

Special Troop 901

Chapter 901: Mercenary Troops Emerge (2)

“I knew it! Captain Qin Yuan will definitely step forward at the critical moment!”

“Alright, it’s my turn to protect you now. Go back and be good.”

As he spoke, Qin Yuan waved his hand at them, indicating for them to hide.

The soldiers quickly found a place to hide nearby. Qin Yuan immediately went to the forest in front of him.

However, the other party did not give them any more time. As soon as Qin Yuan finished speaking, a few sharp weapons shot out from the other party’s side, whistling towards them.

Qin Yuan’s eyes were sharp and his hands were fast. His body suddenly twisted and bent down 90 degrees. At the same time, he took out a smoke grenade and threw it at his feet. The scene instantly filled with smoke.

The other party had also lost their target.

However, Qin Yuan did not stop. After throwing the smoke grenade, he took out a few grenades from his pocket and threw them into the enemy’s forest.

Before the opponent could show his figure, he was stirred up by Qin Yuan’s series of actions and complained bitterly.

Although they were more than a hundred meters away, Qin Yuan could already vaguely hear the other party’s painful cries.

Moreover, from the sound of it, there were quite a number of them.

Qin Yuan did not care who the other party was. In any case, they were all his enemies. At a time like this, he should capture them all in one fell swoop.

Hearing the other party’s painful screams, Qin Yuan was very satisfied.

“Captain Qin Yuan, go down first! Suppress them!”

The soldiers of the logistics company were overjoyed.

He did not expect Qin Yuan to defeat the other party alone without even having to do anything!

“Don’t underestimate your opponent. He hasn’t lost yet.”

Qin Yuan’s expression was not relaxed at all. Instead, he stared at the other party’s position seriously and said.

As expected, before he could finish his sentence.

The other party once again reorganized their ranks and made a comeback. This time, they did not hide in the dark anymore and walked out openly.

The logistics company finally saw the other party’s identity.

As expected, it was those mercenaries!

The leader was a middle-aged man with a red headscarf.

His face was covered with a black cloth, as if he had lost one eye, but his appearance was very fierce, as if he wanted to eat people.

That person shouted at Qin Yuan in a rough tone,

“You’re Qin Yuan? You look like an ordinary person. I thought you had three heads and six arms.”

“You were the one who ambushed us just now, right?”

” Hmph, this isn’t a sneak attack. It’s self-defense.”

Qin Yuan looked down on this person and said righteously.

“Hahaha! I heard that the captain of the logistics company, Qin Yuan, is very skilled in martial arts, and his mouth is also very cunning. Seeing him today, he really lives up to his name!”

The man in front of him laughed loudly.

“Who are you? Tell me your name!”

Qin Yuan berated.

Because the other party was someone they didn’t know, it was best to ask some relevant information about the other party through conversation. This was also beneficial to them.

“I will never change my name, I am the leader of the Icewind Mercenary Group! Yao Zhan!”

Yao Zhan straightened his back and shouted.

Qin Yuan frowned slightly. As expected, they did not come with good intentions. The people from this clan must have all been mobilized. The price offered by the other party’s employer must be quite high. It seemed that the old man was very important to them.

“What’s wrong? Scared? If you’re afraid, hand over the person obediently. We only want Old Man Yang and don’t care about anything else. If you do as we say, we can spare your lives!”

Yao Zhan narrowed his eyes and shouted at Qin Yuan.

“Captain Qin Yuan, I’ve heard of this mercenary group. It’s a rather famous mercenary force in the country! Their strength cannot be underestimated!”

A soldier beside him said to Qin Yuan with a laugh.

Qin Yuan did not care about the size of the army. There was only one way out now, and that was to protect the old man and Weiwei until the end!

” Hmph, the Qiu brothers came here from your place to be spies, right?!”

Qin Yuan narrowed his eyes and said.

“What? Why do you still remember those two useless people? They’re just our abandoned children. They’re not worth mentioning.”

A disdainful expression appeared on his face.

“Abandoned? They have successfully gained our trust.”

“It’s not that I have sharp eyes, but I was almost deceived by them.”

Qin Yuan frowned.

“Hahaha! I hope that you can help me get rid of those two good-for-nothings. Do you know that they betrayed us and joined Daybreak? I’m just like you now, I hate them to the bone!”

Yao Zhan said with a laugh.

These words solved a mystery in Qin Yuan’s mind.

The Qiu brothers had indeed betrayed them and became the target of public criticism.

” Alright, since you’re the captain of the logistics company, I’ve said a few words of nonsense to you. I don’t like to be long-winded. Are you surrendering or fighting to the death with us?”

Yao Zhan spoke very straightforwardly without any hesitation.

“Hahaha!”

Since you know that I am the captain of the logistics company, do you think I have a choice?”

Qin Yuan sneered.

“From the moment I attacked just now, there was no way out!”

With that, Qin Yuan did not continue to argue with the other party. Since they could not reach an agreement, and he knew enough information, then he would fight with them!

“Hahaha! I was waiting for you to say this! I haven’t forgotten what you did to my subordinates before. This is your last chance. Fine, if you want to fight back, I’ll grant you your wish! Today, I brought the entire team here to experience your strength! Come on!

Let’s fight to our heart’s content!”

Then, Yao Zhan turned around and walked to his team, waving as he walked.

The opposing mercenaries immediately understood. They picked up their guns and aimed at the logistics company.

Qin Yuan also had a calm expression as he turned around and walked into the forest behind him.

Because they had few people on their side, they could not fight the other party head-on.

He could only compete with the other party in the dark.

The enemy seemed to know that the logistics company was outnumbered, but they did not attack. Instead, the shooters in the distance began to fire at the logistics company's forest.

Although this attack was a large-scale attack and did not seem to be targeted, the forest here was not lush. There were only some weeds on the ground as cover. The mercenary group had sufficient guns and ammunition, and the firepower was fierce. The logistics company did not have good defense and counterattack methods for a while. They were suppressed by the other party and had no choice but to retreat.

"Captain! The opponent's firepower was too fierce! We can't hold on much longer!"

The people from the logistics company began to complain incessantly.

Qin Yuan also understood in his heart that although they had looted a lot of excellent equipment from Xiao Yan's side, those were all guns, ammunition, bulletproof vests, and so on. They were of no use in such a battle. Moreover, in such an encounter, the party with the more people would definitely have the absolute advantage.

After thinking about it, he did not have any good way to fight back. At most, he could only rely on bombs as a means to confuse the scene and then find other methods of fighting.

"Use the bombs to fight back. Don't exchange gunfire with them!"

Qin Yuan shouted in the fierce battle.

"There are too many of them! If we fight them head-on, it's like hitting a rock with an egg!"

"Go around and find an opportunity to sneak an attack!"

"The forest here can at least protect us from being exposed to the enemy's guns!"

Qin Yuan said in a low voice.

The people below also heard it very clearly.

He Chenguang had already left this place a long time ago. He slowly crawled towards the side of the water current in order to sneak around to the back of the other party.

The people from the logistics company also quickly took action. A portion of them threw explosives at the other side, while the other portion secretly shifted their positions and began to move behind the other side.

These mercenaries were completely different from the well-organized Dawn Flame troops. They were very arrogant and emotional. Some of them even risked their lives to charge forward under the artillery fire from both sides! They tried to break through the logistics company's defense line!

Chapter 902: A Simple Victory

However, this was an experienced logistics company after all. Qin Yuan, who was leading the team, had long understood the tactics in the other party's mind.

This kind of wide-range attack might be effective against other armies, but against the elite warriors of the logistics company, the effect would be greatly reduced.

Although the enemy's attacks were very swift and fierce, they could only shoot from afar. In fact, they could not hurt the vital points of the logistics company.

As for the few brave and rash mercenaries who rushed up, they had already been dealt with by Qin Yuan in a few moves.

"What is it? The other party actually blocked the attacks of those people alone?"

On the mercenaries' side, they were very frightened when they saw Qin Yuan guarding the pass alone.

"Damn it! I've long known that Qin Yuan of their logistics company has been through hundreds of battles and is a god of war who has never failed. Now that I see him today, he's really gone beyond his name!"

"I didn't expect it to be so fierce! Our brothers who went up donated it! What should we do!"

After all, these mercenaries were a mix of good and bad. They did not have the fearless spirit of a regular army. When they saw their brothers being beaten by Qin Yuan, their aura immediately dropped.

When the people from the logistics company saw Qin Yuan's inspiring behavior, their confidence increased greatly.

He Chenguang couldn't help but shout,

"Good job, Qin Yuan! With this, our morale has risen! The other party is definitely not our match!"

"Brothers! Pursue the victory! Don't give them a chance to breathe!"

He Chenguang immediately ordered the attack.

"Wait!"

Qin Yuan, who was in front of them, suddenly waved his hand to signal them not to act rashly.

Everyone almost attacked. Fortunately, Qin Yuan attacked in time.

"What's wrong?"

He Chenguang asked curiously.

"There's something wrong with their formation."

Qin Yuan said in a deep voice.

When everyone heard Qin Yuan's words, they frowned and looked over.

As expected, they broke out in cold sweat.

Although the enemy's combat strength was not very good, their weapons were excellent!

They actually brought out a cannon! He aimed at the logistics company with an aggressive aura!

Moreover, the milk smoke was everywhere. Fortunately, Qin Yuan had sharp eyes and saw this scene. Otherwise, if the people from the logistics company took the risk to attack, the consequences would be unimaginable!

"F * ck! They actually have this thing!"

The people from the logistics company exclaimed loudly.

"The last time I saw this kind of thing was a long time ago when Xiaoyan and the others brought it over from our base camp!"

"I didn't expect these mercenaries to have these things! What a waste!"

"Looks like we can't act rashly!"

Qin Yuan narrowed his eyes and looked ahead. From the caliber of the other party's cannons, they should be the largest ones. If the other party really fired in this direction, then no one on his side would be able to escape.

After all, these things had the ability to destroy everything. These flowers and plants could not be their barrier at all. Moreover, there was no time to avoid them now.

However, there was no time for Qin Yuan to think anymore!

Qin Yuan's eyes narrowed and he immediately shouted,

"Everyone, hide!"

Then, before anyone could react, he took out a pistol and fired a shot in front of him.

Bang!

This gunshot was especially loud, unlike the sound of an ordinary pistol.

The person who was about to activate the cannon immediately fell down like a gourd after Qin Yuan's gunshot!

The people from the logistics company were shocked!

What kind of magic did Qin Yuan use?

The other party was actually defeated by Qin Yuan in an instant!

Moreover, he was using a pistol!

Some sharp-eyed people saw the special pistol in Qin Yuan's hand!

It was a golden Desert Eagle pistol!

He was using bullets from a sniper rifle! No wonder it was so powerful!

At such a close distance, a fatal shot!

It was like a divine artifact!

“So handsome! Captain Qin Yuan!”

“It’s you!”

“Let’s see who dares to move!”

The mercenaries in front were indeed shocked by Qin Yuan’s actions.

After all, they were all amateurs who had never experienced a real war. The messy characteristics of hired personnel were magnified several times.

Although the other party did not panic, the few people controlling the cannon in front were so scared by Qin Yuan that they did not dare to move. They stood rooted to the ground.

Qin Yuan did not miss this excellent opportunity to counterattack. He picked up his pistol and started shooting at the front row of the opponent again.

With a few crisp gunshots, a few more people in the front row of the enemy fell instantly.

Everyone present was impressed by Qin Yuan’s superb marksmanship!

There was no one left in the enemy’s front line!

All of them were swept away by Qin Yuan!

Even the cannon was destroyed under the powerful firepower!

Seeing this situation, the expression of the captain of the mercenaries, Yao Zhan, slowly changed from his previous confidence to worry!

He did not expect Qin Yuan’s combat strength and willpower to be so tenacious!

Even Yao Zhan himself was somewhat impressed by his strength!

If not for their different standpoints, he might have praised Qin Yuan!

However, his current situation was not too good.

Originally, their morale had suppressed the logistics company. Now that Qin Yuan’s series of actions had successfully turned the situation around, the mercenaries were at a disadvantage!

Yao Zhan’s expression was very solemn, and beads of sweat appeared on his cheeks from time to time.

Those cannons were their trump cards. There were a total of three of them, and they were specially transported over by car. Now, they were destroyed by Qin Yuan in an instant.

Chapter 903: A Simple Victory (2)

They had lost all their face!

“Captain, what should we do? We’re in a dilemma now!”

His subordinates asked Yao Zhan in horror.

Yao Zhan saw fear and helplessness in their eyes.

Seeing that there were hundreds of people behind him looking at him, waiting for his orders, he suddenly made up his mind and shouted at the mercenaries behind him,

“Brothers! Can you endure such humiliation? We have five times the number of people on the other side. Do we have to be afraid of a commander without an army?”

“They only have a few dozen people! Moreover, he was also a tired person who had gone through a fierce battle! What are we afraid of?”

Yao Zhan’s voice was full of energy. He forced himself to hold his momentum and let the people of the mercenary group feel Yao Zhan’s determination.

The people below didn’t have much of a reaction at first. After all, they were all people of all sorts of backgrounds. Some of them even joined the division against their own will. Naturally, their determination wavered.

No matter how Yao Zhan called for them, less than half of them were willing to stand up and fight for him and the regiment.

The soldiers looked at each other, their feet fixed to the ground as if they were chained. They could not move a single step.

Seeing this, Yao Zhan’s heart burned with anger.

The people he had personally brought up actually dropped the ball at such a critical moment, and it was nearly half of them!

Where would he put his face as the leader of the group?

With a stern expression and a determined expression, he ordered a mercenary beside him,

“Come here.”

The soldier was obviously frightened by the tragic scene just now. Yao Zhan shouted for a while before he reacted.

“Captain...I’m sorry, what did you say just now?”

When Yao Zhan heard this, his face was even more furious. His subordinates were actually absent-minded at such a critical moment!

Originally, he wanted to tell him more, but he saw that his subordinates behind him were all at a loss.

At this moment, he had a thought.

He reached into his pocket and pulled out a pistol. Then, he heard a bang.

The unlucky guy who had been distracted fell to the ground and lay in a pool of blood.

“Everyone, if you can hear me, come over immediately and prepare for battle!”

“There can’t be any more distractions or mistakes! Fight in your best condition! Otherwise, you’ll end up like him!”

Yao Zhan shouted at his subordinates.

There was an irresistible majesty in his tone.

When the people below saw this scene, they were all shocked and terrified.

This was the first time some people had seen such a scene and they were extremely terrified. However, Yao Zhan had already given his final order.

Their lives were still more important than the pressure of the logistics company in front.

With no other choice, the mercenary group could only brace themselves and fight with their lives on the line.

“Charge!”

The soldiers at the front could only obey and immediately rushed towards the logistics company.

Under Yao Zhan’s passive encouragement, these people also radiated some vitality, and their combat strength could not be underestimated.

However, this was after all a man-made battle strength, and it could not be compared to the natural battle strength of the logistics company.

Moreover, these people were naturally weaker than the elites of the logistics company.

It could be said that the soldiers of the logistics company could now fight five people in the mercenary group.

This also made up for their disadvantage in numbers.

As expected, nothing unexpected happened during the battle.

The other party rushed forward like a bunch of headless flies.

When the logistics company saw these people, it was as if they were a group of old, weak, sick, and disabled people who had no combat strength.

With a wave of his hand, he could annihilate them.

The battle only lasted for a few minutes.

After the mercenaries at the front had run into countless obstacles, the mercenaries at the back also slowly lost their momentum.

The momentum of the attack also became smaller and smaller.

In the end, under the powerful suppression of the logistics company, they scattered and fled.

Yao Zhan looked at everything that happened in front of him. The expression on his face could no longer be described with fear. It was simply despair!

All the remaining mercenaries were forced to retreat under the fierce attacks of the logistics company.

Yao Zhan could no longer control the current situation and the trend of defeat.

However, he knew that there was no way for him to escape now. With Qin Yuan's marksmanship, even if he was given five minutes to escape, he would definitely not be able to escape from the other party's grasp.

He made up his mind. No matter what, he had to create some trouble for the logistics company!

He had no way out, so he would drag the other party into hell!

Thinking of this, a trace of determination flashed across Yao Zhan's eyes.

With a loud shout, he took out a smoke grenade from his pocket and suddenly threw it at the opponent's field.

Then, he rushed out with the fuse of the bomb in his hand. He desperately rushed towards Qin Yuan's position.

Qin Yuan and the people from the logistics company did not expect him to do this.

However, they all knew what he wanted to do.

From the looks of it, it was obvious that he had explosives on him and wanted to die together with Qin Yuan!

Qin Yuan frowned and his expression turned cold.

The other party was only a few meters away from him. Even if he shot him now, it would be difficult to avoid the other party's suicide attack!

At this critical moment, Qin Yuan only felt that he was pushed to the side by a powerful force, instantly far away from his previous position. At the same time he left, Yao Zhan rushed there, and a violent explosion instantly bloomed on the ground.

Along with a violent sound, the soil on the ground was blown up.

Qin Yuan was dragged away and his body landed on the ground in the distance. He was shocked. Who saved him? At this critical moment.

He turned around and saw that the one who saved him was the white wolf that Green Snake carried!

Qin Yuan was surprised and happy.

When did the green snake come!

"Are you okay? I came in time."

It was the green snake's voice.

Qin Yuan was overjoyed. He immediately patted the dust off his body and stood up.

"I owe you my life."

Qin Yuan smiled.

"Hey, we're all brothers. Don't be so formal. When this matter is over, just treat me to a drink when you go back."

Green Snake patted Qin Yuan's shoulder and said.

“Has the matter over there been resolved?”

Qin Yuan asked softly.

Although he still had some doubts, he was 80% sure that Green Snake would give him a definite answer.

“Of course. If it wasn’t settled, do you think I would be here?”

The corners of Green Snake’s mouth curled up.

“Looks like our efficiency is about the same.”

” No, I spent even less time. After all, I need time to march.”

Qin Yuan teased.

Then, the two of them looked at each other and laughed.

“Alright, stop celebrating. We still have a lot of things to deal with.”

He Chenguang also came to the front of the two of them, then turned his gaze to the battlefield just now.

He saw that the place was already in ruins, and countless tragic things were displayed on the ground.

The air was still filled with a foul smell.

It was the smell of gunpowder mixed with human fluids.

Hearing He Chenguang’s words, the two of them suddenly became solemn.

Although the battle had ended and they had won, they had also paid a heavy price.

Now, the soldiers of the logistics company were also exhausted and could no longer move in a short period of time.

Moreover, they had to deal with the scene immediately. They could not leave any clues or traces for Xiaoyan and the others to take advantage of.

“Everyone, clean up the scene first. Pound everyone together and burn them.”

” We’ll take their equipment and supplies. They’re the most precious resources.”

Qin Yuan instructed in a deep voice.

“Yes, sir!”

The soldiers of the logistics company received the order and began to move separately.

” Although this might attract the other party’s attention, it’s better than doing nothing.”

Qin Yuan turned around and said to the green snake and He Chenguang.

Chapter 904: Weiwei’s Determination

“We did the right thing.”

He Chenguang also agreed with Qin Yuan’s approach.

“I can’t be sure about the next action. Now that we’ve encountered this situation, I wonder if Xiaoyan will take advantage of the situation.”

“We really don’t have enough manpower right now.”

Qin Yuan did not continue.

He knew that the pressure they were facing now was unprecedented.

Regardless of whether Xiao Yan attacked them or not, the logistics company temporarily did not have the ability to fight.

“We really don’t have any means to contend with the other party now.”

He Chenguang echoed.

“We should discuss our next move.”

Qin Yuan said in a deep voice.

“Okay, let’s find a place to set up camp first.”

The others also agreed with this method. After cleaning up the scene, the group began to discuss the next step of the plan.

“How many soldiers do we have left?”

Qin Yuan sat down and asked He Chenguang.

“About two hundred people.”

He Chenguang replied.

Qin Yuan lowered his head and thought for a while.

Right now, their combat strength was half of what it was when they first arrived. If they were to engage in close combat with Daybreak’s people, they would undoubtedly lose.

“Then what should we do? Now that such an unexpected situation has occurred, is our plan going to fail?”

Green Snake frowned.

“I don’t want to work so hard until now and end up with nothing!”

Qin Yuan could see that his expression was very unwilling.

The duck in their hands was already out of their grasp. How could they not be anxious now?

Green Snake’s question caused everyone present to fall into deep thought.

After all, they had the numbers. Although the other party seemed to have run out of food, the situation on their side was not much better.

Moreover, there was no way to know the details of the other party.

“We need someone to investigate Daybreak’s situation.”

” Previously, they sent spies here. We had to imitate their tactics. If we want to annihilate them, we have to figure out their background.”

Qin Yuan said seriously.

“Captain Qin Yuan makes sense. We really have too little information now.”

” Then, the next candidate is very important.”

He Chenguang touched his chin.

“We have agreed to have people watch over us. There are still many wounded soldiers who need to find water and food.”

” Since the battle can’t end in a short period of time, we can only adopt a long-term strategy.”

“There’s no need to discuss it. I’m the only one who can do the job of scouting the enemy camp.”

Qin Yuan said in a deep voice.

“I was the one who did this the previous few times. There’s no need to discuss it.”

“I understand what you mean.”

He Chenguang said.

“But this time, we have to consider the overall situation.”

“It’s not a problem for you to be a scout, but if he knows that you’re not in our camp, he’ll definitely take advantage of the situation.”

He Chenguang analyzed seriously.

” That’s right, Captain He is right. Our tactics shouldn’t be too singular.”

Green Snake said seriously.

“What you said is not unreasonable, but we all know that there are advantages and disadvantages to doing this, but we have no other choice.”

Qin Yuan frowned.

He also knew that the next task was very difficult.

“I can take on this responsibility.”

Green Snake said in a deep voice.

“White Wolf and I can also do reconnaissance work. Our reconnaissance abilities can be trusted.”

” Yes, what they said makes sense. I think it’s feasible.”

He Chenguang nodded in agreement.

“It’s not impossible.”

Qin Yuan said after a short consideration.

“You used to be one of them. You might know a lot about them.”

Qin Yuan analyzed seriously.

“However, we don’t have any manpower for you this time.”

“No need.”

Green Snake said softly.

” I’m the same as you. I like to travel alone. I only bring the white wolf. If there are other people, it’ll be a hindrance.”

Qin Yuan smiled.

“I knew it. There aren’t many people I can trust now. You’re one of them.”

“I’ll set off now when I’m ready. There’s no time to lose.”

“I’m afraid things will change if we delay.”

Green Snake said.

“Yes, we all know that you have never disappointed us. I believe that you will definitely complete the mission this time.”

As Qin Yuan spoke, he walked forward and shook hands with the green snake. The two of them hugged each other.

“Is there anything else you need to do?”

Qin Yuan turned his head and asked He Chenguang.

“Green Snake, should we inform the old man and the others about our departure?”

He Chenguang reminded.

“Oh, right. I have to tell them. I don’t know how long I’ll be gone for this time.”

Green Snake said with a smile.

“Yes, I have to settle my own matters.”

Green Snake nodded and left.

Qin Yuan and He Chenguang looked at each other. Qin Yuan saw a melancholic expression in He Chenguang's eyes, but neither of them said anything.

"How long have we been out this time?"

He Chenguang said after a long silence.

"About a week?"

"It's been about time since I left A City."

Qin Yuan touched his nose and said.

"Time really flies in the blink of an eye."

He Chenguang sighed slightly.

"I've been here for three days."

"I didn't expect it to take so long."

"I just wanted to save you."

Chapter 905: Weiwei's Determination (2)

Qin Yuan could not help but smile.

"Are you regretting coming here now?"

"What nonsense are you talking about? I don't regret anything I've done for you!"

He Chenguang said loudly.

Qin Yuan knew that this was his temperament, so he was just joking.

"Don't be agitated. I'm just saying casually. Don't take it seriously."

Qin Yuan smiled.

"Now that the two of us are in the camp, we can be considered brothers in need."

"I don't know how long Green Snake will be gone for this time. We have to set up defenses here and go out to look for resources."

Qin Yuan said.

"Okay, let's split the work. I'll go outside to look for resources. You stay in the camp."

He Chenguang said.

Qin Yuan knew that he would say that.

Every time he encountered difficulties, he would choose to stand up for himself.

This time, Qin Yuan would not let him force himself.

“Come on, you’re not in a good state now, and you still want to go out.”

“I’ve had enough rest before. Let me do these dangerous jobs.”

“You came here without my permission. I haven’t settled the score with you yet.”

Qin Yuan raised his eyebrows.

“Hey!”

He Chenguang sighed softly.

” You’re the regiment commander of the logistics company. You have the final say!”

He Chenguang said helplessly.

“I knew you would say that, but we’re in a completely passive state now. I have to play a big role for everyone. You just need to rest now, and I’m already full of energy.”

Qin Yuan said seriously.

“It’s decided. During the time when Green Snake is out, the three of us will act separately, but we must maintain close contact.”

“Yes.”

After bidding farewell to He Chenguang, Qin Yuan went to the old man and Weiwei.

Green Snake was also there to bid farewell to them before they left.

“Yo, you’re all here.”

Qin Yuan smiled and walked towards them.

“Yes, Qin Yuan, I heard that you’re going to arrange for Green Snake to be a scout?”

The old man saw Qin Yuan walking over and asked with a smile.

“I didn’t arrange anything for him. He volunteered himself.”

Qin Yuan smiled.

“I don’t know how long I’ll be back this time. I just wanted to say goodbye to you guys.”

Green Snake looked at the old man and his daughter and said with a silly smile.

“What are you talking about? You will definitely succeed. You will be back in half a day.”

the old man said.

“That’s right, it’s just an investigation. It’s not a big deal! Why do you look like you’re going to die?”

Vivian frowned.

“I don’t know what the outcome will be. Anyway, I’m relieved to have a good talk with you guys!”

Green Snake still had a simple and honest appearance.

It could be seen that he really liked the old man and his daughter.

“You look like you can’t bear to leave. Why don’t we make a last-minute decision now and I’ll go?”

Qin Yuan teased.

“No, since we’ve agreed, then we’ll keep our word. How can we go back on our word!”

The green snake looked indifferent.

“It’s human nature to say goodbye to others before leaving.”

When they heard this, they all laughed out loud.

The old man also liked to joke about the green snake.

“Alright, we all know what you mean.”

“I wish you a safe journey!”

The old man and Vivian gave their blessings to Green Snake.

“Okay, I’ll definitely come back as soon as possible!”

After saying that, Green Snake said goodbye to the few of them and walked out.

Only Qin Yuan, the old man, and Weiwei were left.

“Do you think the tactical arrangements this time are still okay?”

Qin Yuan asked the old man.

The old man did not answer his question immediately. Instead, he poured a pot of tea and drank it by himself.

“This is your decision. Why do you have to ask me?”

“You already have the answer in your heart, right?”

the old man said slowly.

Qin Yuan raised his eyebrows. After all, he was an old man, and his words were so meaningful.

He had indeed made up his mind, but he wanted to ask the old man out of politeness.

” Anyway, we are still very safe now. I believe in your ability. Captain He Chenguang is also a very trustworthy person.”

Vivian praised him with a smile.

“You’re really thoughtful. We really don’t have any good ways to solve the current situation. We can only take it one step at a time.”

Qin Yuan said sternly.

“We will always be with you. You don’t have to worry about us.”

the old man said.

” Yes, my father and I are very supportive of you. Now, you’re the one who holds up most of the logistics company’s face. Without you, we would have disappeared from this world long ago.”

Vivian said.

“The main problem now is that our resources can’t last long. If we go out to search, we might not be able to find enough food and water. I hope you understand the current situation and be prepared for good or bad at any time.”

Qin Yuan said in a deep voice.

“Yes, I understand. I’ve encountered countless bad situations, but this is the most serious in history.”

the old man replied with a frown.

“I trust Green Snake very much, but our current conditions are really too harsh.”

“The difference between our forces and the enemy’s is too great.”

” I’m worried that with his personality, he will be in danger.”

Qin Yuan also thought about it for a moment and agreed that the old man’s words made sense.

“You’re right. We should consider Green Snake’s situation more. After all, he was in close contact with the other party.”

Qin Yuan said seriously.

“I hope you can arrange for some more people to help him.”

the old man said solemnly.

“Yes, I will consider this method.”

Qin Yuan said in a low voice.

” Well, I’m relieved. After all, he’s my favorite disciple. Now that we’re on the same boat, I’ve told you everything I’ve been thinking about. I hope you’ll remember it.”

With that, the old man turned around and lay down to rest.

Qin Yuan saluted them and left.

After returning to the camp, Qin Yuan looked for He Chenguang again.

“Uncle Ho, Green Snake still needs some help.”

Qin Yuan said in a low voice.

“Hmm? What do you mean?”

He Chenguang asked curiously.

He did not understand the meaning of Qin Yuan’s words.

“The old man suggested it to me. It’s too dangerous for Green Snake to go alone. He asked us to arrange for some people to help him secretly.”

Qin Yuan said truthfully.

“Well, what he said does make sense.”

“But our most serious problem now is that we don’t have enough manpower.”

He Chenguang frowned.

“It’s not that I don’t want to, it’s just that I can’t find a suitable candidate.”

“You and I both have important matters to attend to and can’t leave. There’s no one in the camp who can cooperate with him.”

He Chenguang sighed and shook his head.

Qin Yuan was also silent. He Chenguang was right.

Now, they were faced with a dilemma of having no one to use.

Other than He Chenguang and himself, the logistics company was made up of mediocre soldiers who were not of much use.

If they sent ordinary soldiers to help the green snake without anyone leading them, they might not even be able to protect themselves, let alone protect others.

“I’ll do it.”

At this moment, a crisp and pleasant voice sounded from the side.

The two of them were in deep thought when they were both stunned.

It was Weiwei’s voice!

“Weiwei?”

Qin Yuan turned his head to look behind him.

“Why are you here?”

“I’ve already spoken to my dad. I can go and help Green Snake.”

Vivian said softly.

“No way! He actually agreed with you?”

Qin Yuan looked incredulous.

After all, this was his biological daughter. How could a father let his daughter risk her life?

“I wanted to go. He couldn’t stop me.”

Vivian said angrily.

“I don’t have much to do in the camp, it’s too boring.”

Wei Wei’s reason surprised Qin Yuan and He Chenguang.

He didn’t expect Vivian to be so stubborn.

He didn’t want to stay in the warm camp and had to go out and take risks.

“Are you serious?”

Qin Yuan asked again.

“Of course. When have I ever joked with you?”

Vivian said seriously.

“Alright then.”

“Since it’s something you’ve decided on, we can’t stop you.”

“After all, you’re not from our logistics company.”

Qin Yuan spread his hands and said.

” However, as a friend, I advise you to bring a few people to protect you.”

Chapter 906: Encounter in the Woods

” Who can protect her? We’re already severely lacking in manpower here.”

He Chenguang said.

“It’s not that I want to pour cold water on you, but the situation is really too bad. I had no choice.”

Qin Yuan lowered his head and pondered for a moment.

He Chenguang was right.

Although some of the soldiers under his command were still capable of fighting, they were not very effective in protecting Vivian.

Vivian was not on the same frequency as the others. Before the soldiers noticed her, she might have already left them behind!

Only Qin Yuan’s close protection of her could ensure her safety.

“I understand your intentions.”

Qin Yuan nodded and said.

“This matter is indeed negotiable. We have to be foolproof.”

“There’s no more room for error.”

“Aiya, don’t be so timid. I’ll go by myself! I’m fine!”

Vivian said impatiently.

Seeing this, Qin Yuan pulled her to the side and lowered his voice.

“Wait a moment. I’ll get something for you.”

As he spoke, Qin Yuan walked towards his room.

Not long after, Qin Yuan returned with a disc-shaped object in his hand.

“Xiaoxiao gave this to me, it’s my trump card.”

Qin Yuan said to Wei Wei with a smile.

“What? What is it?”

Vivian asked with a frown.

“Something that can save your life at a critical moment.”

Qin Yuan continued to smile mysteriously.

“What’s so useful?”

Vivian frowned.

” This is called an alarm device. It can be used at critical moments. It can emit strong electric waves that can cause damage to the surrounding enemies. It also has the effect of a flash bomb.”

Qin Yuan said.

“Then won’t I fall for it?”

Vivian asked.

“Normally, yes.”

” However, there is another object in this device.”

As Qin Yuan spoke, he took out something that looked like glasses from his pocket.

” This is a set of anti-flash glasses. You can wear it to prevent yourself from being hurt by these electric waves and flash bombs.”

Qin Yuan said.

” Yo, that sounds amazing, but have you tried it before?”

Vivian didn’t seem to believe him.

“This is something that Xiaoxiao invented. Do you think there will be a problem?”

Qin Yuan asked with a smile.

“I’ve always used her things before, and there’s never been an accident.”

Vivian hesitated, but she agreed.

“Alright, I understand. Xiaoxiao’s words are definitely fine. There’s no one else I can trust or choose now.”

Then, he kept the alarm.

“Then I’ll leave now.”

“Wait a minute.”

Qin Yuan called out to Weiwei, then took out a walkie-talkie from his pocket and handed it to her.

“This is a walkie-talkie specially used by our logistics company. It has the walkie-talkie numbers of He Chenguang, Qin Yuan, and me. If you need to use it, just choose theirs.”

“Remember to keep in touch.”

“I know! Thank you, Captain Qin Yuan!”

With that, Vivian walked forward.

“Yes, do you still need to say goodbye to Dad?”

“There’s no need. I’ve already said it just now.”

Weiwei and Qin Yuan waved their hands and left, rushing in the direction of the green snake.

Qin Yuan let out a long sigh of relief. Now that Weiwei had left, the logistics company was really an empty camp.

Other than the old man and He Chenguang, everyone else went out.

The interior was empty, so it was possible for the other party to sneak attack. After all, there had been spies before. To be honest, Qin Yuan was very worried.

After all, He Chenguang and the old man were the only ones guarding the camp. They were more or less alone and not suitable.

No matter how strong He Chenguang was, it was difficult for him to fight against four hands.

Thinking of this, Qin Yuan called He Chenguang over.

“Are you done with Weiwei’s matters?”

He Chenguang asked Qin Yuan as soon as he arrived.

” Yes, I’ve given her some insurance. She should be fine.”

” She’s our priority. We have to make sure that nothing goes wrong.”

Qin Yuan nodded.

"I called you over to discuss our operation."

"What do you mean?"

"We can stagger our actions to ensure the safety of the camp. After all, we are now exposed to the enemy."

Qin Yuan said seriously.

He Chenguang lowered his head and pondered for a while.

"You're right. We should indeed consider some safer and more stable methods now."

"I'll go outside to look for resources first. You stay in the camp and guard it."

"Let's keep in touch at all times. I'll search in the forest near the camp. If there's anything, inform me immediately, understand?"

"Okay, I got it. You can go in peace. Leave this to me."

He Chenguang nodded at him.

"Okay, then I'll set off now. There's no time to lose."

"Alright. How many people are you bringing?"

"No need."

"I can do it myself."

Seeing Qin Yuan's decision, He Chenguang did not say anything else. After all, it was his own decision. Moreover, he was only looking for food and water outside. It was not a battle operation, and he did not need any soldiers to protect him.

After Qin Yuan said goodbye to He Chenguang, he went to the forest south of the camp to search.

Because this was a place that had not been explored before, this area was not under Daybreak's jurisdiction, so there were many natural resources.

Chapter 907 - 907 Encounter in the Forest (2)

To be honest, Qin Yuan was a little shocked. Although this place was underground, it was as mysterious and abundant as a paradise. It was not an exaggeration to say that the resources here were richer than most of the jungles on the ground.

Not long after, Qin Yuan entered the forest in the south.

The forest here was still very dense, and it was not inferior to the place they had explored before.

The fruits here were definitely enough for them to have a full meal.

Although Qin Yuan did not bring many food bags this time, he could completely pack all the fruits here by himself.

Qin Yuan kept an eye out and observed his surroundings for a while. After confirming that there were no enemies, he came to pick the fruits on the tree.

Not long after, Qin Yuan filled the snakeskin bag with two bags full of fruits.

Qin Yuan wiped the sweat off his head and smiled in satisfaction.

These two bags of fruits were enough for the soldiers of the logistics company to eat a meal.

Then, Qin Yuan used the flying knife he brought with him to catch a few birds from the forest for dinner.

In a short while, Qin Yuan filled the few bags he had brought with him, looking satisfied.

Just as he was about to pack up and return, he heard a strange noise nearby.

The sound was like something rubbing against the bark of a tree, making a piercing sizzling sound.

“What is it?”

Qin Yuan frowned and said in a low voice.

This was a place they had never been to before, so it was unlikely that it was someone from the logistics company. However, Qin Yuan had no way of knowing if it was someone else or not.

The sound was intermittent, sounding every few seconds. It was really annoying.

Qin Yuan could only put down the bag in his hand, lean down, and listen carefully to the source of the sound.

It came from not far ahead.

It didn't look like there was anyone.

If it was a human, it was unlikely that he would reveal such a flaw for the other party to discover.

But if it was an animal, then it was too suspicious.

He had already walked through this forest a few times and did not find anything unusual. Why did this thing suddenly appear when he was about to leave?

It was better to go over and take a look.

Qin Yuan shook his head and got rid of these unnecessary thoughts.

His strong curiosity drove him to the other side.

The sound was getting closer and closer, and Qin Yuan could hear it more and more clearly. Through the dense grass, Qin Yuan slowly arrived at the source of the sound.

Qin Yuan's expression froze when he pushed away the last tuft of grass.

There was a woman lying on the ground in front of him!

The woman looked to be in her twenties, and the most shocking thing was that she was wearing a pale, tight-fitting uniform.

Furthermore, there was a picture of a white cloud on it!

This was clearly Xiao Yan's men!

Qin Yuan was shocked.

They actually encountered the enemy at a place a few kilometers away from the main battlefield!

He had even fallen unconscious on the ground.

And the rustling sound just now was her feet being crushed by the broken tree!

The sound of her trying to break free!

When the woman saw Qin Yuan arrive, she also had a terrified expression.

For a moment, he was stunned on the spot and could not say a word.

Logically speaking, if Qin Yuan encountered an enemy, he should have dealt with it on the spot. However, for some reason, he had a feeling that he could not make a move.

The other party could clearly see that Qin Yuan, who was wearing the logistics company uniform, was his enemy. However, the woman, who was already trapped by the trees, could not pose any threat to Qin Yuan. She could only stare at Qin Yuan on the spot, her body trembling non-stop.

Who are you?"

After a long while, Qin Yuan slowly opened his mouth and said.

"Who I am is none of your business!"

The woman's attitude was very repulsive to Qin Yuan.

"I'm one of Daybreak's men. Since I've met you, you can kill me or torture me if you want! But don't even think about getting any information from me!"

the woman said firmly.

Qin Yuan raised his eyebrows.

This was the first time he had encountered such an upright soldier from Daybreak.

"I didn't expect you to have such backbone."

Qin Yuan smiled.

Qin Yuan planned to tease her.

"What happened?"

Qin Yuan looked at her and asked.

"What does it have to do with you? If you have the ability, then kill me. Otherwise, when I recover, I will definitely take revenge on you!"

Qin Yuan saw the anger in her eyes.

"Hahaha! You're also so staunch, so I'm more interested in you."

Qin Yuan walked forward, squatted down, and approached the woman.

"Why, why didn't your people come to save you?!"

“None of your business!”

The woman still said the same thing with a disdainful expression.

Although Qin Yuan was in a hurry and needed to go back immediately to deliver the things to the logistics company, he could not leave such a living person here no matter what. Even if she was an enemy, she might expose his location.

The sharp-eyed Qin Yuan saw that there were many wounds on the other party's body. It was as if he had experienced a battle and had fallen into such a desolate state.

How she entered this place in such a short period of time without being discovered by Qin Yuan was also a place worth paying attention to.

Just as Qin Yuan was carefully analyzing and thinking, there were some worrying sounds coming from nearby.

This time, Qin Yuan heard it very clearly. It was the sound of some people walking!

The sound of footsteps on the ground could be heard, and someone was talking!

His voice entered Qin Yuan and this woman's ears!

“She's injured. She can't have run far. She's nearby. Let's search carefully! He would definitely be able to find her. Otherwise, he wouldn't be able to find her if she was lost! Captain will definitely not let us off!”

The voice was hurried and steady. It was a man's voice.

Hearing these words, the woman's expression changed drastically. She became very panicked. Then, she looked at Qin Yuan with a sincere gaze and said almost pleadingly,

“Quick, help me! They're here for me!”

“Don't let them catch me! I will do my best to repay you! I beg you!”

Qin Yuan saw a sincere emotion in her eyes.

Qin Yuan knew that he did not have any time to hesitate. He did not know where his confidence came from. He believed this woman and moved the tree trunk away from her feet. Then, he grabbed her hands, carried her on his back, and began to walk back.

The voices of the people in front of them became louder and louder. They seemed to have sensed the noise here and walked in Qin Yuan's direction.

Qin Yuan understood in his heart that even if they did not sense Qin Yuan's existence, based on the traces left at the scene, they would sooner or later know that someone had existed. At that time, if the other party's tracking ability was not bad, they would definitely be able to catch up to Qin Yuan who was carrying a person.

Thinking of this, Qin Yuan made up his mind and put her down.

“Wait for me here. I'll be back soon.”

Qin Yuan said to the woman in a low voice.

” What are you doing?!”

The woman asked in surprise.

“Do what I should do.”

Qin Yuan looked calm.

“Don’t worry, I’ll be fine. Wait for me to come back.”

After saying that, Qin Yuan left them behind and walked straight to the team.

The footsteps of the other party were very messy, but Qin Yuan could still roughly estimate the number of people on the other side. There were about ten people. In this dense and messy forest, Qin Yuan had no problem dealing with them.

Soon, the other party entered Qin Yuan’s line of sight.

As expected, the other party was wearing a white Daybreak uniform.

The person in the lead was holding a device that looked like a detector. He was probably here to find someone.

Qin Yuan was calm. He took out the small pistol he carried with him and installed a silencer.

Three, two, one.

Pfft, a dull sound could only be heard by Qin Yuan himself.

The leader of the opposing team who was walking at the front instantly fell.

The surrounding people were shocked and quickly surrounded this person to check the situation.

Qin Yuan shot a few more times in a row, and every shot hit the target. The surrounding Daybreak soldiers also fell one by one.

Chapter 908 - 908 An Unexpected Harvest

“Who are you?”

After a few people fell down, they finally came to their senses and began to look around vigilantly.

However, this was already a battle where victory was in Qin Yuan’s grasp. Before the other party could react, Qin Yuan had already finished off nearly half of the people. This was undoubtedly the greatest advantage.

Although the other party’s actions were very fast, and the team’s overall tactical quality was also very high, and they immediately formed a counterattack battle formation, Qin Yuan was a master in this aspect. In this aspect, the other party’s actions were completely under his control.

Soon, Xiao Yan and the others discovered Qin Yuan’s location.

However, Qin Yuan was like a prophet who had predicted the other party’s thoughts in advance. Before the other party could catch up to him, he immediately changed his position.

Just like that, after a period of fighting, Daybreak Flame's people were already showing obvious fatigue. Most of them could not keep up with Qin Yuan's footsteps. There were less than ten people, but seven of them had already laid down, and there were still two who were putting up a stubborn resistance.

Qin Yuan did not spend much time dealing with the remaining people.

Qin Yuan put away his weapon, wiped his hands with a tissue, and returned to the woman.

"You're back so soon?"

The woman looked at him in surprise.

"Yes, it's all settled."

Qin Yuan smiled.

"So fast? They are an elite squad!"

the woman said in disbelief.

"Of course, these are all trash. I've seen many more powerful than them."

Qin Yuan said confidently.

"Thank you for saving me."

The woman thanked Qin Yuan in embarrassment.

This was not the place to talk. Qin Yuan did not know how to deal with her for a moment. It did not seem reasonable to bring her back. It did not make sense to leave her here as an injured person.

"What is your name? What do you do? Why are you here?"

"Do you believe me?"

The woman did not answer Qin Yuan directly. Instead, she asked in surprise.

Qin Yuan was a little surprised by the question.

"What?"

"I don't believe you. Why would I save you?"

Qin Yuan looked calm.

"Heh, alright."

The woman carefully sized up Qin Yuan in front of her, and then her tone softened a lot.

"I'm a researcher in Xiaoyan's organization. My name is Gui Li."

"The reason why I was chased by them was because I knew a secret about Xiao Yan. They wanted to kill me."

"Is he going to be silenced again after knowing the secret?"

“Your organization really knows how to harm your own people.”

Qin Yuan frowned and touched his chin.

He probably wouldn't be able to go back anytime soon. He should sit down and ask the other party first.

“Previously, Old Man Yang also had a conflict of interest with the organization, and then the two sides turned against each other.”

“Teacher Yang? You know him?”

The woman named Gui Li said in surprise.

“Of course, we're very familiar with each other.”

Qin Yuan raised his eyebrows.

“That's easy. Since you're someone Old Master Yang knows, I won't treat you as an outsider.”

Gui Li's expression softened.

“I'm the old sir's former assistant.”

” After he left, the organization forbade any further experiments on him, and I was always on his side. It's just that I didn't have a suitable reason to leave the organization, so I could only continue to work for the old man silently.”

” Later on, I became very interested in his research. I made a lot of improvements and enhancements, and I got some better experimental results.

” Originally, all these work was carried out in secret. I didn't expect my men to betray me and expose the matter. After the organization received the news, they arrested me and asked me to hand over the results of the experiment. However, I didn't do so. They tortured me and wanted to take the fruits of my labor. In the end, I took advantage of the war and escaped from this place with the help of a friend.”

Gui Li said with a heavy expression.

Qin Yuan was a little stunned. He did not expect the old man's reputation in the organization to be so high that there was such a person who was willing to support him unconditionally.

He couldn't help but feel sympathy and gratitude for Guilin.

His own tone of voice had also softened a lot.

“Your situation is very similar to Green Snake's.”

“Green Snake?”

Gui Li was a little confused. She didn't seem to recognize this name.

“You don’t know him?”

“No, I only work in the organization. My circle is very small, and the people I know are very limited. I’ve never been to other places.”

Gui Li said.

“Alright, Green Snake is a general in your organization. He’s stationed in a city outside. It’s normal that you don’t know him.”

Qin Yuan replied.

” He’s the same as you. He left the organization and is now working in our camp.”

Qin Yuan confessed.

” I see. It seems like I’m not the only one who has a problem with the organization.”

Gui Li nodded slightly.

Qin Yuan saw sincerity in her eyes. She did not seem to be lying.

Moreover, since she had already confessed to him, there was no reason for him to leave her here.

“You have two choices now. One is to be an enemy here and be killed by me, or join our camp and become my comrade. Come back with me. It’s your choice.”

Qin Yuan made his decision.

The other party had already expected this. When he heard Qin Yuan’s words, he did not show too much surprise on his face.

Chapter 909 - 909 Unexpected Harvest (2)

“I’ll go back with you.”

Gui Li said indifferently.

Qin Yuan raised his eyebrows.

“Have you thought it through?”

“Yes, I have.”

“I’m already a homeless person. I hate them to the core, but I don’t have any special hatred for you. Moreover, this war is also very disgusting to me.”

“I still hope that I can display my value in other places.”

“Besides, I can see my mentor there.” Gui Li said gloomily.

“That’s good. I believe you.”

Qin Yuan said with a smile.

"If there's anything, we can talk about it when we get back. It's not safe for us to be here now."

"Alright."

Gui Li agreed without hesitation.

Just like that, Qin Yuan carried Gui Li on his back and could only temporarily put down the resources and food from before and quickly rushed back to the logistics company's camp.

"Where are you going to put your things? Take me back. I'll leave your things here. The items won't affect you too much?"

Gui Li said with some concern.

"Since I promised to bring you back, I will keep my word. Why do you care about other things? You don't have to deal with it."

Qin Yuan did not answer and only said indifferently.

If Gui Li hadn't sprained her ankle, he could have gone back a little faster.

"I didn't expect you guys to be so considerate."

Gui Li said with a smile.

"That's right. Our logistics company treats people with courtesy."

Qin Yuan said with a smile.

"If you joined us, these tragedies wouldn't have happened."

Qin Yuan teased.

"Sigh, people are like this. They can't control themselves for the rest of their lives."

Gui Li murmured.

After a while, the two of them arrived at the logistics company's camp.

He Chenguang was stunned when he saw them.

Then, he exclaimed,

"Qin Yuan, what's going on?"

"There was an accident."

Qin Yuan put her down and patted the dust off his body.

"Who is this?"

"He's one of Daybreak's men, but he's being hunted down by them."

Qin Yuan explained.

Then, he told her everything that had happened.

"I didn't expect to encounter such a thing in such a place!"

He Chenguang exclaimed.

"Yes, I didn't expect this to disrupt all my plans."

Qin Yuan replied.

"This time, we have obtained another capable helper. However, we have to treat her injuries first."

Qin Yuan added.

"Yes, she might know some detailed information."

"If it's related to Xiao Yan, we might be able to find a breakthrough."

He Chenguang came to Qin Yuan's side and lowered his voice.

"Yes, he's an important member of Daybreak, so he must know a lot. But I'm not familiar with her yet, so I'm too embarrassed to ask. Let's bandage her up and bring her to see the old man. I'm sure we can get some answers from her."

Qin Yuan said in a low voice.

"That's right."

He Chenguang nodded in agreement.

After that, Qin Yuan brought Gui Li to bandage her wounds. Fortunately, they were only minor injuries and were not serious.

"Those resources are still in the forest. I'll have to trouble you to bring some people to retrieve them."

Qin Yuan said to He Chenguang.

"I have to take her to see the old man. I'll switch shifts with you now."

"Alright, no problem. Let's split the work."

He Chenguang nodded and brought his brothers to the forest to look for supplies.

Qin Yuan turned his head and came to Gui Li's side.

"How are your injuries? Are you feeling better?"

"Yes! Thank you! Your ointment is very effective! I feel much better!"

"I'll bring you to see Old Mr. Yang. I reckon he'll be very surprised to see you now."

Qin Yuan said softly.

"Good!"

Then, the two of them went to the old man's tent.

After entering, the old man was especially surprised to see the two of them, especially Gui Li, who was beside Qin Yuan.

” What? It’s actually you?!”

The old man exclaimed.

“Old Mr. Yang, long time no see.”

Gui Li politely bowed to him and said softly.

“Why are you here?”

the old man asked in surprise.

Qin Yuan repeated what had happened to the old man.

“I see.”

“It’s really fate to meet here.”

“Guili is also a disciple that I often like. It’s just that I don’t have the time to seriously train her. It’s really embarrassing to talk about it.”

The old man looked apologetic.

” It’s okay, old sir. I understand. The help you’ve given me is enough for me to grow.”

Gui Li said with a smile.

“To be able to meet here, it means that the heavens have arranged for you master and disciple to plan together.”

Qin Yuan chimed in.

” With people like you in our camp, do you think we can’t do anything?!”

Gui Li smiled in embarrassment.

“I don’t know much. I don’t know if I can help you.”

“I spent my days in the laboratory. I don’t know much about the outside world.”

” It’s fine. As long as you work for our logistics company sincerely, I’ll be satisfied. We really need technological talents like you.”

Qin Yuan said with a smile, as if he did not mind.

“Can you tell me what you know?”

“Okay, let me organize my thoughts.”

Gui Li lowered her head and thought for a while.

“Any valuable clues will do.”

Qin Yuan added.

“Yes, they still have about 5,000 soldiers.”

” However, the current situation is that all the troops have run out of food. They can’t fight for a long time. Moreover, the morale of the entire army is very low.”

“In my opinion, now is the best time for you to counterattack.”

Gui Li said seriously.

Qin Yuan also frowned and nodded slightly.

This was almost the same as what he had guessed.

Now, they indeed had a certain advantage.

However, if they wanted to attack, they had to wait for Green Snake to return before they could make a decision.

“Is this the information?”

Qin Yuan continued to ask.

” Yes. If there are any other internal secrets, only Dong Zhejun and Captain Jin know about them. Outsiders like us have no right to know.”

“Captain Jin?”

Qin Yuan frowned and asked, grasping the key word.

“You don’t know him?”

“I don’t know him.”

Qin Yuan confessed.

” Oh, maybe you haven’t seen him before. He is Dong Zhejun’s most capable assistant and strategist. Almost all the military forces are under his control.”

“Alright, thank you.”

“Then you guys go ahead. I have something to do, so I’ll go back first.”

After saying that, Qin Yuan said goodbye to the master and disciple and returned to his camp.

Although he didn’t get much information from Gui Li, it was all reliable facts. Now he could confirm his next target.

Qin Yuan picked up the walkie-talkie and made a call to the green snake.

After a while, Green Snake’s voice came from the other side.

“Hello? Qin Yuan, it’s me, Green Snake.”

” I’ve already arrived near the enemy camp. It’s just as we expected. Although there are many soldiers here, they are all weak and hungry. Ten of them might not be able to defeat one of us.”

Green Snake said confidently.

“Yes, how is Weiwei? Is she with you?”

“She’s here. She just came over. Why did you let her come over? I don’t need her. If anything happens, I still have to protect her. She’ll even cause me more trouble.”

Green Snake sounded a little impatient.

“This is your master’s decision, it has nothing to do with me.”

” Moreover, at the critical moment, we don’t even know who will protect who.”

Qin Yuan chuckled.

“Hahaha! I knew there must be a reason for your arrangement.”

“Alright, I won’t talk to you anymore.”

“Now that my information has reached your mind, what should we do next?”

Green Snake asked.

“Okay, don’t act rashly. Wait for me over there. I’ll organize the team and set off for you immediately.”

Qin Yuan said seriously.

“Alright, I’m not willing to attack even if you want me to. I’m alone.”

Green Snake laughed.

“Let Weiwei answer the phone.”

Qin Yuan said.

A few seconds later.

“Hello? Captain Qin Yuan, I’m Weiwei.”

Vivian’s gentle voice came from the other end.

Chapter 910 - 910 Prepare to Set Off

“Are you there?”

Qin Yuan asked.

“Yes, I arrived long ago! I’m currently discussing with Green Snake about the future tactics!”

” What’s there to discuss? Just stay there and don’t go anywhere. Wait for me to come over. I’ll join you in killing the enemy!”

Qin Yuan said.

“You want to come over? When?”

Vivian said in surprise.

“Very soon. It will be over in half a day at most. During this period of time, you must wait for me there in peace, understand?”

Qin Yuan said seriously.

“Got it!”

After saying that, Qin Yuan turned off the walkie-talkie.

Now that Green Snake and Weiwei had settled down, they were just waiting for him and He Chenguang.

Qin Yuan did not stop and found He Chenguang.

He Chenguang was chatting with the soldiers. When he saw Qin Yuan coming over, he stood up and greeted him.

“What are you chatting about so happily?”

Qin Yuan joked as he walked.

“Let’s just talk about family matters. After all, we’ve been out for so long. I’m quite homesick.”

He Chenguang said with a smile.

“Hey, let me tell you something happy. We can launch our final counterattack against them now.”

Qin Yuan also smiled.

“Hmm? Did you get in touch with Green Snake?”

He Chenguang raised his eyebrows.

“Yes, we’ve already discussed it with him. Now, as long as we’re ready, we can set off.”

Qin Yuan said with a smile.

“Oh! This is good news!”

He Chenguang said happily.

“How is it? Is there anything we haven’t done yet?”

Qin Yuan asked.

“Did you get the thing back?”

“I got it back. I got it back a long time ago. Your things are quite heavy. I even took a closer look over there. There are quite a lot of good things in that forest.”

He Chenguang smiled.

“However, the traces of your previous fight were indeed handled perfectly. You didn’t leave any obvious traces. Even an investigation expert like me didn’t notice it immediately.”

Qin Yuan smiled and patted his shoulder.

“That’s right. This is the style of our logistics company. We don’t reveal any clues when we do things!”

“The soldiers here should have recovered by now.”

Qin Yuan continued to ask.

“Yes, after half a day of rest, my vitality has almost recovered.”

He Chenguang replied.

“We don’t have much time left.”

Qin Yuan frowned.

“The other party must have known that they messed up on Guili’s side. Moreover, they must have been holding back their anger for a long time and want to vent it on us.”

” This is the final battle. Both sides have no way out.”

” Yes, I’ve already told the soldiers about it while you were away.”

“They are already mentally prepared and are waiting for you to give the order!”

He Chenguang said confidently.

“Alright, then let’s find a time to set off!”

Qin Yuan smiled.

At this moment, everything had been arranged. Everything was ready, except for the east wind.

Then, Qin Yuan immediately gathered all the living forces of the logistics company and gathered in front of the formation.

Looking at the group of Daybreak soldiers below, Qin Yuan felt very emotional.

Those who could reach this stage were undoubtedly the elites of the elites.

Qin Yuan cleared his throat, tidied up his clothes, and walked to the leader’s platform in front of him.

“Comrades, comrades! Good afternoon!”

His voice was loud and sonorous.

“Today, I want to tell you a piece of great news!”

” Our logistics company has already met the conditions for the final battle!”

As soon as he said that, the soldiers of the logistics company below became excited and restless.

“Just now! Our Captain He Chenguang has already collected some fruits and captured some birds and beasts from the forest outside for you to eat!”

“Our current state is the best!”

Qin Yuan’s voice was excited.

” And our opponent, Daybreak, is at his weakest!”

” Our team leader, Green Snake, has cut off their food supply!”

” And we’ve also grasped their main location!”

What do you think we should do now?”

“Attack the enemy!”

The soldiers shouted in unison.

“Good! I know that all of you standing here are elites in battle and people with unique skills!”

” I hereby officially announce that tonight, we will launch our final attack on Xiao Yan!”

A wave of enthusiastic cheers immediately came from below.

“That’s great! I’ve been waiting for this day! I’m suffocating!”

“I’ve been eating tree bark and tree roots every day! There’s finally meat to eat tonight!”

“Let’s quickly finish this meal and settle this matter. Let’s go home and warm our beds!”

“I haven’t seen my parents for half a month! I miss them!”

The soldiers cheered for this exciting news.

” Dismissed. Everyone, prepare yourselves. We’ll set off after dinner!”

Qin Yuan announced loudly.

“I’ve finally waited for today.”

After the soldiers dispersed, He Chenguang came to Qin Yuan’s side.

“It’s really not easy.”

“After going through all kinds of hardships, it’s really not easy to reach this final step.”

Qin Yuan nodded.

At this time, the old man also came to their side.

“Oh, you’re already prepared.”

The old man looked at the two of them kindly.

” Old mister?!”

Qin Yuan exclaimed.

He had not told the old man about it because he was mobilizing everyone.
