Chapter 91: What Do You Want to Buy?

The next station would be the supermarket they wanted to visit. Yang Ming wasn't able to continue his act, so he had to raise his head and squeeze toward the door. Once they got off the bus, Chen Mengyan asked with concern, "Yang Ming, how are you feeling now?"

"Er... It's still pretty painful!" Yang Ming frowned and said, "I think I may really want to give up jerking off in the future!"

"Ai ya, Yang Ming, at this time you are still joking with me!" Chen Mengyan said nervously, "Let's not go to the supermarket and visit the hospital now!"

"There's no need. Let's just wait for a while first." Yang Ming shook his head and said, "Go and purchase your items quick. I am fine. I should be fine after tomorrow."

"Really fine?" Chen Mengyan still felt a bit worried.

"En, let's see after a while. If it's not good then we will go to the hospital!" Yang Ming said to dismiss her.

"Oh, alright then. We can walk slower. Is it inconvenient for you?" Chen Mengyan used her peripheral vision to glance at Yang Ming's private part, then her face turned red.

"En en, it's okay..." Yang Ming actually didn't feel anything now, but he just walked slower so that he could spend more time with Chen Mengyan as they cultivated their relationship.

Song Jiang Xinmate Supermarket is a popular brand in the country with good prices and decent quality! Yang Ming felt a bit resistant toward the supermarket that was built with overseas investments. To grow the country's economy, it was necessary to support the country's own businesses!

Yang Ming and Chen Mengyan both were pushing the same cart as if they were a family of two who were here to purchase items. Yang Ming was handsome and sculpted; Chen Mengyan was beautiful and elegant. Both of them attracted a few glances from people.

Yang Ming was simple; all he did was get two packets of melon seeds. Chen Mengyan was a girl and had more interest in snacks. She bought a cart full of tamarind plum [1]. When she was in front of the potato chips, she wanted to take some but she was afraid that they would make her fat. So she hesitated for a while. Yang Ming helped her by taking a bag and putting it into the cart.

“This type of thing has a lot of calories. You can easily get fat by eating it!” Chen Mengyan still hesitated.

“What fat? You are very skinny already. Moreover, if you only eat one bag once in a while, it will be fine!” Yang Ming said.

“Oh

!” Chen Mengyan nodded her head obediently. Chen Mengyan didn’t have much time to shop at the supermarket because she was in Grade 12 already. Now that she was here today, of course, she felt like buying more items.

When she arrived at the kiosk that sold tissue, Chen Mengyan suddenly remembered how she was almost out of sanitary pads and she wanted to buy a pack or two. However, because Yang Ming was beside her, she felt too shy to do that.

“Yang Ming, please help me grab a bottle of water. I am a bit thirsty...” Chen Mengyan didn’t usually trouble others, but what she wanted to do was separate Yang Ming from her temporarily.

“Oh, sure!” Yang Ming nodded his head and started to walk toward the beverage section. En? Oh yeah, I haven’t asked her what she wanted to drink. As he thought about this, Yang Ming turned around and walked back. “Mengyan, what do you want to drink?”

“Ah?” Chen Mengyan was about to reach out to grab a pack of “An Er Le” sanitary pads. She withdrew her hand immediately when she heard Yang Ming’s

words! Scared me to death! Chen Mengyan let out a sigh. “En, Master Kong Green Tea!”

“Oo, sure!” Yang Ming nodded his head after he had heard it, turned around and walked away.

Chen Mengyan only let her guard down after she was certain that Yang Ming had walked a distance away. From here to the beverage section, a walk should take two to three minutes. The timing should be suitable!

“En, An Er Le and Jiao Shuang, which one is better?” Chen Mengyan spoke to herself. Girls usually cared more about this kind of thing as it would be closely attached to their body. They would pay extra attention in its selection.

Yang Ming wanted to go to the beverage section, but in about two steps, he saw a refrigerated case by the side of the walkway which contained Master Kong Green Tea. Therefore, he simply opened the door and took a bottle out. It was a cold beverage!

Therefore, Yang Ming went back to Chen Mengyan pretty quickly. When he saw how Chen Mengyan was picking sanitary pads, he understood immediately. Apparently, this girl was shy and wanted to send him away!

Hehe, Yang Ming had an idea in his mind.

“Miss, are you shopping for sanitary pads? Do you have a large volume per month?” said Yang Ming as he purposely lowered his voice.

“En, my volume isn’t big...” Chen Mengyan felt that things weren’t right after half a sentence. Why would this supermarket get a male salesperson to sell sanitary pads! She looked up confused and immediately felt embarrassed. “Yang Ming! You are digging your own grave!”

“Volume not that big oh
!” Yang Ming said purposely.

“Hmph!” Chen Mengyan pouted her mouth and took two packs of “An Er Le” and two of “Jiao Shuang” and dumped them into the cart.

“Oh yeah, why don’t you buy tampons?” Yang Ming thought about the tampons in Zhao Ying’s room.

“Tampon?” Chen Mengyan was shocked but then gave Yang Ming a stare as she said, “You know quite a bit don’t you? However, I don’t use those kinds of things!”

“Don’t use? Why not?” Yang Ming asked curiously.

“Don’t use just means don’t use! How come there are so many whys?” Chen Mengyan said impatiently.

“...” Yang Ming could only put his question aside and ask some other time. It seemed like Chen Mengyan was still really shy!

As they went to check out, Yang Ming wanted to pay but he never thought that Chen Mengyan would quickly take out her wallet and hand over the cash before him. Primarily because the majority of the items were hers and there were also a few packs of sanitary pads, she didn’t feel good to have Yang Ming pay! Even though these two people had a pretty good relationship, but they haven’t yet established their relationship. Chen Mengyan didn’t want to appear impudent.

When they walked out of the supermarket, the sky was still quite bright. The sun went down pretty late in the summer, so Yang Ming suggested that they walk back.

Between here and Chen Mengyan’s house was only a stop, so she was fine with the decision. However, she was still concerned with Yang Ming. “Your... there, is it fine now?”

“I would need to check at home. Only then will I know for sure!” Yang Ming smiled.

“Oh...” Chen Mengyan didn’t know either so all she could do was nod her head. Therefore, the two of them walked back like a couple toward Chen Mengyan’s house with each of them holding one plastic bag.

After a while, they arrived somewhere near Chen Mengyan’s neighborhood.

“Yang Ming, let’s stop here. I will go first. If the people in the neighborhood saw us, there would be a bit of gossip...” Chen Mengyan said.

“Us? What about us?” Yang Ming asked while laughing.

“Ai ya! Just walking together!” As Chen Mengyan said this she took the bag from Yang Ming’s hand.

“Alright then. See you tomorrow!” Yang Ming nodded his head after hearing that. He also knew that in most neighborhoods, there would be some Big Mama kind of character who had nothing better to do other than gossip.

“En, bye-bye.” Chen Mengyan waved her hand and walked toward the neighborhood. After Chen Mengyan had walked for a distance only then he turned around to leave.

“Yang Ming, why are you here?”

Yang Ming turned his head, and he saw Chen Fei, “Uncle Chen! What a coincidence that I met you here!”

“What coincidence? I live in this neighborhood. What about you? Why are you here?”

“I was sending a classmate back, hehe.” Yang Ming said while laughing.

“Classmate? Boy or girl?” Chen Fei asked with a poker face.

“Girl. Uncle Chen, why are you talking as if you are interrogating me?” Yang Ming asked.

“Just simply asking!” Chen Fei said, “If there's nothing else then go back home early! Your exam is around the corner. You should spend more time studying. If you are thinking about finding a partner, then you should leave it until after enrolling into a university!”

“Oh, I understand!” Yang Ming was still a bit scared of Chen Fei.

During the evening, when Yang Ming went online, he once again met “Wild Female Teacher” who asked for a game of Landlord. Since Yang Ming had nothing much to do, he decided to accompany her for a while.

Yang Ming looked at Chen Mengyan's web name. It was grey in color. It looked like she didn't really go online often. Chen Mengyan's nickname was actually “Little Yan”, a rather common nickname. It seemed like she didn't usually chat online.

After helping Wild Female Teacher to cheat over a thousand points, Yang Ming went offline. Afterward, Yang Ming just browsed the web for a while and went to sleep.

The next morning, Jin Gang came into Zhao Ying's office.

“Zhao Ying, let's sit together in the afternoon when we watch the movie. I bought a few snacks!” suggested Jin Gang.

“En? Watch movie? I'm not going.” All Zhao Ying felt was tired on top of tired. Because of the case with Yang Ming, Zhao Ying's mood was a bit messy over the past few days. Every night she was using the internet to numb herself. However, in these past few days, she found a pretty good online friend who was willing to accompany her to cheat marks online which helped her to feel a bit better. Last night, however, she only got about a thousand points from that online friend and she felt that it was a bit too little, so she started playing on her

own. She thought that a game or two was fine, but she didn't think that she would have lost all thousand plus points that she gained that night. Even the two thousand points that she got earlier were lost. When Zhao Ying raised her head, she realized it was about 4 a.m. With only three hours of sleep, how could she not feel tired?

"Why not? The other teachers were all going." Jin Gang persisted and asked.

"I am really not feeling well. I wanted to go back and get some good sleep." Zhao Ying said with her weary face.

"If that's the case, next time then..." Jin Gang also saw how Zhao Ying yawned multiple times. It didn't seem like she was lying to him, so he didn't insist on it.

Jin Gang walked out of Zhao Ying's office, feeling a bit disappointed. Then, he saw how Yang Ming was walking toward him. This was the person that Jin Gang didn't want to see the most at this moment. When he saw Yang Ming, he remembered all the history of him being put to shame which made him even more frustrated!

Chapter 92: Stay Away From My Wife

Jin Gang wanted to pretend he didn't see Yang Ming and walked over by the side. He never expected Yang Ming to speak first. "Teacher Jin? Why are you so early?"

"En en, morning!" Jin Gang spoke perfunctorily. He didn't want to speak much with Yang Ming.

Yang Ming spoke sarcastically. "Going to kiss a** again?"

"F***..." Jin Gang tried hard to control his anger. He wanted to beat Yang Ming up but didn't dare to do so. Let's not even mention the fact that he couldn't fight against Yang Ming. Even if he won, if Yang Ming reported him to the headmaster, he would suffer a lot!

“Oh, don’t forget about my bicycle. I’m walking to school these days. After you buy it, just send the key to my class. You’re welcome!” Yang Ming said while laughing.

Jin Gang was too angry that his face turned green. Good, you’re really good. You can only be arrogant for few more days. In a few days, when you are hospitalized, then you can’t show off anymore!

Yang Ming came to class and saw Chen Mengyan there already, then he smiled at her slightly. Chen Mengyan saw Yang Ming too. She blushed and then lowered her head and continued reading her book.

“Zhang Bing, what are you investigating?” Yang Ming tapped on Zhang Bing’s shoulder, and that gave Zhang Bing a shock.

“Oh, Yang Ming, you really shocked me. I thought class monitor Li was here!” Zhang Bing noticed it was Yang Ming, then he raised the object in his hand and said, “I’ve brought the game console, NDSL!”

“What did you bring this for?” Yang Ming asked curiously.

Zhang Bing said, “We’re watching a movie this afternoon, right? It won’t be interesting, so I’ve brought a game console. Come sit with me and play together. What do you think?”

“Just watch the movie. Why do you have to play a game?” Yang Ming couldn’t understand why.

“Hai! A movie organized by the school, how good can it be? It must be some old film that we’ve seen before!” Zhang Bing said while showing a scornful face.

“It could be a blockbuster. You can’t be so sure about this!” Yang Ming shook his head. He too couldn’t believe that the free movie from the school would be great.

“Even if it was a blockbuster, I wouldn’t watch it either. I have seen the latest blockbusters online recently. Oh yeah, if you can buy an NDSL too, then we can play cooperative games together.”

“I’ll pass. I’m not interested in gaming.” Yang Ming said.

In the afternoon, all of Grade 12’s students marched toward the Workers’ Cultural Palace. There were no buses, so they had to walk. However, it wasn’t very far from Song Jiang No. 4 High School.

On their way to the Cultural Palace, Yang Ming and Chen Mengyan didn’t walk together so that others wouldn’t notice something between them. Chen Mengyan stayed with her best female friend and Yang Ming stayed with Zhang Bing.

Yang Ming only looked for Chen Mengyan after they went into the cinema.

Zhang Bing pointed at two empty seats and said, “Yang Ming, let’s sit here. It’s close to the door so it will be convenient when we leave!”

“I’m not sitting here. I’m looking for a person!” Yang Ming shook his head.

“Looking for a person?” Zhang Bing froze then he suddenly showed an ambiguous smile.

At this time, Chen Mengyan too was searching for Yang Ming among the crowd of people.

“Mengyan. What are you looking for?” Chen Mengyan’s best friend, Li Changyuan, asked.

“I’m looking for someone.” Chen Mengyan answered.

“Looking for someone? Oh...hehe, I know!” Li Changyuan showed an ambiguous expression too.

At this moment, Yang Ming saw Chen Mengyan, and Chen Mengyan saw Yang Ming as well. They waved and smiled at each other. Everything happened without a word.

Yang Ming squeezed toward Chen Mengyan, then Chen Mengyan picked a location with four open seats and sat down.

When Chen Mengyan sat down, a student from another class sat beside her. The person, named Liu Tao, belonged to the group of “ruthless people” in the school. He was involved in beating and gang fights. He was a character who had slightly more say in the school.

No matter if it was a good school or bad school, there will be some ruthless students. They were just like a boss in school. These students usually didn’t think of attending a university and got a certificate. They usually didn’t go to classes and grouped together to smoke and fight. If there were some conflicts between classes, looking for their help would be most effective! Both sides would respect each other.

Liu Tao was such a character! He was interested in Chen Mengyan too but he didn’t have much opportunity to interact with her. It wasn’t easy to get such a good opportunity so Liu Tao naturally couldn’t give it up.

“This seat is occupied!” Chen Mengyan frowned.

“Occupied? Ask him to f*** off!” Liu Tao said carelessly.

Before Chen Mengyan could react, a hand grabbed Liu Tao’s neck collar and pulled him up.

“F***!” Just when Liu Tao wanted to go on a rampage, he turned around and saw Yang Ming. Then his face changed color. “Brother Yang, do you have any business with me?”

“You asked me to f*** off. You tell me if this is my business or not?” Yang Ming scolded in his mind. Such a stupid pig and you wanted to approach Chen Mengyan? In your dreams!

“Oh. This seat was for Brother Yang. I didn’t know. I’m leaving now...” Liu Tao said immediately. If he was a ruthless person, then Yang Ming would be the king of ruthless people! It was just that in his later period during senior high school he slowed down, so the leader of ruthless people was replaced by Li Dagang! But Li Dagang was under Yang Ming as well!

Liu Tao couldn’t mess with any of them!

“Don’t ever harass my wife again or else there will be consequences!” Yang Ming gave Liu Tao a stare and said fiercely.

Wife? Chen Mengyan blushed when she heard that. She never expected Yang Ming to say so! However, Chen Mengyan was a smart girl; she knew she couldn’t refute him! If she refuted him now, Yang Ming would lose all his face! Therefore, Chen Mengyan kept quiet!

When she kept silent, Zhang Bing and Li Changyuan looked at each other. These two must have an amorous relationship!

Once Liu Tao heard it, he knew that she was taken, and that person was Yang Ming! He immediately abandoned the idea to compete. He left resentfully and searched for his next target. However, he spent too much time here and most students were already settled down!

“Yang Ming, what nonsense are you talking about!” Chen Mengyan complained discontentedly after Liu Tao left.

“If I didn’t say that, he will keep on troubling you!” Yang Ming explained.

“You can’t just say that irresponsibly! If he tells someone else, what would I do?” Chen Mengyan was worried.

“How dare he!” Yang Ming said disdainfully.

Zhang Bing and Li Changyuan looked at each other ambiguously. You two have gotten along together. Why are you still afraid of other people's words?

"What are you looking at?" Chen Mengyan couldn't handle such an obscene sight.

"Nothing, I'm just curious. You two did a great job in keeping it a secret!" Li Changyuan spoke as she looked at Yang Ming.

"Yeah, Yang Ming. You're so bad to keep a secret from your buddy." Zhang Bing peeked at Chen Mengyan.

"We aren't..." Chen Mengyan wanted to explain but Yang Ming said, "Mengyan hasn't agreed with me yet!"

Chen Mengyan started sweating. Your explanation could be a dead-end for us! It's alright. It's almost the National Higher Education Entrance Examination, so I don't have to worry about what others are saying! Cheng Mengyan made a decision in her mind.

"Oh! I understand!" Zhang Bing and Li Changyuan nodded at the same time and showed an expression of sudden enlightenment! They thought that the both of them were in a relationship. Maybe Chen Mengyan didn't admit to it because of her pride!

"Eat, eat!" Chen Mengyan couldn't stand the two of them. She took out the snacks that she bought yesterday.

"What did you bring? Such a big package?" Yang Ming curiously took Chen Mengyan's big bag. "Did you bring your sanitary pads too?"

"En?" Zhang Bing's and Li Changyuan's sensitive ears simultaneously heard it! As expected, they have other secrets too! Is it possible that they live together? If not, why would they buy sanitary pads together?

Chen Mengyan was helpless as she stared at Yang Ming. She said lightly, “Yang Ming, you did it intentionally, right? You were afraid that others didn’t know about our relationship, right?”

“Hehe, I’m sorry. It was a slip of the tongue...” Yang Ming smiled.

“Slip of the tongue? I’m telling you, Yang Ming, do you know that things will go in a different direction if you push too far? If you want me to hate you, then so be it!” Chen Mengyan said angrily.

Although she had a good feeling with Yang Ming, Chen Mengyan was still a person with strong principles. If he didn’t attend university, she wouldn’t further their relationship. Even if they were close to each other, he must wait until after the National Higher Education Entrance Examination.

Yang Ming was dumbfounded after Chen Mengyan said that. Indeed, he was really getting carried away! He naturally considered Chen Mengyan as his girlfriend! Especially after last evening’s incidents at the bus and supermarket, their relationship was much closer. The distance between them was just on the surface so today Yang Ming became more unscrupulous!

However, Chen Mengyan’s words had wakened Yang Ming. Yeah, Chen Mengyan mentioned earlier, she would only consider a romantic relationship after I go to university. Guess I’m a little bit impatient!

As he thought about this, Yang Ming was dismayed and said, “Sorry, Mengyan. I didn’t really mean it... I just couldn’t help myself...”

Chapter 93: Dreams Come True

“Alright, I understand.” Chen Mengyan said coldly.

Zhang Bing noticed that Yang Ming and Chen Mengyan were talking closely to each other’s ears. He couldn’t help but laugh. “Ha! What lovers’ prattle are the both of you whispering about? Did you speak so softly to prevent Li Changyuan and me from hearing it?”

“It’s nothing much.” Yang Ming shook his head.

En? Zhang Bing found it strange. What happened to Yang Ming? However, he didn't leave it in his heart.

Later, Yang Ming's mood went down a little. He silently sat there for a while and kept quiet. Chen Mengyan knew her words were slightly heavy. Yang Ming wouldn't have any other thoughts, right? Chen Mengyan was worried that Yang Ming would be disturbed in his studies because of that and she became uneasy.

Undoubtedly, it was just as Zhang Bing expected. The movie in the cinema was an old movie titled [1]. It was an inspirational movie for youths but Yang Ming had watched it on television before.

They were in Grade 12 and the National Higher Education Entrance Examination was readily approaching. A movie like this seemed to suit their situation but it was a bit old.

Not long after, Zhang Bing took out his portable game console and started playing. In a short time, he was completely engrossed in it. He didn't even notice the potato chips that Yang Ming handed to him.

Li Changyuan watched the movie for a while, found that it was extremely boring and then she fell into a deep sleep. Grade 12 was one of the most bitter moments in life. Many students didn't get enough sleep, therefore, the cinema was filled with drowsiness. With careful observation, there weren't many people seriously watching the movie.

In the row where Yang Ming was seated, only Yang Ming and Chen Mengyan were preoccupied with their own thoughts. Even though they were looking at the movie screen, it was hard to tell whether they were actually watching the movie, especially Yang Ming who was a little absent-minded.

"Yang Ming, your... part didn't have any big issues, right?" Chen Mengyan broke the silence first when she initiated a topic. She had hurt Yang Ming's part and that was important enough for her to be concerned a little.

"Oh?" Yang Ming was surprised then he sighed. "Ai!"

“What’s the matter?” Chen Mengyan tensed a little based on Yang Ming’s expression.

“I don’t think I can be capable anymore in the future!” Yang Ming spoke with a bitter face. He thought about it the whole night and figured out a dirty idea to implement during the movie! Hence, Yang Ming was waiting for Chen Mengyan to say this!

“Ah? What’s the matter, Yang Ming? How do you feel about that part?” Chen Mengyan couldn’t fully understand what she was told. What she could be sure of was that the issue seemed serious!

Yesterday, Chen Mengyan went specifically to search for and read about the consequences if the man was hit there. The book claimed that if it was severe, it would lead to challenges in the male reproductive capability, for example, sexual impotence, premature ejaculation, erectile dysfunction and even infertility! Chen Mengyan was shocked after reading it and she regretted what she did!

“Ai!” Yang Ming pretended it was agonizing but he was delighted deep in his heart. It seemed like Chen Mengyan almost took the bait!

“Yang Ming, don’t scare me like this!” Chen Mengyan was stirred up as she raised her volume. She was astounded and quickly covered her mouth! After checking her surroundings, she was relieved. Aside from Zhang Bing who was focused on his NDSL portable gaming console, the others were sleeping.

Chen Mengyan’s voice dragged Yang Ming from his fantasy and back to reality. He suddenly recalled that Chen Mengyan just mentioned that “things will develop in the opposite direction when they become extreme” [2]. The burning desires which dwelled within him were extinguished.

“Forget about it... It’s nothing...” Yang Ming shook his head.

Chen Mengyan saw that Yang Ming wanted to tell her something. She was more certain that Yang Ming faced some issue and he must be hiding it from her! Chen Mengyan couldn’t be at ease and pursued further. “Yang Ming, spit it out!”

“There’s nothing to be worried about!” Yang Ming shook his head. He thought to himself secretly, Mengyan, stop seducing me anymore. I just put out the fire!

“No, there must be something not right! You wouldn’t be able to bluff it off!” Chen Mengyan said anxiously, “Yang Ming, we are close to each other. Are there still things that can be kept secret?”

We are close to each other! That is so romantic! Yang Ming was moved by her words.

You forced me to do it Mengyan, don’t blame me in the future when you know the truth! Yang Ming gritted his teeth and acted in desolation. “After I went home last night, it wasn’t so painful. But... I found another problem...”

“What problem?” Chen Mengyan quickly asked further.

“After I reached home, I decided to watch some porn but my bottom part had no reaction at all...”

Ah?

Chen Mengyan was not a kid anymore. She naturally understood what Yang Ming meant when he said he had no reaction! Could it be possible that the truth was just what the book, “Female Self-defense Technique”, proclaimed – sexual impotence?

“Ah? Is it real?” Chen Mengyan’s voiced had changed. “There’s not even any little... reaction?”

“En, it didn’t turn slightly hard in any manner...” Yang Ming nodded.

“What should we do?” Chen Mengyan’s voice carried a sobbing tone. “How about I accompany you to the hospital?”

“Ai, there’s no use...” Yang Ming shook his head. “Only if... never mind, forget about it.”

“Only if what?” Chen Mengyan was impatient. “Yang Ming, please tell me. Only if what can be done?”

“Nothing, I am just simply saying it.” Yang Ming acted as though he wanted to speak but he stopped.

“Yang Ming, spit it out. If you don’t, I will be mad!” Chen Mengyan pretended to be angry.

“In fact, according to what I read on the internet, the best method to... heal the manhood...” Yang Ming paused a little as he spoke.

“What? Please tell me faster. Aiya, you are making me anxious!” Chen Mengyan frowned as she asked.

“That is... let the girl he likes to...” Yang Ming spoke in Chen Mengyan’s ear softly.

“That... does it work?” Chen Mengyan blushed as she heard it. She couldn’t help but ask in doubt.

“En, that was written on the internet... but let’s forget about it... this isn’t fair to you...” Yang Ming acted justly.

“What’s unfair? It is to heal you. There’s no room to think about fairness!” Chen Mengyan wanted to do something for Yang Ming the moment she recalled she was at fault in causing this condition on Yang Ming.

Chen Mengyan under Yang Ming’s lead, step by step...

She opened her bag and took out her jacket and passed it to Yang Ming. “Put it on top of us; don’t let the others notice!”

Yang Ming took the jacket and spread it over his and Chen Mengyan’s bodies. They were akin to a couple that snuggled with each other and the jacket was like a blanket to warm themselves.

Chapter 94: Cinema

Chen Mengyan wasn’t an illogical person. The only reason she made such a decision was that she really cared for Yang Ming. Even though she wasn’t willing to admit it verbally, all of her mind and thoughts had already been conquered by Yang Ming. After all, this was entirely her fault and she thought it was reasonable for her to give a little bit more! Moreover, Chen Mengyan was very clear in her mind as well that if the two of them continued what they were doing right now, they would be a couple once they were in the university. Therefore, Chen Mengyan didn’t feel that anything was wrong with it but she just felt a little shy about it!

... Yang Ming’s “illness” had finally been cured with Chen Mengyan’s help.

Chen Mengyan didn’t know what really happened to Yang Ming but she knew that it probably finished.

“Open up my bag and take out a tissue for me! My hand is all stained. Why can’t you see it?” Chen Mengyan stared at Yang Ming.

Yang Ming smiled as he took Chen Mengyan’s bag. In there, he found a packet of tissue, opened it and passed a tissue to Chen Mengyan.

Chen Mengyan used her other hand to take the tissue and carefully cleaned up her hand. When she saw that Yang Ming didn’t move and was still sitting there, Chen Mengyan asked, “You don’t want to clean up?”

“Can you help me...” Yang Ming asked shamelessly.

Chen Mengyan quieted down for a moment, then she said, “Yang Ming, don’t you reach for a yard after taking an inch [1]. Don’t think that I don’t know what you are thinking!”

Chen Mengyan wasn't an idiot. At the start, she was inclined to help Yang Ming "fix his illness". But afterward, when she saw Yang Ming's relaxed expression and that he seemed to enjoy the whole process, she started to have doubts. Was Yang Ming purposely making her help him...? She thought about Yang Ming's earlier attitude which didn't show much concern over his own "disease". It could be that he already had no problem with it, and all of this was just his evil plan.

Therefore, when Chen Mengyan wanted to stop later, she saw how comfortable Yang Ming looked and she changed her mind. She decided not to expose his lie and gave him a bit of face! She considered it as a reward to Yang Ming for his improvement in his exam result!

However, when this Yang Ming wanted to reach for a yard after taking an inch [1], she definitely did not bother with him. So she gave a subtle hint that she already knew what he was up to, and everything should stop where it was suitable.

After Yang Ming heard Chen Mengyan's words, his heart shook a bit. Did she already notice?

When he saw that Chen Mengyan's expression didn't look too irritated, he was able to put his heart at rest and prepared a tissue to clean himself up.

"Faster; don't stain my jacket..." Chen Mengyan didn't dare to simply throw the tissue onto the chair. So she wrapped it properly and left it in her pocket, preparing to throw it away when she walked out.

"You really stained my jacket!" Chen Mengyan was a bit annoyed, but not much else can be done. She folded up her jacket and put it in her bag.

Luckily, from the beginning until the end, their naughty behavior wasn't noticed by anyone else. Zhang Bing was still playing the Legend of Zelda; Li Changyuan was still sleeping.

"Mengyan, do you think we are..." Yang Ming was thinking. Did this mean that their relationship was set? Then in future would he be able to play similar games with Chen Mengyan? Even if he couldn't really do the real act, this was also pretty enjoyable.

“We are what? Yang Ming, let me tell you. We will only do this once. Never again!” Chen Mengyan said, “Today was an exception!”

Chapter 95: Chen Mengyan’s Windbreaker

“Mengyan, do you think we are...” Yang Ming was thinking. Did this mean that their relationship was set? Then, in future, would he be able to play similar games with Chen Mengyan? Even if he couldn’t really do the real act, this was also pretty enjoyable.

“We are what? Yang Ming, let me tell you. We will only do this once. Never again!” Chen Mengyan said, “Today was an exception!”

“Ah?” Yang Ming thought that if a girl had the first time, then there would be a second time and a third time. He never expected Chen Mengyan’s answer to be so determined! He fell into a slump straight away!

This feeling wasn’t easy to bear. If he enjoyed it once, of course, he would want it a second time! It looked like he had to suffer in the future! Yang Ming couldn’t help but felt depressed.

Ai. Chen Mengyan saw Yang Ming’s dejected look. She sighed quietly and comforted him. “At least before the National Higher Education Entrance Examination, don’t even think about it!”

Chen Mengyan didn’t know what she was thinking either. Was she just consoling him so that it wouldn’t affect his studies?

Yang Ming heard Chen Mengyan’s words like they slipped out of her mouth. He knew Chen Mengyan had just agreed to be his girlfriend after the National Higher Education Entrance Examination! Because if she didn’t, why would they share such an intimate behavior?

Yang Ming was delighted; he really wanted to cheer out loud. However, Chen Mengyan was staring angrily at him, so he smiled awkwardly.

“Ah! I made it finally!” Zhang Bing cheered. “I spent a full night last night plus today and I finally cleared this level!”

Zhang Bing's voice startled Yang Ming and Chen Mengyan. They looked at each other and thought secretly, So close! If they were slower by a moment, Zhang Bing would have discovered what they did!

Zhang Bing removed his earphones. He looked at Yang Ming and said, "How goes the movie? Is it fun?"

"It's still okay. Don't you want to watch?" Yang Ming simply answered because he didn't watch the movie either.

"En. Do you want to play?" Zhang Bing passed the game console to Yang Ming.

Yang Ming took it and switched to "Mario Kart". This racing game's purpose was to trap the opponent. It was different from a normal racing game. The entertainment was lighter. A player could hit different items to trap the opponent.

"Yang Ming, just use the turtle shell to hit him. You're really stupid!" Chen Mengyan was interested too. She usually wouldn't touch cyber gaming but after seeing such a simple and interesting game, she naturally became excited.

"Why don't you play?" Yang Ming rarely saw that Chen Mengyan was interested in things other than studying so he passed her the game console and taught her the controls.

Yang Ming picked "Donkey Kong". Chen Mengyan, of course, didn't like such an image so she switched to "Princess Peach".

Maybe the girl was gifted in driving. Aside from the first few matches because she was still adjusting, Chen Mengyan maintained her first place record. This really amazed Yang Ming!

Chen Mengyan said proudly, "How is it? I'm good, right?"

Yang Ming was speechless. Such a great player! Even Zhang Bing opened his mouth, “Even the hidden character was unlocked?”

By the time the movie ended, Chen Mengyan unlocked all the hidden characters. Zhang Bing was so happy that he shouted, “Thanks, sister-in-law!”

Chen Mengyan didn’t want to explain anymore. It will only get more misunderstood with more explanations.

Because of the movie, school ended earlier. After she reached home, Chen Mengyan planned to wash her clothes but she felt sleepy, so she lay down for a while on her bed. As a result, she fell asleep!

In the evening, Mother Chen came home after work. She saw Chen Mengyan’s shoes at the door, so she called out, “Yanyan, are you back?”

Since no one responded, Mother Chen open the door to Chen Mengyan’s room. She realized that Chen Mengyan was sleeping, hence she shook her head and sighed. “Ai, sleep well. Grade 12 is too tiring. Luckily, there is only one month left!”

Just when she wanted to go out, Mother Chen saw Chen Mengyan’s windbreaker on the floor. She picked it up and then talked to herself, “What a mess. Such a big girl already and you still need mom to help you clean your clothes!”

She saw Chen Mengyan’s jeans as well and noticed that her jeans were dirty too. Consequently, she brought them out of the room and went into the bathroom.

En? What is this? Mother Chen looked at the white spot on Chen Mengyan’s windbreaker and began to doubt. However, she wasn’t sure what it was because soup could cause such a stain as well!

Since there was something to suspect, Mother Chen started to check Chen Mengyan’s jeans. There was nothing suspicious about it. She just found a wrapped tissue paper in the pocket!

She wanted to throw it away at first, but she feared that there might be some change inside. Therefore, she opened it and was stunned by just one glance.

Mother Chen put the tissue paper to her nose and sniffed. Her face turned immediately! As an experienced person, Mother Chen knew how such a thing smelled! Mother Chen picked up the windbreaker, and she slowly frowned...

Chen Mengyan was sleeping really nicely. Because she studied for a few nights, such a nap made her feel much better! When she opened her eyes, the house was already dark. She looked at the rainbow clock on her bed stand. It was already eight o'clock.

Chen Mengyan stretched and got up. She turned on the light in her room. Oh yeah, I haven't washed my clothes. Chen Mengyan suddenly thought of her business. She immediately jumped down from her bed!

Where are the clothes? Chen Mengyan gazed at the empty floor! I still remember that I put it on the floor when I came home! How come they're gone now?

Is it possible that mom... Chen Mengyan's heart nearly jumped out! She couldn't refrain from screaming in her mind, Yang Ming! This time you screwed me up! It's over. If my mom finds out, what should I do?

Chen Mengyan pussyfooted out of her room. When she heard the washing machine's sound from the bathroom, she calmed her anxiety a little bit.

"Yanyan, are you awake?" Mother Chen was watching TV in the living room. She heard some sounds from Chen Mengyan's room, so she turned around and asked.

"En... Mom... My windbreaker..." Chen Mengyan asked carefully.

"Oh, your windbreaker. I washed it for you." Mother Chen said briefly. She weighed the pros and cons and decided to not ask her daughter. After all, Chen Mengyan was already eighteen years old after her birthday. She should be capable of differentiating between right from wrong. Since her daughter didn't tell

her, then Mother Chen had nothing to ask as well. It was almost time for the National Higher Education Entrance Examination. Mother Chen didn't want to affect Chen Mengyan's mood because of such a thing.

"Oh... you washed it...." Chen Mengyan was relieved since her mother didn't show some odd expression.

"What are we eating tonight? Your dad still has a job to do today. Why don't we eat outside?" Even though Mother Chen didn't want to pursue this thing, she decided to use a more indirect approach and ask about her daughter's life and see if she had a boyfriend.

"Yeah, sure." Chen Mengyan was hungry too. She only ate some snacks in the afternoon and they didn't fill the stomach at all especially when she helped Yang Ming with "that". She spent a good amount of stamina for it! Aiya, it's really embarrassing! Chen Mengyan blushed again.

Mother Chen watched her daughter curiously. Why was she blushing for dinner? Mother Chen shook her head and thought that maybe it was because she just woke up.

They went to California Beef Noodle King downstairs. They ordered a bowl of noodles per person and a plate of cucumbers.

Mother Chen looked at Chen Mengyan with a smile. "Yanyan, you have grown up in just a blink. Time is really going so fast!"

"Mom, even if I'm growing, I'm still your daughter!" Chen Mengyan said charmingly.

"Yeah, true, but in a few years, you are going to marry someone and become someone's daughter-in-law!" Mother Chen laughed.

“Mom~~! What are you talking about! How old am I? Why am I marrying someone?” However, in Chen Mengyan’s mind, the phrase “the daughter-in-law of Family Yang” appeared. She didn’t know why but she couldn’t help but blush.

Mother Chen noticed her daughter’s expression. She thought that there was some issue indeed. So she asked calmly, “You’re such a big girl already. If it was in the past century, you would have already been the mother of a few children! How about it? Do you have a boyfriend?”

“Ah? Boyfriend?” Chen Mengyan froze. Can Yang Ming be considered as my boyfriend? She immediately denied it, “Mom, what boyfriend? I have told you already. I’ll only consider this when I’m attending university.”

“En, Mom was just simply asking.” Mother Chen thought her daughter didn’t want to tell her, so she didn’t interrogate her. She just said, “Our unit’s colleague’s son was only in Grade 10, but he already had a lover! However, I think it’s fine as long as it doesn’t affect one’s studies!”

Mother Chen said this intentionally to show her openness in front of her daughter!

“Mom, what’s going on with you today? Do you really want me to get a boyfriend now?” Chen Mengyan was dumbfounded.

“Alright, let’s not talking about it anymore. Let’s eat!” Mother Chen saw that the dishes were served, then she changed the topic. “Yanyan, was today’s movie good?”

“Movie? It was okay I guess?” Chen Mengyan didn’t know whether the movie was good or not because during the first half she was helping Yang Ming with “that” and in the last half, she was playing the game.

Chapter 96: Critical Hit

“How was the movie? Share it with Mom!” Mother Chen didn’t mean anything else but was merely finding a topic.

“Ah?” Chen Mengyan didn’t imagine that her mother would ask this. “I... I was sleeping at that time. I didn’t pay much attention...”

Oh ya! Mother Chen suddenly figured out something. It must have been during the movie. My daughter and the guy did something. With this thought, Mother Chen sighed a little. My daughter has grown up and she doesn’t tell me everything anymore.

“Hehe, let’s eat before the food is cold.” Mother Chen noticed that her daughter’s appetite wasn’t quite well and she started digging in the noodles.

The mother and daughter finished their meal and returned home. Mother Chen switched on the water heater and prepared for her bath. “Yanyan, bathe with mother!”

“Ah? Why bathe together?” Chen Mengyan asked.

“Please help me to rub my back!” Mother Chen asked.

“Oh, alright...” Chen Mengyan couldn’t help but strip and follow her mom into the bathroom.

After careful observation, Mother Chen was finally at ease. Her daughter didn’t lose her virginity. Probably, both of the kids were just having some “romantic” game but the line was not crossed.

With these thoughts in mind, Mother Chen was relieved a little. It seemed that her daughter had proper limits.

At night, Mother Chen told her husband about her daughter’s jacket being stained by “that”.

“Are you saying that Mengyan already...” Father Chen frowned a little.

“Not yet. I bathed with her intentionally and checked. Yanyan is still a virgin.” Mother Chen replied.

“What do you plan to do?” Father Chen wasn’t too boiled up. Most probably it was due to his field of work that he saw cases of underage sex. Moreover, his daughter had already reached adulthood!

“What can be done? Yanyan didn’t talk about it and I can’t possibly force her to spit it out.” Mother Chen said helplessly.

“En, let the case go and don’t mention it in the future. After the National Higher Education Entrance Examination has ended, I will speak to her!” Father Chen said.

“It seems that’s the only way!” Mother Chen sighed. “Should I supplement my daughter with knowledge in regards to this? If something happened, it will be the girl’s loss!”

Mother Chen had no other means to handle it. The kids nowadays matured too fast. One of her colleague’s son was in Grade 10 and he had already brought his girlfriend for an abortion. After seeing multiple cases, it was no longer that much of a taboo.

“There’s no need for it, I guess? Yanyan should have proper limits.” Father Chen thought secretly, How about I give a lecture to her boyfriend? This brat is absurd. I need to find an opportunity to give him a warning!

The person involved, our number one belle, Chen Mengyan, couldn’t sleep that night. Or maybe, she had slept for a while but was now awake on her bed thinking about what happened with Yang Ming that afternoon. Before that, Chen Mengyan would never have expected herself to do something like this for a guy! Have I fallen apart?

When Chen Mengyan recalled how her mom spoke between the lines, she felt annoyed! Yang Ming, ah, Yang Ming, why are you so bad? Why do you exist in my life?

Although Chen Mengyan thought like this, she was excited in her heart. During that moment, Yang Ming said he loved me. Is that his genuine thought? In the blink of an eye, the sky outside of the window had soon become brighter. Chen Mengyan finally went to sleep with her conflicted thoughts.

The other person involved, Yang Ming, was having his best sleep ever. In his dream, Chen Mengyan became his girlfriend. They hugged each other and went for a stroll at the seaside...

The movie was the seasoning for Grade 12. After such a brief rest, the hustling academic life returned. Monthly exams, joint examination, area examination and district examination together were like a huge mountain squashing them.

Yang Ming continued to utilize his x-ray vision and telescopic vision to cheat. However, he was more reserved these few times around. He didn't cheat too much but merely kept himself as the second of the class, which was still among the top ten positions in the year. Coincidentally, his ranking was just behind Chen Mengyan.

"Yang Ming, why do I feel like you did it intentionally?" One or two occasions could be coincidence, but this happened every time. She was always the first and Yang Ming was at the second. Therefore, Chen Mengyan found it suspicious.

"How can it be possible? It may be easier to target for first place but have you seen someone hitting second place every single time as though they aimed for it? Moreover, my score was just a few marks below you, how can I be so accurate?" Yang Ming laughed.

After a few thoughts, Chen Mengyan agreed as well. It was not possible for Yang Ming to guess her grade beforehand. How would it be possible to achieve such accuracy, maybe it was God's will? Girls tended to think about stuff romantically.

In their relationship, except for the "extraordinary" breakthrough, there wasn't any intimate conduct anymore. It wasn't that Yang Ming had no desire for it, but rather that Chen Mengyan didn't give him the opportunity!

At some point in the past, Yang Ming hinted to Chen Mengyan during their conversations – an invitation to his house or to go watch a movie together. Chen Mengyan firmly rejected it. Some of Yang Ming's little tricks, for example, to touch Chen Mengyan's chest weren't successful. Overall, Chen Mengyan didn't give him any opportunities.

While the others were nervous, Yang Ming was quite relaxed. He didn't need to study but he could still get a good grade. Aside from Yang Ming, there was no one else behaving like that. Yang Ming was still surfing the net every day. Occasionally, he chatted with "I'm a Superstar" and played Versus the Landlords with "Wild Female Teacher".

In the blink of an eye, it was the legendary black June!

Even though the country's education policy was revised multiple times, the ratio of the number of universities to the gross number of students was still inadequate.

Aside from those who had a unique contribution to the country, the majority were required to cross the bridge of the National Higher Education Entrance Examination.

One week before the National Higher Education Entrance Examination, the school allowed the examinees to take a break. Today was the last day of school!

Each subject teacher had stopped teaching and they shared their experiences on the examination and things to look out for.

"Students, today is the last day of your high school! Soon after, you will step into the most important exam hall of your life. Without further ado, there's only one thing I want to share, that is to keep calm and don't be nervous. Take all of what you learned and thoroughly regurgitate it on your exam paper! Don't leave any empty blanks and write down anything you know. If you don't know, you still need to try something on it. Even though it is not good advice for a teacher to ask her students to make a wild guess on the answer, I still need to ask all of you to do it because that is best for your grade! Alright, you need to be confident. You can do it; you definitely will do it. Teacher will cheer for all of you!" Teacher Li left a final touch and said, "At last, I pray each and every one of you to have a breakthrough! Continue your breakthrough!"

Initially, the ambiance of the classroom was quite tense. After the final sentence from Teacher Li, all of the students undoubtedly burst into laughter. Unexpectedly, the teacher knew the buzzword!

Among the students' laughter, there was a certain someone laughing mischievously. That person was Wang Zhitao. Before the National Higher Education Entrance Examination, he finally acted!

"Chen Mengyan, there's something I need to let you know." Wang Zhitao came in front of Cheng Mengyan's desk, "Can you come with me to the walkway?"

"What? If you have anything to say, why can't you speak here?" Obviously, Chen Mengyan didn't want to leave the classroom with him alone.

"It is important. It's about Yang Ming!" Wang Zhitao explained.

"Alright!" Chen Mengyan hesitated a while before standing up and leaving with Wang Zhitao.

Damn! Motherf*****. Once you find out it was about Yang Ming, then you obediently follow! Wang Zhitao felt resentful. However, Yang Ming would soon be ostracized.

"Wang Zhitao, what matter do you have with me?" Chen Mengyan said coldly.

"Mengyan, your relationship with Yang Ming wasn't bad right?" Wang Zhitao said in a sly manner.

"Don't call me Mengyan. It is none of your business about my relationship with Yang Ming." Chen Mengyan was irritated with how Wang Zhitao addressed her.

"I have a stack of photos here. After you see them, you will know what sort of person Yang Ming is! You should leave him afterward!" Wang Zhitao handed a bag of stuff to Chen Mengyan.

“What do you mean? What is this?” Chen Mengyan didn’t extend her hand.

“You will know once you see it. Do you want to let everyone know about this?” Wang Zhitao smirked a little.

Chen Mengyang glimpsed at Wang Zhitao for a while before accepting the stuff in his hand. Once she opened it, she was surprised. “Isn’t this... Yang Ming?”

“What do you say? You should be able to recognize a fellow student, right?” Wang Zhitao laughed mischievously.

“How did you get these photos?” Chen Mengyan frowned a little. Before concerning herself with Yang Ming, she was suspicious of Wang Zhitao’s intention.

“It was a coincidence. I got it from the editor of a website. That day during the police spot check, a few prostitution clients were captured at Tavern Heaven On Earth. The editor took a few photos with a digital camera to expose this on a website!” Wang Zhitao explained, “Our house is one of the shareholders of Tavern Heaven On Earth. You know that once this is exposed, it will affect our business. The others will think our place is not safe anymore with the frequent spot checks we have. Who would dare come anymore? Hence, the hotel decided to pay the editor to retract those photos.”

Chapter 97: Misunderstanding

“Then how did you know about this case?” Chen Mengyan asked chillingly.

“This...” Wang Zhitao was stunned. He never thought that Chen Mengyan would be able to remain calm in this kind of situation. He thought that she would have become incredibly angry. But since Wang Zhitao could be counted as a young professional plot planner, his reaction was quick as well, “The editor was pretty young. It wasn’t appropriate for my dad to speak to him. Since my dad wanted to train me anyway, he sent me to contact the editor. Therefore... You know it as well. I didn’t really have any other intention. I just wanted to remind you that Yang Ming isn’t an honest person...”

Chen Mengyan looked at the pictures in her hand. At that moment, a mixed variety of feelings surged up into her head! It was really Yang Ming! His body was only wrapped in a towel and together with a lewd face as two police brought him out of the hotel...

Even if Chen Mengyan didn't really have real-life experience with any of these things, she could guess what it meant when a person was brought out by policemen without any attire on!

Chen Mengyan felt a strong heartache. It was her first time feeling betrayed by someone else... This kind of feeling was as if someone was digging out her heart. Helpless, anxious, and completely at loss!

The things were also pretty coincidental. The date on the picture was modified by Wang Zhitao on the computer to be a recent date. He was concerned that someone would have associated the picture with the previous incident! Nevertheless, a careful mentality can keep a ship alive for thousands of years! However, our smart guy would be screwed by his own intelligence. Even though he was temporarily able to trick Chen Mengyan, he had also created quite some trouble for himself because of this case...

The date on the image was exactly a week after they watched the movie. A clear scene emerged in Chen Mengyan's mind...

"Mengyan, there won't be anyone at my house tomorrow. How about you come over to my house and teach me some of my homework?" Yang Ming asked shamelessly.

"Hmph, couldn't homework be taught in school? Why should I go to your house?" Chen Mengyan was, of course, clear about what was Yang Ming thinking in his heart. She regretted that she was soft for that one moment which gave Yang Ming a chance to ask for much more.

"Hehe, this... after our studies, we both could..."

Before he finished his sentence, Chen Mengyan pouted her mouth. "Study well! Don't always think about some useless thing!"

“But a guy really needs to vent out sometimes. Mengyan, if you don’t help me, must I go find some other people?” Yang Ming said purposely.

“Who cares? You find whoever you want to find!” Chen Mengyan didn’t care at all about this type of threat from Yang Ming.

... Was it because she didn’t agree with what he was asking for that he went to look for a prostitute? Chen Mengyan wasn’t able to accept this reality and started to doubt Yang Ming’s sincerity towards their relationship. Was he just close to her so that he could fulfill his personal needs?

A sense of anger and betrayal made Chen Mengyan’s tears linger in her eyes. She didn’t care about Wang Zhitao beside her. Chen Mengyan clumsily walked back into the classroom, and everything in front of her appeared blurred...

Damn! Yang Ming, you are really not simple, aren’t you? You moved Chen Mengyan’s heart! Wang Zhitao scolded in his heart. However, this time around you are doomed! Hehe, you think your result is better than mine? What’s the use of it being better? Let’s see whether you still have the mood to sit for your examinations! If you can’t enter a university, you would be totally out of the league!

Chen Mengyan wouldn’t get together with a jobless young man in society anyway! However, even if Chen Mengyan wanted to, her family members would have gone against it. In this way, once again I have my chance!

Wang Zhitao’s action was also a gamble! He was betting that Chen Mengyan wouldn’t talk to Yang Ming about this situation! Chen Mengyan’s personality had always been one who would keep all her worries in her heart! Therefore, Wang Zhitao felt that Chen Mengyan wouldn’t have a face to face confrontation with Yang Ming over some pictures!

Of course, temporarily she wouldn’t. By the time Chen Mengyan had gotten back her senses, the National Higher Education Entrance Examination would have finished. Even if she went on to speak to Yang Ming about it at that point, it would have been useless anyway. It was undeniable that Wang Zhitao’s act was really evil!

The first step was to have Yang Ming let down his guard around him. At the crucial moment, he delivered such a critical hit!

Things indeed went according to Wang Zhitao's prediction. Chen Mengyan didn't confront Yang Ming directly! If it had been any other thing, Chen Mengyan wouldn't be as lost as she was now – completely emotional. However, this was about Yang Ming. Chen Mengyan was, of course, blinded by the situation.

The present case's main character still didn't know what had happened. Today was the last day before the National Higher Education Entrance Examination. He initially wanted to linger around Chen Mengyan for a while. After school, Yang Ming walked to the front of Chen Mengyan's study desk and said, "Mengyan, let's go out for a walk together?"

At this moment, Chen Mengyan had her head down on the table thinking about nothing. Once she heard Yang Ming's words, she raised her head slowly. Her eyes red from crying stared at Yang Ming with hatred and disgust. Then, she took her bag and just walked out of the classroom without even looking back.

"Mengyan, are you okay?" Yang Ming felt something was wrong, so he chased after her.

"Don't follow me. I don't know you!" Chen Mengyan chillingly told the Yang Ming who was following her.

"Mengyan, are you okay? Did I make you angry?" Yang Ming saw a very uncommon emotion from Chen Mengyan and felt rather puzzled.

"You know clearly what you have done behind my back!" Chen Mengyan's hoarse voice came out. "Don't come and find me anymore. I hate you!"

As she finished talking, she didn't wait for Yang Ming to utter a single word as she quickly walked toward the end of the lobby.

What did that mean? That came out of nowhere! Yang Ming felt helpless. How did I offend Chen Mengyan? There was nothing!

When he looked to the front again, Chen Mengyan had already disappeared.

Yang Ming shook his head absent-mindedly. Chen Mengyan never had this kind of attitude toward him before. Even if I skipped class and lied to her every day, all Chen Mengyan did was to scold me angrily. What happened today?

Who wouldn't know that at that time, Chen Mengyan was only scolding Yang Ming because of her responsibility as a study commissary? However, things were different now. Her relationship with Yang Ming was no longer just a casual relationship between students!

Suddenly Yang Ming recalled how Wang Zhitao went to find and speak to Chen Mengyan! Could it be that this brat said something bad to her? F*** it! I let him off for a while now, and now he comes again? It seemed like this brat really needed a good beating! Yang Ming thought about it in anger.

However, how could Chen Mengyan believe what Wang Zhitao said? In this situation, it was obvious that Chen Mengyan believed Wang Zhitao and didn't trust him! This really ticked Yang Ming off. Whose relationship is closer now? Screw it, let's just call it off! Since it's this type of woman, it's fine to let her go! Even though Yang Ming could persuade and make Chen Mengyan happy in many other little things, but inside his bones, he had the strong ego of a man. When he thought about how Chen Mengyan didn't even believe him, it meant that deep down in her heart Chen Mengyan had never trusted him and did not care about him!

Pity the Chen Mengyan who misunderstood Yang Ming. How would she not care about Yang Ming? It was exactly because she cared too much about Yang Ming that she had such an irrational response! There was a phrase – the deeper the love, the deeper the hurt – wasn't it? It was exactly the case for Chen Mengyan right now.

However, just let it be then! Yang Ming shook his head. He had been dumped twice. The first time was Su Ya. The day before this girl separated with me and changed her school, she still snuck a letter to me and said that she would love me forever. If so, why was there no news from her later?

This time, it was Chen Mengyan. There were still some really sweet words that you said in the morning. Now, in the afternoon, you just turned around and not even recognize me?

It seemed like women are just people who should never be trusted! They are capricious animals!

*If you want to misunderstand me, go ahead! I don't give a d***!*

Therefore, a crack went through a relationship that hadn't even begun between the two people. After some time, when the misunderstandings between them were melted away, Chen Mengyan would have regrets. She would regret the doubts against Yang Ming at that time which caused a rather beautiful love story to become a situation where she had to share him with other women. Would this be counted as a punishment from God toward her?

Yang Ming slowly strolled out of the school compound in his terrible mood. He was looking for a target – looking for a target to release his anger! What Yang Ming wanted the most right now was to meet a few people like Zhang Yuliang, those type of gangsters who bullied the weak, so that he could go and teach them a lesson.

We could say that Jin Gang had rather bad luck because he had chosen the same day as Wang Zhitao to take action.

“Yang Ming, have a walk with me!” Jin Gang had waited for a long time in front of the school gate. He didn't see Yang Ming even after most of the students had walked out of the gate. He thought that he missed Yang Ming among the crowd. He never thought that Yang Ming would have come out last which made him a bit angry.

“Where's my bicycle?” Yang Ming was in a bad mood, so he didn't have any time to entertain him.

“Bicycle?” Jin Gang said in his heart, You are really capable aren't you? Your death is at the corner and you are thinking about your bicycle? In the blink of an eye, I would let you say goodbye to your bicycle forever!

“I said it last time. If I don’t see my bicycle, I would turn you into my bicycle! Was it your memory problem or my speech problem?” Yang Ming said disdainfully after glancing at Jin Gang.

“Right. You are right! Come with me. Let me find you your bicycle!” Jin Gang said in anger.

Chapter 98: It Is A Small World

“F*** you, retard!” Yang Ming threw a kick toward Jin Gang and knocked him down with his legs wide open. Then he kept stomping on him while scolding, “I was in a good mood all this time so I didn’t bother with you. You dared to mess with me?”

Yang Ming was just looking for a place to express his anger. Here came this punching bag so how could he let it go! Jin Gang as a sports teacher was able to fight with Yang Ming for a while, but he didn’t know why Yang Ming was enraged all of sudden. He was knocked down before he could react. Since he lost his advantage, he could only take a beating.

Today, Cao Liwa asked a boss from the north of the city, Brother De, to teach Yang Ming a lesson. Furthermore, he called in a few more punks just in case Brother De lost to Yang Ming. If it didn’t work then they would just beat Yang Ming up together. Even he wouldn’t be able to handle such wheel tactics!

Jin Gang wouldn’t dare to beat a student at the entrance of the school. Last time, Jin Xisen warned him that Headmaster Li was really angry! If Jin Gang created any trouble at this critical moment, even Jin Xisen couldn’t help him! Therefore, Jin Gang didn’t dare to do too much in order to protect his job.

Cao Liwa didn’t see Jin Gang for a long time. How could he be so slow? It only took a few minutes to find a student!

“Xiao Cao, what happened to your friend? It’s been so long and the person hasn’t appeared yet?” Brother De seemed impatient.

“Let me take a look!” Cao Liwa felt something was wrong too. Therefore, he walked toward the school entrance from the small valley. He could see Yang

Ming stomping on a person before he reached the entrance. The person being stomped on was Jin Gang!

Cao Liwa was shocked. He reported this to Brother De immediately.

“What? This guy really has balls! Bring me over!” Brother said furiously. Isn’t this is disrespecting me?

“Yes, Brother De! You must teach the kid a lesson!” Cao Liwa said in a rush.

“Hmph, he is a dead meat now!” Brother De said arrogantly.

Cao Liwa and Brother De rushed to the school entrance. Brother De saw Yang Ming who was beating Jin Gang. Why does this guy look so familiar? Brother De shook his head. I don’t know any of the students here!

“Stop!” Brother De shouted with a strong presence, just like how a boss appears in a movie.

Yang Ming was outraged. He didn’t hear Brother De’s call at all so he kept on stomping Jin Gang. “Son of a b****, don’t you want to frame me? Ask your uncle to expel me? Go on and expel me! Do you dare to act cool in front of me? You’re such a weakling. If I don’t beat you into a ninja turtle, you won’t know why it needs a hard shell!”

When the little kid in front of Brother De ignored him, he went into a rage immediately. He walked up and grabbed Yang Ming’s neck collar.

Yang Ming was just starting to have fun. When someone interrupted him, of course, he stopped and turned around. Ha! The person is actually an old acquaintance!

This is really such a small world! Yang Ming straightaway gave a slap. “Yu Xiangde. You forgot the pain after the scar healed?”

Yu Xiangde was stunned too. Together with Yang Ming's slap, he was dumbfounded! The student actually was the one who lambasted him in the detention center!

"Why don't you say something?" Yang Ming looked at Yu Xiangde. He said sarcastically, "Jin Gang asked you to come, right?"

Yu Xiangde choked with resentment, F***. How is it possible that I meet this guy everywhere? The incident in the detention center was a shame for Yu Xiangde but he couldn't fight against it so he could only submit to humiliation. He never expected to meet this guy again after he got out!

Even if Yu Xiangde was angry, he knew that today's fight wasn't happening! Yang Ming's ruthlessness was still fresh in his memory. This guy always aimed at the critical area. His method was very cruel. Last time, half of his body nearly became paralyzed. How could Yu Xiangde not be afraid of him?

However, Yu Xiangde never intended to let Yang Ming go easily. He just had to endure it for today. "Brother Yang Ming, you were out too?"

"Bulls***, I came out a lot earlier than you. You don't know how to speak properly, right?" Yang Ming was in a very bad mood today. He usually would consider the consequences of his actions. No matter how ruthless Yang Ming was, he was just a student and he was no longer the person from the fringe of society. However, that was not the case for Yu Xiangde; he was a professional gangster. If they were involved in a fight, it would be more troublesome for Yang Ming.

Therefore, Yu Xiangde held back his wrath. He thought, I'll deal with you after I get rid of Bao Sanli! "I'm sorry Brother Yang. I'm just passing by, passing by!"

Yang Ming said sarcastically, "Passing by? Do you mean you're just here to help because you saw me beating a person?"

“He, indeed. If I knew Brother Yang was teaching someone a lesson, then I wouldn’t have interfered. The person who was punished by Brother Yang must be some bad person!” Yu Xiangde and Bao Sanli were irreconcilable enemies. If he fought with Yang Ming because of his impulsivity, then both of them would lose. If Bao Sanli seized this opportunity and devoured his people now, then he would lose more than gain! Therefore, Yu Xiangde kept holding back.

Yang Ming had pummeled Jin Gang for a while, so he was feeling better now. There was a saying, “never slap the smiler” [1]. Seeing how Yu Xiangde treated him politely and amiably, Yang Ming didn’t say much more. After all, he was feeling better and vented out his anger, so Yang Ming walked home while humming a small tune.

Jin Gang was completely helpless. Yang Ming was such a ruthless person! I don’t think I can take revenge on him anymore in my life. Even Brother De is treating him with respect! What am I?

.....

On the other hand, our pure and no.1 actress, Chen Mengyan, locked herself in her room after she got home.

“Yang Ming, you’re such a bastard!” Chen Mengyan threw the photos on the ground and stomped on it forcibly as if she wanted to kick Yang Ming out of the photo.

“I will stomp. I will stomp you to death!” Chen Mengyan cursed Yang Ming while she jumped on the floor, then her tears came unbidden to her eyes.

I only rejected him twice for his “unreasonable” requests, but I hinted to him after National Higher Education Entrance Examination... I will be his girlfriend... Why did he have no ambition? Couldn’t he even be patient for these few days?

You went to find a prostitute without letting me know. This is so despicable! Chen Mengyan didn’t feel good as she kept thinking. She leaned on her bed and started weeping.

Thinking of her memories with Yang Ming, she was even sadder. Is everything over? On the bedside table, there was the hair clip that Yang Ming bought for her. Chen Mengyan grabbed it and threw it out the window...

Her sobbing lasted a long time even after the sky had gone dark and until she heard the sound of knocking on her door. "Yanyan, it's time for dinner..."

How could Chen Mengyan eat anything? Even if there was delicious food, she wouldn't have the appetite.

"Yanyan, what's wrong? Are you sleeping? Mom is coming in." Mother Chen was about to open the door since she didn't notice any movement.

"Ah! Mom, I'm coming out. Don't open the door first. I'm changing my clothes!" Chen Mengyan regained her consciousness and said anxiously. She hadn't cleaned up the photos on the floor, so she wouldn't dare let her mom come in!

"This child. What's wrong with changing clothes? Are you still worried that mom would look at you? Mother Chen laughed. "Just make it quick. Your dad and I are waiting for you!"

"Oh, okay..." Chen Mengyan answered like a machine. She quickly picked up the photos on the floor and kept them in the drawer under the bed.

"Ka", The door opened. Chen Mengyan was trying her best to look normal, but her lethargic look and puffy eyes betrayed her...

"Yanyan, what happen to you?" Father Chen realized something was abnormal. "What happened to your eyes?"

"Eyes? Oh... it's fine. Sand just got into my eyes..." Chen Mengyan said in a hurry and lowered her head.

“Sand got into your eyes. Let mom see it for you?” Mother Chen said worriedly.

“No need... I’m fine already...” Chen Mengyan said immediately.

“It’s better to be safe than sorry. It’s almost the National Higher Education Entrance Examination already. Please don’t have any accidents!” Mother Chen was worried.

Father Chen pulled his wife. Because of his work, he had sharp observation skills compared to others. His experience told him that it wasn’t an issue of sand going into his daughter’s eyes...

Mother Chen was surprised when her husband pulled her. However, she understood Father Chen’s hint and closed her mouth.

Chen Mengyan simply took a few bites and lost her appetite. She was afraid that she couldn’t control her emotions and her parents would notice. Therefore, she said, “Mom, I’m going to take a bath...” After that, she quickly walked toward the bathroom.

Once the door was locked, her tears started falling down...

Chen Mengyan was afraid that her parents would hear her sobbing, so she turned on the shower. She just sat there in a daze... Water sprinkled on her face, mixed together with tears, and flowed to the floor.

Chen Mengyan only knew now how important Yang Ming was to her. However, he made such a big mistake. How can I forgive him? Most importantly, he made a mistake but he never wanted to be honest with me.

While Chen Mengyan was lost in her thoughts in the bathroom, outside, Father Chen and Mother Chen didn’t have the appetite to eat either.

Chapter 99: A Heart-to-heart Talk Between Father and Daughter Chen

“Old Chen, what do you think happened to Yanyan?” Mother Chen looked at the door of the bathroom that was closed with suspicion and asked.

“How would I know?” Father Chen shook his head. “She was alright when she left for school this morning. Why is she like this when she came home?”

“Are you asking me, Old Chen? You are a policeman, and yet you ask me?” Mother Chen complained.

“My beloved wife, the police are not omnipotent. Would the police know everything?” Father Chen laughed bitterly. “I just got home. How can I figure it out?”

“Then, you should investigate faster and find out what’s happening!” Mother Chen complained.

“Alright, I will go and investigate!” Father Chen helplessly approached his daughter’s room.

As he entered the room, what came first into Father Chen’s eyes was the messy blanket. There were traces of wet marks on it. Chen Mengyan was already an adult, and apparently, she didn’t pee on her bed. They were obviously, tears.

Father Chen sighed. It seemed he wasn’t wrong that his daughter just cried. Father Chen hesitated toward his daughter’s stuff. It was an offense to breach someone’s privacy even his own daughter’s!

Father Chen didn’t want his daughter to look down on him. Finally, he left the room. If she wanted to talk about it, she should have done so. If she didn’t wish to do so, she didn’t want me and Mother Chen to know.

As he closed the door, Father Chen abruptly realized there was a photo behind the door. He picked it up curiously...

How can my daughter have this picture? However, Father Chen seemed to understand what had happened. He smiled bitterly and shook his head. She has really grown up. The day for her to worry about relationship issues has actually come!

Father Chen felt that he needed to take responsibility as a father. If his daughter kept ruminating about it, it wouldn't be great!

Yang Ming returned home, but he felt better. He had vented out most of his anger. Even though he was gloomy, he didn't express it. Hence, his parents didn't notice it.

Back in his room, Yang Ming switched on his computer and logged into QQ. Hey, there are a lot of pretty girls in the world. Yang Ming tried to not brood about the problem with Chen Mengyan.

Wild Female Teacher: "Are you there?"

There's No True Love in this World: "Yes, want to play Landlord? Which room?"

Yang Ming asked out of habit.

Wild Female Teacher: "I don't feel good today. Can you chat with me?"

There's No True Love in this World: "Alright, I am also not feeling so great as well. We can console each other."

Wild Female Teacher: "Why are you not feeling great also?"

There's No True Love in this World: "Just like you!"

Wild Female Teacher: "Just like me? I had a break-up. Are you the same?"

There's No True Love in this World: "En, something like that."

Wild Female Teacher: "You wrote your qq details as 'There's No True Love in this World'!"

There's No True Love in this World: "En, I simply wrote it. Why are you not feeling well? Was it a break-up?"

Wild Female Teacher: "I can't get to see the person again, so I am very sad."

There's No True Love in this World: "What do you mean? Is he dead?"

Wild Female Teacher: "Don't curse on him. You are the one who is dead!"

There's No True Love in this World: "Then, what happened?"

Wild Female Teacher: "He graduated."

There's No True Love in this World: "Graduated? What do you mean? Aren't you a teacher? The person you like isn't your colleague?"

Wild Female Teacher: "He is my student..."

There's No True Love in this World: "Your student? It can't be! I haven't noticed that you like to rob the cradle."

Yang Ming didn't know why he suddenly remembered Zhao Ying. Ai, I also don't know when I can see her again! It seemed that "Wild Female Teacher" also had the same situation as me!

Wild Female Teacher: "... I am not that old! What, you can't accept it? Are you looking down on me?"

There's No True Love in this World: "What... why would I? I am just surprised. Our experiences are so similar!"

Wild Female Teacher: "What? Do you also like your student? Are you also a teacher???"

There's No True Love in this World: "Heh..."

Yang Ming didn't explain as he was upset. Zhao Ying, Chen Mengyan, who do I like more? From the perspective of intimacy, Chen Mengyan was closer to him in the relationship. On the spiritual level, Zhao Ying seemed to be closer to him! Several incidents had connected their hearts!

Chen Mengyan doubted me because of Wang Zhitao, but Zhao Ying would never do so! Just like the grade of the exam, Zhao Ying never suspected me of cheating! But, Zhao Ying's attitude toward me that night... She and me, was it still possible?

.....

Chen Mengyan finally calmed herself down. Future matters should be left until then. If Yang Ming explained it to me, would I forgive Yang Ming? Chen Mengyan didn't know. Maybe I would? A woman can easily forgive her man who had an external affair. Chen Mengyan once read about it in a novel. At that time, she looked down on the author who wrote it. But now, Chen Mengyan was moved a little by those words.

She couldn't take it anymore! This was just the first night! She couldn't think of what would happen to her if it went for the long term. Would she have depression?

.....

"Yanyan, do you have time? Talk to father for a while!" Father Chen spoke to her daughter while she was drying her hair.

"Oh? I need to study..." Chen Mengyan was in a bad mood, and naturally, she didn't want to speak too much.

"A little bit of study time won't make much of a difference. Your dad is usually busy with work. We don't have much time to interact!" Father Chen said, "Don't be nervous, just treat me like a friend rather than your parent!"

"Oh." Chen Mengyan nodded her head. Since her father already said so, it wasn't good for her to stand her ground.

“Yanyan, when was the last time we had a heart-to-heart talk with each other? Was it during grade 7?” Father Chen initiated a topic of conversation.

“En, was it?” Chen Mengyan’s thoughts went to that period of time. Her depression was better as she said shyly, “On the first day of school, there was a female student who framed me for stealing her sharpener...”

“That’s right, and you cried in your room for the entire night. Hehe, you made me and your mom so worried!” Father Chen said.

“En, that time you gave me a sharpener that was similar to hers, so she suspected me!” Chen Mengyan nodded, “Hehe, that time I was still quite young and not sensible!”

“There’s no fault in suspecting others. Your father, I, also suspect others a lot but it is just a suspicion. Do you remember what you said to your classmate?” Father Chen smiled.

“I told her if there’s insufficient evidence, why do you suspect me?” Chen Mengyan also smiled. “Isn’t it what I learned from you since I was young? Evidence matters for every case!”

“You are right. I also remember what she told you that she heard others saying it, right?” Father Chen asked.

“Yes, that’s what she said.” Chen Mengyan said, “I told her to take what you hear to be false. Only believe it when you see it!”

“Yup, take what you hear to be false. Only believe it when you see it! But most of the time, what you see may not be the truth as well!” Chen Fei laughed while shaking her head. “For example, your sharpener. What she saw was that you had the same pencil sharpener. But, what she saw may not be the case, right?”

Yes. What the eyes see may not be the truth! Chen Mengyan didn't understand why her father talked to her about this. But, she felt better now! She was more cheerful!

"Sometimes, we might see something and interpret it based on our own perspective. But, we would ignore the truth in that sense." Father Chen continued.

"Father, can you help me?" Chen Mengyan gritted her teeth and made a decision. Even though her decision might raise suspicion from her father, she couldn't take it anymore especially after listening to what her father said. She felt even more restless! If she misunderstood Yang Ming because of that... then...

"Help? Of course, don't be modest to your dad!" Father Chen knew her daughter managed to think it through. "Anything, just say!"

"Can you help me keep a secret?" Chen Mengyan hesitated a while.

"Even from your mother?" Father Chen asked.

"En, I'm scared mom will scold me..." Chen Mengyan nodded.

"Alright, but aren't you afraid that I will scold you?" Father Chen laughed.

"You said it just now. You are my friend right now and not my father!" Chen Mengyan refuted.

"Yes, then I will keep the secret. Right now, I am not your father but just your friend!" Father Chen answered.

"Father, please wait for me!" Chen Mengyan stood up and ran towards her room. Quickly, she took out a stack of objects.

"What is this?" Father Chen purposely asked.

“Dad, I want you to ask about this. Do you have any cases today? If not, can you have someone to verify this for me? Are these pictures fabricated?” Chen Mengyan handed the photos in her hand to her father.

Chapter 100: Little Mengyan’s Confession

“What are these pictures?” Father Chen took the photos and pretended not to know anything. “Eh? Isn’t this a picture that we, the police, had snapped? Where did you get this from?”

“Ai ya, dad, why would you ask so many questions? Just tell me whether you are helping me or not!” Chen Mengyan whined.

“I would surely help you. But since you are treating me as a friend, shouldn’t you reveal a little bit more? What’s this picture about?” Father Chen continued his acting.

“Actually... the person in the picture is one of my classmates...” Chen Mengyan said after hesitating for a while.

“What classmate? Boyfriend?” Father Chen laughed.

“Ai ya, of course not, but our relationship was pretty good!” Chen Mengyan said with her face turning red, “Today, another student from class gave me a stack of photos, which are the photos in your hand...”

“Oh, then you at least need to tell me what’s the name of your classmate, and who’s the one who passed you the photos? Where did he get those photos from?” Father Chen asked as if he knew nothing about the case.

“En... His name is Yang Ming. The person who gave me the photos is named Wang Zhitao; he is our class monitor. He said that he obtained the photos from the hands of an online editor...” Therefore, Chen Mengyan shared the “history of the photos” with Father Chen.

Wang Zhitao, you brat, you've finally shown your true colors! There was a brief smile on Father Chen's face. You wouldn't have guessed that I am Chen Mengyan's father, would you? How dare you take out this pile of photos and make my daughter cry for such a long time? Do you think I would let you go just like this?

The Wang Zhitao was doing something lewd in his home but suddenly sneezed. En? It was a summer day; why would I sneeze? Wang Zhitao felt a bit strange.

"Okay, your dad will check for you tomorrow. However Yanyan, dad has to tell you this. If Yang Ming had truly gone to find a prostitute and got captured as a client, we would have unquestionably informed the school and the school would have punished him. If there wasn't such a case, then this whole situation wouldn't be what you thought of." Father Chen was worried that Chen Mengyan wouldn't be able to study peacefully and gave her a hint.

Chen Mengyan indeed showed her long lost smile after listening to his words. It was that type of relaxed smile that came from deep inside her heart. "Thank you, dad! Then I will go back and study in my room!"

"Okay, sure. Whenever there's news, your old man will surely let you know!" Father Chen nodded his head. It seemed like the knot in his daughter's heart had already been opened.

At night, the more Yang Ming thought, the more unsettled he felt. Just now he was chatting with "Wild Female Teacher" so he didn't feel much, however, the moment he turned off his light, he couldn't help but think about Chen Mengyan!

Love, is it something that we could stop thinking about if we wanted to? Yang Ming turned around and turned on the light. He took out the and opened it. As he looked at the familiar writing on the book, he let out a sigh. Maybe after a few days, Chen Mengyan would have figured it out? Was I a bit too chauvinistic today? If I had gone after Chen Mengyan, would she have given me a bit of a chance to explain?

F*** it, let's stop thinking about this. Wang Zhitao, I, Yang Ming, will never let go of you. I will wreck your reputation and status! Yang Ming ruthlessly thought about it! Currently, there was still a big difference in capabilities between his own and Wang Zhitao's!

By capability, we meant financial capability and status in society! Yang Ming was able to beat up Jin Gang on the street like that, but he couldn't have done the same to Wang Zhitao! Jin Gang's strongest backup was only his uncle, a school discipline teacher! But Wang Zhitao was different. If Yang Ming had beaten him up, there were many opportunities for Wang Zhitao to shoot an arrow behind his back!

Yang Ming would never want to drag his parents down because of his own situation, and he believed that Wang Zhitao would surely have the ability to do so! As long as Father Wang gave a bit of benefit to his father's factory, the factory chief would immediately take his dad off duty!

Money – everything was about money! The difference between him and Wang Zhitao was money! In societal terms, Yang Ming believed that as long as he had the money, he could ally himself with a few powerful figures.

However, the first challenge was to enter a university. Once he was in a university, he would have ample time and reason to learn how to earn money. His parents wouldn't interfere as well.

As he thought about this, Yang Ming fell into a heavy sleep.

Chen Mengyan who discovered the truth also slept well. She had a dream, a very delightful dream!

She dreamed that the results from the pictures came out. Father Chen told her that someone used a computer to generate all of the content in the pictures! Yang Ming came to look for her on the next day too and the two of them dissolved any misunderstandings between them. Then, Chen Mengyan dreamed about kissing Yang Ming...

Then the alarm clock rang! There was still a trace of a smile from Chen Mengyan's mouth. In the dream, she didn't reject Yang Ming at all. How embarrassing!

As we would have guessed by now, Father Chen was Chen Fei, the person responsible for Yang Ming's case!

Once he arrived at the police station, Chen Fei asked the people from the technology department to get the fingerprint data on the photo. Chen Fei didn't bother to question the genuineness of the photos, because these pictures were unmistakably real!

"Captain Chen, is there progress with Wang Zhitao's case?" Xia Xue had just arrived at work and heard her coworkers discuss Wang Zhitao's case. For the type of people such as Xia Xue who came out of police school especially, they hated immoral people. Therefore, they were particularly optimistic about any sign of progress.

"En, Wang Zhitao took out a stack of photos." Chen Fei pointed at the items on the table. "At least now we can prove that Wang Zhitao is involved in this case!" Then, he shared what his daughter told him yesterday.

"Wang Zhitao unquestionably lied. The police certainly did not take these photos! Based on all these, we have sufficient reason to believe that Wang Zhitao is related to this case!" Xia Xue said, "Captain, let me bring a few people to lock up Wang Zhitao now!"

"Xia Xue, stop messing around. Why are you so impatient? We haven't even investigated the situation. Moreover, the technology department hasn't verified things through the fingerprint record yet!" Chen Fei said as he shook his head.

That night, as soon as Chen Fei finished his work, Chen Mengyan excitedly asked for news about the pictures. Chen Fei hadn't decided how to explain this whole situation with Yang Ming. He was still considering whether or not to tell the truth about the situation to his daughter! Therefore, he naturally answered, "Mengyan, what we are sure of is that on the day of the picture, none of the police went to Tavern Heaven on Earth for an arrest. I also checked the case files, and there was no case about Yang Ming being a criminal for illegal prostituting! Therefore, from these initial steps, we can determine that Yang Ming didn't go for prostitution!"

"Really?" Chen Mengyan was both surprised and joyful about it! It seemed that I have truly misunderstood Yang Ming!

“Yes! Regarding the truth of the photos, this was rather hard to analyze. It requires some specialized knowledge for that!” Chen Fei said.

“That troublesome?” Chen Mengyan asked. However, she no longer cared about the truth of the photos. Last night, she had made up her mind. What was most important for two people when they were together was for both of them to trust each other!

“Of course, look at the newspaper. That photo about Hua Nanhu was analyzed for a pretty long time. The result was still rather ambiguous!” Chen Fei smiled as he said that.

“Makes sense!” Chen Mengyan nodded her head. Then, she went back to her room to study happily. Oh yeah, hair clip! Chen Mengyan remembered the hair clip that she threw downstairs yesterday. She hastily wore her shoes and ran downstairs.

“Yanyan, where are you doing?” Chen Fei asked curiously, “You want to go out?”

“Not really. Let me pick up something downstairs. I will be back immediately...”

Chen Mengyan arrived downstairs and started searching the ground beneath the window of her room.

How did it disappear? Chen Mengyan frowned. She felt rather nervous. This was the first gift that Yang Ming had given her! Because she was impulsive yesterday, she threw away a significant item to the ground floor.

However, the plot of grass on the ground was empty. There was no trace of the hair clip! Logically, this type of thing with a “diamond” on it should reflect some light. It should be easy to find.

Could it be that someone else picked it up? Chen Mengyan felt a bit sad, and also a bit reluctant about it.

Our dear little student Mengyan, who would have thought that you cared so much for a single object? That's the power of love!

"Sister Yan, what are you looking for?" A little girl who was playing near the apartment downstairs ran to Chen Mengyan's side and asked.

Chen Mengyan raised her head and realized that it was the child of her father's co-worker.

"Sister is looking for a hair clip. How about you help sister to search for it?" Chen Mengyan smiled.

"Hair clip? Was it the one with the pink butterfly?" The little girl asked suddenly.

"Yes!" Chen Mengyan nodded emotionally when she heard the sentence. "Yes. Have you seen it?"

"Yes, I picked it up! I had already handed it to the apartment security guard. Let me bring you there right now!" The little girl nodded her head.

Chen Mengyan and the little girl went to the security guard's office in the apartment building. She easily found the hair clip that she lost yesterday. Chen Mengyan only felt eased after she examined the object by turning it over and over before realizing that it was intact.

Heh, it seemed like God indeed looked out for her! Chen Mengyan thought to herself. But why wouldn't Yang Ming give me a call? He should at least call to ask how I am doing!
