

ONE-CLICK RECOVERY SINCE I WAS A SPECIAL SOLDIER

Chapter 9: I will be the **** of gamblers!

"100,000?"

Fan Tianlei raised his eyebrows when he heard it!

Qin Yuan, this kid...

really amazing!

100,000 yuan!

Even in the 21st century today.

is not a small number either.

But.

Fortunately, Fan Tianlei can still afford it!

Fan Tianlei smiled heartily and patted Qin Yuan on the shoulder: "Haha, good! 100,000 yuan, I promise you! Half an hour later, I will give you the cash, 7 days later, how about you send someone to the gate of Southeast University to wait for you?"

"Oh?" Qin Yuan thought that Fan Tianlei would be in pain!

I didn't expect Fan Tianlei to agree so simply and neatly!

This also made Qin Yuan look at Fan Tianlei with admiration.

"Good! Since Chief of Staff Fan is so refreshing, I, Qin Yuan, will not break my promise. See you in 7 days."

Qin Yuan smiled indifferently, very satisfied with Fan Tianlei's words.

half an hour later.

at the bank gate.

Fan Tianlei personally handed over 100,000 cash to Qin Yuan.

Fan Tianlei smiled brightly: "Qin Yuan, I will send someone to the school to communicate with you about your school status and help you deal with it. We will see you in 7 days."

"See you then." Qin Yuan also smiled and took the initiative to stretch out his hand.

Fan Tianlei's palm is strong and strong.

immediately.

Qin Yuan took the money and left!

From small to large!

This is the first time he has so much money!

The reason for asking for money!

just to make Fan Tianlei give some blood, at the same time...

is also a small test for Fan Tianlei!

If the other party pays nothing, let yourself join the army, to be honest...

would rather not have two grids!

Qin Yuan will not enter the barracks either!

But now it seems...

Fan Tianlei is obviously very on the road and can be a man!

There is such a, well, temporary leader...

is still pretty good!

With money!

Qin Yuan Yuzai is leaving!

a moment.

Not far away, a green jeep, tall and piercing Thor, stepped out of the car, banged, and slammed into the door!

"Chief of Staff, this is the guy Violet recommended? This is obviously a small money fan, okay? Is it really worth your old man's 100,000 yuan?"

Lei Zhan looked at Qin Yuan's back and lit a cigarette, slightly disdainful.

As a soldier!

A special soldier!

never worked for money!

Going to die for money!

is the group of mercenaries from abroad.

"What? Thor, do you not believe in my eyes, or do you not believe in An Ran's eyes?" Fan Tianlei did not answer the question, and said with a smile, with a trace of joke in his eyes.

Lei Zhan likes Enron things.

Almost all veterans of the military district know it!

can be described as the heart of Sima Zhao, everyone knows.

However, Luohua deliberately flows ruthlessly.

An Ran in this world has no interest in Thor at all.

However, Thor is not the one who gives up easily.

never gave up.

When Thor heard this, he was immediately unhappy. He threw a cigarette **** on the ground and slammed it out: "Chief of Staff, of course I believe in An Ran's vision! It's just that... this kid is messing around! He hasn't entered the barracks yet, just I took 100,000 yuan from you! After that, I entered the army, so I can't go back to the sky?"

"It turned the sky?" Fan Tianlei smiled when he heard it, "Lei Zhan, don't you like to manage the thorns? How about leaving this kid to you?"

When Thor heard this, he raised his eyebrows and revealed an unexpected look: "Leave it to me to manage? This is a good decision! Hmph, don't worry, Chief of Staff, my favorite thing for Lei Zhan is to clean up those who owe it. Brilliant new recruit! Give this soldier to me, and I will definitely let him see what a real special force is!"

"Haha, good!" Fan Tianlei smiled brightly, "I am looking forward to it."

.....

The entrance of the orphanage.

Qin Yuan smiled and said goodbye to Grandma Sun, the dean.

"Goodbye grandma."

Qin Yuan smiled and waved, with a trace of reluctance in his eyes.

"Obuchi, remember to go home often, you can join the army, grandma is very pleased."

Dean Sun, with a peaceful face and gray hair, held the reading glasses with a gratified expression on his face.

After Qin Yuan left Fan Tianlei, he opened it and went to the orphanage.

Qin Yuan bought many common items such as fruits and clothes for the children.

There are some books carefully selected by Qin Yuan.

As the so-called books are the spiritual food of mankind.

Qin Yuan's ability to enter the university has a lot to do with his strong interest in reading.

"Don't worry, grandma, I will be back."

Qin Yuan smiled.

hug the dean.

"Goodbye Qin Yuan brother~"

The children also waved goodbye to Qin Yuan very well.

"Goodbye brothers and sisters."

Qin Yuan smiled. At this moment, Qin Yuan suddenly felt his heart and was touched.

This moment.

is very warm.

is very friendly.

immediately.

Qin Yuan simply left.

walked out of the central mall.

Qin Yuan changed his outfit.

A black suit, a pair of dark and shiny sunglasses, coupled with Qin Yuan's deliberately restrained expression, made him feel like a cold killer.

"Wow, Minmin, look, this little brother is so handsome."

"Wow! That's so handsome! I can't do it, I can't do it... I feel about to faint."

"It's so handsome, he's even more handsome than my idol, is this a real handsome guy?"

The girls coming and going on the street, when they see Qin Yuan, they keep committing nympho.

There was even a girl who was bold and tall, and asked Qin Yuan for WeChat.

Qin Yuan smiled and left directly.

He still has to do business!

7 days.

is very long!

He is going to do something big!

after all.

Qin Yuan has nothing to do with him in this city.

Since he has gone to serve as a soldier and cannot live freely in the city, he should buy some property for himself, right?

cost 3000 yuan. UU reading www.uukanshu.com

Qin Yuan found a guy and got a pass.

immediately.

Qin Yuan boarded the ferry to XG!

Faint sea breeze, charming night.

Qin Yuan stood alone on the deck of the ferry.

Moonlight, a bit chilly.

Ran.

Qin Yuan couldn't help but his heart surged!

Because this time...

His goal is XG Casino!

"I, Qin Yuan, since I am unwilling to spend this life mediocrely, I must be different everywhere!"

"This time, I will be the God of Gamblers!"

Looking at the approaching coastline, Qin Yuan's smile grew brighter!

This outfit.

Qin Yuan is expensive.

spent more than 40,000.

A trip to the orphanage also cost more than RMB 330,000.

plus a car to eat and buy a pass...

Today's Qin Yuan actually only has less than 10,000 yuan in his pocket.

But for the God of Gamblers...

Even without the principal, you can win money!

"Thinking that Chen Xiaodao could win 26 million yuan with 20 yuan back then, my Qin Yuan only needs 1,000 yuan in principal, which is enough."

Qin Yuan felt the cold sea breeze on the deck, smiling more!

Come out this time...

Qin Yuan is doing his own family business!

However——

the other side.

Spikes Special Brigade.

bang.

Lei Zhan directly angrily pushed open the door of Fan Tianlei's office, Lei Ting mastered!

"Chief of staff, the big business is not good! That kid took the money you gave and ran away!"

Lei didn't fight, and roared in anger.
