

Sold To Alpha Isaac

Chapter 8:

“Stop..” Ollie said when Mac was beaten in and out fully.. He didn’t observe my hand as he was busy sending money to my dad’s account.

“My son...” she went to Mac’s side, leaving my hand... I saw the purple bruise on my hand became red again.. She used all force to let me feel the pain her son was feeling..

"My son.." she cried, crouching down beside him.. He was bleeding and I think his bones were crushed.. It would take a month for him to recover..

“Mac treated you like a sister but you always had eyes on my son. How did you become such shameful sl**t to bully my son? Now that you are leaving, you made my son beat up.. Alayana.. You are cruel.. You don’t even have a heart.. I will see how you will survive in your new pack with that malicious heart..”

Mr.Ollie didn’t let my stepmother beat me when she pounced on me.. He warned her with a calm yet threatening tone “From now on, Miss. Sangster is Alpha Issac’s exclusive property.. Better if you behave properly with her.. Otherwise...”

He gave a warning look to my stepmother and father... His aura made me step back in fear.. I don’t want to go with him..

'Misty.. I don’t think I will be safe there Misty..' I screamed in my mind with fear..

“Sure..Mr.Ollie.. Please leave with my daughter.. I will take care of matters here..” my father spoke with a smile.. He pulled my step mother back and gave her a warning look to control herself.. I think my father already received money so his is happy.. He didn’t even felt a bit of remorse..

Ollie turned to me "Miss.Sangster.. Please follow us.."

Surprisingly when Mr.Ollie looked at me he was not angry anymore.. Instead he looked calm and gentle as if the person who warned my parents was not him..

“Miss.Sangster.. We should leave now..” he reminded me again when I was looking at my father.. His words stressed this time as if he doesn't want to wait anymore..

But I stood there rooted and my body didn’t move till Misty’s wind blew beside me.. I think she is very excited to see the new pack but my eyes looked at my father one last time...

With disappointment I nodded my head and turned around to descend steps.. I am sure Mr.Ollie also saw the disappointed look on my face as he shook his head when he saw my father didn't even look at me..

“Breeder!!! But.. she looks more beautiful like Luna..”

I heard a girl's voice by the time I woke up. ‘Misty...’ I called her in my mind but I didn't get a response.. I don't know if she is able to come out of our pack or not as I didn't see her since I sat in Mr.Ollie's car.

I didn't open my eyes as fear consumed me. I don't know why they are saying I am a breeder when my father sold me as a maid.. I smelled disinfection smells which made me open my eyes a little to see where I am..

“I agree.. But no one can go against fate.. She is sold to our Alpha by her father.. I think she is not treated well at her parents house.. See.. she has so many bruises on her legs and hands.. I wonder who did this to her..” another girl's voice came from my right side.. She is applying something on my hands and I assumed she might be Blackash pack's doctor..

“OMG!! Why does she have so many? Isn't she a werewolf? What is her age brother?”

With my eyes closed I wondered who this girl's brother was.. I heard the reply lately as if the person was hesitating to say..

“Seventeen..”

‘Mr.Ollie’ when I heard his voice I felt better and was about to open my eyes but the next words from girls stopped me

“She is still seventeen!! And a breeder!!”

“Is it possible?”

“Our Alpha had tried with many she wolf alpha's who are above 18 and no one got pregnant.. Then how are you sure she will get pregnant with our alpha, that too without mating?” whom I assumed as Mr.Ollie's sister started to ask without giving him a chance..

A she wolf cannot get pregnant without being marked by our mates. Only omegas can get pregnant without mating. But I am an alpha by blood and no one but my mate can make me pregnant.. I felt happy thinking of this..

“Oliva.. It's because she doesn't have a wolf, it's highly possible to get her pregnant” Doctor's voice made me tremble.. She didn't observe me while adjusting saline flow..

“Is she Omega?”

“No.. an Alpha by blood.. Our Alpha wants only a she alpha to give birth to his heir.. Clarke, run all the tests and make sure she is suitable for breeding..” Mr.Ollie said

“Sure..” she then went to instruct a nurse. I wanted to stop them but I couldn’t as I felt weak.. My back became worse after sleeping for long time..

“Does she need to fight against our Alpha?” Oliva asked as she cannot control herself from asking all her doubts..

Alpha Issac fought with She wolf Alphas before trying to breed with them. If She wolf wins they can get a wish from Alpha Issac but if they are lost, they have to obey his orders.. What will happen if Alayana has to fight with Alpha Issac?

No one were able to defeat him till now.. So they agreed to become pregnant.. but their bodies rejected within a month.. like they would bleed immediately after injecting Alpha's sperms.. None of them were able to successfully get pregnant..

Someone suggested that a she Alpha without wolf can bear him a heir without complications..

When they were searching for suitable breeder, Alayana’s father approached to sell his daughter for money...
