Chapter 4571 Old Xiao, You're Really Lucky!

Xiao Tian Ci was very clear about his intentions in the Voice Transmission. Old Meng, the supreme powerhouse of the Jade Tide Heavenly Mansion, whose existence many people were unaware of, was eager to enter the Heaven Traversing Pagoda and obtain the Heaven Protection Talisman to fight for his survival.

When Duan Ling Tian was in the Jade Tide Heavenly Mansion, he had heard about Old Meng. Many thought he was dead, and some knew he was still alive, living in seclusion while guarding the Jade Tide Heavenly Mansion. With Xiao Tian Ci's message, he learned that Old Meng was nearing the end of his life. If the Heaven Traversing Pagoda did not appear, Old Meng would likely die during his upcoming once-in-10,000-year Heavenly Tribulation.

When the Heaven Traversing Pagoda appeared, and Feng Qing Yang blocked the entrance, Old Meng could only return to the Jade Tide Heavenly Mansion. After all, he feared Feng Qing Yang's strength. Later, he learned that Duan Ling Tian, who joined the Jade Tide Heavenly Mansion, was Feng Qing Yang's disciple. For this reason, he asked Xiao Tian Ci to contact Duan Ling Tian, hoping that Duan Ling Tian would help him to enter the Heaven Traversing Pagoda.

At that time, Xiao Tian Ci could not find Duan Ling Tian in the Outer Boundary and the God Defying World. As such, he had no choice but to send a message to Feng Qing Yang.

However, Feng Qing Yang did not agree since he was not sure if Xiao Tian Ci was lying about his connection to Duan Ling Tian. He had told Xiao Tian Ci that they would speak about the matter again after Xiao Tian Ci spoke to Duan Ling Tian.

Now that Duan Ling Tian relayed Xiao Tian Ci's message to Feng Qing Yang, he shook his head and said with a smile, "He also sent me a message in the past. He said that you had ties with the

Jade Tide Heavenly Mansion and asked if I could allow his elder to enter the pagoda. I was not sure if he was lying so I didn't agree and asked him to contact you instead."

Duan Ling Tian smiled wryly. Unexpectedly, Xiao Tian Ci, the Palace Master of the Golden Dragon Palace, was treated like a liar by his master.

Feng Qing Yang continued to say, "Since you know them, tell him to call that elder over. Now that there are so many entrances to the pagoda, it's impossible for us to prevent everyone from entering the pagoda. Moreover, I never thought of killing people indiscriminately. I really don't have it in me to do such a thing. I didn't guard the pagoda to spite those people. I'm also not worried about them possessing strength comparable to mine. In my life, I've never been afraid of competition. I only guarded the pagoda because I was dissatisfied with heaven. What were all my hardships for if heaven was going to give everyone a shortcut?"

After listening to these words, Duan Ling Tian knew that his master did not change at all even though so many years had passed. His master still stuck to his principles and was not afraid of competition.

"I'll pass on the message," Duan Ling Tian said with a nod. Then, he sent a message to Xiao Tian Ci, saying, "Palace Master, there's no need to be so polite with me. There's no need to address me as 'Lord'. Just tell the Saint to come to the pagoda. Also, you have a way to contact the two Saints of the Azure Cloud Saint Sect, right? Tell them that they can enter through the main entrance once they complete the task I entrusted them with."

Duan Ling Tian wanted to motivate the two Saints from the Azure Cloud Saint Sect with this.

Xiao Tian Ci chuckled and replied, "I wasn't trying to be polite. It was of my own will when I addressed you as 'Lord'. I'll change the form of address when we meet. Thank you."

...

Xiao Tian Ci quickly relayed Duan Ling Tian's message to Old Meng.

When Old Meng heard that he could go to the Heaven Traversing Pagoda immediately, he was surprised.

"They agreed so easily?" Old Meng asked. Then, he said warily, "Tian Ci, are you sure? What if Duan Ling Tian and his master are only luring me into a trap?"

Xiao Tian Ci smiled wryly. "Old Meng, even if they have bad intentions, there's no need for them to go to such an extent. Moreover, Duan Ling Tian is a member of the Golden Dragon Palace. You can go there with peace of mind."

Xiao Tian Ci trusted and did not doubt Duan Ling Tian at all.

"Alright."

Old Meng felt that Xiao Tian Ci's words made sense. In fact, he also felt similarly. He just wanted some reassurance. He did not waste time and quickly made his way to the Heaven Traversing Pagoda above the center of the sea. He was already familiar with the journey there. Previously, when the pagoda just appeared, he and the other Saints and World supreme powerhouses had gone to the pagoda but were barred from entering. At that time, he could only sigh helplessly and return. Feng Qing Yang was too strong; he could not afford to provoke Feng Qing Yang.

After speaking to Old Meng, Xiao Tian thought about it for a moment before he muttered to himself, “The Azure Cloud Saint Sect should have deactivated their Voice Transmission barrier by now, right?”

Xiao Tian Ci quickly sent a message to his old friend, a level-four supreme powerhouse who was almost as strong as a demi Saint who had a high status in the Azure Cloud Saint Sect. He greeted the other party and relayed Duan Ling Tian’s message.

“Duan Ling Tian?”

The other party gasped in disbelief. He also knew about Duan Ling Tian killing one demi Saint from the Azure Cloud Saint Sect and two demi Saints from the Fu clan. He had also heard about how Duan Ling Tian’s strength had overwhelmed that of the two Saints of the Azure Cloud Saint Sect. With Duan Ling Tian’s strength, he could easily annihilate the Azure Cloud Saint Sect.

“Old Xiao, are you very familiar with Duan Ling Tian?” the other party asked.

Xiao Tian Ci had not contacted his old friend for many years so the other party was rather surprised by his message.

“Sort of,” Xiao Tian Ci said before he told the other party of his and the Jade Tide Heavenly Mansion’s connection to Duan Ling Tian before Duan Ling Tian entered the Forbidden Realm and survived the Fatal Heavenly Tribulation.

“Old Xiao, you’re really lucky! You actually have such a connection to such a person,” the other party said enviously. He asked, “By the way, what’s the relationship between Duan Ling Tian and Duan You Wei, the demi Saint from the Duan clan governed by the Jade Tide Heavenly Mansion?”

The two Saints of the Azure Cloud Saint Sect were not familiar with Duan You Wei, but he was rather familiar with her. He also knew that Han Jiang had been captured and imprisoned in the Azure Cloud Saint Sect, awaiting Duan Ling Tian's arrival. After hearing about what happened, it was not difficult for him to figure out that Duan Ling Tian must have had a good relationship with Duan You Wei.

"Duan Ling Tian joined the Duan clan in the past and became Duan You Wei's sworn brother," Xiao Tian Ci replied.

In the past, Duan Ling Tian had approached Xiao Tian Ci and asked Xiao Tian Ci to look after the Duan clan. At that time, he also learned of Duan Ling Tian's relationship with the Duan clan.

"Why are you asking about this?" Xiao Tian Ci asked curiously.

"So that's what happened..."

The other party then recounted what happened to Xiao Tian Ci. He told Xiao Tian Ci about what happened in the Azure Cloud Saint Sect's territory.

Since the news had yet to spread, Xiao Tian Ci was naturally unaware of it. He sighed as he muttered to himself, "It seems like he really regards Duan You Wei as his sworn sister."

At the same time, Xiao Tian Ci decided to treat the Duan clan more kindly in the future.

Chapter 4572 The First Challenger of the Heaven Traversing Pagoda

After ending the conversation with Xiao Tian Ci, Xiao Tian Ci's friend quickly sent a message to his junior uncle, who was the direct disciple of Zhao An Yi, the first Saint of the Azure Cloud Saint Sect.

The other party quickly reached out to his master.

...

'Xiao Tian Ci from the Jade Tide Heavenly Mansion?'

Zhao An Yi was searching for the entrance to the Heaven Traversing Pagoda when he received his disciple's message. He was naturally surprised by the sudden windfall.

'The Jade Tide Heavenly Mansion has such deep ties with Lord Duan? How could they be so lucky?'

Zhao An Yi was extremely jealous of the Jade Tide Heavenly Mansion.

'Fortunately, Lord Duan didn't forget to include me and Guo Lin and allow us to use the main entrance of the pagoda. Also, I can't believe that Lord Feng is Lord Duan's master...'

The appearance of the first two level-seven supreme powerhouses from the same World after the gap in history was already extremely shocking. It was even more shocking that the two were master and disciple.

After that, Zhao An Yi also learned about Duan Ling Tian's relationship with Duan You Wei from his disciple. He thought that the two Saints of the Fu clan, Han Jiang, and Tuoba Lian Cheng were truly seeking death by killing the sworn sister of such a terrifying person.

Subsequently, Zhao An Yi also sent a message to Guo Lin who was searching for Tuoba Lian Cheng.

After telling Guo Lin everything, Zhao An Yi added, "There's no need to worry about the Heaven Traversing Pagoda anymore. Just focus on finding Tuoba Lian Cheng. This is your top priority. Have you found any clues yet? Do you need my help?"

After Guo Lin said that he did not need Zhao An Yi's help, Zhao An Yi did not return to the Azure Cloud Saint Sect. Although he no longer needed to search for the entrance to enter the Heaven Traversing Pagoda and had no plans of entering the pagoda yet, he still made his way to the Heaven Traversing Pagoda.

...

When Zhao An Yi was near the Heaven Traversing Pagoda, he ran into Old Meng, the Saint of the Jade Tide Heavenly Mansion.

"Old Meng!"

Zhao An Yi could not help but sigh at the sight of Old Meng when they met again after so many years.

Old Meng was already a famous supreme powerhouse in the Jade Tide Heavenly Mansion when Zhao An Yi was still young. He was like a fossil.

“Little Zhao?”

Old Meng was dressed in a Taoist robe. He was skinny and looked young for his age. He asked, surprised, “Are you going to enter the Heaven Traversing Pagoda as well?”

“Yes,” Zhao An Yi replied with a nod, “My direct disciple told me that Lord Duan has granted Guo Lin and me permission to enter the pagoda through the main entrance. However, I’m not planning to enter the pagoda yet. I came to express my gratitude to Lord Duan and greet Lord Feng.”

Zhao An Yi only met Duan Ling Tian, not Feng Qing Yang. He had only seen Feng Qing Yang from a distance previously. When he saw Feng Qing Yang subdue the World supreme powerhouses from the Three Upper Worlds, he quickly retreated. Just like Duan Ling Tian, Feng Qing Yang was much more powerful than Saints. He naturally would not miss an opportunity to meet Feng Qing Yang. He was not in a rush to enter the Heaven Traversing Pagoda so he decided to observe the situation first.

Old Meng sighed and said with a wry smile, “I supposed you’re not in a hurry. I heard that you survived the Heavenly Tribulation with minor injuries. Alas, unlike you, my time is limited. I just want to obtain the Heaven Protection Talisman as soon as possible. I don’t know how difficult the tests in the pagoda will be, but they certainly won’t be easy. I might even injure myself during the tests. In any case, I need the talisman so I can enter the Forbidden Realm and face the Fatal Heavenly Tribulation before my once-every-10,000-year Heavenly Tribulation arrives.”

If Old Meng survived the Fatal Heavenly Tribulation, he would become a level-seven supreme powerhouse. With that, his strength would increase, and it would be easy for him to overcome his upcoming Heavenly Tribulation. As a result, his life would be extended.

...

Duan Ling Tian and Feng Qing Yang were still at the Heaven Traversing Pagoda when Old Meng and Zhao An Yi arrived together.

“That’s fast. Did you already capture them?”

Duan Ling Tian was surprised to see Zhao An Yi, thinking that he had captured the two demi Saints so quickly.

“Lord Duan,” Zhao An Yi greeted Duan Ling Tian before he said, “I’ve already captured Han Jiang, and Guo Lin is searching for Tuoba Lian Cheng. It won’t be long before Guo Lin catches him. I only came here to express my gratitude to you for allowing me to enter the pagoda through the main entrance.”

“It’s nothing. Moreover, my master won’t stay here for long. He’ll be leaving in half a month at most,” Duan Ling Tian said.

The 30-something entrances should be found within half a month so there was no longer any point in staying here.

At this time, Zhao An Yi looked at Feng Qing Yang and greeted Feng Qing Yang respectfully.

“The Azure Cloud Saint Sect’s Zhao An Yi greets Lord Feng!”

Although Feng Qing Yang and Duan Ling Tian were younger than Zhao An Yi, Zhao An Yi was very respectful. Even if he successfully became a level-seven supreme powerhouse in the future, he knew he was no match for the duo. After all, based on their heaven-defying innate talent, they would definitely surpass him again. Unlike everyone, the duo did not need the Heaven Protection Talisman to overcome the Fatal Heavenly Tribulation.

Although Feng Qing Yang's Fatal Heavenly Tribulation was not as powerful because he faced them when he was an intermediate Supreme God, the fact that he had comprehended the law to the paramount stage and the Sword Dao to the seventh stage as an intermediate Supreme God was unheard of. Such a person was destined to be extraordinary.

Following that, Old Meng quickly greeted the duo as well.

“Meng Han greets Lord Duan and Lord Feng.”

Similar to Zhao An Yi, Meng Han was also respectful to the duo despite being much older.

Duan Ling Tian had ties with the Jade Tide Heavenly Mansion, but Meng Han knew that the ties were mostly to Xiao Tian Ci. It did not have much to do with him at all.

“I’ve already spoken to Palace Master Xiao before. You can enter the pagoda,” Duan Ling Tian said with a nod. It was his first time meeting Meng Han so it was only natural that he was a bit distant.

“Go ahead,” Feng Qing Yang. He could tell that Meng Han was eager to enter the Heaven Traversing Pagoda. He added with a slight smile on his face, “You’ll be the first person to enter the Heaven Traversing Pagoda.”

“Thank you for your understanding, my lords,” Meng Han said, barely able to contain his excitement.

With a flash, Meng Han disappeared into the Heaven Traversing Pagoda after he finished speaking.

With this, the Heaven Traversing Pagoda finally received its first challenger after it appeared!

Chapter 4573 Duan Ling Tian Reunites With His Family; Huan'er Is Injured

Zhao An Yi stayed for a while and chatted casually with Duan Ling Tian and Feng Qing Yang. Before he bade farewell, he made it clear to Duan Ling Tian that he would help Guo Lin, his junior nephew who was also a Saint, to look for Tuoba Lian Cheng. He said he would send a message to Duan Ling Tian as soon as he found Duan Ling Tian. For this reason, he asked Duan Ling Tian for a Soul Pearl to facilitate communication.

After Zhao An Yi left, Duan Ling Tian also bade farewell to Feng Qing Yang. He returned to the God Defying World and went to the mundane realm where his family was staying. However, many of them were no longer in the mundane realm. Only his parents, Li Fei, Feng Wu Dao, and Feng Tian Wu were the only ones left in the mundane realm. Feng Wu Dao had gone out a few days ago and had yet to return so he was not present.

“Little Tian, were you the one mentioned in the heavenly text? Or was it someone with the same name?”

Duan Ru Feng and Li Rou were pleasantly surprised by Duan Ling Tian's return. They were also curious. Although they felt that the person mentioned in the heavenly text was likely their son, they were not 100% certain. However, if their guess was right, they knew their son would return to them soon, and they were proven right.

“Congratulations, Brother Tian.”

Li Fei and Feng Tian Wu looked at Duan Ling Tian with affectionate gazes. His achievement brought them a sense of peace. Although they did not express it in the past, they had always been worried about his safety. After all, the path to becoming a supreme powerhouse was fraught with life-threatening danger and hardships. It was a pity they could not help him.

Duan Ling Tian looked at the women and said gently, “From now on, there’s no need for you to stay hidden.”

The years had not been easy for these women, and he also finally managed to cure Ke’er.

The four people began to ask about Ke’er’s well-being. They knew that one of the major reasons Duan Ling Tian had worked so hard was to cure Ke’er.

“Master removed the Soul Imprisonment Technique for Ke’er. After I broke through, I went to the Xia clan in the Divine Offering Land and brought her into my Little World,” Duan Ling Tian said as he brought his parents, Li Fei, and Feng Tian Wu to his Little World to see Ke’er, who was still unconscious.

“Ke’er is in good condition. She should be able to wake up in a few years thanks to the care of the Divine Tree of Life and the World Cleansing Divine Water in my Little World.”

Everyone sighed in relief.

Ke'er was the first person to accompany Duan Ling Tian. When Duan Ru Feng was still missing, she had spent a long time with Li Rou as well. In the end, their relationship was like that of a mother and daughter.

"That's good. I'll wait for Ke'er to wake up," Li Rou said, sighing in relief.

Li Fei and Feng Tian Wu nodded. Ke'er was like a sister to them after all.

After that, Duan Ru Feng and Li Rou urged Duan Ling Tian to spend time with Li Fei and Feng Tian Wu. Now that Ke'er was no longer in danger, it was also time to give Feng Tian Wu a proper name.

Duan Ling Tian agreed with his parents.

...

When Feng Wu Dao returned a few days later, he was surprised to see Duan Ling Tian.

"Uncle Feng," Duan Ling Tian greeted. Although he was much stronger than Feng Wu Dao, he did not put on air. After all, not only was Feng Wu Dao Feng Tian Wu's father, but he had also helped him with his cultivation in the past.

"Little Tian."

Like the others, Feng Wu Dao was also happy when he learned that Duan Ling Tian was the person mentioned in the heavenly text.

“How amazing! I didn’t expect you to surpass everyone in the Outer Boundary and the Myriad Worlds so quickly! Your master is just as amazing!” Feng Wu Dao said, laughing heartily. He was naturally happy for Duan Ling Tian, his soon-to-be son-in-law

After a while, Feng Wu Dao asked, “How’s Ke’er?”

Duan Ling Tian briefly told Feng Wu Dao about Ke’er before he said, “Uncle Feng, my parents said that they’ll formally approach you to propose marriage to Tian Wu.”

Feng Wu Dao was stunned, but a wide smile soon appeared on his face. “Very good! I’ll be waiting for them! Does Tian Wu know? She’ll be overjoyed if she knows!”

Feng Wu Dao only had a daughter. He was naturally ecstatic that she would be marrying Duan Ling Tian.

“Uncle Feng...”

Feng Wu Dao smiled and interjected, “It’s time you address me differently.”

Duan Ling Tian smiled. “Father-in-law...”

Duan Ling Tian quickly explained his plans to Feng Wu Dao. He planned to meet the Lords of the God Defying World to speak about creating his own Realm of Gods.

Based on his current strength, it would only take up a small space in his Little World to create a Realm of Gods comparable to the sizes of the existing Realms of Gods.

“If anyone wants to stay in my Little World to accompany me, they can do so. Otherwise, they can stay in my Realm of Gods. It’ll be safe since it’s a part of my Little World.”

Feng Wu Dao’s eyes lit up. He could not wait to go to a Realm of Gods and had been looking forward to it for years.

...

Half a year later.

Huan’er returned, and Duan Ling Tian was shocked to discover that she had become an advanced Supreme God. He knew she must have rushed back after seeing the heavenly texts.

“Huan’er.”

“Brother Tian.”

The slender woman rushed into Duan Ling Tian’s arm like a gentle breeze.

Duan Ling Tian sighed inwardly. Although Huan'er had the advantage thanks to the legendary divine beast, it was not easy for her to come this far. He knew the reason behind her diligence so he felt sorry for her.

“You’re injured?”

It did not take long for him to notice that Huan'er suffered serious internal injuries. It was so serious that even her Little World was in a mess.

Duan Ling Tian's expression was dark as he asked her who had hurt her.

Huan'er told him that when she saw the heavenly text, she knew that it was him. Hence, she rushed back to the mundane realm immediately. However, during the journey back, she was attacked. Fortunately, she managed to escape after an intense battle. Her opponent was a female direct descendant of a supreme powerhouse from a demi-saint-rank force. Apparently, the other party attacked her for no other reason than Huan'er wearing a veil.

Chapter 4574 The Mystic Crystal Sect

Duan Ling Tian gave Huan'er a healing pill before he used his ability to heal her injuries. The Divine Tree of Life and the World Cleansing Divine Water also helped greatly with healing her injuries. In the end, she only needed to wait to fully recover. It would take about a few months for her to return to her peak state.

While Duan Ling Tian was healing Huan'er, he also discovered a divine mark on Huan'er. It was obvious to him that it was left by an expert in soul techniques. If Huan'er were to step foot into the Outer Boundary again, the other party would be able to roughly sense her location as long as she was within a certain distance.

After removing the mark, he asked, seething in anger, “Huan’er, you’re sure the person who attacked you is from a demi-saint-rank force?”

It had been a long time since Duan Ling Tian had felt such anger.

‘How dare that piece of trash hurt Huan’er? If she didn’t have the life-saving trump card left by the legendary divine beast, she would have died!’

“Brother Tian, don’t rush to seek revenge for me. You just returned so you should spend some time with Uncle Feng, Aunt Rou, Sister Fei, and Sister Tian Wu,” Huan’er said.

Huan’er was very considerate as usual. However, the more considerate she was, the more Duan Ling Tian felt distressed for her.

“Don’t worry. It’ll be done in a day. Come with me.”

With Duan Ling Tian’s strength now, his speed was naturally astonishing. It was very easy for him to travel through space. It would not take much time for him to go to the Outer Boundary from here, and he could easily travel from one end of the Outer Boundary to the other end within a day.

...

The Mystic Crystal Sect was a demi-saint-rank force in the Sacred Wind Realm, which was governed by the Flower Moon Divine Sect, a saint-rank force.

The Mystic Crystal Sect had a demi Saint and a quasi Saint. For this reason, the sect was quite respected.

At this moment, an old woman in the Mystic Crystal Sect suddenly frowned and murmured, “Someone removed my mark on that wretched woman? The other party must be an extraordinary peerless advanced Supreme God or a supreme powerhouse. I didn’t expect that wretch to have the support of someone so powerful. I must report this to the Young Miss immediately.”

The old woman was very confident about her soul techniques. Although she was not an extraordinary peerless advanced Supreme God, she was considered peerless among those below the realm of peerless advanced Supreme Gods. She had also studied soul techniques for many years and had achieved a lot. She was confident that no one at or below her realm in the Outer Boundary could defeat her in terms of soul techniques. Even if such people existed, they were as rare as a phoenix feather.

The old woman did not waste time and quickly reported the matter to Guo Yao Le, the only daughter of the Vice Sect Leader of the Mystic Crystal Sect.

“What?!”

A frown appeared on Guo Yao Le’s pretty face upon hearing the old woman’s report. After a moment, she scoffed disdainfully and said, “So what if she has the support of an extraordinary peerless advanced Supreme God or a supreme powerhouse? Do you think she dares to seek revenge from the Mystic Crystal Sect?”

Although Guo Yao Le’s father, the Vice Sect Leader of the Mystic Crystal Sect, was only a level-one supreme powerhouse, her great-grandfather was a level-four supreme powerhouse; the quasi Saint of the Mystic Crystal Sect. Her great-grandfather was predicted to become a demi Saint in fewer than 10,000 years. For this reason, not many people dared to offend Guo Yao Le.

“That deceitful and lowly b*tch! How dare she ignore me when I told her to remove her veil! That was the first time I met someone who dared to defy me! What a pity that she managed to escape. Since she managed to escape, the person behind her must be a supreme powerhouse. Even an extraordinary peerless advanced Supreme God isn’t capable of giving her such a powerful life-saving method unless he or she obtained it from a supreme powerhouse.”

As the daughter of a supreme powerhouse, Guo Yao Le naturally knew that powerful supreme powerhouses liked to recruit extraordinary peerless advanced Supreme Gods. When this thought appeared in her mind, she frowned slightly, but then the frown quickly eased away.

‘So what if there’s a powerful supreme powerhouse involved? Are they really going to make an enemy out of the Mystic Crystal Sect for a lowly woman?’ Guo Yao Le thought to herself with a sneer on her face.

...

The Jade Tide Heavenly Mansion and the Azure Cloud Saint Sect were located in the Sacred Lightning Realm.

Naturally, Duan Ling Tian knew of the Sacred Wind Realm, but he had never been there. After he became a supreme powerhouse, he had planned to bring his family to travel the Outer Boundary. He did not expect his first visit to the Sacred Wind Realm was for revenge.

‘So the demi-saint-rank force is the Mystic Crystal Sect in the Sacred Wind Realm...’

Duan Ling Tian's eyes burned with flames of fury, and his aura was freezing cold. In just a moment, the temperatures in his surroundings dropped. However, he did not let his anger get the better of him, and Huan'er who was standing next to him was unaffected.

The people in the surroundings were shocked and amazed.

"So powerful!"

"Is he a supreme powerhouse?"

Duan Ling Tian returned to the city where Huan'er was attacked and nearly killed. The culprit had proudly claimed to be from the Mystic Crystal Sect and ordered her subordinate to kill Huan'er when Huan'er refused to remove her veil as commanded.

'Good, the Mystic Crystal Sect owns a lot of businesses in this city...'

Just like what he had done to the Fu clan, Duan Ling Tian captured someone who managed the businesses of the Mystic Crystal Sect and forced the other person to lead him to the Mystic Crystal Sect.

It did not take long before they arrived at the Mystic Crystal Sect. It was located in a mountain range, and according to the person Duan Ling Tian caught, the main peak was where the sect's high-ranking officials and core disciples would cultivate.

Duan Ling Tian scoffed and raised his hand.

In just a moment, a gray palm seal appeared above the main peak like a cluster of dark clouds. Then, the sky turned gloomy, looking like a storm was about to hit.

Boom!

With just a thought, the giant palm seal fell on the peak, leaving ripples in the sky as it moved.

Chapter 4575 Bottomless Pit

Everyone in the Mystic Crystal Sect was shocked and frightened. Even the stronger disciples were not spared from these feelings of despair. It was as though they could smell the scent of death from the terrifying attack in the sky.

Boom!

A thunderous commotion rang in the air as the giant palm seal fell on the Mystic Crystal Sect's Guarding Formation, which was quickly triggered by the attack. The semi-translucent barrier shone brightly, looking seemingly indestructible.

Members of the Mystic Crystal Sect sighed in relief when they saw the Guarding Formation successfully block the attack.

"I heard that in the past, our Sect Guarding Formation managed to block the attacks of a demi Saint for half a day. I finally managed to witness its strength. I have to say it lives up to its reputation!"

Many core disciples of the Mystic Crystal were in awe. At the same time, they felt proud of their sect's Guarding Formation.

At this time, someone speculated out loud, "What a terrifying energy! The culprit is most likely a demi Saint!"

Many members were relieved when they heard the speculation. After all, the Mystic Crystal Sect only had one demi Saint and one quasi Saint. They were unrivaled among those below the realm of Saints.

Alas, the smiles born from the relief of surviving a disaster did not last long on their faces. The Guarding Formation barely withstood the attack for two breaths before cracks began to appear on it. The cracks spread quickly in all directions before the barrier shattered.

Boom!

The terrifying attack destroyed the Guarding Formation with a loud explosion that shook the world. Terrifying shockwaves rippled out immediately in all directions, wreaking havoc in the surroundings. Following that, a powerful and oppressive energy shrouded the main peak of the Mystic Crystal Sect.

At this time, a loud voice rang from the depths of the main peak.

"Sir, may I know who you are? Why are you attacking the Mystic Crystal Sect?"

Following that, streaks of light shot out in all directions, protecting a group of people who were fleeing the main peak.

It did not take long before a few more figures joined in and protected the fleeing people as well.

Cries of anguish and despair rang in the air.

In the end, over 100 people managed to escape from the main peak.

The dust stirred up by the repeated attacks finally settled, revealing the peak that had been leveled. Not only was it leveled, but there was now a huge and seemingly bottomless pit where it used to stand.

Upon seeing this, the survivors gasped. Their faces were ashen. It finally dawned on them how powerful the other party was.

Swoosh! Swoosh!

Suddenly, two figures appeared above the huge pit. They were none other than Duan Ling Tian and Huan'er.

Duan Ling Tian turned to look at one woman standing among the group of survivors with an indifferent gaze. Huan'er had pointed the woman out to him earlier.

The woman's face was pale, and her eyes could not hide her fear at all as she lowered her head and stared at the huge pit on the ground. She was unaware that Duan Ling Tian and Huan'er were looking at her at this moment.

At this moment, a tall and aloof middle-aged man dressed in a long light green robe flew up into the sky. He looked at Duan Ling Tian fearfully as he asked, “Sir, I’m Liu Feng Huo, the Sect Leader of the Mystic Crystal Sect. Although you’re a Saint, the Mystic Crystal Sect is governed by the Flower Moon Divine Sect. Is the Flower Moon Divine Sect aware of your actions?”

Liu Feng Huo deliberately mentioned the Flower Moon Divine Sect to intimidate Duan Ling Tian. He did not know Duan Ling Tian, but he was certain that Duan Ling Tian was a Saint. As the Sect Leader of the Mystic Crystal Sect, he was aware of the strength of the Guarding Formation. Only a Saint was capable of destroying the Guarding Formation and the main peak so easily. He, a demi Saint, was helpless against a Saint. With his strength, he could only save some elders and disciples who were of significance and ordered the stronger supreme powerhouses in the sect to help save the others in the main peak. Alas, a few of the supreme powerhouses perished along with the main peak.

If Duan Ling Tian had used his Sword Dao to attack earlier, no one would have survived the attack. He had held back not because he was compassionate; he did not want the person who attacked Huan’er to die a quick death.

For this reason, Liu Feng Huo assumed Duan Ling Tian was just a Saint.

Coincidentally, at this moment, dark clouds began to gather and lightning flashed. Following that, blood rained down on the Mystic Crystal Sect and the area around it. This was the phenomenon that appeared after the deaths of supreme powerhouses.

In the Outer Boundary, there were different phenomena. Apart from the phenomenon that announced the deaths of supreme powerhouses, there was also the phenomenon of the law. Someone who comprehended the law of the perfect form would be able to manifest a phenomenon that shone for 100,000 miles while those who comprehended the law to the paramount stage could manifest a phenomenon that shone for 1,000,000 miles. When one’s law reached the paramount stage, the law would also return to its most fundamental and real state. For this reason, they could choose to hide the phenomenon of the law.

Meanwhile, Duan Ling Tian ignored Liu Feng Huo and asked, “Was it you who nearly killed my woman?”

Before Duan Ling Tian spoke, Guo Yao Le had already returned to her senses. The old woman standing behind her had seen Huan’er and immediately sent a message to alert her. She frowned when she looked at Huan’er, but when she met Duan Ling Tian’s furious gaze, her expression changed drastically. Her heart sank immediately when she realized that Huan’er was in a relationship with a Saint.

At the same time, Liu Feng Huo and the other survivors followed the line of Duan Ling Tian’s sight and looked at Guo Yao Le as well.

Chapter 4576 Even If All the Saint-Rank Forces in the Sacred Wind Realm Join Forces, They Still Won’t Be Able to Protect You

Chapter 4576 Even If All the Saint Rank Forces in the Sacred Wind Realm Join Forces, They Won’t Be Able to Protect You

Naturally, everyone knew Guo Yao Le. She was not only the daughter of Guo Yang; the Vice Sect Leader of the Mystic Crystal Sect, but she was also the granddaughter of Guo Lan; the second most powerful person in the Mystic Crystal Sect, after all. Her status was even higher than that of the son of Liu Feng Huo since she was the descendant of a quasi Saint. Liu Feng Huo was neither a demi Saint nor a quasi Saint.

As for the demi Saint of the Mystic Crystal Sect, he was only Liu Feng Huo’s junior granduncle. The demi Saint had a closer relationship with Guo Lan, who was his junior brother.

Wang Teng Yue, the demi Saint of the Mystic Crystal Sect, was a friendly-looking old man. He had remained silent from the beginning until now, and at this moment, his expression was slightly angry as he looked at Guo Yao Le.

‘How dare Guo Lan’s granddaughter try to kill a Saint’s woman? Even I, a Saint, don’t dare to offend a Saint!’

Guo Lan naturally saw the changes in Wang Teng Yue’s expression, which was a mix of anger and disappointment. His expression was not very good either as he looked at Guo Yao Le. If it were not for him earlier, Guo Yao Le, Guo Yang, and the other members of the Mystic Crystal Sect would not have survived the destruction of the main peak.

Although Guo Yang; Guo Yao Le’s father, was frightened down to his heart and soul, he still asked with a pale face and a trembling voice, “Honorable Saint, is there a misunderstanding? I believe my daughter would never dare to attack your people.”

“A misunderstanding?” Duan Ling Tian looked at Guo Yang coldly and asked, “You’re not only the vice sect leader, but also her father, right? Why don’t you ask your daughter if it’s a misunderstanding?”

Guo Yang turned to look at Guo Yao Le. His eyes were filled with pain and despair. After all, he knew that his daughter would not survive today.

Guo Yao Le recovered from her shock at this moment. Her face was ashen when she sensed the hateful gazes directed at her.

“So she’s the one who brought this disaster upon us!”

“Why didn’t she just die?! How dare she attack someone close to a Saint?”

“It’s one thing for her to act arrogant and domineering in the sect, but to act in that manner outside as well? She deserves this!”

“It’s a pity that so many disciples died because of her!”

“She deserves to be slashed to death by a thousand knives!”

The survivors expressed their anger and dissatisfaction through Voice Transmission. They naturally did not dare to speak out loud. After all, Guo Yao Le was the granddaughter of Guo Lan; the second strongest person in the Mystic Crystal Sect, no matter what. However, they could not conceal the hatred in their eyes as they looked at her. If they could, they would crush her bones and skin her alive.

Apart from the hateful gazes directed at her, Guo Yao Le also sensed that her father and great-grandfather had given up on her. Colors drained out of her face, and after a moment of contemplation, she turned around and kneeled decisively, facing Duan Ling Tian and Huan’er.

Guo Yao Le could barely maintain her composure as she said tremblingly, “Honorable Saint, I was a fool to provoke your people. I beg for your mercy. Please show mercy to someone who’s as humble as a speck of dust like me...”

Guo Yao Le had a difficult time coming to terms with the fact that the person she offended was the woman of a Saint. The other party was someone she had to respect and could not afford to provoke. Although the Flower Moon Divine Sect was a saint-rank force, she knew that the Flower Moon Divine Sect would not offend a Saint because of her. In fact, if people of the Flower Moon Divine

Sect were present, they might even take the initiative to kill her once they learned that she had offended the woman of a Saint.

Although Duan Ling Tian had yet to reply, Guo Yao Le could sense his growing killing intent. She knew that he definitely would not spare her today. Out of despair, she quickly turned around and kowtowed to her father and great-grandfather as she pleaded, “Father, great-grandfather! Save me! The Flower Moon Divine Sect also has a Saint! The Flower Moon Divine Sect can definitely protect and save me!”

Faced with death, Guo Yao Le pleaded desperately, grasping at straws to preserve her life. She felt like she was going to lose her mind at this moment.

Meanwhile, Guo Yang and Guo Lan’s expressions changed slightly when they heard Guo Yao Le’s words. It seemed that even at this moment, Guo Yao Le still did not understand the predicament she was in. There was no doubt that Duan Ling Tian wanted her life. Her words would only drag the Mystic Crystal Sect down with her. After what she had done, they had no choice but to abandon her.

At this time, Duan Ling Tian scoffed. Then, a terrifying spatial energy surged toward Guo Lan and Guo Yang.

Guo Lan’s expression changed immediately while Guo Yang seemed unaware of what was happening. Then, without any warning, they exploded.

Blood and bits of flesh splattered everywhere and landed on Guo Yao Le’s face.

Duan Ling Tian sneered. “The Flower Moon Divine Sect? Let alone the Flower Moon Divine Sect, even if all the saint-rank forces in the Sacred Wind Realm join forces, they still won’t be able to protect you from me, Duan Ling Tian!”

Upon hearing these words, Wang Teng Yue, who was grieving the death of his junior brother; Guo Lan, was pulled back to his senses. His eyes were wide open as he looked at Duan Ling Tian and asked tremblingly, “Y-you... You’re Lord Duan Ling Tian?”

Wang Teng Yue was thoroughly shocked. He did not expect Guo Yao Le to provoke someone who was even more terrifying than Saints.

Liu Feng Huo was in despair when he realized the person they were facing was Duan Ling Tian. Even if Duan Ling Tian annihilated the Mystic Crystal Sect, there was nothing the Flower Moon Divine Sect could do about it.

The members of the Mystic Crystal Sect looked at Wang Teng Yue, who had lost his composure, silently. As realization dawned on them, their faces turned pale. At the same time, they no longer hesitate to openly curse Guo Yao Le, who had lost her two pillars of support.

“Lord Duan Ling Tian? One of the two supreme powerhouses who are stronger than Saints?!”

“Duan Ling Tian? The second person after Feng Qing Yang to surpass Saints?”

“Guo Yao Le is really despicable! How dare she provoke Lord Duan’s people? She deserves to die! How dare she implicates us!”

Suddenly...

Boom! Boom! Boom!

Liu Feng Huo took the initiative and killed the old woman standing behind Guo Yao Le. He did not stop there and continued to kill Guo Yao Le's followers. In the end, only Guo Yao Le was left.

After that, Liu Feng Huo said, "Lord Duan, as the Sect Leader of the Mystic Crystal Sect, I now expel Guo Yao Le from the Mystic Crystal Sect. She's no longer from now on. I wasn't sure if you wanted to kill her personally so I didn't kill her. If you wish, I'll make sure she dies in the most agonizing way possible!"

Liu Feng Huo was seething with anger at this moment. Even if Guo Yao Le was tortured to death, it would be impossible for him to quench the hatred in his heart. After all, she had caused the deaths of so many people in the Mystic Crystal Sect.

Chapter 4577 Xiao Mu Bai's Plan

Liu Feng Huo did not doubt Duan Ling Tian's identity. In today's world, was there anyone who did not know how terrifying Duan Ling Tian was? Who would dare to impersonate Duan Ling Tian? Such an act was no different from seeking death. Moreover, Duan Ling Tian had killed Guo Lan and Guo Yang so quickly and so easily.

Earlier, Liu Feng Huo had spoken to Wang Teng Yue, the demi Saint of the Mystic Crystal Sect, through Voice Transmission. Even Wang Teng Yue could not catch Duan Ling Tian's attack. According to Wang Teng Yue, he would be able to detect a Saint's attack. With this, there was no doubt that the purple-clad young man was truly Duan Ling Tian.

Duan Ling Tian ignored Liu Feng Huo. Instead, he turned to look at Duan Ling Tian with an affectionate gaze and asked gently, "Huan'er, how do you want to deal with her?"

Before Huan'er could reply, Guo Yao Le returned to her senses. She growled, "Why did you restrain me? You won't even allow me to die?!"

After listening to Liu Feng Huo's words, Guo Yao Le also knew that there was no way she would survive today. As such, she planned to commit suicide. After all, she would definitely be tortured before she was killed. It was better to give herself a quick death. However, she soon discovered that she had been restrained and her energy had been suppressed, rendering her unable to take her own life. Although she had control of her mouth and tongue, it was impossible for her to commit suicide by biting off her tongue. It would only injure her, not kill her. No matter what, she was a Supreme God after all.

"Brother Tian, you can deal with her as you see fit," Huan'er replied softly.

"Alright," Duan Ling Tian said with a nod before he looked at Liu Feng Huo and said indifferently, "In that case, I'll leave this matter to you."

In Duan Ling Tian's mind, Liu Feng Huo would definitely be able to torture Guo Yao Le even more greatly than if he were to do it himself.

"You have a month. She has to die after a month. If she doesn't die by then, I'll look for you at the Mystic Crystal Sect again," Duan Ling Tian said. Then, his Divine Consciousness swept toward Guo Yao Le, extracting a wisp of Guo Yao Le's soul energy. This was so he could confirm Guo Yao Le's life or death later. Although he did not think Liu Feng Huo would dare to lie to him, he still did not trust Liu Feng Huo.

"Lord Duan, don't worry," Liu Feng Huo said to Duan Ling Tian. He paused for a moment and glanced at the despairing Guo Yao Le before he continued to say through gritted teeth, "I'll definitely kill her."

It was clear that Liu Feng Huo could not wait to cut up Guo Yao Le who caused the deaths of two supreme powerhouses and many members of the Mystic Crystal Sect.

...

After that, Duan Ling Tian brought Huan'er away. His trip this time was not without gains. Although Guo Lan and Guo Yang's spatial rings had self-destructed, Guo Lan, a quasi Saint, left behind a Supreme Powerhouse Divinity.

Previously, Duan Ling Tian also obtained two Supreme Powerhouse Divinities when he killed the two demi Saints from the Fu clan.

He did not obtain anything from Guo Yang or the Crimson Demon because their comprehension of the law was too weak.

Supreme Powerhouse Divinities were useless to Duan Ling Tian now, but they were rare treasures to his family. After everything settled down, he planned to divide the Supreme Powerhouse Divinities among his family. He did not have enough at this moment. After all, he did not kill many people who had formed Supreme Powerhouse Divinities. He thought about borrowing them from Saints and demi Saints he was familiar with. He knew he could not simply borrow them from people he was unfamiliar with since he did not want to simply owe others a favor.

'Perhaps I can borrow them from the two Saints of the Azure Cloud Saint Sect. I don't think they'll refuse since I showed them mercy previously,' Duan Ling Tian thought to himself, 'I can also borrow them from the imminent World supreme powerhouses in the God Defying World like Xiao Mu Bai. There's also Xiao Tian Ci, the Palace Master of the Golden Dragon Palace in the Sacred Lightning Realm's Jade Tide Heavenly Mansion.'

Apart from demi Saints and Saints, powerful supreme powerhouses below the realms of Saints and demi Saints could also form Supreme Powerhouse Divinities. Once they comprehended their law to the perfect form, they could start forming their Supreme Powerhouse Divinities.

The Supreme Powerhouse Divinities would be able to help his family comprehend their laws quickly. In the past, thanks to the Supreme Powerhouse Divinity left by a supreme powerhouse who was skilled in the law of space, his own law of space had improved rapidly.

After a while, Duan Ling Tian's mind wandered to another topic.

'I hope Liu Feng Huo won't disappoint me. Otherwise, I'll kill him when the time comes!'

Guo Yao Le injured Huan'er. Duan Ling Tian naturally did not want Guo Yao Le to die a quick death. He hoped Liu Feng Huo would torture her before he killed her. With a wisp of her soul energy, he would be able to sense when Guo Yao Le died. As such, he was not worried about Liu Feng Huo letting Guo Yao Le go.

To be safe, apart from extracting a wisp of Guo Yao Le's soul energy, he also left a mark on her soul. He would be able to locate her as long as she appeared in the place he was in.

...

After bringing Huan'er back to the mundane realm where his family was staying, Duan Ling Tian left a doppelganger behind to wait for the return of his remaining family members who were away. As for the ones present, they had all entered Little World.

Following that, Duan Ling Tian went to look for Xiao Mu Bai and explained the purpose of his visit.

“Lord Duan, it’s a good thing for the God Defying World that you’re willing to transform part of your Little World into a Realm of Gods. With this, the Guarding Formation of the God Defying World will become even stronger. How about this? Since you have family in the Divine Offering Land, I’ll ask him to transfer everyone in the Divine Offering Land to your Little World. If you wish, you can change the name of the Divine Offering Land,” Xiao Mu Bai said.

Duan Ling Tian could not get used to Xiao Mu Bai’s respectful treatment of him. After all, Xiao Mu Bai had helped him a lot in the past. In other words, he owed Xiao Mu Bai a lot. However, Xiao Mu Bai was not willing to address him casually so there was nothing he could do about it.

“There’s no need to change the name. We’ll still call it the Divine Offering Land,” Duan Ling Tian said as he shook his head. At the same time, he felt grateful for Xiao Mu Bai’s suggestion. With this, the Xia clan, which Ke’er was from, would also be in his Realm of Gods.

Chapter 4578 Migrating to the New Divine Offering Land

Using a part of Little World to form a Realm of God in the God Defying World would not negatively impact Duan Ling Tian much. He would be able to instantly teleport back to anywhere in the God Defying World thanks to the connection of the Realm of Gods to his Little World. If one were to form another realm from one’s Little World without rooting it in a World, the realm would not be able to last for long. However, a realm that was rooted in the World would be able to maintain its existence by absorbing the realm energy from a World.

Similar to the Outer Boundary, the realms in all Myriad Worlds were separated. As such, if Duan Ling Tian wanted to travel to a realm in a God Defying World, he would not be able to do so in an instant. However, once his Realm of Gods, formed by a part of his Little World, became one of the Formation eyes in the God Defying World, he could come back in just an instant. With this, he could easily return to protect his family, friends, and the God Defying World if the occasion arose.

“I’ve asked for help from the other Lords. After all, it’s not a small matter to transfer everything in the Divine Offering Land to your Little World,” Xiao Mu Bai said.

Duan Ling Tian nodded.

...

After Duan Ling Tian bade farewell to Xiao Mu Bai, he went to the Xia clan in the Divine Offering Land and found Xia Jie, the Third Master of the Xia clan, and Xia Yu, the Clan Leader of the Xia clan, to tell them about his plan.

The Xia clan, including the clan’s supreme powerhouse, was naturally supportive of this move to Duan Ling Tian’s Realm of Gods. As long as they were in a Realm of God, it did not matter which one they were in. Moreover, Duan Ling Tian was now stronger than World supreme powerhouses. It was naturally a good thing if they could move to his Realm of Gods.

Unlike Xia Yu who was a little awkward in front of Duan Ling Tian after Duan Ling Tian became stronger, Xia Jie still behaved casually like he did before. After thinking about it for a moment, he said, “Little Tian, once news of the Divine Offering Land is being transferred to your Realm of Gods, I’m afraid the people from the other realms will rush over. The attraction of staying in the Realm of God of someone who has surpassed World supreme powerhouses is too big, after all. For this reason, I suggest you keep this matter a secret if it’s possible. It’s best not to let people know that the migration of the Divine Offering Land is to your Realm of Gods.”

Before Duan Ling Tian could reply, Xia Yu nodded and chimed in, “This is not a trivial matter. If everyone flocks toward your Realm of Gods, it’ll create an imbalance in the other Realms of Gods.”

After listening to Xia Jie and Xia Yu, Duan Ling Tian also realized how serious this matter was. Although he would not be affected by the number of people in his Realm of Gods, the same could not be said for the other Realms of Gods. The population loss would definitely bring about consequences. The impact of the ‘economy’ of the Realms of Gods was just one of the consequences.

“I’ll talk to Lord Xiao about this,” Duan Ling Tian said and contacted Xiao Mu Bai to relay Xia Jie’s concerns.

Xiao Mu Bai also agreed that it was a serious matter. He agreed that it was best to keep the ownership of the new Divine Offering Land a secret. It would suffice to say that the Divine Offering Land was now owned by another supreme powerhouse from the God Defying Land.

...

Subsequently, with the help of Xiao Mu Bao and the other imminent World supreme powerhouses from the God Defying World, the migration of the original Divine Offering Land to Duan Ling Tian’s Realm of God began.

In the end, everything except for the Divine Tree of Life in the Divine Offering Land was moved to the new Divine Offering Land. The entire process was very smooth, and there was not much panic. After all, this did not negatively affect the inhabitants of the Divine Offering Land.

Nonetheless, there was a small incident during the migration. The supreme powerhouse who owned the original Divine Offering Land suddenly decided to settle down in Duan Ling Tian’s Realm of Gods and establish a sect after he found out that the new Realm of God belonged to Duan Ling Tian. It was his dream to establish his sect. In the past, due to the lack of powerhouses in the God Defying World, Xiao Mu Bai forced him to create a Realm of Gods.

...

The migration of the Divine Offering Land was half completed after half a month.

At this time, Feng Qing Yang, Duan Ling Tian's master, also returned from the Outer Boundary.

During the past half month, all the entrances in the Outer Boundary, the Three Upper Worlds, and 18 Middle Worlds had been found. As such, it did not make sense for Feng Qing Yang to continue guarding the Heaven Traversing Pagoda.

Feng Qing Yang learned about the migration after his return and helped with the migration as well. With the help of another level-seven supreme powerhouse, the progress naturally sped out. In less than a month, the migration was finally completed.

The people in the Divine Offering Land were completely unaffected. Since the environment did not change, they did not even need to learn to adapt to the new place. In fact, those who were none the wiser did not even know they had moved to a new place.

...

"I should plant the branch of the Divine Tree of Life in the Xia clan."

The Realm of God was created from a part of Duan Ling Tian's Little World, but it was separated from the Little World. As such, there was no Divine Tree of Life in the Realm of God. The Realm of Gods needed the Divine Tree of Life to sync with the energy of the God Defying World to protect the God Defying World. As such, Duan Ling Tian decided to leave a branch of the Divine Tree of Life in the new Divine Offering Land.

Swoosh!

After taking root in the Xia clan, it grew into a towering tree in just a few days. His Divine Tree of Life in his Little World had also become very powerful. As such, it only took a few days for its branch to grow into a towering tree. Not only that, but its power was not much weaker than the original Divine Tree of Life.

...

On this day, Duan Ling Tian was discussing the Four Daos of Heaven and Earth with Xiao Mu Bai when he suddenly frowned. However, just as quickly, his frown eased.

The wisp of Guo Yao Le's soul energy had disappeared. This meant that Guo Yao Le, who nearly killed Huan'er, had died.

"She's dead? It seems that Liu Feng Huo really hates that woman. He really tortured her for an entire month before he killed her."

Chapter 4579 Xiao Mu Bai's Request

Earlier this morning, Duan Ling Tian planned to go to the Mystic Crystal Realm in the Outer Boundary's Sacred Wind Realm in a few days to ask for an explanation if Guo Yao Le did not die. However, Guo Yao Le died exactly on the last day of the time limit that he had given Liu Feng Huo, the Sect Leader of the Mystic Crystal Sect.

At this time, Xiao Mu Bai, who was chatting with Duan Ling Tian, said, “Lord Duan, I’ve gained more from this conversation with you compared to a thousand years of hard work.”

Xiao Mu Bai’s gaze was slightly complicated at this moment. Once upon a time, the young man in front of him had needed his help. He had also given the young man many treasures to help the young man’s cultivation. Among the young talents who caught his eye, he had the highest hope for Duan Ling Tian. He was confident Duan Ling Tian would contribute greatly to the future of the God Defying World. However, he still did not expect Duan Ling Tian to achieve so much in such a short time. Shockingly, as soon as Duan Ling Tian entered the realm of supreme powerhouses, Duan Ling Tian became a level-seven supreme powerhouse, surpassing him. In fact, Duan Ling Tian had also surpassed his father, a World supreme powerhouse whom he regarded as his idol. His father, who was killed by the once-in-10,000-year Heavenly Tribulation, did not even reach Duan Ling Tian’s height.

“Lord Xiao, I’ll never forget the help you gave me in the past. This time, I owe you another favor for lending me so many Supreme Powerhouse Divinities. Please don’t hesitate to ask if you need my help,” Duan Ling Tian said, expressing his sincere gratitude to Xiao Mu Bai. There was no doubt that Xiao Mu Bai contributed greatly to his growth. Just soaking in the divine fountain alone had saved him a lot of trouble on the road of cultivation.

“Don’t worry. I won’t hesitate to ask if I need your help,” Xiao Mu Bai said with a smile.

Then, Xiao Mu Bai thought about the other young talents who caught his eye. Apart from Duan Ling Tian, he also had high hopes for Feng Qing Yang; Duan Ling Tian’s master, and his senior sister from the Inner Palace faction of the Myriad Laws Academy.

Xiao Mu Bai felt that he really had a good eye for talent. Among the people who caught his eye, two became the strongest people in the world.

After a while, Xiao Mu Bai said, “In fact, I need your master and your help with a matter.”

Xiao Mu Bai had contact with Duan Ling Tian in the past so he was familiar with Duan Ling Tian. However, he did not have direct contact with Feng Qing Yang so he needed Duan Ling Tian's help to speak to Feng Qing Yang.

"Lord Xiao, please tell me about it. As long as it's within my ability, I'll definitely persuade my master to help," Duan Ling Tian said. He naturally did not dare to guarantee success. After all, he did not know what Xiao Mu Bai needed help with. He knew his master would not refuse for his sake, and he did not want to put his master in a difficult position.

"It's not difficult, but it might be troublesome for you and your master," Xiao Mu Bai said.

Xiao Mu Bai then expressed his wish for Duan Ling Tian and Feng Qing Yang to have two sessions of discussion with the supreme powerhouses in the God Defying World to discuss their insight and comprehension of the Sword Dao. If it was convenient, he would also like them to demonstrate their Sword Dao to the others. Both Feng Qing Yang and Duan Ling Tian's Sword Dao had reached the seventh stage, and they were both the best and second best respectively in regard to the Sword Dao.

"If it's possible, I hope you can also discuss the other Daos of Heaven and Earth," Xiao Mu Bai added. After his discussion with Duan Ling Tian, he discovered that not only did Duan Ling Tian have a profound comprehension of the Sword Dao, but he was also very knowledgeable about the Mastery Dao and the Limitless Dao.

Naturally, Xiao Mu Bai was unaware that Duan Ling Tian was so knowledgeable because he had the Void Elder's memories. The Void Elder was a powerful supreme powerhouse before the gap in history.

In his life, the Void Elder did not only comprehend the law of space, the law of life, and the law of death to the paramount stage, but he also comprehended the Sword Dao to the ninth stage and the Mastery Dao and the Limitless Dao to the eighth stage. Most importantly, the Void Elder was a level-nine supreme powerhouse.

Based on the Void Elder's memories, if Duan Ling Tian could further comprehend the Mastery Dao and the Limitless Dao, he might be able to have another breakthrough. At that time, he might need to fear heaven. He could change the world without fearing the backlash from heaven.

Heaven could not directly kill people, but it could manipulate the rules to deal with people. It was almighty and capable of using sentient beings as pawns on a chessboard.

"Is that all?"

Duan Ling Tian was slightly surprised. He thought that the matter would be difficult since Xiao Mu Bai needed both his and his master's help. He did not expect the matter to be so trivial.

"I don't have any objection to this matter so I can agree to your request now. However, I still need to speak to my master about this."

Duan Ling Tian knew his master would not refuse. After all, this was not a difficult task. Moreover, his master owed the Sword of Time, a supreme powerhouse from the God Defying World. There were many current supreme powerhouses who had a good relationship with the Sword of Time in the past, and there were even one or two successors of the Sword of Time among them.

"Alright."

Xiao Mu Bai smiled after listening to Duan Ling Tian's response. He had made this request because he hoped the supreme powerhouses in the God Defying World could grow stronger. He thought to himself, 'I've already done all that I can do... Whether you'll be able to seize the chance and grow stronger will depend on you...'

As one of the Lords of the God Defying World, Xiao Mu Bai naturally hoped for more powerful people in the God Defying World. After all, it was impossible to rely on Duan Ling Tian and Feng Qing Yang alone. He, himself, also wanted to grow stronger. He hoped to enter the realm of World supreme powerhouses and also the realm of level-seven supreme powerhouses. This was also the reason he looked for Duan Ling Tian today to discuss the Four Daos of Heaven and Earth.

Xiao Mu Bai was very close to breaking into the realm of World supreme powerhouses for many years now, unable to take the last step into that realm. However, after listening to Duan Ling Tian and listening to Duan Ling Tian and Feng Qing Yang in the future, he was confident he should be able to become a World supreme powerhouse just like his father.

After Xiao Mu Bai bade farewell to Duan Ling Tian, he did not inform others about his plan. After all, Feng Qing Yang had yet to agree to the request.

...

The next day, Duan Ling Tian sent a message to Xiao Mu Bai, saying that Feng Qing Yang had agreed to his request.

With this, Xiao Mu Bai quickly summoned the other supreme powerhouses in the God Defying World. When everyone was gathered, he told them about this matter.

Needless to say, the supreme powerhouses were overjoyed.

Some who were reluctant to attend the meeting earlier were also overjoyed. At the same time, they felt relieved that they attended the meeting. Otherwise, they would have missed out on a great opportunity.

Chapter 4580 Yun Gu Feng, the Ancestor of the Yun Clan

A few days later, at Xiao Mu Bai's request, Duan Ling Tian and Feng Qing Yang had a public cultivation discourse with the supreme powerhouses of the God Defying World. The venue was in the new Divine Offering Land. Naturally, very few people knew that Duan Ling Tian was the owner of the new Divine Offering Land. Among the supreme powerhouses, only Xiao Mu Bai, the other Lords of the God Defying World; who were imminent World supreme powerhouses, the supreme powerhouse of the Xia clan, and the former owner of the Divine Offering Land were privy to this matter. The other supreme powerhouses who were unaware of the matter assumed that venue was located in the Divine Offering Land because of the Xia clan. After all, everyone knew that Xia Ning Xue, the Young Miss of the Xia clan, was Duan Ling Tian's wife.

"Everyone, you're here early... There's still an hour before the discourse begins, right?"

At this moment, a chubby old man smiled and greeted a few acquaintances. He was surprised by their early arrival. He thought he was early, but who knew there were others who came earlier than him?

"Lord Duan and Lord Feng are going to speak about the Daos; how can we not come early? Who knows if there'll be another chance like this in the future? That's why I came two hours ago," a middle-aged man said with a laugh.

A young man who was standing at the side suddenly clicked his tongue and said, "Hey, isn't that the supreme powerhouse of the Yun clan in the Divine Offering Land? I remember that Yun Qing Yan, the Young Master of the Yun clan, had a terrible conflict with Lord Duan, right?"

The chubby old man raised his eyebrows slightly, surprised. He did not expect the other party to have the courage to come.

The supreme powerhouse of the Yun clan was the only supreme powerhouse in the clan, and he was also the ancestor of the Yun clan. In the past, the Clan Leader of the Yun clan; who was also Yun Qing Yan's father, suggested that he snatch the liquid from the divine fountain from Duan Ling Tian. However, he knew that the liquid from the divine fountain was bestowed by Xiao Mu Bao so he did not have the guts to take action. As such, he ignored the suggestion of the Clan Leader of the Yun clan.

‘That b*astard really brought me a lot of trouble...’

At the same time, the supreme powerhouse of the Yun clan could naturally feel everyone's alienation. The alienation had begun quite a while ago. When the heavenly text announced that Feng Qing Yang, Duan Ling Tian's master, had become the first level-seven supreme powerhouse after the historical gap, the other supreme powerhouses had already begun to distance themselves from him after finding out about the conflict between Duan Ling Tian and the Yun clan. Even a few of his old friends stopped talking to him. Everyone was worried that Feng Qing Yang would seek revenge from the Yun clan on Duan Ling Tian's behalf.

At that time, the supreme powerhouse of the Yun clan considered leaving the God Defying World for the Outer Boundary but decided against it in the end. He could not abandon the Yun clan. Many, many years ago when he was still the Clan Leader of the Yun clan, he promised his grandfather that he would protect the Yun clan and that he would live and die with the clan. Moreover, he did not condone Yun Qing Yan's behavior back then, and he also did not heed the suggestion of Yun Qing Yan's father, the current Clan Leader of the Yun clan. He even expelled Yun Qing Yan from the Yun clan.

‘I really didn't expect that Duan Ling Tian also became a level-seven supreme powerhouse like his master,’ the supreme powerhouse of the Yun clan thought to himself with a sigh. At the same time, he grew even more dissatisfied with Yun Qing Yan. Why did Yun Qing Yan provoke the Young Miss of the Xia clan for no reason? Yun Qing Yan was just causing trouble for the Yun clan.

At the same time, the supreme powerhouse of the Yun clan heard the whispers in his surroundings.

“No one dares to get close to Yun Gu Feng at all. If Lord Duan wants to settle the score with him, he’ll definitely die. The Yun clan will also be doomed.”

“In fact, Yun Gu Feng is a good person. I helped him once in the past. He didn’t forget it and helped me a lot in return. It’s a pity that the younger generation of the Yun clan offended Duan Ling Tian. I have no choice but to maintain a distance to avoid getting implicated...”

“That’s understandable. Who would dare to get close to him now?”

...

About half an hour later...

Xiao Mu Bai and several imminent World supreme powerhouses from the God Defying World were fast approaching the venue.

The few imminent World supreme powerhouses were very grateful to Xiao Mu Bai and did not hesitate to express it. They were all injured to varying degrees during their previous once-in-10,000-year Heavenly Tribulation. If they did not make any progress and break through into the realm of World supreme powerhouses, even if they managed to survive their upcoming Heavenly Tribulation, they would definitely die during the one after that.

However, with Duan Ling Tian and Feng Qing Yang giving a public discourse, they finally saw hope to break through. Even if they were not 100% certain they would break through, at the very least, they would definitely benefit from it.

“Mu Bai, thanks to you, we have the honor of listening to Lord Duan and Lord Feng’s insight...”

“That’s right, Mu Bai. I really have to thank you for this. If you didn’t speak up, the two lords might not be willing to do this.”

Xiao Mu Bai said modestly, “Seniors, there’s no need to thank me for this. I’m only doing what I should do. I hope all of you will gain something from this. Hopefully, there’ll be a few more World supreme powerhouses in the God Defying World after this.”

Xiao Mu Bai and the others soon arrived at the venue.

The venue was the vast valley in the mountain range behind the Xia clan’s estate. It was lush. The sound of birds chirping rang in the air while the fragrance of flowers permeated the place. It was just like paradise.

When the supreme powerhouse from the God Defying World saw Xiao Mu Bai and the others, they quickly greeted them respectfully.

“Greetings, my lords!”

Putting Feng Qing Yang and Duan Ling Tian aside, Xiao Mu Bai and the other Lords were the strongest people in the God Defying World. They were all imminent World supreme powerhouses and were respected then and now.

“All of you are here earlier!”

An old man with a white beard standing next to Xiao Mu Bai laughed. He was very casual. In the past, even when he was among the strongest people in the God Defying World, he did not put on airs. He naturally did not put on airs now that there was someone stronger than him in the God Defying World who could easily kill him with just a finger.

...

Another half an hour passed before two figures appeared next to each other.

“Greetings, Lord Duan Ling Tian!”

“Greetings, Lord Feng Qing Yang!”

Led by Xiao Mu Bai and the other Lords of the God Defying World, the group of supreme powerhouses respectfully greeted Duan Ling Tian and Feng Qing Yang.

Suddenly, a figure suddenly rushed toward Duan Ling Tian at lightning speed.

Xiao Mu Bai flashed over, promptly blocking the other party’s path. He asked gloomily, “Yun Gu Feng, what are you trying to do?”
