Chapter 651: Home of Six Tastes

" Hey !" Sun Jie was shocked greatly and stared at Yang Ming blankly.

Looking at Sun Jie's baffled expression, Yang Ming was a bit hesitant, too. *Maybe she isn't? Did I get her wrong?* However, Yang Ming's heart became very uncomfortable without much reason.

Yang Ming was a very chauvinistic person, so he naturally didn't want Sun Jie to have other men beside him. He would rather believe that Sun Jie was a lesbian.

Moreover, lesbians were not the same as gay. For Yang Ming, lesbian seemed a lot easier to accept... If he were to get a lesbian as a wife, then he might as well take her "partner" back home as a wife, too. That way, no one lost anything.

Therefore, Yang Ming couldn't help but felt a little nervous. He paid full attention and used the corner of his eyes to observe Sun Jie, waiting for her answer.

However, Yang Ming was joyous in the next moment. In fact, he was over the moon! It was all because he suddenly heard a voice.

... "How did he know? Did he spot any clues when we did that?" These were Sun Jie's thoughts at the time, and unfortunately, Yang Ming heard them.

Ha! This special ability that worked only some of the time, had always played an unexpected role at crucial moments. It was said that the chain falls off during a crucial moment [1], but this ability was the exact opposite!

Since Yang Ming have already gotten the answer he wanted, he didn't need to probe her anymore. *For this kind of embarrassing case, women with a personality like Sun Jie's wouldn't tell me easily.*

Yang Ming also knew that Sun Jie didn't seem to like him now... The various interactions they had was also because they had an "accident." However, that was enough for Yang Ming already. Yang Ming hadn't seen Sun Jie treat any other guy as well as him. This also meant that his guess was true...

I'll slowly put in my effort. When there's an opportunity for Sun Jie and me to have further development, I'll slowly probe more.

Yang Ming's previous attitude toward Sun Jie was arguably indifference toward her, and he didn't have the thought to conquer Sun Jie as his own. But at the moment, it was different. Yang Ming never ignored his own woman. Of course, the premise was that you must be a woman with only Yang Ming as your man.

However, Sun Jie was also a small fox [2]. After a brief moment of losing control emotionally, she regained her former calmness and said in some exaggerated tone, “Yes, let me tell you. Sister here is bisexual!”

If it had been any other average person, they must have been thoroughly shocked until they were speechless. She wanted to avenge herself for the previous defeat just now. While she was waiting to see Yang Ming’s surprised expression, Yang Ming’s expression didn’t have the slightest difference. Yang Ming only showed an enlightened face. “This was the case. Then Sun Jie, when shall we have 3P together [3]? Or we could have a double flight [3]?”

“...” Sun Jie was speechless. This Yang Ming really didn’t care about his words. Anything could be said. However, she still replied sternly, “If you want to play with me, sure. First, go through my dad!”

Sun Jie was taking it as a joke. In her opinion, whatever that her father told Yang Ming was impossible to be done.

“Okay, but you have to ask for the opinion of your partner first!” Yang Ming said in a serious tone, “Don’t make me work so hard to complete your father’s request to find that your partner disagrees...”

“If I agreed to it, then she would have to agree to it!” Sun Jie said without much thought.

In fact, when Sun Jie said that, she was admitting the fact that she was a lesbian in disguise. However, the more she said so, the more it seemed like she was joking. If it wasn’t because Yang Ming heard Sun Jie’s real thoughts before, Yang Ming would think that Sun Jie was joking at this moment!

“Where are we going?” Yang Ming wasn’t very familiar with Donghai’s road map. Although the car had a navigation system, he didn’t know the destination. So, it was useless to have a navigation system.

“You haven’t eaten in the morning yet?” Sun Jie said, “It’s almost noon now. Let’s find a place to have some food.”

“Sure, what’s good in Donghai?” To be honest, Yang Ming was in a hurry the last time he came to Donghai. He didn’t have time to hang around in Donghai.

“Donghai and Song Jiang aren’t far from each other. They are all in the same province. What we eat is almost the same thing.” Sun Jie shook her head, thought about it, and then she said “Would you like to go to the Home of Six Tastes? It is a popular place here. If it is meal time, you need to line up. If we want to go, we’ll need to go now. If we’re late, we would need to wait for them to our call our number.”

“What’s the Home of Six Tastes? Really that hot?” Yang Ming asked curiously.

“The cuisine in the Home of Six Tastes was made by the owner. It was said that all the spices used in the dishes are less than six flavors. Only soy sauce, vinegar, salt, sugar, MSG [4], and chili. However, the taste is really good. Plenty of people from nearby counties come here because of the popularity!” Sun Jie described it.

“It seems that you often go there!” Yang Ming smiled.

“What go there often? I’m like you. I stay in Song Jiang all year round. Every time I come back to Donghai, it’s either for a festive event or there is a matter to settle! How would I have time to go there

to eat?" Sun Jie smiled bitterly. "It's just a small shop. Even if we were to greet our guests we won't go to that kind of place."

"Then, how do you know about this place in such detail?" Yang Ming asked curiously.

"I had always visited that place back in my school days! During high school, I would always go with a buddy sister of mine since the Home of Six Tastes wasn't far from our high school." Sun Jie said, "Now, thinking about it, I really missed the days when I went to school..."

" *Ha* , you must be one of those upper-class rich kids..." Yang Ming looked at Sun Jie's longing look and smiled as he said, "When I was in high school, I didn't have as much money as you did."

"Didn't you say that you didn't value money that much?" Sun Jie was still holding some grudges for Yang Ming's performance at home just now.

"So unforgiving..." Yang Ming shook his head.

After all, Donghai was a provincial capital city. The road maintenance was much better than in Song Jiang. The first and second classes of the streets were all very smooth. Of course, the small streets weren't. No matter how developed a city was, there would be some broken streets.

With Sun Jie's navigation, it didn't take very long for them to locate the Home of Six Tastes... Yang Ming really didn't expect that this small shop actually had so many guests! It wasn't even the time for lunch, and yet there were already plenty of cars parked nearby.

Later on, someone was smart enough to contract a parking lot by this place. Since the entrance of the Home of Six Tastes wasn't very big and had a limited parking space at the entrance, all the cars which came later could only be parked in the paid parking lot.

"How is it? Isn't this hot?" Sun Jie pointed to the cars in the parking lot and said, "Look, many people who came here drove luxury cars!"

Yang Ming looked up. It was indeed the case. BMW and Mercedes-Benz were not the minority. There were even sports cars like Porsche and Ferrari.

"Pay the parking fee!" At this time, an old uncle wearing an armband came over and said to Yang Ming and Sun Jie who were getting out of the car.

"How much?" asked Yang Ming.

"If you want a receipt, five yuan! If you don't, four yuan!" said the old man.

"One yuan, does it work!?" Sun Jie spoke without waiting for Yang Ming to speak.

" *En ?* " The old man was stunned. He glanced at Sun Jie and then showed an incredible expression on his face. After a long time, he said, "Aren't you the girl from the Sixth High School?"

" *Hehe* , old uncle, do you remember me?" Sun Jie stuck out her tongue playfully and let Yang Ming saw a third side of Sun Jie... *What the f*ck? This chick is a thousand-faced doll [5]?*

At first, Yang Ming saw Sun Jie's more erotic side. Later on, he saw her noble lady's side. Now she had become a cute little girl...

"How can I not remember? In these years, there were only the two of you from the Sixth High School who gave me one yuan. Even if someone else bargained, they would only talk it down to about three yuan!" The old man smiled, shook his head and said, "Forget it. We haven't met for so many years. No parking fee for you then!"

"Thank you, old uncle!" Sun Jie said quickly.

"Hehe, yes. Did you book an appointment with your little friend? She was just here not long ago! She also negotiated a discount with me. It had been so many years, and both of you haven't come over for a long time already!" The old man was somewhat moved when he said, "The two little girls from those years both came with a boyfriend!"

"Old uncle, you said Xiao Xin was here, too?" Sun Jie was pleasantly surprised and asked immediately.

"Yeah, didn't you both make an appointment?" Old uncle saw Sun Jie's surprised expression and shook his head. "That's such a coincidence! She had just gone to the Home of Six Tastes! Hurry up and see if you can catch up!"

"Then thank you, old uncle!" Sun Jie said sweetly.

"What are you thanking me for?" The old man waved his hand.

"You were really bad in the past. The old man was watching the car here every day in the sun and rain, and you only gave him one yuan?" Yang Ming also heard that last time when Sun Jie and her classmate came here to eat, they would only give the Uncle one yuan as parking fee.

"Do you think that I was very rich in those days?" Sun Jie refuted, "I was still in school, please, and my family was very strict with my allowance. I only had a living allowance of one thousand yuan a month!"

"A thousand yuan was still little!" Yang Ming's eyes widened. "When I was in high school, I didn't even have two hundred yuan in a month!"

Chapter 652: Sister and Brother-in-law

"I'm a girl, alright? Didn't I need to buy beautiful clothes? Didn't I have to buy cosmetics?" Sun Jie extended her fingers and counted them one by one to Yang Ming. "Aside from these, I still have lunch every day at school. On average, there wasn't much money left!"

"You still say that you are poor despite driving to school!" Yang Ming listened to Sun Jie and pointed it out. There was really not much money left as he thought about it, but he couldn't quit giving her a sarcastic remark.

"It was an Alto [1] ..." Sun Jie looked helpless. "At that time, we didn't have the subway yet. It wasn't convenient for me to go to school every day so my dad bought me an Alto. Besides, we ate here almost every day. If I spent five yuan a day on parking fees, isn't that too bad?"

"Fine. That is still reasonable." Yang Ming was too lazy to argue with her. It was rare for a daughter of a rich family like Sun Jie to spend only a thousand yuan every month. When Yang Ming was in high school, Wang Zhitao's family was far from Sun Jie's and he had monthly pocket money that was more than a thousand.

During the conversation, the two people had already walked into the Home of Six Tastes. Sun Jie had sharp eyes as she shouted to a young woman who was ordering a meal, "Yang Xin!"

When the young woman turned around, she noticed Sun Jie. Her face immediately showed a surprised but delighted expression. She ran to Sun Jie and gave Sun Jie a big hug. "Xiao Jie, I missed you so much! When did you return to Donghai?"

"Of course, I have to go home for the Chinese New Year..." Sun Jie smiled.

"That is true!" Yang Xin let go of Sun Jie and said, "So, why didn't you look for me to hang out...? Oh... I know!"

As Yang Xin spoke, her gaze suddenly turned to Yang Ming as she smiled mischievously. "Xiao Jie, you're a bad girl. You didn't tell me when you had a boyfriend! You must be busy hanging out with your boyfriend these days!"

Yang Ming naturally nodded politely to Sun Jie's best friend. "Hello, my name is Yang Ming."

"Not bad. He is quite handsome!" Yang Xin assessed Yang Ming, then nodded and said, "My name is Yang Xin, Xiao Jie's buddy during high school! Ha, our surname is even the same. We have to arrange ourselves. If you're younger than me, you have to address me as your big sister!"

While Yang Ming spoke, he also assessed Yang Xin. Looking at Yang Xin's outfit, she was obviously the daughter of a wealthy family, an easy going character that wasn't narrow-minded, a friend that would be worthy to have.

As for her appearance, Yang Ming didn't pay much attention. She was inferior to Sun Jie, but she was still a beauty. There were just too many beautiful women around Yang Ming and his standard for beauty was a bit high.

"It's nice to meet you." Yang Ming nodded politely. "Then I would call you Sister Xin."

"At least, you are self-aware. I'm one year older than Xiao Jie!" Yang Xin said proudly, "I don't have a younger brother at home. It's great to go out and collect one."

Sun Jie smiled and patted Yang Xin and said, "You still haven't changed. When you went to school, you always wanted a younger brother!"

"Ya, I didn't succeed at that time. I didn't think about it, but I took your husband as my younger brother!" said Yang Xin.

"I heard that you came with someone else? Is it Wu Yunsheng?" Sun Jie asked.

"Who else can the person be beside him?" Yang Xin said, "He is ordering over there. Let's eat together!"

"Great, I was worried that there were no seats here!" Sun Jie nodded. Apparently, she was familiar with the person named Wu Yunsheng.

"Xiao Jie, tell me. Did both of you do that?" Yang Xin glanced at Yang Ming and then whispered to Sun Jie.

However, what Yang Xin didn't know was that no matter how soft she spoke, it wouldn't work with Yang Ming. Yang Ming could read lips! But, when Yang Ming heard her question as such, he found it inappropriate to interject. He had to pretend not to hear anything.

"What?" Sun Jie glanced at Yang Ming with the corner of her eye. She noticed Yang Ming didn't look at her, so she whispered, "Little lecherous girl, you're not pure anymore! You must have done that with Wu Yunsheng, right?"

"En..." Yang Xin nodded a little shyly. "Have you done that? Don't lie!"

"No." Sun Jie herself was a little bit confused of her relationship with Yang Ming. What if they weren't together later on? Sun Jie certainly wouldn't admit anything.

"I don't believe you. Look at your chest. They got a lot bigger! They must be... massaged by my brother... Hehe..." Yang Xin smiled mischievously.

"..." Although the relationship between the two were like close friends, after Sun Jie listened to Yang Xin's words, she still couldn't help but get annoyed. "I noticed our Princess Taiping [2] during that year had become a lot bigger... Oh, I was wondering why you have such a deep understanding. It seems it comes from experience!"

"What's wrong with that? You're dishonest! Do you want to deny it now?" Yang Xin said.

"Okay, okay... Think as you like..." Sun Jie said helplessly.

Yang Ming at the back had sweat all over his head at this moment. Aren't they too forthright? They are too mature and violent...

"Wu Yunsheng!" Yang Xin waved his hand to a young man not far away, and then said, "You! Come over!"

After the young man heard it, he quickly put down the menu in his hand and then put in his order to the waiter next to him. He rushed over and then smiled and said, "Xiao Xin, what happened?"

"Didn't you see Xiao Jie is here, too? What kind of eyesight is that?" Yang Xin glared and said to Wu Yunsheng.

Yang Ming couldn't help but smile and shake his head. Apparently, Wu Yunsheng loved Yang Xin very much. His eyes only had Yang Xin alone. He wasn't very concerned about things other than her and ignored them directly.

"Sun Jie... I'm sorry... I didn't bring my contact lens today..." Wu Yunsheng said awkwardly and found an inappropriate excuse.

However, Sun Jie knew of Wu Yunsheng's temper and she didn't mind him. "You only have Xiao Xin in your eyes. Even if you wore contact lenses, you might not be able to notice me, right?"

"Hehe..." Wu Yunsheng smiled a little awkwardly.

"Let me introduce to you my new little brother – Yang Ming!" Yang Xin introduced Yang Ming to Wu Yunsheng. Then she said to Yang Ming, "This is my boyfriend, Wu Yunsheng."

"Hello... little brother-in-law..." Wu Yunsheng quickly reached out and said.

"Pak!" Yang Xin slapped away Wu Yunsheng's hand. "Who is your little brother-in-law? Yang Ming, you don't have to bother with him. Let's talk about our stuff..."

"Ugh... hehe..." Wu Yunsheng wasn't angry, just a little embarrassed.

Yang Ming also noticed that this Wu Yunsheng was an honest man. In this age, such an honest man was rare. Especially looking at Wu Yunsheng's outfit, he should be from a well-off family, too.

"Hello, brother-in-law." Yang Ming smiled and grabbed Wu Yunsheng's hand and shook hands.

"Okay, good!" Wu Yunsheng had delightfulness painted all over his face at that moment. It seemed that Yang Ming's address of "brother-in-law" made him very happy.

"Fine, Yunsheng. It will be your treat today. You can't just ask my brother to pay the bill, right?" Yang Xin said.

"Of course! Of course!" Wu Yunsheng said happily like a good and honest man.

With the addition of Yang Ming and Sun Jie, Wu Yunsheng naturally added a few more dishes, and then said to Yang Ming, "What do you want to eat? You don't need to be polite with your brother-in-law!"

"I haven't been here before. This is my first time here. You should order as you see fit!" said Yang Ming.

"Xiao Jie, I have ordered what we liked to eat back in high school. What else do you want?" asked Yang Xin.

"We've ordered seven dishes for four people. It's enough. If it is too much, we won't be able to finish it as well." Sun Jie said, "These are enough."

"That works, too. We can order again if it is not enough." Wu Yunsheng said.

Four people sat in their seats and waited for the waiter to serve.

"This store seems to be more popular than before!" Sun Jie sighed as she noticed the store was filled with customers.

"Indeed, I drop by here sometimes, unlike you who aren't in Donghai. I have witnessed the brilliant growth of this store!" Yang Xin nodded. "There are no seats now. If you want to eat, you have to reserve with a phone number and head outside to wait. When someone leaves the table, the waiter would call the waiting guests in order!"

Yang Ming looked at the scene here and secretly snarled. It's still lunch. If it was dinner, the queue will be hard to imagine!

However, there were a lot of people here and yet the serving speed wasn't slow. Perhaps this was the reason why this place could last so long! They hadn't sat down for ten minutes before three dishes were served.

"Come on, my little brother. Try this fried bamboo shoot tip. It was my favorite when Xiao Jie and I went to school!" Yang Xin began to fulfill her sister's responsibility.

"Okay..." Yang Ming quickly took a bite. The taste was really good, crisp and refreshing. He couldn't help but praise, "It's fantastic!"

Wu Yunsheng was just sitting there and smiled directly, but his gaze didn't leave Yang Xin for a moment. On the other hand, Sun Jie and Yang Xin chatted excitedly. The two people hadn't seen each other for a long time. They had many words to say.

Chapter 653: Someone Strikes up a Conversation

Unknowingly, the dishes had been served, and half an hour had passed. Through conversations, Yang Ming learned that Sun Jie, Yang Xin, and Wu Yunsheng were all high school classmates. As for Wu Yunsheng, he began to pursue Yang Xin after high school. After seven years of pursuit, Wu Yunsheng finally succeeded after they graduated from college.

This made Yang Ming admire Wu Yunsheng's willpower. This guy was really indomitable!

The family histories of Yang Xin and Wu Yunsheng were indeed very prominent as Yang Ming expected. Yang Xin's family opened a freight station. There were many branches in the country. The business was very big.

In this era, those who opened this kind of business usually had a deep underworld background. Therefore, Yang Xin and Sun Jie were almost the same, known as the underworld princesses. In school, few people dared to provoke them, but this infatuated Wu Yunsheng had been chasing Yang Xin for N years.

Sun Hongjun and Yang Xin's father also knew each other. Sun Hongjun also looked after the Yang Family business in Donghai. Many connections with other cities worked because of Sun Hongjun's help in building the relationship.

However, this Wu Yunsheng's family wasn't simple either. Wu Yunsheng's father was a political commissar of the Donghai military division. He was quite powerful in Donghai.

Wu Yunsheng just didn't look like he came from a military family. He looked very polite.

The four people talked very well. At this moment, a man of about thirty years old came over. He kept a big beard, wore a leather jacket and a cap, and dressed like an artist.

Just when the four people didn't know what the guy was going to do, the man handed them a business card and said, "Hello, please allow me to introduce myself! I'm the director of Zhongqiu Film and

Television Culture Development Co., Ltd., Wang Chengen, having the same name but not the surname as the author of the Journey to the West, Wu Chengen. Can I ask the names of the two beautiful ladies?”

Yang Ming frowned. He glanced at the business card on the table. There were quite a few titles – general director, art director, screenwriter, etc., but nowadays, business cards could be easily printed. Even the waste collector had a business card. Who knew if this guy was real or fake?

Before Yang Ming spoke, Yang Xin first started laughing, “Ha ha ha ha, why do you have the name of the great eunuch of the Ming Dynasty?”

Wang Chengen was a bit embarrassed, but he continued to say, “The name is just a code name. It isn’t important. Two ladies, can you tell me your names?”

“Didn’t you just say that the name isn’t important?” Yang Xin immediately said, “If that’s the case, why are you asking? What do you want? We still have to eat our meal if you have nothing!”

“It’s like this. I’m the director of Zhongqiu Film and Television. I think you two have the potential to become a huge celebrity. What do you think about that?” Wang Chengen said very sincerely, “Our company is a comprehensive film and television company that integrates training, filmmaking, brand planning, performing arts production, model agency, actor training, beauty projects, lighting, sound, etiquette services, media release, and competition planning.”

“Okay, you can go now. We are not interested.” Sun Jie listened to this guy’s long list of self-proclamation, then she smiled and waved her hand and spoke.

“Then... what about this lady?” Wang Chengen turned to look at Yang Xin with some reluctance.

“I’m sorry. I’m not interested.” Yang Xin shook her head.

“Ladies, you should carefully consider it. The opportunity is fleeting!” Wang Chengen patted his chest and swore, “I promise that with your outstanding looks and temperament, I can guarantee that you two can enter Hollywood!”

“Are you sick? Did you hear that we are telling you to leave?” Yang Ming was a little impatient. This guy spits all over the place. If it gets on the dishes, how can anyone eat it?

“Sir, I’m not talking to you, and don’t you think you’re very rude now? I am discussing matters with the two ladies. Can you not interfere with other people’s matters?” Wang Chengen said with justification. Obviously, he was already a veteran of this road. He knew how to deal with situations like these.

Yang Ming listened to Wang Chengen’s words and immediately became unwilling. “You are standing next to my table now, and my girlfriend had already said it very clearly. She isn’t interested. Why are you still standing here?”

“Sir, your ways are very selfish. You can’t be possessive of your girlfriend because of your own personal intentions. She can go higher and further!” Wang Chengen said with conviction.

“I am very good now, and I’m not interested in becoming a celebrity.” Sun Jie shook her head very firmly and smiled. “Your kindness is well-received, but we really don’t want to be celebrities.”

“Two young ladies, it is very profitable to be a celebrity... You can earn millions in a year... You don’t want to think about it anymore?” Wang Chengen didn’t achieve his goal. It was a pity. He was instructed by the boss. The two women were noticed and personally picked by the boss. How could he not try hard to get them?

In fact, this so-called Zhongqiu Film and Television Culture Development Co., Ltd. was just a shell company. But the owner of the company, Ouyang Junyuan, had some background. This company was just a means for him to pick up girls.

In the face of the celebrity dream, few girls can refuse, so this Ouyang Junyuan from Zhongqiu often got what he wanted. After getting a girl into bed, he looked for a relationship, and then let her play a small role on a TV series. Then it wasn’t really breaking a promise.

Ouyang Junyuan wasn’t a native of Donghai, but of Province P. This time, he was just passing by Donghai. However, when he saw Sun Jie’s beautiful face and her perfect shape, he couldn’t help but be greedy for it. He wanted to make her his own slave, so he ordered his own man, Wang Chengen, to go lobbying.

“Haven’t you finished yet? I’ll kick you if you don’t leave” Yang Ming glared. He was a little annoyed. Are you done?

When Wang Chengen didn’t complete the task given by the boss, he already was unhappy. Besides, who was his boss? In Province P, he was a person who was very bad*ss. Wang Chengen immediately wasn’t happy. The gaze that he looked at Yang Ming became sinister. “Kid, are you talking to me?”

“It turns out your hearing is bad!” Yang Ming sneered.

“You say it again?” Wang Chengen’s sincere expression disappeared, then he said coldly.

“If you want me to say it, then I will say it? OK, I don’t want to waste time with you. Get lost immediately.” Yang Ming’s hand had been holding on to the plate on the table. He was ready to smash his head if this guy wasn’t leaving.

Although Wu Yunsheng didn’t speak, he also looked at Yang Xin nervously. He was just waiting for the person in front of him to make any wrong move, so he would immediately rush in.

“You’re great! Very good, I will remember it!” Wang Chengen gritted his teeth and sneered at Yang Ming. Seeing that Yang Ming’s hand was ready to make a move, he turned and left, but he said as he walked away, “You’d better be careful!”

“Stupid!” Yang Ming cursed and didn’t take it seriously.

“Ha, Xiao Jie, in Donghai, there are actually people who dared to talk to you like this?” After Wang Chengen left, Yang Xin said with a smile.

“He doesn’t look like a local person. You see, isn’t Province P written on the business card?” Sun Jie pointed out the business card left on the table and replied.

“I have to say that he has really no sense!” Yang Xin snorted and said, “He dared to have any intentions with our Xiao Jie. He really doesn’t want to leave Donghai alive!”

“Forget it, Yang Xin. He didn’t cause too much of a problem.” Sun Jie shook her head and didn’t plan to pursue it.

However, would the matter be really over if she didn’t pursue? Absolutely not.

“Younger brother, you were very fierce just now, much stronger than your brother-in-law!” Yang Xin said to Yang Ming with a thumbs up, “Very bold, unlike your brother-in-law. He could never do something like that!”

“Hehe...” Wu Yunsheng wasn’t angry, and he still laughed after hearing it.

“Brother-in-law was also very nervous. I could see it. If the guy dared to go against you, he would be the first to beat him up!” said Yang Ming.

“Yang Ming, I didn’t know that you’re quite good at looking at people!” Sun Jie listened and immediately replied, “You are really right. Don’t look at how silent Wu Yunsheng is, but if someone wants to do anything bad toward Xiao Xin, he will rush faster than anyone else! Once we went out to play, there were three little punks who came over and wanted to molest us. As a result, Wu Yunsheng beat up all three of them...”

“Really? Brother-in-law, I didn’t realize that you are really fierce!” Yang Ming patted Wu Yunsheng’s shoulder and praised him.

“When I was a child, I learned to fight in the army...” Wu Yunsheng said it embarrassingly.

“A man can’t be judged by their appearance, JJ can’t be measured [1]!” Yang Ming said with a sigh...

“Ah?” Wu Yunsheng listened but his jaw dropped. He didn’t expect that Yang Ming dared to say this...

And Yang Xin laughed aloud. “Ha ha ha ha, younger brother, I didn’t notice that you’re really talented!”

“Nothing, nothing!” Yang Xin was very happy, “Yes, he has the manners of his older sister, me. If others didn’t know, they really might think that we are siblings!”

Chapter 654: Sun Hongjun’s Past

What about Jidun City?”

Sun Hongjun’s eyes lit up and immediately realized that if Guo Jinbiao was dead, then Jidun City’s territory... This was a good opportunity to expand outward!

“It’s not clear. There is no news yet,” said Tian Qianren.

“At this time, Jidun City had no leader. It must be pretty chaotic. Can we take this opportunity to go to Jidun City and occupy a place?” Sun Hongjun hesitated and said.

“Now, I don’t know if Bao Sanli was intentional or not. If they spontaneously decided to assassinate Guo Jinbiao, then perhaps Jidun City wasn’t prepared for it. But if it had been long-planned before, then they

must already have a plan to conquer the territory. If we go now, there won't be a lot of benefits. Even if we got half of them, it is already very good." Tian Qianren analyzed.

"En, what you said is true." Sun Hongjun nodded. "Always pay attention to the movements over there!"

"Understood!" said Tian Qianren.

After hanging up the phone, Sun Hongjun fell into deep thought... Jidun, Jidun... He suddenly remembered what Yang Ming said before. If one Song Jiang wasn't enough, how about adding another Jidun City?

Could it be that... Yang Ming had already received the news in advance? Did he get it even earlier than me? This thing seems a bit weird...

Sun Hongjun also faintly knew that the relationship between Yang Ming and Bao Sanli wasn't bad. However, even if it was good, can such a private event be something that Bao Sanli tells to Yang Ming? Also, looking at the situation, this seemed to have happened last night. Yang Ming came to Donghai this early morning... Was it just a coincidence? Maybe I was thinking too much?

Sun Hongjun shook his head. Since he couldn't understand it, he decided not to think about it anymore. He would stay put and watch the development in Jidun.

Amidst his contemplation, he saw his lover push open the door and come in. Sun Hongjun was very fond of his wife, otherwise, he would have looked for another woman in these many years.

After his lover gave birth to Sun Jie, she was no longer fertile. Of course, Sun Hongjun wanted to have another son, but because of his affection for his wife, he didn't do anything that affected his lover.

Sun Hongjun put away the doubts in his heart and raised his head. He smiled and said to his lover, "How come today you have time to come to my study? Usually, you wouldn't be here even if I invited you."

"Ai, you stupid old man, isn't it still because of our home's Xiao Jie's matter?" Mother Sun sighed and sat on the sofa in the study.

Sun Hongjun also stood up from the boss' chair behind the desk and sat next to his lover. He said softly, "I was also doing this for Xiao Jie's lifelong happiness! How can we be sloppy with this kind of thing?"

"Sloppy? What do you mean by sloppy?" Mother Sun felt reluctant after listening to it. "I think Yang Ming, this child, is very good. Why are you, old thing, so stubborn? I'll tell you. If you give me more trouble, I... ..I would divorce you!"

"Sha? Divorce?" Sun Hongjun was shocked and quickly hugged his loved one, "Xiao Feng, what are you talking about? How can you divorce me because of this little matter!? Wasn't I just doing this for my daughter's good?"

"What kind of good? Why don't you look at how old Xiao Jie is now? It was because she was hurt in the past that she has been hostile to men. Moreover, it's not that you haven't heard the words outside... They say our Xiao Jie is... Forget it. Now that Xiao Jie was willing to have a boyfriend again, you're still such a busybody!" Mother Sun immediately was unhappy about it.

"It's not that I want to be a busybody, but I have to figure out Yang Ming's true intention. What if he wanted only our family assets? After he got the business, then he can just kick out our home's Xiao Jie." Sun Hongjun was worried too as he spoke.

"Not that our Xiao Jie is lacking in anything! Not only is she beautiful, but there are also plenty of people pursuing Xiao Jie. I say, even if Yang Ming had other intentions, he would receive both beauty and wealth! It would have no effect on Xiao Jie!" Mother Sun said.

"We can't be sure of that. Our daughter is already twenty-six this year. Yang Ming was only about twenty? After a few years, once Xiao Jie started aging and her beauty was less, I'm afraid..." Sun Hongjun smiled bitterly.

"Why do you think of people like this? Conspire to get your family assets, just conspiring to get your family assets!" Mother Sun was a little angry. "Well, Sun Hongjun, I'll ask you this. When you wanted to marry me, were you conspiring over my family's assets?"

"I? Of course, I wasn't!" Sun Hongjun shook his head and said resolutely, "I haven't taken a penny from your family. Moreover, your family's business... Don't I have to take care of it now?"

Speaking of this, Sun Hongjun couldn't help but be a little proud. After decades of hard work, he had gotten his superior position. From the original unnamed kid, he had become powerful and mighty.

"That is the present! At the time, I was also the daughter of an affluent family. What about you? You were just a worker who had just changed your profession." Mother Sun said, "Don't you think about yourself? How did my father treat you at the time? If it weren't because of my mother who stood her ground against the opinion of the masses and supported me, there would be no way you could have married me!"

"Hehe, that was because your mother and you have a long-term vision. Aren't I doing fine now?" Sun Hongjun said while feeling proud.

"Really? So, because you were harassed by my dad in those years, now your psychology had gone off balance. So, you want to create trouble for Yang Ming?" Mother Sun turned the thread of discussion. "You were just a small worker in those days. Yang Ming is at least better than you. He is a college student, and he already has his own company!"

"..." Sun Hongjun was speechless at the words of his lover, and he silently lowered his head.

"Moreover, how do you know that Yang Ming won't be improving in the future? I think he simply doesn't care about your little assets at all. His achievements in the future would be hundreds of times better than yours!" Mother Sun continued to mutter, "It's just like how you felt that you would succeed in the future!"

"Okay! I will stop caring about it, okay?" Sun Hongjun yelled in embarrassment. He remembered the happenings of those years. He then realized why his father-in-law looked so down on him... Today, wasn't he viewing Yang Ming with the same lens?

However, although his lover's family operated a small company at the time, the family was only doing well. It was not comparable with himself now. It was already very difficult for someone to surpass the height of what he had achieved now!

The underground emperor of a city, what prestige and glory!

He didn't think that Yang Ming could surpass him, but he thought that at the very least Yang Ming needed to have the ability to succeed him! Otherwise, if the family business fell into his hands, it would gradually decline.

Perhaps it would be better than handing it over to Sun Zhiwei, but eventually, the Sun Family would still decline. Thinking of this, Sun Hongjun couldn't help but admire the two children of Tian Qianren's family. The first kid is sensible and mature. Although the second kid is a bit pampered like Sun Zhiwei, he isn't as childish as Sun Zhiwei. At the very least, he is a martial arts geek. If the elder brother takes care of the underworld, having the second brother to be a heroic commander of the military would be good, too.

But in my family, my daughter is indeed very capable. But after all, she's a daughter...

"Hongjun, I know your worries. However, I think that my, Jin Xiaofeng's, eyes are pretty accurate in gauging people!" Mother Sun said, "I chose you that year, instead of the guy with a better family background named Qin... Qin what again? Just that Qin Family's young master... How was his family background at the time? He was even better than my family, but now? We no longer hear about this character in Donghai anymore, right? Why did I choose you instead of him? I love many aspects of you, but the main thing was I thought you were a person with a strong drive! How about now?"

"That... hehe..." When it comes to the matters in those years, Sun Hongjun would feel a little smug.

"Therefore, I think that Yang Ming is really a very good kid." Mother Sun said, "If you don't believe it, I will put my words here today! At most in ten years' time, he will surpass you!"

"Ten years? Really?" Sun Hongjun didn't believe it.

"Maybe it's unnecessary to say all this." Mother Sun shook her head. "If you don't believe it, you wait and see."

"Sure, I don't think there's any problem for an old man like me to live another ten years. I can even handle the Sun Family's matters for another ten years!" Sun Hongjun said, "From now on, I won't say much. I will watch whether this Yang Ming can achieve any kind of achievements in ten years!"

"Hehe, do as you wish!" This time, Mother Sun didn't say anything because this was enough already.

"Tonight when Yang Ming comes over to eat at home, you be a little friendlier."

"Okay!" Sun Hongjun nodded. "I'll call Old San to buy some food and prepare for it then."

"That's a good boy!" Mother Sun kissed Sun Hongjun's face and said, "I'll reward you at night..."

"Haha..." Sun Hongjun laughed happily like a child.

In fact, Mother Sun was still underestimating Yang Ming's strength. Yang Ming's present achievements had already surpassed Sun Hongjun by a hundred or even a thousand times!

If Yang Ming's previous abilities were purely by luck, this time, the action against Jidun City relied entirely on Yang Ming's own efforts. Li Qiang and the rest were elites trained by him with his own hands!

Chapter 655: Wang Chengen's Evil Plan

A person's success is inseparable from their efforts, but it is important to have luck.

It depends on destiny. This was like the rebellions against the emperor in the past. If society was peaceful, it wasn't effective no matter how much effort you put in. But when times were really troubled, a shoe seller or even a beggar could become an emperor.

It was true that Yang Ming's initial success was entirely based on luck, but it was inseparable from his benevolence. If he didn't chase away these two punks, Zhang Yuliang and the blond yob, the old man in the street stall wouldn't have given him a pair of magic contacts.

If he didn't help Fang Tian, he wouldn't have learned martial arts. But a person can't do anything based on luck, and Yang Ming knew this, too. He learned the skills from Fang Tian diligently. He even started to develop his own team.

The greater the ability, the greater the responsibility... This sentence sounds a bit unattractive, but it is really the case! Sometimes, you don't want to do something, but if the situation forces you, then you really had no choice but to do it.

Take the happenings in Jidun City as an example, Yang Ming had always been based on the principle that if people didn't offend him, he wouldn't go offend them. If Guo Jinbiao restrained himself a little, Yang Ming really wouldn't have the means to touch him!

It was a surprise to meet Li Qiang and this group of people. Yang Ming didn't intend to form this superpower, but the matters had progressed as such, and Yang Ming had to take them in. He didn't expect that it would really come in handy.

For example, Wang Chengen, who Yang Ming met today, Yang Ming always took him as a joke but Yang Ming didn't intend to do anything to him. However, some people aren't able to hold themselves back. If you didn't trouble him, he would think that you were a weakling. He would come and pinch you!

Wang Chengen had suffered a grievance and returned to his seat with a look of anger. Usually, he would get whatever he wanted. How many innocent girls were tricked into the boss's bed with his sweet words?

"What happened?" Ouyang Junyuan also saw that Wang Chengen had suffered a grievance and asked with a frown.

"The two women didn't buy it. They don't intend to be stars." Wang Chengen said angrily.

"Oh? Nowadays, are there people who don't want to be famous? Others have sharpened their brains to participate in the super boys and super girls tournament!" Ouyang Junyuan said with some disbelief.

"The key is that the man around them is more detesting. He always interfered with their thoughts, and he arrogantly told me to leave!" Wang Chengen naturally blamed Yang Ming with his own failure.

“He doesn’t look like a rich man,” said Ouyang Junyuan as he assessed Yang Ming’s group.

Because it was the Chinese New Year, Sun Jie wasn’t wearing a formal outfit. She just wore casual clothing. As for Yang Ming, he was an even more casual person. It was impossible for him to wear a suit, so he was wearing sportswear, too.

Then, Yang Xin’s dress was even odder. It was literally a non-mainstream style. One couldn’t tell what the value of the clothes was. Wu Yunsheng, in order to match Yang Xin’s style, and although it was really a bit difficult for his gentleman’s look, also dressed like a big boy from Yangon.

Therefore, in Ouyang Junyuan’s eyes, he subconsciously took the four people to be college students.

“Boss Ouyang, you can rest assured. I’ll handle this thing!” Wang Chengen patted his chest and said, “These kinds of matters have happened before. Weren’t the two high school girls unwilling before? Hehe, weren’t they obedient after they had filmed the X-rated movie?”

“But, with the two men next to them, it’s not easy!” Ouyang Junyuan wasn’t a kind person. These kinds of things were not something he had done once or twice. Therefore, he wasn’t thinking about whether this happening would cause any consequences, but how to start!

“Isn’t this easy?” Wang Chengen’s eyes turned, and he had an evil plan. “I will find a few people to mess with them in a while so that when the two women are alone, we have a chance to start!”

“Alright, just do it!” said Ouyang Junyuan arrogantly. He didn’t care about the consequences of doing it, because he didn’t have to worry about the consequences!

In Province P, it was no exaggeration to say that the Ouyang Family is one of the best in the country. They controlled the entire underground world of Province P. It was said that the Russian Hawkeye Group, also known as an assassin group, was supported by the Ouyang Family in the dark.

Although the Hawkeye Group was only a small organization in Russia, and it was not even ranked in the world ranking, you know, it was a killer organization! Over the years, the Ouyang Family was able to unify the underworld of Province P because of the Hawkeye Group’s contributions. All the gang leaders who disobeyed them had been assassinated!

Those gang leaders who were not assassinated were also frightened and succumbed to the Ouyang Family’s arrogance. If these small gangs were united and fought against the Ouyang Family, they might not lose!

But the actual situation wasn’t the case at all! As long as any gang leader was dissatisfied, that gang leader would be guaranteed to be dead the next day! Who could still bear this? In order to save their own lives, all of them bowed to the Ouyang Family.

Ouyang Junyuan was the second son of the Ouyang Family. Although he was also a young master, there was a “second” in front of his address, so it was a lot weaker. This word also doomed Ouyang Junyuan for a lifetime because he couldn’t take charge of the Ouyang Family! Who let him be born two years late?

Now, part of the Ouyang Family's affairs had been handed over to the big brother, Ouyang Junwei. Although some insignificant matters were also handed over to Ouyang Junyuan, Ouyang Junyuan simply didn't do anything. He didn't fight for the master position of the family.

Taking advantage of the Ouyang Family's name, he did anything he wanted out there. He set up a scamming film company and harmed girls everywhere. Ouyang Junwei naturally knew of his brother's behaviors, but he hoped that his brother wouldn't fight with him for power. Therefore, whatever Ouyang Junyuan wanted to do, his brother just let him be. If something happened, Ouyang Junwei would wipe his *ss for him.

Over the years, it had eased the feelings of these brothers. Their cooperation was perfect. Although there were also girls who have been victimized, and they reported it to the police, what waited for them was the Ouyang Family's crazy revenge, so the victims simply didn't dare to report. Who doesn't have a family? If you want to sacrifice yourself, it's your own business. Don't jeopardize others' family! What's more, Ouyang Junyuan was also generous. The girls that he had played with could also get a sum of money. If they served him well, they could play a small role on TV using Ouyang Junyuan's relationships. It was also a little addictive to be a celebrity.

Therefore, Ouyang Junyuan had always been unscrupulous in doing things.

The Home of Six Tastes lined up a lot of guests. After Yang Ming had finished eating, he got up and paid the bill. Occupying a table to chat, although the waiter wouldn't chase you away, was against the public virtue. After all, many people were waiting outside with hungry bellies.

After Yang Ming got up, Wang Chengen and Ouyang Junyuan followed. Wang Chengen took out his phone and made a call.

"Ah Snake, this is Wang Chengen." Wang Chengen said, "I heard that you're doing quite well in Donghai, right?"

"Oh? It's President Wang!" Ah Snake picked up the phone and smiled. "How come you have the time to call me?"

"I'm accompanying the boss to do something. It turns out that there is something I need you, Ah Snake, to help with!" said Wang Chengen.

"Oh? You're saying that the Ouyang Second Young Master is also here?" Ah Snake asked, "What is the matter? Can it trouble Ouyang Second Young Master?"

"Hehe, isn't there a saying that a strong dragon doesn't fight the snake in its own territory? Ah Snake, this is your territory, so this matter naturally needs your help!" Wang Chengen laughed.

"Since that's the case, just tell me the matter. I'll see if I can help." Ah Snake was moved. If I can affiliate myself with the Ouyang Second Young Master, this might give me the opportunity to develop!

Now in Donghai, it was getting harder to find business! He was suppressed by the Sun Family and the Tian Family. Ah Snake's gang could only be active in a small area. Moreover, he couldn't simply charge the protection fee at will. The amount of money collected was determined by the Sun Family. It couldn't be more or less, and part of it must be handed over to the Sun Family... So Ah Snake was severely restrained. It was difficult to feed a gang if this kept going!

Yes, Ah Snake was actually Brother Snake, the boss of the Four Snakes Gang. He and Wang Chengen used to be primary school classmates. The relationship between them was good. In the past few years, Wang Chengen was thriving by the side of the Ouyang Second Young Master. The relationship between Ah Snake and he was getting closer.

Although Ah Snake also knew that the Ouyang Second Young Master didn't have any power in the Ouyang Family, this was fine, too. At least, if the Ouyang Second Young Master said a word, then he could still have a place to live in Province P. It was definitely better than his current situation!

Ah Snake was now in a dilemma. With such a big gang, if this continued, he couldn't even feed his underlings.

A while ago, he thought about the partnership with Wu Chiren to commit fraud, but he didn't expect that Yang Ming, this malignant star [1], would trouble him. He almost scared Ah Snake to death.

Chapter 656: Unlucky Brother Snake

Now there was a good opportunity to affiliate with the Ouyang Family. Ah Snake didn't want to miss it naturally!

"This is the case... You know, our Boss Ouyang has a film company... Then he likes two female students..." Wang Chengen roughly illustrated the matter.

"It turns out to be like this!" Ah Snake thought for a moment. This thing doesn't seem so complicated. It was just diverting the two men. This kind of thing should be easy to do. Then he promised, "Well, I'm bringing people now!"

"En, just near the Home of Six Tastes. Call me when you come!" said Wang Chengen.

In fact, Brother Snake could solve this kind of matter by simply sending a few underlings. But in order to please the Ouyang Second Young Master, Brother Snake was going personally to show how much he valued this matter.

However, it was good that Brother Snake went personally. Otherwise, Brother Snake might regret it for a lifetime. Although he shouldn't do this matter, at least he went there personally and he could remedy the situation. If his underlings offended that great god, then Brother Snake really had to hang himself.

Yang Ming and the others had walked out of the Home of Six Tastes. They didn't drive away directly. After all, Sun Jie and Yang Xin hadn't seen each other for a long time, so of course, they had to stroll around Gujin.

Wu Yunsheng had to agree as well. Yang Ming had nothing to do anyway. Since Sun Jie and Yang Xin wanted to stroll around their alma mater, Sixth High School, he followed along.

"F*ck! So you guys are the students of the Sixth High School!" When Wang Chengen saw Yang Ming and the others walked into the campus of Sixth High School, he said disdainfully.

Not long after, Brother Snake rushed in with six underlings. He saw Wang Chengen, and quickly said, "President Wang..."

"Ah Snake, let me introduce to you Boss Ouyang!" Wang Chengen quickly introduced Brother Snake to the man beside him.

"Ouyang Young Master!" Brother Snake immediately nodded flatteringly.

"En." Ouyang Junyuan nodded. "Do you see the four people at the playground?"

Brother Snake raised his head and looked in the direction that Ouyang Junyuan said. He saw two men and two women talking in the vicinity of the parallel bars, so he nodded. "No problem. Is it just troubling the two guys?"

"Whether beating them up or grabbing them away, it's up to you. Anyway, just get the two women to be alone!" said Wang Chengen.

"Okay!" Brother Snake waved his hand and said to the underlings behind him, "Let's get to work!"

...

"Brother, do you know why Xiao Jie's chest is so big?" Yang Xin pointed to Sun Jie, who was pulling up on the horizontal bar by the side and then whispered to Yang Ming next to her.

"Ha! It turned out to be like this. I thought she drank a lot of papaya soup!" Yang Xin was jocular, but Yang Ming was more jocular than her. The two of them were hitting it off quite well. Wu Yunsheng was overwhelmed. Listening to the conversation between the brother and sister, he blushed... My girlfriend, how can she talk about this topic?

But there was no way. Who told him to like her? To love a person, you must love everything about her, so Wu Yunsheng could only try to change himself.

Just as Wu Yunsheng fell into deep thought, suddenly a voice came over at the wrong timing. "Oi, you dumb*ss, what are you looking at?"

Wu Yunsheng looked up while being stunned. He looked at the few young punks in front of him, looked from left to right, was baffled, and then he pointed at himself, "You... are talking to me?"

"Cr*p, besides you, who else is the dumb*ss!?" One of the Brother Snake's underlings shouted at Wu Yunsheng.

"I... am the dumb*ss?" Wu Yunsheng was somewhat inexplicable. "Do you know me?"

"F*ck, it's you! Kid, do you know you have offended people?" Brother Snake shouted loudly.

Wu Yunsheng's character was more accommodating. He looked at these people while being unclear. Then he touched his chin and said, "Are you sure... it's me?"

"Don't talk nonsense!" Brother Snake waved his hand. "It's you! Take this kid!"

Yang Ming and Yang Xin were whispering about Sun Jie's bosom. Suddenly they heard the sound of arguing behind them, so they turned around and saw a group of little punks troubling Wu Yunsheng.

When they heard someone was scolding Wu Yunsheng as a dumb*ss, Yang Xin was immediately displeased. "Who are you guys? Are you guys sick?"

Brother Snake didn't know Wu Yunsheng and he didn't know Yang Xin, but he knew Yang Ming! Although Yang Ming didn't talk, Brother Snake remembered him very much. This was his own nightmare. How could he not know?

Brother Snake was astounded. He couldn't wait to slap himself. It's really a bad year. I actually came to trouble him? Isn't that purely looking for death?

Seeing that Yang Ming was staring at himself coldly, Brother Snake's legs shook and he nearly sat on the ground... In a moment, Brother Snake was very regretful. F*ck this Ouyang Second Young Master. If I offended him, I will only lose my reputation. But if I offended this person in front of me, I will have to say goodbye to the world tonight!

Brother Snake was trying to say something, but suddenly he saw Sun Jie coming to this side!

Oh my God! Brother Snake really thought of committing suicide right now! The Miss of the Sun Family... is actually here, too? What the hell is this? No one will do such a thing, right? Even if I commit suicide, I don't have to commit suicide like this, right...

Brother Snake collapsed completely this time. Just as he wanted to ask for mercy, suddenly he remembered that Yang Ming didn't want to mention his identity, so he quickly stopped. He turned around and begged Sun Jie.

"That kid, you come over, too!" Brother Snake's underlings didn't know Yang Ming. When Yang Ming turned around, he immediately pointed to Yang Ming and said, "I'm talking to you! Hurry up. Don't waste time!"

Brother Snake's heart was trembling. D*mn, are you serious? What the hell is he doing? Do you want to kill me? Brother Snake was so angry that with a "pa" he slapped the underling heavily and said, "What are you doing! Are you blind? Get down quickly!"

The underling was inexplicable for getting slapped. He covered his face which looked like a big bun and went to the side with grievances, but he didn't have any objections.

"Miss Sun... I'm sorry... This is a misunderstanding... We will leave right away..." Brother Snake's words were stuttering. There was no way. Who asked Yang Ming to stand in front of him? Compared to Sun Jie, Brother Snake was even more afraid of Yang Ming. This guy didn't hesitate to murder anyone, and his methods were extremely ruthless.

"Get lost." Yang Ming, who didn't speak for a long time, suddenly spoke some words coldly.

Brother Snake was like a person who had gotten the King's pardon. He led his underlings and disappeared instantly in a witless manner...

"What happened?" Sun Jie glanced at Brother Snake, who ran away, and asked Yang Ming.

"I don't know." Yang Ming shook his head, but his eyes were thoughtful watching in the direction of Brother Snake's escape.

It turns out to be them... Yang Ming secretly remembered what he saw in his heart. He planned to trouble Brother Snake tonight. In Yang Ming's opinion, this kid really needed some lessons!

"They suddenly appeared and said that I'm a dumb*ss. That made me inexplicable..." Wu Yunsheng smiled bitterly.

"You, ah. They were scolding you. Why don't you talk back to them!?" Yang Xin was annoyed. "Maybe they saw that you looked honest, so you were easy to bully. Maybe they wanted to rob some money from you?"

"It shouldn't be..." Sun Jie shook his head. "I know the leader. He is the boss of the Four Snakes Gang. If he brought his underlings to rob money, it sounds impossible."

"Oh? No wonder he ran after seeing you!" Yang Xin said with a smile, "Miss Sun really has her reputation!"

Sun Jie didn't say anything. Apparently, she also began to doubt the true purpose of Brother Snake. But she didn't have Yang Ming's x-ray vision, so she couldn't see where Brother Snake went after he disappeared. However, she was certain that Brother Snake wasn't looking to trouble him... Because Brother Snake didn't know he was here! Or rather, Brother Snake didn't know that the person he was going to trouble was him!

"What's the matter with you?" Seeing Brother Snake run back in disarray, Wang Chengen was a little displeased. "Why did you come back?"

"President Wang, Ouyang Young Master, I'm sorry. I can't help with this matter!" Brother Snake shook his head and said.

"What do you mean?" Wang Chengen frowned. "What the hell is going on!"

"The woman is Sun Hongjun's daughter! Do I dare to touch her?" Brother Snake said, "President Wang, it's not like I'm not giving you face, but my power is limited. I really can't go against them!"

"Sun Hongjun? Who is this person?" Ouyang Junyuan asked with some disdain.

"Boss, Sun Hongjun is the boss of Donghai..." Wang Chengen said quickly.

"Donghai's boss? A small boss in a city, what can you be afraid of?" Ouyang Junyuan snorted and didn't put Sun Hongjun in his eyes. It was no wonder that in Province P, a small boss of a city was really nothing to him...

Chapter 657: Ouyang's Visit

Brother Snake didn't bother to talk to them. Now, he wasn't afraid of Sun Hongjun. Even if he collided with Sun Jie, it was still nothing. If Sun Hongjun knew about it, he could just apologize. But now he had

offended Yang Ming. If this guy really wanted to kill someone, no one could stop him. Brother Snake didn't want to put his life into it.

Looking at Ouyang Junyuan's arrogant look, Brother Snake didn't intend to warn him. For this kind of person, a warning was useless. Instead, he would think that Brother Snake was timid and afraid of trouble!

If this is the case, then you do it yourself. Just do as you wish. When you get killed by Yang Ming, it isn't something I can control.

"What kind of friend are you?" Ouyang Junyuan frowned. "You're really timid and afraid of trouble!"

"Forget it. Don't make it difficult for him. After all, he has to earn his living in this area!" Wang Chengen sighed. He understood Brother Snake's difficulties.

"Then we won't bother him anymore. I said, Wang Chengen, this method can't work. So what do we do next?" Ouyang Junyuan's interest in Sun Jie was obviously quite strong. He didn't take Sun Jie's father seriously.

"Boss Ouyang, I think we should forget it... After all, Sun Hongjun is the boss here. If we provoke her daughter... It seems a bit wrong..." Wang Chengen hesitated.

"What's wrong with it?" Ouyang Junyuan said. "He's just a city boss. What am I afraid of? When we are in Province P if I was fond of those big bosses' daughters, wouldn't they be happy?"

"But that is Province P; here is Donghai, not our territory..." Wang Chengen reminded him.

"You are right, too..." Ouyang Junyuan nodded. "Wang Chengen, aren't you smart? Is there a better way?"

"There is. It's just... Ouyang boss, you have to condescend..." said Wang Chengen.

"Tell me!" Ouyang Junyuan waved his hand.

"This is the plan. Why don't we visit Sun Hongjun directly tonight? Just say that you are fond of his daughter, and you want to bring her back to Province P. What do you think about this idea?" suggested Wang Chengen.

"But I haven't played enough yet. I don't want to get married yet!" Although Ouyang Junyuan very coveted Sun Jie's beauty, he didn't want to be tied to one person.

"Boss Ouyang, you think about it. When we are back in Province P, that is our territory. What you want to do, don't you have the say for it? Here, she is a miss, but when she arrives in Province P, she would be nothing. Wouldn't she be controlled by you, boss?" Wang Chengen said.

"Haha! Well said!" Ouyang Junyuan nodded after listening. "Okay, that's it! You go find out where Sun Hongjun lives. Let's go visit him tonight!"

Ouyang Junyuan was really arrogant. That was because he hadn't suffered any setbacks. In Province P, he was very powerful. Because he had no conflict of interests with his brother, the big brother, Ouyang Junwei, also took care of his younger brother.

Coincidentally, at night, Wu Yunsheng also went to Yang Xin's home to be a guest, so the four people casually strolled around and separated.

"Do you know that Brother Snake?" On the way back, Sun Jie suddenly asked Yang Ming.

"En?" Yang Ming was stunned but didn't hide it. "How did you know?"

"I could see it." Sun Jie said, "The eyes that he looked at you with seemed to be terrified, more terrified than looking at me..."

Yang Ming looked at Sun Jie. He sincerely had a kind of awe... Sun Jie's insight was so keen. She clearly saw the small details of such moments. Then he said, "At that time when Bao Sanli and Yu Xiangde competed for territory, I had beaten this guy. Maybe I caused him to have some psychological trauma."

"In this competition for territory, you were involved, too?" Sun Jie stared at Yang Ming and wanted to see something from Yang Ming's face.

"Is there any problem?" asked Yang Ming.

"No." Sun Jie said faintly, "Yang Ming, you seem to be hiding a lot of things from me."

"Ha!" Yang Ming suddenly smiled. "This is so funny. I'm hiding from you? What is our relationship? If I tell you all my matters, can you keep it a secret for me? You're not my wife. I'm not so stupid."

"That's also true." Sun Jie wasn't angry, but instead, she nodded. "Then wait for the day when I fall in love with you. You can tell me again."

One has to say that Sun Jie was a special woman. Her logic made it difficult for Yang Ming to adapt.

"Tck... what is the use of you falling in love with me? You have to let me fall in love with you first." Yang Ming snorted.

"I think you have this tendency now." Sun Jie said straightforwardly, "In this automatic transmission car, although you don't need to switch gears, you can't always put your hand on my lap... Ai? You are still going forward? Where are you touching? You even pinched?"

Yang Ming was pretending to hear nothing. He directly ignored the complaints from Sun Jie...

Sun Jie clamped her legs to prevent Yang Ming's hand from moving again. She said angrily, "Yang Ming, the more you behave as such, the more I will hate you. Don't you think that it's filthy and vulgar?"

Yang Ming withdrew his hand in disappointment. He didn't expect his actions to cause Sun Jie's resentment. However, Yang Ming had always been strong. Although he had retrieved his hand, he didn't say much.

Sun Jie was a bit curious why Yang Ming didn't talk for a long time. "What's wrong? Are you angry?"

"..." Yang Ming was speechless.

"Are you a man, so petty?" Sun Jie looked at Yang Ming, bewildered. This guy doesn't look like a petty person.

"..." Yang Ming continued to be speechless.

"Forget it. I will let you touch me but you can't touch down there. It is a bit uncomfortable. You can touch the upper part." Sun Jie teased Yang Ming.

"Okay!" Yang Ming answered without thinking. There wasn't any trace of unhappiness on his face.

"..." This time, Sun Jie was speechless. She stared at Yang Ming furiously. I was actually being fooled by Yang Ming?

Yang Ming said this, but there was no more action. He wasn't a lecherous person. The reason why he touched Sun Jie's thigh and the special part was just to flirt with her. Unexpectedly it caused Sun Jie's resentment. Therefore, Yang Ming said this verbally but didn't act.

Back at Sun Jie's home, Yang Ming felt some changes. It was from Sun Hongjun. Obviously, Sun Hongjun's attitude toward him was much better than before. He didn't mention the thing in the past anymore.

"Xiao Yang, come; the meal is ready. You and Xiao Jie go wash your hands, and go straight to eat!" Mother Sun said enthusiastically.

Yang Ming and Sun Jie regained their intimacy. Sun Jie was quite disturbed about Yang Ming's little action, but she also silently endured it. In front of her family, she was originally Yang Ming's girlfriend. If they were acting like strangers, then there would be problems.

The dishes in the evening were very rich. The people in Sun Hongjun's position rarely entertained guests at home. But Yang Ming wasn't a guest, so this meal should be regarded as a feast.

At the table, there were only Yang Ming, Sun Jie, Sun Hongjun and Mother Sun, the four of them. Sun San didn't participate. Sun Hongjun and Mother Sun were sitting in the main position; Yang Ming and Sun Jie were sitting on either side.

"Xiao Yang, come and taste aunty's cooking!" Mother Sun had basically confirmed Yang Ming's position at home, so she was treating Yang Ming nicely without concealing it.

"Thank you." Yang Ming said quickly. Then he began to help Sun Jie pick up the dishes. Mother Sun saw it in her eyes and she was very happy.

Sun Jie silently mouthed to Yang Ming, "Your pretending is so real!"

Yang Ming smiled and didn't mind.

The atmosphere was harmonious. Sun San suddenly came over, "Master, there is a person outside who claims to be people from the Ouyang Family in Province P."

"Province P's Ouyang Family?" Sun Hongjun sighed and said, "Why are they coming at this time? Did they say what are they coming for?"

"They said that they were looking for you about something. They want to see you as soon as possible," said Sun San.

If it was someone else, Sun San would definitely send them off! Nonsense, can you see Sun Hongjun whenever you want? Never mind that he was now eating dinner with his potential son-in-law!

But Sun San had to pay attention to the Ouyang Family in Province P. Sun San naturally knew what the Ouyang Family in Province P did. It could be said that Ouyang Family was the underworld emperor of the entire Province P. Sun Hongjun only controlled Donghai City. Compared with the Ouyang Family, their power was much greater.

However, although Province P was a neighboring province, it had nothing to do with the Sun Family. At this time, people from the Ouyang Family came to visit Sun Hongjun. What matters do they have?

Sun Hongjun hesitated a bit, and then said, "Let them come in. Wait for me in the living room. I will go out immediately."

Chapter 658: Don't Leave

After Sun Hongjun put down the bowl and chopsticks in his hands, he said to Yang Ming and the others, "I'll go out for a while. You guys eat first."

This Ouyang Young Master actually could make Sun Hongjun go out to meet with him when he was eating. Naturally, he wasn't an ordinary person, so Yang Ming curiously looked at the situation outside with his special ability.

When he looked at the so-called Ouyang Young Master at the door, Yang Ming couldn't help but frown! *Why is it this guy?* Yes, the person Yang Ming saw was Wang Chengen! The man by his side apparently was the Ouyang Young Master.

Yang Ming had met these two people at the Sixth High School in the afternoon, and they had called Brother Snake. As a result, the matter that was unknown was now clear.

Brother Snake had no conflict with them, but he was instructed by Wang Chengen or the Ouyang Young Master. But what Brother Snake didn't expect was that Yang Ming and Sun Jie were here. So, not only did he not solve the matter, but he was scared as hell and ran away.

After Brother Snake ran, he definitely told the Ouyang Young Master and Wang Chengen about Sun Jie's identity. Therefore, these two people came here tonight!

Unsurprisingly, these two people must have come for Sun Jie. What made Yang Ming somewhat curious was that this Ouyang Young Master's status seemed to be high. He even dared to come to Sun Hongjun to find someone here?

Yang Ming's current identity was Sun Jie's boyfriend. If such things happened, he shouldn't sit back and ignore it, so he stood up and smiled, "Uncle Sun, I will go out with you."

Sun Hongjun looked at Yang Ming in surprise. He didn't understand why Yang Ming made this request, but after some hesitation, he agreed. Anyway, Yang Ming was a candidate that he would like to train. Having him experience some important occasions was good, so he said, "Okay, then you go out with me, but don't talk."

Yang Ming smiled and nodded. "Uncle Sun, don't you worry." Yang Ming thought, *If this Ouyang Young Master and Wang Chengen still had some self-awareness, then I naturally won't talk indiscriminately. Otherwise, it's not about talking nonsense, I will use brute force directly!*

Yang Ming followed Sun Hongjun to the living room where the Ouyang Young Master and Wang Chengen were already waiting.

"Having two important guests come to my house, I'm really sorry for not welcoming you immediately!" Sun Hongjun addressed some formalities then he informed his servant, "Serve tea to the guests!"

"Boss Sun, I heard about your reputation long ago!" Wang Chengen got up and said, "This is the second son of the Ouyang Family in Province P, Ouyang Junyuan!"

"Hi! Welcome!" When Sun Hongjun heard that he was the second son of Ouyang Family, his tone immediately became very polite. After all, he was a member of the Ouyang Family, and he couldn't be offended.

"En." Ouyang Junyuan slightly nodded his head with a proud and arrogant expression. He didn't even stand up.

When Sun Hongjun looked at Ouyang Junyuan's attitude, he couldn't help but frown. *This Ouyang Junyuan is too arrogant, right? Even if your family is very powerful in Province P, this is Donghai, not Province P, not your territory! Don't you know that the guest should follow the customs of the locals? Isn't this disrespecting me?*

At the moment, Sun Hongjun was a little angry. After all, he was a senior in the underworld. His face didn't show anything. He was just calmly sitting on the opposite sofa with Yang Ming, and then said, "I'm not sure why the two of you came from afar to visit me?"

"We aren't here to find you!" Ouyang Junyuan immediately waved his hand arrogantly after listening! *Bullsh*t, what is my identity? Even if I'm not the successor of the Ouyang Family, I'm also the second young master of the Ouyang Family. In Province P, if I have to see the boss of a city, they will come and please me immediately. Do I need to look for them myself?*

Therefore, Sun Hongjun's words made Ouyang Junyuan feel as though he lost his face.

Wang Chengen wasn't as arrogant as Ouyang Junyuan. After all, he was a person who had worked hard from the bottom of society. He knew more about social convention than Ouyang Junyuan. The original Ouyang Junyuan was able to call the wind and summon the rain [1]. No one dared not to give him face. That was very simple because that was in Province P, the territory of the Ouyang Family.

But now the situation was different. Regardless of the status of Sun Hongjun, this place was Donghai, not the Province P, so Ouyang Junyuan's words were a bit out of place!

When Ouyang Junyuan said this, Wang Chengen realized that the atmosphere was a little bad! Sure enough, he saw Sun Hongjun say coldly with a sullen face, "Well if there is nothing, you two can leave. I still have to accompany my guest for dinner."

"There is something!" Ouyang Junyuan suddenly realized that his attitude had already caused Sun Hongjun's dislike. However, even if he knew that, so what? So what if he felt resentment? He was

Ouyang Junyuan, the second young master of Ouyang Family, who had never cared about the feelings of others.

"What's the matter? Please tell me." Sun Hongjun said with patience. After all, he couldn't slight someone from the Ouyang Family.

"En ... Xiao Wang, it's better for you to say it!" Ouyang Junyuan felt that it was better to have Wang Chengen make the approach.

"Well, let me say it." Wang Chengen was really afraid that Ouyang Junyuan was too straightforward in his words, and he would mess up the matter. "Here is the matter. Boss Sun, I heard that you have a daughter called Sun Jie?"

"You're right... did my little girl offend both of you?" Sun Hongjun asked with some doubts. After all, Ouyang Junyuan's attitude now was like an accusation.

"No... rather..." As Wang Chengen just opened his mouth, he was interrupted.

"She didn't insult me, but this kid!" Ouyang Junyuan suddenly interrupted, "What is he doing?"

Sun Hongjun frowned. This Ouyang Junyuan was too arrogant. This was in his own home, not in their own Province P. He was somewhat unhappy at the moment. "He is my little girl's boyfriend, Yang Ming. How did he offend the Ouyang second young master?"

"We want to..." Ouyang Junyuan was about to disclose that he was asking Sun Jie to be a celebrity but Yang Ming had stopped him. Wang Chengen noticed that it wasn't good so he immediately interrupted and stopped him. "This is the case. Our Ouyang young master is fond of her. We are here to arrange a marriage... My family's young master wants to bring Sun Jie back to Province P."

Yang Ming showed a sullen face. *Isn't this obviously not taking me seriously? I'm sitting right here, and Sun Hongjun had already introduced me. He said that I'm Sun Jie's boyfriend. Does this guy actually want to bring Sun Jie back to Province P?* Yang Ming's patience was limited. He was going to get mad now.

But this was in Sun Hongjun's home, and Sun Hongjun was an elder. He didn't even speak yet; Yang Ming couldn't act too rashly.

After listening to Wang Chengen's words, Sun Hongjun looked at Wang Chengen with interest and looked at Ouyang Junyuan again. Then he smiled and said, "Does my daughter agree to go back with you?"

"Hehe , as long as you agree, isn't it fine?" Wang Chengen said with a smile, "Look. Your family and the Ouyang Family are a suitable match. Both are the kings of the underworld. Wait until your daughter has married our Ouyang Second Young Master. It can be described as a strong alliance!"

Strong alliance? Bullsh*t! Let's not talk about how far the Ouyang Family was from Donghai. Let's take this Ouyang Second Young Master as an example. He didn't have any power in his home. Sun Hongjun had heard about his filthy matters. He was a prodigal child. Such a man was purely a man who ruined his family. Asking his daughter to marry him? That was impossible!

Sun Hongjun was about to refuse, but he heard Ouyang Junyuan say, "Xiao Wang, don't talk about it. Who is going to marry her? Didn't my father already arrange a marriage for me? *Hehe* , I heard that the girl is really pure. *Hehe* ... I feel so good thinking about it..."

Wang Chengen immediately thought it was no good. His face was black! *How can you say this?*

"Old San, send the guest away!" Sun Hongjun resisted the urge to scold. He shook his hand and said coldly.

"Wait!" Yang Ming couldn't help it. He suddenly reached out to stop Sun San's movements, and then he stood up and walked straight to Ouyang Junyuan.

"D*mn, what do you want?" Ouyang Junyuan squinted at Yang Ming. He didn't put Yang Ming in his eyes.

"You want to take my wife to Province P. You really don't put me in your eyes?" Yang Ming looked at Ouyang Junyuan and said with a sneer.

"Who the hell are you? Do you have a place to speak here?" Wang Chengen was a little afraid of Sun Hongjun, but he wasn't afraid of Yang Ming. He thought that Yang Ming wasn't capable but he just wanted to rely on the power of the Sun Family.

And he saw Yang Ming's performance this afternoon. If Yang Ming was really someone, then Brother Snake would definitely have told him.

How did he know that Brother Snake simply didn't want to bother with this? Moreover, it wasn't that he didn't want to tell, but Yang Ming was so terrifying that he dared not to tell...

Chapter 659: A Powerful Force Intervened

"F*ck off, this has nothing to do with you!" Yang Ming raised his leg and launched his foot to Wang Chengen. Wang Chengen, who was sitting on the sofa, felt a huge force slam into his chest.

Yang Ming didn't hold back at all. He only heard a cracking sound. Probably one of Wang Chengen's ribs was broken. But Yang Ming didn't stop there. He exerted a greater force all of sudden. Wang Chengen directly fell backward together with the sofa behind him. Even Ouyang Junyuan, who was sitting on the same sofa, had suffered the same consequences and fell to the ground.

Wang Chengen was severely injured. At this moment, he could only moan. Yang Ming had already long been displeased with him. Today, if the Home of Six Tastes wasn't a public location, Yang Ming really would have beat him up on the spot.

The sudden change made the people in the whole house stunned. Ouyang Junyuan was even more outraged. He pointed to Yang Ming and shouted, "You dare to do it? Do you know who I am? Kid, I'll tell you this. You're finished! Unless you give me Sun Jie and crawl under my pants, otherwise, I will let your family die!"

"You dare to say it again?" Yang Ming abruptly extended his hand and grabbed Ouyang Junyuan's neck collar. Yang Ming held him in the air and said ruthlessly, "I have two taboos. One is my woman. The other is my family! Unfortunately, you actually threatened me with both of these!"

"I am the second young master of the Ouyang Family! You're so dead!" Ouyang Junyuan was furious and looked at Yang Ming with red eyes. He didn't expect Yang Ming to have such a strong force. Yang Ming could lift him up with just a hand.

"Really? Ouyang Family? Is it very bad*ss?" Yang Ming's tone was full of disdain. "I am not afraid to tell you that your so-called Ouyang Family may look very powerful to you. It has extraordinary power. But in my eyes, it is nothing!"

"Master..." Over by the side, Sun San quickly reacted from the sudden loss of consciousness, and said to Sun Hongjun, "Mr. Yang, he..."

"Don't bother him!" Sun Hongjun shook his head. Although he thought that Yang Ming was too impulsive, Sun Hongjun was a boss. He definitely wouldn't yield to others! What's more, now there was hatred. If he yielded, the effect won't be great, but instead, he would be threatened by the other party and they would request some excessive conditions.

"You..." Ouyang Junyuan was shocked and angry at the moment and unsure if Yang Ming was crazy or not. He dared to go against the Ouyang Family or did he really have a backup?

However, Ouyang Junyuan, who had always gotten what he wanted, didn't think that Yang Ming was powerful. In his opinion, no one was more powerful than his own family! Moreover, there was a secret weapon in his family! That was the international assassin group. Who dared not to submit? They would assassinate you without knowing!

"Let your mom crawl under your pants!" Yang Ming said faintly, "Take your dog. Roll back to your territory. Don't let me see you here. Also, don't think about revenge. If you do something that makes me unhappy, then a disaster will be waiting for your Ouyang Family!"

Yang Ming didn't joke about it. If Yang Ming was pissed off, then he would directly go to Province P and kill all of the Ouyang Family people. If he couldn't kill all of them together, he would eliminate them one by one. Yang Ming didn't believe that they could hide at home and not go out forever!

When he was facing a group, Yang Ming wouldn't dare to say it, but with a single assassination, Yang Ming believed that he was invincible.

"You should think on the consequences of your action." Ouyang Junyuan looked at Yang Ming and said in an arrogant tone, "You will pay for what you said today!"

If this guy's attitude was a little better, Yang Ming would have let him go. But he had no regrets in his tone at all, which made Yang Ming a bit unhappy. "Now I changed my mind. If you want to leave, then you need to leave something as a souvenir!"

After he finished, regardless of Ouyang Junyuan's reaction, Yang Ming directly took the fruit knife on the coffee table and sliced it into the thumb of Ouyang Junyuan's right hand.

The knife rose and the finger dropped. The red blood splashed out all over the floor. Ouyang Junyuan stared at his right hand missing one finger and screamed like a pig being slaughtered.

Yang Ming didn't look at Ouyang Junyuan. He simply tapped on his body, and the screams suddenly stopped. Yang Ming released the hand that was grabbing Ouyang Junyuan's collar, and then Ouyang Junyuan fell to the ground directly.

"It's too noisy," said Yang Ming indifferently. Ouyang Junyuan widened his eyes. The muscles on his face were twitching, but there was no sound from his throat.

"By the time I count to three, if you don't f*ck off, I will cut your little penis!" As Yang Ming finished, he began to count, "One, two..."

Ouyang Junyuan was scared immediately! *D*mn, is this guy crazy?* Ouyang Junyuan was really scared this time. How could this Yang Ming do as he says? The name of the Ouyang Family that he had always been proud of was actually not working! Ouyang Junyuan saw the cold eyes on Yang Ming, and his heart began to tremble. *If I leave a little slower, he will really cut off my little penis!*

He wanted to beg Yang Ming to count slowly. *How can he count so fast?* But there was no sound from his throat. God knows what this guy had done to him!

When Ouyang Junyuan heard Yang Ming say "two," he was scared sh*tless and began to run. But then he remembered his disjointed finger suddenly and wanted to get it back. Now the medical level was so advanced, so this thing could be reattached!

Yang Ming seemed to read his mind. "Three!"

Ouyang Junyuan didn't dare to go back. He ran away immediately, faster than a rabbit...

"Old San, find someone to clean up here!" Sun Hongjun sighed and said to Sun San, "See if this guy is still alive. If he is, throw him out; if he isn't, throw him into the sea to feed the fish!"

"Yes, Master!" replied Sun San.

"Yang Ming, come with me to my study upstairs!" Sun Hongjun glanced at Yang Ming and spoke.

"Okay, Uncle Sun." Yang Ming nodded.

Sun Hongjun's mood was very complicated now. The consequences of Yang Ming's actions would be very serious. Although he agreed with Yang Ming's actions, Ouyang Junyuan was the second young master of Ouyang Family. Yang Ming had no consideration of people's feelings and status. This put Sun Hongjun in a difficult situation.

At the same time, to Sun Hongjun's surprise, Yang Ming was so ruthless! One foot would make Wang Chengen half-dead, and when he cut off Ouyang Junyuan's finger, he didn't hesitate – clean and neat!

This was even more clear cut than some of the old people in my gang! As a result, Sun Hongjun had to re-examine Yang Ming. Moreover, Yang Ming's calmness also made Sun Hongjun wonder. *Maybe he doesn't know what the Ouyang Family does?*

Sun Hongjun shook his head. *It seems that I really need to ask Yang Ming.*

After entering the study, Sun Hongjun pointed to the sofa. "Sit, Yang Ming."

"Thank you, Uncle Sun." Yang Ming nodded and sat on the sofa; Sun Hongjun sat at the boss' chair behind him.

"Yang Ming, do you know what the Ouyang Family does?" Sun Hongjun sighed and asked seriously.

"The underworld in Province P?" Yang Ming said indifferently.

"Since you know, why were you still so impulsive?" When Sun Hongjun looked at Yang Ming's relaxed expression, he felt a bit baffled. "Do you know what consequences your impulses from today may have?"

"I'm sorry, Uncle Sun. I've brought you trouble..." Yang Ming apologized. After all, these happenings occurred in Sun Hongjun's house, and the Ouyang Family was likely to vent their anger at Sun Hongjun.

Sun Hongjun waved his hand. "Why do you apologize to me? Aren't you just voicing out your support for Xiao Jie? Besides, I'm not worried about me. The Ouyang Family is powerful, but they are only powerful in the small land of Province P. It is impossible to bring a huge number of people to come to Donghai to trouble me! What I am worried about is you. If the Ouyang Family wants to harm you, what would you do?"

"Uncle Sun, since you also know that I'm supporting Xiao Jie, you should have heard a phrase called bristle with anger for the lover." Yang Ming said faintly, "When I let Ouyang Junyuan go out from this door alive, I'm already giving face to the Ouyang Family! Looking for me for trouble? *Hehe ...*"

Yang Ming smiled scornfully. "If the Ouyang Family is clever, then they will admit this loss. If they aren't clever, I don't mind making him the second Guo Jinbiao!"

"The second Guo Jinbiao?" Sun Hongjun's heart suddenly moved and looked at Yang Ming, confused.

"Do you know why Guo Jinbiao would die?" Yang Ming looked at Sun Hongjun and suddenly asked.

"Why? Not because of the conflict with Bao Sanli. He was..." Sun Hongjun spoke up to this point and immediately looked at Yang Ming curiously. *How did he know that Guo Jinbiao was dead? What did he mean? Could it be that... Guo Jinbiao's death was related to him?*

Chapter 660: Real Identity

"It had nothing to do with Bao Sanli. Isn't it because his stupid son entangled Xiao Jie? I have given him the opportunity and let him go. I didn't expect this father, Guo Jinbiao, to be as stupid as he was." Yang Ming shrugged his shoulders. "He still talked a whole bunch of compensation treaties with me. I was so annoyed that I could only kill him..."

"What!?" Sun Hongjun was shocked. Yang Ming's words were so shocking! Sun Hongjun couldn't cope with it!

Yang Ming actually said that he killed Guo Jinbiao? And, it was also for Xiao Jie? The impact on Sun Hongjun was too big! Moreover, it was even for Xiao Jie... If this was the case, then Sun Hongjun could safely hand over his daughter to Yang Ming!

"You mean, Guo Jinbiao was being..." Sun Hongjun asked in amazement.

"*Hehe*, yeah. Right, he came with Master Qi. I threw out Master Qi. Guo Jinbiao was killed directly." Yang Ming said indifferently, "That Guo Jinbiao was quite interesting. He kept mentioning Uncle Sun, your name. Saying that you were going to help him to take over Song Jiang's territory!"

"I never talked about this!" Sun Hongjun quickly denied. The situation was too weird now. He wasn't quite sure what position Yang Ming was in Song Jiang's underworld, but it was obviously not low! Because of Yang Ming's unhappiness, he could kill Guo Jinbiao. He was obviously a bad*ss character. Moreover, it seemed that Yang Ming's strength wasn't weak. He could eliminate Guo Jinbiao as quick as lighting and take over Jidun City. How much power did that need!? Sun Hongjun asked himself. *I can't even do this!*

"Yeah, so I told him that Sun Hongjun is my... is my future father-in-law. How can you and this fool together deal with me?" Yang Ming nodded.

"..." Sun Hongjun was shocked and carefully probed, "Yang Ming, Bao Sanli of Song Jiang and you..."

"*Oh*, Uncle Sun, you're also on the same side as me, so I won't hide from you." Yang Ming smiled and said, "Bao Sanli and Big Hou are my men. But I'm still in college. I don't like the matters of the underworld very much, so I handed it over to them..."

Shocked! I'm definitely shocked! Although I have long guessed that Yang Ming was related to Song Jiang's underworld, I didn't expect that Bao Sanli and Hou Zhenhan in Song Jiang were actually Yang Ming's men!

Thinking of Bao Sanli's rapid rise, Sun Hongjun finally understood that this was no accident. Otherwise, how could a small gangster quickly become a city's underworld leader? There must be a powerful force behind him to support it! And listening to Yang Ming, the power behind Bao Sanli was Yang Ming?

How is this possible? How old is Yang Ming!

"You also sent people to Jidun City..." Sun Hongjun was a boss of the underworld. Although he was shocked, he quickly calmed his emotions.

"Yes, but those who I sent to Jidun City were not under Bao Sanli, instead, it's a force that I control. I didn't want to have casualties. Bao Sanli and they are all gangsters after all. Although they can take over Jidun City, the casualties will be very huge." Yang Ming nodded and explained.

The power of Li Qiang's team, after their appearance in Jidun City, even if Yang Ming wanted to hide it, he couldn't. The underlings of the Money Gang who escaped from Jidun City would definitely spread it out.

So Yang Ming might as well be generous and tell it to Sun Hongjun.

"You... still have other forces?" Sun Hongjun listened to Yang Ming's words and he was so astounded that he widened his eyes. If Sun Hongjun didn't receive the news that Guo Jinbiao was dead, he really thought he was dreaming now!

"I told you before. I don't really care about the development of underworld." Yang Ming smiled and said, "I don't like the feeling that there are things that are not under my control. The underworld is a very complicated organization. I don't want anyone to use it against me. Although I'm not afraid, I'm annoyed by it, so I can only put it under my control."

Speechless, Sun Hongjun was completely speechless! *Yang Ming is too strong! No wonder he said that this morning. A Song Jiang isn't enough, what if I add one more Jidun City?*

This isn't a lie, but a fact! Sun Hongjun suddenly felt that he was old. He had been busy for decades, but he didn't have Yang Ming's high achievements.

"Can you tell me what your hidden card is?" Sun Hongjun hesitated and said, "The Ouyang Family is the underworld leader in the entire Province P."

"This... Uncle Sun, sorry, I can't say it." Yang Ming shook his head. "But if I wanted to get rid of the Ouyang Family, it's not impossible!"

Yang Ming thought, *If I can persuade Fang Tian and asked him to do it with me, then no matter how powerful the Ouyang Family is, it will only be destroyed.*

"Donghai, Song Jiang, and Jidun are the three important cities of our Province V. These are all under our control. Therefore, our overall strength may not be inferior to the Ouyang Family now!" After Sun Hongjun knew this, he was relieved. If they fought face to face, this was their territory. The Ouyang Family certainly couldn't take advantage of it. But he was afraid that the Ouyang Family would make some petty moves, so he said, "The Ouyang Family is different from the ordinary underworld family. It was said that the Russian Hawkeye Group, one of the world-class assassin groups, is backed by the Ouyang Family! Better an open enemy than a backstabber!"

"Assassin? Hawkeye Group?" Yang Ming grinned disdainfully. "What is that? I haven't heard of it."

It was no wonder that Yang Ming was in disdain. Fang Tian had told him about the world-class assassin groups that were ranked. There was no such thing as the Hawkeye Group. Moreover, he didn't even see this name in the top thirty.

"..." Sun Hongjun's face was sullen. He thought, *How can you know about the Russian assassin group? Assassins and the underworld are two different kinds of organizations!* However, seeing Yang Ming's indifferent expression, Sun Hongjun's heart moved. "Do you have a relationship with the assassin group as well?"

Yang Ming smiled but didn't answer. The assassins, in fact, Li Qiang's group, under his own training, was almost the same as the assassins. However, it was more powerful than the average killer!

Most of the assassins acted alone without team spirit; Yang Ming's team was not only a single soldier, but a team with tacit cooperation!

Sun Hongjun couldn't grasp Yang Ming's identity anymore. Yang Ming was so mysterious. Sun Hongjun really couldn't guess how powerful the forces were behind him.

Just by Yang Ming's skills in the living room, it was enough to make Sun Hongjun feel shocked especially when he muted Ouyang Junyuan in an unknown manner!

"Uncle Sun, you don't have to worry so much." Yang Ming smiled and said, "If you really don't feel relieved, then I will go and engage with the Ouyang Family! However, I have to say it first. If there is no leader in the underworld of Province P, you'll have to take care of it!"

"Ah?... That isn't correct, right?" Sun Hongjun shook his head dizzily. "I seem to want to train you to be my successor..."

"Don't..." Yang Ming immediately waved his hand. "I have said it. I'm not interested in the underworld. If you have the energy, can you help me to manage Song Jiang and Jidun City as well..."

"..." Sun Hongjun was dumbfounded at once. He was dumbstruck looking at Yang Ming. He only replied after a long while, "I was anxiously looking for a man for Xiao Jie because I wanted to retire. Now it's good for you, right?"

"Just kidding. The people in my hands are enough for the time being. But the issues in Donghai, Uncle Sun, you still have to manage it. Wait until Jidun City and Song Jiang are stabilized." Yang Ming smiled.

"You scared the sh*t out of me!" Sun Hongjun had already regarded Yang Ming as his son-in-law, so he was too lazy to ask for Yang Ming's territory. Wasn't this looking for more trouble? Anyway, they would be the same family sooner or later.

If it was another person who wanted to give Sun Hongjun a territory, Sun Hongjun would have accepted it even if he would be tired to death. This was the difference in mentality. In the morning, he was still thinking about whether he could get a share of it, but at night he began to resign all these responsibilities.

"However, Uncle Sun, I have to confess something to you first." With his current strength, Yang Ming was ready to talk to Sun Hongjun about his few girlfriends.

"Oh? Just say it if you have anything. Why do you still need to confess!?" Sun Hongjun waved his hand and smiled. Obviously, his mood was very good now.

"Uncle Sun, in fact, in addition to Sun Jie, I have other women." Yang Ming said word by word.

"Oh?" Sun Hongjun wasn't as angry as he was supposed to be, but instead, he just answered plainly with "oh."

Yang Ming was a bit nervous. Although he was a fake son-in-law, Yang Ming really had the heart to accept Sun Jie. After all, Sun Jie was his own woman, and Yang Ming wouldn't allow his woman to be away from him.

Therefore, Sun Hongjun's opinion was still very important, and Yang Ming couldn't ignore it.

"Does Xiao Jie know?" A moment later, Sun Hongjun asked slowly.
