Chapter 16: Commander, Just Like That?

...

The next morning.

Zhou Qing slowly woke up.

At this moment, he was looking at the changes in his body in front of the mirror.

He could only feel that his body was filled with explosive power.

It seemed that he was now stronger than he had been at his peak.

The residual effects of his old injuries had also disappeared.

“What kind of secret recipe is this that company commander Qin gave me?”

Zhou Qing’s eyes were filled with shock.

To him, the small bottle of stuff that Qin Yuan gave him was unbelievable.

His body’s old injuries had recovered, and his physical fitness had even exceeded his peak.

Zhou Qing was instantly filled with confidence for himself and his future.

What Qin Yuan had said last night had made him understand what Qin Yuan was thinking.

At this moment, the warehouse of the logistics company was already surrounded by a group of people.

When the soldiers of the logistics company saw the weapons and equipment in Zhou Qing's car last night, they couldn't help but be stunned.

"Who stole the weapons from the arsenal?"

"F*ck, a type 88 sniper rifle."

"There are brand new type 95 rifles and a bunch of grenades."

"Oh my God, there must be at least hundreds of thousands of bullets in this."

"I see so many weapons and ammunition!"

"Quick, report to the company commander."

At this moment, the soldiers of the logistics company were shocked to see so many weapons and equipment.

How could the logistics company not be surprised by the number of weapons?

"What are you guys arguing about? Why are you making such a fuss? Look at all of you, you look like a bunch of bears."

At this time, Liu Ye also walked over and couldn't help but be angry when he saw the group of panicking soldiers.

"What's wrong?"

“Deputy company commander, it’s better for you to see for yourself.”

Liu Ye walked toward the warehouse.

“Who drove the instructor’s car to the warehouse?” Liu Ye said angrily.

“Deputy company commander, we’re not sure either! Also, look at the back of the car...” The soldiers quickly said.

Liu Ye went to the back of the car and opened the tarpaulin.

“..Tck...”

“Who took the Armory?” Liu Ye also quivered.

Shi Feng was stunned when he saw the weapons and equipment before him.

“We’re not sure either. We saw this when we came to clean up early in the morning. The soldiers were also helpless.

At this moment, Zhou Qing, who had just walked out of his room, suddenly remembered that he had driven his car to the warehouse last night.

Before the weapons and equipment were unloaded, he hurriedly called two soldiers to go to the warehouse.

Zhou Qing, who was walking over, saw that the warehouse was surrounded by people, including Liu Ye. He quickly walked over.

“Old Liu, why are you here?”

Liu Ye turned around when he heard the voice.

“F*ck, old Zhou, what’s going on with your car?” Liu Ye quickly asked.

“This... Didn’t I tell you that I went to the headquarters with the company commander last night?”

“I know that, but did you and the company commander rob the Arsenal?” Liu Ye shouted.

“Commander Qin asked the regiment commander to approve this.”

“The Regiment commander approved it?”

“Since when did our logistics company receive such treatment? even a regular infantry company might not have that much equipment.”

Liu Ye found it unbelievable.

“Look at your ignorant face.”

“Who said that our logistics company can’t have such treatment?”

“From today onwards, our logistics company will show the entire Regiment and even the entire Military Region that we are also a company with a backbone.”

Zhou Qing continued.

After his chat with Qin Yuan last night, he knew that Qin Yuan was building the logistics company into a special force.

“Hahaha! You and company commander Qin are the best! I’ve never seen a company with such equipment.”

“Well said. From today onwards, we’ll show those people who look down on our logistics company that we are not to be trifled with.” Liu Ye also said excitedly.

“Don’t waste any more time. This is all commander Qin’s credit. Hurry up and unload your weapons.” Zhou Qing quickly replied.

“Quick, you guys.”

“Take down the equipment and put them in the weapon room.”

“Yes!”

Then, the soldiers moved and unloaded the equipment from the vehicles.

At this moment, Zhou Qing and Liu Ye walked out of the warehouse.

Qin Yuan got up and happened to run into the two people who had just returned from the warehouse.

“Commander Qin!”

Zhou Qing greeted Qin Yuan when he saw him.

“How is it? The taste of the secret recipe is not bad, right?”

“Commander Qin, thank you.”

“Don’t be so polite, we’re comrades.”

Liu Ye looked at the two of them and said helplessly, “What are you two doing?”

“What secret recipe!”

“It’s a secret!”

“Yes, it’s a secret!”

The two of them smiled at each other and walked forward, leaving only Liu Ye dancing in the wind.

“F*ck, you two. We’re already so close, yet you two still eat without me knowing.” Liu Ye chased after him angrily.

“Report!”

“Commander, there’s a call for you.”

At this moment, the logistics company’s correspondent reported.

“Who is it?” Qin Yuan asked hurriedly.

“Sir! It’s the Regiment commander, he wants you to pick up immediately.”

“Alright,” he said.

“Commander Qin, why don’t I go and answer the call?” Zhou Qing was worried.

This was going to happen anyway. Zhou Qing knew what the two had done last night. The regiment commander would definitely question them when he woke up.

“I’m fine! I’ll do it!”

After saying that, he walked towards the office.

“Old Zhou, what’s going on? Don’t tell me you guys really robbed the team’s Armory.” Liu Ye quickly asked.

Zhou Qing whispered into Liu Ye’s ear about the whole incident.

“F*ck, aren’t you guys a little too bold? You guys even dared to trick our leader!”

After hearing Zhou Qing’s words, Liu Ye exclaimed in shock!

“Let’s go and take a look. If anything happens, I’ll take responsibility with commander Qin.”

“What are you saying? How can I not be involved in this?”

“Let’s see what the commander has to say first. At most, we’ll just be demoted and confined.”

At this time, Qin Yuan had already walked to the office and picked up the phone.

“Hello, commander. This is Qin Yuan.”

“You’re good, but you actually dared to trick me, the Regiment commander.”

“You took so many of my weapons and equipment. If you can’t make it look good, I’ll hold you responsible.”

“Beeping... Toot... Du...”

“Eh? It’s over?”

Qin Yuan saw that his regiment commander had already hung up the phone and was puzzled.

He had already prepared a bunch of excuses, but this good guy didn't even allow him to let out a fart.

But thinking about it, Kang Lei had always been a man of his word. Otherwise, when Fan Tianlei got him drunk and took the opportunity to take away He Chenguang, Wang Yanbing, and Li Erniu, he would have gone back on his word.

At this moment, Zhou Qing and the others also entered the room.

"Commander Qin, what did the regiment commander say?" Zhou Qing quickly asked.

"If the leader wants to blame us, the three of us will go together."

Liu Ye also said hurriedly.

"It's alright now! The regiment commander didn't say anything. Just don't waste this batch of ammunition."

"What? It's over?"

Liu Ye also looked at Qin Yuan with a puzzled expression. This was not just a few weapons and equipment!
