

Star of Space 1000

Chapter 1000 If you have anything to say, tell me!

"I thought you were capable? But I didn't expect that you are still those poor people! They want to have ideas on us, but there is no way!"

This time, they came to the wrong place. This sister was simply unreliable and couldn't make any money out of her.

"Dad, let's go. Don't associate with this poor family in the future. It's best if you never want to interact with him until you die. I don't think Lin Changfeng can do anything. He must be lucky this time." "

He looked at his father and persuaded.

Hearing this, Old Man Yang also took a deep look at his daughter, who was still crying and looking expectantly, and then looked at Lin Changfeng, who had a straight face and didn't give them a good look at all.

Not to mention that he didn't have one hundred and eight thousand taels of silver, even if he did, he wouldn't give it to Lin Changfeng, a little red guy.

With the way he treated them just now, if he gets really prosperous in the future, will he be able to take advantage of them? Just don't push them to death.

"Alin, you really don't take me as a father seriously, do you?"

He would never believe it if the Lin family couldn't get a cent out of it. If that was true, how could there be such good tea to entertain guests?

Not to mention that there are still dried fruits in the main room. They didn't fall from the sky, right?

"Dad... I... really have no choice. I still owe money, and I have to pay it back." Yang Lin looked at Old Man Yang with tears in his eyes and said.

"snort!"

Old Man Yang snorted coldly.

"I don't want much, I just want five taels of silver. Can't your Lin family even get five taels of silver?"

"father....."

Yang Lin was about to refuse, but Mrs. Yang gave her an unceremonious push and almost fell down.

Fortunately, Lin Baiyi had quick eyesight and quick hands, and was able to hold the person back.

"Mom, what are you doing? A-Lin is still pregnant with the child. If anything happens to her, I will never end my relationship with the Yang family!" He yelled at Mrs. Yang.

Their whole family is still standing here, but this old woman dares to push his wife like this. How can she regard Yang Lin as her own daughter?

"Nonsense!"

Old Mrs. Yang took a heavy sip.

"You two heartless things, get out of here. I won't tell you. In-laws, come here and I'll tell you."

With that said, she walked towards Lin Laojie and Lu Qiubo.

Lin Laogan's face was very ugly, and he didn't bother to care about the Yang family at all, but Mrs. Yang didn't care. She only knew that this trip could not be in vain, and the money must be returned!

When Lu Qiubo saw that the old woman was actually walking towards her man, he immediately raised his feet, moved his body, stood in front of Lin Laogan, and blocked the man.

"If you have anything to say, tell me!"

she said.

"Tsk!"

Mrs. Yang glanced at Lu Qiubo and clicked her tongue, her eyes filled with disgust for Lu Qiubo.

"You are a woman, why are you standing up? Get out of here! Some things should be said in front of a man!"

Everyone: "..."

Are you a man now?

"My dear, I'm not a man, are you? What's the matter, after giving birth to several children, you have become a boss? This is really strange. I have to ask the whole village to come and take a look. , there is such a person in the Yang family!"

Lu Qiubo said bluntly.

"you--"

When Mrs. Yang heard this, a bad breath got stuck in her throat, and she almost choked to death on her own words.
