

Chapter 11

Chapter 11:

Alayana's POV

"Alpha Isaac..."

I don't know from where I got courage but when Alpha Isaac turned to leave I almost shouted to stop him from leaving..

He stopped his steps and turned sideways. He looked irritated and his eyes were dangerously looking at me..

I gulped hard in fear.. not knowing if I should say it or not..

"Alayana.. Don't.. Don't say.. He looks like a cheetah.. Don't become his prey by angering him more.." Misty stood between us and tried to stop me but her transparent hands can't hold me..

"If you have anything to say.. say soon.. I don't have time to spend the whole day here.."

I jerked in fear as he turned and came back to my bedside..

Olivia and Clarke looked at me and shook their heads.. Everyone wants me to surrender and be a breeder but my heart and soul want to be free from these pains..

So I gathered all my courage and raised my head.. "Alpha Isaac.. Thank you for buying me.... I will work as a maid and pay you back soon.."

Isaac squinted his eyes and looked at Beta..

He lowered his head without saying anything...

"Do you think he is short of maids? Alayana.. stop getting into trouble.. He won't agree.." I heard Misty's worried voice beside him..

"Huh? You want to be my maid?"

Ollie made his sister Olivia leave our ward as he understood their Alpha is triggered..

"Do you think I am crazy to buy a maid for thirty million?" He puffed coming near me..

"Thirty Million!! Your father and stepmother are really lucky to have you.. now they might be enjoying themselves with that much money...." Misty smirked

"Look at me girl.." I heard his irritated voice when he saw me looking in the air.. of course Misty is standing there but no one can see her except me..

I formed a thin line with my lips thinking deeply how to answer but when his cold hand touched my chin I shivered..

"Clarke.. how do you want to impregnate her? Naturally or you will induce my sperm into her?" He asked, looking into my eyes..

I wanted to shake my head but he caught my chin tightly.. From corner of my eye I looked at Clarke and pleaded her not to say.. but she have to answer her Alpha

"As she is weak.. it's better if you do it Naturally Alpha.. There will be high chances in that way.." she avoided my eyes. I can't blame her as I knew she can't go against her Alpha to help a stranger..

"Give us some time to remove wolfbane from her blood and make her strong enough to bear your pups.... then you can proceed Naturally.." Clarke gave her answer and moved back

"No.. I don't want to.." I cried and pushed his hand away.. he was hurting me knowingly or unknowingly..

He smirked "Everyone leave.." He ordered

"Alpha.." Mr.Ollie said in a worried tone..

"I said leave.." He said in Alpha tone.

"I will work for you till I pay back the amount in full.. I want to be a maid.. Please... I don't want to be a breeder" I started to plead once everyone left the ward.. I became desperate because I want to live freely..

He saw her begging but didn't his stone cold heart didn't melt.. He closed his eyes for a moment and when he opened he became a ruthless Alpha.. He gave me a deathly glare..

"I never tasted a weak duckling Alpha.." He smirked and walked toward me.. I walked back with fear till I hit the wall. He closed the gap between us and took me by the waist.. His gaze was sharp at me..

"I am not weak." I said in a low tone and tried to push him away.. But his solid body didn't move an inch.. I could not breathe properly because of his aura.. It was dangerously emitting inside the room..

"I will make you beg me for pleasure..." His words disgusted me. I didn't talk back as his Alpha tone was overbearing.. I feel weak wherever he is touching me..

"You will be my toy till you get pregnant.." I turned my head away with disgust but he touched my cheek roughly and caught my chin. He made me look into his eyes.. His hand covered my neck and gripped it hard..

"I will come to you every night to f**k you.." His eyes became devilish as if he was looking at his prey.. Suddenly I felt scared of him more.. and my breathing became suffocating.. He is pressing my windpipe to make me suffer...

My eyes become red while I shake my head slowly... "No... no.." I murmured and I forgot to breathe in his presence.. He was scaring hell out of me..

"Girl.. You will be lucky if you get pregnancy soon otherwise I will have my ways to **fk you..**" **I dropped my eyes not able to hear such f*y words..** Tears rolled down my cheeks when he loosened his grip.. I don't want to believe that my father sold me as a breeder.. I can't accept it..

"If you agree or not.. it doesn't matter.. spread your legs when I come to you.." He pushed me back again and the tip of his nose touched my cheek while I looked at him scarily.. He nibbled on the crook of my neck and kissed my sensitive places...

"Remember I am your Alpha from now on and don't you dare to say no..." he said huskily and pushed me back fiercely.. His cruel and harsh words made me fall back on the ground..

Once he was done, he opened the door and went out..

I looked up in between cries as he left... I wanted to follow and beg more but I was scared.. He looked more dangerous than my father and stepbrother.. My legs became weak and I fell down again..

"I want her soon.." He ordered Clarke before leaving.. All my energy was gone when I heard his voice from outside.. I cried by folding my legs together..
