Chapter 371: Second Conversation

"Liar, how can you learn this kind of thing without a teacher?" Chen Mengyan smiled and asked. But she was satisfied with Yang Ming's explanation. The more Yang Ming explained, the more Yang Ming loved her. If he didn't explain at all, then it would be finished.

"Really, otherwise, it's written in a book that a male and female student went for an exploration in the jungle then they got lost there. After many years, they were rescued and brought back a child. If it wasn't them learning without teaching, did they learn from the animals? Yang Ming remembered the plot of a novel.

"Nonsense." Chen Mengyan naturally knew that Yang Ming was telling the truth, but she didn't want to agree with his point of view.

Yang Ming smiled and extended his arm to pull Chen Mengyan into his arms. "In a few days, it's New Year already. Do you want to be a guest at my house?"

"Ah?" Chen Meng was surprised. *Meeting the parents? So fast?* Although Chen Mengyan had already identified with Yang Ming, she still said, a little bashfully, "Is this good? We are just freshmen..."

"What's wrong? My mom already knows you and she keeps asking me to bring you home!" Yang Ming said, "Why? Do you still feel embarrassed?"

"Who is embarrassed... It's just that when I go, would your mother mistreat me?" Chen Mengyan was somewhat worried. She had seen several TV dramas about in-law discord so she was terrified.

"Why would she do that? My mother always wanted me to bring a daughter-in-law home. She will like you! Besides, didn't you talk to my mother on the phone before..." Yang Ming said.

"Then... alright..." Although Chen Mengyan felt that this was a little embarrassing, she still felt warm and sweet in her heart! *Yang Ming bringing me home, what does that mean? It means I'm very important in Yang Ming's heart! Bringing me to see his parents, it also indirectly confirms me as the daughter-in-law of the Yang Family!*

That Lan Ling, doesn't she have such treatment? The reason was very simple. If Yang Ming brought Lan Ling back home, it would be impossible to bring me back. So, Chen Mengyan agreed with a slight hesitation.

"So, do I have to prepare for it? I should buy something, and... How should I dress? Should I dress maturely, or dress more youthful?" Chen Mengyan was overwhelmed.

"Hehe, just dress as usual. You look pretty good today!" Yang Ming said with a smile, "As for things, let's go buy it together. My dad likes to drink. We'll buy him two bottles of good wine."

" En

, that's good. I will listen to you." Chen Mengyan nodded and said.

After settling this, Yang Ming breathed a sigh of relief. In the beginning, it was a military order from his mother to bring Cheng Mengyan home during New Year.

At that time, the relationship between them was in the cold war period, so Yang Ming was very worried. After all, it wasn't easy to reconcile in a relationship. Now that the problem had been solved, Yang Ming had also relaxed a lot. Finally, he had something to report to his mother.

"Wait. I want to go to the toilet!" Just now he drank too much and hadn't gone to the toilet. He had the urge to urinate, so Yang Ming told her quickly.

"..." Chen Mengyan was speechless. They were in a romantic moment. The atmosphere was just good to have another kiss. In fact, Chen Mengyan also reminisced about the feeling just now. It felt like an electric shock. It was very obsessive. Although the first time was a little difficult to breathe, it was still manageable. She didn't expect Yang Ming to say such a disappointing thing.

Yang Ming got up and passed Zhang Bing's partition. Zhang Bing casually asked, "What are you doing?"

"Going to the toilet." Yang Ming replied.

"Wait for me. I will go too." Zhang Bing drank too much too, and he also wanted to pee.

After they passed by Tian Donghua's partition, Tian Donghua also asked the same as Zhang Bing, "Where are you guys going?"

"To pee." Zhang Bing replied, "Are you going?"

"Let's go together." Tian Donghua also stood up and they went to the bathroom together.

When Zhou Jiajia saw that they all went out, she stood up and walked to the seat where Chen Mengyan was. She now had to utilize all opportunities to foster a good relationship with Chen Mengyan.

" Eh ? Jiajia, how come you're here?" Chen Mengyan was stunned. She didn't expect Zhou Jiajia to come over this time.

"I'm bored of staying there so I just stood up and walked around, *hehe* ." Zhou Jiajia said casually to let Chen Mengyan think that she didn't come here on purpose.

Zhou Jiajia was actually a smart and thoughtful woman, otherwise, she couldn't be a genius hacker. However, she was always stupid on the issue with Yang Ming. This might be a thing that she was weak in.

"Yeah, Tian Donghua and Wang Xue, and you are next to them... it's indeed awkward..." Chen Mengyan remembered what she had done with Yang Ming so she couldn't help but blush. *If a third party is present at the time, not only they will feel awkward, but doesn't the third party feel even more awkward?*

" En ... it's very redundant... *Hehe* , I guess Tian Donghua hates me." Zhou Jiajia said with self-deprecation.

To be honest, Chen Mengyan and Yang Ming had experienced a passionate moment just now, so she naturally understood Zhou Jiajia's awkwardness. Hence, she comforted Zhou Jiajia, "It's fine. Why don't you find a boyfriend, too? Next time when you join us, it will be much better!"

"Boyfriend?" Zhou Jiajia smiled and shook her head, "I like him... but he doesn't like me..."

Seeing that Zhou Jiajia was at a loss, Chen Mengyan couldn't help but felt sadness. She didn't expect Zhou Jiajia to have a one-sided love! Such a beautiful girl also has a one-sided love?

"Does he know that you like him?" Chen Mengyan asked with some sympathy.

"Maybe he knows, maybe he doesn't... But he seems to hate me..." Zhou Jiajia said faintly.

"Hate? No way, you look so beautiful. How can boys hate you?" Chen Mengyan found it strange, *Don't many boys consider the girl's appearance as the first standard for a partner?*

"What's the use of beauty..." Zhou Jiajia shook her head, "You are so blessed..."

"Me?" Chen Mengyan also had some bitterness after listening. *Am I blessed? Yes, I used to be very blessed, but because of Lan Ling's affairs, there is a bit of unpleasantness in the pure love...*

"What's wrong?" Zhou Jiajia noticed something wrong on Chen Mengyan's facial expression. She seemed to have a secret sorrow, so Zhou Jiajia asked.

"I..." Chen Mengyan normally wouldn't easily tell her own thoughts to others, let alone someone she wasn't familiar with like Zhou Jiajia! But today she drank some wine and had gotten tipsy. Hence, she couldn't refrain herself from saying, "Zhou Jiajia, if your boyfriend likes other girls besides you, what would you do?"

"..." Zhou Jiajia was stunned. *Why did Chen Mengyan ask about this? Did she notice something?* Thinking of this, she couldn't help but be surprised. However, when she looked up, Chen Mengyan's expression was normal. The eyes that were looking at her, except for some sorrow, had no anger and disgust so she was relieved. She sighed, "I don't know... I only know that if he can like me a little, I will be content... even he still liked others..."

When Chen Mengyan listened to Zhou Jiajia's words, she couldn't help but be surprised! *Zhou Jiajia could actually say such a thing! Like me a little...* Chen Mengyan stared at Zhou Jiajia, *What kind of a girl is she?*

Can she actually love a person to such an extent? She can be so indulgent to her lover! Chen Mengyan looked at Zhou Jiajia with some incomprehension. "You don't really care if he has other girlfriends?"

"Why should I care?" Zhou Jiajia shook her head. "I care so much. In the end, I'm still making myself worried. Moreover, am I qualified to care? The me right now... just wishes to have a little bit of love... I will be satisfied already..."

"Really?" Chen Mengyan shook her head as she was overwhelmed. *Is it that my idea is too traditional? Zhao Ying persuaded me like this as well. Zhou Jiajia's theory is even more shocking! Am I wrong? Love is selfish! Is it so difficult to have a complete love?*

"I think so..." Zhou Jiajia smiled. The reason why she said the words just now was to give Chen Mengyan a vaccination shot, which inserted this idea into her head.

" Hehe , then I wish you to have your dream come true!" Chen Mengyan didn't know what to say, but she had to comfort Zhou Jiajia.

However, this was exactly what Zhou Jiajia wanted to hear! She was very happy to hear that from Chen Mengyan.

Chapter 372: Zhou Jiajia's First Kiss

Yang Ming finished his business and he felt dizzy. It seemed that the alcohol had caught up to him. Yang Ming smiled bitterly. It seemed that his alcohol tolerance had dropped a lot. He became tipsy after drinking six bottles. Originally, even half a dozen was manageable!

Yang Ming and the other two swayed left and right back to the theater. They had gone back their own compartment. Since the movie theater was dark, Yang Ming was still in a confused state. The most important thing was that Yang Ming simply didn't know that Zhou Jiajia was in his partition. Hence, he didn't use his ability to look around carefully.

Yang Ming didn't even think much and sat beside Zhou Jiajia. He directly reached out and hugged her. " Baji " He kissed her on her little mouth...

Zhou Jiajia freaked out at the time! *Yang Ming kissed me? What's going on here? Does he have an intention on me?* However, everything happened in a moment. With a few thoughts, Zhou Jiajia understood the truth of the matter. *Yang Ming must be intending to kiss Chen Mengyan. He didn't expect that I would appear here. Hence, he subconsciously regarded me as Chen Mengyan!*

Then... what should I do now? Should I push him away and tell him the truth? Zhou Jiajia was swaying in between decisions deep down in her heart for a while! Zhou Jiajia didn't repel Yang Ming's kiss! As a matter of fact, Zhou Jiajia was still a little happy deep down in her heart. Being able to kiss a person she liked was what she had always been dreaming about!

However, at this moment, Yang Ming doesn't really know that the person he is kissing is me. It made Zhou Jiajia somewhat melancholic. *Indeed, Yang Ming regards me as Chen Mengyan... I'm just a substitute...*

Forget it. I don't want to care so much. I will just follow through the mistake. I will just indulge myself for once. It can be considered as rewarding myself once... Hehe, only if I taste the sweetness, then I can make a persistent effort! Zhou Jiajia clenched her fist. She neither accepted it nor refused it! Firstly, it was indeed her first kiss so she knew nothing at all. Secondly, if she was taking too much initiative, then she would be done if Chen Mengyan found out about her.

Yang Ming's tongue had already gone into Zhou Jiajia's mouth. Zhou Jiajia also let him take advantage of her. Both of them were willing to do it as they seemed cooperative, but it was also very harmonious.

However, soon enough, Yang Ming felt that it wasn't quite right! *This... seems to be a different sensation from before. This mouth seems to be a little smaller than Chen Mengyan's... also, it has a faint scent of mint!* Yang Ming remembered clearly that he and Chen Mengyan had chewed lemon-flavored chewing gum! Where did the scent of mint come from?

However, unfortunately, Yang Ming's thinking process was a bit sloppy. It wasn't quite keen. Although he felt that it wasn't quite right, he hadn't thought about why something was wrong!

It was because he didn't even think the person he kissed wasn't Chen Mengyan!

Yang Ming was still bewildered. *Chen Mengyan is more proactive than before. How come she retreats more and more? Can it be that this little girl is shy?*

Chen Mengyan was dumbfounded at the scene! *Isn't it ridiculous and nerve-wracking for my boyfriend to kiss another girl in front of me?* Chen Mengyan didn't know what to do at that time. After watching it for a long time, she suddenly realized the situation. She shouted abruptly, "Ah! Yang Ming, what are you doing?"

"En?" Yang Ming was stunned. *Chen Mengyan asks what am I doing? Aren't I kissing you right now? Stop pointing out the obvious... No!* Yang Ming finally realized something! *I'm sealing off Chen Mengyan's mouth right now. How can she speak?*

Yang Ming suddenly sobered up a lot. He quickly took a deep look at the person in front of him. At first glance, he couldn't help but be shocked. *It's actually Zhou Jiajia! I actually kissed Zhou Jiajia!*

Yang Ming was shocked as he pushed Zhou Jiajia away and stuttered, "You... Why are you here..."

"I..." Zhou Jiajia's blush was scary. When she was questioned by Yang Ming, she was really embarrassed. Indeed, her calmness toward Chen Mengyan just now had disappeared without a trace. In front of Yang Ming, the only things left with her were panic, rapid heartbeat, and shyness.

Zhou Jiajia made a soft "moan" and pushed away Yang Ming. She lowered her head and hurriedly left Yang Ming's compartment...

Yang Ming looked in the direction where Zhou Jiajia left. Thousands of thoughts assaulted his mind... *What the heck was that? How did such a mishap occur?*

Chen Mengyan looked at Yang Ming with an angry expression. Both eyes seemed to be shooting out flames! Indeed, who wouldn't be angry with this incident? Having her boyfriend kissing others in front of her face! There was something wrong if she wasn't mad at all!

"Mengyan... that..." Yang Ming was a little embarrassed and didn't know what to say.

"Hmph!" Chen Mengyan snorted, "You did great. You even do this kind of thing in front of me!"

"Mengyan... You also saw it. It's a misunderstanding! I thought... she was you..." Yang Ming touched his chin and said with a bitter smile. "The light here is so dim. How can I see it clearly? Who could expect that she actually came to our compartment?"

"You can't even tell it wasn't me?" Chen Mengyan asked with a sneer.

"That... not, I..." Yang Ming didn't know what to say, but she couldn't blame him for saying this! Although he couldn't say that he had no responsibility at all, it was just a misunderstanding!

"*Hmph*, there's no need to explain. Your explanation is just an excuse!" Chen Mengyan said.

"Mengyan! Can you stop being silly?" Yang Ming was anxious, "Am I deliberately doing this? This place has dim lighting. Who can see clearly? Besides, if I was deliberate, why didn't I sneak away with her to a place with no one else to kiss? Do I need to do it in front of you?"

"Why are you scolding me back? You even have reasons for it!" Chen Meng pouted her small mouth with some grievances and said, "I feel uncomfortable deep down in my heart. Can't you just let me off a little bit? Can't I just vent it out? You're so petty! *Hmph*, if I was truly mad at you, do you think I will sit here and talk to you?"

"Forget it. Forget it. It's my bad... I made a mistake. Is that alright?" Yang Ming shook his head and said helplessly.

"What's the use in admitting you made a mistake to me?" Chen Mengyan's anger was also dissipated, and her mood was getting better. At this time, she carefully considered the seriousness of the matter. "Zhou Jiajia is a girl. You ravished her with a kiss. The person you wronged is her now!"

"She..." Even though Yang Ming felt that it wasn't right when he kissed Zhou Jiajia, she first ran into his own compartment. Yang Ming always suspected that this little girl had ulterior motives, so he didn't bother deep down in his heart! Moreover, after watching Zhou Jiajia's passionate video, Yang Ming didn't think that Zhou Jiajia was so pure! It was just a kiss. She wouldn't be losing any part of her. Most probably, she was kissed by a lot of people! *Would I get a mouth sore?* Yang Ming thought sinisterly.

However, this can never be said to Chen Mengyan. From now on, it seems that Chen Mengyan is obviously protecting this little girl, Zhou Jiajia. What sort of charm did she cast on Chen Mengyan? She actually made Chen Mengyan who liked to be jealous to stay on her side.

"Alright, I will apologize to her later..." Yang Ming nodded.

"Apologize! Zhou Jiajia is a very pure girl. She doesn't even have a boyfriend. Aren't you destroying her chastity?" Chen Mengyan was somewhat annoyed by Yang Ming's recklessness.

"What should I do? You can't let me be responsible for her right?" Yang Ming rolled his eyes and said.

"*Hmph*, keep dreaming. Even if I agree that you will be responsible for her, Zhou Jiajia may not let you take the responsibility!" Chen Meng said with a grin, "Zhou Jiajia has someone she liked! Also, she loves him deeply!"

Yang Ming listened to Chen Mengyan's words. He couldn't help but frown. *In my own impression, Zhou Jiajia isn't the kind of person who confesses her inner thoughts to others so easily. What's the purpose of her approaching Chen Mengyan?*

Is she really interested in me? Yang Ming would choose to believe that the earth was a square before believing that Zhou Jiajia liked him.

"Alright, then what should be done?" Yang Ming sighed. He shrugged and looked at Chen Mengyan.

"Forget it. I will help you to talk to Zhou Jiajia for a while. *Hmph*, damn it! You have taken advantages of others and I have to go to clean up the mess. Probably, such a girlfriend like me is the first one!" Chen Mengyan said with annoyance.

"That... I saw it on web novels. There's a girlfriend helping her boyfriend to find girlfriends." Yang Ming whispered.

"You also said that it was a novel." Chen Mengyan said faintly. However, this sentence made Yang Ming speechless. *Indeed, that was a novel. Is it possible to find one in reality?*

Yang Ming was speechless and he had to look at Chen Mengyan pathetically.

"Don't look at me like this... Let me tell you, don't kiss me again today... I don't want other women's saliva to come into my mouth..." Chen Meng said as she tilted her head.

"Zhou Jiajia didn't even detest you!" As Chen Mengyan lectured Yang Ming, it immediately provoked his desire. He picked up Chen Mengyan with a hug and kissed her.

"Ah ... what are you doing... *Wu, wu* ..." Poor Chen Mengyan couldn't help but indirectly enjoy a kiss...

Chapter 373 Internal Affairs of Women

Zhou Jiajia wasn't annoyed with Yang Ming's recklessness. On the contrary, she was still very willing. After all, if Zhou Jiajia strongly resisted, Yang Ming wouldn't have succeeded. Even if he succeeded, he wouldn't keep on kissing her.

Zhou Jiajia went back to her partition with a blush and sat next to Wang Xue. She just stayed there stupidly and her face was smirking. This made Wang Xue somewhat inexplicable! What's wrong with the child? She just went out for a while and then she is like this?

"Oi, Jiajia, what's the matter with you?" Wang Xue whispered.

"..." Zhou Jiajia didn't hear her question. She still stayed there stupidly.

"Jiajia?" Wang Xue called again.

"..." She didn't hear that apparently.

"Jiajia, what the hell is going on with you?" Wang Xue pushed Zhou Jiajia.

This time, Zhou Jiajia finally reacted. She looked at Wang Xue inexplicably. "Ah? Wang Xue, is something the matter?"

"Why are you asking if something's wrong? I'm asking you what happened?" Wang Xue said with some blame, "Jiajia, what are you doing? Why are you still giggling?"

"Ah? Me giggling? Hehe..." Zhou Jiajia looked at Wang Xue and giggled.

"???" Wang Xue was scared. "Jiajia, are you crazy?"

"No... I am very happy... Hehe..." Zhou Jiajia continued to giggle.

Wang Xue shook her head. Because Tian Donghua was sitting beside her, Wang Xue didn't ask further. She could only ask back at the dormitory.

The movie today was a foreign blockbuster. Yang Ming's interest in this movie wasn't big. Moreover, they weren't here just for watching the movie. They just wanted to experience the atmosphere in the theater. The rest was to do some sneaky things between couples.

Yang Ming and Chen Mengyan had been lingering for a while. The couple who was in love was always attached to each other. Therefore, by the end of the movie, they still didn't understand what was the movie about.

After the movie ended, Zhang Bing directly took Zhao Sisi to the hotel. Yang Ming and Chen Mengyan apparently hadn't progressed to that point yet. They had just reconciled and it was obviously inappropriate to go directly to the hotel. It had to be step by step. It would happen eventually in the future.

At this time, Yang Ming was almost sober, so he went to the gate of Hot Pot City with Tian Donghua and took the car back to the university.

This time Zhang Bing wasn't with them, so Zhou Jiajia had no reason to sit in Yang Ming's car again. Besides, it was best for her to refrain from sitting in his car because of the awkward incident before.

But when Zhou Jiajia headed to Zhang Bing's car that was now driven by Tian Donghua, Chen Mengyan called her, "Zhou Jiajia!"

"Ah! What's the matter?" Zhou Jiajia was shocked and quickly looked back and asked.

"Come. Let's sit together." Chen Mengyan warmly greeted. In fact, she wanted to solve Yang Ming's incident of mistaken kissing as soon as possible to prevent the incident from expanding.

"Me? Go over?" Zhou Jiajia was amazed. She didn't expect that she had a reason to board the car. Instead, Chen Mengyan found a reason for her.

Seeing Chen Mengyan nod, Zhou Jiajia carefully walked over and sat in Yang Ming's car. This was like the first wife reprimanding the concubine.

Chen Mengyan took the initiative to sit in the back seat of the Jetta alongside Zhou Jiajia which made Zhou Jiajia somewhat flattered.

"Jiajia, I'm sorry..." Chen Mengyan first took the initiative to apologize. She had no choice because her boyfriend was the one who caused this!

"Ah? Mengyan, why are you apologizing to me?" Zhou Jiajia couldn't take this sudden apology from Chen Mengyan, but since Chen Mengyan called her Jiajia, she also called Chen Mengyan as Mengyan.

"Yang Ming accidentally treated you as me just now... so, please don't mind..." Chen Mengyan said in a lowered voice, "I hope you can forgive him... Don't pursue his responsibility, okay?"

"This..." Zhou Jiajia was at a loss. She never thought about pursuing Yang Ming's responsibility!

When Chen Mengyan saw that Zhou Jiajia didn't express anything but instead, showed a strange face. She was anxious. She quickly explained, "Jiajia, you know that Yang Ming is a reckless person. Can you not make it difficult for him?"

Zhou Jiajia only reacted now. It turned out that Chen Mengyan really wanted to apologize to her! Zhou Jiajia almost blurted out and said that she's fine. She won't pursue anymore. But after thinking about it, if she expressed this in a hurry, it could cause some misunderstanding. Moreover, if she pretended to be wronged, she could still earn the chance to get Chen Mengyan's sympathy.

"What should I do then..." Zhou Jiajia sighed.

"I... I will let him apologize to you... are you okay with this?" Chen Mengyan didn't know how to compensate Zhou Jiajia. Indeed, if another person kissed her, she would have gone wild!

"I don't know... I have never encountered such a thing..." Zhou Jiajia shook her head with grievance as she replied.

Yes, indeed, how many times can people meet such an ambiguous incident! Why did Zhou Jiajia encounter such bad luck? And the initiator is my boyfriend, Yang Ming! Chen Mengyan had a headache for a while. If Zhou Jiajia held a grudge about this matter in the future, then there would be some trouble!

If Zhou Jiajia was depressed about this incident then Yang Ming would be condemned as a sinner of the ages! Chen Mengyan sighed and comforted her, "Jiajia, I know that your heart is definitely uncomfortable now, but Yang Ming didn't do it deliberately. Or, I'll ask him to treat you to a dinner? Buy you a gift?"

Chen Mengyan handled this kind of thing for the first time, so her speech didn't flow well. She didn't know how to appease Zhou Jiajia, so she had to offer some requests that were used to treat a child.

"..." Zhou Jiajia had never encountered such a similar incident either. Therefore, when Chen Mengyan offered this naive compensation, Zhou Jiajia really thought about how the compensation method could help her to be closer to Yang Ming! After thinking for a long time, Zhou Jiajia felt that she could get anything she wanted because she was wronged at first. So, if I really will be with Yang Ming in the future, if I wanted to get affirmation from Chen Mengyan, then I have to let Chen Mengyan feel that Yang Ming had wronged me. Then, she won't blame me too much. Therefore, Zhou Jiajia decided not to get any compensation, so forget it.

"Then... let's just forget it?" Zhou Jiajia really wanted to say that she wouldn't pursue it anymore.

But it sounded like a rhetorical question to Chen Mengyan. She thought that Zhou Jiajia meant this wasn't over, so she couldn't help but frown. If not, what else you want? Do you really want Yang Ming to be responsible for you?

"Why not... Can you treat it like being kissed by someone you loved, okay? You can't see it in the dark anyway. If you think like this, shouldn't you feel better?" Chen Mengyan said a funny reason.

However, in fact, Zhou Jiajia didn't need to treat Yang Ming as a lover. Yang Ming was originally a person she liked, so she had no psychological burden at all. However, after listening to Chen Mengyan's

explanation, Zhou Jiajia was puzzled. I have agreed not to pursue it anymore. What does Chen Mengyan mean? Did she really notice something strange, so she keeps probing me?

En, this is very possible! This girl is obviously not stupider than me, so be careful. Don't be fooled! Zhou Jiajia thought so.

As for Chen Mengyan, she saw that Zhou Jiajia didn't speak. She thought that her words had stimulated her, so she hurriedly apologized, "Jiajia... I didn't mean that... although... Yang Ming may not be the person you like, but he's good too..." Chen Mengyan was a bit sloppy and her speech was even more confusing.

But the more she said, the more Zhou Jiajia was scared. "He's good too?" What does that mean? Is Chen Mengyan selling Yang Ming to her? Could it be a test as well?

"Ah... I didn't mean that... In fact, Yang Ming is also quite good..." Zhou Jiajia replied with an ambiguous statement carefully to test Chen Mengyan.

"En... quite good..." Chen Mengyan nodded innocently. "Then this matter..."

These two high-intelligent women actually had a low-intelligence infernal affairs dialogue. They still didn't understand each other's intention after a long chat. However, things were resolved. Chen Mengyan knew that Zhou Jiajia at least wouldn't pursue Yang Ming's responsibility. She was just wondering why Zhou Jiajia stopped pursuing. She didn't even ask for compensation!

Zhou Jiajia was very confused. Why do I feel there's a hidden meaning in Chen Mengyan's words? But when she thought about it, it didn't seem to be the case!

Chapter 374 Three People With Insomnia

Back in the dormitory, Zhou Jiajia carefully fiddled with the rose in her hands, fearing it would be broken. She picked it up gingerly and looked at it.

"Jiajia, what are you doing? Why are you being surreptitious today? It's just a broken flower. Are the flowers you received daily any less than this?" Wang Xue asked inexplicably. Even if Yang Ming gave it to you, there's no need to behave as such! It's merely an item which doesn't even mean anything special! This Zhou Jiajia is really a goner!

"Vase? Where's my vase?" Zhou Jiajia didn't bother with Wang Xue, but she jumped out of bed and began to rummage around to find the vase.

"Your vase? Didn't you lend it to Miao Miao in the next bedroom as a pen holder? Have you forgotten about it?" Wang Xue reminded her.

"Oh, ya, it seems to be..." Zhou Jiajia rushed straight out of the bedroom door and ran to the next bedroom. Under the very strange eyes of the people in the next bedroom, Zhou Jiajia poured out the pens in the vase and took the vase back.

"Uh? Is that Zhou Jiajia?" A girl in the bedroom next door asked.

"It is by her appearance. Is she possessed?" Another girl in the bedroom next door replied.

"Most likely!" A third girl shook her head.

Zhou Jiajia ran to the bathroom. She brushed the vase clean and filled it with some water. Then, she returned to the bedroom to insert the rose into the vase on the bedside. Wang Xue was dumbfounded looking at her.

When Zhou Jiajia got all of this done, she breathed a sigh of relief and spoke to herself, "I will nurture this flower all along..."

"Nurture? How many days can you nurture it?" Wang Xue looked at Zhou Jiajia's infatuated expression as she said with annoyance, "Jiajia, don't be stupid. Even you nurtured the flower, how many days can it live? Two or three days. By that time, it will already be dead!"

"Ah? You're right!" Zhou Jiajia slapped her head. It's all my bad by being too impatient. How can I not think about this? Zhou Jiajia shook her head with a self-deprecating tone, "Wang Xue, how can I not let the flower wilt?"

"Not wilt? Are you a flower fairy? Unless you make a specimen!" Wang Xue was a little dumbfounded. She shook her head helplessly and said, "Jiajia, stop being like this. Isn't it just a flower? Is it worth it?"

"Oh ya, why didn't I think about that?" Zhou Jiajia only heard the first half of Wang Xue's words and turned a blind ear to the latter half. "Wang Xue, where do you think I can make a specimen?"

"...you can go to the gift shop and ask..." Wang Xue was helpless. It seemed that Zhou Jiajia didn't listen to her at all. She almost lost her mind, so she changed the topic, "Oh ya, Jiajia, what did Chen Mengyan say to you when she went to look for you? Isn't she Yang Ming's girlfriend? Why was she looking for you?"

"Ah... nothing in particular..." Although Zhou Jiajia was very buddy-buddy with Wang Xue, she was so embarrassed about the incident with Yang Ming kissing her that she couldn't say it.

"That's strange, Jiajia. You are so strange today!" Wang Xue frowned and sighed.

Zhou Jiajia was lying on the bed as she stared blankly at the vase and giggled from time to time...

When Yang Ming returned to his dormitory, Chen Fei's phone call came in. Yang Ming found it somewhat inexplicable. What's going on with Uncle Chen? In the middle of the night, it's almost two o'clock. Why is he calling so late?

"Hello, Uncle Chen, what's the matter?" Yang Ming asked curiously.

"Oh, Yang Ming. Nothing much. Where are you?" Chen Fei was actually afraid that Yang Ming would bring Chen Mengyan someplace to stay overnight. As a father, obviously he was very concerned, so here came a phone call.

"I'm at the university. What's wrong, Uncle Chen?" Yang Ming replied inexplicably.

"Nothing, nothing, right now at the end of the year, the law and order outside isn't quite good. I was worried about you..." Chen Fei laughed.

"Worried about me?" Yang Ming found it even more inexplicable. "Uncle Chen, don't forget. I faced two fierce gangsters and killed one..."

"En, I'm relieved that you went back to the university. Then, it's alright. Take an early rest." Chen Fei hung up the phone with a sigh of relief! It was such a great display of parental love!

Yang Ming edited several text messages and sent them to Zhao Ying, Li Dagang, Xu Peng, Yang Xiaobo, etc. The main intention of the message was to wish them Merry Christmas. Suddenly, Yang Ming remembered Lin Zhiyun and quickly sent a message to her. However, Lin Zhiyun didn't rest yet, and soon replied with a message, "You haven't slept yet? Did you just come back with your girlfriend?"

Yang Ming broke into a sweat as he held his cell phone. Lin Zhiyun was now his girlfriend by name. Now she asked this question and made Yang Ming feel awkward.

"Ugh... I haven't slept yet. You too?" Yang Ming deliberately avoided the problem that Chen Mengyan had just returned.

"Not yet. A few of my mother's friends for many years had come over to the house. We celebrated Christmas Eve together and it was very lively. They just left. I'm helping my mother to pack things up." Lin Zhiyun replied.

"I see. Is your leg alright?" Yang Ming asked.

"En, there's basically no problem now... Oh ya, Yang Ming, can you come to my house tomorrow? My mother just told me to invite you over." Lin Zhiyun replied.

Yang Ming looked at the message and contemplated a little. Logically speaking indeed today's Christmas Eve is suitable for couples to go out and play together. Since I didn't ask Lin Zhiyun out, it didn't seem right. It's hard to guarantee that Mother Lin won't be suspicious about it.

Yang Ming beat his head as he realized his mistake! Even if I went to Lin Zhiyun and paid a visit, that would be great! No wonder Lin Zhiyun just asked me if I just came back after accompanying my girlfriend!

"Did your mother suspect anything?" Yang Ming sent a message over.

After a long time, Lin Zhiyun replied, "Well, my mother asked me if we had a quarrel. I told her no. You went to Wu Zhongjie as a tutor today. She just saw you texting me. She should rest assured. If you have something tomorrow... it's fine if you can't make it."

Something? Even if I have something, I have to come! Yang Ming's feelings for Lin Zhiyun were quite strange and overbearing. There was a strong desire to protect and a duty-bound feeling!

As long as it was involved with Lin Zhiyun, Yang Ming had to let go of anything and deal with her matter even if he had another serious matter on hand! So, Yang Ming replied without thinking about it, "I'm going. I will drop by tomorrow morning. You should tell Auntie Shen beforehand. I will arrive about nine o'clock. Is that alright with you?"

"Alright. Then, you should rest early, or else how can you get up tomorrow?" Lin Zhiyun replied.

"Okay, you should sleep as well. Let's sleep together. Good night." Yang Ming answered ambiguously.

Lin Zhiyun didn't reply. He didn't know whether she understood it. In fact, Lin Zhiyun certainly understood Yang Ming's text message. For such a sensitive word "sleep together," her pretty face

suddenly blushed. She had recalled the memory fragments she had in the hotel where she was naked with Yang Ming. She couldn't help but feel a heat crawling up within her.

From the moment of feeling hatred against Yang Ming to a calm mind after the event, and now to the present... Lin Zhiyun found out that she had an indescribable feeling for Yang Ming. In short, when she was with Yang Ming, there was a feeling of a slight increase in heartbeat. It was a bit exciting, a bit enjoyable, but most of it was fear.

Ever since her youth, Lin Zhiyun didn't like any boys. The family conditions caused her not to consider other things besides studying. This was why she was lacking in terms of social experiences.

Therefore, Lin Zhiyun didn't know what it was like to like a person. This also caused her to feel unnatural under the shadow of Yang Ming for now. Lin Zhiyun always reminded herself that she shouldn't have a substantive relationship with Yang Ming because the relationship between them was feigned! Also, Yang Ming had a girlfriend. However, Lin Zhiyun didn't know that feelings weren't something that could be controlled perfectly.

If feelings can be controlled, then there wouldn't be so many unrequited loves in this world!

Looking at the last message sent by Yang Ming, Lin Zhiyun obviously didn't know how to reply, so she simply pretended to fall asleep and didn't reply.

Although she was pretending to be asleep, in fact, Lin Zhiyun didn't sleep for half of the night. She didn't know why when she thought of Yang Ming, she felt a sense of sweetness in her heart.

Yang Ming tossed and turned all night, but soon he entered into a dream. However, what he didn't know was that on this night, three people were destined to have insomnia. Moreover, they all had insomnia over the same person.

These three people were Chen Mengyan, Lin Zhiyun, and of course, Zhou Jiajia.

Chapter 375: Bedwetting Event

Chen Mengyan's mind was still in chaos when she returned to the dormitory. Yang Ming and I had finally made substantial progress! In fact, Chen Mengyan's mind didn't deem such a matter very important. Although she was conservative, she had now affirmed Yang Ming as her man for the rest of her life in her mind. Other things weren't important anymore.

As for kissing, even going to the hotel, Chen Mengyan wasn't repulsed. She just felt a little scared. Originally, before she came here today, she also pondered whether Yang Ming would ask her to stay overnight. Chen Mengyan was still very nervous. She didn't know what to do when it came time for that. Although it wasn't an exception, when it was time, Chen Mengyan would be nervous!

Just before, when Zhang Bing said that he would go to the hotel with Zhao Sisi, Chen Mengyan was so nervous. She couldn't even stand still. Fortunately, Yang Ming didn't ask anything. He just took her back to the university.

But sometimes people can be contradictory. She was afraid but now that it didn't happen, Chen Mengyan began to think more! Is it that Yang Ming isn't interested in me? Why had he and Lan Ling

already done that thing, but he never asked me for it? Is it that I'm not as good as Lan Ling? So, Chen Mengyan was muddle-headed, and she spent the night with cranky thoughts.

The next morning, Yang Ming rushed to Lin Zhiyun's house in Hou Zhenhan's broken Jetta. Originally, Yang Ming wanted to buy some fruits. But, since it was Christmas Eve yesterday, many vendors were open throughout the night. The vendors only closed in the morning. So, in the early Christmas morning, the street was deserted. There weren't even many vehicles on the street.

When he arrived at Lin Zhiyun's home, Yang Ming knocked on the door and the one who opened the door was Shen Yueping. When she saw Yang Ming, she immediately greeted him warmly, "Yang Ming, you are here."

"En, Auntie Shen, Merry Christmas." Yang Ming said, "Where's Zhiyun?"

"Zhiyun was texting you until the middle of the night last night. She was so excited that she couldn't sleep. She just fell asleep at four o'clock. She's still resting." Shen Yueping said.

"Then, should I come back later?" Yang Ming said with some embarrassment.

"Why do you have to come back later? You and Zhiyun aren't outsiders. I'm going out later. You can wait for her in the house!" Shen Yueping said, "You can go to her room."

"Oh ... alright." Yang Ming nodded. Lin Zhiyun was so pitiful She was sleeping so well. She didn't know that her mother actually pushed a man into her bedroom!

Although Yang Ming was Lin Zhiyun's fake boyfriend, they both understood well the matters between them. It was just that they didn't speak of it out loud. So, the relationship between them at this moment couldn't be deemed as intimate. However, even if you said that they weren't intimate, they were quite flirtatious.

If it was another person, Yang Ming wouldn't enter the bedroom when the girl was sleeping, but Lin Zhiyun was different. Yang Ming originally had the idea of being responsible for her, so there was no reason to avoid it.

Pushing the door open into Lin Zhiyun's bedroom, he saw her sleeping soundly. At this moment, Lin Zhiyun was covering with a quilt. A snow white leg was exposed outside the quilt. Yang Ming really wanted to touch it.

Lin Zhiyun's mouth had a glimpse of a smile. Her face was blushed and was shining a brilliant radiance, and her long eyelashes made Yang Ming really want to kiss her.

However, before Lin Zhiyun accepted him, Yang Ming had to restrain himself. He just thought about it and couldn't really do anything. Yang Ming got up and pulled Lin Zhiyun's quilt to cover her exposed leg so that she wouldn't catch a cold.

After a while, there was a sound of the door closing outside the house. Apparently, Auntie Shen had already left. Yang Ming couldn't bear to disturb Lin Zhiyun, so he sat quietly waiting for her to wake up.

"En ... " After a while, Lin Zhiyun suddenly gave off a clumsy moan. She apparently already woke up. Yang Ming was going to greet her, but he saw Lin Zhiyun rushing out of bed and whispering to herself, "Slippers, slippers... no, I'm going to wet the bed..."

As she spoke, she ran out of the door after wearing the slippers. Yang Ming was stunned!

Damn, could it be that my own ability had started automatically? Why is Lin Zhiyun naked? Just now, Yang Ming was so confused. A white naked female body walked past his eyes. The two pink spots on the chest and the black cluster on the lower body, Yang Ming could see them clearly!

Could it be that the function of these contacts had automatically upgraded? Why didn't Lin Zhiyun wear any clothes? Yang Ming had some inexplicable thoughts. Besides, Lin Zhiyun didn't seem to notice me! Could it be that these lenses also had a stealth function?

However, the answer was immediately revealed. It was Yang Ming who was overthinking. There was no change in this contacts. Instead, it was Lin Zhiyun who didn't wear clothes and he wasn't invisible!

Lin Zhiyun had woken up after going to the washroom. She walked back to her room hurriedly. The reason why she dared to run out naked was that her father wasn't at home this time. There were only she and her mother, so there was no need to avoid anything, or else, Lin Zhiyun would definitely wear clothes first!

Lin Zhiyun looked at the clock hanging on the living room's wall. It was already past ten o'clock. Why wasn't Yang Ming here yet? It seems that my mother had already left. Lin Zhiyun shook her head and prepared to go back to her room to put on clothes. But she didn't expect that when she pushed open the door of the bedroom, she suddenly found a person sitting alone in front of the desk, and that person was Yang Ming!

"Ah!" Lin Zhiyun screamed and hurriedly covered the important parts of her body, but unfortunately, she had only two hands. If she covered the upper part, the lower part would be exposed. If she covered the lower part, she could only cover half of the upper part.

"Ugh ... actually I didn't see anything..." Yang Ming said while sweating.

"I hate you!" Lin Zhiyun listened to Yang Ming's words and her face blushed. She quickly squeezed under the quilt. "Why are you still here?"

"Alright, I will go out now..." Yang Ming shook his head. I'm innocent, ai!

In fact, it was reasonable to say that Yang Ming was responsible. After he saw the scene, he should have gone to another room before Lin Zhiyun realized he was there! However, Yang Ming didn't think that Lin Zhiyun hadn't worn clothes, instead, he felt that his ability had upgraded or malfunctioned. So, such a scene only happened because of that!

If it was another person, it would be fine. But Yang Ming had this x-ray ability, so he hesitated and didn't hide. However, this kind of thing couldn't be explained to Lin Zhiyun. Yang Ming walked out of Lin Zhiyun's bedroom embarrassed and then closed the door for her.

Lin Zhiyun really wanted to dig into a hole now! This time I really let him see everything, although it isn't a big deal to be seen by him, I'm still embarrassed! Lin Zhiyun felt that she had no face to see Yang Ming. Wasn't this too shameful?

However, this wasn't a big deal. Now, Lin Zhiyun could only pray that Yang Ming went into her bedroom after she went to the bathroom. Otherwise, the words "I'm going to wet the bed" she said before, wasn't that making her even more shameful?

A girl actually said this in front of a boy... I really don't have the face to see him!

Lin Zhiyun quickly put on her clothes and struggled for a long time. After taking a deep breath, she opened the door of the bedroom and saw Yang Ming sitting on the sofa in the living room. She really didn't know what to say. She could only make a few coughs.

"Zhiyun, have you dressed already? Sorry, I didn't know that you were naked..." Yang Ming scratched his head and said, embarrassed.

"..." Lin Zhiyun obviously didn't want to pursue this topic. She just wanted to figure out when Yang Ming came, so she asked, "When were you here? I really didn't know."

"Oh, I was here at nine o'clock. Auntie Shen asked me to go to your bedroom to wait for you to wake up..." Yang Ming explained, "You also know our current relationship if I didn't go, Auntie Shen will definitely be suspicious so I couldn't reject... But I was just standing at the side without doing anything..."

Yang Ming naturally declared his innocence first. He did nothing! However, Lin Zhiyun didn't care. But looking at the situation, Yang Ming must have heard the sentence she just said!

Yang Ming looked at Lin Zhiyun blush for a while then turned pale again. He couldn't help but say something strange, "Zhiyun, what's wrong with you? Why do you look so bad? You didn't rest well last night? Or, did you hold the urine for too long?"

"Huh?" Lin Zhiyun was shocked. Yang Ming actually said this.

"Ugh ... I heard that girls aren't suited for holding urine for a long time. It's easy to cause urethritis and bladder rupture..." Yang Ming didn't mean to make fun of Lin Zhiyun. Instead, he was very concerned about Lin Zhiyun. He watched the news online and accidentally saw a report saying that a girl drank soda greedily before sleeping. She couldn't urinate in time and then she had a bladder rupture. In fact, he just learned about it and applied it at that moment.

Chapter 376: Couples?

"Ah?" Lin Zhiyun was really stunned. Her jaw dropped as she stared at Yang Ming.

"I'm just concerned about you... hehe ..." Only then did Yang Ming feel that it was somewhat unconventional for him to say these kinds of things to a girl as a man. "There is a phrase 'It should never be a taboo to treat a disease...' or something like that. In short, I'm now asking as a doctor..."

"Okay, okay, can we not talk about this..." Lin Zhiyun saw that Yang Ming was going on and on that she didn't have to be shy anymore. She said perfunctorily, "I will be fine..."

"Hehe!" Yang Ming chuckled.

"I'm going to clean myself up. You wait for me for a while..." Although Lin Zhiyun hadn't washed up or combed her hair yet, she didn't regard it as a matter even though she had an unkempt face in front of Yang Ming.

"Alright, you should go." Yang Ming nodded and said, "Do you need me to step out for a while?"

"Is it still useful to step out now?" Lin Zhiyun said with a "Hmph." She glared at Yang Ming and rushed into the bathroom.

Yang Ming smiled bitterly and shook his head. What did Lin Zhiyun mean? Did she silently agree that I can peek at her? If I'm allowed, then I can use my special abilities to peek at her? Yang Ming was enjoying his evil thoughts.

Today, Lin Zhiyun didn't wear her white down jacket but a black coat. This coat couldn't be said to be of good quality. It should be about ten yuan in the night market, but it was very fitting on Lin Zhiyun's body.

"Let's go shopping." Yang Ming suggested.

"Shopping?" Lin Zhiyun was stunned. She asked, "Don't you have to accompany your girlfriend?"

"Aren't you my girlfriend?" Yang Ming said pretentiously.

"..." Lin Zhiyun was speechless and shook her head. "You know what am I talking about."

"You just put on a coat. Weren't you planning to go shopping with me?" Yang Ming didn't answer Lin Zhiyun's question.

"I was dressing up to go to the university!" Lin Zhiyun said, "I injured my leg and I haven't been to school in a few days."

"Let's go. I'm your boyfriend now. If I don't accompany you to shop for a few Christmas gifts, Auntie Shen will be dissatisfied with me!" Yang Ming said with a smile, "Moreover, most probably that there won't be many students who are going to class today. Most of the university lectures may have adjusted themselves to be a self-study class already."

"Nonsense. Do you think everyone else will be skipping classes like you?" Lin Zhiyun said with a smile, "Alright, where shall we go?"

"Let's look around on the business street." Yang Ming suggested, "Let's buy you two sets of clothes."

"Buying me clothes..." Lin Zhiyun hesitated. "Yang Ming, in fact, the relationship between the two of us was just a lie to my parents. You don't have to waste your money..."

"How's that wasting money? Even if we're just good friends, we still have to give each other some gifts for Christmas?" Yang Ming interrupted Lin Zhiyun's words and continued, "Moreover, when I buy clothes for you it serves the purpose of bluffing Auntie Shen! Please, I'm your boyfriend now. I don't want your mother to roll her eyes at me!"

"Hehe ..." Lin Zhiyun couldn't help but smile when she heard Yang Ming's words, "Alright, but not too expensive!"

"En, alright. Just take it as the tuition fee for these days. Anyway, this is what you deserved." Yang Ming nodded and said.

The two of them went out, but unfortunately, they bumped into Auntie Hong from the snack stall.

“Lin Zhiyun, Yang Ming!” Auntie Hong’s memory was particularly good. She could call out the name of the people whom she only met once easily.

“Nice to meet you, Auntie Hong! Merry Christmas!” Yang Ming smiled and greeted Auntie Hong.

“Auntie Hong!” Lin Zhiyun also greeted her. She found it odd. How did Yang Ming get to know Auntie Hong? The two of them only had a meal at Auntie Hong’s stall.

“Are you both going out together?” Auntie Hong asked.

“Yeah, Auntie Hong, where were you going?” Lin Zhiyun nodded shyly and asked.

“I’m going to the vegetable market to get some goods. The ingredients at home are almost finished!” Auntie Hong said.

“Auntie Hong, where did you plan to go?” Yang Ming asked.

“I’m going to take the public bus!” Auntie Hong laughed. “On my way back, I can take a taxi. When I head there, I don’t have to carry anything. Of course, I’ll be taking the bus.”

“Zhiyun and I are heading to the business street which is just opposite of the vegetable market. Let’s go together.” Yang Ming said.

“Okay.” Auntie Hong nodded. He thought that Yang Ming was talking about taking a bus together and didn’t mind.

Once they were out of the alley, Yang Ming opened the Jetta car door and said to Auntie Hong, “Auntie Hong, get into the car. This car is a bit old. I hope you don’t mind.”

“Ah ? You both have a car?” Auntie Hong was a little surprised. Although this car was quite average for a small family like hers. It would be unrealistic to maintain a car.

“Yours?” Lin Zhiyun was a little surprised too because Yang Ming was always driving Zhang Bing’s Pentium in the past.

“No, it’s my friend’s.” Yang Ming said.

Lin Zhiyun had become accustomed to Yang Ming’s statement. From the time Yang Ming encountered her until now, Yang Ming had already driven three cars. Initially, it was a Buick minivan, then a Pentium, and now followed by a Jetta.

Auntie Hong didn’t care. Many of the conditions of the taxis weren’t as good as this one! Yang Ming started the car engine. He first dropped Auntie Hong at the vegetable market before driving to the business street.

After he parked the car in the parking lot, Yang Ming and Lin Zhiyun got off the car together. The strange thing was that even though this was a paid parking lot, the parking fee collector turned a blind eye to Yang Ming’s car. After he collected the fee at the side, he went around Yang Ming’s car to collect from other vehicles.

Obviously, it can’t be the mistake of the parking fee collector! Yesterday, Yang Ming was skeptical of the behavior of the security captain at the hotel entrance already. Thinking of today’s events, Yang Ming

was sure that these people obviously knew this was Hou Zhenhan's car. It seemed that Hou Zhenhan's reputation had already reached the public. Of course, it couldn't be denied that this parking lot could be the premise of Bao Sanli's and the rest. Even if it wasn't, public places like parking lots were prone to disputes, especially by the punks who didn't want to pay for their parking. Therefore, more or less this place had a connection to Bao Sanli and the rest.

The parking fee of three yuan to five yuan for each car shouldn't be underestimated. In one day, it could mean the income of tens of thousands of yuan.

It's even better if no one came to collect the parking fee. Yang Ming was too lazy to ask for the reason too. He took Lin Zhiyun to the business street right away. Both of them randomly walked into a shop selling casual clothes. The clothes in this shop weren't very expensive, and the quality was satisfactory. Yang Ming always bought clothes from such places.

"Sir and ma'am, there's a special Christmas promotion for couples. If you were to buy a set of couple shirts, we'll give you a couple concentric lock necklace!" A staff member welcomed them warmly. Most of the low-end casual shops were frequented by students and couples. So, in order to attract more customers, these stores had to rack their brains to come up with some special offers.

Generally speaking, these stores had promotions all year round, but this was also an important reason why these types of stores had a lot of customers.

"Couple shirts?" Lin Zhiyun was stunned. Yeah, it's Christmas. For a man and a woman to go shopping, it's easy for others to regard them as a couple.

"What designs are there?" Yang Ming asked casually.

"Student [1], please take a look here. These are all at the Christmas sale price. These couple vests cost ninety-nine yuan a set, and these couple windbreakers cost 268 yuan a set. If you buy a set of couple vests, we'll give you a lover concentric lock necklace. If you buy a set of couple windbreakers, we'll give you two lover concentric lock necklaces." The staff member promoted skillfully.

"Zhiyun, what do you think about this small vest?" Yang Ming was thinking that this set of vests was good. It's just nice that he had such a thing, so he can buy one. Moreover, the price wasn't expensive either.

"Ah ? I..." Lin Zhiyun suddenly lost her mind for a moment. A couple set! But Yang Ming and I... Ai, we're becoming more and more like a real couple!

"It's alright student. You can try it on. If you don't like it, you don't have to buy it." The staff member said.

"En , then can you find us a set. If you look at our figures, what sizes do you think will be suitable for us?" Yang Ming asked.

"Hehe , both of you can wear the L size. Students, you two really match each other well. Unlike some couples whose body sizes are quite distinct and it's hard to find matching couple attire..." The staff member didn't forget to compliment them.

Yang Ming chuckled twice after listening, and Lin Zhiyun lowered her head.

Not to mention, the staff member's eyesight was pretty good. The two of them tried the vests on and they fit very well. So, Yang Ming didn't intend to take his off. He asked Lin Zhiyun, "Zhiyun, how do you feel about it?"

"I think... it's okay..." Lin Zhiyun felt that the style of this small vest was pretty good and it helped to keep warm too. But since it was a couple set, Lin Zhiyun was also embarrassed to say that it was particularly good.

"En, then we will buy it. Just keep it on you." Yang Ming nodded to the staff member.

"Okay, please come here. Let me bring you to the payment counter." The staff member brought Yang Ming to the payment counter. After he paid the money, the staff member gave the receipt to Yang Ming.

Yang Ming turned around. When he was about to leave, Lin Zhiyun suddenly recalled that the staff member had mentioned that there were complementary gifts! She was originally a conscientious girl so she quickly asked, "What about our gifts?"

Chapter 377: Let's See Who's Humiliated?

"Right here, let me get it for you." The staff member thought that she could save a set of gifts. She didn't expect the girl to remember. She quickly took the necklace gifts and handed them to Lin Zhiyun.

After getting the gifts, Lin Zhiyun was delighted as she walked out of the clothing store with Yang Ming. It was as though she had won a big bargain.

" _

Haha _ , this necklace seems to be an item from the street stall." Yang Ming smiled indifferently. He commented as he pointed at the necklace in Lin Zhiyun's hands.

"But she promised to give it to us, so why not take it?" Lin Zhiyun said.

"If you don't wear it even if you get it, what's the use of it?" Yang Ming shook his head helplessly. Often it was like this. When people bought things, they cared about the gifts. When they really took the gifts back home, often they became useless waste.

"Why wouldn't I wear it? Who said that I won't wear it?" After Yang Ming commented on Lin Zhiyun, she put on the couple concentric lock necklace directly around her neck.

" _

Haha _ ." Yang Ming smiled and picked up his necklace and put it around his neck.

The both of them looked at each other and smiled, and a tacit understanding came between them.

"Lin Zhiyun!" At this very moment, a couple came from the across the way, and the woman greeted Lin Zhiyun.

“Zhang Xiaoyuan?” Lin Zhiyun was somewhat surprised when she also saw the girl opposite her.

“Isn’t this the pure and innocent girl of our class? What? Do you also have a boyfriend now?” Zhang Xiaoyuan smiled and asked, “How do I address this handsome guy?”

“Hello. My name is Yang Ming.” Yang Ming didn’t know what the relationship of Lin Zhiyun with the person in front of him was. He just replied plainly.

” _

Hui _ ? He’s pretty cool!” Zhang Xiaoyuan smiled and said, “What are you wearing? Isn’t this a necklace from the promotion in that store? How can you wear such garbage on your neck? You should quickly ask your husband to buy a platinum necklace for you just like the one I’m wearing right now.”

Although Zhang Xiaoyuan was laughing, there was pride in her tone. The little fatty next to her also straightened up. He looked at Yang Ming with pride.

Only then did Yang Ming understand the situation. It turned out that this girl came here to show off in front of Lin Zhiyun!

Lin Zhiyun obviously didn’t like Zhang Xiaoyuan. She shook her head. “I don’t like those kinds of things.”

” _

Ha _ , Zhiyun, let me tell you. For a woman like you, you really bring shame to us!” Zhang Xiaoyuan said, “When a woman is together with a man, she’s paying with her youth. You have to find a man who can be generous to you!”

_

Damn! Am I not generous? _ Yang Ming frowned. _

How can this Zhang Xiaoyuan speak in such an ugly manner? I think you aren’t looking for a partner. What you are is a prostitute in disguise! _

” _

Oh ya _ , Ah Biao, don’t you want to buy me a mink fur? Let’s go now?” Zhang Xiaoyuan said to the fatty.

” _

En _ , let’s hurry and go now. But, my Mercedes-Benz was parked in the parking lot. I hope no one will scratch it!” The fatty appeared to be displaying himself unintentionally.

Although Lin Zhiyun didn’t care about these, a girl also wanted to take care of her face. Even for someone like Ge Xinyao, she only backstabbed the others. Zhang Xiaoyuan blatantly mocked her. _

How can Lin Zhiyun not understand it? _

“Zhiyun, let’s go. Didn’t you want to buy a mink cashmere? Let’s not waste time with them.” Yang Ming said in a joking manner, “We are rich people. Let’s not lower our level to these poor pretentious people.”

“Are you buying mink cashmere?” How would Zhang Xiaoyuan believe it? Mink cashmere was much more expensive than mink fur! Looking at the outfits on Yang Ming and Lin Zhiyun, it was obviously student class. _

How can they possibly afford mink cashmere? _ Therefore, Zhang Xiaoyuan naturally regarded Yang Ming’s words as a rebuttal just to save his face!

The fatty was obviously also upset by Yang Ming’s words, “We are rich people. Let’s not lower our level to these poor pretentious people.” _

What? How did I become a poor pretentious person? Hmph, I have to see who are the actual poor pretentious people! _ So, he sneered, “What a coincidence? I know there’s a Diamond Lady’s Fur Shop ahead with a lot of new designs. Let’s go together!”

“Alright!” Yang Ming nodded and said indifferently.

Zhang Xiaoyuan looked at Lin Zhiyun with deep thoughts. Her eyes were full of disdain. _

In fact, Lin Zhiyun looked much better than me, but what’s the use of it? Didn’t I also find myself a rich partner? _

“Yang Ming, are we really going?” Lin Zhiyun whispered to Yang Ming while on the road.

“Why don’t we go? Initially, I have already said that I will buy clothes for you.” Yang Ming looked at the fatty who was walking in front of him with pride.

“You can’t buy such an expensive item...” Lin Zhiyun bit her lip and said, “Our relationship... if you buy me something so expensive... how can I want it...”

Although Lin Zhiyun’s words were intermittent, Yang Ming could still understand it. He smiled to comfort her, “Indeed, what’s the relationship between the two of us? It shouldn’t matter if I bought you some clothes.”

“...” Lin Zhiyun was speechless. _

Does this guy really not get it or just deliberately acting dumb? _ Lin Zhiyun was somewhat confused at the moment. _

Why did Yang Ming treat me so well? _

_

Supposedly, he’s just my fake boyfriend. It’s already substantial just to cope with my parents. However, Yang Ming right now treats me no differently from his genuine girlfriend. _

_

Not only does he care about me, but also often spends money to buy gifts for me. This is probably something that only men and women in love do, right? _

Lin Zhiyun also expressed this problem to Yang Ming several times, but Yang Ming pretended to be stupid and brushed it off. He never answered her in a blunt manner. Lin Zhiyun’s heart was very chaotic

right now. Indeed, she also liked to be together with Yang Ming. If possible, Lin Zhiyun didn't mind keeping this relationship going!

—

However, a fake is ultimately a fake. Paper can't contain the fire. One day the truth will be revealed. Then, my parents will know that Yang Ming is only a fake. Won't that be the end of our relationship? However, if I don't say it and Yang Ming doesn't say it, who will know about it? _

—

Oh ya, it will be Yang Ming's girlfriend! If this goes on in the long run, Yang Ming's girlfriend will certainly find out something's wrong. If she confronts me upfront, what can I do? _

It was precisely for that reason that Lin Zhiyun always reminded herself not to get too close with Yang Ming! However, since her parents had already recognized Yang Ming, she couldn't keep a distance from him. Hence, it had caused the situation of riding a tiger [1] right now.

—

Forget it. _ Lin Zhiyun sighed helplessly. _

I will take one step at a time! _

The four people came to the big fur shop in front of them – Diamond Lady Fur. This kind of fur was very popular in the north. The terrain here was cold. Mink fur, fox fur, and rabbit fur were great for keeping warm, so it was very popular among rich people.

Zhang Xiaoyuan and the fatty held the impression that Yang Ming and Lin Zhiyun would be humiliated, so they weren't in a hurry to buy. They just followed Lin Zhiyun and they strolled around. Moreover, they guided the two to the most expensive area intentionally.

” _

Wa _ , this is great. Lin Zhiyun, it's suitable for your figure. How about you try it?” Zhang Xiaoyuan suddenly came out with a bad intention. She pointed at a higher priced mink coat and said.

How was it possible for Yang Ming to not understand her intention? But that coat was also indeed not bad! In fact, Zhang Xiaoyuan also took this into consideration. If she casually pointed out one to let Lin Zhiyun buy it, it might not fit her. So, Lin Zhiyun would have a reason not to buy it. Therefore, Zhang Xiaoyuan fully considered the factors like body figure and the other factors before choosing such a suitable coat!

” _

En _ , it's not bad. I want this.” Yang Ming nodded and said to the salesperson, “Can I trouble you to take this coat down and letting us try it?”

” _

Oh _ , ok, wait a minute.” Even though the salesperson realized that Yang Ming’s outfit was very ordinary, she didn’t despise it. The rich men in this era were full of weirdos. She had encountered a lot! There was nothing wrong with pretending to be poor so that they won’t lose their money!

The salesperson took the coat down and handed it to Yang Ming. Yang Ming handed it to Lin Zhiyun, “You should go to the fitting room. I’ll wait for you here.”

Zhang Xiaoyuan and the fatty were waiting to see Yang Ming humiliated, but they didn’t expect that Yang Ming would be so idle. He even took the opportunity to ask the sales lady when Lin Zhiyun was trying out the coat, ” _

Oh ya _ , the design on that side – is there one in a size around 1.65 meters?”

“Who will be wearing it?” The salesperson routinely asked.

” _

Oh _ , it’s for my mother.” Yang Ming thought that the mink coat was good. It could keep her warm. Since he had come, he would also like to give one to his mother. Otherwise, his mother wouldn’t be willing to spend the money to buy it.

“There is but your mother should be a middle-aged person. It will be better if she wore the design right there!” The sales lady pointed to an outfit to her right.

Yang Ming compared it for a while. It was indeed the case, so he nodded and said, “Alright, I want this. Can you ring it up directly?”

Chapter 378: Giving A Discount Means Looking Down On Him

“Ah?” The saleslady was stunned. _

I didn’t expect this person to buy it without trying. But since you’re buying it for others, it doesn’t matter. _ “Okay, sir, if you buy two coats at a time, you can enjoy a 10% discount. You can wait for the lady who is trying the coat. If it’s suitable then you can purchase it together to get a discount.”

“Okay.” Yang Ming nodded indifferently.

However, Zhang Xiaoyuan and the fatty were panicking.

“Xiaoyuan, didn’t you say that Lin Zhiyun is very poor? What the hell is going on?” whispered the fatty.

“Who knows? You saw the man’s dress. It isn’t very nice as well.” Zhang Xiaoyuan shouted, “Don’t you want to buy me a mink fur coat? Hurry up. Don’t lose to him!”

“That thing is so expensive. That exclusive fur coat has a 20% discount. Let’s go there instead.” The fatty whispered, “Weren’t we here just to put shame on your classmate?”

” _

Hmph _ , what money are you lacking?” Zhang Xiaoyuan was somewhat unhappy. “You’re driving a Mercedes-Benz, and you’re not even comparable to those two poor people!”

"My gosh! That Mercedes-Benz isn't mine. It's our boss'. I'm only a driver. The five to six thousand from my salary per month was already spent by you!" The fatty smiled bitterly.

Although the voices of the two people were small, Yang Ming was staring at their lips with his peripheral vision, so he knew clearly what they were talking about.

"Are you Zhang Xiaoyuan? I think the coat that Lin Zhiyun just tried was also suitable for you. You should try it too!" Yang Ming smiled insidiously, then he said to the saleslady, "Can you find the same style for this lady to try?"

" _

Oh _ , okay, sir." Yang Ming was a generous buyer so the saleslady nodded very warmly. Besides, she saw that Zhang Xiaoyuan and the fatty's clothes were very elegant, so she didn't doubt their ability to purchase!

"This..." The fatty felt a little difficult! However, the saleswoman had already handed over a coat of the same style to Zhang Xiaoyuan.

Although this coat was chosen by Zhang Xiaoyuan for Lin Zhiyun, she also chose according to her own standard. First of all, she felt that this coat was good. Then, her body size was about the same as Lin Zhiyun! This coat was definitely suitable for her to wear, so Zhang Xiaoyuan didn't know what to do. _

If I try it, and it really looks good, Lin Zhiyun would be laughing at me if I didn't buy it. _

" _

Hehe _ , this coat seems to be quite suitable for you!" Yang Ming looked at Zhang Xiaoyuan and smiled, "Why don't you try it?"

"Let's try then." Zhang Xiaoyuan wanted to say something more, but the fatty couldn't stand Yang Ming's gaze, so he said arrogantly. It's just picking a few flaws anyway! The fatty wasn't like Yang Ming. He didn't know that this coat was suitable for Zhang Xiaoyuan to wear. Otherwise, he wouldn't have said that. In his opinion, _

Isn't it easy to find some flaws? I can just say that the size is too big or too small, right? _

Instead, Zhang Xiaoyuan misunderstood him. She thought that the fatty agreed to buy her one, so she took the mink coat and ran to the fitting room.

When Lin Zhiyun came out, Yang Ming's eyes couldn't help but shine. Even Zhang Xiaoyuan was slightly shocked. This coat actually fitted Lin Zhiyun very well!

Lin Zhiyun walked over cautiously and looked at Yang Ming with a slight reddish face. "Do I... look good?"

"Too perfect!" Yang Ming couldn't help but praise. Then, he nodded and said, "Zhiyun, did you look in the mirror?"

"No..." Lin Zhiyun said with some shyness.

" _

Hehe __, very beautiful. Why don't you ask them?" said Yang Ming as he helped Lin Zhiyun to straighten her collar.

"Yeah, ma'am, this coat really fits you." Never mind that Lin Zhiyun was really beautiful when she wore it, but even if it wasn't good-looking, the saleslady had to say it was nice for this business!

"Then, let's get it. We want it. You can ring up these two coats." Yang Ming spoke as he nodded.

"Okay, sir, don't you want to wait for the other lady? If she likes it, she can have a 10% discount when you guys buy together!" The saleslady said.

"It's okay. Their family business is huge. They're different from a poor person like me. They don't care about that little bit of money!" Yang Ming said with a smile, "If you give him a discount, he will say that you're looking down on him! Isn't that right, brother?"

Yang Ming deliberately nodded to the fatty.

"This..." The fatty thought, __

This f*cking 10% discount and the full price difference is a few thousand yuan. Isn't this not a joke? __ However, he had no choice but to put up an act, "Yeah, this little money, it doesn't matter!"

The saleslady's face was full of admiration, __

This is called a rich man! I must praise him later. If poor people can buy two pieces. I should at least persuade them for three pieces! __

Yang Ming was laughing out loud in his mind, but he also agreed openly, "Yes, people who drive a Mercedes-Benz are really different!"

—

Driving a Mercedes-Benz? __ After the saleslady heard it, __

This is definitely big business! __ Then she was enthusiastic and prepared to let the fatty pay.

It didn't take long for Zhang Xiaoyuan to come out. Although she wasn't as beautiful as Lin Zhiyun, it was quite fitting. If there was no comparison with Lin Zhiyun before, then Zhang Xiaoyuan would have the power to amaze others.

However, even if she wasn't as good as Lin Zhiyun, it was very difficult to pick out the flaws. The excuses that the fatty had already prepared were completely useless. While he was thinking about how to avoid buying it, the saleslady spoke.

"Miss, this coat seemed to be tailored just for you. It's just too fitting. Look at how natural it is!" The lady began to talk incessantly, "Let your husband take a look. Doesn't it look good? What do you think, sir?"

" __

Oh __, yes... __

ah _ , no... that..." The fatty stuttered. He almost agreed with the saleslady but he immediately thought that the money in his pocket was limited, so he had to change his mind. "I think it looks okay..."

"Okay? Hehe, sir, I'm not boasting. I have been selling this mink fur coat for a long time. It's so fitting. Except for the lady just now, it's your girlfriend! You see. She is expressing an extraordinary temperament with this fur coat." The staff member said, "Miss, what do you think?"

Zhang Xiaoyuan just thought that the fatty had agreed to buy it for her, so naturally, she didn't care about it. Besides, she liked this coat very much, so she said, " _

En _ , yes, since you pointed it out, I really have this feeling. Ah Biao, why don't we buy this one?"

Although she couldn't compete with Lin Zhiyun, at least she didn't lose face. So Zhang Xiaoyuan was still very happy. After all, she was now buying a mink cashmere, her boyfriend only agreed to buy a mink fur coat before!

Moreover, this mink cashmere wasn't cheap. It cost more than forty thousand! How could Zhang Xiaoyuan be unhappy?

However, the fatty couldn't stand it anymore. He quickly hinted to Zhang Xiaoyuan and said, "Xiaoyuan, I don't think this is very good. Why don't we go somewhere else to look again?"

"I feel very good. What's wrong, Ah Biao?" Zhang Xiaoyuan suddenly felt unhappy. Wasn't this losing her face?

" _

Ugh _ ... I'm just thinking that when buying clothes, shouldn't we visit a few more shops?" the fatty explained with embarrassment, and then he kept winking at Zhang Xiaoyuan.

" _

En _ , buddy, what's wrong with your eyes?" Yang Ming smiled and asked the fatty in a serious manner.

" _

Ah _ ? Nothing... ugh... that's... a little too fascinating..." The fatty stuttered.

" _

Oh _ , this way, since your girlfriend likes it, then you should buy it. It doesn't cost much money anyway. Later if you see better one, then you can buy it again. Besides, someone else may buy it if you don't buy now!" Yang Ming said.

"Yeah, sir, this was the last one of this style. If it's sold out, it will be gone..." The staff member added some oil to the fire [1].

"But..." The fatty was now in a dilemma. The key issue was that his card didn't have so much money now!

"Ah Biao, I want this one! Let's pay." Zhang Xiaoyuan saw that the fatty hesitated, her face immediately sank. _

What was this Ah Biao doing? Isn't this a bit shameful? _

"..." The fatty wanted to say he wasn't buying, but if the words were spoken, not only would his face be gone, his girlfriend may be gone too!

"Sir, I'll get the invoice then?" The staff member said, "It will be forty-six thousand and eight hundred yuan."

"Isn't there a discount?" Zhang Xiaoyuan asked.

"Oh, you can only get a discount if you buy two. Besides, the gentleman said that giving a discount was looking down on him..." The staff member explained.

Chapter 379 Pretend With You

Wow! That's really stylish! Zhang Xiaoyuan looked at her boyfriend with some admiration. After all, she recovered her face. When she thought of it, she couldn't help but look at Yang Ming and Lin Zhiyun provokingly. "What's the point of asking for those discounts? It doesn't really matter."

Yang Ming smiled and didn't say anything. I think this silly girl still doesn't know the fatty's situation.

Sure enough, as Yang Ming expected, the fatty whispered to Zhang Xiaoyuan, "Let me go make a call." He left in a hurry.

Although the fatty found a place further away from them to call, the content of the phone call was clearly heard by Yang Ming's ears.

"Boss, I am Biao Zi... I want to discuss with you... Can you see if my salary for the next month can be sent to me in advance... Please boss... I have been with you for many years... Why... It's my girlfriend who wants to buy a coat... Boss, but I like her... Well, thank you, boss... Forty thousand will be enough..." The fatty had a sigh of relief and finally settled the money matter.

Yang Ming laughed twice and took the bill to pay the money first. Aren't you pretending? I'll let you pretend more. Pretend strongly. I would even cooperate with you to pretend. Let's see how you can pay for the debt after you pretend. Be prepared to be an indentured laborer!

After he paid the bill, he saw the fatty come over with a bitter face. Yang Ming said mockingly, "Hah, rich people are really different. You don't even bargain for the price when buying things!"

"Indeed, indeed." The fatty almost cried. D*mn, if you weren't being a mouthful, would I have to spend a few thousand more? My salary for one month was lost with your one sentence! But I can't say this out loud. Why does my girlfriend like to pretend?

Ai, the idiom that one has to go through hell for the sake of keeping up appearances is true!

As for Zhang Xiaoyuan's expression after knowing the truth, Yang Ming didn't have the mood to watch it. He took the coats and left Diamond Lady's Fur Plaza with Lin Zhiyun directly.

"Let me take it off first." It's the first time in Lin Zhiyun's life that she wore such expensive clothing. She was afraid of spoiling it.

"It's alright. The point of buying it is to wear it! If you don't wear it, why would you buy it?" Yang Ming smiled, "But your classmate, Zhang Xiaoyuan, may not be so happy now."

"Why?" Lin Zhiyun asked with some curiosity.

"Hehe, the reason was very simple..." Yang Ming told what happened just now to Lin Zhiyun. Even Lin Zhiyun who had always been a good person laughed pretty strongly.

"Yang Ming, since you already knew, why did you still play with him?" Lin Zhiyun blamed Yang Ming jokingly.

"I didn't play with him. He wanted to pretend in front of both of us. I was just cooperating with him in his pretense." Yang Ming shrugged and said indifferently, "Who made me such a good person?"

"Hehe..." Lin Zhiyun sighed after listening, then smiled, "Forget it. Don't talk about her..."

"Zhiyun, I think that you are a really good person. Ge Xinyao is so abominable, and yet you were still speaking to her. However, for Zhang Xiaoyuan, you seem to hate her." Yang Ming had long wanted to ask this question.

"Is it hate? Maybe." Lin Zhiyun took a breath and then said, "Zhang Xiaoyuan and I were good friends in high school. At least, I thought we were. We were two at the same table. At that time, she had already gotten herself a rich boyfriend. It should be the one we bumped into today. Although she always showed me some of her valuable things, I thought she wasn't a bad person. But later, you know, when something happened in my family, that time when my father was hit by a car and I wanted to borrow some money from her, I didn't expect her to reject me without a second thought. No matter how I begged, she was indifferent and said that she might as well buy a necklace for herself instead of lending me money..."

Yang Ming remembered Zhang Xiaoyuan's attitude before and thought that it wasn't surprising that she had done such a thing.

"Afterward, she gave me another idea... Then I met you..." Lin Zhiyun said with some pain. After all, that incident was a stain in her life.

No matter what, I have sold myself like the prostitutes. I betrayed myself. Although there was no transaction, it was always a knot in Lin Zhiyun's heart.

"Was it asking you to sell your virgin body?" Yang Ming frowned and asked.

"En..." Lin Zhiyun whispered, then nodded.

"Fck, she's more like a f

cking prostitute!" Yang Ming swore. But he was glad that Lin Zhiyun met him at the time. Otherwise, it wasn't certain what could have happened!

However, then again, it seemed that Yang Ming should also thank Zhang Xiaoyuan. If there was no Zhang Xiaoyuan, could Yang Ming have met Lin Zhiyun? If there wasn't such an encounter, without Yang Ming's help, would Lin Zhiyun immediately dismiss the charges after knowing that the person who violated her was Yang Ming?

"No swearing." Lin Zhiyun complained.

"Hehe, alright. I'll stop scolding." Yang Ming smiled.

Originally, Lin Zhiyun's mood wasn't very good after meeting Zhang Xiaoyuan. But after knowing that Yang Ming had set her up, she had also let go of the unhappiness in her heart.

Looking at the time, it was about noon. The two of them found a fast food restaurant to eat something together and then drove back to school.

Ge Xinyao didn't go to class today either. After having a crazy night with Bi Hai last night, she was still dressing. Then she saw Lin Zhiyun come in.

"Eh? Sister Lin, you came back? Has your leg recovered?" Ge Xinyao asked with great enthusiasm.

"En... Yeah, it's fine now. I have nothing much to do." Lin Zhiyun nodded.

"Good that it's fine... Sister Lin, the coat on your body seems to be mink cashmere. It's so beautiful. Did Brother Yang buy it for you?" Ge Xinyao complimented her.

"En..." Lin Zhiyun nodded shyly.

"Right, Jing Xiaolu. Didn't you want to know Brother Yang? This is Brother Yang's girlfriend, Lin Zhiyun. Just calling her Sister Lin will be fine." Ge Xinyao said to a girl with monster-like makeup.

"En?" Jing Xiaolu gauged Lin Zhiyun for a long time and then said, "Sister Xinyao, did you make a mistake? She's Brother Yang's girlfriend?"

The girl that Jing Xiaolu saw last time was Chen Mengyan. She had never seen Lin Zhiyun, so naturally, there would be such a question.

Ge Xinyao only remembered it when she heard Jing Xiaoying's words. Yang Ming's girlfriend last time was really not Lin Zhiyun. It's over. This is bad! Ge Xinyao was afraid that Jing Xiaolu would continue speaking, so she quickly gave Jing Xiaolu a wink.

After all, Lin Zhiyun was standing here. Ge Xinyao couldn't guarantee that she knew that Yang Ming had other girlfriends!

"Sister Xinyao, what's wrong with you?" Jing Xiaolu didn't know the details, so she continued to ask witlessly, "I remembered very clearly that the woman last time was not her!"

"Jing Xiaolu, stop talking nonsense! I have said many times that your nearsighted eyes have to be equipped with contact lenses soon. You can't even recognize the wrong person!" Ge Xinyao yelled, "Sister Lin now is Brother Yang's girlfriend. You must have seen it wrongly the last time!"

Jing Xiaolu was more confused. This can't be. What is Ge Xinyao doing? She looked at Ge Xinyao with a strange look, "My eyes are not nearsighted. Sister Xinyao, are you awake?"

"Ai!" Ge Xinyao sighed helplessly, and then said to Lin Zhiyun awkwardly, "Sister Lin, Jing Xiaolu this person is typically crazy. She talks a lot of nonsense. Hope you don't mind."

"It's fine. I know who she was talking about." Lin Zhiyun shook her head bitterly. Yang Ming was just her fake boyfriend. How can she be compared with her real girlfriend?

“Ah?” Ge Xinyao looked at Lin Zhiyun strangely. Could it be that she knows all of it?

“Xinyao, and Jing Xiaolu, right?” Lin Zhiyun hesitated and said, “Can you guys do me a favor?”

“What’s the matter, Sister Lin? You just have to say it. Even if I can’t do it, I will find a way!” Ge Xinyao quickly promised.

“About me being Yang Ming’s girlfriend – can you keep it secret for me? Can you not talk to others about it?” Lin Zhiyun bit her lip and said bitterly. Lin Zhiyun had a sad feeling out of nowhere.

Lin Zhiyun suddenly had a very sad feeling. Am I a third party? It was because, in the strange eyes of Jing Xiaoying, Lin Zhiyun read this message!

Yes, Jing Xiaolu really thought so, Is this Lin Zhiyun what people call a mistress?

However, Ge Xinyao immediately adjusted her emotions and said, “No problem, Sister Lin. I won’t talk about it.” Then she stared at Jing Xiaolu and said, “Did you hear it?” /

“Oh... I know...” Jing Xiaolu was still afraid of Ge Xinyao.

This was the case, but Lin Zhiyun had fallen into deep thought... Should I take any measures?

Chapter 380 Yang Ming’s Might

In the afternoon, Yang Ming originally wanted to go shopping with Chen Mengyan, but Chen Mengyan didn’t want to skip classes. Hence, he had to give up on that. However, this would give time for Yang Ming to approach his other lovers.

Yang Ming came to Xiao Qing’s office and looked inside with his special ability. He saw that there was no one else except Xiao Qing, so he pushed the door and went in.

“Sister Xiao Qing.” Yang Ming closed the door and walked straight to Xiao Qing.

“Yang Ming? How come you are here?” Xiao Qing looked up with joy and looked at Yang Ming tenderly, “What happened? Aren’t you going shopping with your girlfriend?”

“Am I not preparing myself?” Yang Ming reached out and said in front of Xiao Qing, “I didn’t expect my girlfriend to not appreciate it.”

“Me?” Xiao Qing looked at Yang Ming with an unbelievable look. She didn’t expect Yang Ming to come to her to go shopping! As a matter of fact, I’m just his secret lover!

Although Xiao Qing said that she didn’t care about her status, as a woman, especially at Christmas, she still hoped to be with her loved one.

However, Xiao Qing also knew that Yang Ming was a man with a girlfriend. She shouldn’t cause trouble for him, so she had to bear with it and refrained from calling Yang Ming. She didn’t expect Yang Ming to take the initiative to ask her out.

“It seems that there’s no one else here.” Yang Ming looked at Xiao Qing with a smile.

“Alright! I will accept your invitation.” Xiao Qing extended her hand to Yang Ming delightedly.

Yang Ming held Xiao Qing's soft little hand and said, "Where do you want to go?"

"I want to go to the beach. Do you?" Xiao Qing gazed at Yang Ming with an eager expression.

"Alright, but what can we do at the beach during winter?" Yang Ming found it a bit strange.

"I used to have a wish to walk with my lover on the beach by the sea..." Xiao Qing said in a yearning tone, "Since you have walked right into the trap, then, of course, I won't be generous!"

"You haven't been there with Song Hang before?" Yang Ming asked, puzzled. Xiao Qing and Song Hang used to be lovers. Even if there was no intimate relationship, shouldn't they have gone out to play often?

However, Xiao Qing shook her head, "Nope. Please don't mention this person. I'm in a good mood now. I don't want to talk about him."

Although Xiao Qing had just brushed through it briefly, Yang Ming felt it was unusual! Indeed, when I mentioned Song Hang before, Xiao Qing just regarded him as a stranger. Although she despises him, she didn't avoid it and got angry. But today, Xiao Qing's tone carried an apparent intention to avoid it!

"Sister Xiao Qing, what's wrong? Is Song Hang asking you for trouble?" Yang Ming suddenly asked.

"Ah... no..." Xiao Qing shook her head quickly. She didn't want to ruin the heartwarming atmosphere in front of her eyes.

"Sister Xiao Qing, you're lying to me." Yang Ming looked straight at Xiao Qing's eyes.

"I... Ai!" Xiao Qing sighed. It seems that I still can't hide it.

"Is it because of the purchase of experimental equipment? Did he make it difficult for you?" Yang Ming said in a low and deep voice.

"En... He refused to cooperate with our university... In other words, he didn't intend to sell the experimental equipment." Xiao Qing said helplessly.

"Is it because I offended him last time?" Yang Ming asked apologetically.

"It has nothing to do with you. Song Hang had already planned it for a long time. From the moment he saw me, most probably he had planned it along to ruin the deal. Even if it doesn't come from you, he would be looking for trouble from other places." Xiao Qing said with some resentment, "I didn't expect him to be such a person. Because of personal matters, he lay harm to the company's interests!"

"That means he isn't planning to cooperate? Or what did he want?" Yang Ming wasn't stupid. Song Hang certainly did it on purpose, and Yang Ming had also roughly guessed what it was about.

"He asked me to go to his residence tonight to talk about it..." Xiao Qing said with a bit of an angry voice.

"Motherf*cker, this thing doesn't want to live anymore? He dares to have such intention on you?" Yang Ming was immediately angry.

"Don't worry, Yang Ming. I will definitely not go. At most, I will be resigning." Xiao Qing said helplessly, "After all, he's against me. If I'm not at the university, he shouldn't act against money."

"Hmph, hmph. It seems that I need to talk to this guy." Yang Ming sneered a little, then said to Xiao Qing, "Sister Xiao Qing, I'm going out now. I will accompany you to the beach at night. Maybe your mood will be better by then."

"Yang Ming, do you mean you're going to look for Song Hang?" Xiao Qing asked nervously.

"If I don't look for him, do I still keep him?" Yang Ming said while shrugging indifferently.

"Song Hang is an insidious person. Moreover, Huatong Trading Company is a multinational company..." Xiao Qing hesitated and said, "Yang Ming, I don't want anything to happen to you... really..."

"Hehe, Sister Xiao Qing, you can rest assured. Have you forgotten about the matter of Huang Youcai? Isn't Wang's Century Xiongfeng Group consider big? In my eyes, it's nothing at all." Yang Ming smiled and said, "I only know that whoever bullies you, I will let him suffer until he asks for death."

"The previous incident... it was really you who did it..." Xiao Qing looked at Yang Ming in a daze. Although she suspected it last time, there was no substantive evidence. Right now, Yang Ming admitted it personally. Xiao Qing had no doubts anymore. It seems that I still don't know enough about Yang Ming. Yang Ming definitely has a side which I don't know. She remembered Yang Ming's calmness at the bar in Hong Kong and the calmness after being tracked by the bad guys. Xiao Qing determined that Yang Ming wasn't an ordinary person.

"Sister Xiao Qing, you won't report me, right?" Yang Ming just made a joke to Xiao Qing. He had one hundred assurances toward Xiao Qing. Even if people all over the world had betrayed him, Xiao Qing would never do it! Yang Ming had this confidence!

"I don't know anything." Xiao Qing smiled and said, "Then, you should be careful."

Xiao Qing knew that she couldn't stop Yang Ming, so she could only exhort him a little.

.....

Today, Song Hang was very upset. It was already noon, and yet Xiao Qing hadn't given him a reply.

"Fck, *why is this bitch* not giving me a call? Hmph, hmph, if you want to buy experimental equipment, isn't that dependent on me? If you don't come to me, don't you think that I will sell it to you? By that time, I won't be afraid that you won't give up." Song Hang looked at the phone on the table as he swore fiercely.

"President Song, why can't I compare with Xiao Qing..." A coquettish woman, Song Hang's secretary, spoke from the top of Song Hang's body.

"Hehe, you don't understand. That's my first love, so I have to get it!" Song Hang said while he opened his waistband and then pressed the head of the female secretary to him violently.

"Oh, President Song, I like bananas the most. Can the Xiao Qing you mentioned compare with me..." The female secretary said as she began to work hard.

"Don't worry. Don't be jealous. I won't treat you badly. If there's a chance, I will recommend you to the head office, and you will be promoted to be the general manager's assistant." Song Hang grabbed the female secretary's boobs and said, "More ..."

"Pak," the office door was pushed open.

"Who? F*ck, won't you knock on the door first before you enter?" Song Hang was shocked. Fortunately, the female secretary was short and squatted behind the desk.

"President Song..." Yang Ming just opened his mouth and he was interrupted by Song Hang.

"Since you know that I'm President Song, quickly get out!" Song Hang scolded. I was having fun right now but I was interrupted. This is really uncomfortable.

"President Song, I certainly know that you are President Song, and I'm here to send you to your burial." Yang Ming said with a cold smile.

"You motherf*cker..." Song Hang just wanted to swear and suddenly recognized the person in front of him, "You're Xiao Qing's shack job?"

"Shack job? Hehe, whatever you say. But, you don't have the right to speak soon." Yang Ming shook his head indifferently, and there was no trace of anger.

"Hmph, what do you want? If you're here to stir up trouble, don't blame me." Song Hang said as he pressed the internal telephone on the table and shouted, "Security, security, send several people up!"

"Keep calling, stupid." Yang Ming scolded.

"En?" Song Hang was stunned. It took him a long time to react. It seemed that there was no voice feedback from the phone! "You broke my phone?"

"Oh, I saw the telephone exchange in the corridor and I simply broke it." Yang Ming said faintly.

"You motherf*cker, just you wait!" Song Hang spoke as he was about to pick up the phone on the table.
/

"Pak." An iron skewer flew out in a straight line and pinned Song Hang's right hand which was about to take the cell phone to the desk.
