Chapter 131 I would have beaten you to death with a stick long ago

However, how could she be willing to let her idea be ruined by others? She added fuel to the fire again, and she didn't believe that Lin Changfeng could bear it.

"It seems that grandpa and grandma really sold cousin Sangsang. I don't know who she sold it to. Cousin Changfeng, you must know." She raised the corners of her lips slightly and glanced provocatively. A glance at the cliff ink lotus.

"Liu Yushui, you are hopeless, you..." Lin Changfeng became angry again, pointing at Liu Yushui and yelling.

Liu Yushui was overjoyed, thinking that as long as she worked harder, Lin Changfeng would be able to do it, but who knew...

"Brother Changfeng, what are you doing?"

A soft voice came from behind Lin Changfeng, recalling his reason.

Seeing this, Liu Yushui glared at Lin Caisang in annoyance, not caring whether he was injured by Lin Changfeng, covering his face and shouting: "Oh, cousin Changfeng, how can you hit someone?" ?"

Lin Changfeng: "..."

When did he hit someone? Did anyone see it?

"Girl, we are watching. This young man didn't even touch you with his fingers. What did he hit you with? Was it the wind blowing from his mouth?" Someone couldn't stand it anymore and asked Liu Yushui.

"Why does a seemingly good girl have such a disgusting face, calling her a cousin, but slandering her own cousin? No wonder they don't recognize you. If it were me, I would have beaten you to death with a stick.

Another person came out to avenge Lin Changfeng's injustice.

Whether Liu Yushui's words just now were serious or light, they were all in a bookstore, and everyone could hear them clearly. What she said was for sale or not, it was simply unbearable, and it was a shame that she, a girl, could say something like this.

"Mr. Zhou, is this your friend?" Someone recognized Zhou Liang and asked him.

"Well."

Zhou Liang blushed at this question.

The reason why he didn't interrupt Liu Yushui just now was because he thought it would be best to completely lose Lin Changfeng's reputation.

Although he had never taken Lin Changfeng seriously, he still had a competitive spirit, especially since Lin Changfeng was Lin Caisang's cousin, and he doted on Lin Caisang like a child.

A woman he no longer wants should be despised by everyone!

So he let Liu Yushui talk, who knew he would be tricked into it, and now he was too embarrassed to be a human being.

"Lin Caisang, I'm warning you, don't pester me again, I won't fall in love with you!" He said angrily to Lin Caisang, and then he pulled Liu Yushui and prepared to leave.

If he stays here any longer, his face will be completely disgraced.

"Ah."

Lin Caisang chuckled and stared at the backs of the two of them with sharp eyes.

Are you going to support her until death? The two people were so embarrassed that they wanted her to be 'buried' with them? How can it be that easy?

"Mr. Zhou, have you forgotten that a few days ago, your Zhou family took away the letter of divorce written by my grandpa. It was my Lin family who canceled the marriage. It was Lin Caisang who disdained you!"

"you--"

Zhou Liang's heart skipped a beat, and when he turned his head, his eyes had turned scarlet.

When the Zhou and Lin families divorced, although it was the Lin family who divorced, the Zhou family in the county had to tell the public that it was the Zhou family who had divorced in order to save their face. Who knew that this Lin Caisang was so carefree here? Just said it.

"It turns out that the Zhou family has been cancelled. Why is it different from what Mrs. Zhou said? I heard from Mrs. Zhou that it was the Zhou family who disapproved of the daughter-in-law and went to cancel the marriage."
