Chapter 1151: Who is Going to Win This Time Around

'When Jin Feng woke up, the injuries on his body had already been treated.

However, the pain was not lessened.

Just as he was about to get up, he saw a man smiling in front of him. He did not recognize this man. The man looked to be in his forties. He was tall and had a well-proportioned body.

However, the smile on the man's face was somewhat evil.

"Who are you?" Jin Feng asked as he sized up the man in front of him. For some reason, the man's smile sent chills down his back.

"My surname is Mu and from today onwards, I will be your boss," the man said. He did not ask about Jin Feng's wishes. Instead, he just announced it.

"What do you mean by boss? Do you not know who I am? Don't just say you're my boss."

In his entire life, Jin Feng never worked a proper job before,

"Oh really?" the man asked with a wicked smile on his face. He hooked his finger and several dark-skinned men roughly one meter and ninety centimeters in height surrounded Jin Feng.

Suddenly, Jin Feng felt a lot of pressure.

Although Jin Feng was a gangster, he would only pick weaklings to have fights with. When he saw people like this, he instantly became terrified.

"Mr. Mu... Let's just... Talk about this."

"Jin Feng, from today onwards, you will monitor the two people living in your sister's house."

“And do you know what to say if you get caught?”

“Yep, I will just say I want money from my sister,” Jin Feng replied. He knew that this man did not want his plans to be discovered.

“Then go do your job.” and

“Yes yes,” Jin Feng said as he stumbled out of the room with the money in his hands.

After Jin Feng left, the middle-aged man in the room smiled evilly.

Jian Yiling, let’s see who is going to win this time around.

Chapter 1152 I Wanted to Do This Ages Ago

The new few days, Zhai Yunsheng and Jian Yiling became even busier.

Whilst Zhai Yunsheng was learning martial arts from Grandpa Sun, Jian Yiling focused on treating Zhai Yunsheng’s heart condition.

Over the last two weeks, Zhai Yunsheng’s mental outlook and physical condition had changed drastically from when he first met Jian Yiling. Not only was he stronger, but he looked much better as his muscles were

slowly coming back and he began to look forward towards life again.

Even though he had to get up at 6 o’clock in the morning to practice martial arts and had to sit through Jian Yiling and Jian Yunmo’s research during the evening, he wasn’t tired at all.

At night when Jian Yiling put her head on her pillow, she would fall asleep almost immediately. On the other hand, Zhai Yunsheng would still have a lot of energy remaining.

As he got more energy back, he began to become cheekier.

Whilst Jian Yiling laid beside him, he would sometimes stroke her face and other times stroke her hand.

In addition, he insisted on having his arms wrapped around Jian Yiling as he slept.

However, in the past, he would keep some distance from Jian Yiling.

Even two years ago, he wouldn't get this close to her.

As Jian Yiling was quite sleepy, she muttered through her sleepiness: "You didn't use to be like this."

Upon hearing this, Zhai Yunsheng smiled and whispered next to her ear: "I wanted to do this ages ago."

The biggest difference between now and before was that his heart condition could get better.

This meant that his previous concerns no longer existed.

"No more noise. Sleep. Am tired," Jian Yiling said with her eyes closed. She was already half asleep.

Only when she was around Zhai Yunsheng would she lower her defenses like this.

"Alright, rest well," Zhai Yunsheng softly said as he planted a kiss on her forehead. "When I get better, you won't be sleeping this much."

However, Jian Yiling did not hear these words.

Then, Zhai Yunsheng wrapped his hands around Jian Yiling and fell asleep as well.

HHH

After waiting half a month, the Jian family could no longer sit still.

Initially, the Jian family wanted to see Jian Yiling immediately.

However, Master Zhai and the Second Master of the Zhai family stopped them.

Naturally, this wasn't because Master Zhai and the Second Master of the Zhai family didn't want to see Jian Yiling.

Instead, they wanted to give some time to let Zhai Yunsheng and Jian Yiling get along.

If all of them flocked over there, the two of them would spend most of their time catching up with everyone else. They wouldn't have much time to spend in each other's presence.

The most important thing was to let them get along and repair the trauma and heartbreak caused in these two years.

However, news came back from Jinshui Village, and apparently, Zhai Yunsheng's body had recovered a lot. In addition, his heart problem was potentially going to be cured.

Furthermore, Jian Yiling's injuries had basically recovered entirely.

The two of them were also getting along fine.

Upon hearing this, the Zhai family and the Jian family could no longer sit still in Beijing.

"Auntie! | want to see Auntie!"

Recently, Jian Dan heard about his beautiful auntie from everyone around him. And thus, he wanted to see his auntie immediately.

Similar to her son, Luo Xiuen was also impatient: "Ahh, this can't do. I need to head to Jinshui Village to see my darling!"

Thanks to Jian Yumin's efforts, she managed to sit still for half a month.

If Jian Yumin hadn't persuaded her, no one would have been able to stop her from going to see Jian Yiling.

As she said this, Luo Xiuen picked up her son and headed for the door.

This time around, Jian Yumin didn't stop her. Instead, he followed his wife.

Grandma Jian also slapped her thigh and said: "Let's go together!"

Upon hearing this, Grandpa Jian let out a helpless sigh: "What are you guys doing? Aren't we meant to wait for Yiling and Ah Sheng to come back to Beijing? Why don't you just wait for them here?"

Chapter 1153 Ordinary Old Man

"No," Grandma Jian replied almost immediately. It was as though she didn't even consider Grandpa Jian's words.

Grandpa Jian replied sternly: "I get the younger ones heading over to see Yiling but you're not in good health. Traveling over there will be very energy-consuming."

"Old man, what do you mean by that?! My darling is back and you don't want me to see her?! If I don't see her, I can't eat well or rest well. Naturally, my health wouldn't get better," Grandma Jian replied with an upset expression on her face.

She hadn't seen her darling girl for two entire years.

This was her precious granddaughter that went missing for two entire years! Did she grow taller? Was she skinner? Initially, she didn't want to disturb them from getting better.

However, now that they were better, why wasn't she allowed to go there!

When Grandpa Jian heard these words, a bitter feeling appeared in his heart as well.

And thus, he let out a long sigh and said: "Okay, okay. Let's all go on Saturday. Go and book a plane for this."

"Okay!" Grandma Jian agreed immediately. "Old man, we agreed on this. You're not allowed to go back on your words!"

Grandpa Jian: "Don't worry about that. I won't go back on my words. Let Yuncheng and the others take care of their work in advance to make some time on the weekends."

Grandma Jian happily lifted up her great-grandson and said: "Little Dandan, we're going to see your auntie soon!"

"Auntie! Pretty! Want!" the little boy cried out as he waved his little fists.

"Yes, yes, your auntie is pretty," Grandma Jian said in amusement.

Whilst Grandma Jian was playing around with her great-grandson, Grandpa Jian was a little worried. He called Jian Yuncheng into his study room.

“Yuncheng, did you find any information on Mr. Mu?”

Two years ago, when Jian Yiling suddenly disappeared, the Jian family and the Zhai family focused all of their attention on this matter. And thus, they did not deal with Mr. Mu’s case. On the other hand, Mr. Mu hired an incredible lawyer to defend him. In addition, he found a scapegoat to take all of the blame, and eventually, he was acquitted in court as there was insufficient information.

Grandpa Jian was worried about Mr. Mu taking revenge on Jian Yiling.

This was another reason why the Zhai family and the Jian family didn’t head off to see Jian Yiling immediately. They didn’t want Mr. Mu to learn about Jian Yiling’s whereabouts.

“Not for now,” Jian Yuncheng replied. Recently, he put a lot of manpower into searching for Mr. Mu’s whereabouts.

However, there was an incredible amount of power behind this man.

“Ahhh, Mu Ruohai is crazy! He will definitely do something insane!” Grandpa Jian cursed.

Upon hearing this, the look in Jian Yuncheng’s eyes darkened with worry.

###

As requested, Jin Feng reported Zhai Yunsheng and Jian Yiling’s actions to Mu Ruohai every day.

Apart from interacting with Grandpa Sun quite often, Jin Feng didn’t manage to get any other information.

“Who is that old man?” Mu Ruohai asked Jin

Feng.

“He’s just an old man who lives in the mountains,” Jin Feng said with disdain.

In Jin Feng’s recollection, there was nothing special about Grandpa Sun other than he was incredibly ill-tempered. “Is that it?”

“Yep, I grew up in Jinshui Village. I’m very confident that he’s just an old man with a stinky temper.” “Ah alright.” If he was just an ordinary old man, Mu Ruohai didn’t have to be concerned about him.

Chapter 1154: Can’t be Compared to You

Mu Ruohai continued to ask Jin Feng: “Is there anything else?”

“No... Nothing...”

Jin Feng wanted to get more information if he could. However, the two of them just stayed in Jin Jin’s house all day long. Occasionally, they would go into the garden and take a walk next to the caravans.

An evil smile appeared on Mu Ruohai's face as he said: "That little girl played with me two years ago. Let's see if she has any other tricks up her sleeves."

Even if Jin Feng was stupid, he could see that the middle-aged man in front of him disliked the disfigured girl who lived in his sister's house.

"Boss, should I continue to keep an eye on them then?"

"No need, I will go and meet up with them tonight."

"What do you think, A Yong?" Mu Ruohai asked as he looked at a silent young man behind him.

Compared to his dark-skinned bodyguards that were incredibly buff, this silent man wasn't exactly as buff as them. However, there was a distinct scar that ran from above his left eye to the bottom right corner of his mouth. This scar ruined his otherwise handsome face.

The man wore black clothes and there were white bandages wrapped around his hand. One would wonder if there were sears underneath those bandages.

"I don't think you need me to deal with a person who has been bed stricken for two entire years," the man called A Yong replied with an expressionless face.

"Well, before he fell ill, he was quite strong. Naturally, I know you're still much better than him."

A Yong grew up in a special environment.

He was an expert at martial arts and was much stronger than ordinary bodyguards.

Even Mu Ruohai had no way to estimate how strong he was.

Against someone like Zhai Yunsheng, A Yong only needed one hand to fight him.

"Well, if Mr. Mu wants me to fight him, I will go and fight him," A Yong replied expressionlessly. He would obey Mr.

Mu's instructions,

As Jin Feng watched from the side, he was a little scared yet excited at the same time.

Even though he didn't know Mr. Mu's identity, he knew he was incredibly powerful. If he could give him money and help him get his revenge, what was there to not be happy about?

In Jin Jin's backyard, Yu Xi got a group of people to pitch up a tent. A dining table was set up inside the tent and everyone sat around the table for dinner.

Yu Xi's mouth was watering as he looked at the dishes in front of Zhai Yunsheng.

Jian Yiling had prepared all these dishes for Zhai Yunsheng.

There was XO sauce with fried frogs, deep-fried citron rolls, sauteed beef filet with bell peppers, lobster, and tofu with lotus seed heads.

Every dish was full of flavor and color.

“God Ling, can Master Sheng finish all of these dishes?” Yu Xi asked as he looked on.

“A Sheng burns up a lot of energy every day,” Jian Yiling explained.

Then, Yu Xi looked at Zhai Yunsheng. Zhai Yunsheng was smiling and he seemed to look incredibly pleased.

When Yu Xi saw this, he began to feel depressed.

When the two of them were sick, he ran around as their maid.

However, now that they became better, they didn’t even thank him! Instead, they would display affection in front of him and make him feel incredibly lonely! What did he do to deserve this?!

“Yu Xi, don’t even think about eating the food my wife made for me. If you have the time to think about it, go and find your own wife.”

Upon hearing this, Yu Xi felt the malice in Master Sheng’s words.

Tch, he didn’t care about these foods!

Miss Jin’s dishes were nice as well!

People would get sick of eating delicious foods every single day! Sometimes, ordinary home-cooked meals were much better!

And thus, Yu Xi lowered his head and began to stab at his rice..

Chapter 1155 Gamble Your Life (1)

As they were eating happily, several unwanted guests appeared at the entrance of Jin Jin’s house.

Jian Yiling raised her head and saw the man she utterly hated.

Mu Ruohai! The person who killed A Sheng’s father!

He was suited and dressed like a successful businessman and was appearing in front of them in a rather grand manner. Jian Yiling put down her chopsticks and her hands began to clench into fists.

Mu Ruohai... Why wasn’t he locked up?

Hadn’t he gotten arrested by Superintendent Ruan?

If he was still out here, this meant that he was cleared from his charges and not sentenced to prison.

Jian Yiling did not know what had happened over here during the two years she disappeared.

As she was rather worried, she looked up at Zhai Yunsheng who was seated beside her.

“A Sheng, long time no see. Did you miss me? Uncle Mu misses you a lot,” Mu Ruohai said as he approached Zhai Yunsheng. “How dare you appear here?” Yu Xi asked as he stood up immediately. A murderer! How dare he appear in front of Master Sheng!

Jian Yunmo got up and walked beside Jian Yiling. It was as though he sensed that this man might hurt Jian Yiling at any moment.

Two years ago, before Jian Yiling's disappearance, she almost sent this man to prison.

Mu Ruohai continued to smile as he looked at Zhai Yunsheng: "A Sheng, your complexion seems good. You ended up finding your fiancée. Honestly, if I were to make a comment, your hopeless infatuation makes you quite similar to your father."

Not only did Mu Ruohai appear in front of Zhai Yunsheng, but he also deliberately mentioned Zhai Bochen.

Mu Ruohai continued to look at Zhai Yunsheng and Jian Yiling with that smile.

However, his smile made everyone else feel very uncomfortable.

Zhai Yunsheng snorted before he replied: "Why do you need to come here when we're eating? Don't you know people will feel sick if they see cockroaches whilst eating?"

"A Sheng, don't say such a thing. I will feel sad. After all, you used to call me Uncle Mu." "Is that so? I must have been blind in the past," Zhai Yunsheng replied.

Zhai Yunsheng supported his head with one arm and smiled at this man who murdered his father.

"Ahh, it seems as though you're calmer than the average person," Mu Ruohai praised. "Well, I came today to gamble with you."

"Gamble?" Zhai Yunsheng asked as he raised his eyebrows.

"Yeah, you will bet all your assets and..." Mu Ruohai said as he turned his gaze towards Jian Yiling: "The Goodman family compass that currently belongs to your fiancée." Even though two years had passed, Mu Ruohai's desire for the Goodman family compass had not lessened the slightest.

The compass meant status, power, and wealth. Mu Ruohai wanted all of these things.

He did not know where Jian Yiling hid the compass. During her disappearance, Mu Ruohai could not find a single clue on the compass.

"And what if you lose?"

"If I lose, I will tell you the entire truth about your father's death. In addition, I will turn myself into the police. As you know, your fiancée managed to find clues to other cases. However, she didn't find a single clue about your father's case. Even if I get caught one day, the truth about your father's death won't be revealed to the world. In fact, in this world, I'm the only one who knows the truth."

Zhai Bochen died when Zhai Yunsheng was still young. As a result, his memory of that terrible day was not complete. He only remembered being held in the arms of his father as people around him kept arguing.

After that, his father died. Zhai Yunsheng spent a long time in that room with his father's corpse.

Chapter 1156 Gamble Your Life (2)

Mu Ruohai knew that Zhai Bochen's death was a hurdle that Zhai Yunsheng could not get past.

“Then what are we gambling on?” Zhai Yunsheng asked as he narrowed his eyes. “Well, why don’t we go by the rules of the Loyalty Alliance? What are your thoughts on that?” Mu Ruohai asked with a smile on his face.

Mu Ruohai learned about the Loyalty Alliance back when he was friends with Zhai Yunsheng’s parents.

Regardless of what you were gambling, whether it was money or power, would be determined through fights.

After all, legitimacy belonged to the victors.

And everything was determined through a single match.

Upon hearing this, Yu Xi tried to convince Zhai Yunsheng out of this: “Master Sheng, don’t do this. This person is very cunning. If he wants to determine this through a fight, he definitely came in prepared.”

Mu Ruohai would definitely not make a bet unprepared.

He definitely had something up his sleeves.

A slither of worry also appeared on Jian Yunmo’s handsome face.

He was worried that Zhai Yunsheng would willingly accept this challenge despite knowing that it was a trap.

On the other hand, Liu Ting did not really know what was happening. Therefore, he remained silent.

There was a big smile on Mu Ruohai’s face. He knew how much Zhai Yunsheng wanted to know the truth regarding his father’s death.

He knew very well that even though Zhai Yunsheng tried to act indifferent, he definitely wanted to get his revenge on his father’s murderer.

“Okay,” Zhai Yunsheng replied.

“Master Sheng?” Yu Xi asked worriedly.

Why did Master Sheng say okay!

This guy was definitely up to no good!

Upon hearing Zhai Yunsheng’s reply, a satisfied smile appeared on Mu Ruohai’s face.

He was right. Zhai Yunsheng was indeed interested in the answer.

Underneath the table, Jian Yiling took hold of Zhai Yunsheng’s hand.

Jian Yiling did not try to dissuade him. If she was in the same situation, she would also want to know the answer.

After a pause, Jian Yiling raised her head to look at Mu Ruohai: “I will invite the elders of the Goodman family and the core members of the Loyalty Alliance to be witnesses.”

Mu Ruohai looked at Jian Yiling with great interest as he asked: “Are you afraid I won’t keep my word?”

“Well, do you think you’re trustworthy?” Zhai Yunsheng retorted.

“Heh, up to you guys. Go ahead and invite them. I won’t be able to invite them in the first place. If you want to invite them, I will just wait,” Mu Ruohai replied. “To be honest, I was also worried about you not keeping your word A Sheng.”

“You can leave now. I will go and inform you once everyone arrives,” Jian Yiling said. There was obvious hostility on her small face.

“Alright,” Mu Ruohai said as he made a hand gesture. Then, he and his subordinates left the garden.

He achieved what he wanted.

The way Mu Ruohai walked out of Jin Jin’s garden was very infuriating to see.

“Master Sheng, did you really say yes to that bastard? He’s definitely up to no good!” Yu Xi cried out anxiously.

There was a dark look in Zhai Yunsheng’s eyes.

Jian Yiling held onto Zhai Yunsheng’s hand as she said: “It’s alright. Even if you lose, it doesn’t matter.”

Jian Yunmo was equally as worried. He softly said: “I will go and inform Yiheng to come over and help.”

“What is happening? Why do you guys all look so damn upset? Did your parents die or something?”

Grandpa Sun just arrived at Jin Jin’s place. As soon as he arrived, he noticed the serious expression on everyone’s faces.

Yu Xi hurriedly said to Grandpa Sun: “Grandpa Sun, the murderer of Master Sheng’s father came over just now! They’re going to gamble their lives!”

“Gamble their lives? I haven’t encountered this in ages. I didn’t think there were people these days with such bloodlust,” Grandpa Sun commented cheerfully.

‘Grandpa Sun, this is not a laughing matter. That guy is definitely up to no good!’ Yu Xi cried out in anxiety.

Chapter 1157 Who Exactly Are You?

“What are you gambling on?” Grandpa Sun asked.

“A match of martial arts.”

“Martial arts?” Grandpa Sun said in amusement. “Then what are you worried about? You have the same amount of courage as a sunflower seed!”

“Grandpa Sun, I know you’re great but Master Sheng has been ill for a long time. Furthermore, his heart hasn’t fully recovered

yet...”

Yu Xi’s concerns were well-founded.

“Well, you know how great I am right? And you know I’ve been teaching Master Sheng martial arts right?” “Yeah.”

“Then why are you worried? Are you doubting my teaching abilities or are you doubting his learning abilities? Or perhaps, are you doubting both of us?”

“Huh?” Yu Xi exclaimed in confusion.

His words made a bit of sense...

He didn’t need to doubt Grandpa Sun’s abilities. Even if Jian Yiheng was here, he wouldn’t necessarily be a match for this old man. Similarly, he didn’t need to doubt Master Sheng’s ability to learn. If it wasn’t for his poor health, Master Sheng could definitely have achieved much more in his life.

“Then... Maybe we have a chance to win?” Yu Xi asked quietly.

“Well, if we lose, I will change my surname to yours!” Grandpa Sun exclaimed. “At most, the person you’re gambling against is going to ask someone from the reclusive families to fight against you. I’ve never been afraid of those guys!”

“How do you know about those families?” Zhai Yunsheng asked as he looked at Grandpa Sun with curiosity.

If this old man was really just an ordinary villager, how would he know about the reclusive families?

“What’s wrong about that? I’ve lived for so long. In fact, I’ve probably eaten more salt than you’ve eaten rice. What’s wrong with knowing more than you?” Grandpa Sun grunted impatiently.

“Then you should eat less salt,” Liu Ting commented quietly. Jian Yiling froze for a moment when she heard this.

In the past two years when she returned to the other world, she found the original novel to finish the second half of the story.

In the second half of the story, she and Zhai Yunsheng were dead. The story focused on Qin Chuan’s growth.

After Zhai Yunsheng died, Qin Chuan’s biggest competitor became the Second Master of the Zhai family.

The Tianxing Group that supported the Second Master of the Zhai family got a large amount of their power from these reclusive families.

In the original story, these reclusive families were a mysterious force that existed in modern society.

Unlike the Zhai family and the Qin family which were known by most, these reclusive families mostly remained hidden.

Most of them had special skills, a major responsibility of some sort or incredible wealth.

As these families did not interact with others much, not many people knew of their existence.

Somehow the Second Master of the Zhai family managed to get close with a few of these families.

As the Second Master of the Zhai family did a good job maintaining secrecy, everyone else did not know about his interaction with the reclusive families.

As a result, the first time Qin Chuan met blow to blow with the Second Master of the Zhai family, he suffered a lot of losses. He could only watch from the sidelines as the Second Master of the Zhai family snatched away a major project from him.

However, later on, Qin Chuan also gained support from another reclusive family. From there onwards, he had the power and ability to fight back. With the support of Mo Shiyun, in the end, he successfully managed to win against the Second Master of the Zhai family.

However, this was the first time Jian Yiling heard someone mention this. Even two years ago, she never heard such families get mentioned.

“Grandpa Sun, who exactly are you?” Zhai Yunsheng asked again as he sized up the old man in front of him.

He already knew that this old man was not an ordinary person.

However, it was now more shocking as he mentioned those reclusive families in a somewhat disdainful tone.

Chapter 1158 Please Teach My Sister (1)

“Brat, why are you asking so many questions? It’s none of your business,” Grandpa Sun retorted.

Even though this was his ‘student’ that he taught for many days, Grandpa Sun was still harsh with his words.

Out of everyone here, Grandpa Sun only treated Jian Yiling with a slightly better temper.

This was not only because Jian Yiling knew a lot about medicinal herbs, but she also had a lot of knowledge about things he was interested in.

Even though Grandpa Sun did not admit it to anyone, he liked to have someone to talk to.

It was quite lonely living by the waterfall by himself. Sometimes, he would not say a single word for the entire day. Occasionally, he would talk to the villagers.

However, Grandpa Sun disliked talking to those villagers. They did not know much and could not keep up with his thoughts.

It had been ages since he met someone who could keep up with his thoughts.

This was one of the main reasons why he was happy to continue to teach Zhai Yunsheng.

He quite liked this group of kids.

They made his days way less boring.

“Don’t be mean to A Sheng,” Jian Yiling said in a muffled voice as she glared at Grandpa Sun.

Even though her voice was soft, she used a serious tone.

“Ayo, you’re not married yet but you’re already so protective of him! Be careful, you might get eaten alive!”

“I’m not scared of that,” Jian Yiling replied with certainty.

“It’s probably too late once you’re scared!” Grandpa Sun had no malicious intent. He just liked to argue with people.

Previously, he didn’t even get to talk to people much.

Jian Yunmo wanted to ask Grandpa Sun something: “Sir, I have something I want to ask you. Could we take a step out to talk about this?”

Grandpa Sun looked up and nodded. Then, he followed Jian Yunmo into a corner of Jin Jin’s garden.

“Sir, would you be able to teach my sister some martial arts for self-defense?” Jian Yunmo asked.

His sister was great at everything. She was just physically weak and did not have the skills to defend herself. As a result, Jian Yunmo was worried about her if she encountered any trouble.

Naturally, Jian Yunmo and Feng Wei made a lot of self-defense equipment for Jian Yunmo. However, he still felt as though it wasn’t enough. It was best for her to learn some martial arts as self-defense.

He appreciated Grandpa Sun’s martial art abilities. If he was willing to teach his sister, perhaps it would help her sometime in her life.

“Don’t think about it. Your sister’s brain is amazing. However, her bones are not suited for learning martial arts. If we’re talking about talent and potential, her fiance would be 100 percent whilst she would be 3 percent.”

“Is it... That bad?” Jian Yunmo asked. “Where would a normal person be on that scale?”

“Yeah, it’s that bad. A normal person would be around 10 percent,” Grandpa Sun answered. Jian Yiling was indeed weak. However, Zhai Yunsheng was overly strong. Then, Grandpa Sun winked at Jian Yunmo and commented: “I wonder what their life after marriage will be like hehehe...”

Once upon a time, Grandpa Sun was also young. He knew the things that happened between men and women.

Upon hearing these words, Jian Yunmo’s face instantly darkened: “Sir, please do not stray from the topic of conversation.”

“Tch, don’t you already approve of their relationship? Why am I not allowed to talk about this then? Furthermore, they already sleep on the same bed. Maybe something has already happened.”

“Don’t talk about it anymore!” Jian Yunmo exclaimed angrily.

Chapter 1159 Please Teach My Sister (2)

Grandpa Sun laughed before he said: “Okay okay, don’t feel too bad about it. It will happen sooner or later. Maybe you’ll become an uncle soon!”

Even though Grandpa Sun appeared to be comforting Jian Yunmo, he was continuing to anger him.

“Thank you, sir, I will go back to work,” Jian Yunmo replied as he began to turn around. “Hey, wait a moment,” Grandpa Sun called out. “Even though your sister’s bones are weak, I can still teach her. She’s quite smart and I enjoy speaking to her. However, I’m not too sure how much she will learn from my teachings. That will be entirely up to her.”

“Really?”

“Of course! Why would I joke around with this?!”

“Thank you so much!” Jian Yunmo said as happiness filled his face.

“Young man, you’re way too worried about your sister. Even though she looks cute and soft, she has a very strong will. She’s a good kid.”

Jian Yunmo shook his head and replied with a somewhat bitter expression on his face: “She doesn’t have to be strong. If someone’s life is carefree, why do they need to learn to be strong?”

During the time Grandpa Sun spent with Jian Yiling, he began to understand Jian Yiling’s personality and character.

In Jian Yunmo’s eyes, his sister was meant to be carefree, lively, and cheerful.

In the past, she didn’t need to be strong. She could cry whenever she wanted.

Only those who had no choice had to become strong

Furthermore, tears were reserved for those who cared and cherished you. If there was no one who cared or cherished you, you would eventually stop crying.

Grandpa Sun looked at Jian Yunmo and smiled: “Hey kid, not bad. You know how to care about someone. Your sister is quite lucky.”

Jian Yunmo smiled bitterly and said: “But I didn’t end up protecting her.”

His expression was bitter and remorseful.

Even though some things had passed, Jian Yunmo always regretted them. He regretted not being by her side when she was in the most pain.

After Grandpa Sun finished his conversation with Jian Yunmo, both of them returned to Jian Yiling.

“Hey little girl, you’re learning martial arts with me,” Grandpa Sun said to Jian Yiling straight up.

He didn’t even ask if she wanted to learn martial arts or not. Even if she didn’t want to learn martial arts, she had to.

“What are you doing?” Zhai Yunsheng asked Grandpa Sun with narrowed eyes. “What can I do? I’m just worried that you’ll bully your fiancée later on in life. If I teach her a few moves, if you do something wrong in the future, she will force you to kneel on keyboards or durians.”

“Grandpa Sun... You know about kneeling on keyboards and durians?!” Yu Xi slapped his thighs and laughed. Grandpa Sun rolled his eyes at Yu Xi and said: “Why wouldn’t I know? Do you think I’m a

caveman living in the mountains or something? When I was young and suave, you were probably wetting your bed!”

All of a sudden, Yu Xi could not laugh anymore.

“Hey, you two, follow me,” Grandpa Sun ordered Zhai Yunsheng and Jian Yiling. The three of them entered Jin Jin’s garden.

There were numerous plants and crops here.

The corn stalks were so tall that they blocked people’s field of view.

If someone didn’t walk close, they would have no idea what these three people were doing in the cornfield.

The people sent by Mu Ruohai to spy on Zhai Yunsheng and the others had no idea that Grandpa Sun was teaching them top-level martial arts in this cornfield.

Grandpa Sun: “Little girl, it’s not easy to learn martial arts. You will get very tired and your entire body with ache.”

“Mhmm!” Jian Yiling nodded as she prepared herself mentally.

Chapter 1160 Certain of Victory (1)

Mu Ruohai lived inside a villa in a nearby town.

As he knew that the elders of the Goodman family were going to come over, Mu Ruohai arranged someone to go and meet them.

The first person to arrive was Anna.

Her blonde hair, blue eyes, and beautiful face attracted a lot of attention wherever she went.

Inside the villa, Mu Ruohai sat in front of a stone table as he sipped away at a cup of Longjing tea.

“Uncle, what tricks are you up to this time?” Anna asked in a not so polite tone. She asked for Mu Ruohai’s purpose straight away.

Anna did not have a good impression of Mu Ruohai. This man had too much ambition and he was always up to no good. In fact, Anna even suspected that her aunt’s death had something to do with this man. However, she could not find any evidence to prove this.

“I helped the Goodman family locate Jian Yiling. Shouldn’t you be happy?” Mu Ruohai asked Anna. He did not answer Anna’s question.

Jian Yiling went missing for two entire years. During this time, in addition to the Zhai family and the Jian family searching for her, the Goodman family also looked for her. This was because Jian Yiling disappeared with the Goodman family compass.

“Uncle, you’re still suspected of murder. Furthermore, there’s bad blood between you and her. Why would you so kind to look for her?”

“Well, you guys only care about the compass in Jian Yiling’s hands. Rules shouldn’t be set in stone. People should be flexible. If we get the compass, we can find the legendary treasure.”

“Tch, stop thinking about it,” Anna snickered. “You can do whatever you want. However, if you do something out of line, I will use our family rules to punish you. Even though my aunt is dead, you were still married into our family. Therefore, you’re forever subject to the rules of the Goodman family.”

“You’re as arrogant as ever.” “Oh? What’s the problem with that? Does the truth hurt?” Anna taunted Mu Ruohai. “The person you really liked was never my aunt. Instead, you liked a woman named Bai Xun. However, you lost to Zhai Bochen. Other than graduating from the same university and other from your studies being as good as his, you were in no shape or form a match against Zhai Bochen. However, you were not willing to accept fate. And thus, you used pretty language and cheesy words to trick my aunt. That’s how you married into the Goodman family. That’s how you got the power to plan Zhai Bochen’s death.”

Mu Ruohai came from a rather ordinary family. Even though his family conditions weren’t bad, when compared to the Zhai family, it was akin to comparing the clouds to mud.

When he was in university, he always envied Zhai Bochen. Zhai Bochen had nothing he had to worry about in life.

What made his jealousy reach its heights was when Zhai Bochen and Bai Xun got married.

He went crazy when he saw the woman he liked marry someone else.

However, he couldn’t change anything. He was powerless.

And thus, he made up a plan for revenge. The Gods gave him the opportunity to meet someone from the Goodman family. And that person was Anna’s aunt. Even though the Goodman family was against Anna’s aunt marrying Mu Ruohai, Anna’s aunt insisted. After becoming a member of the Goodman family, Mu Ruohai mustered enough power to plan Zhai Bochen’s death.

A crack appeared in Mu Ruohai’s smile.

However, Anna’s smile remained as bright as ever: “Uncle, please don’t worry. After all, these are just my guesses. I have no evidence. If I did have evidence, even if you don’t end up in jail, I will make sure you’re booted out of the Goodman family.”

Mu Ruohai sneered before he replied: “Your imagination is quite rich. If you don’t end up becoming the heir of the Goodman family, you should considering writing novels.”
