

So Pure 341

Chapter 341: Despicable Man

" Ah !" Ge Xinyao shouted comfortably, "Brother Kai, you are awesome!"

"How is it? Am I better than Bi Hai's small d*ck?" Wu Xinkai said proudly.

" En ... Brother Kai, hurry up... I can't wait..." Ge Xinyao started to moan. However, she despised him in her mind. Bi Hai is better than you. You aren't so good either. You are only pleasant to the eye but have no use.

Bi Hai gave the orders to the brothers for tomorrow. He wanted to drink a few glasses with them, but recently he was lacking money, so he thought of Ge Xinyao in the private room.

Hey, if I just serve the chick right, then I would get my money! Thinking of that, Bi Hai ran to the private room. However, when he walked to the door, Bi Hai felt that something was wrong. There was a woman's sexual moan from inside. He was familiar with it! It was the voice of Ge Xinyao!

Could this little girl be masturbating on her own? However, Bi Hai immediately heard a man's voice, "Hey? Am I better than Bi Hai's small d*ck?"

That was Wu Xinkai! Bi Hai was furious. Yes, although he didn't care much about Ge Xinyao, Ge Xinyao and he weren't virgins anymore. But now Ge Xinyao was his woman, and he was being cuckolded in front of him. That wasn't something a man could tolerate!

Bi Hai really wanted to kick the door and grab the adulterer and adulteress on the spot. However, he was a smart person and not a fool. He knew that the consequences of doing that would be a falling out with Wu Xinkai. Then, it was an unknown whether or not he could make it out alive from this bar!

He hesitated for a moment, but Bi Hai clenched his teeth and endured it. Bi Hai gently pushed open the door to the private room. Wu Xinkai was overbearing. You f*ck my woman, and you don't even lock the door!

Bi Hai took out the latest Nokia N cell phone that Ge Xinyao bought for him. Then, he switched it to the camera mode. He quickly took a few photos of Wu Xinkai and Ge Xinyao and took a short video before closing the door.

A vicious plan, instantly formed in Bi Hai's mind! The movie, "Young and Dangerous," that Bi Hai watched in the past gave him a great inspiration.

Every industry had its rules! It was the same for the underworld. The rules of the underworld were even stricter than many industries! F*cking a brother's woman was a taboo! Of course, if people don't report it, officials won't correct it. These things happened frequently in the gang, but if he could provide the evidence secretly then it was another thing!

Indeed, Bi Hai wanted to make a fuss about that! He was a scoundrel. He would do anything in order to be promoted! But he wasn't the kind of scoundrel who only looked for profit. If you betray me, I will

treat you unjustly. This was Bi Hai's principle. Besides, Bi Hai thought that he didn't owe Wu Xinkai anything. He had shown extreme tolerance for doing his part. At least, he never considered Wu Xinkai as a stepping stone for promotion!

Am I not good enough to help you look for a woman? I even helped you plan. You're good. You f*ck my woman. If that's the case, then don't blame me for betraying you! Although he didn't care much about Ge Xinyao, his face was much more important in the underworld!

Wu Xinkai, you did this to me. You obviously didn't respect me, Bi Hai!

"Brother Kai, after you get Lin Zhiyun, can you really recommend Bi Hai as a boss?" Although Ge Xinyao was enjoying it, she was just venting out her lust. She knew that she would still be with Bi Hai, so she had to think about Bi Hai.

Wu Xinkai was feeling great, so he didn't care. He said directly, "Hah, how was that possible? Would Brother Bao listen to me? I'm just a small boss of a bar. How can I ask Brother Bao to promote someone? It'll just be a waste of time for him!"

Ge Xinyao frowned but she still continued her sexual moans.

"Fck your mother, Wu Xinkai!" Bi Hai was really angry this time. Son of a btch, were you fooling me all along? If you can't do it, why did you promise me then?

Bi Hai clenched his teeth and held back the urge to punish Wu Xinkai. Then, he walked to the bathroom. He couldn't stand here for too long, otherwise, he would elicit doubts from others. However, Ge Xinyao, this whore, still had goodwill. She still knew to help me at this time. I treated her quite well! Talking to a b*tch about three obediences and four virtues was just a joke! Therefore, Bi Hai didn't care much about that, but he was angry at Wu Xinkai's attitude toward him.

After smoking a cigarette and estimating the time, Bi Hai came out from the bathroom. He knew well how long Wu Xinkai would need for sex. His d*ck only looked impressive but was useless so it would be finished in a while.

As expected, Wu Xinkai had come out when Bi Hai went back. When he saw Bi Hai, he patted his shoulder happily and thought that Bi Hai was none the wiser. "Is everything ok?"

"Don't worry, Brother Kai. We will f*ck that kid tomorrow!" Bi Hai said evilly.

"Good! Right, your girlfriend is still waiting for you in the room. Hurry up! Don't let her wait!" Wu Xinkai said with a smile.

You were too weak to fulfill her lust, weren't you? Bi Hai looked at Wu Xinkai with despise, but he said without any expression on his face, "Okay, then I will go first, Brother Kai!"

"Go, go!" Wu Xinkai thought, This chick is really horny. She looked pure, yet she is lascivious!

Bi Hai held his anger and behaved in a normal manner. He pushed the door into the private room where Ge Xinyao was. Then, he turned back and locked the door.

"Bi Hai, come on. I have waited for you for a long time!" Ge Xinyao wasn't satisfied with Wu Xinkai. She was horny right now!

" Hehe , were you not satisfied with Wu Xinkai?" Bi Hai smiled coldly.

" Ah !" Ge Xinyao was stunned. Her lust immediately vanished. Bi Hai knows it already?

" Hmph hmph , your moans are so good!" Bi Hai walked over and glared at Ge Xinyao.

"Brother Hai, I'm sorry... I couldn't help the situation at the time!" Ge Xinyao shook her head and said, "Moreover, I care about you, too. I have asked for you. Brother Kai, this bstrd, didn't plan to promote you at all!"

"Don't call him Brother Kai. He doesn't deserve it!" Bi Hai said coldly, " Hmph , if I didn't hear you say that, did you think that I would still keep you? Hmph hmph , good! Now I see the character of Wu Xinkai."

"Brother Hai, anyway, Kai... Wu Xinkai wore a condom. I should be fine. Are you worried about this?" Ge Xinyao said, "Why do you care since you work at a dirty business? I have washed up. Besides, he is far worse than you!"

"Ge Xinyao, I'll tell you this. It was Wu Xinkai who raped you just now. Do you understand?" Bi Hai said suddenly.

"Rape? Brother Hai... You mean..." Ge Xinyao, this girl was used to doing dirty tricks so she understood Bi Hai's meaning immediately. "You want to overthrow Wu Xinkai with this? What if he doesn't want to admit it?"

" Hmph hmph , don't want to admit?" Bi Hai took out a Nokia phone and threw it on the bed. "Look at it yourself!"

Ge Xinyao took the phone and opened up the photos and videos inside. After a few looks, guilt showed on her face and then she said firmly, "Okay. Brother Hai, I'm standing by your side!"

"Not bad. I was right to treat you so well!" Bi Hai nodded with satisfaction. "Wu Xinkai, that wuss, didn't satisfy you, right? You little b*tch, come on. Let me reward you!"

" Ah , Brother Hai, come quickly!" Ge Xinyao screamed and hugged Bi Hai. "Brother Hai, if you're promoted in the future, will you abandon me?"

" Hmph hmph , you are my hero. Besides, you are more insidious than me. I have to keep you around to help me deal with those enemies!" Bi Hai said.

There were obscene sexual moans in the house...

Wu Xinkai still didn't know that he had been tricked. He was lying in bed and smoking a small cigarette, enjoying a lady's massage. He didn't know that the most severe punishment was waiting for him.

The next morning, Ge Xinyao and Bi Hai acted as if nothing happened. He met Wu Xinkai and said immediately, "Brother Kai, are we ready to go?"

"Let's go find Yang... what's his name... *Fck, just call him pssy Yang!*" Wu Xinkai forgot what Yang Ming was called.

“Yes, let’s teach that p*ssy Yang a lesson!” The three younger brothers who were ready to leave together quickly followed the flow.

Yang Ming was very happy today. He had a good sleep last night. In the morning, he took the limited edition Disney doll set to reconcile with Chen Mengyan.

Chapter 342: Elder Sister’s Boss

“It’s him! He’s over there!” Ge Xinyao pointed in Yang Ming’s direction.

“That’s right. It’s him!” Wu Xinkai spat some phlegm on the ground. He waved and said, “Brothers, that’s the... p*ssy Yang!”

Yang Ming was happy, but then three little punks abruptly appeared in front of him. If it was under normal circumstances, Yang Ming would have already kicked each of them. Trying to be bad*ss? Yang Ming stepped forward. Are you guys trying to scare me?

But today, Yang Ming was in a good mood, so he didn’t abuse these three guys who didn’t grow eyes. He just said impatiently, “Where are you from? Stop standing in front of me like a hurdle!”

“Are you the son of a b*tch [1]?” One of the little punks asked.

“You, motherfcker, *are the son of a btch!*” Yang Ming said in anger. He never encountered anyone who asked a stranger he just met whether the person was a “wretch.” Does this guy have his head pricked?

” En ? You aren’t?” The punk found it somewhat inexplicable. Did I recognize the wrong person? I should be right. Didn’t the boss said that he’s the “p*ssy Yang”? Isn’t that who he is?

“Fck off. *You are the son of a btch!*” Yang Ming really wanted to kick someone.

” Damn , Da Chang [2], don’t talk nonsense with him. It’s this guy!” The punk next to him had already reacted to what was going on. Only the punk who was questioning couldn’t figure it out.

“Wait. Why are you looking for me?” Yang Ming noticed these three little punks were confused. He found it inexplicable.

” Damn , kid. You’re done. Do you know that?” The punk next to Da Chang pointed at Yang Ming and said, “You have offended someone you shouldn’t offend – a person that you wouldn’t be capable of offending for the rest of your life!”

“Who is that person? He doesn’t seem to born yet.” Yang Ming said disdainfully. Someone who I couldn’t offend? Am I hearing it right?

“Kid, what are you saying? Do you dare to insult Brother Kai? Brothers, butcher him!” Da Chang finally figured it out. Yang Ming was humiliating Brother Kai, so he jumped out in a hurry.

“Motherf*cker, you are retarded!” Yang Ming delivered a slap right on Da Chang’s face, making him spin around until he flew out three meters away. He was kneeling on the ground because he couldn’t move. Yang Ming was really angry at that moment. He was still anxious to go to Chen Mengyan’s dormitory’s

downstairs. These annoying guys were endlessly wasting his time. How could Yang Ming not be enraged?

"Ah?" The other two punks noticed Yang Ming had finished off Da Chang in one move. They were somewhat intimidated. They immediately shouted behind, "Brother Kai, Brother Hai, this kid is powerful!"

"Damn! We have so many people. Why are you afraid?" Wu Xinkai didn't think that Yang Ming was so powerful. His body was one hundred and eighty-eight centimeters tall, so he was taller than Yang Ming!

"It's you!" Yang Ming recognized Wu Xinkai then he mocked, "Do you still want to have your brain smashed?"

"Kid, you were quite sly yesterday. You actually found a policewoman to crash in my territory!" Wu Xinkai said with gritted teeth, "But today, you aren't so lucky. How are you going to look for your police friend again?"

"If it wasn't for her yesterday, do you think you can still stand here and talk to me?" Yang Ming found it amusing. Most probably, this guy still didn't know what was going on. Is he a narcissist? If Xia Xue wasn't behind me yesterday, I might have already destroyed the Didi bar!

If someone dared to treat Lin Zhiyun as such, he would be courting death! Yang Ming had intended to cripple Wu Xinkai yesterday. Yes, at the moment when Yang Ming saw Lin Zhiyun painfully fall to the ground, he had the intention to kill.

"Kid, it's useless to be good with words. Let me give you a chance. I will challenge you one-on-one." Wu Xinkai said awkwardly.

"Get the hell out of here! One-on-one? You aren't qualified for that!" Yang Ming didn't wait for him to finish and launched a kick to his stomach with his foot. The strength of Yang Ming's foot was very vicious, or else, he couldn't train "Yang's flying leg." Especially after kicking the big tree for a while, it became more overbearing. The kick just now was launched with strength, so Wu Xinkai flew straight out and slammed on the ground. Apparently, he suffered a fatal injury based on the blood bubbling in his nose.

Yang Ming had a rationale behind it! He knew that no matter how Wu Xinkai was kicked, there wouldn't even be a fuss. The reason was that he was on the side of justice! The situation right now was different from yesterday. In the bar yesterday, it was a fight. But today, it was a group of punks stirring up trouble in the school! It was a social taboo!

Yang Ming was beating up a punk to protect the safety in school! Not only would the school come out to protect him, but others would side with him. Of course, this was under the premise that the punks called the police. However, Yang Ming felt that these people were unlikely to report to the police. Therefore, he had nothing to fear.

Bi Hai and Ge Xinyao at the side were dumbfounded. Isn't he too strong? Moreover, he finished off two people with two moves while it had taken away the opponent's ability to fight back! Ge Xinyao had some regrets. Why is Lin Zhiyun's boyfriend so bad*ss? I never heard of him before. Would he seek revenge from me in the future?

Bi Hai was even more surprised. But, what he had in his mind was how to pull Yang Ming to his side. With that, his own strength will increase greatly. As for Wu Xinkai, Bi Hai wouldn't care whether or not was he still alive.

"What? Do you also want to challenge me one-on-one?" Yang Ming glanced at Bi Hai and Ge Xinyao.

"Er ... no..." Bi Hai dared not to challenge him one-on-one. For Yang Ming, even if it was a gang fight, they couldn't necessarily win. One-on-one? Isn't that courting death? "A misunderstanding, a misunderstanding, this was Wu Xinkai's idea. I didn't agree, but I'm his underling. I can only follow his instruction."

"Listen to your tone. You seem to have not taken to him as your boss?" Yang Ming said with some ridicule.

"He isn't worthy to be my boss!" Bi Hai had decided to fall out with Wu Xinkai. There was no need to offend Yang Ming because of him, so his speech was unscrupulous.

However, the two punks who weren't beaten up by Yang Ming were surprised to see the military counselor next to Brother Kai. Did he want to betray Brother Kai?

"It seems that your internal conflicts are quite big." Yang Ming snorted. "Since you were forced, then I will keep you. However, you manage your woman. I haven't hit a woman in a long time. However, I don't mind making an exception."

"Yang Ming... Brother, I will never have any intention on Lin Zhiyun again..." Ge Xinyao immediately nodded like a chicken pecking rice.

"But, brother, I have a word to remind you. Although Wu Xinkai is almost finished, he is Brother Bao's underling. If Brother Bao knew that you hit him, he will definitely not give up!" Wu Xinkai would be bedridden for a few months, so Bi Hai was simply outspoken. He intended to win over Yang Ming, so he said, "But, I will try my best to say things for you because I'm optimistic about you!"

"Brother Bao? Which Brother Bao?" Yang Ming smiled and asked faintly, "Is it Bao Sanli?"

"Brother, do you know Brother Bao?" Bi Hai was shocked and asked quickly. He didn't think that Yang Ming deliberately scared him because those who knew the name of Brother Bao were only the people in the gang. The outsiders would certainly not be so clear.

"Hehe, you can go back and tell Bao Sanli that it was I, Yang Ming, who beat Wu Xinkai like this." Yang Ming said indifferently.

Bi Hai thought, There will be people telling Brother Bao about it even if I didn't mention this incident. However, since this Yang Ming is so calm, is he related to Brother Bao? He wanted to win over Yang Ming's heart and it suddenly became flattery! Yes, Bi Hai was such a vile character. As long as it would benefit him, he wouldn't mind being submissive like a grandson to others!

"Brother Yang, you and Brother Bao seem to be very familiar?" Bi Hai asked tentatively in a probing manner.

"It's alright. We went through the same detention hall together." Yang Ming looked at Bi Hai and said. He thought to himself. It seems that this fellow is a talent. I wonder how his character will be. If he wasn't so disloyal, he can be useful.

"Hey..." Bi Hai took a deep breath! Although he is a punk, he never went into detention hall before. This university student actually went in before? However, based on his vicious methods, he is a ruthless character. Did he turn over a new leaf?

The few gangsters that came here had changed the way they looked at Yang Ming. They instantly became respectful. That's the friend of the ultimate boss. How could little punks like them mess with him?

"Brother Yang, I'm sorry about today. I, Bi Hai, would like to apologize to you!" Bi Hai said. He gave Yang Ming a deep bow as a respect and said to Ge Xinyao, "Why you haven't called Brother Yang!"

"Brother Yang!" Ge Xinyao was convinced that this time. This person in front of her is indeed a ruthless character!

"Don't bully Lin Zhiyun anymore in the future. She is kind deep down in her heart, but it doesn't mean that I'm an easy going person. For the consequences, you can just think about it on your own." Yang Ming glanced at Ge Xinyao and warned her.

"I won't. Brother Yang, you can rest assured! From today onward, Lin Zhiyun... sister-in-law is my elder sister [3]! I will just follow her!" Ge Xinyao quickly promised.

Chapter 343: A Word From Brother Yang

When Yang Ming listened to Ge Xinyao's words, he couldn't help but laugh. This *btch really knows how to take advantage of the situation! However, since she wouldn't bully Lin Zhiyun anymore, Yang Ming was relieved. Besides, it seemed that Ge Xinyao had a boyfriend from the underworld so she was being bossy in the university. As such, Lin Zhiyun could also be protected by her. Therefore, Yang Ming didn't intend to pursue her. She's just a btch.* There was no need to argue with somebody less informed. "En , Zhiyun's character is too kind. You can help me to look after her. If someone bullies her, you know what to do, right?"

"Don't worry, Brother Yang. Leave it to me!" Ge Xinyao nodded happily. She knew very well about the current situation. Yang Ming was a bad*ss. If he could even talk to Brother Bao, then I must definitely cling onto him! However, Ge Xinyao also understood that Yang Ming would definitely not adore her because of her inferior looks. He liked Lin Zhiyun, so Ge Xinyao wouldn't humiliate herself through that. It was better to serve Lin Zhiyun better and leave a good impression with Yang Ming!

No matter what, Yang Ming is very capable of fighting too. It was definitely a correct move for me and Bi Hai to build a good relationship with him!

" Oh ya, I heard what you meant. Do you and Wu Xinkai have conflicts?" Yang Ming squinted at Bi Hai. This kid really knows how to behave! If it was possible, I would like to promote him.

"Yes, Brother Yang. Can I talk to you for a while?" Bi Hai glanced at the two younger brothers and said, "What are you doing? Quickly bring Wu Xinkai and Da Chang to the hospital! Do you want them to die here?"

"Oh, yes, yes!" No matter what the conflict between Bi Hai and Wu Xinkai was, Bi Hai was still the deputy master of the bar, so the two younger brothers didn't dare disobey him.

"Let's go. I want to go to the girls' dormitory as well. Let's talk while we walk there." Yang Ming glanced at the time. Fortunately, he went out early, and he still had time. Chen Mengyan should still be in the dormitory.

Bi Hai's mind had been running wild since just now. Yes, I do have the evidence to expose Wu Xinkai cuckolding me. However, what if Wu Xinkai doesn't admit it and says it was Ge Xinyao who seduced him? After all, it's hard to make it clear if both of them stand their ground. However, if an important character came out and said a bad word about Wu Xinkai, then Wu Xinkai's fall will be inevitable.

And this person has now appeared. He is Yang Ming, a friend of Brother Bao. If Yang Ming can say something nice for me then it's more powerful than any other evidence!

Therefore, Bi Hai was also prepared to tell Yang Ming truth.

"Brother Yang, this Wu Xinkai didn't treat me as a human!" Bi Hai said with some resentment, "Not only did he rape Ge Xinyao, but he also gave me a lot of dishonored checks [1]..." Bi Hai added oil to the fire about what Wu Xinkai had done.

Yang Ming naturally didn't believe those words, but since he said this, it was certainly not a complete lie, so he asked, "Do you have evidence?"

"Yes!" Bi Hai took out the Nokia N from his pocket and handed it to Yang Ming.

"This stuff is quite upscale. How do I to use it?" Yang Ming asked with a smile.

Although Yang Ming's words were somewhat ridiculous and even old-fashioned, Bi Hai and Ge Xinyao didn't dare to look down on him. He is so powerful. His punch and kick can cause a serious injury to others. Who dared to look down on him?

"This should be used like..." Bi Hai quickly helped Yang Ming to bring up the photos and videos inside, and then pretended to be casual. "This is a new model. After using it for many days, I still don't really know how to use it!"

This was undoubtedly showing that it was normal for Yang Ming to not know how to use it. He had bought it for so long, but in terms of understanding how to use it, he had only touched the surface!

Yang Ming nodded quietly and thought, This guy is smart. It seems that I really lack such a person beside me! Hou Zhenhan had the courage and intelligence. Although he can do some conspiracy work for Yang Ming, he still wasn't suitable for doing dirty tricks. This Bi Hai is a good candidate, especially his girlfriend. These two people were born to play dirty tricks.

"Oh, is that a rape?" Yang Ming looked at the video and said, "It looks like you felt really great."

Ge Xinyao immediately blushed. She said with embarrassment, "I'm not a virgin. Of course, there will be a physiological reaction..."

"I guess I can believe you." Yang Ming looked at Bi Hai and Ge Xinyao and said, "But Bi Hai, the way you wanted to promote yourself, isn't that not glorious? Wouldn't Brother Bao have to be careful of you?"

"This... I don't plan to lie to Brother Yang. I'm not a gentleman. I'm a despicable man! But I'm also a real despicable man!" Bi Hai said honestly, "I didn't want to oppose Wu Xinkai before yesterday. I was grateful for him once I heard he was going to promote me. I had been helping him do tactical planning. But it was he who treated me unjustly first. He couldn't blame me for betraying him! I said that I, Bi Hai, am a despicable man. Don't expect me to swear loyalty to the one who betrays me. I'm not Yue Fei [2]! I only know that whoever treats me well, I will be loyal to him!"

Yang Ming nodded. No one is perfect. It's impossible to ask such a despicable man to swear loyalty. Only absolute deterrence and sufficient credits can make him loyal to me. This kind of person, better to keep him for the time being.

"Well, I will do you a favor today, but you have to remember that I'm not Wu Xinkai. You shouldn't have any conspiracy against me, or else, you will die horribly." Yang Ming said faintly. He took out his cell phone and found Bao Sanli's phone number, but the phone was showing low-battery.

"Brother Yang, use mine to call!" Bi Hai quickly handed his cellphone to Yang Ming.

Yang Ming didn't refuse. He entered Bao Sanli's number and dialed.

"Brother Bao, I'm Yang Ming." Yang Ming directly reported his name.

"Buddy Yang [3], it's you!" Bao Sanli was now the number one person of Song Jiang City, naturally, he wouldn't call Yang Ming as "Brother Yang." However, he was still very grateful to Yang Ming for introducing Hou Zhenhan to him. For that, he could turn the situation around. Otherwise, he would become a loser now.

Yang Ming didn't care. He knew Bao Sanli's situation so he didn't mind this. "Brother Bao, do you have a man under you named Wu Xinkai?"

However, Bi Hai and Ge Xinyao were very concerned about it. How could this person be Brother Bao's buddy? This proved that Yang Ming had his importance in front of Brother Bao! It was because Bi Hai always tuned the volume to the maximum due to the noisy environment of the bar that they could hear their conversation clearly.

"Wu Xinkai?" Bao Sanli hesitated a moment. He had so many people. It was difficult to remember all them. Fortunately, there was someone who reminded Bao Sanli so he could react. "Wu Xinkai of the Didi Bar? What happened to him?"

"I have crippled this guy. I think he wouldn't be able to get up for a long time, so here I am apologizing to Brother Bao!" Yang Ming smiled, and his tone didn't sound so sorry.

"Motherf*cker, this guy provoked Brother Yang. It's good for him to be beaten up. We are brothers. There's no need to apologize!" Bao Sanli scolded Wu Xinkai. "You don't have to report that to me. Do you have time to visit your brother? I'm now very successful!"

"Hehe, I'm very busy lately. I will visit one day!" Yang Ming smiled and said, "Right, Brother Bao. One more thing. This Wu Xinkai had an ill-intention on my girlfriend. It's thanks to a person named Bi Hai who stopped it in time. If not... ah, this Bi Hai is a nice person. He is quite positive. You can give him more responsibility."

"No problem! Brother Yang, since you opened your mouth, if I don't give face to you, I will be nothing!" Bao Sanli immediately agreed. "You can ask him to come to the Nightless Club and look for me. I will come over later."

"Okay, Thank you, Brother Bao. I will visit you one day." Yang Ming said.

"Okay, I'll be waiting for you!" Bao Sanli replied.

After hanging up the phone, Yang Ming passed the phone back to Bi Hai, but Bi Hai said with a flattering voice, "Brother Yang, your cell phone had run out of battery. You can use mine for the time being. I don't have any urgent matters. I will just buy another one later, but Brother Yang, you should hurry if you're busy!"

Bi Hai had heard their conversation clearly. He was looking for a chance to brown nose Yang Ming!

"Oh? You have the evidence here. If you gave it to me, what would you do?" Yang Ming took the phone without being generous. This phone looks quite new. The protective layer on the screen hasn't been taken off yet.

"Hehe, there's no need for evidence because I have a word from Brother Yang." Bi Hai said politely.

Chapter 344: Presenting the Buddha With Borrowed Flowers

"Have you heard all of it?" Yang Ming smiled.

"En, the speaker volume on this cell phone is a bit louder, Brother Yang. You can adjust it a little later." Bi Hai laughed.

"If this was the case, then I will not repeat it again. After a while, you will go to Brother Bao." Yang Ming nodded and put the cell phone into his pocket. He thought, This person is considerable!

"Brother Yang, Bi Hai owes you a favor. In the future, Brother Bao is my boss, and you are my other boss!" Bi Hai sincerely gave Yang Ming a respectful bow. It was more official than the flattery before.

"Okay, do it well." Yang Ming nodded to him.

"That... Brother Yang, can you take my cell phone..." Bi Hai suddenly thought of something.

"Oh, do you want me to delete the video?" Yang Ming suddenly realized.

"Not this. I mean, Brother Yang, please give me back my SIM card..." Bi Hai shook his head and said.

"Oh, you mean that!" Yang Ming took out his cell phone and opened the back cover. He took the SIM card out and handed it to Bi Hai. Later, he inserted his own SIM card into it.

"That video, Brother Yang, if you like it, just keep it for your enjoyment..." Ge Xinyao said in a flirtatious manner, "If Brother Yang really wants me..."

Yang Ming was frowning. He couldn't help but have goosebumps. Yang Ming looked at Bi Hai, but he was embarrassed, and yet he couldn't do anything.

"Ge Xinyao, do you know what kind of woman I hate the most?" Yang Ming said faintly.

"Ah ... I..." Ge Xinyao was shocked and quickly put away her seduction. She was really fascinated by Yang Ming at that moment.

"Women don't need to be too pure, but they can't be slutty. You are now Bi Hai's woman. You must keep this in mind. I don't want to see what I dislike happening again." Yang Ming glanced at Ge Xinyao coldly.

"I understand, Brother Yang." Ge Xinyao nodded.

"Okay, I want to pick up girl. Both of you quickly leave then." Yang Ming saw Chen Mengyan walk out of the dormitory. He quickly picked up the gift in his hand and spoke to the two people by him.

"Ah ? Then, we will not bother Brother Yang..." Although Bi Hai and Ge Xinyao said so, they found it strange. Doesn't Yang Ming like Lin Zhiyun? The girl that's coming out isn't Lin Zhiyun although her appearance is so beautiful!

However, since they determined that Yang Ming wasn't an ordinary person, Bi Hai wasn't surprised anymore. Ge Xinyao was even more embarrassed. With her appearance, she even dared to present herself. As she looked at the women around Yang Ming, which of them weren't the best?

However, before Yang Ming reached her, there was a guy who was faster than Yang Ming. He suddenly came out holding a bunch of roses and ran to Chen Mengyan.

"Chen Mengyan, this is for you. You're so beautiful today." The person who came was Zou Ruoguang, the president of the Student Union of the School of Business Management.

"I'm sorry. I can't accept it." Chen Mengyan really dressed up well today. It was because last night, Zhao Ying called her and told her that Yang Ming might come to her over the next two days.

Chen Mengyan was so excited at the time. Although Yang Ming was a guilty person who was ungrateful, she felt very sweet deep down her heart. Finally, he is willing to look for me.

This time, Chen Mengyan also wanted to know, How is Lan Ling? Had she gone back to Yunnan now? It was an unknown when would she return. I'm Yang Ming's genuine girlfriend. Isn't it a waste of my youth if I just dragged it along? But, for her to take the initiative and compromise with Yang Ming, she couldn't do it.

At that moment when Chen Mengyan heard from Zhao Ying that Yang Ming was going to look for her, Chen Mengyan was happy! When Chen Mengyan looked in the mirror, she frowned because of her gloomy looks. She quickly put on a facial mask before going to bed. She woke up early in the morning to dress carefully and change her hairstyle to a more youthful one.

Although Chen Mengyan wasn't willing to admit that she did that for the upcoming encounter with Yang Ming, it was an undeniable truth that women decorated their looks to please their partners.

Chen Mengyan's mood was good today. Coupled with deliberate make-up, she exuded a different kind of aura. Originally, Zou Ruoguang had already felt that Chen Mengyan was beautiful enough. It was just that in the past, she gave a sense of Lin Daiyu [1], who was a bit "sickly." Today, her whole person became young and sunny. Zou Ruoguang's gaze at Chen Mengyan couldn't help but become more obsessed.

God damn it! You had already sent flowers to the door of the dormitory? You are still looking at my wife with such a demented look! Who are you? Yang Ming was a little angry. He went straight to Zou Ruoguang. Yang Ming took the flowers in his hand and said, "I will accept these flowers for her. You can get out!"

Chen Mengyan suddenly saw the abrupt appearance of Yang Ming. A glimpse of happiness appeared on her face, but as she thought about her relationship with him, she couldn't help but put up a stern look.

"I'll give this to you, Mengyan. You're so beautiful today." Yang Ming handed the roses to Chen Mengyan.

"Pfff." Chen Mengyan finally couldn't help but smile. "Aren't you capable of borrowing flowers to offer to Buddha? You even transferred this gift to me right in front of my face. Is there anyone like you?" But even though Chen Mengyan said such, she still reached out and accepted it.

"Hehe, of course, I still have a gift for you! The real gift is here – "Dangdangdangdang" (Author's note: readers will need to sense the vocal variety on their own as they read it)..." Yang Ming was trying to take out the Disney doll set behind him, but he heard a cold and nasty voice.

Just now, Zou Ruoguang gazed at Chen Mengyan dementedly. He wasn't quite aware that Yang Ming took the flowers in his hands. Nevertheless, he reacted later on. "Who are you? Why did you grab my flowers?"

"Who grabbed your flowers? Didn't you give flowers to my wife? I received it for her." Yang Ming said with impatience. How can this person be so insensible? Wouldn't an ordinary people who witnessed such a situation go away quickly?

"Chen Mengyan, who is he?" Zou Ruoguang asked while pointing at Yang Ming.

"Stop pointing at me." Yang Ming was a bit uncomfortable and glared at Zou Ruoguang. If Chen Mengyan wasn't in front of him, Yang Ming would have already greeted him with a big slap.

"What's wrong pointing at you? Hurry up and return the flowers to me!" Zou Ruoguang frowned and said.

"Dumb*ss, your friend is looking for you!" Yang Ming said in anger to Zou Ruoguang looking behind him.

"What?" Zou Ruoguang was caught by surprise.

Bi Hai just noticed the situation here. He was originally a smart person, so after reading the situation with a few glimpses, he understood what was going on! Obviously, this Zou Ruoguang was a person who wanted to harass sister-in-law! Motherfcking pssy. Brother Yang is picking up a girl. How dare you harass

them? Thus, Bi Hai went straight away and patted on Zou Ruoguang's shoulder. "Little fellow, come over. Let's find a place to talk!"

"Who are you?" Zou Ruoguang looked at Bi Hai's appearance and knew that he wasn't a good person. Especially his slovenly looks made Zou Ruoguang somewhat scared.

"Come over and then you will know!" Bi Hai grabbed Zou Ruoguang's shoulder and forced him to walk to the corner of the dormitory.

"Let go of me..." Zou Ruoguang shouted.

"Motherf*cker!" Bi Hai punched Zou Ruoguang's stomach and said ruthlessly, "Shout again and I'll kill you!"

"Ou ..." Zou Ruoguang snorted and didn't dare to have any objections. Even though Bi Hai was a strategist, he also grew up with fighting. It was a piece of cake to deal with a university student like Zou Ruoguang.

"Who's that person looking for Zou Ruoguang? Why does it seem strange?" Chen Mengyan asked with suspicion.

"Who knows? Maybe it's his friend." Yang Ming said indifferently. But, he thought to himself deep down in his heart. This Bi Hai, such a talented, an absolute talented person! For the things that I can't do on my own, this Bi Hai can help me with it! Not bad!

"Friend? It doesn't seem so. That person doesn't look like a good person!" Chen Mengyan said with a frown.

"Forget about him. He doesn't appear to be a good person. Most probably, he seduced someone's wife and people came up to him!" What Yang Ming said was a lie. The truth was this!

However, Chen Mengyan said, "Nonsense."

"Oh ya, here's the gift for you!" Zou Ruoguang had ruined the mood. Yang Ming was unhappy about it.

"What's this... Ah! Isn't this a Disney plushy?" Chen Mengyan took the gift Yang Ming gave her, and she looked happy. "Who told you that I liked this?"

Ah? Do you really like it? Yang Ming had some doubts. Did Chen Fei really predict it right? Or do girls generally like this?

"That... I'm the worm in your belly [2]. I know what you are thinking." Yang Ming smiled.

"Hmph, nonsense!" Chen Mengyan naturally didn't believe it. "That's it. You just tell me what I am thinking right now!"

"You are now... definitely thinking... me..." Yang Ming said.

"You? What do you mean?" Chen Mengyan was stunned, thinking that Yang Ming's sentence wasn't finished.

"You are just thinking of me!" Yang Ming said seriously.

Chapter 344: Presenting the Buddha With Borrowed Flowers

"Have you heard all of it?" Yang Ming smiled.

"En, the speaker volume on this cell phone is a bit louder, Brother Yang. You can adjust it a little later." Bi Hai laughed.

"If this was the case, then I will not repeat it again. After a while, you will go to Brother Bao." Yang Ming nodded and put the cell phone into his pocket. He thought, This person is considerable!

"Brother Yang, Bi Hai owes you a favor. In the future, Brother Bao is my boss, and you are my other boss!" Bi Hai sincerely gave Yang Ming a respectful bow. It was more official than the flattery before.

"Okay, do it well." Yang Ming nodded to him.

"That... Brother Yang, can you take my cell phone..." Bi Hai suddenly thought of something.

"Oh, do you want me to delete the video?" Yang Ming suddenly realized.

"Not this. I mean, Brother Yang, please give me back my SIM card..." Bi Hai shook his head and said.

"Oh, you mean that!" Yang Ming took out his cell phone and opened the back cover. He took the SIM card out and handed it to Bi Hai. Later, he inserted his own SIM card into it.

"That video, Brother Yang, if you like it, just keep it for your enjoyment..." Ge Xinyao said in a flirtatious manner, "If Brother Yang really wants me..."

Yang Ming was frowning. He couldn't help but have goosebumps. Yang Ming looked at Bi Hai, but he was embarrassed, and yet he couldn't do anything.

"Ge Xinyao, do you know what kind of woman I hate the most?" Yang Ming said faintly.

"Ah ... I..." Ge Xinyao was shocked and quickly put away her seduction. She was really fascinated by Yang Ming at that moment.

"Women don't need to be too pure, but they can't be slutty. You are now Bi Hai's woman. You must keep this in mind. I don't want to see what I dislike happening again." Yang Ming glanced at Ge Xinyao coldly.

"I understand, Brother Yang." Ge Xinyao nodded.

"Okay, I want to pick up girl. Both of you quickly leave then." Yang Ming saw Chen Mengyan walk out of the dormitory. He quickly picked up the gift in his hand and spoke to the two people by him.

"Ah? Then, we will not bother Brother Yang..." Although Bi Hai and Ge Xinyao said so, they found it strange. Doesn't Yang Ming like Lin Zhiyun? The girl that's coming out isn't Lin Zhiyun although her appearance is so beautiful!

However, since they determined that Yang Ming wasn't an ordinary person, Bi Hai wasn't surprised anymore. Ge Xinyao was even more embarrassed. With her appearance, she even dared to present herself. As she looked at the women around Yang Ming, which of them weren't the best?

However, before Yang Ming reached her, there was a guy who was faster than Yang Ming. He suddenly came out holding a bunch of roses and ran to Chen Mengyan.

"Chen Mengyan, this is for you. You're so beautiful today." The person who came was Zou Ruoguang, the president of the Student Union of the School of Business Management.

"I'm sorry. I can't accept it." Chen Mengyan really dressed up well today. It was because last night, Zhao Ying called her and told her that Yang Ming might come to her over the next two days.

Chen Mengyan was so excited at the time. Although Yang Ming was a guilty person who was ungrateful, she felt very sweet deep down her heart. Finally, he is willing to look for me.

This time, Chen Mengyan also wanted to know, How is Lan Ling? Had she gone back to Yunnan now? It was an unknown when would she return. I'm Yang Ming's genuine girlfriend. Isn't it a waste of my youth if I just dragged it along? But, for her to take the initiative and compromise with Yang Ming, she couldn't do it.

At that moment when Chen Mengyan heard from Zhao Ying that Yang Ming was going to look for her, Chen Mengyan was happy! When Chen Mengyan looked in the mirror, she frowned because of her gloomy looks. She quickly put on a facial mask before going to bed. She woke up early in the morning to dress carefully and change her hairstyle to a more youthful one.

Although Chen Mengyan wasn't willing to admit that she did that for the upcoming encounter with Yang Ming, it was an undeniable truth that women decorated their looks to please their partners.

Chen Mengyan's mood was good today. Coupled with deliberate make-up, she exuded a different kind of aura. Originally, Zou Ruoguang had already felt that Chen Mengyan was beautiful enough. It was just that in the past, she gave a sense of Lin Daiyu [1], who was a bit "sickly." Today, her whole person became young and sunny. Zou Ruoguang's gaze at Chen Mengyan couldn't help but become more obsessed.

God damn it! You had already sent flowers to the door of the dormitory? You are still looking at my wife with such a demented look! Who are you? Yang Ming was a little angry. He went straight to Zou Ruoguang. Yang Ming took the flowers in his hand and said, "I will accept these flowers for her. You can get out!"

Chen Mengyan suddenly saw the abrupt appearance of Yang Ming. A glimpse of happiness appeared on her face, but as she thought about her relationship with him, she couldn't help but put up a stern look.

"I'll give this to you, Mengyan. You're so beautiful today." Yang Ming handed the roses to Chen Mengyan.

"Pfff." Chen Mengyan finally couldn't help but smile. "Aren't you capable of borrowing flowers to offer to Buddha? You even transferred this gift to me right in front of my face. Is there anyone like you?" But even though Chen Mengyan said such, she still reached out and accepted it.

"Hehe, of course, I still have a gift for you! The real gift is here – "Dangdangdangdang" (Author's note: readers will need to sense the vocal variety on their own as they read it)..." Yang Ming was trying to take out the Disney doll set behind him, but he heard a cold and nasty voice.

Just now, Zou Ruoguang gazed at Chen Mengyan dementedly. He wasn't quite aware that Yang Ming took the flowers in his hands. Nevertheless, he reacted later on. "Who are you? Why did you grab my flowers?"

"Who grabbed your flowers? Didn't you give flowers to my wife? I received it for her." Yang Ming said with impatience. How can this person be so insensible? Wouldn't an ordinary people who witnessed such a situation go away quickly?

"Chen Mengyan, who is he?" Zou Ruoguang asked while pointing at Yang Ming.

"Stop pointing at me." Yang Ming was a bit uncomfortable and glared at Zou Ruoguang. If Chen Mengyan wasn't in front of him, Yang Ming would have already greeted him with a big slap.

"What's wrong pointing at you? Hurry up and return the flowers to me!" Zou Ruoguang frowned and said.

"Dumb*ss, your friend is looking for you!" Yang Ming said in anger to Zou Ruoguang looking behind him.

"What?" Zou Ruoguang was caught by surprise.

Bi Hai just noticed the situation here. He was originally a smart person, so after reading the situation with a few glimpses, he understood what was going on! Obviously, this Zou Ruoguang was a person who wanted to harass sister-in-law! *Motherfcking pssy*. Brother Yang is picking up a girl. How dare you harass them? Thus, Bi Hai went straight away and patted on Zou Ruoguang's shoulder. "Little fellow, come over. Let's find a place to talk!"

"Who are you?" Zou Ruoguang looked at Bi Hai's appearance and knew that he wasn't a good person. Especially his slovenly looks made Zou Ruoguang somewhat scared.

"Come over and then you will know!" Bi Hai grabbed Zou Ruoguang's shoulder and forced him to walk to the corner of the dormitory.

"Let go of me..." Zou Ruoguang shouted.

"Motherf*cker!" Bi Hai punched Zou Ruoguang's stomach and said ruthlessly, "Shout again and I'll kill you!"

"Ou ..." Zou Ruoguang snorted and didn't dare to have any objections. Even though Bi Hai was a strategist, he also grew up with fighting. It was a piece of cake to deal with a university student like Zou Ruoguang.

"Who's that person looking for Zou Ruoguang? Why does it seem strange?" Chen Mengyan asked with suspicion.

"Who knows? Maybe it's his friend." Yang Ming said indifferently. But, he thought to himself deep down in his heart. This Bi Hai, such a talented, an absolute talented person! For the things that I can't do on my own, this Bi Hai can help me with it! Not bad!

"Friend? It doesn't seem so. That person doesn't look like a good person!" Chen Mengyan said with a frown.

“Forget about him. He doesn’t appear to be a good person. Most probably, he seduced someone’s wife and people came up to him!” What Yang Ming said was a lie. The truth was this!

However, Chen Mengyan said, “Nonsense.”

” Oh ya , here’s the gift for you!” Zou Ruoguang had ruined the mood. Yang Ming was unhappy about it.

“What’s this... Ah ! Isn’t this a Disney plushy?” Chen Mengyan took the gift Yang Ming gave her, and she looked happy. “Who told you that I liked this?”

Ah ? Do you really like it? Yang Ming had some doubts. Did Chen Fei really predict it right? Or do girls generally like this?

“That... I’m the worm in your belly [2]. I know what you are thinking.” Yang Ming smiled.

” Hmph , nonsense!” Chen Mengyan naturally didn’t believe it. “That’s it. You just tell me what I am thinking right now!”

“You are now... definitely thinking... me...” Yang Ming said.

“You? What do you mean?” Chen Mengyan was stunned, thinking that Yang Ming’s sentence wasn’t finished.

“You are just thinking of me!” Yang Ming said seriously.

Chapter 345: Not As Good As The Beginning

“Who are you? What are you doing?” Zou Ruoguang was a little scared. After all, he was just a student. He usually ran a formal business. He rarely had any relationship with the underworld people. The guy in front of him was obviously a person from the underworld.

” Pa !” A slap landed on the face of Zou Ruoguang. “Little prick, how dare you to harass my boss’ woman? Do you want to die?”

“Your boss? The man just now is your boss?” Zou Ruoguang was stunned and understood the key to the situation.

“F*ck, what man? I’m telling you this. If you dare to harass our boss’ woman again, your death will come soon!” Bi Hai threatened him.

“I know...” A wise man doesn’t fight back when the odds are against him. Zou Ruoguang certainly knew this principle.

” Hmph , boy, if I see you again, you will have your consequences!” Bi Hai patted Zou Ruoguang’s face and said evilly. Then, Bi Hai glared at Zou Ruoguang before leaving with Ge Xinyao.

” Pui , what’s the matter?” Seeing Bi Hai go away, Zou Ruoguang just spit a glob of phlegm, Hmph hmph, university underworld? Do you think this is a Hong Kong or Taiwan TV series? I will report this to the school, little bastard. You just wait to be expelled!

Zou Ruoguang tidied up his shirt and strode to his bedroom. Wasn't he just a little gangster, an uncivilized character? I don't have to be mad at them. This kind of person is very easy to kill!

When Bi Hai came to the Nightless Bar, he talked to the security guard at the door. Then he was taken to Bao Sanli's office. Hou Zhenhan was also discussing something with Bao Sanli.

"Brother Bao, there was a younger brother named Bi Hai looking for you. Do you want to let him in?" A follower of Bao Sanli knocked on the door and asked.

"Bi Hai? Let him come in!" Bao Sanli said.

Bi Hai respectfully pushed the door and went in. When he saw the two big bosses of the gang there, he immediately greeted, "Brother Bao, Brother Hou."

"Well, are you the Bi Hai that Yang Ming mentioned?" asked Bao Sanli.

"Yes, it's me." Bi Hai nodded and replied.

"Good, you have done a good job in this matter. Our gang is now at the most crucial moment for steady development. If our men are simply doing what they want, oppressing the weak, then the gang won't have a long-term development!" Hou Zhenhan nodded and praised him.

"En, yes, I think so too." Originally, Bao Sanli wanted to say a few words. After all, it wasn't a very glorious thing to betray a boss. But since he heard Hou Zhenhan say so, he couldn't say anything else. So he said, "Well, Didi Bar will be handed over to you! Don't be like Wu Xinkai, otherwise, I will make you suffer!"

"Thank you, Brother Bao. Thank you, Brother Hou. I won't let you down. You can rest assured!" Bi Hai quickly promised.

"En. Alright, get out!" Bao Sanli said, "I have something to discuss with Brother Hou!"

"Okay, then I will leave!" Bi Hai went out with respect.

That was just a little interruption. It didn't affect the topic that Bao Sanli and Hou Zhenhan were discussing.

"Brother Hou, we are now a big gang. Don't you think we should have a name for our gang?" Bao Sanli asked.

"En, I will bring up this matter to the boss, but the name will be decided by the boss." Hou Zhenhan nodded and said.

"That's supposed to be the case." Bao Sanli didn't have any problem with that. It didn't matter what the name was. The most important thing was to have a name outside so it could be famous.

"At the beginning of next month, that is, on New Year's Day, I would like to invite figures of Song Jiang City to hold a party. What do you think?"

"This should be fine. After all, we have grasped the underworld of Song Jiang. Many people want to build a relationship but couldn't find opportunities. This can also give each other a platform." Hou

Zhenhan agreed. "This matter doesn't have to be discussed with the boss. It's not a big deal. You can decide. We will decide the list of invitees later on."

The relationship between them was very strange. It was obvious that Bao Sanli was the boss, but he had to discuss with Hou Zhenhan. It was impossible for such a weird situation to be seen in other gangs. A boss would never allow power to be so differentiated, but it was different here. Bao Sanli and Hou Zhenhan both served the same boss, so they didn't fight for power. That didn't make any sense!

"Brother Hai, how was it? What did Brother Bao say?" Ge Xinyao was excited and anxiously standing in front of the Nightless Club. She saw Bi Hai coming out and asked quickly.

"Brother Hou really likes me!" Bi Hai also knew that Bao Sanli appreciated him, but Hou Zhenhan was the first who praised him, so he successfully became the boss of the Didi Bar. Bi Hai felt strange about this. Hou Zhenhan was the deputy master. Why did his words seem to be more powerful than Brother Bao's? However, he couldn't say anything about the management so Bi Hai didn't think much of it.

"Brother Bao asked me to manage the Didi Bar."

"Really? Brother Hai, you are finally a boss!" Ge Xinyao was very excited.

"All of this is because Yang Ming, Brother Yang, helped me!" Bi Hai said, "So, Ge Xinyao, you have to remember. Don't make Brother Yang angry in the future! You should be polite to Lin Zhiyun, too."

"Brother Hai, you can rest assured. I know what to do." Ge Xinyao nodded and said.

"And, you're now a boss' girlfriend. You must restrain your coquettish personality in the future! You heard Brother Yang's words, too. You think for yourself about what to do in the future!" Bi Hai warned, "If you follow me truthfully, then I promise you will always be my righteous girlfriend."

"Brother Hai, I will never do something to betray you... Well, later when I go back to school, I will go to Taobao to buy an electronic dildo. If you aren't with me, I can satisfy myself if I need it..." Ge Xinyao worshipped power more than sexual desire. How could she lose her title because of her sexual desire?

"En, you can decide for yourself!" Bi Hai hugged Ge Xinyao's thin waist. "I like you because of this. You never intervene in my personal life."

...

Yang Ming and Chen Mengyan came to the school cafeteria side by side. The tacit understanding was that they didn't mention anything about reconciling, but it seemed that they had the intention to reconcile.

"Mengyan, how are you doing recently?" Yang Ming noticed Chen Mengyan didn't talk, so he took the initiative. He remembered Zhao Ying's words. Girls cared about their face. That's fine. His face was thick. Even machine guns couldn't pierce it.

"Ah ... I'm fine..." Chen Mengyan said deep down in her heart. Aren't you talking nonsense? How good can I be? Unlike you who can still go for a tour in Hong Kong!

"Who was that person? You didn't tell him that you already have a boyfriend?" Yang Ming began to talk about the person from before.

"He's the president of the student union of our department. Why? Zhang Bing didn't tell you?" Chen Mengyan looked at Yang Ming with an ambiguous smile.

"Ugh ... He told me... but it's not everything..." Yang Ming sweated. It seems that I can't hide my thoughts from Chen Mengyan.

"With him by my side, you can control my every movement, right?" Chen Mengyan rolled her eyes at Yang Ming. "If I really was with the boy, then why did you come to me now?"

"Hehe ... Isn't it because I care about you... You look at that guy. He definitely isn't a kind person. I think he is the same kind of person as Wang Zhitao!" Yang Ming said with a smile.

"Then, you should know that I had no more than ten sentences with him. Besides, why should I tell him that I have a boyfriend? Does he have anything to do with me?" Chen Mengyan snorted. "Did you think I was like you – being promiscuous to pretty girls everywhere?"

"That... I... actually..." Yang Ming thought to himself, Chen Mengyan's heart still has grievances!

"Don't this and that. I'm telling you, Yang Ming. If you dare to do this again in the future, I will never bother with you again!" Chen Mengyan said evilly.

"That Lan Ling..." Yang Ming was happy. Did Chen Mengyan accept Lan Ling?

"Don't bring her up in front of me." Chen Mengyan's face immediately cooled down.

"Oh, I understand..." Yang Ming nodded embarrassingly. But, after all, things have progressed. At least, Chen Mengyan had forgiven me. She just can't accept Lan Ling right now. There's still time. I can deal with it in the future.

The reason why Chen Mengyan forgave Yang Ming was actually for a reason. She was reluctant to give up Yang Ming. But a very important factor was that Lan Ling wasn't around Yang Ming now, so Chen Mengyan could barely accept this fact. As for Lin Zhiyun, it didn't matter. Yang Ming couldn't even find her right now. But she didn't know that Yang Ming already built a connection with Lin Zhiyun!

Chapter 346: World-Class Men and Women

Yang Ming and Chen Mengyan came to the university cafeteria. Yang Ming asked Chen Mengyan to save seats for them as he went to order the meals by himself. Chen Mengyan's breakfast was quite minimalistic. It was usually porridge and pickles. Yang Ming didn't have to ask as he had bought it many times before. Yang Ming ordered a tray with steamed buns and walked to Chen Mengyan's table.

However, he saw a couple quarreling with Chen Mengyan.

"I have someone with me. He went to buy something and he would be back soon!" Chen Mengyan said with a frown.

"Ha, there's someone with you as long as you say so?" The man with glasses sneered and said to Chen Mengyan, "If you say that every seat in this cafeteria is taken by someone, does that mean everyone has to go out for a picnic?"

"How can you be so unreasonable? Take a look. There were already two sets of tableware here! Why do you still have to sit here?" Chen Mengyan wasn't happy. This person's words were really impolite.

"Ha ! Do you think this is a university study room? Take out a book and the seat would be marked 'reserved'? Let me tell you that this is out of date!" The glasses man didn't have any poise at all as he pouted. "You must be a new student here. Aren't you?"

"Handsome guy, don't bother about her. Look at her. She's not a good woman. She may be reserving it for a matching partner!" The coquettish woman next to the glasses man spoke to him.

Handsome guy? F*cking disgusting, his face was even more wretched than a rat. You call this person 'handsome guy'? Yang Ming wanted to vomit!

"What did you say?" Chen Mengyan wasn't a very accommodating girl. Listening to the ugly words of this girl, she couldn't help but refute it.

"Hey ! You're not willing now?" The coquettish woman said as she glared, "Look at your face. You must be eating off a man's wallet!"

"Pak !" As the coquettish woman just finished her sentence, a bowl of steaming white porridge descended from the sky directly onto her head. The porridge drenched her, as the rice grains flowed along her hair everywhere.

"I think I would give you some food to eat first!" Yang Ming said faintly.

"Who? Who dares to pour porridge on this lady [1]!" The coquettish woman was boiling in anger as she turned around. When she saw Yang Ming smirking behind her, she pointed at him in anger. "What were you f*cking doing?"

"Giving you some food to eat!" Yang Ming shrugged indifferently.

"Wayayayaya , this lady is going to fight you!" The coquettish woman reached out and grabbed Yang Ming.

"Stand aside." Yang Ming pushed the coquettish woman a little and she staggered. "Don't think that just because you're a woman I will be reserved against you. If you irritate me, I will beat you up too!"

"F*ck your mother. This lady is going to perish together with you!" The coquettish woman picked up a broken bowl from the ground and rushed toward Yang Ming.

"Do you have that ability?" Yang Ming sneered at the coquettish woman and slapped the broken bowl away from her hand. He said to the glasses man, "Four eyes, you take care of your wife. Don't let her behave like a mad dog."

"What's your name? You tell me your name!" The glasses man was so angry that his chest was heaving up and down as he pointed at Yang Ming.

"What? Do you want to retaliate?" Yang Ming put the steamed buns on the table and said to Chen Mengyan, "You should eat the steamed buns first. The porridge was wasted on this dog."

"You motherf*cker! Who are you calling a dog?" The coquettish woman exploded again, "Li Longshuai, he scolded me!"

"I know; I won't let him go!" The glasses man nodded and pointed at Yang Ming as he said, "Kid, if you dare, tell me who you are!"

"I've got no time for you." Yang Ming said impatiently, "Go away. I don't want to beat you up."

"Hmph, you don't want to say it? Okay, if you dare, then you just sit here and don't move!" After the glasses man finished, he took out his phone and pretended to make a phone call.

"I'm not moving now. If you want to find someone, you should hurry. I have to go to class after our meal. I won't accompany you then." Yang Ming said with a grin.

"Do you dare? Do you really dare..." The glasses man took the phone and flipped through the phone book. After a long time of flipping through the phone book, he had yet to dial a number.

"Li Longshuai, didn't you know many people in the underworld? Give them a call and kill this little bstrd!" The coquettish woman shouted loudly, attracting many people's attention in the cafeteria.

"I'm looking for it. There's too many of them. I didn't know who to look for!" The glasses man said in his heart. I'm just blowing the trumpet with you. How would I know so many people? Sh*t, if it weren't because you loved school violence that much, I wouldn't have blown these trumpets! I'm just scaring the kid just now. I didn't expect him to be okay with it!

"Li Longshuai, you'd better hurry up. Are you done?" The coquettish woman said with some impatience, "If there are many people, just find one to scare him."

"Okay, okay, I will just simply get one..." Li Longshuai had no choice but to turn over to the contact information of a gangster in the underworld given by his former classmate. It was said that this person was very bad*ss in the underworld. That classmate was one of his underlings.

Regardless of whether it would work or not, let's pretend for once first! Li Longshuai dialed the contact information of the elder brother of the underworld, "Hey, please help me pass the word that Li Dagang's buddy has been kicked. Please call back quickly... En ? What? Service was stopped four years ago?"

"..." Li Longshuai hung up the phone with a depressed face. Now, there were really not many people who used a paging system [2], so it was common that the service was stopped. It was a surprising thing that the paging station could still exist.

"What's wrong? With so many cell phone numbers, what's the point of calling a pager number?" The coquettish woman said with some dissatisfaction, "Didn't you know some Brother Dao or Brother Wolf?"

"I..." Li Longshuai could only say, "I can only contact this one person now..."

"F*ck! Li Longshuai, where did the people you told me about before come from? Did you make them up?" The coquettish woman frowned. "Were you just bluffing with your lady?"

"No... I... It's only because you liked it that I said that..." Li Longshuai didn't care about Yang Ming anymore. He could only brace himself to speak the truth.

"F*ck! You are really useless! I actually believed in you!" The coquettish woman glared at Li Longshuai. She said disdainfully, "Look at your face. Even though that was the case, you didn't have any good network!"

"I... My wife, don't be angry. When I go back later, let me contact my junior high school classmate." Li Longshuai said with a smile.

"Don't call me your wife. Li Longshuai, we broke up already!" The coquettish woman said furiously.

"This... don't. I really like you. You can rest assured that my friend who I mentioned is doing really well. After I look for him, I'm sure I can clean up this little bstrd!" Li Longshuai assured.

"Hmph! You're not anything!" The coquettish woman snorted. "Watch me!" Then, she took out her phone as she spoke.

"Hey, Sister Yao? I'm Xiaolu. I was bullied in the cafeteria. Can you bring someone over?" The coquettish woman said, "En ... okay, I'll wait for you here..."

"Sister Yao [3]? F*ck, are you getting a prostitute to come over?" Yang Ming asked curiously.

"If you dare to speak of Sister Yao that way, you are going to be disabled! Her people can kill you. Would you believe it?" The coquettish woman said with a hmph, "If you have the ability, stay here and don't move."

"Sure. I didn't have enough. If you buy me a tray of steamed buns, I will sit here and eat for a while longer." Yang Ming said, "But it seemed like you didn't have this intention. Well, I'm leaving."

"Do you f*cking dare to go?" The coquettish woman was anxious. "If you try to leave, don't expect yourself to be able to survive in this university anymore!"

"What qualities do you have? I really doubt how you got into university." Yang Ming glanced at the coquettish woman and mocked, "Did you come from a prostitution background?"

"Jing Xiaolu is a specialized art student!" Li Longshuai quickly argued.

"Shut up. No one would take you as a mute if you didn't say anything!" The coquettish woman looked at Li Longshuai with dissatisfaction. Now she felt that this boyfriend was a dumba**.

"Haha, four eyes. Do you still want to keep these kinds of goods?" Yang Ming was very sorry for the glasses man as he sighed. "Man, take care. I'm going first."

"You stay there!" Jing Xiaolu was anxious. She pointed at Li Longshuai and said, "You go and buy him a tray of dumpling buns. Let him sit here for a while longer!"

"Okay, I'll go now!" Li Longshuai nodded and agreed.

Yang Ming shook his head. A man who could do something like this, he's really a world-class man [4].

"Yang Ming, forget it. Don't stand down to their level. You did something wrong, too!" Chen Mengyan said with some concern.

"It's nothing. It would be a waste to not eat a free meal!" Yang Ming smiled and said, "Who let these two people scold you? It's okay to punish them."

"Ai, you really like to make trouble. I really don't know if it's good or bad." Chen Mengyan said with a slight sigh.

Not long after, Li Longshuai ran over with a tray of steamed buns and left the steamed buns on the table as he said, "For you!"

Chapter 347: Meeting Again

Yang Ming wasn't being generous either. The porridge was wasted on the coquettish girl just now. Having her boyfriend treat me to a basket of buns isn't going overboard, right? So, he picked up the chopsticks and ate it.

Chen Mengyan was really helpless toward her boyfriend. Why is he so thick-skinned? Even if they actually bought it, you shouldn't eat it, right?

"Mengyan, these are minced beef buns. I bought pork cabbage buns before. It tastes different. Why don't you taste it?" Yang Ming put a steamed bun on Chen Mengyan's plate.

Chen Mengyan was helpless and couldn't reject it either. She could only lower her head and eat it. In addition, Jing Xiaolu was going to blow up at this moment! In this world, were there still such brazen people? But you may be able to cheer for a while. When my people get here, you won't even have the opportunity to cry! Jing Xiaolu thought about it with resentment.

Ge Xinyao just received a call. She was called by a sister who always played with her. The girl stated that she was being bullied. Ge Xinyao was the kind of girl who liked to display herself. When she heard that her sister was bullied, it was natural to show herself. Hence, she mentioned it to Bi Hai. Bi Hai agreed with her statement since he was just promoted today and boosted with self-confidence, or else, he wouldn't have bothered with Ge Xinyao on these petty matters.

With a few underlings, they came to the school. In the blink of an eye, Bi Hai took the position of the boss of the Didi Bar. The underlings were looking for a chance to appeal to Bi Hai. When such a chance to display themselves appeared, they followed Bi Hai to carry out the task.

Hence, a group of seven or eight people came directly to Song Jiang Industry University with pride more ambitious than the situation to challenge Yang Ming.

Yang Ming finished the basket of buns with a hiccup. He looked at Jing Xiaolu impatiently. "Why haven't your people come yet? Did something unfortunate happen on the road?"

"You... you dare to say this? You will die afterward!" Jing Xiaolu glared and said evilly.

Yang Ming didn't care and tapped on his yawning mouth twice. "If they don't come, I will have to go. There's no time to accompany you to play the campus underworld game."

"You wait. Wait a little longer, almost there!" Jing Xiaolu said with some urgency.

"Let me be upfront, little girl. You look quite decent. Hurry up and find a good man to marry. Stop playing gangster here. I'm busy! I will give you another minute!" Yang Ming said. In fact, this Jing Xiaolu wasn't ugly, but her face was full of makeup. Although one couldn't quite guess her original appearance,

Yang Ming's vision was better and he could see it naturally. However, Yang Ming didn't have much interest in this kind of coquettish woman, so he didn't care much.

At last, Ge Xinyao and Bi Hai rushed over with a group of underlings. After Jing Xiaolu saw them, she burst into tears. They have finally arrived. The moment for me to hold my head high isn't far away!

"Sister Yao, it's the two of them. These two dogs bullied me!" Jing Xiaolu said to Ge Xinyao as she pointed in Yang Ming's direction.

"En, this is Brother Hai, my husband. Right now, he is the boss of the Didi Bar!" Ge Xinyao naturally had to first show off that Bi Hai had been promoted.

"Oh, hello, Brother Hai. I'm Jing Xiaolu. I had been looking forward to meeting you for a long time..." Jing Xiaolu wanted to be close to them, but her head and body were all covered with rice porridge and soup. Her image was really bad.

Bi Hai nodded slightly and then asked, "Who? Where?"

"Over there..." Jing Xiaolu pointed at Yang Ming and said, "I'm speaking to you. Weren't you quite bad*ss just now? Come over and I will show you how can I make you suffer!"

Yang Ming had already seen Bi Hai and Ge Xinyao rush in, so he was even more fearless. He lazily stretched out and said to Chen Mengyan, "Mengyan, may I accompany you to your class today?"

"Aiya, what time is it? Why do you still talk about this? Hurry up and think about how to deal with it! They have gotten so many people. Are you able to deal with them!" Chen Mengyan said with some complaints, "I told you to leave earlier, and yet you didn't listen. Right now, they already have more people with them. Can we leave?"

"Hehe, of course, we can leave." Yang Ming nodded, then he stood up and looked at Bi Hai and said, "Bi Hai, how come you're back? When you become the boss, do you like to bring people out to show off?"

"Motherf*cker, what are you saying, kid!" In order to show his strength in front of the new boss, an underling of Bi Hai jumped out and pointed at Yang Ming.

The two underlings who came with Bi Hai this morning to teach Yang Ming a lesson naturally knew Yang Ming's background. At this moment, they quickly held back the underling who came out. The younger underling still didn't know it. He turned back and asked, "Why are you both pulling my clothes? Are you jealous that I'm loyal to Brother Hai?"

It was bothersome to deal with this kind of person who didn't know his worth! The other two underlings let go of his shirt at the same time. Go and kill yourself. It has nothing to do with us!

Bi Hai listened to his underling scold Yang Ming and his face turned sour. He mustered up the strength on his arm. With a "Pak," Bi Hai suddenly slapped the underling, sending him in a daze.

"Brother Hai, why are you beating me..." The underling squinted his face and looked at Bi Hai with a half-faced grievance. Why was it half a face? Imagine that only half of the facial nerves could work, and the other half of the face had been slapped by Bi Hai to the point where it looked like Chinese buns, temporarily losing the function to express himself.

Bi Hai had no time to explain to him, and he quickly went to Yang Ming. "Brother Yang, I'm..."

"It's alright. There's no need for explanation. I understand. You should put your mind on official business. Stop showing off when you are free." Yang Ming shook his head faintly and said, "I still have something to do. I don't want to waste my time on you."

Ge Xinyao was also very angry too. She glared at Jing Xiaolu and said, "Do you know who he is? He's the brother of the Song Jiang Boss, Brother Bao! Even my husband has to be respectful of him. Do you dare to provoke him?"

"Ah ... this..." Jing Xiaolu wasn't stupid. She saw Bi Hai's attitude just now. She knew that she was kicking on the iron plate [1] today. No wonder this person was so fearless and never put me in his eyes. He was the brother of Song Jiang's boss. Who could touch him in Song Jiang? Jing Xiaolu clenched her teeth and said to Ge Xinyao, "Sister Yao... I didn't know. I'm sorry..."

"Forget it. Brother Yang is a kind person. You should apologize to him." In front of Yang Ming, Ge Xinyao couldn't say much.

"Oh, I know." Jing Xiaolu nodded and came to Yang Ming and spoke softly, "Brother Yang, I'm sorry."

"Alright, just do what you want. Don't bother me." Yang Ming said with some impatience.

Jing Xiaolu stomped her feet. What's so great? Isn't it just being a bit badss? *But it seems that he doesn't seem to be just a bit badss*, but very bad*ss!

Yang Ming didn't know what Jing Xiaolu was thinking. He didn't want to bother with her thoughts. He pulled Chen Mengyan's hand in the direction of the cafeteria door. Halfway through, he suddenly turned back and said to Li Longshuai, who stood still in stupidity, "Thank you for your buns. They tasted good. Oh ya, the pager number you called was what I used before. If there's something in the future, you can look for me directly instead. It doesn't have to be so difficult."

"Ah ..." Li Longshuai's face was red, and he almost lost his face. He never expected the person he was looking for was the person he wanted to teach a lesson to.

After Yang Ming left, Bi Hai's facial expression was gloomy. He said in blame, "Ge Xinyao, what kind of friend do you have? Why don't you have any good eyesight?"

"Brother Hai, please don't say anything. Jing Xiaolu was a friend I played with since childhood. She has a good relationship with me..." Ge Xinyao whispered.

"Forget it. Since Brother Yang didn't intend to look into it, then I can't make a fuss about it." Bi Hai frowned and looked at the girl named Jing Xiaolu. "In the future, you should act within your own accord. Otherwise, if something happened, Ge Xinyao and I can't protect you!"

"Oh ..." Jing Xiaolu was shocked too much today. She suddenly changed her coquettish nature just now. She nodded silently.

"Alright, Xiaolu, you can go back quickly to your dorm and take a shower. Look at you. How can you have porridge all over you?" Ge Xinyao said with some blame. Although Ge Xinyao always liked to backstab people, she treated Jing Xiaolu fairly well.

"It was that Yang Ming, splashing me with porridge!" Jing Xiaolu was a little depressed after being reminded about it.

After Jing Xiaolu left, Bi Hai asked, "Is this Jing Xiaolu close to you?"

"Yes, Brother Hai. Please don't be angry with her. In fact, Jing Xiaolu was also very poor. When she was very young, her parents divorced. She was abandoned at her grandmother's house. Her grandmother raised her up alone, so her character had become like this for now..." Ge Xinyao shook her head and said, "It wasn't easy for her to learn to protect herself alone in society. If she wants to stand firm, she had to rely on someone with strength. Her boyfriend named Li Longshuai, I had already told her that this person wasn't authentic, but she was also stupid since she was deceived by him."

Chapter 348: Conflicts Intensified

"Stop troubling Jing Xiaolu in the future, okay?" Ge Xinyao said, looking at Li Longshuai who was dumbfounded.

"I want to become stronger! Brother Hai, can you let me join you?" Li Longshuai said very excitedly.

"That's enough. Save your effort. You should study hard at school. This society is much more complicated than you think!" Bi Hai sympathetically looked at Li Longshuai and shook his head. Then, he left with Ge Xinyao and his men.

"Do you know him?" Chen Mengyan stared at Yang Ming and asked, "Didn't you just say that he's a friend of Zou Ruoguang?"

Chen Mengyan glared at Yang Ming until he broke into a cold sweat. Why is her memory so good? She can remember it at a glance? Maybe it's because Bi Hai's outfit was too gangster. It's normal for Chen Mengyan to have a deeper impression.

"Maybe they know each other, but they're not that close." Yang Ming said vaguely.

"Where did he bring Zou Ruoguang to?" Chen Mengyan frowned and asked, "Yang Ming, are you asking others to beat him up?"

"Even if I find someone to beat him up, so what?" Yang Ming was somewhat dissatisfied by Chen Mengyan's questions. "He harassed my wife. Do you want me to just observe the situation?"

"You!" Chen Meng was so furious that she stomped her leg. "I have never seen such a savage person like you. You always solve problems with brute force! Besides, what's wrong with him giving me flowers? I will just not accept the flowers. Why did you beat him up?"

"What? Do you still feel bad about him?" Yang Ming was angry. She actually quarreled with me over a stupid man!

"Unreasonable!" Chen Mengyan turned and walked forward quickly.

"Mengyan... wait..." When Yang Ming saw Chen Mengyan turn around, he regretted it. Am I speaking too harshly? We have just reconciled and then we quarreled because a stupid man quarrels. It's not worth it!

“Don’t follow me!” Chen Mengyan was still enraged. She was trying to stop Yang Ming’s habits of using brute force to solve problems all the time. Why can’t he solve matters with a more civilized approach? If you fight all the time, what’s the difference between you and the punks? It should be pointed out that Chen Mengyan had become more righteous under Chen Fei’s subtle influence.

“Mengyan, I’m wrong, okay?” Yang Ming admitted his wrongdoing. There was a saying that regardless if you’re wrong or not, you have to submit to your wife. That’s a behavior of loving your wife. There’s no shame at all!

Chen Mengyan ignored him and continued moving forward.

“F*ck!” Yang Ming was somewhat impatient. That was Bi Hai minding my own business. I didn’t even instruct him to do that! Who are you showing such an angry face to? If you don’t want to follow then don’t. Yang Ming was furious too. He turned and walked away.

Chen Mengyan walked straight ahead. She was somewhat surprised that suddenly she couldn’t hear Yang Ming’s words anymore. She turned around and looked. Yang Ming actually walked away! Chen Mengyan was so furious that she raised the doll that Yang Ming gave her and was ready to throw it on the ground, but her hand stopped in the middle of the air.

“Stupid Yang Ming, you’re good! I wanted to forgive you already, and yet you still want to go against me! You keep it your way then. Better not let me see you again!” Chen Mengyan said indignantly.

Although she said so, Chen Mengyan couldn’t help but keep looking back on her way to the teaching building. She hoped that Yang Ming would suddenly appear by her side.

At the door of the teaching building, Chen Mengyan still said to herself. Okay, Yang Ming, if you can say sorry to me now, I will forgive you!

But unfortunately, Yang Ming didn’t appear.

Yang Ming was also furious. What’s the relationship between Zou Ruoguang and you? You are speaking for him? Besides, I didn’t do anything to him. Bi Hai taught him a lesson and that was a matter with Bi Hai. It proved that the kid’s method is annoying.

” Ai !” Yang Ming sighed. Maybe I’ll talk to her in the afternoon. As he sighed, suddenly there was music. Yang Ming didn’t pay attention and continued to move forward.

But he suddenly found that the students passing by were looking at him strangely. It made Yang Ming felt inexplicable. The song hadn’t finished playing!

Suddenly, Yang Ming regained his consciousness and he took out the Nokia N from his pocket. It’s actually this brat that is ringing! Yang Ming sweated, No wonder these people were watching me. It must be because of my cell phone!

Yang Ming quickly pressed the answer button.

“Hello?” Yang Ming asked.

“Yang Ming, how come you’re so late in answering the phone?” Xiao Qing’s voice came over.

"Sister Xiao Qing, I have just changed cell phones. I didn't think it was my phone which was ringing. It took me a long time to react." Yang Ming said with a bit of shame.

"So that's the case!" Xiao Qing said, "Oh yeah, do you have time later?"

Later? Why? Is Sister Xiao Qing missing me? En, very likely. We haven't seen each other for several days! So Yang Ming said, "Okay. Should I go to your home?"

"Go to my house? For what?" Xiao Qing was stunned for a moment, but then she reacted, "Damn kid, what are you thinking? I was looking for you for a matter!"

"Huh? No?" Yang Ming was stunned, too; then he said embarrassingly, "I'm joking, hehe."

"Okay, stop messing around. Things were like this. This morning, the police station called and told me to go over. It was about Wang Xuefan's case. Can you accompany me?" She didn't know why, but this morning when Xiao Qing received a call from the police station, the first person who came to mind was Yang Ming.

Although Xiao Qing felt that this wasn't a good phenomenon, neither was it a good habit. But, she did start to rely on Yang Ming already. Xiao Qing always reminded herself that the relationship between her and Yang Ming was just brother and sister on the surface but not a couple. But another voice was telling Xiao Qing that with the cover of the brother and sister identity, she could be justified for being dependent!

Therefore, Xiao Qing couldn't help but call Yang Ming. Originally, Xiao Qing didn't have to trouble Yang Ming for going to the police station but she just wanted him to be with her.

"Okay, no problem. Now?" Yang Ming replied.

"Yeah, now. Where are you?" asked Xiao Qing.

"I'm near the computer science teaching building. What about you?" Yang Ming said.

"Then wait for me there. I'm upstairs. I'm going down now!" Xiao Qing hung up the phone after that.

Yang Ming made another call to Zhang Bing. The latest mobile phone is cool. The feeling in my hand is so different.

"Hello? Bro? Aren't you going to reconcile with sister-in-law? Why did she come to class with an angry face? But she was carrying a bouquet of roses in her hand and the doll you brought back from Hong Kong!" Zhang Bing said first before Yang Ming could speak.

"The problem is very complicated. That Zou Ruoguang came to Chen Mengyan to give flowers. Then, he got punished by a friend of mine. Chen Mengyan said that I'm barbaric so we quarreled!" Yang Ming said helplessly, "I will talk to you about this matter later. Are you using the car this morning?"

"I'm in class now. How would I use the car? Nonsense!" Zhang Bing said disdainfully, "If you want to use it then use it. Right, it seemed like the price of fuel was adjusted. Help me to fill it up when you come back!"

"Okay, but do you still mind about that little money?" Yang Ming smiled.

"F*ck, it's foolish to not take advantage of it!" Zhang Bing said.

After he hung up the phone, Xiao Qing came out. Yang Ming quickly greeted her, "Sister Xiao Qing, how's your injury?"

"It's okay. It doesn't hurt anymore." Xiao Qing smiled and said, "I didn't expect that you still cared about me."

"If I didn't care about you, who else would I care about?" Yang Ming put the phone back into his pocket and said, "Does that mean that later we can..."

"You're so indecent. You only know about this when we meet. Your sister is really sad. I think I'm just your... tool to vent your desire..." Xiao Qing pretended to be sad as she said this.

"I'm not!" Yang Ming quickly explained, "Sister Xiao Qing, don't think the wrong way. You know what? I won't ask from you in the future..."

"Hehe, I'm just kidding with you. Look at you, so nervous." Xiao Qing smiled and said, "At noon after we finish the matter and come back, okay?"

"Okay!" How could Yang Ming not agree?

Xiao Qing also enjoyed the feeling of being with Yang Ming. Although they were not a couple in name, they actually cared more about each other than the common couple. At least, Xiao Qing felt this way. She felt that if Yang Ming was happy, she would be happy so she wouldn't refuse Yang Ming's request.

"Let's drive Zhang Bing's car." Yang Ming shook the car key in his hand.

"Why does the car feel like it belongs more to you?" Xiao Qing shook her head. "Oh yeah, have you changed your phone?"

"A friend gave it to me. Why?" Yang Ming suddenly thought of something. "Sister Xiao Qing, why don't you buy the same model? Let's use a couples phone."

"Forget it. If your girlfriend sees it, she would be thinking something." Xiao Qing shook her head and said.

"It's okay. Why can't a brother and sister use the same phone? It's set then!" Yang Ming said.

Chapter 349: Give Birth to A Son Named Yang Guangming

After driving to the police station, the car was stopped by the guard because they had no pass.

"Who are you looking for?" asked the guard.

"Who are you looking for?" Yang Ming turned to Xiao Qing.

"They only asked me to go to the Economic Investigation Department. I don't know who to look for either." Xiao Qing said to the guard.

"That won't do. If there was no specific person, then the vehicle can't enter inside." The guard said.

"If we stopped at the entrance, aren't we waiting to get a ticket?" Yang Ming said helplessly.

"I can't do anything about that. I'm doing things according to the procedures." The guard answered indifferently. He must have uttered these words many times because he no longer had any expression.

"Right, I know Xia Xue of the criminal investigation team!" Yang Ming suddenly remembered that he still had an acquaintance in the police station.

"Xia Xue? Which one?" The guard was obviously a stranger to the name, Xia Xue.

"I also know their captain, Chen Fei, too." Yang Ming quickly added.

"Oh? Captain Chen!" The guard said immediately after listening, "Why didn't you say so earlier? Come in!"

Yang Ming drove into the compound of the police station and stopped at a parking spot. It seemed that Uncle Chen's name was more powerful. But what Yang Ming didn't know was that he had offended Uncle Chen's daughter just like that.

After accompanying Xiao Qing to the Economic Investigation Department that she mentioned, they found the officer in charge of the case, Police Officer Ma. In fact, the matter was very simple. Wang Xifan had already spoken to Wang Xuefan. Wang Xifan said that someone wanted to mess him up. If he were outside, he would be more in danger. It was better for him to go to jail. Therefore, Wang Xuefan pleaded guilty for all the crimes. He was afraid that his sentence may be too light and he may get retaliated by that force, so he even told them about the previous medical software case.

In this way, there was no need to obtain any evidence. The criminal suspect can confess and go straight to court.

"This is probably the case. Do you want to testify in court?" asked the police officer.

"Can I not testify?" Xiao Qing asked.

"Because Wang Xuefan had already pleaded guilty and Professor Wu Tongshan of your school had agreed to appear in court, actually it doesn't matter if you testify or not. No matter how good the lawyer is, he or she won't be able to reverse the current situation." Police Officer Ma said truthfully.

"Then can I consider it?" asked Xiao Qing.

"Of course, you aren't a direct witness anyway, so I'm just asking you for your opinion." Police Officer Ma laughed.

After they got out of the police station, Xiao Qing consulted Yang Ming's opinion, "Yang Ming, do you think I should testify?"

"I don't think it's necessary. Just Professor Wu will do." Yang Ming shook his head. It doesn't matter if Xiao Qing is testifying or not. Wang Xuefan was now pleading guilty!

"Well, I'll listen to you then. I will call them later to reject it. It doesn't seem very good to reject it right away." Xiao Qing said.

"Where are we going now?" Xiao Qing looked at the time, it was only a little past ten in the morning. It wasn't even noon yet.

"Let's first buy a cell phone for you. The one you're using now is a bit outdated!" Yang Ming said, "You are now the leader of the school. How can the department head use such a broken cell phone?"

"So, you mean that the head of the department should be corrupted?" asked Xiao Qing.

"This is just a gift from a brother to his sister... godsister..." Yang Ming laughed.

"I can't fight with you. Okay, then let's buy one." Xiao Qing also felt that her cell phone wasn't very usable lately. The battery would run out of electricity in a day, and the screen sometimes didn't display anything.

Yang Ming and Xiao Qing were about to get in the car when suddenly there was loud shouting, "Yang Ming! You stand there!"

Yang Ming was shocked. He had some conditioning to this voice, and he raised his hands subconsciously.

"Why did you raise your hands?" Xiao Qing asked, puzzled. Even Xia Xue, who was running to him looked at Yang Ming strangely.

"Yang Ming, it can't be that you did something wrong, right?" Xia Xue glared at Yang Ming's face.

"Big sister, you can fire your gun without much reason. How would I dare not raise my hands?" Yang Ming smiled bitterly, "You are rather violent. Did you think we're filming? You simply shot without thinking! The other time when I rode a motorcycle, I was almost killed by your shot. Ever since then, I've been traumatized!"

"Pfff!" Xia Xue laughed. "The gun was aimed toward the sky last time. Do you think I really can fire at you? I was just scaring you! These racing parties are very rampant nowadays. If we don't fire our guns, would they stop?"

"Why didn't you say so earlier? I thought you were aiming at me. I was so nervous at that time. I thought I was in an American blockbuster!" Yang Ming put his hands down and said helplessly.

"If I wanted to shoot you, did you think you can still stand here and talk to me now?" Xia Xue said while curling her lips.

If I wanted to shoot you! This sounded like... a bit ambiguous, but Yang Ming had become accustomed to Xia Xue's way of speaking. This wasn't the "pushed down" as in the previous examples. It wasn't surprising anymore.

"What are you doing in a hurry? Why are you hiding in the car when you saw me?" Xia Xue asked.

"Mighty Police Officer Xia, which one of your eyes sees me hiding in the car? I'm going to get into the car openly, and openly drive away from here. Do you understand?" Yang Ming was a bit angry, Isn't there some problem with the way she uses words? I really wonder what her language scores were!

"You didn't see me?" Xia Xue was stunned and asked.

"Please, you are wearing a police uniform today. Most of the police officers are also wearing police uniforms. I haven't looked in your direction in detail at all." Yang Ming was speaking the truth. He was busy flirting with Xiao Qing. How could he have the time to look at something else?

"Forget it. I thought you deliberately wanted to hide from me and didn't want to buy me the meal!" Xia Xue shrugged and said.

"How's that the case? If you are worried, do you want me to buy you one now?" Yang Ming asked.

"It's alright. Let's leave it for another day. I have a mission later." Xia Xue shook her head. "Oh yeah, do you know my second uncle?"

"Who is your second uncle?" Yang Ming asked back.

"Xia Zhidong." Xia Xue said.

"I don't know him. I only know you who have the surname of Xia. Oh yeah, another one, Vulgarly [1]." Yang Ming began to waffle.

"Xia Liu [1]?" Xia Xue was stunned for a moment, then she gritted her teeth, "Yang Ming, what are you thinking in your head all day? Why is it so dark? Can't you think of something brighter?"

"Sure!" Yang Ming nodded and said in a serious manner, "Isn't it just a matter of brightness? It's easy! Why not? After you have a son in future, you name him Yang Guangming [2]! What a bright incident!"

"I give birth to a son named Yang Guangming? Why call him Yang Guangming?" Xia Xue repeated the phrase to herself. Suddenly, her face turned green in an instant, and her eyes were raging with fire. She shouted, "Yang Ming! You go to hell, now!"

"Ha ha!" Yang Ming laughed and quickly pulled Xiao Qing into the car.

"Bang!" Xia Xue kicked the door of the car and the car was dented right away. Xia Xue was still angry. She kicked a few harder kicks and then limped away with her heel.

Yang Ming laughed loudly inside the driver seat, Do you think you are Ultraman [3] kicking an iron wall? It would be strange for you to not feel any pain!

"Yang Ming, why are you so bad?" Xiao Qing smiled a little. "You have a mouth that doesn't know how to censor itself."

"Hehe, it's fine. We're used to it already." Yang Ming said indifferently, "Sister Xiao Qing, you didn't know it, but last time, I rode a motorcycle on the road, and this violent girl actually fired her gun. I was almost scared to death!"

"..." Xiao Qing paused for a while and then she asked, "Do you like her?"

"Like her? Haha!" Yang Ming laughed exaggeratedly. "What a joke!"

Xiao Qing shook her head and said nothing. Was it my own illusion? But it doesn't matter, as long as Yang Ming is happy.

Yang Ming parked the car in front of a relatively large IT shop and went in. He went directly to the Nokia counter. Yang Ming asked, "Do you have the Nokia N model here?"

The “Nokia N” salesman was stunned for a while. “Sir, this phone hasn’t been released yet. Nokia’s highest-end model now isn’t the model N, but model X.”

“Not yet released?” Yang Ming took out his cell phone and asked, “Where did I get this from if it isn’t released yet?”

“Sorry, sir. You may have been cheated. This is a counterfeit. The shape imitated Apple’s iPhone. Nokia hasn’t launched model N officially yet!” The salesman shrugged and said apologetically.

“Ah? Counterfeit?” Yang Ming felt that his face was feverish. F*cking Bi Hai, you actually dared to give me a counterfeit? This person. Now I am really embarrassed. If I had known, I would have researched beforehand!

Yang Ming quickly tossed his cell phone back into his pocket. He said a little embarrassingly, “That... that may be the case. This was given to me by a friend of mine. Show me the model X then!”

Chapter 350: Counterfeit Incident

“Okay, sir, please wait a moment.” The quality of the salesperson was still very good. He didn’t have any intention to ridicule Yang Ming for buying the counterfeit goods.

Yang Ming cursed Bi Hai ten times in his heart. He gave a counterfeit and put me to shame in front of the salesperson. In fact, it wasn’t really Bi Hai’s fault.

Two days ago, Bi Hai lost his phone. Since the time was quite late, the IT Plaza was closed. Ge Xinyao and Bi Hai came to a small IT store. After entering, Ge Xinyao, the rich girl, had indeed begun to display herself. She directly called for the most expensive item.

The owner of the IT store was also ill-hearted. When he took out a counterfeit, he boasted of Nokia’s latest high-end phone, the model N. Ge Xinyao and Bi Hai didn’t quite understand it. At first glance, it was pretty good, so they asked for the price.

When the ill-hearted boss saw Ge Xinyao’s outfit, he knew that she was a rich girl, so he directly reported the high price of eight thousand and eight yuan. Without further delay, Ge Xinyao didn’t say anything else and bought it.

The quality of the counterfeit now was also good. Besides, this counterfeit was intended to cheat others, so when it was manufactured, it seemed legitimate. Bi Hai used it for several days and yet he found no flaws.

In fact, the biggest difference between the counterfeit and the original phone was that the counterfeit wasn’t a smartphone. However, people at Bi Hai’s level also didn’t need any smart functions. As such, they didn’t realize it.

The ill-hearted boss also thought of this and dared to sell the phone to them.

The salesperson brought two model N phones, one of them was a limited edition of Li Xiaolong [1] and the other was regular black. Then, he said to Yang Ming, “The limited edition has the latest version of B memory, and the black was the normal version of B memory. It looks the same.”

"The limited edition is so beautiful!" Xiao Qing couldn't help but admire it.

"How much is the limited edition?" Yang Ming asked directly.

"The limited edition is just listed. The price is relatively higher, while the regular black is sold cheaper. The current price is ***" The salesperson pitched.

"The limited edition is so much more expensive than the regular black?" Yang Ming couldn't help but secretly swear. It's almost the same thing. Labeling it as a limited edition by making a small change actually made its selling price much more expensive!

"This price is set according to the factory price. We have no way to go about it." The salesperson said.

"Can't it be cheaper?" Xiao Qing found it a little expensive. Although Yang Ming was a rich man, he couldn't just spend money out of accord.

"How many do you want?" The salesperson asked.

"Of course, I just want one. I can't have one on the right hand while the other on the left hand." Xiao Qing laughed.

"Doesn't your husband want one? With that, you should use the limited edition. It's not a big deal for a girl to have a fancier cell phone. Your husband should use the regular black. It just so happens that it's a couple's cell phone as well. The counterfeit phone won't portray the dignity of your identity!" The salesperson said.

Yang Ming didn't care much. The embarrassment just now was due to putting the counterfeit cell phone on the counter. Outside of this place, it was no big deal in using a counterfeit phone. It doesn't matter if I'm thick-skinned anyway.

However, the words spoken by the salesperson made him elated. The words "Your husband" and "couple's phone" made Yang Ming have a euphoria. So, he simply nodded and said, "What's the price of buying two phones?"

"If you're buying two phones, you can enjoy the price of a couple, which is a ten percent discount." The salesperson said.

"Well, you can prepare the invoice." Yang Ming nodded and said.

"Okay, please wait!" The salesperson quickly prepared the invoice with pleasure.

"The items are so expensive. Why did you buy so urgently!" Xiao Qing said with some complaint.

"It's about saving time. We can go back and embrace each other for a while!" Since the salesperson already knew the relationship between them, Yang Ming would no longer evade anything in his words. No one recognized them anyway.

After paying the bill and experimenting with the functions of the cell phone, Yang Ming and Xiao Qing hurriedly left the IT market.

"Yang Ming, you are indeed rich, but you can't spend it recklessly!" Xiao Qing looked at the cell phone with a value of more than seven thousand yuan in her hand. She felt that it shouldn't be worth that much.

"Haha, rest assured, Sister Xiao Qing. I will soon start up my own company. Of course, I won't rely on the money which godfather left to me for a lifetime." Yang Ming smiled. "Otherwise, how can I provide for you?"

"It sounds like I spend a lot of money!" Xiao Qing snorted. "Actually, your sister's own salary isn't low. If you count the dividends of the development project, I can get a million in a year!"

"No way?" Yang Ming looked at Xiao Qing in amazement. He didn't expect that Xiao Qing was a little rich woman who had an annual income of more than a million!

"Hehe, can you recognize the crisis? But, you don't have to worry too much. It is good to start a business after graduation." Xiao Qing comforted Yang Ming. "Worse comes to worst, your sister will provide for you in the future."

"I can't be a gigolo [2]..." Yang Ming shook his head quickly. "However, Xiao Qing, if you're so rich, why don't you buy a car?"

"Buy a car? The apartment I live in is right next to the university. What do you think is the use of buying a car for me? Would I just get out of my car after I get into my car for a short drive?" Xiao Qing shrugged. "If I want to refill the fuel, I even need to leave the compound."

"That's also true." Yang Ming nodded. "Sister Xiao Qing, why don't you consider buying a bigger house?"

"Haha, I'm living alone. What can I do with such a big house? I do have a house, but the owner's name is written as Song Hang. I don't plan to ask for it anymore." Xiao Qing sighed. "Moreover, if I'm here, I can stay close to my parents. I can go see them at any time. If I lived in a big house, I will feel empty instead."

Yang Ming also felt that this was indeed the case. However, when he heard that Song Hang actually occupied the house, he couldn't help but feel a little angry. "Isn't he back to Hong Kong? How is he still occupying your house?"

"It's not really my house. The new house was bought with Song Hang together with my income. At that time, the property price was still relatively cheaper. I borrowed some money and bought it, but at the time I wrote his name." Xiao Qing said indifferently, "I have never occupied the house for a day, and I have never considered it my house."

"Oh ya, Sister Xiao Qing. I found it strange when I was in Hong Kong. I haven't had time to ask you. Is it true when Song Hang said that you curse the husband, it meant that you are a white tiger?" Yang Ming looked deeply at Xiao Qing as he asked.

"...you really say whatever you want!" Xiao Qing's face suddenly turned red. "That's the way it is."

"How did Song Hang know that you are a white tiger [3]? Did he see it?" Yang Ming asked.

"What are you thinking? How can he have seen it? He hadn't even touched my body!" When Xiao Qing said this sentence, she felt a little embarrassed. Why am I behaving like a little girl as though I'm eager

to prove my innocence in front of my lover? “He knew because he asked the doctor! The doctor said that my... fertility had some problem. And, the emptiness there was also caused by this reason...”

“So, it turned out to be like this. Song Hang is indeed a dumb*ss!” Yang Ming was at the same time cursing him, but also being thankful to Song Hang for sending a good woman like Sister Xiao Qing to him.

“Cough!” Sister Xiao Qing felt so funny that she ran out of breath and coughed. “Yang Ming, can you stop amusing me with what you said...”

” Hehe , aren’t I telling the truth?” Yang Ming said with a smile, “Look. During that time I met him in Hong Kong, this guy had obviously regretted it already.”

“Really? Anyway, I have no feelings for him anymore, and we are even more distant than strangers. However, what he said was really awful!” Xiao Qing said with some sorrow. That day, Song Hang’s words really hurt Xiao Qing’s heart.

However, Xiao Qing didn’t care now. Since Yang Ming and I can’t marry each other, we definitely can’t have children, so fertility isn’t a problem. Moreover, if I can’t get pregnant, it’s better. Then we can...

Thinking of that, Xiao Qing’s face had a little fever. I didn’t expect that I would be obsessed with this thing now... It turns out that I only have to solve it myself when I have physiological needs... But now, when I think of Yang Ming, my body is unconsciously in heat.

Yang Ming drove the car directly to the apartment downstairs where Xiao Qing lived. Then, both of them walked upstairs quickly. When they entered the house, they embraced each other.

The satisfaction of each other and the excitement of cheating ignited the erotic desires of the two...

When Bi Hai gave the cell phone to Yang Ming, he didn’t have a cell phone to use. Therefore, after dealing with Jing Xiaolu, Bi Hai and Ge Xinyao took a taxi to the IT market.

Since the previous cell phone was quite convenient, Bi Hai head to the Nokia counter and pointed out the N phone immediately.

“Why are there so many people looking for N today?” The salesperson whispered to himself and said to Bi Hai, “Mister. Nokia hasn’t yet launched the N models of cell phones. The current model is X...”

” Oh ? It is impossible. I have used model N a few days ago!” Bi Hai directly retorted.
