Chapter 391 Unlucky Sui Guangqi

"En, but it was only changed after I was in high school. I had been using the original number for a while." Yang Ming said, "If she wanted to call, she didn't have to wait so long..."

"Maybe she had some other reasons against her own choice." Zhou Jiajia defended Su Ya, "I believe in Su Ya."

"Maybe..." Yang Ming could only comfort himself. Otherwise, what else could it be?

In fact, Zhou Jiajia actually got it right! Su Ya really had other reasons against her choice! She couldn't call Yang Ming!

After Su Ya had just transferred school, she was completely under her father's supervision. She wasn't allowed to bring her cell phone and all her calls were monitored. The purpose was to prevent her from continuing to contact Yang Ming!

In desperation, Su Ya had to use the most primitive methods and wrote letters! Su Ya wrote the letters at school and asked her good friends to mail it out for her. But after sending a few letters, there was no reply at all. Su Ya even thought that her father had colluded with her school to stop her letters.

However, later on, Su Ya's friend had confirmed that it wasn't how Su Ya imagined it. Since Su Ya was attending an aristocratic school, the teacher wouldn't interfere with a student's privacy, therefore, it was impossible for the private interception of students' letters.

Poor Su Ya. As smart as she was, she had made a foolish mistake. Even though she could think of the letter being intercepted by her school, why didn't she think that her letter might be intercepted by Wu Chiren?

But fortunately, Su Ya was an obstinate person. Once she had decided, even ten cows couldn't pull her back. Therefore, her feelings for Yang Ming had never changed since the beginning. This was also the most important reason why the two of them could finally walk down the red carpet in the end.

The disco was only open until 8 o'clock. This shop wasn't open to the public, so they only opened until a certain time every day. The lights gradually lit up, announcing the end of the disco dancing time.

Sui Guangqi brought everyone to a large private room about a hundred meters square. Even after everyone had entered, it didn't seem to be packed inside.

Yang Ming and Zhou Jiajia were naturally separated. When Yang Ming found Sun Haoming, the two people naturally stood together.

"Yang Ming, I didn't expect you to still be so fierce now!" Sun Haoming praised, "You are even more powerful than in the past. One punch and one kick to settle fights!"

"Hehe," Yang Ming gave a plain smile. Fighting wasn't a good thing anyway.

“Really, Yang Ming. It’s a pity that you don’t participate in the underworld!” Sun Haoming said with regret, “This fighting skill of yours is much stronger than most people in the underworld!”

“Alright, Haoming. Stop mentioning that.” Yang Ming shook his head, “I still have to go to university!”

“Well, I know. I’m just simply talking about it.” Sun Haoming nodded.

“I think everyone was tired of dancing by now. Now, let’s play a game together and lighten up the atmosphere!” Sui Guangqi stood in the middle of everyone and said, “As for the game, everyone should have already known it.”

“Yeah, let’s get started!” Several boys were really eager to give it a try.

“What game?” Yang Ming asked somehow inexplicably. He didn’t know what Sui Guangqi was up to.

“Hehe, it seems like there are still some people who don’t know. Let me explain it!” Although he was somewhat impatient in his heart, he still appeared very enthusiastic on the surface. “The game we want to play is called a safe kiss!”

Safe kiss? Yang Ming was stunned. He had seen these words before. Some Hong Kong and Taiwan stars would engage in these kinds of these activities when they met their fans. The so-called safe kiss was that two people would kiss each other through a layer of film. It looked like they were kissing, but in fact, nothing can be received. It was just a little tactile feeling!

“It looked like you understood it too!” Sui Guangqi said with a smile, “Okay, I have already counted it. There were a total of 18 girls present with 18 boys! This way, there’s no more, no less. Everyone has to participate in the game!”

Just as Yang Ming was still puzzled, he saw Sui Guangqi bring in a cardboard box and said, “Every female student’s name had been written down in paper strips. Everyone can only pick it randomly.”

What the heck are you thinking? Safe kiss? Although there was a world of difference with real kissing, it was also a form of physical contact. It’s still lips to lips! Yang Ming was somewhat inexplicable. How can these people not say anything against it?

In fact, Yang Ming didn’t know that the people in the class had already reached a consensus on the internet beforehand. There were one or two who weren’t willing at the start, but eventually, they were persuaded by everyone else.

Zhou Jiajia was one of those who opposed it but noticing that everyone had agreed to it, being a class committee member she had no choice but to agree to it. However, she had been praying in her heart that the person who drew her ballot would be Yang Ming!

She firmly believed that her desire would definitely reach God, and there would be miracles!

While others were drawing their ballots, Sui Guangqi took advantage of the time and handed out the plastic wrap in a frame to the girls.

This thing was very special. The frame was square with a fixed handle underneath, and the plastic wrap was firmly fixed to the frame. When using it, as long as the girl held this thing beside her own mouth it would be fine!

Yang Ming really admired the imagination of the person who invented this thing! It's damn bada**! God of a promotional show!

Looking at everyone's excitement when drawing the ballot, Yang Ming felt somewhat helpless. These people, out of all the games, chose to play such an awkward game! Those variety TV shows were really harmful!

"Let's go, Yang Ming. It's now the two of us!" Even Sun Haoming was eager to try.

Yang Ming had no choice. Under Sun Haoming's urging, he came to the lottery box too. Yang Ming didn't want to participate initially, but seeing everyone's uplifted mood, he didn't want to ruin it. Although I'm not familiar with them, now I have decided to come out and play together. Sui Guangqi was taking care of me everywhere. Therefore, Yang Ming couldn't refuse it!

Looking around at the girls in the class, Yang Ming was a stranger to all of them. For some of them, he hadn't even uttered a single word to them! He couldn't even call out the names of some of them!

Yang Ming's felt a headache. Kiss these people? What international jokes are you cracking? After scanning a big round, the most familiar person was Zhou Jiajia!

Alright, Zhou Jiajia then. I have kissed her once anyway. It won't make much difference to have a second kiss! Besides, there should be nothing much since it was separated by plastic wrap.

Thinking of this, Yang Ming looked at the lottery box with his ability. He was worried that others might have already taken away Zhou Jiajia's ballot!

Now, there were only eight paper strips left in the lottery box. Yang Ming took a closer look. Fortunately, Zhou Jiajia's was still there. However... Who stuffed Zhou Jiajia's ballot into the crack? How would someone draw this ballot that way?

However, Yang Ming thought for a while and understood the general situation! The last person to draw the ballot would obviously be Sui Guangqi. If Zhou Jiajia's ballot was hidden in a position that wasn't easily touched, then he could...

Yang Ming couldn't help but despise Sui Guangqi. This guy has the face of a human but the heart of a beast! Doesn't Zhou Jiajia, this chick, have a pretty look? However, she's rather promiscuous. I had seen the video of her masturbating!

Yang Ming reached to Zhou Jiajia's ballot and pulled it out. Then, he stood aside.

Zhou Jiajia was waiting for it anxiously. She was standing on one side and staring at Yang Ming's hand. She wanted to know whose name Yang Ming drew. However, he was too far away and Zhou Jiajia couldn't see anything. She could only wait for the final result anxiously.

When Sui Guangqi's reached into the lottery box as the last person, his facial expression couldn't help but change! Zhou Jiajia's ballot was actually taken away! How can this be?

Sui Guangqi remembered clearly that Zhou Jiajia's ballot was stuffed in the crack at the left edge of the lottery box. It was impossible for ordinary people to reach for that area!

However, Sui Guangqi was only having a slight doubt in his heart. His hands were still moving, and the last ballot piece was taken out of the box! This also confirmed his previous guess that Zhou Jiajia's ballot was taken away by another person! Otherwise, there couldn't be only one ballot left in the box.

When Sui Guangqi opened the ballot and looked at it, his usually calm face still had a slight twitch! What he got was the fattest and ugliest bad-breath girl, Dong Huniu!

Sui Guangqi felt dizzy, but it was lucky that he didn't faint to the ground. However, his tough endurance still steadied himself, he smiled and said to everyone, "Everyone, hold the paper in your hand and start looking for your partner. May the passionate kisses begin now!"

After the announcement of this sentence, everyone began to look for their respective partners. Sui Guangqi could only clench his teeth and come in front of Dong Huniu, who looked pretty love-struck.

Chapter 392: Dangerous

Zhou Jiajia was very nervous now, fearing that the person who would come to her wouldn't be Yang Ming.

Yang Ming was playing this game for the first time. He was quite unfamiliar with it. Hence, he planned to see how others did it, so he wasn't in a hurry to find Zhou Jiajia.

There were a few who were impatient. They had begun to kiss their partner they had drawn passionately. Both men and women were in the mood. Apparently, they had been looking forward to this activity for a long time. It was a good thing for them to be able to have an affair reasonably.

Therefore, many people's moral baseline had been surpassed. They simply kissed openly.

Is this no different from a normal, passionate kiss? Yang Ming looked straight at it and shook his head. He was watching a couple who was passionate to the point of piercing the plastic wrap from kissing! *Why do you need to do that? If you are so hungry, can't you just kiss directly? What's the point of the plastic wrap as the barrier? I really can't understand it!*

As Yang Ming grasped the situation, he was also ready to pretend on it. Seeing Zhou Jiajia's anxious look, Yang Ming thought to himself. *Is this chick so anxious to be kissed? What a slut!*

However, it was Yang Ming who misunderstood her. Zhou Jiajia was anxious because she was afraid that the person who kissed her wasn't Yang Ming! If this was another individual, Zhou Jiajia wouldn't know what to do!

So, she couldn't help but be anxious!

One of the classmates had gotten a partner who wasn't good-looking. He suddenly saw that no one was in front of Zhou Jiajia. This kid had an idea to take advantage of the situation. *Probably there is a chance that Zhou Jiajia wasn't drawn. Am I not taking advantage of it? Anyway, there's no one around now. At*

most, I can say that I kissed wrong. Hehe! I'm too evil! As this fellow thought about it, he walked in front of Zhou Jiajia.

Zhou Jiajia was shocked. *It can't be. Why is it someone else?* As she was about to say something, the shoulder of the evil fellow was patted by Yang Ming once, "Let me say it. Did you stand at the wrong place?"

This evil fellow originally wanted to refute a few words. Once he turned back, he saw Yang Ming. Yang Ming almost scared the soul out of him. He thought to himself. *I should give up. I can't afford to offend this guy. If he kicked me to death, I'm done for! It's better to enjoy the girl who isn't so pretty!*

Hence, he quickly apologized and left in a hurry.

"Ha, I didn't expect both of us to be partners!" Yang Ming said a little embarrassed.

"En ..." Zhou Jiajia said with a blush. She whispered while nodding.

"That... can we start?" Yang Ming looked at the people around him and they had already entered the mood. *I shouldn't be standing idle like a dummy.*

In particular, Sui Guangqi raised his head and looked at him just now. When he realized Yang Ming was watching him, he nodded to Yang Ming and smiled. Then, he lowered his head and continued making out with the girl, Dong Huniu.

"Alright..." Zhou Jiajia nodded in a silly manner. Then, she lifted the plastic wrap as a barrier.

"Then, I will be kissing now." No matter what, Yang Ming found it to be too awkward. *Motherf*cker, who suggested this game?*

"En ..." Zhou Jiajia nodded.

Just do it! Yang Ming gritted his teeth and kissed with his eyes closed. Zhou Jiajia also closed her eyes. Although there was a layer of plastic wrap this time, Zhou Jiajia's mood was also unusually excited!

Last time, it was a kiss by accident. However, this time it was a safe kiss in a state where both of them were conscious about it. So this time, Zhou Jiajia was more excited than last time! Even more nervous! Of course, most of it was anticipation!

When Yang Ming's lips touched Zhou Jiajia's lips, her body shook a little!

Yang Ming was already determined. *It's just a kiss. What's the big deal? I have kissed before!*

However, as they were kissing, Yang Ming felt that something was wrong. *Why does it feel so wet?* However, Yang Ming didn't think much. *There is a plastic wrap in between anyway; most probably it is my own saliva.*

Yang Ming gradually kissed and got into the mood. Zhou Jiajia's kissing skill was quite amateur. It made Yang Ming have a kind of illusion that Chen Mengyan was in front of him. Hence, he unconsciously explored with his tongue, but he didn't expect to actually stretch out into Zhou Jiajia's mouth!

It seems that there's no barrier at all! That's weird. Is the texture of the plastic wrap so good? Is it manufactured particularly for kissing? Yang Ming played this game for the first time, so he didn't know much about it. He thought to himself. *Isn't this no different from real kissing?*

Zhou Jiajia seemed to feel that something was wrong. A girl's feeling was much more acute! *Yang Ming's tongue feels so real in my mouth. It wasn't like plastic wrap at all!*

Could it be that the plastic wrap was ruptured? Zhou Jiajia thought about this. *However, if it ruptured, then so be it. It would be great if it was ruptured! Anyway, the person in front of me is Yang Ming.* If it was someone else, she wouldn't be so calm!

However, Zhou Jiaji was also very puzzled. *How could the plastic wrap rupture so easily? How could there be no sign of it before it happened? Does it mean that others' were ruptured too?*

Is this safe kiss too dangerous? While thinking of that, Zhou Jiajia couldn't help but feel scared. *If the person who drew my name from the lottery wasn't Yang Ming, what should I do?*

However, it seems that my sincerity really moved the gods. At least, Zhou Jiajia thought so!

Yang Ming was too focused on kissing and he didn't notice it. But, he gradually felt something was wrong! *If the texture of the plastic wrap was so good, then the sound of the "barji barji" that came from the two people kissing can't be fake, right?* Moreover, Yang Ming clearly felt the moistness and tasted the faint mint flavor in Zhou Jiajia's mouth.

This was Zhou Jiajia's favorite chewing gum, which she tended to enjoy. Hence, Yang Ming was familiar with it! Moreover, this taste seems to be gradually coming into his mouth!

Yang Ming felt that something was wrong. *Could it be that the plastic wrap was ruptured?* With that thought in mind, Yang Ming couldn't help but be surprised. He hurriedly pushed away Zhou Jiajia. He looked at the middle part where both of them kissed and he was immediately shocked by it!

In the middle of the plastic wrap, there was already a big hole! *It can't be. Isn't this thing too weak?* However, Yang Ming soon discovered that wasn't the case! There was obviously no trace of rupture, but was seemingly dissolved! Since there was no trace of tearing, it naturally showed a circle!

Yang Ming carefully touched the plastic wrap. *How can there be a sticky feeling to it?*

He licked it with his tongue! *Damn!* Yang Ming was shocked at once. *Who is the motherf*cker who fooled me?*

This isn't plastic wrap. It was clearly a thin layer of paper made with sticky rice(some places also called it glutinous rice) *! With one lick of saliva, it immediately dissolved!*

What safe kiss? It's clearly a dangerous kiss!

"This was made with sticky rice..." Yang Ming said a little embarrassed.

"En ... it seems to be..." Zhou Jiajia lowered her head. She didn't dare to look directly at Yang Ming as she answered shyly.

"Then, the other people..." Yang Ming thought about it. He quickly raised his head and looked around. *Motherf*cker, this bunch of perverts. They are all kissing passionately. It seems they won't be stopping for a while! Some of them even touched and caressed each other with their hands repeatedly...*

However, these weren't Yang Ming's concerns. Yang Ming cared about whether other people's plastic wraps were like this one. Apparently, this wasn't the case. It was because Yang Ming clearly saw that many people's plastic wraps were intact. Certainly, there were some people who deliberately ruptured it. However, Yang Ming could see through it with his x-ray ability whether the plastic wrap was torn or dissolved.

Presently, only the one in Zhou Jiajia's hands was specially made with glutinous rice paper! Thinking of that, Yang Ming couldn't help but frown deeply. He looked at the girl, Dong Hu who was kissing passionately with Sui Guangqi.

The paper that was hidden in the gap, and now the plastic wrap made with glutinous rice paper... After linking both together back and front, Yang Ming smelled a hint of conspiracy!

Indeed, it was one hundred percent the work of Sui Guangqi. His target was Zhou Jiajia. He wanted to kiss Zhou Jiajia through this despicable means! Although Yang Ming didn't have a good impression of Zhou Jiajia, he also kissed her with no consequences twice. I shouldn't be so shameful as a person, right? Hence, I must secretly make clear to Zhou Jiajia about it.

Although Yang Ming wasn't fond of Zhou Jiajia, in contrast, he felt that Sui Guangqi was a more dangerous person! *Hiding a dagger behind a smile, he is completely a schemer.*

"Only ours was made with glutinous rice paper... What do you think?" Yang Ming asked Zhou Jiajia with a faint glance.

"Ah?" Zhou Jiajia was stunned. Initially, she thought that everyone's was like this. It was specially arranged, but she didn't expect that it was only hers that was arranged so!

"Just now, when I was drawing the ballot, this ballot was very hidden in the gap of the lottery box." Yang Ming continued.

"..." Zhou Jiajia wasn't a fool. She was only stupid when she was facing Yang Ming. When it came to other things, she was savvier than anyone else. Hence, she easily figured out the truth of the matter.

Chapter 393: Yang Ming, I Hate You

"You mean... Sui Guangqi?" Zhou Jiajia frowned and said softly to Yang Ming.

"Probably, just guessing; there is no evidence." Although Yang Ming said so, in fact, his tone showed that he had already determined that this matter was undoubtedly done by Sui Guangqi.

"As expected! I had some doubts before..." Zhou Jiajia hesitated.

"Before? What do you mean? You saw that this thing was made with glutinous rice?" Yang Ming was stunned and asked. *No way. Then why did she still play something like the safe kiss with me?*

"I'm not talking about this... I meant the two hooligans before." Zhou Jiajia shook her head and said, "You saw it later too. This resort belonged to the industry of Sui Guangqi's family. If he came here to play, wouldn't the management know about it? Wouldn't they inform the staff below? Now, the two people still dared to harass the guests publicly when their young master came here to have fun? Does this make sense?"

"What you mean is this is also the intention of Sui Guangqi?" Yang Ming didn't expect that Zhou Jiajia's thinking was so meticulous. She could grasp these small details to come to a conclusion.

"Although I'm not 100% sure, the possibility is still very high." Zhou Jiajia nodded and continued, "If he didn't overdo it, maybe I would think it was a coincidence. His previous sacrifice and the rescue afterward seem workable but there were contradictions between them. As a young master here, he could have just called before it happens. Why did he have to take the punch? Why did he have to make a phone call in front of them? Sui Guangqi wouldn't be so stupid to do this, right? So he had only one purpose which was put up an act in front of me."

As Yang Ming listened to Zhou Jiajia's analysis and reasoning, he couldn't help but feel moved. *Damn, this chick's IQ is too high, right? She can even notice this! I originally thought that she is stupid. It seems that I have to guard against her in the future. If she tries to frame me, then my fate will be doomed! I think I have to stay away from her in the future!*

If Zhou Jiajia knew Yang Ming's current thoughts, she would be dumbfounded. She didn't want to say this in front of Yang Ming because she knew that most men didn't like women who were smarter than themselves, but Zhou Jiajia had three reasons for saying these things.

One reason was that they talked about Sui Guangqi. It was Yang Ming who mentioned it first, so Zhou Jiajia continued.

The second reason was that Zhou Jiajia wanted Yang Ming to think that she wasn't just a vase [1]; she also had her own opinion. This would allow Yang Ming to pay more attention to her.

The third reason was also the most important. Zhou Jiajia wanted to express something through exposing Sui Guangqi's tricks, that was, *I'm very popular among boys. Even some people have played tricks to get me! Why do you, Yang Ming, always turn a blind eye to me? Don't you understand that you're in a favored position to take advantage of me?*

However, the third reason was automatically ignored by Yang Ming. He was only concerned about the second reason. Moreover, he thought even more than that!

"Ha, Sui Guangqi really likes you that much?" Yang Ming wondered, *The family condition of Sui Guangqi isn't bad either! Why does he like a slut like Zhou Jiajia? Could it be because of her background? Or is it because Zhou Jiajia is pretending to be like a pure girl in front of others? Everyone is blinded by her!*

"..." Zhou Jiajia was helpless for a moment, *All my words were wasted. Why wasn't Yang Ming moved by that?*

"The conditions of Sui Guangqi are very good. He's handsome and does well in academics. I think he is quite suitable for you." Yang Ming said casually. His current thinking was to quickly send Zhou Jiajia out. *Once this chick has found a boyfriend, I think she won't have the time to frame me, and then I will be safe!*

When Zhou Jiajia listened to Yang Ming's words, she widened her eyes and got very angry! She also felt wronged! *What kind of person is this guy? He actually... he actually said this!* Zhou Jiajia's tears were coming out!

She thought in her heart, *If I wanted to be with Sui Guangqi, did I need you to remind me? Are you really stupid, or do you actually know it but you're pretending? You kissed me twice. I didn't say anything. Don't you know my intention? You're actually sending me to someone else? What am I? Am I a product?*

Yang Ming looked at Zhou Jiajia's weird look and still didn't understand what was going on! So he continued to say, "I'm telling the truth. Why are you looking at me like this... Sui Guangqi... is really good..."

"Yang Ming, I hate you!" Zhou Jiajia couldn't take it anymore. She threw the plastic wrap for the safe kiss in her hand on Yang Ming's chest and then she turned and ran to the door.

"Inexplicable!" Yang Ming shook his head, *I'm just being kind. Why is this chick getting angry? Forget it. If you don't like Sui Guangqi, then you can just continue to trouble me. I'll just be alert for every moment.*

Zhou Jiajia's last words, "I hate you," was a little loud. It woke up a lot of men and women who were kissing passionately. They looked up in Yang Ming's direction in a panic.

When they saw the broken plastic wrap in Yang Ming's hands, they immediately understood something! *This guy is a pervert; he wanted to break the plastic wrap in order to kiss her directly. As a result, it was noticed by Zhou Jiajia!*

They never even considered that the paper in Yang Ming's hands was glutinous rice paper, so it was normal to have this idea. And those guys who did the same thing as Yang Ming were glad that their partner was open-minded. Not only did she not blame them, but also enthusiastically cooperated! It was unfortunate that Yang Ming ran into Zhou Jiajia. *Such a beautiful girl, it would be weird if she let him touch her!*

Those guys were still somewhat envious of Yang Ming's bliss earlier when he actually got Zhou Jiajia, but now they weren't envious at all! The thorny rose should be avoided at the best!

Even Sui Guangqi was full of smiles. *Ha*, he was irritated by Yang Ming whom he thought had gotten the jackpot. Now he was glad, and he gloated a little. *Fortunately, it wasn't me. It was Yang Ming who was unlucky this time! I didn't expect Zhou Jiajia to be so conservative, can't even take a kiss.*

Hehe, this misfortune is a blessing in disguise! Sui Guangqi was pleased with himself.

However, they all misunderstood! Zhou Jiajia wasn't angry because she was kissed by Yang Ming. She was angry that Yang Ming was indifferent to her efforts!

Being so troubled by Zhou Jiajia, the people there eventually couldn't continue any further, but there was still time in the evening. Those matched couples could look for a place where no people were around to continue!

Sui Guangqi looked at Dong Huniu beside him who was filled with thoughts of love and sighed, *Forget it. Isn't it the same if I turned off the light?*

The game of safe kiss ended so early, but the contents of the party weren't over yet. Sui Guangqi sent a card to everyone. This card can be used free of charge in the all entertainment venues in Immortal Resort, such as bowling alley, swimming pool, game hall, fitness center, billiards room, etc.

Sui Guangqi told everyone, "It's time for free activities. You can go to the places listed on the card together with friends. It's all free. You just have to swipe the card. But at eleven o'clock, we have to gather back here. I will arrange a waiter to issue room cards here; two people, one card. You can choose your partner. You can come back in advance. There will always be people here!"

Everyone agreed, of course. The men and women who had just partnered with each other were familiar with each other. Any kinds of words were useless. The best communication was kissing! So, after these people got their cards, they left in pairs.

" Oh , yes, Yang Ming, you and Zhou Jiajia are partners. I will give her card to you. When you see her, give it to her." Sui Guangqi gave Yang Ming two magnetic cards.

Originally, Sui Guangqi was prepared to hand it over to Zhou Jiajia, but now Zhou Jiajia's mood was definitely not good. She wouldn't be nice if she saw him. Besides, Dong Huniu at his side had been urging him, so he had no choice but to give the card to Yang Ming.

Yang Ming didn't say anything. He took the card and turned around to look for Sun Haoming. But he didn't expect that this guy had betrayed him to hit on a girl, the oiran [2] that Yang Ming noticed before!

"Yang Ming, see you later tonight. I'm going to play!" Sun Haoming said hello to him and left.

Yang Ming couldn't help but shake his head. *Sun Haoming, the changes are too different!* The person in his memory had now become blurred. Yang Ming sighed and walked out of the room alone.

Chapter 394: Today I...

In the distance, Yang Ming saw that Zhou Jiajia was standing alone close to the bonsai [1]. She was lost in thought, but he couldn't tell what she was thinking.

Is what I did really too much before? But introducing others to her isn't going overboard. Yang Ming was somewhat inexplicable, *F*ck, this chick is really troublesome!*

Your lips are short when trying to eat others [2]. If he hadn't kissed Zhou Jiajia, Yang Ming would be too lazy to entertain her. But now, Yang Ming had no choice but to go up to her.

Hearing the footsteps behind her, Zhou Jiajia immediately turned around. When she saw Yang Ming, she couldn't help but be stunned. Just now Zhou Jiajia had also figured out that she shouldn't be angry at Yang Ming for no reason!

Why does Yang Ming have to like me? I have hurt Yang Ming and hurt Su Ya. It's already great that Yang Ming didn't look down on me! The results I have gotten now are already very gratifying. Why do I still demand so much more?

At the very least, Yang Ming isn't so disgusted with me now. As long as it is such, it's okay, isn't it? This was much better than Yang Ming's attitude toward me last time!

Therefore, Zhou Jiajia decided to take the initiative to apologize to Yang Ming. When she saw Yang Ming come over, she said quickly, "Yang Ming, my emotions were a bit unstable before... I'm sorry!"

"En?" Yang Ming was stunned! *Why did Zhou Jiajia take the initiative to apologize to me?* Yang Ming couldn't help but think of another person! *Wang Zhitao!* *At that time, after Wang Zhitao took the initiative to apologize to me, nothing good came out of it. Is Zhou Jiajia thinking about how to set me up?*

Yang Ming's eyes widened and carefully observed Zhou Jiajia's expression. *It's so sincere without any fake expressions!*

Ai! Yang Ming sighed in his heart. *Forget it. I am always on guard with her already. Moreover, the Yang Ming then and now was not the same at all. I am not afraid of what Zhou Jiajia would do!* So, he waved and said, "Forget it. I won't matchmake you anymore in the future. Whoever you choose to like, you decide..."

"Really?" Zhou Jiajia's eyes turned. She smiled and said, "So, I can like you, too?"

"Whatever, as long as you like it..." Yang Ming was afraid that Zhou Jiajia would be enraged again so he simply nodded. Besides, he didn't take it seriously. Zhou Jiajia had said that she liked him several times already, but Yang Ming never felt that he could attract Zhou Jiajia in any way. So, he only took it as a joke and didn't really take it seriously.

"Hehe ..." Zhou Jiajia giggled twice and was at loss of what to do. Yang Ming answered it this way. Zhou Jiajia didn't know whether she should be joyous or sad! *Why does Yang Ming not believe that I like him?*

But the road to love is tough, and Zhou Jiajia had the confidence to continue.

"Right, this is the entertainment card that Sui Guangqi gave to us. Whatever you want to play, let's go together." Yang Ming was feeling helpless too. He didn't know anyone around him. After Sun Haoming went to fool around with the Oiran [3], the only person he was familiar with was Zhou Jiajia.

"Okay!" Zhou Jiajia was very happy. Yang Ming took the initiative to invite her to play with him. As for what to play, it didn't matter as long as she was with Yang Ming.

Wasn't there a great sentence about this? It's not about what you're playing. It's about who you're playing with. Zhou Jiajia was feeling this way strongly. Even if all she and Yang Ming did was to stand stupidly, she would feel very happy.

"Where are we going?" Yang Ming handed the entertainment card to Zhou Jiajia and asked.

"Well, anything. You decide!" Zhou Jiajia said.

"Then... go swimming?" Yang Ming asked. To be honest, Yang Ming had no other lewd thought, but he felt that there were too many things happening in the recent past. So, he could ease his stress in the water.

However, Zhou Jiajia's face turned red, and she was mumbling. She didn't say yes, but she didn't refuse either.

Yang Ming was a bit puzzled, "Are you okay?" But he suddenly thought, *Did Zhou Jiajia misunderstand that I want to check out beautiful women?* So he explained quickly, "That... I just want to go swimming. No other intentions..."

"En ... I know... but I... actually..." Zhou Jiajia blushed and she bit her teeth and said, "I have that today..."

"Ugh ... ah ?" Yang Ming immediately understood what Zhou Jiajia meant, and suddenly he was also embarrassed, "Then it's fine. Let's go play at the game hall..."

In fact, there was a reason why Zhou Jiajia would be angry at Yang Ming just now. For women, there were a few days every month when their temper wasn't so good, and Zhou Jiajia was just caught up with this today. Hence, she raged at Yang Ming. Otherwise, Zhou Jiajia wouldn't be the kind of person who would be easily enraged.

"Okay..." Zhou Jiajia nodded. She followed Yang Ming obediently and walked together with him to another area.

"Hey, buddy. Let me ask you. Where's the game hall?" Yang Ming patted the shoulder of a big man in front of him with a security uniform.

"It's right at the front with a left turn... eh?" When the big man looked back and saw Yang Ming, he couldn't help but be surprised.

"Zhang Penbai?" Yang Ming was also stunned. He didn't expect to meet him again so soon.

"That er ... I'm sorry for before... I'm leaving. You both go play..." Zhang Penbai said awkwardly then he wanted to turn and leave.

"Wait!" Yang Ming suddenly stopped him.

"Is there anything else?" Zhang Penbai asked.

"Did Sui Guangqi instruct you all to fake that incident before?" Yang Ming asked directly.

"What incident? What are you talking about..." Zhang Penbai pretended not to understand it and stared at Yang Ming inexplicably.

"Your men teasing my friend before. You can't forget it so soon, can you?" Yang Ming said coldly.

"Hmph , kid, I was giving you face before. Don't think that because you are a guest of the young master, I won't dare to beat you up!" Zhang Penbai realized that Yang Ming had noticed something, so he threatened Yang Ming to stop him from continuing.

“Really? Then I have to see if you really have that ability.” Yang Ming said indifferently, “I’ll ask you again. Yes or no?”

Yang Ming’s fierce spirit made Zhang Penbai felt chilled and a little unbelievable. *How old is Yang Ming? But the murderous vibe made me feel a little scared!*

“I don’t like being fooled. You directed a play, and foolishly let me become the hero to save the damsel in distress? Was it fun?” Yang Ming said with a sneer.

Yes, Yang Ming was very angry! The only reason he acted was that he couldn’t stand it anymore, but he didn’t expect it to be a drama. *E ven if I didn’t take any actions, the two little gangsters won’t dare to do anything to Zhou Jiajia. Then didn’t I waste my effort?* Yang Ming had a feeling of being toyed like a monkey, which was very uncomfortable.

Zhang Penbai was rather enraged in his heart. *Who asked you to be so meddlesome and busybody? No one asked you to stick up for her anyway. You were the one who decided to do so! Not only did you destroy the good thing of Sui Guangqi, but you blamed it on me!*

“Think whatever you want. I am leaving if there’s nothing else.” Zhang Penbai didn’t answer it directly. He turned around and wanted to leave.

“Are you only willing to tell the truth after I give a call to Bao Sanli?” Yang Ming saw that Zhang Penbai wasn’t affected by it, so he had to threaten him with Bao Sanli.

As for whether it would be useful or not, Yang Ming wasn’t clear about that. After all, this wasn’t the downtown area of Song Jiang. Yang Ming asked this question because he was upset and he wanted to vent.

However, after Zhang Penbai heard the name Bao Sanli, his whole body trembled and he quickly turned around.

“Do you know Brother Bao?” Zhang Penbai asked carefully.

“Do you need me to call him to prove it to you?” Yang Ming glared at him and pretended to take out his cell phone.

“No need... No need...” Zhang Penbai quickly shook his head.

If Yang Ming were to really call Bao Sanli, then things would be a big deal! Therefore, Zhang Penbai rather believed it than to risk it. Moreover, only the ruthless talents in the underworld knew Bao Sanli’s full name. Most gangsters who knew “Brother Bao” would be not bad already.

Now, which underworld forces near Song Jiang wouldn’t know of Bao Sanli? The bosses of these border counties have also received invitations to attend Bao Sanli’s banquet for New Year’s Day! They would have to queue up to flatter him. Who would want to provoke Bao Sanli?

Even though Zhang Penbai had a pretty good job with the Sui Family, it didn’t mean that he would be loyal to the Sui Family. If he couldn’t do it here, he could do it for another family. There was not much loss to him. But if he triggered Bao Sanli, the consequences would be severe!

So, having weighed the pros and cons, Zhang Penbai still nodded and said, "Yes, it was arranged by Sui Guangqi."

Yang Ming nodded. He only wanted a definitive answer. Sui Guangqi, Yang Ming remembered him.

Chapter 395 A Couple's Room With A Single Bed

"You go ahead. Don't mention anything about meeting me." Yang Ming sighed.

"I know, I know... that New Year's party..." Zhang Penbai nodded quickly.

"Well, the one on the third of January, right? Brother Bao talked to me about it. I might go." Yang Ming said.

"Can you introduce me to Brother Bao?" Zhang Penbai asked carefully.

"Let's talk about it later." Yang Ming said perfunctorily.

The reason why Yang Ming asked Zhang Penbai was that he didn't want to be played as a fool. However, Zhou Jiajia misunderstood it. She thought that Yang Ming did it for her sake. When she listened to Yang Ming's question, Zhang Jiajia's heart was as sweet as honey.

Although Sui Guangqi had a sly intention against Zhou Jiajia, he didn't directly threaten Yang Ming's interests, so Yang Ming didn't bother with him for the time being.

Yang Ming and Zhou Jiajia came to the game hall. They exchanged 20 game coins with the card for free. After finishing it, they could continuously exchange for it. There was no limit.

"What do you like to play?" Yang Ming asked.

"I don't play this often... I don't know anything..." Although Zhou Jiajia was a computer genius, she rarely played games.

"Then, you should play 'spot the difference' and the like. This one is for two players." Yang Ming was already tired of playing those during junior high school. Right now, there weren't any new games. Since it was still the original thing, Yang Ming simply found a casual game.

He described the rules of the game in a simple manner to Zhou Jiajia and the two of them just started playing.

Yang Ming's eyesight was amazing at this moment, but he wasn't willing to compete with a girl. Therefore, in many cases, Zhou Jiajia was the first one who picked up one. Only when the time was up would he would start.

In this way, Zhou Jiajia was having a fun time. She was playing this kind of thing for the first time. It was a fresh experience and it was with Yang Ming. Hence, both of them were like a couple as their cooperation was very tacit.

Yang Ming was completely playing with the intention of amusing Zhou Jiajia. Although Yang Ming felt that he should be wary of Zhou Jiajia, he stayed together with her for a long time, and they were familiar with each other. Yang Ming naturally treated her as a good friend.

After playing for a few rounds, Yang Ming found it a bit boring. However, as he looked at how excited Zhou Jiajia was playing, Yang Ming also patiently accompanied her. If I knew that this class reunion was so boring, I wouldn't have come.

After playing until around ten o'clock, Yang Ming looked at the watch and said to Zhou Jiajia, "It's about time. We have to go back to collect the room card at 11 o'clock."

"Oh, alright." Zhou Jiajia nodded and stood up reluctantly. The feeling of playing games with Yang Ming was very enjoyable, and Zhou Jiajia was reluctant to leave.

Since Yang Ming's eyesight was invincible, he always passed at the final key moments. Hence, both of them only used a coin in total. They went to the counter to return the remaining coins. Then, they returned to the room where they played safe kiss.

After Yang Ming and Zhou Jiajia left, the waiter in the game hall couldn't help but admire them along with the person next to him. "Look at that couple, the tacit cooperation. They only used a coin after so long!"

"En, another powerful couple!" Another waiter nodded.

Yang Ming and Zhou Jiajia came to the previous room. They thought there would be a lot of people, but they found out that there was no one there they knew. There was only a waiter sitting alone on the sofa.

"En? Where is everybody? Isn't there a gathering?" Yang Ming asked, confused.

"Oh? You two came back? I'm just waiting for you!" When the waiter saw Yang Ming, his face immediately showed a relaxed expression. "It's just the two of you and everyone else had already received a room card! After I hand it over to you, I can get off from work!"

"Are you kidding me? These people were so fast?" Yang Ming shook his head.

"En, a lot of people have already gotten their keys. The previous pair came an hour before you both came back!" The waiter said.

"A pair? What pair?" Yang Ming found it a bit strange. This person is even talking about a "pair"?

"A pair of a man and a woman! Couples! Why? Is there anything wrong?" The waiter was surprised by Yang Ming's question. "Aren't both of you a couple?"

"We... ugh... of course not..." Yang Ming said a little embarrassed.

Zhou Jiajia also had a reddish complexion, but she didn't deny it.

"It doesn't matter to me. I'm just a waiter. The relationship between both of you doesn't have anything to do with me." The waiter stood up and handed Yang Ming a room card and said, "I give you the room card and I'm off from work."

"Wait!" Yang Ming took the room card and suddenly felt that something was wrong. He quickly stopped the waiter and asked, "How come there's only one?"

"Yes, there's just one!" The waiter nodded and said.

“What about her?” Yang Ming pointed at Zhou Jiajia and asked.

“Her? Both of you stay in one room! Wasn’t it mentioned it before? Two people in one room, you match for yourself.” The waiter said.

“Damn!” Yang Ming said, “Was there a pair of a man and a woman mixed before us?”

The reason why Yang Ming asked this was because the number of men and women was equal. If there was only one left now, then there must be someone mixed up! Oh, it’s lascivious!

“Most of them stayed here as such. Is there anything weird?” The waiter was obviously already used to it.

“It’s okay... you may go...” Yang Ming waved helplessly.

What has happened to the world! These adulterers have come together so soon?

“We are going to stay in a room. Are you fine with it?” Yang Ming asked Zhou Jiajia while he raised the room card.

“No... nothing...” Zhou Jiajia replied with some stuttering.

“Oh? If it’s convenient, I will go to the main desk to get another room.” Yang Ming thought that Zhou Jiajia didn’t want to, so he made this suggestion.

“No... not... I... that... just stay here...” Zhou Jiajia was incoherent. She wasn’t unwilling; she was excited!

“Forget it. If it’s inconvenient for you then you should voice it out. I will go out and walk around.” Yang Ming said as he shook his head.

Yang Ming was afraid that Zhou Jiajia would change her clothes for a bath. But, after thinking about it, Zhou Jiajia was having her period today. It was impossible for her to take a bath, so he was relieved. Anyway, it was impossible for both of them to undress at night so they would have to rest for a while.

Thinking of this, Yang Ming came to the room area upstairs with Zhou Jiajia. They found the room number marked on the room card and they opened the door. Yang Ming couldn’t help but be stunned, “Huh?”

There was only one big bed in the room! What room is this? What are they doing? This is clearly a couple’s room!

“What’s wrong?” Zhou Jiajia behind him hadn’t reacted yet. But when she took a step forward, she also saw the scene inside the room. Zhou Jiajia suddenly blushed, thinking that she could sleep on a bed with Yang Ming. At the same time, she couldn’t help but be shy while looking forward to it.

Yang Ming frowned and said to Zhou Jiajia, “So, I’m going to look for the staff to see if I can get another room.”

Yang Ming finished speaking before Zhou Jiajia could say anything. He turned around and left. Zhou Jiajia wanted to stop Yang Ming from going, but when the words just came to her mouth, she couldn’t say it.

Although Yang Ming and Zhou Jiajia were now familiar, they weren’t close enough where they could sleep on the same bed. Although Yang Ming was a bit lascivious, he hadn’t yet reached this level.

Intuition told him that in relationships with girls like Zhou Jiajia, it was better to refrain from being intimate. Otherwise, it would be easy to go wrong. Although Yang Ming felt that Zhou Jiajia, this chick, wouldn't refuse if he asked for something, This isn't right. It seems that something is wrong. With his frequent contact with Zhou Jiajia, Yang Ming couldn't feel any aura of sluttiness from Zhou Jiajia at all. She couldn't even be considered as a chick.

On the contrary, Zhou Jiajia seemed to be pure. For example, the flirting just now and the unfamiliarity in kissing. This made Yang Ming feel that Zhou Jiajia was completely an innocent girl.

But on the previous video, Yang Ming saw it with his own eyes personally. It shouldn't be fake! Could it be that I met the legendary dual personality? Personality dissociation? Isn't this too outrageous?

Thinking of this, Yang Ming was immersed in deep thoughts. Yes, with the intuition of Yang Ming, Zhou Jiajia is a woman who is very smart and very self-loving. She can't be stupid enough to be naked in front of the others in a video, right?

Did I see it wrong? With this in mind, Yang Ming decided to go home and take a closer look at the video. It would be bad if it was a misunderstanding.

Yang Ming came to the service desk and voiced out his intention to the staff. But unfortunately, the staff member checked the computer and told Yang Ming that all the rooms were full at this moment. The rooms which were unoccupied were reserved. It was impossible to change rooms or have another room.

Being helpless, Yang Ming could only walk back to the room in a depressed way. He shrugged and said to Zhou Jiajia, "No way, there's no room available. Just bear with it. I will sit on the sofa for the night."

Chapter 396 Yang Ming and Zhou Jiajia

"En..." Zhou Jiajia nodded. There was a strange feeling in her heart. She didn't know whether she was happy or shy. In short, she had an unspeakable tension.

Yang Ming didn't care about her and sat on the sofa. Then he said to Zhou Jiajia, "You sleep on the bed. I will be on the sofa."

"Okay..." Zhou Jiajia nodded, but when she saw Yang Ming sitting on the sofa, she said with some embarrassment, "Or, you can come to the bed too... It's fine..."

"Forget it. You aren't married yet. It will be bad if people know about it. This will damage your reputation." Yang Ming was a little tired and wanted to take a nap for a while, so he was being perfunctory to Zhou Jiajia.

"Ugh..." Zhou Jiajia was speechless, Damage my reputation? I have been kissed twice. Why do I still need my reputation? Besides, we are already staying in a room. Why are you still afraid of what others would say?

Of course, this was not the key. Now, in this era, it was not as conservative as Yang Ming thought! Zhou Jiajia had decided to follow Yang Ming no matter what. Would she still care about that?

Since Zhou Jiajia noticed that Yang Ming didn't intend to do that, she no longer insisted on it. She lay quietly in bed, not sure what she was thinking.

After a while, Zhou Jiajia felt particularly uncomfortable in her lower part of the body. Zhou Jiajia's period hadn't been stable recently. It was either late by a few days or came a few days earlier. Logically, it was still few days before her period was supposed to come, but instead, it came today.

It came just when she was eating. It soaked everywhere in Zhou Jiajia's underwear. Even if she put a sanitary napkin on top of it, she still felt uncomfortable. Besides, Zhou Jiajia was one of the girls who loved cleanliness. She hesitated for a while, but then, decided to get up and wash it in the bathroom.

When she came to the bathroom, Zhou Jiajia hesitated and didn't lock the door. First, she believed that Yang Ming wouldn't peek. Second, even if he peeked, it was still fine. Zhou Jiajia would be more happy that she was attractive to Yang Ming.

Zhou Jiajia took off her clothes, put them neatly on one side, then soaked the underwear in the basin and rinse her body. The resort's bathing facilities were relatively high-end, with a separate shower. Although it was a relatively cheaply designed shower, compared to some hotels, it was still good.

Zhou Jiajia opened the nozzle and tried the water temperature with her hand. She waited until it was comfortable, then she went in to take a bath.

However, just when Zhou Jiajia was about to finish bathing, the unfortunate thing happened! It could be that nozzle was rusted after a long time. When Zhou Jiajia put it back to its original position, she exerted a little more force. As a result, the connection between the end of the nozzle and the cold water pipe was broken. The cold water inside sprayed out. When it came out, it staggered Zhou Jiajia, and then she slipped down and sat in the shower.

The freezing cold water kept hitting Zhou Jiajia! It was winter; the water was frigid that Zhou Jiajia screamed violently. She tried to get up, but she didn't expect that the pressure of the cold water spurting out was so great that she couldn't stand up.

"Ah! Help!" Zhou Jiajia was really scared, so she quickly shouted. If it kept going on, she would freeze into a popsicle sooner than later!

Yang Ming was faintly asleep. Suddenly, when he heard someone screaming, he was scared and jumped. He opened his eyes but he didn't see Zhou Jiajia in the room. Then in the bathroom, there was a sound of water flowing. He felt suspicious so he quickly went over there.

"Zhou Jiajia?" Yang Ming shouted.

"Yang Ming... help me..." Zhou Jiajia felt her teeth chattering, The water is too cold! If it keeps going on, I will freeze to death!

Yang Ming frowned and pushed the door of the bathroom open and found that it wasn't locked. He didn't think much and just went straight in.

"Huh?" Yang Ming was dumbfounded. Although the entire shower was filled with cold water, Zhou Jiajia sat naked inside, and Yang Ming could still see it.

"I..." Yang Ming hesitated. Although he didn't understand what was happening in front of him, it was obvious that Zhou Jiajia unknowingly turned the shower into a fountain! But now, if he went in, was it any good? Zhou Jiajia wasn't wearing any clothes. Wouldn't he see everything when he went in?

"Yang Ming..." Zhou Jiajia saw Yang Ming hesitating, and shouted again, exhausting her strength. She felt that she was going to be frozen to death...

"Ai!" Yang Ming sighed and thought, I have seen her video anyway, looking at real people doesn't really matter! He simply walked into the bathroom and opened the door of the shower. The cool water inside suddenly splashed Yang Ming.

Yang Ming couldn't help but shiver. He wanted to find the valve to turn off the water immediately. Zhou Jiajia quickly said, "Broken... it's broken... Help me out..."

Yang Ming saw that the water pipe at the end of the nozzle had broken! How the f*ck do I always encounter these bad events? Yang Ming had no choice but to reach out and hold Zhou Jiajia up.

This chick must have been frozen, right? For just a while, Yang Ming felt that he fell into an icehouse, not to mention Zhou Jiajia who had stayed in it for so long.

Yang Ming ignored the fact that Zhou Jiajia wasn't wearing clothes. He carried her to the bed. Yang Ming then found a bath towel and handed it to her. However, Zhou Jiajia apparently had been frozen and lost her ability to move.

Seeing that Zhou Jiajia found it so difficult to reach her hand out, Yang Ming sighed helplessly, picked up the towel and helped Zhou Jiajia to dry her whole body. On Zhou Jiajia's white skin, there was a layer of goose bumps formed by the coldness.

Yang Ming couldn't help but look at it more. But thinking that Zhou Jiajia was suffering, Yang Ming didn't have any thoughts for anything else. He quickly dried Zhou Jiajia's body and didn't care what should be touched. In short, he rubbed every part of her body.

After it was done, Yang Ming used the quilt to cover Zhou Jiajia and asked, "How are you? Are you okay?"

Zhou Jiajia shook her head, and her pale face had a hint of joy. "Thank you... Yang Ming..."

"Thank you for what? But I just saw your... that... Don't you mind?" Yang Ming didn't know what to say.

"You were saving me... Why would I mind..." Zhou Jiajia smiled and said, "I'm so cold, Yang Ming... Can you hug me for a while?"

"What are you saying?" Yang Ming looked at Zhou Jiajia in shock, thinking that his hearing was faulty.

"No... nothing..." Zhou Jiajia sighed and didn't have the courage to repeat the words.

"You should rest first. I'll also dry off." Yang Ming's body was fine, but his head was like a fountain, dripping non-stop.

Yang Ming wiped his body with a bath towel and went to the bathroom. F*ck, what is this? What kind of trash resort! Yang Ming thought in his mind and cursed the young master of the resort, Sui Guangqi.

This kid is really my own source of disaster. There is nothing good when I meet him! Yang Ming reached out and closed the shower door. Then he went out to find a staff member to fix it.

When the staff heard Yang Ming's words, he first apologized, and then he looked for the maintenance workers with a good attitude so Yang Ming couldn't vent his anger.

Seeing how easily the maintenance workers changed the parts, Yang Ming thought, Does this stuff often break? Otherwise, how can they operate so skillfully?

After all this business, Yang Ming only remembered that most of Zhou Jiajia's clothes in the bathroom were wet, and his coat was wet too, so he asked the staff what can be done.

The staff member was a good talker. After apologizing, she promised to bring them to dry clean for free. She would send them back tomorrow morning. So, Yang Ming gave the clothes to the staff.

When he saw Zhou Jiajia's underwear in the wash basin, he hesitated for a moment and didn't give it to the staff.

Yang Ming didn't give it to the staff because he felt a little embarrassed. However, he wouldn't be kind enough to wash Zhou Jiajia's underwear for her. This woman wasn't worthy of Yang Ming doing this for her.

Yang Ming checked the phone book by the bed and made a phone call to the store below. He asked them to send up a set of women's underwear and a pack of cold medicine.

After a long time, Zhou Jiajia apparently recovered a lot. When she heard Yang Ming's words, she couldn't help but blush, Yang Ming must have seen my underwear!

Underwear... As soon as she thought of her underwear, Zhou Jiajia suddenly screamed "Yah!"

When Yang Ming hung up, he was shocked by Zhou Jiajia's scream. He looked at Zhou Jiajia strangely. "What happened to you?"

"Bedsheet... that... definitely got blood..." Zhou Jiajia said anxiously.

Yang Ming was stunned, but then he reacted immediately, Zhou Jiajia has her period. Back then, he took her to the bed directly. There was no padding underneath, so it had undoubtedly stained the bedsheet!

Chapter 397 Bed Sheets...

Yang Ming said indifferently, "Who cares? It's already fortunate for them that I didn't ask them to compensate for our emotional loss. Who cares about their bedsheets?"

"It's not... then I..." Zhou Jiajia meant that it was an embarrassment! But when she recalled that Yang Ming had already known all these matters anyway, she stopped thinking about all these things.

"Alright, let's take a break. I asked for cold medicine so you won't catch a cold." Yang Ming sighed. Am I treating Zhou Jiajia too well? Ai, never mind. Why am I such a kind person?

It didn't take long before someone knocked on the door. Yang Ming opened the door and saw that it was the delivery items that he had called for.

"Hi sir, I'm the waiter in this resort. This was the underwear and cold medicine that you requested." A male waiter opened his backpack and took out the things inside. "There are two kinds of underwear. One is the higher quality pure-cotton type the other one is an ordinary type. Which do you prefer?"

"The better one." Yang Ming thought in his heart, No matter how bad my impression of Zhou Jiajia is, I won't buy her a garbage panty to fool her.

"Okay, sir. Also, we offer condoms, emergency contraceptives... Do you want any of these?" The waiter continued to sell.

Yang Ming sweated, "Why would I need those things?"

"Ugh... What about Viagra? Viagra would at least be necessary?" The waiter continued his sales pitch.

Yang Ming was furious as he heard it. "F*ck, do you think I'm someone who has erectile dysfunction?"

"Sorry... Sorry... My bad. It's a total of fifty-six yuan. I'll take fifty..." The male waiter didn't dare to talk any more.

Yang Ming took out a fifty banknote from his pocket and handed it over, then he closed the door with a blank expression.

Zhou Jiajia in the room had clearly heard the conversation at the door. When she heard "condom" and "emergency contraceptive," her face was like having a fever. But, she also knew that Yang Ming would never buy those! As she thought about this, Zhou Jiajia couldn't help but sigh a little. Yang Ming, when would he use these things with me...

After seeing Yang Ming walk over, Zhou Jiajia quickly pretended to be fine and asked softly, "Who was it? The guy who delivers the medicine?"

"Yup." Yang Ming nodded and picked up the kettle on the table to check it. Since there was hot water inside, he poured a cup of it for Zhou Jiajia and handed it to her. "Have some medicine first so you won't catch a cold."

"Okay, thank you..." Zhou Jiajia was very moved! When she's sick, Yang Ming was able to take care of her by her side. This was what she didn't dare to dream of!

For Yang Ming, he didn't care that much. Even though they were ordinary classmates, You can't ignore a sick classmate, can you? After receiving the cup that Zhou Jiajia had used to drink, Yang Ming placed it on the coffee table.

"This is your underwear. Look for a chance to change it later." Yang Ming gave the underwear to Zhou Jiajia, and then said, "Do you need me to go out for a while?"

"No need..." Zhou Jiajia pouted, and she showed an aggrieved look. "You have seen everything already. What else do you need to avoid?"

Yang Ming was a little embarrassed. Wasn't that just an emergency? Why don't you uncover the bed sheets now and let me have another look? However, Yang Ming couldn't say those kinds of words. Besides, if Yang Ming wanted to peek, did he really need to uncover the blanket?

“You should take some medicine too.” Zhou Jiajia handed the cold medicine to Yang Ming. “The water was really cold before. It’s easy to fall sick after getting shocked by the water.”

Yang Ming thought for a while and agreed to it. It was now the end of the year where there were more matters to do. It wouldn’t be fun to catch a cold now! So, he nodded as he accepted the cold medicine and took out a pill. He picked up the cup on the coffee table and hesitated a little. He wanted to go to the bathroom to wash it because this was the cup that Zhou Jiajia had used after all. But another thought came in, Zhou Jiajia and I had already kissed before. Do I need to care about these small details anymore? Therefore, he picked up the cup and took the medicine right away.

Zhou Jiajia was rather detailed. She naturally saw Yang Ming’s hesitation just now, but when Yang Ming used her used cup to drink the remaining water, she felt incredibly happy.

“Alright, you should have a good rest. Especially now when you’re in this sensitive period and you were exposed to cold. Don’t get sick.” Yang Ming instructed Zhou Jiajia’s with two sentences and went to rest on the sofa.

Zhou Jiajia wanted to call Yang Ming to the bed several times, but when she thought that she didn’t wear clothes and there was blood under her body, she dispelled this thought. Groggily, and with much happiness, Zhou Jiajia fell asleep.

Logically speaking, this type of non-couple stay with a man and woman in the same room would not be conducive to good sleep. However, Zhou Jiajia had a very reassuring sleep because the person near her was Yang Ming.

At 6 o’clock the next morning, the waiter sent the washed clothes back. Yang Ming took them and checked the number of pieces. After finding that there was no problem, he put the clothes on the bedside and then went to the bathroom to wash up.

It didn’t take long for Zhou Jiajia to wake up after that. Although she had no evasiveness to Yang Ming, a girl’s shy instinct still stayed with Zhou Jiajia. When Yang Ming was in the bathroom, she quickly put on her underwear and bra. Only then did she slowly put on the other garments.

When Yang Ming came out of the bathroom, Zhou Jiajia was already dressed. Today’s Zhou Jiajia had a very good vibe! She didn’t have any sign of the weak appearance from yesterday.

Of course, the cold medicine had played a role, but the most important thing was Zhou Jiajia’s mentality. Zhou Jiajia was in a good mood last night and naturally slept well, so she was energized.

“You also go and wash up.” Yang Ming said, “Most probably we’ll be having breakfast soon.”

“En, okay.” Zhou Jiajia nodded obediently and then walked to the bathroom.

Yang Ming took the opportunity of Zhou Jiajia visiting the bathroom to lay down on the bed. Yesterday’s sleep was really uncomfortable. I should take the chance to relax at this hour!

After enjoying a short moment, there was a knock on the door. Yang Ming had no choice but to get up and open the door. He thought it was the housekeeping staff here to clean the room, but he didn’t expect it to be Sun Haoming. The Oiran [1] was standing beside him.

“Yang Ming, let’s catch up for breakfast!” Sun Haoming said with a smile.

"Alright, we'll go in a while." Yang Ming said, "Zhou Jiajia's washing up. Please come in and have a seat for a while! Oh yeah, how did you find my room?"

"Didn't you register yourself with the waiter who issued the room card yesterday? I just had to make a call to find out." Sun Haoming said indifferently, "Brother, did you have some fun last night?"

Speaking of last night, Yang Ming was angry. Grandma's, I became a drowned rat for no good reason! He didn't know whether to laugh or cry as he said, "What fun? What are you thinking?"

"Ugh... isn't it?" Sun Haoming said as he began to scan around Yang Ming's room. Suddenly, his eyes stayed on the bed and looked at the large blood stain on the sheets. He stared at Yang Ming with amazement, "F*ck! It can't be! Virgin?"

"Stop it, kid. There's no such thing." Yang Ming felt helpless. He couldn't tell him that Zhou Jiajia was having her period, could he?

"Bada! **Really bada!** It was the first time and you had such a big bleeding!" Sun Haoming showed a thumbs up!

"Sun Haoming, it's really not what you think." Yang Ming smiled bitterly, "Don't simply guess."

"Hehe, I understand. I understand. It's the woman's first time. She's thin-skinned and feels shy! I won't talk about it!" Sun Haoming said with a lewd look.

At this time, Zhou Jiajia just came out of the bathroom. She saw that Sun Haoming was staring at the blood stain on the bed. She couldn't help but turn red.

After Sun Haoming saw Zhou Jiajia's shy expression, he confirmed his thought in his heart. He sighed secretly, Yang Ming sure has his way! He's really bada**! The two class belles were all settled by him!

Of course, the other was Su Ya. At that time, Su Ya and Zhou Jiajia were among the prettiest girls in the class and even in the entire school.

"Zhou Jiajia, Sun Haoming asked us to go have breakfast together." Yang Ming said.

"Oh..." Zhou Jiajia nodded and stood by Yang Ming like a little daughter-in-law.

Sun Haoming felt rather envious, Why can't I meet this kind of world-class beauty? The Oiran by me obviously is a one-night stand, and she didn't even take me seriously!

The four people walked together to the restaurant downstairs. They encountered many other students in the hallway. However, there weren't many men and women who came out of the room together! Most of them were two men or two women. These students weren't as promiscuous as what the waiter had described! This guy was fooling me!

Who wouldn't know that it was the waiter's job to adapt to the situation? He saw that Yang Ming and Zhou Jiajia were a pair. Naturally, he had to say that!

Chapter 398 Went For Nothing

Otherwise, what if Yang Ming asked him if he wanted another room card? Therefore, the staff member naturally described the prior two people as a couple and completed the task.

After finishing breakfast at the resort's restaurant, Sui Guangqi announced the end of the party. "Here marks the end of the gathering. It seems that everyone had fun. There will be a bus coming to the resort which returns to the city. We can grab a ride! As for the matter beforehand about pooling money, the bill is on me. We should gather together frequently in the future! Although we've graduated, we are still friends!"

After breakfast, Yang Ming and the others went on the bus and returned to the city. Yang Ming went back to the university with Zhou Jiajia. He also made a promise to Sun Haoming to hang out together when they had free time.

Sui Guangqi had gone to the room where Yang Ming and Zhou Jiajia had stayed. He saw the large pool of blood on the sheets. He couldn't help but gnash his teeth!

Yang Ming! Yang Ming! Actually, you got a big bargain! I didn't expect that Zhou Jiajia was actually a virgin!

It seemed that Sui Guangqi had a misunderstanding!

Yang Ming didn't sleep well yesterday. When he returned to university, he separated from Zhou Jiajia because he planned to return to his dorm and rest.

Although Yang Ming didn't show it on his expression, his heart was very anxious. He still had things to do – a very important thing. He had to find Wu Chiren!

After returning to the dormitory, and after two more hours of sleep, Yang Ming drove to Red Flag Junior High School.

Looking at what was ahead of him, a familiar yet unfamiliar teaching building, Yang Ming didn't cherish the memories. In fact, Yang Ming's junior high school life was all painful memories, except for Su Ya.

Yang Ming couldn't forget Wu Chiren's white eyes and bitterness for the rest of his life.

"Buddy, who are you looking for?"

When Yang Ming wanted to enter the school, he was stopped by an old uncle who was watching the gate.

Yang Ming looked up. Ha, wasn't he the old uncle in the past? Yang Ming said with a smile, "Uncle Ma, don't you know me?"

"You are..." Uncle Ma looked at him for a long time and suddenly exclaimed, "Yang Ming! You brat! It's really you!"

Yang Ming smiled and nodded, "Uncle Ma, you still remember me!"

"Crap, how can I forget you?" Uncle Ma said with a glare, "You always got into a fight in front of the school gate. I don't think I can ever forget you!"

"Hehe, it's all in the past." Yang Ming smiled.

"What are you doing now? Why, you even drive." Uncle Ma glanced at the Jetta parked at the school gate.

"I'm studying in Song Jiang Industry University. The car belongs to my friend." Yang Ming smiled.

"Aiya! That's great!" Uncle Ma was surprised. "You have grown up, Yang Ming. Turned over a new leaf?"

"During that time, I was young and insensible," Yang Ming said with a smile. "I can't go to university?"

"Alright, not bad!" Uncle Ma smiled as he nodded and said, "Why are you coming to school? Are you here to see me?"

"Hehe, I just came to see you." Yang Ming smiled and said, "Oh ya, which class does Wu Chiren teach now?"

"Wu Chiren?" Uncle Ma said with a disdain, "You came for him?"

"What's wrong? I want to ask him about something." Yang Ming looked at Uncle Ma's expression and asked curiously.

"Hmph, that kid, I have long recognized that he wasn't a good person. He was behaving stealthily like a thief and finally, something happened!" Uncle Ma sneered.

"What happened? What do you mean?" Yang Ming asked quickly.

"Wu Chiren was reported for asking the parents of the students for bribes!" Uncle Ma said, "The Education Bureau dealt with him last year and fired him."

"Fired?" Yang Ming was a bit dumbfounded. He didn't care about what happened to Wu Chiren. His main objective now was to look for Wu Chiren and find out about Su Ya's letter!

"En, he was already fired a long time ago." Uncle Ma said.

Yang Ming sighed helplessly and then asked, "Uncle Ma, do you know where Wu Chiren went after he was fired?"

"How would I know about this?" Uncle Ma shook his head and said, "I heard that he seemed to run off to Donghai to do business. Who knows... ai, you wait!"

Uncle Ma suddenly waved at a teacher not far away. "Xiao Zhang, did you live in the same community area with Wu Chiren?"

"Uncle Ma, are you calling me?" The teacher, Xiao Zhang, turned around and said, "Yup, I lived in the community area with him before, but he moved."

"Where did he move to? His former student is looking for him." Uncle Ma said.

"I don't know. He didn't have a wife or a child, but he lived alone. Who knows? But rumors said that he seemed to be doing business in Donghai." Teacher Xiao Zhang said.

"Oh, I see. You may go." Uncle Ma dismissed him with a wave.

Yang Ming didn't have any other means to go about it. Why did Wu Chiren go off to Donghai? It seems that the search for him wouldn't be easy.

"You saw it too. The teachers in the school actually hate Wu Chiren. I think this guy was the scum of the teaching team. I didn't want to get along with him. Even Xiao Zhang, who lived in the same community area with him didn't know. I think you shouldn't be asking any further!" Uncle Ma spoke and shook his head.

"Alright, no matter what, thank you, Uncle Ma." Yang Ming nodded and said helplessly.

"Right, Yang Ming, why are you looking for in Wu Chiren? I remember that you weren't on his good side. He also forced your little girlfriend to transfer to the other school, right?" Uncle Ma was very clear about Yang Ming's affairs.

"I just came to him for this matter! He had taken away the letter that Su Ya wrote to me! If I didn't participate in the class reunion, it would still be under the carpet because I didn't know about it." Yang Ming said with anger, "I want to find him to ask for those letters!"

"It turns out to be like that. Then, I can't help you anymore!" Uncle Ma sighed and said, "I didn't expect you to be still infatuated with that little girl! But even if you find Wu Chiren, he would likely have thrown away those letters like garbage!"

In fact, Yang Ming also thought about the situation as Uncle Ma described. Who would keep letters that had nothing to do with themselves? However, although Yang Ming knew that the possibility wasn't big when there was a slight hope, he would continue to follow it!

Since these were the only clues right now, Yang Ming wouldn't give up easily!

"Thank you, Uncle Ma... Yes, you wait for me a little while!" Yang Ming suddenly remembered that there were still two bottles of white wine in the trunk of the car. He found them when he looked in the trunk by chance the other day. It wasn't a famous wine, but Yang Ming was aware that Uncle Ma loved alcohol.

Yang Ming took out the two bottles of white wine from the trunk of the car and gave it to Uncle Ma.

"Uncle Ma, take these two bottles of wine and drink them. Someone else gave them to me and I have no use of them."

"Ha! You, kid, still remember that I like to drink! Then, I won't be generous!" Uncle Ma was unambiguous with a bright gaze on the liquor.

After saying goodbye to Uncle Ma, Yang Ming frowned. Now the priority was to find Wu Chiren! However, now that Wu Chiren had gone to Donghai for business, the search was much more difficult!

Although Donghai wasn't far from Song Jiang, it wasn't easy to find a person in a city!

Yang Ming suddenly remembered a person – Sun Jie! Wasn't her family from Donghai? Moreover, it seems that her family had a considerable force in Donghai! In fact, Yang Ming first thought of Tian Donghua. But, he didn't know why when compared to Sun Jie, Yang Ming was more inclined to Sun Jie!

That passion left a deep impression on Yang Ming so that he always had some tickle deep down in his heart.

The last time he went to Hong Kong, the perfume he brought back for Sun Jie had not been given. With that thought in mind, Yang Ming quickly drove back to the house and took the gift meant for Sun Jie. Of course, he also brought the mink coat for his mom.

“Big Ming, what did I say to you? Do you put it in your heart?” Yang Ming just entered the house and he was stopped by his mother.

After his mother lost her job, she was at home. Although she couldn’t help herself, Yang Ming still let her rest at home for a while. When he had a startup, he hoped that she could participate.

“What?” Yang Ming said, “What about the company? Uncle Zhang is planning for it.”

“What company? I’m talking about Chen Mengyan! I’m wondering because New Year is coming soon within a month! When will you bring my future daughter-in-law home? I have prepared the red envelope!” Mother Yang glared at him in a blaming manner.

“Ah! Mom, are you talking about Chen Mengyan? You can rest assured. I will bring her back to you in a few days on New Year’s Day!” Yang Ming suddenly realized. “I have mentioned it to her.”

“Really?” Mother Yang asked with some doubt. Every time she mentioned this question, Yang Ming tended to cover it up. He wouldn’t say anything if he didn’t need to. Why would he take the initiative today?

Chapter 399 The Car Was Stopped

“Of course, it’s true. Mom, when did I lie to you?” Yang Ming laughed.

“Alright, New Year’s Day it is!” Mother Yang nodded. “It’s a deal. After your dad gets back, I will tell him... Right, Yang Ming, what is in your hand?”

“Mom, this is the coat I bought for you.” Yang Ming quickly handed the coat in his hand to his mother.

“Coat? What coat?” Mother Yang took a look, and couldn’t help but be startled. “You bought a mink cashmere?”

“Yeah, don’t you want to put it on?” asked Yang Ming.

“This child, why did you buy such an expensive coat?” Mother Yang asked with some blame, but the expression on her face was very happy.

“Mom, if I didn’t buy it for you, you definitely wouldn’t buy it! Next time, I still have to go.” Yang Ming smiled.

“Okay, just buying this one is enough. Don’t buy anymore!” Mother Yang shook her head and said.

On the way back to the university, Yang Ming called Sun Jie. He dialed her phone number. The ringtone on the other side had rung for a long time, and no one answered so Yang Ming had to hang up the phone and decide to call again later.

It didn’t take long for Sun Jie to call back.

“Hello?” Yang Ming picked up the phone. “Sun Jie?”

"En, it's me. Yang Ming, what's the matter?" asked Sun Jie.

"Where are you?" Yang Ming asked.

"What? What are you looking for me?" Sun Jie asked.

"Nothing, I miss you. I want to see you." Yang Ming smiled.

"Really?" Sun Jie appeared to believe him. Since she was a more rational woman, she wouldn't be fooled by Yang Ming's sweet words. "Why didn't you come to see me before?"

"Of course, it's true. I went to Hong Kong a while ago and bought you a gift." Yang Ming explained.

"Oh?" When Sun Jie heard that Yang Ming bought her a gift, she was astounded instead. "Then you can't give it to me for quite a while. I'm not in Song Jiang; I'm in Donghai!"

"Why did you go to Donghai?" Yang Ming asked, "When can you come back?"

"I went back to spend my Christmas! Besides, at the end of the year, there are more things at home." Sun Jie said, "I plan to go back after New Year!"

"No way, so long!" Yang Ming said with a smile, "It seems that this isn't the right time to look for you."

"Oh, Yang Ming, you and I have been talking for so long. Did you have a reason to look for me?" Sun Jie wasn't a devout person, although the number of times she met with Yang Ming wasn't many, she knew the psychological thoughts of others. Therefore, she could associate that Yang Ming had some reason to look for her.

Yang Ming actually wanted to talk over the phone but hesitated a bit. It isn't good to ask for a favor like this. It was still better to talk to her face to face. Moreover, I can collect more information about Wu Chiren over these few days. This way it's also more convenient for Sun Jie to investigate.

"Nothing, I'll wait for you to come back and talk!" Yang Ming said.

"Well, I will call you after I get back." Sun Jie noticed that Yang Ming didn't want to speak so she didn't ask anymore.

After hanging up the phone, Yang Ming drove the car back to the university. Before he managed to take another two steps, he heard the siren from police vehicles. Then someone called out:

"The Jetta in front with the license number Song BXXXXX pull over to the side! The Jetta with the Song BXXXXX license, immediately stop by the side!"

The voice of Xia Xue! This is definitely Xia Xue! Yang Ming wanted to go crazy, Who did I mess with? Why does this Xia Xue always trouble me?

Yang Ming had no choice. He didn't dare not stop. Xia Xue, such a violent girl, he knew her very well. She could just simply fire her gun. Yang Ming couldn't mess with her!

Yang Ming parked the car on the side of the road, and the police car behind stopped at the side. Suddenly, Xia Xue jumped out of the car and smugly knocked on Yang Ming's car window, "Yang Ming! Come out!"

“Huh?” Yang Ming was overwhelmed. He opened the door and looked at Xia Xue. “You knew it was me, and you still ask me to stop?”

“Nonsense, I don’t have much time for others. Do you think I’m the traffic police?” Xia Xue said snappily.

“Since you are not the traffic police, why did you stop me?” Yang Ming was helpless, “Are you deliberately looking for trouble?”

“Who stopped you? I just asked you to stop by!” Xia Xue argued.

“Isn’t it the same? Is there a difference?” Yang Ming rolled his eyes.

“Of course, there is a difference! Can a murder attempt and murder be the same? The difference between the two words is huge!” Xia Xue said plausibly.

“I’m too lazy to talk to you.” Yang Ming asked helplessly, “Sister, why are you looking for me?”

“I was looking for you? Have you forgotten something?” Xia Xue stared at Yang Ming, with an angry look.

“Me? Forgotten something?” Yang Ming frowned. “Did I?”

“Yang Ming! What about my meals?” Xia Xue clenched her teeth and said, “Last time you said that you will treat me to meals. I have been waiting for half a month. Why didn’t you ask me out?”

“Ugh...” Yang Ming scratched his head. I really forgot about this thing. He couldn’t help but sweat. “That... Xia Xue, why don’t we go eat now?”

Yang Ming was busy in the morning, and he hadn’t eaten yet. He could just invite Xia Xue for a meal.

“You aren’t that sincere, right?” Xia Xue snorted, “I’m on duty, and you asked me to eat with you?”

“Then you tell me the time!” Yang Ming shrugged. “I will be ready at any time.”

“Hmph, you still know what to do – tomorrow night.” Xia Xue thought for a moment and said, “I have something to ask you at that time!”

“Don’t. I’m a little bit timid. If you have anything, please ask now.” Yang Ming looked at Xia Xue while pretending to be fearful. “There is always nothing good about your questions!”

“Hmph, stop the nonsense. Tomorrow night, wait for me at the police station.” Xia Xue said, “I going back to my duty.” After that, she turned back to the police car and went away.

Yang Ming smiled bitterly and started the car. To be honest, he really forgot to treat Xia Xue to a meal. It seems that I have to remember it tomorrow, otherwise, I will provoke the violent girl, Xia Xue, which will bring me nothing good.

Yang Ming set a reminder on his cell phone to eat with Xia Xue tomorrow night. Then he returned to school with a peace of mind.

Yang Ming called Chen Mengyan and told her good news. He told her that he had informed his mother that she would be a guest at his house during New Year. When Chen Mengyan heard it, she was surprised and happy.

"Then should I tell my parents about our relationship?" Chen Mengyan consulted Yang Ming.

"This... you decide it yourself. If you think the time is right, you can let them know." Yang Ming said.

"Alright, I will tell them... then you can't ditch me in the future." Chen Mengyan said it like a joke, "Then I will be shamed in the future!"

Although Chen Mengyan asked casually, her heart was still very nervous. She wanted to get an affirmation from Yang Ming.

"Of course, I can't and won't!" Yang Ming said with a smile, "Even if I don't want it, my mom won't agree!"

"Hehe..." Chen Mengyan smiled happily. "Alright, tomorrow night I'm going home to discuss the matter. I will talk to them about our relationship."

"Well, if you need me to visit, just say it!" Yang Ming smiled.

"Hmph! So arrogant, my dad and mom haven't admitted you as a son-in-law!" Chen Mengyan said with some pride.

"Hehe, if they don't admit it, you have to fight with them!" Yang Ming smiled.

"I won't talk to you then! You just know how to joke!" Chen Meng said with some flirtiness, "I'm going to class. You go back to rest! The reunion party yesterday was quite tiring, right?"

"Yeah, I almost didn't sleep. I'm going back to sleep first." Yang Ming said, "Let's have dinner together tonight."

"En, you come to our dorm downstairs and wait for me!" Chen Mengyan promised.

As for the matter with Xia Xue, Yang Ming originally wanted to talk to Chen Mengyan about it but thought that Chen Mengyan was a small vinegar jar, so he gave up. He had nothing to do with Xia Xue anyway. They were just ordinary friends having a meal together.

Hanging up the phone, Yang Ming opened the computer notebook in the dormitory. He was going to study Zhou Jiajia's video. Based on Yang Ming's experience with Zhou Jiajia, he didn't see any lasciviousness in Zhou Jiajia! The more this was, the more Yang Ming was curious.

Therefore, Yang Ming wanted to study the video that was saved before. Now, Yang Ming's impression of the video wasn't so profound, so he wasn't sure whether the video character he saw at the beginning was Zhou Jiajia or not.

400 Absolutely Different

Yang Ming signed in to several foreign mailboxes. He downloaded the packages that were originally split and compressed, and then entered the decompression password to decompress the video.

After getting it done, Yang Ming dragged the video to the video player and clicked the play button...

A woman with white skin appeared in front of Yang Ming's eyes. Although it wasn't very clear, it could be seen clearly. However, after Yang Ming looked at it, he frowned deeply!

No, this is definitely not Zhou Jiajia!

Zhou Jiajia's figure wasn't the same as the woman in the video! Yang Ming had seen Zhou Jiajia not wearing clothes yesterday. Although he didn't take a detailed look, he knew which part was big and which part was small. Yang Ming still knew it very well in his heart! In particular, the little jungle [1] that Zhou Jiajia had wasn't as thick as the woman's in the video!

Therefore, Yang Ming could now be sure that the person in the video wasn't Zhou Jiajia at all! Yang Ming was stunned as he patted his head. Oh my grandma, I had a huge misunderstanding. I thought Zhou Jiajia was a slut. I didn't expect to make such a mistake.

Looking back, there was a moment when Zhou Jiajia's face appeared. Yang Ming carefully replayed it several times and finally found a very crucial issue – that Zhou Jiajia's expression had never changed.

It was very rigid! It's like a picture that was connected! Although this inferior video quality made Yang Ming unable to judge whether his thoughts were correct, it seemed 80 percent possible!

Yang Ming sighed and turned off the video. Then it was shredded with a file shredder. Although this video was definitely not Zhou Jiajia, it wasn't good if it was leaked.

If my guess isn't wrong, then I really misunderstood her! But the problem comes again. Since the person on the video wasn't Zhou Jiajia, who was it? Who made a video with an edited version of Zhou Jiajia?

Yang Ming knew that this editing still wasn't a big deal now. There were also many celebrity edited photos that were hyped up by the media, but Zhou Jiajia wasn't a celebrity. Who would have done this to her?

Zhou Jiajia obviously wouldn't do this to herself. It was something that would ruin her reputation unless her brain was punctured. Otherwise, who would do this stupid thing?

However, if it wasn't Zhou Jiajia who did it, then who would it be? That QQ number was obviously Zhou Jiajia's own, and this had been confirmed through Wang Zhitao's word.

Could it be that Zhou Jiajia was really so bored, editing oneself into one's own video to fool others? Yang Ming was confused. This matter won't have any results unless he asked Zhou Jiajia in person.

However, since he already knew that this video wasn't Zhou Jiajia, Yang Ming's impression of Zhou Jiajia had changed a little. After all, a pure little girl, who doesn't like one?

However, Yang Ming began to regret a little. He had kissed her twice! This thing was a bit unreasonable! Recalling the feeling of kissing Zhou Jiajia for the first time in the cinema, her reaction was similar to that of Chen Mengyan's first time. It was so amateur... Could it be that the chick was also having her first kiss?

Thinking of this, Yang Ming broke into a sweat! I'm done for; I went overboard! Yang Ming shook his head. He should try to stay away from her later on.

Yang Ming who found the truth was in such a bad mood that he turned off his computer and slept.

In the case of Zhou Jiajia, Zhou Jiajia would laugh even in her dreams. Her relationship with Yang Ming was soaring. At least, she thought so. From the initial cynicism to the present caring, Zhou Jiajia felt very satisfied.

She was humming Jolin Tsai's "The Sun Will Never Set" as she returned to the dormitory happily. Wang Xue, who was playing a game, was shocked. "Jiajia, are you okay?"

"What's wrong?" Zhou Jiajia was stunned, still humming the song in her mouth. "I miss you as if the sun that will never set, sending a postcard representing my love. I want to send you the love of the day, holding each other's heart closely going around the world. Your sunny day is also my sunny day; my love is not in slumber. I will fly to your side like the sun that will never set..."

"What... Jiajia, what are you so excited about?" Wang Xue looked at her curiously, knowing that Zhou Jiajia rarely sang these kinds of cheerful songs. Zhou Jiajia generally liked some sad songs.

"Hehe..." Zhou Jiajia grinned, and then mysteriously said to Wang Xue, "You guess. Who stayed in a room with me last night?"

"How would I know? Weren't you attending your class reunion? I don't even know your classmates." Wang Xue looked at Zhou Jiajia dumbfounded. She suddenly realized, "Is it... the person you are referring to is Yang Ming? Did you stay with him for the night?"

Zhou Jiajia nodded shyly. Her blushing face seemed to have an incomparable beauty with it.

"You two did that already?" Wang Xue Zhang opened her mouth, looking up and down at Zhou Jiajia. Her eyes stayed at Zhou Jiajia's lower body...

"Aiya! Wang Xue, what are you thinking? We were just staying in a room... nothing else was done!" Zhou Jiajia quickly waved, "Moreover, I have that... How can we..."

"What that, I almost fainted because of you." Wang Xue certainly understood what Zhou Jiajia said, but still deliberately teased her.

"Hmph! I won't talk to you." Seeing the smile on Wang Xue's mouth, Zhou Jiajia could understand that she was deliberately acting confused! Both of them were girls. It was impossible not to understand these hints.

"Hehe, don't be angry. Tell me what happened yesterday!" Wang Xue asked with a smile.

"En..." Zhou Jiajia said that she wouldn't say anything to Wang Xue on the surface, but in fact, she still wanted to find someone to talk to. Therefore, when Wang Xue asked, she took the initiative to talk about yesterday's matter.

"When it was your turn, there was only one room card left?" Wang Xue widened her eyes. "Was the class in your junior high school so erotic? Men and women sleeping together?"

"Who knows what the guy, Sui Guangqi, was doing? Most of the people who attended were unruly people. The whole class had more than 70 people; only a little more than 30 people joined." Zhou Jiajia said reluctantly, "The safe kiss was indeed a bit of that..."

"Most probably the kid had an ill intention. He deliberately created such an atmosphere to make you submit to it!" Wang Xue said casually.

However, perhaps the speaker had no intention, but the listener determines the will. What Wang Xue said casually came off differently in Zhou Jiajia's ear as she listened to it! Zhou Jiajia was originally suspecting that Sui Guangqi had an ill intention on her. Now, after listening to Wang Xue's words, she felt it was that way even more!

Before that, she found it strange. Although the current social culture was more open than before, it wasn't open to the point where unfamiliar men and women would play "safe kiss." It seemed that these people must have discussed with Sui Guangqi beforehand! Those who didn't agree to play this game obviously didn't come to this party!

It turned out to be the case! As Zhou Jiajia figured it out, she was even more disgusted with Sui Guangqi. How could this person do that? Fortunately, Yang Ming went with me yesterday. Also, he happened to have drawn the same lots like me, or else, I really wouldn't know what to do.

"You two, a man and a woman, staying together in a room at night; how is it that nothing special happened?" Wang Xue smiled at Zhou Jiajia.

"I... After we entered the room, Yang Ming gave me the bed. He sat on the sofa and rested... I felt uncomfortable in my lower body and wanted to take a shower... but I didn't expect an accident to happen. Then..." Zhou Jiajia mentioned the broken water pipe, "The water used in the resort was directly from the groundwater. It contained ice in it. And, I couldn't move because I was freezing..."

"Then, didn't Yang Ming see everything?" Wang Xue widened her eyes and looked at Zhou Jiajia who had suffered a loss, and yet she didn't realize it. Instead, Zhou Jiajia had an expression of blissfulness.

"En... he also helped me wipe my body... He even touched there..." Zhou Jiajia shyly pointed at her chest and then lowered her head.

"Ugh..." Wang Xue was speechless. This silly girl, who was seen completely by the other while also getting touched still can be happy? Is being taken advantage of her means of taking advantage? "You feel blissful?"

"Yes!" Zhou Jiajia nodded very hard.

"Alright, then you be blissful." Wang Xue had to agree. She couldn't explain and make Zhou Jiajia understand. For this kind of thing, only Zhou Jiajia, the party involved, would have a feeling of blissfulness.

"Unfortunately... After he took me to bed, he didn't do anything..." Zhou Jiajia shook her head and was somewhat regretful.

"What else did you want to do..." Wang Xue also sighed. "Did you think that even if Yang Ming really did that with you, he can accept you? Will he be responsible for you?"

"En ..." Zhou Jiajia said that she wouldn't say anything to Wang Xue on the surface, but in fact, she still wanted to find someone to talk to. Therefore, when Wang Xue asked, she took the initiative to talk about yesterday's matter.

“When it was your turn, there was only one room card left?” Wang Xue widened her eyes. “Was the class in your junior high school so erotic? Men and women sleeping together?”

“Who knows what the guy, Sui Guangqi, was doing? Most of the people who attended were unruly people. The whole class had more than 70 people; only a little more than 30 people joined.” Zhou Jiajia said reluctantly, “The safe kiss was indeed a bit of that...”

“Most probably the kid had an ill intention. He deliberately created such an atmosphere to make you submit to it!” Wang Xue said casually.

However, perhaps the speaker had no intention, but the listener determines the will. What Wang Xue said casually came off differently in Zhou Jiajia’s ear as she listened to it! Zhou Jiajia was originally suspecting that Sui Guangqi had an ill intention on her. Now, after listening to Wang Xue’s words, she felt it was that way even more!

Before that, she found it strange. Although the current social culture was more open than before, it wasn’t open to the point where unfamiliar men and women would play “safe kiss.” It seemed that these people must have discussed with Sui Guangqi beforehand! Those who didn’t agree to play this game obviously didn’t come to this party!

It turned out to be the case! As Zhou Jiajia figured it out, she was even more disgusted with Sui Guangqi. *How could this person do that? Fortunately, Yang Ming went with me yesterday. Also, he happened to have drawn the same lots like me, or else, I really wouldn’t know what to do.*

“You two, a man and a woman, staying together in a room at night; how is it that nothing special happened?” Wang Xue smiled at Zhou Jiajia.

“I... After we entered the room, Yang Ming gave me the bed. He sat on the sofa and rested... I felt uncomfortable in my lower body and wanted to take a shower... but I didn’t expect an accident to happen. Then...” Zhou Jiajia mentioned the broken water pipe, “The water used in the resort was directly from the groundwater. It contained ice in it. And, I couldn’t move because I was freezing...”

“Then, didn’t Yang Ming see everything?” Wang Xue widened her eyes and looked at Zhou Jiajia who had suffered a loss, and yet she didn’t realize it. Instead, Zhou Jiajia had an expression of blissfulness.

“*En ...* he also helped me wipe my body... He even touched there...” Zhou Jiajia shyly pointed at her chest and then lowered her head.

“*Ugh ...*” Wang Xue was speechless. *This silly girl, who was seen completely by the other while also getting touched still can be happy? Is being taken advantage of her means of taking advantage?* “You feel blissful?”

“Yes!” Zhou Jiajia nodded very hard.

“Alright, then you be blissful.” Wang Xue had to agree. She couldn’t explain and make Zhou Jiajia understand. For this kind of thing, only Zhou Jiajia, the party involved, would have a feeling of blissfulness.

“Unfortunately... After he took me to bed, he didn’t do anything...” Zhou Jiajia shook her head and was somewhat regretful.

“What else did you want to do...” Wang Xue also sighed. “Did you think that even if Yang Ming really did that with you, he can accept you? Will he be responsible for you?”
