Chapter 98 Solid Evidence Just as Russell was about to speak , Dominic walked into the courtroom . " Sorry I'm late . " He looked indifferent , like nothing had happened . Just as you'd expect from Dominic . Finished Just minutes ago , he'd been stuck and humiliated outside the women's restroom , losing his temper at Tilda . And yet , here in the courtroom , he stayed composed and dignified . He didn't even glance at Tilda . Tilda smiled coldly . She had expected this . But , Dominic , will you stay so calm for what's next ? She couldn't wait to see his reaction .

Andy couldn't hold back a chuckle . " What are you laughing at ? " Rose noticed and asked in a cold voice . Her gut told her Dominic being late this time had something to do with Andy and Tilda . Andy shrugged and said nothing . He then thought of something funny again and laughed . Rose didn't say anything . But her anger flared up . She clenched her fists tightly . Andy ! How dare he look down on me ? This time , I'm going to make him pay ! The trial officially began . The judge announced the plaintiff's case . The defendant was to speak first . Rose immediately went on the offensive .

She laid out a stack of theories , data , and evidence to prove Russell's innocence . She also fired off a few sharp , critical questions at Tilda , hoping to make her slip up and find a key to turn the case around . But Tilda remained calm . Her answers were flawless . She didn't act like a 19 - year - old girl at all . She was more like a queen hardened by countless battles . So calm it was frightening . Rose's carefully prepared questions had no effect on Tilda .

Even Russell and Dominic couldn't help but look at Tilda more closely . They had stayed up all night preparing these sharpest questions . They never expected Tilda to handle them so well . Her reaction far exceeded their expectations . Even though Andy had prepared Tilda for all the possible questions Rose might ask , her confident , unshakable demeanor was a lot like that of a Jenson . But ! Their hatred for her would not change ! 1 Because this time , Tilda had turned against her own family - the Jensons ! What was there to admire about a betrayer ?

The Jensons just wished they could remove her from the family tree ! Rose didn't get what she wanted from Tilda . A flash of frustration crossed her eyes . She ended her questioning . Meanwhile , Andy hadn't said a single word . He even lazily yawned . He couldn't care less about the Jensons or Rose . This extreme contempt made Rose grind her teeth in anger . She glared at Andy , her voice filled with fury as she forced the words through her clenched jaw : " It's your turn , Mr. Saville ! " The lawsuit itself was nothing big .

Without solid evidence , Andy had no chance of winning against Rose . The Jensons had already prepared for every possible question that Andy might ask Russell . If Tilda could handle Rose's questions flawlessly , Russell could definitely do the same . Still ... Even as Rose fumed , she felt nervous . In every

past case , Andy always acted confident , like winning was already guaranteed ... No matter how bad the odds , he somehow always managed to turn things around . But in these few lawsuits , Rose had never felt such contempt from him .

Even in the smallest lawsuit , Andy would never be this relaxed when facing Rose . Unless ... Andy had already found the winning move . What could it be ? Finished Before Rose could think more , Andy was already speaking to the judge . " Your Honor , before I officially speak for my client , I'd like to show a few videos to everyone . " Videos ? The judge naturally allowed Andy's request . As the video played on the screen , Russell suddenly jumped to his feet . His face was full of disbelief .

The video was obviously the cafeteria's surveillance footage , along with videos recorded on students ' phones . " No way ! This is clearly- " Russell was so worked up that he almost blurted something out . " Mr. Jenson ! " Rose immediately shouted , stopping Russell from making a huge mistake . All court proceedings are recorded . Every word could jeopardize Russell's case . Russell immediately shut his mouth . His face turned ashen , lips twitching . The video clearly showed Russell's ugly face as he cursed at Tilda and Una .

It also showed the food scattered all over the floor , along with the conversation they were having at the time .
