Chapter 801: Acquaintance

After a while, Xiao Qing found out that they didn't bother with her! It was no wonder because both of them were not facing her. At this moment, they were extremely engrossed, so it was reasonable that they didn't sense her presence!

Seeing that there was nothing unusual in both of them, Xiao Qing breathed a sigh of relief. She quickly and quietly walked out and then closed the bathroom door not daring to make a sound.

After closing the door, Xiao Qing patted her chest, and then sat on the sofa. She felt that her face was burning. She actually saw this kind of thing! Although knowing that Sun Jie and Yang Ming were related, knowing and seeing were fundamentally different things.

However, thank goodness that they didn't realize she was inside. Otherwise, how embarrassing was that?

Sun Jie really didn't see Xiao Qing. She was very tipsy, and at that moment her body was in a state of extreme excitement, so she didn't notice Xiao Qing's arrival.

But Yang Ming was different. Yang Ming was very emotional at the moment, but he always kept a clear mind. He had a lot of enemies now and couldn't be careless. Besides, multi-tasking was the ability that an assassin must have.

However, although Yang Ming saw that Xiao Qing came in, he didn't say anything. Not only did he say nothing, but he pretended that he didn't notice her. Yang Ming knew that if he called to Xiao Qing, it would only escalate the awkwardness. Maybe if Sun Jie reacted to it, she wouldn't let Yang Ming continue to do it. Therefore, it was better to let Xiao Qing see for herself, and then withdraw after seeing it. This gave her some mental preparation to facilitate his evening activities.

Sure enough, Xiao Qing quietly walked out after watching it for a while. Yang Ming smiled and looked at the perfect sultry body underneath him. He couldn't help but work harder.

Although the bathroom was soundproof, only Xiao Qing was in the private room. The faint moaning sounds inevitably came across to Xiao Qing's ear. At first, she felt a little embarrassed. For a long time, Xiao Qing also breathed quickly and closed her legs. Her face was flushed, and her eyes were blurred.

Xiao Qing really couldn't stand it. She had to reach out and cover her ears. If Sun Jie wasn't inside, Xiao Qing really couldn't help but go in.

Xiao Qing shook her head and thought, *These two people, I wonder are they doing it intentionally. Especially Sun Jie, this horny b*tch, just said that she wanted to exhaust Yang Ming to stop him from having some bad thoughts. In the end, it turned out that she couldn't hold herself first, and even do it in the washroom of a bar...*

Xiao Qing complained non-stop. She endured it for a long time with difficulty. Finally, when there was no more movement in the washroom, Xiao Qing breathed a long sigh of relief. *This was a really tough time!*

She was afraid that the two people would notice something wrong with her. Xiao Qing quickly sorted out her hair and poured a cup of hangover tea in her hand, pretending that she just got back.

Sun Jie gasped. She was exhausted. Although she didn't need to do anything, leaning there also consumed a lot of stamina.

"Help me..." Sun Jie's voice was lazy, and it was different from her usual savvy look, but there was a different temptation.

Yang Ming didn't have anything. Instead, he was livelier. He reached out and hugged Sun Jie.

"Where are you hugging? You haven't taken enough advantage of me?" Sun Jie complained. She got up and took off the two hands that Yang Ming put on her chest, and then said, "Can you tell me now?"

Yang Ming was stunned after listening, but immediately he understood what Sun Jie asked. He couldn't help but sigh at this woman's shrewdness. She would never forget the proper business. But Yang Ming asked inexplicably, "Tell you what?"

"Tell me?" Sun Jie glanced at Yang Ming with a seductive look. "You promised me before. Who are you exactly?"

"Oh? You are talking about this. Yeah, I promised you that I will tell you tonight." After Yang Ming listened, he pretended to be amazed and said it seriously.

"You..." Sun Jie was so angry that she ground her teeth. She couldn't wait to kill Yang Ming. Do you want to do it again tonight? However, the feeling just now was so refreshing. She sweated so much that even her hangover was alleviated. She was really feeling at ease.

If I do it again tonight, could I stand it? Sun Jie shook her head helplessly and thought, *This guy is really energetic. He still looked as if nothing has happened. I think next time I have to give up the idea of exhausting him. Otherwise, I'm the one who will be exhausted.*

Sun Jie tidied up her clothes, and took out a small makeup box and fixed her makeup facing the mirror. Then she said, "How long have we been here? Will Xiao Qing not notice what happened?"

"Not long, right? I didn't see the time. How do I know?" Yang Ming shrugged his shoulders indifferently. He thought, *Not only does Xiao Qing know, but she also saw it!* But Yang Ming didn't say that to Sun Jie. He just said, "She knows everything. We don't have to avoid anything."

Sun Jie was helpless, but she also knew that Yang Ming was telling the truth. So she had to make herself look more natural and calmer. Then, she walked out of the washroom and complained. "This wine is terrible. I feel so bad after drinking it!"

Xiao Qing just poured some sobering-up tea and saw Sun Jie come out. She quickly said, "Little Jie, how are you? I looked for a long time before I found this sobering-up tea..."

Sun Jie was relieved. She thought, *Luckily, she didn't know about it. If not, how can I face her?* She took the sobering-up tea in Xiao Qing's hand and said, "Thank you, but I'm much better. I don't have to drink this."

"That's good." Xiao Qing nodded and then asked, "Where is Yang Ming?"

"Who knows what he is doing in the washroom?" Sun Jie knew that Yang Ming was cleaning the battlefield, but she had deliberately dealt with it so that it wouldn't cause Xiao Qing any doubts. This also fit her usual character.

After a while, Yang Ming came out and saw that Xiao Qing and Sun Jie were chatting as if nothing happened. He couldn't help but feel funny. He thought, *Just wait until I expose this matter in front of both of you. I'll see what reaction you both have!*

Seeing Yang Ming coming out, Xiao Qing and Sun Jie both stood up. Xiao Qing said, "Let's go?"

Obviously, Xiao Qing and Sun Jie had unified their opinions and intended to leave here. Yang Ming didn't care. He didn't like this place very much, so he nodded, and the three walked out of the private room together.

Dahui was waiting far away. When he saw Yang Ming coming out, he rushed over with enthusiasm. He asked a person around to inform Boss Zhu, but Yang Ming stopped him. "Don't bother Boss Zhu. Later, you give him my thanks for the hospitality. I will visit when I have the time."

Dahui nodded and knew that Yang Ming didn't like to show off, so he didn't say much. He just followed the three and sent the three people out of the bar.

Before he took a few steps, Yang Ming suddenly bumped into a girl who was running quickly. The girl ran swiftly, but it was fortunate that Yang Ming's balance on his lower body was steady, so he wasn't stumbled by it.

Dahui frowned. He reprimanded her heavily. "How do you walk? Don't you have eyes? Quickly apologize to Brother Yang, or I will deduct your salary for one month."

Yang Ming assessed the girl in front of him. The girl was wearing a bar waitress' uniform. When she was reprimanded by Dahui, she immediately bowed her head and explained with a grievance, "Brother Hui, the customers over there harassed me..."

"Forget it!" Yang Ming waved his hand. "It isn't her fault." How would Yang Ming fuss about a little waitress?

"Little Lu, if it weren't for Sister Ge's face, you would have already been fired by the boss!" When Dahui saw that Yang Ming didn't care about it, he was at ease. His tone toward the girl was a lot more peaceful. "Being a waitress at the bar – sometimes it is inevitable that the customer will take advantage of it. As long as it isn't serious, just bear with it, and it will be over. Otherwise, how would you earn tips?"

"It turned out she ran over here. Chick, what's wrong? Looking down on our Director Wang, are you? I'll tell you, many female celebrities fight to sleep with our Director Wang, but they can't even get the opportunity. Director Wang touched your ass twice, and then you are not willing?" A drunken fat man

walked over, pointed to the girl and said, "I'll tell you, if you serve Director Wang well, you may rise from your current job and become a celebrity!"

When the girl heard this, she glared. She was totally different from who she was in front of Dahui. She scolded the fat man, "Get out of the way. Your great aunt, I, am disgusted to see you!"

"What are you saying? D*mn, don't be insensible when someone is giving you face. I'm telling you. Even if our Director Wang kills you, he can find someone to settle it!" The fat man was anxious when he heard it. He extended his hand and wanted to grab the girl.

Yang Ming looked at the fat man's evil face, and he couldn't help but frown. He looked at the girl again and felt it was familiar. He didn't know where he had met her. The girl was very beautiful, and her body was pretty. It was no wonder someone would have ill-intentions on her.

However, the girl's forcefulness and her dress were inconsistent. She kept saying 'great aunt.' It let people feel weird listening to it.

"Who is this person?" Yang Ming pointed at the fat man and asked Dahui.

"A frequent customer here. He drank a lot today, so he is a little arrogant..." Dahui explained.

Yang Ming looked up at the fat man and said faintly, "You get out with me now."

"F*ck! What are you?" The fat man was enraged at first. He vaguely heard that this girl had a friend who was from the underworld, so he didn't dare to force it too much. He was just intimidating her. But when Yang Ming came out suddenly, the fat man became enraged immediately. He wanted to throw a punch at Yang Ming.

Although Dahui knew the fat man, if it became a fight, he knew who he should help. He wasn't stupid. He directly grabbed the fat man's hand and prevented him from hitting.

"Brother Hui, what are you doing?" The fat man was stunned. He looked inexplicably at Dahui.

Dahui quickly whispered in the fat man's ear, "You can't afford to offend this person. He is Brother Bao's brother. If you don't want to die, don't make trouble!"

Chapter 802: Another Encounter with Xiaolu

"What? What Brother Bao?" The fat man didn't understand. "You mean Justice Pao[1]?!"

Dahui frowned. *How could this fat man be so tactless?* Dahui wanted to persuade him, but he saw that Director Wang walked over step by step and said, "Dahui, I will take your waitress. You should inform your boss!"

"Director Wang, you're drunk. You should go back home quickly." Dahui's current status was different from before. His every move was related to the company's reputation, so it was impossible to hit people

without speculation. As agreed, if the guests didn't do it or did not go too far, they couldn't beat up people.

"I say, Dahui, what do you mean by this? Are you looking down on me? Are you afraid that I can't afford it? Or are you afraid that something could go wrong?" Director Wang turned his head and said to the girl indifferently, "You go with me. I would let you be on the show tomorrow. I can give you a supporting role with just a sentence."

"She is unwilling. Why are you like this?" Xiao Qing also couldn't stand it anymore and spoke to Director Wang.

"Yeah?" Director Wang narrowed his eyes and assessed Xiao Qing from top to bottom. He couldn't help but reveal a lascivious expression. But when he saw Xiao Qing's extraordinary dress, he didn't dare to be frivolous and had to endure his desire. "It's none of your business. I want to take her away. What does it have to do with you?"

"You're right." Yang Ming looked at Director Wang and said coldly, "But, in Song Jiang, no one can take someone away in front of me! Dahui, throw this guy out for me!"

"Yes, Brother Yang." Before this, when Yang Ming didn't speak, Dahui didn't dare to make his own decision. But since Yang Ming spoke, there was no need to worry about it. Whether it was his boss, Brother Bao or Brother Hou, they wouldn't blame him!

Dahui waved his hand, and several underlings immediately carried Director Wang and the fat man by the arms and dragged them by the belt to be thrown out.

"Are you still not going to thank Brother Yang?" Dahui said to the girl, "This time Brother Yang stood up for you. Even if the boss knows, he won't say anything!"

"Thank you, Brother Yang." The girl wasn't at all arrogant. She raised her head generously and smiled at Yang Ming, but then she showed a surprised expression on her face. "You... you are Yang Ming?"

"Do you know me?" Yang Ming thought that the girl was familiar, but he couldn't remember where he had seen her. He thought that he remembered wrongly, but at the moment he heard that girl called his name, it obviously showed that his intuition was right!

"It's me, Jing Xiaolu!" The girl's face showed a happy expression.

"Jing Xiaolu?" Yang Ming frowned. It sounded a little familiar, but whoever she was, he had forgotten a bit.

Seeing that Yang Ming didn't remember, Jing Xiaolu quickly reminded him. "Do you remember when you poured porridge over my head? In the school cafeteria!"

"Ah..." Yang Ming suddenly remembered who Jing Xiaolu was, but there was some confusion. The Jing Xiaolu in front of him and the former Jing Xiaolu were really different. Before that, she was dressed up like a turkey, and now she was pure and pretty. The character of the two was somewhat similar. But today, the original foul-mouthed Jing Xiaolu's rudest language was just "great aunt!"

This made Yang Ming confused. *Are these two people the same person?*

"Brother Yang, after you taught me a lesson the last time, I decided to repent on my mistakes, and I have cut off my relationship with Li Longshuai. But you can rest assured that he didn't take advantage of me at all!" Jing Xiaolu saw Yang Ming's doubts, so she explained.

I can rest assured? I rest assured for what? What the hell does it have to do with me? Yang Ming shook his head inexplicably, and said, "It is a good thing to repent on your mistakes, but aren't you a student now? It is better to prioritize your studies. If you can, don't work at the bar, it's too complicated."

"Then... I should quit?" Jing Xiaolu looked up and blinked cutely.

Yang Ming found it a little funny. *If you quit, then you quit.* But he nodded his head and said, "Then quit." He had to admit that Jing Xiaolu was still beautiful after removing the makeup on her face.

"But if I quit, how do I live? I have to pay tuition, and I have to care for my grandmother. Moreover, I have repented my mistakes. I can't fish for dumb rich guys for money to spend!" Jing Xiaolu looked like she was in a dilemma.

Yang Ming didn't know whether to laugh or cry. *How is fishing for dumb rich guys a glorious thing?*

"Brother Yang, what if you pay? How about letting me be your lover?" Jing Xiaolu said suddenly.

"Ah?!" Yang Ming almost fell to the ground. *Be your lover. Don't I have enough lovers?*

"What's wrong? Brother Yang, I'm obedient. I will be a loyal lover, really." Jing Xiaolu said seriously, "And, I'm a virgin. Sister Xinyao can testify!"

"Kekeke!" Yang Ming was made speechless, and black lines filled his head, "Don't kid. If you don't have a job, you can find Hou Zhenhan. I would ask him to arrange for you an administrative job at the head office, so then there won't be so much trouble..."

You never knew who might be listening. Except for Yang Ming and Xiao Qing, everyone present was shocked!

Dahui naturally knew what Hou Zhenhan did, and Yang Ming actually said out 'I would ask him to do this and that'! This was a commanding tone which meant that Yang Ming's status was likely to be above Hou Zhenhan!

The same was true for Sun Jie. She had doubts about the identity of Yang Ming. When she heard him at this moment, she was even more certain that Yang Ming must have another identity in the dark.

And Jing Xiaolu completely worshipped him more, she had a good impression of Yang Ming since last time. In fact, Jing Xiaolu's childhood was hard, so she knew that it was difficult for a girl especially a beautiful girl who was helpless to establish a foothold in society. If there weren't a strong person to protect her, the end result would be difficult to say.

The emergence of Yang Ming aroused Jing Xiaolu. *This really is a strong one. Only he can protect me from being bullied.* She listened to what Ge Xinyao vaguely said. Yang Ming didn't like her non-mainstream dressing. She later saw Lin Zhiyun's refreshing look, and Jing Xiaolu made up her mind to become such a girl.

If she did not cheat dumb rich guys, she had no money to support her family and pay for tuition. Jing Xiaolu had found a job through Ge Xinyao's relationship. She worked to earn money, but she didn't expect to encounter Yang Ming!

The words that Jing Xiaolu said just now were not merely said, but they had been contemplated for a long time. She only took this opportunity to say it, but she didn't think that this would get Yang Ming interested in her just like that.

Although Jing Xiaolu thought that she was beautiful, she wasn't worse than Lin Zhiyun, but who was Yang Ming? There were many beauties around him, just like the two women beside him now. They were all beautiful!

Jing Xiaolu felt that Yang Ming was extraordinary. He actually knew the top figure of Song Jiang's underworld. But now, how could this seem to be only an acquaintance? It was simply a commanding tone!

Jing Xiaolu immediately became excited. Originally, she had a good impression of Yang Ming. This made her beliefs stronger. She must make Yang Ming fall in love with her. Although this idea was unrealistic, only an aspiring person could be successful!

"Really?" Jing Xiaolu knew that if she pestered him, it would definitely have the opposite effect. It was better to pretend deliberately that it was just on a whim.

"Of course, it is true." Yang Ming said helplessly, "This way, I will make a phone call for you, and you can report to him tomorrow."

"Okay. Thank you, Brother Yang. You're such a good person." Jing Xiaolu said.

Yang Ming took out his cell phone and dialed Hou Zhenhan's phone number, "Hello, Big Hou? This is Yang Ming... This is the case, I have a friend. Let her work in the company. You can arrange an easy administrative job... Okay? En , then that's it. I told her to go to see you tomorrow. Right, her name is Jing Xiaolu."

Jing Xiaolu was really surprised and happy. Yang Ming solved her work problem in one sentence. However, this wasn't the main thing. The main thing was that she and Yang Ming were in contact with each other just like that. Would she ever be afraid that they wouldn't have a chance to meet?

When the time comes, what excuses can't I use? When I get my first pay, I can treat someone for dinner or something else... The thought made Jing Xiaolu really happy.

"Okay, you can find him tomorrow. Just say that I'm the one who introduced you." Yang Ming hung up and said to Jing Xiaolu.

"Thank you, Brother Yang. Brother Yang, you're so good!" Jing Xiaolu suddenly squeaked and kissed Yang Ming's face.

" Ugh ..." Yang Ming suddenly was dumbstruck and touched his face. Jing Xiaolu smiled delightedly.

Yang Ming sighed, waved his hand and said, "Stop fooling around. Cherish this opportunity."

"En, I know!" Jing Xiaolu said, "Brother Yang, I was just so happy, I didn't mean anything else. Please don't misunderstand."

I misunderstand what? Yang Ming was gloomy, but it was inappropriate to say something. He just sounded an "En" and left the bar together with Xiao Qing and Sun Jie.

After Yang Ming left, Dahui looked at Jing Xiaolu, who was very happy. He sighed. "Xiaolu, do you really want to chase after Brother Yang?"

"What about it?" Jing Xiaolu said directly, "Am I bad?"

"That's not it, but I don't think it's a reliable thing. You'd better discuss it with Sister Ge first so that things don't go awry." Dahui kindly advised.

"I will discuss it." Jing Xiaolu nodded and said, "Brother Hui, thank you for taking care of me during this time. I'm leaving tomorrow..."

"Hehe, what taking care of? Since Sister Ge had already made it clear, I naturally have to protect you. It's just that Brother Hui isn't the boss, and often I can't say anything. If you do something wrong, I can only strictly discipline you." Dahui laughed.

"I know. It doesn't matter." Jing Xiaolu nodded.

"No matter what, Xiaolu. Once you are successful in the future, don't forget me, Brother Hui!" Dahui said in advance.

Chapter 803: This Hotel Is Mine

"This is quite uncertain..." Jing Xiaolu listened to Big Hui's words. Although her mouth denied it, her expression was delighted. She decided to call Ge Xinyao in a moment and talk to her...

Big Hui smiled and said, "Xiaolu, you come with me. I'll look for someone to give you your salary. Then, I will talk to the boss."

"Okay." Jing Xiaolu was happy to follow Big Hui and settle her salary.

When Boss Zhu learned that Jing Xiaolu was leaving, and it was Yang Ming's arrangement, instead of deducting Jing Xiaolu's salary, he paid a full month's salary and said some words of blessing.

Outside the bar, Sun Jie seemed to smile ambiguously at Yang Ming. "I didn't expect you to be so popular. When you left the door, you met someone who wanted to be your lover?"

"How would I know? I just met her once. I also poured porridge on her. Who knows how she came up with this? Maybe she just simply talked about it?" Yang Ming touched his chin and smiled.

Xiao Qing naturally had no doubt about Yang Ming's words, but Sun Jie was obviously not convinced. "Just talk about it? Not necessarily."

Sun Jie naturally didn't believe that Jing Xiaolu was only sentimental. Sun Jie was much savvier than Xiao Qing and noticed Jing Xiaolu's quick-wittedness at a glance.

However, it seemed that Yang Ming was obviously not interested in Jing Xiaolu, so she didn't mention this topic anymore.

"Yang Ming, you just called Hou Zhenhan?" In the car, Sun Jie never forgot the question.

"It was him. What's wrong?" Yang Ming was amused that Sun Jie had times when she was unsettled.

"Why do I feel like you're commanding him?" asked Sun Jie.

"What is wrong with that?" asked Yang Ming.

"..." Sun Jie was speechless. *Do you really not understand or you are just playing dumb with me?* Apparently, Yang Ming was the latter. Sun Jie was determined. "What is your relationship with him?"

"Do you want to know?" Yang Ming asked again.

"What do you say?" Sun Jie was anxious. "Stop acting dumb with me."

"Tonight. I will tell you tonight. Right now, I'm driving. Are you not afraid of me getting distracted and getting into a car accident?" Yang Ming acted out innocently.

Sun Jie took a deep breath and resisted getting enraged. Yang Ming was too arrogant. In the past, when Yang Ming was driving, he could have one of his hands to take advantage of Sun Jie, and no car accidents happened. At this moment, Yang Ming just spoke it out in contempt.

"Today, the hotels should be full, right?" Sun Jie didn't want to let Yang Ming take advantage of her once again. Just now he already made her almost scattered. Although it was refreshing at the time, it was really unbearable afterward.

"I don't know about the others, but there should be a place at Tavern Heaven on Earth." Yang Ming smiled and didn't say why.

"Did you book it in advance?" Sun Jie couldn't believe that there was room for reservations at this time.

"You will know when you arrive." Yang Ming didn't explain much.

Yang Ming directly parked the car in the parking lot of Tavern Heaven on Earth. The underlings here knew Yang Ming. When they saw the car come over, they came respectfully. The leader personally opened the door for Yang Ming.

"Brother Yang, you came?" said the lead underling.

"En." Yang Ming nodded and went directly to the elevator with Sun Jie and Xiao Qing. Then, he called Guo Jianchao and told him to arrange a room.

Although Hou Zhenhan's company acquired Tavern Heaven on Earth, Guo Jianchao was still in charge of the operations. After all, he was the old man here; he was familiar with this place.

Normally, Yang Ming wouldn't call him. The lobby manager here knew Yang Ming, but Yang Ming was afraid that there were no rooms for today, so he called Guo Jianchao directly.

When Guo Jianchao heard that Yang Ming came, he quickly ran down from the chairman's office upstairs to welcome Yang Ming.

"Brother Yang!" Guo Jianchao saw Yang Ming in the distance. He smiled as he ran over and said eagerly, "I have arranged the room, the loft at the top."

"Okay, thanks for your trouble." Yang Ming nodded.

"What trouble? We are all doing things for Brother Yang. When Brother Yang has commanded, that is you giving me a chance." Guo Jianchao brown nosed. As he finished his words, he looked up and only abruptly noticed that Sun Jie was also here! He became awkward, blushed and said, "Sister-in-law is also here..."

Sun Jie was even more surprised. Since the last time she was dosed by Guo Jianchao in the private room, she didn't see any further action from Guo Jianchao. Sun Jie was still wondering if it had something to do with Yang Ming, but she didn't expect Guo Jianchao to work under Yang Ming!

This Tavern Heaven on Earth was originally the business of the Wang Family where Guo Jianchao was located. How about now? Could it be... Sun Jie couldn't imagine how a freshman had such incredible strength.

However, it turns out that my guess is really getting closer to the truth!

"Jianchao, are you working under Yang Ming?" Sun Jie decided to probe Guo Jianchao.

* Cough * "What work under? It's only Brother Yang not getting tired of me and using a dog like me..." Guo Jianchao dared not to be arrogant. Bao Sanli made him terrified, not to mention Yang Ming who even Bao Sanli was afraid of!

Guo Jianchao never felt that being a dog was losing face! Now, although he was a dog, he earned respect. In Song Jiang, who dared not buy his face?

Sun Jie was stunned. *Did Guo Jianchao take the wrong medicine? He actually describes himself as a dog and seems to be proud of it!* As Sun Jie was about to ask something, she heard Yang Ming's cough.

"Go back. Give me the card. I will go up." Yang Ming said faintly.

Guo Jianchao was shocked and realized that he seemed to have said too much. His face immediately became pale, even his legs started to tremble. The relationship between him, Yang Ming and Sun Jie were somewhat unique, so Guo Jianchao was also not sure what he said incorrectly just now.

"Brother Yang, I... I'm wrong..." Guo Jianchao almost knelt down. He was afraid of Yang Ming. He knew that if he had a little bit of dissent, the matter of Bao Sanli killing him would happen in any second.

"What's wrong with you?" Yang Ming frowned. "You go back. I don't intend to blame you." Yang Ming patted Guo Jianchao's shoulder and said, "Fine. Don't do this. Go and do your own thing. Everything is fine."

Sun Jie was even more surprised. Xiao Qing was a bit inexplicable. *Why are Yang Ming and the owner of this hotel acting so strange?*

"Yes, yes, thank you, Brother Yang..." Guo Jianchao quickly left with the assurance.

After taking the room card from Guo Jianchao's hand, Yang Ming left with his left hand on Sun Jie who was full of doubts, and his right hand with Xiao Qing who was in a daze. They got in the elevator.

Guo Jianchao looked at Yang Ming holding the two beauties, and he couldn't help but sigh. *That is really bad*ss! Even the daughter of a wealthy family like Sun Jie had to share Yang Ming with other women. It is apparent that Brother Yang is really bad*ss. It is absolutely right that I had followed him.*

The interior suite was on the top floor of Tavern Heaven on Earth, which was the inner loft above the level of Shu Ya's room. It wasn't open to the public. Only Wang Xifan had used it occasionally. Later, the hotel went to the Ming Yang Group. Since Yang Ming didn't live there, Bao Sanli and Hou Zhenhan didn't dare to stay there first, not to mention Guo Jianchao.

Now that Yang Ming came over, Guo Jianchao naturally gave this loft to Yang Ming. He also decided that this suite would later be used as Yang Ming's exclusive room.

"Why does Guo Jianchao seem to work for you?" On the elevator, Sun Jie asked Yang Ming.

"If I say that this hotel is mine, then would you believe it or not?" Yang Ming smiled and didn't answer Sun Jie's question face to face.

"This hotel?" Sun Jie was surprised, but then she nodded and said, "I believe you. Xiao Qing, what about you?"

"I don't know. But if Yang Ming said that then it is true." Xiao Qing smiled because she thought that Yang Ming wouldn't lie to her. Yang Ming had an important secret that only she knew. This was enough to make her feel blissful.

Even if Yang Ming didn't accompany her on Valentine's Day, she wouldn't have any thoughts.

"You really believed me." Yang Ming shook his head and said, "But you're right, this hotel is mine now."

"Guo Jianchao?" Sun Jie continued to ask. Although she was a little surprised, the facts were in front of her. She couldn't help but believe it.

"He had already said it. He is just my dog," Yang Ming said with a smile. "If he didn't facilitate our relationship, I wouldn't be able to use him."

**Cough!* "Hmph!"* Sun Jie snorted and said, "What are you talking about!?"

"Nothing. You asked me, so I answered." Yang Ming shrugged.

"What about Bao Sanli and Hou Zhenhan?" Sun Jie asked again.

"Let's talk about it later." Yang Ming pointed to the elevator. At this moment the elevator had stopped at the top floor. "I haven't been here yet. Let's take a look."

It was usually not open here. Even if one went up, the person wouldn't be able to open the door. However, Yang Ming came today. Guo Jianchao temporarily deployed several quality waiters and security guards to serve Yang Ming at any time.

When the elevator door opened, a waiter asked the guests, "Mr. Yang, two ladies, good evening."

This was also after Yang Ming went upstairs, and Guo Jianchao called to inform them. He told the waiters that Yang Ming had brought two women up.

The waiter's address made Xiao Qing blush, but Sun Jie was very calm.

This loft was like a big independent villa, but there were a lot of entertainment facilities. There were small swimming pools, bowling lanes, gyms, etc. It seemed that Wang Xifan had a lot of money.

The loft above was a place to rest. There was a separate room which was no different from the Entertainment City downstairs.

"Mr. Yang, do you want to rest now or try something?" The waiter asked carefully.

"What about you both?" Yang Ming turned around to ask Sun Jie and Xiao Qing.

Even Sun Jie, the young daughter of the family, was shocked when she caught sight of such a luxury loft in this hotel! However, what made her even more shocked was Yang Ming. In Sun Jie's mind, there was a faint answer, but she wasn't sure.

Chapter 804: SMS

"The scenery here is breathtaking." Yang Ming stood on the roof of the loft as he spoke to Sun Jie and Xiao Qing.

"Yeah, this should be one of the highest buildings in Song Jiang." Xiao Qing nodded. "Look, you can see the Ferris wheel in the amusement park!"

When it came to the Ferris wheel, Yang Ming's heart suddenly moved. *Yeah, I just sat with Lin Zhiyun on the Ferris wheel.*

"If people stood here frequently, their moods would become much more at ease." Xiao Qing sighed.

"Yes, but different people have different moods in the same place. Such as with a small character, he only has excitement and longing if he stands here; if a king stood here, it would be the proudly overlook." Sun Jie's point of view was always very different.

"However, many times, even a king of a city standing here had a feeling of being overwhelmed, like your father, Uncle Sun. Although he has stood at Donghai's summit, his enemies are still numerous, right?" Yang Ming smiled helplessly, "This feeling is really not very good. If possible, I don't even want it."

"What you said does make sense, but sometimes it is really involuntary. If my dad doesn't hold the power in his hands, then maybe our Sun Family would have to flee." Sun Jie shook her head. She disagreed with Yang Ming's words.

"Of course, before having absolute strength, some things can't be lost." Yang Ming sighed and turned to look at Sun Jie. "Actually, whether it was supporting Bao Sanli or Hou Zhenhan, it is my way to protect myself. But it isn't the ultimate goal, and I'm also trying to bleach this power gradually and make them legal.

"Now it seems that the effect isn't bad. I think Donghai should also refer to it. "

"Do you mean..." Although Sun Jie had already guessed it, she was still stunned and covered her mouth. She looked at Yang Ming incredulously.

Her father spent so many years to do that, but how old was Yang Ming? And, listening to his understatement, he didn't seem to see it as an achievement but regarded it as a transitional process.

No wonder her father would value him so much. So this was the original situation. Recalling the attitudes between Yang Ming, Bao Sanli and Hou Zhenhan, it was easy to explain.

Xiao Qing didn't know what Yang Ming and Sun Jie were saying, but she also knew roughly that it was talking about a big hidden matter. Although Xiao Qing didn't understand it, she didn't make any inquiries. She planned to ask Yang Ming for an explanation afterward.

"Yeah, you see, the security company that Bao Sanli is working on is perfect. Although it is also the same as guarding a place for people, now they are hired as security guards in the entertainment place. This kind of gray and illegal business has also become a formal legal business." Yang Ming nodded and continued, "In fact, the initial integration of these people was to deal with Wang Family."

"Wang Xifan?" Sun Jie also understood Wang Xifan's downfall process, but she only learned today that Yang Ming was in the process.

"En , it was him." Yang Ming smiled bitterly, "Around this time last year, probably later, in March, because of Chen Mengyan, I had some friction with Wang Xifan's son, Wang Zhitao. I was just an ordinary high school student back then. As a result, Wang Zhitao almost got me into jail. At that time, I made up my mind to get revenge, so I got integrated into Song Jiang's underworld. It was also at that time that I met Bao Sanli at the detention center."

"Going into jail? What happened?" Even Xiao Qing didn't know these secrets in the meantime, so both of them asked with some surprise.

Sun Jie listened to Yang Ming's words and was shocked. *Less than a year! In less than a year, Yang Ming has firmly controlled the underground forces of Song Jiang, and the management is well organized!*

It was also at this time that Sun Jie understood her father's mind! Sun Hongjun, after all, was old this year. He must let go of all his external businesses one day. This involved a very serious problem – the choice of a successor.

Sun Hongjun only had Sun Jie, his only child. His nephew was still immature. What should he do with the Sun Family who had a hundred years' foundation? Although Sun Hongjun knew that his daughter Sun

Jie, was indeed a person who could be independent, she was still a daughter. It was difficult to control the scene and prevent the people below from having second thoughts. And Sun Zhiwei was a prodigal child. It was impossible to give him such an important task!

At this time, Yang Ming suddenly appeared, and he solved the worries of Sun Hongjun! On the one hand, not only was Yang Ming, his daughter's lover but what made Sun Hongjun amazed was that Yang Ming's identity was like his, a behind-the-scenes controller of the city's underground forces! And Yang Ming's means and practices made Sun Hongjun quite appreciative! Sun Hongjun couldn't even find such a perfectly matched candidate through careful examination. Now such a person was actually delivered to his door. He probably laughed even in his dreams!

How smart was Sun Jie? Naturally, she immediately understood what her father thought, and realized why her father favored Yang Ming so much! Sun Jie was surprised. If her father knew that these were not Yang Ming's ultimate goal, what would he think?

Her father regarded those forces as treasures. He didn't want his businesses to fall after a hundred years, but Yang Ming treated it as nothing. Even these forces in his hands were only a method to achieve another goal.

Yang Ming didn't really mean to develop the underworld. If not, he wouldn't have Bao Sanli do legal business. After all, the name of the underworld boss sounded very prestigious. But if he and Chen Mengyan got married in the future, and people with ill-intention investigated his background, then it would inevitably affect Chen Fei. With Chen Fei's righteousness, maybe he would do something like stop his daughter from marrying him!

This was naturally not what Yang Ming wanted to see, so Yang Ming was working hard to develop the business. On the one hand, he had Bao Sanli do the legal business slowly, and it was also preparing for the future.

After all, there were several companies like Ming Yang Heavy Industry, which meant that he had an important position in the province. Anyone who wanted to make a move on him must have some concerns.

"Have you both noticed the girl in my car before?" Yang Ming looked up and talked about his past. "She is Lin Zhiyun. She is with me entirely because of that accident.

"How do I say it? That time was also in Tavern Heaven on Earth. Wang Zhitao invited me to drink, but I didn't put so much thought at the time, so I just followed. I don't know what drug was in the beer, but I think it should be something like an aphrodisiac.

"Lin Zhiyun was completely innocent. Wang Zhitao caught her to frame me, but he didn't expect that Lin Zhiyun finally told the police that I was her boyfriend... Otherwise, I wouldn't be standing here today..."

Both Sun Jie and Xiao Qing thought that the girl in the car was another girl that Yang Ming got because of his fickleness. However, they didn't expect there was such an incident in the process!

"But it's okay. Everything is over. Now, I'm in charge of Tavern Heaven on Earth. Wang Zhitao, *hehe* ..." Yang Ming didn't continue speaking, but his cold expression could make people guess that Wang Zhitao certainly didn't end up well.

After that, Yang Ming turned his head and said to Sun Jie, "Well, I told you everything you wanted to know. Any questions?"

Sun Jie shook her head. Even if there was, she couldn't understand it clearly at the moment. Sun Jie only had a rough idea. "It's a bit surprising. No wonder you're so arrogant in doing things. You crippled that Ouyan Second Young Master in my house and my Dad didn't even worry much."

"Of course, your father wasn't worried. Now Donghai, Song Jiang, and Jidun, the forces of these three major cities are all in our hands. Even if he brought all the underworld power of Province P, we aren't afraid of him." Yang Ming smiled.

"Why us?" Sun Jie glanced at Yang Ming. "I haven't decided to have a relationship with you yet, right?"

"It doesn't matter. It's what your Dad said. He thought that he and I are the same family." Yang Ming shrugged. "Okay, it's not early. Let's wash and sleep. Anything else we will discuss in bed."

Yang Ming didn't say much. Since they all came, he wasn't afraid that they would run. As for how to implement his own plan at night, that would be disclosed later. Yang Ming didn't need to worry about it.

Yang Ming knew that these two people would definitely take a long time in the bath. Especially if they could steam the sauna, it would be even slower, so Yang Ming simply went to the sofa downstairs to rest.

This Valentine's Day was really busy enough for him. From morning until night, he accompanied this one, then that one, and after that another one. Although he was envied, only Yang Ming knew the pain.

He suddenly remembered Zhao Ying, the woman who made his heart moved. He remembered the emotional moonlit night, which was still unforgettable.

Yang Ming hesitated for a moment before taking out his phone. He wanted to send a text message to Zhao Ying. Initially, he wrote "I wish you a happy Valentine's Day," but after thinking about it, he deleted it and changed it to "Dear, Happy Valentine's Day, Yang Ming who loves you."

Yang Ming didn't know that Zhao Ying had already told everything to her mother, Wang Guifen, so he sent this text message that seemed to be fake. If Zhao Ying asked, he could explain that he was trying to cope with her mother.

The same text message was sent to Chen Mengyan, Lin Zhiyun, and Lan Ling. However, Lan Ling wouldn't be able to receive it because her cell phone was turned off.

It didn't take long for Yang Ming to get a reply. When Yang Ming opened it, he was amazed! The first person who replied to him was actually Lan Ling!

"Hehe, I waited for the entire day, and I finally received it. I'm glad that you haven't forgotten me. Well, I can finally go to sleep with peace of mind. Lan Ling who loves and misses you."

After looking at the text message in his hand, Yang Ming's heart suddenly trembled. There was an urge to cry. This silly girl who loved him was actually waiting for his text message...

Chapter 805: Goodbye

Yang Ming quickly dialed Lan Ling's number, but a message came – "User had shut down." Yang Ming sighed. Lan Ling had been away for four months. He didn't know how her studies have been going, and he had yet to get her grandmother's authentic teaching.

The phone rang suddenly, and Yang Ming was surprised. He thought that Lan Ling had called back, but when he looked at the number, it wasn't her. It was an unfamiliar out-of-town long-distance phone number.

"Hello." Yang Ming picked up the phone.

"Little Yang? I'm Yingying's mother!" The voice of Wang Guifen came over the phone.

"Aunt, hello." Yang Ming said politely, "Are you looking for me?"

"It's like this. That... Didn't I bring Yingying to attend a wedding? As a result, someone here likes Yingying. He asked her to go out with him today! I just wanted to remind you not to let a rival take her away..." Wang Guifen had always believed that only competition could reflect the importance of her daughter. Therefore, when she found out that someone was pursuing Zhao Ying, she quickly informed Yang Ming.

Although her daughter's suitor was from the Sui Family, Wang Guifen's interest was no longer piqued. In her view, the Sui Family's strength was far worse than Yang Ming.

"Wait, Aunt. How come Zhao Ying also went? Didn't she say she was not going?" Yang Ming asked in shock.

"It just happened that she finished her report in the past few days, and she had nothing going on, so she came with us." Wang Guifen said, "Right, we will go back tomorrow, but the tickets are hard to buy now..."

"Then how about this, Aunt? I will go and pick you up." How could Yang Ming not understand Wang Guifen's meaning?

"Really? Isn't this troublesome?" Wang Guifen pretended to be embarrassed and asked.

"It's okay. Then, should I go there tomorrow morning?" asked Yang Ming.

"You can come earlier, too. Yingying misses you," said Wang Guifen.

Zhao Ying missed him? Yang Ming was shocked until he didn't know what to say, and he didn't know whether what Wang Guifen said was true or false.

"Okay..." Yang Ming hung up the phone inexplicably and stretched. *Valentine's Day, it's really not easy to celebrate.*

Yang Ming put on his coat, came to the balcony and watched Song Jiang in the cold wind, a city that he had lived in for nearly two decades. He wanted to light a cigarette but found that he had forgotten

where he left the lighter. It might have been lost at sea today, or it might have been left in the hotel where he lingered with Chen Mengyan.

Yang Ming reluctantly put the cigarette back into the cigarette case.

Suddenly, Yang Ming was keenly aware that someone was watching him. He abruptly turned his head and found that Shu Ya was looking at him from another balcony.

Yang Ming was astounded, *Am I not the only one on this floor?* However, he immediately remembered. Shu Ya lived on the top floor, and the loft where Yang Ming stayed was indeed one level higher than Shu Ya's. He was now in the level below the loft, which was next to Shu Ya's room. Only half of the space on the top floor was changed to the lobby below the loft.

"How come you didn't rest yet?" Yang Ming saw Shu Ya, sighed and waved at her.

"Aren't you not asleep yet? You're already here. Why don't you come to see me?" Shu Ya's voice was calm. He didn't know what she was thinking.

"I just got here. I thought you have rested." After all, Yang Ming and Shu Ya were just ordinary friends. Yang Ming couldn't go to see Shu Ya every time he came to Tavern Heaven on Earth.

"Come and chat with me?" Shu Ya batted her eyes.

"Now? Isn't it too late? Another day maybe?" Yang Ming said in a dilemma.

"Why? Did you come with your girlfriend?" Shu Ya smiled.

Yang Ming was helpless. He looked at the time on the phone and said, "Okay, I'll just go sit for a while."

"*En*, then you come over. I will open the door for you." Shu Ya said with some delight.

"No need. I will go over from here." Yang Ming jumped out along the edge of the balcony and climbed to Shu Ya's balcony like Spider-Man. After a few moments, he stood in front of Shu Ya.

"*Oh*, your skills in having an affair is good!" Shu Ya smiled.

Yang Ming almost didn't stand still after listening, and smiled bitterly, "I do this to assassinate people. What does it have to do with an affair?"

"You must be quite busy on Valentine's Day?" Shu Ya asked with some sarcasm.

"How do you know?" asked Yang Ming.

"I'm guessing," said Shu Ya. "I am leaving tomorrow. The concert here is over."

"You're leaving tomorrow?" Yang Ming was stunned. He didn't pay attention to the schedule of the concert.

"*En*, I'll go to Macau tomorrow, and then go back to the mainland, but it won't be Song Jiang anymore. Then it'll have to be arranged again." Shu Ya said, "Thank you for your hospitality during this time. I'm really happy."

Yang Ming was still wondering why Shu Ya was still looking for a chat even though it was so late. It turned out that she wanted to say goodbye to him. He also felt a little bit emotional at the same time. He recalled the process of getting acquainted with Shu Ya. It seemed like a fairy-tale.

Yang Ming was also feeling unfortunate about the mystery that had always puzzled him. Yang Ming had never been able to connect Shu Ya and Su Ya together, but these two people were amazingly similar in some respects!

After his bafflement, Yang Ming could only chalk it to the wonders of the world to explain such a coincidence.

"I won't say those words of goodbye, but you can contact me whenever you need to." Yang Ming sighed.

" *Hehe* , it seems that you really see me as your good friend." Shu Ya smiled.

"Speaking of which, I am honored. I really get a lot of face when I say that I have a big celebrity as a friend." Yang Ming also smiled, "I am far worse. If you speak of me, no one would know me."

"Why should you say it out? It's enough to remember it in your own heart." Shu Ya didn't care about it. She took a well-wrapped item from the coffee table and handed it to Yang Ming. "This is for you."

"A Valentine's Day gift?" Yang Ming was a little surprised. "Do you have a secret crush on me?"

"Yeah, what about it?" Shu Ya smiled and said, "It's only a temporary farewell gift. Open it when you go back."

"Okay." Yang Ming nodded and said, "I didn't know you were leaving. I will give you a gift next time."

"It doesn't matter, *Hehe* ." Shu Ya didn't care. "Okay, go back earlier. Your girlfriend would be anxious later."

Yang Ming smiled awkwardly, but what Shu Ya said was also true. Sun Jie should already have taken a shower. Yang Ming stood up and returned to his room from the balcony.

However, Yang Ming still overestimated the speed of Sun Jie and Xiao Qing. The two had yet to come out of the bathroom. Yang Ming even thought evilly, *Are these two people doing some shady business that exceeded friendship?*

He wanted to use his x-ray vision to see, but he held back. It was really tasteless to peek at his own women. If he wanted to see it, he could look righteously.

He knocked on the door. After a while, Sun Jie's voice came. "Who is it? What do you want?"

"Open the door. I also want to wash up," said Yang Ming simply.

"If you have the ability, you can come in through the wall." Sun Jie replied seriously.

Yang Ming scratched his head and looked at the thin door panel and the fragile door lock, but he still couldn't actually do it. There were waiters in the vicinity. Although they wouldn't interfere at all, it was still somewhat inappropriate.

At this time, he received a call from Guo Jianchao. "Brother Yang, do you need to call the waiters to withdraw?"

Yang Ming looked at the waiters at a distance and looked at the door in front of him. It was hard to resist. He finally gritted his teeth and said seriously, "Okay, I have to rest. Have them all withdraw."

"Okay, I will inform them. Brother Yang, call me again if you need anything," said Guo Jianchao.

Sure enough, not long after, these waiters received a short message. After giving a salute to Yang Ming, they left the top floor.

A little while after these people left, Yang Ming carefully put his hand on the door handle of the bathroom. Just as he touched it, the door of the bathroom opened. Yang Ming was shocked. Before he could retract his hand that was extended halfway, Sun Jie and Xiao Qing walked out having changed into their pajamas. Xiao Qing didn't care, but when Sun Jie saw Yang Ming's hand in mid-air, she mocked, "Did you think of doing something worse than an animal? But it is useless to think about it. The door was locked from inside. Even you couldn't pull it open."

Yang Ming took back his hand awkwardly. He smiled and said, "Did you two finish showering?"

"Don't you want to wash? We would give you the place." Sun Jie said with a smile.

Yang Ming was disheartened. *Did you not know that I wanted to shower with you?* But it was already like this, Yang Ming had to walk into the bathroom and close the door without locking it. Thinking about it, Sun Jie and Xiao Qing wouldn't come in. If they did come in, it would be better.

Yang Ming was injured, so he simply wiped down his body. He didn't take a bath or use the sauna.

Walking out of the bathroom, Yang Ming shouted twice, but he didn't see anyone. Looking upstairs, he saw a room with a 'Do not disturb' sign. Yang Ming smiled. Apparently, it was locked from the inside.

Yang Ming wanted to see if they had slept or not, so he used his special abilities and looked into the room. He saw that Sun Jie was kneeling by the door and watching the movement outside through the peephole. On the other hand, Xiao Qing was sitting on the edge of the bed grinning at Sun Jie's somewhat funny actions.

Yang Ming found it funny. *It seems that Sun Jie is observing me!* So, Yang Ming didn't look at the room anymore. He went into another room. Then he laid down on the bed and looked at the movement in Sun Jie's room with his peripheral vision.

Sun Jie thought that Yang Ming would sneakily come to the door of her room so that she could scare him then, but she didn't expect Yang Ming to enter the room next to hers!

Chapter 806: Zhao Ying's Suitor

Zhao Ying sometimes wanted to be uglier, because there were always some suitors around her, making her feel suffocated. From last year's Jin Gang to the current Zuo Ruoguang, Zhao Ying was troubled.

However, sometimes Zhao Ying hoped that she was more beautiful. Of course, that was when she was with Yang Ming because the women around Yang Ming were gorgeous. Whether it was Chen Mengyan or Lin Zhiyun, they were all first-class beauties. Zhao Ying had no advantage in front of them.

Therefore, life was sometimes contradictory. But if Zhao Ying could choose, she still preferred to be more beautiful. In fact, she was already stunning. No one could say who was the most beautiful over everyone else. It could only be said that each had their own merits. Yang Ming thought so, too.

Zhao Ying followed her parents to attend this cousin's wedding. Zhao Ying was afraid that her mother would make up some trick to have Yang Ming accompany her on Valentine's Day. It might create an aversion in Yang Ming. Because Yang Ming had other people to accompany, after all, it was impossible to accompany her on Valentine's Day. So to avoid embarrassment, Zhao Ying just followed her mother to Mount Jing and avoided Valentine's Day in the middle.

Zhao Ying didn't know how to address her mother's Third Auntie's daughter. Was she called Auntie as well? Whatever it was, this kind of kinship was intricate and messy. Her mother's Third Auntie's daughter wasn't much older than her. Therefore, Zhao Ying wasn't willing to address her as Auntie.

Initially, her mother's Third Auntie's daughter, Liu Huishan, was quite displeased that Zhao Ying did not address her as Auntie. But since she learned that Zuo Ruoguang, a cousin of her husband, Sui Guangheng, had taken a fancy to Zhao Ying, her attitude toward Zhao Ying immediately became enthusiastic. She didn't mind about the seniority. On the contrary, she felt glorified to let Zhao Ying directly call her name.

Zhao Ying wasn't stupid. She naturally understood what kind of cards Liu Huishan was playing. However, she was dismissive of Liu Huishan's approach to please the man. This Zuo Ruoguang was only Sui Guangheng's cousin. Sui Guangheng wasn't the direct child of the Sui Family's helm let alone Zuo Ruoguang. It could be said that Zuo Ruoguang was so far away from the core of the Sui Family that probably Sui Guangqi didn't even know who he was.

However, Liu Huishan wanted to foster Zuo Ruoguang with Zhao Ying. When Zuo Ruoguang heard that Zhao Ying was also attending Song Jiang Industry University and was a graduate student, he was even happier. He was also a student of Song Jiang Industry University. However, he wasn't necessarily younger than Zhao Ying. Zhao Ying graduated from a teacher's college. After teaching a year, she went to graduate school, so there was no gap between Zhao Ying and his age.

After Zuo Ruoguang saw Chen Mengyan last time, he immediately became astonished, but he didn't manage to pursue her. On the contrary, he was troubled by the gangsters from the underworld. Later, when he asked around, the gangster who looked for trouble with him was famous in the underworld. Zuo Ruoguang then became honest. He dared not to harass Chen Mengyan again.

However, he also told his cousin, Sui Guangheng, about this matter. Although Sui Guangheng promised to avenge him, nothing had happened. Zuo Ruoguang was concerned about his cousin's lack of attention. However, he also understood that Sui Guangheng wasn't the core child of the Sui Family. Even if there was power, it was impossible to have too much power. The foundation of the Sui Family was in

Mount Jing instead of Song Jiang. Even for Sui Guangqi, they could not simply offend Song Jiang's underworld.

Therefore, although Zuo Ruoguang was somewhat dissatisfied and helpless, he also understood the difficulties. As time went by, this resentment had diminished. He had gradually forgotten about Chen Mengyan.

Unexpectedly, at his cousin's wedding reception, he met the second woman in his life that made him crazy – Zhao Ying! Compared with Chen Mengyan's youth, Zhao Ying had an indescribable charm. In particular, Zhao Ying had worked in society for a year. She was much more mature than Chen Mengyan in both her speech and her expression. This made Zuo Ruoguang's already calmed heart excited again.

Zuo Ruoguang immediately found his cousin and his wife. After inquiring, he learned that the girl who moved his heart was actually a distant relative of Liu Huishan. Zuo Ruoguang was even happier. He still understood the truth that the pavilion closest to the water enjoys moonlight first [1]. He immediately expressed his intention to his cousin and his cousin's wife.

Sui Guangheng wasn't quite concerned. After all, he didn't have the mood to do this kind of pimping. *If you want to chase the little girl, you go and chase her yourself. Why do you have to say it to me?*

However, Liu Huishan was diligent. She gave Zuo Ruoguang a guarantee to help him to lobby Zhao Ying. In fact, Liu Huishan had other thoughts. Zhao Ying looked better than her, so she was quite jealous!

However, what was the use of being beautiful? Women couldn't be invincible just with beauty. Why were there so many beautiful chicks being a lover while a lot of the rich wives were women with average looks?

Liu Huishan thought that she was a rich wife. If she introduced Zhao Ying to Zuo Ruoguang, she felt that it was also a disguised charity to Zhao Ying. Moreover, Zuo Ruoguang wasn't from the Sui Family at all. His family's condition was far from Sui Guangheng's. With that, Liu Huishan could find a balance.

So, Liu Huishan found Zhao Ying. She exaggerated how powerful the Sui Family was in front of her. Zhao Ying was still quite puzzled initially, but after hearing it to the end, Liu Huishan finally revealed her true intention. "Zhao Ying, what do you think of Guangheng's younger brother?"

"His younger brother? Sui Guangqi? I don't know him, right?" Zhao Ying was a bit stunned.

"Not Guangqi, I mean Zuo Ruoguang, Guangheng's cousin. At the banquet, the one you have met before. He is even in the same school as you!" Liu Huishan explained.

"Zuo Ruoguang?" Zhao Ying thought for in a moment and finally remembered. At the banquet, Sui Guangheng did have a cousin studying at Song Jiang Industry University. At that time, she didn't pay attention to his name, but she nodded politely.

"Yes, the young talented one. He looks like a talented person!" Liu Huishan said, After seeing you today, he has a good impression of you. Since he isn't familiar with you, he asked me to explore your intentions. What do you think?"

" Ah ?" Zhao Ying was somewhat inexplicable. "Does he have a crush on me? I don't even know him!"

"If you don't know him, you can get to know each other slowly!" Liu Huishan said, "The most important thing is that Zuo Ruoguang's family is also not bad. He is quite rich. He is also the Sui Family's cousin. He can be considered as a character in Mount Jing! If you followed him, your life would certainly soar to the sky."

"Huishan, let us forget about this. Don't talk about it in the future. I have a boyfriend." Zhao Ying didn't want to get to know Zuo Ruoguang. Her feelings for Yang Ming were ingrained. There was nothing that could change. Never mind that Yang Ming was already wealthy and powerful now. Even if Yang Ming didn't have anything, and he was still an ordinary student, Zhao Ying would still love him as well.

"Zhao Ying, why don't you listen to my advice? You look at me right now. What kind of life am I living? How many people are envious? Now the opportunity is in front of you. Why don't you cherish it?" When Liu Huishan saw that Zhao Ying was just not tempted, she was somewhat anxious. She had made a promise to Zuo Ruoguang that she would convince Zhao Ying, but she didn't expect Zhao Ying to dismiss her words.

At this time, Wang Guifen happened to pass by. She also heard Liu Huishan's words, so she came over and said without hesitation, "Huishan, don't simply matchmake for others. If you didn't know, Yingying's boyfriend is great. Don't worry about this!"

If it were the past, Wang Guifen would definitely be interested in Liu Huishan's current words. But now, who was this Sui Family, let alone Zuo Ruoguang?!

When Liu Huishan heard Wang Guifen's words, her face became sullen and showed some displeasure, but she didn't believe that Wang Guifen said the facts. Liu Huishan thought Wang Guifen was only blowing her own trumpet. How would she believe that Zhao Ying's boyfriend was great? Liu Huishan knew that Wang Guifen was a person who had great vanity, so she must be deliberately looking for a way to boost her face.

"Is it? Who is it? I basically know all the bad*sses of Mount Jing. Tell me about it." said Liu Huishan.

"Not Mount Jing, it is Song Jiang." Why would Wang Guifen be afraid of her? She witnessed Yang Ming's strength in Song Jiang.

Liu Huishan naturally wouldn't know about Song Jiang. Even if Wang Guifen casually mentioned someone, she couldn't verify it. But she still said, "Really? How bad*ss is he?"

"Hehe , he bought a BMW for Yingying and me, and even bought a villa!" Wang Guifen said proudly.

"Really?" Liu Huishan apparently didn't believe it. "Where is the car?"

"The license plate hasn't been settled yet, so I didn't drive it here," said Wang Guifen.

"Really?" Liu Huishan snorted. "So why didn't he come over together with you?"

"There was still something on his side, but when we go back, we can have him pick us up!" Wang Guifen boasted.

Although Wang Guifen said this, Liu Huishan never believed her words. It was no wonder. If Zhao Ying had such a boyfriend, why didn't Wang Guifen say it before?

She wouldn't believe that Wang Guifen would be patient. Besides, when her mother called Wang Guifen, Wang Guifen also said that she envied them. How could Zhao Ying find a rich boyfriend in two and a half days?

Therefore, Liu Huishan didn't care. She turned back to tell Zuo Ruoguang, causing him to hurry in pursuit.

Zuo Ruoguang thought that Liu Huishan had already moved Zhao Ying's heart. He was quite happy. So on Valentine's Day, he not only bought flowers for Zhao Ying but also went out shopping together with her.

Zhao Ying naturally wouldn't agree, and she didn't accept the flowers. Zuo Ruoguang suddenly felt he lost his face, so he found his cousin, Sui Guangheng, and complained. Sui Guangheng thought that because Zhao Ying was Liu Huishan's relative, he found it inappropriate to say too much. He looked at his cousin who was aggrieved and said helplessly, "Okay, I will help you!"

"Thank you, cousin!" Zuo Ruoguang was overjoyed and quickly asked, "What should I do now?"

Chapter 807: Pay off an Old Score

"Isn't this easy? I tell you that the more beautiful a woman is, the more vain she is. I think your tactic isn't right!" Sui Guangheng said disdainfully, "Later, I will let you borrow my car. Then, you can buy a diamond ring. I don't believe that she wouldn't be tempted!"

"Diamond ring... but..." Zuo Ruoguang said in a dilemma, "My dad definitely wouldn't give me so much money!"

"*Hehe*, this is a bank card with a hundred thousand yuan on it. You should take it first." Sui Guangheng handed out a card to Zuo Ruoguang.

"This... I can't afford to return it..." Zuo Ruogang hesitated, but his hand had already reached out to the bank card.

"*Eh-hem*! I'm your brother. Do you still need to return the money that I give you?" Sui Guangheng waved his hand. "If you don't have enough, then come and get it from me. Don't lose the face of the Sui Family."

"Okay, sure. Brother, don't worry. I will go now." When Zuo Ruoguang heard that he didn't have to pay it back, and he was overjoyed.

"Wait. Zhao Ying isn't interested in you now. If you want to ask her out, she will definitely not agree. But you can find other excuses." Sui Guangheng waved his hand and called Zuo Ruoguang back.

"*Ah*! Cousin, what good idea do you have?" Zuo Ruoguang heard that this was indeed the case. If Zhao Ying didn't want to go out with him, then what was the use of a better car?

" *Hehe* , of course, there is a good idea!" Sui Guangheng said with enlightenment, "You are my cousin, and Zhao Ying is your relative. At that time, I will tell your Aunt and let her talk to Zhao Ying to say that since we are just married, there are many wedding supplies which need to be bought so I will ask her to help buy it. Then she won't have a second thought. At that time, you can go with her. Then, the opportunity will be up to you to grab it!"

"This idea is good!" Zuo Ruoguang nodded and said, "Then it depends on cousin, your arrangement!"

"Do not worry. You just wait!" Sui Guangheng nodded.

...

Yang Ming was lying on the bed leisurely watching the movement in the opposite room with his peripheral eyesight.

In the beginning, Sun Jie thought that Yang Ming was confusing her, but after waiting for a long time, Yang Ming still didn't come out from the room. She couldn't help but start getting angry!

Is this Yang Ming deliberately fooling Xiao Qing and me?

"How is it?" Seeing Sun Jie get angry, Xiao Qing couldn't help but ask.

"Yang Ming went to sleep in another room!" Sun Jie said helplessly.

"Isn't that good? This is what you wanted, right?" Xiao Qing laughed.

"I think he is playing cat and mouse with us. He wants us to take the initiative to find him." Sun Jie analyzed.

"If that is the case, then?" Xiao Qing didn't care much. She and Yang Ming were already "husband and wife," but she didn't know why Sun Jie was still so reserved.

The reason why Xiao Qing thought Sun Jie was pretending because she saw the "shocking" scene in the bar's washroom! Sun Jie couldn't wait to do that with Yang Ming outside, but she became reserved when she came back.

"We lock the door and sleep. Ignore him." Sun Jie simply locked the door, and then returned to the bed. She sat down and stretched out.

"Really? Do you really think so?" There were only two women, so Xiao Qing had become bold. This was because she had had a relationship with Sun Jie before. They couldn't lie to each other, so there was no need to lie.

"What would I think otherwise?" Sun Jie was astounded. "Ai? I say, Xiao Qing, with your words, what are you implying?"

"No, I just think that you can't hold yourself." Xiao Qing sneered, "Your needs are stronger than mine, right?"

" *Heh* , then I will look for you, not him... Why don't we revisit the old feelings?" After Sun Jie listened, she wasn't shy at all. She started to joke instead. It was no wonder that in the previous relationship between the two, there was nothing to be shy about.

"I don't want to." Xiao Qing shook her head. "Don't even think about it in the future. Now that I think back, how did we enjoy such a boring thing?"

"It seems that after you do it with Yang Ming, you can't help yourself." Sun Jie said sarcastically.

"Do you have the right to talk about me? Aren't you the same?" Xiao Qing didn't have the usual calmness at the moment, and she argued with Sun Jie.

"What me? I haven't even had the time to defend myself from him!" Although Sun Jie felt good, before she decided to have a relationship with Yang Ming, Sun Jie felt that it was more like he was violating her.

"Liar. I don't know who it was. In the bar's washroom, the moaning was going to kill me." When Xiao Qing saw that Sun Jie didn't admit it, she exposed Sun Jie's behavior. Anyway, Yang Ming wasn't in front of her, so she didn't evade.

"Ah..." Sun Jie was surprised because she didn't expect Xiao Qing to know about the incident in the washroom today. She flushed all of a sudden and was unable to speak.

She just vowed to defend herself from Yang Ming, and it became a joke in a while. Moreover, it seemed she didn't defend against Yang Ming, but instead, it was more like she was looking for an opportunity to have an affair behind Xiao Qing's back...

"That... wasn't that because I was drunk?" Sun Jie stuttered.

"Isn't that a phrase used to cover up... Then again when I saw it, you were enjoying it. I even dropped a cup on the ground, and you didn't notice it." Xiao Qing didn't believe Sun Jie's words.

"I... I..." Sun Jie couldn't wait to find a place to sneak in to hide. She was flushed from being exposed by Xiao Qing.

...

"Ha ha ha ha..." Yang Ming was laughing out loud next door; he was delighted. He kept paying attention to the movements in the next room. Although he couldn't hear the sounds, he could read the lips.

Yang Ming never dreamed that the docile Xiao Qing would speak such shocking words when she was with Sun Jie! Seeing that Sun Jie's face was like a little sun, Yang Ming almost fainted from laughing so hard.

Yang Ming thought, *Since the two have exposed the matter, isn't my chance here now?* Yang Ming stood up and walked to the door, but his peripheral vision still observed the movements of the room next door.

Sun Jie was ashamed, so then she got under the quilt and no longer came out. Xiao Qing was covering her mouth to prevent herself from laughing.

For Yang Ming, this kind of door lock wasn't a hindrance at all. It was easy for him to open the door lock with a paperclip and then walk in blatantly.

" Ah ? Yang Ming? How did you come in?" Xiao Qing sighed and thought to herself, *Is it that this Sun Jie is that horny? She said that she locked the door, but she actually left it open for Yang Ming?*

Yang Ming gently closed the door and then locked the door in an instant by destroying the door lock. It was impossible for anyone to escape now.

For the first time, it was necessary to use some force. After the first time, the second and third time wouldn't be a dream.

"Little Jie, Yang Ming is here." Xiao Qing patted Sun Jie, who plunged her entire body and head under the quilt.

"Liar! I locked the door. How can he come in?" Sun Jie didn't believe it. "You keep lying to me. I won't be fooled!"

"Really, I didn't lie to you..." Xiao Qing smiled bitterly.

"Who would believe that? I think you probably missed Yang Ming so much that you got crazy. You even have an illusion." Sun Jie was just humiliated by Xiao Qing. How would she believe Xiao Qing?

"If you don't believe me, then see for yourself!" Xiao Qing said helplessly.

"I don't want to see." Sun Jie refused.

" *Hah* , then don't look. If you don't want to see me, then I will come to see you." Yang Ming said suddenly.

" *Huh* !" Sun Jie was stunned. She was somewhat surprised. "I also have an illusion?"

However, Sun Jie immediately came out from the quilt and glared at Xiao Qing. "Say it. Did you secretly open the door and let him in?"

Sun Jie was so angry that she got confused because of Xiao Qing. She didn't think that Xiao Qing was sitting next to her from beginning to end. If she went to open the door, how could she not know?

"Okay, you two don't have to wonder. I opened the door myself." Yang Ming raised the paperclip in his hand and said, "However, unfortunately, although the door is open, I seem to have broken the door lock."

Yang Ming's words made Xiao Qing and Sun Jie both flushed. It seems that they were overthinking, but they underestimated Yang Ming's means.

"The door lock was broken?" Sun Jie frowned. "Did you deliberately break it?"

"Think whatever you like. However, it seems that three of us have to be in a bed tonight." As Yang Ming said this, he reached out and shut the room lights, and the room was suddenly dark.

The sudden darkness made Xiao Qing and Sun Jie panic. They couldn't see where Yang Ming was. However, Yang Ming could see them. Yang Ming walked to the bed and lay down in the middle of the big bed. He said to himself, "It's a long night, but I can't sleep. *En* , who should I be intimate with? I have done it once with Sun Jie, so it must be Sister Xiao Qing. I can't treat anyone unfairly."

Yang Ming's thick skin made Xiao Qing and Sun Jie both flushed. Both of them were moving to the sides of the bed at the same time. They didn't want Yang Ming to touch themselves. But was it that easy to change Yang Ming's determination?

Instead of saying that Yang Ming did it forcibly, it was better to say that Xiao Qing went to him reluctantly. Xiao Qing was shy, but she knew that Yang Ming wouldn't let her go, so she simply clenched her teeth and thought, *Anyway, the light is off, and Sun Jie can't see it. At the very least, if I just don't make any sounds, then it will be over.*

Since Xiao Qing held this mentality, she didn't struggle anymore. She was pushed down [1] on the bed by Yang Ming and began to enjoy his gentleness.

However good Xiao Qing's idea was, the actual situation wasn't the same thing! Especially Sun Jie, could she let Xiao Qing go so easily? Sun Jie was embarrassed by Xiao Qing just now. Sun Jie was indignant that she couldn't find a chance to retaliate.

Now that there was a once-in-a-lifetime opportunity, how could she not pay off an old score?

Chapter 808: A Successful Scheme

"Pa," the lights in the room suddenly came on. The glare of the lights caused Xiao Qing to see nothing in front of her. She hadn't yet reacted to what happened before she heard Sun Jie's gloating laughter. "You saw me during the day. Now I will look at you too, so that is fair!"

Yang Ming actually noticed Sun Jie's movements. Although in the darkness, what could be hidden from Yang Ming's eyes? Yang Ming didn't stop it, but instead, he let Sun Jie continue this nonsense.

If the two of them were united, then Yang Ming was really helpless. But the current situation was precisely what Yang Ming wanted to see.

Xiao Qing was so surprised that she went to grab for the quilt on the side to cover herself. However, she found that there was nothing. It turned out that Sun Jie had prepared and took away the quilt.

When Sun Jie turned on the lights, she didn't even check to see if the door lock was really broken. She smiled and walked over, just staring at Xiao Qing, assessing her from top to bottom.

Xiao Qing was so ashamed that she and Yang Ming were doing this kind of thing, and they were being watched by someone. It was as embarrassing as it could be!

She used both her hands to cover her face, but there was no use at all. At this time, Yang Ming went a little faster, and Xiao Qing's body was unnaturally twisted. Her mouth couldn't be restrained, and she moaned.

Xiao Qing couldn't stop the natural reaction of her body, but the shame in her heart made her hate Sun Jie! *Didn't I just take a look during the day? And I immediately left. But now you're even better, you're watching with the lights on!*

However, this kind of situation made Xiao Qing reach her peak even faster. Although her body was exhausted, Xiao Qing forced herself to get up and see Sun Jie, who was laughing and smiling. She clenched her teeth and pulled Sun Jie down on the bed. She commanded Yang Ming, "It's her turn!"

Yang Ming was stunned. She didn't expect Xiao Qing to help him push down Sun Jie. He shook his head in amazement and smiled bitterly. *It seems that a woman could do anything when she loses her reasoning.*

At the moment, Sun Jie was gloating. She didn't expect Xiao Qing to pull her onto the bed. She struggled, but Xiao Qing held her down. "This time the tides have turned. It's my turn to watch you!"

Sun Jie was shocked and realized that she had overdone it. It was no wonder that Xiao Qing was so ashamed until it turned into anger. But it was too late to regret it, Yang Ming had already pressed on her.

Sun Jie finally understood what persisting evil brings about self-destruction meant. She was just smiling to see the others' hanky-panky. Now she faced the retribution. She helplessly sighed. Since she couldn't resist it, she would just close her eyes and enjoy it.

Sun Jie wasn't as coy as Xiao Qing, not to mention that she was already seen once earlier today, so now it wasn't a big deal.

The most pleased here was Yang Ming. He had benefitted from this little conflict between the two women.

Although the final result wasn't perfect, Xiao Qing and Sun Jie would rather stand still and not sleep than to let Yang Ming's plan to sleep together be successful. Yang Ming had no choice but to kick open the door with the broken lock and leave on his own.

What surprised Yang Ming was that in the next morning, Sun Jie and Xiao Qing were laughing as they came out of the room as if the scene from last night had never happened.

Yang Ming couldn't help but sigh. The friendship between women was peculiar, and it was unpredictable. He wanted to take both of them back, but Sun Jie refused. Xiao Qing also went to Sun Jie's car. He watched the two leave. Yang Ming shook his head. Last night's situation, *I don't know if there would be a second time.*

After eating breakfast in a hurry, Yang Ming drove to Mount Jing. Wang Guifen had called to rush him a few times, saying that Zhao Ying and his rival went out together. She called Yang Ming to come over as soon as possible.

Yang Ming was a little surprised, *How would Zhao Ying go out with the man?* After some questioning, he found out that it was set up by the other party. What happened was this:

When she got up early in the morning, Liu Huishan began to complain, "This marriage was too hasty. Many wedding supplies have not been bought, especially bed sheets for changing and what not. We don't have it!"

"Isn't it just a bed sheet? Wouldn't it be settled once it is bought?" Sui Guangheng said disapprovingly.

"Who is going to buy it? Are you going to buy it?" Liu Huishan asked furiously.

"Of course, I can't go! I have so many guests to accompany. What would I look like if I just left!" Sui Guangheng shook his head.

"*Hmph*, what should I do? Do I have to go buy it? I have so many friends and family here. How can I leave?" Liu Huishan retorted, "Right, today my high school buddy, Little Song, is coming over. I definitely cannot leave."

"Then just make do with it. Didn't the sheets just get changed recently?" said Sui Guangheng.

"Make do? You can do it but I can't!" Liu Huishan suddenly got angry. "Again, why must I make do with it? We just got married, and you want me to make do. Who knows in the future, maybe I would be living at the garbage station!"

"What do you mean? What garbage station?" Sui Guangheng was angry when he heard Liu Huishan's words. "Can you not talk so badly? What does this have to do with the garbage station?"

So, in the morning, the two people quarreled at home, attracting the crowds of friends and relatives living here. Liu Huishan's mother, who was Wang Guifen's Third Aunt, also rushed over and quickly persuaded her daughter, "Huishan! Don't quarrel! Isn't it just a bed sheet? It's not worth a quarrel! I will go and buy it for you. Is that okay?"

"Mom, I don't mean that, but I loved cleanliness since I was a child. I don't want to make do with this..." Liu Huishan said, somewhat embarrassed.

"I will buy it. I will buy it. Stop quarreling!" The Third Aunt waved her hands and said, "The couple should live well together. Why quarrel... Aiya, right, I can't leave today. Your father's Oldest Aunt is coming over today... I will buy it tomorrow. Is that okay?"

"Tomorrow... No, I can't make do with it anymore..." Liu Huishan said with some difficulty.

"Right, Yingying, do you have anything?" Third Aunt suddenly turned to look at Zhao Ying and then asked.

"Me? I have nothing..." said Zhao Ying, stunned.

"What about this? Can you help Huishan buy a few sheets and quilts? Sorry to bother you!" Third Aunt politely asked.

No matter what, Third Aunt was her elder, and she was the elder by two generations. Since she had already initiated and asked, it would be inappropriate for Zhao Ying to disagree! So Zhao Ying quickly responded, "Okay, I will buy it. But if you're not pleased with what I buy, don't blame me."

"How can that be?!" Third Aunt sneered and said, "Right, you're not familiar with the places in Mount Jing. Find someone to be your driver!"

"Alright." Zhao Ying didn't think much of it and nodded.

"Let Zuo Ruoguang go. He is Little Sui's cousin. With him accompanying you, I'm also assured." Third Aunt turned to Zuo Ruoguang and commanded, "Little Zou, come. You will accompany Yingying to buy bed sheets. How is it? There should be no problem, right?"

"No problem. Rest assured, Aunty!" Zuo Ruoguang showed a normal look, but in his heart, he was thrilled. His cousin's idea was absolutely perfect!

" Ah !" Zhao Ying was stunned. She didn't expect this Third Aunty called Zuo Ruoguang to accompany her! Zhao Ying immediately didn't want to go, but in the face of so many elders, she couldn't refuse. If people asked why she would have to say that it was because Zuo Ruoguang was pursuing her. It was obviously a bit too unreasonable!

Zhao Ying had no other choice. She could only nod and go out with Zuo Ruoguang.

Zuo Ruoguang learned his lesson from the last time and wasn't too attentive to Zhao Ying. He did according to his cousin's advice, to act as elegant as a noble prince.

"Miss Zhao Ying, please get in the car." Zuo Ruogang opened the door of the Audi A4 and made a gesture.

This car belonged to Sui Guangheng. He wasn't the core child of the Sui Family so the vehicle that he could drive could not be too flamboyant. This Audi A4 was the car he was most proud of.

Zhao Ying also had no choice. She only wanted to buy the bed sheets as soon as possible, and then come back to hand it over.

They got in the car, and Zuo Ruogang drove it to the largest commercial building in Mount Jing. However, he couldn't find a parking spot after looking for a long time, so Zuo Ruoguang stopped the car directly at the entrance of the commercial building.

"Just stopping here?" Zhao Ying looked at the place where Zuo Ruoguang stopped. She couldn't help but frown. This was the main entrance of the commercial building and was also the main passageway for people. It would affect others if this car stopped right here.

However, Zhao Ying's sentence was misunderstood by Zuo Ruogang. He thought that Zhao Ying was surprised at his arrogance, so he smiled and said, "Hey, in Mount Jing, the Sui Family's cars can stop wherever we want to stop. If you want, I could even stop at the pedestrian street!"

Zhao Ying was speechless. *This person is really incomprehensible. I have seen many rich and powerful people, but they aren't as arrogant as him.*

Zhao Ying didn't say much to prevent him from boasting again. She just wanted to buy the things and leave as soon as possible, so she got off and walked inside the commercial building.

Zuo Ruoguang locked the car. He ignored the pedestrians who looked at him with contempt and strode behind Zhao Ying into the commercial building.

After Zhao Ying left, Wang Guifen quickly called Yang Ming to tell him about Zhao Ying going out with Zuo Ruoguang. She also told Yang Ming about the possible address of the commercial building, and the model and license plate number of Zuo Ruoguang's car. She told Yang Ming to go over there quickly.

Yang Ming listened to this somewhat far-fetched reason and knew that Sui Guangheng and Liu Huishan were putting up an act. What a joke! How could a newly married couple not buy the bedding? Since they already purchased a set, why couldn't they buy one more?

However, when he heard the name of Zuo Ruoguang, Yang Ming found it familiar, but he forgot where he had heard it and didn't care too much. He was just a cousin of Sui Guangheng. Even if Yang Ming had a conflict with him, the Sui Family was unlikely to stick up for him.

Then again, even if Sui Guangqi stuck up for him, would Yang Ming be afraid of him?

Chapter 809: If You Are Capable, Then...

Speeding all the way, Yang Ming quickly came to Mount Jing. This was his first time coming to Mount Jing, but the prosperity here awed Yang Ming. In comparison, Song Jiang could only be regarded as a small developing city. It was incomparable to the provincial capital, Donghai.

According to Wang Guifen's suggestion, Yang Ming drove the car in the direction indicated by the navigation system to the city's largest mall.

Yang Ming looked for a long time, but there was no parking space. Yang Ming couldn't help but sigh at the average standard of living here. It was so early, and yet so many car owners came here to shop. If it were Song Jiang, there wouldn't be so many cars in the parking lot.

It couldn't be helped. Yang Ming could only stroll around to another street. He parked the car in front of an office building and walked back to the mall. For those who parked in the middle of the roadside or in the middle of the pedestrian walkway, Yang Ming was very disdainful. Even in Song Jiang, although Yang Ming's car had some privileges, he never violated the rules.

Although Yang Ming's eyes were good, it would be hard to find a car in this huge parking lot. However, Yang Ming saw Zuo Ruoguang's Audi A4 at a glance because it was too conspicuous. The fellow parked in the middle of the mall's pedestrian walkway, facing the large "No Parking" sign on the side.

Yang Ming secretly despised this Zuo Ruoguang once. Yang Ming was not the only one contemptuous. The customers who faced inconvenience also cursed.

Yang Ming came to the front of the car and looked inside. No one was there. It was obvious that this guy and Zhao Ying entered the mall together. Yang Ming wondered if he should add something to his car?

For example, leak the air out of the tires or break down the door locks? Yang Ming wouldn't do something like tampering with the brakes. In the end, Zhao Ying might take this car to go back, and then it would be an absolute disaster.

Yang Ming was thinking about it. At this time, someone patted him on his shoulder. Yang Ming glanced back and saw a traffic policeman standing behind him.

"What's the matter?" asked Yang Ming.

"Is this your car? Hurry up and drive it away. You can't park here!" The traffic police pointed at the Audi A4.

"I can't drive it away..." Yang Ming was caught by surprise. He said somewhat helplessly. This car wasn't his at all. How could he drive it away?

"If you don't drive it away, I will issue a fine!" The traffic police said with some dissatisfaction.

"Just issue it." Yang Ming just nodded and replied indifferently. Of course, it didn't matter. The penalty wasn't Yang Ming's money.

"What kind of attitude is that?" The traffic police saw that Yang Ming did not seem to treat the fine seriously. He said immediately, "You are parking illegally, and yet your attitude is bad. I have the right to tow your car. Do you know that?"

"Oh." Yang Ming looked at the Audi A4 and said with a mischievous smile on his lips, "Well, if you are capable, then just tow it away."

"Fine." The traffic policeman was angry. Initially, he wanted to scare Yang Ming, but the traffic policeman did not expect Yang Ming to ignore him. So, he took out his walkie-talkie and spoke to the command center to deploy a tow truck.

After a while, a tow truck drove over to the side. The traffic policeman looked at Yang Ming and looked back at the tow truck. "I will tow it away, ya?"

"Hey, you really called it. If you are capable, then just tow it away." Yang Ming said indifferently.

The traffic policeman saw Yang Ming's attitude, and he did not say much. He waved his hand, and then the tow truck came over and towed the Audi A4 away. Yang Ming shrugged and sighed. *This isn't my fault. Who told you to park illegally?*

Yang Ming was too lazy to go looking for them. In the public location like a shopping mall during the day, Yang Ming thought Zuo Ruoguang dared not to do anything. Yang Ming found a bench on the side of the road, sat down and waited for them to come out.

Zhao Ying just wanted to buy the sheets and leave. However, Zuo Ruoguang looked around as he stopped and shopped. Zuo Ruoguang commented about the counters that they passed by.

"You look at this bonsai. How beautiful it is! When I get married in the future, I have to put a few of them at home. This is called life!" Zuo Ruoguang boasted, "My wife has to live a lady's life..."

Zuo Ruoguang didn't go into society before. His ideas were quite childish. Worse still, he usually watched some ridiculous soap operas, thinking that girls would fall in love with a wealthy son. Therefore, he kept boasting about the so-called life of upper-class society.

Zhao Ying wasn't a vain girl. Besides, her thoughts weren't so simplistic. How would she listen to Zuo Ruogang's bragging? In the beginning, Zhao Ying was perfunctory because of her relative. She became a little impatient in the end. She coughed twice. "Let's go buy the bedsheets. They are still waiting for us to go back."

Only when Zuo Ruoguang saw that Zhao Ying's expression was really impatient did he shut up, but he still didn't give up. When he passed the jewelry counter, he couldn't help but say, "Zhao Ying, what do you think about this ring? The diamond is huge!"

Zhao Ying frowned and took a look in the direction Zuo Ruoguang pointed. The ring was quite beautiful, and the diamond was quite big. However, Zhao Ying was not in the mood to appreciate these with Zuo Ruoguang, so she said, "Quite good looking."

"Then, how about I buy it for you?" Zuo Ruogang was overjoyed and thought that Zhao Ying was moved.

However, Zhao Ying was indeed a little moved, but it also depended on who bought it for her. If Yang Ming bought it for her, she would accept it, but, if it were Zuo Ruoguang, she wouldn't accept it.

"Zuo Ruoguang, we can only be an acquaintance, or we are alumni. We can't even be considered as friends. Do you think that when you buy me something, I would want it?" Zhao Ying's face became serious.

"This... What's the matter...? If you like it, I will buy it for you. You can treat me as your friend, right?" Zuo Ruoguang was stunned.

"Fine. I'm going to buy the bedsheets. If you are willing, follow me. If not, just forget about it. I don't want to hear you telling me about this useless stuff..." Zhao Ying finally lectured without mercy.

As Zuo Ruoguang got lectured by Zhao Ying, his expression was filled with awkwardness. He could only follow Zhao Ying from the behind obediently and walked with her to the bed furniture counter.

After buying the bed sheets, Zhao Ying ignored Zuo Ruoguang and went straight to the escalator. She went to the entrance of the commercial building while Zuo Ruoguang was behind her with a displeased face. He was thinking about Zhao Ying's reaction. *Why was Zhao Ying not moved by my words?*

Outside the commercial building, just as Zuo Ruoguang was about to take out the car's remote control to open the door, he suddenly noticed that his car was gone! He was surprised all of a sudden, shouting at the pedestrians on the side, "Where is my car? Where is my car?"

Zhao Ying looked at Zuo Ruoguang's behavior. She looked down on him even more deep down in her heart. *Zuo Ruoguang doesn't have any temperament and calmness. He is completely incomparable to Yang Ming...*

"Zhao Ying!" Yang Ming stood up from the bench and shouted to Zhao Ying.

"Yang Ming!" Zhao Ying was just thinking about Yang Ming. When she heard Yang Ming's voice out of nowhere, she immediately became delighted. She raised her head and saw Yang Ming waving to her. She didn't care about Zuo Ruoguang and quickly ran to Yang Ming's side.

Zuo Ruoguang was very depressed by Zhao Ying in the commercial building. Now that the car disappeared inexplicably, his mood was even worse. When he heard a man calling Zhao Ying, and Zhao Ying ran over with joy, his anger swelled up instantly. He rushed over and pointed at Yang Ming. "Who are you?"

When he first pursued Chen Mengyan, although he had a glimpse of Yang Ming, how could he remember? So, aside from feeling that Yang Ming was familiar, he couldn't recognize who this person was.

"I'm Yingying's boyfriend. What's the matter? Do you have comments?" Yang Ming laughed and held Zhao Ying's hand.

"Boy... boyfriend?" Zuo Ruoguang was stunned, but then he started to assess Yang Ming.

Yang Ming didn't put him in his eyes. After Yang Ming finished his sentence, he ignored Zuo Ruoguang. He said directly to Zhao Ying, "My car is parked there. Let us get going. Unlike this guy, he parked in the pedestrian passage and got his car towed away by the traffic police."

"What? My car was towed away?" Zuo Ruogang was shocked after listening to Yang Ming's words. This car wasn't his. It belonged to Sui Guangheng. He would inevitably be scolded after going back! But then he thought something was wrong. He looked at the cars next to him. They only had fines on them, but they weren't towed away. He said, puzzled, "How come they only towed my car?"

" Oh , I was standing next to your car. There was a traffic policeman who told me to drive the car away. When I told him I couldn't, he said he would give me a fine. I just asked him to issue it. He was angry and towed your car away!" Yang Ming pretended as though he just remembered it and told it to Zuo Ruoguang with sympathy.

"F*ck!!!!" Zuo Ruoguang was about to blow up as soon as he heard it, his eyes blazing with fire. However, Yang Ming had already brought Zhao Ying to a distance.

Zuo Ruoguang was furious and chased Yang Ming. He suddenly remembered that Yang Ming was also driving. At the moment, the direction that Yang Ming and Zhao Ying was going only had a broken van. Zuo Ruoguang subconsciously assumed this was Yang Ming's vehicle. He rushed toward the van and threw a kick as he cursed, "F*ck, you are shameless enough to drive a broken van out? You have lost my car. I will not let you be better off. Do you believe that I will smash your vehicle?"

Yang Ming watched Zuo Ruoguang's action, baffled. Yang Ming was a bit puzzled. *Whose vehicle is this guy smashing?* But then he realized that Zuo Ruoguang had misunderstood.

When Yang Ming and Zhao Ying spoke to each other, they pointed to this side and said that their car was parked here. He and Zhao Ying also came to this side. No wonder Zuo Ruogang misunderstood! In fact, Yang Ming's car was parked in front of the office building at the next intersection.

Yang Ming found it a little amusing. He looked at the car and looked at Zuo Ruoguang. "Oh, if you are capable, then smash it."

"Do you think that I don't dare to smash it? I will destroy your van! You dare to come out with this broken van! How dare you put me in a tough spot!?" Zuo Ruoguang thought that Yang Ming was laughing at him, and he was provoked instantly. He looked around the street and found a road sign. He bent over and picked it up.

Chapter 810: He's Gone Crazy

With a loud *bang* , Zou Ruoguang smashed the van's windshield.

"Is this really your car?" Zhao Ying saw that Yang Ming drove a broken Jetta that was almost scrapped before, so it was not unusual for Yang Ming to drive a broken van at the moment. However, would Yang Ming let Zou Ruoguang smash his car willingly?

"I don't know whose it is." Yang Ming shrugged and said, " *Ai* , it's pitiful."

"Yeah, how can you do this? The owner of this car is pitiful!" Zhao Ying frowned and looked at Yang Ming with a complaint.

"I wasn't talking about the owner of this car. I'm talking about him..." Yang Ming sympathetically pointed to Zou Ruoguang.

" *Ah* ? Him? How is he pitiful?" Zhao Ying looked inexplicably at Zou Ruoguang who was enjoying smashing the vehicle and asked, surprised.

"You will know soon enough..." Yang Ming sighed. "An untimely death!"

Zou Ruoguang was soothed and refreshed. The biggest difference between those who had gone into society and those who have not gone into society was the attitude in which he conducted himself. Zou Ruoguang was now completely arrogant and impulsive. He didn't care about the consequences.

" *Hey* , I will smash you. You don't let me drive so I won't let you drive as well!" Zou Ruoguang said with a complacent expression while holding a board.

" *Oh* , you are really good. If you are capable, then you can continue to smash." Yang Ming said with pity.

When Zou Ruoguang saw Yang Ming's expression, he suddenly misunderstood and thought that Yang Ming was distressed for his car. So Zou Ruoguang was more pleased, and he smashed it even harder.

" *Ai* , you'll get what you deserve..." Yang Ming shook his head.

When Zou Ruoguang heard Yang Ming's words, he thought that Yang Ming was sighing!

Yang Ming caused his Audi A4 to be towed away by the traffic police. Now it was Yang Ming's turn to be smashed, so he sighed and said, "you get what you deserve." So Zou Ruoguang said, "If you knew this would happen, why would you do that?"

"Yeah... Why... You are really capable..." Yang Ming nodded in agreement.

" *En* ?" Zou Ruoguang was a little surprised. He was wondering if Yang Ming was crazy when he suddenly heard a loud shout.

"F*ck!!! Who smashed my van?! Is someone tired of living?" A macho man quickly ran there. When he saw Zou Ruoguang lifting the board to smash it again, he immediately glared at Zou Ruoguang. He gave Zou Ruoguang an elbow strike instantly. It hit Zou Ruoguang's face, and he was thrown to the side. Then the macho man was broken-hearted to see his deformed van. He reached out and caressed it with pity, "My beloved van! How did you get smashed into this shape?"

Zou Ruoguang was astounded immediately. He covered his face blankly and looked at the macho man who suddenly appeared. He was somewhat overwhelmed. "You... who are you?"

"D*mn, you f*cking smash my car, and then ask who I am?" The macho man turned his head, and his eyes were full of fire. "Why did you smash my car?"

"This is your car?" Zou Ruoguang was even more baffled, but seeing that the macho man was heartbroken over it, it didn't look like it was fake. He turned around and looked at Yang Ming again. He only saw Yang Ming shake his head innocently. Zou Ruoguang finally understood that he was being fooled. This car didn't belong to Yang Ming at all!

"Bullsh*t! If it's not mine, then is it your car?" The macho man was furious. "This is the only thing left to me from my brother who was hacked to death. Now it was smashed like this. My brother would be unwilling in his grave. D*mn, if I don't smash your car into this shape, how can I be worthy of my dead brother?"

" Ah ..." Zou Ruoguang was terrified, and he couldn't stand still immediately when he heard the macho man. "I... I didn't know... I thought this car was his..."

"You thought? Why don't you think you are Ultraman [1]?" The big man sarcastically said, "This matter is not over yet!"

"Big brother... I really didn't know. It's him who framed me... Yes, he told me to smash it!" Zou Ruoguang was anxious and began to retaliate on Yang Ming. "Big brother, I'm only his hitman. He is the mastermind! You should look for him..."

"What?" When the macho man heard that there was a mastermind, he immediately turned around and asked Yang Ming, "Is that true?"

"Do you believe in what he said? Will you believe it if he says that he is Ultraman?" Yang Ming said contemptuously.

"D*mn, I don't care. You are also one. Don't think about leaving today!" As the macho man said this, he reached out to grab Yang Ming's neck collar.

"Hey, every debt has its debtor. Just look for the one who smashed your car." Yang Ming grabbed the big man's wrist and spoke coldly.

"You..." As the macho man wanted to open his mouth, he was shocked to find that his arm which Yang Ming caught couldn't move. He was terrified instantly. He hesitated and smiled. "Yes... it is not related to you..."

" Hmph ." Yang Ming snorted and let go of the big man's arm.

The macho man knew that he couldn't afford to mess with this person. He turned back, wanting to vent all his anger on Zou Ruoguang. "D*mn, you dare to lie to me? Go!"

As he said this, he lifted Zou Ruoguang up and threw him in the damaged van with the broken windshield. Then the macho man also got in the vehicle, started it, and went away.

"Yang Ming, will anything happen to him..." Zhao Ying saw the sinister look of the big man, and she was a little worried. "Aren't you overdoing it a bit too much?"

"What have I done? From the beginning to the end, he was performing on his own ..." Yang Ming smiled and said, "Do not worry. He won't die. The Sui Family is still powerful in Mount Jing."

" Oh ." Zhao Ying also knew that the Sui Family had a lot of power in Mount Jing. If Zou Ruoguang said that he was in the Sui Family, then the macho man won't trouble him. However, she forgot the fact that Zou Ruoguang had nothing to do with the core Sui Family.

"Let's go." Yang Ming had been holding Zhao Ying's hand just now. At this moment, he still hadn't released it.

Zhao Ying hesitated for a moment. She wanted to break free, but in the end, she still did not move. She obediently let Yang Ming pulled her forward.

"Why? Have you suffered a grievance here?" When they got in the car, Yang Ming had to let go of her hand. If he still held it, it was a little inappropriate.

"Not really, but Zou Ruoguang is quite troublesome." Zhao Ying said with some helplessness, "On the other side, Liu Huishan still wanted to match us two..."

" Hehe , then we don't have to stay here anymore. Let's go back to Song Jiang." Yang Ming smiled.

" En , I will call my parents, and then we can leave right away." Zhao Ying said, "I don't want you to visit the family, or else my mother will be bragging again."

Yang Ming nodded. Yang Ming didn't really have the time to cooperate with Wang Guifen to pretend to be as a bad*ss. Yesterday, Yang Ming was really tired. He was not physically exhausted, but mentally tired.

Valentine's Day, it was a very troublesome thing to accompany so many lovers.

However, when the two wanted to get back to the Sui Family, they suddenly found out that they didn't know how to get there! It was Zhao Ying's first time in Mount Jing, and she didn't know the way. Zou Ruoguang drove her when they came here. How could she remember the roads?

Yang Ming was even more so. He didn't even see the shadow of the Sui Family, so his situation wasn't better than Zhao Ying.

It couldn't be helped. The two had to stop the car again and let Zhao Ying call Wang Guifen.

Wang Guifen was delighted to hear that Yang Ming was here. She wanted Yang Ming to come to the Sui Family. Zhao Ying naturally refused. Fortunately, Father Zhao also didn't want Wang Guifen to show off these useless things, so he stopped Wang Guifen from saying more. Wang Guifen had no choice but to give up.

However, when Yang Ming came to pick them up, he did not go into the house to sit. Liu Huishan and the Third Aunt misinterpreted thinking that he didn't dare to go in and was afraid that they would expose his identity. So, there was some jeering as they watched Zhao Ying's family leave.

When they got in the car, Wang Guifen was so angry that she said with a grimace, "Isn't this acting like a snob? Yingying, it's your fault. Why didn't you let your mom gain some face?"

"Mom, we aren't here to compare with others. Why should we care about it?" Zhao Ying said indifferently, "Since they look down on us, then we can just stop contacting them."

"Have you heard it? Yingying is sensible. What can you get by comparing with those people?" Father Zhao, Zhao Daquan, said.

As the few people were talking, Yang Ming was about to drive away, but Third Aunty came out. When she saw Yang Ming's car, she was shocked. She didn't expect Yang Ming's car to be a BMW.

However, there were many rental companies this year. Who knew if this was a rented car?

"Zhao Ying, where did Zou Ruoguang go? Why didn't he come back with you?" asked the Third Aunty.

Yang Ming smiled in his mind at the slow reaction of the Sui Family. It took so long for them to realize that one person was missing. It was evident that Zou Ruoguang's position in the Sui Family was really not important. It was probably that Sui Guangheng remembered his Audi A4, so he remembered Zou Ruoguang along the way.

"Oh, you are talking about that man?" Yang Ming did not wait for Zhao Ying to speak and said, "He went crazy on the side of the road and smashed someone else's car. Then he was taken away by that person."

"Huh? He was taken away?" The Third Aunty was astounded. "Who took him away? What the hell is going on?"

"How do I know what's going on? I don't know him. Would I know him better than you?" Yang Ming snorted.

"What about his car?" Third Aunty continued to ask.

"It was dragged away by the traffic police because of illegal parking!" Yang Ming said, "I think he may be a little crazy. You should take him to the psychiatric department to check. I have not seen someone who dared to park at the pedestrian path. It would be strange if the car weren't towed away."

The Third Aunty was stunned by Yang Ming's words but really doubted if Zou Ruoguang was mad. But this was the matter of the Sui Family so she couldn't care much. Her son-in-law, Sui Guangheng, just suddenly remembered that the car was still with Zou Ruoguang, so she ran out to ask.

"Is there anything else? We are leaving then. You have to hurry to rescue the kid. The macho man who caught him looks very fierce..." Yang Ming said with regret.

The Third Aunty did not dare to delay. She quickly went back to find someone to discuss. Yang Ming directly started the car and left the Sui Family.

"What is going on? Is Zou Ruoguang really crazy?" Wang Guifen asked, surprised, "Wasn't he still normal before?"
