Chapter 921: Meet the Rival

"Hey, buddy, you do not understand this, right?" Hong Kai smiled mysteriously and said to Wei Jin, "I'll tell you about some good software. It is called QQ Space Album Viewer. If you use this software, you can go directly to the space album to view without a password!"

"D*mn? Is it true? There is such awesome software?" Wei Jin immediately became interested, then smirked and said, "I have a rival in the school. He and his girlfriend's naked photos are uploaded to their space. However, they set a password. The others cannot see them. I want to use this software to dig out their naked photos... Hehe..."

"It doesn't seem to work for your situation. This software can only target space passwords, but it cannot target album passwords." Hong Kai shook his head and explained.

"In this way, I'm being excited over nothing. I am thinking about using this to screw my rival up." Wei Jin said disappointedly, "However, I will use this to look at Liu Ting's photo album after I go back."

"Alright, wait for me to upload it to you through QQ." Hong Kai promised.

"You, boy, are you coming for Chen Mengyan in this gathering?" asked Wei Jin.

"Yeah, otherwise, who is free to see how you enact an badger game [1]? I'd rather stay at home and sleep!" Hong Kai replied.

"I wonder how Li Yixun is doing. In the past, you and he were always in a conflict like fire and water!" Wei Jin suddenly thought of Hong Kai's rival.

"F*ck, that guy, he always pressured me with his family background. Now I am not afraid of him anymore!" Hong Kai said emotionally.

"How do you know that his family did not develop in the past few years?" Wei Jin was still somewhat afraid of Li Yixun. His elder brother seemed to be a member of the underworld. Although his father was now developed, Wei Jin was not willing to provoke people with an underworld background. This was a taboo for businessmen. Although Wei Jin's father was engaged in the real estate business, he did not always follow the rules. That was only a small matter. It was totally different from the underworld's means.

Hong Kai listened to Wei Jin's words and disagreed. "Are you still terrified by that kid? What can he do? His family power only resides in Donghai. He has no power in Song Jiang!"

"I just think that we should not provoke that kind of people; We are different from him." Wei Jin was a little afraid of Li Yixun in his heart. He was very diligent in front of Chen Mengyan in those years, and he was surrounded by Li Yixun and a group of punks. He was scared, and he shifted his goal to Liu Ting.

However, there were some forces in Hong Kai's home too. His father was the big boss of the Eastern freight yard. He also had some workers who had the underworld's background, so Li Yixun might not have the advantage to fight with him. Besides, Hong Kai's family business was growing. Now it had already monopolized the market of Song Jiang's port garbage wholesale, so Hong Kai became arrogant now.

"What am I scared of?!" Hong Kai snorted and said, "He'd better not pretend in front of me. I will screw him up."

In the blink of an eye, it was already afternoon. The previous junior high school classmates arrived at the Immortal Resort. Wei Jin put away the former lascivious face and restored the appearance of a gentleman.

Wei Jin was the class monitor in the class. Now he was also part of the student union in the university, just because he was pretentious. He always pretended to be a good student. People who were not familiar with him did not know how filthy his mind was.

This point was very similar to Zuo Ruoguang. Zuo Ruoguang was also a student council cadre in the university. He always pretended to be like a proper human. At this moment, he was f*cking Zhao Xiaoyan in the room.

In fact, there was a chance of HIV transmission. However, it might not be transmitted from just a few times. Although the chance was slim, it was still possible. However, seeing Zuo Ruoguang's situation, he definitely got it now.

Zhao Xiaoyan originally planned to just deal with Zou Ruoguang perfunctorily, but since she got the illness, Zhao Xiaoyan had not done it for a long time. She was very refreshed doing it continuously with Zuo Ruoguang, so she simply let it go. They spent their whole afternoon on the sofa.

Don't think that Hong Kai, this guy, was very lascivious, but he was also a class cadre during junior high school. Although he was a class cadre who did not have to do so many tasks, he was still a sports committee member, so he was considered a member of the class committee.

The two of them met with classmates one after another, and their faces immediately put on a smile of sunshine. They started to organize, register the students, and charge the activities fee of fifty yuan per person.

Although Wei Jin had money, he was not willing to spend this kind of meaningless money. It was a class reunion anyway. Then everyone would share the money. Fifty yuan was not a big deal for the current students.

Of course, there were a lot of people who came with their partners. They just had to pay in double. The more Wei Jin did not want to see a person, the more likely he saw that person.

Li Yixun swaggered in, and the smile on Wei Jin's face suddenly became stiff. The matter that year was a shame of Wei Jin, but at that time, Wei Jin's father was just a contractor at a small construction site. He was far from Li Yixun's brother who opened the bathing center, but now it was different. Thinking that his father was also a reputable person, Wei Jin's heart was more comfortable, "Isn't this Li Yixun? Are you coming alone? Didn't bring a girlfriend?"

"I do not have any girlfriend yet." Li Yixun had this kind of temper. He said it bluntly.

The speaker did not intend it, but the listener got a different meaning. Hong Kai began to ponder. Is this guy still pursuing Chen Mengyan? Thinking of it, he could not stand it. He probed, "Who is it? Even Young Master Li cannot get her? Is she harder to pursue than Chen Mengyan?"

Li Yixun listened to Hong Kai's words and couldn't help but look at him with a hidden meaning. He said, "You wouldn't know if I said it."

Hong Kai did not want to know who Li Yixun was pursuing now. As long as it was not Chen Mengyan, everything was fine, so he smiled and said, "Ha, it seems that Young Master Li has shifted his target, then I am relieved!"

"Don't tell me you are going after Chen Mengyan?" Li Yixun had some doubts before, and now he was more certain after listening to Hong Kai.

"Yeah, but I cannot get her yet!" Hong Kai was not afraid to admit it, "Young Master Li, in fact, the conflict between us is nothing more than Chen Mengyan. Now that you don't like her, then we can be good friends."

"Really?" Li Yixun asked a question. Li Yixun, a person who had some experience in society, was essentially different from Wei Jin and Hong Kai. Li Yixun was forthright. He did not like to play tricks. However, Wei Jin and Hong Kai were different. Both of them were the wicked smart type, and Li Yixun was not willing to work with people like them.

Moreover, Li Yixun had seen Chen Mengyan's boyfriend before, and they chatted well. Li Yixun naturally would not stand on the side of Wei Jin and Hong Kai. "However, Hong Kai, probably you would be disappointed this time. Chen Mengyan already has a boyfriend."

"Already?" Hong Kai listened to Li Yixun's words and frowned. He wanted to find a chance to get close to Chen Mengyan at the class reunion, but he didn't expect someone to be her boyfriend already.

Li Yixun felt funny, looking at Hong Kai's shocked expression. He really wanted to be sarcastic, but he saw an acquaintance when he looked up.

"Yang Ming! Mengyan!" Li Yixun waved his hand in the direction of the door and shouted.

Li Yixun was very grateful to Yang Ming's teachings for pursuing girls, so when he saw Yang Ming, he immediately greeted him.

"Li Yixun! You are here too!" Yang Ming smiled, nodded at him and walked over, holding Chen Mengyan's hand.

Behind Yang Ming were Liu Ting and Liu Baoqiang. They also came along with Yang Ming.

Both Hong Kai and Wei Jin suddenly turned sullen. The girls that they loved had boyfriends. Anyone would not have a good expression.

"Liu Ting, you are here." When Wei Jin thought of his plan, he was refreshed. He greeted with a friendly face, "Liu Baoqiang, you came along too!"

Liu Baoqiang suddenly wondered, Wei Jin never treated me nicely in school. What happened today? Is he even smiling? As the saying goes, you do not punish someone who apologized to you. Since Wei Jin greeted him in a friendly manner, Liu Baoqiang could not say anything else, so he nodded nicely and said, "Yeah, I came with Tingting."

"Enjoy yourself!" Wei Jin nodded and still smiled.

Even Liu Ting thought that this guy had a change of attitude. How could he be so kind? When she paid the expenses together with Liu Baoqiang, she stood aside. Today, Wei Jin seemed to have not seen himself. He did not flatter her like in the past, but it made Liu Ting baffled.

When Hong Kai saw Chen Mengyan, he greeted warmly, "Mengyan, I haven't seen you for a long time, and you are more beautiful."

"Thank you." Chen Mengyan replied faintly. Now her mind only had Yang Ming alone. She seemed to forget how Hong Kai looked like. Now she only nodded to him due to the reason that they were classmates.

"This is?" Hong Kai pretended to notice Yang Ming only now and turned his head. He assessed Yang Ming like a master, then he said, "I am Mengyan's boyfriend during junior high school..."

In fact, Hong Kai had been observing Yang Ming for a long time. He saw Yang Ming's strong physique, and it seemed hostile. However, Hong Kai did not put Yang Ming in his eyes. He was now the son of Dongfeng Freight Yard. He was not afraid of anything!

Therefore, Hong Kai directly showed off in front of Yang Ming. He wanted to test this kid.

Chapter 922: Mental Illness

Hong Kai was not afraid of Yang Ming, but he was worried that Chen Mengyan would be upset, so when he spoke, he always paid attention to Chen Mengyan's expression. Unfortunately, Chen Mengyan's expression did not change. It seemed that it didn't matter at all.

In fact, Chen Mengyan also felt that it did not matter. She knew that Yang Ming would definitely believe her. He was her first man, and they had been together from high school until now. There were a lot of ups and downs. Yang Ming wouldn't doubt her because of this guy's words. Therefore, Chen Mengyan felt that there wasn't even a need to explain to Yang Ming. He would not believe in Hong Kai's words.

"Really?" Yang Ming's face showed a weird smile, but he said indifferently, "Are you two having a rest today?"

"Rest?" Hong Kai was suddenly stunned. He heard Yang Ming's question and answered somewhat inexplicably, "Yes, we're resting..." However, Hong Kai thought that Yang Ming was talking about the school that was on holiday.

" Oh , the psychiatric hospital is so humanized now. The patient is even allowed to go out to attend parties." Yang Ming nodded as if he understood it. "Or is your illness getting better? But I can't see it."

"Who do you say is mentally ill?" Hong Kai finally understood. Yang Ming accused him of coming out of the mental hospital.

"I didn't say that you have a mental illness." Yang Ming shook his head in sympathy. "You only have serious paranoia, but this is also a kind of mental illness. The general mental patient will not admit that he has got mental illness."

Hong Kai was so angry that his complexion was ashen. He wanted to test Yang Ming, but he didn't expect Yang Ming to make a sarcastic remark about him having mental illness in return. Hong Kai could not help but be furious! But there was no other way. He was not Chen Mengyan's boyfriend in junior high school. There was nothing wrong with others saying that he was paranoid.

" Hehe , this Hong Kai likes to joke. Don't take it to heart!" Wei Jin smiled and said, "This buddy, let me introduce myself. My name is Wei Jin, the former class monitor."

"Hi, Yang Ming!" Yang Ming nodded at Wei Jin. He had already heard Liu Baoqiang, and Liu Ting say that this guy was not a good character, so there was no need for enthusiasm.

"Hong Kai, you still didn't apologize to Mengyan? You kid, you just know how to blab and simply talk about everything." Wei Jin gave Hong Kai a look and spoke.

Hong Kai looked at Chen Mengyan's unpleasant face and quickly apologized. "Mengyan, please don't mind me. I just made a joke. I had no other meaning."

"It's nothing. No one believed it anyway." Chen Mengyan said very indifferently. Her impression of Hong Kai had been poor. When he was in junior high school, he was attentive to her and liked to write love letters to her. Chen Mengyan had been annoyed to the extreme.

Hong Kai laughed out twice. It seemed that he lost the first round, and he was dissatisfied. He thought about how he could get back his face in a while.

Wei Jin was the organizer. He had to face many students, so he quickly put Liu Ting and the others on the side and started to register people quickly.

However, many junior high school students were no longer in Song Jiang. Only a dozen people were coming here, but because many people came as a couple, it did not seem to be only a few people.

At two o'clock, Wei Jin waited for another ten minutes and then said, "It is almost time. Those who are supposed to be here should already be here. Let's go have our meal first, then we can go to any of the programs. Here, there are swimming pool, bowling, karaoke, fitness, disco and the game hall. I will give you the passes in a while."

After that, Wei Jin found the lobby manager of Immortal Resort, and informed her, "After a while, if there are still any of my classmates, lead them directly to the second floor of the restaurant."

"Okay, don't worry, Young Master Wei." The lobby manager naturally knew Wei Jin's identity and quickly promised.

Wei Jin nodded and greeted everyone, "Come with me."

Chen Mengyan looked in the direction of the entrance of the hall and could not help but regret. *Big sister and Second Sister, they still didn't come. They are probably afraid to see each other.*

Liu Ting understood Chen Mengyan's thoughts, so she whispered, "Mengyan, forget it. Let them be if they don't come."

Chen Mengyan nodded and walked toward the restaurant, following the crowd.

Yang Ming had been here once before, so he was very familiar with the situation here.

Although the people around him were different, it made Yang Ming felt like it was *deja vu*.

On the wine table, these people said the same words, showed the same flattering face and pleased Wei Jin and Hong Kai.

"Old class monitor, when I went to school, everyone saw you as the leader. At that time, you took care of the brothers!" A boy with glasses and small eyes stood up and raised his glass. He spoke aloud.

"*Hehe*, that is true. The old class monitor won't forget everyone!" Wei Jin was very comfortable with this flattery. He raised his glass and replied complacently.

"This guy originally competed with Wei Jin for the position of class monitor. After he failed, he did not talk to Wei Jin for three years." Li Yixun, who was sitting next to Yang Ming, explained to him.

"What? *Pu* ——" Yang Ming couldn't help but squirt a drink that was in his mouth. Fortunately, Yang Ming reacted quickly. He turned around and spat the drink on the ground.

"This guy probably wants to enter Wei Jin's real estate company after graduation, so he is trying to build a connection." Li Yixun saw through the intention of the glasses man at a glance.

Of course, the glasses man was only one of them. There were more flattering, more obvious ones. A girl even pretended to be drunk in front of her boyfriend's face and put her chest on Wei Jin's body. She kept on teasing him, "Old class monitor, do you still remember me? During a physical education class, you also peeked at me changing my clothes..."

That boyfriend was also a softie. Not only was he not angry, but he even laughed at everything that happened in front of him. He was probably prepared to sacrifice his girlfriend in exchange for employment after graduation.

How would Wei Jin now have the mind to engage his female classmates? His mind was all about how to rectify Liu Baoqiang later, so he pushed the girl away perfunctorily, but he guaranteed, "Alright, just based on our previous relationship, call me directly in the future!"

"Old class monitor, you are so good!" The girl's hand was inadvertently placed on Wei Jin's crotch, and she intentionally or unintentionally pinched it.

Wei Jin thought, *You little slut. If I didn't have something to do, I would have already f*cked you up!*

"Liu Baoqiang, let's toast for you!" Wei Jin suddenly stood up and said to Liu Baoqiang, "Man, whatever wrong I did in the past, I hope you will forgive me!"

Liu Baoqiang was stunned. *How did this Wei Jin change his personality? Usually, every time this kid sees me, he would either give me the cold-eye or be dismissive. Why did he take the initiative to give a toast today?*

“Why? Don’t you give your brother face?” Wei Jin saw Liu Baoqiang being stunned there, so he pretended to be unhappy and complained.

In fact, Liu Baoqiang was not willing to be an enemy of Wei Jin, but there was no other way. Who asked Wei Jin to be interested in his girlfriend? But at this moment, if he made up with Wei Jin, it was not a bad thing! So, thinking of this, Liu Baoqiang also stood up and took the drink in his hand.

He drove here, so he didn’t drink alcohol. He was drinking soft drinks all this while.

“Soft drink can’t be used; change it to wine!” Wei Jin saw Liu Baoqiang’s drink in his hand, so he waved and said, “Waiter, bring a glass of wine.”

The waiter had long been given instructions by Wei Jin. He took the bottle of liquor and walked over. He poured a glass for Wei Jin and then gave Liu Baoqiang another.

“Liquor... I am driving. I can’t drink...” Liu Baoqiang said hesitantly.

“You have to drink even if you can’t! There is a place to stay here. Anyway, you have a pass, so the accommodation doesn’t cost anything. Just go back tomorrow!” Wei Jin said, waving his hand.

“Then change it to beer. I really can’t drink the liquor...” Liu Baoqiang was hesitant. He would be immediately drunk if he drank this liquor!

“Quaff the shots and be good friends!” Wei Jin said, “After you drink this glass of wine, we will be brothers!”

Of course, Wei Jin did not say the implicit meaning of this. That was after they became brothers, then you should not covet your friend’s wife.

Liu Baoqiang saw Wei Jin saying this and hesitated. He clenched his teeth and said, “Good! Come on then!”

“Waiter, fill up my brother’s glass!” Wei Jin gave the waiter a look and spoke.

The waiter naturally agreed. He took the bottle and walked over, and poured Liu Baoqiang a full glass of liquor. Of course, this bottle was not the bottle that was poured for Wei Jin!

Wei Jin had already expected that Liu Baoqiang would hesitate for a long time before the wine was poured. The waiter just took the opportunity to replace the bottle. The bottle that was poured for Liu Baoqiang had already been replaced with a highly concentrated Erguotou [1].

Of course, Wei Jin was not as bold as Wang Zhitao to put an aphrodisiac into the liquor. He was also afraid that if Liu Baoqiang got serious after the event and brought it to court, his evil deed would be exposed.

Therefore, he quickly changed the wine. Even so, Wei Jin felt that it was enough because he believed that after Liu Baoqiang was drunk, it was impossible for him to stay still if a woman approached him with initiative!

After all, Liu Baoqiang was a masculine man, and he was still a virgin. How could he endure it?

“Come on, cheers!” Wei Jin thought that the plan would be successful soon, and he couldn’t help but show how pleased he was.

“Okay, cheers!” Liu Baoqiang gritted his teeth and gulped down the glass of wine with his eyes closed. However, it burned! Liu Baoqiang was very surprised. *My drinking capacity is still okay. Why do I feel dizzy after drinking this?*

Chapter 923: The Conspiracy Begins

Because Liu Baoqiang’s family opened a restaurant, he had experienced it since he was young. He also drank a lot. As for drinking, he could drink half a bottle of white wine, and yet not get defeated. Hence, he was in doubt.

Liu Ting originally wanted to discourage Liu Baoqiang, but she was afraid that Liu Baoqiang would lose face. After all, Wei Jin invited him for a drink. If Liu Baoqiang didn’t follow, it seemed like Liu Baoqiang was afraid of Wei Jin.

Moreover, as Wei Jin had said, the two became brothers after drinking this glass of wine. In the future, Wei Jin could not harass her anymore.

“Forthright!” Wei Jin looked at Liu Baoqiang and smiled. “Well, we are brothers from today on!”

Liu Baoqiang nodded. He was alright with Wei Jin being a brother. If this guy wouldn’t harass Liu Ting in the future, it would be the best. With the influence of Wei Jin’s family, Liu Baoqiang did not think about having any deep friendship with him. After all, the gap was too big.

Of course, Yang Ming was different. It was apparent that Yang Ming had more money than Wei Jin, but he was much low profile than Wei Jin.

The atmosphere at the wine table was still lively, but Liu Baoqiang was getting tipsier. In the end, he couldn’t hold it anymore as he lay down on the table.

Yang Ming didn’t know what Wei Jin’s objective was, but he didn’t care much about Wei Jin’s purpose. After all, Liu Ting and Liu Baoqiang were just Yang Ming’s acquaintances. For Liu Baoqiang to drink with Wei Jin, Yang Ming wasn’t qualified to stop them.

From the beginning, Yang Ming had maintained a cold attitude toward this winery.

Although Hong Kai was the same as Wei Jin and treated everyone perfunctorily, he would throw his gaze on Yang Ming's and Chen Mengyan's side. Chen Mengyan didn't notice him at all, but Yang Ming always greeted Hong Kai's gaze every time.

This made Hong Kai very uncomfortable. It was a feeling as though he was being played in the other's palm. From the time Yang Ming scolded Hong Kai as being mentally ill, he secretly held the hatred in his heart. He was waiting for an opportunity to teach this kid. There was just no chance at the wine table now. He wanted to find another chance after the meal.

"Little Qiang, what's wrong with you?" Liu Ting saw Liu Baoqiang kneeling by the table and asked hurriedly.

"I... nothing." Although Liu Baoqiang was drunk, he still hadn't become unconscious. "This wine is a bit strong. I'm a bit tipsy now."

"Would you like to take a break?" Liu Ting asked with some concern.

"No, I will be fine in a while." Liu Baoqiang said.

"Brother Baoqiang, what's wrong with you?" Wei Jin noticed Liu Baoqiang laying on the table, but he was overjoyed deep down in his heart. However, on the surface, he pretended to be very concerned about it.

"Liu Baoqiang drank too much. I want to take him to take a break first." Liu Ting looked up and said to Wei Jin with some dissatisfaction in her heart. *This guy made Liu Baoqiang collapse, but nothing happened to him. Isn't that making others look down on her Liu Baoqiang!?*

"Aiya ! It is all my bad!" Wei Jin suddenly showed a regretful expression. "We must have drunk too fast! It is alright to take a break. Waiter!"

"What's the matter, Young master Wei?!" The waiter ran over and asked.

"My classmate is drunk. Please take him to a room to rest. Get him some hangover medicine!" Wei Jin told the waiter.

Wei Jin was afraid that Liu Ting would follow. He quickly found a waiter to take over.

"Little Qiang, how about I accompany you?" Liu Ting wasn't at ease with Liu Baoqiang's situation now.

"It is nothing. Tingting, your classmates are in a gathering. It isn't quite appropriate if you left at the beginning. I will just leave for a while to rest!" Liu Baoqiang also felt that he definitely drank too quickly. Otherwise, he had no problem with a cup of white wine usually.

"That is fine. You should be careful." Liu Ting heard Liu Baoqiang's words and nodded. Then, she sat back down in her seat and replied.

With the help of the waiter, Liu Baoqiang walked out of the restaurant and upstairs to the guest room.

Yang Ming looked at Wei Jin and then at Liu Baoqiang's figure. Suddenly, a familiar scene suddenly rushed into his heart.

One who is unaccountably solicitous is hiding evil intentions! Yang Ming thought of the scene where Wang Zhitao asked him to drink at Tavern Heaven on Earth! Didn't Wang Zhitao show him good intentions at first? Wei Jin and Liu Baoqiang's dialogue today was almost exactly the same!

Could it be that...? Thinking of this, Yang Ming suddenly sensed something. *Does this Wei Jin plan to ambush Liu Baoqiang?* Although Yang Ming and Liu Baoqiang just met, and the relationship between the two wasn't deep, the relationship between Chen Mengyan and Liu Ting wasn't typical. Through today's contact, Yang Ming's impression of Liu Baoqiang was still good, so Yang Ming paid attention to the waiter and Liu Baoqiang. Yang Ming quietly used his special ability to lock on Liu Baoqiang and the waiter. On Yang Ming's side, he still appeared with a cold expression.

After Liu Baoqiang left, Wei Jin reached into his pocket and pressed the send button on the phone. Over there, Zou Ruoguang's phone suddenly rang. This was a secret code agreed between the two before.

Zou Ruoguang was having fun with Zhao Xiaoyan's body. When this phone notification rang, he jumped up, scared! His little brother almost turned flaccid! However, after seeing the number of the caller, Zou Ruoguang did not dare to have any dissatisfaction. It was his cousin, Wei Jin, who called!

Zou Ruoguang looked at the seductive body underneath. Although he was somewhat unwilling, he couldn't have fun with it right away. But even if he was unwilling, the more important thing was to cooperate with his cousin.

Zou Ruoguang struggled to dissolve the battle quickly. Then, he let Zhao Xiaoyan take a shower and complete the task.

When Wei Jin put his hand into his pocket and pressed the send button, naturally, it was not hidden from Yang Ming's eyes. So Yang Ming became more and more sure that this Wei Jin had a conspiracy.

The waiter helped Liu Baoqiang into a room and put him on the bed. Then, he left the room. He stood at the door, waiting for Zhao Xiaoyan to come over.

It didn't take long for Zhao Xiaoyan to come over. The waiter swallowed some slobber. He didn't know that Zhao Xiaoyan was sick, but he knew that Young Master Wei looked for this woman to do something. He couldn't offend her, so he laughed, "The person is inside. I will hand it over to you!"

"Okay." Zhao Xiaoyan smiled, and her heart began to flutter wildly. As long as she finished today's matter, she would get fifty thousand yuan!

Zhao Xiaoyan did not knock on the door, but directly opened the door with a key and dashed into the room.

It was as expected! Yang Ming saw Zhao Xiaoyan enter Liu Baoqiang's room, he came into a realization instantaneously. However, there was a slight disappointment. *Can these young masters think of some other creative tricks? Why are they playing this trick every single time!?*

Yang Ming naturally didn't know that Zhao Xiaoyan was "sick," so when he saw this scene, he wasn't eager to stop it. In his view, Liu Baoqiang still wasn't under any threat at present.

Even if Liu Baoqiang were fascinated and had s*x with this woman, he wouldn't lose anything. As for after the s*x, it was his problem to settle the relationship between him and Liu Ting.

If you want to be lascivious, but don't pay the price, how can there be such a cheap thing in the world? Yang Ming could see at a glance that Liu Baoqiang was just drunk, but his consciousness was still very clear. It was different from Yang Ming's experience at that time. Wang Zhitao drugged Yang Ming's drink, but Wei Jin did not give Liu Baoqiang any medicine.

Therefore, if Liu Baoqiang really had something to do with that woman, he could only blame him for bad discipline. Yang Ming was too lazy to bother with this kind of thing.

After Zhao Xiaoyan entered the room, she quickly took off her clothes and then walked naked to Liu Baoqiang's side. Her past professional qualities were there. Zhao Xiaoyan knew how to tease a man's desire.

Zhao Xiaoyan lecherously took off Liu Baoqiang's trousers, put her hand in, and began to tease Liu Baoqiang.

Liu Baoqiang was confused and felt that someone was lying next to him, but he didn't care. But when someone went to take off his trousers, Liu Baoqiang suddenly became shocked and opened his eyes. He saw a woman with a pretty face and perfect figure lying naked beside him. Her eyes were like water. It made Liu Baoqiang capricious, and his blood boil instantly.

"You... who are you?" Liu Baoqiang quickly held off the burst of pleasure that Zhao Xiaoyan teased.

"All of the resort's VIP rooms have a free of charge service." Zhao Xiaoyan said according to what Zou Ruoguang taught her. The reason why it was said to be free was that they were concerned that Liu Baoqiang would be afraid of spending money.

In most people's psychology, if it were free, there was no way not to get it. Therefore, Wei Jin felt that it would be easier for Liu Baoqiang to accept it if it were free.

"I... I don't need..." Liu Baoqiang was shocked. Although his desire was strong, he refused. What he thought was that if it were discovered by Liu Ting, then he would be f*cked up!

"Come on!" Zhao Xiaoyan's seductive red lips kissed Liu Baoqiang. Liu Baoqiang avoided Zhao Xiaoyan and turned to the side, panting.

Zhao Xiaoyan giggled. "There is no need to be shy. It is nothing. It is safe here. The door is locked!" Zhao Xiaoyan said as she increased the strength of her teasing.

Liu Baoqiang wasn't a gentleman. He also asked Liu Ting to do this before, but Liu Ting had always kept the last line of defense and refused to let him succeed. Therefore, Liu Baoqiang was really a little moved now!

However, even though his heart was moved, it only remained at that. Liu Baoqiang was still relatively awake now. He knew that once something happened between him and the woman, then after Liu Ting finds out about it, she would one hundred percent break up with him!

Thinking of this, Liu Baoqiang quickly pushed Zhao Xiaoyan away. He ran in the direction of the bathroom as a sorry figure. As he entered the bathroom, regardless of Zhao Xiaoyan chasing behind him, he directly locked the door from the inside. Then, he turned on the cold shower and started to wash himself from his head...

Yang Ming looked at Liu Baoqiang's actions and couldn't help but laugh. It seemed that Liu Baoqiang was quite interesting. However, Yang Ming felt Liu Baoqiang was lucky. This Wei Jin's courage was still not big enough. If he were like Wang Zhitao and used drugs directly, then Liu Baoqiang would be in jeopardy.

Chapter 924: Go for Wool and Come Home Shorn

Wei Jin thought about what was going to happen there, and suddenly he felt refreshed. He drank alcohol happily and promised to help his classmates' occupation problems after graduation.

"Everyone enjoy yourself!" Wei Jin raised his glass and said loudly. He was excited, so his emotions were excited.

"Enjoy, have fun!" Many dumb*sses who needed something from Wei Jin also raised their glasses together. They went along with Wei Jin flatteringly.

"Quiet! What are you shouting for?!" A macho man was also making a toast at a nearby table. He was interrupted by the "Enjoy, have fun!" so he was displeased instantly and scolded directly.

Although the resort was opened by Wei Jin's uncle, it was impossible to stop business because of Wei Jin's class reunion, so there were still many other guests in the restaurant. Because Wei Jin's side was loud, the people there were a little unhappy.

Wei Jin frowned and felt that he had lost his face. However, when he looked up, he found that the people on the table were big and round, and there was a long scar on one of their faces. They looked very scary. They did not look like kind people. Wei Jin was afraid that he could not afford to provoke them, so he endured it. Who knew if the other party was a member of the underworld?

Hong Kai had been enduring in his seat for a long time. Just now Yang Ming said that he was mentally ill. He was holding a grudge, so he always wanted to find a chance to punish Yang Ming, but there was no chance. Just now, when Wei Jin gave Liu Baoqiang a toast, Hong Kai suddenly had an inspiration.

Just as Wei Jin was scolded again, the atmosphere around the table suddenly became cold, so Hong Kai took the opportunity to stand up, come to Chen Mengyan and Yang Ming with a glass of wine, and say, "Mengyan, long time no see. Old classmate, I'll toast to you!"

Chen Mengyan did not expect Hong Kai to take the initiative to toast, but since he had come over with a wine glass, and said that they were old classmates, Chen Mengyan could not refuse anymore, but she still said, "I cannot drink."

"It is still the same to replace alcohol with a soft drink. Only the meaning is important. It doesn't matter if you drink or not!" Hong Kai said earnestly.

"Okay then..." Chen Mengyan picked up the Huiyuan juice [1] in front of her and stood up, gently clinking her cup with Hong Kai's.

Hong Kai chugged it down; Chen Mengyan only sipped it. Her lips barely touched the cup, and she took it away. She was just being perfunctory. Chen Mengyan did not even have the feeling of drinking with him.

Of course, all of this was also seen by Hong Kai, but Hong Kai was not very concerned about it. Previously, when he pursued Chen Mengyan in junior high school, he had gotten used to it.

After Hong Kai finished drinking this glass of wine, he did not leave immediately. He poured another glass of wine and then raised the glass again to Yang Ming. "Brother, no discord, no concord. It was my fault previously. My joke was too much. Let me toast to you!"

However, how smart was Yang Ming? He was no longer the previous Yang Ming. His ability to observe the situation was maximized! Although Hong Kai's expression at the moment seemed to be sincere, it was lame in Yang Ming's eyes.

Yang Ming smiled and picked up the wine glass in front of him. "Okay, no discord, no concord!"

The two men's wine glasses clinked together gently, and then they went back to each other. Just as Yang Ming's wine glass reached his lips, the accident happened!

Hong Kai could not stand still. His body tilted forward, and the wine glass in his hand was thrown at Yang Ming. The glass of white wine was about to be poured on Yang Ming's face!

But who was Yang Ming? How agile was he? Yang Ming had long discovered that this guy had ill-intentions. He was not here to toast sincerely, so Yang Ming had been guarding against him. Now that Hong Kai poured the wine on him, Yang Ming turned to the right abruptly, and it missed!

Due to the accident, the people present were not responding except for Yang Ming. Not until Yang Ming escaped, did they exclaim!

Hong Kai was a bit puzzled. *How did this guy escape? I calculated it accurately. There should be no accident, but Yang Ming still dodged it!*

While he was wondering, he suddenly heard a loud noise. "B*stard, I f*ck your mom! You dare to pour wine on my head?"

When he shouted, they only noticed that Hong Kai's glass of wine did not pour on Yang Ming, but it was poured onto the back of a guest at the table behind Yang Ming! It flowed down the collar of his lower neck! That person was the man that Wei Jin was afraid of!

Hong Kai was stunned. Before he could respond, he was punched in the face. He fainted on the spot.

The scarred macho man still could not relieve his hatred. Seeing there was another opened bottle of Huiyuan, he grabbed the juice and poured it onto Hong Kai's head. He cursed while pouring, "Little b*stard are you courting death? You dare to pour wine on me? I will kill you today!"

After the bottle of juice was finished, the scarred macho man threw the empty juice bottle aside and grabbed Hong Kai's hair with one hand; another hand slapped Hong Kai's face. Even if Hong Kai face was swollen, the scarred macho man was not going to stop!

Wei Jin saw that the situation was bad. If this continued, wouldn't Hong Kai be beaten until he went to the hospital? So he hurriedly ran over, but he didn't dare to provoke these people. He had to say nicely, "Big Brother, my brother was not intentional..."

"Motherf*cker! I sat so far, and he can still pour it on me. You say that he is not intentional?" Although the scarred macho man was strong, his IQ was not low. He glared and pointed at Wei Jin. "Do you want to cover up for him?"

Wei Jin was terrified suddenly. He dared not look in the eyes of the scarred macho man. "Big brother, I didn't lie to you! Just now, my brother wanted to pour the wine on him, but this guy went to the side. As a result, it was poured on your head... In fact, it was not my brother's fault. It was because of this guy!"

Wei Jin said this, pointing to Yang Ming. Since Hong Kai was only beaten up because of Yang Ming, he certainly would not miss this opportunity to blame Yang Ming.

" Oh ?" The scarred macho man turned around and looked at Yang Ming, saying with a cold smile, "So, you have the responsibility, too?"

Yang Ming didn't even look at this macho man. He did not even turn his head and just sat leisurely.

"Motherf*cker, I am talking to you!" The scarred macho man noticed Yang Ming ignoring him, and felt disrespected. He was so furious that he extended his hand to grab Yang Ming's neck collar.

" Pa ," when the hand of the scarred macho man was about to touch Yang Ming's collar, it was grabbed by something abruptly! The scarred macho man felt strange. He lifted his head and found that his hand was seized by the young man in front of him!

The scarred macho man felt even more disrespected. He exerted his full strength, but he realized that his hand was held tightly by Yang Ming. It could not move at all!

Yang Ming looked coldly at the scarred macho man and said calmly, "You look for whoever poured it on you."

There was a trace of surprise in the eyes of the scarred macho man, but more of it showed terror! This young man only used one left hand to stop his right hand. How powerful was his strength?!

The scarred man who had a lot of experience understood. *I have met a bad*ss character. I am afraid that I am nothing in front of this young man!* He hesitated for a while, then he expressed an embarrassed smiling face. "True. You are right!"

Since Yang Ming let him look for the troublemaker, it meant Yang Ming would not stop him from beating up Hong Kai!

He could not afford to provoke Yang Ming, but he was not afraid of Hong Kai. *He is just a weakling!* Thinking of this, the scarred macho man took back his hand. He did not want to trouble Yang Ming anymore.

His wrist was like being wrapped by an iron hoop. The scarred macho man was terrified. Luckily, he did not act impulsively. *This man is definitely a bad*ss!*

Turning his head and smiling at Hong Kai, the scarred macho man vented all the grievances on this kid.

“Brother, I, I was just drinking too much. I could not stand still, and I accidentally poured the wine on you...” When Hong Kai saw that the scarred macho man was going to beat him up again, he was so scared that he nearly pissed in his pants. He told the excuse that he was going to use on Yang Ming.

“Motherf*cker, do you think I will believe you?!” The scarred macho man stretched his arms and started to beat Hong Kai.

Although Hong Kai’s family was also very powerful, and it was close to the underworld, this Immortal Resort was in the suburbs of Song Jiang City. I was a hundred thousand miles away from his home. Even if he wanted to ask for reinforcement, they could not aid in time.

Wei Jin really couldn’t stand it anymore. He had to call his uncle, Sui Yuemin, to tell him what happened here. Sui Yuemin was playing mahjong in the office with several vice presidents, but since Wei Jin had trouble now, he needed to deal with it. He still had to rely on Wei Jin’s father to get some extra money.

So, after hanging up the phone, Sui Yuemin rushed to the restaurant with the security guards. However, he was still a step late. Hong Kai was in a bloodbath being beaten up by the scarred man.

“Who is so bold, and dare to make trouble in Immortal Resort?” Sui Yuemin asked with a loud voice. However, after the words were finished, Sui Yuemin saw the troublemaker!

Sui Yuemin did not know this scarred man, but he knew the person who sat in the master position at the scarred man’s table! Sui Yuemin changed his face instantly. *Yuemin! Your friend has gotten himself into big trouble!*

“Uncle, it is him!” Seeing Sui Yuemin come with a group of hitmen, Wei Jin became brave, too!

Chapter 925: Entered the Wrong Door

“Uncle, it is this guy!” Seeing Sui Yuemin come over with a group of hitmen, Wei Jin became more confident. He pointed at the scarred face and spoke with a little bad*ss attitude.

“I say, Sui Yuemin, is this bunch of kids your family relatives?” A middle-aged man who was sitting with the scarred macho man spoke, but his tone was already a little unpleasant.

“Who is the child?” Wei Jin hadn’t seen clearly the situation yet. He heard that the middle-aged man called him a child, and he was immediately unwilling.

“Wei Jin!” Sui Yuemin was shocked. He rushed over quickly, pulled Wei Jin, and said, “You still haven’t apologized to Brother Long!”

“Brother Long?” Wei Jin stunned. But when he saw the look on Uncle’s face, he suddenly understood a few points. His uncle could not afford to provoke this group of people in front of him! When he thought about it, he immediately closed his mouth and didn’t dare to say more.

“Forget it. Ah Zhong, come back.” The middle-aged man waved his hand to the scarred macho man and then said to Sui Yuemin, “Since it is a relative of your family, forget it. I don’t want to haggle with the child.”

The scarred macho man released Hong Kai. At this time, the middle-aged man stood up. When the people at the table saw the middle-aged man stand up, they also stood up.

“Brother Long, you are...” Sui Yuemin hurriedly laughed carefully and said.

“I’m full. Why? Is there a problem?” said the middle-aged man who was called Brother Long, faintly.

“No problem, no problem. Then Brother Long, please...” Sui Yuemin said quickly.

When Brother Long passed Yang Ming’s table, his eyes landed on Yang Ming. Previously, Yang Ming and the scarred macho man were in a fight for a short time. Brother Long took notice of him, and he was very curious how Yang Ming was able to control the scarred macho man in a move.

“Kid, you aren’t simple.” Brother Long stared at Yang Ming for a long time, only to find that Yang Ming was not afraid of his gaze. Yang Ming still did what he was doing in the first place. Brother Long’s face was lost suddenly, so his tone was somewhat mocking.

“Whether or not I am simple is not up to you to decide.” Yang Ming looked at Brother Long and said plainly. His face did not change a little.

Brother Long’s face had changed slightly. It had been a long time since someone dared to speak in front of him like that. “What is your name?”

“Actually, I don’t have to answer your question, but it doesn’t matter if I answer it.” Yang Ming said indifferently, “My name is Yang Ming.”

“Yang Ming... Yang Ming?” Brother Long’s face suddenly flashed a look of surprise. “You... Donghai’s Sun Family?”

Although Brother Long did not say it overtly, Yang Ming had already understood what he meant, so he nodded slightly. The reason why Yang Ming admitted it so quickly was because Chen Mengyan was next to him. If this guy mentioned something like the Sun Family’s son-in-law, it would be a little bad!

Another reason was that when Brother Long said the Sun Family, his expression was full of respect and no dissatisfaction, so Yang Ming concluded that the person in front of him must be close with the Sun Family. Therefore, he nodded and admitted it.

“Sure enough, it is you!” Brother Long suddenly laughed and changed his previous complexion. He patted Yang Ming’s shoulder with friendliness. “You are a hero from the youngsters! Good, good, good!”

Brother Long said three “good” words repeatedly, but it made Yang Ming a bit inexplicable, “What good? You are?”

“My last name is Tian, the first name is Long. My kid is from the same school as you, right?” Brother Long smiled and introduced himself.

“Tian Donghua?” Yang Ming was shocked, then asked.

“Hehe, yes. You really are that Yang Ming!” Tian Long nodded and said.

Yang Ming sweated. Could it be? This guy is actually the father of Tian Donghua? Then, am I not in the younger generation? No matter what the relationship is between the Sun Family and the Tian Family, if it were based on Tian Donghua’s side, the person in front of me is my elder. Yang Ming did not dare to be pretentious again. He stood up and reverently called, “Uncle Tian.”

Tian Long smiled. But suddenly remembered Hong Kai who was covered in blood after being beaten up by the scarred macho man, and immediately apologized, “Since you call me Uncle Tian, then Uncle Tian can only apologize to you. Uncle Tian did not know your classmate...”

Yang Ming looked at Hong Kai on the ground and said, “What? I do not know him! I also wanted to hit him together.”

“Pu...” Liu Ting was taking a drink. When Yang Ming said this, she found it hilarious, and the drink in her mouth was sprayed onto the face of Wei Jin.

Wei Jin saw that Liu Ting sprayed out her drink. Although he was a little scoundrel, he still tolerated it. This was a woman he liked, and Wei Jin naturally couldn’t do anything to her.

However, when Wei Jin heard Yang Ming’s words, his face was very gloomy. He didn’t expect that the person who his Uncle could not afford to provoke would actually chat happily with Yang Ming.

Although he was very upset, it couldn’t be helped. When he remembered that Liu Baoqiang would be caught in an illicit sexual act in bed in a while, and Liu Ting was about to put herself in his arms, Wei Jin’s heart was more comfortable.

Tian Long nodded, smiled, and left the restaurant with his people. Hong Kai was helped by the security guards around Sui Yuemin. After experiencing the scene just now, everyone had no interest in eating.

Moreover, Wei Jin felt that Liu Baoqiang should almost be done, so he secretly called Zou Ruoguang and had him go catch Liu Baoqiang in the act.

Wei Jin said to everyone instead, “Next, I will take everyone to the entertainment hall upstairs.”

Although the matters before made Wei Jin lose face, it also let these students have a whole new level of respect for Chen Mengyan’s boyfriend. After all, they were not familiar with Yang Ming. They also asked Wei Jin for help to arrange work. Therefore, they accompanied Wei Jin enthusiastically and stood up together. Under Wei Jin’s lead, they left the restaurant.

Of course, Wei Jin would not take these people directly to the entertainment room upstairs. He first took these people to Liu Baoqiang’s room.

“Wei Jin, I am not going. You help me ask where Liu Baoqiang’s room is. I will go and accompany him.” Liu Ting thought that Liu Baoqiang was still drunk, and she had no interest in playing.

When Wei Jin was worrying about the reason to explain to everyone when they reached the room, Liu Ting’s initiative gave him the opportunity. He suddenly rejoiced and said, “Let’s go. It just so happens that we will pass the guest room in a while. Let’s take a look at Liu Baoqiang and see if he sobered up or not. If he sobered up, we could go to play together!”

Liu Ting didn't know why Wei Jin had suddenly changed his attitude, but now he was caring about her, so Liu Ting could only gratefully nod.

After receiving the secret code from Wei Jin's phone, Zou Ruoguang took the universal room card that was prepared beforehand to the room and waited for Wei Jin to come over in a moment. Then he would rush into the room to catch Liu Baoqiang in the act!

When Zou Ruoguang thought of the charming Zhao Xiaoyan being raped by Liu Baoqiang, his heart was very uncomfortable. Although she was only a prostitute, she was Zou Ruoguang's first woman. His heart was still a bit jealous.

When Zou Ruoguang was thinking about it, suddenly he heard the sound of footsteps coming. Looking up, Wei Jin was coming over with a group of people! Zou Ruoguang was shocked. His mind just wandered and almost screwed up the important matters!

Zou Ruoguang took a breath and quickly adjusted his state, then shouted, "Neighbors! You adulterous couple, see if I kill you or not!"

After that, Zou Ruoguang picked up the universal room card and quickly opened the door in front of him. He strode forward while scolding, "F*ck, see if I will kill you or not!"

Wei Jin saw that Zou Ruoguang had been waiting there, and he immediately calmed down. He walked forward with everyone. When he heard Zou Ruoguang yelling, he was even happier. His cousin really had the talent for acting! The performance was also realistic... But then, Wei Jin was in a hurry! When he watched Zou Ruoguang use the universal room card to open the door, he wanted to yell: Big Brother, you opened the wrong door!

However, he could not call out. If he called out, wasn't that exposing the plot? So he could only watch Zou Ruoguang entered the wrong door. There was no other way!

Wei Jin was anxious. He thought, Can't you look at the door before entering? What the f*ck are you doing? What a good plan it was, but you ruined it.

When Zou Ruoguang saw Wei Jin coming over, he became anxious. In a moment of negligence, he forgot to look at the room number. When he yelled and burst into the room, he was stunned!

Other than a few vicious men in the room, there was no trace of Zhao Xiaoyan, and he didn't see the guy named Liu Baoqiang!

"No... is it wrong?" Zou Ruoguang dumbfoundedly looked at the people in the room.

"Who the f*ck are you? What are you doing coming in?" A knife-scarred faced man walked toward Zou Ruoguang. "You said you want to kill who?"

"I... I may have entered the wrong room..." Zou Ruoguang couldn't help but explain quickly.

"Get the f*ck out!" The knife-scarred face saw a guy that walked in the wrong room. He lifted his foot and kicked Zou Ruoguang flying out the room!

Wei Jin was distressed about what to do next, and he heard a scream of “ouch.” With this scream, Zou Ruoguang also flew out of the room like a human artillery shell, hitting the wall heavily. Then, the door of the room was slammed shut.

Because the front door of the knife-scarred face’s room was not locked, he didn’t care about the universal room card in Zou Ruoguang’s hand. He thought that Zou Ruoguang directly pushed open the door.

However, this time, the knife-scarred face locked the door, fearing that there would be another stupid person forcefully breaking in.

Zou Ruoguang fell heavily, but he was just kicked. Although it was uncomfortable, at least, he could still stand up.

Chapter 926: Everyone Stays

Zou Ruoguang looked at the room number of the room that he had just entered in a daze. He found out there was a mistake in one digit. The room he wanted to enter was just next to it!

Cough! Wei Jin saw Zou Ruoguang’s stunned expression and coughed twice. He thought to himself, Quickly, or else, it will be revealed.

Zou Ruoguang suddenly woke up. He quickly stood up while enduring the pain in his body. He looked at the room number next to him. After carefully confirming it this time, he shouted again, “Wa, ya, you adulterers. Do you think that I’m not killing you?!”

When he finished his words, he opened the room door with the room card and rushed in, then he continued to yell, “You’re adulterers. Of course, you are having an affair here! Let me catch you-”

When Yang Ming looked at Zou Ruoguang’s acting, he almost choked from amusement. Entering the wrong room? You can even make such a mistake. This Wei Jin is also extraordinary. He actually looked for Zou Ruoguang, this silly guy, to act with him!

Of course, apart from Yang Ming, who knew what was going on in front of him, the others were clueless. They were baffled to see Zou Ruoguang, not knowing what he was doing.

“Liu Ting! That is Liu Baoqiang’s room. What did the man do just now? How did he get in?” Wei Jin acted surprised and spoke, pointing to the room door opened by Zou Ruoguang.

“What? It’s Liu Baoqiang’s room?” Liu Ting was also surprised and said in a panic, “Then let’s go in and see.”

“I think so, too.” Wei Jin nodded and rushed into the room with Liu Ting.

“What happened to them?” Chen Mengyan also seemed to be aware that the incident was weird. Among these classmates, only Chen Mengyan really cared about Liu Ting and Liu Baoqiang, so she could tell something was wrong. “Doesn’t the man who just rushed in seem familiar?”

But the others were basically Wei Jin’s dogs. They played up to those in power. At this moment, they completely held the mentality to watch the show, so they simply did not think that the emergence of Zou Ruoguang was a conspiracy.

“Familiar? Of course, you are familiar with him!” Yang Ming smiled. “You had a big fight with me because of him!”

“Ah!” Chen Mengyan was surprised. She remembered the person who entered just now instantaneously. “Zou Ruoguang!”

“Yes, it’s him.” Yang Ming nodded. “This guy is a relative of Wei Jin. Did you think of something now?”

Chen Mengyan sensed something after being reminded by Yang Ming. However, she didn’t think as much as Yang Ming considered. She was only skeptical, but she was not sure.

The two entered the room with everyone, but they saw Zou Ruoguang standing in the middle of the room, looking around. He broke into a sweat panicking. Zhao Xiaoyan was sitting on the bed with a helpless face.

“What happened? What about the man? What about the adulterer?” Although he did not see Liu Baoqiang, the act still had to be played out. Zou Ruoguang pointed at Zhao Xiaoyan.

“Sorry, I have not been able to complete the task.” Zhao Xiaoyan was also very helpless, but it couldn’t be helped. She could only be frank. “I teased the man a few times, yet he was like a rabbit. He went straight into the washroom and locked the door, not coming out. I can’t get the rest of the money. I’m leaving-”

Zhao Xiaoyan had already dressed by this time. She immediately stood up and walked out of the room.

“This...” Zou Ruoguang didn’t expect Zhao Xiaoyan’s mission to fail. He was stunned at the spot, not knowing what to say.

Seeing Zhao Xiaoyan not complete the task and having his conspiracy revealed on the spot, Wei Jin suddenly was ashamed into anger. “What did you say? What are you saying? What money? Are you stupid? You quickly admit that you’re Liu Baoqiang’s mistress!”

“Sorry. Young Master Wei, I don’t want the rest of the money.” Zhao Xiaoyan was very settled as she walked out of the room.

Wei Jin shivered in anger. He didn’t expect that what he planned for a long time, a plan that he thought was a perfect plan, just failed like that!

At this time, even if Liu Ting didn’t know anything before, she understood it at that moment! This Wei Jin had spent money to frame Liu Baoqiang, but Liu Baoqiang was determined in his will. He hid in the bathroom and didn’t come out!

“Pak,” Liu Ting was so angry that she slapped Wei Jin and cursed, “Wei Jin, you are despicable!”

Wei Jin had a lot of anger accumulated. At this moment, when he was slapped by Liu Ting, he was even angrier! Anyway, he had no hope in pursuing Liu Ting. He might as well tear off his face. There was a hint of ruthlessness in Wei Jin's gaze as he raised his arms to hit Liu Ting, but he couldn't do it. Wei Jin was hugged from behind and could not move!

Yang Ming had been paying attention to Wei Jin's movements. When he was about to make a move on Liu Ting, Yang Ming was ready to stop him. However, Yang Ming unexpectedly saw a figure, and he was glad. It seemed that he no longer had to make a move.

Liu Baoqiang held Wei Jin from the back, himself soaked with water. He had a desperate look and bloody eyes as he shouted with a hoarse voice, "Wei Jin, you d*mn motherf*cker, framed me!"

Seeing that Liu Baoqiang went crazy, Wei Jin was calm and showed a despicable face. "I framed you, but so what? I'm testing you for Liu Ting! What can you do to me?"

Liu Baoqiang was already very angry. He heard the truth in the bathroom, and he was enraged instantaneously. He thought that if he weren't determined, he would have fallen into Wei Jin's trap!

Then, he rushed out in a rage, holding Wei Jin and trying to fight desperately. However, when he heard Wei Jin's question, "What can you do to me?" Liu Baoqiang also calmed down.

Indeed, what can I do to Wei Jin? In terms of family background, I am much worse than Wei Jin! It can be said that if I were impulsive with Wei Jin today, then what awaits me isn't a prison sentence, but Wei Jin's crazy revenge on my own restaurant!

Liu Baoqiang wasn't stupid. With Wei Jin's social relationship, Liu Baoqiang had no way to go about it when Wei Jin found punks from the underworld to stir up trouble in his hot pot restaurant!

Thinking of this, Liu Baoqiang became decadent and loosened his hands holding Wei Jin. Liu Ting also seemed to see Liu Baoqiang's trouble. She smiled in understanding. "Let's go."

"Let's go. There is no point being with such a dumb*ss." Yang Ming pulled Chen Mengyan and scolded Wei Jin without giving him any face.

Wei Jin was still somewhat afraid of Yang Ming! Brother Long and Yang Ming chatted and laughed. Wei Jin understood that Yang Ming's identity was definitely not simple. If it's someone that his uncle couldn't afford to offend, he might not be capable of offending!

Therefore, as Yang Ming was about to leave, Wei Jin was afraid to stop them. There was no need to build a grudge with this person. But, for Liu Baoqiang and Liu Ting to go, it won't be so easy!

"You want to leave after giving me a slap? It won't be that easy, right?" Wei Jin said with a sneer.

Yang Ming was cold and glared at Wei Jin. "No one can keep my friend in front of my eyes! Let's go!"

After Yang Ming finished, he pulled Chen Mengyan while Chen Mengyan pulled Liu Ting as they walked toward the room door.

"Yang Ming! What do you want? I have given you face, yet you don't want it. Since you want to stand up for it, that is fine! Then, you aren't leaving today! Explain this to me together!" Wei Jin didn't want to provoke Yang Ming because there was no big conflict between the two. It was unnecessary to build

grudges. But now it was different. Now Yang Ming wanted to stand up for Liu Baoqiang and Liu Ting, then Wei Jin needed to target Yang Ming!

In fact, in Wei Jin's heart, he wasn't really afraid of Yang Ming. After all, his family was also ranked at the front in Song Jiang!

"Are you sure you want to keep me here?" Yang Ming looked back with his face full of sunshine. "Your actions today may bring disaster to your family."

"Hahahaha!" Wei Jin listened to Yang Ming's words and suddenly laughed wildly. After laughing, he said dismissively, "Are you just pretentious?"

Yang Ming was to disdained to argue with him. He didn't leave but stood there. He wanted to see what tricks Wei Jin wanted to play.

Zou Ruoguang sat down on the bed because he didn't have an act to play. Moreover, he felt sore all over his body. He sat on the bed, depressed without bothering about Wei Jin dealing with the aftermath. Since his relationship with Zhao Xiaoyan had become deadlocked, he wouldn't be able to have fun with Zhao Xiaoyan. Hence, it was quite disappointing.

He felt it was a waste in his heart. However, when he suddenly heard a familiar name—Yang Ming, Zou Ruoguang became spirited and looked up. D*mn, isn't this Yang Ming?! Or else, who would it be?

Ha, I was worried that I had no chance for revenge, but this fellow came to the door! Zou Ruoguang was glad. He didn't care about the pain. He stood up and pointed to Yang Ming, "Cousin, that is him! It is this guy! Yang Ming! It was him in Mount Jing!"

Originally, Wei Jin was still thinking about whether it was worth being in conflict with Yang Ming. After hearing the words of Zou Ruoguang, he immediately understood it! Zou Ruoguang's enemy was this man named Yang Ming!

Well, this would be great. Wei Jin didn't have to hesitate anymore. Since he had already confronted Yang Ming, and this guy was still his cousin's enemy, he promised his cousin to get revenge for him. If he didn't do his cousin a favor this time, when would it be?

Thinking of this, Wei Jin no longer hesitated. He took out his phone and was ready to call someone. Since his uncle didn't want to get into trouble, he wouldn't use his uncle's men! It would be fine if I brought my own men, right?

It was just a matter of borrowing the Immortal Resort territory for a fight. Most probably, his uncle wouldn't say anything.

When Wei Jin was about to call, Zou Ruoguang's eyes stayed on Chen Mengyan. He frowned and carefully looked at Yang Ming, the more he looked at Yang Ming, the more familiar he was...

Suddenly, Zou Ruoguang patted his thigh and shouted, "I remembered it! Hahahaha, Yang Ming, you, pretty boy, are having an affair! Are you not Zhao Ying's boyfriend? How come you are with Chen Mengyan?"

Chapter 927: The Beginning of the Conflict

When Chen Mengyan first entered school, Zou Ruoguang once pursued her. However, before he successfully pursued Chen Mengyan, he was discovered by Chen Mengyan's boyfriend, who found some punks to give him a lesson. Zou Ruoguang still remembered this.

However, at that time, he was fascinated by the beauty of Chen Mengyan, and he did not pay attention to the appearance of Yang Ming. Even if he noticed it at the time, he would forget it afterward. After all, he only saw Yang Ming once.

But at this moment, when he saw Chen Mengyan again, Zou Ruoguang suddenly thought about it. Yang Ming was the boyfriend who appeared beside Chen Mengyan at that time!

No wonder when he was in Mount Jing, he felt that Yang Ming looked familiar. He seemed to have seen Yang Ming somewhere, but he didn't expect it to be like this! With this discovery, Zou Ruoguang was overjoyed. He discovered Yang Ming was having an affair. How could he not expose it?

Although he couldn't beat Yang Ming, and he didn't have the chance to win the love of Zhao Ying or Chen Mengyan, since he could not get them, others could not as well. He wanted Yang Ming to lose everything through this opportunity!

Yang Ming's face changed slightly and looked at Zou Ruoguang coldly. At first, he did not intend to trouble this guy today, but he did not expect Zou Ruoguang to ask for it!

"Chen Mengyan! You still don't know?" After Zou Ruoguang finished the sentence, he continued to say out loud, "Your boyfriend is a playboy. He still has a woman outside. She is called Zhao Ying! You will know if you investigate it. He is cheating on you, hahahaha!"

Chen Mengyan knew about Zhao Ying's matter. Yang Ming pretended to be Zhao Ying's boyfriend, and Chen Mengyan had acquiesced, but at this moment, Chen Mengyan would still be a little suspicious after Zou Ruoguang exposed it.

It was not that she did not believe Yang Ming. In fact, Yang Ming was really a playboy as Zou Ruoguang had said. He was not satisfied after he got Chen Mengyan. He even got Lin Zhiyun and Lan Ling; now there was one more Su Ya...

However, suspicion was just a suspicion. In contrast, she still believed in Yang Ming and would not believe Zou Ruoguang. Last time, she had wronged Yang Ming and Zhao Ying. This time, Chen Mengyan would not be so impulsive!

However, it was really annoying for Zou Ruoguang to keep saying this, so Chen Mengyan looked at him and said naturally, "Oh, I know about that."

"Huh?" Zou Ruoguang was stunned like a sculpture! He was really a bit dumbfounded. Initially, he still wanted to see Yang Ming have a conflict with Chen Mengyan. It was best if they broke up. However, Chen Mengyan actually told him that she knew that!

Of course, Chen Mengyan only said it on the surface. She just didn't want to be like how she was before making a fuss without knowing the truth. She planned to ask Yang Ming later.

Yang Ming was shocked, listening to Chen Mengyan's words. It seems that this little girl has changed. She did not make a fuss without bothering about my face like how she used to be.

He felt delighted. Zou Ruoguang, ah, Zou Ruoguang, you have underestimated Chen Mengyan's IQ. She was once taught a lesson by Wang Zhitao. If my Little Yan still believes you, this dumb*ss, it will be strange.

However, although Zou Ruoguang was astonished, it seemed that he did not believe it. He stared at Chen Mengyan. "Did you really know?"

Yang Ming had endured this dumb*ss for a long time. If Chen Mengyan did not believe him at all, Yang Ming would slap him directly. But now, this guy was still chattering, and Yang Ming suddenly became agitated. He directly kicked Zou Ruoguang down.

Although Zou Ruoguang was a tall man, he was actually a weakling. However, he was a weakling with no one present; when someone was there, he was a bad*ss.

"Cousin, he hit me. You saw it!" Zou Ruoguang shouted at Yang Ming. He absolutely did not dare to go against Yang Ming, but he could let Wei Jin find someone to deal with him.

Wei Jin's face was very gloomy. He didn't intend to deal with Yang Ming, but now Yang Ming not only stood up for Liu Baoqiang and Liu Ting but also beat his cousin. Wei Jin would never let Yang Ming go.

Although Yang Ming was invincible in Song Jiang, he did not know how many people Wei Jin had called through the phone just now. If he used the horde tactic, Yang Ming was not afraid, but Chen Mengyan, Liu Baoqiang, and Liu Ting would suffer!

To ensure Chen Mengyan's safety, Yang Ming needed it to be perfect. Therefore, while Wei Jin made a call, he also secretly sent a text message to Bao Sanli.

Yang Ming's cell phone was in his pocket. He did not have to take it out and could use x-ray vision to operate the phone. So as long as Yang Ming put his hand into his pocket, he could finish the operation. Yang Ming was not willing to risk anything. In his opinion, Chen Mengyan's safety was more important than anything else.

Yang Ming could easily fight a group of people, but he could not fight a group of people while protecting the people around him. Never mind Yang Ming, even if Fang Tian was here personally, he could not protect everyone.

Now it was the problem of which group would arrive first. However, Yang Ming was not worrying about Bao Sanli's efficiency. He was impatient. Moreover, it was Yang Ming's business. He would react immediately.

"Yang Ming, you don't have to be proud. When my people arrive, you will be done for." Wei Jin probably also saw that Yang Ming's skill was not simple, and he didn't want to fight with Yang Ming. He wanted to wait for his men first.

Yang Ming laughed immediately after listening to Wei Jin's words. It was the kind of laughing out loud as though he heard a very funny joke.

"You... what are you laughing at? You will be done for in a while..." Wei Jin was a bit confused by Yang Ming.

"I say, you are stupid, right?" Yang Ming said after laughing. "Wait for your people? Well, before your people come, I will beat you up first!"

"You... don't mess around, or you will die very badly in a while..." Wei Jin was a little scared, and his voice was a bit trembling. He regretted a bit angering Yang Ming with his words before his own people arrived.

"Heh." Yang Ming grinned, revealing a row of white teeth. "If I don't mess around now, are you going to let me go later?"

Yang Ming's words were incredibly ironic. Wei Jin suddenly lowered his head. Yeah, even if Yang Ming did not mess around, would I let Yang Ming go? Obviously, I would not.

Yang Ming saw Wei Jin not talking and sneered, "So, who do you think is more stupid? I really want to see how I die in a while."

Wei Jin's face changed. He observed the power of Yang Ming's kick. A big man like Zou Ruoguang was kicked out by Yang Ming for four or five meters. If he were the one getting kicked, the results could be imagined. "You... you..."

"What you?" Yang Ming glared. "Before your people come and beat me up, I might as well beat you up first!"

The reason why Yang Ming had to deal with Wei Jin first was that he was afraid that Wei Jin would make a sinister move on Chen Mengyan or Liu Ting. Therefore, Yang Ming had to eliminate the enemy's possible actions directly before it happened.

Yang Ming reached out and directly grabbed the hair of Wei Jin who was horrified, then he slammed Wei Jin's head against the door panel of the room.

"Bang!" Wei Jin's entire face was covered with blood. It was unclear whether the blood was flowing from the nose or the head. Wei Jin screamed and began to roll on the ground, covering his head.

He definitely had a slight concussion. Yang Ming was still merciful. Otherwise, if Yang Ming used the full force, he would be in a vegetative state even if he did not die. His head could have exploded on the spot.

When Zou Ruoguang saw Yang Ming being so fierce, he was so scared that he hid in the corner by the wall. His pants were wet. Obviously, he pissed in his pants.

Liu Baoqiang was stunned looking at Yang Ming. He didn't expect Young Master Yang to be so violent. Yang Ming only argued a few words with Wei Jin, but he slammed Wei Jin's face directly. Wei Jin kept rolling on the ground and moaning.

"Don't shout anymore!" Yang Ming kicked Wei Jin again. As expected, Wei Jin no longer moaned in pain, but he fainted directly.

“Let’s go.” Yang Ming looked disdainfully at Zou Ruoguang, who was full of fear, and then he spoke to Chen Mengyan and Liu Baoqiang.

Liu Baoqiang could only react at this time. Yeah, the other party called someone. If we do not leave now when do we leave? He immediately held Liu Ting’s hand, and he followed Yang Ming to walk out of the room.

Although Zou Ruoguang was not unwilling, he did not dare to make any dissatisfaction. He was afraid that Yang Ming would turn back and give him another kick, making him become like Wei Jin.

Previously, Wei Jin had closed the door of the room. The students on the outside didn’t know what was going on inside. When Yang Ming opened the door, they all looked inside. They saw Wei Jin lying on the ground without moving. They were all shocked.

However, they were not fools. Although they were on Wei Jin’s side, no one would stick up for him when they saw Yang Ming coming out with a murderous vibe!

Nonsense, Wei Jin was defeated. They did not want to be the second one. Who would be that foolish? So they all kept silent watching Yang Ming and his group move further away.

However, when the four people arrived at the door of the resort, they saw a group of people who were holding long objects wrapped in cloth. They approached them with a murderous vibe.

Liu Baoqiang was immediately shocked. “Not good! The people that Wei Jin called have come!”

When Liu Baoqiang just finished speaking, he heard the leader among the crowd who was holding a long object shout, “I didn’t expect that I, Brother Penbai, am back again!”

Chapter 928: They Are Liangshan Heroes

After Bao Sanli received the text message from Yang Ming, he immediately mobilized his men. The safety of the boss had been threatened. Could Bao Sanli not be in a hurry? However, Yang Ming deliberately informed in his text message, telling him not to go.

After all, Bao Sanli was now the boss of the security company. He was also a person with a face in society. It was better not to be involved with this kind of gang fights.

But he was just talking about participation, the work still needed to be done well. Bao Sanli immediately found a few of his own capable men and asked them who would do the best at this job.

Later, after being reminded by his henchmen, Bao Sanli remembered that there was a person named Zhang Penbai who came out from Immortal Resort. At that time, because of his misconduct, he was driven out by the owner of Immortal Resort. He joined Ming Yang Security Company under his hopeless circumstances. Now, he was doing his job very well, and he was thriving. He was the number one person who could bear this heavy responsibility.

Letting him go would be great. Zhang Penbai would be familiar with the terrain of the area, and he also had a personal resentment with Immortal Resort! So, Bao Sanli immediately called Zhang Penbai after he thought of this. After Zhang Penbai got Bao Sanli's order, he rallied his men without delay and rushed to Immortal Resort.

The better he mingled in the company, the higher the position, and the more things he would know. When Zhang Penbai learned that Bao Sanli was in awe of Yang Ming, he knew he was lucky that he could still be alive today after he provoked Yang Ming!

Therefore, when Zhang Penbai learned that Yang Ming needed help, he immediately rushed to the Immortal Resort with a team of operators. The license plate had already been replaced with a fake one that was used for this work, so he ran the red lights all the way. He actually arrived earlier than Wei Jin's men.

Yang Ming was shocked when he saw this group of people at first. He didn't expect the people that Wei Jin called to come so fast, but when he saw the person who headed the group of people, he was relieved. When he heard the words of Zhang Penbai, he felt a little amused. How does it sound like the words of the traitor, Hu Hansan [1]?

"Do not worry. He is not a person called by Wei Jin." Yang Ming patted Liu Baoqiang's shoulder and smiled.

"That is...?" After he heard that the person was not from Wei Jin's side, Liu Baoqiang was relieved. However, there were some doubts. How did Yang Ming know? Moreover, such a big man with a murderous vibe always made people involuntarily scared.

"Hehe, they are a group of Liangshan heroes[2]. Knowing that Wei Jin's people are coming to deal with us, they rushed over to help." Yang Ming smiled and said.

"Liangshan heroes?" Liu Baoqiang couldn't believe it. "Could they be the members of the underworld... Were these people all called by you?" Half a beat later, Liu Baoqiang finally reacted. These people seem to be called by Yang Ming.

Of course, Yang Ming would not admit front of Chen Mengyan that he had anything to do with the underworld, and he would not tell them that these people were from the underworld. After he heard Liu Baoqiang's words, Yang Ming smiled and said, "Naturally, they are not. These are the bodyguards I have called from the security company. Their employer is in danger, so of course, they will rush over!"

In a word, Yang Ming turned the underworld identities of Zhang Penbai and others into a group of just people who defended the safety of their employers! Liu Baoqiang naturally did not doubt anything. Especially after guessing that Yang Ming's family should be rich, he would take it for granted! Rich people calling for bodyguards, this seemed to be reasonable.

Chen Mengyan really wanted to ask Yang Ming where he found these people who didn't look like good people, but after hearing Yang Ming's explanation, she was also relieved. The appearance of the bodyguards was naturally fierce, or else, they would have failed in their role to intimidate people.

While they were talking, Zhang Penbai also saw Yang Ming. He quickly ran in front of Yang Ming. "Brother Yang! I am not late, right?"

"No, Wei Jin's people haven't come yet. You all wait here a bit for them. We will leave first. Stop them for me." Yang Ming couldn't say words such as 'Beat them to death' in front of Chen Mengyan, but he winked his eyes toward Zhang Penbai. He believed that Zhang Penbai would understand what he meant.

"Do not worry. Brother Yang! Leave it to me!" How could Zhang Penbai not understand Yang Ming's meaning? He replied with tacit understanding. These hard-earned two promotions made Zhang Penbai learn more about observing facial expressions.

"En, then we will go first." Yang Ming nodded and pulled Chen Mengyan toward the car. Yang Ming was also afraid that if Wei Jin's people came too fast, Chen Mengyan would see the violent scene.

Liu Baoqiang originally didn't want to stay too long. After all, if Yang Ming's bodyguards couldn't stop the people Wei Jin called, it would be awful.

Liu Baoqiang knew the details of Wei Jin. His father was the boss of a real estate company and had a group of men who were similar to the underworld punks. They were tyrannical and fought ruthlessly.

Zhou Xiaoming received a call from Wei Jin, asking him to bring men to Immortal Resort as soon as possible to help him deal with a few guys. At first, logically speaking, Zhou Xiaoming would not be simply swayed in this period. However, what made him helpless was that it was Wei Jin, the only son of President Wei, so Zhou Xiaoming could not ignore it!

Moreover, Zhou Xiaoming was also a person who liked to curry favor. He knew that Wei Dekang was particularly fond of his son. Therefore, as long as Wei Jin was happy, he would be able to win Wei Dekang's favor in the future.

Therefore, Zhou Xiaoming had no time to think about it. He took Zheng Luzi, Niu Xiaobo and a group of people to the Immortal Resort.

Zhou Xiaoming was furious in the hot pot restaurant before. He had spent more than tens of thousands of yuan without a good cause. He was so distressed! This was why he agreed to help Wei Jin without hesitation.

With his understanding of Wei Jin, Young Master Wei had never treated the men who did things for him poorly, so if he went for this, he could at least get a few ten thousand yuan. Although it was not a lot, at least, it could make up for part of the losses.

Zhou Xiaoming drove his own modern business car in front and was followed by a Jinlong van. All the passengers on the van were the workers of the demolition company. All of whom were good at bullying civilians.

However, Zhou Xiaoming did not have the ability of Zhang Penbai. He did not dare simply to change the license plates. He could only follow the traffic rules, so he was more than ten minutes later than Zhang Penbai.

By this time, Yang Ming and the others had already gone far along the downhill road of West Star Mountain.

Zhang Penbai saw a modern car coming slowly with a Jinlong van. He probably guessed it. These may be the men that Wei Jin called for.

So, Zhang Penbai waved his hand and directly went for the modern van.

Zhou Xiaoming got off the car, but he still hadn't figured out what happened. He just saw a group of people coming over here, and suddenly, he was shocked. He didn't know who these people were.

"Are you the guys that Wei Jin called?" Zhang Penbai asked Zhou Xiaoming.

"I... Who are you?" Zhou Xiaoming did not dare to answer Zhang Penbai directly but asked instead.

Zhang Penbai saw Zhou Xiaoming's hesitating look, and he did not suspect otherwise. He waved his hand to his brothers and said, "It is him! Give him a good beating!"

"What about the van behind you?" Zhang Penbai brought too many people. As the words came out, some people in front had already surrounded Zhou Xiaoming and ganged up on him. The rest of the brothers who did not get into the action in front all turned their attention to the men in the Jinlong van.

"Beat them up, too!" Zhang Penbai nodded and ordered.

So, a large group of people was screaming in the Jinlong van. Before those people reacted to what happened, they were pulled out one by one and brutally assaulted until they couldn't even recognize themselves.

This group of people only knew how to bully people from the demolition households. When they met with Zhang Penbai, they were simply a group of good-for-nothings. They were beaten up badly and had no power to fight back.

Zhang Penbai and his men were good fighters. After training in the security company system, they had speed and order. After a group of men was done assaulting, another group of men went up and continued the assault. After this rotation, the people in the group was almost as good as dead.

Of course, Zhang Penbai wouldn't assault people until they were dead, but at most, they would be close to death. However, if this group wanted to get better again, it would be difficult. Don't think about standing up within half a year.

Especially Zhou Xiaoming, all his limbs were completely broken, and he was even worse off than Madman Ma previously. That Zheng Luzi and Niu Xiaobo who came with him were nowhere better. One of them had his ribs completely broken while the other's scalp was half gone.

Zhang Penbai had consistently adhered to the company's "quick fix" concept. In less than ten minutes, the battle was finished. He then threw down a half-dead guy and drove away.

Shortly after Yang Ming left, those students who had a good relationship with Wei Jin quickly found a waiter. The waiter saw Young Master Wei Jin all beaten up and promptly called Sui Yuemin.

Sui Yuemin heard that Wei Jin was beaten up and was immediately shocked. He hurried over and saw Wei Jin in a pool of blood and said, "Who did it? Where are they?"

"It is that Yang Ming! Chen Mengyan's boyfriend..." said the crowd.

Yang Ming? Sui Yuemin was stunned, and he immediately remembered. Yang Ming was the one at the dining table who was even respected by Brother Long. Suddenly, he was a little dumbfounded!

Who was Tian Long? How powerful was he? Sui Yuemin was clear! Never mind himself. Even the Sui Family of Mount Jing and his younger brother, Sui Yuejin, might not be able to provoke!

When he thought of this, Sui Yuemin's tone was not as strong as it was when he came in. He just asked, "Where is he?"

"He left!" Zuo Ruoguang saw Sui Yuemin come. He climbed up from the ground and said, "But cousin has already found someone. Maybe they can intercept them outside the door!"

Found someone? Sui Yuemin was stunned, then he thought, This is bad news. He did not know what relationship Tian Long and Yang Ming had, but Sui Yuemin was clear about what Tian Long did. If he simply found someone, could they be the opponent of Tian Long?

Chapter 929: She Is Sick...

Sui Yuemin was shocked, but he knew that he couldn't control this. In the Sui Family, he was the one in the lowest-ranking. Besides, strictly speaking, Wei Jin wasn't a member of the Sui Family. The power of the Wei Family in Song Jiang was already very strong.

For the time being, Sui Yuemin didn't bother whether Yang Ming and Wei Jin were in conflict. He needed to handle the current matter first.

Sui Yuemin quickly summoned the waiters to support Wei Jin and Zou Ruoguang to help them rest in another room. Then, he said to Wei Jin's classmates, "Sorry, everyone. No one wants to have such an incident to happen. However, Wei Jin has been injured. The class reunion can no longer continue. After a while, I will arrange for dinner and entertainment for everyone. We will also provide accommodations to those who are willing to stay here. For those who don't want it, we can have a car to take you back to the city."

Since these people were Wei Jin's classmates, Sui Yuemin had to deal with them properly. Otherwise, Wei Jin would blame his uncle for losing his face after he woke up. So, the pleasantries still needed to be handled well.

Although everyone thought that with Wei Jin gone, it wasn't quite as cheerful to play together, after all, they had already paid fifty yuan before, and moreover, the arrangement offered was great. So, they all nodded and agreed.

Wei Jin just had a slight concussion. After Sui Yuemin got hold of a traditional Chinese medicine practitioner for massages, Wei Jin woke up. The bruises on Zou Ruoguang were also taken care of.

After doing all this, the traditional Chinese medicine practitioner left, leaving only Wei Jin and Zou Ruoguang in the room.

"Motherf*cker!" Wei Jin endured the pain in his head and said, "I'm really pissed off! I wonder if Zhou Xiaoming's gang intercepted Yang Ming. If they did, beat him up ruthlessly. Beat him up to death!"

"Yeah, that guy is really irritating!" Zou Ruoguang agreed. He had a grudge with Yang Ming already. He would be glad if Yang Ming were beaten to death.

"I planned this so well today, thinking that I will be able to bring the beauty back tomorrow, but I didn't foresee that such an accident would happen!" Wei Jin was angry when he thought of it.

"In fact, the fault lies with Zhao Xiaoyan. If her mission failed, just let it be. She shouldn't say it out in front of so many people!" Zou Ruoguang was very obsessed with Zhao Xiaoyan's ecstasy, but since Zhao Xiaoyan didn't do her job well, even Zou Ruoguang felt it was a bit too much.

"Motherf*cker!" Wei Jin said wickedly, "This slut actually screwed me up! She took my money but didn't do her job well! If she weren't sick, I would f*ck her today to loosen up my hatred!"

"Sick? What sickness?" Zou Ruoguang couldn't help but get shocked by Wei Jin's words.

"AIDS!" Wei Jin sighed and said, "I wanted to let her spread the disease to Liu Baoqiang. In this way, Liu Ting couldn't be with him anyway. I didn't expect... the plan didn't outwit the accident!"

"What...?" Zou Ruoguang was shocked. His face instantly turned pale. "AIDS? In the past... why did you say nothing in your plan?"

"Yeah, AIDS. What's the matter?" Wei Jin looked at Zou Ruoguang with some doubts and thought that Zou Ruoguang was afraid of being implicated after inflicting someone with AIDS. He continued, "It was an impromptu decision made later on. But it wasn't a big deal. The plan had failed. There is no use talking about this."

"Yes... yes..." Zou Ruoguang's voice trembled a little! What? Zhao Xiaoyan has AIDS! Why didn't you f*cking tell me before? I had sex with her more than ten times. For sure, I'm infected!

A hatred suddenly rushed into Zou Ruoguang's mind. He blamed all this fault on Wei Jin and the proprietress who ran the brothel called Sister Gu!

"Cousin, what's wrong with you?" Wei Jin saw that Zou Ruoguang's emotions seemed to be somewhat abnormal, so he asked out of doubt.

"No... nothing..." Zou Ruoguang shook his head. He didn't dare to say that he had already contracted AIDS, but the hatred in his heart was even worse!

If it weren't for Wei Jin looking for his help for a badger game, if Sister Gu didn't find such a sick prostitute, if Wei Jin had told him in advance... then any of this wouldn't have happened!

At this moment, Zou Ruoguang's brain became blank. He even had the urge to kill Wei Jin, but he also knew that it was impossible. However, he wanted revenge. He would certainly retaliate!

He couldn't reconcile. He was only twenty years old, and he had an incurable deadly disease. The good life ahead of him burst like bubbles. What could he do in the future? Never mind the pain caused by the disease. The high treatment fee wasn't something he could afford!

"Cousin, let me go out for a while..." Zou Ruoguang didn't want to stay in this room. He was afraid that he would kill Wei Jin due to his impulsiveness!

Although Zou Ruoguang wanted to do that, he didn't dare. He was afraid that if he couldn't kill Wei Jin fast enough, he would go to jail instead. Moreover, the woman named Sister Gu did not receive the punishment she deserved!

Zou Ruoguang wanted to be quiet and alone. He tried to figure out a plan to kill two birds with one stone, a plan that could finish off Wei Jin and Sister Gu. It was best not to reveal his identity.

"What are you going out for? You are also hurt. It is better for you to rest here!" Wei Jin said with concern.

However, his concern turned into hypocrisy in the eyes of Zou Ruoguang, making Zou Ruoguang felt disgusted.

Just as he was just about to speak, the door of the room was pushed open from the outside. Sister Gu walked in quickly, saw Wei Jin who was injured all over his face, and immediately cried out of fear, "Young Master Wei, what's wrong with you...? I heard that you were hurt. You really scared me..."

"Nothing, nothing. Sister Gu, you can rest assured. I must let the one who beat me pay ten times as much!" As Wei Jin spoke, he reached out and took Sister Gu in his arms. "Don't be afraid. Don't be afraid. It is nothing!"

"You made me so worried..." Sister Gu fell into the arms of Wei Jin and acted coquettishly.

"En, baby. Am I not fine? It's just a bruise..." After flirting with Sister Gu, his desire was immediately stirred up again. He couldn't help but say, "Come, baby. Let's go to bed..."

"Ah... Young Master Wei, your injury..." Sister Gu was shocked. How can he still do that at this time?

"Hehe, I can just not move. You just stay on the top..." A lecherous smile came across Wei Jin's face.

"But..." Sister Gu glanced at Zou Ruoguang, who was sitting there.

Wei Jin immediately understood Sister Gu's meaning, and then said to Zou Ruoguang, "Cousin, were you not saying that you want to go out for a walk? When will you go?"

"Oh, I will go now." Zou Ruoguang hated this pair of adulterers, but he also knew that he couldn't do anything at the moment, so his outward expression was normal.

He stood up and walked to the door. Just halfway through, an evil thought suddenly came into Zou Ruoguang's mind! Zou Ruoguang's face immediately revealed a sinister smile. He opened the door and strode outward.

However, Zou Ruoguang did not go far but stood still at the door of the nearby room. Listening to the sound of moaning from the room, Zou Ruoguang felt that the fire in his body began to boil again... However, hehe, it didn't matter. It would be solved in a while.

Ten minutes later, the sound in the room stopped. Zou Ruoguang scolded in a soft voice. It is really motherf*cking fast. He is faster than me. He is really a fast gunner [1].

After a while, Zou Ruogang saw Sister Gu coming out of the room while she was straightening up her clothes. Suddenly, she found Zou Ruoguang standing at the door and blushed. Although she was a brothel proprietress, she couldn't help but feel embarrassed.

"You... why were you standing at the door?" Sister Gu glanced at Zou Ruoguang and asked curiously.

"It's like this, Sister Gu. I was looking for you because of something..." Zou Ruoguang put away the lecherous expression just now and spoke to Sister Gu sternly.

"Looking for me? What matter do you have to look for me?" Sister Gu was somewhat inexplicable.

"It's about Wei Jin... Ai..." Zou Ruoguang sighed deliberately when he said it. He saw that Sister Gu cared so much about Wei Jin just now. He knew that she was very concerned about Wei Jin, so he deliberately lured her interest.

Sure enough, once she heard that it was about Wei Jin and Zou Ruoguang was saying it in a serious tone, Sister Gu was immediately worried. "What happened to Young Master Wei?"

"Let's not talk about this at the door. There are so many people here. We should find a place where there is no one." Zou Ruoguang pretended to be afraid of Wei Jin and whispered.

"Okay, come with me!" Sister Gu didn't think that Zou Ruoguang would have ill-intentions on her, so she nodded and agreed to Zou Ruoguang's request.

Sister Gu came to her own room with Zou Ruoguang, then she poured a cup of tea for him and sat down. With an anxious look, she asked, "Young Master Zou, what's the matter? What happened to Young Master Wei?"

"Ai!" Zou Ruoguang sighed. "Young Master Wei had offended someone this time!"

"Offended someone? Who had he offended?" Sister Gu was stunned. Of course, she could also notice that Wei Jin was beaten up because he had offended someone, so she asked in a hurry.

"The man he offended is..." As Zou Ruoguang said this, he suddenly stood up and walked over to Sister Gu, putting his mouth to her ear.

Sister Gu thought it was a big shot, and Zou Ruoguang didn't dare to say it loudly. She didn't guard against it. She listened carefully to what Zou Ruoguang was about to say.

"The person he offended is me!" Zou Ruoguang suddenly sneered, then he hugged Sister Gu and pushed her over to the bed.

"You... what are you doing?" Sister Gu was shocked and exclaimed.

Chapter 930: Bad News

Sister Gu was shocked. She didn't expect Zou Ruoguang to push her to the bed at once. She was startled and didn't know what Zou Ruoguang wanted to do.

Sister Gu looked up in a panic and saw Zou Ruoguang's sinister gaze. She suddenly exclaimed, "Young Master Zou, you... what do you want to do?"

"What do I want to do?" Zou Ruoguang laughed with a hehe and pressed Sister Gu to the bed. "I want to f*ck you!"

After listening to Zou Ruoguang's words, Sister Gu was immediately shocked. "Young Master Zou, you... what are you talking about? Are you kidding..."

"Do you think I am kidding?" Zou Ruoguang sneered and began to tear the clothes on Sister Gu.

Even if Zou Ruoguang was a coward, he was a man after all. He was much stronger than Sister Gu. How could Sister Gu be his opponent? She tried to struggle but wasn't successful. She exclaimed, "Help..."

"Hehe, go ahead and shout. The louder you shout, the more excited I am!" Zou Ruoguang said indifferently, "You should be here at Immortal Resort for a long time, right? Don't you know that the door of this room is very soundproof? You can't hear anything outside even if there's a party in the room!"

When Zou Ruoguang and Zhao Xiaoyan had sexual intercourse, Zhao Xiaoyan told him this before. Zhao Xiaoyan's voice was very loud, as if it could go into space. Although Zou Ruoguang also felt very refreshed, he was afraid that Wei Jin would be walking in, so he reminded Zhao Xiaoyan.

Therefore, Zhao Xiaoyan told Zou Ruoguang about the room structure in Immortal Resort. Zou Ruoguang did not expect that this knowledge would come in handy.

After listening to Zou Ruoguang's words, Sister Gu no longer shouted. With such a reminder, she immediately understood that it was useless to scream now.

Moreover, even if someone heard it, it wouldn't be a serious matter. Sister Gu was the proprietress. Many of her ladies also did some role-playing that catered to all different preferences, such as rape, sadism, and masochism (SM), etc. It wasn't rare to hear someone scream for help.

"You do this to me. If Young Master Wei finds out, he will not let you go!" Sister Gu was loyal. If she determined to follow Wei Jin, she wouldn't let another man touch her body.

"Really?" Zou Ruoguang smiled disdainfully. "Do you dare tell Wei Jin?"

"I... why do I not dare?" Sister Gu panicked. Yeah, if Zou Ruoguang rapes me, Wei Jin won't let him go, but what about me?

Sister Gu knew the character of Wei Jin. He was a chauvinistic person. He wouldn't allow his women to be touched by another man, even if it was an accident! At that time, Wei Jin would probably give her a sum of money and then say goodbye to her.

When she thought of this, Sister Gu's face suddenly became pale.

“Hehe! If you want to be fine, you cooperate with me! If you serve me well, you and I won’t say anything. This matter never happened.” How could Zou Ruoguang not understand the character of his cousin? He dared to be so unscrupulous because he knew Wei Jin’s Wei Jin and Sister Gu’s worry.

He was certain that it was impossible for Sister Gu to tell of this matter. It wouldn’t benefit her at all.

“You are shameless!” Sister Gu gave up and said ruthlessly.

“Shameless? Are you pretending? Don’t tell me that you were still a virgin when you met Wei Jin!” Zou Ruoguang snorted.

Sister Gu knew that Zou Ruoguang wouldn’t let her go no matter what, so she simply didn’t talk and let Zou Ruoguang do whatever he wanted.

Zou Ruoguang was right. She wasn’t a virgin anymore. She only had sex with him once; Wei Jin might not know it. It could be over if no one talked about it. However, Sister Gu was afraid that Zou Ruoguang would keep bothering her, so she couldn’t refrain from asking when Zou Ruoguang was f*cking her, “Just this time?”

“Hehe, if you serve me well, it will only be once. If I don’t feel good, then I will find you until I feel good!” To be honest, Zou Ruoguang couldn’t keep harassing Sister Gu frequently. He wanted to frame Wei Jin without him knowing, so he couldn’t expose himself.

Sister Gu naturally didn’t know that Zou Ruoguang’s ultimate goal was to infect her with AIDS, and then use her as a medium to spread it to Wei Jin! When she listened to Zou Ruoguang’s words, she thought that Zou Ruoguang had just seen her flirting with Wei Jin in the room just now, and he had an evil thought. When she thought that she only had to do it once with Zou Ruoguang, she went along with it. She began to twist her body along with Zou Ruoguang’s movement and screamed loudly...

“D*mn! You are really coquettish!” When Zou Ruoguang heard Sister Gu’s scream, he felt her coquettishness. This is more refreshing than that Zhao Xiaoyan. No wonder Wei Jin is obsessed with her!

However, Zou Ruoguang didn’t dare to prolong his enjoyment. After it ended, he hurriedly put on his clothes. He was here for an important matter, so he naturally wouldn’t screw up the matter because of his greed.

“Today’s matter will be over!” Zou Ruoguang put on his clothes and said to Sister Gu, “I will definitely not say it. You decide on your own!”

After that, Zou Ruoguang left Sister Gu’s room. Zou Ruoguang still had some scheming, but it depended on who he used it on. If he used it on Yang Ming, he might be beaten up badly before he could use it. However, if he used it on Wei Jin who was more dumb*ss than him, then it would absolutely be effective.

Zou Ruoguang sorted out his clothes and looked around. After he found no flaws, he returned to Wei Jin’s room. When he first entered the room, he saw Wei Jin listening to Sui Yuemin with a sullen face.

“What’s wrong? Uncle, cousin...” Zou Ruoguang pretended to be concerned.

"The people that Wei Jin found were beaten up at the entrance of Immortal Resort. They can't even stand up!" Sui Yuemin saw Zou Ruoguang coming in and repeated again, "If the patrol security guard of the resort didn't inform me, I wouldn't even know of such an incident!"

"Who did it? That Yang Ming?" Zou Ruoguang was stunned.

"I don't know yet, but Yang Ming didn't do it himself. According to several people who were slightly injured, a group of unknown black-shirted people beat them up as soon as they arrived. They didn't say why, and they didn't reveal their identities." Sui Yuemin shook his head. "But they remembered their car plate number. I have asked my friend to investigate it."

"How is Zhou Xiaoming?" Wei Jin's expression wasn't good. It was no wonder because the twenty people he called were beaten up without fighting back. How would he feel better?

"His injury is the most severe. I am afraid that even if he is cured, he has to stay in the hospital for more than half a year." Sui Yuemin naturally knew that Zhou Xiaoming was a close confidant of Wei Dekang. He had contacted Zhou Xiaoming before. When he rushed to the entrance, Zhou Xiaoming had been beaten up so badly that all his limbs were broken!

Who is so ruthless in doing this without mercy? However, this also made Sui Yuemin even more afraid. Before this, he saw that Yang Ming and Tian Long knew each other. Now it seemed that this Yang Ming could be an underworld boss.

"Does my dad know about this?" Wei Jin sighed. It was impossible to hide from Wei Dekang after such a serious incident.

"He knows. I have already informed President Wei. He is coming over here!" Sui Yuemin nodded.

After Wei Dekang received the call from Sui Yuemin, he was stunned for a long while before he could react! Zhou Xiaoming was severely wounded by someone? All limbs were broken?

Wei Dekang couldn't take it anymore. Just this morning, his driver, Madman Ma, was taken into the hospital. Later, his other confidant also entered the hospital! Wei Dekang was going crazy. He lost his two confidants in an instant. How could he take this?

Wei Dekang cursed. This Wei Jin actually caused me trouble at this point! However, when Wei Dekang knew that Wei Jin was beaten up, he was totally furious!

He yelled on the phone, "Who was it? Who dared to touch my son?"

"I don't know too much. It seems to be a boyfriend of a female student in Wei Jin's junior high school." Sui Yuemin wasn't very familiar with the conflict between them!

Wei Dekang originally took care of his own. Now, his son and his confidants were beaten. If he still sat still, he didn't have to think about doing business in the land of Song Jiang!

Wei Dekang called the company to send him a car and quickly drive him in the direction of Immortal Resort at West Star Mountain.

On this side, Wei Dekang received a call from Sui Yuemin. Yang Ming also received a call from Zhang Penbai.

“Brother Yang. It is done,” said Zhang Penbai.

“Nothing big happened, right?” Because Chen Mengyan was around, Yang Ming couldn’t directly ask if anyone died. He could only hint it.

Fortunately, Zhang Penbai wasn’t stupid. After listening to Yang Ming’s words, he replied, “No one is dead, but the leader probably can’t get up for half a year.”

“En, very good. I will remember this.” When Yang Ming finished, he hung up.

Zhang Penbai, on the other side of the phone, was excited. Since Yang Ming said that he remembered it, then Yang Ming would promote him if there was an opportunity in the future. How would Zhang Penbai be unhappy?

But at the moment, Yang Ming had already begun to think about Wei Jin. Wei Jin didn’t seem like the person who would keep quiet after he suffered a loss. What’s more, this guy was related to the Sui Family. Even that Zou Ruoguang was vengeful, let alone Wei Jin.

Although Yang Ming wasn’t afraid of him, he only retaliated when someone provoked him. Am I being too merciful? D*mmmit, I didn’t want to bother them, but they thought I was a coward instead.
