up late . Rose and Russell both frowned slightly . The trial was about to begin , and they had no idea where Dominic had gone . When they called him , Dominic said he had something to take care of but would be there on time . Since he'd said that , they couldn't push him further . But he was still nowhere to be found . Dominic was never late ; something must have happened !
