At this time, the croupier's forehead was already cold and sweaty.

He has no confidence in his hands anymore!

just in case.....

really drove a 6 leopard!

This responsibility, he cannot bear it!

"open ah."

"Open!"

"Open!"

"Show us six leopards!"

They fixed their eyes on Qin Yuan...

As if a thought, it would kill Qin Yuan in pain.

"Go on, little brother."

Qin Yuan smiled lightly and looked at the croupier.

The croupier froze and did not dare to do it.

"I'm sorry, little brother." At this moment, a middle-aged man in a suit and leather shoes, with a peaceful face and a cigar in his fifties, walked over with a smile.

"Oh my god, the general manager of Casino Royale actually showed up in person?"

"Some people say that TW, the general manager of Casino Royale, is one of the richest people in XG! Unexpectedly, he is also today..."

"What do you know, General Manager TW, their existence is to prevent various big bosses from winning too much money in the casino."

"I look at the game of this hand, hanging out, this silly boy is going to lose all his chips! Back to before liberation overnight!"

.....

As soon as TW appeared, everyone in the casino was shocked!

Everyone sighed, Qin Yuan might be over now.

TW contributed a lot!

As for gambling?

TW can achieve its current position, how could it not?

"Little brother, my employee is very tired now, and he needs a rest. How about this one and I bet with you?"

TW waved his hand and motioned for the employees to leave.

The three 6s turned into 123.

If it becomes three 1s, he only needs to spend a little effort to restore the three 6s.

but now.....

is a little troublesome.

Facing TW with a smile on his face, Qin Yuan stood calmly, "It's the same with anyone, right?"

"Haha, okay! You really deserve to be a hero, come on!"

TW smiled and slowly opened the dice cup.

this moment.

Everyone's hearts are hanging up!

What time is it in the dice cup?

This silly boy who appeared hastily, with only 3,000 yuan, can he still maintain the myth that the leopard must be hit?

was the moment when TW opened the dice cup.

Everyone...

Including TW's attention, they are all on the dice cup.

some of.....

naturally also includes Qin Yuan!

Qin Yuan looked "dignified", and he couldn't help pressing his hands on the gaming table.

An exquisite force that has been calculated a long time ago, instantly passed through the gaming table to the bottom of the dice cup!

"Oops!"

The dice cup in TW's hand has left the base.

Seeing Qin Yuan pressing his hands on the tabletop, his heart was upset.

"3 6s! Leopard! Player wins!"

"3000 yuan, just 4 pieces, it becomes 1 billion? Is this the legendary \*\*\*\* of gambling?"

"God of Gamblers? Such a young age, definitely not the God of Gamblers himself? Maybe he is a disciple of the God of Gamblers?"

"Hello Mr. Song, then I will accept the 1 billion chips." Qin Yuan smiled lightly, still very calm.

"What the little brother said, our casino has rules, counting means losing, winning means winning. You won this billion by your own ability! This is your own money! Take your own money, Isn't it right?" Song Ziyou smiled, "Little brother, I don't know if you mind, accompany me to the office upstairs for a couple of drinks? You friend, I'm settled."

"Mr. Song was kindly invited, but I can only be disrespectful." Qin Yuan smiled and went upstairs with Song Ziyou openly.

Qin Yuan smiled brightly, looked at the time, it was 2 noon.
