

Skeletons Of The Marital Closet by Wen Tang Tang

Chapter 731 - 740

Chapter 731

“Where is Mr. Wood? Tell me, I’ll go find him!”

The housekeeper replied blankly, “Mr. Wood is not someone you can meet whenever you want. Ms. Nightingale, I advise you to be more sensible. How much do you want from us? Name your price.”

“I don’t want money, I want Mr. Wood!”-

“If you do this, you won’t get anything at all.” The housekeeper glanced at the time before saying, “You must leave Temperley Hall before dawn, Ms. Nightingale. Your time is running out.”

The sky was bright..

Unexpectedly, Winnie was more difficult than she imagined.

The housekeeper said to the bodyguard, “Drag her out. She is not allowed to step in again.”

“Yes.”

Winnie screamed frantically, “No, you can’t drive me away, I want to be the woman of the house, I’m Mr. Wood’s favorite woman, he always looks at my face every day... You let go...”

The sound faded away.

Winnie was directly thrown out of the Imperial Garden.

The door clanged shut.

No matter how Winnie shouted or knocked on the door, it was useless.

Winnie said to herself, ‘Why is this happening...I must meet Mr. Wood, but where is he...’

She racked her brain to think, and suddenly she had a flash of inspiration!

She remembered Mr. Wood was in the hospital!

Winnie quickly took out her phone and clicked on Shawn's circle of friends.

She thought of Summer and what she had said.

Winnie's face went pale. Could it be that a woman more like Gale appeared?

Impossible!

No one is more like Gale than her!

Without saying anything, Winnie turned around and ran to the hospital!

She was going to meet that vixen!

She had not been able to win Mr. Wood's heart for so long. How could that woman win in one fell swoop and have a child?

Were they a family of three? How can it be!

There were relatively few people in the hospital so early in the morning.

The VIP inpatient area was even more silent.

Gale fell asleep, and she did not know if it was because of Nicole's illness or because of Shawn's

embrace...

It felt more reliable and safer than she imagined.

Click, clack! Hurried footsteps sounded near the door.

Immediately afterward, the door was kicked open!

Gale was awakened instantly by such a loud bang.

She subconsciously looked up at Nicole.

Nicole was frightened. She flinched and opened her eyes in shock.

Gale immediately got up and got out of bed, and patted her on the shoulder. "Don't be afraid. Daddy and Mommy are here."

Nicole hid in her arms.

Shawn sat up from the hospital bed and swept toward the door with sharp eyes.

Who had the guts to kick open the door of this ward early in the morning?

Did the person not want his life anymore?

Gale hugged Nicole while looking toward the door,

Her eyes met Winnie's.

Both of them froze for a moment and, at the same time, showed a look of hell.

It was as though they were looking in the mirror.

The atmosphere was eerily quiet.

It was Nicole who broke the silence. "Mommy? Two mommies?"

Curious and puzzled, she looked back and forth between Gale and Winnie, comparing them non-

stop.

Nicole said, "Mommy, that aunt looks exactly like you!"

Chapter 732

Gale frowned.

She had already guessed who this menacing woman was.

This was the woman Shawn raised in Temperley Hall, hidden in the golden house!

Indeed.

No wonder Shawn stayed.

She looked identical to her.

If Gale had not known that Wendy had only given birth to her, she would have wondered if she had a biological twin sister.

Gale said lightly, "It seems that Mr. Wood usually dotes on her very much. She has no one in her eyes, she dares to behave so lawlessly that she dares to kick the door directly."

After a pause of two seconds, she added, "That's right, Mr. Wood has always liked this kind of woman. I remember how arrogant Susan was before. I don't know if this one... will be more arrogant than Susan."

"Bah!"

Shawn was already walking toward the door, and a murderous intent flashed in his eyes.

"Are you courting death?" he asked in a deep voice.

She said tremblingly, "I...I'm here..."

"Get lost!"

Winnie swallowed her saliva and decided to fight to the death.

Anyway, she had been kicked out of Temperley Hall, so she must fight for herself!

This was the last chance!

She wanted to expose the woman in the ward!

"Mr. Wood, it turns out that you don't want me because of this woman." Winnie pointed at Gale.

"Who is she? She must have plastic surgery too!" Winnie said as she quickly ran to the hospital bed.

"It's so similar, hehe, it's a pity that you came a step late! I was the one who came to Mr. Wood's side first! You vixen, lured Mr. Wood to stay with you in the hospital overnight... Are you still sleeping on the same bed?!"

Immediately afterward, Winnie saw Nicole,

"Who is this?" She moved her finger and almost poked Nicole's eyes. "You don't tell me that this is Mr. Wood's child! What a joke! How dare you pretend to be the blood of the Wood family!"

Gale was not planning to talk to her.

She should let Shawn solve his problems by himself.

However, Winnie's mouth was too stinky, and pointing straight at her daughter with this hand was even more annoying!

Gale quickly grabbed her wrist and twisted it back.

Click.

Her wrist clicked.

“What!”

Winnie screamed.

Immediately afterward, Gale unceremoniously pushed her away heavily. “Keep your mouth clean!”

Winnie fell to the ground with a painful expression on her face.

“You, you, you...You hit me! My hand is broken!” she yelled.

“It won’t break, just put it back in place.”

Winnie bit her lip and looked at Shawn pitifully. “Mr. Wood, are you going to let her bully me like. this? First come, first served... She looks like Gale, and so am I. You can’t be biased!”

“Don’t be fooled by her appearance. This woman’s origin is unknown, and her face shows that she is a scheming s**t!”

“And... How can you and her have children? I’ve seen your post!”

Post?

Gale looked at Shawn. “What did you post?”

“A family of three, three meals a day. Any questions?” he replied.

Gale was speechless.

Was that not announcing to the world that she was back with her child?

No wonder there were women coming here to cause trouble early in the morning.

“I don’t want to see her. If she continues to go crazy, she will scare Nicole. Shawn, can you properly handle your randevu?” Gale said.

eyes.

Gale knew there was no shortage of women around him, but very few could catch his

Although he wanted her because of their resemblance to Gale, she still felt uncomfortable.

Chapter 734

Shawn said, "She is Gale. Winnie, what are you?"

"She, how could she be..." Winnie was kicked too hard, and she could not breathe. She said h**y, "She is dead... A dead person.

Gale replied, "It is indeed me. Winnie, face the reality."

Winnie's eyes widened so much that her eyeballs were about to fall out!

It looked scary!

Gale looked at her. "I'm sorry, but I shattered your dream of being rich and powerful. However, even if Shawn is greedy for wanting your face similar to mine, he will never marry you. Speaking of which, you have given him comfort for a while. He would have compensated you, but you are too greedy and want too much."

"Why are you still alive? You're not dead?"

"Even if I die, you have no chance."

Gale did not want to say another word to her and looked at Shawn. "Don't deal with these things in front of Nicole, it will have a bad influence on the child, and it will scare her."

When Shawn kicked Winnie deeply, Gale covered Nicole's eyes in time.

Nicole cannot see this kind of violent scene.

She also did not want the image of her father in Nicole's heart to collapse.

Gale twitched the corners of her mouth. At this time, she was still concerned about Shawn's image in Nicole's heart.

He was obviously the one who pampered Winnie and encouraged her delusions, and this farce. was also caused by him alone!

Gale thought of something again. "By the way. Winnie's face makes me uncomfortable. If possible, take out all the prostheses on her face, and repair the marks of her plastic surgery. Try your best to return her to her original form."

How awkward it was for her to look at her own face!

Shawn promised her. "Okay. Gale, she won't appear in front of you again."

When facing Gale, his voice was low and slow, and his tone was not only gentle but also doting.

However, when he turned his head and looked at Winnie, he was like a devil coming out of hell.

Winnie was terrified!

"Mr. Wood, do you really want to fix my face?" Winnie kept backing away on the ground in fear. No, I just look like this, I want this face. You obviously like it too!"

She cried and shouted, but Shawn was reluctant.

(

Winnie grabbed his trousers. "Mr. Wood, have you forgotten, you used to look at my face again. and again, and said it was really similar to hers, you want to see it every day... You also said that I was very similar to Gale!"

"Last night, you suddenly asked the housekeeper to drive me away... I'm not reconciled, Mr. Wood. It took me so much to stay by your side. It took me so many years. Why did I suffer a crushing defeat when Gais appeared?"

Shawn did not want to listen to her, so he grabbed her and threw her out of the ward!

This woman did not know what was good for her!

The door closed again.

The sound went away.

Winnie had no good outcome. She kicked the door and scolded Nicole as a ba**rd.

Just like... Susan.

However, Gale did not feel very happy.

Every woman around Shawn would somehow suffer.

Even though Shawn loves her, she still has an unsatisfactory life!

cole said curiously, "Mommy, who was that woman just now, and why did she look like you?"

Chapter 735

"It's nothing, don't worry about her." After thinking about it, Gale still warned, "Nicole, she is a bad person, don't trust her. Even if she looks like Mommy, she is not Mommy, understand?"

"Of course I understand, there is only one Mommy!"

Gale nodded. "Also, Nicole, do you remember what Mommy told you repeatedly before coming here?"

Nicole replied, "Remember, don't mention Zoe and brother in front of anyone."

"You like Daddy very much now, but you still can't mention it to Daddy."

"Okay!"

After reminding her again, Gale felt relieved.

Although Shawn promised that he would let her and Nicole go, she still could not quite trust him.

She felt that Shawn was deceitful.

Nicole had to be exposed because of leukemia.

However, she does not want Joshua to be exposed!

Guessing that Shawn would not return to the ward for a while, Gale made a video call to Joshua.

Soon, Joshua's face appeared on the phone screen, and he was almost stuck on the camera.

Joshua raised his eyebrows playfully. "Hi, my beloved Mommy, my little baby Nicole. I haven't seen you for a few days, do you miss me? Boldly express your thoughts, because I miss you too."

Gale and Nicole were speechless.

"It's gross. Brother, can you be normal," Nicole complained unceremoniously.

"I'm so handsome, you actually say I'm gross!? How can you do this to me!"

Gale looked at him with an indescribable expression.

After being told off by Nicole, she really felt that Joshua... was gross.

Moreover, these words were exactly the same as those of Shawn.

Shawn sounded the same!

The father and son had no idea who the other was, how could they be so alike?

Outrageous!

Gale said, "Okay, during my absence, have
you caused any trouble?"

"Are you kidding, how could I get into trouble? I am a big celebrity now. All my classmates and teachers in school are my admirers!"

Ever since Joshua won the national piano competition, people took photos with him and signed autographs wherever he went.

At first, Joshua thought it was fun, but after a while, he found it quite boring, so he put on the mask obediently, for fear of being recognized!

"Don't bother."

Joshua responded, "Don't worry, don't worry. When are you coming back?"

Nicole quickly replied, "I'm going to have an operation. After the operation, I will be a healthy person. I can go back to school and I don't need to be hospitalized anymore!"

"When will you have the operation? Do you need me to accompany you? Hey, you women are just timid and cry every now and then. If I'm here, you won't be so scared, right!"

"I'm not afraid."

Joshua said, "Stop pretending. If you want me, just tell me, I can ask for leave to accompany you for the operation! Come and see the big baby!"

Nicole replied, "I have Mommy with me. I also have Daddy! Brother, Daddy, and Mommy slept in the same bed last night, right next to me!"

Joshua became interested in an instant. "Did you see Daddy?"

"Yes, Daddy is so powerful, he put me on his shoulders up high!"

Chapter 736

“Who did he kiss and hug?”

Nicole said, “Mommy. He hugged Mommy and held me high!”

When Joshua heard this, he quickly rolled up his sleeves, wanting to show off his muscles. “After two years, I will become very powerful too.”

“In another ten years, you will not be as powerful as Daddy!”

Joshua had a very sad expression. “Nicole, you have changed. Once you went to Sea City to see Daddy, you forgot me as a brother... Hey, I’m so sad, so lonely and cold....”

Nicole asked, “Mommy, why can’t my brother come to Sea City to see Daddy? Why can’t I mention. my brother to Daddy?”

Gale had no idea how to answer.

“Oh, Mommy has reasons. Why do you ask so many questions?”

Joshua said, “Tell me, is our dad handsome?”

Nicole has the me**ty of a small fan. “Handsome!”

“Is he tall?”

“Tall! One head taller than Mommy!”

“Gentle, considerate, warm man?”

Nicole nodded again and again. “Yes!”

Joshua rubbed his chin. “That’s right. This made me curious about him. But think about it, he must be good enough to have such a handsome son as me.”

Gale looked at the pair of kids, speechless.

Joshua shouted, “Mommy, when can I come to Sea City? Without you, Mrs. Zoe and I depend on each other, lonely, empty, and helpless...”

“Joshua, do you really want to come?”

He replied loudly, “I want to! I also want to see what my father looks like.”

Gale wanted to say that you have seen him and have seen him more than once.

However, there were footsteps outside the door.

She panicked and said hastily, "I'll tell you about it later, Joshua, bye."

As soon as Gale hung up the video, Shawn pushed open the door of the ward and walked in.

She was so nervous that she almost broke out in a sweat.

If it had been a second later, Shawn would have caught her..

Gale pretended to be calm. "Why did you come back? Is it dealt with?"

"Well, it's Winnie, how much effort do I need to spend?"

"It was you who kept her, and you kicked her away... How unkind."

Shawn asked, "Really?"

Gale said, "That's right, when you need someone, they stay by your side day and night. When you don't need them, you can throw them away unceremoniously, which is worse than garbage. This is

unkind."

Shawn put one hand in his trousers pocket and walked toward her. "Gale, I'm ruthless to all women in order to be more affectionate to you."

She was startled.

Shawn said, "I will only be affectionate to one person, and that is you. Don't tell me you want... me to be merciful?"

"Don't you show mercy everywhere?"

Shawn pursed his thin lips lightly. "Winnie is just your substitute. Susan back then... I mistook her for you. From the beginning to the end, the person I love has always been you, Gale."

Gale suddenly smiled.

"Shawn, whether it's falling in love with you or being loved by you, it's actually quite unfortunate. Susan and Winnie didn't end well, but my end is no better than theirs."

He frowned, disapproving of her words. "Gale, how can they be compared with you?"

In his eyes, all the women in the world combined are not as good as Gale.

Chapter 737

Shawn only needed Gale.

He asked the bodyguard to throw Winnie out of the hospital and warned her not to appear in front of him again. Otherwise...

Winnie has experienced what it would be like to provoke Shawn once.

However, to offend Gale will end in a more tragic end than offending Shawn himself!

If Winnie dares to show up again, Shawn can make her disappear from Sea City forever!

He obviously gave Winnie a chance. With the money, it was enough for her to live comfortably for the rest of her life.

She wanted to kill herself!

Shawn said, "Gale, I have never loved anyone else except you."

"I, who is loved by you, don't have a good life."

'I can't even take my son with me.' Gale would never say this out loud.

Thinking of Joshua, Gale felt a little depressed again.

She took care of Nicole, but she could not take care of Joshua.

Although Joshua was mischievous and did not say that he missed her or insisted on staying with her, she knew that Joshua definitely wanted to be with her.

What kid would not want to be with his parents?

However, the reality was that they lived in two places.

Gale really wanted to bring Joshua to Sea City, but at present... she does not have the ability.

Shawn and Joshua met before. If they meet again, Joshua's identity as his son will soon be revealed.

However, it was impossible for her to hide Joshua forever.

Gale sighed silently, frowning tightly.

Seeing that, Shawn wanted to reach out and smooth out the wrinkles between her brows one by one.

By his side, she could rely on him with confidence, so what was there for her to worry about?

Just leave it to him.

Gale asked, "Are you going to stay in the hospital until Nicole finishes the operation? The company..."

"Joe is there. Fiona will also bring some documents over for me to approve and sign. It will not affect work."

Not to mention...

Shawn has been working overtime for four consecutive years, and he leaves the company late at night.

This time, he took it as a vacation to relax and be with his wife and daughter.

The employees of Wood Group wished that Shawn would appear less often!

Gale frowned even tighter.

That was almost twenty-four hours a day that she had to stay with Shawn and sleep in

the same bed.

She was really afraid that someday something would happen to the lonely man and widow!

Shawn was quiet last night, but what about tonight? What about tomorrow night?

He is a normal man!

Knock, knock. There was a knock on the door suddenly. "Mr. Wood, it's me, Fiona."
"Enter."

After Shawn finished speaking, there was no movement at the door.

"Open the door."

Fiona dawdled and hesitated to speak.

Shawn raised his voice. "Come in!"

At the door.

Fiona held the doorknob and dared not turn it.

Because behind her...

Joe and Summer were staring at her.

She was under a lot of pressure.

She just came to deliver documents to Mr. Wood, and unexpectedly Joe and Summer followed him!

What should she do?

It would be scary if Mr. Wood lost his temper!

Chapter 738

Fiona swallowed. "Can you let me go in and see the situation first, and then you can decide whether to go in or not?"

Joe and Summer said in unison, "No."

"But..."

Joe said, "No buts. I want to see who can subdue Shawn in just one night!"

Summer also nodded. "Yes, is this woman actually more like Gale than Winnie? I don't believe it!"

"Dear G*d..."

"Joe and I will always take care of you! What are you afraid of!"

While talking, Summer violently pushed Fiona forward

Fiona staggered forward and was forced to open the door and enter the ward

"Hehehehe..." Fiona raised her head in embarrassment and kept smiling "Mr Wood.

He turned his head again and looked at the woman next to him

Fiona's pupils dilated unconsciously

This... was indeed more like Gale than Winnie

Winnie looked alike at first glance, but at a second glance, she could see that they were different.

However, this woman... was like Mrs. Wood reborn!

At the same time, Joe and Summer stood behind and saw Gale.

Summer was shocked. "This..."

She pointed at Gale and was speechless for a long time!

Joe was shocked!

This was clearly Gale! Not a stand-in or another woman!

It was her!

Did she actually return to Sea City?

Why?

He never heard that Shawn found Molly!

Did Gale show up on her own initiative?

What happened?! Ten thousand doubts flashed through Joe's mind!

However, he could not say it! He could only hold it in his heart!

Gale looked at them, feeling a long-lost sense of familiarity welling up in her heart.

Summer was her best friend, and Joe was her former boss and ally, who even helped Joshua escape...

Now, she was finally able to meet them openly.

"Are you... a human or a ghost? Gale or...who?" Summer pushed Fiona aside, stepped forward quickly, and looked at Gale carefully. "Are you Gale's long-lost sister?"

"Well..."

"D*mn it!" Summer looked at her, even more horrified. "You even sound like her! You are better than Winnie, you imitate so much!"

"No, well, I..."

"Wait, why do you look so much like Gale?"

Summer walked around Gale up and down, left, right, left, right, back and forth.

She kept murmuring, "Like, it's so similar... Tsk tsk tsk, that's amazing. In comparison, Winnie was horrible. No wonder Shawn was able to spend the night with you.

Immediately afterward, Summer looked at Nicole again.

Summer said, "A family of three means, this is your daughter? She's already this old. It really amazes me. Not long after Gale passed away, you found new emotional sustenance."

Although Summer was very aggrieved in her heart, she could not hate Nicole's watery eyes and cute expression at all.

This little girl was too cute!

'I really want to pinch her face!"

Summer said, "It's really hidden. Since you have a new girlfriend and children, Shawn, what is the meaning of Winnie's existence? Do you really have a collection of Gales?"

"Obsessed?"

"You had to keep Winnie, you had to find Molly yourself, and finally, you had a baby with this woman."

"How dare you face Gale's tombstone?"

Only Summer has been talking endlessly. The others did not make a sound.

Joe's expression was quite strange as if he had swallowed a fly and it was stuck in his throat, unable to spit it out or swallow it down.

Chapter 739

Fiona did not dare to say anything.

Finally, Shawn said, "Hello, Summer, take a closer look at the woman in front of you."

Summer said, "There is a birthmark on Gale's waist. I took a bath with her as a kid, and I saw it. Such a private place, other people won't know."

Shawn raised his eyebrows deeply. "Why don't you go to the bathroom and have a

look?"

"Then it won't happen. The birthmark is unique and cannot be..."

Before she finished speaking, Summer suddenly stopped.

Something was wrong...

He dared to let her see the birthmark? That was to say. This woman was Gale!

Not someone else!?

Summer's jaw was about to drop from shock.

Gale looked at her and said, "Well, it's me. It's not someone else."

Summer took two steps back abruptly as if she had seen a ghost, and because of her excessive movement, she hit the end of the hospital bed, causing her facial features to be distorted in pain.

"Hey... Joe, pinch me and see if I'm dreaming!" she said.

She could not believe her eyes and ears!

This is Gale?

The Gale, who jumped from the yacht into the sea, and nobody could find her body?

A person who was obviously dead and now suddenly stood in front of them?

"Do you still need me to pinch you? I just did. Didn't it hurt?" Joe replied.

"It hurts!"

"That's right."

Summer was stunned.

Gale picked up Nicole. "Nicole, this is Summer, Mommy's best friend."

Nicole understood immediately and shouted sweetly, "Hello, Summer!"

"No, you should call her... Godmother. When Mommy was pregnant with you, she said she would recognize you as her g*ddaughter."

Nicole corrected, "Hi, godmother! My name is Nicole, and I am three and a half years old!"

Summer pointed at her, then at Nicole. "This..."

"What you see is real."

Gale put Nicole down, and Nicole ran over. "Godmother, hug!"

Summer was so dazed that she bent down subconsciously and hugged Nicole.

She was so fleshy and soft, and there was a milky smell on the child's body.

She... was a godmother?

Is Gale not dead? How did she come back?

The baby in her stomach was also born, and had it grown so big?

Too much information was stuffed into Summer's mind, and she could not figure it out.

Gale said softly, "Summer, it's really. I'm back... I can't explain what happened back then. But I'm really. The birthmark on my waist has always been there."

There are only a few people who know that she has a birthmark.

Peter, Shawn, and Summer.

Now, Fiona and Joe.

The eyes of the two of them subconsciously looked at Gale's waist.

Before he could stop his gaze, Shawn's knife-like eyes had swept over.

Even if she were still wearing clothes, he would not allow other men to stare at her waist!

If Gale had not slapped his hand away, Shawn would have already wrapped her arms

around her
waist!

Chapter 740

Fiona immediately moved away and looked around.

Joe coughed.

After a few seconds of silence, Summer suddenly cried, tears streaming down his face.

Nicole was frightened, so she quickly wiped it with her small hands. "Godmother, why are you crying? Do you not like me? Or am I too heavy? Don't cry, don't cry!"

Summer really wanted to say something, but when she opened her mouth, the tears fell even more fiercely.

Nicole wiped more diligently.

She did not know why she suddenly cried so sadly!

"Ohh..."

Summer couldn't stop her tears and kept crying. Nicole was terrified. She looked at Gale helplessly and innocently, asking Mommy for help.

Gale said, "Well, you scared Nicole."

"S*b..."

"Ah? Crying happily?"

"Yes. I'm so happy, I've been upgraded to become a godmother, and my Gale is back, s*b..." Summer replied while shedding tears.

She suddenly scolded again, "Gale, are you out of your mind? After the baby is born, everyone thinks you are dead so that you can live your own life with peace of mind.

What are you doing
back here!"

"It's hard to be around Shawn! What were you thinking!"

"Hasn't he treated you badly enough?"

"I said long ago, if you're still alive, don't come back!"

Shawn glanced at her lightly.

Summer stared back. "What are you looking at! I'm telling the truth!"

"Well, let me talk to you slowly in private. Don't cry."

Even Joe could not stand it anymore, took out a few pieces of paper, and wanted to wipe it for her, but held back and stuffed it into Nicole's hand.

Fiona swallowed. "Mr. Wood, I put the document on the table. Please take the time to review and sign it. I... I will go back to the company first, and I will pick up the document in the afternoon!"

She quickly slipped away.

She dared not watch this unfold.

Fiona was a wise individual. The less she knew about this kind of rich family secret, the better!

Knowing too much is not a good thing!

Joe also walked out and glanced at Shawn on the way.

He gestured with his eyes as though saying, 'Let's walk and talk.'

Shawn took a step forward.

At this time, space should be left for the two of them.

In the smoking zone.

Joe handed him one.

Shawn kept quiet.

Joe lit one himself. "Yo, that's strange. Mr. Wood, who usually runs to the ashtray, doesn't smoke anymore?"

"Neither she nor the baby can smell the smoke."

"Tsk tsd tsd... It's different to have a wife and a daughter."

Shawn nodded deeply. "Yes, you will know when you have one."

"Why are you showing off?" Joe looked at him, pretending to ask casually tentatively,

"Do you still want to find Molly now?"

"Are you looking for trouble?"

"Did I say something wrong? You are the one who visited the little town three times, and you are the one who scolded all the designers in the meeting room because of Molly. You have a deep obsession with Molly, and I thought you would continue to look for her."

Shawn looked at him like he was looking at a fool. "I just sent away Winnie. Why would I look for Molly? To embarrass me? To make Gale angry?"

"So what do you fancy in Molly? Isn't it because of her design talent?"

"In my final analysis, they are all just substitutes for Gale, and they are my pastime and psychological comfort when I don't have Gale," Shawn replied.
