

Special Troop 841

Chapter 841: Encounter in the Dungeon (2)

In the distance, a yellow light flashed.

This was a completely different light from the white light from before.

The white light before was warm and gentle, but this yellow halo was very dazzling and gorgeous.

It was even difficult for people to open their eyes and look straight at it.

” Did you find the exit?!”

Green Snake said in surprise.

“It’s possible, but we can’t let our guard down. Don’t forget that Dong Zhejun knows about our existence.”

Qin Yuan replied in a low voice.

“I’ll go over and investigate first. When the time comes, if the situation is fine, you can follow me. If the situation is not right, you can run.”

“Do you understand?”

Green Snake knew that this was Qin Yuan’s decision. It could not change his mind with words, so it did not say anything else and nodded in agreement.

Then, Qin Yuan tidied up his items and equipment and slowly walked towards the light in front of him.

When he was only a few meters away, Qin Yuan could clearly feel that the white light in front of him was gradually weakening, and it was replaced by a black shadow.

“What is this?”

Qin Yuan muttered in his heart.

After Qin Yuan entered the cave, he felt that his entire body was instantly surrounded by the original endless darkness. There were also waves of ferocious laughter coming from the surroundings.

“Hahaha! This guy actually walked right into the trap!”

“It’s really easy to find it!”

“Boss, let’s just take him down? This person deserves to die!”

As the domineering voices around them slowly sounded, some dim yellow lights gradually lit up around them.

As the lights lit up, Qin Yuan finally saw the appearance of this place clearly.

There were cages surrounded by iron fences, and the ground was dirty and smelly, covered in mud stains.

The wild laughter around him still entered Qin Yuan's eardrums.

Qin Yuan was shocked. This place looked like an underground prison!

He didn't expect this passage to lead to such a place!

This Dong Zhejun was really an old fox!

He had really walked into a trap!

Footsteps came from behind. Qin Yuan turned around and saw that Green Snake had followed him.

"Didn't I tell you to act according to the situation outside? Why didn't you listen to me and come here yourself?"

Qin Yuan was shocked and angry.

"Aiya, I really can't take it anymore! You know my temper. How can I keep my cool at a time like this? You haven't come back for so long!"

"If anything happens to you, then what's the point of me living here!"

Green Snake said angrily.

"You idiot! Of course there's a point in you being in the dark! If I can't go back! You can be their last hope and go back to inform them! Sigh!

You fool!"

Qin Yuan sighed.

Now, the two of them were like fish in someone else's mouth, turtles in a jar!

If they fell into Dong Zhejun's hands, they would definitely die. At the very least, their chances of survival would be slim!

"Hahaha! I didn't expect you two idiots to really dare to chase after me!"

A familiar laughter came from afar. Needless to say, this was Dong Zhejun's voice.

As Dong Zhejun's voice rang out, the lights on the other side gradually lit up.

The figure in the distance gradually became clearer.

Dong Zhejun was still wearing his red silk clothes. His panicked look had long disappeared.

What replaced it was a look of calmness and contempt.

"I gave you a chance."

Dong Zhejun walked in front of Qin Yuan and narrowed his eyes as he looked at him.

"You think you've succeeded? Hahahaha!"

Dong Zhejun's arrogant laughter spread throughout the entire dungeon.

“I was just acting just now.”

As he spoke, he tilted his neck, revealing the part that had been hit by Qin Yuan’s hypnotic needle.

There was only a small needle mark on the spot, and the rest was exactly the same as usual.

In other words, Dong Zhejun was not affected by the hypnotic needle at all!

“How is that possible?”

Qin Yuan’s lips twitched, and he only said this one sentence. He did not dare to act rashly because he had already observed that there were many soldiers with guns around him. As long as he dared to act rashly, he would definitely be attacked by a storm.

Green Snake also saw Dong Zhejun’s arrival and said with a solemn expression,”

” Dong Zhejun, you’re a treacherous villain. You don’t even dare to face us head-on. What kind of hero are you?!”

When Dong Zhejun heard this, he did not show any displeasure on his face. Instead, he continued to smile at Green Snake and said,

“A traitor still dares to bargain with me?”

“Forsaking righteousness for profit is the most appropriate way to describe you.”

Dong Zhejun said with contempt.

“Humph! Don’t think that you’re so noble. I know all the dirty things you’ve done in secret!”

Green Snake retorted angrily.

“Hahaha! Everything I do is for the sake of the future of this organization, unlike you, who gave up on righteousness for your own selfish desires!”

Dong Zhejun said righteously.

” Anyway, you’re going to become corpses soon. I’ll tell you my secret.”

” I’m a person who has been nourished by special drugs. All the drugs with negative effects are completely ineffective against me.”

“In other words, I have an invincible body! Hahaha!”

Dong Zhejun laughed even more arrogantly.

” I gave you a chance last time. I didn’t expect you to disappoint me again.”

“Alright, since you guys like to seek death, then I’ll fulfill your wish, you bunch of hopeless fools!”

As he spoke, Dong Zhejun’s tone carried a fierce and contemptuous aura.

“Brothers, I’ll leave the rest to you! What should he do here? Do I need to say more?”

As Dong Zhejun spoke, he placed his hands behind his back and slowly walked out of the venue.

“Good! Let’s cut these two pieces of trash into pieces!”

The soldiers at the scene had already been patient for a long time and shouted loudly and cheerfully.

At this moment, it was too late to say.

The scene instantly exploded into a thick gray smoke!

” What’s going on?!”

The soldiers of Daybreak shouted in panic.

“I don’t know. Cough, cough, cough!”

Some of the soldiers began to cough violently.

“It’s a smoke grenade! It seems to have some chemical effects!”

“Yes! It looks like tear gas!”

The Daybreak soldiers at the scene instantly fell into chaos.

Immediately, several soldiers fell to the ground and rolled back and forth, wailing in pain.

Qin Yuan and Green Snake had already put on the gas masks that they had prepared.

“Captain Qin Yuan, this move of yours is really useful!”

Green Snake said in a deep voice through the gas mask.

“It’s all Xiaoxiao’s credit.”

As Qin Yuan spoke, he did not stop. Instead, he looked in Dong Zhejun’s direction and immediately chased after him.

He had already planned it out when he came in. Xiao Xiao had prepared these powerful tear-gas grenades for him to use in times of crisis. They would be able to escape this disaster, but he had to succeed in his next operation and capture Dong Zhejun. Otherwise, they wouldn’t have many trump cards left.

Through the gas mask’s x-ray mirror, Qin Yuan saw Dong Zhejun’s escaping figure. He immediately took three steps and jumped up, rushing over quickly.

Dong Zhejun clearly felt that Qin Yuan was chasing after him. His footsteps were very agile and his speed was very fast. Before he was infected by the poison gas, he rushed out of the dungeon.

“You go after Dong Zhejun. I’ll stay here and deal with all the people before coming to find you!”

Green Snake said loudly to Qin Yuan from behind.

Qin Yuan knew that his priority now was to arrest Dong Zhejun. He understood Green Snake’s intention very well. This was a very obvious division of labor. Therefore, he did not hesitate at all and continued to chase after Dong Zhejun.

In the small prison, a series of gunshots rang out.

Chapter 842: Confrontation with Dong Zhejun

Qin Yuan followed Dong Zhejun's footsteps and chased after him with all his might.

What was surprising was that the passage that connected the dungeon was very winding. In the complicated road, Qin Yuan could only rely on Dong Zhejun's footsteps to chase after him. He could not see his figure.

As Qin Yuan chased after Dong Zhejun in front of him, he took out his self-defense item from his pocket, a mini pistol.

Xiaoxiao had specially made it for him.

It could cause high damage from a long distance.

Just in case, Qin Yuan even wore a special bulletproof vest. This bulletproof vest could not only withstand ordinary bullets, but it could also defend against grenades and bombs.

Although they hadn't met the other party yet, once they started fighting, they wouldn't have time to switch.

The footsteps in front of him were getting closer and closer. Qin Yuan felt that he was already very close to Dong Zhejun.

Qin Yuan did not feel tired at all as he shuttled back and forth through the passages in front of him. Instead, he was getting closer and closer to Dong Zhejun.

Obviously, in terms of physical strength, Dong Zhejun was not Qin Yuan's match. After turning a corner, Qin Yuan could already see Dong Zhejun's back.

Qin Yuan was overjoyed. He took advantage of the victory and chased after her. He took large strides and increased his speed.

Dong Zhejun, who was in front, also clearly felt that he was unable to do anything. Although he knew Qin Yuan's position behind him, he also knew how terrifying Qin Yuan's speed was. He was also very surprised.

"I didn't expect your willpower to be so strong!"

Dong Zhejun, who was in front of them, pretended to be calm and shouted.

"It's because of an evil person like you that I have to pursue this matter to the end!"

Qin Yuan shouted righteously.

"Since you're so persistent, then I'll give you a chance!"

As he spoke, Dong Zhejun, who was in front of him, stopped and turned his head, looking at Qin Yuan lightly.

Qin Yuan knew that the other party must have come with ill intentions, so he did not act rashly. Instead, he stopped and stared at the other party.

” Come here. We can be considered the representatives of the two sides with the highest combat power in this war. Let’s decide the victor here today. This victory will determine the fate of both sides!”

“This is the final battle!”

Dong Zhejun shouted with an imposing manner.

Qin Yuan looked ahead. Dong Zhejun’s position was already outside the passageway. It was like a white field outside. It was very large and one could not see the end from the inside. There seemed to be staircase-like levels around them, and there seemed to be many soldiers of the Daybreak Organization sitting on them.

Qin Yuan was surprised, but he still followed Dong Zhejun outside.

When he walked outside, he was completely stunned by the scene in front of him!

This was actually a circular arena!

The people around them were the soldiers of the Daybreak Organization who were waving flags and cheering for them!

Dong Zhejun was standing in the middle of the field. He had changed into a black plainclothes and was looking at him with a sinister smile.

” Come on, I’ll give you a chance to defeat me. Haven’t you been waiting for this day for a long time?”

Dong Zhejun still had a very cold expression on his face.

“How is it? Not speaking? Weren’t you very arrogant before?”

Qin Yuan slowly took off his backpack and put down the weapon in his hand.

Then, he took off his heavy coat, revealing a green vest and a body of strong muscles.

Qin Yuan glared ahead with a proud and determined expression.

He knew that this was the final battle. He had no way out. Everyone was looking forward to this final battle. Success or failure depended on this one move. There was no room for error.

Opposite him, Dong Zhejun also stood in position, barehanded, waiting for his challenge.

“Yo, he seems to be ready. There’s going to be a good show!”

“Looking at his bear face, he’s definitely not a match for Governor Dong Zhe. Let’s just wait to collect his corpse! Hahaha!”

” Don’t say that. He’s also the captain of the logistics company. We can’t underestimate him. We suffered a loss because of him previously. We also lost a lot of combat strength!”

The audience outside were discussing animatedly.

“You still have guts. I didn’t misjudge you.”

Dong Zhejun said with a smile.

“You caused me so much trouble previously. Today, we have to settle this score properly.”

“Don’t you think so? Captain Qin Yuan.”

Dong Zhejun looked at Qin Yuan with a faint smile.

“Hmph, you and I are already irreconcilable opposites. Let all our grudges end today.”

Qin Yuan said sternly.

“Hahaha, look at what he said. He actually wanted to duel Governor Dong? He had never heard of the Governor, right? Hahaha!”

” The Governor has never lost in a duel. Look at his muscles. He’s a combination of speed and strength. Who else is as strong as him?”

The onlookers were mercilessly mocking Qin Yuan.

“Come, I’ll let you know what true terror is!”

As he spoke, Dong Zhejun made a hand gesture to Qin Yuan, indicating for him to attack him.

Qin Yuan was about to adjust his state and prepare to attack when a thought suddenly flashed through his mind.

Right, where was Green Snake who said he was covering the rear?

He had to confirm his condition before he could fight Dong Zhejun with peace of mind!

He was secretly guessing the whereabouts of Green Snake.

Chapter 843: Confrontation with Dong Zhejun (2)

She had previously agreed to meet him here, but it had been so long since then, and she still hadn’t seen him. Something must have happened.

However, for the time being, Qin Yuan could not reveal his thoughts in front of everyone. He could only secretly pray that Green Snake would not be captured by the organization.

After waiting for a while, he still did not see Green Snake. Qin Yuan knew that something must have happened, but his face still did not show any expression.

Dong Zhejun looked at Qin Yuan and saw that he had no intention of taking the initiative to attack. He shouted,

“I gave you another chance just now to fight first. If you want to give up, don’t blame me.”

As he said that, he flew out with a sinister smile and pounced towards Qin Yuan.

Qin Yuan immediately came back to his senses and saw a swift figure appear in front of him.

Qin Yuan's eyes narrowed, and his figure flashed, dodging Dong Zhejun's first attack.

"Aiyo, your skills aren't bad."

Dong Zhejun's smile became even more unrestrained.

"Then how about this?!"

As he spoke, Dong Zhejun leaped up again. Two iron gloves appeared on his fists.

The sharp-eyed Qin Yuan also clearly saw this detail. He frowned and put on a defensive stance.

Qin Yuan knew that this was not an ordinary weapon. In Dong Zhejun's hands, he was a god of war that could not be defeated by ten thousand people.

Qin Yuan knew very well that he could not underestimate the enemy.

Dong Zhejun pounced on Qin Yuan like a hungry wolf, and a wild whirlwind was even set off behind him.

"The Governor has used his best move!"

"Iron Hoop Fist! His signature skill has defeated countless experts with this move. This time, he definitely won't miss!"

The soldiers in the stands began to shout excitedly.

The truth was just as they had said. Dong Zhejun's fist momentum was like a fierce tide, pouncing crazily towards Qin Yuan.

The two of them instantly collided like sparks.

They also raised a cloud of smoke on the ground.

For a moment, the people in the distance could not see the situation clearly.

He only knew that the two of them were already fighting crazily.

"What happened? I can't see clearly!"

"I don't know! This was the first time he had seen the governor fight so intensely with someone else! In the past, it was always a one-hit victory!"

"Wait and see! They were fighting too fiercely! We can't tell the result for a while!"

In the middle of the field, the smoke slowly dispersed. The audience was surprised to see that the two of them were still fighting in the same place after such a long time.

There were traces of blood on Dong Zhejun and Qin Yuan's hands. Their faces and bodies were covered in a thick layer of ash from the smoke and dust that had just been stirred up, making them look dirty and miserable.

The two of them had long lost their calm demeanor before the fight.

"What's going on?"

"This is the first time the governor has been entangled with the enemy for so long!"

“And there’s no winner yet!”

“This Qin Yuan is really something!”

The soldiers in the audience began to have a new impression of Qin Yuan.

This kid was actually so good at fighting!

This was the first time they had seen someone other than Daybreak with such high combat standards.

“You’re a character. I didn’t expect this. You’re the first person who can fight with me until now.”

“You’ve awakened my desire to fight.”

“This is going to be interesting!”

Dong Zhejun’s smile became even more unrestrained.

The iron fist in his hand had also been damaged in the battle just now. It had become dilapidated and had lost its original effect.

Qin Yuan’s condition was not much better. His body was also full of traces left behind by the battle. His clothes were damaged in many places and were stained with blood.

Some parts of his face were also injured, and he panted heavily.

It seemed that the two of them were evenly matched in the hand-to-hand battle just now.

“The Governor’s weapon and moves! It was actually cracked by the other party just like that?”

“Interesting! Today’s fight was really too good to watch! I originally thought it would be a one-sided battle. I didn’t expect it to be a battle between the strong!”

” It’s been a long time since I’ve seen such an exciting battle. My adrenaline has been stimulated!”

The audience in the stands began to get excited without exception.

Below the stands, Dong Zhejun smiled hideously. He stretched out his hand and took out a long stick from the weapon rack at the side. He threw it to Qin Yuan and took one himself.

It meant that after the close combat earlier, there was no winner. Now, it was time to compete in staff techniques.

“You had some skills just now, but what about now?”

As he spoke, Dong Zhejun swung his long staff and pointed it at the other party with a disdainful expression on his face.

Although the battle had ended in a draw, Dong Zhejun had used boxing gloves. There was a difference in the basic conditions of both sides. To put it bluntly, Qin Yuan had already gained a certain advantage in terms of strength in this competition!

Dong Zhejun only pretended to be happy. He understood this very well.

In the next clash of cold weapons, he must display all his strength and eliminate this intruder in one fell swoop to show his military might.

Putting down his thoughts, Dong Zhejun swung his staff at Qin Yuan.

Qin Yuan's movements were also very skilled. He raised the long rod in his hand and blocked the attack.

With a loud clang, the two wooden sticks collided violently, creating intense sparks.

Dong Zhejun was shocked. He hadn't expected that his opponent wouldn't dodge his full-powered attack, but rather, forcefully block it.

The most important thing was that Qin Yuan did not take a step back. His expression was calm, and there was no sign of strain on his face. He gave off a very relaxed feeling.

"What's wrong? Is that all you have?"

This time, it was Qin Yuan's turn to mock the other party.

"The leader of Daybreak is nothing more than this."

Qin Yuan used Dong Zhejun's expression to look at him, his eyes filled with endless mockery.

Dong Zhejun's expression was also ugly. His face, which was full of confidence just now, now revealed waves of unconcealable fear.

"You think it's over? It's still early!"

Dong Zhejun's eyes revealed a hint of ferocity.

The staff in his hand was waving even more rapidly.

However, as the saying goes, in a panic, one would definitely be at a loss.

The more Dong Zhejun wanted to kill Qin Yuan, the more he gave himself away.

Even the audience outside the venue could see the clues.

"Why is Boss 'expression not right? He was sweating! What was he thinking! He wasn't like this in the past!"

"That's right, isn't he panicking like this? This is a low-level mistake!"

"If this continues, he will lose! This doesn't seem like our boss!"

The people in the audience were all worried about Dong Zhejun, and the discussions on the stage grew louder and louder.

Some people even stood up and shouted at Dong Zhejun, telling him to calm down and fight properly.

However, how could Dong Zhejun, who was currently enraged, be in the mood to listen to these words?

Dong Zhejun, who had almost lost his mind, had veins popping out on his body. Although the rod in his hand was getting fiercer and fiercer, it was also becoming more and more disorderly.

Qin Yuan, who was in front of him, had long seen his fatigue. He just wanted to play with him for a while longer.

He had practiced rod techniques in the past and was already familiar with them. Competing with Qin Yuan in rod techniques was equivalent to courting death.

Qin Yuan decided not to play the game of cat and mouse with Dong Zhejun anymore. He narrowed his eyes and raised his rod. After deftly dodging Dong Zhejun's attack, he swung his rod and heavily hit the back of Dong Zhejun's hand.

The latter immediately let out a miserable cry and immediately let go of the war rod in his hand, covering the back of his hand in pain.

He shouted and took a few steps back, his eyes filled with panic.

He had never encountered such a powerful opponent.

"You lost."

Qin Yuan sneered.

Chapter 844: Victory

Dong Zhejun looked at the other party with an incredulous expression. He half-knelt on the ground and broke out in cold sweat.

He didn't know how to describe this person in front of him.

As far as he knew, he had been on the battlefield for decades, but he had never met someone who could defeat him in such a crushing manner.

He could not hide the fear in his eyes.

"How is that possible? I've never failed before, but I actually lost to you today!"

Dong Zhejun only said this after a long time.

However, just as he said this, the situation changed. Dong Zhejun immediately stood up and ran to the weapons rack behind him, pulling out a rifle.

He turned around and was about to shoot at Qin Yuan.

Qin Yuan had expected this moment when he turned around and was already prepared.

He calmly dodged to the side of the weapon rack to avoid Dong Zhejun's attack.

Then, a few intense gunshots were heard.

"Bang bang!"

Sparks flew in all directions, and smoke rose around Qin Yuan. Immediately, the scene began to become a little chaotic.

Dong Zhejun saw that he had already suppressed Qin Yuan, and he was very proud of himself. Then, he took out an M4 rifle from the weapon rack at the side. He held it with both hands and continued to shoot wildly in Qin Yuan's direction.

"You think you won? Don't you know whose territory this is?"

Dong Zhejun laughed maniacally.

"You're still too inexperienced to fight me! Today, I will make you die without a complete corpse!"

"Hahaha! Everyone knows that angering Governor Dong Zhejun will not end well. This Qin Yuan is no exception. Today is his death anniversary!"

The soldiers on the stands saw Qin Yuan being suppressed in the corner and sneered proudly.

Under Dong Zhejun's powerful firepower, no one at the scene could see Qin Yuan's exact location.

After bombarding for more than a minute, Dong Zhejun slowly stopped the weapon in his hand.

The smoke and dust on the other side had already spread to the surroundings. Nothing could be seen within a few meters of the venue.

"I think this person has already disappeared. No one can withstand such a fierce attack from the Governor."

Dong Zhejun sneered as he walked towards the heavily damaged arena.

The smoke also slowly dissipated. The weapon rack on the opposite side had long been beaten beyond recognition. It was dilapidated, leaving only a pile of rotten wooden shelves.

However, Dong Zhejun looked around again and again, but he could not find Qin Yuan.

As the saying goes, if you're alive, you have to see the person. If you're dead, you have to see the corpse. How could such a big person disappear into thin air?

Dong Zhejun secretly felt uneasy.

The duck that was originally in his hands had actually disappeared without a trace!

"Where is he? Disappeared on the spot?"

The people in the stands were also very surprised.

"Impossible! Is the other party a human or a ghost?"

"I'm here! Hahahaha!"

At this moment, Qin Yuan's voice came over lightly. It was impossible to tell where the voice came from. They only knew that this voice resounded in every corner of the entire venue.

The panic in Dong Zhejun's heart had turned into fear.

Then, Qin Yuan slowly walked out from a corner of the audience like magic. He walked to the edge step by step, then jumped down and walked to Dong Zhejun with a smile.

He said in a low and slightly teasing voice,

“Are there any other moves? Is that all?”

After saying that, Qin Yuan’s laughter became even more refreshing.

” How did you avoid the damage this time?!”

” Impossible?!“

Dong Zhejun’s expression was even a little distorted. He looked at Qin Yuan in shock, and his body could not help but tremble.

Was this person a cockroach that couldn’t be killed?

Twice!

They were all in a desperate situation, surrounded by danger. How was this possible?

Are you a human or a ghost?”

” The cannon fire just now didn’t hit any blind spots. How did you dodge it?!“

Dong Zhejun’s tone was filled with fear and hatred.

“You are already destined to be defeated by me. I don’t have to tell you the secret.”

Qin Yuan sneered.

He looked around and saw that the soldiers of Daybreak did not dare to act rashly. Instead, they held their breaths and looked at the center of the field.

It seemed that they did not dare to attack Qin Yuan before Dong Zhejun gave the order.

As long as Qin Yuan controlled Dong Zhejun, their soldiers would not attack Qin Yuan.

“This is a technology that Daybreak will never be able to obtain in his lifetime.”

Of course, Qin Yuan would not tell the other party what he was using.

This was because this was classified military technology.

Of course, this was also one of the treasures that Xiaoxiao had given him.

Rocket Boots for rapid movement.

This was a high-end prop that could be installed on one’s feet. After installation, one could move at high speed for a short period of time.

Just now, when the thick smoke dispersed, he secretly put on the Rocket Shoes and quickly sneaked into the audience seats. He was focused on the audience who were being bombarded and did not notice Qin Yuan’s movements at all.

Just like that, Qin Yuan sneaked into the darkness of the audience.

“Now, I just need you to surrender obediently and let me and Old Mister Yang go back.”

Qin Yuan said in a deep voice.

He knew that since it had come to this, he and Qiang Qiang would definitely not be able to continue to keep a low profile.

Chapter 845: Victory (2)

The only way for them to leave safely was to negotiate with Dong Zhejun.

After all, there were tens of thousands of Daybreak soldiers here. Even if they had three heads and six arms, it was impossible for them to escape.

“Humph.”

Dong Zhejun’s eyes revealed a fierce look.

“Even if you defeat me, you will still be at a disadvantage. Now, look around. Our warriors are on the battlefield, eyeing you like tigers. Do you dare to touch me? If you move, you’ll be torn into pieces.”

“Hahahaha! In the end, you will still become my prisoner!”

Dong Zhejun laughed with a crazed expression.

“Do you think I’m afraid of death?”

Qin Yuan asked.

Dong Zhejun could not help but be stunned by these sudden words. He froze on the spot, his expression dull.

Qin Yuan sneered.

“Aren’t you too ignorant?”

” You don’t know anything that has happened outside these past few years?”

“Do you still think that you are an invincible organization?”

“Wake up!”

Qin Yuan said in a low voice.

“Not to mention your own defeat, just a few weeks ago, your troops were also annihilated by us. Do you think you have the ability to capture me? Don’t be naive!”

Dong Zhejun’s face was covered in bruises. He couldn’t find any reason to answer.

” I’ll give you two choices. One is to fall under my gun right now. Two is to release Mr. Yang and let him leave with us safely. We’ll be safe.”

Qin Yuan said in a deep voice.

He had long calculated that no matter what method the other party chose, he would have a corresponding countermeasure.

As expected, Dong Zhejun did not compromise. Just as Qin Yuan had expected, the other party had already torn off his disguise and revealed his white claws and teeth.

A few seconds later, Dong Zhejun's expression changed as he shouted.

“Brothers, go! Take down this intruder!”

As he spoke, he immediately ran towards the passage behind him.

Meanwhile, the Dawn Flame soldiers in the audience were already impatiently waiting to attack.

After receiving Dong Zhejun's order, the soldiers at the scene became excited. They took out the guns they carried with them and fired crazily at Qin Yuan.

Qin Yuan had long expected that he would go back on his word and had already made the corresponding preparations. How could he give Dong Zhejun a chance to escape in the chaos?

Qin Yuan flew to the corner of the arena.

He took out a smoke grenade that he had prepared beforehand from his pocket and calmly threw it on the ground.

Immediately, thick smoke formed around them.

“This move again?”

The soldiers said angrily.

“We won't fall for it again this time!”

“Take out the rocket launcher!”

A deep voice came from among the soldiers.

A person dressed in a general's uniform carried a rocket launcher out of the crowd and aimed it at Qin Yuan's position. He fired a missile at high speed!

One had to know that this was a rocket launcher that was several times more powerful than a gun!

If he had been hit by such a bullet, he would definitely have died without a corpse!

The rocket flew towards the smoke that Qin Yuan had scattered at lightning speed, instantly producing a violent explosion. Following a deafening roar, a commotion erupted. Black smoke rose from the ground.

“Hahaha! I've observed the surroundings of the smoke, and no one has gone out. This means that Qin Yuan has already been blasted into pieces in this smoke!”

The general with the rocket launcher laughed proudly.

The smoke at the scene slowly dispersed.

Everyone could clearly see that the ground had been hit by a powerful impact, forming a huge pit that was emitting thick smoke.

However, it was an empty pit. There was no human or human remains.

“This kid must have been blasted into pieces! Hahaha!”

“What a pitiful person. In the end, he ended up with no bones left!”

When the soldiers saw that Qin Yuan had already disappeared, they felt happy and excited.

However, at this moment, a sharp-eyed soldier realized that something was wrong and cried out,

“No! Look over there! Ah! Governor Dong Zhe!”

Everyone looked in the direction of his voice.

Sure enough, at the edge of the arena, Qin Yuan actually came to Dong Zhejun’s side and placed a knife on his neck.

Dong Zhejun did not even dare to breathe loudly due to his deep fear.

He stared at the dagger on his neck.

“Governor!”

More and more soldiers saw the situation at the scene and could not help but turn pale with fright.

“How did this happen? Was he a god? Can’t even be killed by cannons? Moreover, he was not injured at all! This is a miracle!”

“This person is really a cockroach that can’t be killed! What other ways do we have to punish him?”

“We can’t let him be arrogant anymore!”

The soldiers were shocked.

The general sat on the ground, unable to say a word. His face was filled with fear.

“I told you, you can’t escape. I won’t leave this place until I achieve my goal.”

Qin Yuan said in a deep voice behind Dong Zhejun.

“You!”

Dong Zhejun was speechless for a moment. He understood how terrifying Qin Yuan was. He had no way of escaping from his grasp.

This was clearly his territory, but now he was being forced to do things by an outsider.

It was a great humiliation!

However, now that the knife was already placed on his neck, no matter what he thought, he had to follow the other party’s wishes. Otherwise, there would be no chance for him to compromise!

“Alright, what do you want? I promise you...”

Dong Zhejun said cautiously.

“Don’t shoot! Get him over there!”

Dong Zhejun had no choice but to shout at the soldiers around him.

He made way for Qin Yuan.

“Take me to Old Master Yang.”

Qin Yuan said in a deep voice.

As he spoke, he asked Dong Zhejun to lead the way.

Dong Zhejun had no choice but to nod in agreement. He walked in front and followed the path they had taken earlier. They walked back to the direction of the dungeon.

“Don’t follow me. I’ll handle it myself.”

Dong Zhejun said to the soldiers behind him.

“Governor! He is a very dangerous person!”

The soldiers behind shouted.

“I told you not to come over, so you won’t! Listen to my orders!”

Dong Zhejun shouted angrily.

The soldiers could only obey and let Qin Yuan and Dong Zhejun go to the dungeon alone.

“Where is Green Snake?”

Qin Yuan walked behind and asked in a low voice.

“Green snake? How would I know?”

“It was you two who knocked out our people just now! I wanted to ask you where he is!”

Dong Zhejun was puzzled.

Qin Yuan could tell from his tone that he was not lying.

This also gave Qin Yuan a message. Green Snake had not been captured by them, which made him feel comforted.

Green Snake must be somewhere observing his movements. He was not stupid. He knew when to appear and when to hide.

When the time came, he would definitely appear.

The two of them passed through the dungeon and arrived at the brightly lit garden.

They were getting closer and closer to the old master’s secret chamber.

Dong Zhejun was rather well-behaved. He led the way in front and did not do anything else.

After walking for a while, the two of them finally arrived at the old man’s colorful room.

Old Master Yang was still lying on the bed.

When she heard footsteps outside, she subconsciously turned her head to look.

When he saw this, his eyes immediately revealed a look of fear.

“Dong Zhejun?”

“I fulfilled my promise and brought him here.”

“Now, you can trust me, right?”

Qin Yuan came to the bed and said softly to the old man.

“Dong Zhejun? You?”

Dong Zhejun looked at Old Mister Yang expressionlessly.

“He came for you. I’m not his match. You can go back with him.”

Old Master Yang looked surprised, but then slowly turned into relief.

“I see. You actually did it.”

“I never expected that.”

” Hehe, you’re the first person to shock me like this. You’ve overturned my worldview.”

“Dong Zhejun, I didn’t expect you to have such a day. To be so servile to a person.”

Chapter 846: Searching for Green Snake

Dong Zhejun smiled bitterly.

He did not make a sound.

Instead, he pulled up his sleeves and revealed his strong muscles in front of the old man.

“This is...”

The old man looked at the muscles on Dong Zhejun’s hands in surprise.

“Now you understand why I brought him here.”

The old man was silent for a while.

“I see. He’s the one destined to defeat you.”

“I understand now.”

The old man laughed.

” This is a rare talent that only appears once in a hundred years. It’s not unfair for you to lose.”

The old man got up and said sadly.

Qin Yuan, who was at the side, was naturally confused.

He didn’t know much about the pattern on Dong Zhejun’s arm and the old man’s words.

“What are you talking about?”

Qin Yuan asked curiously.

The old man had forgotten about Qin Yuan, and his eyes were filled with joy.

“Look at his arm. Is there a green scar on it?”

“Yeah, why?”

Qin Yuan asked curiously.

“That’s the unique battle radiance of the leaders of Daybreak.”

the old man said calmly.

“Normally, its color is red. Only after a sufficiently powerful impact, that is, after being defeated, will it turn green.”

Qin Yuan frowned slightly when he heard this.

“How can we determine that we have been defeated?”

“This is a good question. It hit the nail on the head.”

Dong Zhejun came over and said.

“At first, I didn’t know why I was defeated, nor did I notice when the battle glow in my hand turned green. However, I only discovered the reason after I came here.”

“When I heard the old man’s words just now, I finally understood.”

Dong Zhejun’s expression was solemn.

“He said ‘Destiny’ defeated me.”

“Only then did I realize.”

“When I met Qin Yuan, I felt a spicy soreness in my arm.”

” Later on, I realized that this wasn’t an illusion. It was really fate.”

Dong Zhejun smiled bitterly.

“Today is your day of release. There’s no need to doubt it.”

Dong Zhejun looked at the old man and said.

As she spoke, she went forward and helped the old man up from the bed.

“I’ve prepared a car outside. Just leave. No one will stop you.”

Hearing this, Qin Yuan suddenly felt that this person had suddenly become so gentle, making him feel a huge difference.

The great demon who had spoken coldly and maliciously before had immediately become so docile. It was really difficult for people to adapt.

The old man did not say anything else.

Instead, he slowly stood up and gave Qin Yuan a look, indicating for him to follow him out.

Qin Yuan understood and followed the old man out of the room.

Dong Zhejun followed behind him.

“The car is on the other side of the passageway. You can go and get it. There won’t be any obstacles.”

Dong Zhejun still looked sincere.

Qin Yuan and Old Master Yang understood each other and walked out along the passage they came from.

After a while, the two of them passed through the passage they came from and arrived outside.

Sure enough, just as Dong Zhejun had said, the room outside was the room that Long Ying had brought them to, which was the medicine room on the 30th floor of White Pheasant Tower.

When the three of them arrived outside the room, there were already many people watching them. Dong Zhejun gestured for them to take the elevator down. Dong Zhejun led the way into the elevator. The two of them did not hesitate and followed suit.

The elevator went straight to the first floor of the tower.

Outside, Dong Zhejun pointed to the open space in front of them. A brand new off-road SUV appeared in front of them.

“I’ve already done my best, Old Yang.”

Dong Zhejun looked at Old Man Yang and said sincerely.

” Yes, I didn’t misjudge you. You’re not a difficult person to communicate with.”

Old Yang looked at Dong Zhejun with approval.

“Of course, I’m also a reasonable person. Otherwise, I wouldn’t be in this position.”

Dong Zhejun laughed.

” Alright, it’s up to you guys now. My mission is done. Good luck.”

After Dong Zhejun finished speaking, he turned around and left.

“Governor! They’re our enemies, and you’re letting them go just like that?”

A general at the side said indignantly.

” A bet is a bet. Since we’ve lost, we must keep our promises. This is also the purpose of our organization!”

Dong Zhejun said without turning his head.

The generals beside him fell silent.

Just a moment ago, he was still hating Qin Yuan to the bone. Why did he seem to have changed into a different person now and was so respectful to him?

However, it was the leader's decision after all, so they couldn't say anything more.

"Wait a minute."

At this moment, Qin Yuan did not immediately enter the car. Instead, he let out a low voice.

"What's wrong?"

Everyone was puzzled.

"Green Snake hasn't returned yet. We can't abandon him."

Qin Yuan said in a low voice.

"Green Snake?"

"Wasn't he with you just now?"

"Yeah, I saw him in the dungeon!"

"It's precisely because he was still alive and kicking before, but now he suddenly disappeared that I feel that something is wrong."

Qin Yuan said with a frown.

The old man at the side also agreed,

"Yes, if Green Snake doesn't come back, we won't leave."

When Dong Zhejun heard this, he had no choice but to turn around.

"I've already said that we don't know his whereabouts. His actions have nothing to do with us."

Chapter 847: Searching for Green Snake (2)

Looking at Dong Zhejun's serious expression, Qin Yuan had no reason to doubt the authenticity of his words.

"Just because you don't know where he is doesn't mean that we will give up on him."

Qin Yuan said.

"Just like I said, I won't give up on my brothers and leave."

Qin Yuan said sternly.

"Yo, you're also putting on such a sanctimonious look?"

"What you guys plan to do has nothing to do with me. However, let me say this first. If you don't leave, I can't guarantee that I won't change my mind later."

Dong Zhejun raised his eyebrows and said.

Qin Yuan understood what he meant. He had already gotten a great opportunity. If he did not cherish it now, the situation might change rapidly later. Perhaps, what awaited them might be the organization's storm-like counterattack.

After all, this was a real den of thieves.

Their words were not advice. As long as it was related to their interests, they would definitely be as fragile as branches swaying in the wind.

Old Man Zhu was not anxious.

This situation was not very optimistic for them.

“What should we do? We are now faced with a dilemma.”

The old man said to Qin Yuan in a low voice.

Qin Yuan fell silent. To be honest, he did not know what to do now.

After all, Green Snake had disappeared without saying a word. This was something he had not expected.

“Old sir, I've already decided in my heart before I set off. I want to bring everyone back safely. I don't want to lose any more companions.”

“Although Green Snake has just joined our logistics company, his character and personality have been recognized by everyone. If I abandon him here, the brothers in the company will definitely not let me go.”

Qin Yuan said sternly.

The old man was indifferent.

He could understand Qin Yuan's feelings very well.

If it were him, he would not give up on Green Snake either.

“How about this, old sir? Do you know how to drive? I'll go back first. I'll go back immediately after I find Green Snake. This way, we can ensure your safety and not go against my wishes. What do you think?”

Qin Yuan said seriously.

Hearing this, the old man immediately retorted,”

“No! You're putting me in an unjust position! I definitely can't do such a selfish thing! And if I leave, they will definitely attack you! If you don't leave, I won't leave. We'll advance and retreat together!

It's settled then!”

the old man said seriously.

Qin Yuan looked at the old man's determined expression and knew that he would not be able to convince him, so he could only nod in agreement.

Then, he turned around and said to Dong Zhejun,

“No matter how you change your mind, we won’t change our minds. We won’t leave until we find her!”

Qin Yuan said sternly.

“Hahaha! Good! He had backbone! Then it’s up to you! I’ve said all the good things, so each of you take care of yourself!”

After saying that, Dong Zhejun turned around and left.

Qin Yuan sighed.

He knew that he was back to square one. Although he had saved the old man, he had left Green Snake behind.

She didn’t know where he was now, whether he was alive or dead.

Thinking of this, Qin Yuan felt a wave of worry in his heart. He slammed his hand on the steering wheel of the car.

“Damn it! How did things turn out like this?!”

“Don’t be anxious. There must be traces of Green Snake’s whereabouts.”

The old man consoled.

“Yes, I know you want to comfort me. I’m fine. I’m just thinking about how to plan the rescue operation.”

Qin Yuan thought for a while and said,

“From the looks of it, we still have to go back to the dungeon to look for clues.”

“Didn’t you notice when we passed by just now?”

the old man asked.

” When I entered just now, I was able to observe. There were indeed signs of an intense fight over there, but that’s all there are. The injured people have already been carried away by them. I didn’t see Green Snake’s figure.”

“Let’s go back and check the situation over there in detail.”

Qin Yuan said.

“Okay, I’ll go with you.”

The old man said in a deep voice.

“Are you coming with me?”

Qin Yuan was a little surprised.

After all, the old man's body was a little weak. If he traveled too much, it would not be a good thing.

Qin Yuan voiced out the worries in his heart.

"It's okay. Don't look at me like this. When I was young, I was also an agile warrior."

The old man said in a deep voice.

"Alright, let's go back the way we came."

With that, Qin Yuan got out of the car, and the old man followed. The two of them walked into the White Pheasant Tower again.

Although the Dawn Flame soldiers did not stop the two of them, it was inevitable that they would whisper behind their backs.

They probably said that Qin Yuan and the others were ignorant and did not know what was good for them.

Qin Yuan and the others did not see anyone else inside. They went straight to the location of the dungeon.

When they arrived at the door, although there was no one inside, it was still filled with the smell of blood. It was very strong and made people feel nauseous.

"We've been here before. Why didn't we feel such a pungent smell?"

"Yes, the smell is stronger now than before. Perhaps something else happened just now."

The old man said in a deep voice.

"Another incident?!"

Qin Yuan said in surprise.

When the old man said this, Qin Yuan felt an inexplicable worry in his heart.

When they passed by this place just now, there was already a ceasefire, but there was still a battle?

What did this mean?

It meant that there was someone else who had fought with "Xiao Yan"!

This was very likely Green Snake's behavior!

It seemed that there were indeed many puzzling mysteries.

It was just that Dong Zhejun didn't say anything.

"Yes, it should have happened after we left."

the old man said worriedly.

Then, he bent down and paced around a few times.

He seemed to be checking the bloodstains and other clues on the ground.

” These bloodstains haven’t completely solidified. This also proves my guess.”

” They were left behind dozens of minutes ago. In other words, the incident happened not long after we left.”

The old man said in a deep voice.

“Then can we follow these bloodstains to find clues?”

Qin Yuan asked.

“Yes.”

As he spoke, the old man had already walked in the direction of the bloodstains.

Qin Yuan followed behind.

He didn’t expect that the old man would be able to track him down easily.

The two of them followed the trail of blood and came to a corner.

The bloodstains disappeared here.

“Disappeared?”

Qin Yuan asked curiously.

” No, it’s the wall in front that’s blocking our path.”

the old man said with rapt attention.

After saying that, he skillfully groped around the nearby wall.

Qin Yuan understood his intention very well. He was looking for hidden mechanisms nearby!

This was the architectural feature of Daybreak! He liked to build hidden passages!

Sure enough, after searching for a while, the old man found a loose stone. He gently pressed the stone, and the latter sank into the wall. Then, the wall in the direction of the blood trail slowly moved away with a rumble, revealing a dark secret passage.

“As expected! It’s this move again!”

Qin Yuan said in surprise.

“Yes, this is a common trick in the organization. You’ve encountered it before.”

“Yes! This move really worked every time! People without patience will never find out!”

Qin Yuan added.

“Let’s go in. There’s a high chance that Green Snake is inside.”

the old man said.

Qin Yuan nodded. This time, he took the lead because the old man had already found the secret passage. He had to take on the role of the vanguard.

Before entering, Qin Yuan looked around to make sure that no one was following them before slowly entering.

Just as they entered the secret passage, there was a loud bang behind them. It was immediately closed, and the surroundings were instantly pitch-black.

” What’s going on?!”

Qin Yuan was shocked.

The old man slowly took out a flashlight from his pocket and turned it on. Only then did it light up.

Qin Yuan turned around and tried to open the wall just now. However, it was obviously futile. The stone wall behind him had long returned to its original appearance and had become one of the many walls around him. There was no way to open it.

Chapter 848: Bomb Removal Operation

“Damn it! We’ve fallen for their trap!”

Qin Yuan slammed his hand on the wall and said.

“We have no way out now. Every step we take next is crucial.”

The old man in front said in a deep voice.

“Yes, can you see the road ahead clearly?”

Qin Yuan asked in a low voice.

“Sure, but there are two ways.”

The old man replied in a deep voice.

“Two? A fork in the road?”

“Then let’s split up?”

Qin Yuan asked.

The old man did not immediately answer Qin Yuan’s question. Instead, he bent down and carefully observed his surroundings.

Now, they were faced with a dilemma.

If they acted separately, it would reduce their combat strength and make it easy for the other party to break them one by one.

If they acted together, there was a chance that they would fall into the trap set by the other party, causing all their previous efforts to be in vain.

” They wouldn’t expect us to find this place, would they?!”

” Could there be a trap here?!”

Qin Yuan frowned.

“I don’t believe they’re that smart!”

“You underestimate Xiao Yan too much. As the saying goes, pride comes before defeat.”

“No matter what you do, you have to be serious and careful.”

the old man lectured.

“It’s not that I’m long-winded, but you haven’t settled down enough. You haven’t dealt with sudden events perfectly.”

“Then what should we do?”

Qin Yuan was a little confused. He thought that now was not the time to talk about reason.

“I think we should still act together because if we go the wrong way, we can still turn back. However, if we act separately, we might encounter an accident. At that time, there’s no way to save it.”

the old man analyzed seriously.

“He’s still a moderate person. Alright, I’ll listen to you.”

Qin Yuan smiled.

With that, the old man chose the right path and walked in.

Qin Yuan followed closely behind.

To be honest, the environment and path here were much steeper than the main road outside.

To be more specific, this was simply not a path for people to take!

Strange rocks were everywhere. Even if he turned on the flashlight, he could only see piles of rocks. He could not see the road in front of him!

“What a steep road. Why would it appear in such a place?”

Qin Yuan asked curiously.

“Elder Yang, are you alright? Do you want me to carry you?”

Qin Yuan asked with concern.

“It’s fine. You don’t have to worry about it.”

the old man said as he walked over a large rock.

From the faint light, Qin Yuan could see that the other party did not force himself. His movements were experienced and vigorous, completely unlike the posture of an old man in his sixties.

Qin Yuan raised his eyebrows.

The old man was really as he said, his skills were extraordinary!

This made Qin Yuan no longer have any worries and concerns. Now, it was hard to say who was the one dragging him down!

The two of them walked for a while, and the rocks disappeared again.

The road behind them suddenly became flat.

“Strange, what does this place mean?”

Qin Yuan muttered in a low voice.

“I’m not sure either. I’ve never been here before.”

the old man said.

“Even someone as experienced as you has never seen such a place. I think this must be a very secret dungeon.”

Qin Yuan said in a low voice.

“Let’s not talk about where we are for the time being. Let’s first determine if Green Snake is here.”

” Just now, I observed the direction of the bloodstain. Although it’s not as obvious as it is outside, I can see that it extends all the way inside. When it passed through the pile of rocks, it broke off. Now, we have no clue.”

the old man analyzed.

“Did I go the wrong way?”

Qin Yuan said worriedly.

” We can’t rule out this possibility, but do you think we still have a way out?”

the old man asked.

Qin Yuan thought about it seriously. That was indeed the case. The road ahead had not been explored yet, so it was impossible for him to return home now. Moreover, he had also seen faint bloodstains just now, which meant that at least someone had once existed here.

“Let’s continue moving forward. We’ll definitely find something.”

The old man said in a deep voice.

Qin Yuan nodded, and the two of them continued to walk side by side into the depths of the cave.

The path behind them was relatively flat, but the passageway had also become much smaller than before. It was only enough for two people to walk side by side.

After walking for an unknown amount of time, the two of them arrived at a small stone chamber in front of them.

The room was about ten square meters in size, and there were two dim candles on the wall, just like those underground secret rooms in ancient times.

Qin Yuan walked in and whispered a few words to the wall, but there was no response.

It seemed that this was the end. There were stone walls all around, and there were no other passages. Qin Yuan was a little puzzled.

“We’ve already reached the end of the road, but we still haven’t seen Green Snake. Have we really gone the wrong way?”

Qin Yuan frowned.

“Are there any secret passages nearby?”

The old man came to the wall again and observed it carefully.

” That’s unlikely. They won’t repeat their mistakes.”

Qin Yuan analyzed.

Sure enough, the old man seriously searched the surrounding walls for a while, but returned empty-handed.

“Looks like there’s really no way out here. The wall isn’t here.”

The old man sighed.

Let’s go back the way we came. There’s a 50% chance that we made the wrong choice.”

As he spoke, the old man turned around and walked back.

However, at this moment, a strange mark on the ground attracted Qin Yuan’s attention.

“Wait a minute!”

Qin Yuan said in a deep voice.

Chapter 849: Bomb Removal Operation (2)

“Look at the ashes on the ground!”

Qin Yuan pointed at the gray powder on the ground and said.

“What’s wrong? Isn’t this just the ashes of some ordinary burning things?”

The old man asked in confusion.

” No, take a closer look at the pattern formed by the ashes. Doesn’t it say ‘I’m here?!’”

Qin Yuan narrowed his eyes and said with a hint of joy in his tone.

The old man took a closer look and said,”

“No, why can’t I tell?”

The old man asked in confusion.

Qin Yuan smiled.

“Come to my direction and take a look.”

Qin Yuan and the old man were on both sides of the ashes, in opposite directions.

The old man suddenly understood.

He walked to Qin Yuan’s position and took a closer look. Indeed, the pattern just now was the distress signal that Qin Yuan had mentioned!

“Smart!”

The old man patted Qin Yuan’s shoulder happily.

“I almost missed important information!”

“Look, these ashes seem to be spreading all the way over there!”

The two of them followed the trail of ashes until they reached an inconspicuous vase at the side.

It was a very old vase. The outer walls of the vase were already mottled, revealing an ink-black outer wall.

It was impossible to tell what material it was made of, but its appearance was very huge, reaching the height of Qin Yuan’s chest.

“Is there something wrong with this vase?”

Qin Yuan came forward and carefully examined the vase.

The old man also came to the front. Looking at the vase, he said calmly,

“This is a valuable item in the organization. Why is it here?”

“It should have been in the organization’s museum. I’ve seen this thing there before.”

The old man said in a deep voice.

” That’s strange. Did someone put it here on purpose?”

” I don’t know, but this must be related to Green Snake’s disappearance.”

the old man said.

After saying that, he began to search the surroundings again.

Qin Yuan did not idle around either. He followed suit and searched for clues here.

After searching for a while, she heard Qin Yuan’s happy shout.

“Found it!”

He found a hidden mechanism on the ground beside him.

The stone slab on the ground was movable, and after moving it away, there was a rectangular button below it!

Qin Yuan pressed the button excitedly. The vase moved naturally, and then, a hole the size of half a person appeared on the wall in front of him!

Qin Yuan took a deep breath.

He really hid it well!

“There must be clues about Green Snake in here!”

The old man also shouted happily.

Just as the two of them were excited, a faint shout came from inside. It felt like it came from afar.

“Is anyone there? Help!”

Qin Yuan and the old man looked at each other. Although the voice was very blurry, they could tell that it belonged to a man, and it sounded like the voice of a green snake.

The two of them were overjoyed. Then, they quickly entered the secret passage and walked inside.

The secret passage was not complicated. There was only one path. Soon, the two of them walked dozens of meters and entered another dark room. In the middle of the room, they saw a man tied to the ground. His mouth was covered and he could only stammer.

The two of them looked closely. It was indeed Green Snake!

“Green Snake!”

Qin Yuan immediately rushed forward, untied Green Snake, and tore off the tape on its mouth.

“Leave this place immediately!”

After Green Snake’s tape was torn off, the first thing it said was this.

“What?”

Qin Yuan revealed a puzzled expression.

” They’ve planted a bomb here. It’s going to explode soon. Let’s go!”

Green Snake shouted.

This was the first time Qin Yuan had seen him so excited.

The old man was also surprised.

“They deliberately gave you away so that you would walk into the trap! Let us be buried here together!”

Green Snake almost cried.

After Qin Yuan untied him, Green Snake immediately stood up, grabbed the two of them, and ran out.

Although Qin Yuan and the old man were not very clear about the reason, they believed in Green Snake and could only follow him out.

“Can you tell me what’s going on? Start after we split up!”

Qin Yuan asked as he ran.

“There’s no time to explain! The most important thing now was to leave this place! Otherwise, we’ll all be blown into powder!”

Green Snake said without turning his head.

“The exit here has been sealed.”

Qin Yuan said loudly from behind.

Green Snake in front of him trembled as if it had been electrocuted.

Then, he said in a very shocked tone.

“Sealed up? Good heavens!”

“When we came in, the door closed automatically.”

The old man beside him echoed.

” Then we’re going to die here?!”

Green Snake looked sad.

“When I came in, I was blindfolded! I don’t know the way out either!”

“Don’t be anxious. Anxious won’t solve the problem.”

“Do you know how much time we have left and where the bombs are?”

Qin Yuan asked.

Since he couldn’t find a way out, he would try to solve the problem inside.

This was what he thought.

“The bomb was in the room I was in just now! They installed it personally, and I saw it clearly!”

Green Snake said worriedly.

“According to them, when I was tied up there, the explosion would happen within half an hour! The range is 500 meters!”

Qin Yuan pondered for a moment and quickly calculated the distance here and the time they had spent just now.

They had walked for about ten minutes from the door, and the distance was estimated to be more than 500 meters. However, whether this was a straight line distance was still unknown.

Moreover, since the other party had set up such a trap for them, they must have considered this point. Therefore, it was obviously unrealistic to think that they could hide outside the range of the explosion by luck.

The only way now was to find the source of the bomb and see if he could resolve the crisis.

Qin Yuan told Qin Yuan and the old man his thoughts.

” Right now, we have about ten minutes left. We still have a chance to turn the tables.”

Qin Yuan said in a low voice.

“You really dare to think that way!”

Green Snake shouted in dissatisfaction.

“They will definitely think of this!”

Green Snake’s voice was filled with fear and despair.

“Do you think we still have a choice?”

Qin Yuan asked coldly.

As soon as he said this, the few of them fell silent.

That’s right. Only by seeking opportunities in desperate situations could one have a chance of survival. It was simply a waste of time to complain here.

“I also agree with Qin Yuan’s thoughts. Our only chance now is to defuse the bomb.”

Upon hearing the old man’s words, Green Snake seemed to have a sudden epiphany.

His teacher had already acknowledged Qin Yuan, so he knew that he had indeed been too flustered just now.

“Yes, I was too excited just now. After thinking about it seriously, I still have to calm down to solve the problem.”

Green Snake’s voice became steady.

“Okay, take me to the bomb now.”

Green Snake nodded and immediately turned around to walk inside.

The three of them rushed to the room as fast as they could.

Green Snake led the way and pointed at a black object on the ground.

“Right here.”

He walked forward and took a closer look. It was indeed a time bomb. There was a number written on it:

7:45.

Time passed by slowly.

This was a very complicated time bomb. There were three pieces in total, and each piece had a very complicated circuit. There were at least dozens of wires, and each of them had to be safely removed without a single mistake.

Qin Yuan did not hesitate at all. He frowned and took out a precise circular instrument from his backpack and placed it in front of him.

“What is this?”

The old man frowned and asked.

“This is why I came here so confidently.”

Qin Yuan said in a low voice.

“This is the bomb disposal device that Xiaoxiao prepared for us.”

Qin Yuan’s voice was filled with incomparable confidence.

Chapter 850: Surprise Troops Descending from the Heavens

Hearing Qin Yuan’s words, Green Snake’s eyes immediately lit up.

“I didn’t expect you to have such a trick up your sleeve!”

“If we can go back this time, we have to thank Xiaoxiao properly.”

Qin Yuan said with a smile.

” Will this thing work? There are three bombs here.”

“I don’t know.”

Qin Yuan said as he carefully fiddled with the circuit on the device.

“I’ll try my best.”

“You’re quite calm.”

Green Snake said with a bitter smile.

“Isn’t that so?”

However, he did not realize that Qin Yuan’s sweat had already quietly seeped out of his forehead.

The old man at the side was much more attentive than Green Snake. He had long seen Qin Yuan’s hardships and did not disturb him.

“Green Snake, since you know that this matter is troublesome, don’t disturb others. This is a matter of life and death.”

Green Snake also asked for a snub. He smiled obsequiously and walked to the side, quietly watching Qin Yuan dismantle the bomb.

“How is it? How’s the progress?”

Looking at Qin Yuan’s solemn expression, the old man could not help but ask with concern.

Obviously, only Qin Yuan had such an ability. The other two could only watch from the side and encourage him.

“It’s alright.”

Qin Yuan was still using the instrument to scan the circuit wires below.

” I already know a thing or two about the structure of these wires, and this bomb disposal device is a great help. It doesn’t require me to systematically analyze these wires. As long as I use it to scan them, I will know which ones are safe cables that can be removed and which ones are dangerous cables that can’t be removed.”

Qin Yuan explained seriously.

“I just need to concentrate and not make any mistakes.”

“Not bad!”

Green Snake raised his eyebrows and said, as if he was about to resolve this crisis.

” It seems that I have underestimated your ability.”

“Your logistics company is simply invincible when you join forces!”

Green Snake was not stingy with its praise for Qin Yuan.

“Don’t be too happy yet.”

Qin Yuan wiped the sweat off his forehead and said.

” I’ve only solved one of them. There are still two left. There’s not much time left.”

Green Snake leaned forward and looked at the time on the bomb. It was 4:34.

“There are still four minutes left. You completed one in one minute just now. At this speed, you should be able to finish it in about two minutes!”

“Not necessarily. The difficulty of defusing these bombs is not equal.”

Qin Yuan said in a low voice.

” Look at the number of lines. Each bomb is different.”

Qin Yuan pointed at the bomb on the ground and said.

Green Snake went forward and observed it carefully.

As expected, the routes inside were all different.

In the first bomb that Qin Yuan had defused, there were about 30 wires.

Green Snake carefully counted the number of wires in the remaining two bombs. He could not help but suck in a breath of cold air. There were actually more than 50 wires in each bomb!

This meant that even if Qin Yuan did not make a single mistake, he would still need a third more time to dismantle the bomb than the first one!

In fact, they did not have much time left!

At the thought of this, Green Snake’s face was once again filled with loneliness.

He regretted talking to Qin Yuan just now!

This wasted another few dozen seconds. They were using their lives to race against time!

“Aiya! It was my fault! I shouldn’t have disturbed you! From now on! Before the crisis was resolved!

I won’t say another word to you!”

Green Snake patted its own cheek and said regretfully.

Qin Yuan did not have time to pay attention to him anymore. Even the old man beside him had a worried expression and did not say anything.

Just like that, the few of them silently tasted the suffering.

Time ticked by.

More and more sweat beads appeared on Qin Yuan’s forehead. In exchange, he kept dismantling the bomb’s circuit.

2:00

There were two minutes left.

The scene was extremely silent and tense. The air seemed to have frozen.

1:00

Qin Yuan did not know how many circuits he had deactivated. He only felt that his body and mind were very tired.

This was a very precise task.

Naturally, it would consume a lot of Qin Yuan’s energy.

Looking at Qin Yuan’s solemn expression, the other two were very worried. They were afraid that if he was not careful, he would make a big mistake.

Qin Yuan’s expression was also unprecedentedly nervous and solemn!

He even bit his lips, the corners of his mouth trembling!

This was the first time Green Snake had seen Qin Yuan so nervous in the face of danger!

He turned to look at the meter.

There was not much time left!

00:30!

The countdown began!

00:20!

00:10!

The two people who were looking at Qin Yuan had extremely gloomy expressions!

00:5!

00:00!

Green Snake and the old man had already closed their eyes, waiting for the arrival of the apocalypse!

However, after the countdown ended, everything was calm as usual. There was no explosion as expected.

The two of them opened their eyes and saw Qin Yuan lying on the ground in exhaustion, still holding the bomb disposal device in his hand.

She kept whispering,

“It’s finally done. Damn it, I’ve spent all my energy in this lifetime.”

Green Snake and the old man understood. They had succeeded!

“It’s a success!”

Green Snake shouted excitedly.

“You’re really amazing!”

the old man shouted.

“What a miracle! What happened in the last few minutes?”

“I saw that there are still many that haven’t been removed!”

“He actually completed the mission at the last moment! You’re really my idol!”
