

Special Troop 891

Chapter 891: The Horn of Counterattack (2)

Then, he said to Vivian.

“No, I can’t! I want to go back! My father is inside. I can’t watch him suffer here!”

Vivian said sternly.

“It’s precisely because your father is inside that you can’t easily appear!”

“With your current mobility, you’re just a live target for the other party!”

“If they knew you were here, they would definitely come to capture you! At that time, I will have no choice but to protect you. How will I be able to save your father then?”

Qin Yuan said seriously.

” Listen to me. Wait here for my good news. I promise you that I will save your father safely.”

Qin Yuan said in a low voice.

“Really?”

“Okay, it’s a deal.”

As he spoke, Qin Yuan extended his pinky and made a pinky swear with Weiwei.

“Okay, I believe you. Then I’ll stay here and watch everything in front of me. If anything happens, you must retreat safely!”

Qin Yuan smiled and patted Wei Wei’s head. He turned around and walked forward.

The battlefield in front of them was very chaotic. Although they couldn’t see the scene clearly, they could be very sure that the battle in front of them was very tragic. There were constant shouts and wails, accompanied by bursts of fierce gunfire.

The number of casualties had definitely exceeded everyone’s expectations.

Qin Yuan did not hesitate at all. He directly leaped to the vicinity of the two sides ‘battle camp and entered the battlefield like a cat.

He had to act in the dark to help the logistics company. If they were to break through head-on, with their current strength, it would definitely be twice the effort and half the effect.

Arriving at the front of the formation, he finally saw the leader of the two sides fighting.

On Xiao Yan’s side was a strange man.

The person leading the logistics company was He Chenguang, who had not contacted him yet!

Qin Yuan felt some comfort. He Chenguang was fine and was in a bloody battle with the other party.

The other party's general was obviously a very experienced person, and his aura was not inferior to He Chenguang's at all.

Moreover, due to the disparity in strength, they were all surrounded!

It only took a while for the few soldiers of the logistics company to be surrounded. The soldiers of the logistics company, including He Chenguang, did not dare to act rashly.

What Qin Yuan did not know was that the person who led the troops to attack the rear camp of the logistics company was Dong Zhejun's aide, Captain Jin!

Although Qin Yuan was very surprised and had a long list of questions to ask He Chenguang, it was obviously not the time.

Captain Jin looked at He Chenguang with a smile, and the other party's face was filled with fear and worry.

He said softly to He Chenguang,"

" Captain He, do you see the Dawn Flame Warriors around me?"

"They are all filled with indignation at your despicable actions. I spent a lot of effort to appease them. Otherwise, you would have been ravaged by them long ago. You have to thank me properly."

" I respect you as a man, and I'll give you a chance to die a glorious death. I'll let you commit suicide on the spot, hand over Yang Mingguang, and give your logistics company an intact corpse!"

A contemptuous smile appeared on the other party's face.

Seeing He Chenguang's disdainful look, he continued.

"Why? Are you unwilling to accept my conditions?"

" Alright, I'll give you five seconds. I'll count to five. When the time is up, don't blame me for being rude."

Captain Jin said with a sinister smile.

After saying that, Captain Jin ignored He Chenguang and turned around to walk away while counting down slowly.

"Five."

"Four."

"Three."

"Two."

At this critical moment, a burst of urgent shouts suddenly came from Xiao Yan's camp.

"Ah!"

Everyone was stunned and hurriedly looked in that direction.

A Dawn Flame soldier was lying on the ground, red liquid constantly gushing out of his body.

Silently, it was obvious that he had died!

Daybreak Flame and the others were extremely shocked.

Someone had actually assassinated their soldiers in broad daylight!

The strangest thing was that they did not hear any gunshots!

This person only let out a miserable cry before dying miserably!

The surrounding people quickly came up to check on the cause of death of this soldier.

When she turned him over, she saw a shiny dagger stabbed into his chest!

“Damn it! Where did this evil person come from!”

“Come out!”

Needless to say, this was what Qin Yuan had done. The reason why he used the dagger was to prevent his position from being exposed.

Qin Yuan had already planned the operation in his heart. This time, he created chaos for them so that he could create a chance for He Chenguang and the others to escape.

Seeing that a few people from Daybreak Flame were surrounding him, Qin Yuan immediately moved from the grass to the other side. He used the same trick again and threw a flying arrow at an unlucky person on the other side.

Before the poor guy could react, he was already dead.

This time, Xiao Yan’s lineup began to panic even more.

“Assassins!”

“I still don’t know where it is!”

“F * ck, I’ve really seen a ghost!”

” Where did the reinforcements come from?!”

“They were clearly surrounded by us!”

Captain Jin looked confused.

According to his plan, it was impossible for anyone in the logistics company to leave the scene.

Qin Yuan had already been lured to another place by her, so it was unlikely that he would be able to return here so soon.

Just as he was puzzled, Qin Yuan attacked again!

He dodged left and right, constantly shuttling through the forest. Sometimes he would shoot at Daybreak’s soldiers, and sometimes he would shoot with his pistol.

This time, Xiao Yan's men were tormented by him, and many of them were already on the verge of collapse.

Although there were more than a hundred people in Xiao Yan's army here, they were all confused by Qin Yuan's ghostly figure and had no way to determine Qin Yuan's location.

He could only take the beating passively, and Captain Jin was also very shocked.

Everything seemed to be within his calculations, but this mysterious enemy was the only one that was making him anxious.

"Maintain formation! Don't panic! Fire at the enemy's position!"

Captain Jin could only order the soldiers to counterattack.

However, after all, Qin Yuan was in the dark, and Xiao Yan's soldiers were in the light. No matter how they struggled, they were still in Qin Yuan's grasp.

Qin Yuan was like a sticky loach. Xiao Yan had spent countless bullets, but he could not cause any damage to him.

On the contrary, it wasted a lot of ammunition and time.

On the other hand, He Chenguang from the logistics company was very clever. Seeing that the other party had fallen into chaos, he immediately rose up with anger. All the soldiers who could fight in the logistics company picked up their weapons and began to counterattack.

This time, Xiao Yan's troops were completely defeated. They were attacked from both sides. The originally good formation was broken. Even if Xiao Yan's troops were well-equipped and had many people, Captain Jin was desperately commanding the troops to resist. They could not resist the pincer attack from both sides of the logistics company and slowly scattered.

Although He Chenguang did not know who it was, he had a rough idea in his heart. Other than Qin Yuan, no one else had the ability to cause such damage to Xiao Yan.

Captain Jin saw that his side was about to collapse.

He could only think of retreating.

After all, as long as there was life, there was hope. His actions had also obtained Dong Zhejun's permission. If he failed, he had to return alive.

While there were still some troops left, Captain Jin immediately ordered the retreat.

Daybreak Flame's troops were already scattered and had no intention of fighting. When they heard the order to retreat from their commander, they burst out with shocking energy and quickly used their firepower to cover their retreat.

Seeing that the enemy had retreated, the logistics company did not pursue them.

It wasn't that they wanted to let the tiger return to the mountain on purpose, but that the other party had launched a sudden attack this time. It was already a narrow escape for them to be able to protect their position. The original logistics company had more than twice the number of people compared to the other party, and they didn't have the ability to chase after them.

Under the suppression of the logistics company's firepower, Xiao Yan retreated in fear. Qin Yuan also walked out of the grass.

Chapter 892: Staggered Again

"It really is you! Captain Qin Yuan!"

He Chenguang looked at Qin Yuan excitedly.

Qin Yuan also walked over with a happy expression.

"It's a pity that that bastard ran away."

He Chenguang said embarrassedly.

"It's ours that can't escape from our palms."

Qin Yuan smiled indifferently.

"Oh, right, where is the old man? Is he okay now?"

"It's okay. We're protecting him well. As long as I'm here, he won't be hurt."

He Chenguang said confidently.

Qin Yuan nodded in satisfaction.

Then, he told He Chenguang and went back to the woods to pick up Weiwei.

This little girl was indeed very obedient. She had been waiting for Qin Yuan here.

"You're here!"

Vivian shouted excitedly.

"Yes."

Qin Yuan smiled.

"I didn't lie to you, right? I said that I would definitely save all of you safely. I will definitely do it."

Qin Yuan smiled confidently.

"Hehe! Captain Qin Yuan is still the best! I didn't misjudge you!"

"You're really our savior!"

Vivian was ecstatic.

"Alright, the situation has already exceeded my expectations. Let's hurry back and discuss our next move with them."

"Yes."

The two of them returned to the logistics company's camp together.

When He Chenguang saw them, he was also very surprised.

” Miss Weiwei?!”

When did you come back?”

“It’s a long story. I’ll explain it to you later. Where’s my father?”

Vivian asked anxiously.

“Over there.”

He Chenguang pointed at the tent in the distance.

Vivian immediately ran to the old man.

Qin Yuan did not have the time to chat with the father and daughter. He did not stop for a moment and went straight to He Chenguang to discuss the next step.

“Let’s exchange our information.”

Qin Yuan said.

“Okay, I’ll go first.”

He Chenguang nodded.

“After you left, I came back here to meet up with the logistics department. I was waiting for your news.”

“After you went in, we were attacked by the other party. I don’t know how these bastards discovered our position. We’ve clearly hidden so well.”

“By the way, where’s Lu Ming? I told him to come back. Have you seen him?”

Qin Yuan asked.

“Lu Ming, no, isn’t he with you?”

Qin Yuan frowned and immediately felt relieved.

It seemed like his guess was right. Lu Ming had betrayed the logistics company.

Qin Yuan told He Chenguang about his experience and guesses.

“Damn it! Our logistics company actually produced such scum!”

He Chenguang said indignantly.

” That’s right. We are so close to him. I didn’t expect him to do such a thing!”

“Fortunately, Captain Qin Yuan is smart! He discovered the clues! Otherwise, we don’t know how much trouble he’ll bring us!”

He Chenguang said worriedly.

” This thief must be at Xiao Yan’s place now. If I see him, I’ll definitely cut him into a thousand pieces!”

” Let’s not talk about this for now. We still haven’t made any progress. Forget about going back, we haven’t even seen Geng Hu’s shadow even when we went over there. We’ve worked for nothing!”

Qin Yuan frowned.

“Oh right, where’s Green Snake?”

Qin Yuan asked.

“They are still fighting fiercely with the Daybreak Army at the frontlines.”

“Didn’t I say that we don’t need to be too entangled with the other party? Why didn’t he listen?”

Qin Yuan was a little unhappy.

“I told him the same thing, but he seemed to have seen someone he knew and something happened. I don’t know the details. Anyway, I couldn’t control him, so I came back first.”

“Why don’t you go and take a look at the situation? After all, he’s also a member of our logistics company. He can be considered a comrade.”

He Chenguang said worriedly.

“Yes, that’s for sure. Since the other party has a spy on our side, we can’t act rashly now. Try your best to investigate the people on our side first. Check all of them once. You must make sure that our people are all on the same side. When the matter is settled, we’ll discuss about picking up Green Snake.”

“I’ll go over to Wei Wei’s place first, you go do your own thing.”

Qin Yuan instructed.

“Alright.”

He Chenguang went to look for the mole, and Qin Yuan took the opportunity to walk towards Wei Wei and the old man.

He could see the mother and daughter chatting intimately from the outside of the tent.

Qin Yuan walked over. The two of them also saw Qin Yuan’s figure and hurriedly greeted him.

“Yo, what are you chatting about so happily?”

Qin Yuan walked in with a smile and sat beside them.

“I haven’t seen my dad for months! Of course I have a lot to say!”

Vivian replied with a smile.

“This daughter is really troublesome. Look at how much trouble she caused the moment she arrived. It’s my fault for not educating her.”

the old man said, somewhat ashamed.

Qin Yuan picked up the cup and took a sip of water. He smiled and said,

“I think you guys are really carved from the same mold. Like father, like daughter.”

“Don’t hurt me. I owe you a big favor.”

the old man said with a smile.

Qin Yuan did not intend to continue joking with the interesting father and daughter. There was not much time left. He went straight to the point and asked,

“Weiwei, can you tell me what happened before and why you’re here?”

Chapter 893: Staggered Again (2)

“And the situation of the Qiu brothers.”

Qin Yuan asked solemnly.

“Yes, I’ll tell you the whole story now while my father is here.”

Vivian said seriously.

“Weren’t we all recuperating in the hospital before?”

“Originally, they went with you, right? Then, they came back.”

Qin Yuan nodded to confirm.

The Qiu brothers had indeed left the group because of an accident and drove Qin Yuan, Green Snake, and the others.

Qin Yuan remembered that they had said that they would look for Qin Yuan and the others after their injuries recovered. After that, he did not contact them anymore.

He did not expect them to be related to Vivian.

“They told me that there’s a situation on your side and they need us to go over and support them immediately.”

” Long Xiaoyun and I don’t have your contact information either. We’ve been in contact with them before and have a good impression of them. We didn’t doubt their words. But later, it turned out that we were too naive.”

Vivian sighed.

“Are they also Xiao Yan’s men?”

“Yes.”

Vivian nodded.

” I don’t know when, but they have already colluded with Xiaoyan.”

“They led us to a desolate place and wanted to capture us alive.”

“Fortunately, Sister Xiaoyun was prepared. She brought weapons and ammunition with her. She used the smoke bomb as a cover and successfully escaped.”

At this point, Qin Yuan could see traces of lingering fear in Weiwei’s eyes.

“Why did they betray us! Weren’t we all working together before?”

Vivian was confused.

“Sometimes, people are like this. There are even situations where they can’t help themselves.”

Qin Yuan pouted.

” I don’t have any good intentions towards them. If I see them, I will definitely take revenge!”

“Yes, our current situation is not optimistic at all.”

Qin Yuan lowered his head and analyzed seriously.

They had thought that they had destroyed three of the enemy’s troops and gained a certain advantage. They did not expect that in the end, there would only be gains and losses. They had even lost some troops. Not only did they not manage to save Geng Hu, but there was even a traitor among them.

How could Qin Yuan be at ease in such a situation?

“We hope that someone will be able to end this war in the future.”

The old man at the side interrupted at this time.

Qin Yuan smiled.

“I remember what I said to you before. I will definitely do it.”

The old man also responded to Qin Yuan with a kind smile.

” I’ve always believed in you, and this time is no exception. Since my daughter has come here, I can’t protect her with my current ability. Now, I solemnly ask you to protect her.”

“In return, I will do my best to repay you.”

the old man said earnestly.

“Thank you for your affirmation. I promise you that I will definitely protect your daughter well.”

Qin Yuan said seriously.

“An old man like me can’t help much. I can only stand behind you and cheer you on.”

“It’s fine. It’s already my greatest honor that you can trust me.”

Qin Yuan said with a smile.

“Alright, now that we’ve agreed, it’s up to you to perform.”

Qin Yuan bid farewell to the old master and Weiwei and returned to the camp.

He Chenguang was gathering all the soldiers and checking their conditions and items, trying to find the traitor hiding in the camp.

Qin Yuan did not disturb him. Instead, he came to the side and watched quietly.

Soon, he had checked all the soldiers.

Qin Yuan walked over and greeted him.

“How was it? Did you find anything?”

Qin Yuan asked.

He Chenguang shook his head helplessly.

“Nothing.”

He Chenguang stuck out his tongue.

“As I expected.”

If they could be exposed so easily, they would not have fallen for the other party’s trick so easily.

“Next, I plan to continue searching for Geng Hu’s whereabouts.”

“Why did you do that?”

He Chenguang asked.

“It’s very likely that we’re being monitored by the other party. If we do this, we’ll be in danger of being schemed against again.”

Qin Yuan shook his head and explained.

” It’s precisely because the other party thinks so that I have to beat him at his own game and make such a decision.”

“It’s to do something unexpected.”

“And this time, I’ve decided to act alone. I won’t make any noise.”

He Chenguang looked worried.

He smiled bitterly and said,

“This is the fourth time you’ve said that.”

“Why? Do you think my plan won’t work?”

“No, I’m just lamenting that the logistics company is relying on you alone.”

He Chenguang voiced his worries.

“Now we have no way out. Success or failure depends on your operation this time.”

” I went to check on our food reserves just now and found out that they were destroyed by the enemy’s spies. In other words, we don’t have any food reserves left.”

Qin Yuan’s eyes twitched for a moment before returning to normal.

“Yes, I understand.”

“Please hold on a little longer. I will definitely bring them back.”

” This is really a desperate battle. The enemy has supply vehicles, and behind us is a cliff.”

“Oh right, Green Snake robbed the other party’s grain carriage previously. We can use this batch of military rations to last for a while.”

He Chenguang said.

“Okay, I’ll go meet up with Green Snake first. I’ll contact you when I arrive. During this period of time, I’ll leave it to you to guard the camp.”

Qin Yuan said.

“Sure, no problem.”

“Oh, right, I couldn’t contact you with the walkie-talkie earlier. What happened?”

Qin Yuan suddenly thought of this and asked.

“Ah, that’s because I lost my walkie-talkie.”

He Chenguang said.

“Lost? When?”

“About half a day ago, when the other party attacked, I lost it while fighting them.”

“Now I’ve changed to a new one.”

As he spoke, He Chenguang took out a new walkie-talkie from his pocket and showed it to Qin Yuan.

Qin Yuan nodded and re-entered his number into his walkie-talkie.

“Remember to keep it well this time. We must keep in close contact in the future.”

“Okay, I got it. You be careful too.”

“How much combat power do we have left?”

Qin Yuan asked before he left.

” After this last round of battle, our combat strength has been reduced from the original three hundred people to around two hundred people.”

“There are still some that have not been counted by Green Snake.”

He Chenguang said truthfully.

Qin Yuan held his chin with his hand and lowered his head slightly to think for a while.

” We’ve been exposed. We have to move.”

“Retreat to five kilometers behind us immediately. Bring all our brothers and abandon this place.”

“I think so too, but according to our current situation, if we evacuate, I’m afraid it will take a lot of time.”

” Because they have a lot of injuries and Old Mr. Yang, they are not good at this kind of operation.”

He Chenguang said worriedly.

“Of course I know, but it’s better than staying here. Do your best to help them. We have to take action immediately.”

” Leave the front to me, and you will be in charge of the rear. You are the last hope of our logistics company.”

Qin Yuan said seriously.

“Mm, I understand. Now we are brothers in need. Success or failure depends on this move! Good luck!”

The two of them shook hands and hugged each other. In the end, Qin Yuan left.

According to the information provided by He Chenguang, Green Snake was fighting with Xiao Yan’s team on the battlefield about two kilometers west of here. If it weren’t for him supporting them there, it was estimated that the logistics company would not only be facing Captain Jin’s team.

Qin Yuan was very surprised. He did not expect Green Snake to lead a team of dozens of people and be able to fight against the other party’s main force, Zhou Xuan, for so long. It was really shocking.

Qin Yuan sped up and arrived at the scene in more than ten minutes.

As expected, thick smoke billowed from the open space in the distance. From time to time, shouts and intense gunfire could be heard.

Chapter 894: Making Peace with the Green Snake Union

The green snake's figure immediately appeared in Qin Yuan's vision.

He and the white wolf were standing together, engaged in a life-and-death battle with the other party's troops.

The current situation was that although Green Snake and the others were brave and good at fighting, a hero could not resist a large number of people. It was difficult for two fists to fight against four hands. They had already been forced to a dead end!

There were only a dozen people left in the logistics company. They were suppressed by Xiao Yan's people in a small ravine. It seemed that they were at the end of their rope and had no means of resistance.

Qin Yuan was surprised. Why was the green snake so persistent in fighting with the other party? Previously, they had agreed that it was only responsible for feinting attacks, but why was he so headstrong this time and insisted on fighting to the death with the other party?

There must be a reason for this.

Qin Yuan did not hesitate. He went straight to the front of the battlefield and attacked Xiao Yan's side troops.

Just like before, Qin Yuan hid himself very cleverly. Daybreak Flame's people did not notice him at all.

He used the same trick again, using a cold weapon to sneak attack the other party. Under the circumstances where the other party was unaware, he posed a considerable threat.

Daybreak Flame's soldiers also looked over.

However, Qin Yuan did not obediently appear in the other party's field of vision.

If he was exposed to the other party, he would definitely die. He was not that stupid.

After causing chaos for the other party, Qin Yuan retreated to the back of the bunker, not giving Xiaoyan any chance to take advantage of it.

However, Green Snake also clearly sensed this sudden opportunity. After seeing that the enemy soldiers' attention was distracted, he quickly reacted and counterattacked with his soldiers, causing some damage to the enemy troops.

Qin Yuan did not idle in the dark. He cooperated with Green Snake and attacked from both sides. Xiao Yan's troops were overwhelmed and slowly could not hold on any longer. They began to retreat step by step.

Although Green Snake did not see who was helping them, almost everyone in the logistics company knew. Now, there was only one person who could do such a thing, and it was none other than Qin Yuan.

"It should be Captain Qin Yuan!"

"Definitely! Otherwise, who would have the courage and strength to fight against hundreds of people alone?"

Before the logistics company could finish their discussion, Qin Yuan had already succeeded and appeared in front of them.

“Captain Qin Yuan! It really is you!”

The soldiers said excitedly.

“You’re finally here.”

Green Snake also smiled and walked forward to shake hands with Qin Yuan.

“I hope it’s not too late.”

Qin Yuan said with a smile.

“You always appear at the most critical moment.”

The green snake did not bother with formalities.

“This time, we just happened to appear when the other party needed us.”

With that, the two of them walked together and high-fived each other.

“Fighting is fighting, but I still have to discuss with you about your violation of the rules.”

The green snake’s eyes lit up, and it immediately understood what Qin Yuan meant.

“Oh, I know what you’re talking about.”

Green Snake chuckled.

” The reason is simple. I saw the Qiu brothers in their camp.”

Green Snake said righteously.

Qin Yuan raised his eyebrows. This was completely in line with his guess.

As expected, Green Snake had a reason for breaking their agreement.

This also verified Vivian’s confession.

The Qiu brothers had indeed betrayed them, and they had even gone against Green Snake.

“Tell me the details.”

Qin Yuan said in a deep voice.

” It’s very simple. When I was in contact with them, I saw the Qiu brothers. I was very puzzled, so I went up to them to reason with them. I didn’t expect their attitude to be so bad. I couldn’t take it anymore, so I fought with them.”

Qin Yuan smiled and did not comment.

This was quite in line with Green Snake’s personality.

“You’re just trying to be cool for a moment. Do you know our current situation? And the consequences of your actions.”

Qin Yuan raised his eyebrows.

Although he would not really punish the green snake, he could not be too indulgent with him. At the very least, he had to verbally scold him.

“I knew you would say that. I wanted to stop myself, but I was so hot-blooded that I completely lost control!”

Green Snake said without showing any weakness.

Qin Yuan smiled.

” You’re good. I won’t argue with you this time. The most important thing for us now is to leave this place. Everything else has already been settled. I can’t control it.”

“With the two of us working together, it’s easy for us to leave this place.”

Before Qin Yuan could answer, the green snake spoke first.

“I don’t need anyone else. I only need you and me, and the white wolf. The three of us can kill them all.”

Green Snake said with his eyes wide open.

Qin Yuan could tell that he was not bragging, but he still looked arrogant.

Although this was a feasible method, it could not be denied that it was very extreme. It did not conform to Qin Yuan’s principles and the purpose of the logistics company.

“We didn’t come here to kill.”

Qin Yuan said indifferently.

“We have to do what we have to do first before we consider other things.”

“Sigh! You’re always like this. You admit defeat at such a critical moment. Tell me, what should we do?”

The green snake looked impatient.

“Don’t always think about yourself. We still have dozens of brothers behind us. For their safety, we can’t be rash.”

Qin Yuan analyzed the situation seriously for the green snake.

Chapter 895: Making Peace with the Green Snake Union (2)

He and Green Snake were able to move freely among Daybreak Flame’s troops, but the soldiers below did not have their abilities.

“Our first priority now is to settle the soldiers down before making other plans.”

“Alright, you arrange it.”

The green snake sat down and looked at Qin Yuan quietly.

“What else can we do? Let’s bring her back first.”

Qin Yuan said.

“This is the best time for us to retreat.”

He looked around. Fang Xiaoyan’s troops were cleaning up the mess from the chaos just now. It was indeed a good time to retreat.

Green Snake nodded in agreement.

“Let’s go!”

Qin Yuan ordered.

Everyone immediately understood. Qin Yuan threw a smoke grenade at the other party’s camp. Green Snake also sent a look to the soldiers behind him. They immediately took out smoke grenades from their bodies and threw them at the other party and their feet.

The scene was instantly filled with smoke, and it was pitch black. The people from the logistics company took the opportunity to jump out from the side and escape in all directions!

Although Daybreak Flame’s men were also doing their best to shoot at the logistics company’s people, their field of vision was really limited, and they might even hurt their allies. There was no particularly strong firepower, and there were no fences set up around them. They could only watch helplessly as the logistics company fled.

Half an hour later, Qin Yuan and the green snake finally escaped to a position a few kilometers away from Li Xiaoyan’s army.

“Hu! He had finally escaped! It’s really not easy!”

The green snake let out a long sigh of relief. Qin Yuan, who was at the side, did not have a special expression. He had a cold expression.

“Hey, are you an iron man? Why don’t you look tired at all after running around all day?”

Qin Yuan smiled slightly.

“It’s probably because I’m used to exercising.”

“Your training is too powerful!”

Everyone knew Qin Yuan’s physical fitness. They could not compare to him no matter what.

It was just a joking tone.

“What do we do now?”

Green Snake asked.

His physical strength was also extremely strong, but it was still a little inferior to Qin Yuan.

“We will return to the logistics company immediately and meet up with He Chenguang.”

Qin Yuan replied.

” I’ve already told him that after we find you, our three armies will immediately regroup. We can’t waste any more time. Xiaoyan already knows our tactics and location.”

“Alright, let’s hurry back now.”

Green Snake said.

Qin Yuan nodded, then took out the walkie-talkie and switched to He Chenguang’s channel.

“Hello? Old He? Did you hear that? I’m Qin Yuan.”

Qin Yuan shouted.

“Roger that! Received! I am He Chenguang.”

A few seconds later, the other party finally replied.

“Where are you now? Green Snake and I will rush back now.”

“We are in the forest about a kilometer north of the camp just now! It’s about three kilometers away from you!”

“Roger!”

After hanging up the intercom, Qin Yuan gave the green snake a look.

Green Snake also understood what he meant.

Now, they had to travel three kilometers to meet up with He Chenguang.

Originally, these three kilometers were a piece of cake for the soldiers of the logistics company. However, after all, the battle had just ended, and many of them were in a state of exhaustion. Not to mention being able to cross it as soon as possible, some of them could not even persevere on foot.

Qin Yuan could understand the situation and mentality of the soldiers.

“Everyone, rest here for ten minutes.”

” Ten minutes later, we’ll head towards He Chenguang!”

“Yes, sir! Captain!”

The soldiers below were all very happy to have such a considerate captain.

Then, Qin Yuan took this opportunity to communicate with the green snake.

It was mainly because Qin Yuan wanted to know what had happened between the green snake and the Qiu brothers.

“You mean that thing!”

“Didn’t I make it very clear to you just now?”

The green snake looked a little impatient.

“They are traitors! You never have good intentions!”

“When I met them before, I also confirmed their faces! He’s not a good person at all!”

“Especially that big guy with a scar on his face! How can a good person be like this?”

“You’re judging a book by its cover, aren’t you?”

Qin Yuan laughed dryly.

“No! I saw them and even talked to them! Guess what they said?”

Green Snake said angrily.

“They said thank you for our car!”

“You’re making me so angry!”

“They’re simply two animals!”

Qin Yuan said indignantly, his face stiff.

“Looks like they really betrayed us.”

Qin Yuan frowned.

However, this was different from what he had seen before.

Previously, Qin Yuan saw that although the two of them were in the other party’s army, there was no obvious expression on their faces, nor did they feel like they were in a very comfortable position. It did not seem like they had really joined Xiao Yan.

Of course, these were all Qin Yuan’s guesses. Since the green snake had said that they had betrayed him and had even communicated with him, Qin Yuan naturally would not doubt it anymore.

“When I have the chance, I will definitely repay them well.”

Qin Yuan said with a smile.

“Alright, it’s about time. We should set off.”

“Brothers, are you ready? The time is almost up!”

Qin Yuan stood up and shouted to the soldiers of the logistics company beside him.

“Alright!”

Because it was daytime and the weather was hot, many soldiers threw away some clothes and items that they didn't use often for the convenience of walking. They only wore a cloth vest.

He was also holding a gun in his hand.

Some of the warriors even abandoned their backpacks.

"Green Snake, did you get the food back when you cut off the military vehicle on the other party's back?"

Qin Yuan asked the green snake.

"No! Didn't I ask you before? You said you couldn't take so many, right? We didn't take much, and we've eaten some along the way. There's probably not much left now!"

Green Snake spread his hands and said.

Qin Yuan smiled bitterly.

"Yes, this is indeed a very troublesome matter."

After all, they didn't have any special tools to transport food. It would be too ostentatious to drive the other party's car, and it wouldn't be safe.

It was understandable that he did not have any food on him now.

Although I don't want to admit it, I have to tell you that our military camp is about to run out of food."

Qin Yuan said in a low voice.

"What?!"

Green Snake's face was filled with surprise.

"Shh! Keep your voice down! Don't let the soldiers hear it and shake their morale."

"I've already asked He Chenguang and the others to search the forest. After all, this is a large forest. There are all kinds of insects, birds, and wild beasts. We don't have to worry about food."

Qin Yuan comforted him.

"I know. I just need more time."

Green Snake frowned.

"There's no other way. I didn't expect that we would need such a long time to fight. This is already a protracted battle."

"However, their grain carts were also burned by us. Their lives are not much better."

Green Snake said.

Qin Yuan raised his eyebrows.

This was similar to what he had expected. If both sides ran out of food, Daybreak would definitely suffer more.

“Yes, this is an opportunity.”

Qin Yuan said in a low voice.

“What?”

The green snake was puzzled.

“They have run out of food. This is the time when their defenses are weak. We can take advantage of this to find Geng Hu.”

Qin Yuan said seriously.

“This is not a bad idea.”

Green Snake said bluntly. He was different from He Chenguang. He was a radical. If it was He Chenguang, he would definitely object to Qin Yuan’s proposal immediately.

Qin Yuan smiled.

“As expected, it’s your exclusive answer.”

“However, now we must return to the logistics company’s camp safely and organize our equipment and items before we can set off.”

“I can’t take any more risks. I can’t make any mistakes this time.”

Qin Yuan said sternly.

The previous operation had not only wasted his time, but he had also almost killed Vivian. The rear camp of the logistics company had almost been severely injured because of him. Obviously, he could not afford to suffer such a loss again.

Chapter 896: Retreating Doesn’t Belong to My Style

He really couldn’t afford to lose.

Qin Yuan was silent.

He sorted out his emotions, looked at the time, and stood up.

He shouted at the surrounding soldiers,

“Time’s up! Let’s go! There must be no rest along the way! We must return to the logistics company as soon as possible!”

Qin Yuan ordered loudly.

“Yes, sir!”

The soldiers below answered in unison.

Although there weren't many people, only about thirty of them, they were exceptionally loud.

They had already rested well and were full of energy. Their voices were also a lot louder.

Then, the entire army officially set off in the direction He Chenguang had given them.

Under Qin Yuan's command, the speed was very fast. It did not take long for them to walk more than a kilometer.

It was already noon, and the sun was high in the sky. The atmosphere was hot, and the surrounding environment was unbearably hot.

"Damn it! It's really hard on us in such a hot temperature!"

"There's still more than half of the way back. It won't be easy like this!"

"I wonder if we have enough water! You have to drink it sparingly!"

The soldiers all looked distressed.

Qin Yuan, who was at the side, also saw all of this.

He did not consider this factor. At noon, the hot weather would have a significant impact on the entire army's operations.

It might even directly affect their progress.

However, there was no good solution. Their water source was very precious and limited. Under such circumstances, they could only save resources and distribute them on the way.

This was because there were mountains, rivers, and stone walls nearby, and there were few rivers and water sources. This was something that could not be helped.

Fortunately, the journey was not too far. It was about three kilometers. Even if they were not in their best condition, they would only need more than ten minutes to reach it.

And that was indeed the case. They did not encounter any enemies along the way. The obstacles they encountered were all natural external factors.

The hot weather and the lack of water resources made them spend about twice as much time as before.

When they arrived at the logistics company's new camp, it was already about 20 minutes later.

He Chenguang saw Qin Yuan and the green snake from afar and shouted happily,

"Qin Yuan! Green Snake!"

When Qin Yuan and the green snake saw this, they smiled and waved back at him.

"Yes, we're back."

Qin Yuan said with a smile.

"We weren't in a hurry!"

Vivian also rushed out.

"I almost thought I would never see you again!"

she said excitedly.

Then, the old man followed him out.

"You guys really didn't make us worry."

the old man said calmly.

"Trouble?"

Qin Yuan was a little puzzled.

"Didn't we agree to wait for us to come back?"

"What happened?"

Qin Yuan began to realize that something had happened.

"Daybreak attacked us again when you were out."

He Chenguang said.

Qin Yuan frowned.

"What is it? What was going on? Didn't we already chase them away?"

Green Snake said in surprise.

"I don't know the details, but their attack this time wasn't as fierce. It was just a probing attack."

He Chenguang said with some doubt.

"That's strange. We've clearly repelled them. Why are there still survivors?"

"Not to mention that their camp is far away from us, the most unbelievable thing is that they actually know our location!"

Speaking up to this point, He Chenguang's face immediately revealed a surprised expression.

"The other party must have a reason. They wouldn't do such a thing for no reason."

Qin Yuan lowered his head and pondered.

"However, we have no way to discuss it here."

"Let's go back and reorganize the troops first and discuss our next move."

"Yes."

After that, the few of them returned to the camp.

"How about it? How do we decide our next move this time?"

After returning to the camp, He Chenguang could not wait to tell Qin Yuan about this.

“Do you think they have their eyes on us now?”

Qin Yuan asked.

” That’s for sure. No matter where we run to, we won’t be able to escape. I don’t think so.”

He Chenguang confessed.

“There’s nothing we can do about it. We can’t escape their pursuit now.”

Qin Yuan lowered his head and said indifferently.

” Because we have a lot of wounded soldiers now, and the weather is hot, which is not good for long journeys.”

Qin Yuan told the truth.

“In my opinion, we can only fight head-on with the other party now. Both sides are at the end of their rope. It depends on whose knife is sharper.”

He Chenguang also lowered his head and thought hard.

“You’re right. We have no way out now.”

” But I’m not ready to tell them about it yet.”

Qin Yuan said frankly.

” The old man is old, and Wei Wei is young and inexperienced. The soldiers of the logistics company are not a problem. In the face of danger, they will also burst out with their last strength.”

“Then just say it.”

He Chenguang answered directly.

“They will stand on your side no matter what. We will definitely support you.”

“I know.”

Qin Yuan said helplessly.

“I know your intentions.”

“But support is support, but I promised them that I would protect their safety.”

“I don’t want to drag them into this battle.”

Qin Yuan voiced his worries.

“Since they have already fallen into the center of this storm, how can they be spared?”

Chapter 897: Retreating Is Not My Style (2)

He Chenguang said in a deep voice.

“If you still think like this now, you’re treating them as outsiders. I don’t think they’ll be happy for you to treat them like this.”

When Qin Yuan heard this, he could not help but lower his head and start to ponder.

What He Chenguang said was not without reason.

He always felt that he needed someone to take on everything, but little did he know that protecting the other party too well was also a form of disrespect to others.

Then, he smiled.

“You’re right. I shouldn’t be making decisions for them. Whether they want to fight alongside me or not should be decided by them.”

“I shouldn’t have decided their lives and destinies.”

He Chenguang also smiled.

“Smart.”

” Now that we’re all in the same boat, there’s no need to differentiate who’s protecting who. We’re teammates on the same front.”

He Chenguang said sternly.

“Yes!”

Qin Yuan hugged him and then turned around to return to the camp.

He came to the old man and Vivian’s tent.

” Old sir, how have you been these past two days? The weather is hot, so take care of your health.”

Qin Yuan said as he walked over and sat down.

“Oh, you’re back. That was fast.”

The old man laughed.

“Yes, working with your disciple will definitely be very efficient.”

Qin Yuan smiled.

“We were attacked by them just now. Are you guys okay?”

“It’s fine. Captain He Chenguang is here. I heard that they’re just some remnants.”

” No, I suspect that this is a premeditated operation.”

Qin Yuan said in a deep voice.

“Is that so? As expected, you think so too.”

Vivian said.

“It’s obvious that they’ve already grasped our movements.”

He Chenguang said.

“It’s very possible.”

The old man said in a deep voice.

“We have no room to retreat.”

Qin Yuan voiced his thoughts.

He knew that it was unrealistic to rely on himself now that everyone was in the army.

Unexpectedly, the old man’s expression was also very calm, even with a hint of gratification.

“Are you mentally prepared?”

Qin Yuan did not expect this. Even Weiwei, who was at the side, did not have a surprised expression.

“We knew that this day would come.”

“It’s impossible for both of us to have any leeway. The current situation can only be a life-and-death struggle.”

The old man was more sensible than he thought.

“Since you’re so insightful, I have nothing more to say.”

Qin Yuan smiled.

“After all, we came here together. Since I can stand here, I definitely trust you unconditionally.”

the old man said.

” Then we are now close comrades.”

“It’s just that...”

Before Qin Yuan could finish, the old man raised his hand and interrupted.

“You don’t have to worry about my health. Although I’m old, I won’t hold you back. As he said that, the old man grabbed the pistol in his hand.”

“It’s just that I asked you to take good care of Weiwei before. I hope you can keep your word.”

the old man said seriously.

Qin Yuan could see a trace of determination and killing intent from his eyes.

This made his heart tremble.

The old man must have been a fierce general when he was young!

Qin Yuan looked at Wei Wei, who was beside him. She also had a confident expression on her face, and she had no intention of allowing him to reject her.

Qin Yuan could not help but smile.

” I really admire the two of you. Just your temperament alone is not something that ordinary people can compare to!”

He Chenguang chuckled.

“Oh right, where’s Green Snake?”

The old man seemed to have thought of something and suddenly asked.

” He’s outside, playing with his big white wolf.”

Qin Yuan said.

The reason why Qin Yuan did not plan to let Green Snake in was because he was afraid that his impulsive personality would have an adverse impact on the overall situation at such a critical moment.

However, since the old man had already reached an agreement with him, there was nothing to be afraid of.

“Should I call him in?”

“Yes.”

Qin Yuan gave He Chenguang a look, asking him to call the green snake in.

He Chenguang got up and walked out. Ten seconds later, he came back with the green snake.

“Oh! Teacher! Long time no see!”

Green Snake greeted the old man as soon as he entered.

“Yeah, you’re still the same. You’re full of energy.”

The old man laughed.

“Hehe, how else could I be your disciple?”

“I protected Wei Wei well before. I didn’t disappoint you, did I?”

The green snake looked as if it was asking for credit.

” Her leg is injured. What are you talking about?”

The old man joked with great interest.

When Green Snake heard this, an awkward expression immediately appeared on his face.

“Hehe, you’re right! But I did my best! I’m also quite injured!”

The green snake looked like a dead pig that was not afraid of boiling water.

“Alright, the old man is just joking with you. He’s very satisfied with your behavior.”

Qin Yuan helped.

“Hehe, I knew it. Otherwise, you wouldn’t have looked so relaxed when you came to look for me just now.”

Green Snake laughed.

“Let’s change the topic. Let’s discuss how to distribute the members of the team.”

Qin Yuan said.

“How much combat power do we have left?”

Qin Yuan asked He Chenguang.

“About two hundred people.”

He Chenguang replied.

Qin Yuan nodded slightly.

” This time, we’ll act together. We can’t split up.”

” I agree. Our combat power is not strong to begin with. If we don’t concentrate, it will be too easy for the other party to defeat us one by one.”

Green Snake echoed.

” Yes, I agree. We tried to split up before, but the results weren’t obvious. After all, there were too many people on the other side. We couldn’t hit the nail on the head.”

“Now that our combat strength has been reduced to less than half of what it was before, we can’t split our combat strength anymore.”

“Moreover, the other party has also lost the support of food. They are only paper tigers.”

He Chenguang said confidently.

“That’s right! Their army was so huge! Now that we’ve run out of food, I’m afraid we can’t even guarantee basic food!”

“I don’t think we need to do anything! A group of them are going to starve to death!”

Vivian agreed.

“Don’t be in such a hurry. We still have some ways to implement it.”

The shrewd old man said in a deep voice.

The few of them immediately looked at him.

The old man slowly said,”

“First of all, according to the strategy of attrition, although we have the upper hand, this is after all a way to hurt the enemy by 1,000 and ourselves by 800. We are also starving, so this is not an effective way to deal with them.”

“Then what do you want to do?”

Green Snake hurriedly asked.

The old man smiled.

“There’s a saying that goes, ‘Use softness to overcome hardness.’”

“I know that all of you are eager to kill the enemy and want to end this battle as soon as possible so that you can go home and rest.”

“But have you ever thought that the other party thinks the same way? Their mentality is definitely not any better than ours.”

” We just need to capture their impatience and make them pay the price for their impulsiveness.”

“What do you mean?”

Qin Yuan’s eyes revealed a hint of surprise.

” We’ll pretend that we’re no match for them and show that we’re weak. We’ll retreat to the rear. They’ll definitely chase after us with all their might. At that time, it’ll be the moment when we finally counterattack and win.”

The old man chuckled.

“As expected, the older the wiser! You’re still the one who can keep your cool!”

Green Snake was overjoyed.

“As the saying goes, impulse is the devil. We can only win the final victory if we stay calm!”

He Chenguang agreed.

“Captain Qin Yuan, what do you think?”

He Chenguang looked at Qin Yuan.

However, Qin Yuan’s face was not as happy as theirs.

Ran Ran had an indifferent look on his face.

” I think this plan is feasible, but it doesn’t suit my style.”

Qin Yuan said in a low voice.

Hearing this, the few people at the side widened their eyes and looked at Qin Yuan in disbelief.

What was wrong with this kid?

He didn't even approve of the old man's perfect plan?

Chapter 898: You Might Be Late, But You Won't Be Absent

Everyone looked surprised, even the old man's expression was a little surprised.

"I know that you may have some criticism of me, but I'm the leader of the logistics company. I can't change my decision."

"This is a method that I've already decided on. I hope you can understand."

"I don't want to drag you all into a deep abyss of suffering, but I hope you can believe in me, believe in my ability and tactics."

Qin Yuan looked at everyone present with an extremely sincere gaze.

His eyes were filled with endless hope.

The old man's expression slowly changed from surprise to indifference.

Then, he smiled gently.

"I should have known that you would have such a personality."

The old man looked relieved.

"Your strategy is fine. Although it conflicts with my ideas, it's still a feasible method. Since you've made up your mind, I won't persuade you anymore. After all, you're the leader here. We'll just carry out your wishes."

"I believe you too, Qin Yuan."

He Chenguang also walked over and shook hands with Qin Yuan.

After all, they were comrades who had fought together for so long. He Chenguang was absolutely loyal to Qin Yuan.

Seeing He Chenguang's reaction, the green snake had no objections.

"Since it's your decision, I have no objections. Since we've already followed you here, there's no possibility of giving up."

Green Snake said resolutely.

Seeing that the people around him acknowledged him unconditionally, Qin Yuan was very grateful.

"Thank you for your trust. I will definitely present my best state to everyone."

Qin Yuan said gratefully.

"Then, we have reached an agreement. We can proceed to the next step of the plan."

"How far away are we from the enemy camp?"

Qin Yuan asked He Chenguang.

“About five kilometers. It’s two kilometers further than the previous position.”

He Chenguang replied.

“Alright, let’s rest for a while and set off at night.”

Qin Yuan said.

“You are all my most loyal brothers. I swear here that I will ensure your safety.”

“If I don’t get Geng Hu out this time, I swear I won’t turn back!”

Qin Yuan swore sternly.

“Good! I absolutely believe in your boldness!”

Everyone present was impressed by Qin Yuan’s temperament.

“Alright, everyone go back and rest. We’ll start preparing at the venue outside on time tonight.”

“Good!”

Everyone dispersed.

Qin Yuan also bid farewell to Wei Wei and her father and returned to his tent.

The series of events over the past few days had exhausted him both physically and mentally. It was a rare time to rest, so he fell asleep immediately.

After an unknown period of time, Qin Yuan woke up amidst the hazy noise.

Looking outside, the sky was dark. It was obviously night, but it was bustling outside. It didn’t seem like a normal situation.

Qin Yuan hurriedly got up, put on his clothes, and ran out.

Sure enough, it was almost as he had expected. He saw many logistics company soldiers running towards a place where there was a fire in the distance.

Something big seemed to have happened over there.

Qin Yuan hurriedly pulled a soldier beside him and asked,

“What’s wrong?”

The soldier was originally running on his own. When he raised his head and saw that it was Qin Yuan, he immediately revealed a surprised expression.

“Captain Qin Yuan! Something seems to have happened over there!”

The man said with a sobbing tone.

“What happened? Tell me everything.”

“It can’t be that Xiaoyan’s side is attacking again, right?”

“No, I can’t! No! Captain Green Snake seems to be fighting with someone!”

“Who is it?”

“It’s a man, but I don’t know him!”

Qin Yuan immediately put him down and ran over.

He didn’t expect that he would only take a nap for a while! Such a mess had happened! It really made people unable to rest for a moment!

Qin Yuan immediately came to the front. The candlelight in front of him was bright.

Outside, a group of soldiers from the logistics department were watching.

Qin Yuan was a little puzzled. Why didn’t anyone inform him about this mess? Where did He Chenguang go?

Where did Weiwei go?

Where did the old man go?

With doubt, Qin Yuan came to the back of the crowd and shouted in a low voice,

“What happened?”

This voice was like a loud bell, resounding throughout the entire venue.

When the soldiers heard Qin Yuan’s voice, they immediately turned their heads to look over.

“It’s Captain Qin Yuan!”

“Captain Qin Yuan is here!”

“Come and see them!”

“This is going out of control!”

Qin Yuan frowned. He knew that he had to go in and see what was going on. These people could not explain it to him clearly. He immediately pushed the crowd over and entered the innermost area.

Just as the soldiers had described, Green Snake was fighting with a man in strange clothes bare-handed.

Qin Yuan did not know this person. He was not wearing the military uniform of the logistics company, nor was he wearing the white uniform of the Daybreak Organization. Instead, he was wearing a black and yellow uniform.

He was burly and was on par with Green Snake. The two of them were fighting in deep waters.

“How did they start fighting?”

Qin Yuan hurriedly asked the soldier beside him.

“We don’t know either!”

“Just now, everyone was resting in the tent. Suddenly, there was a fierce fighting sound outside. Then, when we came out, they were already fighting here!”

a soldier said.

This was basically the same as not saying anything. Qin Yuan's face was solemn. At this critical juncture of preparing for the expedition, why did the green snake cause trouble again!

Chapter 899: You Might Be Late, But You Won't Be Absent

Qin Yuan was anxious, but there seemed to be no reason to interrupt the two of them. This was because the most taboo thing in a martial arts competition was to be interrupted for no reason. This was disrespectful to them.

The two of them fought back and forth, punching and kicking each other. After fighting for a few minutes, there was still no winner.

Qin Yuan suddenly observed his surroundings for a while and found something very strange. Weiwei, the old man, and He Chenguang were completely missing!

For some reason, a strong sense of uneasiness slowly surged into Qin Yuan's heart. The sudden disappearance of three figures at the same time must have been premeditated!

Qin Yuan was no longer in the mood to watch the green snake's actions. He asked the soldier beside him again, "Where's Captain He Chenguang?"

"Captain He Chenguang? We don't know either!"

"I didn't see them just now! I don't know where he went!"

Qin Yuan asked a few soldiers beside him, but the answer was the same. No one knew where they went.

In the middle of the arena, the green snake and the man were still entangled like two butterflies, with no intention of stopping.

Qin Yuan was anxious, but due to the special situation now, he could not care about the morality of the duel. He could only shout from the side,

"Green Snake! What are you doing!"

However, just as Qin Yuan had expected, the people who were fighting intensely did not hear his shout. The green snake's movements were still the same as before, and it had no intention of paying attention to the others.

Qin Yuan tried to shout a few more times.

However, the green snake seemed to have been possessed and returned empty-handed.

At this moment. Just as Qin Yuan was about to take the next step, the two people in the arena actually separated!

In the collision again, the two of them could not withstand the powerful impact. They were instantly pushed back a few meters and fell on both sides of the arena!

Both of them were lying on the ground, breathing heavily.

But at least they stopped fighting.

Qin Yuan hurriedly shouted Green Snake's name and rushed to the middle of the field. He came to Green Snake's side and helped him up with his hands.

Green Snake was also stunned when he saw that it was Green Snake.

Qin Yuan immediately asked,

"What's going on?"

"Damn it! This bastard, he just said that he took Weiwei and the old man away!"

"What?"

Qin Yuan had a puzzled expression.

"Who is he?"

"Do you know? But he's in cahoots with the Qiu brothers!"

Green Snake said angrily.

"Are you with the Qiu brothers?"

Qin Yuan's eyes widened.

He remembered that the Qiu brothers were mercenaries, but he had forgotten what they did.

"Why did they take Weiwei and the old man?"

Qin Yuan continued to ask.

"I don't know! They only said that the old man was very important to them! They want us to hand them over, or they will destroy our logistics company!"

"They have hundreds of soldiers! He Chenguang brought some of his brothers to save Weiwei!"

"This person is staying behind to bring up the rear! I should have caught you!"

Green Snake scolded angrily.

"What?"

Qin Yuan was shocked.

This was clearly what he had expected!

These people had planned this!

Other than Xiao Yan, there were also people who coveted the old man!

When he and Xiao Yan were in a stalemate, the other party took advantage of the situation and benefited from it!

Qin Yuan's mood instantly sank to the bottom.

“Leave this to me. Hurry up and find He Chenguang and Weiwei. They’re alone now. They must be in danger!”

Green Snake said as he pushed Qin Yuan with his hand.

“Okay, I’ll leave this place to you. You must capture this person alive.”

Qin Yuan looked at the person in front of him and said in a low voice.

“Don’t worry! It’s in the west direction. If you’re late, it’ll be too late!”

Green Snake said anxiously.

Qin Yuan immediately stood up and rushed to the west, disappearing into the night.

After an unknown period of time, Qin Yuan was on the road.

They were at the edge of a stream. The temperature was low and the air was humid. It was very different from the weather before.

Although the green snake did not specify which direction it was, Qin Yuan followed the messy footprints on the ground and quickly found their tracks.

It was exactly as Green Snake had said. He Chenguang and the others were indeed confronting the other party’s mercenary group.

Qin Yuan could already see the scene of the two armies facing each other.

He Chenguang had brought dozens of brothers with him, all of whom were armed. Although the other party was a mercenary group with varying strength, they had a large number of people. They were pitch black, and their clothes were black and yellow plainclothes, just like the person who had fought Green Snake earlier.

Qin Yuan observed carefully again and was shocked.

Wei Wei and the old man were no longer in He Chenguang’s team, which meant that they had fallen into the hands of the other party. He Chenguang was here to ask them for their men!

Qin Yuan silently went to the grass at the side and hid.

Although he really wanted to talk to He Chenguang and obtain information, he knew that it was much more useful for him to act in the dark than on the battlefield.

At this moment, He Chenguang spoke.

” Bring him out immediately. Even if we don’t owe each other anything and go back, our interests won’t conflict. It’s just that the method isn’t right. We can definitely become good comrades.”

He Chenguang spoke to one of the leaders in front of the enemy formation.

A tall soldier in black and yellow civilian clothes with a beret on his head replied in a calm voice,

” Hmph, I know that you are all elite warriors, but you are like a group of toothless tigers with no combat power to speak of. You want to negotiate with us? Dream on!”

” We’ve helped you before. How can you repay our kindness with ingratitude?!”

He Chenguang said sternly.

“Hmph, all is fair in war. A wise man knows how to adapt to the circumstances. You guys are in this state today because you’re not strong enough. You can’t blame others!”

The man sneered.

Seeing this, He Chenguang did not say anything more. Since the other party was already so unreasonable, there was no need to communicate. Any more would only be a waste of time.

” Brothers, we have to save him today no matter what. Since the other party is so unreasonable, we have to show them what we’re made of.”

He Chenguang said as he tightened his grip on the rifle in his hand.

The logistics soldiers behind were very excited and immediately replied in unison, ”Yes!”

Then, the battle started immediately. He Chenguang took the lead and fired at the enemy’s position.

Although they only had a few dozen people, they had plenty of weapons and equipment after the previous battle. They were not afraid of such a small-scale battle.

“Hmph, I was waiting for a bunch of impulsive and hungry wolves like you.”

The other party seemed to be prepared. He immediately turned around and hid in a nearby obstacle. He also took out a grenade that he had prepared and threw it at He Chenguang.

“They were already prepared!”

The soldiers of the logistics company exclaimed.

Although they were able to dodge the bombs with their reflexes and combat ability, they lost some of their advantage in the battle. The situation became chaotic, and He Chenguang’s troops were already somewhat out of control.

Qin Yuan, who was at the side, had already seen everything. He knew that he could not let the other party retreat. Otherwise, there would be irreparable serious consequences.

He narrowed his eyes and took out the sniper rifle that he had prepared from his back. He aimed it in the direction of the other party’s retreat.

“Bang!”

The sharp sound of a sniper rifle pierced through the night sky.

“Captain!”

Panicked shouts immediately came from the other side’s camp.

When the logistics company heard the gunshots, they immediately knew whose masterpiece it was. It was the sound of Qin Yuan’s special sniper rifle.

He Chenguang’s face immediately revealed a happy smile.

“Qin Yuan may be late, but he will definitely not be absent.”

Chapter 900: Mercenary Corps

Qin Yuan had already put away his gun and walked leisurely to the logistics company's team.

When He Chenguang saw him, he smiled and the two of them hugged each other.

This was because from the other party's reaction just now, it could be seen that Qin Yuan had accurately killed the other party's leading general.

The other party was now a pile of loose sand without a leader.

The panicked shouts and chaotic footsteps from the other side had fully confirmed Qin Yuan and He Chenguang's guess.

“They haven't completely failed yet.”

“There are still some defeated soldiers over there. We have to go and save Weiwei and the old man.”

He Chenguang said.

” Yes, they're already like turtles in a jar. They can't escape from here.”

Qin Yuan smiled.

“We can take advantage of this chaotic time to go up and end them.”

As he spoke, Qin Yuan did not wait for a moment. With a command, he took the lead and rushed forward.

He knew that these people were only temporarily blinded by their defeat. When they came back to their senses, they would definitely be difficult to deal with.

When the soldiers behind saw that Qin Yuan had arrived, their morale soared. They followed Qin Yuan and rushed into the other party's camp, launching a fierce attack.

These mercenaries were originally people of all walks of life. Some of them even took advantage of the situation to enter. Their combat strength was simply incomparable to Daybreak's.

Although the number of people was several times that of the logistics company, the soldiers of the logistics company did not spend much effort and completely wiped out these defeated soldiers.

Vivian and her father were also successfully rescued.

Qin Yuan was very gratified. He had finally completed his redemption before the situation worsened.

Qin Yuan came in front of the two of them and looked at them with a somewhat ashamed expression.

“Are you guys injured?”

“I'm really sorry. It's my fault that I didn't protect you at the first moment.”

“You’ve already done very well. What happened before is understandable. After all, people aren’t made of iron. They all need to rest.”

The old man comforted Qin Yuan.

“That’s right. This incident happened too suddenly. It’s understandable that you didn’t rush to the scene immediately.”

Vivian chimed in.

“I promise that this will never happen again.”

Qin Yuan said righteously.

“They still have some survivors who are still wandering.”

He Chenguang reminded.

“Yes, they came with ill intentions this time. We weren’t prepared. It’s already very fortunate that we can achieve such a result.”

the old man said calmly.

“However, the other party will definitely not let this go. We have destroyed their vanguard, and the others will definitely not let us off.”

He Chenguang frowned.

“It’s fine. We’ll wait for them here. Anyway, we have a score to settle with them.”

Qin Yuan said.

“But then again, why did they capture the two of you?”

Qin Yuan asked Weiwei and the old man.

“It’s all because I want my dad’s scientific research results!”

Vivian said angrily.

” Now I feel like everyone in the world is coveting my dad’s scientific research results!”

” Xiaoyan too. I didn’t expect these dirty mercenaries to be like this!”

Wei Wei’s tone was very resentful.

” Well, normally, mercenary groups work for their employers. There must be someone behind them who pays them to do things. We have to investigate the ins and outs of this matter thoroughly.”

“But now is not the time. Xiaoyan must have unfinished business waiting for us.”

Qin Yuan frowned.

” That’s why we have to seize the time to deal with the enemies in front of us. Otherwise, when Daybreak recovers, we’ll be attacked from both sides.”

However, before Qin Yuan could finish speaking, he heard a commotion coming from outside.

Everyone hurriedly turned their heads to look outside.

It was not the sound of the logistics company.

It came from the forest far away!

“What exactly happened?”

The people from the logistics company were shocked.

Now, they only had a few dozen people left!

Just now, the troops led by He Chenguang suffered a few more casualties!

” What’s going on?!”

He Chenguang also asked in surprise.

“I don’t know. There seems to be movement over there!”

The soldier beside him said.

“There’s movement?”

“The enemy is here?”

Before the soldiers could finish their words, a few sharp objects flew out of the forest and landed on their field.

Fortunately, the opponent’s shooting skills were not accurate. They did not hit the people of the logistics company. They only hit the nearby obstacles.

However, this also made the logistics company feel unprecedented pressure.

This series of events had exhausted them both physically and mentally. Just as they were about to take the opportunity to pause for a moment, they did not expect the other party’s reinforcements to rush over immediately.

Qin Yuan’s expression was solemn as he stared at the forest in front of him.

He said in a deep voice,

“Everyone, go back first and stand at the back. Hide in the vicinity. I’ll see who the other party is.”

“Captain! You have just finished your battle, so you must be very tired! Don’t show off!”

“That’s right! If there’s any difficulty, we’ll bear it together! Don’t take it head-on!”

The soldiers were a little worried about Qin Yuan.

“I slept for a long time just now. You don’t have to worry.”

“I have plenty of stamina.”

Qin Yuan smiled.

Hearing Qin Yuan’s words, everyone seemed to have been injected with a shot of cardiac stimulant.
