at dusk.

Military training is over.

is the time for a meal break.

"Qin Yuan, I found that I really like you more and more."

Fan Tianlei stared at Qin Yuan with a smile, admiring from the heart.

However, Qin Yuan raised his eyebrows...

You old glass!

"Stop it, Chief of Staff, I don't like men!"

Qin Yuan gave him a very speechless look.

"That Qin Yuan, don't get me wrong, I mean, your performance surprised me too much. As a leader, I am full of expectations for your future!"

Fan Tianlei gave a dry cough and explained, "Go, take you to eat delicious food!"

Fan Tianlei asked Qin Yuan to drive the car directly to the head of the team's office!

The guard saw Fan Tianlei's arrival, he was surprised and quickly prepared to salute!

after all.

Fan Tianlei is an army colonel!

It is the so-called official level crushing people to death!

In the army, the concept of superiors and superiors is more strict.

Fan Tianlei smiled and motioned to the guard not to speak.

嘭嘭嘭!

He remained silent and directly slammed Kang Lei's door.

"Who?"

As expected!

Kang Lei's suspicious voice came from the office!

To know!

in Tekken!

Kang Lei is the boss!

I didn't expect now...

Someone dared to smash his office door?

Click.

opened the door.

Fan Tianlei smiled and walked in, "Haha...Lao Kang, I knew you were here!"

"Huh? Chief of Staff?" Kang Lei was very surprised when he saw that the person was Fan Tianlei!

Kang Lei hurriedly got up and saluted Fan Tianlei with a military salute. He was pleasantly surprised: "Lao Fan, you are a busy man, why are you here? Ah? You are not here to visit me?"

Fan Tianlei smiled, "It's alright, don't be so polite with me, I'm here this time, it is indeed, it is indeed something! Go, let's talk about it at the dinner table!"

"Haha, good! Let's talk while eating!" Kang Lei also smiled brightly.

The old chief can visit the subordinates himself!

This is an honor for the subordinates!

the third floor of the canteen of the military region!

Fan Tianlei deliberately ordered a few more expensive snacks.

When        came, it was for Qin Yuan to pick up the dust.

Come on, I deliberately let Kang Lei this iron \*\*\*\* bleed! Give him a memory! Get used to it!

after all.

after a while.....

His Spike Special Forces Brigade, he still has to come to the Iron Fist to pick people!

As expected.

When I heard Fan Tianlei's order.

Kang Lei's old face was green and black.

is very ugly!

"Chief of Staff, if you follow this point, you want me to bleed!"

Finally, Kang Lei couldn't hold back, he spoke very heartbreakingly and expressed his opinion.

"Haha, Lao Kang, I have only come to you this time for a year and a half, can't you express it properly?"

Fan Tianlei smiled and didn't care about Kang Lei's reaction, "Besides, I am here this time, not eating these delicious food for free, but I brought two bottles of good wine!"

Fan Tianlei smiled and gave Qin Yuan a look.

Qin Yuan was about to take the two wine boxes wrapped in black plastic bags in his hand.

opened the plastic bag, there were two bottles of high-end Fenjiu!

"My God! Chief of Staff, just come here, I didn't expect to bring such a good wine?"

Kang Lei's eyes lit up, and he couldn't wait to hug a bottle of Fenjiu, looking up and down.

"Tsk tusk, Chief of Staff, this bottle of wine is worth a few hundred yuan, right?"

Kang Lei swept around excitedly, and then couldn't help but sigh.

Compared to this bottle of good wine!

This table of food that makes him distressed is simply not worth mentioning!

What's more, two bottles?

Fan Tianlei smiled generously, waved his hand, and said, "I know that you are good, so...Come to see my old man, of course I can't bring those cheap wines over?"

Kang Lei smiled instantly and cautiously tried to open the package, "Haha, I know that the Chief of Staff is good to our subordinates! Today, I really experienced it again! The Chief of Staff directed at these two bottles of Fenjiu,

no matter what order in the future, you can give it to me. I can help you do what Kang Lei can do! If I can't do it, I will do it through the fire and water!"

Facing good wine!

Especially the good wine from Fan Tianlei!

Kang Lei, that's not your kind!

When speaking, he became generous too!

"You kid, you know you will be like this when you see good wine!"

Fan Tianlei smiled.

Fine side dishes are on the table.

The two hadn't seen each other for a long time, and they chatted freely.

Qin Yuan hangs up on his own without regard to himself!

carefully savor the small stir-fry in the cafeteria!

Don't say it!

Seven days in XG!

Experienced the same treatment as the emperor!

Every day is the delicacies of mountains and seas, wine and delicacies!

Now try this little stir-fry, it's really delicious!

Wine has been around three times.

Fan Tianlei and Kang Lei have already had a bottle of wine!

Qin Yuan helped them open the second bottle of wine!

"Old Kang, come to you today, one is to talk to you! Second, it is for him, Qin Yuan!"

Fan Tianlei's face was red, and after drinking half a catty of white wine, he became more energetic.

"Oh? For him? This little brother?" Under the influence of half a bottle of alcohol, Kang Lei also released the \*\*\*\* of the soldiers. Now Kang Lei is an older elder!

"Yes! Lao Kang, this Qin Yuan is not easy! He was recruited into the army at a very high price! Now, I will give you one month to get him familiar with the common sense etiquette of the army. Question, for one month, I want you to train him into a real soldier, can you do it?"

"One month?" When Kang Lei heard this, he was immediately unhappy. At most half a month, I can train him into a real soldier !"

"Haha, good! Then I can look forward to your performance!" Fan Tianlei laughed, he had already waited for Kang Lei's words!

Both of them are massive!

Two bottles of liquor!

A little over 2 catties!

After the two drink up.

His face didn't turn red, his face didn't change color, and he walked, his body still stable.

finally.....

Kang Lei arranged for Qin Yuan to join Sharpshooter Silian, and agreed to go directly to the Iron Fist Group Sharpshooter Silian at 7 o'clock tomorrow morning to report to Gong Jian!

As for tonight?

Qin Yuan slept directly in Fan Tianlei's office!

The sky is bright.

Qin Yuan is leaving!

Alone, drove to the Sharpshooter Silian!

"dingdong~"

But at this moment.

The crisp system prompt suddenly remembered!

Qin Yuan couldn't help but raise his eyebrows, what's the situation?

System, is this going to release the task?

After a few days of contact and understanding!

Qin Yuan also has some tips for the system!

"Ding Dong~ Now release a system mission, and finish the next 30 kilometers armed cross country with the first place! The mission is successful, unlock a new grid!"

"Fuck... 30 kilometers armed off-road?"

"When you come up, do you play so hard?"

Qin Yuan couldn't help but his eyes widened!

"But... with Lao Tzu's physical fitness... 30 kilometers of armed cross-country, the body must not be able to withstand it!"

Qin Yuan couldn't help but fell into a moment of embarrassment.
