

Special Troop 601

Chapter 601 - 601: The Truth Appears!

Qin Yuan's actions made everyone present exclaim in their hearts.

They had never seen such hand speed before, especially the technical staff of the police station. They could not imagine that a human could achieve such a speed.

"Captain Huang! Who exactly is this comrade?"

Xiao Pan from the technical department asked in surprise.

Because they needed to repair the technology, the technical department received Huang Lei's order early in the morning.

The head of the technical department sent Xiao Pan to the scene.

When he arrived, he saw Qin Yuan operating the computer.

"This is a comrade from the military. Xiao Pan, can your technical department achieve such a level of operation?" Huang Lei said with a smile.

Although he did not know much about computer technology, Qin Yuan's operation just now made his eyes light up.

Qin Yuan's typing speed was too fast.

"This kind of hand speed is impossible for ordinary people to achieve. Even in our technical department, no one can achieve this kind of operation."

"To be honest, this is the first time I've seen such an expert." Xiao Pan exclaimed.

Not to mention anything else, just this hand speed alone left him in the dust.

"Alright!"

Two minutes later, Qin Yuan said indifferently.

At this moment, Qin Yuan also turned on the surveillance video. At this time, a black car appeared on the screen. It was the car that the villager uncle had mentioned.

After the car stopped, two men got out of the car. One was tall and the other was short. They were dressed in black suits that looked a little unusual.

After a while, Li Youliang's figure appeared in the surveillance video.

Li Youliang walked toward the two of them and said a few words before getting into the car.

After a while, the car disappeared from the surveillance camera.

"Captain Huang, check this car and these two people immediately."

Li Youliang might have been picked up at this time.

Qin Yuan immediately said.

Li Youliang also left the village from that day until the day Zhao Jiaquan got into a car accident.

During these three months, no one knew where Li Youliang went and what he did.

Previously, Huang Lei and the others had asked the villagers about Li Youliang's family. Li Youliang's family only said that Li Youliang had gone out in a sports car.

However, Qin Yuan knew that it was not that simple.

After meeting Li Youliang yesterday, he knew that Li Youliang had received professional training.

In the face of the police interrogation, Li Youliang was very calm, unlike the truck driver who usually killed people.

Perhaps Li Youliang had been undergoing secret training during these three months.

"Xiao Liu, immediately check the owner of the car in the video and the identity of these two men in suits."

Huang Lei immediately instructed Xiao Liu.

"Yes, sir!"

After saying that, Xiao Liu made a copy of the video and immediately left.

"Captain Huang, let's go to Li Youliang's house to take a look."

Qin Yuan stood up and said immediately.

There must be a reason why Li Youliang took this job, so he wanted to go to Li Youliang's house to see if there were any more clues.

"Alright, I'll bring you there now."

After saying that, Huang Lei immediately led Qin Yuan in the direction of Li Youliang's house.

Ten minutes later, the two of them arrived at Li Youliang's house.

Li Youliang's family looked like a poor family, and the house looked quite old.

"This is Li Youliang's house. The only ones left in his house are his old father and a seriously ill daughter."

"His wife left the family and ran away with someone else a few years ago. The old father is already old, and the daughter has been seriously ill since she was young."

"But Li Youliang is a good father. Although life is difficult, he still works hard.

The money he earns is used to treat his daughter's illness."

"It's just that her daughter's illness hasn't been cured. The hospital doesn't seem to be able to find out what it is."

Huang Lei pointed at the house in front of him and said to Qin Yuan.

"A seriously ill daughter?"

Hearing this, Qin Yuan raised his eyebrows.

If that was the case, perhaps Li Youliang would take the risk for his daughter.

“Yes!”

Huang Lei nodded.

“Let’s go in and take a look.”

Qin Yuan said softly.

With doubts in his heart, he followed Huang Lei in.

As soon as he entered, Qin Yuan saw an old man in his seventies sitting outside the door.

Seeing Huang Lei and Qin Yuan walk in, the old man became a little agitated. “Officer, my Youliang is a good kid. He really didn’t mean to kill someone.”

“When will he be back?”

The old man immediately stood up and cried when he saw Huang Lei.

Huang Lei had previously come to Li Youliang’s house to investigate Zhao Jiaquan’s case, so Li Youliang’s father naturally recognized Huang Lei.

“Elder, we know what you said. It’s just that Li Youliang has killed someone, and there are still many suspicious points, so he can’t come back yet.” Huang Lei held the old man’s hand and explained.

Li Youliang requested that his family not be informed of the news that he had been detained for six months.

Later on, Huang Lei and the others agreed to Li Youliang’s request after considering the situation in Li Youliang’s family.

“Officer, if he doesn’t come back, what about Xiao Yang’s illness?” The old man asked while crying.

Li Youliang hadn’t been back for half a month after the accident, and no one cared about the girl’s illness now.

“Elder, don’t worry. We’ve already arranged for a hospital here.” Huang Lei immediately comforted him.

After Li Youliang went in, Huang Lei also tried to find a way to cure the little girl’s illness. In the end, he tried his best to contact the hospital for Li Youliang’s daughter through some charity organizations..

Chapter 602 - 602: The Truth Appears!

“Elder, can you bring us to see Xiao Yang?”

After listening to their conversation, Qin Yuan wanted to see what illness Li Youliang's daughter had.

After all, it was a disease that could not be detected by major hospitals. This disease should be especially rare.

However, Qin Yuan's medical skills were very advanced.

"Good!"

With that, the old man slowly walked into the room with Huang Lei's help.

Soon, he brought Qin Yuan and Huang Lei to Xiao Yang's room.

At this moment, the little girl had already fallen asleep, but her face was especially pale. She was so thin that only a layer of skin was left to wrap around her bones. It looked a little scary.

"This illness."

"Raynaud's disease."

Qin Yuan looked at the little girl lying quietly on the bed and sighed slowly in his heart.

After the system's scan, Qin Yuan immediately knew what illness the little girl had.

Qin Yuan had seen this illness in the Chinese medicine competition before.

"Captain Qin, have you seen such a disease?"

Huang Lei immediately asked in confusion when he heard Qin Yuan's words.

This Qin Yuan was really too powerful, right? Why did he know everything?

This special forces soldier even know how to treat illnesses?

For a moment, Huang Lei could not understand what kind of talents were in the special forces.

"I've seen this disease before. It's considered a relatively rare disease."

"How about this, Captain Huang? I know someone who can cure this illness."

"Tell the old man later. Then, make some preparations and send the little girl to the First People's Hospital."

"Then find Professor Liao and say that Qin Yuan sent her here. Someone will treat her." Qin Yuan immediately said.

Elder Liao and Elder Hua could cure this illness. Elder Hua's current Chinese medicine skills should be fine.

After all, with the Compendium of Materia Medica and the Pharmacopoeias, Elder Hua should be able to master a lot of Chinese medicine skills very quickly.

"Will this work?"

Huang Lei asked in confusion after hearing Qin Yuan's words.

“No problem, trust me!”

Qin Yuan smiled faintly.

He could cure her, but he did not want to show off his medical skills in front of outsiders.

“Good!”

After saying that, Huang Lei pulled the old man and immediately conveyed Qin Yuan’s words to the old man.

Qin Yuan took out a bottle of constitution fluid from his pocket and immediately gave it to the little girl to drink.

The little girl’s body was currently too empty, so she had to recuperate first.

Otherwise, this little girl wouldn’t even be able to last half a month.

“Thank you so much, thank you so much.”

At this moment, the old man immediately walked up to Qin Yuan and thanked him.

His granddaughter had been ill for many years without a cure. Now that he suddenly heard that someone could cure her illness, he was very excited. “Old man, you don’t have to be so polite. Yang’s illness can be cured.”

“Don’t worry, I know a doctor who can treat this illness. When the time comes, he will definitely be able to cure Xiao Yang’s illness.” Qin Yuan immediately comforted the old man. “Thank you! Thank you!” The old man was still grateful.

“Captain Qin, are you confident?”

Huang Lei was still a little worried. After all, this little girl’s illness was indeed too rare.

“Don’t worry, Captain Huang. It’ll be fine.”

Qin Yuan immediately comforted her.

He believed that Elder Hua would have no problem treating this illness.

“Good!”

Huang Lei nodded after hearing Qin Yuan’s confirmation.

“Captain Huang, let’s go. I should know what Li Youliang is up to now.”

“Zhao Jia Quan’s death was not an accident.”

Qin Yuan smiled faintly.

After seeing this little girl, Qin Yuan understood everything.

Li Youliang might have taken the risk because of his daughter’s illness. Someone must have asked him to kill Zhao Jiaquan. Zhao Jia Quan’s death might really be murder.

“Is this really a criminal case?”

Looking at Qin Yuan's expression, Huang Lei was a little surprised.

"Let's go. We'll understand everything once we get to the detention center." Qin Yuan said indifferently.

After saying that, Qin Yuan left after exchanging a few words with the old man.

After Huang Lei came out, he immediately rushed to the detention center with Qin Yuan.

An hour later, the two of them arrived at the detention center.

"Qin Yuan? Captain Huang?"

"Why are you two here again? Did you find any new clues?"

Inspector Wu asked curiously when he saw the two of them.

Qin Yuan and the others had just arrived yesterday. They must have made some important discovery today.

"I did find something, so I came to verify it."

"Inspector Wu, please call Li Youliang out." Qin Yuan smiled.

"Good! Wait a moment, I'll get someone to bring him over."

Inspector Wu smiled and walked in. Looking at Qin Yuan, he seemed to have made a new discovery.

Ten minutes later, Li Youliang walked out under the lead of the prison guard.

After seeing Qin Yuan and Huang Lei, Li Youliang's gaze was obviously a little evasive.

"Li Youliang, speak!"

Qin Yuan did not beat around the bush and went straight to the point.

"Say what? I've said what I need to say. What else can I say, officer?" Li Youliang immediately said after hearing Qin Yuan's words.

He was still very calm. Although Qin Yuan's words yesterday had clearly touched him, he knew that if he really had evidence, he would have taken it out long ago and not asked so much.

Moreover, he knew that as long as he didn't say anything, he would be fine and his daughter would be saved.

"Li Youliang, I've gone to your house. I can cure your daughter's illness, and I'm the only one who can do it now."

"This is your only chance."

"I know you're doing this for your daughter, but what you don't know is that even the people behind you can't cure your daughter's illness."

“You can choose not to believe me, but this is your last chance.”

Seeing that Li Youliang still refused to say anything, Qin Yuan immediately said indifferently.

He knew that Li Youliang did all this because of his daughter.

If Li Youliang had told them, then they wouldn't have to continue investigating.

Moreover, Qin Yuan had already arranged for someone to treat her daughter's illness.

“What?!”

“You can cure it?”

“You have to know that I've brought Xiao Yang to many big hospitals, but they can't find out about Xiao Yang's illness at all.”

“You said that you can cure her. Why would I believe you?”

After hearing Qin Yuan's words, Li Youliang was obviously a little excited.

Her heart began to waver at Qin Yuan's words.

After all, the person who sent him to kill Zhao Jia Quan had indeed promised him that he would find a way to treat his daughter.

However, the person behind it did not give him any guarantee that it could be cured.

“Li Youliang, I've already gotten someone to treat your daughter. If she doesn't get treated, your daughter won't live for more than half a month.”

“Since you don't believe me, you should see your daughter first.”

After saying that, Qin Yuan immediately shouted at the door.

At this moment, two police officers immediately pushed a wheelchair in.

Xiao Yang was sitting in a wheelchair. She was obviously much better than before. After all, Qin Yuan had given Xiao Yang the constitution fluid, and the constitution fluid was constantly repairing Xiao Yang's constitution.

Qin Yuan had thought of this when he came here, so he asked Huang Lei to send someone to bring Xiao Yang along.

“Daddy!”

Xiao Yang cried out when she saw Li Youliang.

She hadn't seen Li Youliang for a while and missed him very much.

“Xiao Yang!”

“I'm sorry!”

After seeing his daughter, Li Youliang couldn't control his emotions anymore. He instantly cried.

Li Youliang, have you noticed the change in your daughter?” Qin Yuan said indifferently.

After hearing Qin Yuan's words, Li Youliang immediately looked at his daughter seriously.

Only then did he realize that his daughter's face was obviously much ruddy compared to before. It seemed to be getting better.

"This!"

"Officer, is what you said true? Can you really cure Xiao Yang's illness?" Li Youliang asked excitedly.

At this moment, he seemed to see hope, hope that his daughter could get better..

Chapter 603 - 603: Pay a Visit!

"I said, it can be cured!"

"Your daughter's illness is a very rare illness. At present, I might be the only one in the country who can treat her."

"Think about it carefully. You're not willing to tell the truth now because of your daughter."

Qin Yuan said indifferently.

He knew that Li Youliang's goal was to save his daughter.

That was why he took the risk and helped the person behind the car accident.

His goal was to kill Zhao Jiaquan.

"I'll talk!"

"However, I only have one request. I hope you can agree to it."

After a moment of silence, Li Youliang chose to believe Qin Yuan in the afternoon.

Because he could feel that his daughter was obviously much better than before.

In order to hide the truth of this matter, his goal was to save his daughter. Now that there was hope, there was no need for him to continue hiding it.

Even if he did not say anything about this, he knew that according to the feeling Qin Yuan gave him, it would not be long before Qin Yuan would be able to find out bit by bit.

Instead of doing this, he might as well be honest.

He knew that Qin Yuan would arrange his daughter's treatment for him.

"Li Youliang, I advise you to be honest and tell us everything. This is not the time for you to negotiate."

After hearing Li Youliang's words, Huang Lei slammed the table and said.

"Speak! If I can agree to it, I will naturally agree to it."

Qin Yuan stopped Huang Lei and told Li Youliang calmly.

“Officer, I know that I’m done for after I tell you about this, but the child is innocent. I hope that you can help me treat Xiao Yang.”

“Then find a good family for him to adopt her.”

“As for my father, I can’t continue to be filial. There’s a card under my bed at home. There’s a million yuan in it. It’s for Xiao Yang’s medical expenses and my father’s retirement money.”

“Officer, I hope you can send my father to a nursing home for me.”

Li Youliang looked at Qin Yuan with an abnormally determined gaze.

He knew that if he confessed, he would be charged with murder.

Therefore, he no longer had any hope for himself.

He could only hope that he could arrange everything at the last moment.

“Don’t worry about this. I promise you.”

Qin Yuan replied indifferently.

Li Youliang had already violated the law, so he had to be punished by the law. Even if he had his reasons, it was not a reason for him to break the law.

“Okay!”

“Thank you, officers.”

Seeing that Qin Yuan had agreed to his request, Li Youliang no longer had any worries in his heart.

“This matter has to start from a few months ago.”

“One day a few months ago, Xiao Yang’s illness suddenly worsened. I brought her to all the hospitals, but the doctors couldn’t find out what illness Xiao Yang had.”

“At that time, I was already disheartened.”

“But just as I was about to give up, a man in a suit suddenly came to me and told me that they could find the best doctor to treat Xiao Yang’s illness.”

“But...”

Li Youliang immediately told Qin Yuan and Huang Lei about the entire incident, his face slightly helpless.

“But their condition is for you to kill Zhao Jiaquan, right?” Qin Yuan said indifferently.

“That’s right, I didn’t know who Zhao Jiaquan was at that time, and I didn’t understand why they wanted to kill him.”

“I only know that the man told me that he would give me a reward of three million yuan after the matter was done. He would find the most advanced medical team to treat Xiao Yang and even promised me that nothing would happen to me.”

Li Youliang continued.

At that time, he was already disheartened. Hearing such words suddenly made him instantly find a ray of light.

After all, he had already tried everything he could to find a cure for Xiao Yang. However, after going to many hospitals, he still could not find out what illness his daughter had.

Therefore, Li Youliang could only place his hopes on the man in the suit. “The man who told you this is one of these two, right?”

As he spoke, Qin Yuanzhi took out his phone from his pocket and immediately opened the video he had copied earlier and handed it to Li Youliang.

“Yes, it’s them.”

“I don’t know them, nor do I know who they are.”

“But they gave me a million dollars first.”

“The money in the card under my bed was given to me by them.”

“When I saw how straightforward they were, I believed that they had the ability to do so, so I agreed to their request.”

“So, one night three months ago, the night in the video, they took me away and brought me to an interrogation room.

“After I went there, they kept interrogating me. I’ve already experienced countless interrogations like yours.”

Li Youliang explained calmly.

It was because of this that he was so calm when he was interrogated.

And he was at ease.

This was the result of his three months of training.

Moreover, they had been planning this car accident for three months.

“Do you know who these two are? How do you contact each other now?” Huang Lei immediately asked after hearing Li Youliang’s statement.

“We’ve always been in contact with each other. They gave me a cell phone, and every time they called me, the number was different, so until now, I don’t know who they are..”

Chapter 604 - 604: Go There Personally!

Li Youliang immediately explained.

“Captain Huang, go and ask Xiao Liu and the others if they have found out the identities of these two people. Also, we should be able to find them with the car.”

Qin Yuan immediately said.

From Li Youliang’s words, they could feel that the person behind this was very cautious.

It was not easy to find evidence of them. After all, even Li Youliang did not know who the person behind this was.

Therefore, Qin Yuan could only search for traces based on the current clues.

“Okay!”

After Huang Lei heard Qin Yuan’s words, he immediately retreated.

This matter could now be considered a criminal case, and it was even a murder case.

For a moment, the nature of this case was different.

“Proceed!”

After Huang Lei left, Qin Yuan immediately said to Li Youliang.

“Then, two weeks ago, Tan MO suddenly picked me up from the secret interrogation room and gave me a photo.” “He wanted me to kill that person with my car.”

“That person is Zhao Jiaquan.”

Li Youliang explained.

Throughout the entire process of the case, he was only following orders. As for the reason behind this, he did not know.

Their mission was to kill Zhao Jiaquan.

“Did they contact you after that?”

Qin Yuan immediately asked.

Li Youliang was just a tool for murder in the entire case.

It could be said that other than knowing who to kill, he was not very clear about the rest.

“We didn’t contact each other after that. After all, I detained the others at that time.”

“Later, the car accident was ruled an accident, and I was sentenced to six months in detention.”

Li Youliang explained calmly.

“Alright, I understand.”

“I might need your testimony later on in this matter.”

“Don’t worry. Leave your daughter’s illness to me. We will also make arrangements for your father.”

Qin Yuan knew that this was all Li Youliang knew.

Therefore, there was no point in continuing to ask.

However, with Li Youliang’s confession, this case was no longer an accident, but a murder case.

“Thank you, officer. I know I’ve committed a great sin. This life might be over for me.”

“But, I hope you can treat my family well.”

Li Youliang’s eyes dimmed and he immediately thanked Qin Yuan.

After all, he had already killed someone. No matter what, he would be punished by the law.

“Don’t worry, I’ll do what I promised you.”

Qin Yuan said indifferently.

“Thank you!”

After saying that, Li Youliang looked at his daughter outside the window. His eyes were still filled with love.

Soon, Li Youliang followed the prison guard back to the cell.

“Captain Qin, I found it!”

At this moment, Huang Lei walked in excitedly. When he saw Qin Yuan come out, he immediately walked up and said.

“Who is it?”

Qin Yuan immediately asked.

There was only so much evidence he could find at the moment, so he needed to find clues as soon as possible to solve this case.

“The owner of this car is a businessman, but not long ago, this car was stolen. At that time, the owner had already reported the case.”

“But from the surveillance video last time, we found out the identities of these two people.”

“The tall man is called Liu Sanpao. He’s from N City’s East District. He’s currently in charge of a company under the Jiyuan Group.”

“The shorter one is called Zhou Mo. His nickname is Rampaging Dragon. He’s a famous local gangster.” Huang Lei immediately said.

“Liu Sanpao is related to Wu Guitian.”

“It seems that this matter has something to do with them.” Qin Yuan said indifferently.

All of the evidence was related to Wu Guitian. Although he wasn't the one who did it, he definitely had something to do with it.

“Captain Huang, apply for an arrest warrant immediately and arrest these two people.”

“I'll go to Jiyuan Corporation personally.”

Qin Yuan thought for a moment and immediately said.

The evidence was getting clearer and clearer, so Qin Yuan felt that he had to make a trip to Jiyuan Corporation personally.

With the help of the system's radar, he wanted to see if he could find some evidence.

“Alright, I understand.”

“Do you want me to send someone with you?”

Huang Lei immediately asked when he heard that Qin Yuan wanted him to go to Jiyuan Group.

“There's no need. If we go there with great fanfare, what else can we find?”

“I can go over myself.” Qin Yuan said with a smile.

“Good!”

Huang Lei immediately walked out of the detention center and headed to the police station.

Qin Yuan took a taxi and rushed to Jiyuan Group.

Half an hour later, Qin Yuan arrived at the Jiyuan Group building.

Looking at the towering corporation building, Qin Yuan felt that Jiyuan Corporation was indeed rich and overbearing.

However, he did not know how much money was behind this.

After Qin Yuan paid the fare, he immediately walked towards the door.

In a magnificently decorated office in Jiyuan Building.

The chairman of Jiyuan Group, Wu Guitian, was sitting on a luxurious sofa.

He was still holding an expensive cigar in his mouth, and a man was trembling in front of him.

“Didn't you say that everything has been arranged? Why are the police moving again?”

Wu Guitian said in a deep voice, his eyes cold as he stared at the man before him.

He had handed this matter to his subordinate, but in the past two days, he had received news that the police were investigating Li Youliang's family again.

This action made him feel that it was unusual.

Hence, he called his subordinate early in the morning.

“Chairman, this matter has already been decided.”

“But Zhao Jiaquan’s two sons actually kidnapped hostages, which attracted the police’s attention.”

“However, please rest assured, Chairman. Li Youliang will definitely keep his mouth shut. We have already trained him for three months. As long as he doesn’t say anything, there will definitely be no problem.”

Na’s subordinate immediately explained.

This matter had suddenly attracted attention again, and his heart was stuck in his throat.

They were already fine, but who would have thought that the two Zhao brothers would actually not even care about their lives? “I never trust anyone. Only the dead can’t speak. Do you understand?” Wu Guitian said calmly, his eyes filled with coldness.

To him, only the dead could keep secrets, just like Zhao Jiaquan.

All these years, because Zhao Jiaquan had something on him, he had been in fear for many years.

They had already lost a lot of money.

But who knew that this Zhao Jiaquan was actually a snake that swallowed an elephant, his appetite was getting bigger and bigger.

In the end, he couldn’t take it anymore, so he chose to directly get rid of Zhao Jiaquan to prevent future trouble.

“Ming. Understood!”

Looking at Wu Guitian’s expression, the subordinate nodded heavily.

After hearing Wu Guitian’s words, the subordinate understood what he meant.

He wanted to find a way to make Li Youliang die in prison.

“By the way, deal with the people who are in contact with Li Youliang immediately. That’s the only way we won’t be implicated.”

“Do you understand?”

After a few seconds of silence, Wu Gui continued to instruct.

Since he had already dealt with so many people, he did not mind getting rid of these hidden dangers.

After all, it would be troublesome for these people to stay. If they were found out about these people in the future, they would be implicated in the end. “Understood, Chairman. I’ll get it done now!”

After receiving Wu Guitian’s order, the subordinate immediately retreated. “Old Wu, have you really settled the matter between us in the past?”

“Could this Zhao Jiaquan have left behind any evidence?”

After the subordinate left, a middle-aged man immediately asked Wu Guitian.

“Old Zhou, don’t worry!”

“Only you, Elder Liang, and I know about that. The only outsider who knows about this, Zhao Jiaquan, is already dead.”

“Even if he left evidence, what evidence could he have?”

Wu Guitian immediately comforted him.

For this matter, they had been threatened by Zhao Jiaquan all these years.

Now that Zhao Jiaquan was dead, no one else knew about this matter except for the three of them.

Thus, Wu Guitian wasn’t worried about what Zhao Jiaquan had left behind. After all, there was no evidence..

Chapter 605 - 605: Searching for Nothing!

This middle-aged man was one of the three people who had mined the ore with Wu Guitian.

Zhou Yun, the chairman of Zhou Yun Corporation.

“It would be best if that’s the case. Who knows how much blood Zhao Jiaquan has taken from the three of us all these years?” Zhou Yun said indifferently.

“It’s best to deal with everyone who comes into contact with this matter. If we’re involved, we won’t be able to escape.”

Zhou Yun thought for a moment and immediately instructed.

“Don’t worry, I’ve already gotten my subordinates to handle it. This matter ends here.”

Wu Guitian said with a faint smile, a vicious look flashing across his face.

Since so many people had already died because of this incident, he did not mind taking care of some more. “Where’s Old Liang? Why isn’t he here yet?”

Wu Guitian immediately asked.

“I just called him. He’s already on his way.” Zhou Yun said softly.

“Alright, then we’ll wait until Old Liang arrives.”

Wu Guitian nodded and looked out the window.

The money he had earned from mining ores over the years had almost been washed away by him.

If it wasn’t for Zhao Jiaquan being so ruthless, Wu Gui Tian wouldn’t have wanted to kill anyone at this time.

After all, things are different now.

Half an hour later, Liang Shan, the chairman of the Liang Corporation, also rushed to Jiyuan Corporation.

“Old Zhou, Old Wu, how’s the matter going? Why did I hear that the police have started investigating Zhao Jiaquan’s case again?”

As soon as they entered the office, Liang Shan immediately asked Wu Guitian and Zhou Yun.

Zhao Jiaquan’s case had already been concluded long ago. Why would they start investigating at this critical juncture?

After hearing the news, Liang Shan couldn’t sit still. He immediately rushed over after receiving Wu Guitian’s call.

“The two brothers of the Zhao family. They robbed and took hostages. This matter has attracted the attention of the police again.”

Hearing Liang Shan’s question, Zhou Yun immediately explained.

They did not expect that the two Zhao brothers would actually throw away their lives just to attract the attention of their superiors.

“F * Ck them. If I had known earlier, I would have dealt with this family. I told you back then that if you wanted to deal with them, you should have dealt with them all. You insisted on not allowing it.”

“Now that this matter has become like this, tell me, how should we deal with it next?”

Liang Shan was furious when he heard this.

Previously, he had suggested to the two of them that since they were going to deal with Zhao Jiaquan, they should get rid of both of his sons. Otherwise, it would bring about future troubles.

Sure enough, this matter was really as he said.

“Old Liang, don’t be angry. You have to know that it’s not easy to kill people in this era.”

“Do you think that if the Zhao family were all dead, wouldn’t people be suspicious?”

“But we didn’t expect that the two brothers of the Zhao family would actually give up their lives.”

Zhou Yun immediately comforted him.

Back then, Liang Shan had suggested killing the entire Zhao family, but he and Wu Guitian had disagreed.

Now, they have been dragged into this mess again because of this. He and Wu Guitian felt that they were in the wrong.

If they had known that this would happen, they would have resolved it without hesitation.

“Damn. Tell me, what should we do next?” Liang Shan asked helplessly. “Old Liang, why are you in such a hurry?”

“We didn’t do it ourselves.”

“I’ve already sent someone to deal with the people who came into contact with Zhao Jiaquan. Don’t worry.”

Wu Guitian slowly turned his head and said.

Now that Zhao Jiaquan was dead, the only outsider who knew about the three of them was gone.

Moreover, Zhao Jiaquan did not tell his family about this. Otherwise, the police would have already investigated them.

“Are you sure that Li Youliang won’t tell us?”

Liang Shan immediately asked.

“He doesn’t dare to say it now. After all, his daughter’s illness still needs us to treat it for him.”

“However, we can’t wait any longer. I’ve already arranged for someone to deal with it. Only the dead can’t speak.”

Wu Guitian said as he looked out of the window with a cold gaze.

If the police hadn’t launched another investigation, the matter would have been settled. But now that the police had taken action again, it meant that the police had begun to suspect them.

Therefore, he had to deal with everyone who came into contact with this matter.

“That’s good.”

“I’ve been annoyed over this matter for years. Fortunately, we disguised the deaths of the workers in the mine as car accidents. Otherwise, we would all be finished.”

Liang Shan sighed softly.

It was because of this matter that they were threatened by Zhao Jiaquan. Now that the dust had settled, how could they not panic?

“Have you handled the money over the years? Don’t leave any evidence behind.” Wu Guitian asked after pondering for a moment.

Because the police would probably investigate their company. As long as the company’s accounts were fine, they would be fine.

After all, only the three of them knew about the past.

As for Zhao Jiaquan’s car accident, even if the police investigated, they wouldn’t be able to trace it back to them. As long as they dealt with the people involved in this matter, all their worries would be gone.

“Don’t worry. On the surface, even if they check a thousand times, there won’t be any problems.”

Liang Shan immediately replied.

After so many years, how could they not know these things?

“That’s good!”

Wu Guitian nodded lightly.

At this moment, the three of them did not know that there was a person standing in the corner behind them.

“As expected, it’s them..”

Chapter 606: Searching for Nothing!

Qin Yuan sighed in his heart.

When he arrived at Jiyuan Corporation, he found Wu Guitian’s office through the system radar.

Following the ventilation duct, they entered Wu Guitian’s office. Qin Yuan had heard the conversation between the three of them just now.

Qin Yuan did not expect that so many people would die when these people privately mined the ores back then.

Moreover, in order not to attract attention, they even disguised these people’s deaths as car accidents.

No wonder Zhao Jiaquan would threaten them because of this.

“As long as Li Youliang dies and the people who came into contact with this matter are dealt with, then this matter will be settled.” Wu Guitian said to the two of them.

“I’m afraid you won’t be able to wait until then.”

At this moment, a cold voice suddenly sounded from behind the three of them.

“Who is it?”

After hearing Qin Yuan’s words, the three of them immediately turned their heads in panic and saw Qin Yuan walking towards them.

“Who are you? Did you hear our conversation just now?”

Wu Guitian looked at Qin Yuan fiercely, a hint of killing intent flashing in his eyes.

He never expected that there would be someone else in the office.

“Otherwise, how would I know that the three of you are so crazy?”

Qin Yuan smiled faintly.

Originally, he had come to Jiyuan Corporation to try his luck and see if he could find any clues.

Who would have thought that this was something that could be found without any effort?

Wu Guitian and the other two actually told him everything, and Qin Yuan had already recorded it with his phone.

With this evidence, Wu Guitian and the other two would no longer be able to escape the law.

These crimes were enough to sentence three people to death. "No matter who you are, since you heard it, you have to die."

"Someone come!"

Wu Guitian immediately shouted at the door.

Since Qin Yuan already knew, then no matter what, he would not let Qin Yuan leave alive today.

Otherwise, the three of them would be finished.

After a while, a group of bodyguards in black suits rushed in.

"What happened to the shop owner?"

The leader of the bodyguards immediately asked.

"What happened? Can't you read it? I spent so much money to hire you, and this is how the security guards are?" "This person even sneaked into my office."

Wu Guitian cursed.

Only then did the captain of the bodyguards notice Qin Yuan.

For a moment, his expression became awkward.

They did not see how Qin Yuan came in at all. Moreover, he had already sneaked into the boss's office.

This was a huge mistake for the bodyguards.

"Who are you? He actually snuck in?"

The captain of the bodyguards looked at Qin Yuan with a hint of killing intent in his eyes.

"You don't deserve to know who he is."

Qin Yuan said with a faint smile. He did not take these security guards seriously.

"Alright, since that's the case, don't blame us for being impolite. Attack!"

Seeing that Qin Yuan did not take them seriously at all, the captain of the bodyguards was a little angry, so he immediately ordered his subordinates.

"Yes, sir!"

"Yes, sir!"

After saying that, the group of bodyguards immediately attacked Qin Yuan. Qin Yuan rolled up his sleeves and stood there calmly, waiting for the bodyguard to attack.

Bang!

Bang! Bang!

A black shadow flashed past, and the three bodyguards at the front were sent flying, smashing heavily into the wall.

“All of you, attack!”

Seeing this, a trace of surprise flashed across the bodyguard captain’s eyes. He did not expect Qin Yuan to be so powerful.

Most of these bodyguards had been trained. Needless to say, they were strong, but they could not even withstand one move from Qin Yuan.

Not long after, other than the captain of the bodyguards, the rest of the bodyguards were all Imocked to the ground by Qin Yuan and instantly lost their ability to fight.

“Are you very strong? Are you a police officer?”

The captain of the bodyguards seemed to have noticed something from Qin Yuan’s moves and immediately asked.

“Something like that! What about you?” “If you don’t go up now, you won’t have a chance.”

Qin Yuan smiled playfully.

“Kill him. Don’t let him leave alive.”

Wu Guitian instructed the captain of the bodyguards.

He did not expect Qin Yuan to be so powerful. He had spent a lot of money to hire these bodyguards. Moreover, Qin Yuan had just said that he seemed to be a police officer.

If it was really the police, then they could not let Qin Yuan leave alive.

“Yes, sir! Boss.”

The captain of the bodyguards immediately replied, paying more attention to Qin Yuan.

“You must die today.”

The captain of the bodyguards roared and immediately attacked Qin Yuan.

Qin Yuan only glanced at it indifferently, and the corners of his mouth curled up slightly.

Bang!

The captain of the bodyguards rushed over and flew out, crashing heavily into the wall.

“You! This is impossible!”

The bodyguard captain spat out blood and said in surprise.

Qin Yuan’s strength was too terrifying. That kick just now made him feel as if he had been hit by a car.

All the ribs in his chest were broken.

After a while, he fainted.

This scene happened too quickly. Before Wu Guitian and the other two could react, they saw the bodyguard captain being kicked away by Qin Yuan.

This bodyguard captain was the boxing champion of the past few years, and Wu Guitian had spent quite a bit of money to hire him.

He did not expect that he could not even withstand one move from Qin Yuan.

“Don’t come over!”

Wu Guitian looked at Qin Yuan slowly walking towards them and immediately said to Qin Yuan.

The scene just now had frightened the three of them. When had they ever seen such a valiant scene?

“If you come any closer, I’ll shoot.”

Wu Guitian immediately took out a pistol from the cabinet on his desk and pointed it at Qin Yuan.

Hence, he took out two more and handed them to Zhou Yun and Liang Shan. “Do you think you three guns are faster, or me?”

Seeing the three of them take out their pistols, Qin Yuan did not panic at all. He only said to the three of them playfully.

To him, this pistol posed no challenge at all.

“If that’s the case, then don’t blame us.”

“We have three guns here. If you want to blame someone, blame yourself for not coming.” Wu Guitian said coldly.

With the pistol, he felt much more at ease.

This was because he felt that no matter how good Qin Yuan was at fighting, could he be faster than a gun?

However, they did not know that this was not a problem for Qin Yuan at all.

Wu Guitian slowly pulled the trigger with his right hand.

Bang!

Following the sound of a gunshot, a black shadow flashed by, and Wu Guitian was sent flying, crashing into a bookshelf. He spat out a mouthful of blood.

“Old wu!”

When Liang Shan and Zhou Yun saw this, they immediately fired at Qin Yuan.

They did not expect Qin Yuan to be so fast. They did not even have time to react to the scene just now.

Qin Yuan took a few steps and dodged all the bullets.

Bang!

Bang!

Not long after, Zhou Yun and Liang Shan were sent flying by Qin Yuan's kick. Zhou Yun fainted.

"You...Don't come over!"

Liang Shan spat out blood. He had been kicked by Qin Yuan just now, and a few of his ribs had been broken.

Seeing Qin Yuan walk over, his eyes were filled with fear.

After dealing with the three of them, Qin Yuan slowly took out his phone from his pocket and immediately called Huang Lei.

"Captain Huang, bring some people to Jiyuan Corporation immediately. We've found all their evidence."

After the call was connected, Qin Yuan said calmly.

"What?"

"Qin Yuan, you actually did it yourself?"

Huang Lei asked in surprise after hearing Qin Yuan's words.

He had wanted to send some people to follow Qin Yuan, but Qin Yuan rejected him.

"It's all settled."

Qin Yuan said.

"This... I'll bring someone over now."

Huang Lei originally wanted to say something, but when he thought of how Qin Yuan was the captain of the Battle wolf Special Forces, he said nothing.

Half an hour later.

Huang Lei and his team members immediately sealed off the entire Jiyuan Corporation.

After entering Wu Guitian's office, he was still shocked by the scene before him.

There had obviously been a gunfight.

Seeing Qin Yuan standing there quietly, a trace of respect flashed across Huang Lei's eyes.

There were more than 20 bodyguards lying on the ground, and many of them had fainted.

One could imagine how fierce Qin Yuan was just now.

"Qin Yuan, are you okay?"

Huang Lei walked to Qin Yuan's side and immediately asked..

Chapter 607: Return to Battle Wolf!

“That’s all. What can happen to me?” Qin Yuan smiled faintly.

This kind of situation was nothing to him.

“That seems right. With your skills, it’s easy for you to deal with these small fry.”

Huang Lei said with a smile.

With Qin Yuan’s strength, it was better to worry about the bodyguards and Wu Guitian than Qin Yuan.

“Xiao Zhou, take everyone away.”

After saying that, Huang Lei immediately instructed the team members behind him.

“Yes, sir! Captain.”

The team members who had followed Huang Lei here were all shocked by this scene.

Especially the captain of the bodyguards. He felt that his entire chest had caved in.

After everyone carried Wu Guitian and the others onto the stretcher, they immediately rushed to the hospital.

If these people at the scene were not treated, they might really die.

“Captain Huang, I have a recording of the three of them on my phone. I’ll send it to you later.”

“These three guys have all confessed. The things inside are enough to punish them.”
Qin Yuan immediately said.

After saying that, he took out his phone and sent it to Huang Lei.

The truth of Zhao Jiaquan’s car accident had been investigated.

Qin Yuan had already resolved the matter that he had promised the Zhao brothers.

After receiving the recording from Qin Yuan, Huang Lei immediately turned on the recording.

“I really didn’t expect these three guys to have done so many illegal things.”

“So crazy.”

Huang Lei’s expression changed immediately after listening to the recording. They had investigated Wu Guitian and the other two’s companies before, but it was just as they said. They couldn’t find anything on the surface.

If not for Qin Yuan, Wu Guitian and the others would have escaped this time.

The more Huang Lei heard, the angrier he became. He didn’t expect these guys to cause so many murders more than ten years ago.

And in order to escape the law, they all pretended to be car accidents.

“This matter is considered over.”

“I’ll leave the people who should be arrested to you, Captain Huang.” Qin Yuan said softly.

“Okay, thank you for this, Captain Qin. If it weren’t for you, the truth behind this might not have been known.”

Huang Lei immediately thanked him.

He was really grateful to Qin Yuan. If Qin Yuan had not come to investigate this matter, perhaps this matter would have passed.

After all, their police station really couldn’t find any useful evidence at that time.

“You’re welcome. We’re all the same. Our purpose is to serve the people.” Qin Yuan said indifferently.

Since he knew about this, he would not let it go. Moreover, he had already promised the Zhao brothers.

Then he would investigate this matter to the end.

“Alright then. I was going to treat you to a good meal, but you’ve been busy with this matter ever since you arrived.”

“I’ll go back and arrange these things later. How about we have dinner together later?”

They had agreed to treat Qin Yuan to a meal, but Qin Yuan had started investigating this matter the moment he arrived. He had been running around for the past two days.

“Alright! Captain Huang, you go ahead and make the arrangements. I need to go to the detention center later.”

Since the truth had been found out, he had to tell the Zhao brothers the truth.

“To the detention center? Then it just so happens that you’ll come over with Inspector Wu.”

Huang Lei knew that Qin Yuan was going to the detention center to see the Zhao brothers. “Good!”

Qin Yuan replied.

After saying that, the two of them quickly walked out of Jiyuan Corporation. After they came out, Huang Lei returned to the police station and Qin Yuan rushed to the detention center.

Half an hour later.

Qin Yuan came to the detention center. After telling Inspector Wu about the matter, Inspector Wu immediately got someone to bring the two Zhao brothers out.

“I’ve already found out the truth about your father. Wu Guitian and the other two were the ones behind all of this.”

“I believe they can’t escape the punishment of the law.”

“Although you guys are not bad by nature , since you have committed a crime, you must accept the punishment of the law.”

In the meeting room, Qin Yuan said to the two of them indifferently.

“Is what you said true?”

“Was my father really murdered by Wu Guitian?”

Zhao Yunkun asked excitedly after hearing Qin Yuan’s words.

Because of this incident, they never believed that their father’s car accident was an accident.

However, they didn’t have any evidence at the time. After informing the police, the police also investigated Wu Guitian, but they didn’t find anything. They had no choice but to use this method to attract the police’s attention.

For this, they did not hesitate to pay the price of their lives.

“That’s right. Your father has something on Wu Guitian and the others. All these years, your father has used this as a threat and obtained a lot of benefits from the three of them.”

“But your father’s appetite was too big. In the end, they chose to kill him to silence him.”

“You can only blame your father for being too greedy.”

Qin Yuan immediately explained.

If it wasn’t for Zhao Jiaquan’s huge appetite, perhaps Wu Gui Tian and the others wouldn’t have chosen such an extreme method.

After all, the three of them were no longer in a low position. They would not choose to kill for a little money.

“Thank you! Thank you for believing us.”

Zhao Yukun immediately thanked him.

Her eyes reddened slightly. Wu Guitian and the others would eventually be punished by the law, and that was enough.

Besides, Zhao Yukun knew that Wu Guitian and the others would definitely be sentenced to death. After all, what his father knew would definitely involve the lives of Wu Guitian and the others.

“You’re welcome. As long as there’s a crime, we’ll investigate it thoroughly. No matter who it is, don’t think about escaping the punishment of the law.”

Qin Yuan said softly..

Chapter 608: Return to Battle Wolf!

“I’ve told my father long ago that it’s best not to come into contact with Wu Guitian and the others.”

“All these years, Father suddenly had so much money. I knew something would happen.”

“But father is unwilling to tell us the truth behind this.”

“That’s why it’s like this now.”

Zhao Yujun said as tears flowed down his face.

Because of this matter, their entire family had been solved.

But he could only blame his father.

“Officer, thank you.”

Zhao Yujun’s eyes dimmed.

However, the stone in his heart was finally put down.

Before doing this, he had thought of all the consequences. Although there were no casualties, the nature was too bad. The two brothers would be sentenced to at least ten years in prison.

However, he did not regret doing so.

“You’re welcome! Since the matter has been resolved, I’ll go back first.”

After saying that, Qin Yuan immediately walked out of the meeting room.

He had already fulfilled his promise to Zhao Yukun, so he would leave the rest to the police.

“Qin Yuan, Li Youliang asked me to tell you that he said thank you.” Qin Yuan had just walked out when he bumped into Inspector Wu.

“It’s okay. This is still done. Moreover, the child is innocent.”

Qin Yuan smiled faintly.

Qin Yuan had already personally called Elder Hua about Yang’s illness. He was already treating her.

With Elder Hua’s current Chinese medicine skills, it would not be a problem for him to treat Xiao Yang’s illness.

Li Youliang’s father was sent to a nursing home by the police.

As for Xiao Yang, Qin Yuan had already made arrangements for her.

“I didn’t expect you to be so good at solving cases as a soldier. It’s true that capable people shine everywhere.”

Inspector Wu smiled faintly.

Inspector Wu was very sure of Qin Yuan’s ability.

This case could be said to be very complicated. All the evidence had been destroyed.

She did not expect Qin Yuan to solve this case in just two days. Moreover, it involved a case from many years ago.

“Inspector Wu, you flatter me. By the way, Captain Huang said that we’re having dinner together tonight. Inspector Wu, shall we go together?”

Qin Yuan smiled faintly.

Qin Yuan would never shirk from doing what he could.

“Sure! It looks like you’re in a hurry to return to the army. I don’t know when we’ll meet again in the future.”

Chief Wu said with a smile.

After all, Qin Yuan was a soldier and would not leave the army for too long.

After this matter was settled, he had to go back and report.

After Chief Wu finished speaking, he followed Qin Yuan out.

Huang Lei had already booked a restaurant. Because he had not finished dealing with the matter, Qin Yuan and the others went over first. “Qin Yuan, you’re from the special forces, right?”

In the private room of the restaurant, Inspector Wu sat down and asked curiously.

From Qin Yuan, Inspector Wu could feel the aura that only a special forces soldier had.

Therefore, from the first time he saw Qin Yuan, Inspector Wu had a guess in his heart.

However, it was not convenient for Qin Yuan and the others to say it, so he did not ask.

“Yes!”

Qin Yuan only nodded and did not explain.

After all, they couldn’t reveal their unit’s name outside.

“No wonder. I knew you weren’t simple when I saw you.”

“Speaking of which, I almost entered Wolf Fang before. Unfortunately, I was still eliminated in the end. I don’t know how many years have passed since then.”

Inspector Wu sighed softly, his eyes full of yearning for the special forces.

“With your ability, I think you won’t be too bad in Wolf Fang.” Inspector Wu said indifferently.

He had not been in contact with Qin Yuan for long, but he knew that Qin Yuan was not simple.

“That...Inspector Wu, I’m not in Wolf Fang.”

Qin Yuan smiled faintly.

He didn’t expect Inspector Wu to almost enter Wolf Fang. Since Inspector Wu knew about Wolf Fang’s existence, it meant that his strength in the army wasn’t bad. “Not in Wolf Fang?”

“This...”

Inspector Wu was a little surprised, but he quickly reacted.

The only special forces he knew of in the Southeast Military Region was Wolf Fang. According to Qin Yuan, the military region might have already started to set up other special forces.

However, he did not continue to ask. This was no longer something he could know.

“Sorry to keep you waiting!”

“After Wu Guitian was arrested, a bunch of things had to be arranged, so it was delayed until now.”

At this moment, Huang Lei pushed open the door and walked in with an apologetic expression.

“I’m fine! The dishes haven’t even been served yet.” Inspector Wu immediately smiled.

“Since you’re all here, let’s serve the dishes.”

Huang Lei smiled and immediately asked the waiter to order the dishes.

There were a few colleagues from the police station who came with Huang Lei. Most of them wanted to get to know Qin Yuan.

After eating and drinking to his heart’s content, Qin Yuan said goodbye to everyone.

‘ Captain Huang, Inspector Wu, I’ll be going back first. Let’s meet again when we have time in the future.’ Qin Yuan said to the two of them.

Battle wolf’s two-day break was over, and he had to go back as soon as possible to arrange the next training.

The military exercise this time was very important.

It was not just the Southeastern Military Region. The troops of the other military regions were preparing intensely.

Moreover, according to the current situation, they would be facing the Dragon Shadow Special Forces and the Mountain Leopard Special Forces.

These two special forces were not simple.

“Alright, let’s meet again when we have time in the future.”

Huang Lei knew that Qin Yuan should be very busy. After all, the special forces had a lot of things to do.

After saying that, Qin Yuan came to the train station. After buying a ticket to the military region, he immediately rushed back to Battle wolf Base.

It was already very late when Qin Yuan returned to Battle wolf Base.

The members of the Battle wolf were already asleep, but the lights in the command room were still on.

“Old Zhou, Captain Long, you haven’t rested yet?”

Qin Yuan walked into the battle command room and saw that Zhou Qing and Long Xiaoyun were still busy.

“Captain Qin? You’re back?”

“I heard that you went to handle the case. How did it go?”

Seeing Qin Yuan walk in, Zhou Qing immediately stood up and asked.

He Chenguang reported to them about Qin Yuan going to investigate the case when he came back.

“It’s all settled.”

“Oh right, when will Wolf Fang come over?”

Qin Yuan immediately asked.

The Bureau Chief had asked him to train the Wolf Fang and Battle wolf soldiers, but he didn’t expect Fan Tianlei to send the Wolf Fang members over in two days.

Therefore, as soon as he returned, he immediately asked.

“Wolf Fang’s team members will be here tomorrow. However, there are so many people in our base. We can’t solve the problem of accommodation in such a short time.”

“Well, Captain Long and I have been busy until now. We’re thinking about how to arrange it.”

Zhou Qing immediately said.

Their Battle wolf Base’s accommodations were all treehouses. If Wolf Fang’s people came, they would need to build more treehouses.

“Arrange what?”

“Do you think they’re here as guests?”

“Don’t make any arrangements. I have a way.”

Qin Yuan immediately said after hearing Zhou Qing’s words.

Wolf Fang was here for training, and it was an intensive special training. As for the accommodation problem, there was no need to consider it. Qin Yuan planned to bring everyone to the periphery of the base for special training.

“This... Captain Qin, what do you plan to do?”

Zhou Qing asked curiously when he heard Qin Yuan say that he had a way.

“I plan to bring them out for special training in the wild. The scale of this exercise is very large, and the venue is diverse, so it won’t be here at the base.” Qin Yuan immediately explained.

This exercise was very large in terms of the number of people and the area of the exercise, so Qin Yuan felt that it would be very effective to bring everyone out for special training in the wild.

“Then why didn’t you say so earlier!”

At this moment, Miss Long, who was at the side, immediately said helplessly.

Qin Yuan had already had an idea, but he did not tell them in advance, making her and Zhou Qing rack their brains for so long.

“This...I was so busy these past two days that I forgot about it. Moreover, I didn’t expect Wolf Fang and the others to come over so quickly.”

“So I’m sorry!”

Qin Yuan smiled helplessly.

It wasn’t that he didn’t want to talk, but that the Wolf Fang team members were coming over too quickly.

Moreover, he had been dealing with Zhao Jiaquan’s case for the past two days.

Long Xiaoyun rolled her eyes at Qin Yuan and walked out of the battle room.

She had stayed up so late for nothing...

Chapter 609: Wolf Fang Is Here!

The next morning.

Qin Yuan woke up early and heard the roar of a helicopter outside the base.

“Chief of Staff Fan is really fast.”

Qin Yuan heard the roar of the helicopter and knew that Wolf Fang’s people were coming.

He didn’t expect Wolf Fang’s people to come so quickly.

“Captain Qin! Are you up yet?”

Outside Qin Yuan’s treehouse, Zhou Qing immediately ran over after Wolf Fang’s group arrived.

“Old Zhou, I can’t help but remember these explosions.” Qin Yuan said with a smile after opening the door.

“Wolf Fang’s people are all here. They’re all in the training ground.”

“Chief of Staff Fan is here too.”

Zhou Qing said with a smile as he watched Qin Yuan walk out.

“How can he not come? These are all his wolf cubs.

“Just leave it to me. He will definitely come over and give me a few instructions.”

Qin Yuan said indifferently.

The superior ordered him to train Battle wolf and Wolf Fang, and Fan Tianlei agreed without hesitation.

One had to know that Fan Tianlei had always said that he wanted to compete with Battle wolf.

However, after the Dragon Shadow Special Forces, Battle wolf's combat power was completely exposed.

After Fan Tianlei heard the news, he was instantly stunned.

Now, on the other hand, they could not wait for Qin Yuan to quickly train the members of Wolf Fang.

"Let's go. We should go over too. Otherwise, it won't be good."

Zhou Qing said with a smile.

"Alright!"

After saying that, Qin Yuan put on his military uniform and followed Zhou Qing to the training ground.

Long Xiaoyun and Gong Jian had already arrived at the training ground.

"Captain Long, I didn't expect your Battle wolf's combat strength to be so terrifying. You actually hid it from me."

Fan Tianlei said with a smile after seeing Long Xiaoyun.

In the beginning, he had been thinking about how to regain his pride.

Who knew that Battle wolf would be so powerful? Even the members of the Dragon Shadow Special Forces had fallen to Battle wolf's hands.

This Qin Yuan really knew how to hide. Otherwise, he would be in big trouble.

"Chief of Staff Fan, this training has always been managed by Captain Qin. I don't know much about it."

Long Xiaoyun explained lightly.

She was very clear about Battle wolf's combat strength, but it was impossible for him to give up all his trump cards.

If it wasn't for Dragon Shadow's sneak attack on Battle wolf Base, Battle wolf's strength wouldn't have been exposed.

"Alright, I don't know about the two of you."

"Although Qin Yuan is in charge of Battle wolf's training, you're still one of the people in charge of Battle wolf, how could you not know?"

"However, the combat strength of your Battle wolf is beyond my imagination." "I didn't expect that Battle wolf would have such strength in just two years."

"You youngsters are still the most capable. Us old guys can't keep up with the times."

Fan Tianlei sighed.

He knew Qin Yuan's training ability. Otherwise, Wolf Fang would not have fallen to Battle wolf's hands in the past.

However, what surprised him was how long it took for Battle wolf to become as strong as the Dragon Shadow Special Forces.

The Dragon Shadow Special Forces were the most powerful special forces in all the military regions.

The only ones who could stand shoulder to shoulder with them were the Mountain Leopard Special Forces.

He didn't expect Battle wolf to be on par with these two special forces.

"Chief of Staff Fan, you flatter me."

Long Xiaoyun smiled faintly.

She knew very well how difficult it was to make Fan Tianlei say such words.

"Chief of Staff Fan, why are you here personally?"

After Qin Yuan walked to the training ground, he immediately walked towards Fan Tianlei and the others.

"Yo, you're finally willing to come out. I thought I'd have to wait for a long time."

Fan Tianlei said with a smile when he saw Qin Yuan walking over.

They were a little surprised when they arrived and did not see Qin Yuan. They thought that Qin Yuan had gone to do something else.

"No, we didn't expect Chief of Staff Fan to come so soon. You even came in person."

Qin Yuan said with a faint smile. Who would have thought that Fan Tianlei would bring Wolf Fang over so early? It was only past six in the morning. "Good boy, you're indeed worthy of being Qin Yuan."

"You've trained these little fellows of Battle wolf into fierce wolves." Fan Tianlei said with a smile.

Ever since he met Qin Yuan, Qin Yuan would surprise him every time.

And each time was more shocking than the last.

"What can we do? The Chief's demands are too high. How can we not do something about it?"

Qin Yuan explained calmly.

This Battle wolf carried too many expectations of the Bureau Chief. What Qin Yuan could do was to build it.

They would create an existence that would make everyone tremble in fear.

This path might take a lot of time, but Qin Yuan knew that he could do it.

“Not bad. I’ll leave the Wolf Fang kids to you. In the future, the Southeast Military Region will have to depend on you youngsters.” “We are considered old.”

After hearing Qin Yuan’s words, Fan Tianlei sighed softly.

He knew that Qin Yuan had this ability.

When it came to training soldiers, Qin Yuan was the one who made him feel the most outstanding.

“Don’t worry, Chief of Staff Fan. As long as you’re willing, I have nothing to say.” Qin Yuan said with a smile.

This Wolf Fang was the embodiment of Fan Tianlei’s life’s work, and he had sacrificed too much for Battle wolf.

“What’s there to be reluctant about? Just train them to death. As long as they can improve their combat strength, if they can’t even withstand this little training, I’ll kick them out of the special forces.” Fan Tianlei immediately said..

Chapter 610: Wolf Fang Is Here!

He was extremely happy to be able to let Qin Yuan train the members of Wolf Fang.

This time, the joint exercise of the various military regions would depend on Qin Yuan.

After all, the Dragon Shadow Special Forces and the Mountain Leopard Special Forces were on the same side this time.

In that case, the pressure on them would be extremely great.

Furthermore, the higher-ups must have arranged this because of Battle wolf.

Fan Tianlei could feel that the generals were targeting Battle wolf in this exercise. They wanted to see if this dark horse would create another miracle.

One had to know that Battle wolf’s fame had shaken the various military regions.

Many officers wanted to see Battle wolf’s strength.

“Chief of Staff Fan, I’m relieved to hear that. Don’t worry, the Wolf Fang team won’t let you down.” Qin Yuan smiled faintly.

With the existence of the system, it was not difficult to train soldiers.

The strength of the Wolf Fang members was actually not bad. As long as they carried out targeted training, they would definitely be able to make a breakthrough.

“With you around, I can rest assured.”

“I’ll leave this fellow to you.”

“I still need to go back to the Wolf Fang headquarters to deal with some matters.”
Fan Tianlei said lightly. “Alright, leave them to us.”

Qin Yuan said softly.

After that, Fan Tianlei turned around and boarded the helicopter, returning to Wolf Fang Base.

“Captain Qin, what should we do next?” Zhou Qing asked after Fan Tianlei left.

“Arrange a good meal first. They’ll suffer later.”

Qin Yuan smiled faintly.

Next, he planned to bring the Wolf Fang and Battle wolf members out for two months of special training.

In these two months, Qin Yuan had to raise the strength of the Battle Wolf members to another level.

As for the members of Wolf Fang, they had to reach the current level of the first team.

After all, there were still many good seedlings in Wolf Fang.

As long as he had a breakthrough, he would definitely be able to reach the current level of the first team.

“Alright! I’ll go with you this time.” Zhou Qing immediately said.

“Good!”

Qin Yuan nodded.

It was good to have Zhou Qing around. At least he could help Qin Yuan with many things in his life.

“Qin Yuan, I’ll leave the training of Wolf Fang and Battle wolf to you. Next, I’ll also strengthen the training of the members of the Network Technology

Department to prepare for the upcoming military exercise.”

Long Xiaoyun walked to Qin Yuan’s side and said indifferently.

“Alright, I’ll leave the technical department to you.”

“This exercise is very important to us, and the network technology department is our special army.”

“This is very important.”

Qin Yuan said in a low voice.

Nowadays, wars were all about high-tech and the Internet. Cyber warfare was a war without smoke.

Its role was equally important.

Long Xiaoyun was an expert in network technology. With her training the network information department, Qin Yuan was very assured.

Moreover, he had already imparted all the techniques to the members of the Network Information Warfare Department. As long as these members mastered them, they would definitely be able to deal with the upcoming battle.

“I know. Don’t worry.”

Long Xiaoyun said lightly.

She knew very well how good Qin Yuan’s network skills were. During this period of time, she had learned a lot of skills from Qin Yuan.

“Good!”

“Old Zhou and I will lead the team out in a while. I’ll leave the base to you and Instructor Gong.” Qin Yuan smiled.

“Got it.”

After saying that, Long Xiaoyun walked towards the internet information room.

Zhou Qing also went to arrange the next thing.

Two hours later, the 300-odd members of the team marched towards the outskirts of Battle wolf’s base.

This time, the number of Battle wolf and Wolf Fang were all present. It could be said that the scale was very large.

Qin Yuan had long thought of how to train these team members. “Captain Qin, where do we start next?”

Zhou Qing asked immediately after they walked out of Battle wolf Base.

“Let’s do a 100-kilometer field trip first.”

“We have to reach the designated location before dark.”

Qin Yuan said indifferently.

“No way, Captain Qin?”

“A 100-kilometer field trip? Isn’t this too long?”

Zhou Qing’s expression changed when he heard Qin Yuan’s arrangements.

For the Wolf Fang and Battle wolf members, it was indeed a challenge to reach the 100km field training before nightfall.

Moreover, he had never run such a long field trip before.

“It’s too simple for them. What they want now is to break through their limits.” “Only in this way will they be able to improve a level in two months.”

“If you want to possess strength that surpasses others, how can you not suffer a little?” Qin Yuan explained calmly.

In the past, he had to carry 20 kilograms of weight, and at most, 50 kilograms.

The 100 kilometers paid special attention to their endurance, and the first thing Qin Yuan had to train was everyone's endurance.

"This... Alright!"

"I'll listen to you about the training."

Zhou Qing could only helplessly look at the Wolf Fang and Battle wolf members.

Many people were exhausted after running for 100 kilometers.

After saying that, Qin Yuan immediately gave the order to the Wolf Fang and Battle wolf members.

"Did you hear what I said just now?"

"You have to get to the designated location before dark."

Qin Yuan said to everyone.

"No way! Is Captain Qin trying to kill us?"

"Won't people die during this 100 -kilometer training?"

After hearing this news, the paratroopers were dumbfounded.

He knew that Battle wolf's training was very cruel, but he did not expect it to be so cruel. Compared to Qin Yuan, they finally decided that Fan Tianlei was better.

"Just wait for death. If we continue to mess around like this, we can only hold on. "

The medics were also shocked by the news. This was the first time he had heard of a 100-kilometer field trip.

Everyone in Lone Wolf Team B was dumbfounded.

"Alright, do you really think that Battle wolf's strength has risen to such a terrifying level in the past two years?"

"Without high-intensity training requirements, there will be no strength with high returns."

"Everyone, listen up. No matter what kind of training you do, you can't disgrace our Wolf Fang. If Battle wolf can do it, we can do it too."

"Do you understand?" Old Gao immediately said to the Wolf Fang members.

He knew Qin Yuan's strength and ability. The biggest reason why Battle wolf could have such strength was because of Qin Yuan.

Therefore, he had always been curious about Qin Yuan's training method.

However, even he did not expect Battle wolf's training to be so cruel.

The veterans of Team A were all surprised.

“Old Gao, isn't Captain Qin's training too cruel? Even us old fellows would lose a layer of skin if we run this 100-kilometer field training, let alone the members of Team B.”

Aardwolf walked to Old Gao and sighed softly.

“Don't worry, since Battle wolf is here, we have to follow Captain Qin's instructions. This exercise is very important. Not only Battle wolf, but Wolf Fang can't fall behind.”

“As a veteran special forces unit, we should continue to train and improve our strength.”

Old Gao sighed softly.

He knew that Qin Yuan must have his reasons for doing so. After all, Battle wolf's strength was there for all to see.

“Yes, sir!”

Aardwolf could only reply helplessly.

After hearing Old Gao's words, everyone could only helplessly accept this reality.

After all, Old Gao was right.

Compared to Battle wolf, Wolf Fang had been established for a long time. However, in terms of combat strength, Battle wolf's members were the scariest.

“Do you all understand?” Qin Yuan shouted again.

“Yes, sir!”

“Yes, sir!”

In an instant, everyone's answer spread throughout the entire valley.

When the Battle Wolf members heard this order, they were silent for a while. They were already used to Qin Yuan's routine.

There were only things that they could not imagine in this training. There was nothing that Qin Yuan could not do.

“The captain is really ruthless. The new recruits who just came in have to follow us for a hundred kilometers of field training. Isn't this just waiting for death

Although Lin Muze knew that Qin Yuan's training was ruthless, it was a little too ruthless for new recruits like them.

“Alright, in the eyes of the captain, he has never treated our three teams as new recruits.”

“I can only admit it.”

Lin Xiao said indifferently.

For this kind of training, there was no other way but to hang in there. Ever since they entered Battle wolf, they had all been hanging in there, and nothing had happened.

Moreover, his strength had increased quite a bit..
