

So Pure 1461

Chapter 1461: Zhao Ying's Admirer/ Unfair Treatment

"Boss? You finally remembered me?" Tian Donghua's resentful voice came from the phone.

However, he addressed Yang Ming exactly like Zhang Bing did.

"What do you mean I finally remembered you..." Yang Ming was anxious for a bit.

"You've ignored me for so long. I thought you were going to abandon me." Tian Donghua sighed like a sorrowful woman.

"I was out of the country before this..." Yang Ming had no choice but to repeat to Tian Donghua what he said to Zhang Bing earlier. "I had some matters, and just got back..."

"*Haha*, I'm just saying!" Tian Donghua's words were exactly the same as Zhang Bing's. "I'm just bored with the stress from work."

"Stress from work?" Yang Ming was stunned.

"I have started learning and handling the affairs of the Hongjun Group..." Tian Donghua said. "Uncle Sun can't handle it alone. He gets too tired every day."

"Are you in Donghai now?" Yang Ming oddly asked.

"Yeah, I have been here for more than a week..." Tian Donghua said. "Although it's busy every day, it is very fulfilling."

"So you are in Donghai. I thought you were in Song Jiang," Yang Ming said helplessly. "I initially wanted to ask you to have lunch with me at noon, but it seems impossible now."

"Noon... Forget it. It will take me more than an hour to drive back even if I speed," Tian Donghua said. "If I take the old highway, it will take more than three hours."

"I'm sure there will be a next time. You don't have to come back now," Yang Ming laughed. "Alright then, you carry on."

"*Hehe*. Boss, do come to visit me when you have time. I'm going to be exhausted to death." Tian Donghua was both happy and in pain. Although he was tired every day, this feeling of fulfillment made him incredibly satisfied.

Yang Ming shook his head and hung up the phone.

.....

"Sun Jie, here!" Zhao Ying waved to Sun Jie who was talking on the phone.

"Okay, got it." Sun Jie said a few words to Yang Ming over the phone and then hung up.

"Zhao Ying, how are you just finishing up with class? I have been waiting for you for a long time!" Sun Jie walked toward Zhao Ying.

"I came out long ago, but I couldn't bear to disturb you seeing how intimate you were on the phone," Zhao Ying teased. "Who is it? Is it your boyfriend?"

"Hehe..." Sun Jie smiled ambiguously. "Is Sister Xiao Qing not here yet?"

"Sister Xiao Qing is very busy. She said she can't come." Zhao Ying shook her head. "She seems to be busy with a project."

"En, I know. Some kind of wireless network protocol project." Sun Jie nodded. "Nevermind her then. We'll just go eat."

"What does Sister Sun Jie want to eat?" Zhao Ying asked.

"It's just the two of us, so anything will do. We can also go to the school cafeteria. I have not eaten there in a long time!" Sun Jie said after thinking for a while.

"Let's go to the cafeteria then." Zhao Ying nodded.

"Sun Jie, Zhao Ying! What a coincidence!" As Sun Jie and Zhao Ying were talking, a handsome young man walked toward them. It was a classmate from their computer class, Fan Jinzhe.

(For Fan Jinzhe, see section 1057. The beginning of the Iron Triangle)

"Hehe... Yeah, what a coincidence." Sun Jie was a lot more extroverted than Zhao Ying. She immediately answered when she saw Fan Jinzhe come over to chat. She especially accentuated the word 'coincidence'.

There was no doubt that Fan Jinzhe heard the sarcasm in Sun Jie's words. His expression turned awkward. To be honest, he was attracted to both Sun Jie and Zhao Ying. However, he was a little more attracted to Sun Jie!

There was no reason other than that Sun Jie's figure was too hot, especially her enormous breasts. This caused Fan Jinzhe to always use Sun Jie as the person for his fantasies. Although Zhao Ying did not have an inferior appearance to Sun Jie, her figure was still slightly inferior to Sun Jie's.

However, Zhao Ying looked more symmetrical. Sun Jie was leaning a little toward a dairy cow.

Fan Jinzhe knew that Sun Jie was not an ordinary woman after seeing her tricks a few times. She was not someone who could be pursued and charmed easily. So, Fan Jinzhe made the rational decision to focus on Zhao Ying. In contrast to Sun Jie, Zhao Ying was a lot more innocent and shy.

In particular, Fan Jinzhe had previously specialized in researching the physiological condition of women for some time. He could tell that Zhao Ying was a virgin while Sun Jie was no longer one. Therefore, Fan Jinzhe targeted Zhao Ying even more.

"You haven't had lunch, right? How about we go together?" Fan Jinzhe pretended that he didn't hear Sun Jie's hidden sarcasm. He then said, "Let's find a restaurant. It's my treat."

"No need. We'll just eat in the cafeteria." Sun Jie shook her head and rejected Fan Jinzhe's "good intentions".

"Don't be so quick to reject. Zhao Ying still hasn't said anything." Since Fan Jinzhe had already chosen his target, he didn't care about what Sun Jie thought and opposed her directly.

"I'm with Sun Jie. I'll also be eating in the cafeteria." Zhao Ying had no choice but to speak at this time. Although she really hated Fan Jinzhe, he would surely chatter endlessly if she didn't hold her ground at this time.

"This..." Fan Jinzhe was even more embarrassed. "Let's eat in the cafeteria then. I will also eat there as well."

"Suit yourself." Sun Jie gave him a sideways look. She exclaimed silently. *He really isn't scared of death. If Yang Ming were to see him clinging onto me, he would beat him up to the extent where his own grandmother wouldn't even recognize him.*

As a result, Sun Jie and Zhao Ying walked together in front with Fan Jinzhe following behind. They formed a weird tail-walking state.

"Why is he so annoying?" Zhao Ying frowned. She didn't really know how to properly handle her admirers. It was also like this with Jin Gang previously, but Yang Ming ended up helping her deal with him.

"His target is actually you, Zhao Ying. I just got dragged into it" Sun Jie shrugged. "However, Zhao Ying, you don't have a boyfriend either. How about you consider him? I heard that he opened up a company outside of school. The company is also worth around several million, and they make an annual profit in the hundreds of thousands!"

"Why don't you think about it, Sun Jie?" Zhao Ying shook her head.

"Don't I already have a boyfriend? You also heard us on the phone just now!" Sun Jie said. "As for you, I have not seen you get intimate with any boy..."

"Me... *Sigh* ." Zhao Ying sighed. "Didn't I tell you before? I like a boy, but... He and I... Forget it, let's not talk about it."

"What's wrong? Why don't you want to talk about it?" Sun Jie heard half of what Zhao Ying said, and was a little curious. This was the first time that Zhao Ying had brought up relationship matters with her. Zhao Ying had always avoided this topic before. They coincidentally ended up talking about this today, and Zhao Ying did, in fact, spit out some of her thoughts.

"It's nothing much..." Zhao Ying shook her head. "Let's talk about it later. The person behind us is exasperating. How can I talk about anything else with him here?"

"Let's get rid of him at the cafeteria later." Sun Jie frowned. She couldn't do much to someone like Fan Jinzhe. He was like a chewing gum that was impossible to get rid of after it stuck onto you.

Zhao Ying nodded. Both of them quickened their pace and walked toward the cafeteria. Fan Jinzhe behind them didn't know why they walked quicker but he also hastened his steps and chased after them.

After they entered the cafeteria, Sun Jie was quick to find and sit at a table for two. In this way, they could avoid Fan Jinzhe sitting next to them shamelessly.

Sure enough, Fan Jinzhe frowned when he saw that Sun Jie had chosen a table for two. *This woman, the person I want to pursue is Zhao Ying and not you. Why are you meddling in this? If not for your beauty and amazing figure, I would have scolded you long ago!*

Fan Jinzhe was upset and could only sit at the table next to Zhao Ying. Although it was more than a meter away, it was the nearest one and he could at least see them from a distance.

"I'll guard the seat here. Will you go get the food?" asked Sun Jie while looking at Fan Jinzhe who tailed her.

"You go... I'm afraid he will follow me and end up paying for my food. If that happens, I am afraid I can't handle it ..." Zhao Ying said worriedly.

"Well, then, you stay here. I'll go buy," said Sun Jie as she prepared to get up. "What do you want to eat?"

"Alfalfa persimmons, and a small portion of rice..." Zhao Ying said.

"So simple?" Sun Jie asked, wondering why Zhao Ying only wanted so little.

"I can't eat much at noon..." Zhao Ying shrugged and lowered her voice. "Who can stomach anything when a fly is watching beside us?"

"Hehe, okay then!" Sun Jie couldn't help but smile when she heard Zhao Ying describe Fan Jinzhe as a "fly".

Chapter 1462: Zhao Ying's Love History/ Two Acquaintances

"I was sitting here before!" Fan Jinzhe explained patiently, "I was sitting here, and then I went to order my meal!"

"That's funny. Do you think that this place is yours just because you sat here before?" The girl laughed.

"Then, if I say that I sat here yesterday and the day before yesterday, is it still considered mine today?"

"Fellow student, can you change your seat? Sitting over there is the same!" Fan Jinzhe said while trying to control his anger.

"Why should I change there? Why don't you change? Isn't it the same if you sit over there?" The girl retorted.

"You-you're an annoying troublemaker!" Fan Jinzhe did not expect that he would be so unlucky today. First, he was played by the chef serving the dishes, and then his seat was taken by someone else. The person who took his seat was now twisting his words.

"I am an annoying troublemaker? Can you be careful with your words? This is a public cafeteria. Is your brain damaged?" The girl frowned. "This is my current attitude. If it was the same as in the past, *Hmph!*"

"If it was the same as in the past, then what? Are you trying to threaten me?" Fan Jinzhe was embarrassed about being threatened by a girl in front of Sun Jie and Zhao Ying. "Do you even know who I am? I, Fan Jinzhe, am a famous person in this school!"

"Have you finished? Beat it." The boy sitting opposite the girl was really irritated by Fan Jinzhe's pesky attitude. He picked up the alfalfa persimmon on Fan Jinzhe's tray and smeared it onto Fan Jinzhe's face straight away. "Get out of here if you don't want to die!"

The girl was Ge Xinyao and the boy was Bi Hai who had come to school to visit her. Both of them finally shared a meal together in the school cafeteria and were enjoying the pleasant experience of college life. All these were disrupted by Fan Jinzhe. How could Bi Hai take things lying down?

Initially, Bi Hai did not want to cause a scene. However, this Fan Jinzhe did not know what was good for him. Until the end, he was arrogantly boasting about how famous he was. Bi Hai could not help it and struck Fan Jinzhe on the face with his plate.

All of a sudden, a plate of hot vegetables doused Fan Jinzhe from top to bottom, covering his eyes and nose. Fan Jinzhe was dumbfounded!

He did not expect the boy sitting to react physically without warning. He instantly suffered a calamity. *Isn't this too fast?*

"You-you-" Fan Jinzhe pointed at Bi Hai. He was speechless with anger. "Who are you? Do you dare tell me your name? I, Fan Jinzhe, will remember this incident today!"

"My name is Bi Hai!" Bi Hai answered. "But I don't study here. If you want to seek revenge, look for Li Jin Gang first. He can find me!"

Li Jin Gang was an outstanding student in the Department of Physical Education. He was strong and good at fighting. He was well-known throughout the school. Fan Jinzhe had heard of Li Jin Gang's reputation. He even met up with Li Jin Gang to have dinner through a friend.

Fan Jinzhe's face changed at the mention of Li Jin Gang's name. Since Bi Hai knew Li Jin Gang and dropped his name casually, the two must be close friends. Otherwise, he would call Li Jin Gang as Brother Li like everyone else.

Fan Jinzhe was in a dilemma at this moment. How could he dare to offend Li Jin Gang? In this school, there were only one or two people who were not afraid of Li Jin Gang.

Under normal circumstances, Fan Jinzhe would say courteous words, and the matter would be over. He would not pursue the matter further. However, this day was different. Sun Jie and Zhao Ying were watching from the side. Wouldn't Zhao Ying and Sun Jie mock him if he admitted defeat?

Thinking of this, Fan Jinzhe gritted his teeth. "Who is Li Jin Gang? I don't know him. Stop talking nonsense! You must apologize to me today. Otherwise, don't think about leaving here!"

"What if I don't apologize?" Bi Hai laughed upon hearing this. "Ignore the fact that you are the one who started it. Even if I am the one who started it, you just have to take it. As for today's incident, I would like to see what you can do to me?"

"I..." Fan Jinzhe did not expect Bi Hai to be so tough. He did not have a solution at this time. After all, when it came to fighting, he was no match for Bi Hai, who was stronger than him.

"I will count to three. Get out of here before I finish!" Bi Hai frowned. "One... two..."

"I..." Fan Jinzhe's face turned purple. He felt that he had suffered remarkable shame and humiliation, but he was afraid to resist.

"Zhao Ying, let's go. We are not eating here," said Sun Jie watching Fan Jinzhe from the side with disgust.

"Okay, let's go." Zhao Ying nodded, picked up the plate in her hand, and stood up. She and Sun Jie found another spot and sat down, away from Fan Jinzhe.

Fan Jinzhe saw that Sun Jie and Zhao Ying had left. He felt that it was meaningless for him to act tough here. So, before Bi Hai said "three", he quickly said, "I'll go, I'll go now!"

After saying that, Fan Jinzhe left Bi Hai's table dejected.

Sun Jie and Zhao Ying were now sitting in the crowd. More and more people were filing into the cafeteria. There were already people around them. Fan Jinzhe could not squeeze in even if he wanted to. After his experience with Bi Hai, he dared not just grab other people's seats. Moreover, even if there was a free seat nearby, Zhao Ying and Sun Jie would be even more disdainful if he sat on it in his current state.

Fan Jinzhe stomped out of the cafeteria grudgingly and thought in his heart, *Why am I so unlucky today? In the future, I will need to check the almanac before going out.*

"Fan Jinzhe met a savage person," Sun Jie said with laughter as she shrugged her shoulders. "Those two people over there helped you solve a big problem."

"It is his fault and he cannot blame others. Why is he so overbearing?" Zhao Ying did not show even the slightest sympathy for Fan Jinzhe.

"Hehe, okay. There are no outsiders around us now. You can now tell me about your relationship matters, right?" Sun Jie asked in a nosy manner.

"I..." Zhao Ying immediately felt embarrassed. She did not expect Sun Jie to remember this matter. However, she had promised Sun Jie before, so it would be awkward to reject now. She had no choice but to say, "Okay, I will tell you about it. However, you are not allowed to tell others!"

"Relax, I won't tell anyone," Sun Jie quickly promised.

"I... Actually, *ai*, how do I say it?" Zhao Ying sighed with slight remorse. "I do like someone, but he likes someone else..."

"En..." Sun Jie nodded. Zhao Ying had vaguely mentioned this before, but she did not go into detail. "What you are trying to say is that he has a girlfriend, right?"

"En en!" Zhao Ying nodded when she saw that Sun Jie understood what she meant.

"Then, does he like you?" Sun Jie asked.

"He..." Zhao Ying blushed and lowered her head. She said in a soft and inaudible voice, "I think he likes me..."

"Oh, I get it. You got tangled up with him having a girlfriend, but he likes you. You like him too, but his girlfriend is the obstacle for you two to get together?" Sun Jie nodded and said. "Is that so?"

"Probably..." answered Zhao Ying with a blush.

"Then, does he like his current girlfriend?" Sun Jie asked again. "In other words, are you able to make him break up with his girlfriend and make him yours? Or, do you know why he is in a relationship with his current girlfriend? Is it due to responsibility or something else?"

"Break up?" Zhao Ying smiled and shook her head with a bitter smile. "I'm afraid that's impossible. He also likes his girlfriend...and he does not have only one girlfriend!"

"... That is so valiant..." Sun Jie frowned, and could not help but think of Yang Ming.

"I think I told you last time..." Zhao Ying found it strange that Sun Jie reacted coolly. Most people will be more or less surprised when they hear such a shocking matter.

"I think you have said it before?" Sun Jie could not remember whether Zhao Ying had told her or not. "However, for such a man... You need to think it through carefully. If you decide to choose him, then don't regret it. If you feel that you can't accept it, then do not develop your relationship since you are not together with him yet."

"I... I have decided. I will not regret it." Zhao Ying nodded firmly. However, afterward, she felt a little awkward, and her face blushed from shyness.

Chapter 1463: One Wicked Person Can Only Be Dealt With by Another Wicked Person/ Dejected

Yang Ming smiled and parked his car at a temporary parking spot on the side of the road. He took out a large wrench from the trunk and walked towards Chen Xiaolong.

Chen Xiaolong was venting at the taxi driver. So, he did not notice Yang Ming approaching. Chen Xiaolong still didn't notice when Yang Ming neared because he was already surrounded by people. He did not bother to pay attention. He was ranting away while beating the Jetta taxi's bonnet, pointing at the taxi driver and shouting, "Have a look. Look closer. Your pathetic car is just an old Jetta model. How can it be compared to my BMW? If your car is a Mercedes-Benz, or even perhaps an Audi, I will not say anything if I am hit by it. The point is that you are driving an old car without being self-aware. If I were you, I would be ashamed of myself!"

The taxi driver stood there helplessly with a bitter smile on his face. He could only wait for the traffic police and the insurance company to deal with the problem. He did not answer because he knew that a prodigal child like Chen Xiaolong was extremely arrogant. There was no use in answering as it would only make Chen Xiaolong scold him even more ferociously.

The taxi driver was pondering at this moment. He would rather remain silent for now. *Let him scold for now. He will eventually shut up once he is done scolding.*

However, who could have known that Chen Xiaolong would curse even more ferociously seeing that the taxi driver remained silent, “Are your eyes on your feet? Let me tell you. So what if it was my car rammed into yours. Even if I crashed into your car, it’s no big deal. I’ll compensate you with a new one. But, can you pay me back for my lost time? I’m a very important person. Every minute is critical to me. How can a nobody like you be compared to me?”

“Clang!” There was a loud sound. Just as Chen Xiaolong uttered his words, Yang Ming smashed the windshield of Chen Xiaolong’s BMW with his wrench. The unreinforced windshield shattered into pieces.

Chen Xiaolong immediately turned his head around when he heard the loud noise. What he saw was Yang Ming holding a wrench and smirking at him! Chen Xiaolong was enraged immediately. *Wasn’t Yang Ming summoned by my father? How could he turn up here? Isn’t this just too screwed up?*

“You—Yang Ming, what are you doing?” Chen Xiaolong’s car was brand new and had just been involved in a crash with a taxi. Although the damage was not serious, it had made his heart ache. Now, Yang Ming had smashed the windshield glass. Chen Xiaolong’s heart felt even more pained. *My car...The car I was going to use to pursue Chen Mengyan...*

However, Chen Xiaolong did not dare to act impulsively when it came to Yang Ming. Nor did he dare to scold him harshly just like he scolded the taxi driver! He knew that Yang Ming had the reputation of being a fighter king. Without his two bodyguards at his side, he did not dare to provoke Yang Ming!

If Yang Ming beat him up regardless, wouldn’t he be extremely unlucky?

However, Yang Ming ignored Chen Xiaolong and waved at the taxi driver, “Hi, Brother Kun. It’s been a long time.”

“Yang Ming?” The taxi driver was Sun Kun, the taxi driver whom Yang Ming had met in high school. He had driven Yang Ming and Zhao Ying home and had also driven Yang Ming and Chen Mengyan together...

After that, Yang Ming had his own car. So, there was no need for him to take a taxi. In addition, Yang Ming was getting more and more busy lately and had no time to do anything else. Hence, he had not contacted Sun Kun for a long time.

Unexpectedly, they met in such unusual circumstances here. Sun Kun was obviously surprised! He used to have a deep friendship with Yang Ming but the two of them gradually grew apart. He thought that Yang Ming disdained their friendship after he got into college. He did not take this to heart but felt slightly sad sometimes when he reminisced about the past.

But he had met Yang Ming again out of the blue. It was obvious that Yang Ming was here to help. This made Sun Kun feel extremely touched. It seemed that Yang Ming had not forgotten about him.

“This kid is stupid. There’s a problem with his IQ. He is exactly like his old man. Just because they have money, they find ways to flaunt it,” Yang Ming pointed to Chen Xiaolong and told Sun Kun.

“Heh...” Sun Kun could not help but laugh when he heard Yang Ming’s words. His heart felt comfortable after hearing Yang Ming insult Chen Xiaolong. After all, he had been holding back his anger as he was scolded Chen Xiaolong for quite some time.

Chen Xiaolong heard Yang Ming call him “stupid”. Although he was angry in his heart, he dared not rebuke. Yang Ming had dared to lock horns with Seventh Grandfather Chen in front of guests from the Chen Family Village. Chen Xiaolong knew that he was not as blatant as Yang Ming when it came to being this ruthless.

“Yang Ming, why are you wrecking my car?” Chen Xiaolong asked while choking with anger.

” *Oh*, no reason. I just did it.” Yang Ming shrugged his shoulders.

“You-” Now Chen Xiaolong felt the same helplessness that Sun Kun did earlier. He was extremely angry yet he dared not say anything.

“Aren’t these your words? If his car is better than yours, then he can ram and or even smash your car. Didn’t you say that?” Yang Ming patted the wrench in his hand and looked at the crowd at the side with a faint smile, “Isn’t this what he said? Did everyone hear it?”

Previously, the onlookers were afraid to criticize Chen Xiaolong’s behavior even though they were angry with him. Suddenly, a stronger person had appeared and extinguished Chen Xiaolong’s anger instantly. Naturally, these people felt great relief and were clapping and cheering in their hearts.

Yang Ming appeared more dominant at this time, especially when they saw the big wrench in his hand. So despite their reluctance to offend Chen Xiaolong, they all agreed and said, “Yeah, that’s what he said!”

Once someone spoke first, the others did not care. They unanimously said, “Yeah, that’s right. He said it before. As long as someone else’s car is better than his, it won’t matter if they wreck his car !”

Chen Xiaolong’s face turned green. He never expected the silent onlookers to suddenly start supporting Yang Ming! However, Chen Xiaolong was not stupid. Yang Ming was dominant at this time. Of course, everyone would side with him.

He did not want to cause public indignation and be beaten by a group of people.

“Okay, even if I did say this, where is your car? Do you have a car?” Chen Xiaolong asked with a grimace, “Don’t tell me, you’re driving around on a bicycle?”

“If it is a bicycle, you will know immediately,” Yang Ming said lightly. “Since you want to know whether I have a car, then I will show you as you wish.”

After saying these words, Yang Ming turned around and walked towards his car. The onlookers did not find it strange and had understanding looks when they saw Yang Ming walking towards a BMWX5. In their opinion, Yang Ming had dared to challenge Chen Xiaolong because he was more powerful than Chen Xiaolong.

But, Chen Xiaolong’s face was gloomy and he shot a disbelieving look at Yang Ming. He did not believe that Yang Ming owned a better car. That was why he had questioned Yang Ming in such a manner before. However, when he saw Yang Ming walking towards a BMWX5, an unpleasant feeling stirred in his heart.

As for Sun Kun, although he was a little startled, he was not surprised by it. He had long suspected that Yang Ming was someone extraordinary who would go far in the future. Hence, he was not surprised at all that Yang Ming possessed a car.

Chen Xiaolong was extremely skeptical. He watched Yang Ming unlock the BMW car with a remote control! Chen Xiaolong showed a terrible look on his face.

Sure, he said before that he would not mind his car getting wrecked by someone who had a car better than his! But, that was just for Sun Kun. That was on the premise that Sun Kun's car was worse than his car. That was why he dared to make such a loud challenge!

Moreover, he did not think that someone would stick up for Sun Kun at this time. After all, most people would be unconcerned and would let the matter rest. Who would be so free as to help Sun Kun and trouble themselves?

However, he did not expect that he would meet Yang Ming here coincidentally. Yang Ming had really butt in! As a matter of fact, he thought that Yang Ming had taken this opportunity to seek revenge seeing as they were in conflict. So, he used words to run Yang Ming down. He told Yang Ming that what he meant by his previous words was that Yang Ming could only smash his car if he possessed a better car than him. If Yang Ming did not have a car, it would be best for him to leave immediately!

So, that was why he asked Yang Ming in such a manner. His purpose was to ask this malefic comet [1] to immediately leave the place and not butt into this matter. However, he did not expect that Yang Ming actually drove a BMWX5. Although Yang Ming was driving a BMW just like him, the gap between the two was too wide. One was three hundred thousand and the other was one million. Even those who did not know anything about cars could notice the difference in quality between the two.

Chapter 1464: Sun Kun's Troubles/ I Have Stopped Being A Boss For Many Years

"Driving a taxi is not bad. Didn't our city undergo massive road repairs earlier this year? Many people take the taxi when they are going somewhere, right?" Yang Ming laughed.

"It's true, but... ai. Maybe, I am unlucky. I am hooked up with such a rental company with high costs. I can't manage it!" Sun Kun smiled bitterly. "My son will soon start going to primary school. I still have not saved up enough for the school fees which are due in the second half of this year."

"High cost? Haven't you fully paid for your car?" Yang Ming was a little startled.

"I have fully paid for it. My company charges high fees. My contract expires this year but the rental company still won't let me go. I want to transfer to another company. But, they did not give me a release certificate... They forced me to renew my contract." Sun Kun smiled bitterly. "There are a lot of unreasonable collateral terms in this contract. However, for people belonging to a disadvantaged group like us, there really is no other way...The boss of the rental company is someone with wealth and power. I can't afford to offend him..."

"You cannot leave despite your contract expiring?" Yang Ming frowned. "Which rental company do you work for?"

"The Dade Elegant company..." Sun Kun said.

"I haven't heard of it..." Yang Ming shook his head.

"You're not in this industry. Of course, you won't know," Sun Kun laughed. "No big deal. I can scrape together enough money. It's just that the money for my child's preferred school is still insufficient. I will enroll him in a primary school within the school district first. I will then transfer him to another school when I save enough money in the future."

"Why didn't your company release you? Did you breach the contract before?" Yang Ming nodded and asked.

"That's not the case. The rental company just unilaterally refused to let anyone go. If everyone leaves, how is the owner going to make enough money to pay off his debts?" Sun Kun said. "There are a lot of workers with a similar predicament in the company. However, those with relationships and networks managed to leave the company once they were able to request influential people to speak to the boss."

"If that's the case, I'll accompany you to have a look this afternoon." Yang Ming said after he thought about it for a while. This was Sun Kun's matter. Had it been someone else's, Yang Ming definitely would not care about it. Every industry had its own unspoken rules. Yang Ming was not a hero. He would not interfere unless there were great interests at stake. It was just like how some of Bao Sanli's industries were in the gray area in the past. Yang Ming just let him gradually end the business and did not force him to do otherwise.

"You?" Sun Kun hesitated, then immediately realized that the present Yang Ming was different from the past. Maybe, he could solve the problem. So, he said, "That's great! If I can transfer to another company, I am more than willing to pay a small fee!"

"Let's head over there first." Yang Ming waved his hand.

Sun Kun nodded his head and thought in his heart that Yang Ming was still inexperienced in the taxi industry even though he was to how he was in the past. It was uncertain whether Yang Ming would be able to help out. However, Sun Kun was touched by Yang Ming's enthusiasm.

Yang Ming and Sun Kun ordered the dishes first and waited for Zhang Bing to arrive. Not long after, Zhang Bing, Zhao Sisi, Chen Mengyan, and Lin Zhiyun entered the open-air stall.

Sun Kun saw Chen Mengyan and Lin Zhiyun laughing and walking together into the open-air stall. Suddenly, he was amazed. If he remembered correctly, these two women were in a relationship with Yang Ming and yet they actually came together at the same time. Furthermore, they were talking and laughing together. Sun Kun was surprised. Could it be that one of them has given up and so the two of them reconciled and became friends?

"Boss, what did you do to your car? How did you crash it to the point of ripping off a large section of paint?" Zhang Bing blurted as soon as he entered the door and saw Yang Ming. "There is a taxi next to your car, which also has paint ripped off. Did you both crash into each other?"

"Brother Kun," Chen Mengyan and Lin Zhiyun greeted. They had both met Sun Kun with Yang Ming in the past and they were somewhat surprised to see him here.

"Chen Mengyan... Lin..." Sun Kun knew Chen Mengyan but couldn't call out Lin Zhiyun's name. Yang Ming had just ridden Sun Kun's car with Lin Zhiyun once and they didn't interact with each other much.

Lin Zhiyun's name was not even mentioned in the main storyline of "So Pure So Flirtatious". It was not unusual that Sun Kun could not call out Lin Zhiyun's name.

"Lin Zhiyun, my girlfriend," Yang Ming introduced her to Sun Kun.

"Girlfriend?!" Sun Kun's eyes widened and he gazed at Chen Mengyan, baffled. He felt peculiar deep down his heart when he saw that Chen Mengyan did not show any strange expression on her face. Could it be that this Yang Ming has two girlfriends? Are both girlfriends at peace with each other? This is too unbelievable, right?

"Brother Kun," Lin Zhiyun also gave a friendly nod to Sun Kun.

"Oh... Hello, Lin Zhiyun." Although Sun Kun still had doubts in his heart, he did not feel that it was appropriate to ask too many questions. He could only keep his questions to himself and nod to Lin Zhiyun.

"Zhang Bing, my dear brother," Yang Ming said to Sun Kun as he pulled Zhang Bing over and patted him on the shoulder. "I mentioned him to you before. It's just that we didn't have the chance for all of us to get together."

"Brother Kun, I heard my boss talk about you. When he didn't have his own car, he would always ride in your car to come to my house," Zhang Bing said with a smile. "This is my girlfriend, Zhao Sisi!"

"Brother Kun," Zhao Sisi smiled and nodded to Sun Kun.

The dishes were served when everyone was seated, the dishes were served. Yang Ming skipped the pleasantries and started to nibble on a crab. Everyone then began to help themselves to the food. Unwittingly, Yang Ming had slowly become the head of the lunch table with everyone following how he acted.

This made Yang Ming a little helpless, but it could not be helped. His status had changed, and it was no longer possible to be the same way as before. Although Sun Kun had already adapted to the current situation, he was not as open and relaxed as before.

Because there were matters to attend to in the afternoon, nobody drank any alcohol. After lunch, Yang Ming asked Zhang Bing to take Chen Mengyan and the others back to school. He then accompanied Sun Kun to his rental company to see if he could solve the problem.

"Let's go, Brother Kun. You lead the way, I will follow," Yang Ming said to Sun Kun when they stepped outside the open-air stall.

"Let's go!" Sun Kun would never go to the company alone because he knew very well that the boss had hired some suspicious people. He had clearly seen a car supervisor beaten up and thrown out by these suspicious people the last time he was there.

Obviously, these people were no different from punks. They were rude and unreasonable. Sun Kun was afraid of them. If Yang Ming was not there, he would not dare to mention anything about transferring to another company.

Sun Kun led the way with Yang Ming following behind. They soon came to a three-story building that was located in a cheaper neighborhood. There was a sign on the three-story building that read “Song Jiang City Dade Elegant Taxi Company”.

Sun Kun parked his car in front of the building. Yang Ming parked his car next to him.

“Yang Ming, here we are...” Sun Kun said to Yang Ming after he got off. “Don’t be impulsive after you enter. The people here are not good people. It’s scary. These people are like the underworld criminals. There are many thugs. We better not have a direct confrontation with them.”

“Thugs, you say?” Yang Ming looked at the three-story building and sneered in his heart. If Yang Ming was still the past little hooligan, he might have been frightened. However, Yang Ming now was a person who had annihilated the Goldenhawk Gang headquarters. Why would he be bothered by such petty nobodies?

“Yes, you can have a look in a moment. It’s okay if you can not find a solution. I can still get by driving for this company. I just need to pay more expenses and earn less, but I can still survive,” said Sun Kun.

Yang Ming understood the situation of Sun Kun’s family. His wife had divorced him, leaving him to raise the children alone. It really was not easy. This was the main reason why Yang Ming wanted to help him.

“Let’s go in and take a look.” Yang Ming nodded, motioning Sun Kun to lead the way.

Sun Kun was familiar and entered the company with ease. The guard on duty at the reception room door glanced at him and recognized that it was Sun Kun. He then lowered his head and ignored Sun Kun.

Yang Ming followed Sun Kun to the second floor and came to a room with a “business consultation” sign. Sun Kun knocked on the door.

“The door is unlocked! Come in yourself!” An impatient male voice yelled from the inside.

Sun Kun was not bothered. Apparently, he was accustomed to it. But Yang Ming frowned. This attitude was too nasty. From what he knew, the original purpose of the taxi companies was to serve the taxi drivers. Now, it seemed that there were some black sheep among them.

Chapter 1465: Brother Liang Is Here/ Opening Up A Zoo

“Yang Ming...Why are you so impulsive...? Ai!” Sun Kun was a little apprehensive when he heard Zhao Dabao calling for backup. He had seen those people that Zhao Dabao mentioned. They were outlaws. Furthermore, there were tattoos all over their bodies!

When those people come later on, are Yang Ming and I even their match? Even if Yang Ming is good at fighting, what Zhao Dabao said made sense. Can you deal with a large group of people alone? Furthermore, all of them wield weapons!

Therefore, Sun Kun was a little scared and he quickly persuaded Yang Ming, “Yang Ming, let’s go. Let’s not mention transferring to another company again.” Then, Sun Kun turned to Zhao Dabao and said, “Brother Zhao, I’m not going to transfer to another company anymore. I’m leaving now. Please don’t call anyone...”

“Not transferring to another company?” Zhao Dabao coldly snorted. “Do you think that this matter is over just like that just because you don’t want to transfer to another company today? Let me tell you. It’s not that easy for you to leave today! How can I not serve my previous boss? Am I right, Boss Yang Ming?”

“Brother Kun, don’t talk nonsense with him. If he wants to get other people, then let him!” Yang Ming shrugged his shoulders and did not take Zhao Dabao’s threat seriously at all. He seemed quite relaxed.

“This...” Sun Kun saw that Yang Ming was still very confident. He could not help but let out a sigh and think in his heart, Yang Ming is just like a newborn calf. He does not fear the tiger. Although Yang Ming may be rich now and he managed to subdue Chen Xiaolong, what can he do when he is facing a group of fiendish hoodlums?

“Hehe, Boss Yang, since you are not going to kneel and kowtow, then don’t blame little me for not considering your feelings!!” Zhao Dabao coldly snorted. “Don’t be arrogant now. Soon, you will get the chance to be refreshed!”

Yang Ming only faintly smiled and did not answer Zhao Dabao. It was meaningless to say anything now. Yang Ming could not be bothered to explain.

At this moment, the office’s door was flung open with a bang. Five young men rushed in. Some had dyed their heads, some wore large earrings, and some had tattoos on their faces. All of them held an iron rod in their hands. The leader shouted as soon as he entered the door, “Big Snot Zhao, what’s going on? Who’s making trouble here?”

“Brother Liang, you’re finally here, great!” Zhao Dabao’s face lit up upon seeing his backer. He immediately pointed at Yang Ming and said, “Brother Liang. Take a look. We have an old acquaintance here. Do you still remember him?”

Brother Liang looked to where Zhao Dabao was pointing and saw Yang Ming standing there with a smile on his face. Suddenly, he was shocked and looked horrified.

“He came to me with this guy, Sun Kun, to help him transfer company. Crap, he still thinks that he is still the boss now? I gave him face to make him leave quickly. But, he is so arrogant. Instead, he beat me up!” Zhao Dabao did not see Brother Liang’s face and kept on saying, “Little me cannot accommodate him anymore. He does not even consider what age this is. Does he still think this is like school? Does he still think he is the boss? All of us are his underlings? I presented him with a song. I have not been a boss for many years... I do not love being on the cold bedside...”

Zhao Dabao started singing again, as he was pumped up from talking.

“You... you...” Brother Liang pointed at Zhao Dabao. He was speechless with anger. His body was shaking and his heart racing. Are you blind?! Are your eyes on your butt? What type of person did you provoke? You have a death wish but I don’t!

Brother Liang became anxious when he heard Zhao Dabao continuing to sing. He waved at the people behind him and yelled, “Go, beat him up! Beat him to death! What a blunder. I am pissed...”

“Yes!” Three of the four men raised their arms and were ready to fight Yang Ming after hearing Brother Liang’s order. Only one of them yelled and charged at Zhao Dabao. He grabbed an iron rod and turned Zhao Dabao’s face into a bloody mess before letting him fall to the ground...

The three men behind him were about to start a fight with Yang Ming, and were startled when they saw the other man’s actions. They froze and stared incomprehensibly at the man who beat Zhao Dabao.

“What are you three doing? Quickly move!” Brother Liang was instantly enraged and screamed at them when he saw the other three men standing foolishly at the side.

“Where... where to...” The three men were stunned, “Brother Liang, who do you want us to beat?”

“Whoever little punk beat, you all follow suit. Otherwise, who else will you beat? Brother Yang? Of course, you should be beating up that little rascal Big Snot Zhao!” Brother Liang growled.

“Yes...” The three underlings did not know why Brother Liang suddenly asked them to beat Zhao Dabao. Zhao Dabao was one of their own. Was he not the one who called them to beat up the troublemakers? But, since little punk had already started beating Zhao Dabao, then it was undeniably correct. This little punk was the first to follow Brother Liang and was Brother Liang’s confidant! It was correct to follow his lead.

Therefore, these three people stopped asking. They picked up the iron rods and surrounded Zhao Dabao. Zhao Dabao suddenly panicked. He did not expect Brother Liang to beat him up after he came in. What is going on here?

Is this current Yang Ming still worthy of Brother Liang’s respect? Is Brother Liang someone who considers old friendships? Brother Liang does not seem like that. Previously, there was someone who was Brother Liang’s past acquaintance who came here to intercede with Brother Liang. The matter was also over the expiration of the taxi contract. However, Brother Liang brought other people to beat him up and scared the hell out of him. He was then thrown out of the company. What happened today?

Before Zhao Dabao managed to understand what was going on, the rod landed and hit his body!

“Ouch-” Zhao Dabao suddenly bawled in pain.

These people were all professional thugs. They knew how to beat someone up with excruciating pain, but avoid killing them. So, although Zhao Dabao felt like he was hurting to the point of death, the beating wasn’t fatal and he didn’t even faint. He was suffering as he wailed like a ghost and howled like a wolf.

Sun Kun was also stunned by the sudden turn of events in front of him. What’s happening here? Why did the people summoned by Zhao Dabao beat him up violently instead of Yang Ming? Why is this matter so weird?

As for Yang Ming, he was feeling amused! He was thinking that when Zhao Dabao’s people arrived, he would have no choice but to fight. But only after Zhao Dabao’s people arrived did Yang Ming realize that these people were also acquaintances!

“Brother Yang, I’m so sorry. There is snot in Big Snot Zhao’s eyes. He doesn’t know that it was you, Brother Yang, who came in. I have already taught him a lesson. Brother Yang, please do not be angry!”

Brother Liang's heart was very anxious at this moment. He really had the urge to beat Big Snot Zhao to death. Of all the people to provoke, you had to provoke such a great legend. Furthermore, you knew that it was Brother Yang from the start and yet you still dared to act so irresponsibly. Aren't you suicidal?

This song "I haven't been a boss for many years..." What is the meaning of this? Isn't this being sarcastic to him?

This Brother Liang was the little hooligan that Yang Ming had encountered at the school gate, Zhang Yuliang. The little punk was the little punk who followed Zhang Yuliang at that time. These two people were Yang Ming's old acquaintances.

Zhang Yuliang had mingled around the underworld for a while. Suddenly, a distant relative who ran a taxi company approached him and asked him to send a few brothers to the town. So, Zhang Yuliang transformed into a taxi company assistant manager.

Zhang Yuliang's punk-like attitude and methods had successfully intimidated many taxi drivers. The relatives were actually quite pleased. They gave quite generous bonuses to Zhang Yuliang, making him as pleased as Punch!

However, tragedy strikes at the time of pride. This sentence was simply the truth! Extreme joy begets extreme sorrow [1]. What did extreme joy begets extreme sorrow mean? Zhang Yuliang felt that this sentence described his life perfectly.

Was this Brother Yang an ordinary person? When Zhang Yuliang was a small hooligan, he was beaten up by Yang Ming. Later, he heard that Yang Ming and Bao Sanli had a good relationship!

Who was Bao Sanli? His distant relative, who was the manager of the taxi company, had sucked up to Bao Sanli but could not establish a connection. He could not afford to offend Bao Sanli. However, Zhang Yuliang suddenly thought of something. Did Big Snot Zhao not sing the line "I haven't been a boss for many years" to Yang Ming?

This Big Snot Zhao actually repeated the same mistake... It seems that Big Snot Zhao can not be blamed for this matter. In the past, didn't I also not know how powerful Yang Ming was?

"This Big Snot Zhao seems to be just like you? Do you remember the time when you were finding faults with me? You also sang what boss to me," Yang Ming squinted and looked at Zhang Yuliang with a faint smile.

Chapter 1466: Glad to be Beaten Up/ Preventing Accidental Harm

This Zhang Laibao usually treated Zhang Yuliang well, so Zhang Yuliang still explained patiently. If it was another person, Zhang Yuliang would have ignored him.

"Bao Sanli... Hou Zhenhan..." Zhang Laibao repeated those two names. His face suddenly paled. He was almost fully sober from the drunkenness, "Liangzi, what did you say? Say it again? He... He is with Brother Bao? "

"Yeah..." Zhang Yuliang nodded with a wry smile, "Fourth Master, we ..."

"You wretch. Why didn't you say it earlier!" Zhang Laibao's heart twitched and his eyes almost rolled. "Why didn't you report such a big matter to me?"

Zhang Laibao usually didn't have the chance to get in touch with Bao Sanli. Today, he had just offended his people. How could he not be angry? This was a once-in-a-lifetime opportunity to suck up to them, but it was ruined just like that. Not only that, it would be a relief if he did not cause them to have a bad feeling, let alone leaving a good impression!

"Fourth Master, I wanted to say it previously but you didn't let me..." Zhang Yuliang smiled bitterly, "I just said half of it and you interrupted me..."

"You..." Zhang Laibao was suddenly at a loss for words. He was indeed the one who interrupted Zhang Yuliang just now! However, he still said, "It's such a big matter. You still have to say it even if I don't let you say it!"

"Didn't I say it already...?" Zhang Yuliang said in his heart, If it wasn't for your anxiousness, would things end up like they are now? I had already appeased Yang Ming on my side. But you came in and stirred up trouble, so things are now out of control.

"This..." Zhang Laibao blamed himself in his heart, Drinking does ruin matters. I wouldn't be so impulsive if I didn't drink today. At least I would think carefully about Zhang Yuliang's previous reminder. Look at how it is now. I drank too much and my brain is not working. Ignoring Zhang Yuliang's words previously has led me to the current consequences.

Sun Kun's facial expression also changed. He had also heard the names of Bao Sanli and Hou Zhenhan before. After all, these two were too famous in Song Jiang. Sun Kun did not expect Yang Ming to be related to Bao Sanli.

Things had taken a different turn one again! Originally, Sun Kun thought that after Zhang Laibao got involved, not only would his company's transfer matter fail, but today's affairs would also not end well. However, Zhang Yuliang's words had pointed out Yang Ming's connections. This made Zhang Laibao, who was initially so angry, become instantly scared and pale. Sun Kun could see the emotional change clearly. What a twist and turn of events indeed!

There were a lot of plot twists today, but now it seemed that the results were good. It really trained people's mental capacity!

"Yang... Mr. Yang. Before this, I didn't figure out the situation. As you can see, I drank too much..." Zhang Laibao looked at Yang Ming with a shocked expression. He said carefully, "This drinking really ruined things. Previously, I..."

"Didn't you say previously that even if Jade Emperor is here, you will still beat me to the point of being disabled?" Yang Ming looked at Zhang Laibao and asked.

"That... If the Jade Emperor comes, then I will beat. If the Jade Emperor does not come, then I'll not beat. Now the Jade Emperor didn't come, right?" Zhang Laibao suddenly had a bright idea and explained accordingly.

"Pfft..." Yang Ming almost laughed out loud when he heard Zhang Laibao's explanation. What a shameless person. It is really marvelous that he can explain himself like that.

“Haha, I will hit you when the Jade Emperor comes, and you will hit me if the Jade Emperor does not come. This Jade Emperor does not exist, so of course he can’t come. Therefore, I surely can’t hit you!” Seeing Yang Ming smile, Zhang Laibao seemed to see a glimpse of hope, so he continued to explain quickly. “Since the Jade Emperor does not exist, my previous words are nonsense. Zhang Yuliang, hurry up! What are you still looking at?”

“Hurry up? What do you mean hurry up?” Zhang Yuliang was shocked. He thought that this Fourth Master had lost his mind. Why does he still ask me to hurry up in this situation?

“Hurry and beat me up! Didn’t you hear me?” said Zhang Laibao anxiously.

“This...” Zhang Yuliang was immediately dumbfounded. He did not expect that this was what Fourth Master meant.

Yang Ming really didn’t know whether to cry or laugh about Zhang Laibao’s explanation and approach. He originally wanted to teach this guy a lesson, but his current performance really made Yang Ming unable to make a move.

Although Yang Ming disliked such feeble villains, their style and behavior were indeed a life-saving secret in the underworld. They could shake off disasters and dangers numerous times. As long as they were shameless, they could make it through anything.

“Beat me up. Hurry!” Zhang Laibao became anxious when he saw that Zhang Yuliang was stunned and unmoving, so he rushed him.

“Yes...” Zhang Yuliang had no choice but to nod. He raised his hand and prepared to slap Zhang Laibao. But when he reached Zhang Laibao’s face, he couldn’t do it. After all, Zhang Laibao was older than him and he was also the company leader. How could Zhang Yuliang hit him?

“What are you waiting for? Hit me quickly!” Zhang Laibao shouted anxiously when he saw that Zhang Yuliang’s hand was just hanging there. He now hoped that Yang Ming would quickly get rid of his anger. Otherwise, if Yang Ming was not willing to spare him, he wouldn’t be able to mingle in Song Jiang anymore. This taxi company probably couldn’t operate either.

“Oh... yes.” Zhang Yuliang was helpless. He had no choice but to slap Zhang Laibao.

Zhang Laibao was afraid that Zhang Yuliang would flinch again, so he quickly moved his big face in the direction of Zhang Yuliang’s hand. This time, Zhang Yuliang finally slapped Zhang Laibao’s face with a loud “pak”.

This act of pushing his face towards the slapping hand really made Yang Ming completely speechless. It was so awesome. It was a whole new level of awesomeness!

“Why did you use so little force? It is just like a mosquito bite,” Zhang Laibao touched his already red face and said with some dissatisfaction. “Come again. Try harder. Hit with all your might!”

“Ah? Oh...” Zhang Yuliang was stunned for a moment and then he nodded. He had no choice but to lift his arm again to slap him. This time Zhang Yuliang also went all in. He added some strength to his hand.

With a loud “pak”, Zhang Laibao’s face was slapped again. Suddenly, Zhang Laibao could see stars in his eyes. He was dizzy, and his ears were buzzing.

“No, use more force. It’s not enough!” Zhang Laibao commanded Zhang Yuliang dizzily.

“This... okay!” Zhang Yuliang gritted his teeth and raised his arms. This time he used all his strength to slap Zhang Laibao’s face. A ‘bang’ sound immediately followed.

Zhang Laibao’s cheeks were swollen and blood leaked from the corners of his mouth. His mouth and eyes were deformed, and he looked at Yang Ming with a pitiful face. When he saw that Yang Ming still didn’t speak, he said to Zhang Yuliang, “This side. Continue hitting the other side of my face! ”

As he said this, Zhang Laibao rushed the other side of his face towards Zhang Yuliang.

Zhang Yuliang was about to raise his arms again to slap Zhang Laibao, but Yang Ming frowned and stopped him, “Okay, that’s enough.”

Zhang Laibao didn’t understand what Yang Ming meant. Was he satisfied or dissatisfied? He suddenly looked at Yang Ming with fear and sincerity, “I failed to recognize great talent, so I must learn a bloody lesson to make me remember ... ”

“It’s good enough. No need to hit anymore. I’ll forget it this time.” Yang Ming said to the wretched and miserable looking Zhang Laibao. Before this, Yang Ming really wouldn’t bother to teach a person like Zhang Laibao a lesson. It was a good choice for Zhang Yuliang to do the work for him.

So Yang Ming watched Zhang Yuliang slap Zhang Laibao’s face until it was coated with blood. Only then did Yang Ming feel it was good enough and stop them.

Zhang Laibao suddenly showed a relieved expression after hearing Yang Ming’s words. It meant that Yang Ming had forgiven him. Enduring these slaps were not wasted effort. If not, he was ready to let Zhang Yuliang continue to slap him. If it still didn’t work, he would hit himself with an iron rod until Yang Ming forgave him. In short, Zhang Laibao had gone all in. He was already prepared to stay in hospital for half a year.

He did not expect Yang Ming to forgive him just like that. This made Zhang Laibao overjoyed. Suddenly, the fresh pain on his face turned into a happy feeling which made him extremely comfortable.

It turned out that being beaten was also a happy thing!

Chapter 1467: The Radio News/ A Visit

“This is the personnel arrangement of your company. I’m not in a position to intervene.” Yang Ming was very satisfied with how adaptive Zhang Laibao was to the situation. It now seemed that Sun Kun’s future status in the taxi company could be fully guaranteed.

At least Sun Kun would no longer be treated unfairly. With his relationship with Yang Ming, even if Sun Kun was not treated like a master, he would at least have special treatment.

” *Hehe*, I don’t know if Mr. Sun Kun will accept the supervisor position?” Zhang Laibao turned to Sun Kun when he saw that Yang Ming had no opinion. “Mr. Sun Kun, don’t worry. We definitely won’t let you work for nothing. We’ll pay you every month. So, I’ll propose an amount. Three thousand yuan per month, how about it? ”

“Three thousand yuan... This...” Sun Kun was in disbelief for a while. *Isn't this change too great?* Typically, it would be considered a glory for ordinary taxi drivers to take up a supervisor position even if they were unpaid!

He was recognized by the company and he could personally participate in the company's plan to reimage. How could ordinary people achieve this? But now, not only could he participate in it, but he even gets paid three thousand yuan a month for it. This was like a dream for Sun Kun!

Even if he worked tirelessly for a month, he would only have five thousand yuan left after deducting the fuel money and expenses. Just by being a supervisor, he would get three thousand yuan. How could he not be excited?

Seeing that Sun Kun didn't respond, Zhang Laibao thought that Sun Kun felt the amount was too little. He said hurriedly, “Three thousand is indeed a little low. Five thousand then. Five thousand a month. How about that, Mr. Sun Kun? Are you willing to be the supervisor of our Dade Elegant Taxi Company?”

“Of course I am willing to...” Sun Kun didn't expect Zhang Laibao to increase his salary to five thousand yuan during his brief hesitation. He nodded in agreement hastily.

“Great. Then from now on, Mr. Sun Kun will be the company's supervisor. I will post the photo of Mr. Sun Kun in the company management's column,” Zhang Laibao said while feeling relieved that Sun Kun agreed.

Zhang Laibao found it really worthwhile to spend five thousand yuan a month for his peace of mind. He originally wanted to waive Sun Kun's expenses but found it quite inappropriate. Also, he would be criticized. Therefore, he thought of the idea of compensating Sun Kun by awarding him a supervisor position. It also allowed Sun Kun to participate in the company's system development which in turn would reassure Yang Ming. Indeed, it was killing two birds with one stone.

Zhang Laibao said in his heart. *I am really a genius to think of such a wonderful idea. I'm too brilliant!*

“Well, now that things are settled, I won't muddle here anymore,” Yang Ming laughed and said. “Zhang Laibao, I hope you remember the promises you have made today.”

“Mr. Yang, please rest assured... To be honest, I really don't want to lose my job...” Zhang Laibao smiled bitterly, “I dare not offend you and Brother Bao!”

Yang Ming smiled and said to Sun Kun, “Brother Kun, I'm leaving then. You are staying here. We can contact each other by phone if there's anything!”

Sun Kun gave Yang Ming a grateful glance and nodded heavily. Thanks to Yang Ming, he not only saved some expenses for today's matter, but he also had new income every month. This made Sun Kun, who had a tight life, finally have some money in hand. His son's school fees were not a problem anymore. If this continued, he would have enough money in hand by the time he was required to pay school fees.

In fact, these things were no trouble at all for Yang Ming. After walking out of the taxi company, Yang Ming got in the car and looked at the time. It was past two o'clock. At this time, there was nothing to do. It was too late to return to university to attend classes and there was still a long time before his date with Sun Jie at night.

Yang Ming rarely had leisure time where he had nothing to do. He enjoyed the tranquility of the moment by turning on the radio and driving the car by the seaside.

“This morning, Xie Wenjin, Liu Zhaojun and Qi Zhide are on trial for an alleged rape attempt. They were reported to have intentionally injured the Nightless Club Hotel’s waitress, Shen Yuxi, who is now crippled. Their trial is taking place in Song Jiang City Intermediate People’s Court.

“The prosecutors allege that the defendant Xie Wenjin along with the other two defendants Liu Zhaojun and Qi Zhide had followed the Nightless Club Hotel’s waitress, Shen Yuxi to an apartment building in XX community at around nine o’clock at night on the day X of X XX and attempted to rape her...”

Yang Ming frowned and increased the volume of the radio slightly.

Shen Yuxi... This was a name that Yang Ming had almost forgotten. The news of the case trial on the radio reminded Yang Ming of the young and sweet waitress in the Nightless Club.

The only time the two people interacted was during the attempted shooting of Sun Jie at the Nightless Club. Later, it turned out that it was Tian Long who had ordered the person to do it. Shen Yuxi was not harmed at that time.

Logically, Yang Ming and Shen Yuxi would not have anything more to do with each other afterward. But this case made Yang Ming pay attention to this name again.

Liu Zhaojun, what a familiar name. Yang Ming had already noticed that he was not a good person, but he did not expect Liu Zhaojun to do such a thing.

Yang Ming sighed, took out the phone and dialed Xia Bingbao’s phone number.

“Yang Ming? What happened? Why are you calling me?” Whenever Xia Bingbao received a call from Yang Ming, it was always because Yang Ming had some issues. Otherwise, Yang Ming would never call him if he was fine.

“Help me look into the case of Shen Yuxi that was opened for court trial today. Did anyone intervene?” Yang Ming told Xia Bingbao.

“Did anyone intervene? What do you mean? Do you want to intervene with me or what?” Xia Bingbao asked after he was stunned for a moment.

“It’s nothing. It’s just that I have seen the three defendants. None of them are good people but their family background is not small. I am afraid that someone will intervene in the trial,” Yang Ming said.

“I got it.” Xia Bingbao breathed a sigh of relief. This kind of thing was not a big deal, and it wouldn’t violate any principles. If they were three wicked people, it was not a big deal to give them a heavier sentence. It would be difficult if Yang Ming made him sentence an innocent man as guilty.

Yang Ming didn’t say anything more and hung up. He believed that this was not a difficult thing for Xia Bingbao.

After starting the car, Yang Ming rushed to the First People’s Hospital of Song Jiang City. He was not sure why, but he felt uncomfortable at the thought of Shen Yuxi being in a wheelchair all her life.

It should have been the best time of her life and filled with enjoyment, but she could only helplessly sit in a wheelchair.

It was even more difficult for Yang Ming to accept, especially considering he had seen Shen Yuxi before when she was still healthy. Making this call was also Yang Ming's intention to let those who hurt Shen Yuxi get the punishment they deserved.

After parking his car in the hospital's parking lot, Yang Ming realized that he didn't know Shen Yuxi's ward number.

He smiled bitterly and dialed Bao Sanli's phone. Bao Sanli had always followed up on Shen Yuxi's matter.

"Brother Yang, you're looking for me?" Bao Sanli's voice came from the other end. He had answered his phone in no time.

"Baozi, do you know which ward of the First Hospital Shen Yuxi is in?" Yang Ming asked.

"Shen Yuxi?" Bao Sanli was stunned for a moment, "Brother Yang, she has already been discharged from the hospital. She also appeared in court today to testify. I accompanied her there..."

"Her legs have recovered?" Yang Ming was also stunned.

"No... She's sitting in a wheelchair." Bao Sanli sighed, "The hospital has no other way. The external wound has been cured, but there is a problem with the nerves of her legs. It can't be helped."

"Have they decided the verdict?" Yang Ming asked.

"Not yet. The trial will continue next week," Bao Sanli said. "Xie Wenjin's family has some capability. They asked some people to pressure us, but we are not cowards either. As the president of a security company, I will also pressure them! "

"En, I have gotten someone to look into it. Don't worry, we'll not let Xie Wenjin and the others go," Yang Ming said. "Baozi, please take care of this matter. Why haven't you told me about it?"

"Brother Yang, you are too busy. You just came back yesterday. I haven't had the time to mention it!" Bao Sanli smiled bitterly and said. "Brother Yang, are you looking for Miss Shen?"

"En, I want to see her," said Yang Ming.

Throughout this period of time that they spent together, Bao Sanli had also gradually realized that Shen Yuxi was not Yang Ming's lover. Even Shen Yuxi herself had acknowledged that it was just a one-sided crush.

However, Bao Sanli did not neglect Shen Yuxi because of this. He was still very enthusiastic in helping Shen Yuxi to recover and win the lawsuit.

Chapter 1468: Became an Irresponsible Man/ You Can't Leave

There were many sundries compiled at the side of the narrow stairway. There were some abandoned lockers, and some big tanks which were used to marinate pickled Chinese cabbage. There were also

some salty gherkins and big onions hanging by the side of the stairway. There was also some napa cabbage on the window sill. The place was decorated like a classic farmhouse.

It was rare for this kind of environment to appear in a new community. Only a few elders who had moved here could do it. After all, not many teenagers knew how to marinate pickled Chinese cabbage.

"Most of the people living in this small community were once workers at a chemical plant. Most of them aren't that rich," Bao Sanli explained when he saw Yang Ming looking around the stairway.

"What are Shen Yuxi's parents doing now?" Yang Ming nodded and asked.

"Shen Yuxi's father, Chen Daqi, was originally a worker at the car workshop in the Song Jiang North South Chemical Plant. After he retired, he went to sell Shaobing [1] and Douhua [2] by a market near this small community. Shen Yuxi's mother, Sun Liping, used to work part-time. Now that Shen Yuxi's legs are problematic, she marinates some side dishes at home while taking care of Shen Yuxi. She lets Shen Daqi sell these dishes at the market in the afternoon and at night," Bao Sanli said. "Originally, the market's management received fees from them every day based on their income. After I talked with the management, they cut the fees by half."

"You didn't represent the company and give Shen Yuxi's family some money?" Yang Ming asked after hearing how bad Shen Yuxi's living conditions were.

"I offered... But Shen Daqi didn't want it no matter what," Bao Sanli smiled bitterly. "Shen Daqi is an honest man. He felt that we had already given Shen Yuxi so much money for her medical bills, and it wasn't appropriate for them to take anymore."

Yang Ming was a little surprised. However, he didn't feel that anything was wrong. Shen Daqi's personality was like the previous Yang Dahai. They were very honest, and wouldn't take advantage of anybody.

"We're here, Brother Yang. It's this door," Bao Sanli told Yang Ming after stopping at a door on the top floor.

"Oh? How does Shen Yuxi get downstairs if she lives so high up?" Yang Ming frowned upon seeing the floor that Shen Yuxi was staying at.

"She is normally carried up with a stretcher," Bao Sanli smiled and said, "Our company has so many strong men. Many of them will rush here to help with just a summon."

Yang Ming was a little speechless after hearing Bao Sanli's words. Indeed, there are many fit guys in the security company. Any few of them would be able to carry Shen Yuxi upstairs safely.

"*Dang dang dang.*" Bao Sanli knocked on the door.

"Who is it?" After a while, a man's voice came from inside the house. "Is it Old Liu? Go to the market by yourself today. I'm not going..."

The door opened as he was talking. A wrinkly old man's face appeared. The man was shocked when he saw Bao Sanli, "Mr. Bao, why is it you? Come in quickly. I thought that it was Old Liu from downstairs who was calling me to go to the market together."

"Uncle Shen, this is Yang Ming, Mr. Yang. He came here to visit Yuxi with me," Bao Sanli smiled while introducing Yang Ming to Shen Daqi.

Bao Sanli had misunderstood the relationship between Shen Yuxi and Yang Ming previously. Thanks to that, he now addressed Shen Daqi as "uncle" although he was younger than Shen Daqi by merely ten years. While Bao Sanli should have addressed Shen Daqi as "brother", he was afraid at that time that he would mess up his seniority with Yang Ming.

"Oh?" Shen Daqi was a little surprised, and looked at Yang Ming, baffled. His daughter kept on mentioning Yang Ming every time she talked, which made Shen Daqi misunderstand that Yang Ming was Shen Yuxi's boyfriend. When he saw his daughter's facial expressions, he thought that Shen Yuxi had a deep affection towards Yang Ming.

Shen Daqi had attempted to ask his daughter about Yang Ming a few times. However, Shen Yuxi remained silent and did not say anything important. The more Shen Yuxi acted like this, the more Shen Daqi thought that Yang Ming was Shen Yuxi's boyfriend.

Now that she had become like this, that boyfriend had probably left her. Because of that, even though he had guessed it, Shen Daqi did not dare to ask his daughter to prevent her from being sad.

However, Shen Daqi was secretly angry and scolded Yang Ming for being heartless. After his daughter had an accident, this boyfriend called Yang Ming did not even come and visit her once, even if it was out of courtesy. This made Shen Daqi very angry.

When he heard Bao Sanli say that this person was Yang Ming, Shen Daqi's face immediately turned gloomy.

"Yang Ming, *huh*. I have heard your name for a long time," Shen Daqi said coldly towards Yang Ming. After that, he did not look at Yang Ming anymore. He turned his head towards Bao Sanli and said, "Mr. Bao, please enter!"

"Uncle Shen..." Yang Ming confusedly called out to Shen Daqi. Yang Ming didn't know why Shen Daqi treated him like this, as if there was some deep hatred between the two of them.

Bao Sanli was also very puzzled, and also didn't understand why Shen Daqi was acting like this. However, there was nothing wrong with it. Even if Shen Daqi had any complaints, he would not bad-mouth Yang Ming to Bao Sanli. Shen Daqi assumed that it was impossible for Bao Sanli to know Yang Ming, which was why he did not tell him these matters.

When he saw Yang Ming and Bao Sanli come together today, he was filled with such deep hatred that he neglected such small details.

"*Hmph*," Shen Daqi snorted coldly. He did not respond to Yang Ming, and did not say anything else to him.

Yang Ming and Bao Sanli glanced at each other. Yang Ming couldn't help but smile bitterly, and shrugged his shoulders, "Baozi, how did I offend Uncle Shen?"

"I'm not sure either. You both should have not met each other yet, right?" Bao Sanli was also confused. "Could it be that he is angry because you did not come to visit Shen Yuxi at all despite being the chairman of the group?"

"He knows that I'm the chairman?" Yang Ming shook his head, "He shouldn't know about it, right?"

"Then I really can't guess it. How about I ask him?" Bao Sanli said after being unable to reach a conclusion despite thinking about it.

"No need to. It's inappropriate to ask him directly. We'll see what happens." Yang Ming and Bao Sanli went into Shen Yuxi's house together.

Yang Ming and Bao Sanli followed Shen Daqi into the house. It was a classic small apartment, with only one living room and one bedroom. When Yang Ming came into the living room, he saw a girl whose beauty could not be hidden even though her face was so pale. She was flipping through a book while lying on the sofa.

"Yuxi, Mr. Bao has come to visit you," Shen Daqi told Shen Yuxi.

"Oh? Brother Bao?" Shen Yuxi was a little surprised and put down the book in her hand. "Didn't Brother Bao just leave? Why did he come back again?"

During this time, Shen Yuxi and Bao Sanli's relationship had become closer. Last time, Shen Yuxi addressed Bao Sanli as President Bao. After that, Bao Sanli felt that it was too formal, and asked her to just call him Brother Bao.

"Ah?!" Shen Yuxi raised her head and saw Yang Ming accompanying Bao Sanli into the house. She was shocked for a moment, and couldn't help but blush. Her beautiful eyes were also flowing with surprise.

Shen Yuxi was always hoping for Yang Ming to visit her. However, she knew that this was impossible. She had no relation with Yang Ming, and she didn't know if Yang Ming would even remember her. Even if he remembered her, why would he come and visit her?

During her conversations with Bao Sanli all this time, Shen Yuxi knew about Yang Ming's real identity as the Ming Yang Group's Chairman. She even knew that Bao Sanli was Yang Ming's underling. How can this kind of person have anything to do with me?

The feeling of wanting to become Yang Ming's lover had also faded a lot. However, she realized that she still had feelings for Yang Ming deep down in her heart after discarding such impractical thoughts.

If anything, it was because of Yang Ming's act of saving the beauty in the room at that time. Shen Yuxi's maiden heart had been deeply touched and she started to feel affection for him.

When Shen Daqi saw his daughter's shy face that was blushing, his expression turned even more gloomy as he felt that his guess was correct. While he was feeling heartbroken for his daughter's infatuation, he was also angry at how irresponsible Yang Ming was.

Yang Ming did not look like his daughter's boyfriend from his dull expression. His expression was just like a normal friend that barely knew his daughter!

Now, Shen Daqi had already misunderstood. Yang Ming had no relationship with Shen Yuxi to begin with. There would be a problem if he was to act too close with Shen Yuxi.

However, Shen Daqi had made an assumption first, and assumed that Yang Ming was an irresponsible man who didn't want his daughter anymore after he found out that she was crippled! Shen Daqi assumed that Bao Sanli knew about how much Shen Yuxi missed Yang Ming, so he caught Yang Ming and brought him here in front of her.

Shen Daqi still knew about Bao Sanli's social connections and capability. It wasn't hard for Bao Sanli to find someone if he wanted to.

Chapter 1469: Bigger Misunderstanding/ Addicted to Being Beaten

"Ah? I thought that you caught Yang Ming and brought him in front of Yuxi because she kept talking about him." Shen Daqi suddenly realized, "Does that mean you requested to come here yourself, brat?"

Shen Daqi turned his head towards Yang Ming and asked loudly.

"I did..." Yang Ming nodded his head stupefied and glanced at Shen Yuxi, baffled. *Shen Yuxi likes me? It seems like she constantly mentions me at home, which caused this misunderstanding to occur.*

"Alright, then you tell me. Do you want my Yuxi or not?" Shen Daqi asked Yang Ming.

"I..." Yang Ming didn't know whether to cry or laugh after he heard Shen Daqi's words. Who sells their daughter like this? Although Shen Yuxi's legs are crippled now, she is still very pretty. It's impossible for her to not get married to someone, right?

"Dad, are you done?" Shen Yuxi couldn't hold it in anymore after she heard her father blabbering about strange things non-stop. "Dad, what nonsense are you spouting? Yang Ming is the chairman of the Ming Yang Group, which our Nightless Club Hotel is under! He is not my boyfriend!"

"Ah?" Shen Daqi suddenly froze, and looked at Shen Yuxi in shock, "Yuxi, what did you say? You said that... Yang Ming isn't your boyfriend?"

"He wasn't even my boyfriend to begin with!" Shen Yuxi blushed while she shook her head.

"He is your group's chairman?" Shen Daqi looked at Yang Ming awkwardly.

"Yeah, he is the chairman of our group!" Shen Yuxi nodded.

"That means ...He's not your boyfriend?" Shen Daqi scratched his head in confusion.

"Of course not!" Shen Yuxi bit her lips and lowered her head while blushing. *The things that happened today are a little too shameful. After what dad did, how am I going to face Yang Ming in the future?*

Shen Daqi slapped his head, and he changed the way he called Yang Ming, "This... Chairman Yang... I'm sorry, I mixed things up. I thought you were Yuxi's boyfriend, so I showed you a poor attitude. I'm really sorry..."

"It's ok..." Yang Ming smiled bitterly, "It's good that everything is clear now. I thought that I had offended you..."

Yang Ming could really not have any hate towards such an honest middle-aged man. When Yang Ming saw him, it was as if he was looking at his father. Because of this, Yang Ming did not get angry; he only felt a little helpless.

"Ai, don't mention it!" Shen Daqi smiled bitterly as well, "It's all this little brat's fault. She kept on mentioning your name, and it was always filled with feelings. I thought that you were her boyfriend..."

"Dad! If you keep on talking, I... I... I won't bother with you anymore!" Shen Yuxi was really anxious now. If Yang Ming had asked about what had happened before, she could have just covered it up and muddled through. Now that her father had spoken every single detail, she wouldn't be able to face Yang Ming.

"Okay, I won't say anymore. I won't say anymore.", Shen Daqi was frightened and immediately shut his mouth.

Yang Ming felt that Shen Yuxi's maiden attitude was a little hilarious. However, he couldn't laugh, and he felt a deep weight in his heart. Yang Ming was a little worried as he knew about Shen Yuxi's troubles. If it was on normal occasions, then it would be nothing at all. However, under such circumstances, his unintentional words might hurt Shen Yuxi's weak mind.

Because of this, Yang Ming was a little troubled. He was just frozen there without knowing what to say.

"Yang Ming... Chairman Yang, you don't have to listen to my father's blabberings..." Shen Yuxi twitched her body and immediately explained when she saw the frozen Yang Ming, "It was because you saved me last time, and I was really grateful for it. So I just mentioned you a little more... And my father misunderstood..."

"Just call me Yang Ming. It feels weird if you call me Chairman Yang." Yang Ming waved his hand and smiled bitterly.

"Then... Alright." Shen Yuxi didn't know why she addressed Yang Ming by his name before this. The age gap between her and Yang Ming was small. She was not accustomed to treating Yang Ming as her higher-up.

"It's fine," Yang Ming said. "It was just a misunderstanding, and it has already been resolved. You don't have to worry about it."

"En ..." Shen Yuxi nodded, "Then... Will you still come over?"

"Naturally, I will come and give the books to you after I find them," Yang Ming nodded.

"En," Shen Yuxi nodded again.

"I'll take my leave first?" Yang Ming asked.

"En," Shen Yuxi nodded again.

"Uncle Shen, Bao Sanli and I will leave first. If you encounter any problem, just give Baozi a call," Yang Ming told Shen Daqi.

"Alright, Chairman Yang. I am really sorry about what happened before!" Shen Daqi still felt sorry when facing Yang Ming.

Shen Daqi immediately understood everything that had happened after he knew about Yang Ming's identity. *My daughter must have a crush on Yang Ming. I even gave Yang Ming a scolding just now.* Shen Daqi felt really sorry for it.

"It's nothing." Yang Ming waved his hand, "Like I said, it was a misunderstanding."

Yang Ming waved his hand at Shen Yuxi after glancing at her. Shen Yuxi happily waved back at Yang Ming when she saw that Yang Ming did not pry into the matter just now. After that, Yang Ming left the Shen Family home together with Bao Sanli.

Since Shen Yuxi could not stand up, Shen Daqi sent Yang Ming and Bao Sanli off at the stairway.

"Uncle Shen, you should go back," said Yang Ming.

"Come here and play if you have the time!" Shen Daqi said enthusiastically. There were no signs of his previous coldness.

After they left the corridor, Yang Ming let out a sigh of relief.

"You knew about it from the beginning?" Yang Ming asked while looking at Bao Sanli.

"Brother Yang... I'm sorry." Bao Sanli was frightened and immediately apologized.

"Who asked you to apologize?" Yang Ming frowned, "I asked you if you knew about it beforehand."

"I knew a little..." Bao Sanli nodded, "Before this, when Yuxi was working at the Nightless Club Hotel, there was a rumor that she was your lover. I promoted her to a leader because of it."

"Jing Xiaolu, Shen Yuxi..." Yang Ming stared at Bao Sanli, "You are so diligent. It wasn't even official, and yet you were already one step ahead and made preparations."

"Yang Ming... I'm sorry," Bao Sanli was shocked, and said carefully.

"I said it already. I didn't ask you to apologize." Yang Ming waved his hand. "There's nothing to criticize about your methods. It's just that, since when did Shen Yuxi have feelings for me? Why didn't I know about it?"

"Maybe it was during the time you saved her in the room?" Bao Sanli reminded him.

Yang Ming thought about it and felt that it was the only possibility. He nodded his head, "Is there still hope for her legs to recover?"

"This... I can't say for sure..." Bao Sanli hesitated for a moment and said, "We visited many Chinese doctors, but to no avail. However, a few of them were scammers. They kept on recommending me to buy some medicines and vitamins, which made me so angry that I destroyed their signboard. As for the few others, their effects weren't that great. If they aren't scammers, then they should be some bad doctors."

Yang Ming laughed hysterically after he heard Bao Sanli's words. "Why are you still so reckless? This kind of sickness is really hard to cure."

"I will try my best to contact more doctors." Bao Sanli smiled embarrassedly.

"Give me a call the next time you come and visit Shen Yuxi." Yang Ming had no feelings for Shen Yuxi. He just felt that she was a little cute. Yang Ming said those words because he wanted to let Shen Yuxi keep a positive attitude which would allow her to face every day happily. With this, her chances of recovery would increase.

In many circumstances, such a sickness that is hard to cure often requires the willpower of the patients to overcome it.

"Noted," Bao Sanli nodded.

Yang Ming's heart slowly calmed down after he went into the car. The matter between him and Shen Yuxi was giving him a headache. He didn't know how to settle it. When facing such a girl, Yang Ming could not bring himself to directly reject her.

However, Yang Ming would never have thought that the Dade Elegant Taxi Company currently had a shocking scene unfolding.

"Zhang Yuliang, hit me again," Zhang Laibao ordered Zhang Yuliang.

"Ah?" Zhang Yuliang was shocked, and didn't know what Zhang Laibao meant, "Fourth Master, what are you talking about?"

"I asked you to hit me again. Didn't you hear it?" Zhang Laibao said.

"Hit you? Why should I hit you?" Zhang Yuliang was shocked. "Fourth Master, Brother Yang has already left... Why are you still trying to deceive him by torturing yourself?"

"Just hit me when I ask you to. Why are you spouting so much nonsense?" Zhang Laibao was displeased when he saw Zhang Yuliang being so wordy.

"Alright then... I'll hit you. You're the one that asked me to hit you!" Zhang Yuliang said helplessly.

"Hurry up, stop procrastinating!" Zhang Laibao frowned.

"Pak..." Zhang Yuliang slapped Zhang Laibao's face.

Chapter 1470: Please Get In The Car/ Reservation

"Really?" Zhao Ying was muddled throughout the whole class. She did not look at the time, did not know what the class was about, and did not know how long the class lasted.

"It was twenty minutes later than usual!" said Sun Jie.

"Little Jie!" Fan Jinzhe followed Zhao Ying from behind. When he saw Sun Jie, he quickly smiled faintly at her, and posed in a way he thought looked stylish.

"Who allowed you to call me Little Jie?" Sun Jie frowned, "Am I close with you?"

" Ugh... I heard Zhao Ying call you that..." Originally, Fan Jinzhe wanted to pretend to be close with Sun Jie. However, he never expected that calling her "Little Jie" would make her displeased.

Sun Jie snorted lightly and did not care about Fan Jinzhe anymore. Instead, she told Zhao Ying, "Zhao Ying, let's go."

"En," Zhao Ying nodded. She glanced at Fan Jinzhe through the corner of her eyes. She did not know what to do with him.

"You two want to eat together, right? Come on, let's go together. It's my treat," Fan Jinzhe said elegantly.

"No need. We invited someone else," Sun Jie glanced at Fan Jinzhe and rejected him.

" Oh, is that so!" When he saw how Sun Jie did not want to bring him along, Fan Jinzhe was still thick-skinned and said, "I have a car, and it's at the parking lot. Where are you two going? Let me send you both there!"

This time, Sun Jie did not even respond to Fan Jinzhe. She just walked towards the parking lot.

Fan Jinzhe thought that Sun Jie had silently agreed to his suggestion. He felt happy, and obediently followed the two of them towards the parking lot.

While Fan Jinzhe was walking, he started calculating in his heart. *After Sun Jie and Zhao Ying get into my car, I'll try to convince them. When the time comes, they might even agree to let me eat with them!*

Fan Jinzhe viewed Sun Jie's so-called "invited someone else" as an excuse. If not, Zhao Ying would not just say that she had invited Sun Jie, and not mention anyone else.

Because of this, Fan Jinzhe was certain that the cunning Sun Jie was lying to him! Sun Jie's astuteness left a deep impression on Fan Jinzhe, as he had experienced it before. Because of this, he had already given up on pursuing Sun Jie. He knew that he could never control a girl like Sun Jie. Zhao Ying, on the other hand, was more pure and soft.

He followed Sun Jie and Zhao Ying to the parking lot. Fan Jinzhe stepped ahead and ran in front of the two girls. After that, he raised the car key in his hands, and pressed on it while trying to show off. A Honda Accord let out a "du du" sound, and the car lights flashed two times.

"This is my car. Both of you, please get in!" Fan Jinzhe made a welcoming gesture to Sun Jie and Zhao Ying.

Sun Jie and Zhao Ying's footsteps stopped, and they looked at each other. They realized the helplessness and amusement in each others' gazes. After they looked at each other, they both continued to walk forward.

When Fan Jinzhe saw Sun Jie and Zhao Ying walking towards his car after they exchanged glances, he felt happy and quickly followed them.

However, when Sun Jie and Zhao Ying passed by his car, they did not stop at all. Instead, they continued moving forward.

" Ah? What are you two doing? My car is here!" Fan Jinzhe was a little anxious and called out when he saw that Sun Jie and Zhao Ying did not sit in his car.

Sun Jie and Zhao Ying ignored him and continued to walk forward.

"Zhao Ying, Sun Jie, my car is here!" Fan Jinzhe slapped his car door and said, "It's this car, the Honda Accord. It's mine!"

Sun Jie was a little annoyed by Fan Jinzhe's shouting. Originally, her car was still a distance away. She had no choice but to press on her car remote earlier.

A bit further away, a red Audi R8 beeped twice. Sun Jie and Zhao Ying hastened their footsteps and walked towards the red R8.

"This ..." Fan Jinzhe was shocked. He blankly looked at the red Audi R8 that was far away. Although he did not know how much an R8 was worth, Fan Jinzhe was very clear that this car was not cheap due to its Iron Man design.

Fan Jinzhe felt that he was already considered rich in this school. He had his own company outside, and the car he usually drove was a Honda Accord which was worth two hundred thousand plus yuan. He could show off in front of girls already.

He originally thought that he could show it off in front of Sun Jie and Zhao Ying. However, he did not expect Sun Jie's car to be of a higher class than his! As he thought back to Sun Jie's usual actions, Fan Jinzhe was certain that Sun Jie must be from a rich family, and she did not even put him in her eyes.

No wonder Sun Jie did not care about me at all. Fan Jinzhe sighed. However, he did not feel empty in his heart. Instead, he felt lucky that his main target was not Sun Jie.

It was because he had heard that some rich girls were very nasty, and their life was very messy. They would simply sleep with any guy and they would also record some videos and take some pictures. Fan Jinzhe would not feel safe with this kind of girl. It was too easy for her to cheat on him!

From his perspective, Sun Jie must be that type of person. If not, her chest wouldn't be so big.

As for Zhao Ying, she looked much purer. Although Sun Jie was from a rich family, Fan Jinzhe was absolutely certain that Zhao Ying was born in a normal family.

Because of that, while his facial expression looked a little horrible, Fan Jinzhe did not back down after he saw Sun Jie's Audi R8. At the very least, he could still show off in front of Zhao Ying.

Besides, Sun Jie is also solely relying on her family's wealth. How is she comparable to such a talented person like me that started my own company outside? In fact, I'm very popular among girls in this school. However, ordinary ones can't enter my eyes.

Fan Jinzhe gritted his teeth when he saw Sun Jie and Zhao Ying entering the red Audi R8. He entered his own car and followed them from behind. He wanted to keep following Sun Jie and Zhao Ying and find out where they were going to eat.

Fan Jinzhe felt that one must be thick-skinned to chase a girl. While this method was useless towards Sun Jie, it must be effective towards Zhao Ying!

Fan Jinzhe was not worried that he wouldn't be able to catch up to Sun Jie. Although Sun Jie's car was a sports car, this was an urban area. *So what if it's a sports car? With such heavy traffic, it doesn't matter how fast a sports car can go.*

"Little Jie, he's following us." Zhao Ying frowned when she saw Fan Jinzhe's car following them from behind.

"Don't care about it, just let him be." Sun Jie thought to herself, *If I wasn't afraid of scaring Zhao Ying, I would immediately give Yang Ming a call.* She believed that Fan Jinzhe's outcome would be very satisfying.

"Oh." Zhao Ying nodded, and did not care about Fan Jinzhe anymore. Instead, she started to think about the question that Yang Ming had asked.

"Zhao Ying, have you called him yet?" Sun Jie asked.

"Nope... I feel a little embarrassed," Zhao Ying hesitated for a moment and said while blushing.

"Ah? That can't be. I have already finished booking, and you haven't called him yet?" Sun Jie was stupefied. "Zhao Ying, hurry up and give him a phone call. What time is it now? What if he has something to do? Won't all of our preparations go to waste?"

"We... We haven't been in touch for a long time..." Zhao Ying said softly. "I really don't know how to start the conversation."

"What's difficult about it? Just say that you're inviting him out for a meal," said Sun Jie. "Don't mention my matters first. Just invite him, and we'll talk about it later!"

"Is that so..." Zhao Ying was still a little hesitant. "Then let me send him a text first..."

"Why can't you just be straightforward?" Sun Jie couldn't help but smile bitterly when she saw Zhao Ying's expression. "There's no use if the male initiates if you're hesitant like this."

"Ah, alright!" Zhao Ying finally took out her phone after being lectured by Sun Jie. She typed a text message and sent it.

Yang Ming was talking to Bao Sanli about the company's future development in the Song Jiang International Hotel. Suddenly, his phone made a notification sound. Yang Ming glanced at it and realized that there was a new message.

"Are you free tonight?"

Yang Ming was shocked for a moment because the one that had sent the message was Zhao Ying! It had been a long time since Zhao Ying had contacted him. Although he had contacted Zhao Ying before online, she did not know that he was Yang Ming.

Because of this, Yang Ming was a little confused as to why Zhao Ying would suddenly text him. Theoretically, Zhao Ying's personality shouldn't be like this. *With Zhao Ying's personality, how is it possible for her to initiate contact with me?*

She doesn't even reply to the random messages I send her whenever I have nothing to do, so forget about her sending me a text first. At this moment, she even asked me if I'm free tonight.

Could it be that Zhao Ying sent it to the wrong person?

However, if she sent it wrongly, then who was it meant for? Could it be that Zhao Ying is dating someone else? Does that mean that she has a new boyfriend?

When he thought about this possibility, Yang Ming's heart felt uncomfortable, as if a cat was scratching it.
