

Special Troop 811

Chapter 811: Weiwei Is Injured (2)

He stared at the other party.

The other party did not seem to know Qin Yuan's identity. He cursed and shouted,

"Who are you? Don't you have eyes when you drive?"

That person shouted and walked step by step to Qin Yuan.

The other party was not tall, and his body did not look strong.

Qin Yuan secretly judged that the other party should not be one of "Xiao Yan"'s people.

"Who I am is not important. How do you plan to resolve this matter?" Qin Yuan said in a deep voice.

At this moment, Green Snake, who was the main driver, also walked out. He held his head and walked over step by step.

"Damn it, what are you talking about? It was you who didn't look where you were going! You're going against the flow!"

Green Snake shouted.

Since this was a path without a middle line, there was no standard for debate if both parties had their own opinions.

The other party was obviously very angry. He cursed and took a few steps forward. Another person who was taller than the one in front of Qin Yuan slowly walked over. Although he did not have a weapon in his hand, Qin Yuan could feel that the other party was coming menacingly.

"Your grandmother? I don't like seeing you. Do you want to fight? I'll accompany you to the end!"

As he spoke, he walked in front of Green Snake and punched him.

Who was Green Snake?

How could a domineering and mighty leader of an organization endure such humiliation? He immediately lost his temper and started fighting with the other party.

For a moment, the two of them were fighting back and forth on the bed, and the dust on the ground was blown up by them.

When Qin Yuan saw the way the two of them fought, he could immediately tell that the other party was not a good person. In the short confrontation, they were on par with the green snake. Qin Yuan raised his eyebrows slightly.

He didn't expect to meet an expert.

The other person with a smaller build was obviously not the type to fight. Instead, he hid behind his friend and cheered him on.

Qin Yuan looked at the anxious situation and was a little anxious. He also wanted to go up and help, but his rationality told him that it was a very despicable act to join the battle between the two of them.

At this time, Wei Wei woke up in the car and heard the fighting outside. She touched her head and limped over.

Qin Yuan was surprised. Did Weiwei's foot get hurt?

Qin Yuan did not care about the situation on the green snake's side and ran straight to Weiwei.

"Are you alright?"

Qin Yuan came up to hold Weiwei and asked with concern.

Weiwei looked sad. He gritted his teeth and said,

"I think I sprained my ankle."

Qin Yuan lowered his head to look at her ankle. As expected, there was a dark purple lump on it that was swollen into a big lump.

Now, things were difficult. In this desolate place, not to mention whether Wei Wei could continue with their operation, it would take a lot of time to go to the hospital for treatment.

Qin Yuan hesitated and decided to send Weiwei to the hospital first. The matter with Green Snake had to be resolved immediately.

"We'll send you to the hospital for treatment immediately." Qin Yuan said in a low voice.

"But, who is Green Snake fighting with over there?"

Weiwei looked at him anxiously.

Qin Yuan knew that he had to end this dispute immediately. Weiwei's treatment was imminent, and he could not miss the best time to treat her.

Qin Yuan made up his mind. He immediately turned around and rushed to the battlefield on the green snake's side. The two of them were still fighting on the spot, and there was no winner at all.

' Stop it. Weiwei needs to go to the hospital immediately!"

Qin Yuan shouted at the green snake.

Green Snake also heard this and was very anxious. However, he also wanted to end the battle immediately. However, he used all his strength and could not bring out the ability to end the battle instantly.

When Qin Yuan saw this, he immediately understood what she meant. He immediately went forward and shouted, "I'm sorry. There's a reason for this!"

Then, with an uppercut, he landed a heavy punch on the other party's chin. The other party immediately flipped over and fell to the ground.

"Let's go!"

Qin Yuan said loudly.

The two of them ran back to the car.

Weiwei was already sitting in the backseat with a pained expression.

Green Snake said anxiously,

"Let's go to the hospital now!"

It could be seen that he sincerely cared for his master's daughter.

Green Snake immediately turned on the map navigation system and found the nearest hospital. He immediately started the engine and the car slowly started.

Qin Yuan heaved a sigh of relief. Fortunately, the car accident just now did not cause any substantial damage to the car.

However, just a few seconds after Green Snake started the engine, there was a bang on the glass beside him, as if it had been hit by something sharp.

Qin Yuan immediately reacted. The other party had fired!

Qin Yuan looked at the battlefield in surprise. He saw that the thin man was holding an old-fashioned pistol, and sparks were coming out of the muzzle.

Qin Yuan was shocked, but he immediately made a decision. He ignored them and left this place immediately!

He shouted at the green snake.

Green Snake also had the same opinion as Qin Yuan. He did not care about the other party's weak firepower. Instead, he flew out and left the place under the surprised gazes of the two of them.

Their vehicles were provided by the logistics company, so they were bulletproof to begin with. Such intense firepower could not cause any substantial damage to them.

The nearest hospital was more than ten kilometers away from here. This time, Green Snake did not delay at all. After about half an hour of steady driving, they arrived at the nearest hospital in the county.

"We're here!"

Green Snake drove the car directly to the entrance of the hospital and said to Wei Wei who was in the car.

Qin Yuan and Green Snake supported Wei Wei, and the two of them helped her into the hospital.

Fortunately, this was a small hospital in the county town, so there were not many patients. Soon, Wei Wei's injuries were treated.

The doctor's advice was to rest and not get out of bed for a month.

Qin Yuan let out a long sigh of relief and brought Wei Wei to the hospital to settle the hospitalization procedures.

He understood that the most important thing now was to heal Weiwei. Everything else was secondary.

The main purpose of their operation this time was to ensure the safety of the father and daughter.

Weiwei sat on the bed. The joy on her face was gone, replaced by endless sadness.

“I didn’t expect that I would actually suffer such an injury. I’m so angry!”

Wei Wei was in pain.

“It’s all my fault. I didn’t drive a good car. I’m sorry.”

Green Snake, who was at the side, looked disappointed and said sadly.

“I can’t blame you completely. I have my own shortcomings. I didn’t take good defensive measures myself and was caught off guard.”

Weiwei said dejectedly.

It’s fine. Just rest here. I’ll arrange for the company to come and pick you up. Leave the rest to me. I promise that I’ll save your father.”

Qin Yuan said seriously.

“Thank you.”

Weiwei said gratefully.

Qin Yuan understood that Wei Wei’s injury was not necessarily a bad thing. Although they lost Wei Wei’s intelligence, the benefit that came with it was that they could move more flexibly. He did not know if this was a blessing or a curse.

Qin Yuan immediately called the company.

This time, he called Long Xiaoyun.

A meticulous woman like her was the best candidate to take care of Wei Wei.

Soon, Long Xiaoyun arrived.

“I’ve really wronged you!”

Looking at the thick bandages on Weiwei’s feet, Long Xiaoyun was shocked.

“You’re really a girl who gets hurt easily.”

Long Xiaoyun touched Weiwei’s hand and said tenderly.

Only then did Qin Yuan realize that the last time he came out of Lin Hai’s research institute, it was also Wei Wei who was injured. Now, less than a month had passed, and she was injured again. What a tiring life. “I’ll leave Weiwei to you. Take care of all her daily affairs. Is that okay?”

Qin Yuan looked at Long Xiaoyun and said.

“Of course, I’ll definitely dote on such a pitiful girl.”

Long Xiaoyun said confidently.

Qin Yuan nodded at her and Weiwei and walked out of the room with the green snake..

Chapter 812: Restaurant Encounter

“Only the two of us are left.”

Qin Yuan said to the green snake with a smile.

“That’s right. It’s such a pity for Weiwei.” Green Snake sighed.

“We should sort out our thoughts and set off.” “Yes, we’re getting closer and closer to our destination.” “By the way, who were those people from before?”

Green Snake asked curiously.

When he said this, Qin Yuan thought of that matter again and could not help but feel a little resentful.

These people seemed to be deliberately looking for trouble, but they didn’t seem to be ” Xiao Yan’s ” people.

However, if they weren’t ‘Xiao Yan’s people, then who were they?

After thinking about it, he could not think of anything. Qin Yuan could only stop thinking and walk outside to get some fresh air.

Now that he was in the hospital, he was in a good mood. He was used to staying in the wilderness before. Now that he was in a different environment, he felt much more relaxed than before.

Qin Yuan enjoyed the birds and flowers outside alone for a while. Time passed quickly, and it was already afternoon.

After taking a walk outside the Green Snake Road, Long Xiaoyun was taking care of Weiwei in the hospital.

It was a rare opportunity for him to relax and relax in the vicinity despite his busy schedule.

Qin Yuan strolled around for a while and found that the scenery here was unique. It was completely different from his previous city. It could even be said to be more beautiful than his own city.

Wandering in such a beautiful scenery, Qin Yuan suddenly forgot the time. When he came back to his senses, it was already past seven o’clock in the evening.

“Aiya! He had gone overboard! I still have to have dinner with them tonight!”

Qin Yuan patted his forehead and cried out involuntarily.

She rushed back to the hospital.

Green Snake and Long Xiaoyun were already impatient.

“What happened? What did he do? We agreed to have dinner at 6:30. Why are you only here now?”

Green Snake frowned and said unhappily.

“I’m sorry, I’m sorry. I was distracted by the scenery outside.” Qin Yuan touched his head and said embarrassedly.

“Let’s go quickly. If we’re late, there won’t be any seats left.”

Green Snake said angrily.

“I won’t go. Wei Wei’s leg is injured, so I can’t go. I have to stay with her.”

Long Xiaoyun said.

“Alright, I’ll have to trouble you then. Wait for me.”

Qin Yuan looked at Long Xiaoyun gratefully and said.

Then, Qin Yuan and Green Snake walked out of the hospital’s door and walked to the car. After getting into the car, they wandered around the county to find a suitable place to eat.

Soon, they found a relatively good restaurant.

After entering, the two of them found a seat by the window, ordered a few farm dishes, and began to eat leisurely.

Compared to the days they had been out in the open, the delicious food here clearly made them feel more comfortable.

Just like that, the two of them drank to their hearts’ content in the restaurant. The surroundings were also bustling with noise and excitement.

Suddenly, just as they were drinking to their heart’s content, a noisy voice came from the side.

“What kind of shop is this? No hygiene awareness at all? Look at how dirty this place is!”

A rough voice sounded.

“I’m sorry, customer. It’s our fault. We’ll give you full compensation. I’m sorry!” The waiter’s aggrieved voice came through.

When Qin Yuan heard this, he knew that there must be a conflict between the customer and the shop owner, so he did not pay too much attention to it. He had seen many such situations outside. It was better to avoid trouble. He did not have the time to care about it. He would let the police handle such civil disputes.

The green snake also looked over and immediately exclaimed.

“It’s the two people from this morning!”

Hearing this, Qin Yuan was also shocked. He could not sit still anymore and turned his head to look.

Sure enough, it was the two people who had the car accident this morning who were having a fierce argument with the waiter.

As a result, the two of them could no longer continue drinking and having fun. Green Snake was the first to walk forward.

“You guys again!”

Green Snake came up to him and shouted.

When the two of them saw Qin Yuan and the green snake, they were both surprised.

“Why are you guys here again!”

“Enemies really meet on a narrow road!”

The two of them did not stop cursing at all.

” What’s going on? Why are you making so much noise in such an occasion?” Qin Yuan asked the waiter.

“Ah, it’s like this. This customer found an unknown oil stain in the wine and dishes. We went to check it. It was our kitchen’s mistake. We apologized to him, but he refused and asked us to compensate them with a huge sum of money.”

The waiter said aggrievedly.

“The others have already apologized to you. You’re simply unreasonable! You’re such a bully!”

“What, you haven’t been beaten enough today, and you want to do it again?” Green Snake did not care about his feelings at all as he cursed.

When the two of them saw Qin Yuan and the other man, they were a little frightened. After all, they had been suppressed by the other party in the morning. If they started fighting now, they probably wouldn’t have any advantage.

They had originally planned to extort this small restaurant, but Qin Yuan, a person who appeared out of nowhere, disrupted their plans.

They saw that their faces were bruised and purple, and their expressions were very ugly.

“Big brother, why...What should we do?”

The thin man stammered as he asked the burly man beside him.

“Damn it, we haven’t even settled the score with them for this morning’s battle!

I didn’t expect to come knocking on my door here!”

Chapter 813: Restaurant Encounter (2)

The big guy cursed.

“I just can’t accept it. Tonight, we must let them bleed a little! Taste the pain!”

As he spoke, he rolled up his sleeves and walked fiercely towards Qin Yuan with the help of the alcohol.

“Whoa? Why was he so confident? Loser! Today, I’ll let you know what true strength is!”

Green snake also clamored and walked forward quickly, looking into the eyes of the other party.

“Aiya, guests! Don’t fight here! You must maintain order and courtesy in public areas!”

The waiter and the boss who rushed over were stunned by the scene in front of them. How could the honest people of the county have seen such a fiery scene? The two of them begged them not to fight here.

However, Green snake and the big guy were obviously anxious. They did not listen to everyone’s advice and directly began to approach each other. A battle was about to break out.

At this critical moment, a black figure strode in front of the two of them and swung his thick arm forward, separating the two of them.

It was Qin Yuan!

“Give me some face. Don’t fight here. If there’s any conflict, you can settle it privately. Don’t implicate the innocent people here.”

Qin Yuan said coldly.

Both of them felt his unique and soul-stirring cold aura at the same time.

It was as if they would immediately receive endless punishment if they dared to say anything.

The two of them remained silent and looked at Qin Yuan in a daze, unable to say a word.

Then, Qin Yuansheng dragged the two of them outside the restaurant.

When they arrived at the empty space outside, after Qin Yuan’s interference just now, the two of them lost a lot of interest in fighting.

However, Green snake immediately came back to its senses and let out a low roar.

“Come on! Today, I’ll make you admit defeat!”

Green Snake knew that he had fought to a draw with the other party in the morning. Later on, it was Qin Yuan who had made a move and won. However, this time, he had eaten and drunk his fill. He was very confident in his physical strength.

If he couldn’t fight, he would exhaust the other party until he had no strength left!

Coincidentally, this big guy also thought the same!

This son of a b * tch with a snake tattoo on his hand fought me to a draw this morning. I definitely won’t be at a disadvantage tonight!

The two of them rubbed their fists and began to test each other.

In just a short while, the surroundings were filled with onlookers.

Everyone was here to watch the show. Everyone was excited about this battle.

Soon, cheers spread through the streets and alleys, and more and more people came to watch the show.

Green Snake and the big guy had already started fighting.

The two of them came and went, constantly sparring on the spot. The scene was very lively.

It was like two wild beasts fighting each other, attracting the attention of the people around them.

Qin Yuan took a look and confirmed that the two of them could not determine the winner in a short time.

This time, he had no time to care about them.

He remembered to bring dinner back for Vivian and the others. Because of Green snake, he had delayed it for more than ten minutes. If they didn't go back soon, they would be hungry.

"Boss, give me two servings of celery beef."

Qin Yuan walked into the shop again and said to the person behind the counter.

"Alright."

A few minutes later, Qin Yuan left with a fresh lunch box and returned to the hospital.

Anyway, Green Snake was not someone who needed to be disciplined. He had his own ideas. Moreover, the two of them were fighting in public. In front of everyone, the other party would not play any tricks, let alone use a gun.

At most, it would be injured or something. Fighting was a common occurrence for Green snake.

After he settled Wei Wei and the others down, he would come back to pick up Green Snake.

Qin Yuan returned to the hospital and went straight to Weiwei's ward. When the two of them saw Qin Yuan return, they said softly,

"You seem to be late!"

"Did something happen? Where's Green Snake?"

"He met an old enemy and is fighting with someone over there."

Qin Yuan said casually. "What is it? Did you meet an old enemy?"

Vivian was surprised.

"That's right. Actually, you can say that they're new enemies. They're the two people I met this morning." Qin Yuan replied.

Vivian was surprised.

"We met again? What a coincidence!"

Qin Yuan's eyes revealed a trace of doubt. After Wei Wei said this, he felt that there was a different meaning.

Could it really be such a coincidence?

The few people who had just separated this morning met again in a small county town dozens of kilometers away. Was there really such a coincidence in the world?

Qin Yuan's eyes suddenly revealed deep doubt.

"Go and see what's going on!"

"After all, he's your partner. You have to take good care of him! I don't think this matter is that simple!"

Vivian said worriedly.

"Yeah, I'll take care of Weiwei here. I also have a gun to protect myself. You can go over there to pick up Green Snake."

Long Xiaoyun echoed.

Qin Yuan nodded and immediately left the hospital. He got into the car and returned the way he came, speeding towards the restaurant.

It took him a few minutes to reach the entrance of the alley. He saw that the crowd was still very crowded. However, Qin Yuan could feel that the current atmosphere was a little different from when he went back.

Qin Yuan hurriedly squeezed through the crowd and quickly entered.

When he arrived at the innermost part, the scene in front of him shocked Qin

Yuan.

Green Snake had already finished fighting with that person, but both of them had fallen to the ground. No matter how the people beside them called and patted them, they were completely unconscious.

Qin Yuan rushed to the front and asked anxiously to the people beside him, "What's going on?"

"After a fight, both of them seemed to have hit each other's vitals and lost consciousness!"

Qin Yuan frowned and looked at Green snake's body. Sure enough, there was a big bruise on the side of his forehead. Was he concussed?

He looked at the big guy on the other side. There was also a goose egg-sized lump between his eyebrows. It was obviously the work of Green snake.

Both of them had lost consciousness, but their lives should not be in danger.

Qin Yuan was shocked. He could not believe his eyes. He did not expect Green Snake, a cadre of the famous "Daybreak" organization, to be knocked unconscious by such a nameless person!

Qin Yuan quickly carried him on his back and walked out, preparing to carry him into the car and send him to the hospital.

At this moment, the person beside him called out to him. Qin Yuan heard this voice and found it very familiar. He turned his head and saw that it was the other party's partner, the thinner man.

Qin Yuan knew that this person was also a person who bullied the weak and feared the strong.

"Can you send him to the hospital too? I don't have a car, please help me!" This person said to Qin Yuan in a sincere tone.

Qin Yuan thought to himself. It was difficult to tell right from wrong in their accident. Other than the other party shooting at him, he did not have any resentment towards this person. Moreover, the two of them had volunteered to fight, and there was no difference in strength. As the saying goes, heroes cherish each other. Qin Yuan did not want to see this person lying here and slowly losing his life.

Saving a life was better than building a seven-storied pagoda.

"Alright, move him to my car." Qin Yuan said indifferently.

"Okay, thank you so much!"

A few minutes later, the two of them moved the two unconscious people into Qin Yuan's car. Qin Yuan started the engine and rushed to the hospital.

In the car, Qin Yuan thought that he could take this opportunity to express some of the doubts in his heart and see if the other party could give him a satisfactory answer.

"Who are you? Why are you here?"

"We're two partners of the same mercenary group. As for why we're here, I don't want to tell you." the skinny man said.

"Oh? I think it's very strange. Forget about the car crash on the road today, but it happened in the county town more than ten kilometers away at night. It's hard not to think that there's something fishy going on."

Qin Yuan said seriously..

Chapter 814: An Unexpected Combination

"It's not strange that you think so. It's just that due to my position, I can't tell you the truth. I hope you understand."

The thin man said seriously.

A wave of doubt arose in Qin Yuan's heart. Logically speaking, there was nothing worth hiding about the purpose of his trip. However, he deliberately hid his purpose from Qin Yuan, which made people feel even more suspicious.

“Is what you want to do so mysterious? I’m even more interested in you hiding it like this.”

Qin Yuan raised his eyebrows and muttered.

“What are you talking about? It’s just our private matter. It’s not convenient to talk about it!”

This person was obviously a little anxious, and his attitude became very impatient.

“Don’t be anxious. I’m just curious. I don’t mean to force you to tell me.” Qin Yuan said softly.

He didn’t expect that his goading method would have some effect on the other party, but he still didn’t get the information he wanted.

“In short, I kept this matter a secret out of consideration for the overall situation. It’s for the good of everyone. You’re such a reasonable person. You must understand, right?”

The other party said with a firm tone.

“Alright, then I won’t ask anymore. However, can you tell us our names? Let’s just treat it as making friends.”

Qin Yuan asked.

“My name is Qiuming, and my partner is Qiuyang.” the man said.

“What about you?”

“My name is Qin Yuan.” Qin Yuan replied truthfully.

“Qin Yuan?”

Hearing this name, the other party’s voice obviously raised a few degrees, and a surprised expression appeared on his face.

“You’re the captain of the logistics company, Qin Yuan?”

“That’s right.”

Qin Yuan replied softly.

“Damn it! I was wondering why my big brother actually met his match! So you’re from the logistics company!”

Qin Yuan smiled.

” The people from the logistics company aren’t immortals. You’re the ones who think too highly of us.”

“But this is also a kind of fate! I didn’t expect to see you in such a place!”

“Speaking of which, we also admire your troops!”

Qiuming said excitedly.

I heard that you guys have been fighting an organization called Daybreak recently. Is that true?”
“Yes.”

Qin Yuan replied simply.

“Why didn’t you tell me your identity earlier? This time, we are also going to find the headquarters of this organization!”

Qiuming said something that surprised Qin Yuan.

He didn’t expect to meet someone with similar interests.

This was an extremely rare opportunity! “What grudge do you have with Xiao Yan?”

“There’s a big conflict!”

Our families have all lost their lives because of this organization!”

A hint of loneliness appeared in Qiuming’s eyes.

Qin Yuan immediately understood and knew that he had asked something he should not have asked. He immediately apologized,”

“I’m sorry.”

“It’s okay. This isn’t your problem in the first place.”

“However, according to common sense, this isn’t the direct route to the organization. You should be heading directly to their headquarters. Why are you here?”

Qin Yuan voiced out the doubts in his heart.

“Sigh, you might not believe me, but we were also impulsive. We were beaten up by you this morning, so we wanted to follow you and take revenge.”

“Sigh, we were too short-sighted and ignorant!” Qiuming lowered his head in embarrassment.

see.”

Qin Yuan nodded thoughtfully.

Then all these coincidences seemed to make sense. Their second encounter was indeed not a coincidence, but a deliberate arrangement by the other party. “Then we can be considered fated! I didn’t expect you to be like-minded. Who knows, we might have the opportunity to act together in the future!”

Qiuming chuckled.

“Let’s go to the hospital first. The situation now is not very wonderful. Both of them are unconscious. We don’t know how long it will take for them to wake up.”

Ten minutes later, the two of them returned to the hospital.

He went straight to the Emergency Department to register.

The doctors and nurses quickly pulled the two of them into the emergency room for emergency treatment.

After a tense rescue, the doctor walked out of the room with a head full of sweat.

“How is it? Doctor?”

Qiuming asked solemnly.

” Their condition is not very good, but they have passed the critical period. We suggest that they stay in the hospital to recuperate.” the doctor said calmly. “How long do you need to rest?”

Qin Yuan asked.

“Due to the severe shock to the brain, the nerves are damaged. It will take at least half a month.” the doctor said seriously. Qin Yuan and Qiuming fell silent.

Half a month!

This was far from his plan!

If he had to wait for half a month!

Forget about besieging Xiaoyan and rescuing Old Mister Yang! The daylily was about to turn cold!

Qin Yuan felt a wave of sadness in his heart. He asked carefully,

“Can’t you be discharged earlier?”

“No, unless you want to play with their lives.” the doctor replied seriously.

“Alright then.”

The two of them walked out of the ward.

“Looks like our plan is basically going to fail.”

Qiuming smiled bitterly.

Qin Yuan did not say anything. He also sighed secretly to express his tacit agreement.

“I’m going to see my friend.”

Qin Yuan said goodbye to Qiuming and went to Vivian’s ward.

When they arrived at the ward, the two of them were still chatting intimately. Seeing that Qin Yuan had arrived, he immediately asked with concern,

“How is it? Did you bring Green Snake back?”

“I brought it back.”

Qin Yuan’s tone was heavy.

“Where is he?”

Long Xiaoyun asked curiously.

“In the ward.”

“What?”

He’s injured. He’s still recuperating in the hospital..”

Chapter 815: An Unexpected Combination (2)

Upon hearing this, the two of them could not help but be shocked.

“Are you injured? Is it serious?”

Vivian asked in surprise.

“It’s alright. She’s fine. She just needs some time to rest.”

Qin Yuan said.

“How long will it take?”

“The doctor said it would take half a month.”

Qin Yuan said solemnly.

“Ah, it’s good that you’re fine. It’s good that you’re fine.” Vivian sighed.

Suddenly, she seemed to have thought of something.

He suddenly said,

“Then won’t our plan have to be put on hold again? You’re the only healthy person left now. You can’t wait for him here for half a month!”

Qin Yuan also felt very helpless, but there was nothing he could do.

“There’s no other way. My current thinking is that if he can’t recover in a short period of time, I’ll have to go into the tiger’s den alone.”

‘ Ah, that’s too risky. Moreover, Green Snake is more familiar with the route there than you.”

“Yeah, it’s really too unsafe to be alone!”

Long Xiaoyun also echoed.

How could Qin Yuan not know how difficult this matter was? However, in the face of such difficulties, he had no other choice. He could only walk down this path until the end.

“There’s no other way. I can’t just sit here and wait for death. After all, with every second that passes, the other party might have a higher chance of knowing our whereabouts. After all, we’ve already fought in close combat before.”

Qin Yuan said coldly.

The two of them understood Qin Yuan’s thoughts and did not say anything.

The room fell into a cold silence.

“Let’s go back and have a good rest today. Everyone is tired.” Long Xiaoyun suggested.

“If there’s anything, we’ll discuss it tomorrow. It’s getting late.”

Qin Yuan looked at the time. It was already past ten o’clock at night. He could indeed go back to the hotel to wash up and sleep. He could go back and continue to think of a way to deal with this matter.

“Okay, then I’ll go back first. I’ll have to trouble you to continue looking after Vivian.”

Qin Yuan stood up and prepared to go back.

“Yes, don’t worry.”

Qin Yuan walked out of the room. Qiuming had been waiting outside for a long time.

Qin Yuan was shocked by Qiuming’s sudden appearance.

“Why are you here?” “Good news!”

Qiuming shouted.

He seemed to have been waiting for Qin Yuan here for a long time, but he did not enter the room to disturb them.

“What news?”

Qin Yuan asked.

“Both of them are awake!”

“You’re awake?”

Qin Yuan was surprised.

Before he came to visit Vivian, both of them were unconscious.

The doctor’s answer was that he could not be sure when he would wake up.

He didn’t expect to wake up so soon.

“Hurry up and take a look!”

As he spoke, Qin Yuan quickly walked towards the consultation room.

When he arrived at their ward, Qin Yuan went straight in.

The green snake woke up and was reading the newspaper and television.

The other person, Qiu Yang, was the same. They ate fruits and chatted from time to time.

Seeing Qin Yuan enter, the green snake smiled and immediately waved to greet him.

“You’re awake!”

Qin Yuan came to the green snake and sat down.

“Hey, have I been lying down for a long time?”

“I only remember that we exchanged a punch just now. Neither of us dodged or blocked it. I was hit in the head by him. My eyes went black and I fainted just like that.”

Green Snake raised his eyebrows.

“That’s right! You’ve been lying down for at least half a day!”

“You guys are really something. The two of you made us not worry at all!”

Qiuming said with a faint smile. “He is?”

Green Snake asked curiously.

“His name is Qiuming. The person you fought with just now is called Qiuyang. They’re partners and a mercenary group with the same goal as us.”

Qin Yuan explained.

” I have a rough understanding of that. I talked to him when he woke up just now.”

Green Snake looked at Qiuyang on the bed opposite him.

The other party gave him a confident smile.

“How do you feel?”

Qin Yuan asked with concern.

“It’s alright. I don’t feel uncomfortable. I should be able to be discharged soon, right?”

As the green snake spoke, it tried to move its limbs in front of Qin Yuan. Everything was very natural and smooth.

When Qin Yuan saw this scene, he felt very relieved. He felt that the green snake in front of him did not look like a critically ill patient who needed to recuperate for half a month.

At this moment, the door opened and the doctor who diagnosed them just now came in.

“You’re all awake?” the doctor said in surprise.

Looking at the two people on the bed who were in high spirits, his face revealed an incredulous expression.

“This is a miracle! I didn’t expect the two of you to be so strong!”

The doctor sighed.

“I was too conservative!”

The doctor walked in front of them and sat down.

“With their current condition, I estimate that they will be discharged in five days.” the doctor said happily.

“Really?”

Qin Yuan also revealed a happy expression.

” That’s right. Although their physical fitness is outstanding and they woke up early, they were still seriously injured. Therefore, such injuries will take a few days to recover at the earliest. This is the bottom line.” the doctor said seriously. “Alright, I’ll do it. Thank you, Doctor!”

Qin Yuan replied in satisfaction.

“Next, take your medicine and rest on time. Don’t overwork yourself.” the doctor reminded Green Snake and Qiuyang.

“Yes!”

The two answered in unison.

The doctor nodded and walked out of the room. “The two of you are amazing!”

Qin Yuan patted Green Snake’s shoulder and praised.

‘ Cough, I’ve suffered many injuries in the past. It’s just that this time, I met an opponent of similar strength!’ Green Snake said with a smile. “Oh? Who is he?”

Qin Yuan was a little curious.

He had learned from Qiuming that the other party was a mercenary, but he didn’t know the exact name. “He’s from the Hippo Mercenary Group.”

Green Snake said slowly.

“The Hippo Mercenary Group?”

Qin Yuan had never heard of this name.

“What organization is this?” Qin Yuan asked.

“You haven’t heard of it?”

The green snake was a little surprised, but then it suddenly came to its senses.

“It’s no wonder. You’re a righteous person. It’s normal that you’ve never heard of such an organization.”

“The Hippo Mercenary Group is an underground organization. They are all retired soldiers or soldiers who have retired for some reason.”

“And everyone has to go through a strict test. Only after passing the test can they enter this organization.”

“So everyone here is full of combat strength.” Green Snake said seriously.

“I see. No wonder you and he could fight so hard.” Qin Yuan said thoughtfully.

However, Qin Yuan then looked at Qiuming. “What did this person say?”

Qin Yuan looked at Qiuming with a strange gaze.

Qiuming seemed to understand what Qin Yuan meant. For a moment, he didn’t know what to say, and his expression was very awkward.

He smiled awkwardly and said,

“I-I’m a person who relies on intelligence...”

After saying that, he continued to laugh awkwardly.

Green snake and Qin yuan frowned and looked at mm suspiciously.

“According to my understanding, it is impossible to enter this organization without a foundation in martial arts.” Green Snake said with certainty.

“He’s not an official member.”

Qiuyang spoke up.

Green Snake looked at Qiuming with a half-smile.

“He’s my younger brother. I was the one who introduced him to the organization, so he didn’t pass the test.”

Qiu Yang explained.

Qin Yuan and Green Snake immediately understood.

It was no wonder Qiuming kept calling him Big Brother Qiuyang. The two of them were really brothers. It was no wonder that their cooperation was so exquisite. This was also a manifestation of the tacit understanding between brothers and an advantage.

“Since everyone is here, let’s plan our next move.”

Qiuyang narrowed her eyes, sat down, and said seriously.

There was no one else in this ward, so Qin Yuan chose to say what they were thinking in common here. Rest for five days and then set off together?”

Qiuming was the first to speak.

” This plan is possible, but it’s only a general arrangement. We need a more detailed action plan.”

Qin Yuan said..

Chapter 816: Prepare to Set Off

“Of course, this is just a suggestion. I still have to discuss the specific matters with all of you.”

Qiuming added.

“What do you think?”

Qin Yuan turned to look at the green snake.

“Of course, this method is feasible. However, I personally think that we don’t have to act together. It’s better for us to split up.”

Green Snake voiced out his thoughts.

“Why?”

Qiuyang frowned and looked at the green snake, asking in confusion.

He and Green Snake could be considered heroes who cherished each other. He himself really wanted to work closely with Green Snake.

“Haven’t we never worked together before? Isn’t this a great opportunity?” Qiuming asked in confusion.

“You guys haven’t understood the situation of Daybreak’s base camp, right?”

Green Snake asked indifferently.

Qiuming and Qiuyang shook their heads at the same time.

“That’s not strange.”

“Let me explain the situation to you. Why do I recommend splitting into two teams to carry out the operation?” Green Snake said slowly.

“He used to be one of the four great officers in the organization, so he has the most say in such matters.”

Qin Yuan also agreed.

‘ First of all, according to common sense, the more people there are, the stronger their combat power will be. However, the chances of being exposed will also be higher. This is just one of the reasons.”

‘ Also, there’s a more special reason. We actually have another purpose, which is to steal their secret research formula. I want to ask you to help me with this matter. That’s why we decided to split up.”

Green Snake said calmly.

Finally, I'll tell you a secret of an organization. The more people you have, the happier they will be. To them, you're just some appetizers."

"You guys haven't really seen what terror is."

Green Snake said with a serious expression.

Although she had never seen the true horror he described, she could tell from his tone and expression that this sentence was a complaint from the bottom of his heart.

"I, understand..."

Qiu Yang and the person in front sighed.

"This matter was originally discussed by you and us. The outcome was discussed by everyone. We have no objections."

The two of them said.

"Then, it's settled. You guys go find their secret drug base, and we'll find out where Old Mr. Yang is hiding."

Qin Yuan said.

No problem. We don't have any specific purpose anyway. We're just here for revenge. It's a good thing for us to get your help!" The two of them immediately nodded in agreement.

"Alright, let's end our discussion here today. It's getting late."

Qin Yuan looked at the time. Unknowingly, it was already 12 o'clock in the evening. The surroundings were already silent. There was no sound nearby, only the whispers of the few of them in this ward.

"Alright, I'll stay here to accompany Qiuyang. Captain Qin, go back and rest well. Leave this to me."

Qiuming looked at Qin Yuan seriously.

Qin Yuan looked into the other party's eyes, nodded, and walked out of the room.

By the time they returned to the hotel, it was already half past midnight.

"Cough, what a tiring and colorful day."

Qin Yuan sat on the sofa, not wanting to move at all.

Then, she fell asleep.

The next day, at seven in the morning, Qin Yuan woke up on time.

After finishing her morning work, she immediately went out to buy breakfast and ran straight to the hospital.

This way, he could take advantage of the breakfast delivery this morning to give himself a chance to run and exercise.

It was more than five kilometers from his hotel to the hospital. According to Qin Yuan's normal speed, he could arrive in about an hour. This was his habit of exercising, so he did not feel any fatigue.

At about 8:30 pm, Qin Yuan successfully arrived at the hospital and entered Vivian's ward.

"Yo, good morning!"

Vivian also got up and Long Xiaoyun washed her clothes for her.

"Morning."

"I brought you breakfast."

Qin Yuan said as he placed the packaged breakfast on Vivian's table.

"Oh! It's my favorite chaos!" Vivian was delighted.

"Eat it while it's hot!"

Qin Yuan said with a smile.

"Yes!"

Vivian immediately picked up the chopsticks and spoon and started eating.

"Long Xiaoyun, I bought one for you too!"

Qin Yuan shouted at Long Xiaoyun, who was working on the balcony.

"Hey! I know! I'll be right there!" Long Xiaoyun answered loudly.

"I'll send another one to Green Snake!" Qin Yuan said to Vivian with a smile.

"Good!"

Qin Yuan left the room and went to Green Snake's emergency ward.

However, the result was beyond his expectations. Qiuming had already bought meat buns from outside and the three of them were already enjoying them.

"Yo, you guys are already eating."

Qin Yuan walked in with a smile and said.

Oh, it's Captain Qin. I just bought some buns outside. Do you want to try them?"

Qiuming smiled at Qin Yuan and pointed at the buns on the table.

Qin Yuan shook his head. "No, I've already eaten. I even specially packed it for you. I didn't expect you to eat so early."

"Sigh, my brother has this habit. He wakes up at 7 a.m. sharp and eats breakfast at 8 a.m. sharp, so I have to get up early to buy it for him.."

Chapter 817: Prepare to Set Off (2)

Qiuming said with a smile.

Qin Yuan nodded knowingly. It seemed that Qiuyang was also a very self-disciplined person like him. No wonder his physical fitness was on par with Green Snake's and he recovered from his serious injuries very quickly.

"I still have Chaos here. Do you guys want to eat?" Qin Yuan then looked at Green Snake and Qiuyang.

"Give me one!"

The two of them answered in unison.

Qin Yuan raised his eyebrows and handed the breakfast to the two of them with a smile.

"A patient in a state of recovery has a different appetite." Qin Yuan teased with a smile. "That's right. I can eat an entire cow in one meal!"

The green snake shouted as it ate.

"I can eat a whale!"

Qiuyang, who was at the side, did not show any weakness and started arguing with him.

"Hahaha! The two of you are really funny! At this point, they still wanted to fight! I'm dying of laughter!"

"What are you laughing at? You don't know how rare it is to meet an opponent of such strength!"

Green Snake glared at him.

Qiuming fell silent.

Alright, alright. I know that you're all recovering quickly, but things have to be done step by step. You can't reach the top in one step. You'll be discharged in four days. Just hang in there."

Qin Yuan comforted her.

Only then did the two of them quieten down and eat breakfast.

Then, in order to solve their problems, Qin Yuan brought chess for the two of them to play with.

Seeing that they were having fun, Qin Yuan went back with relief.

In the afternoon, Qin Yuan went to the open space outside the hospital for a walk. The patients were all taken care of, so he did not have to worry too much.

At night, Qin Yuan had dinner, watched the news for a while, and then read a book for a while before falling asleep.

An ordinary day of recovery passed just like that.

Four days passed, and it was time for Green Snake and Qiuyang to be discharged.

Today, Qin Yuan and Qiuming came to the hospital early in the morning to visit them.

Green Snake and Qiuyang had been able to walk around two days ago. When he came to take a look today, he saw the two of them exercising in the garden in the middle of the hospital!

“Whoa? Why are you in such good spirits?”

Qin Yuan walked over and asked with a smile.

“Of course. Today is the day I’m discharged from the hospital. I definitely have to make some preparations.”

The green snake was playing with the parallel bars as it replied to Qin Yuan.

Qin Yuan looked at Qiu Yang, who was also jogging on the treadmill. Sweat slowly flowed down his cheeks. It could be seen that he was very serious. ‘ Not bad, two brave warriors. Both of you have exceeded my expectations.’

“That’s right. We’re all people who have been through many battles. Otherwise, we wouldn’t be standing here to meet you.”

“How is it? Have you decided on the route? When do you plan to leave?”

Qiuming came up to Qin Yuan and asked.

“I’ve already confirmed it before I came here.”

“If it weren’t for your mistake, we would have long returned victorious.” Green Snake looked at Qiuming and teased him with disdain.

“Aiya, there’s always a reason for everything. Man’s plan is not as good as God’s. We didn’t know that it would lead to such an ending.”

“However, I’ve finally accomplished my big goal. Can we leave in the afternoon?” Qin Yuan asked.

“Of course, I can’t wait!”

Qiu Yang replied loudly.

“Okay, you guys go prepare the car. I’ll go say goodbye to Vivian and the others.”

After saying that, Qin Yuan walked into the hospital.

Green Snake asked,”

“Is your car ready?”

The two of them instantly came to a realization. If Green Snake had not said so, they would have really forgotten about this!

Previously, their car was not as lucky as Qin Yuan’s. How could an ordinary jeep withstand such a huge impact? It had long been sent back to the factory for repair.

Now, they still had to rent a car!

” Ah, this. We still need to rent one from the county.”

Qiuming rubbed his nose in embarrassment.

“Okay, you guys go ahead. You guys settle this yourself. After all, our car is borrowed. We can’t help you much.”

Green Snake said.

“I’m going to visit Vivian too. Let’s meet here at 3 PM.”

“Alright.”

Green Snake said goodbye to the two of them and walked into the hospital.

He walked into Vivian’s ward.

Vivian, Long Xiaoyun, and Qin Yuan were all inside. He Chenguang and Geng Hu were also here.

“Yo, you’re all here.”

Green Snake walked in with a smile.

“Green Snake, you’re here.”

Qin Yuan said.

” I called my brothers here to arrange for their shifts here. After all, it’s too hard for Xiaoyun to take care of them alone.” Qin Yuan said.

“That’s right. Look, Xiaoyun has lost weight.”

He Chenguang also looked at Long Xiaoyun and said.

Of course not. Our motto is to serve the patients.” Long Xiaoyun didn’t have any complaints.

“You are indeed a good comrade of our logistics company!”

Qin Yuan gave her a thumbs up.

“Sister Long Xiaoyun, without your help, I wouldn’t be who I am today! My injuries are healing much faster than before!”

Vivian said seriously.

“I don’t feel any pain in my ankle anymore. I feel like I can almost walk.” “Long Xiaoyun, you should have a good rest. It’s been hard on you these days.”

Geng Hu and I will take turns to take care of Vivian. Thank you for your hard work.”

He Chenguang walked forward and said to Long Xiaoyun.

Long Xiaoyun nodded and looked at Vivian.

‘ Sister Xiaoyun, although I can’t bear to part with you, I know that you need more rest than I do.”

"If this continues, you won't be able to hold on either. So, let's meet again when you've recovered!"

Vivian said in understanding.

Hearing this, Long Xiaoyun couldn't help but shed tears of gratitude. She waved goodbye to Vivian and walked out.

"Long Xiaoyun told you everything you need to pay attention to, right?" Qin Yuan asked He Chenguang.

"I told you, we're all very clear about it. Don't worry, if Vivian loses a single strand of hair, I'll be the one asking when you come back."

He Chenguang teased.

"Yes, although we are men, we are also attentive people. We are not the first to take care of others. Don't worry!"

"Alright, I'm relieved to hear that. We'll set off then. Keep in touch."

With that, Qin Yuan and the green snake bid farewell to them and walked out of the room.

When they came outside, Qin Yuan said,

"Vivian's situation has stabilized. How's Qiuming?"

"They went to look for a car. We crashed the one last time." Green Snake said truthfully.

Qin Yuan stuck out his tongue and did not comment.

After all, they were partly responsible for this matter.

The two of them could only wait for Qiuming in the garden.

After waiting for a full two hours, she saw the two brothers driving an old pickup truck over.

Green Snake couldn't help but laugh when he saw the car.

"Where did you get the car? Why does it look so shabby!"

"Sigh! Stop talking! Where could he get a good car in such a small town? It's already not bad to be able to rent it!"

The Qiu brothers got out of the car and said helplessly.

"Haha! It's okay. We'll drive slowly and forgive you!" Green Snake continued with a smile.

"Give me the route of our operation this time!" Qiuming said.

"Hmm? Don't you know how to get there?"

Qin Yuan asked curiously.

As soon as this question was asked, the Qiu brothers were like two children who had done something wrong. They looked at each other and then lowered their heads slightly and said in a soft voice.

” Well, it’s like this. We thought we found the enemy’s base, but later, we realized that it was a trap deliberately set by the enemy, so we returned empty-handed.”

Qin Yuan raised his eyebrows.

Daybreak ” was indeed very good at hiding. Therefore, they had set up countless traps. It was normal for people who were not particularly careful to fall for their tricks.

“Alright, wait a moment. I’ll send you the location on my phone.”

Qin Yuan said..

Chapter 818: Officially Set Off!

As he spoke, Qin Yuan came to his car, took out his navigation device, and looked for a detailed map.

After a while, he found it and called Qiuming over.

“This is the place.”

Qin Yuan pointed at a specific location on the display screen in the car.

“Just take a picture with your phone.”

“Okay, thank you!”

As he spoke, Qiuming took out his phone and took a photo of the location Qin Yuan gave him.

” This way, our plan is basically confirmed.”

“Let’s get ready and set off.”

Qiuming said seriously.

“Okay, I’ll also pack my luggage. Let’s meet here in an hour.”

Qin Yuan said to the two of them.

“Good! See you later!”

“We’re finally setting off! I can’t wait!”

Green Snake said impatiently from the driver’s seat.

“It’s only been a few days, and you’re already so anxious?” Qin Yuan said unhappily.

“Have you forgotten about the wall we ran into before?”

“Aiya, failure is the mother of success! We have to experience setbacks in order to learn from them and grow! I believe that we can successfully infiltrate the organization this time!”

Green Snake said confidently.

“That’s what you said. You’ll definitely be the first one to screw up!” Qin Yuan joked.

“Don’t talk nonsense. I’m a green snake. I won’t do such a stupid thing!”

“Haha! You’re pretty fast when the time comes! Who was the one who was beaten up by me before?”

Qin Yuan laughed out loud!

“That was just an accident! I underestimated the enemy! If you don’t believe me, why don’t you try fighting me now?”

“You’re just recovering from a serious illness. I won’t take advantage of you.

Hahaha!”

The two of them had nothing to do in the car and started teasing each other.

It was nothing much to begin with. It was just the leisure time in the afternoon. They had actually packed their things in the morning.

He was just waiting for the Qiu brothers to arrive to kill time.

Soon, an hour had passed, but there was still no sign of the two of them.

“What’s going on with these two? It’s already half-past three!” Madam Qiu rubbed her forehead and said impatiently.

“Did something happen?”

Qin Yuan muttered.

Logically speaking, they did not look like sloppy people. Qin Yuan could feel their previous interactions, although they were a little impatient. However, it was not to the extent that he could not even do such a simple thing well.

“Let’s make a call and see.”

Green Snake said.

“I wanted to, but I didn’t leave their numbers!”

Qin Yuan touched his forehead and smiled bitterly.

“Ah, then what should we do? We don’t know where they are either.”

Green Snake was also very helpless.

“Let’s wait a little longer. Maybe I really left something behind and went back to get it. ”

The two of them waited for another half an hour. It was four o’clock in the afternoon.

The garden was still as quiet as paper. As long as Qin Yuan’s car was parked quietly at the side, there was no other movement.

“This is really strange. Let’s go and look in their direction! ”

“Anyway, I’m free now! We can’t go if we can’t find them, right?” Green Snake could not sit still anymore and suggested.

” Yes, go. The most important thing now is to find them as soon as possible.” Qin Yuan nodded in agreement.

However, just as they were about to set off, they heard the sound of a car starting in the distance.

It was still the familiar pickup truck. The Qiu brothers were chatting in the car and happily greeted Qin Yuan and Green Snake.

“Hey! Captain Qin! Captain Green Snake! We’re here!”

As the two of them spoke, the car arrived in front of them. The two of them got out of the car and greeted them.

“What’s wrong with you guys? Look at the time. If you’re late by a minute, I’ll deduct a bottle of water from you!”

Green Snake got out of the car and scolded the two of them.

“No, no, no. I’m sorry, big brothers. We had an accident.”

Qiuming muttered. “Accident? What accident?” “Uh... This...”

Qiuming glanced at his brother.

He saw that the other party also had an uncomfortable expression on his face.

He also looked embarrassed to speak. “What exactly happened?”

Qin Yuan could not help but ask.

“There’s no time to be coy here. If you don’t want to tell me, it’s fine. We can talk on the way. However, your impression of me will be deducted.”

“No... No, it’s actually a very ordinary accident...”

Tank Qiuyang said in one breath,”

Green Snake, our car broke down in the middle.”

After a while, Qiuyang slowly told the truth.

“Broke down? This was a newly rented car. It’s only been half a day, and there’s already a problem?”

Green Snake frowned.

“We have no choice. We didn’t want to, but this car is really unreliable.” The two of them sighed.

Qin Yuan felt very uncomfortable. If there were really so many problems with their car, then it was obvious that they could not continue with the next step of the operation.

Not to mention going to Daybreak’s lair with them, even driving two laps in the city would be useless. “What should we do?”

Qiuming looked sad.

“Our car hasn’t been repaired either. We’re really in a dilemma now.”

“Do you know how long it will take?”

“Half a month.”

Qiu Yang answered directly.

The scene fell into silence again.

“Do you want to take our car?”

Chapter 819: Officially Set Off!(2)

Green Snake suggested.

It was not that Qin Yuan had never thought of this method, but although they needed to go to the same place, the two groups had to carry out different missions. Therefore, they did not know how and when they would come out later. Therefore, if the two groups came out at different times, then it was very likely that they would not be able to get into their own cars and go back together.

Qin Yuan voiced out the doubt in his heart. “Is that so?”

Qiuming and Qiuyang fell into deep thought.

“However, it seems that Gao Lu can’t go so far now. If we go with you, we might not be able to come back. However, if we don’t go, we won’t even be qualified to come back.”

Qiuming said after some serious consideration.

“Are you sure? Besides, this will conflict with our previous plan. However, there’s no time to make a new plan now. This might affect some of the decisions in the future.”

Qin Yuan frowned.

After all, this was considered a team operation, and it just so happened that the other party liked to capture them all in one fell swoop.

” Well, this is the only way. In order to achieve our goal, we have no other choice!”

The two brothers answered seriously.

“Alright, time doesn’t allow us to hesitate. Get in the car.” Green Snake said to them.

At this moment, Qin Yuan suddenly thought of an idea!

“Let’s go back to the hospital.”

Qin Yuan said indifferently.

“Why are you going back to the hospital? Didn’t you say that we don’t have enough time and have to leave?”

Green Snake asked curiously.

However, before he could ask, Qin Yuan had already gotten out of the car and walked towards the hospital without looking back.

The few of them were very puzzled, but they could only get out of the car and follow Qin Yuan to the hospital.

After catching up, Qin Yuan slowly said,

‘ We’ve all overlooked one thing, and that’s He Chenguang and the others!’

“What happened to He Chenguang and the others?”

The impatient green snake asked curiously.

After more than ten seconds, Qiuming was the first to come to his senses. He slapped his forehead and said happily,

“That’s right! We’ve forgotten about them!”

The green snake seemed to have reacted as well.

“Ah, right! Even the logistics team had driven over! We can borrow his car!

Why didn’t we think of that! Only Captain Qin Yuan thought of it!”

“As expected of you, Qin Yuan!”

Green Snake patted Qin Yuan’s shoulder and smiled.

“It’s just that you’re not good at using your brains. This is a very basic habit of thinking.”

Qin Yuan said with a smile.

A few minutes later, they arrived at Vivian’s ward. He Chenguang and the others were a little confused when they saw them return.

“Captain He, there’s something I want to discuss with you.”

Qin Yuan knew that there was not much time left, so he went straight to the point.

“Hey, why are you guys back? What’s the matter?” He Chenguang asked curiously.

“I want to borrow another military vehicle from you.”

Qin Yuan said.

“You want another one? Isn’t one car for the four of you enough?”

He Chenguang was puzzled.

Because the plan this time is to split up into two groups, we need two cars.” Qin Yuan said seriously.

Of course, you can. You just need to give the order. You’re the boss of the logistics department.”

He Chenguang listened. He couldn’t help but laugh.

“But we only drove one car over. We’ll just ask them to send another one over when we go back.”

“Alright, I’ll have to trouble you then. I hope you understand that this is the most important thing.”

Qin Yuan nodded at him.

“Yes, I know. I wish you all the best.”

As he spoke, he gave the key to Qin Yuan.

“The car is in the garden downstairs.”

Qin Yuan nodded and thanked He Chenguang and the others again before leaving the room.

When they arrived at the parking lot downstairs, they saw the green military vehicle of the logistics company.

“Captain Qin Yuan is really capable. He solved the problem of the car in an instant! This car had been modified! How beautiful! It looked very sturdy! I love it!

Next time our car is fixed, we’ll definitely take you to a fun place!” Qiuming teased.

“Let’s forget about the future. Let’s focus on the current problem.”

Qin Yuan said as he handed the key to Qiuming.

” I have the car and the route. I hope you won’t let me down and complete the mission.”

Qin Yuan looked at the two of them and said meaningfully.

“Don’t worry! Captain Qin, even if we have to go through a mountain of blades and a sea of flames, we will do our best to complete the mission and give you the best reward!”

The two brothers said confidently.

“Okay, you guys go first. We’ll follow behind you to prevent any accidents.”

Qin Yuan said.

The Qiu brothers got into the car and the car started slowly.

The two cars were like two shooting stars as they sped forward.

“Hu! It’s so comfortable!”

The Qiuming brothers shouted as they enjoyed the ride.

“This is much more comfortable than our own car! Whether it’s in terms of speed or seat cushion!”

“That’s right. With this car, I want to spend much less time to reach my destination!”

Qiu Yang couldn’t help but praise.

Qiuming took out his phone again to check his route.

“Well, it looks like we have to pass through C City. According to the map given by Captain Qin Yuan, the location of Daybreak is in a basement on the outskirts of D City.”

“At this speed, how long will it take?”

Qiuming asked.

“About a day.”

Qiu Yang, who was driving, replied.

Qiuming looked at his watch. It was past five in the afternoon.

“So if we travel through the night, we can arrive by tomorrow afternoon?”

“It’s hard to say because if it enters the night, the speed will generally decrease, so the actual time of arrival may be a little later.”

Qiuyang analyzed.

At this moment, Qiuming’s phone rang. It was Qin Yuan, who had just exchanged numbers with him.

“Qiuming, rest here tonight. We’ll continue driving tomorrow morning to avoid fatigue.”

Qin Yuan said directly.

“Alright, I understand.”

Back at Qin Yuan’s side, they were driving about ten kilometers behind Qiuming’s car. Although they couldn’t see the other party’s car, they could use their phones to contact each other, which was very worry-free.

If there's anything, you can contact me immediately.

"This time, we feel that it's much smoother than before. At the very least, after walking for about a hundred li, the journey is smooth and unobstructed. There is no longer the rainy weather like before."

Green Snake said.

"Well, isn't this good? Do you want something bad to disturb you and prevent you from going home?"

Qin Yuan smiled and joked about the green snake.

"What home? Don't joke with me. My heart doesn't belong there anymore!" Green Snake said in a righteous manner.

"I know, I know. You only went there to save the old master, but the journey is so long. You have to find some fun."

Qin Yuan smiled without any doubt.

Now, using the green snake to adjust the atmosphere was already a familiar skill for him.

"Don't be so happy yet. There's still a journey of less than 400 miles. We usually don't reach it by foot. It's still too early to be happy." The green snake did not buy it.

Qin Yuan curled his lips and did not say anything else.

He decided to lie down and rest.

His mind began to plan how to move when he got there.

After all, it was an accident that he lost a capable and excellent brain like Vivian, and the task on his shoulders became heavier.

"The weather doesn't look right."

At that moment, Green snake suddenly said gloomily.

Qin Yuan frowned and opened his eyes.

Sure enough, in the few minutes he closed his eyes, the sky outside slowly began to be covered with dark clouds, and the sky quickly darkened.

"What should we do? It looks like a heavy rain."

Green Snake suggested.

"Hmm, look around. It's best if you can find a sturdy abandoned house or something. This rain is completely different from the previous ones. Our car can't stay in the rain for a long time." Qin Yuan said seriously..

Chapter 820: The Qiu Brothers Lost Contact

Green Snake immediately looked around, This was a vast field, and he did not see any tall buildings that could shelter him from the rain.

“It seems that things are not going as smoothly as we thought.”

The green snake turned its head and said to Qin Yuan with a bitter smile.

Seeing that the weather was getting worse and worse, they had to take action immediately. Otherwise, they would encounter unprecedented difficulties. “There’s no other way. Let’s hide under that big tree over there!” Qin Yuan observed his surroundings and said to a big tree not far away.

“Good! This is the only way!”

The green snake nodded at Qin Yuan and drove over.

This was a large banyan tree, and it looked like it was about ten meters tall. It occupied an area of more than ten square meters and seemed to have a long history. It was a very conspicuous existence in the nearby forest.

“Phew, this is an old tree.”

The two of them came to the bottom and parked the car. The car was completely hidden under the tree.

Although it could not completely block the rain, the leaves of this tree could help them block the impact of the rain to a great extent.

After parking the car, before Green Snake could finish speaking, it began to rain heavily.

The surroundings were filled with pouring rain. Accompanied by the rumbling sound, the smell of fresh dust instantly assailed the nose.

“Hu! It had been a long time since it rained so heavily! This is so comfortable!”

Green Snake sighed. “Yes, our plan is going to change again.”

Qin Yuan said calmly.

“That’s right. The rain won’t stop for a while. Looks like we might have to spend the night here.”

Green Snake muttered.

Qin Yuan also looked at the time. It was already past seven o’clock in the evening.

If Green Snake was the one, there was a high chance that he wouldn’t be able to escape.

By the time the rain stopped, it was already midnight. Staying here for the night was the best choice.

“This kind of thing can’t be rushed. Let’s just wait here quietly. We can also take the opportunity to recuperate. Maybe we can work overtime tonight.”

As Qin Yuan spoke, he lay flat on the bed and covered his face to rest.

“Yes, sure. I can take this time to rest. I’ve been driving for a day too. I’m exhausted.”

Green Snake said as he locked the car door and turned off the lights. He also gradually fell asleep in exhaustion.

Time had passed. When they woke up, it was already night time.

Qin Yuan rubbed his eyes and yawned. He stretched lazily and slowly stood up to look at his surroundings.

The rain had stopped, and the surroundings were dark and quiet. However, there was a hint of something that made Qin Yuan feel that something was wrong.

“Green Snake, wake up.”

Qin Yuan patted the green snake beside him and shouted softly.

“Meimei, Meimei, play a little longer!”

The green snake reacted a little when it was patted by Qin Yuan, but it said something that Qin Yuan could not understand.

“What?”

“What did you say?”

Qin Yuan raised his eyebrows and could not help but laugh.

“Hey, Green Snake!”

Qin Yuan patted his companion again, but he was still in a sweet dream and was not disturbed by Qin Yuan at all.

“This kid is really in a deep sleep!”

Qin Yuan smiled. Immediately, he had the thought of not disturbing the other party’s beautiful dream.

Since it was night time, he should give her enough time to rest. It was his duty not to disturb her.

Qin Yuan took out his phone again and opened it. It was past two o’clock in the morning. No wonder Green Snake was sleeping so soundly. Qin Yuan typed a message and sent it to Qiuming.

The general meaning was to ask about the other party’s current situation and where they were.

He did not expect the other party to reply to him so quickly.

It seemed like the two of them were night owls.

“Captain Qin Yuan, we’re still about 400 kilometers away from D City. We’re hiding from the rain in a small farmhouse in the suburbs nearby. How are you guys?”

Qin Yuan replied,

It looks like we’re about ten kilometers behind you. We’re hiding under a banyan tree. The rain has stopped, but the ground is slippery. It’s late at night. For safety reasons, we’ll set off tomorrow morning. You guys have to pay attention to the situation around you.”

‘ Alright, I’m hanging up now. See you later. Good night!’

Qin Yuan closed the information box and returned to his seat.

She didn’t know why she was woken up. According to normal circumstances, she should have slept until dawn. Just as she was thinking about it, a rumbling sound came from her lower abdomen.

He was hungry.

Qin Yuan took out the dry food he carried with him and started eating. Thinking of the beautiful scenery outside, Qin Yuan became interested again.

He took the food, opened the car door, and went out for a walk to enjoy the beautiful night view.

“So beautiful! The night sky after the rain is full of stars. It’s a vast scene!”

Qin Yuan walked alone under the starry grassland and sat beside the car in a daze. For a moment, he forgot the time. He did not even realize when the green snake had come down to his side.

“Yo, why are you here?”

Green Snake also walked over and sat beside Qin Yuan with a smile.

At this moment, the starry sky was dark and exquisite, like an incomparably perfect painting.

“Hey, Green Snake, when did you wake up?”

“Just now, when I saw you disappear, I thought something had happened. I didn’t expect to be here alone to enjoy the scenery..”
