

## Special Troop 481

Chapter 481 - 481: 328 -Broken Hand!

It was not easy for her to come out to eat with Qin Yuan, so she did not want to be unhappy because of these things.

More importantly, she was worried that if anything happened, it would affect

Qin Yuan.

“It’s alright!”

“It’ll be fine. Trust me!”

Looking at Miao Xiaoxiao’s worried gaze, Qin Yuan smiled and continued to comfort her.

Such a thing had to be done thoroughly. Moreover, these people had to make them feel afraid before they would stop.

Otherwise, there would only be endless trouble.

“Young man, why don’t we forget about it!”

“Hurry up and leave! The Brother Ghost that Mr. Wang mentioned is a ruthless person!”

“I heard that they used to beat people up and even crippled them!”

“How about this? I’ll find a way to get the money from Mr. Wang later!” Seeing that the situation was not right, the middle-aged woman said to Qin Yuan.

The main thing was that she had seen Brother Ghost before and had even come to their place to eat and drink for free for a while.

“Sister, don’t worry. You, Xiaoxiao, and Niuniu go in and wait!”

“It’s alright.”

“Xiaoxiao, bring them inside and wait for me!”

After hearing the middle-aged woman’s words, Qin Yuan knew that they were worried about his safety.

Therefore, Qin Yuan continued to speak to Miao Xiaoxiao.

“Okay, Brother Qin Yuan, be careful!”

Looking at Qin Yuan’s gaze, Miao Xiaoxiao knew that Qin Yuan should be able to deal with it.

After all, she knew Qin Yuan’s personality and temper the best.

Therefore, he brought the middle-aged woman and the little girl inside.

At this moment, Qin Yuan pulled a chair and sat down.

He wanted to see what kind of mission this middle-aged man was talking about.

In the early years, Qin Yuan had dealt with these people many times, including the last time. If not for the fact that he did not want to make a big deal out of it, Qin Yuan might have crippled those people.

The middle-aged man was squatting in the corner, not daring to look straight into Qin Yuan's eyes.

Although he had already called for help, Qin Yuan was too good at fighting. If

he provoked Qin Yuan again, it would not be worth it to become crippled later.

Half an hour later, a few vans arrived.

The sound of a sudden brake was heard outside the shop.

At this moment, a few young men with tattoos quickly ran out of the car and opened the door.

Qin Yuan sat in the middle of the shop and watched as a middle-aged man got out of the van.

He looked quite evil. He was bald, tattooed, and wearing a formal suit. Looking at this person, Qin Yuan knew that this person was the Brother Ghost that the middle-aged man had mentioned!

“Brother Ghost, you're finally here!”

At this moment, the middle-aged man who had been squatting in the corner stood up excitedly and walked towards Brother Ghost.

“Fatty Wang, you know the cost of calling me out!”

After seeing Fatty Wang, the one called Brother Ghost grinned and said.

“Don't worry! Brother Ghost, I'll pay for all the expenses after I'm done!”

“Also, I know about Brother Ghost's fees!”

At this moment, the middle-aged man smiled apologetically.

In fact, he was not Brother Ghost's subordinate. He just knew Brother Ghost.

Moreover, Brother Ghost usually charged a fee, so in the beginning, he could only rely on Brother Ghost's name to scare Qin Yuan. “Speak! Which blind guy is looking for trouble?”

Brother Ghost asked in satisfaction.

“It's him! This kid can fight! A few of my brothers were beaten up by him!”

“And when I said that I'm your man, he actually said something like ‘whatever’.

If he has the guts, let him come over. I'll take care of him directly.”

“That's why I invited you over, Brother Ghost!”

At this moment, the middle-aged man pointed at Qin Yuan and said.

Moreover, he kept creating conflicts.

“Motherf \* cker! Brothers, follow me in. I want to see where this brat came from. How dare he not give me face!”

After hearing the middle-aged man’s words, Brother Ghost was very angry.

Looking at Qin Yuan sitting in the middle of the shop like this, he was furious. After saying that, he immediately led his men and walked towards Qin Yuan.

“It’s you, kid. Didn’t you just say that I’m a random cat or dog?” “Are you from the underworld? You don’t even know who I am?”

Seeing Qin Yuan sitting there so calmly, Brother Ghost asked curiously.

After all, there were only two types of people who could remain so calm in front of him.

One was someone who was really powerful and did not put him in his eyes, and the other was a self-righteous hothead.

After spending so much time in N City, he could read people.

Normally, when he encountered such a person, he would not directly attack. He would first investigate.

“I said it.”

“And then? What do you plan to do?” “Is Brother Ghost very famous?”

At this moment, Qin Yuan said indifferently.

Qin Yuan knew that Brother Ghost had experienced some things before.

Otherwise, he would not have probed into Qin Yuan’s background as soon as he came in.

“Looks like you’re just a hothead. Kid, I advise you to take out 100,000 yuan to compensate us. Otherwise, you probably won’t be able to leave today.”

After hearing Qin Yuan’s words, he felt that Qin Yuan was probably the kind of arrogant hothead.

One had to know that although he was not particularly famous, he was still Brother Ghost.

But as long as they were in N City, they would at least know his name..

Chapter 482: Broken Hand!(2)

Therefore, he felt at ease and became bold.

“100,000. I’m just afraid that you won’t dare to accept it even if I dare to give it, or that you won’t have the life to spend it! ”

After hearing Brother Ghost’s words, Qin Yuan smiled.

“Little brat, you’re quite powerful.”

“Brothers, attack!”

“Just a broken hand will do!”

Hearing Qin Yuan’s words, Brother Ghost turned around and said to his underlings behind him.

“Yes, sir!”

“Yes, sir!”

After receiving their boss’s order, the dozens of underlings walked towards Qin Yuan with their sticks.

“Sigh. I actually didn’t want to fight!”

“Looks like I still have to spend some time!”

Seeing a group of people walking over, Qin Yuan stood up and took off his coat.

Looking at Qin Yuan’s muscles, those underlings looked at Qin Yuan in surprise.

They surrounded Qin Yuan one by one, not daring to be the first to rush forward.

After all, Qin Yuan was indeed very good at fighting.

“What are you waiting for? Attack!”

Seeing that his underlings were actually a little afraid, Brother Ghost raised his voice and shouted.

“Yes, sir!”

“Yes, sir!”

Hearing their boss’s angry roar, they immediately attacked Qin Yuan.

At this moment, the two of them hit Qin Yuan’s head with their sticks, while the others kept attacking Qin Yuan.

Bang!

Bang!

Bang!

At this moment, light figures flew out of the door.

That speed was really too fast. Before those underlings could react, they felt a gust of wind blow past and directly flew out of the door unconscious.

“Too noob.”

A few minutes later, Qin Yuan rolled up his sleeves and sighed lightly.

“What? What?”

“Who exactly are you?”

At this moment, Brother Ghost was scared silly by this scene.

This was too fast. In less than a few minutes, the people he brought were all crippled by Qin Yuan alone.

He had never heard of such a good fighter before.

For a moment, Brother Ghost asked Qin Yuan's identity with a trembling voice.

"You don't deserve to know about me!"

"It seems. The people you brought have all been beaten up. It's your turn next!"  
After hearing Brother Ghost's words, Qin Yuan smiled playfully.

They were really a group of punks. Qin Yuan felt that he had lowered his requirements for making a move. "Sir, it's me. I don't know who you are."

"I offended you. Please forgive me!"

Looking at Qin Yuan's playful gaze, Brother Ghost knew that he had kicked an iron plate this time.

With such strength, it was impossible for someone to be unknown in N City.

However, no matter how he thought about it, he could not figure out what kind of strength Qin Yuan had.

At this moment, he regretted coming over. His eyes were filled with anger as he looked at Fatty Wang.

"I don't know if he'll forgive you or not. But now that a cat has appeared, I wonder if he'll forgive you!"

At this moment, Qin Yuan said with a smile.

Many black Audis suddenly appeared outside the door.

After a while, a middle-aged man with a mustache and a group of people in black suits walked in quickly.

"Young Master Qin, I'm sorry I'm late."

At this moment, the middle-aged man with the mustache said apologetically.

He stood there, not even daring to breathe loudly.

"The East District is very big, and 20 minutes from your position is already considered your fastest speed!"

After hearing the mustached man's words, Qin Yuan said indifferently. "Thank you for your understanding, Young Master Qin!"

At this moment, the middle-aged man with the mustache slowly heaved a sigh of relief.

When he received the message, he even looked at the sender's name in a daze.

In the end, after confirming it three times, he gathered his people and rushed over to Qin Yuan's side.

"Young Master Qin, may I ask what happened?"

At this moment, the middle-aged man with the mustache asked Qin Yuan with a trembling voice.

This was because Qin Yuan had sent him a few words, “Niuniu Fried Chuan Restaurant in the East District.”

After confirming that it was Qin Yuan who sent him the message, he ran over without stopping.

During this period, he even searched for a while before finding this location.

Therefore, he had no idea what had happened!

“Ask him! ”

At this moment, Qin Yuan looked indifferently at Brother Ghost, who was squeezed into the corner!

At this moment, everyone’s gaze followed Qin Yuan’s gaze.

Brother Ghost was already standing there, shivering.

From the moment the mustached man came in, he knew that he was going to die today.

He stood in the corner with his legs weak, not daring to say a word.

“Ah ghost?”

“Kid, you seem to have lived too long!”

At this moment, the mustached man realized that there was someone else in the corner. Moreover, he had seen him a few times.

“East. Brother East!”

“I... me. I really don’t know Young Master Qin. Otherwise, I wouldn’t dare to offend him even if I had a few guts!”

“Please spare me!”

Looking at the mustached man’s murderous eyes, Brother Ghost was so scared that his voice trembled.

Broken Hand East was the most powerful person in the East District.

In the eyes of the gangsters, he was like a god.

Moreover, the only mistake he had made in the past seemed to have been to provoke a big shot, and only a few fingers of his hand were broken.

He did not expect the young man to call him over.

Moreover, when he saw how respectful Broken Hand Dong was, his legs went weak and he knelt down.

“Spare you?”

“Do you think I would let myself make a wasted trip today?”

Looking at Brother Ghost in front of him, Broken Hand was furious. He was almost scared to death when he received Qin Yuan’s message in the middle of the night.

He immediately got up from the bed, put on his clothes, and rushed over without stopping.

Who knew that it was because of such a little punk that he provoked Qin Yuan.

Of all the people he could provoke, he actually dared to provoke Qin Yuan. He simply did not want to live.

“Brother Dong. Young Master Qin!”

“Young Master Qin, please spare me. I have my parents and children. My family still has to rely on me.”

“I can’t die!”

At this moment, Brother Ghost kept kowtowing and begging for mercy.

Fatty Wang, who was at the side, was dumbfounded.

What was going on? The person who came was too terrifying. He actually made Brother Ghost kneel and beg for mercy.

At this moment, he was squatting in a corner, trembling, not daring to say a word.

“Whether I forgive you or not, it’s not up to me!” “Young Master Qin! What do you think?”

“Why don’t we sink the river!”

“I’m really sorry for letting you suffer here!”

At this moment, Duan Shoudong immediately asked Qin Yuan for his opinion.

After all, Qin Yuan had called him over, so he wanted to know Qin Yuan’s intentions.

“Forget about sinking the river, this is a society ruled by law!”

“I’ll leave the rest to you, Little Dongzi!”

At this moment, Qin Yuan said indifferently.

Qin Yuan would not let them sink the river. This was a society governed by law. Besides, Qin Yuan was not a gangster. He was a soldier.

However, he felt that this kind of thing needed to be solved by such a person, which was why he sent a message to Broken Hand East.

Otherwise, these guys would still bully the middle-aged woman and the others.

“Understood, Young Master Qin!”

After hearing Qin Yuan’s words, Duan Shoudong immediately agreed. He understood what Qin Yuan meant. After all, things are different now. “Alright, you guys can leave! I still have to eat!”

“Oh right, this shop is opened by a little sister of mine. We can come and support her in the future. The food is not bad!” At this moment, Qin Yuan introduced with a smile. “Yes, sir! Young Master Qin.”

“I’ll definitely come here often in the future!”

After hearing Qin Yuan’s words, Duan Shoudong understood what Qin Yuan meant.

“If Young Master Qin has nothing else to say, I won’t bother you anymore!”

Seeing that there was nothing else to do, Broken Hand East was too embarrassed to continue staying here.

“Let’s go!”

Qin Yuan waved his hand and let them go back.

“Take them both away!”

Broken Hand East turned his head to look at the two people in the corner and said to his subordinates.

“Yes, sir!”

“Yes, sir!”

After saying that, the subordinates carried the two of them and walked out.

Inside the Audi!

“Brother East, who was that person just now?”

“Why did he call you Little East?”

At this moment, Broken Hand East’s trusted subordinate asked curiously.

In N City, this was the first time he had seen someone who dared to address Broken Hand East as such..

Chapter 483: Someone You Can’t Afford to Offend!

It was the first time he saw his boss being so respectful to someone, especially a young man.

“Him

“He’s an existence that we can’t afford to offend!”

“My hand is like this because of him.”

“However, if it wasn’t for him, perhaps I would have died long ago.”

At this moment, Broken Hand East said indifferently.

Hence, he fell into his memories.

When he was young, he was the number one hooligan of his generation. At that time, he just happened to go and save face for his underlings.

Who knew that the person who had a conflict with his underling was Qin Yuan?

At that time, he was hot-headed and felt that he was very powerful. After all, he had brought hundreds of subordinates.

However, who knew that Qin Yuan was a ruthless character? Qin Yuan directly beat up all of his underlings, and he accidentally had a few fingers cut off.

Later, he found out that Qin Yuan was actually from the quad. In addition, Qin Yuan came forward to explain the situation.

Moreover, although he had always been in the underworld, he had always been doing serious business, and Qin Yuan had helped him a lot. "Boss, is he really as powerful as you say?"

At this moment, the subordinate asked in puzzlement.

They knew very well how good their boss was at fighting.

He did not expect to be defeated by Qin Yuan.

"Him, it's very difficult for you to understand!"

"Just from the feeling he gave me just now, even if there were ten of me, I wouldn't be his match!"

At this moment, Broken Hand East sighed softly.

It had to be known that they had only been there for about twenty minutes.

In addition, seeing that almost all of the people who fell to the ground had defeated their enemies in one move, Broken Hand East knew in his heart that with Qin Yuan's current strength, even ten of them were not Qin Yuan's match.

"This..."

Hearing his boss's evaluation, the trusted subordinate was extremely surprised.

"Remember, when you go back, tell the people under you to be respectful to him in the future."

"Otherwise, don't blame me for not explaining how you die!"

At this moment, Broken Hand East immediately instructed his subordinates.

After all, he didn't want the person involved in today's incident to be one of his own.

"Yes, sir!"

"I understand."

After hearing his boss's words, the subordinate immediately agreed.

"Oh right, Boss."

"What should we do with those two?"

At this moment, his trusted subordinate remembered that there were two people stuffed in the trunk.

“Just beat him up and teach him a lesson!”

“If it was in the past, I would have drowned these two guys!”

After hearing his subordinate’s question, Broken Hand East said angrily.

After all, Qin Yuan had said that it was a legal society now, and they were no longer the gangsters who fought and killed in the past.

“Understood!”

After saying that, the lackey turned his head and stopped talking.

Half an hour later, the car stopped, so he threw down two sacks and continued to drive away.

“Damn it, it hurts!” “F \* Ck you, Fatty Wang!”

“I was almost killed by you!”

At this time, Brother Ghost crawled out of the sack and immediately got up to punch and kick the other sack.

“Brother Ghost! Stop hitting, stop hitting! ”

“If I continue fighting, I really can’t take it anymore.”

At this moment, Fatty Wang crawled out while crying and shouting.

They had just been beaten up by a group of people for a long time. Now, both of them were bruised and swollen.

“Do you know who you have offended?”

“Broken Hand East! That’s the Broken Hand East!”

“And judging from Broken Hand East’s actions, that young man must be a big shot!”

“If it wasn’t for the words of the big shot in the end, perhaps we would all have died! ”

At this moment, Brother Ghost was furious.

He was really unlucky today to have provoked such a person.

If not for Qin Yuan’s last sentence, they might have really died.

When he thought of the name Broken Hand East, Brother Ghost still hadn’t recovered from his shock.

“Brother Ghost, I really don’t know!”

“Otherwise, why would I provoke such a person!”

At this time, Fatty Wang said to Brother Ghost, feeling wronged. Today, he was the most helpless.

Such a young man was actually such a big shot.

When he was in the shop just now, he was so scared that he peed his pants. When had he ever seen such a scene?

In the past, he relied on a few hooligans under him to lord it over the surrounding area.

He had never seen such a scene before.

“Go to hell, you bastard.”

With that, Brother Ghost continued to kick Fatty Wang in the stomach.

Today could be said to be a day of celebration! He himself had walked through the gates of hell because of Fatty Wang.

“Hurry up and get lost. If I see you again, I’ll beat you up every time I see you!”

“By the way, that shop is yours, right?” “I gave it to the shop owner.” “That’s a big shot’s little sister’s house!”

Brother Ghost said angrily.

If he did not hear wrongly, that was what Qin Yuan had said to Broken Hand East just now.

“Yes, yes, yes!”

“I’ll give the shop to them as soon as I get back!”

At this moment, Fatty Wang said in fear.

Now, he didn’t dare to ask for rent anymore. He had been frightened to death today.

“Get lost! ”

After saying that, Brother Ghost kicked Fatty Wang fiercely. If it wasn’t for him, he wouldn’t have encountered such a thing.

This reminded him that he could not continue to do such things in the future.

Otherwise, he wouldn’t be so lucky the next time he met him..

Chapter 484: He Is Someone Who Can’t Be Offended!

At this moment, Qin Yuan was eating skewers and drinking beer with Miao Xiaoxiao and Niuniu.

“Brother Qin Yuan! You were really amazing just now!” “But who was that man in black who came in later?”

“Why is he so respectful to you?”

Miao Xiaoxiao asked curiously.

She had seen everything that had happened outside clearly from inside.

Therefore, she was a little curious that the mustached man was so respectful to Qin Yuan.

“Him?”

“Do you still remember the time you were teased by a hooligan and then a bunch of people came?”

“At that time, the matter was very big. Later on, even Grandfather was alarmed.”

At this moment, Qin Yuan also explained with a smile.

“You mean that time?”

“Could it be...Could he be the person whose three fingers you hung up on?” At this time, Miao Xiaoxiao also remembered that there was such a thing at that time.

That time, she was teased by a hooligan on her way home. Later, the hooligan was beaten up by Qin Yuan.

Soon, many people came.

At that time, in order to protect her, Qin Yuan fought with them. At that time, he was the only one who had three fingers cut off by Qin Yuan with a knife. In the end, because of this matter, Qin Yuan was beaten up by his grandfather.

“It’s him!”

Seeing Miao Xiaoxiao’s surprised expression, Qin Yuan said with a smile.

“So it’s him! Is he still a gangster?”

“I heard that you even went out to explain at that time, so he was fine!”

At this time, Miao Xiaoxiao also asked with a smile. Qin Yuan was really brave at that time. There were so many people on the other side, but Qin Yuan did not feel afraid. He even protected her well.

Miao Xiaoxiao felt warm in her heart at the thought of this.

“He’s not in the business anymore, but those hooligans are more useful than the police when they hear his name!”

“I believe that in the future, no one will dare to come here to bully Niu Niu and the others!”

Qin Yuan also knew that Broken Hand East had been doing serious business all these years, and he had helped him a few times.

Currently, the East Borough was developing quite well.

“Oh yeah!”

“Brother is Superman!”

“No more bad guys! They were all beaten away by Big brother!”

At this moment, Niu Niu, who was at the side, also laughed happily. Qin Yuan and the others had said so much, but she only understood this sentence.

“Yes, no one will bully Niu Niu in the future!”

Seeing that Niu Niu was so happy, Qin Yuan also smiled. “Brother! If I get bullied in the future, can big brother fly over to help me?” At this moment, Niu Niu turned her head and said to Qin Yuan.

In her eyes, Qin Yuan was like Superman.

“Okay, in the future, if you’re bullied by a bad guy, tell me! I’ll help you beat him up!”

Looking at the innocent Niu Niu, Qin Yuan felt an indescribable love in his heart.

“Yes, and beautiful sister fairy!”

“In the future, when Niu Niu grows up, she must be as beautiful as Sister Fairy!

“Find a superman boyfriend like my brother!”

At that moment, Niu Niu’s sudden words amused Miao Xiaoxiao.

“Niu Niu, do you know what a boyfriend is? You’re still so young!” Miao Xiaoxiao asked with a smile.

She was indeed shocked that such a young child would say such words.

“Niu Niu knows that boyfriends are there to protect Niu Niu!”

“Niu Niu also has a boyfriend in kindergarten!”

“But Sister Fairy is still the best. She has a superman boyfriend like Brother!”

“In the future, Niu Niu will grow up to be like Sister Fairy.”

At this moment, Niu Niu also kept going on.

It was as if she was afraid that others would think that she did not know.

pssh...

Miao Xiaoxiao laughed out loud after hearing Niu Niu’s words.

Such a young child actually knew so many things.

“Niu Niu. What nonsense are you talking about!”

“I’ve made a fool of myself in front of you!”

At this moment, the middle-aged woman also came in with food. When she heard her daughter’s words, she was a little embarrassed.

“I’m fine! A child’s words have no fear!”

At this moment, Qin Yuan also said with a smile.

“Thank you very much for today.”

After putting down the food, the middle-aged woman immediately thanked him.

Today's situation had also worried her to death, but fortunately, Qin Yuan had solved these problems.

Otherwise, she really didn't know what to do.

"It's okay, Big Sister!"

"I believe these people won't dare to disturb you in the future!"

"By the way, Big Sister, I want to know which hospital your husband is in." "I also know some medical professors here. They might be able to help you!"

At this moment, Qin Yuan also thought of Niu Niu's father's illness, so he immediately asked.

"This... Is this true?"

After hearing Qin Yuan's words, the middle-aged woman said excitedly.

"It's true. I can help you introduce them! Perhaps it will be better for big brother's illness."

At this moment, Qin Yuan also explained with a smile.

"Then...Thank you so much!"

"My husband is now at the Third People's Hospital."

"If there's really a professor or a famous doctor, maybe my husband can really recover!"

At this moment, the middle-aged woman was so excited that tears fell.

Ever since her man fell sick, she had been the only one supporting the shop and the family.

Not to mention that he had spent hundreds of thousands of yuan, the doctor had also said that even if he could be cured, there was a possibility of a relapse in the future or he would be paralyzed.

Therefore, she felt very wronged and helpless.

"It should be fine. After all, many people have recovered from this illness!" "So Big Brother should be able to recover! "

Seeing the middle-aged woman cry excitedly, Qin Yuan immediately comforted her.

This illness was not a problem for him at all.

Moreover, Elder Hua should be able to treat him now. After all, Qin Yuan had also passed down traditional Chinese medicine to Elder Hua.

"Then I really don't know how to thank you!"

At this moment, the middle-aged woman thanked him profusely.

This news was simply great news for her.

"It's fine. It's just a small matter!"

Seeing the middle-aged woman continuously thank him, Qin Yuan immediately said.

“Good! You guys eat first. I’ll go get you a few snacks!”

The middle-aged woman said excitedly. She did not know how to thank Qin Yuan and the others for their help.

“No need, Big Sister!” “There’s enough food here!”

“Besides, we can’t eat that much!”

Miao Xiaoxiao said immediately after hearing the middle-aged woman’s words.

“Yes, yes. I really don’t know how to thank you, so please accept my sincerity!”

The middle-aged woman also smiled and explained. She knew that people like Qin Yuan and the others did not lack money, so giving them some of her signature snacks was also a token of her appreciation.

“Alright, let’s try Big Sister’s specialty!”

Seeing this scene, Qin Yuan also said with a smile. She knew that this was the middle-aged woman’s sincerity, so she did not refuse.

“Good! Wait here, I’ll make it for you right away!”

With that, the middle-aged woman left.

Ten minutes later, the middle-aged woman came in with a few snacks.

Qin Yuan and the others also tasted it.

Half an hour later, Qin Yuan and the others were full. Seeing that it was already late, it was time to go home.

“Big sister! This is my number!”

“Tomorrow morning at nine o’clock, go and handle the transfer procedures. Transfer to the First People’s Hospital. When you get there, find a professor surnamed Liao and tell him that I gave the order.”

“He will arrange it for you!”

“Then I’ll go over with Xiaoxiao tomorrow. If there’s anything you don’t know, you can call me!”

Before leaving, Qin Yuan gave his phone number to the middle-aged woman, so he instructed her.

“Thank you so much!”

After receiving Qin Yuan’s phone number, the middle-aged woman was so touched that she cried.

“You’re welcome. Then, we’ll go back first!”

After saying that, Qin Yuan walked out of the shop with Miao Xiaoxiao. “Mommy! Brother gave this to me. He said it’s medicine to save Daddy!”

Just after Qin Yuan and the others left, Niu Niu also handed the things in her hand to the middle-aged woman..

#### Chapter 485: The Scene of Miao Xiaoxiao's Social Suicide

“The medicine to save Daddy?”

At this moment, the middle-aged woman curiously took the bag from Niu Niu's hand.

She opened it and burst into tears.

“Niu Niu, when you grow up, you must remember them!”

At this moment, the middle-aged woman looked at the note and bank card in the bag and cried to Niu Niu.

Not only did Qin Yuan and the others help her solve the problem just now, but they left her a bank card with one million yuan.

Although Qin Yuan had left a message on the note saying that he would come and eat fried skewers for free in the future.

However, how was it possible for a million yuan worth of fried skewers?

For a moment, she did not know how to thank Qin Yuan and the others.

“Don't worry, Mom!”

“Once Niu Niu grows up, Niu Niu will definitely repay Brother and Sister.” At this moment, Niu Niu nodded and said.

Qin Yuan and the others had returned to the courtyard. At this time, Qin Yuan's family had already fallen asleep.

Under the moonlight, Qin Yuan's hands uncontrollably hugged Miao Xiaoxiao. “Give me some time. I'll give you a perfect wedding!”

Although they had been recognized by their families, they were not officially married yet. They still needed a wedding.

“Yeah!”

“Brother Qin Yuan, let's go to the Civil Affairs Bureau tomorrow after we settle Niuniu's father's matters!”

At this time, Miao Xiaoxiao blushed and spoke shyly.

She did not expect that the joke she had made with Qin Yuan when she was young would come true now.

At this moment, Miao Xiaoxiao recalled when she was young, Qin Yuan said that he would marry her when he grew up.

“Good!”

Seeing Miao Xiaoxiao's love for him, Qin Yuan felt very relieved and warm.

Although he had wronged Miao Xiaoxiao, Qin Yuan secretly swore that he would take good care of her in this life.

Just like that, the two of them hugged each other outside the courtyard for a long time, neither of them willing to let go.

"This silly kid, it's already so late, and he still doesn't know how to make a move."

At this moment, Qin Yuan's father, Qin Hai, woke up to go to the toilet and noticed this scene.

She was anxious for Qin Yuan.

"Then...Erm, Brother Qin Yuan, I have to go back!"

Miao Xiaoxiao said with a smile after ten minutes.

She had not seen Qin Yuan for too long, so she was especially attached to Qin Yuan's embrace.

For some reason, she liked the feeling of Qin Yuan hugging her. She could not describe that feeling.

"Um! Xiaoxiao."

"Tonight. Don't go back tonight! "

When he heard that Miao Xiaoxiao was going back, Qin Yuan's heart was in a mess. Now that they had already gotten engaged, it didn't seem like a big deal.

"Brother Qin Yuan! I'm still a little nervous!"

After hearing Qin Yuan's words, Miao Xiaoxiao's face instantly turned red. She knew what Qin Yuan meant.

For a moment, she was a little nervous. Although it was not a big deal for them to sleep together, this was still the first time.

and... Moreover, she was staying at Qin Yuan's house. How could she not be nervous?

"Alright!"

"I'm not nervous anymore!"

After saying that, Qin Yuan picked Miao Xiaoxiao up and walked straight to the room.

Miao Xiaoxiao did not dare to say anything, so she buried her head in Qin Yuan's chest.

"That's right!"

After seeing the actions of Qin Yuan and the others in the dark, Qin Hai laughed to himself.

If his son still did not open the way, he would definitely teach Qin Yuan a good lesson tomorrow.

The next morning, when the sky was slightly bright, Miao Xiaoxiao immediately got up and woke Qin Yuan up. "Brother Qin Yuan! Let's get up quickly!"

"Grandpa and Grandma should wake up soon."

At this time, Miao Xiaoxiao hurriedly got up. Qin Yuan had tortured her last night, and she did not sleep well the entire night.

Moreover, she was too embarrassed to wake up early and meet Qin Yuan's family. That would be so awkward.

She felt embarrassed when she thought about how she had obediently given in last night.

"What's the big deal? The engagement has already been set!"

"It's okay, Xiaoxiao. You should sleep for a while more!"

At this moment, Qin Yuan pulled Miao Xiaoxiao over and lay on the bed. "Don't mess around, Brother Qin Yuan. Hurry up and get up! "

"I... We're not married yet. If Grandpa and the others wake up later, I won't be able to face anyone!"

Seeing Qin Yuan's sudden action, Miao Xiaoxiao was afraid! She even regretted sleeping with Qin Yuan last night. If she saw Qin Yuan's grandparents later, what would she say?

"Alright then!"

Looking at Miao Xiaoxiao's panicked expression, Qin Yuan got up with a smile.

She knew that Miao Xiaoxiao was afraid that it would be awkward if she met his family later.

More than ten minutes later, after the two of them finished washing up, Miao Xiaoxiao immediately pulled Qin Yuan out of the door.

His footsteps were as light as a thief's.

"Morning, Xiaoxiao!"

"Why are you up so early?"

At this moment, the two of them had just walked out of the room when they bumped into Qin Yuan's parents and grandparents sitting in the living room.

"Qin. Uncle Qin!"

"Auntie, Grandpa Qin, Grandma Qin!"

"You guys...Good morning!"

At this moment, Miao Xiaoxiao was shocked by the scene in front of her. For a moment, she stuttered as she spoke. Her face was as red as an apple..

Chapter 486: The Scene of Miao Xiaoxiao's Social Suicide

She did not expect Qin Yuan's family to be here and wake up so early.

This made her feel extremely awkward.

"Why are you still calling me uncle?"

“It’s time to change that!”

At this moment, Qin Hai smiled and said. “Um.” “Dad, Mom, Grandpa, Grandma!”

“Morning!”

After saying that, Miao Xiaoxiao buried her head in Qin Yuan’s arms in embarrassment.

This was simply death on the spot!

“Kid, not bad!”

At this moment, Qin Hai walked to Qin Yuan’s side and patted his shoulder with a smile.

“Dad, you’re a little too much!”

At this moment, Qin Yuan looked at his father helplessly.

In fact, Qin Yuan knew everything, but he did not say it. After all, Miao Xiaoxiao had to adapt to it sooner or later.

“Come, come, come!”

“Xiaoxiao, come over and have breakfast first! Your grandma’s porridge is delicious!”

Seeing that Miao Xiaoxiao was a little embarrassed, Mrs. Qin immediately pulled Miao Xiaoxiao over with a smile.

“Hurry up and come over for breakfast. Xiaoxiao, get Qin Yuan to bring you out for a walk later. Let him buy you something. Don’t save money for this kid!” At this time, Old Qin smiled at Miao Xiaoxiao.

Although Qin Yuan and Xiaoxiao were not married yet, they were only missing a wedding.

“Got it, Grandpa!”

Miao Xiaoxiao nodded in embarrassment and sat down.

“Don’t worry, Grandpa! Xiaoxiao and I will go to the Civil Affairs Bureau in a while. We’ll get the certificate today!” At this moment, Qin Yuan said with a smile.

“Good! Good! Alright!”

“Get the marriage certificate first!”

After hearing Qin Yuan’s words, Old Qin laughed out loud.

“I’m really happy for you guys!”

“Your dad and I will go buy some groceries later. We’ll have dinner together tonight. Xiaoxiao, remember to call Grandpa over too!” At this moment, Mrs. Qin smiled and said to Xiaoxiao.

It was their fortune to have a daughter-in-law like Xiaoxiao.

After all, there were not many girls who were so obedient, sensible, and handsome.

“Good!”

“Have breakfast first! I’ll give Old Miao a call later.”

As he spoke, Old Qin continued to speak. His face was filled with a smile that was difficult to hide.

After breakfast, Qin Yuan immediately brought Miao Xiaoxiao to the First People’s Hospital.

After all, he had already agreed to arrange for Niu Niu’s father’s treatment last night, so Qin Yuan also needed to go over to take a look.

Half an hour later, the two of them arrived at N City’s First People’s Hospital.

At this moment, the middle-aged woman had already brought Niu Niu’s father to the First People’s Hospital.

When Elder Liao found out that Qin Yuan had arranged for her to come over, he immediately arranged a ward for her.

“Xiaoxiao, you go and look for Niu Niu and the others first. I’ll go and look for the professor I know.”

After entering the hospital, Qin Yuan said to Miao Xiaoxiao with a smile.

He needed to find Elder Liao and arrange this matter.

After all, Qin Yuan’s holiday was not long. Therefore, he needed to inform Elder Liao first.

“Okay, Brother Qin Yuan!”

Miao Xiaoxiao immediately walked toward the ward. She had asked the nurse and found out where Niu Niu and the others were. Qin Yuan immediately walked to Elder Liao’s office.

“Elder Liao, you’re still busy!”

Seeing that Elder Liao’s office door was open, Qin Yuan walked in and saw Elder Liao sitting in front of the computer as if he was analyzing something.

“Qin Yuan?”

“It really is you! ”

“A patient came in this morning and said that you introduced him. I was wondering why you’re back, aren’t you in the army?”

Seeing Qin Yuan walk in, Elder Liao immediately stood up and greeted him.

“He’s a friend, so I came to disturb you!”

At this moment, Qin Yuan also said with a smile. Although Qin Yuan could also treat himself, he still thought that it would be better to get Elder Liao or Elder Hua to treat him.

Therefore, he asked Niu Niu’s mother to transfer Niu Niu’s father here.

“Look at you, what are you saying!”

“With your medical skills, this illness shouldn’t be difficult for you!”

“But I also know that you’re doing this because you don’t want too many people to know!”

“Leave it to me. Don’t worry, there won’t be any problems! ”

“It’s just that we can’t rely on Western medicine alone for this illness. I’ve also informed Elder Hua. He will come over!”

Elder Liao knew that Qin Yuan did not want too many people to know that he knew medicine, so he asked him to come here.

However, he had done a checkup early in the morning and found that he could also treat this illness. However, if he wanted to recover, he still had to rely on traditional Chinese medicine to recuperate, so he directly informed Elder Hua. After all, it was Qin Yuan who had recommended him.

“Elder Hua also knows?”

“I’ve got to trouble you and Elder Hua then!”

After hearing Elder Liao’s words, Qin Yuan was also surprised by Elder Liao’s speed.

Originally, he wanted to ask Elder Liao directly. Now that Elder Hua was here, he might as well ask Elder Hua to come directly.

“It’s nothing!”

“Why are you being so polite with us?”

“You don’t know, but Elder Hua’s Chinese medicine skills are getting better and better!”

“He can slowly solve the mysteries of many illnesses!” “Traditional Chinese medicine is really amazing!”

At this moment, Elder Liao said to Qin Yuan excitedly.

Ever since Qin Yuan passed on traditional Chinese medicine to Elder Hua, he would often go to Elder Hua for no reason.

During this period, Elder Hua also relied on the traditional Chinese medicine skills that Qin Yuan had inherited to solve many mysteries of difficult and miscellaneous diseases..

Chapter 487: The Scene of Miao Xiaoxiao’s Social Suicide

For a moment, he could not help but sigh at how much more powerful alternative medicine was compared to modern medicine.

“Traditional Chinese medicine is a treasure passed down by our ancestors for thousands of years. It’s definitely powerful.”

Seeing Elder Liao's excited expression, Qin Yuan said with a smile.

Looking at Elder Liao's expression, Qin Yuan knew that the traditional Chinese medicine inheritance he had given to Elder Hua had been put to good use.

"Well said!"

"Hahaha! "

At this moment, Elder Liao burst into laughter. Although he was a Western doctor, he was still very excited that Chinese medicine could be even more powerful. After all, Chinese medicine was a form of Chinese martial arts.

"Then, Elder Liao, I'll leave my friend's illness to you."

"My holiday is coming to an end. I'll have a few drinks with you and Elder Hua when I come back next time!"

Since Elder Hua was also here, Qin Yuan was relieved. After all, he was about to return to the army. Moreover, he had to register his marriage certificate with Xiaoxiao later.

"Alright! I know you're busy so I won't keep you!"

"Don't worry about your friend's illness!"

Hearing Qin Yuan's words, Elder Liao also smiled and said.

He knew that Qin Yuan was very busy. After all, Qin Yuan was a soldier.

"Thank you, Elder Liao. Please remember to convey my gratitude to Elder Hua."

As he spoke, Qin Yuan also thanked him.

"Good! Go and see your friend first! I'm analyzing the condition!"

"Alright, goodbye, Elder Liao!"

After saying that, Qin Yuan immediately walked toward Niu Niu's ward.

Soon, they met Miao Xiaoxiao and Niuniu.

"Benefactor, thank you so much!"

When she saw Qin Yuan, the middle-aged woman immediately knelt down and thanked him. She did not expect to meet such a good person like Qin Yuan.

Moreover, ever since she came here, everything had been arranged very properly. Moreover, Elder Liao had also informed her of her illness.

"Big sister! Don't be like this!"

"This is my duty!"

"This is what I should do! Don't be like this!"

Seeing the middle-aged woman's actions, Qin Yuan went over and helped her up.

This was really not a big deal to him.

“Big sister! I’ve already arranged everything for you here.”

“Elder Liao will treat Big Brother later, so you can rest assured.”

“Don’t worry! Elder Liao also said that he can cure this illness.”

At this moment, Qin Yuan immediately comforted her. “Thank you so much, thank you so much!”

As she spoke, the middle-aged woman also sobbed. Qin Yuan’s kindness to her family was too great. “Big Sister, everything is fine now!”

“Take good care of Eldest Brother and Niuniu recently!” “When you’re done, we’ll go eat your fried skewers together!”

Miao Xiaoxiao comforted him with a smile.

“Good, good, good! When the time comes, you guys can come together!” After hearing this, the middle-aged woman also smiled and said. “Then, Big Sister, we still have something to do later, so we’ll go back first!”

“Just call me if you need anything.”

Now that the arrangements were almost done, Qin Yuan also thought of registering his marriage with Miao Xiaoxiao.

After all, he had to go back to Zhan Lang tomorrow, so he wanted to spend more time alone with Miao Xiaoxiao.

“Good! Thank you!”

After hearing Qin Yuan’s words, the middle-aged woman did not know how to thank Qin Yuan and the others. “Then we’ll leave first! ”

“Goodbye, Niu Niu!”

Miao Xiaoxiao said to Niuniu and the middle-aged woman.

“Goodbye, Fairy Sister!”

“Goodbye, Brother Superman!”

After saying that, Qin Yuan and Miao Xiaoxiao walked out of the hospital and headed to the Civil Affairs Bureau..

Chapter 488 - 488: Incoming Mission!

There were not many newlyweds registered at the Civil Affairs Bureau that day.

The two of them successfully completed the marriage registration procedures. After waiting for a while, they finally received the red booklet that they had been longing for day and night.

The two of them looked at the marriage certificate in their hands and smiled at each other. Their eyes were filled with true love for each other.

“Xiaoxiao, from now on, we’re legally married!” Qin Yuan said excitedly.

“Yes!” Miao Xiaoxiao immediately agreed.

“Let’s go! Let’s go home together and celebrate our big happy occasion.” Qin Yuan could not wait to pull Xiaoxiao home, eager to share the joy with his family.

Happy times were always happy and short.

Soon, it was time for the two of them to part.

Early the next morning, Qin Yuan started packing his luggage to return to the army. Miao Xiaoxiao, who was beside him, looked at her busy brother Qin Yuan with a reluctant expression.

“Brother Qin Yuan...” Xiaoxiao sobbed slightly.

Qin Yuan noticed Xiaoxiao, who was sobbing at the side, and hurriedly went forward to gently wipe away the tears from the corners of her eyes. He comforted this little wife.

“I’m going back this time because I have an important training mission. It’s not like I’m not coming back. My silly wife!”

“I know! This is the first time we’ve parted since we got our marriage certificate. I feel bad!”

At this moment, Miao Xiaoxiao understood that no matter how much she was reluctant to part with him, the man in front of her, her beloved brother Qin Yuan, shouldered the mission and heavy responsibility of protecting China.

Hence, she composed herself.

“Brother Qin Yuan, promise me! You must complete the mission and come back safely.”

“Yes, yes, yes! I promise you that I will come back safely! When I come back, I’ll hold a grand wedding for you!” Qin Yuan promised firmly and dotingly.

“Xiaoxiao, let’s set the wedding at the end of the year.” Qin Yuan continued.

“Okay! I’ll wait for you to come back! I must marry you beautifully.”

After saying that, Miao Xiaoxiao buried her head in Qin Yuan’s warm chest, and Qin Yuan hugged her even tighter.

Soon, the car that came to pick up Qin Yuan arrived downstairs. It was a dark green military-grade vehicle. The driver gestured to Qin Yuan to leave. When he saw it, he looked at him and asked him to wait for a moment. “Xiaoxiao, you must take good care of yourself when I’m not at home. Come and chat with Grandpa more often when you’re free. Do you know?”

“I know! Brother Qin Yuan, I will visit grandpa, mom and dad more often!”

‘You have to pay more attention to your safety. I’ll wait for you to come back safely at home!’

‘Yes! Okay! Wait for me at home!’

Qin Yuan and Miao Xiaoxiao advised each other earnestly. After kissing each other affectionately, Qin Yuan picked up his luggage and got into the car with the driver. Thus, they embarked on the journey to return to the team.

After a long journey, they finally returned to Battle wolf Base. Although it was already early in the morning, Qin Yuan, who had just returned, did not relax at all. He drafted a training plan to increase Battle wolf’s combat experience overnight.

In the armory.

“Everyone, prepare your weapons according to your specialties. If you have any questions, feel free to ask me.” Qin Yuan instructed.

“Yes, sir!”

The scale of the arsenal was very large, with all kinds of weapons available, including some foreign weapons and equipment.

There were domestic 88/85 sniper rifles, 95 rifles, 81 rifles, and so on, but they did not take any of them.

Instead, they chose a more precise and lighter rifle. These were naturally produced in small quantities for the special forces.

At the same time, there were all kinds of small bombs. A small bomb as small as a fly. Its power was not inferior to a hand of a regular size. The direction of the explosion could be controlled through remote control. It was as powerful as the special agent equipment in the movies.

Not only that, but there were various small radars, infrared heat detectors, mini unmanned reconnaissance aircraft, and so on.

This equipment would not exist in ordinary combat troops at all. It was probably only provided to special forces like the Wolf Fang.

Qin Yuan walked around and was dazzled by the excellent weapons in front of him. But in the end, he still insisted on the principle of “streamlined” combat. He chose rifles, sniper rifles, pistols, and some individual equipment.

The sniper rifle was naturally a Type 11 medium-sized sniper rifle. Qin Yuan really liked this gun.

Its range was longer and more stable than the Type 10 large-caliber anti-material sniper rifle. Most importantly, it was specially equipped with explosive bullets and armor piercing.

“Come, since you want to use this Type 11 sniper rifle, then match it with this type of sniper bullet.”

Long Xiaoyun said as she handed a bag of bullets to Qin Yuan.

Qin Yuan was stunned at first. He took out the bullets and looked at them carefully. He found that these bullets were different from ordinary bullets. They had a special smell of gunpowder. They were black and had a spiral surface, similar to armor-piercing bullets, but sharper than armor bullets. They were at least one-third heavier than them.

Long Xiaoyun explained to Qin Yuan, "This kind of bullet was specially customized for this gun by the Weapons Research Institute. As you can see, this is a Type 10 sniper rifle. It's improved, but it's still not powerful enough to deal with some medium-sized equipment."

"Destroying some military transport vehicles is naturally not a problem. However, it was extremely difficult to destroy tanks and armored vehicles. In order to make up for this shortcoming, the research institute specially developed this kind of bullet. You noticed just now that it is 1/3 heavier than the other bullets, and it emits a strong smell of gunpowder."

"There are 30 upgraded armor-piercing weapons inside. Bullets are expensive.

You have to use them sparingly and maximize their power!"

"Hahaha! Don't worry, I won't let you down." Qin Yuan patted his chest and said.

After saying that, Qin Yuan looked at the time and shouted, "Everyone, speed up. There are still two minutes left. All the equipment must be taken according to your usual training habits.. Don't f\*cking wear it casually!"

Chapter 489 - 489: Set Off!

After Qin Yuan tidied up his weapons and equipment, he saw the equipment of his team members.

There were two snipers, and the rest were assaulters, observers, and explosives.

What surprised Qin Yuan the most was that Geng Hu was actually carrying a heavy-duty rolling machine gun. It was nearly 1.2 meters long and was a muzzle. Each muzzle was the size of an adult man's thumb. It was cold and dark, giving off an extremely strong sense of oppression.

This was more powerful and terrifying than the Gatling gun. It could hold up to 500 rounds!

That huge bullet box would definitely make the enemies tremble in fear. Although it was powerful, its weakness was very obvious. It took a long time to reload and was very cumbersome.

People without a certain strength and physique advantage would not be able to control this kind of gun.

Looking at Geng Hu's big build and his muscles that were as strong as steel, he was quite suitable for this kind of heavy equipment.

"Captain Qin, I like this gun," Geng Hu said to Qin Yuan with a silly smile when he saw Qin Yuan walking over.

"If you like it, take it. Our Battle wolf's firepower suppression will depend on you! Good job, Geng Hu!" Qin Yuan smiled.

“Yes, sir!”

“Is everything ready?” Qin Yuan confirmed with everyone again.

“I’m ready!” “Let’s go!” “Yes, sir!” Under Qin Yuan’s lead, everyone boarded the plane to South Africa.

On the plane, Qin Yuan saw that Long Xiaoyun’s equipment was especially simple. It was just a rifle, a bulletproof vest, and communication equipment.

Long Xiaoyun was one of the commanders in this operation. There would be communicators around her. Her main responsibility was to command, not to fight.

“The Reaper Armed Forces is a terrorist armed force that has risen in the Middle East in the past two to three years.” Long Xiaoyun glanced at everyone and said. “To be able to develop and grow in such a short period of time, it is obvious that there must be an even stronger armed group supporting them.”

“Otherwise, it would be impossible for them to rise so quickly in just two to three years and possess so many advanced technologies, equipment, and weapons.

“We’re not only going to face the Reaper Armed Forces this time. There might be mercenary groups or other armed organizations supporting them from behind. It’s going to be very difficult for us.”

“Country B, although the land area is not large, it covers jungles, deserts, and dense urban buildings. Therefore, they had to deploy and fight in all three regions this time! The specific deployment plan can only be carried out after arriving at the warship.”

“Then, should we fly to the N Sea first and follow the N Sea Fleet to South Africa?” Qin Yuan asked.

“That’s right! This is the fastest route.” Long Xiaoyun replied firmly.

“Everyone should take advantage of this time to rest. What awaits us next is a tough battle! Death and injury are inevitable, but we must use our lives to ensure the safety of every Chinese citizen. Even if we die, we must die in a worthy manner. This is the mission of our Chinese soldiers!”

“Yes, sir!”

Immediately, everyone on the plane straightened their backs and responded loudly.

About four hours later, the armed transport helicopter slowly landed on the deck of the South China Sea warship.

The person who welcomed them was the captain of the Marine Corps, Wu Yuanjiang. He walked straight toward Qin Yuan and Long Xiaoyun. “You two should be Qin Yuan and Long Xiaoyun from the Battle Wolf Special Forces, right?” Wu Yuanjiang greeted politely, “I’m the captain of the Marine Corps, Wu Yuanjiang. Welcome to this operation!”

“Yes, Captain Wu!”

‘Yes, Captain wu!’

Qin Yuan said to Long Xiaoyun.

“Alright, since you’re here, please follow me. We’ll discuss the detailed deployment of this operation.”

This time’s operation, time was tight and the task was heavy. Wu Yuanjiang did not dare to slack off in the slightest and went straight the main topic.

“Captain Wu, please lead the way!” Long Xiaoyun said.

Everyone followed Wu Yuanjiang to the battle command room. Then, he handed them the current information of Country B and said, “According to the information we have from the embassy, there are a total of 326 compatriots in Country B. This includes all the staff of the embassy.”

“However, the embassy said that in addition to the registered compatriots, there are many compatriots who are unable to provide passport information to complete the registration. The exact number is still being calculated, and it can only be roughly calculated. It’s impossible to completely calculate it because there are too many.”

Wu Yuanjiang sighed as he spoke. “The higher- ups have instructed us to bring them back to China at all costs, regardless of whether they are registered or not, as long as they have the blood of Chinese people flowing in their bodies.”

Qin Yuan and Long Xiaoyun nodded in understanding.

“Now we want to know the situation of Country B and our compatriots. How are they now?” Long Xiaoyun said.

Wu Yuanjiang took out a map of Country B. “Take a look, guys. The cities marked with red flags on the map are the areas occupied by the Reaper Armed Forces. Those with blue flags inserted in the red dots are temporarily safe areas. The areas with only red dots are the regions currently contested by both sides. The areas marked with blue dots are where our compatriots are located.”

“According to the data analysis from the embassy, as of now, at least a hundred of our compatriots are in the area controlled by the Reaper Armed Forces. No less than thirty of them are in the war zone, and the rest are basically in the safe zone.”

“The most troublesome thing now is the capital of Country B. It faces the danger of being occupied at any time. The army and important figures of Country B are planning to evacuate at any time. Time is of the essence for us now. We have to evacuate our comrades before the Reaper Armed Forces take over the other regions..”

Chapter 490 - 490: Set Off!

“Next, infiltrate the controlled areas and the battle zones, and try to rescue the remaining compatriots. Country B can’t even take care of themselves now, so we can only rely on ourselves for all the rescue operations. They can only provide a few military vehicles.”

“What about the casualties of our compatriots?” Qin Yuan asked anxiously.

Wu Yuanjiang frowned and said resentfully, “These thugs are simply inhumane lunatics. They don’t care which country you are from at all. As long as you go against their wishes, they will kill you all. Such disregard for human lives is simply outrageous!”

“It is saddening that we received the latest news. A total of eight of our Chinese compatriots have been killed.”

“Then... Where are the bodies of the Chinese? Do you want to send it back?” Long Xiaoyun choked.

“This... The higher-ups didn’t say anything, but you just happened to remind me. I’ll ask the higher-ups about this later. One more thing, although the United Nations has allowed us to enter the country, they have not allowed us to use fighter jets and guided missiles. Even if it’s a rescue, we can only use traditional methods.”

Long Xiaoyun and Qin Yuan nodded knowingly.

Next, they exchanged information to understand the specific situation of the Reaper Armed Forces in Country B.

Half an hour later...

“Alright, now that we have more or less understood the situation of our compatriots in Country B and China, Qin Yuan, let’s discuss how to distribute them.”

“Good!”

After saying that, the two of them went to the side to discuss countermeasures.

20 minutes later...

“Captain Long, Captain Qin, do you have any thoughts on this operation?” Wu Yuanjiang asked.

“Let me know!”

Qin Yuan glanced at Long Xiaoyun, who gestured for him to speak.

“I suggest that we split up into two groups. I will be in charge of leading the Battle Wolf Team to the areas occupied by the Reaper Armed Forces and the war zones to rescue our Chinese compatriots. Gong Jian will lead Battle Wolf Team Two and the rest of the people in charge of the Jiang Embassy to the

“Captain Long, continue to stay in the battle command room to participate in the rear command work.”

Qin Yuan said confidently.

“Captain Qin, you haven’t participated in such actual combat experience. The mission to enter the battle zone is too dangerous. I’m worried that you won’t be able to cope with some unexpected situations.” Wu Yuanjiang said.

Wu Yuanjiang paused for a moment before continuing, “After all, actual combat is different from the usual exercises. Once you enter the war zone, you will face the inhumane and bloodthirsty terrorists. Such a large-scale overseas peace-keeping battle is really too dangerous.”

Long Xiaoyun nodded in agreement, and a worried expression appeared on her face.

“That’s right, the situation at the front line is not looking good. Battle Wolf Team One going alone will put your current strength to the test.”

“However, I’m a little curious. What beliefs made you so bold as to lead your team to the war zone for a rescue mission?

“There is a first time for everything. The mission this time was full of danger, and there was the possibility of sacrifice at any time if they were not careful. However, the growth of a warrior should not only rely on training and some basic missions. If you want to quickly and effectively become an elite battle wolf, the best way is to let them come into contact with such battles as soon as possible.”

“Think about it. If we can successfully complete this mission, it will be a great help to our future growth!”

“I have the confidence to lead them to complete this mission!” Qin Yuan said firmly.

“How about this, Battle Wolf Team Two will assign 10 people to move the Chinese people to the safe zone, and the rest will follow Battle Wolf Team One to the battle zone and the occupied zone to carry out the rescue mission!” “Thank you for your support, Captain Long!”

“What’s there to thank? We all have the same responsibility in South Africa this time. Our goal is to complete the rescue mission for our Chinese compatriots.”

Hearing Long Xiaoyun’s words, Qin Yuan was even more determined to win this rescue mission.

“That’s great! Captain, this time we must prove to everyone the true strength of our Battle Wolves!” Geng Hu said excitedly.

“Don’t be too happy. What they said just now wasn’t an exaggeration. This mission is something we’ve never encountered before, and the level of danger inside is

unprecedented. Since we've accepted this mission, we have to be prepared to sacrifice ourselves."

"Captain, we are not afraid of sacrifice! Sacrificing for China is the honor of a soldier!"

"That's right! I was already mentally prepared when I took the oath of enlistment! "

"Hehe, my wish is to die on the battlefield one day like Grandpa!"

One by one, the team members said fearlessly.

Qin Yuan looked at the scene in front of him and could not help but tear up. He was deeply moved when he saw his team members bravely advancing without fear of the enemy's armed forces.

After several days of sailing, they were getting closer and closer to South Africa. The most obvious change was the weather. The closer they were to South Africa, the hotter the weather became.

Hot

Stormy

Barren

This was the environment of the Gobi Desert in South Africa that had not changed for thousands of years. Oases could only be found in the southernmost area.

After getting off the warship, Qin Yuan led the team in front and boarded the transport plane prepared for them in advance by B Pass. They headed to a gathering point in a remote city in B Pass.

On the plane, Qin Yuan planned to tell them what he had learned in advance to prepare himself mentally.

"Everyone, our operation this time is no small matter. As your team leader, before we arrive at our destination, it is necessary to remind you again."

Qin Yuan swept his gaze across everyone and said with a serious expression, "No matter what, don't be merciful to your enemies! To be kind to them is to be cruel to yourself and irresponsible to your comrades' lives. According to what I know, this armed force has tens of thousands of people. Other than the obvious criminals, nearly one-third of them are children. They are the terrifying child soldiers."

Hearing this, everyone burst into laughter!

"It's just a group of children. What's there to be afraid of? Captain, aren't you exaggerating?"

Qin Yuan immediately said seriously,

"Children? They look innocent and harmless, but they have no feelings or humanity. They are the killing weapons carefully cultivated by terrorist organizations."

"In their eyes, they don't know why they want to kill people. Human lives are just like ants on the roadside to them. They can kill as they please."

“Although they don’t have humanity, it doesn’t mean that they won’t use the weakness of humanity to gain your sympathy. They will try to make you lower your guard, get close to you, and trigger the bomb that they have long hidden. Bounce, I’ll die with you. Therefore, when you face the enemy on the battlefield, please keep your damn sympathy away. Don’t harm yourself and others!”

“They are not afraid of death. Or perhaps, death in battle is more like a release for them, but we are different. We are Chinese soldiers, shouldering the heavy responsibility of protecting our country and our people! I can’t make such a fearless sacrifice that can foresee danger.”

“Therefore, in order to avoid such a tragedy, we must be extremely vigilant. Our mission this time is to save our compatriots in the war zone and send these damn Reaper Armed Forces to hell. Only by killing them will we have a chance to save our compatriots. Do you understand?”

“Understood!”

Everyone shouted again.

Although he had never personally experienced the various legends of the African battlefield, he had learned a thing or two about it from various documentary videos.

Child soldiers could no longer be called children. They were the living weapons of terrorist organizations. They had no feelings, no thoughts, and no souls. They only cared about obeying orders from their superiors and completing their killing missions..
