

ONE-CLICK RECOVERY SINCE I WAS A SPECIAL SOLDIER

Chapter 7: Join the army?

Southeast City Police Station.

Qin Yuan just finished his transcript.

A sturdy, majestic Fan Tianlei, dressed in military uniform, walked out of General Wen's office with a smile on his face.

"Xiao Zhang, who is this big military boss? He seems to be familiar with Wen always?"

"I heard the retired Pharaoh once said that this seems to be the legendary senior officer of the Special Forces of the Southeast Military Region, who specializes in the management of the special forces! A group of special warfare elites under him are omnipotent in heaven and earth!"

"Going into the sky and the earth are omnipotent? Just blow it! Special forces are also humans and flesh and blood. They can be so powerful and so much stronger than us?"

The two young police officers couldn't help whispering when they saw Fan Tianlei's very dazzling two bars and four stars.

In the eyes of ordinary people!

Special forces, but very mysterious forces!

And Fan Tianlei!

is the leader of the special forces!

Chief of Staff of Spike Brigade of Southeast Military Region!

"Hello, Qin Yuan, are you interested in chatting with me?"

Fan Tianlei directed at Qin Yuan, who had just left the house, and walked straight over, with a smile on his face, he couldn't help but say with excitement.

Because of the crime scene!

He has already surveyed!

Three people at the scene!

Every one was pierced by a sharp playing card!

This is incredible!

after all.

Such an incredible thing!

Fan Tianlei has only been seen on TV!

In real life.

He has never seen, unheard of!

Although I have seen the video of poker cutting watermelon, but poker kills?

Especially after seeing the scene, he still felt too shocked!

First glance.

Fan Tianlei decided that he had found the treasure!

This time I will flick Qin Yuan into the barracks anyway.

"Huh? Is it you?"

As soon as Qin Yuan looked up, he saw Fan Tianlei with a smile on his face!

This time...

Qin Yuan couldn't help but chuckle in his heart!

Is this a coincidence?

Did you meet the **** Fan Dakeng?

As a famous pit **** in the special forces world!

Whoever gets close to him will suffer...

Qin Yuan realized this when he first watched the TV series.

How Chenguang's father sacrificed to save him...

Fan Tianlei's son, also because of him, had a bleak end.

Anyway...

This is a guy who brings his own cheating buff!

If possible, Qin Yuan hopes to stay away from him.

"Hello, Uncle PLA, do we know each other?"

Qin Yuan couldn't help but raised his eyebrows when he heard it.

"Student Qin Yuan, maybe you don't know me, but your heroic deeds and your superb poker stunts are really shocking! Come, let's find a place to talk and have a good chat."

Fan Tianlei waved his big hand, and put it on Qin Yuan's shoulder. Qin Yuan could not help but resist, laughed and took him into the car.

Qin Yuan is helpless...

Is this for fear of running away?

"MD! It seems that I'm still too weak! Next, I must improve my strength!"

Sitting in the car, Fan Tianlei galloped all the way!

Qin Yuan didn't speak, just remembering that Fan Tianlei had just put his shoulder on his shoulders, but his body did not have the ability to resist!

This made Qin Yuan very helpless.

Because his strength is too small!

can't even resist.

"I wonder if this system backpack can help me improve my strength?"

Qin Yuan thought about it leisurely.

After arriving at the People's Park of Southeast City, Fan Tianlei was in a good car, and started off with Qin Yuan.

"Classmate Qin Yuan, now, let me introduce myself solemnly. I am the chief of staff of the Spangya Special Brigade of the Southeast Military Region, Fan Tianlei."

Fan Tianlei smiled and stretched out his hand.

"Hello, Chief of Staff Fan."

Qin Yuan smiled and stretched out his hand to shake.

after all.

How could he have no affection for Fan Tianlei?

In fact, this Fan Tianlei...

is also very poor.

has many tragic colors.

"Qin Yuan, age 18, a freshman of Southeast University, both parents died since childhood, grew up in an orphanage, and was funded by good-hearted people in the society to go to school. He was hardworking and talented. He

was admitted to Southeast University with excellent grades. And get special treatment from the school to reduce tuition fees!"

"Learning talent is nothing in a million! A proper student!"

"It's a pity, everyone doesn't know, Qin Yuan, you still have a wonderful poker stunt!"

Fan Tianlei talked freely.

But when he said poker stunts, he couldn't help but get excited!

no way!

Even with his current status and rich experience!

still couldn't help but marvel at Qin Yuan's super skill.

Listening to Fan Tianlei's introduction.

Qin Yuan couldn't help but sigh.

This Qin Yuan...

is indeed excellent.

But the brightest!

, of course, is his own amazing poker stunt!

It seems that Fan Tianlei is still very yearning for his own trick.

Fan Tianlei took a step closer and asked with a smile, "Student Qin Yuan, can you tell me why you can do it, can you kill people with playing cards? This stunt is really powerful!"

"The chief of staff is absurd. When I was a child, my family was poor and there were no other toys," Qin Yuan also laughed. "Other children can buy their favorite toys, but those toys are too expensive for me... ...So, I fell in love with

poker, a pair of playing cards is worth one dollar, and sometimes I can pick it up on foot, so over time, I also have a certain experience with flying poker."

"So when it's okay, I try to use poker to make various attempts. First cut balloons, then watermelon, then cut plastic bottles, and then cut wooden boards..."

Qin Yuan also talked freely.

Of course he can't leak out the fact that he got the system!

Fan Tianlei couldn't help but his eyes widened!

Cut plastic bottles, cut wooden boards? ? ?

How much effort does it take?

He just tried it on purpose!

Qin Yuan's strength is not great!

Because he seemed to be holding Qin Yuan out of the house calmly, UU read www.uukanshu.com, but he was actually secretly testing Qin Yuan's ability!

see if Qin Yuan can break free.

but now.....

heard Qin Yuan's introduction.

It seems that Qin Yuan is very strong?

Could it be that Qin Yuan, who was just hiding, was hiding his strength deliberately?

Fan Tianlei thought leisurely!

"OK!"

After a little hesitation, Fan Tianlei finally laughed freely. He took a deep breath, his eyes pierced, and looked at Qin Yuan, "Qin Yuan is innocent, and he has many excellent qualities, and he has a poker stunt! It's just natural to be a man. Born as the super soldier king!"

"Now, as the chief of staff, I, on behalf of the Spike Brigade, formally invite you to join the army and become a member of my Spike Brigade. I wonder what you think?"

Fan Tianlei said solemnly.

"The fox finally shows its tail!"

Qin Yuan had a hunch for this!

Become a soldier?

to be frank.....

Although Qin Yuan is an army fan.

But military fans and joining the army are two concepts!

is a fan of the army, but he doesn't necessarily need to join the army!

For joining the army, Qin Yuan doesn't have this idea yet.

"dingdong~"

But at this moment.

The crisp system prompt sounded suddenly!

Qin Yuan was suddenly excited!

had a bad feeling in my heart!

"Ding Dong~ Now release a system mission, agree to Fan Tianlei's request to join the army, the mission is successful, unlock two new grids!"
