Chapter 4: 1 poker, 1 life

At this time, Brother Kun with a gloomy face came over.

He looked at Anfisa coldly.

"Enough, Anfisa."

Brother Kun took a faint sip of cigarette, slowly spit out, his voice was low.

Anfisa was startled.

She never expected that Brother Kun would talk to her in this tone!

"It's my order to let Asang burst the door."

Brother Kun was condescending and looked at the exquisite Anfisa with a playful look: "Anfisa, don't think that you are the woman the boss likes, and you can do whatever you want. You know, there is an old saying in China that is called the emperor of the mountain high, and In one sentence, it will be out, you can't follow your life!"

"What's more, it's all my people who came to perform the task this time. Do you think...you can still do whatever you want in our nest?"

Brother Kun spit out heavy smoke on Anfisa's face.

Anfisa judged the situation, his face changed drastically!

An Ran on the side.

The face is also unprecedentedly ugly!

Originally, she thought that Anfisa took Qin Yuan into the bedroom, it was a safe place! .

But...

Now it seems.

Kun, do they finally want to do it?

Undercover with Fatty Liu for more than a year...

An Ran knows the nature of these men very well!

is not only very greedy, but also very lustful!

They have long coveted Anfisa's beauty...

was only taken in the majesty of Fatty Liu, which is not too explicit.

but now.

The mountain is high and the emperor is far away!

They are really messing around...

Fatty Liu will not know.

Big deal.

Destroy the corpses and destroy the traces?

"you!"

Anfisa has heard a great change!

Anfisa's eyes rolled sharply, and he thought quickly.

A snow-white pretty face, more and more angry.

"Li Kun, you bastard! I don't believe you dare to be disrespectful to me!"

Anfisa snarled at Brother Kun.

"Smelly boy! Do you dare to move, I will kill you directly!"

Huang Mao snorted and pressed the muzzle against Anfisa's head.

Anfissa suddenly screamed in pain.

Brother Kun threw away the cigarette **** in his hand, stamped out the cigarette **** with one foot, and then violently grabbed Anfisa's long wavy blond hair, Anfisa suddenly pained: "Smelly boy, I will get you today!"

Huang Mao showed a cruel smile, and licked his lips excitedly.

After that, Asang's face sank and said, "Brother Kun, it's my turn to play? But...before you play, let's get rid of this kid who almost takes advantage, right?"

Qin Yuan was slightly surprised, deal with himself?

Qin Yuan said that he really didn't want to take the advantage of Anfisa.

"Okay! But you have to come closer this time! Shoot down in the head, you know? Don't jump all the blood!" Kun said dissatisfied.

"I know Brother Kun!" Asang smiled excitedly, then turned the muzzle and pointed it at Qin Yuan.

"Stop!" Just then—

An Ran spoke!

Qin Yuan just couldn't bear it, let him come in and drink a glass of juice!

I didn't expect it to be like this...

This makes An Ran feel distressed!

is condemned!

Seeing the decision of Brother Kun and Asang to kill Qin Yuan, An Ran finally couldn't help it!

because she knows!

Just yesterday, they killed an arrogant food delivery guy!

The blood hasn't been wiped off yet!

As soon as he entered the house, occasionally he still didn't smell the blood.

"Huh? Violet, you don't want to plead for Anfisa, do you?"

Brother Kun couldn't help frowning when he heard this.

They have long been upset with Anfisa!

Now is a good time for revenge.

When the time comes, there will be a ruin.

It is said that Anfisa died in the mission.

Their boss will not know the specific situation.

But...

They forget!

An Ran and them are not in the same group!

"Or, do you want to go to the boss and expose us?"

Asang snorted coldly, staring at An Ran coldly.

Actually.

Anran and Anfisa have two red roses. These men, they have long wanted to get involved!

Especially An Ran, this authentic and beautiful big beauty makes them restless every day.
