Chapter 771: If You Don't Take Care of Yourself, It'll Be Used on You

Upon hearing this, Zhai Yunsheng was rather relieved. Thankfully, this medicine was not prepared for him.

Otherwise, he would be very scared if he ever got injured.

"Well, if you don't listen and you get yourself injured, it'll also be used on you," Jian Yiling added.

"Cough... Cough..." Zhai Yunsheng covered his mouth and coughed. He tried to hide his inner thoughts.

When Han Mengyu heard this, he was once again impressed by Jian Yiling.

His sister-in-law was ruthless!

She knew that Master Sheng did not take care of his body.

Therefore, she created this medicine for him.

Did he just think that she was soft-hearted? Han Mengyu suddenly felt that he was incredibly naive.

Wei Qirui's screams continued. Every scream made it sound like someone was being murdered.

After five minutes, Wei Qirui's wounds were treated.

Zhai Yunsheng and Jian Yiling walked over to the sofa that Wei Qirui was collapsed on.

His face was deathly white. Even his lips appeared to look white.

Furthermore, a cold sweat covered his forehead. One could easily see the pain that he experienced.

When Zhai Yunsheng and Jian Yiling approached Wei Qirui, he did not even have the energy to speak.

And thus, Zhai Yunsheng instructed his men: "Send Mr. Wei back home. I hope Mr. Wei will work out more when you get home. In the future, I'm looking forward to boxing with you again."

Then, Wei Qirui was carried out of the boxing gym.

Wei Qirui was sent home. After he returned home, he spent the entire afternoon paralyzed in bed. He only gradually recovered at night.

When he went to the bathroom to look at himself in the mirror, he did not see any bruises on his face.

It was as though he had not been beaten.

However, when he pressed down on the areas where Zhai Yunsheng had punched him, he could still feel the pain.

He was also so angry that his heart, liver, and lungs were even in pain.

However, at this time, his Board of Directors called him. They told him that the company was in a dire situation. They asked him to think of a solution.

However, what else could he do?

He tried everything! He even attempted the public relations route!

Ahhh, be damned Zhai Yunsheng! Be damned Jian Yiling!

At that moment, his secretary called him: "CEO, the CEO of Huan You Technology Corporation says that he wants to meet you."

Huan You?

The company that created the game 'Zerg Invasion?'

"Tell him that I'm currently at home. Send him my address and ask him to come to my house."

This was good news for Wei Qirui.

A while later, Wei Qirui met the CEO of Huan You Technology Corporation.

"Hello CEO Jian. It's a great honor to meet you," Wei Qirui greeted politely.

"Oh, so you know my surname is Jian. However, it seems as though you don't know the relationship between me and Jian Yiling."

Jian Yuncheng was dressed in a black suit. He spoke in a low voice and he had a serious expression on his face. It was as though black mist clouded him.

Upon hearing these words, Wei Qirui paused.

Jian Yiling!

One of the two names that he did not want to hear was Jian Yiling!

"Is she your family member?" Wei Qirui asked. Wei Qirui briefly looked into Jian Yuncheng's profile before he came. As a result, he only knew of his name. He did not know the relationship between Jian Yuncheng and Jian Yiling.

"She's my sister."

Wei Qirui suddenly stood up and said: "Get lost. You're not welcome here."

However, Jian Yuncheng merely sat there. He had no intention of leaving.

"I don't particularly want to see you either. However, my sister wants me to do this," Jian Yuncheng said.

"Jian Yiling? Heh," Wei Qirui laughed out of exasperation and anger.

"The Jian family is willing to acquire the Wei Group's shares," Jian Yuncheng continued.

"You're dreaming!"

Chapter 772: Save Me Yiling! I'm Being Chased By Miss Yufan!

“Mr. Wei, you can refuse my offer right now. However, I’m just informing you about this option. If you want to take up my offer in the next few days, you can contact me about it.”

Then, Jian Yuncheng placed a business card down on the table.

Wei Qirui picked up the business card and tore it straight away.

“Stop dreaming! The Wei Group will not be acquired by anyone! Even if we do get acquired, it won’t be by someone as insignificant as your family!”

Jian Yuncheng was not surprised by the scene in front of him.

He had already anticipated such a reaction from Wei Qirui.

“I hope that the Wei Group’s Board of Directors will share your opinion in the future,” Jian Yuncheng replied. His words were calm and confident.

“You’re definitely dreaming!”

“Well, we will have to see,” Jian Yuncheng replied. “Furthermore, even if it’s a dream, it’s my sister’s dream. Therefore, I will make her dreams a reality.”

This was the first time after that incident where Jian Yiling took the initiative to ask something from Jian Yuncheng.

“Keep dreaming with your sister! Nothing will happen to the Wei Group!” Wei Qirui growled through his gritted teeth.

Upon hearing this, Jian Yuncheng got up and expressionlessly straightened his suit. Then, he calmly put down another business card before he turned to leave.

“Damn it!” Wei Qirui cursed at Jian Yuncheng as he left. “The Jian family is shameless! Who do you think you are?! Why are you thinking about acquiring the Wei Group? Take a good look at yourself first!”

####

Qin Yufan was very busy these days. She was busy chasing after Jian Yichen.

Qin Yufan did this whenever she liked someone. She would be direct and active in her pursuit of love.

At first, Jian Yichen did not take her seriously. However, when he discovered that Qin Yufan was taking the matter to heart, he realized the seriousness of the matter.

Jian Yichen held onto his brother’s arm as he cried for help: “Brother save me! If you don’t save me, my integrity will be gone!”

“Watch your wording.”

Jian Yiheng was currently reading a magazine. When faced with his brother’s plea for help, Jian Yiheng didn’t even bat an eyelid.

“Okay, my chastity will be gone then!”

“You still have that?”

“Are you even my brother?”

“Is your skin itching?” Jian Yiheng asked coldly. He was completely indifferent to his brother’s plea for help.

“Brother, I’d rather be beaten by you! I don’t want to be dragged away by Miss Yufan!”

“Didn’t you want to fight Qin Chuan? If you get married to Miss Yufan, you can fight against Qin Chuan in an open manner.”

“But I have to call him older brother then! I will be at a loss!” Jian Yichen replied. “Ahhh, forget it. I will go and ask Yiling for help! Yiling treats me better!”

As his brother refused to help him, Jian Yichen decided to find Jian Yiling for help.

“Wait a minute,” Jian Yiheng called out as Jian Yichen rushed towards the door.

At that moment, Jian Yichen thought his brother changed his mind. However, in the next moment, he heard Jian Yiheng say: “I’ll go with you.”

And thus, Jian Yiheng accompanied Jian Yichen next door.

At that moment, Jian Yiling happened to be cooking. When she opened the door, she was wearing an apron with a rabbit pattern on it.

“Yiling, you need to save me! If you don’t save me, my integrity will be gone!” Jian Yichen cried out as soon as he saw Jian Yiling.

Jian Yiling looked at Jian Yichen with a puzzled expression on her face.

Then, Jian Yichen explained the situation: “Qin Yufan confessed her love to me. She keeps asking me out. I’ve never been pestered and chased by someone like this!”

Behind Jian Yichen, Jian Yiheng said in a calm and steady voice: “A number of men have asked you out before.”

This was back when Jian Yichen pretended to be a woman.

“Hey, that’s different! I was just playing around back then! I didn’t take it seriously...” Jian Yichen muttered.

Chapter 773: Sister Yichen, Why Do You Not Like Qin Yufan?

In the past, Jian Yichen liked playing around.

After all, life was merely a game to him.

He only took matters related to his family seriously. He did everything else for fun.

However, that was the former Jian Yichen.

Now, although he seemed frivolous to everyone, his heart was constantly carrying a deep hatred. He was desperately trying to protect his family in his own way.

However, Jian Yiling did not really know how to help with romantic matters. Therefore, it was wrong of Jian Yichen to ask her for help.

Then, Jian Yiling looked back at the soup that was simmering on the stove. She said to her two brothers:

“Come in first and eat, okay?”

They could sit down and slowly discuss the matter.

“Okay,” Jian Yiheng replied before Jian Yichen got the chance to say anything.

Then, he walked into the dining room.

“Hey... Brother... I...” Jian Yichen started. He was here to ask for advice... He wasn’t here to eat food...

However, as everyone began to get seated, Jian Yichen could only resign himself to sitting at the table.

When he saw Zhai Yunsheng, Jian Yichen suddenly thought of something.

“Hey, future brother-in-law, didn’t Miss Yufan chase you in the past? How did you deal with her?”

Jian Yichen attempted to ask Zhai Yunsheng for advice.

“I don’t remember,” Zhai Yunsheng replied. After all, he wouldn’t remember such insignificant things.

“Don’t be so stingy.”

Zhai Yunsheng glared at Jian Yichen.

Why was he mentioning this in front of Yiling?

Was he doing this deliberately?

However, it seemed as though Jian Yichen quickly read Zhai Yunsheng’s thoughts: “Ahhh, it hurts to make comparisons. This shows your devotion to Yiling. You’re not attracted to other women. You only have your eyes set on her.”

These words were quite pleasant to Zhai Yunsheng’s ears.

“Sister Yichen, why do you not like Qin Yufan?” Jian Yiling asked.

“Why does there need to be a reason? I just don’t like her! When it comes to these things, you have to rely on your feelings. The feeling just isn’t right,” Jian Yichen replied.

Then, Jian Yichen asked Jian Yiheng: “Brother, do you think I’m correct?”

However, Jian Yiheng was focused on his meal. When he heard Jian Yichen’s question, he merely looked up at him. Then, he said:

“Your family will not interfere with your romantic affairs.”

Then, Jian Yiheng buried his head into his meal again.

After his wound got better, Jian Yiling did not bring any more food to them.

However, Jian Yiheng became picky with food after eating Jian Yiling's meals. Although her cooking was merely ordinary home-cooked meals, her cooking somehow tasted better than the food made by outside restaurants.

Jian Yichen grumbled: "I didn't ask you guys to interfere... However, I'm being pestered by a girl right now... I just want you guys to come up with ideas. I just want to get rid of her."

"Didn't you make a move on her first?" Zhai Yunsheng asked.

"I..." Jian Yichen started. Then, he realized that he couldn't really say anything to that question. "I made a move on her when I was wearing female clothing! I wanted her to see me as a sister!"

If he wanted to hit on girls, he would have worn a suit.

Then, Jian Yichen muttered in a quiet voice: "Furthermore, I assumed that normal girls wouldn't be interested in a man who occasionally cross-dressed."

"Well congratulations, you met an abnormal girl," Zhai Yunsheng replied. He continued to make sarcastic remarks.

"You..." Jian Yichen started as he looked at the expression on Zhai Yunsheng's face.

This guy was definitely getting his revenge!

Back then, he was against Zhai Yunsheng and Yiling getting together. And now, Zhai Yunsheng was taking this opportunity to make fun of him!

Hmph!

Chapter 774: Say You Like Men

Jian Yichen was right. Zhai Yunsheng was doing this intentionally.

After all, Jian Yichen kept making petty maneuvers in the past.

Jian Yichen began to complain to Jian Yiling: "Yiling... Look at them! Both of them are bullying me~ Ahh, my heart... My heart feels so cold!"

Jian Yichen immediately turned into a drama queen. He began to pout and cry.

Jian Yiling picked up a bowl of soup and handed it to Jian Yichen: "To warm up your heart up."

Upon receiving the soup, Jian Yichen smiled: "Yiling is the best!"

Then, he lowered his head to drink the soup that his sister handed him.

"Well, there is a way to get rid of Qin Yufan," Zhai Yunsheng started.

"Really?" Jian Yichen said as he looked at Zhai Yunsheng suspiciously. Did this guy finally find his conscience?

“Well, you only need to say that you like men. Then, she can’t do anything to you,” Zhai Yunsheng replied with a smirk on his face.

“Zhai Yunsheng... You... What was this idea? You’re doing this intentionally!”

“Well, I gave you an idea. It’s up to you whether or not you listen to it,” Zhai Yunsheng said.

Jian Yichen paused for a moment. It seemed as though this suggestion could work.

After all, he already dared to wear women’s clothing. Saying that he liked men wasn’t a big deal.

Furthermore, he didn’t care about his reputation anyway. Not that he had much of a reputation in the first place.

###

Yu Xi received a call from Zhai Yunsheng. Zhai Yunsheng told him to come over to his place.

When he arrived, he saw a beautiful woman standing beside Zhai Yunsheng and Jian Yiling.

The woman was tall and her features were charming and dazzling.

“Master Sheng, God Ling, what’s going on? Are we going to play video games?” Yu Xi asked happily.

“I’m introducing a potential girlfriend to you,” Zhai Yunsheng replied as he pointed to the beautiful woman.

“Dang! Master Sheng, God Ling, did you guys finally find your conscience?” Yu Xi exclaimed. He found this unbelievable.

Whenever they played games, he was constantly fed dog food.

There was nothing that he could do about it either.

However, Yu Xi still couldn’t believe what was happening.

As Yu Xi thought about this, the beautiful woman walked towards him.

She reached out and lifted his chin: “Brother Yu Xi~”

Her voice was incredibly flirtatious.

All of a sudden, Yu Xi’s scalp began to tingle. However, his scalp was not tingling from excitement. Instead, he was incredibly frightened.

“He’s younger than you,” Zhai Yunsheng reminded Jian Yichen.

Therefore, he technically couldn’t call him “Brother ¹Yu Xi.”

“Oh? So he’s a young and inexperienced boy!” Jian Yichen smiled flirtatiously as his hand began to travel to Yu Xi’s neck.

His fingers then caressed Yu Xi’s neck.

Yu Xi immediately jerked back. Then, he retreated a few steps.

"A gentleman uses his words and not his hands!"

Ahh, as expected, Master Sheng was not actually introducing a potential partner to him.

Although this woman was quite beautiful, she just came up to him to grope him! It was terrifying!

When Jian Yichen saw Yu Xi like this, he stopped teasing the man. He returned back to his original voice: "Ahh, nothing has changed. It seems as though I can't really mess around with you."

Yu Xi was stunned for almost a minute. He searched through his memories before he finally exclaimed: "Jian Yichen! You bastard!"

Jian Yichen smiled cheekily before he said: "Hey Yu Xi, I need a favor."

"No," Yu Xi decisively refused. Then, he turned his face away.

"What's wrong?" Jian Yiling asked with confusion on her face.

Jian Yiheng took a bite of dessert before he answered Jian Yiling's doubts: "When Jian Yichen was young, he caught a frog. Then, he stuffed the frog into the pants of a boy that lived next door."

Back then, Jian Yichen also lived in the Old Jian Residence.

So the boy that lived next door was...

Chapter 775: Yu Xi Holds a Grudge (1)

As the embarrassing incident became exposed, Yu Xi's face became incredibly red.

However, the person who exposed this story was Jian Yiheng. And thus, Yu Xi did not even have the courage to glare at him.

"Cough cough," Jian Yichen started. "Yu Xi, it's been so many years now. Don't be upset about it."

"Hmph!" Yu Xi replied. He did not have the slightest intention to forgive Jian Yichen.

Then, Yu Xi said to Jian Yichen: "Jian Yichen, I just wanted to mind my own business. I can choose not to bicker about what happened when we were young, however, I definitely do not want to help you with anything."

Zhai Yunsheng smiled as he suggested: "Well, why don't you let Yu Xi stuff a frog into your pants? Then, he can't complain about the incident anymore. After that, Yu Xi can promise to do you a favor as well."

Yu Xi thought that this suggestion was reasonable.

"No... I..." Jian Yichen started. He wanted to say no. "But Zhai Yunsheng, why are you..."

"Well, even if you're not asking him for a favor, you should still make up for your previous actions," Jian Yiheng added as he drank a drink that was mixed by Jian Yiling.

"I..." Jian Yichen started. He was annoyed by their comments.

Ahh, he understood why Zhai Yunsheng wasn't helping him. However, why was his own brother refusing to help him?

Was this guy actually his brother?

“Yu Xi isn’t a petty person. This happened so many years ago. Surely, he...”

“No, I am a petty person!” Yu Xi interrupted.

Jian Yichen looked at Jian Yiling with eyes that pleaded for help: “Yiling...”

Before Jian Yiling got the chance to reply, Yu Xi said: “God Ling, we’ve been teammates for so many years!”

And thus, Jian Yiling took a good look at Jian Yichen and Yu Xi.

There was no way for her to make a decision.

“Don’t involve Yiling in your matters,” Zhai Yunsheng interrupted.

They were making matters difficult for Jian Yiling. Her brain functioned quite well when it came to other things. However, it was difficult for her to process matters similar to this.

Yu Xi added: “And so? Are you scared now? Then why were you so amused back then?”

Jian Yichen was indeed scared. However, he refused to admit this.

He couldn’t appear weak in front of his sister!

And thus, Jian Yichen admitted defeat: “Okay, I will make up for my actions back then. However, where do you plan to find a frog?”

“You can order it from online supermarkets,” Jian Yiling said.

It was quite simple to order things online. Once you placed an order, the order would get delivered in a short span of time.

Upon hearing this, Jian Yichen’s mouth twitched.

Yiling... This isn’t a time for you to be honest!

“Hmmm, I don’t think online supermarkets sell frogs,” Zhai Yunsheng said. “I’m pretty sure they sell bullfrogs though.”

“What?! Zhai Yunsheng!” Jian Yichen cried out angrily. He wanted to grab a knife from the kitchen.

A frog was already bad enough! Why would he ever suggest a bullfrog?!

Did Zhai Yunsheng not have a conscience?!

“Well, it’s just a bit bigger and a bit uglier. It’s not poisonous or anything,” Yu Xi muttered.

“No! I’m only okay with a frog!” Jian Yichen cried out. Frogs were already scary enough for him!

“Okay, I will order a frog then!” Yu Xi said as he took out his phone. He searched for where to buy frogs.

After all, money could make the Devil turn millstones. You could buy whatever you wanted. This was just a tiny frog!

Within half an hour, a delivery man came knocking on the door. He delivered a bag of live frogs to Yu Xi.

Yu Xi had a smile on his face as he carried the bag back into the living room.

Upon seeing the bag, Jian Yichen began to panic: “Ummm, Yu Xi... You can get your revenge using other means... The frogs now might be a bit different from the ones in the past. They may have eaten something unclean... What if they have parasites on them...”

Yu Xi laughed before he said: “Well, you can cook these frogs so you don’t have to worry about that. In fact, you don’t need to worry at all. I spent quite a lot of money on these frogs. They’ve been quarantined.”

Jian Yichen’s expression was distorted as he glared at the bag of frogs. “Umm, what about using a dead frog instead?”

Chapter 776: Yu Xi Holds a Grudge (2)

Live frogs jumped around so much... If one was placed into his pants... Then...

Jian Yichen panicked just thinking about it.

“Back then, you stuffed a live frog into my pants.”

Yu Xi remembered this incident quite vividly. And thus, he was determined to get his revenge.

Then, Yu Xi picked out the most muscular frog from the bag.

Even though Yu Xi held onto the frog, the frog still attempted to jump around.

The frog’s legs kept kicking.

Jian Yichen instinctively backed up as Yu Xi approached him.

“No no! Wait a minute! Wait! I need to go and change! I need to change into pants! I’m currently wearing a dress! You have no place to stuff that frog!”

“I can stuff it into your underwear,” Yu Xi replied.

“No!” Jian Yichen cried out frantically. Then, he turned around to look at Jian Yiling. He decided to use Jian Yiling as an excuse: “My sister is here! You need to be civilized!”

Yu Xi glanced at Zhai Yunsheng.

When his eyes met with Zhai Yunsheng, Yu Xi immediately realized that he couldn’t do anything too excessive in front of Jian Yiling. Otherwise, he’d be sliced into pieces by Zhai Yunsheng!

Jian Yiling said: “I’m okay.”

However, Zhai Yunsheng disagreed with this comment: “You’re not okay.”

Yu Xi hurriedly compromised: “Okay. I’ll give you some time to change into pants.”

After all, Jian Yichen was only delaying the inevitable. He had to accept his fate eventually!

Jian Yichen dawdled around for as long as he could when he changed into his pants. However, he ultimately could not escape his punishment.

When Yu Xi stuffed the frog into Jian Yichen's pants, Jian Yichen let out a wail of pain.

"Ahhhhhh—!"

Then, he kept jumping up and down. It felt as though a hole was going to appear on the floor because of him.

Jian Yiling unconsciously laughed when she saw Jian Yichen bouncing up and down.

Sister Yichen looked rather... Funny.

When Zhai Yunsheng saw Jian Yiling laughing, he reached out and patted her head.

As Yu Xi got his revenge, he smiled the most.

On the other hand, Jian Yiheng did not laugh. However, he did not help Jian Yichen either. Instead, he just watched his brother scream in fright.

"Yu Xi, Yu Xi! I was wrong! I was wrong!!!"

Jian Yichen cried out as he jumped up and down. He begged Yu Xi for mercy.

When Yu Xi saw the pitiful expression on Jian Yichen's face, he decided to forgive him.

"Ahh, alright. Just take the frog out then," Yu Xi said.

"Ah..." Jian Yichen stuttered. He did not dare to touch the frog.

And thus, he asked his brother to help him: "Brother, save me! Take the frog out for me!"

Jian Yiheng looked at Jian Yichen in disgust before he said: "Think of a way by yourself."

"Let's eat frogs tonight. Is that okay?" Jian Yiling asked Zhai Yunsheng. "I will make a spicy dish and a non-spicy one. Non-spicy frogs can also be delicious."

The non-spicy dish was prepared specifically for Zhai Yunsheng.

"Okay. Whatever you cook tastes amazing," Zhai Yunsheng replied. He had no objections at all.

"Wait but... Can you guys take this one out of my pants first? You guys can think about eating later!" Jian Yichen cried out. Tears were about to form in his eyes.

"The one in your pants is reserved for you. It's not going on the dinner table," Zhai Yunsheng said.

"Ahhh! But this is the most muscular one!"

Jian Yichen was about to become crazy.

As no one helped him, he could only help himself. Jian Yichen ran into the bathroom to take off his pants. Then, he finally got rid of the frog that made him scream and squeal.

Later at night, Jian Yiling made dishes with the frogs.

Jian Yichen ate heaps.

He ate all his grief and anger away. He wanted to return the humiliation that he suffered today back to the frogs.

This still applied even though the one that bullied him today wasn't on the dinner table.

After that, Yu Xi agreed to help Jian Yichen out.

After all, he was single anyway.

"Hmm, I think Jian Yichen's reputation will become completely destroyed after this," Yu Xi exclaimed. He, on the other hand, did not feel any pressure at all.

Chapter 777: Master Sheng, You Shouldn't Pour Oil On The Fire Like This!

After all, Jian Yichen's appearance was quite androgynous. Due to this reason, a man's heart could easily be tricked.

Yu Xi did not believe that he would be suffering losses. After all, Jian Yichen appeared to look like a beautiful woman.

On the other hand, Jian Yichen did not mind either. He didn't have a reputation to care about in the first place.

And thus, he took a few photos with Yu Xi before he sent them to Qin Yufan.

[Sorry Miss Yufan, I already have someone I like.]

Less than a minute later, Jian Yichen's phone rang.

Qin Yufan continuously called Jian Yichen.

Of course, Jian Yichen did not answer the calls.

Then, Qin Yufan decided to call Jian Yiling.

"Yiling, please don't answer the phone," Jian Yichen said to Jian Yiling.

"Why not?" Yu Xi questioned.

"Do you see my sister as someone who can lie?" Jian Yichen asked Yu Xi.

Anyone else could answer the call. However, Jian Yiling must not answer the call.

Jian Yiling could not lie at all. She would almost immediately let the cat out of the bag.

Jian Yiling helplessly looked at the incoming call.

At this moment, Zhai Yunsheng reached over to answer the call.

"Yiling, what's going on with your brother? Why is he with Yu Xi?"

Qin Yufan's voice sounded incredibly stressed and anxious.

"Yiling felt tired. She's asleep," Zhai Yunsheng replied. His voice sounded languid and magnetic.

"Zhai Yunsheng, what kind of human being are you? She's still asleep at this time?"

"If you have something to say, just tell me about it."

Because of the urgent need to ask questions, Qin Yufan said: "What's the deal between Jian Yichen and Yu Xi? When did Yu Xi like men?"

"Probably after university. He was probably interested in me," Zhai Yunsheng answered casually.

Zhai Yunsheng spoke in an indifferent manner. It was as though he didn't care about his reputation at all.

This caused Yu Xi to choke on the water that he was drinking.

Master Sheng, you shouldn't pour oil on fire like this!

God Ling could take your words seriously!

"Master Sheng, stop joking around. I know if you're gay or straight," Qin Yufan replied. She did not believe in Zhai Yunsheng's words.

"Hmm, maybe he turned gay after he met Jian Yichen."

"Can you be serious about this?"

"Weren't you the one who taught my fiancée how to be improper?"

He still hadn't settled the score with Qin Yufan. Back then, she told Jian Yiling to do a checkup on his body!

"Zhai Yunsheng, you really do know how to hold a grudge."

"You do as well."

Then, Zhai Yunsheng hung up the call. On the other end of the call, Qin Yufan could do nothing about that.

And thus, after a moment, Yu Xi's phone rang.

Yu Xi exclaimed in surprise: "What?! How does she know my phone number?"

Jian Yichen patted Yu Xi's shoulder before he said: "She's chased Master Sheng for so long already. Therefore, she definitely has information about the people around Master Sheng. Get ready to face the storm."

Yu Xi glared at Jian Yichen: "You really do have the nerve to say that!"

"Ahem, sorry for causing you trouble Brother Yu Xi~"

Jian Yichen said in a loli voice.

Goosebumps began to form on Yu Xi's skin.

"Jian Yichen, stay well away from me! I don't have that type of fetish!"

Then, Yu Xi walked away to answer Qin Yufan's call.

Qin Yufan hit Yu Xi with a barrage of questions. Yu Xi avoided the important questions and dwelled upon the trivial ones.

Then, he handed the phone to Jian Yichen. He let Jian Yichen speak to Qin Yufan.

"I like Yu Xi. I'm sorry about this. After wearing female clothing for some time, my sexual orientation changed."

Jian Yichen intentionally tried to make Qin Yufan dislike him.

He just wanted to be good girl friends with Qin Yufan in the future.

Chapter 778: Completing the Acquisition

The Wei Group's stocks continued to fall for five consecutive days.

And thus, the stock exchange revealed the news to the public that it was highly likely for the Wei Group to become delisted from the market.

By now, Wei Qirui was completely burnt out.

At this moment, the Jian family once again proposed an acquisition plan to the Wei Group.

They wanted to acquire the companies under the name of the Wei Group.

Upon hearing this, many members of the Board of Directors were moved.

As Wei Qirui had no other way, he could only agree to the acquisition plan given by the Jian family.

Out of all the options placed in front of him, this one would reduce his losses the most.

However, when he faced Jian Yuncheng once again, Wei Qirui still had a hard time feeling at peace.

Jian Yuncheng's indifferent and calm expression formed a stark contrast against the look on Wei Qirui's face.

Their first negotiation went rather well.

Although Wei Qirui was reluctant to agree, it was the only option available to him.

Then, the second negotiation quickly followed.

After the two negotiations, the price of the acquisition was finally determined.

On the day when the acquisition was completed, everyone's attention was focused on the Jian family.

In the eyes of everyone else, this was not a good acquisition.

The Jian family particularly used all of their liquid assets to complete this acquisition.

Furthermore, the company that they acquired had big problems in management. It was no accident that the financial fraud had been exposed.

Even individuals within the Jian family questioned Jian Yuncheng's decision.

However, Jian Yuncheng's attitude on this matter was very firm.

He ignored all their doubts and completed the acquisition.

"Brother, will this really be okay?" Jian Yunnao asked.

"Well, the company indeed has some internal issues. However, it has a solid foundation. Therefore, we won't lose too much money," Jian Yuncheng replied. Then he added: "Yiling wants this as well."

The future prospects of this company weren't very promising.

However, this was Jian Yiling's request. Furthermore, Jian Yuncheng was confident that with proper management, this acquisition wouldn't cause them too many losses.

"Why does Yiling like this company?" Jian Yunnao asked. He did not understand the rationale behind his sister's request.

Furthermore, it was best for him to not ask about his sister's thoughts.

"I don't know," Jian Yuncheng replied. He didn't ask in detail about the matter.

There was a huge distance in their sibling relationship.

Originally, he assumed that they would become closer once she returned from her studies abroad.

However, once she returned to China, she decided to get engaged with Zhai Yunsheng. This was a very legitimate reason to walk out of the Jian family.

At this moment, Jian Yuncheng's secretary walked into the room:

"CEO, Xuming Medical Manufacturers just contacted us. Apparently, they want to collaborate with us on a project."

"Xuming Medical Manufacturers? They took the initiative to contact us?" Jian Yunnao exclaimed in surprise.

In the past two years, Xuming Medical Manufacturers was performing incredibly well. There were numerous companies that wanted to collaborate with them.

There were rumors that Wei Qirui planned to save the Wei Group by negotiating a deal with Xuming Medical Manufacturers.

However, in the end, it appeared as though Wei Qirui failed to succeed in the negotiation.

The Jian family just finished their acquisition of the Wei Group. Why would Xuming Medical Manufacturers take the initiative to contact them at this time?

What was this all about?

Jian Yuncheng could not comprehend this.

However, this was undoubtedly good news for the Jian family.

If they secured a partnership with Xuming Medical Manufacturers, this acquisition would definitely earn them a lot of money.

And thus, Jian Yuncheng headed over to the Xuming Medical Manufacturer's office building. Zhang Xuming personally discussed the collaboration proposal with him.

The negotiations went exceptionally well. It seemed as though Xuming Medical Manufacturers had no intention of making a profit from someone else's misfortunes.

"Elder Zhang, may I ask you a question?" Jian Yuncheng asked. Doubts were rampant in Jian Yuncheng's mind.

"Please go ahead."

Chapter 779: Just One Step Away

"This company has just been acquired by the Jian family. There are still many things to be done. Why are you willing to negotiate such a deal with us at this time?" Jian Yuncheng asked as he looked into Zhang Xuming's eyes. There was no fear in his voice as he asked this question.

At such a time, he would have agreed to many more terms and conditions requested by Xuming Medical Manufacturers.

Even if he couldn't make money off this collaboration, just doing a project with Xuming Medical Manufacturers would be beneficial to them.

However, to his surprise, Zhang Xuming set reasonable and fair terms and conditions.

"Because I feel like the Jian family has good prospects for the future. I believe that the company you acquired will do better in your hands than in Wei Qirui's hands," Zhang Xuming replied with a smile on his face.

This answer was quite surprising to Jian Yuncheng.

It was surprising because such a respected individual had high hopes for the Jian family. The Jian family had only just ventured into the corporate world of Beijing.

Did he research the Jian family beforehand? Or was there some other reason?

"Thank you for your recognition."

"You're a very promising young man. I'm very optimistic about this collaboration. Work hard, please. Don't make me suffer losses."

"Rest assured Elder Zhang. We will do our best to make this project succeed."

"That's good, that's good. I'm relieved to hear those words. Let's meet every so often if you have time," Zhang Xuming said to Jian Yuncheng. His attitude towards him was very amiable.

It was so amiable that it seemed like the two of them had known each other for a long time.

###

As soon as the news of the collaboration between Xuming Medical Manufacturers and the Jian family came out, it was reported by all major media.

When Wei Qirui heard of this news, he almost spat out a mouthful of blood.

“What does this mean? I just sold my company! How was a collaboration reached with Xuming Medical Manufacturers at this time?!”

Then, Wei Qirui hurriedly checked the company’s stock price today. He saw that the stock’s price that had fallen countless times in his hands had risen today. This was due to the news of the collaboration with Xuming Medical Manufacturers.

“This... This... This...” Wei Qirui stuttered with anger. His chest was heaving violently. He couldn’t form a complete sentence.

He was only one step away! One step!

If he and Xuming Medical Manufacturers reached an agreement, he wouldn’t have needed to sell his company.

He was only one step short.

However, a millimeter miss was the same as a thousand-mile miss.

Wei Qirui was unable to swallow his anger. And thus, he ran out of his room in anger. He was determined to ask Zhang Xuming for clarification.

When Zhang Xuming heard that Wei Qirui had arrived, he asked his secretary to bring him in.

As soon as Wei Qirui entered the room, he questioned Zhang Xuming: “Elder Zhang, what do you mean by this? Before I sold my company off, I clearly asked to collaborate! However, you said no! Then, why are you collaborating with the Jian family now?”

As long as Zhang Xuming agreed, his company wouldn’t have been acquired by the Jian family.

“I already told you that this matter is not up to me. It’s up to my successor. All important decisions related to my company are up to my successor,” Zhang Xuming replied with a smile on his face.

“Elder Zhang, are you still going to use that excuse to fool me?”

Elder Zhang was a sly fox! He kept using his ‘successor’ as an excuse for everything.

However, until now, Wei Qirui hadn’t even seen the shadow of Zhang Xuming’s so-called ‘successor’!

“I’m not fooling you. Every word I’ve said is true,” Zhang Xuming replied frankly.

As he was talking, his secretary came in to inform him that Jian Yiling had arrived.

Zhang Xuming hurriedly told his secretary to invite Jian Yiling in.

As soon as Wei Qirui heard Jian Yiling's name, he immediately thought of the day where he was tortured by Zhai Yunsheng and Jian Yiling at the boxing gym.

Just thinking about that day made the wounds on his body ache.

Chapter 780: She Has Good Prospects In The Future

"Elder Zhang, your relationship with Jian Yiling is rather good. Is it because she's the future matriarch of the Zhai family?"

"No, it's not because she's the future matriarch of the Zhai family. That doesn't really have anything to do with me," Zhang Xuming replied. "Instead, I believe that she really has good prospects in the future."

"A surgeon? To prepare for your future operations?" Wei Qirui said. His words were laced with sarcasm.

"Hmm, you can think of it that way," Zhang Xuming replied. He did not bother to explain the situation to Wei Qirui.

When Jian Yiling entered the room, she was not surprised to see Wei Qirui.

Instead, she calmly walked over and placed a file bag in front of Zhang Xuming.

Now, all the important decisions of Xuming Medical Manufacturers were handed over to Jian Yiling.

Zhang Xuming merely looked over the implementation of strategies.

And thus, in a sense, Jian Yiling was in control of Xuming Medical Manufacturers.

Wei Qirui's gaze was not friendly at all. It was as though he wanted to return all the suffering he had experienced through his eyes.

"Mr. Wei, is there anything else you want to talk about?" Zhang Xuming took the initiative to ask.

Wei Qirui knew that there was no point for him to stay here any longer. And thus, he walked towards the door.

When he passed Jian Yiling, he sneered before he gave her a warning:

"I hope that you'll be careful when you go out in the future. After all, there's a lot of cars on the road. You might easily get into a car accident. If you get injured, Master Sheng might get a heart attack and die."

Jian Yiling's expression was indifferent when she heard this.

She didn't even look at Wei Qirui.

Instead of merely saying words, Jian Yiling was more inclined to take action.

When Wei Qirui left the room, Zhang Xuming smiled as he shook his head. What could he even say to Wei Qirui?

Although he had eyes, he was somehow as blind as a bat.

As he attempted to achieve so many things, he still managed to offend the most important person.

And thus, if he didn't suffer, who would?

"Yiling, the acquisition has been announced. Therefore, the Jian family has finally entered the Beijing corporate circles. Your wish has been fulfilled."

At this moment, everyone was saying that the Jian family was lucky. Somehow, they managed to win out.

However, no one else knew that Jian Yiling had paved the road for the Jian family behind the scenes.

"Mhmm," Jian Yiling replied. She wanted the Jian family to become stronger and more stable.

"What are you going to do next?" Zhang Xuming asked. He was curious about Jian Yiling's future arrangements.

"Jian Yuncheng can take care of it. I'm not worried."

Jian Yiling believed in Jian Yuncheng's abilities. Therefore, she could leave the entire matter in Jian Yuncheng's hands.

###

After these incidents, the Jian family made a name for themselves in Beijing.

As Jian Yuncheng's uncle, Wen Cheng was incredibly happy. His nephew successfully made an entry into the corporate world of Beijing.

In the dining room of the Wen family, Wen Cheng, Cai Qinyue, and Wen Ruo were currently having dinner.

Grandma Jian and Grandpa Jian were picked up by Jian Yuncheng. He arranged a separate residence for them in Beijing.

The relationship between Wen Cheng and Cai Qinyue became better after Cai Qinyue apologized and acknowledged her mistake.

After all, they had been married for so many years. Furthermore, they had such a sweet and kind daughter. As a result, Wen Cheng was unable to be cold-hearted.

"Yuncheng has great foresight," Wen Cheng said with a smile on his face.

As an uncle, he was happy to see his nephew's success.

Cai Qinyue was not pleased. However, she could not express this. She could only say nonchalantly:

"He's also very lucky. If it weren't for the fact that Xuming Medical Manufacturers agreed to partner with him, his acquisition would have definitely ended up in failure."

Wen Cheng: "Well, luck is a good thing. Every so often, luck plays a part in success."
