

## Special Troop 471

Chapter 471: Gong Jian is an Honest Man!

Qin Yuan was very interested in information network warfare.

The current mode of war is different from the past. Most of them were based on information warfare.

Therefore, it was important to build an information force that belonged to Battle wolf.

Especially for Qin Yuan, who had transmigrated, he knew better what information warfare represented.

Therefore, Qin Yuan hoped to have a professional information warfare team. This was the reason why Qin Yuan had asked Gong Jian to form the team.

“Captain, does that mean we’re equivalent to Battle Wolf Team 3?”

“Yes, Captain!”

At this moment, the other members of the Battle Wolf asked with a smile.

The reason why they had been working so hard all this time was so that they could truly become a member of Battle wolf.

Even though they had been eliminated in terms of stamina and strength, they did not give up the opportunity to join Battle wolf.

Qin Yuan had given them this opportunity, so they cherished it.

“Yes, from today onwards, you will be team 3 of the Battle wolf. You can say that you are the shadow team of the Battle wolf.”

“Under my jurisdiction, I am the captain of your Heavenly Eye team.”

Looking at everyone’s smiling faces, Qin Yuan smiled and said to everyone.

Qin Yuan had been looking forward to this information warfare team for a long time. Now, it was officially established.

The members of the Heavenly Eye team were still quite good at information warfare. At least, they had learned most of the things he had taught them.

“Yes, sir! Captain!”

“Yes, sir! Captain! We definitely won’t let you down.”

After hearing Qin Yuan’s reply, everyone returned with a smile.

They had been waiting for this day for a long time. For a moment, everyone was especially happy.

“Alright, continue the training!”

“By the way, let’s switch to using Saori Hara instead of Yuika Takashima!”

“You guys can practice with those island country scrubs for now.”

At this point, Qin Yuan turned to address the others.

“Yes!”

“Yes!”

With that, Qin Yuan and Gong Jian left the information network room.

“Captain is quite impressive; turns out he’s also a seasoned veteran!”

At this moment, Xiaowu, who was sitting beside the computer, exclaimed loudly.

Just now, when Qin Yuan had asked them to change to Saori Hara, he had even specially searched for her.

Who would have thought that Qin Yuan would know all this? As expected, Qin Yuan knew everything and he was even a great god.

“F \* Ck. The captain is amazing!”

At this moment, a series of exclamations sounded in the information network room.

“Captain Qin, who do you think that Saori Hara person is?”

“Is he a very powerful hacker?”

After walking far away with Qin Yuan, Gong Jian specifically asked.

He still did not quite understand what Qin Yuan meant.

“Hacker?”

“No way, Instructor Gong. You don’t even know what the exam is about?”

“Forget it, forget it. You can check it out again in the future!”

After hearing Gong Jian’s question, Qin Yuan felt helpless.

He didn’t know how to introduce Gong Jian. It seemed that Gong Jian was an honest man.

“Alright then!”

“I have time to check it out.”

Looking at Qin Yuan’s shocked expression, Gong Jian was a little embarrassed.

After all, it seemed like everyone knew but he didn’t. This was a little awkward.

Therefore, Gong Jian thought that he must investigate which country’s top hacker Saori Hara was.

Speaking of which, he didn’t even know. He felt a little awkward.

“Alright!”

As he spoke, Qin Yuan revealed a motherly smile.

“Instructor Gong, I need to go to the chief’s place later.”

“Old Zhou and the others have come back. They should be at Vice-captain Liu’s place now. You should go and find them to catch up!”

At this moment, Qin Yuan remembered that when he came back, he had received a call from the Bureau Chief asking him to go over in the afternoon.

He had come here as soon as he had taken a shower. He had almost forgotten about it.

“Alright!”

“You go ahead. I’ll go to Old Zhou’s place.”

After saying that, Qin Yuan immediately rushed to the military region, while Gong Jian returned to his dormitory.

He had to figure out what Qin Yuan was talking about. Otherwise, it would be so awkward.

Southeast Military Region, in the Bureau Chief’s office.

At this moment, Gao Shiwei was looking at the documents that the border defense regiment had sent over. His face was full of smiles.

This time, Battle wolf’s movements were swift and beautiful.

Although they had some conflicts with some Americans, Battle wolf displayed the integrity and might of a Chinese soldier.

“Chief! Are you looking for me?”

At this moment, Qin Yuan walked into the Bureau Chief’s office.

“Brat, you’re here!”

“Not bad, not bad. Come and sit!”

Seeing that Qin Yuan had arrived, Chief Gao Shiwei said in relief. “This time, your Battle wolf’s mission was completed very well.”

“There’s news from the border guards. Shang Kun has woken up. They’re preparing to interrogate him.”

“I didn’t expect you to be so capable!”

“In such a short period, you’ve brought Battle wolf’s strength to such a level.”

After Qin Yuan sat down, Gao Shiwei said excitedly.

“Chief, Battle wolf will not disappoint you.”

“It’s just that this time, we have a conflict with some organizations in the United States. This may cause them to find trouble with us internationally.” Seeing that Gao Shi was in a good mood, Qin Yuan said with a smile.

Because he wanted to know what the Bureau Chief thought about this matter..

Chapter 472: Gong Jian is an Honest Man!

"It's fine. No matter where they are, they always think that they're the best in the world."

"Besides, what can they do in that area? Moreover, the international community has already banned the sale of firearms in that area, though they were the first to do so."

"If they dare to find trouble, we'll go all out."

After hearing Qin Yuan's words, Gao Shiwei said angrily. He was very unhappy about this.

Although he knew that these firearms were definitely from the US military, they couldn't say anything.

After all, they did not participate in this matter in the name of the military.

"That's good!"

As he spoke, Qin Yuan smiled.

Although Chief Gao was already over fifty years old, the domineering aura emanating from his bones was still very fierce.

"Oh right, you guys have contributed a lot this time. I've already applied for military merits for you guys!" "I believe they will be here soon."

"Kid, you really didn't disappoint me!"

At this moment, Gao Shiwei looked at Qin Yuan and said with a smile. Qin Yuan was becoming more and more pleasing to his eyes.

"Alright!"

"Chief, don't worry. Battle wolf will not embarrass you."

After hearing Chief Gao's words, Qin Yuan immediately replied.

"By the way, the old chief called me and asked you to go back when you have time!"

"Look at you. You've been back in the army for so long. Why don't you take the time to give him a call?"

"He even had to give me a call." At this moment, Gao Shiwei thought of this matter and complained to Qin Yuan.

"Yes, yes, yes!"

"Chief, I'm quite busy, so I don't have time!"

Qin Yuan immediately explained when he saw Chief Gao Shiwei's expression. "Alright. I'll give you a week off this time. Go home and take a look!"

"Then, when I came back, I started preparing for the International Special Forces Competition. I believe Xiaoyun has already told you about it, right?" At this moment, Gao Shiwei asked.

"She has already told me. Don't worry. Battle wolf will definitely not disappoint us in this competition."

After hearing Chief Gao's words, Qin Yuan knew that he would definitely talk about this matter when he was called over.

"With you around, I can rest assured."

"However, many of these special forces are very strong. Although Battle wolf's strength has increased very quickly, compared to them, he lacks a lot of experience. "

"After all, experience can't be gained through training."

After hearing Qin Yuan's words, Gao Shiwei was very gratified. However, he knew what kind of problem Battle wolf was facing.

Long Xiaoyun had already given him the battle report, including the mission this time. He had read and analyzed it.

"Chief, I know what you're worried about."

"However, don't worry, Battle wolf will definitely live up to your expectations."

After hearing Chief Gao Shiwei's words, Qin Yuan knew what Chief Gao Shiwei was worried about.

This was indeed a problem for the Battle wolf members. Although their strength could be improved, many actual combat experience could not be realized through training.

However, Qin Yuan had already thought of how to train the members of Battle Wolf this time.

"Good! Give me a training plan after your vacation."

"When the time comes, I'll see what you plan to do."

Seeing how confident Qin Yuan was, Gao Shiwei was a little curious. After all, this thing could not give all the Battle wolf members that kind of combat experience in just one or two months.

"Yes, Chief!"

Qin Yuan nodded. He had already made plans for the training plan.

But before that, it seemed like he needed to make a trip home.

He had not seen Miao Xiaoxiao for a long time. Qin Yuan knew that his grandfather had asked him to go back this time because of Xiaoxiao and him.

“This time, after a discussion among us, we have decided to award you with second-class merit and promote you to lieutenant colonel based on your performance in this operation and the previous kidnapping case.”

“Then I’ll give you all a second-class merit.”

“Do you have any objections to this?”

Gao Shiwei looked at Qin Yuan and smiled. He knew that Qin Yuan did not care much about these military merits, but he would arrange for Qin Yuan to receive whatever he needed.

Moreover, Battle wolf and Qin Yuan’s performance did make him very gratified.

“This...We’ll do as you say, Chief.”

Qin Yuan did not care about these military merits, but he knew that this was the affirmation of the chiefs.

“Alright, then you can go back first!”

“Let’s tidy up and go back.”

“Don’t let the old chief call me to look for you again.”

At this moment, Gao Shiwei joked.

“Yes, sir!”

After saying that, Qin Yuan bowed and left the office.

“Looks like I have to let these guys rest for a few days!”

After leaving the Bureau Chief’s office, Qin Yuan sighed softly.

Originally, he had planned to bring the Battle wolf out after tonight, and he had already thought of a place to go.

However, his grandfather had already called Chief Gao Shiwei. It seemed that he had no choice but to go back.

Since that was the case, he could only explain to Battle wolf and then go back.

With that, Qin Yuan quickly walked towards the base.

Dong dong dong.

“Captain Long, are you there?”

Qin Yuan walked to Long Xiaoyun’s door and gently knocked on the door.

“Why are you here?”

Seeing that it was Qin Yuan, Long Xiaoyun was a little surprised. Shouldn’t Qin Yuan be at the military commander’s place? Why did he return to the base so quickly?

“Sorry to bother you.”

"I might have to take a break for the next few days. I'll leave Battle wolf's training to you."

Seeing Long Xiaoyun's wet hair, she had just finished washing up as usual!

"A vacation?"

"Why do you suddenly have to take a vacation?"

"Is there something?"

After hearing Qin Yuan's words, Long Xiaoyun immediately asked.

The International Special Forces Competition was not far away. Qin Yuan suddenly wanted to take a break at this time. There should be something very important.

"It's fine. The old man at home has already called the chief."

"I haven't been back in a long time, so I'll go back and take a look!"

Seeing Long Xiaoyun's surprised expression, Qin Yuan immediately explained.

"Then the training of the team members..."

At this moment, Long Xiaoyun immediately asked. Previously, Qin Yuan had said that after returning to the base, he would have to carry out more in-depth training for the members of Battle wolf.

As for how Qin Yuan planned to train, Long Xiaoyun was not very clear, so she needed to ask clearly.

"You just need to train them as usual."

"The current training is no longer suitable for these guys, so the rest of the training will wait for me to come back!" "You just need to train as usual while I'm away." At this moment, Qin Yuan instructed.

"Alright, I understand."

Long Xiaoyun nodded in agreement. What Battle wolf needed right now was actual combat experience, and Long Xiaoyun couldn't do anything about it. Since Qin Yuan already had a way, he would wait until Qin Yuan returned.

"Alright, then I'll go back first!" "As for Old Zhou and the others, just tell them that I have something to do!"

"Okay, I got it. Have a safe trip!"

"Good!"

After saying that, Qin Yuan returned to his treehouse. After changing into his normal clothes, he set off on his way home.

On the train, Qin Yuan, who was resting with his eyes closed, was woken up by the ringing of the bell.

Qin Yuan picked up his phone and looked at the caller ID. He immediately picked up the call.

“Kid, your wings have hardened!”

“Why didn’t you call home after so long?”

“If I hadn’t called your chief, would you have not returned my call?”

As soon as the call connected, she heard Old Master Qin’s scolding.

Qin Yuan had not called home for a long time. He had been on a mission during this period of time, so he did not bring his phone out.

“Grandpa. I’m on my way home!”

“Don’t scold me over the phone. I’m ready to go home.. You can scold me then!”

Chapter 473: Home!

Hearing his grandfather’s scolding, Qin Yuan explained with a smile. “You brat, I’m going to deal with you when you come back!”

“That’s it for now!”

After saying that, Old Master Qin hung up the phone.

When he heard that Qin Yuan was already on the way back, he felt a little satisfied.

“Old Qin, you don’t have to scold my grandson-in-law like this!”

“What’s wrong? You can’t beat me in chess, so you’re venting your anger on that brat?”

At this moment, Old Master Miao said with a smile.

“What do you mean I can’t beat you? Come, come, come!” After hearing Elder Miao’s words, Elder Qin said unwillingly.

“Alright, with your chess skills, forget it!”

Looking at Old Qin’s angry expression, Old Miao smiled and said,

“Oh right, has that brat returned?”

He had heard the conversation between Qin Yuan and Old Qin just now.

“Yeah, this kid hasn’t called home recently. I called him a few times, but he couldn’t bear to return my calls.”

“Also, this kid hasn’t called Xiaoxiao for more than a month.” “This time, I’ll skin him alive and toughen his wings!”

At this point, Old Qin began to curse again.

Although he knew that Qin Yuan was very busy managing Battle Wolf, no matter how busy he was, he had to call his granddaughter-in-law!

“Alright, Old Man Qin, don’t bother yourself with the affairs of these young people!”

“Besides, it’s understandable that Qin Yuan is so busy now, and Miao Miao understands it very well.”

After hearing Old Qin’s words, Old Miao defended Qin Yuan.

“Old Miao, don’t try to absolve that brat!”

“No matter what, you can’t let Xiaoxiao suffer. Besides, Xiaoxiao is your biological granddaughter. You’re helping Qin Yuan.”

Hearing Elder Miao absolve Qin Yuan, Elder Qin was a little angry.

“It’s precisely because Xiaoxiao is my granddaughter that I can understand her.

If she couldn’t accept such a life, she wouldn’t have chosen Qin Yuan.”

“So, don’t be angry with Qin Yuan.”

Seeing that Old Qin had been protecting his granddaughter, Old Miao felt very gratified.

“Oh right, I heard that the last time they went on a mission, this kid led his team to fight against the Americans?”

At this moment, Elder Miao suddenly changed the topic. Otherwise, with Elder Qin’s personality, he would definitely not let go of Qin Yuan.

“That’s right. This guy was originally on a mission to eliminate the cancer.”

“Who would have thought that they would actually fight with some arms dealers from the United States?”

“Fortunately, this kid hasn’t embarrassed himself. Otherwise, watch how I deal with him!”

Hearing Elder Miao’s question, Elder Qin said excitedly. Although he was still very tough with his words, he was still very proud in his heart.

Qin Yuan and the others had completed their mission beautifully this time, so as Qin Yuan’s grandfather, Old Qin was very proud.

“Not bad!”

“In my opinion, Qin Yuan is a little stronger than you were back then.”

“Looks like my grandson-in-law is quite capable!”

After hearing Old Qin's words, Old Miao was very pleased. For the older generation of soldiers, they still hated the Americans to the bone.

Now that they heard that Qin Yuan had dealt with these guys, how could they not be happy?

"Alright, don't praise him. This kid only dealt with some firearms organizations. There's nothing to show off."

"If we can really defeat the American army, that would be great."

Seeing Elder Miao's expression of praise, Elder Qin smiled and said.

To be honest, who wouldn't want their descendants to be talented?

In the past, Qin Hai had already been at odds with him and had retired from the army to do business. Fortunately, Qin Yuan did not disappoint him.

Moreover, he knew that Qin Yuan's performance was very good recently. However, this kid was so busy now, so he was a little worried that Qin Yuan would delay marrying Miao Xiaoxiao.

After all, he wanted to have a great-grandson as soon as possible.

"Enough, Old Man Qin. I've heard of Qin Yuan's achievements!"

"Don't think that you're the only old chief of the Southeast Military Region, okay?"

"Fortunately, Qin Yuan is my grandson-in-law. If you don't want him, I do!" Seeing Old Qin's dissatisfied expression, Old Miao said helplessly.

He knew all about Qin Yuan's achievements in the army.

With such ability and strength at such a young age, his future achievements would not be inferior to those two old fellows.

If Old Qin wasn't satisfied with such an achievement, then what was considered acceptable?

"Alright, let's not talk about this kid anymore!"

"Where's Xiaoxiao? Didn't she come back? Why didn't I see her today?" After hearing Elder Miao's words, Elder Qin laughed.

To be honest, Qin Yuan's achievements in the army made him very proud. At least among the old fellows and juniors, Qin Yuan's achievements were still impressive.

"Xiaoxiao?"

"She had gone shopping!"

"As soon as she came back, her classmates contacted her and she went out early in the morning."

"According to this time, he should be back by now."

Hearing Old Qin's question, Old Miao explained. "Grandpa Qin!"

At this moment, a call came from outside the door.

At this time, Miao Xiaoxiao was carrying bags of things into the house.

“Xiaoxiao?”

Chapter 474 - 474: Going Home!

“Why did you come? Why did you bring so many things?”

“You’re not allowed to buy these things in the future!”

Seeing Miao Xiaoxiao walk in with a pile of things, Old Master Qin went up to her with a smile.

“No, I saw something suitable for Grandpa and Grandma Qin, so I bought some.”

Miao Xiaoxiao said with a smile. Then, she saw her grandfather walk out.

“Grandpa, why are you here too?”

At that moment, Miao Xiaoxiao realized that her grandfather was there.

“What’s the matter? You ran here as soon as you came back? You even bought so many things.”

“Why didn’t I see you like this when you came home?”

He looked at Miao Xiaoxiao’s bags.

Elder Miao smiled and complained.

Miao Xiaoxiao was too old to be kept. She was not even married yet, and she already had these.

“Of course not, Grandpa. I’ve already left yours at home!”

“How could it be missing yours!”

Miao Xiaoxiao explained with a smile when she saw her grandfather’s grumbling eyes. Then, she put down her things and walked to Elder Miao’s side to hold his hand.

“That’s more like it!”

After hearing Miao Xiaoxiao’s words, Elder Miao felt a little better.

Otherwise, he would have thought that his granddaughter had forgotten about him so quickly.

“Don’t buy anything in the future. We don’t lack anything!”

“Every time Qin Yuan and your Uncle Qin come back, they bring a bunch of things. Some of them are still in the storeroom?”

“We don’t need these things at our age!”

Seeing Miao Xiaoxiao spending so much money, Old Master Qin immediately reminded her.

“That’s different!”

“Grandpa Qin, this is for health. It’s good for both your and Grandma Qin’s health.”

“Although it’s not very expensive, it’s still a little token of my appreciation.

Grandpa Qin, please accept it!” Miao Xiaoxiao explained with a smile.

“Alright, Xiaoxiao, you’re so thoughtful!”

“Then Grandpa Qin will accept this!”

As he said that, Old Qin walked over and picked up the things, and put them in his room.

He was quite happy that his granddaughter-in-law bought it for them.

He put the things that Qin Yuan and the others bought for him in the storeroom, and Miao Xiaoxiao took the things that she bought back to her room.

This was the difference!

“Where’s Grandma Qin? Why don’t I see her!”

Miao Xiaoxiao looked around and did not see Qin Yuan’s grandmother. She asked with a smile.

“Your Grandma Qin went to buy groceries!”

“That brat is coming back today. As soon as she knew, she went to buy groceries early in the morning.”

Old Master Qin explained. “Brother Qin Yuan is coming back today?” Miao Xiaoxiao asked excitedly.

“What’s wrong? This kid didn’t tell you?”

Seeing that Miao Xiaoxiao did not know that Qin Yuan was coming back, Old Master Qin’s expression changed.

“Uh... that. did. Brother Qin Yuan just told me, and I just... I saw the message.”

Miao Xiaoxiao knew that Old Master Qin was angry when she saw his expression.

Therefore, he immediately lied. He was too excited just now and forgot that he should not have asked.

“Xiaoxiao, don’t defend him anymore. This kid has grown up. I will deal with him when I come back later!”

Old Master Qin was very angry.

It was fine if Qin Yuan didn’t tell them, but he didn’t even tell Miao Xiaoxiao that he was back.

How could this not make him angry? His face, which had been happy just a moment ago, instantly darkened.

“Grandpa Qin, don’t be angry. Maybe Brother Qin Yuan wants to give me a surprise?”

Miao Xiaoxiao said with a smile when she saw Old Master Qin’s expression.

“Yeah, Old Man Qin. Young people like surprises like this.”

“Don’t get involved.”

At this moment, Elder Miao explained on behalf of Qin Yuan.

“Alright, let’s not talk about him anymore. The older this kid gets, the harder it is to control him!”

After hearing Miao Xiaoxiao and Elder Miao’s words, Old Master Qin finally calmed down.

Qin Yuan did not expect that he would be misunderstood just because he wanted to give Miao Xiaoxiao a surprise.

“Xiaoxiao, you’re here!”

At this moment, Qin Yuan’s grandmother came back from grocery shopping and saw Miao Xiaoxiao as soon as she entered the door.

“Grandma Qin!”

After seeing Qin Yuan’s grandmother, Miao Xiaoxiao went over to take the basket from Grandma Qin’s hand.

“I haven’t seen you for a few months. My granddaughter-in-law is even prettier now!”

Grandma Qin was very happy to see Miao Xiaoxiao. “Grandma Qin, I...Brother Qin Yuan and I aren’t engaged yet! ” “We’re just boyfriend and girlfriend!”

Hearing Grandma Qin’s words, Miao Xiaoxiao blushed.

“We’ll be a family from now on! There’s no difference now or in the future!”

“Qin Yuan is back today. Come with me to help in the kitchen!” “It just so happens that I can teach you Qin Yuan’s favorite dishes!”

“Let me tell you, if you want to get a man, you have to satisfy his stomach first! ”

Grandma Qin said with a smile.

They liked this granddaughter-in-law very much.

“Okay, Grandma Qin!”

After that, Miao Xiaoxiao followed Grandma Qin into the kitchen.

After Qin Yuan got off the train, he rushed back.

He knew that he would be scolded by his grandfather when he returned this time.

But to be honest, he missed home.

Home gave him comfort.

No matter how tired he was outside, he felt especially comfortable when he returned home.

Half an hour later, Qin Yuan finally saw the familiar small courtyard.

He opened the door and saw his grandfather.

“Grandpa!”

“Grandpa Miao! ”

As soon as Qin Yuan entered, he greeted the two old men. “You’re back, kid. You must have had a tough journey!”

“Come over and sit!”

Seeing Qin Yuan walk in, Elder Miao stood up and walked to Qin Yuan’s side to greet him.

“It’s been a while since we last met. You’ve become much more capable. Not bad, not bad!”

Looking at Qin Yuan, Elder Miao praised him.

However, Old Qin did not move at all and did not say a word.

“Grandpa Miao, thank you for your praise!”

After hearing Elder Miao’s words, Qin Yuan returned with a smile. Looking at his grandfather, Qin Yuan knew that he was angry. “You brat, you still know to come back?” “Go out and carry that sandbag and do the horse stance!”

“Don’t come in without my permission!”

At this moment, Old Master Qin was furious.

To be honest, it was fine if Qin Yuan did not call them, but he did not call Xiaoxiao for such a long time. This made him very angry.

Xiaoxiao was his granddaughter-in-law.

Moreover, Qin Yuan was already in a relationship with her, yet he was so irresponsible. How could he not be angry?

“Old Qin, what are you doing?”

“It’s not easy for Qin Yuan to come back. It’s fine if you don’t have a good face, but you actually want to punish him?”

After hearing Old Qin’s words, Old Miao immediately said.

“Don’t meddle in this. The older this kid is, the more disobedient he becomes. If we don’t teach him a lesson, he won’t even know his surname!”

Seeing that Elder Miao had helped Qin Yuan out of his predicament, Elder Qin continued.

“It’s fine! Grandpa Miao, I’ll go!” “Grandpa, I’m used to this!”

“Let’s go!”

As he spoke, Qin Yuan walked out. He carried the 100-pound sandbag and started to do the horse stance.

He had long thought about his grandfather’s corporal punishment.

Wasn't his grandfather always like this when he made a mistake in the past?

At most, when it was time for dinner, his grandfather would call him in for dinner.

"Old Man Qin, you're a little too much!"

Seeing this scene, Elder Miao could not help but say.

"Alright, teach him a lesson! Otherwise, it'll be like this next time!"

Old Qin explained.

"Brother Qin Yuan."

"Why are you standing here with a sandbag?"

At this moment, Miao Xiaoxiao walked out of the kitchen and saw Qin Yuan walking over to ask about the punishment.

"Xiaoxiao."

Looking at the little girl who he missed day and night, Qin Yuan's eyes were filled with gentleness.

"I wanted to give you a surprise, so I didn't inform you!"

"Who knew that Grandpa would misunderstand as soon as he came back!"

At this moment, Qin Yuan put down the sandbag, then picked Miao Xiaoxiao up and explained.

"Brother Qin Yuan, I know!"

"I know you've been very busy recently. It's just that Grandpa Qin.. He looks very angry!"

Chapter 475 - 475: Marriage

Qin Yuan's profession was like this, not to mention that Qin Yuan was a particularly outstanding person.

Therefore, she knew that Qin Yuan must be very busy.

She had already thought of this when she chose Qin Yuan back then. "It's been hard on you. I'll complete the current mission as soon as possible." "When the time comes, I'll definitely make time to accompany you!" Looking at Miao Xiaoxiao in front of him, Qin Yuan felt pity for her.

He had mentioned this problem back then, but Miao Xiaoxiao did not care. However, Qin Yuan still felt a little sorry.

After all, he was indeed very busy during this period of time. Battle wolf needed to carry out missions, and most of the time, he could not contact the outside world.

"Brother Qin Yuan, I'm really fine!"

"I know that your profession is very special, and as a soldier, I know that the chances of us meeting each other are very few."

“But I’m not afraid. I just want to be with you.”

Looking at Qin Yuan’s guilty gaze, Miao Xiaoxiao immediately said.

She did not want to become Qin Yuan’s burden.

“It’s been hard on you!”

Looking at Miao Xiaoxiao, Qin Yuan did not say anything else. He just hugged her tighter.

He knew what Miao Xiaoxiao was thinking, and he knew how much he loved her.

However, this was the time when his mission was the most important. Battle wolf still had a lot of things he needed to do, so there was nothing he could do.

The two of them hugged quietly for a long time. No one said anything. This was Qin Yuan’s home.

To be honest, Qin Yuan quite liked this feeling, but Battle wolf needed him more now.

“Cough cough!”

At this moment, Elder Miao coughed softly.

Seeing the two of them hugging each other, he was embarrassed to disturb them, but such a scene did not seem to be good in Qin Yuan’s house.

After all, they were not married yet.

“Grandpa! Why did you come out!”

The two of them immediately let go of each other when they heard the sound. Miao Xiaoxiao saw her grandfather and her face instantly turned red.

“Grandpa Miao! ”

Qin Yuan was a little embarrassed. He had almost forgotten that this was his home, and his grandfathers were all here.

“I just came out to take a look!”

“By the way, is the food ready?”

Seeing Miao Xiaoxiao’s red face, Elder Miao said with a smile.

Elder Miao was very happy about the relationship between Miao Xiaoxiao and Qin Yuan. After all, in his grandson’s generation, Miao Xiaoxiao was the only child in the Miao family, and she was a girl.

Qin Yuan was an outstanding soldier, so in his heart, Qin Yuan was already his grandson-in-law.

“Grandma Qin is almost done.”

“I just came out to clean up.”

“Grandpa, you can go in first. We’re going to eat now!”

Miao Xiaoxiao said awkwardly.

So she ran back to the kitchen.

“Brat! If you dare to let Xiaoxiao down, even if you’re Old Man Qin’s grandson, I’ll have to deal with you!”

After Miao Xiaoxiao left, Elder Miao walked to Qin Yuan’s side and said. “Grandpa Miao, don’t worry. I, Qin Yuan, will only treat Xiaoxiao well! ” “As long as she’s willing, I, Qin Yuan, will never let her down in my life!”

“But...”

After hearing Elder Miao’s words, Qin Yuan immediately replied. He was very clear about Miao Xiaoxiao’s feelings. It was love.

“But what?”

Hearing Qin Yuan’s hesitation, Elder Miao became suspicious, and his expression darkened.

“It’s just that the time I can spend with Xiaoxiao now is really too little.”

“Battle wolf currently has a lot of things to do, and they can’t do without me, so... I can only let Xiaoxiao suffer for the time being.”

Seeing that Elder Miao’s expression had darkened, Qin Yuan immediately explained.

“So you’re talking about this? I thought you weren’t going to take responsibility! ”

“Xiaoxiao doesn’t even care about this. Don’t think too much about it!”

“After all, you are a soldier and the person in charge of Battle wolf.”

“It’s normal to be busy!”

“I only have one precious granddaughter. You have to take good care of her!” After hearing Qin Yuan’s words, Elder Miao’s expression relaxed.

After all, this was not a big problem. It was normal for Qin Yuan to have a heavy mission now. As the commander of the newly established special forces, there were too many things to do.

It was the first time he had met such a young person in charge of the special forces in so many years. Moreover, Qin Yuan’s strength and ability were indeed outstanding.

Battle wolf had only been established for a few months.

However, Battle wolf’s overall strength was not much worse than the other special forces.

To some extent, Battle wolf was even stronger than some of the veteran special forces.

The only shortcoming was that he was too young and lacked actual combat experience. However, Battle wolf would overcome this in the future.

“Grandpa Miao, don’t worry!”

“I will definitely treat Xiaoxiao well.”

Seeing that Elder Miao’s expression had eased up, Qin Yuan immediately promised.

He knew that Elder Miao was worried about Xiaoxiao, but it was only right. After all, Xiaoxiao was Elder Miao's only granddaughter, and he usually doted on Xiaoxiao the most.

"Alright, you can settle your marriage first when you come back this time!"

"As for the wedding date, we'll talk about it later when you have time!"

"That's why your grandfather called me over!"

Seeing Qin Yuan's especially sincere gaze, Elder Miao was very gratified. Then, he told Qin Yuan the reason why he called Qin Yuan back this time..

Chapter 476 - 476: Marriage

Now that Old Man Qin was still angry, he could only say this.

"Has it been decided today?"

After hearing Elder Miao's words, Qin Yuan was shocked, followed by joy.

He was very happy to settle his relationship with Miao Xiaoxiao.

He just didn't expect it to be so fast.

"What's wrong? Do you have any questions?"

Seeing Qin Yuan's puzzled look, Elder Miao asked softly.

"Grandpa Miao, I just didn't expect it to be so fast!"

"Of course I'm happy to, but does Xiaoxiao know?" At this moment, Qin Yuan explained with a smile.

"She doesn't know yet, but do you think she'll be unhappy? "This girl, she has been asking about you a lot recently!" "If you hadn't come back, she would have pulled all my hair out!"

After hearing Qin Yuan's words, Elder Miao laughed out loud.

Taking advantage of this time to call Qin Yuan back to settle the marriage between the two of them, Elder Miao felt relieved.

After all, the two of them loved each other. It was a good thing to settle down early.

"As long as Xiaoxiao is willing!"

After hearing Elder Miao's words, Qin Yuan smiled and nodded.

"Let's go in!"

"Your grandfather's anger should have subsided!"

Elder Miao said softly.

"Good!"

After saying that, Qin Yuan followed closely behind Elder Miao into the living room.

At this moment, his grandfather was still sitting on the sofa not far away. He did not say a word. Qin Yuan did not dare to speak either, so he stood quietly at the side.

“Alright! Come and sit down!”

“Second, I want you to come back and tell you something!”

“Kid, no matter how busy you are in the future, remember to report to Xiaoxiao!”

At this moment, Old Qin said in a deep voice.

“Yes, sir! I understand, Grandpa!”

Seeing that his grandfather was no longer angry, Qin Yuan smiled and replied.

“Come and sit down!”

At this moment, Old Qin took care of Qin Yuan and sat down.

Looking at Qin Yuan in front of him, Old Qin was very gratified.

He knew all about Qin Yuan’s deeds during this period of time. It could be said that Qin Yuan did not embarrass the Qin family or him.

The reason why he did this just now was because he wanted Qin Yuan to know that Miao Xiaoxiao was a good girl. Since she had made her choice, he could not let her down. The Qin family was a loyal family, not a playboy. “I heard that you fought with the Americans on this mission?”

After Qin Yuan sat down, Old Qin immediately asked.

Although he knew the news, Old Qin still wanted to understand the situation at that time.

“Yes, we were on a mission to destroy Shang Kun’s organization.” “I just happened to run into them in the middle of an arms deal!”

“Elder Miao, be quiet!”

“How old are you? You’re still so impatient!”

Seeing Elder Miao’s actions, Elder Qin said helplessly.

Old Qin, don’t forget who killed our platoon leader!”

At this moment, Elder Miao said unwillingly, and his eyes seemed to be filled with tears.

“I didn’t forget! If I could, I would have continued to shoot them with my gun!”

“It’s just that it’s different now! This era no longer belongs to us!” Old Qin said.

For a moment, the scenes from that time surfaced in his mind.

There were tears in her eyes. “Grandpa, Grandpa Miao!”

“Don’t get excited!”

“Whether it was in the past or now, as long as they dare to attack, we won’t be polite to them!”

“It’s the same this time. The next time we meet them, it’ll be the same!” At this moment, Old Qin immediately reminded him.

Ever since the peace, the older generation of soldiers had been unable to release their anger.

It was the hatred of those brothers who had died on the battlefield.

However, what they could do now was to inherit their will and pass on the souls of the Chinese soldiers.

“Don’t worry! Grandpa!”

Qin Yuan looked at the tears in his grandfather’s eyes. At this moment, he finally understood why his grandfather had always wanted him to join the army.

“Your parents will be back tonight!”

“This time, I’ll settle your matter!”

“As for the wedding date, you young people can decide for yourself!” At this moment, Old Qin calmed down and said to Qin Yuan. This could be considered as another stone in his heart being lifted.

“Got it, Grandpa!”

Qin Yuan nodded in agreement.

“It’s time to eat!”

At that moment, Miao Xiaoxiao came in with the dishes.

“Qin Yuan, you might as well help!”

Seeing that Qin Yuan was still sitting there in a daze, Old Qin directly kicked him.

He was still thinking that Qin Yuan really had no foresight.

“Yes, sir!”

With that, Qin Yuan quickly got up and left. Otherwise, he would suffocate if he continued to stay by his grandfather’s side.

His grandfather’s emotional circuits were really not ordinary. One second, his eyes were filled with tears, and the next second, he could still think of making him fawn over him.

How could he accept this?

“Brother Qin Yuan! Hurry up and wash your hands for dinner!” “Oh right, there’s still chicken soup in the kitchen. Remember to bring it over!”

Seeing Qin Yuan walk over, Miao Xiaoxiao smiled and instructed.

“Roger that! Wife!”

At this moment, Qin Yuan bowed in front of Miao Xiaoxiao and walked straight to the kitchen.

“Garrulous!”

After hearing Qin Yuan’s words, Miao Xiaoxiao’s face turned even redder. This was the first time she had heard Qin Yuan call her that.

Her heart was filled with love, and the smile on her face became even wider.

Soon, Qin Yuan brought over the chicken soup, and everyone finished their breakfast amidst laughter.

After breakfast, Qin Yuan took Miao Xiaoxiao out for a walk.

“Brother Qin Yuan!” “Xiaoxiao!” “You go first!”

“You go first!”

At this moment, Miao Xiaoxiao burst into laughter.

“It seems that they are still telepathic!” Miao Xiaoxiao smiled happily.

“You look so good when you smile!”

Looking at Miao Xiaoxiao’s smile, Qin Yuan’s heart melted. To be honest, he really thought that Miao Xiaoxiao was beautiful when she smiled. “Brother Qin Yuan, keep lying! You just like to make me happy!” “I remember that you didn’t say that about me in the past!”

Miao Xiaoxiao said softly.

“In the past? What did I say about you in the past?”

At this moment, Qin Yuan’s thought process suddenly couldn’t catch up. After all, those previous memories weren’t very clear-cut, so Qin Yuan didn’t know what he had said before.

“Back when I wore braces, you actually called me Four-Eyed Metal Teeth girl!”

“Humph! Who would believe you if you say that I’m good-looking now...”

At this moment, Miao Xiaoxiao turned her head and told him about how Qin Yuan used to laugh at her..

Chapter 477 - 477: Helping!

Qin Yuan had laughed at her many times in the past. Now that he said such words, it sounded a little perfunctory.

“Is that so? Did I really say that in the past?”

At this moment, Qin Yuan said in embarrassment.

He really didn’t expect that he had said that to Miao Xiaoxiao in the past. No matter how hard he tried, he couldn’t remember.

From the looks of it, Qin Yuan must have had feelings for Miao Xiaoxiao in the past. Those words he said must have been against his heart.

“Humph!”

“You actually can’t remember! I’m ignoring you!” Miao Xiaoxiao turned around and walked away.

“Don’t!”

Seeing Miao Xiaoxiao turn around and leave, Qin Yuan pulled her back.

As Qin Yuan used some strength, Miao Xiaoxiao could not stand steadily and fell into Qin Yuan’s arms.

“I was blind in the past. Also, I was just joking with you!”

Looking at Miao Xiaoxiao’s moving eyes, Qin Yuan explained slowly.

He knew that Miao Xiaoxiao was not angry. He hugged Miao Xiaoxiao and his lips could not help but move closer to Miao Xiaoxiao.

“Brother Qin Yuan, you’re a bad guy!”

Seeing Qin Yuan’s lips approaching, Miao Xiaoxiao broke free from Qin Yuan’s arms and ran forward with a red face.

“She’s really a little girl!”

Miao Xiaoxiao ran out. Qin Yuan smiled and immediately chased after her.

Just like that, the two of them returned to Qin Yuan’s house.

Such a gentle place was always so charming. Looking at Miao Xiaoxiao’s bright smile, Qin Yuan knew that this was a very short time.

As a soldier, it was really difficult to have both sides at the same time. However, Qin Yuan would try his best to accompany Miao Xiaoxiao in his spare time.

In this life, Qin Yuan only had Miao Xiaoxiao in his heart. “Kid, you didn’t even call me when you came back!”

“Do you still have your father in your heart?!”

When Qin Yuan and the others returned to the courtyard, they saw their father getting out of the car while cursing!

“Hello, Uncle Qin and Auntie!”

Miao Xiaoxiao greeted Qin Hai and Jiang Xuemei immediately.

“My Xiaoxiao is still the most sensible one! ”

After seeing Miao Xiaoxiao, Mrs. Qin immediately went to her side and held her hand.

“Dad, Mom! I just wanted to give you a surprise!”

Seeing his parents' expressions, Qin Yuan said helplessly.

He had come back this time to surprise them, but it seemed that everyone came back to give him a scolding.

Thinking of this, Qin Yuan was very helpless.

"Alright! I heard from your grandmother that you seemed to have provoked the old master again!"

"What's wrong? Didn't the old master make you lose a layer of skin?" At this moment, Qin Hai smiled and patted Qin Yuan's shoulder.

As his son, he was very clear about Old Master Qin's temper.

In the past, he had been beaten up a lot when he was young. Later on, he grew up and got married. Although he spent less time with the old man, Qin Yuan stayed here to block many disasters for him.

"Don't you know Grandfather's temper?"

"I've shed a lot of skin in the years when you guys weren't around!" Qin Yuan joked with a smile after hearing his father's words.

Qin Yuan was afraid of his grandfather's temper!

He changed his attitude faster than flipping a book.

"Alright, let's go in."

"Xiaoxiao, are your parents back yet?"

At this moment, Qin Hai looked at Miao Xiaoxiao and asked with a smile. This time, the main purpose was to arrange a marriage between Qin Yuan and Miao Xiaoxiao.

Thus, Qin Hai asked.

"That... Uncle Qin, my parents probably won't be back yet!" "They can't spare the time yet!" "But Grandpa said that we just have to listen to him!"

Miao Xiaoxiao replied shyly.

"Good! That's fine. They should be able to come back on the day of your wedding!"

After hearing Miao Xiaoxiao's explanation, Qin Hai returned with a smile.

He knew that Miao Xiaoxiao's parents had a special job and that they rarely met each other a few times a year, so there was nothing he could do.

With that, the four of them entered the room.

At this time, Mr. Qin and Mr. Miao were playing chess in the study.

"Dad! Uncle Miao!"

Upon seeing the two elders, Qin Hai and Jiang Xuemei immediately greeted them.

“You’re back!”

“Come over and sit here. Qin Yuan, come with us!” Old Qin said softly when he saw everyone walk in.

“Good!”

Qin Hai nodded and walked to the sofa with Qin Yuan.

“Xiaoxiao, let’s go help Grandma!”

“Let the men drink tea here!”

At that moment, Mrs. Qin smiled and pulled Miao Xiaoxiao out.

She knew that Old Qin should have started to reason with Qin Hai and Qin Yuan again.

“I heard that the company you guys started recently developed some new high-tech technology?”

After Qin Hai and Qin Yuan sat down, Old Qin asked Qin Hai.

He had heard about the company that Qin Hai was currently running. It seemed that he had recently broken through some new technology in the field of science and technology.

“Dad! You’re really well-informed!”

“I just applied for the patent for this watch not long ago. I originally wanted to come back and give you a surprise, but who knew that you already knew!”

After hearing Old Qin’s words, Qin Hai smiled. He really could not hide anything from the old man at home.

Ever since they returned to China, they have been focusing on developing new high-tech technologies. It was during this period of time that they had made some breakthroughs..

Chapter 478: Help!

“What can you hide from me?”

“In the past! I’ve always felt that you’re not doing your job properly, but this time, you’ve actually done something.”

“To be able to contribute to the country, it’s not in vain for you to be a disciple of my Qin family.”

At this moment, Old Qin sighed softly. In the past, he had always felt that his son was a disappointment. Every day, his mind was filled with some messy things.

He had never given him a good time, but this time, he agreed.

Whether he was in the army or not, as long as he could contribute to the country, he felt that it was a good thing.

“Dad, no matter what, I’m still a member of the Qin family and your son. I don’t dare to embarrass you!”

Looking at Old Qin’s calm expression, Qin Hai smiled and began to flatter him.

It was rare for the old master to approve of what he had done for the first time in so many years.

“Alright, have you not embarrassed me enough?”

“As long as it’s a contribution to the country, it’s a good thing!” Seeing Qin Hai’s expression, Old Qin instructed in a deep voice. “I understand, Dad! Don’t worry, my patents will be given to the country.” Hearing Old Qin’s words, Qin Hai smiled and promised.

He could understand the feelings of Qin Lao’s generation towards the country. As long as they could contribute to the country, they would be duty-bound.

This spirit had always been the legacy of the Qin family.

“Old Qin, you’re really lucky! Each and every one of your children and grandchildren is a pillar of the country!”

At this moment, Elder Miao said to Elder Qin enviously.

Regardless of whether it was Qin Yuan or Qin Hai, they were both very outstanding people, so Elder Miao was very envious. “Alright, you old man. Do you think Xiaoxiao’s parents are that bad?”

“Others don’t know, but you think I don’t know?” At this moment, Old Qin said with a smile.

He was very clear about Xiaoxiao’s parents’ work.

It was just that his identity was very special and it was inconvenient to say it out loud. However, he was not inferior to his descendants in the slightest.

“They probably won’t be able to come back this time. The marriage between Qin Yuan and Xiaoxiao will be decided by the two of us!”

At this moment, Old Qin told him the most important thing.

“I have no objections to this. Anyway, Qin Yuan and Xiaoxiao are in love!” “Moreover, being in-laws with an old fellow like you seems quite good!”

After hearing Old Qin’s words, Old Miao laughed out loud.

“Then it’s decided!”

“As for tonight, let’s have a good meal together. As for their wedding date, let them decide for themselves!”

Seeing that Elder Miao had no objections, a smile appeared on Elder Qin's face.

"Good!"

After saying that, Elder Miao asked Qin Yuan to play chess with him. Elder Qin called Qin Hai to his room.

They should be discussing the technology that Qin Hai and the others were currently developing.

"Xiaoxiao, you'll have to work hard in the future!"

In the kitchen, Mrs. Qin was making some vegetables with Miao Xiaoxiao. She smiled at Miao Xiaoxiao.

Qin Yuan was a soldier. Most of his time as a soldier was handed over to the country and the people.

There was nothing she could do about it, so Mrs. Qin felt that she had wronged Miao Xiaoxiao.

"Auntie, I know. I like Brother Qin Yuan, so I don't care how much time he has to spend with me!"

"Besides, he's a soldier. I can accept and understand all of this!" "I... I just want to be with Brother Qin Yuan!"

At this time, Miao Xiaoxiao was blushing and stuttering.

Although everyone knew about their relationship, Miao Xiaoxiao was still a little embarrassed to say it out loud.

"That's good! It's really Qin Yuan's blessing to have met you. It's the Qin family's blessing!"

Looking at Miao Xiaoxiao, Mrs. Qin said with a smile. Miao Xiaoxiao looked very much like her back then.

In the past, he and Qin Yuan's father were like this.

"Come over and bring this out together. Make a few more dishes and we can eat! "

At this moment, Grandma Qin walked over and called out to the two of them.

"Okay, Grandma Qin!"

Miao Xiaoxiao and Mrs. Qin immediately put down their work and went to help.

Half an hour later, the night began to fall. After all the dishes were prepared, the family had a very happy dinner.

During this period, everyone decided on Qin Yuan and Miao Xiaoxiao's marriage.

Under the banyan tree in the courtyard, Qin Yuan and Miao Xiaoxiao walked over and sat down after dinner.

"Xiaoxiao, are you hungry? I saw that you didn't eat much just now!"

Qin Yuan asked with a smile when he thought of how Miao Xiaoxiao had been blushing and had not eaten much.

“Brother Qin Yuan, why don’t we go to the city to eat skewers?”

At this time, Miao Xiaoxiao found the skewer shop that she and Qin Yuan used to go to.

That place was filled with her and Qin Yuan’s memories.

“Alright! I’ll satisfy you!”

Hearing that Miao Xiaoxiao suddenly wanted to eat skewers, Qin Yuan was a little greedy. He had not eaten skewers with beer for a long time.

Qin Yuan got the car out of the courtyard and drove Miao Xiaoxiao to the city. Half an hour later, the two of them arrived at the kebab shop that they used to eat at.

Qin Yuan ordered some of Miao Xiaoxiao’s favorite food, then ordered a few bottles of beer and sat down.

“I told you, if you don’t pay me tomorrow, you’ll move out of here!”

At this moment, the voice of a greasy middle-aged man echoed throughout the entire shop.

“Mr. Wang, please give us a few more days. My husband is sick, but I will definitely pay you the rent in a few days.”

At this moment, a woman was begging the uncle.

“Yes, Uncle Wang. Please be kind. My father is seriously ill and needs money urgently!”

“When my father recovers, he will definitely give you the money!” At this moment, a little girl grabbed the uncle’s hand and cried. “wno’s your uncleg I’m telling you, It 1 don’t see tne money tomorrow, you’ll leave!”

“You have your difficulties, and I have mine!”

“Besides, you haven’t paid me rent for three months!”

At this moment, the middle-aged man shook off the little girl’s hand. The little girl lost her balance and fell to the ground. Her hand was scraped.

“Niu Niu, are you alright?”

Seeing this, the middle-aged woman immediately ran to the little girl’s side and picked her up. Her eyes were filled with tears.

“Mr. Wang, please give us a few more days!”

“Uncle, please give us some time!”

At this moment, the little girl endured the pain in her hand and pounced over to hug the uncle’s leg as she cried.

“Brother Qin Yuan!”

Seeing this, Miao Xiaoxiao called out to Qin Yuan softly. “Let’s go over and take a look!”

After saying that, Qin Yuan walked over with Miao Xiaoxiao.

“I told you. Tomorrow!”

At this moment, the middle-aged man raised his hand and was about to push the little girl away.

“Aiyo...”

At this moment, a powerful hand pressed down on the middle-aged man’s hand that was about to push the little girl away.

“A man’s hand is not used to push women and children!” Seeing the middle-aged man in pain, Qin Yuan’s hand tightened.

“You...you. Who are you?”

“This is our business. What does it have to do with you?”

Suddenly, Qin Yuan held his hand down. The man looked at Qin Yuan and asked in confusion.

“I don’t want to know about you, but you’re disturbing me from eating.”

“Also, you shouldn’t have pushed a child away!”

Seeing that the little girl’s hand was bleeding, Qin Yuan was a little angry.

Although he shouldn’t meddle in other people’s business, he should at this time. After all, he was a soldier.

The duty of a soldier was to protect the people.

“I advise you not to meddle in other people’s business. Otherwise, you won’t be able to walk out of here. This is my shop. Is it reasonable for them not to pay me rent?”

Seeing that Qin Yuan was using more and more strength, the middle-aged man could not stand the pain anymore and threatened Qin Yuan.

“Sir, thank you for your kindness. This is between us!”

“Please take a seat first.. The things you ordered will be served to you in a while!”

Chapter 479: I’ll Give You Ten Minutes!

Seeing this, the middle-aged woman walked forward and said. She did not want Qin Yuan and the others to have a conflict because of her.

After all, she knew what kind of person that middle-aged man was.

Moreover, he was a famous gangster here, so she immediately stopped him.

“Get lost.”

After hearing the middle-aged woman's words, Qin Yuan let go of his hand and shouted angrily at the middle-aged man.

"Just you wait, kid!"

After saying that, the middle-aged man pointed at Qin Yuan and ran out while cursing.

"Are you alright?"

Seeing the little girl's bleeding hand, Miao Xiaoxiao immediately went to check it out.

"Thank you, Sister. Thank you, Brother. Niu Niu is fine."

At this moment, the little girl wiped her tears and said to Qin Yuan and Miao Xiaoxiao.

Looking at the little girl's strong figure, Miao Xiaoxiao's heart ached. "Thank you. You guys go ahead and take a seat. I'll cook for you now!"

At this moment, the middle-aged woman thanked Qin Yuan and Miao Xiaoxiao.

She was grateful to Qin Yuan and the others for their help.

"It's okay. This is what I should do!"

At this moment, Qin Yuan said softly.

"Oh right. Why don't you guys leave first and come back to eat next time?" "Sir, you made a move on that Mr. Wang just now. He will come back to take revenge on you."

"He's probably the most famous hooligan here!"

At this moment, the middle-aged woman suddenly thought of something and immediately said to Qin Yuan and Miao Xiaoxiao.

Qin Yuan had helped them, and she did not want Qin Yuan and the others to be hurt because of this matter.

Therefore, she said worriedly.

"It's okay, Big Sister. Don't worry about cooking for us."

"With me around, they can't do anything."

Hearing the middle-aged woman's words, Qin Yuan immediately comforted her.

From everyone's reaction just now, Qin Yuan knew that this middle-aged man should have some power. Otherwise, no one would dare to help with so many people in the shop.

However, Qin Yuan was even less afraid of this. Qin Yuan was the best at dealing with these hooligans.

As long as they dared to come today, Qin Yuan did not mind dealing with them directly.

"But..."

"But...This will hurt you."

After hearing Qin Yuan's words, the middle-aged woman was still very worried.

“It’s okay, Big Sister. Don’t worry about cooking for us!” ‘My boyfriend is very powerful.”

Miao Xiaoxiao said to the middle-aged woman with a smile. Looking at Qin Yuan, Miao Xiaoxiao’s eyes were shining.

“Big Sister, listen to her!”

“Make us food.”

After hearing Miao Xiaoxiao’s words, Qin Yuan felt happy. He felt that in Miao Xiaoxiao’s eyes, everything was a deviation and an exception. How could Qin

Yuan not be happy?

“Then...Alright then!” “I’ll make it for you now!” Seeing that Qin Yuan and Miao Xiaoxiao did not intend to leave, she had no choice.

After saying that, the middle-aged woman immediately turned around and went to work.

“Sister! Is big brother a very, very powerful superman?”

At that moment, the little girl beside Miao Xiaoxiao and asked curiously.

“Why do you say that?”

Miao Xiaoxiao asked with a smile.

“Because Sister looked at Big Brother with stars in her eyes just now!”

“So Big Brother must be very, very powerful, right?”

At this moment, the little girl immediately explained.

“This... Niuniu is right. Brother is a very, very powerful Superman!”

“He will help you beat those bad guys away.”

Hearing the little girl’s words, Miao Xiaoxiao’s face turned red. Did she do that just now?

“Oh yeah! Brother is Superman!”

At this moment, the little girl smiled happily.

“Let’s go. Let’s go over and wait for Mommy to cook something delicious!”

“Sure!”

At this time, Miao Xiaoxiao picked up the little girl. Looking at her innocent smile, Miao Xiaoxiao felt pity for her.

“Brother Qin Yuan, let’s ask this sister what happened later!”

“We’ll help if we can!”

After the three of them returned to their seats and sat down, Miao Xiaoxiao said to Qin Yuan.

After all, she would feel bad if she didn't do anything.

"Don't worry, I'm here. It'll be fine!"

Looking at Miao Xiaoxiao's worried eyes, Qin Yuan comforted her.

Thinking of the little girl's words just now, Qin Yuan smiled.

"Sister, brother, my father is sick!"

"And then we'll have to use a lot of money!"

"But Uncle Wang doesn't understand, but Dad will definitely give him money when he comes back."

After hearing the conversation between Qin Yuan and Miao Xiaoxiao, the little girl immediately said.

"Your father is sick. Do you know what illness it is?"

Hearing the little girl's words, Miao Xiaoxiao immediately asked.

"I don't know. I only know that the doctor said that it would cost a lot of money, but Mom doesn't have any money, and so does I."

At this time, the little girl's eyes gradually became misty, and tears kept rolling in her eyes.

"Niu Niu, don't cry. With Sister and Brother here, Daddy will definitely get better."

Seeing that the little girl was about to cry again, Miao Xiaoxiao immediately comforted her.

"That's right, Niu Niu. With brother here, it'll be fine!"

At this moment, Qin Yuan comforted her. Looking at the little girl's injured hand, Qin Yuan walked to the cabinet at the side and took out the first aid kit.

Hence, he disinfected and bandaged the little girl..

Chapter 480 - 480: I'll Give You Ten Minutes!

Ten minutes later, the middle-aged woman came in with food.

"I'm sorry to have kept you waiting."

To be honest, she felt a little bad for making Qin Yuan and the others wait for so long.

"It's okay, Big Sister!"

"By the way, Big Sister, I see that your business here is quite good. Why are you so short of money?"

"I just heard from Niuniu that her father is seriously ill?"

At this moment, Qin Yuan immediately asked.

After all, there were quite a lot of people in this shop. It seemed that there were quite a number of people usually, so they should be able to earn some money.

“Sigh! To tell you the truth, the business of this shop is not bad.” “But my husband suddenly fainted a few days ago.”

“When we went to the hospital, the doctor said that he had cerebral hemorrhage.”

“We’re actively treating him now, but we’ve already spent hundreds of thousands of yuan.”

“The doctor said that we still need to continue the treatment, but we don’t have that much money anymore.”

“It just so happens that Mr. Wang came over to ask for rent, then you guys saw what happened after that.”

After the middle-aged woman finished speaking, her tears kept flowing. She did not want to tell Qin Yuan and the others about this.

However, since Qin Yuan had already asked, she told them.

“I see!”

After hearing the middle-aged woman’s explanation, Qin Yuan could understand why.

“Sorry to disturb you!”

“You guys should eat something. It won’t taste good if it gets cold.” The middle-aged woman reminded him. “Niuniu, come here. Let big sister and big brother eat first.”

The middle-aged woman said to the little girl.

“Big sister, let Niuniu eat with us!”

At this time, Miao Xiaoxiao said with a smile. There was so much food that she and Qin Yuan could not finish.

“This...”

The middle-aged woman was a little embarrassed. “It’s okay. Big Sister, you go ahead and do your work!” “We’ll take care of Niuniu first!”

Looking at such a cute little girl, Qin Yuan said with a smile.

“Then I’ll have to trouble you. Take it as my thanks for your help just now. I’ll go and get busy first.”

After saying that, the middle-aged woman walked out.

“Come! Niuniu, eat something!”

After the middle-aged woman left, Miao Xiaoxiao handed the food to the little girl.

“Thank you, sister! Thank you, brother!”

The little girl took the food from Miao Xiaoxiao and started eating happily.

“Xiaoxiao, you should eat first!”

“I remember that you like the fried skewers here the most.”

“Brother Qin Yuan, Niuniu’s father’s illness!”

At this moment, Miao Xiaoxiao looked at Qin Yuan as if she had something on her mind.

“Don’t worry. I know many famous doctors in N City. I’ll make arrangements!”

“Your task now is to eat first.”

Seeing Miao Xiaoxiao’s condition, Qin Yuan knew what Miao Xiaoxiao was worried about.

As for Niuniu’s father’s illness, it was nothing to Qin Yuan.

He would make arrangements for this matter. Besides, Elder Liao and Elder Hua were both in N City.

He only needed to make some arrangements for the rest. Moreover, with Qin Yuan’s medical skills, he could heal him.

“Good!”

Seeing Qin Yuan’s confident look, Miao Xiaoxiao was relieved.

She did not know if Qin Yuan could find a famous doctor to treat Niuniu’s father.

However, she knew that Qin Yuan would definitely be able to solve it.

Moreover, she would ask her uncles on her mother’s side when she went back. After all, her grandmother’s family was a family of doctors. Miao Xiaoxiao finally felt relieved after thinking it through.

“It’s him! Beat him up!”

“If anything happens, I’ll take responsibility!”

At this moment, the middle-aged man from before rushed in with more than ten hooligans.

After seeing Qin Yuan, he pointed at Qin Yuan and said.

“Brother Qin Yuan!”

“Big brother!”

Miao Xiaoxiao and Niuniu were shocked when a group of people suddenly rushed in.

“I’m fine! You guys eat first, I’ll deal with them first!”

Seeing this, Qin Yuan smiled and comforted Miao Xiaoxiao and Niuniu.

At this time, everyone in the shop ran out, afraid that they would be implicated.

“Brat! Weren’t you quite awesome just now?”

“I didn’t expect you to still be here. You’ve offended me and you’re still not running away. I’ll make sure you won’t be able to walk out of this door today.”

At this moment, the middle-aged man roared at Qin Yuan.

“Why should I leave?”

Looking at the angry middle-aged man, Qin Yuan said playfully.

These hooligans were nothing in his eyes.

“Brat, you will know what is wrong in a while!”

“Brothers, attack!”

Seeing Qin Yuan’s nonchalant expression, the middle-aged man’s eyes were filled with anger.

He directly ordered the dozen or so people behind him.

“Yes, sir! Brother Wang!”

“You offended Brother Wang, yet you’re still so pretentious. Brothers, attack!”

At this moment, one of the underlings behind the middle-aged man said to the crowd.

Soon, those people rushed towards Qin Yuan.

At this moment, the corners of Qin Yuan’s mouth curled up.

Bang

Yuan’s kick.

Then, he knocked a few tables away and fainted.

The middle-aged man standing not far away was shocked.

He did not expect Qin Yuan to be so good at fighting.

“Brother. Brothers!”

“Continue attacking, attack together!”

At this moment, the middle-aged man shouted at the crowd.

“Yes, sir!”

“Yes, sir!”

After saying that, everyone trembled as they surrounded Qin Yuan.

Qin Yuan’s scene just now had indeed scared them.

However, since they were already here, they would not lose face. For a moment, everyone immediately took their sticks and beat Qin Yuan.

“Good timing!”

After saying that, Qin Yuan directly shot toward the two people closest to him.

Bang! Bang!

Bang!

Accompanied by muffled sounds and shouts, the more than ten people brought by the middle-aged man were knocked to the ground by Qin Yuan.

‘You only brought this few people?’

After dealing with everyone, Qin Yuan walked towards the middle-aged man step by step and asked with a smile.

“You...you. Don’t come over!”

“How about we write off what happened just now?”

Seeing Qin Yuan walk over with a smile step by step, the middle-aged man kept retreating.

He did not expect that the people he had brought with him would all be defeated by Qin Yuan in two minutes.

If he had known, he would not have brought so few people over.

“Write it off?”

“It seems that your idea is too good!”

“You disturbed my eating and even brought someone over. Now you want to write it off?”

After hearing the middle-aged man’s words, Qin Yuan smiled playfully.

“You...Don’t come over!”

“I’m Brother Ghost’s man!”

“If you dare to touch me, you’ll be offending Brother Ghost!”

Seeing Qin Yuan walk over, the middle-aged man brought out his backer.

He hoped that he could use this to scare Qin Yuan.

“Brother Ghost?”

“It seems like so many random people have popped up while I was not in N City.”

After hearing the middle-aged man’s words, Qin Yuan shook his head helplessly.

This reminded him of the incident he had experienced with Fatty last time.

“Hmph, let me tell you, Brother Ghost is the person in charge of this area. I advise you to leave quickly!”

“Otherwise, I’ll call Brother Ghost!”

Seeing that Qin Yuan did not think much of Brother Ghost's name, the middle-aged man thought that Qin Yuan did not know about Brother Ghost.

Therefore, he became more courageous.

"Go ahead! I'll give you 10 minutes. If he doesn't come in 10 minutes, you won't have a good day!" Seeing how confident the middle-aged man was, Qin Yuan smiled.

"Just you wait, I'll call Brother Ghost now!"

After saying that, the middle-aged man immediately took out his phone from his bag and began to call for help!

"Brother Qin Yuan. Should I call the police? I don't want to cause trouble."

Miao Xiaoxiao said worriedly..
