Chapter 451: Heartbroken Zhou Jiajia

"How much did it cost?" Although Yang Ming wasn't ill, Yang Ming also knew that if he entered such a hospital, the cost won't be little.

"Not much. No need to return it to me..." Zhou Jiajia smiled.

"How can that be? This trip should have cost about a few hundred dollars?" Yang Ming asked.

"Well... more than six hundred, but it's okay. Aren't we good friends?!" Zhou Jiajia laughed.

"Hehe ..." Yang Ming laughed too. He no longer insisted on it. At this moment, he even had an illusion. *How good would it be if that incident wasn't instigated by Zhou Jiajia? Then the relationship between me and Zhou Jiajia should be closer than it was now. Although we couldn't be a couple, we should still be close friends, right?*

After stopping a taxi, Yang Ming took Zhou Jiajia back home. The car stopped at the door of Zhou Jiajia's housing community in New Town Ruixi. Zhou Jiajia looked at Yang Ming with some reluctance. She couldn't help but whisper, "Can you give me a hug..."

The desire of mankind was still the hardest to be satisfied. Although Zhou Jiajia felt that this wasn't appropriate, there was still some hope to progress further with Yang Ming.

Yang Ming was thinking about the 360-degree wide-angle ability while he was beating the little punk so he didn't hear what Zhou Jiajia said.

"En? What did you say?" Yang Ming asked.

"No... nothing. I said I'll see you the day after tomorrow..." Zhou Jiajia didn't have the courage to say it again...

"Okay, see you the day after tomorrow." Yang Ming nodded. "Once you're back, drop me a text message, just to let me know you're fine."

Although the sky was now turning bright, the people in the community were still very few. Zhou Jiajia came home so late because of Yang Ming, so he felt it was necessary to look after her.

"Okay!" Zhou Jiajia replied with excitement. *Yang Ming, are you caring about me?* Zhou Jiajia felt so happy!

"Be careful on your journey." Yang Ming nodded to Zhou Jiajia.

Zhou Jiajia wasn't sleepy at all. She returned to her home happily and picked up her cell phone. She was about to send a text message to Yang Ming, but someone tapped on her back. "Jiajia, where have you been? How come you're only back now?"

Zhou Jiajia was shocked and quickly put down the phone and turned around. "Mom, I went out to eat with my classmates..."

"I know that you and your classmates went out to eat, but how can you eat until five in the morning?" Mother Zhou asked with a solemn face, "Jiajia, have you done anything you shouldn't have?"

"Mom, what could I have done?" Zhou Jiajia frowned as if she was wronged. "My classmate drank too much, and we went to the hospital..."

"Male or female?" Mother Zhou asked seriously.

"Male... It's male..." Zhou Jiajia didn't dare to hide from her mother.

"Male? Just you and him?" Zhou's expression became serious.

"Yes... It was..." Zhou Jiajia nodded.

"Jiajia, are you in a relationship now?" Mother Zhou asked Zhou Jiajia as she glared at her daughter.

"I... I... Mom, please stop asking... I don't want to talk about it..." Zhou Jiajia was nervous.

"Jiajia, you tell your mother the truth. Yes or no?" Mother Zhou asked forcefully.

"*Ai ya*. .. Mom, what do you want? So what if I am? So what if I'm not?" Zhou Jiajia stood there with a bitter face.

"Who was that boy? What does his family do?" Mother Zhou asked.

"I don't know... What are you asking these for?" Zhou Jiajia's initial good mood began to fall.

"Why am I asking these? Isn't it for you? Jiajia, have you thought about your identity? If you want to get a boyfriend, of course, you have to find someone who complements your status! I must investigate the boy's family background!" Mother Zhou said.

"Mom, what's the point of investigating all these?" Zhou Jiajia frowned and said carefully, "In addition, I have not yet established a relationship with him..."

"No?" Mother Zhou sighed with relief. "That's good. Tell your mom who the boy is. I'll look for someone to investigate it. If he compliments you, mom won't go against it. But if he doesn't deserve you, then you can stop speaking to him!"

Zhou Jiajia's naturally knew about Yang Ming's family background. When she heard her mother's words, she couldn't help but look gloomy. She reluctantly said, "Mom, can you not care about this? I will handle it myself."

"No! My son-in-law must be the right person who has the right status, or you bring shame to your father too!" Mother Zhou said firmly up front.

"Mom, I'm tired. I have to rest..." Zhou Jiajia was helpless, but there was no other way.

At this time, Zhou Jiajia's cell phone rang. Zhou Jiajia glanced at the caller ID on the cell phone. It was actually Yang Ming's call. Her heart was excited. She just wanted to answer, but before she realized, her mother had already snatched the cell phone...

Not long after, Yang Ming arrived home and rushed for a hot bath. He washed away the smell of disinfectants and was ready to sleep. He suddenly remembered that Zhou Jiajia hadn't sent a text message to him yet!

Yang Ming frowned, *Could this little girl have gotten into any trouble?* If it was in the past, Yang Ming would be too lazy to care about her, but now it was different. Yang Ming wouldn't choose not to care about her.

He quickly got Zhou Jiajia's number and dialed it. After the call was connected, Yang Ming quickly asked, "Zhou Jiajia, have you arrived home? Why didn't you send me a text message?"

Mother Zhou just saw the caller ID on the phone. At this moment, she heard Yang Ming's tone of speech and it immediately became clear to her. It turned out that the boy who went out with her daughter was Yang Ming!

Everything becomes easier knowing the name.

"Oh? Are you Yang Ming?" Mother Zhou asked.

"En?" Yang Ming was shocked. *F*ck, could it be that unlucky? Even Jiajia is also kidnapped by others?* Thinking of this, Yang Ming immediately asked, "Who are you? Where's Zhou Jiajia?"

"I'm Zhou Jiajia's mother. Zhou Jiajia has already rested. Why are you looking for her?" Mother Zhou said

"This was the case!" Yang Ming sighed. *Zhou Jiajia probably was too tired that she fell asleep right after she went home.* Yang Ming felt relieved, "I just wanted to confirm that Zhou Jiajia was home. I am relieved."

"Oh? You really care about my family's Jiajia!" Mother Zhou said, "Just now, you and Jiajia went out?"

"Yes, auntie," Yang Ming said.

"I heard that you went to the hospital?" Mother Zhou asked, "Was there such a thing?"

"Yes, I have to thank Zhou Jiajia regarding this matter..." Yang Ming said it, and yet there was a cloud of questions in his heart. *Didn't Zhou Jiajia fall asleep? How can her mother know about my hospitalization? What's happening?*

"Alright. That's it for now, Classmate Yang Ming." Mother Zhou said as she hung up the phone.

Yang Ming shook his head and threw the phone aside. He went to bed.

Zhou Jiajia looked at her mother furiously, "Mom, how can you pick up my phone casually like that?"

"Why not? Didn't I give birth to you?" Mother Zhou said in disapproval, "I know. Isn't he called Yang Ming? I will investigate him the next day!"

"Mom, I hate you!" Zhou Jiajia snatched back her cell phone. She couldn't help it but tears starting flowing down! Zhou Jiajia felt aggrieved. *So sad, the relationship with Yang Ming finally went one step further. Yang Ming called to care for me for the first time, but I didn't receive it...*

Regarding Yang Ming's family background, it was impossible to hide it from my mother now. When my mother learns of it, she would definitely stop us. What should I do...

Zhou Jiajia went to bed, covered her head with a quilt, and cried out of grievance...

Mother Zhou sighed and said, "Jiajia, I'm doing this for you! You would understand later..."

"I don't care..." Zhou Jiajia said painfully.

"Forget it. Think about it yourself." After that, Mother Zhou left Zhou Jiajia's room.

.....

.....

Yang Ming was awakened by Yang Li's phone call. Yang Ming picked up the cell phone while complaining. Yang Li was smarter this time. She didn't call the landline at home but harassed Yang Ming directly through his cell phone.

"Hey..." Yang Ming picked up the phone with a sense of powerlessness.

"Yang Ming, why haven't you gotten up yet? Are you still going for the meal?" Yang Li asked.

"How do you know I'm not up yet?" Yang Ming questioned.

"Listening to your voice, I know you haven't woken up! At 1 p.m. in the afternoon, I will come to pick you up at your door." Yang Li said, "I won't call you again as I have an appointed schedule."

"Okay, what time is it?" Yang Ming asked.

"About ten..." Yang Li chuckled.

"F*ck!" Yang Ming almost exploded. He shouted at the phone. "Yang Li! You're saying that you would come in the afternoon at one, and yet you're calling me at ten?"

Chapter 452: The Sun Family's Young Master

Yang Li smiled and hung up the phone. Yang Ming was so pissed off that he directly turned off his phone to prevent Yang Li from harassing him again.

However, he activated the alarm clock on the phone in the switched off mode [1]. After all, he still couldn't ditch the appointment, since he really needed something from Sun Jie.

In a small-scale hotel in Xinjiang City, the two hooligans who harassed Yang Ming and got beaten by him yesterday were being scorned by a young master.

"You two pussies were pig heads? You stirred up trouble when you've just arrived? Don't you know that I, the young master, needed you all for important matters?" The young master scolded angrily.

" *Ugh* ... Sorry, Young Master Sun, we didn't expect this to happen..." The face of the hooligan was still swollen and it was coated with medicinal liquor. Yesterday, Yang Ming's slap was apparently a heavy one.

" *Hmph* , you're ruining the beauty of the city. I feel annoyed when I see you!" The young master scolded.

This young master was the young master of the Sun family, Sun Zhiwei. Yesterday, he hired two thugs from Donghai to teach Yang Ming a lesson. Why?

Originally, Sun Zhiwei didn't like to involve the underworld. His character was still relatively childish. Therefore, his methods for harassing Yang Ming had always been limited to methods in the university – using the identity of the class monitor to stir up trouble for Yang Ming or reporting him to the university lecturer.

The reason why Sun Zhiwei had also involved the underworld was, of course, due to the misdirection of others. Who was this person? Who was the sly person who likes to use this method to harass people?

The answer was apparent. Our first antagonist, Wang Zhitao, was the master of playing this kind of trick.

Last time, after Wang Zhitao learned about Sun Zhiwei's background from his father, Wang Xifan, he began to approach Sun Zhiwei with an ulterior motive. Although the two people had some friction before, Wang Zhitao was a sociable person. His sociability was exceptionally outstanding. With a few compliments, he could flatter Sun Zhiwei to cloud nine. It was also the reason Wang Zhitao was able to enter Yang Ming's class recently without being blocked by Sun Zhiwei.

Under the deliberate plotting of Wang Zhitao, the two people soon became good friends. Sun Zhiwei as a child born with a silver spoon, naturally liked to befriend a trust fund baby like Wang Zhitao. The two of them had similar tastes. Birds of a feather flocked together. After drinking a few times, they became friends who didn't hold anything back from one another.

Once after a few drinks, Wang Zhitao pretended to be drunk and began to complain, "Elder Brother Sun, do you think that I'm aggrieved?"

"What's wrong? Little Brother Wang?" Sun Zhiwei squinted his eyes since he was tipsy. "On the grounds of Song Jiang, your Wang family was more ruthless than our Sun family. Who dares to provoke Little Brother Wang?"

" *Hmph* , isn't it just Yang Ming, this kid? He is against me everywhere!" Wang Zhitao said coldly.

" *En* ? That can't be right, Little Brother Wang. Isn't your connection with Yang Ming quite good? Aren't you two high school classmates?" Sun Zhiwei glanced at him. He remembered that Wang Zhitao seemed to stand up for Yang Ming.

"Good? Well, what's good about it? It was only superficial. In fact, we have already reached the point where we can't stand one another!" Wang Zhitao said coldly, "He was a motherf*cker. I'm really a good for nothing. I was actually bullied by Yang Ming intensely!"

"Little Brother Wang, what do you mean?" Sun Zhiwei slammed on the table heroically. "Tell your brother. Let me see if there's anything I can help with!"

"Ai, there's no point mentioning it!" Wang Zhitao shook his head with a bitter smile. "Yang Ming did well in the underworld of Song Jiang. I looked for trouble for him several times before and guess what happened?"

"What's wrong? Is he so good at fighting?" Sun Zhiwei was disdainful.

"I don't know if he is good in fighting, but the punks I brought along ran away in fear after they saw that the person they needed to teach a lesson to was Yang Ming!" Wang Zhitao said exaggeratedly, "Yang Ming, during junior high school, mingled around in the underworld. He has great connections!"

"Underworld?" Sun Zhiwei sneered disdainfully, "When it comes to the underworld, then he is nothing! He is just a little punk. He has nothing worthy to put on the table!"

"Oh

?" Wang Zhitao pretended to be shocked, then he slapped his thighs. "Great! How can I forget it? Brother Sun, your family is from the underworld! Talk about getting into the underworld. Who can mess with your Sun family?"

"Hehe, you can't say that. Our Sun family is only bad*ss in Donghai!" Sun Zhiwei couldn't help but say proudly.

"Ha, the underworld is boundless. Whoever is more ruthless will be the bad*ss!" Wang Zhitao said exaggeratedly.

"Haha, that's true also!" Sun Zhiwei nodded like a dumb*ss.

"Ai, I had bad luck. Yang Ming already has a girlfriend, and he still flirts with Zhou Jiajia!" Wang Zhitao sighed, "How come I can be so unlucky? It's not easy to have a crush on a girl and yet Yang Ming obstructed it!"

"Damn! Little Brother Wang, do you like Zhou Jiajia?!" Sun Zhiwei said in surprise. Sun Zhiwei wasn't very concerned about the relationship between men and women. This side of him was underdeveloped. In fact, Sun Zhiwei was like a child who hadn't grown up.

"Yes, didn't you notice it?" Wang Zhitao also had a bitter smile, *Isn't the emotional intelligence of Sun Zhiwei too low?*

"So, it seems! Motherf*cker, this Yang Ming is so annoying! He is always against me, challenging my authority. I can't wait to beat him until his teeth scatter on the floor!" Sun Zhiwei also said angrily.

"That's right. During the time of high school, when I was the class monitor, Yang Ming was also against me everywhere. Motherf*cker, he made me mad as though my lungs were about to explode!" Wang Zhitao went along.

Therefore, the two people had a common topic. They criticized the crimes of Yang Ming together, for example disrespecting the class committee, being self-righteous, disobedient...

Finally, Sun Zhiwei slammed the table. "Little Brother Wang, you can rest assured. I will handle this! I will teach him a lesson!"

"Brother Sun, you have to be careful. Yang Ming is a gangster!" Wang Zhitao pretended to remind him kindly, but in fact, Wang Zhitao was goading him.

"F*ck, do I need to be afraid of him? There's no use for him to be bad*ss in Song Jiang. I will transfer several airborne troops from Donghai. He shall die from the beating!" Sun Zhiwei said disdainfully, "Let me see what other tricks he has!"

"Brother Sun, you're brilliant! How can you think of such a bad*ss idea? You're a giant among men. You will be a ruthless person in the future!" Wang Zhitao complimented.

" *Haha* , most probably..." Sun Zhiwei nodded and smiled in enjoyment.

Hence, Sun Zhiwei transferred a few men from his family in Donghai over here. Of course, it was definitely not approved by his uncle, so he only looked for people privately.

However, the young master of the Sun family spoke up, and the underlings below the hierarchy had to respond with respect. So, they sent two hired thugs to Song Jiang. They were the two little gangsters who had a conflict with Yang Ming yesterday.

Unfortunately, they were beaten to the ground before they even saw Yang Ming's face clearly. However, this incident made Sun Zhiwei mad. *You came to Song Jiang to deal with my matters. It hasn't been resolved and yet you ran around and looked for others for a fight?*

These two people didn't dare to tell the truth of the matter, or they would lose their honor in front of the young master. So, they compiled a reason saying that they were provoked by a group of punks in Song Jiang. They fought out of anger. Due to the enemy's overwhelming manpower, they were hurt.

"We were also fighting for the reputation of Donghai's gangsters. We couldn't be looked down by the gangs of Song Jiang!" Little Bunk B said, "We didn't want to bother with them. But, we gave them an inch and they took a mile and said that the gangsters of Donghai were spineless cowards... We thought deep in our hearts that the underworld of Donghai is represented by your family, so fought them out of anger..."

"Motherf*cker, you beat them up real good! You two are honorable even in defeat!" Sun Zhiwei listened to their explanations, and his anger dissipated. *After all, they fought out of my own family in Donghai.* Hence, he forgave them. "Well, since that's the case, in the evening, I will treat you to a feast in a hotel! Let's forget about what happened yesterday!"

"Thank you, Young Master Sun!" The two men breathed a sigh of relief at the same time.

"You work for me. I won't treat you badly!" Sun Zhiwei said, "Don't worry. I will remember you after the matter is settled with. There won't be any shortage of benefits for you both in the future!"

"Thank you!" The two of them said excitedly at the same time.

Wang Zhitao was very proud of himself. *I succeeded in transferring the conflict to Sun Zhiwei. According to my father, Sun Zhiwei's family background is much more powerful than my own family. If that's the case, then let him fight with Yang Ming and I will reap the benefits like the third dog who runs away with the bone while two other dogs fight for it!*

Isn't there a saying? The mantis stalks the cicada, unaware of the oriole behind. Wang Zhitao thought that he was the oriole! *In the novel, I'm like the criminal behind the scenes, the most ruthless and the most bad*ss existence...*

Thinking of this, Wang Zhitao couldn't help but be proud of himself. *Haha, Wang Zhitao, you really are a knife that kills people without bloodshed!*

Chapter 453: There Is a Problem

Wang Zhitao was now used to communicating with his father. Wang Xifan, when he saw that his son was so sensible, was very pleased and began to teach the operation of the business group slowly to his son.

"Dad, I have successfully diverted the conflict of Yang Ming to Sun Zhiwei according to your meaning. Now, I will watch them battle!" Wang Zhitao said as if he was taking credit for it.

"En, it's done well. Did Sun Zhiwei have any doubts about it?" Wang Xifan nodded and asked.

"That kid was like a stupid X. It's fine!" Wang Zhitao smiled and said, "There was also a conflict between him and Yang Ming. Even without me, he would definitely fight Yang Ming!"

"That's good. Don't get into trouble." Wang Xifan nodded. "You also know that the Sun family isn't easy to deal with."

"Hehe, Dad, you can rest assured that the young master of the Sun family is like a fool. Based on my relationship with him now, he won't doubt anything." Wang Zhitao laughed.

"I didn't notice that you, kid, are actually capable, and can make it so clear with the young master of the Sun family!" Wang Xifan said with a smile, "Great! I'm very optimistic about your people skills. I will rest easy in passing my business to you."

Wang Zhitao smiled happily as he got his father's affirmation which meant that he could grasp the company's affairs as soon as possible. Then he will become rich soon.

Although Wang Xifan had now begun to cultivate Wang Zhitao intentionally, he still didn't want to tell him about the smuggling business at home. It wasn't time yet. These kinds of things had to be done slowly.

.....

At 12:30 p.m., Yang Ming's cellphone's alarm clock rang. Yang Ming stretched out and pressed the phone's alarm and then turned on the phone.

He got up and washed his face while his head was still dizzy. Probably there were some stimulants in the hangover medicine. Yang Ming didn't fall asleep immediately after going to bed. He had suffered a long time before he could fall asleep.

"Big Ming, remember what I said yesterday?" Yang Ming just came out of the bathroom, and he met Yang Dahai all of a sudden.

"Dad, are you talking about Sun Jie?" Yang Ming smiled bitterly. "I remember. You can rest assured!"

"En, I'll tell you this. I will call your older sister to verify it." Yang Dahai said.

"Okay..." Yang Ming said helplessly. His dad's thoughts were more conservative, so there were more interventions in these matters. Yang Ming had no other way.

Yang Li was punctual. At 12:50 p.m., Yang Ming received her call. "Yang Ming, I'm here. You come downstairs!"

"Okay, I'm going down." As Yang Ming hung up the phone, he picked up the gift he bought in Hong Kong for Sun Jie and went downstairs.

Today, Yang Li was driving Sun Jie's Audi R. Yang Ming was a little surprised, "Doesn't this car belong to Sun Jie? Why are you driving it?"

"Hehe, I have been driving her car recently. When she returned to Donghai, she was taking her family's car. Then she passed me this car." Yang Li said proudly, "The performance of this car is so good!"

"Bullsh*t, look at how expensive it is!" Yang Ming rolled his eyes and got in the car.

Yang Li closed the car door and started the car. "Pick up Sun Jie with me at her company."

"She's back?" Yang Ming asked.

"En, she said that she will reach the company at 1:30 p.m. We will reach there about that time." Yang Li said.

Yang Ming nodded and didn't say anything. He was a bit worried now. He didn't feel confident about Yang Li's driving skills.

However, Yang Li's technique was obviously good, and the Audi R was very well controlled in her hands.

When they were approaching Sun Jie's company, Yang Ming's phone rang. He took it out and it was actually Sun Jie's call! Yang Ming didn't think much. He picked up the phone and said, "Hello, we will be there soon. Wait a bit!"

"What?" Sun Jie was somewhat inexplicable. "Are you mistaken? I'm Sun Jie!"

"En?" Yang Ming was also somewhat inexplicable. "Yeah, you are Sun Jie!"

"Yeah, why did you say you're coming soon?" Sun Jie asked, puzzled. "I'm back in Song Jiang. Weren't you looking for me? When are you coming?"

"In a moment!" Yang Ming said, "I'm coming soon!"

"Now? It seems that it isn't possible today. Today, Yang Li wanted to catch up with me. Can you change to another day?" Sun Jie said.

"Sweat ! Yang Li and I are on the way to your company!" Yang Ming said, "Do you want me to jump out of the car now?"

"What? You and Yang Li are coming together?" Sun Jie was surprised. "So you already knew that I was back today?"

"Yeah, do you still want to give me a surprise so I could be excited for you?" Yang Ming joked.

"En , I had this plan. But since you are here, never mind then. I have already arrived at the company. You and Yang Li can go to the office and look for me. I won't call her. You tell her for me." Sun Jie said.

"Okay, I know." Having hung up the phone, Yang Ming looked at Yang Li in confusion. "You didn't tell Sun Jie that I was coming?"

"It was Sun Jie's call to you just now?" Yang Li didn't answer to Yang Ming's question, but instead, she asked suspiciously.

"Yeah, Sun Jie said that she has reached the company. She won't call you and asked me to tell you that we should go to her office to find her soon." Yang Ming said.

"Problem! There is a problem!" Yang Li suddenly sighed. "Yang Ming, did the pretending turn into reality with Sun Jie?"

"What pretending turn into reality?" Yang Ming was stunned. He was feeling anxious. *Can Yang Li's vision be so sharp? She can notice anything?*

"With Sun Jie!" Yang Li said, "I feel that your relationship isn't as simple as ordinary friends."

"Of course, we weren't ordinary friends. We are good friends!" Yang Ming acted stupid.

"I'm not discussing this with you. I'm going to pick up Sun Jie from her company. You said that after she arrived at the company, the person she called wasn't me, but you. Isn't this a problem?" Yang Li pouted her mouth and spoke.

"Ah ?" Yang Ming listened to Yang Li's analysis. He was stunned. He had never thought about this before. Now he had a slight touch in his heart. *It seems that Sun Jie still takes my own things seriously!*

However, Yang Li's analysis... hehe. Only Yang Ming knew that although he and Sun Jie had had something, Sun Jie's current attitude toward him was just a good friend. They didn't have similar intimate contact.

"What's wrong? Why did you stop talking? Did I get guess it right?" Yang Li's mouth tilted slightly.

"Forget it. Don't think of such useless things. It's just that my matter is more urgent!" Yang Ming shook his head and explained, "Besides, I already have a girlfriend. Don't you know?"

"Men are promiscuous... Don't think I don't know. My boyfriend sometimes looks for a mistress too!" Yang Li snorted.

"..." Yang Ming smiled bitterly, "Don't guess blindly. If you don't believe me, you can ask Sun Jie later."

"I intend to!" Yang Li nodded.

Yang Ming wasn't afraid of letting her ask. Yang Ming knew Sun Jie's character. She wouldn't say anything. Moreover, there were some things that really couldn't be said!

Yang Li had observed Yang Ming for a long time. Only when the traffic signal turned green that she turned back her head and drove. "It seems that there is really nothing. Did I guess it wrong?"

"You guessed it wrong from the beginning!" Yang Ming said, "How long have I known Sun Jie and would Sun Jie accept me?"

"This is also true!" Yang Li immediately nodded after listening to Yang Ming's words. "Sun Jie's background is much better than yours!"

"Are you degrading your family?" Yang Ming said helplessly.

Although Yang Li was grateful to Yang Ming in her heart, she still couldn't help but bicker with him. However, Yang Ming didn't mind. Brothers and sisters should be like this. At least Yang Li had changed her arrogant attitude.

It was because they were driving Sun Jie's car that they were able to go directly to the underground parking lot under Sun Jie's company. The security guards there knew this car and didn't stop it.

Together with Yang Li, Yang Ming went to the elevator and came to the floor where Sun Jie's company was located. Yang Li was very familiar with this place. Because of Yang Li's misunderstanding, Yang Ming pretended to be not familiar with the place and followed behind Yang Li.

Otherwise, Yang Li might think I have been here a few times!

Walking into Sun Jie's office, Yang Ming saw Sun Jie without makeup and couldn't help but shine his eyes. The original Sun Jie was wearing a mature and sexy dress. Today she was wearing a cute outfit. She was wearing a small cotton suit with a beige belt and gold buttons. She was wearing dark brown woolen trousers, plus a pair of cute little cotton shoes. It was literally a youthful girl's costume.

Chapter 454: I Like It Very Much

"Sun Jie, your outfit seems very special today." Even Yang Li was shocked. Did Sun Jie have a major revamp of her character?

"Don't mention it. My dad thinks that I am getting older. He's urging me to get married soon therefore, I can only dress myself younger..." Sun Jie smiled bitterly.

"Aren't you going back to school? Why marry?" Yang Li asked curiously.

"Graduate students can get married..." Sun Jie shook her head. "Ai, let's stop talking about this! Yes, Yang Li. Why didn't you tell me that you were bringing Yang Ming over?"

"To give you a surprise!" Yang Li pretended to say it casually, but her eyes were staring at Sun Jie. She wanted to see if Sun Jie had any special reaction.

However, Sun Jie smiled very naturally and said, “How can that surprise me?! Isn’t this kid just requesting me to do something for him?”

” *Oh ? He really wanted to request some things from you?!*” Yang Li listened to Sun Jie’s words and dispelled her suspicion. *Maybe Yang Ming and she really have nothing.*

How would Yang Li know that Sun Jie’s heart was a little surprised just now too? *Did Yang Li see through something?* However, Sun Jie’s ability to adapt wasn’t comparable to that of the average person. It wasn’t an exaggeration to say that she was a little fox [1]!

“Aren’t you requesting something from me? Pass me my gifts!” Sun Jie didn’t evade anything. The more she avoided, the more it would make Yang Li think that there was a problem. She might as well act generously.

“Who would be like you, requesting a gift when you meet?” Yang Ming handed over the gift that he had prepared for Sun Jie.

” *Hehe , I will accept it first. Thank you.*” Sun Jie took the gift from Yang Ming and left it on her desk.

“Why don’t you open it?” Yang Ming asked.

” *Hehe , you must have bought a gift for Yang Li too, right? If I have a better gift than her, she will be jealous. So, I will peek at it when no one is around...*” Sun Jie smiled.

“...” Yang Ming was speechless. *This Sun Jie, she’s behaving like a child. Could I have encountered a ruthless person with a multiple personality disorder?*

“Sister Sun Jie, open it quickly and let me see...” Yang Li couldn’t resist her curiosity. Especially when Sun Jie said it that way, the more curious she became.

“No, you will be jealous of me...” Sun Jie shook her head.

“Just take a look! I won’t rob you!” A light bulb went off in Yang Li’s head as she suddenly said, “I know. You must be afraid that your gift won’t be as good as mine, so you dare not open it!”

” *Hehe , you are using reverse psychology!*” Sun Jie smiled. “Since you insisted on taking a look, then I shall satisfy your curiosity! Yang Ming, you won’t let me down, right?”

Yang Ming was dumbfounded. He really couldn’t understand what the girls were thinking! The noble and savvy Sun Jie also had a cheeky side.

The wrapping paper was taken apart and it was a set of jewelry. This was what Yang Ming bought for Sun Jie especially. There was more thought put into it, unlike Yang Li’s handbag which was simply bought at the mall.

” *Wow ! It’s so beautiful!*” Yang Li exclaimed. Any woman had a natural fondness for jewelry. Yang Li was no exception. “I say, Yang Ming. Could you be using a counterfeit to fool Sun Jie?”

Sun Jie can see that these jewels were the real goods at a glance. Moreover, the price wasn’t cheap. It was also very much like her own style. It seemed that Yang Ming had spent a lot of time preparing this.

One of the brooches here was very similar to the one that she wore when she first met Yang Ming. *Yang Ming can remember such small details and pick a personalized gift.* Sun Jie felt very touched...

Moreover, the brooch was only worn once and Yang Ming actually remembered it very clearly. This showed that Yang Ming didn't simply consider herself as a one-night stand.

"Is the bag I gave you a counterfeit?" Yang Ming looked at Yang Li with confusion and rebutted.

" *Hmph* ! Yes, Sister Sun Jie, can you help me see if this bag is genuine or counterfeit? Is it a counterfeit from the street stall?" Yang Ming reminded Yang Li that the reason she brought the bag he gave her over here today was to let Sun Jie determine whether this was genuine or counterfeit.

" *Oh* ? What bag?" Sun Jie took the handbag that Yang Li handed to her. This was an LV bag. Sun Jie started examining it.

Yang Ming just realized that Yang Li's bag was the one he gave her! Maybe it was because he didn't care much, so he didn't pay attention to it at all.

"It's genuine. It's definitely genuine." Sun Jie returned the bag to Yang Li. "This is a limited edition. We don't have any here. It seems that Yang Ming is really your brother! He just gave me something that appeals to all... not as good as yours..."

"Really? *Hehe* ... Who made me his big sister?" Yang Li immediately said after listening, "Yang Ming, thank you!"

"You're welcome..." Yang Ming was a little depressed. *This Sun Jie, what's she thinking? Her words really hurt people. Yang Li's limited edition bag is the one that I bought casually...*

"Let's go. Let's go eat! I am a little hungry," said Sun Jie as she put Yang Ming's gifts into her handbag.

"What do you want to eat? Today we are welcoming you! It's Yang Ming's treat!" Yang Li said very generously.

" *Huh* ?" Yang Ming was stunned as he looked at Yang Li.

" *Hehe* , younger brother, you seem to be very rich. An LV bag here and a few pieces of jewelry there. I remember that the salary of uncle and aunty isn't a lot..." Yang Li sneered.

"Forget it. I lose. I'll treat. Please don't sell me out and talk about it..." Yang Ming was really afraid that she would simply talk to her parents.

"A favor for a favor, let's see how you perform!" Yang Li laughed.

"Let's go. What do you want to eat? My treat!" Yang Ming shrugged, but he wasn't upset. He still liked Yang Li this way. She was more like a family member now!

Although Yang Li gave a bad impression to him before, relatives were relatives after all. This was decided when everyone was born. It couldn't be changed. Therefore, if they could repair the relationship with one another, Yang Ming was still very happy. He believed that his parents would be happy to see Yang Li and him as they were now.

"I heard my brother says that there is a store in Song Jiang called Lin's Boiled Fish. Would you like to try it?" Sun Jie suggested.

"We'll follow whatever you say today." Yang Ming hadn't expressed anything and Yang Li said it first.

The three people went downstairs together and went to the parking lot. Yang Li looked at the Audi R's key in Sun Jie's hand. She couldn't help but say, "On the way to dinner, can you let me drive it for a while?"

"Hehe, okay!" Sun Jie nodded with a funny look, "Then I'll drive my company's car."

"Yes. Yang Ming, whose car are you sitting in?" Yang Li asked.

"I'll go with Sun Jie. I have something to ask her." Yang Ming said.

"Well, then I won't bother you both. See you at the entrance of Lin's Boiled Fish!" Yang Li said.

"Do you know how to get there?" Sun Jie asked strangely.

"Of course, I know. It's just on the way to my college! It's newly opened. Very hot!" Yang Li said.

"Alright, we probably won't be able to catch up to your car." Sun Jie smiled.

Yang Li went ahead. Yang Ming and Sun Jie got into a BMW X which was used by Sun Jie's company to create a better impression.

"Thank you." Sun Jie started the car and said to Yang Ming, "I like the gift very much."

"Really?" Yang Ming was stunned. "Hearing your tone just now, I thought you didn't like it!"

"Oh, why? Depressed?" Sun Jie smiled.

"How could I not be? Yang Li's bag was simply bought at the mall. Your jewelry required a lot of thinking!" Yang Ming didn't know why, but his left hand went to touch Sun Jie's lap unconsciously...

"Take that hand away!" Sun Jie snorted. "Don't be like this in the future. I have said that it was an accident... Now Yang Li has probably seen through something!"

"Now she can't see anything!" Yang Ming smiled, but he didn't mean to take his hand away.

"I'm driving. If you want to die, leave it there." Sun Jie said with some helplessness.

"I believe in your driving skills." Yang Ming smiled and said, "Did you miss me?"

"Miss you for what?" Sun Jie asked, "Yang Ming, your current practice makes me feel very disgusted. I have said that was an accident. Are you thinking of a second time?"

"What first time or second time? What are you talking about?" Yang Ming spoke to her as if he didn't know anything. "I think the way we are now is good..."

Yang Ming saw through Sun Jie's words that she didn't really dislike him. Otherwise, with her personality, it would be impossible for Sun Jie to let him take advantage of her this way. Or Sun Jie was now immune to him.

"..." Sun Jie was speechless. She took away her hand from the steering wheel and slammed it on Yang Ming's hand...

" *Pa* !" Sun Jie slapped her own lap and it hurt her so much that her mouth twisted...

Yang Ming's eyesight was generally above average. When he saw that Sun Jie wanted to slap him, he quickly pulled his hand back so Sun Jie ended up slapping herself.

"Yang Ming!" Sun Jie shouted angrily.

Chapter 455: You Are & Me Too

"What's wrong?" Yang Ming looked at Sun Jie innocently.

"What's wrong? Who let you take it away?" Sun Jie glared at Yang Ming angrily. "Put it back!"

" *Huh* ?" Yang Ming was shocked, *Put it back*? Looking at Sun Jie's thigh, Yang Ming put his hand back with a bitter smile.

"You aren't allowed to take it away!" Sun Jie said immediately.

"Well... then I will just put it there..." Yang Ming thought to himself. *This is what you said. When the time comes, don't blame me for taking advantage of you!*

" *Pak* " Sun Jie slapped the back of Yang Ming's hand and then frowned. "Why is it so hard? Is it an iron hand? It hurts!"

"..." Yang Ming was speechless. *It seems Sun Jie was up for this! The magnitude of strength is relative, but often it is the fragile side which suffers more! I use my hand to punch the tree, so, of course, there's no pain. But, Sun Jie's fine skin isn't quite the same.*

"How come you aren't hurt?" Sun Jie looked at Yang Ming's wooden expression and she couldn't help but ask.

"It hurts... It hurts me a lot..." Yang Ming frowned a little out of amusement and pretended to be in pain.

" *Hmph* !" Sun Jie naturally knew that Yang Ming was pretending. She couldn't help but complain, "Well, stop playing around. Hurry up and take it away!"

"You asked me to put it on top and never take it away..." Yang Ming said as if he was confused.

"Why didn't you listen to me when I asked you to take it away?" Sun Jie asked.

" *Hehe* !" Yang Ming was actually almost satisfied with caressing it. *If I caress it any further, I will have a physiological reaction. At that moment, I won't be able to deal with it and it will be much more uncomfortable! That will be playing with fire!*

Yang Ming took his hand away and laughed mischievously.

"Aren't you looking for me for something? Can you tell me now?" Sun Jie rolled her eyes toward Yang Ming. Then, she put away her joke-like charm and replaced it with a serious expression.

Yang Ming saw that Sun Jie changed her facial expression abruptly. He couldn't cope with such a sudden change. It was faster than the face-changing master! He hesitated for a while before saying, "I want you to help me look for a person in Donghai..."

"Who are you looking for?" Sun Jie asked.

"My junior high school teacher – now he seems to be doing business in Donghai." Yang Ming said.

"Inquire about your junior high school teacher?" Sun Jie found it a bit strange. "Why are you looking for him? Did he treat you very well?"

"*Hmph*, on the contrary, I'm looking for him for revenge." Yang Ming said coldly.

"Revenge? Are you serious, Yang Ming? You're so petty?" Sun Jie found it amusing. "How many years ago? It's already ancient history. Why are you looking for him for revenge now? Are you fooling me around?"

"I've only found out about something recently. Something that makes it absolutely impossible for me to forgive him!" Yang Ming sneered and said, "If I don't make him suffer a little bit, I won't feel comfortable in my heart."

"What makes you hold the grudge?" Sun Jie asked.

"..." Yang Ming sighed and hesitated for a long time before saying, "My first love..."

Yang Ming told Sun Jie about the matters between him and Su Ya... Yang Ming didn't intend to hide anything. *At this moment, I'm asking Sun Jie to help me find someone. If I don't tell the truth, Sun Jie will definitely hold something on me.*

"It turned out to be like this..." Sun Jie was emotional after listening to it. The first love was so pure and so flirtatious... *It's a lot better than my own relationship failure.* Sun Jie couldn't help but admire it.

"I want to find him and ask where the letters that Su Ya wrote to me are..." Yang Ming shook his head. "Although I know that the chances of him keeping the letters are almost non-existent, I still don't want to give up. I must confirm it personally..."

"It's hard to tell that you are quite infatuated with your love." Sun Jie mediated the atmosphere and changed the topic. "In the past few years, you didn't find a girlfriend again?"

"*Sweat ...*" Yang Ming was guilty of it. "Does having a girlfriend have anything to do with this?"

"You're a playboy!" Sun Jie glared at Yang Ming and said, "When I asked this question, I remembered your performance in the bathroom. It's impossible for you to never have a girlfriend!"

"It was my first time with you..." Yang Ming smiled.

"That's my first time with you too..." Sun Jie was apparently saying the truth. She didn't lie to Yang Ming, but Sun Jie also heard Yang Ming's hidden words in the line! He said that "with her" it was the first time. *Isn't that nonsense or else, you want to have a second time or third time?!*

"We're both in the same boat..." Yang Ming naturally didn't believe that his affair with Sun Jie was the first time. So, he thought that Sun Jie meant the same thing like him, referring to the case between him and her...

"I can help you to inquire about this person, but you have to give me his photo. Even if there's no photo, you have to describe his physical characteristics to me! Otherwise, where do I look for the person?" Sun Jie said.

"I have a photo here." Yang Ming took out the photo he prepared beforehand and handed it to Sun Jie.

"It's easier with the photo, but the premise is that this person is really in Donghai. I will instruct others to try and find him for you. But, if I can't find him, don't blame me." Sun Jie nodded and placed the photo into her bag.

"How can that happen? If you can't find him, then forget it. I will think of other ways." Yang Ming said.

"Alright, I will contact you if I have any news." Sun Jie said.

"Thank you..." Yang Ming said sincerely.

"Forget it. Thank me again when I find the person..." Sun Jie smiled.

Sun Jie's car apparently had electronic navigation, so they came to the entrance of Lin's Boiled Fish on the road toward the university very quickly. Although it was a newly opened store, it had obviously been included in the electronic map which indicated the popularity of this restaurant.

From a far distance, Yang Ming could already see the Audi R driven by Yang Li was parked in the parking lot at the entrance. Sun Jie also parked the car in an empty space, and then she took out her cell phone and called Yang Li.

"Where are you? We have arrived." Sun Jie said.

"I'm on the second floor, room 208. Just come up!" Yang Li said.

It was incredible that Yang Li could book a private room without an appointment in such a popular place! Looking at the diners in the hall, Yang Ming couldn't help but wonder.

In fact, when Yang Li asked for a private room, the waiter told her that there were none left. However, Yang Li actually requested to speak with the lobby manager. After the lobby manager came, Yang Li mentioned that her uncle was Bao Sanli. When the lobby manager heard it, he quickly found someone to arrange a private room...

This method was frequently used by Yang Li, and it had been successful many times!

When they came to the room upstairs, Yang Li was looking at the menu. When she noticed Yang Ming and Sun Jie come in, she handed the menu to Sun Jie. "Today is a treat for you. Just order."

"I am also here for the first time. Give me a few specialty dishes." Sun Jie said to the waiter.

"Okay." The waiter nodded and ordered a few signature dishes of the restaurant, and then asked, "Do you want any drinks?"

"We won't drink because we drove here." Sun Jie waved her hand, "Give me juice."

"Fresh orange juice, pineapple juice, peach juice, and bottled Huiyuan juice [1]. What do you want?" The waiter asked.

"Orange juice, please." Sun Jie said, "What about you, Yang Li?"

"I want peach juice." Yang Li said.

"What about this gentleman?" The waiter asked Yang Ming.

"Tea..." Yang Ming said.

"*Haha ...*" Yang Li couldn't help but laugh after hearing it. "Are you unwilling to spend the money?"

"Damn, what are you looking at? Didn't you notice there's a cup of chrysanthemum tea with crystal sugar on the menu?" Yang Ming also knew that Yang Li was joking and didn't get angry. It was because Yang Li's tone didn't carry any intention of ridicule, but just the feeling of joking. Yang Ming could also see from her eyes and felt Yang Li's transformation. Yang Ming found it incredible. In just one day, it could actually change a person's personality...

Even the waiter couldn't help but smile, as he remembered what they wanted and left the private room.

"Yang Ming, why do you drink tea? Having boiled fish with tea, isn't that weird?" Sun Jie found it a bit strange.

"I drank too much last night and I didn't sleep well. I need some tea to refresh my mind..." Yang Ming smiled bitterly.

...

"Song Jiang's boiled fish is outstanding. Today young master is taking you two to taste it!" Sun Zhiwei spoke to his underlings from Donghai.

"Thank you, Young Master Sun!" The two people said quickly.

"My car can't fit so many people. Let's walk there." Sun Zhiwei's Porsche was a two-seater. "It's right in front of the college and it recently opened. It's called Lin's Boiled Fish! Both of you are blessed!"

"Yes, we'll follow Young Master Sun and, of course, it will be great!" The two people complimented him.

So, Sun Zhiwei took his two underlings and went to Lin's Boiled Fish...

Chapter 456: An Encounter in the Restaurant

"Give us a private room!" As soon as he entered the door, Sun Zhiwei's underling A told the waitress of Lin's Boiled Fish.

"Sorry, sir, there are no private rooms now. Is the booth upstairs ok with you?" The waitress said with apologies.

"None? If not, can't you find one? Do you know who I am?" Underling B was immediately angry, but when he said this, he remembered that Sun Zhiwei was beside him. So he quickly changed his words, "Don't you see our young master here? Hurry up. Find a private room!"

"Sir, there is really no private room available..." How would the waitress know who Sun Zhiwei was? She repeated as she was in a dilemma.

"Damn, do you want to this restaurant to be closed down?" Underling A saw that the waitress didn't pay respect to him and was unhappy. "We are people of the Sun family. Do you know?"

"Sun Family? What Sun Family?" In Donghai, when mentioning the Sun Family or Tian Family, basically all the entertainment venues would give face. However, in Song Jiang, no one would know about the Sun Family, let alone give face.

"Damn it. Are you courting death?" Underling B looked as though he was going to grab the neck of the waitress.

"What's wrong?" The lobby manager saw a conflict and quickly came over. "What happened?"

"Manager, they want a private room. I said there weren't any and then they wanted to beat me..." The waitress said, aggrieved.

"Sir, we really don't have a private room here..." The lobby manager said, "How about going to the booth on the second floor? We can give you a 10% discount..."

"Motherf*cker, do you think that I lack money?" Underling A yelled, "Hurry up. Stop wasting time. Having our young master to come to eat here is giving face to you. If you still tell me nonsense, I will dismantle your restaurant. Do you believe me?"

The lobby manager only had a bitter smile. *Why do all the ruthless people want a private room today? Just now, it was someone who knew Bao Sanli. Now, although they have not mentioned who they were, they don't look like kind people.*

Doing business was about solving conflicts to earn money. Facing such an incident, the lobby manager didn't want to have a conflict with him. After all, the restaurant had a lot of guests now. It's not good to disturb the other guests enjoying their meal because of this. So he said helplessly, "Well since you have said this, I have to give face to you. The internal reserved room of our restaurant will be given to you. Upstairs, Room 209. Xiao Gao, you show them the way."

The lobby manager instructed the waitress, and she nodded.

"Good, you know what to do!" Underling B nodded and said to Sun Zhiwei, "Young Master Sun please..."

Sun Zhiwei nodded with satisfaction. He was very satisfied with his underlings' actions. He felt respected.

Upstairs, Room 209. Sun Zhiwei picked up the menu and started ordering food. Naturally, he didn't ask what his underlings wanted to eat. It's already glorious for the underlings to eat with Young Master Sun. They wouldn't care about it!

When Sun Zhiwei ordered the meal, he returned the menu to the waiter. "Okay, I want this! Three sets of each!" Sun Zhiwei didn't care about the feelings of the two men since they would eat anything, so he ordered three sets.

The two underlings felt honored. Sun Zhiwei didn't consider them as outsiders. They were eating the same meal as the young master. It seemed that they will have great fortune if they work under the young master!

Private room 208.

Soon, the boiled fish was served. After eating for a while, Yang Ming got up and went to the bathroom. Such a big restaurant but the toilet wasn't big. There were no urinals for men. There were only separately partitioned toilets. Yang Ming waited for a long time before he could go to the toilet. When he unzipped his pants, he heard someone knocking at the door. "The person inside, can't you hurry up? Why are you so slow?!"

"Why are you knocking? I just came in!" Yang Ming was scared by this. His hand trembled and the urine almost dripped on his trousers. He replied with some anger.

"Hurry up! I'm going to die!" Sun Zhiwei said hurriedly. When he went out, he drank a beverage without going to the toilet. After ordering the meal, he had the urge to pee. Sun Zhiwei quickly ran to the toilet. When he reached the toilets, he didn't expect them to be full!

So, Sun Zhiwei quickly started to knock on the door, otherwise, he would piss in his pants!

Yang Ming was impatient so he looked at the person outside with the x-ray vision. He couldn't help but get stunned. *Isn't this the annoying Sun Zhiwei? He also came here to eat? Such a coincidence!*

Yang Ming zipped his trousers and wondered how to teach this guy a lesson. Yang Ming was frightened by him just now. He didn't want to let Sun Zhiwei go.

Looking at Sun Zhiwei standing by the door, Yang Ming gently opened the latch on the door, and then pushed the door outwards. "Pa ", the door panel slammed on Sun Zhiwei's face. His nose was bleeding directly and he felt dizzy.

"Ei ? Isn't this the class monitor?" Yang Ming said with a puzzled voice, "Why are you here?"

"Yang... Ming..." Sun Zhiwei was so angry that his eyes were smoldering fire. After being slammed by Yang Ming, Sun Zhiwei couldn't control it and pissed in his pants!

"Don't you want to go to the bathroom?" Yang Ming pretended not to see it and said, "Then go quickly, I will leave first..."

As Yang Ming said this, he turned and left the bathroom. Sun Zhiwei was so angry that he gnashed his teeth, rushed to the door of the bathroom, and watched Yang Ming return to room 208. Sun Zhiwei's blue veins were exposed and said ruthlessly, "Yang Ming, we are really destined enemies. Today, I won't let you walk out of the door of this restaurant!"

Sun Zhiwei pissed in his pants, so he didn't go to the toilet. Fortunately, it was winter now. Sun Zhiwei wiped the urine stains on his trousers. From the outside, others couldn't see that he was ashamed, but his pants were wet. He was uncomfortable.

Sun Zhiwei returned to the private room with an angry expression. When the two men saw him, they immediately became surprised. They quickly asked, "Young Master Sun, what happened to you? Who made you angry?"

"Motherf*cker, Yang Ming, I'll kill you!" Sun Zhiwei said while clenching his teeth, "Didn't I ask you two to do something? Here's your chance! Help me to beat someone. Just beat him up so badly that he won't even recognize himself!"

"What kind of person?" Underling B was inexplicable. *Why would Young Master Sun want to beat up someone after coming back from the toilet?*

"Just next door, private room 208!" Sun Zhiwei said, "Follow me. Damn it. I'll kill him!"

"Yes, kill him! Young Master Sun, we will do as you wish!" They quickly expressed their loyalty.

With the two bodyguards around, Sun Zhiwei wasn't afraid of Yang Ming. In fact, Sun Zhiwei wanted to trouble Yang Ming when he was in the bathroom, but he was afraid that he wasn't Yang Ming's opponent and would be beaten up by the guy. So he came back to call for help.

The three men walked out of the private room and came next door to private room 208.

"Should we knock on the door?" Underling A asked.

"Knock your head!" Sun Zhiwei glanced. "Just smash the door!"

"Alright!" After listening, underling B threw a forceful kick and the door of private room 208 was smashed open directly.

"Beat him up! It's him!" Sun Zhiwei entered the private room, and pointed arrogantly at Yang Ming and yelled.

Yang Ming was eating fish. He was enjoying the taste of fish bone in the mouth. Suddenly he heard a loud noise from the door and then Sun Zhiwei rushed in!

Are you crazy? Yang Ming rolled his eyes and glanced at Sun Zhiwei. "You stay away from me. You pissed in your pants just before. Don't come near me. I'm eating now!"

"Eat your head!" When Sun Zhiwei heard Yang Ming publicly reveal his shameful incident, his face was so angry that it turned purple. He swiped at the table with great strength, and the dishes were all over the place.

When Sun Zhiwei rushed in, he only paid attention to Yang Ming. He didn't see Sun Jie and Yang Li on the side.

"*Pa !*" Yang Ming stood up and slapped Sun Zhiwei's face. "Are you courting death?"

“You dare to hit me? I tell you – I’m from the Sun family in Donghai!” Sun Zhiwei didn’t expect Yang Ming to actually hit him first. He immediately threatened Yang Ming. “Do you believe that I can kill you?”

“Trying to act like a bad*ss?” Yang Ming glared. “This is Song Jiang, not Donghai! If you try to be bad*ss again, I will kill you!”

Yang Ming wasn’t the same as before. No matter what kind of person you are, in Song Jiang, Yang Ming was the boss. Even if you are powerful in Donghai, you’re nothing here!

“You two, what are you looking at? Hurry up and beat him!” Sun Zhiwei saw that his two underlings were standing still like fools. They didn’t intend to help, so he was anxious at once.

“Sun Zhiwei, have you had enough trouble?”

Chapter 457: They’re Actually Siblings?

“Sun Zhiwei, have you had enough trouble?” A fierce voice came through, like a pot of cold water was just poured onto Sun Zhiwei’s head.

” Hey ?” Sun Zhiwei was shocked and stunned. He raised his head immediately and saw a sullen Sun Jie and got scared to a point where his leg shook, “Sister... why are you here...”

When the two underlings entered, they saw Sun Jie. Therefore, they didn’t dare to create trouble out of fear. But they didn’t dare to say anything to remind Sun Zhiwei, so they could only stand to the side like dummies.

Only Sun Zhiwei’s blind eyes didn’t see his sister.

“Why am I here? Look at yourself! What are you now? Rush into someone else’s private room to beat up people like that? Do you think you are a gangster?” Sun Jie frowned and scolded, “What the hell is going on?”

“Sister... I am... I just wanted to teach Yang Ming a lesson. It wasn’t directed at you...” Sun Zhiwei explained.

“Yang Ming is my friend. Whatever you direct at him is directed at me!” Sun Jie shouted with disappointment, “What conflicts do you have with Yang Ming?”

At home, Sun Zhiwei feared Sun Jie and his uncle the most. So, at this moment when he heard Sun Jie’s reprimand, he didn’t dare to express himself and just bowed his head down. He didn’t even dare to look directly at Sun Jie.

“Speak! Why don’t you talk?” Sun Jie said coldly, “You are really capable. Still claiming yourself as a Sun family member. You’re throwing the face of the Sun Family away! Others will think that our grandchildren are all rogues!”

"Sister... I... I was wrong..." Sun Zhiwei whispered.

"Only now you know that you're wrong?" Sun Jie glared at Sun Zhiwei. "What have you done earlier? You explain everything to me now. What's going on with you today? There are the two of you. I guess the two of you don't belong to Song Jiang? You both come from home, right?"

At this moment, once the underlings heard Sun Jie question, they didn't dare to hide it at all. One quickly replied, "Miss, we're from Donghai. Young master got us here to help him..."

"Right! You two, I remember you both!" Without waiting for Sun Jie to finish speaking, Yang Ming suddenly pointed to the two underlings. "Do you both recognize me?"

"Ah?" Underling A was stunned, he looked at Yang Ming confusedly. He spoke in his heart. *How would we know you? if Master Sun didn't bring us here to teach you a lesson, we won't know who you are at all!* But his lady was just up ahead. God knows what this person's relationship was with our lady, so he had to answer, "We don't know..."

"Think about it again." Yang Ming smiled ambiguously. "Last night? Have you forgotten? You both wanted to take advantage of me while I was drunk!"

"What? The person was you yesterday?" Underling A and underling B were both stunned at the same time. They carefully recalled the person who beat them last night. He looked similar to Yang Ming!

"With these kinds of skills, do you dare to come here?" Yang Ming sneered, "If it wasn't because Sun Jie knows you, the both of you would be lying in the hospital. You both aren't my opponent even when I can't figure out my direction. Yet you both dare to come over when I'm wide awake today. I really admire your courage!"

Sun Zhiwei was even more stunned. He also knew about yesterday's events. After listening to Yang Ming's words, he thought, *Were these two people being beaten by Yang Ming? And was Yang Ming still drunk? Wasn't this way too unlucky?*

These two fellows dared to lie to me! What fighting with a group of people? Obviously, the two of them were beaten up by one person! However, now that Sun Jie was in front of him, Sun Zhiwei couldn't speak to them, so there was some resentment in his heart.

However, Sun Zhiwei was also a little scared now. *If Sun Jie wasn't here, would I be the one who would be beaten up?* Sun Zhiwei was indeed impulsive and he had some child-like tempers, but it didn't mean that he was a completely silly idiot. If Yang Ming could defeat the two men under the condition of being semi-conscious yesterday, what about when he's well awake today?

"Alright, stop messing things up first!" Sun Jie glanced at Yang Ming. "Let me settle this!"

"I'm giving you face... But this guy is your brother?" Yang Ming naturally heard the relationship between Sun Jie and Sun Zhiwei from the dialogue between the two of them. *They're actually siblings!*

After so many conflicts, Sun Jie and the seemingly Donghai Sun family bada** were actually family!

"He's my Second Uncle's child!" Sun Jie shook her head helplessly. "My family only had him as a boy, and he had been spoiled since childhood."

"Kid, I'm paying respect to your sister. I will not kill you!" Yang Ming patted Sun Zhiwei's shoulder to threaten him.

"Alright, you think it's fun to scare a little kid?" Sun Jie said to Yang Ming, dissatisfied.

"Him? Little kid?" Yang Ming smiled bitterly. *I t seems that Sun Jie had regarded me and her as peers of the same age... but this was good too, then wouldn't Sun Zhiwei be one level lower in front of me?*

Sun Zhiwei was also very grumpy. *What's the relationship between my sister and Yang Ming? But it seems that they're very close! F*ck! Why am I so unlucky? It seems that if this matter isn't cleared up today, my sister won't give up.* So he had to stand there and force himself to say, "Sister... I just wanted to scare him..."

"You? Scare him?" Sun Jie felt a little funny. *So glad I was here today!* Sun Jie was very clear about Yang Ming's temper. Sun Jie had a strong impression of the last time Yun Guang sent a video to her of Yang Ming beating up his driver! *This younger brother was really courageous. Do you dare to provoke Yang Ming with his temper? It's strange that Yang Ming didn't beat you up until your teeth were all over the floor.* "Why were you scaring him? What happened between you and Yang Ming? You tell me truthfully!"

"I... I'm his class monitor, but he doesn't obey my commands..." Sun Zhiwei had to say, "I felt like I lost my face, so I want to teach him a lesson..."

"It's just that simple?" Sun Jie stared at Sun Zhiwei's eyes and asked, "Are you sure you didn't lie to me?"

"Sister... I... In fact, I'm also standing up for my brother..." Sun Zhiwei was afraid of Sun Jie since he was young. At this moment, he didn't dare to conceal anything. He had to say the other things that he kept as a secret for Wang Zhitao.

"For a brother? Which brother are you standing up for?" Sun Jie frowned.

"It's Wang Zhitao, my good buddy. Yang Ming took his woman. I'm angry. I want to teach Yang Ming a lesson..." Sun Zhiwei explained.

Sun Jie glared at Yang Ming which made Yang Ming felt really creepy. It meant: *Aren't you quite a womanizer?*

Yang Ming felt helpless. *Wang Zhitao still holds hatred on the incident about Chen Mengyan? Isn't this guy a bit too narrow-minded?* How would Yang Ming know that Wang Zhitao was speaking about targeting Zhou Jiajia this time?

But isn't this Wang Zhitao quite capable? He remembered that he seemed to be very uncomfortable with Sun Zhiwei. When they first started school, they still had a conflict with one another. *How did they suddenly become good buddies?*

Undeniably, this guy is too sinister! Fortunately, Yang Ming had never planned to let him go.

"Who's Wang Zhitao?" Sun Jie shouted with disappointment. "What do other people's matter have to do with you? Why don't you let him find Yang Ming? Yet you are here for him?"

"He said that he had found someone to teach Yang Ming a lesson but it didn't succeed. Moreover, the Wang Family of Song Jiang wasn't as bada** as Donghai's Sun Family!" Sun Zhiwei said with a thick face.

"Wang Family of Song Jiang?" Sun Jie was stunned and she said, "Which Wang Family? Is his father Wang Xifan?"

"What Wang Xifan? I know about Feng Xifan from The Deer and the Cauldron [1], and Wei Xiaobao smashed him to the bottom of the earth..." Sun Zhiwei shook his head and continued, "But I know that his family's company seems to be called Wang's Century Xiongfeng Group..."

"Of course, it's actually this Wang Family!" Sun Jie said with resentment, "Sun Zhiwei, my brother, what can I say about you? You were used!"

"En? I was used?" Sun Zhiwei didn't understand.

"Wang Xifan isn't as powerful as your uncle, but they have been in Song Jiang for many years and their foundation is much more stable than our Sun Family!" Sun Jie said, "He asked for you to go. Obviously, he was using you!"

"Really... it can't be?" Sun Zhiwei asked, "Wang Zhitao and I have a very good relationship. He is very respectful to me. It's impossible for him to harm me!"

"Sun Zhiwei, what else can I tell you? When can you learn to be smarter?" Sun Jie shook her head and said, "Well, starting today, you go back to your bedroom and think about it. Don't come out and make trouble anymore!"

"Sister, I..." Sun Zhiwei still wanted to explain, but Sun Jie interrupted him.

"Don't say anything. Do you listen to your sister?" Sun Jie asked.

"I do..." Sun Zhiwei nodded dejectedly. He turned around and walked out of the private room.

"You two, go back. Go back to Donghai straight away. I'll disregard this matter. The next time you both dare to accompany Sun Zhiwei to create trouble, wait and see how I settle with you!" Sun Jie glanced at the two underlings standing next to the door.

Chapter 458: Fox And Roe Deer

"Yes, Miss!" The two men were relieved as though they had been released from a heavy burden. Sun Jie, as the eldest daughter of the Sun family, was much stronger than Sun Zhiwei! Moreover, over the years, Sun Jie's father had been forcing Sun Jie to find a partner. Sun Jie didn't want to do this, so she had to constantly improve her capability. She turned herself into the image of a successful career woman. She had the impetus to be the heir of the Sun Family's business!

Therefore, if Sun Jie wanted to punish them, then the two of them would be miserable! The reason Sun Jie didn't pursue their responsibilities was entirely due to the consideration of Sun Zhiwei. Even if Sun

Zhiwei was a disappointing Ah Dou [1], he was still a member of the Sun Family! Therefore, Sun Jie only blamed the behavior of the two people for accompanying Sun Zhiwei and warned them not to do this again.

Just now, when Sun Zhiwei kicked the door open, the waiter on the second floor went to report to the lobby manager. However, when the lobby manager saw that the two groups were very fierce, he didn't dare to approach and mediate! A group of people was affiliated with Bao Sanli, and another group of people seemed to be bad*ss. Not until later did he discover with shock that the two groups were relatives...

Sun Zhiwei left in vain. The lobby manager saw it with his own eyes and only then did he dare to enter the room. He ordered the waiter to clean up the broken plates on the ground and serve the dishes again.

After Sun Zhiwei left, Yang Ming asked strangely to Sun Jie, "Is that dumb*ss really your brother?"

"...Can you speak a little more politely? Sun Zhiwei is occasionally a little childish, but he can't be considered as dumb... that?" Sun Jie complained after hearing it, "Can you give me some face?"

"I'm just telling you the truth. You two, a fox and a foolish roe deer [2]" Yang Ming shook his head. "The gap is too big."

"Can you say it clearly? Who's a fox? Who's a foolish roe deer?" Sun Jie immediately protested after hearing it. "Are you humiliating my family by saying it is a zoo?"

"Would you like to be a fox or a foolish roe deer?" Yang Ming smiled.

"I don't want to be either. How can you be so sarcastic?" Sun Jie glared at Yang Ming.

"How did I become sarcastic? I'm just saying that you're savvy!" Yang Ming didn't take it for granted. "It must be that you're misdirected. The adjective of fox [3] isn't what you think..."

"What did I think? It seems like you can see through my thoughts!" Sun Jie said with a grin.

"Ha ..." Yang Ming laughed out of amusement as he thought to himself, *I'm really capable of doing so. It's just I didn't quite figure it out yet [4].*

"Alright, stop the quarrel... Initially, it was me who always quarreled with Yang Ming, how did it turn out to be the both of you..." Yang Li thought that Yang Ming and Sun Jie were quarreling with each other for real and she quickly mediated the situation. But, she didn't know that there was something else between them.

"Forget it. A good man doesn't fight with a woman... si..." Yang Ming's words had not finished, and yet agonizing pain made his mouth open wide. That was because his foot was stepped on by someone. Furthermore, the leg that stepped on his foot was grinding it in torment...

Yang Ming knew it was Sun Jie who stepped on it without giving much thought. Among the three people here, it was impossible for it to be Yang Li. From Yang Li's current attitude, she seemed to be afraid of me so she wouldn't step on me. Moreover, the movement of stepping on his foot seemed to reflect a certain degree of intimacy in the relationship...

However, in order to be on the safe side, Yang Ming still bowed down his head and looked at it with his special ability. *It turned out that it is Sun Jie who stepped on me! That is a thick-soled cotton shoe... Is she intending to step on my foot to murder me?*

Yang Ming slightly smirked mischievously. He used his left hand which was not holding a chopstick and put it directly under the table. In the blink of an eye, he placed it between the legs of Sun Jie, kneading back and forth on it. Although it was separated by a layer of pants, Yang Ming's bold move was enough to cause Sun Jie to frown suddenly. She quickly withdrew the leg that stepped on Yang Ming's foot and tightened her legs. She couldn't help but blush.

Yang Ming ignored her and still did his own thing. Sun Jie was anxious to reach out and pull away his hand. But, how could Sun Jie's strength be comparable to Yang Ming's? Therefore, she could only be anxious and whispered to Yang Ming when Yang Li didn't pay attention. "Take it away! You are going too overboard..."

"You sandwiched my hand. How can I take it away?" Yang Ming said flirtatiously.

Sun Jie had no choice but to loosen her legs. Yang Ming took the opportunity to take a little bit more advantage before withdrawing his hand. Sun Jie was gnashing her teeth, but she didn't dare to step on Yang Ming again. She had to vent her anger on the boiled fish in front of her. She used the chopsticks to poke it... The fish was really unlucky...

Although Yang Li saw that Yang Ming's and Sun Jie's expressions were very weird, she didn't know what happened to them. She thought they were secretly fighting against each other, so she said, "Yang Ming, you're a man. Can't you be more tolerant to Sun Jie?"

"Well, I'm always tolerant of her!" Yang Ming laughed.

Sun Jie also returned to her usual state at this moment. She was also afraid that Yang Li would notice something out of it. Although she was angry, she could only say plainly, "Yang Ming, Sun Zhiwei was also misdirected by others. I hope you can give me respect and stop retaliating against him... And, I also have to remind you that although both of us are good friends, if you did something to Sun Zhiwei, things will become really troublesome..."

Yang Ming also knew that Sun Jie said that for his own good. But, it carried a faint warning tone which made Yang Ming very uncomfortable! Who was Yang Ming? How would he be afraid of a warning? However, he had to respect Sun Jie no matter what. Ignoring everything else, with the ambiguous relationship between them, Yang Ming really couldn't drop a heavy hammer on Sun Zhiwei... *It seems like he's the brother-in-law from my mistress, right?*

"I won't quibble with children!" Yang Ming smiled. "Don't worry. When I heard him mentioning Wang Zhitao, I knew what happened! But, your little brother really did things without using his brain..."

"That's my family's business. I will educate him. Why are you saying that?" Sun Jie was somewhat unhappy. In front of me, you humiliated my little brother. That wasn't quite appropriate.

"What do you mean why am I saying that?" Yang Ming looked at Sun Jie with an ambiguous smile. The expression was quite easy to make people think otherwise... [5]

“What’s the deal with Wang Zhitao? Is the matter Sun Zhiwei mentioned true?” Sun Jie shifted the topic. Although she also knew that she wouldn’t cross paths with Yang Ming much, Sun Jie was also a normal woman. Sometimes, she was very sensible, but some other times she would be jealous... Just like the incident a while ago, after hearing about matters of Yang Ming with another woman, Sun Jie was still a bit uncomfortable.

Although she didn’t want to admit it, this was the fact. However, Sun Jie wouldn’t think that she had a crush on Yang Ming. *It was just a woman’s special feelings for her first man.*

“What? Are you referring to what he said about me stealing Wang Zhitao’s woman?” Yang Ming sighed and said with a big word, “He was bullsh*tting!”

“What? You mean that there was no such thing?” Sun Jie didn’t know why, but she felt a little relieved in her heart.

“Which woman of Wang Zhitao’s? That’s my girlfriend. Wang Zhitao failed to pursue her and he freaking backstabbed me! You don’t know. Some people are just like that. They themselves aren’t capable to pick up girls. Instead, they choose to blame their mistakes on others!” Yang Ming smiled and said, “Yes, the Guo Jianchao from last time. He didn’t manage to pursue you so he kept on acting pretentious in front of me!”

When Sun Jie listened to Yang Ming’s words, she didn’t know whether she should laugh or cry. *How did the topic shift back to me?*

“Then, what you mean is that you and Sun Zhiwei have no conflict with each other?” Sun Jie asked.

“I don’t know if it’s a conflict. Anyway, I don’t quibble with him. It’s just that he always wanted to exercise his power of class monitor on me... Let me say this, Sun Jie. This is already university, how is there a class monitor acting like he’s in elementary school?” Yang Ming said sarcastically, “Why am I always feeling that Sun Zhiwei is like the class committee from elementary school?”

“...” Yang Ming’s words actually reached Sun Jie’s heart. She knew her own little brother well. “Well, Yang Ming. Take it as giving me respect. If Sun Zhiwei looks for you for trouble, let me know...”

” *Hmph* , do I seem to live off a woman...” Yang Ming became awkward from hearing it.

“Yang Ming, don’t you still want to ask Sun Jiejie for help? Is your attitude appropriate for asking for help?” Yang Li couldn’t help but step into the conversation. How could she know that it was Yang Ming’s wordplay with Sun Jie in flirting with each other?

“Well, I know. I will avoid him. Is that alright?” Yang Ming sighed with complaint and said, “I can’t mess with him. I should hide from him, right? Your Sun Family is so bad*ss...”

“I didn’t say that.” Sun Jie smiled and said, “Isn’t Yang Li close to the boss of Song Jiang?”

Yang Li still didn’t know the relationship between Yang Ming and Bao Sanli. Uncle didn’t tell her, so Sun Jie also didn’t know that Yang Ming was connected with Bao Sanli.

Chapter 459: She Is Mine

"He is just a business friend of my dad's..." Yang Li was a little embarrassed. Her background was incomparable to Sun Jie's. *Although my family is doing fine in Song Jiang, the roots of Sun Jie's family isn't in Song Jiang but in Donghai.*

"Yang Li, my father asked me to get in contact with Bao Sanli, can you introduce him to me?" Sun Jie hesitated and asked. Sun Jie didn't want to deliberately conceal anything from Yang Ming. She and Yang Ming were very strange. They weren't people on the same side, but certainly closer than the average friend.

"I don't think I'm able to do this. Why don't you ask my dad..." Yang Li said, a little embarrassed, "I actually don't know Bao Sanli..."

"Why do you want to know about Bao Sanli?" Yang Ming, who had been quiet, suddenly interrupted.

"Yang Ming, you don't know Sun Jie's family is from the underworld, too?" Yang Li asked puzzledly.

"Oh?" Yang Ming really didn't know. Although he secretly controlled the underground forces of Song Jiang, he didn't know much about the situation in Donghai. Moreover, even if he knew, he wouldn't have associated it with Sun Jie. Yang Ming controlled Song Jiang's underworld, but he didn't want to develop in this area. This was just a stepping stone for his success.

Therefore, when Yang Ming heard that Sun Jie's family was also in the underworld, he couldn't help but be a little surprised. "No way? So powerful?"

"Don't listen to Yang Li's bullsh*t. It's just that my dad has some influence in Donghai. In the past few months, the unknown forces of Song Jiang have risen up, and Bao Sanli had quickly reached this scale. I heard that the Four Snakes Gang in Donghai had been forced back. My father is very curious. He wants to be acquainted with Bao Sanli..." Sun Jie explained.

"Then let me talk to my dad. He should be able to help you." Yang Li said.

"What? Your dad is going to take over the underworld of Song Jiang?" Yang Ming asked casually.

"I don't know. I don't have much contact with this business." Sun Jie shook her head and she didn't look like she was lying.

The speaker was unintentional, the listener was interested. Yang Ming was the behind-the-scenes boss of the underground forces of Song Jiang, so he had to be vigilant. After he got back, he was going to ask Hou Zhenhan to look into the Sun Family in Donghai.

"Yang Ming, why do you ask so much? Aren't you already going to university now? Do you still want to join the underworld?" Yang Li interrupted Yang Ming's words. "Okay, let's eat. Don't talk about it already!"

"Okay." Yang Ming also smiled. "I'm just simply asking."

Then the three people talked about some fashion topics. Yang Ming couldn't understand most of the topics so he couldn't speak. He could only occasionally voice out his opinions. However, Yang Ming's objective of meeting Sun Jie was already achieved. If he was too close to Sun Jie, it would inevitably cause Yang Li's suspicion.

After eating, Sun Jie and Yang Li said a lot of things. Both of them were very happy. Yang Ming was just a guest... After paying the bill, Sun Jie was going to Yang Li's home, so Yang Ming didn't go. He just winked his eye at Sun Jie and whispered in her ear, "I will visit you alone next time."

"It depends if I am in the mood." Sun Jie rolled her eyes at Yang Ming.

Back home, Yang Ming called Hou Zhenhan and asked him about the Sun Family in Donghai. "Big Hou, do you know about the Sun Family in Donghai?"

"Brother Yang, you're asking about the Sun Family? Is it Sun Hongjun?" Hou Zhenhan asked.

"It should be. He is the most powerful Sun Family in Donghai..." Yang Ming naturally didn't know who Sun Hongjun was.

"Then it's Sun Hongjun. How should I say this? Sun Hongjun's position in Donghai is very special..." Hou Zhenhan thought for a moment but he didn't know how to say it.

"Special? What do you mean? Is he the leader of the underworld?" Yang Ming asked.

"It can be said that way, but actually it isn't. Sun Hongjun's superficial identity is an entrepreneur and a philanthropist." Hou Zhenhan said, "The real boss in Donghai is the Tian Family, but the relationship between the Tian Family and the Sun Family is that they are dependent on each other..."

"What do you mean? The relationship between the Sun Family and Tian Family is very close? The Sun Family relies on the Tian Family to do business?" Yang Ming asked. This made Yang Ming think of his own uncle, Yang Dashan.

"No, it is the Tian Family who relies on the Sun Family. The Tian Family is working for the Sun Family." Hou Zhenhan said.

"What?" Yang Ming was stunned. "The Sun Family is so powerful? The boss behind the scenes?"

"It can be said that Sun Hongjun's position in Donghai is similar to Brother Yang, your position in Song Jiang. He a boss behind the scenes." Hou Zhenhan made an analogy and explained, "It's just that in Donghai, everyone knows the relationship between the Sun Family and the Tian Family. In Song Jiang, your identity is more confidential."

"It turns out to be the case. So, Sun Hongjun is the one who commands everything in Donghai? No way. What about the Four Snakes Gang a while ago?" Yang Ming asked.

"Donghai and Song Jiang are different. Donghai is a provincial capital. The underground forces are very complicated. There isn't only the Tian Family gang, but also a lot of small gangs that rely on the Tian Family to survive. Of course, Sun Hongjun also has a good position in these gangs because Sun Hongjun is the one who can decide their fate! It can also be said that Sun Hongjun is the boss of Donghai." Hou Zhenhan analyzed.

"I understand." Yang Ming nodded. "Right, Sun Hongjun wants to contact us. I have already let his daughter contact Bao Sanli through the relationship of my sister, Yang Li."

" Oh ? Why? Sun Hongjun has an intention on the underworld of Song Jiang?" Hou Zhenhan asked while frowning.

"I'm not sure about this. This will require you to understand it with Bao Sanli." Yang Ming said.

"I know, but after a month of rectification, we have already stood firm in the foundation of Song Jiang. We aren't afraid of what Sun Hongjun can do to us. The strong dragon cannot repress a snake in its territory [1]!" Hou Zhenhan said bluntly.

" Hehe , you're quite confident now!" Yang Ming smiled.

"I'm in this position. I can't help it!" Hou Zhenhan also smiled. "Yes, if Sun Hongjun has any intentions, what should we do? Should we take her daughter as a hostage?"

"No." When Yang Ming heard how Hou Zhenhan wanted to take Sun Jie, he rejected it without thinking.

"What's wrong?" Hou Zhenhan was somewhat puzzled.

"Sun Jie can't be touched. Don't make it difficult for her." Yang Ming hesitated. He was afraid that his point wasn't strong enough, so he added another sentence. "She is mine."

" Huh ?" Hou Zhenhan was as shocked as his name [2]. *Sun Hongjun's daughter is the boss' woman? It's too astounding! Isn't this incredible?*

However, Hou Zhenhan usually wouldn't ask more. He never asked about things he shouldn't know. In his mind, Yang Ming was already a ruthless person. So, although this sounded a bit ridiculous, it wasn't impossible.

"I got it." Hou Zhenhan said quickly.

"Don't tell anyone." Yang Ming reminded him plainly.

"I understand." Hou Zhenhan nodded.

...

Today was the last day of the New Year's holiday. When Yang Ming recalled the happenings from these days, he couldn't help but smile. *It was so busy. Such a good holiday, yet so many things had happened.*

At night, Yang Ming sat at home to surf the internet. He first searched about the 360-degree wide-angle visual ability... In fact, it should be counted as a full-angle.

There were some related introductions on the Internet, but many of them were martial arts novels. In a novel, this ability was called "infinite perception," which meant that you can perceive the surrounding things without limit. It was told that a blind man learned this martial art...

Others were some nonsense remarks. Like clairvoyance, ghost eyes, and any other possible names. At first glance, they were the names from by some boring people. Some people even said that this was called "rolling eyes"... It made Yang Ming depressed.

Of course, these were all funny things, but Yang Ming's ability was actually real! Yang Ming had experimented several times. It wasn't hard to use this ability.

If he wanted to see things, by just closing his eyes, Yang Ming could clearly see everything around him. This feeling was very strange, just like looking from the third person's perspective, as if he didn't exist in this space, but watching everything from another space.

Yang Ming could see himself closing his eyes!

While Yang Ming was excited, he was a bit puzzled. Why were some special abilities able to be quickly mastered and used easily, while some others he couldn't figure out?

Moreover, after this ability was discovered, Yang Ming was very determined that there must be some undiscovered abilities in these contact lenses!

Chapter 460: Something Unexpected

Sun Zhiwei was lectured by Sun Jie and he returned to his bedroom in a dejected manner. He didn't think that Wang Zhitao utilized and made use of him. Ever since he was young, Sun Zhiwei had very few real friends. There were a lot of toxic friends around him. People like Wang Zhitao who was similar to him and always accommodated Sun Zhiwei was rare!

Moreover, Wang Zhitao didn't force him to teach Yang Ming a lesson. It was entirely his own wish! Therefore, Sun Zhiwei blamed all of the faults of today's incident on Yang Ming. He thought that if it wasn't for Yang Ming, his sister wouldn't have lectured him!

Sun Zhiwei was very depressed. *My current allowance is completely in Sun Jie's hands. If this incident angers Sun Jie, then I will be facing a financial crisis.*

Hence, Sun Zhiwei called Wang Zhitao. "Little Brother Wang, I'm Sun Zhiwei!"

"Oh? Is it Brother Sun? What happened? Are you having fun for New Year's Day?" Wang Zhitao flattered him.

"Having fun?" Sun Zhiwei snorted. "Happy my *ss, I'm low-spirited!"

"What happened?" Wang Zhitao quickly asked, "Is there anything else that can worry you?"

"Hai! Isn't it that Yang Ming again? Motherf*cker, I don't know how he actually knows my sister!" Sun Zhiwei said with a bitter smile, "Today, I brought two people from Donghai to teach Yang Ming a lesson. In the end, I saw Yang Ming and my sister together! I didn't teach Yang Ming a lesson and yet I had to endure some scolding."

"Oh?" Wang Zhitao frowned. "What did your sister ask you? For example, what's the relationship between the two of us?"

"She asked... But I tried to protect you, and said that you're my brother..." Sun Zhiwei said.

After listening to it, Wang Zhitao was surprised deep down his heart. Just now he was just asking in a probing manner, but he didn't expect Sun Zhiwei's sister to really know about him! So he quickly asked, "How did she know about me?"

"Of course, I said it. I said I want to speak out for you..." Sun Zhiwei said very loyally.

Damn! Wang Zhitao slapped his thigh and swore deep down in his heart that he screwed up. *If this news is passed to the ears of the Sun Family, will I be the culprit of misdirecting their young master?*

"Brother Sun, how do you think I treated you?" Wang Zhitao asked suddenly.

"Nothing to be complained about!" Sun Zhiwei said, "The relationship between the two of us is more than brothers!"

"Yeah, then do you think that I will harm you?" Wang Zhitao said quickly, "I think your sister may have misunderstood it. She must have thought that you were misdirected by me by speaking out for me!"

"En? How did you know? Yes, my sister thought so!" Sun Zhiwei was a little surprised. "But it's nothing. I have already made it clear to my sister that it was my own idea!"

"How about this? Brother Sun, aren't you really low-spirited now?" Wang Zhitao felt that it was necessary to talk to Sun Zhiwei in person, otherwise, the incident most probably would involve him and put him into a tough situation!

"Yup! Hai, my pocket money is usually in my sister's hands. Now, I'm done. Next time when we hang out for a drink in the future, I won't have any cash with me!" Sun Zhiwei smiled bitterly.

"Brother Sun, what are you saying?" Wang Zhitao pretended to be very angry and shouted, "Is what you said appropriate?"

"En? Wang Zhitao, what do you mean by this?" Sun Zhiwei suddenly heard Wang Zhitao scolding him, and asked somewhat unpleasantly.

"Brother Sun, are you taking me as an outsider?" Wang Zhitao said angrily, "What's wrong with you not having money? I have it! If you eat, I just have to spend money! Why do we need to be stingy with each other? Brother Sun, isn't what you said just now a bit inappropriate?"

Although the way Wang Zhitao put his sentence was blunt, Sun Zhiwei still bought it. When he heard that Wang Zhitao was so worried about this matter for him, he was almost moved to tears. "Well! It's the fault of the elder brother. What you said is right. Why do we need to be stingy with each other? Good brother!"

It was undeniable that Wang Zhitao had a very good skill set to analyze other's psychology. This kid had become more insidious as he grew older.

"Are you busy right now? As the younger brother, I will treat you for a drink!" Wang Zhitao said, "I just have 10,000 yuan of cash in my hands. You should take it first! My dad just gave it to me yesterday!"

"Ah?" Sun Zhiwei was stunned. "What will you do when you give it to me?"

"Me? Oh, what's the difference between your money and my money?" Wang Zhitao smiled generously.

"Good! Well said! Little Brother Wang, you are my, Sun Zhiwei's, lifelong brother!" Sun Zhiwei was dancing with excitement.

Wang Zhitao found it little funny. *Just 10,000 yuan is enough to excite you like this? If I was not very clear about your background, I would really be wondering if you were the young master of the Sun Family.*

"Hehe , let's hang out. Have a drink and talk about it. We aren't leaving until we're drunk!" Wang Zhitao said, "F*ck Yang Ming. Your brother will think of a solution. There's no big deal. I will find a way for you to kill him!"

"Good!" Sun Zhiwei said, "Where are we going?"

"Let's go to Tavern Heaven On Earth. That's your little brother's premise. Right now, elder brother is in a financial crisis. We should save some money when we can!" Wang Zhitao sold another personal favor to him.

"Little Brother Wang, you're so wonderful! You're really thinking of me!" Sun Zhiwei's mood was now overwhelming.

.....

After some research and finding no valuable information, Yang Ming simply closed the webpage. He couldn't help it because he was a special case. Probably there were only a handful of people with special abilities in the world, and it wasn't necessarily in the same era.

Moreover, this type of person would protect himself just like Yang Ming, and wouldn't let his ability be discovered by others. Therefore, it was even less likely that relevant information would appear on the Internet.

Those things on the Internet, to put it bluntly, were from those who have done nothing all day, and they were random ideas. There was no basis for it! If these things were really correct, then there would be an abundance of people with special abilities in this world.

Since Yang Ming had figured this out, he didn't intend to research it anymore. It didn't make any sense. It was all some useless work.

Yang Ming opened QQ. He hadn't gone online for several days. He had been busy for the past few days and he had no time to go online.

With the sound of " DiDiDiDi ," Yang Ming received a lot of offline notifications.

Yang Ming clicked, and the first thing that caught his eye was Chen Mengyan's messages.

There's Indeed No True Love In This World: Are you there? Then, there was a smiley ☺.

There's Indeed No True Love In This World: No? Where are you? Where have you been?

There's Indeed No True Love In This World: Yang Ming, why have you not been online for a few days? What are you busy with?

There's Indeed No True Love In This World: Look for me when you're online.

Yang Ming smiled and gave Chen Mengyan a message: My dear wife, I had a lot of things to do at home over these recent days. I just finished them, are you looking for me? What's up?

It didn't take long for Chen Mengyan's reply to come back: What wife? Don't spout nonsense. I haven't agreed to be your wife.

There's No True Love In This World: If you didn't agree, why do you always wear the jade necklace given by my mother?

There's Indeed No True Love In This World: I'm willing to.

There's No True Love In This World: Why were you looking for me?

There's Indeed No True Love In This World: It's not a big deal. My dad is at home today. I wanted to invite you over, but you didn't come online. I thought you must be very busy, then I stopped looking for you.

There's No True Love In This World: I see. I really don't have time. Today, my elder sister invited me to dinner.

There's Indeed No True Love In This World: Then, let's move it to another day. There's no hurry since you have seen my parents anyway!

There's No True Love In This World: Yes, I'm more familiar with your father than you with my own mother.

There's Indeed No True Love In This World: Hmph, this situation will change in the future!

There's No True Love In This World: Yes, my mom asked you to come over to our house. She wanted to train your cooking skills.

There's Indeed No True Love In This World: Alright, I will go when I have time. It's a good chance to monitor you. Stop you from womanizing around.

Yang Ming saw the message from Chen Mengyan and broke into a sweat abruptly. *Ai, this little vinegar jar. It will really be a tedious problem in the future! If I don't resolve it, then Lan Ling, Lin Zhiyun and even Su Ya won't be able to get along with her...*

After chatting with Chen Mengyan for a while, Yang Ming suddenly remembered that there were still a few offline messages that he didn't see, so he quickly opened them.

One of them came from Zhang Bing, sending Yang Ming a web link. Yang Ming directly closed the message box. There was nothing good sent by this fellow. Probably, his computer was infected with a Trojan horse at home from visiting a vulgar website.

Another one was sent by I'm a Superstar and told Yang Ming to turn on the TV to watch her interview. Yang Ming took a look at the time. *Damn, it happened during the afternoon the day before yesterday...* Yang Ming had to pretend not to see it and close it.

The last one was from Wild Female Teacher. She asked Yang Ming if he had time to talk to her.

Yang Ming was somewhat puzzled. Generally, Wild Female Teacher was looking for him to play Landlords. It was rare for her to look for him to have a chat...
