

ONE-CLICK RECOVERY SINCE I WAS A SPECIAL SOLDIER

Chapter 3: World-class poker kills

"Ding Dong~ Please choose!"

With the disappearance of P22, the crisp system prompt rang!

Qin Yuan's spirit was shocked.

happy eyebrows.

scanned the eye system grid.

The disappeared P22 pistol appeared in the second grid!

follow closely.

Three brand new options appeared in front of Qin Yuan!

"1, get world-class pistol marksmanship!"

"2, get a world-class pistol design!"

"3, get world-class pistol manufacturing!"

"Wow!"

Qin Yuan looked at three options!

I'm very excited!

Doze comes to send pillows.

The first pistol shooting method.

is what Qin Yuan urgently needs!

after all.

want to save An Ran to complete the mission.

Either have a strong close combat strength.

Either there is a terrifying marksmanship!

And this world-class pistol marksmanship!

is exactly the skill Qin Yuan needs urgently!

"I choose 1!"

Qin Yuan looked at the first option, his eyes brightened!

without hesitation!

Make a choice directly!

"Ding Dong~ Congratulations to the host for choosing successfully! Get world-class pistol marksmanship!"

"World-class pistol shooting method: within a radius of 20 meters, the host can achieve a hundred shots, no false shots!"

"I rely on... this world-class marksmanship, is it so scary?"

Qin Yuan saw the system's description of world-class marksmanship, and couldn't help being surprised!

for an instant.

Qin Yuan has a lot of knowledge and skills about pistol shooting out of thin air!

fast shooting, moving shooting, jumping shooting, frontal shooting, side shooting, etc...

Any tricky angle!

Any type of pistol knowledge!

this moment!

all appeared in Qin Yuan's mind!

These skills!

Qin Yuan seems to have been practicing wholeheartedly for more than ten years!

Now Qin Yuan is like a master of marksmanship!

of course.

This hit rate!

is only limited to within a radius of 20 meters!

"The world-class marksmanship is so terrifying! How powerful is the pistol marksmanship that is so perfect, or even higher?"

Qin Yuan couldn't help but look forward to it.

this moment.

Qin Yuan for his future!

also has a vague understanding!

"I, Qin Yuan, live for the rest of my life! How can I be willing to spend this life mediocre? In this life, with the god-level back bar system in hand, I, Qin Yuan, will definitely shine in this world with the most dazzling light!"

this moment.

Qin Yuan is ambitious!

Qin Yuan keeps searching!

He wants to find another pistol!

Come this way!

His pistol marksmanship will be upgraded to the perfect level!

It will be easier to solve the crisis at that time!

However——

Qin Yuan searched for a long time!

but there is no discovery at all!

Except for this P22 pistol, there is nothing of value.

"By the way, the system, can I retrieve the items from the backpack?"

Qin Yuan asked.

"Back to the host, the items can be taken out at any time, but the occupied grid cannot be restored!"

System Road.

Qin Yuan knew it.

can take it out!

As for the used grid cannot be restored?

this is necessary!

Otherwise.

Qin Yuan took out the pistol.

In the second grid, isn't it possible to recycle other items?

don't need more grids?

My heart moved!

Qin Yuan took out the pistol and held it in his palm!

Pistol in hand!

At this moment, Qin Yuan instantly felt like a spear **** possessed.
in this room!

No one can escape Qin Yuan's bullet!

"Huh? There is another deck of playing cards here? By the way! I don't know...recycling poker, will I get some tricks about playing cards?"

Qin Yuan's sight was suddenly attracted by the brand new playing cards on the table!

For some top killers!

Poker, but another weapon that kills people invisible!

is hard to guard against!

Just do it!

Qin Yuan came directly to playing cards!

My heart moved!

Qin Yuan put a pair of playing cards into the system backpack!

"I wonder if this poker card will give me the skills I want?"

Qin Yuan's heart!

got excited instantly!

"Ding Dong~ Please choose!"

The crisp system reminder sounds!

Three brand new options!

appeared in front of Qin Yuan!

"1, get world-class shuffling skills!"

"2, get world-class poker killing skills!"

"3, get world-class poker gambling skills!"

"Fuck... That's awesome! World-class card shuffling skills, poker killing skills, poker gambling skills? Each one is a skill that men dream of!"

Qin Yuan's eyes lit up!

"MD! If it's normal, even if I spend more squares! I have to get all these skills!"

Qin Yuan looked dazzled.

"But now, to survive! Let's choose murder skills!"

"System, I choose 2!"

No time wasted!

Qin Yuan made the choice directly!

In this case now!

Life is the most important thing!

"Ding Dong~ Congratulations to the host for choosing successfully! Get world-class poker killing skills!"

"World-class poker killing skills: the host can directly kill any target within a radius of 10 meters through playing cards through special force skills!"

"Effects within a radius of 10 meters? This is simply a weakened version of pistol marksmanship!"

Qin Yuan looked at the system description and was very satisfied with it!

Pistol marksmanship!

can make him almost invincible within a radius of 20 meters!

And world-class poker kills!

, however, can make him fascinated by killing people.

Combine the two!

Take a pair of poker with you.

Qin Yuan's melee strength will be elevated to a very terrifying level!
for an instant.

Qin Yuan has many more skills in poker power!

Different materials of playing cards require different skills!

Flying cards from different angles requires different knowledge!

This is a skill much harder than marksmanship!

Marksmanship and poker killing!

Facing such a complicated situation!

Qin Yuan's confidence doubled.

The whole person is a lot lighter.

Click.

The blond Wenxiang Nephrite walked out of the bathroom, smiling and walking towards Qin Yuan.

Anfisa finally took a bath!

At the moment of opening the door.

Qin Yuan moved his heart, calmly took the playing cards out of his backpack and put them back in his palms.

"Oh, my dear handsome guy, put down the poker in your hand and come and play..."

An Feisa smiled, obviously very satisfied with the little white face Qin Yuan.

But at this moment--

Before she could finish her sentence, there was a loud noise outside UU

bang!

The bedroom door was kicked open by a strong man Huang Mao!

Anfisa's face changed drastically in an instant, and she subconsciously squeezed the towel on her body, and roared, "Fak! Your bastard, how dare you kick my door! It's a good thing to destroy my old lady!?? Is it trying to die!"

Angry Anfisa went straight to the drawer, ready to get the gun.

But the next second.

A black muzzle aimed directly at her head.

"Anfissa, put away your waywardness and let this kid go! You and I can't afford to destroy the boss's deal, you know?"

Huang Mao, with a sullen face, came to Anfisa, stopped her directly, paused, and said coldly: "Moreover, is this kid delivering food? I don't know yet! I said to his identity. Very skeptical!"

"Destroying the boss's deal?" Anfisa suddenly sneered: "Doubt his identity? Assan, you wouldn't be naive to think that if you kill my little white face, I'll be with you...?? Haha, you are too naive Up!"

"Give you three seconds and get out of here! Also, you have angered me by pointing your gun at me!" Anfissas was not afraid, waiting for Huang Mao.

One time.

Huang Mao hesitated!

He never dreamed of it!

Anfisa's reaction was so violent!

For a little white face that suddenly appeared, he really did not hesitate to turn his face with him?

As for Qin Yuan?

At this moment, I am watching the big show.

His main task is to kill all these criminals while protecting An Ran!

Now, it is not the best time to do it!

He, waiting!
