Chapter 1331: Are You Shameless?

??

The Internet would remember this. There was definitely someone out there who would have taken a screenshot of her post.

If they forced her to delete her post, other people would assume Jian Yiling had a weak conscience. They'd assume she was trying to suppress public opinion with the power and influence she had.

If she was going to suffer, she would drag Jian Yiling into the murky waters as well.

And if she committed suicide, she would definitely cause everyone to criticize Jian Yiling.

No one would doubt the words of a dead person.

Jian Yiling would be forced to carry the accusations that she destroyed someone's relationship and made them commit suicide.

She would suffer a lifetime of moral condemnation.

As Mo Shiyun thought about this, the door of the ward opened.

Qin Yufan appeared inside Mo Shiyun's ward room.

Qin Yufan was wearing smart business attire.

...

As no one came in to help her get up, Mo Shiyun was still on the ground.

When Mo Shiyun saw Qin Yufan's mocking gaze, she asked: "Did Qin Chuan allow you to leave the Qin Residence? Did he finally give back your freedom?"

"It's not your turn to lecture me," Qin Yufan replied. She felt disgusted even talking to Mo Shiyun.

"Then why did you come to see me?"

"I want you to explain everything. I want you to apologize to Jian Yiling. And I want you to let everyone know that you slandered Jian Yiling."

Sure enough, Qin Yufan came to help Jian Yiling.

She knew that the best way to quell public opinion was to let the initiator come out and explain things clearly.

"Have I slandered Jian Yiling's name though?" Mo Shiyun asked rhetorically. "Isn't it true that your brother likes Jian Yiling? And isn't it true that Jian Yiling ruined my relationship with your brother?"

"Mo Shiyun, how are you so shameless? Qin Chuan liking Yiling is not her problem. It's your fault that you weren't capable of making Qin Chuan fall in love with you. Why are you blaming Yiling for this?"

"If Jian Yiling didn't always appear in front of Qin Chuan, Qin Chuan wouldn't be like this." Mo Shiyun replied. She firmly believed that it was Jian Yiling's fault that led her and Qin Chuan to this point.

"When did she keep appearing in front of him?" Qin Yufan replied in an exasperated voice.

Qin Yufan knew that Jian Yiling was incredibly busy every day. So how would she get the opportunity to appear in front of Qin Chuan? Was Mo Shiyun crazy?

"Don't you know what happened to Qin Chuan's company? She invested in Qin Chuan's company and attended the conference meeting to kick Qin Chuan out."

"Mo Shiyun, as long as you have a brain, you should know that Yiling is helping Zhai Yunsheng to get revenge on Qin Chuan! How is that intentionally appearing in front of him?"

Qin Yufan felt like she was playing music to a cow.

"But she made Qin Chuan think of her!"

"That's because of your own inability to make Qin Chuan think about you!"

If it wasn't for her good upbringing, Qin Yufan would have slapped Mo Shiyun in the face already.

"Whatever you say," Mo Shiyun replied. She didn't want to continue arguing with Qin Yufan.

After all, she wasn't going to clarify anything.

"You are shameless!" Qin Yufan growled out. She really wanted to tear Mo Shiyun's face off. Was there even blood and flesh below her facade?

"So what are you going to do? Are you going to force me to clarify the post? If so, I believe everyone would be very interested in hearing about your actions."

Mo Shiyun was not afraid of Qin Yufan. After all, whatever Qin Yufan did to her would not help Jian Yiling. Instead, it would make public opinion side with her.

Everyone would be interested in hearing more drama.

Qin Yufan took a deep breath. Why was she being angry? There was no point in being angry with this hateful woman

"Fine! I hope you rot here!" Qin Yufan exclaimed as she left. She didn't want to stay here for one more moment.

Chapter 1332: Zhai Yunsheng Handles the Situation

Mo Shiyun got up with difficulty and rang a bell for help.

After a while, the door of her ward opened. However, the person who walked in was not a nurse.

Instead, it was Zhai Yunsheng.

Zhai Yunsheng was wearing a black shirt and he had his hands in his trouser pockets. There was a sarcastic and amused smile that danced on his lips.

When Mo Shiyun saw Zhai Yunsheng, she froze for a moment. Then, she asked: "Are you here to ask me to delete my Weibo post?"

After all, what else would Zhai Yunsheng be here for?

He was definitely here because of Jian Yiling.

Jian Yiling was incredibly lucky. She had two excellent men to protect her like this.

"No," Zhai Yunsheng denied.

He continued to look at Mo Shiyun. It was as though he was admiring her wretched appearance.

"Then what do you want?" Mo Shiyun asked fearlessly.

...

After all, a dead pig would not be afraid of boiling water. What could she possibly lose now?

There was no need to be afraid of Zhai Yunsheng.

"I believe you're unwell," Zhai Yunsheng replied with a smile on his lips.

Unwell?

What did he mean by that?

As Mo Shiyun looked at Zhai Yunsheng, the hair on the back of her neck began to stand up.

This guy was a madman. He could do anything when he was crazy.

At this moment, a doctor and two nurses entered the ward.

They were not doctors and nurses of this hospital.

Upon seeing their appearance, Mo Shiyun backed up alertly.

"Hello Miss Mo, I'm Doctor Liu from the Department of Psychiatry. Please don't feel nervous. We're just here to do a few simple tests," the male doctor introduced himself to Mo Shiyun.

When she heard the words "psychiatry," Mo Shiyun desperately shook her head and replied: "Go away! I'm not sick! I don't need you!"

However, the doctor and nurses from the psychiatric department did not listen to Mo Shiyun.

Instead, they walked up and gave Mo Shiyun their so-called simple tests.

When they approached her, Mo Shiyun threw her hands out and hissed: "No! Get away from me! Don't touch me!"

Her fierce resistance did not stop the doctor and nurses.

The nurse asked, "Should we sedate the patient?"

After a pause, the doctor replied, "No, let's observe."

Then, the doctor asked Mo Shiyun: "Miss Mo, I will ask you some questions. Please answer these questions seriously."

"I refuse to answer your questions! I'm not sick! I want to see my doctor! I don't want you guys here!" Mo Shiyun shouted in panic.

The doctor and nurses from the psychiatric department reacted quite calmly to this. It was as if they were used to seeing such scenes.

The two nurses calmly held Mo Shiyun down and put on clothing that was used to restrict the movement of psychiatric patients.

After this, Mo Shiyun could not move at all.

Mo Shiyun desperately attempted to explain: "I'm not unwell! He's setting me up!"

As she said this, Mo Shiyun glared fiercely at Zhai Yunsheng who was watching from the doorway.

However, the doctor and nurses did not listen to Mo Shiyun's explanation.

As she didn't receive a response from them, Mo Shiyun threatened: "What kind of doctor are you? I want to call the police! I want to report you!"

"Miss Mo, please calm down. We're just going to perform a few simple tests. If you're not unwell, we will let you out of the hospital," the doctor explained to Mo Shiyun.

"No! You wouldn't do that! You were sent here by Zhai Yunsheng to hurt me!" Mo Shiyun concluded. She firmly believed that the doctor and nurses were bribed by Zhai Yunsheng.

In reality, Zhai Yunsheng did not bribe them. Instead, he merely asked them to come over.

And the person who signed the hospital documentation was Mo Shiyun's father, He Jianjun.

Mo Shiyun's words made the doctor frown. Her reaction was too intense. It was not quite normal.

And the way she thought about the problems vaguely revealed that she had a tendency to be delusional.

Chapter 1333: Mo Shiyun is Delusional

Zhai Yunsheng leaned against the door and smiled as he watched Mo Shiyun get taken away by the doctor.

When he turned his head, he saw Qin Chuan.

After leaving Mo Shiyun's ward, Qin Chuan went downstairs.

However, he did not leave immediately. Instead, he got into his car and lit a cigarette.

In the past, he never smoked. He didn't have the habit of smoking.

It was something that he began to do recently.

When his mind was tormented by the two kinds of memories which clashed with one another, he couldn't help but light up a cigarette.

However, when he saw Zhai Yunsheng appear, he decided to get out of the car.

As a result, he watched Mo Shiyun being taken away by the psychiatric doctor and nurses.

As Mo Shiyun was being taken away, she also saw Qin Chuan. Mo Shiyun desperately asked Qin Chuan for help: "Qin Chuan, save me! Zhai Yunsheng wants to kill me! He wants to kill me!"

Qin Chuan took a step forward before he stopped himself.

...

After hesitating for a moment, he stood in place.

When Mo Shiyun realized Qin Chuan wasn't going to help her, despair began to fill her eyes.

No! This couldn't be happening! He couldn't do this to her!

He was her hope! He was all she had!

Why wasn't he saving?

This couldn't be happening!

And thus, Qin Chuan watched as the despair flooded into Mo Shiyun's face as she was taken away.

After Mo Shiyun disappeared, Zhai Yunsheng turned around to speak to Qin Chuan: "Aren't you planning to help your girlfriend? She might be sent to a mental hospital. If you're so cruel to your girlfriend, no wonder you didn't show mercy to us."

Despite seeing the mocking smile on Zhai Yunsheng's face, Qin Chuan remained silent. He did not attempt to argue back or defend himself.

Instead, he slowly turned around.

Zhai Yunsheng was not wrong.

He was a merciless person.

He kept hurting the people around him.

But who could help him differentiate his memories? Who could help him wake up from this nightmare? Why was everything flipped around? Why did he no longer love Mo Shiyun? Why did he no longer hate Jian Yiling?

How was he meant to distinguish between real and fake?

After Qin Chuan walked away, the mocking smile on Zhai Yunsheng's face also disappeared.

Instead, a serious look appeared on his face.

###

Mo Shiyun was diagnosed with a delusional disorder.

This diagnosis came from a well-respected doctor. On top of this, many reputable journalists reported on this news.

Following this, Zhai Yunsheng showed off a wave of affection on his Weibo.

He posted a photo of himself hugging Jian Yiling.

As Zhai Yunsheng and Jian Yiling rarely showed off public displays of affection, it was evident that they were trying to use facts to dispel baseless rumors.

After netizens saw this, people began to think Jian Yiling was slandered.

After all, a man like Zhai Yunsheng was unlikely to stand being cheated on.

Later on, Qin Chuan also came out and publicly stated that his girlfriend was unwell. He also clarified that he did not have a romantic relationship with Jian Yiling.

As everyone knew that Qin Chuan and Zhai Yunsheng had a hostile relationship, if there was actually something going on between Jian Yiling and Qin Chuan, the two of them would not tacitly agree to clarify things at the same time.

And thus, everyone concluded that there was nothing happening between Qin Chuan and Jian Yiling.

[Wasn't this obvious from the start? If Jian Yiling was interested in Qin Chuan, why would she kick him out of his own company? She was evidently trying to get revenge for her husband!]

[Exactly! God Ling isn't blind! God Z is so handsome already. Why would she cheat on him?]

Chapter 1334: Qin Chuan's Rank in Xunyu

[Even without the support of anyone else, God Ling is incredible. Why should anyone listen to a bottom-tier actress? She's just trying to gain attention and coverage by slandering God Ling.]

[Ahh! I've waited so long for this. God Ling and God Z finally decided to show off affection publicly!]

[They're so good-looking as well! I'm so jealous!!!]

Jian Yiling was currently staying at the Zhai Residence. She was watching the news and saw a clip of Qin Chuan being interviewed.

In that clip, Qin Chuan took the initiative to clarify the relationship he had with Jian Yiling.

Jian Yunnao was also seated beside Jian Yiling. He was peeling grapes for his sister.

After he peeled a grape, he would place it in a bowl for Jian Yiling to eat.

When he saw the clip, Jian Yunnao frowned and said: "What's the point of clarifying everything right now? What was he doing earlier?"

Jian Yunnao was disgusted by Qin Chuan.

Then, Jian Yunnao turned and said to Jian Yiling: "Yiling, we should ignore him. Regardless of whether he apologizes or not, he's a man with bad inventions. Even though he has a human face, he has the heart of a beast."

"That's right," Jian Yichen echoed. He was seated on the other side of Jian Yiling. Currently, he was attempting to make fruit yoghurt for her.

...

He was cutting various fruits into small pieces and placing them into the yoghurt.

Jian Yunnao and Jian Yichen essentially acted like full-time nannies. As they did not need to go out to work, they spent all their time at the Zhai Residence. They were happy to chat with Jian Yiling to help her relieve her boredom.

Qin Yufan came to see Jian Yiling. As soon as she entered the living room, she saw the scene in front of her.

Jian Yichen's attentive and gentle gaze made her stare at him.

Although he always acted playful and carefree, he would be serious and attentive when it came to important things.

"Yufan."

When Qin Yufan heard Jian Yiling call out her name, she realized she had been staring at Jian Yichen. She quickly collected her thoughts and asked: "How are you doing? Is there a little baby stuffed inside your stomach?"

After hearing the news of Jian Yiling's pregnancy, Qin Yufan took time out of her schedule to come and meet Jian Yiling.

"Mhmm."

"How wonderful." Qin Yufan exclaimed enviously.

Even though she was a bit older than Jian Yiling, she was still single.

And the person she liked...

As she thought about this, Qin Yufan's gaze once again fell on Jian Yichen.

Not to anyone's surprise, Jian Yichen's attention was on the fruit yoghurt he was preparing for Jian Yiling. And thus, he didn't even bother to look at Qin Yufan.

She knew his attitude towards her. But despite knowing this, she refused to give up.

"I'm here to bring you some news," Qin Yufan said. She did not forget the main reason why she came here.

"What's the matter? Is that bastard half-brother of yours planning to do something to hurt Yiling again?" Jian Yunnao hurriedly asked.

"I'm not sure whether he's planning to hurt Yiling. However, I happened to hear that he was contacting individuals from the Xunyu Natural Science Research Association. It feels like he's planning something. You guys should be more careful."

“Got it,” Jian Yiling replied indifferently. She did not appear to be concerned at all.

Upon hearing this response, Qin Yufan said to Jian Yiling: “Yiling, even though Xunyu is only a research association by name, in reality, it’s much more than just that. When you disappeared for two years, Qin Chuan managed to become an A-rank member of Xunyu. Hence, he can use Xunyu to do a lot of things. Please don’t underestimate that association.”

Qin Yufan was not overthinking the situation.

The Xunyu Natural Science Research Association did hold a lot of power and influence.

“I know. I will be careful,” Jian Yiling replied.

Despite saying this, Jian Yiling’s expression did not change.

Sigh...

Qin Yufan was almost getting used to Jian Yiling’s unresponsive reaction.

“Either way, you must be careful of Xunyu,” Qin Yufan repeated again.

Chapter 1335: Notice from Xunyu

Not long after Qin Yufan left, Jian Yiling and Zhai Yunsheng received a notice from the Xunyu Natural Science Research Association.

Even though they hadn’t been in contact with Xunyu for two entire years, their membership status was still retained.

Xunyu asked them to come to a meeting location in Beijing.

It seemed like what Qin Yufan was worried about had happened. Qin Chuan actually decided to contact them through the Xunyu Natural Science Research Association.

“Sister, this is definitely a trap. Please don’t go.

After relating this to Qin Yufan’s words, Jian Yunnao firmly believed that Jian Yiling and Zhai Yunsheng should decline the invitation.

“I think Yunnao has a point,” Jian Yichen agreed with Jian Yunnao. He had an uneasy feeling.

As Jian Yichen occasionally involved himself with such things, he knew about the Xunyu Natural Science Research Association.

Even though they were known to be a research association, Xunyu had a lot of power behind their association. They also had cutting-edge technology, money, and widespread influence across every country and industry.

To be an ordinary member of this organization only required a person to have knowledge and talent.

However, such a person at most could only be a B- rank member.

...

If someone was an A-rank member, his abilities and power were recognized by Xunyu. By achieving this rank, that person could do a lot of terrifying things with Xunyu's influence.

Jian Yunnao and Jian Yichen desperately attempted to convince Jian Yiling not to go.

"If a member refuses the notice issued by Xunyu without any reason, they will be punished," Jian Yiling explained.

After all, nothing could be accomplished without rules and standards. Even though the Xunyu Natural Science Research Association typically did not have requirements for its members, if someone senior gave an order, the members had to comply. If not, the consequences were very serious.

"What? Why can't you say no?" Jian Yichen said anxiously. "Clearly, Qin Chuan is behind this matter. If you guys do end up going, he's definitely going to bully you two! Are you planning to jump into this trap?"

Jian Yunnao nodded his head in agreement: "Yiling, we will help you think of another way. You shouldn't go. It's too dangerous!"

"It's okay. A Sheng and I can manage this," Jian Yiling said calmly. There was a determined look in her eyes.

Even though in their eyes, she was their adorable and fragile sister, she also had many powerful identities. Those identities could help her during times of need.

###

In Qin Chuan's study, Qin Chuan was seated in front of a desk that had a thick pile of documents. Sheng Yingying and Qu Zhen stood in front of him.

Ever since Zhai Yunsheng's comeback, the two of them felt incredibly restless.

"Mr. Qin, both Zhai Yunsheng and Jian Yiling are aware of your relationship with Xunyu. Are they going to take the bait?" Sheng Yingying asked. She was quite worried about this.

If she could think of this, so could Zhai Yunsheng and Jian Yiling.

"Well, even if they don't take the bait, we have nothing to lose," Qu Zhen commented.

Qu Zhen and Sheng Yingying wanted to use Qin Chuan's relationship with the Xunyu Natural Science Research Association to get rid of Jian Yiling and Zhai Yunsheng.

Qin Chuan's face was expressionless as he listened to Sheng Yingying and Qu Zhen.

At this moment, his housekeeper walked in to tell Qin Chuan that the guests from Xunyu had arrived.

Not long after, a few dignified and solemn-looking people walked into Qin Chuan's study.

These guests from the Xunyu Natural Science Research Association previously appeared at the birthday party Qin Chuan threw for Mo Shiyun.

The one in the lead was the middle-aged man from last time.

“Mr. Qin,” the middle-aged man greeted as he bowed deeply to Qin Chuan with respect and courtesy.

“Will there be any problems with tomorrow’s matter?” Qin Chuan asked.

Chapter 1336: Who is the One Enjoying the Show

The man replied: “The punishment for those who refuse to listen to Xunyu is very serious. If Zhai Yunsheng and Jian Yiling want to be punished by the association, then they can choose to not show up.”

This meant even if Zhai Yunsheng and Jian Yiling did not decide to come, they would not be able to escape what awaited them.

The man’s words reassured Qu Zhen and Sheng Yingying a lot.

After all, they knew what the Xunyu Natural Science Research Association was capable of.

Those who offended the association would all end up in a bad spot.

Zhai Yunsheng and Jian Yiling’s existence was like a mere ant in front of the mysterious and powerful Xunyu Natural Science Research Association.

“What kind of punishment would that be?” Sheng Yingying couldn’t help but ask.

Upon hearing this, the man looked at Sheng Yingying.

Qin Chuan explained: “These two are my friends.”

Only then did the man answer Sheng Yingying’s question: “First of all, they will become blacklisted by Xunyu. Once Xunyu blacklists them, every company and organization Xunyu is involved with will no longer collaborate with them. Whenever there’s an opportunity, they will also actively make life difficult for them.”

“Secondly, we have special officers in Xunyu to punish those who break our rules. They will make the rule breakers suffer from both physical and mental trauma. I’m not at liberty to go into too much detail.”

...

“So that’s how it is.” Sheng Yingying replied with a smile on her face.

After explaining to Sheng Yingying, the man reported tomorrow’s arrangements to Qin Chuan.

Qu Zhen and Sheng Yingying stood there and listened to the plans.

The people from Xunyu were indeed very reliable. They knew exactly what had to be done.

And as long as Zhai Yunsheng and Jian Yiling got destroyed, they would be able to sleep well at night.

###

The next day at 12 pm, Zhai Yunsheng and Jian Yiling arrived at the designated location.

It was a church that was not open to the public. This place was typically used by Xunyu to meet and discuss important matters.

Both Zhai Yunsheng and Jian Yiling were wearing casual clothes. One of them was wearing black whilst the other was wearing white. They walked in holding each other's hands and there were no bodyguards following them.

As soon as they entered, they saw Qu Zhen and Sheng Yingying. The two of them had arrived beforehand.

These two people were not members of the Xunyu Natural Science Research Association. This meant that they were not meant to be here.

Qu Zhen pretended to greet Zhai Yunsheng and Jian Yiling: "Greetings, Young Master Zhai and Miss Jian."

Upon hearing his greeting, Zhai Yunsheng smiled wickedly and pulled Jian Yiling over into a seat.

He pulled Jian Yiling to sit on his lap.

"Yiling, take a look at these two monkeys. The monkeys are going to sing for us. Isn't this interesting to watch?" Zhai Yunsheng lowered his head and said to Jian Yiling.

Sheng Yingying caught onto Zhai Yunsheng's words and sneered back: "Are you sure you guys will be the ones enjoying the show today?"

The expression on her face was sarcastic and mocking. Didn't they know what they were facing? How much did they overestimate their own abilities?

When Qin Chuan and the others arrived, would Zhai Yunsheng still dare to say such reckless and unfiltered things?

Qu Zhen sighed and said: "Young Master Zhai, you shouldn't blame us for doing those things. We were forced to do so. No one wanted to reach this point."

Upon hearing this, the look in Jian Yiling's eyes was sharp as she replied: "No one forced you to make that decision. It was your own choice."

Qu Zhen said helplessly: "We chose to follow Mr. Qin because Young Master Zhai was unable to provide us a sense of security. We did not want the Loyalty Alliance to be destroyed in his hands. Furthermore, we have many people to feed in our respective companies and businesses. We can't just stand by and do nothing."

Chapter 1337: No Regard for Zhai Yunsheng (1)

Qu Zhen spoke plausibly and described his betrayal of the Zhai family as a forced and helpless act.

He also added: "Young Master Zhai, if you can promise not to do anything that will harm us in the future, we will walk different ways from now on. There's no need for this conflict and hassle."

Zhai Yunsheng hooked his lips and smiled. Then, he softly whispered into Jian Yiling's ear: "Yiling, do you think there's a need to pick a bone with these people?"

The smile on his face was incredibly untamed and malicious.

"There is," Jian Yiling replied as she tried to keep some distance from Zhai Yunsheng.

Upon hearing this response, Zhai Yunsheng said to Qu Zhen and Sheng Yingying: "Did the two of you hear that? Yiling wants to settle this matter with you guys."

Once again, Qu Zhen attempted to convince Zhai Yunsheng: "Master Sheng, there's really no need to do this. We can just walk different paths in the future. The river water really does not need to intrude into the well water. We can each go our own way without interfering with the other. The foundation of Dingwen Group is still unstable. You don't need to become enemies with the Loyalty Alliance. It won't do you any good. Furthermore, the Loyalty Alliance is much stronger right now. Why do we both need to suffer losses?"

"It makes me happy," Zhai Yunsheng answered.

Sheng Yingying was amused by this response: "Zhai Yunsheng, we're not begging you to help us or something. Don't act like you have the advantage right now. Even if you have ownership of the land in the western suburbs and even if you're good at fighting, that doesn't change the fact that the Zhai family collapsed in your hands."

"Yeah, that's true," Zhai Yunsheng responded. He did not deny this.

Upon hearing this answer, a contemptuous smile appeared on Sheng Yingying's face as she said: "Aren't you embarrassed to say that? Don't you have any shame?"

He really acted like a dead pig who wasn't afraid of boiling water.

Qu Zhen pulled Sheng Yingying back and told her not to argue with Zhai Yunsheng: "Forget it. There's no point in arguing. We were allies in the past."

.....

Zhai Yunsheng was known to act like this. Most arguments with him were unwinnable.

Instead of arguing, they should just wait until Mr. Qin arrives. Mr. Qin would deal with the situation.

"Allies? Tch, he's just a loser!" Sheng Yingying exclaimed.

"Don't you say that," Qu Zhen said. "Even though Young Master Zhai is not as capable as Mr. Qin, I believe he's still trying his best."

Sheng Yingying coldly snorted: "I'm too lazy to argue with him. It's not because I'm afraid of him or something! I just don't want to waste my time and energy for nothing!"

Not long after, Qin Chuan and the members from Xunyu arrived.

The leader of the group of people was the middle-aged man who had appeared at Mo Shiyun's birthday party.

Quite a few of them looked very imposing and menacing.

As soon as they entered, they surrounded Zhai Yunsheng and Jian Yiling.

It was as though they were getting publicly denounced for their wrongdoings,

Qin Chuan's gaze fell on Zhai Yunsheng and Jian Yiling. Despite being in front of others, Zhai Yunsheng and Jian Yiling remained close together.

Jian Yiling was like an obedient rabbit that nested in Zhai Yunsheng's arms.

This stung Qin Chuan's heart but his eyes refused to look elsewhere.

The pain made him feel more awake.

Maybe if he suffered a bit more pain, he would be able to wake up completely.

Despite feeling Qin Chuan's gaze, Jian Yiling did not meet his eyes.

She didn't love him and she didn't want to have any unnecessary interactions with him.

Chapter 1338: No Regard for Zhai Yunsheng (2)

"Let me introduce myself first. My name is Qian Feng and I am Xunyu's executive officer for the Law Enforcement Department. These people are my subordinates," the middle-aged man introduced himself to Zhai Yunsheng and Jian Yiling.

Jian Yiling knew of Xunyu's Law Enforcement Department.

It was a department set up to deal with disruptive entities in the organization. Therefore, the Law Enforcement Department had a great deal of power within Xunyu and all its members were elite fighters. These people came from all over the world and some of them were trained by Xunyu from a very young age.

The rigor and seriousness of their training were much higher than that of the Zhai family's bodyguards.

Qian Feng continued to speak: "As members of Xunyu, you need to abide by our rules. I believe the two of you should clearly understand this right?"

"Yes, we do," Zhai Yunsheng responded.

"Since that's the case, you should not have any objections to what's happening next," Qian Feng said.

"Objections to what?" Zhai Yunsheng asked with interest.

"Zhai Yunsheng, because you violated the rules of Xunyu, today we are going to punish you accordingly," Qian Feng announced.

"Which rule did I violate?" Zhai Yunsheng asked again.

"You used Xunyu's resources for private gain without reporting it. In addition, you stole rare metals and experimental potions from Xunyu's Beijing laboratory. These precious metals and experimental potions are the property of the Xunyu Natural Science Research Association. Members are not allowed to use them without the association's permission."

"Where is the evidence for this?" Zhai Yunsheng questioned.

"Naturally, we have evidence to support this claim but I can't show it to you yet," Qian Feng responded.

"Is it that you can't show it to me, or is it simply not there?"

I am the executive officer of Xunyu. Since I made this judgment, the evidence must be conclusive,” Qian Feng spoke with certainty.

Upon hearing this, a smile appeared on Qu Zhen and Sheng Yingying’s faces.

Mr. Qin was indeed amazing. He knew how to use his connections with Xunyu to mess up Zhai Yunsheng.

Very few people in the world had this type of connection with the Xunyu Natural Science Research Association.

Such a powerful worldwide organization could call upon resources in every area and country. Even the Zhai family and the Qin family weren’t worthy to be compared against them.

Sheng Yingying mocked on the side: “Zhai Yunsheng, there’s no point in being stubborn. Mr. Qian definitely has evidence. Otherwise, he wouldn’t say this. You can’t escape your punishment.”

Qian Feng: “This lady is correct. Since you violated our rules, you must accept the corresponding punishment.”

“Conviction without evidence. Is this Xunyu’s code of practice?” Zhai Yunsheng asked.

“You have no right to dictate how we do things in Xunyu. On top of this, ordinary members do not have the right to interfere with Xunyu’s Law Enforcement Department,” Qian Feng responded. His attitude was unyielding.

He showed no regard for Zhai Yunsheng.

Sheng Yingying continued to sneer: “Zhai Yunsheng, who do you think you are? Xunyu isn’t Beijing. You can’t do whatever you want. Take a good look at Mr. Qin, then take a look at yourself. You should recognize your own status!”

Qu Zhen sighed and said: “Young Master Zhai, if you really made a mistake, you should just admit me. We have known each other for a long time. I really can’t bear to see you like this.”

Unlike the others, Qin Chuan addressed his words to Jian Yiling: “Don’t stay by his side. They might hurt you later on.”

Chapter 1339: No Regard for Zhai Yunsheng (3)

However, Jian Yiling did not listen to Qin Chuan. Instead, she responded: “I feel safest staying by his side.”

Jian Yiling firmly believed in Zhai Yunsheng’s abilities.

She only had this kind of trust and dependence on Zhai Yunsheng.

Qin Chuan said with a bitter smile, “In the past, you also said that being by my side made you feel the happiest.”

Qin Chuan’s eyes were burning and the words he said were very thought-provoking.

If there were journalists and reporters here, such a sentence would gain a lot of coverage on the Internet.

In her previous life, Jian Yiling did say such a thing. Back then, no one believed her. Qin Chuan was the only one willing to accompany her. He was the only one willing to listen to her thoughts.

He had been her momentary source of light before she eventually fell into the abyss.

After that, she hurt herself and the people around her.

Before she died, she knew she did the wrong thing. She knew her feelings for him were a mistake from the very beginning.

Upon hearing this, the light in Jian Yiling's eyes flickered.

She couldn't deny Qin Chuan's words.

Zhai Yunsheng also looked down at Jian Yiling.

She didn't deny those words...

Did Yiling really say such things to Qin Chuan?

Why did she say such things to him?

And did she... Like Qin Chuan in the past?

"It's not important," Jian Yiling replied to Qin Chuan.

"But it's important to me," Qin Chuan said.

"It's no longer important to me," Jian Yiling reiterated.

The conversation between Qin Chuan and Jian Yiling would be rather misleading if someone didn't know better.

If it was someone else, Sheng Yingying and Qu Zhen would have asked further questions.

It seemed as though those speculations and reports on the Internet were not completely false.

There is an unknown relationship between Qin Chuan and Jian Yiling.

Qin Chuan asked again: "Do you hate the current me?"

Upon being asked this question, Jian Yiling paused for a moment. She didn't know whether to say she hated him or not.

When Jian Yiling did not answer, Qin Chuan smiled bitterly. The expression on his face was indescribably sad.

After an eerie silence, Qian Feng asked Qin Chuan: "Mr. Qin, if Miss Jian refuses to leave, are we still..."

Qin Chuan looked at Jian Yiling with a stony expression. The look in his eyes was complex and inscrutable.

After a long moment of silence, Qin Chuan stated: "Yes."

Upon hearing this response, Qian Feng ordered his subordinates to attack Zhai Yunsheng.

Qu Zhen and Sheng Yingying immediately stepped back to avoid being dragged into the fight.

A mocking smile appeared on Sheng Yingying's lips as she looked at Zhai Yunsheng. She was looking forward to this fight.

Was Zhai Yunsheng truly invincible?

If he was beaten to the ground and covered with bruises, would he still be able to be so arrogant?

Qu Zhen sighed helplessly. He didn't want Zhai Yunsheng to get beaten up. He just didn't want him to take revenge on the Loyalty Alliance.

However, if Zhai Yunsheng ended up fighting against these elite fighters, he would definitely suffer a lot.

Despite being incredibly strong, it was difficult for Zhai Yunsheng to have a chance to win against so many people.

Not to mention, Jian Yiling was beside him as well. In such a situation, she would just be a burden.

Qian Feng also took a few steps back and retreated to a relatively safe distance.

He didn't need to deal with Zhai Yunsheng personally. His subordinates were enough.

Like the others, Qin Chuan also took a few steps back. His gaze hesitantly moved away from Jian Yiling.

Right now, he was betting on whether Zhai Yunsheng would be willing to risk Jian Yiling getting hurt.

And if Zhai Yunsheng didn't care about Jian Yiling's safety, he would definitely step in to stop the fight.

Chapter 1340: No Regard for Zhai Yunsheng (4)

Qian Feng's subordinates slowly approached Zhai Yunsheng.

Just as the fight was about to break out, Qian Feng's phone rang.

When Qian Feng saw the caller ID, he hurriedly answered the call.

Unlike when he was speaking arrogantly to Zhai Yunsheng, Qian Feng's attitude was respectful and humble as he spoke to the other person.

After two sentences, a surprised expression appeared on Qian Feng's face.

As Qu Zhen and Sheng Yingying did not know what was happening, they looked at Qian Feng curiously.

After Qian Feng hung up the phone, he said to his subordinates: "Forget about it today. Let Zhai Yunsheng and Jian Yiling go."

Qin Chuan asked Qian Feng: "What happened?"

Qian Feng explained: "I need to bring my subordinates to somewhere as there are some urgent matters that need to be dealt with immediately. For the time being, I won't be able to help you deal with Zhai Yunsheng and Jian Yiling. I will help you if there's an opportunity next time."

After saying that, Qian Feng quickly left with his subordinates.

It seemed like the newly received task was indeed very urgent.

As they left, no one who remained could threaten Zhai Yunsheng.

Qu Zhen and Sheng Yingying did not expect this to happen.

How could this happen? Why wasn't Zhai Yunsheng begging for forgiveness?

Sheng Yingying gritted her teeth angrily.

What kind of luck did Zhai Yunsheng and Jian Yiling have?

How could they easily escape this fate?

Damn it!

Despite thinking this, Sheng Yingying did not dare to say anything. She did not want to provoke Zhai Yunsheng right now. After all, she was scared of him taking revenge on her.

Zhai Yunsheng stood up. He had his arms around Jian Yiling as he walked past Qin Chuan, Sheng Yingying, and Qu Zhen.

After walking two steps past them, Zhai Yunsheng deliberately stopped and looked back at them.

As expected, the looks on their faces were quite ugly. They did not get to watch the show they wanted to see.

When Zhai Yunsheng and Jian Yiling finally left, Sheng Yingying said angrily, "This took so long to arrange! How can we just let them get away?"

Qu Zhen attempted to persuade Sheng Yingying: "Forget it. We have nothing to lose either way. Even if he's not punished today, the corresponding deterrence will still be given to him. I believe he will be more restrained with his actions in the future. Furthermore, Xunyu can deal with Zhai Yunsheng whenever they want. We're not in a hurry."

Sheng Yingying was unconvinced by Qu Zhen's words. She turned to Qin Chuan and asked him: "Mr. Qin, what should we do next? Will Xunyu still deal with Zhai Yunsheng?"

However, Qin Chuan did not answer Sheng Yingying's question. Instead, he turned around and also left.

Qin Chuan did not seem to be in a good mood.

"Mr. Qu... He..."

"Don't worry about this. Mr. Qin is in a bad mood. When he's in a better mood, he will definitely make plans."

Sheng Yingying had no choice but to nod.

Despite saying this, Qu Zhen began to wonder. Was Zhai Yunsheng merely lucky today?

###

As Jian Yiling sat in the passenger seat, she noticed at Zhai Yunsheng's face was tense.

He seemed to be focused on driving and he didn't take the initiative to speak to her.

He seemed a little angry.

After they arrived at the Zhai Residence, Zhai Yunsheng immediately headed into his study and immersed himself in business matters.

In the evening, Jian Yiling was reading a book in bed.

After Zhai Yunsheng walked in, he laid down beside her.

Then, he closed his eyes. His handsome face seemed quite tired.

Jian Yiling reached out and poked Zhai Yunsheng's chest.

She knew he wasn't asleep yet.

"What's wrong?" Zhai Yunsheng asked as he opened his eyes.

"I have something to tell you. It's about me and Qin Chuan."

Jian Yiling knew that what Qin Chuan said during the day was rather misleading.
