

Star of Space 1351

Chapter 1351 Shut your stinky mouth

"Didn't find out anything?"

Ya Jinghong put the rice bowl in front of Ban Yilu and asked calmly.

"What can I ask?"

Ban Yilu rolled her eyes and bit her lip.

"Those two women are very tight-lipped. They refuse to say anything useful to me. They even accuse me of doing this and that. They almost treat me as their slave!"

She had been working at Sui Zimo's house for a whole day and was almost exhausted. She had never done so much work in Ya Jinghong's house for so many years!

"It seems that they are also guarding against you." Ya Jinghong sat down opposite her and started eating.

"What do you mean?"

Ban Yilu didn't understand the meaning of his words, but she thought Ya Jinghong disliked her.

"Can these two idiots defend me? Do you think you are the only one who has the ability? Ya Jinghong, if you have the ability, go find out and try it?!"

"okay."

Ya Jinghong glanced at her with disgust.

"Why are you talking so loudly? I'm afraid the people next door won't hear you!"

Hearing this, Ban Yilu calmed down and put some food into his bowl angrily.

"I guess those two bitches don't know anything and will instruct me to work. I came over so late and didn't see Ya Molian come back. Do you think he might be staying at the Lin family?" ?"

She raised her doubts.

"It's possible."

Ya Jinghong replied.

Now among the Lin family, Lin Changfeng, Lin Changhong, and Lin Chushui have all left, and there are more free rooms in the house. It is possible for Sui Zimo to want to live in the Lin family.

"Then what should I do? I can't go to Lin's house to inquire about the situation, right? I can't go in either!" Ban Yilu was worried.

I don't know why Sui Zimo and Lin Caisang came back. Didn't they come to cause trouble for them? They really wanted to piss her off.

"How about we spread the word and ask about the situation?" she suggested.

Hearing this, Ya Jinghong's eyes sharpened instantly, and he glanced at Ban Yilu, as if he wanted to eat her.

"Shut up!"

Sending the news back is easy. Is this news something they can spread if they want to?

"Ban Yilu, are you brainless? Are you afraid that Yamo Lian and the others won't find out that we've been staring at them?"

At this time, Sui Zimo was in Yacun, only a small road away from them. After sending the message, could it be guaranteed that they would not be discovered by Sui Zimo?

"They don't know our identities. It's not very simple to send a message." Ban Yilu said indifferently.

Sui Zimo is not a god. This time he and Lin Caisang are back. If he has to deal with Lin Caisang's family, he may have to face the anger of that family. How could he still pay attention to them?

"you--"

Ya Jinghong was simply pissed off by her.

"You idiot, if you don't know, why don't you speak less and shut your mouth?"

he cursed.

"What's going on? Why do you always take out your anger on me recently? Have I offended you?" Ban Yilu had been facing Ya Jinghong's anger, but she was not convinced anymore and asked him.

Why should she be inferior to others? In this family these years, she has worked hard without any merit, right?

"Is it true, like Beidou said, that you are unhappy because I didn't give birth to a son for your Ya family?" she asked.

"you....."

Ya Jinghong opened his mouth, there was really nothing he could do to deal with Ban Yilu.

Chapter 1352 Are you so capable?

How long has it been and you are still thinking about having a son?

Does she know that Sui Zimo and Lin Caisang will not come back for no reason? Did she know that with Sui Zimo's identity, even if Lin Caisang was disliked by everyone, he would be able to protect her perfectly!

How could it be sent back at this time?

Moreover, it only took more than a month to get from here to Shaohua City, so it was too late.

Unless the two of them rushed back quickly.

But if it was just to send Lin Caisang back, why bother to hurry up? What's more, Sui Zimo didn't bring a single bodyguard with him, which was abnormal in itself.

"But can you blame me? We didn't really come here to live. The master ordered us to keep an eye on Yamolian. We can't wait any longer for giving birth..."

"shut up!"

Ya Jinghong couldn't stand listening anymore and shouted at Ban Yilu.

This woman is really hopeless. I can't imagine how the master could send such a woman here. He has no brains at all!

"I....."

Ban Yilu pursed her lips. Seeing him so angry, she felt that her guess was right.

"Well, actually, the master just wants us to keep an eye on it here. It's not a big deal to have a son. If you want to give birth to us, just give birth to him." She curled her lips and said with some reluctance.

In fact, she was still unwilling to give birth to a child.

But if she was pregnant with a child, it would save her from being sent by Ya Jinghong to fawn over those two bitches Beidou and Nangong Piao'er, so she felt that having a child was no big deal.

On the contrary, you can still dominate at home, which seems to be quite good.

"you this....."

Ya Jinghong was really angry to death. He threw away the job in his hand, turned around and walked out.

"Hey, where are you going?"

Ban Yilu saw him leaving and asked quickly, but she didn't get any answer from Ya Jinghong.

...

"laugh."

In another home, Ya Enxi sneered at Beidou who was eating.

"This Ban Yilu is really stupid. At this time, she is still thinking about giving birth to a son for Ya Jinghong? Do you think her master would be angry if he knew that his subordinates are so stupid? Die?"

he asked Beidou.

"Who knows?"

Beidou curled his red lips.

"Ya Jinghong went out, Yufeng and Piao'er followed. Let's eat quickly, and we'll go over and have a look later." After thinking about it, she also said.

They always felt that how could Ban Yilu alone have brought Ya Jinghong to such a point? There must be something else they didn't know about.

"good."

Ya Enxi nodded and began to eat hard.

However, after taking only two bites, he seemed to have thought of something and raised his head to look at Beidou.

"Beidou, why do I hear the meaning of Ya Jinghong and Ban Yilu's words? Ya Jinghong is the one who can cure Ban Yilu? This Ya Jinghong is a native of Yacun, and his abilities are all So big?"

Even though he had been friends with Brother Mo Lian since childhood, he still had to listen to Beidou's words in some areas. Why was this Ban Yilu so afraid of him when he came to Ya Jinghong?

This is not normal.

"I'm also thinking about this issue." Beidou also said.

The relationship between Ya Jinghong and Ban Yilu is obviously not normal.

"I don't know where Ya Jinghong has gone. Maybe we can dig something out of them this time."

Chapter 1353: So compatible?

"Um.

Ya Enxi nodded.

...

Yacun.

In the most central place, Ya Yufeng and Nangong Piao'er followed Ya Jinghong directly to a house. They watched Ya Jinghong walk in.

"How did he get here?"

Nangong Piao'er looked at Ya Yufeng with puzzled eyes.

They were very familiar with this courtyard. It was where Ya Jinghong's parents lived. Didn't Ya Jinghong and Ban Yilu dislike their parents and were kicked out?

They have also experienced this personally. Why did Ya Jinghong come to his parents when he had a quarrel with Ban Yilu?

"I'm here to guard, you go in and take a look." Ya Yufeng said to Nangong Piao'er.

There was no other way. As a man, he naturally wanted to go inside and have a look. Unfortunately, he was not as good at it as his wife, and he was afraid that the people there would find out, and then the gain would outweigh the loss.

He can only let his wife take action.

"good."

Nangong Piao'er responded and ducked in.

The whole family of Ya Jinghong's family were sitting in the main room eating. When Ya Jinghong came in, Ya's father was the first to look bad. He slapped the chopsticks in his hand on the table and glared. he.

"What are you doing back here? What's the matter? There's nothing to eat at home and you come here to get it?"

"I....."

"Okay, okay, what are you talking about? This is not your son."

Upon seeing this, Ya Mu immediately spoke, stood up and walked towards Ya Jinghong.

"Jinghong, have you eaten yet? Why don't you sit down and eat some together? We've cooked a little too much today, and you're here just in time."

"No, no need."

Ya Jinghong curled his lips and glanced at his father.

Then, he set his sights on Ya Mu and made it clear that he was here to find her.

"Er Niang, I have something to do with you." He said to Ya Mu.

"Look for me."

Ya Mu looked at her husband, and then nodded to Ya Jinghong.

"Come on, let's go to the yard and talk."

With that said, he took the lead towards the courtyard. Upon seeing this, Ya Jinghong immediately followed.

"snort!"

Ya's father was behind him and snorted coldly at Ya Jinghong.

"Can't you tell that this Ya Jinghong is really special? How can he get along so well with his second mother?" Nangong Piao'er couldn't help but murmured in a hidden place.

Ya's father's daughter-in-law is not Ya Jinghong's biological mother, but the daughter-in-law whom Ya's father married after Ya Jinghong's biological mother died.

It is said that Ya's father picked up a girl outside the village. She was considered a pretty person at that time, but Ya's father took advantage of her. Many men in the village were envious of her.

However, what she didn't understand was that it was clear that Ya's father hated his son so much just now.

But Ya's mother was so concerned about Ya Jinghong, but Ya's father didn't say a word. Could it be that there is something hidden in this?

"What's the matter with you? Why are you here at this time?" As soon as Ya Mu and Ya Jinghong came to the yard, she turned around and asked Ya Jinghong in a low voice.

"Er Niang, haven't you heard that Ya Molian and Lin Caisang are back?" Ya Jinghong asked her.

"Have you ever heard of this?"

Today, the village is full of gossip about Sui Zimo and Lin Caisang. There are all kinds of speculations.

"Did you and Yilu find out anything?" She looked at Ya Jinghong and asked.

"No."

Ya Jinghong immediately shook his head, saying no.

Chapter 1354: Being unaware of the ghosts

"Ever since Ban Yilu came, my relationship with Ya Mo Lian and the others has been very bad. You don't know this? This is all Ban Yilu's fault. She is really a woman who has a lot of success and failure!"

Thinking of that woman Ban Yilu, he wanted to slap her to death.

"I will have to deal with this woman sooner or later, don't worry." Mother Ya is also very dissatisfied with Ban Yilu and has long wanted to deal with this woman.

But now is not the time, and their place is not a very important place. The master will not think of them for a while.

"Can't you get any information over there? Where are Ya Enxi and the others? They don't know anything either?" she asked again.

"What do they know? How could you tell them about Ya Molian's things?" Ya Jinghong couldn't help but curled his lips and said.

He was indeed too anxious before and actually asked Ban Yilu to go find Beidou and Nangong Piao'er to inquire about the situation. What could he find out from those two women's mouths?

"How about going to Lin's house to inquire about it?"

he suggested.

"The Lin family? Of course we can't go!" Mother Ya said without thinking.

Sui Zimo is such a shrewd person, if they went to the Lin family to inquire, how could he not know?

I'm afraid you will immediately suspect them.

"What should we do?"

When Ya Jinghong saw what she said, he asked again.

"I always feel that Ya Molian's return this time is not that simple. Er Niang, should we pass this news back to the master? Maybe the master doesn't know about Ya Molian's return at all."

"this....."

When Ya Mu heard his proposal, she hesitated.

Now no one knows why Sui Zimo returned to Yacun, and moreover, it was only him who brought Lin Caisang back.

She had previously wondered whether Sui Zimo was fake and came to test them on purpose.

But then I thought about it, would Lin Caisang let a fake Sui Zimo be by her side? What's more, it's impossible for Sui Zimo and the others to know of their existence. She has always been very careful.

"You go back first, and when I send a message to the town, ask them to send a message to ask the master."

She still felt that the news should be passed back. Sui Zimo's return this time was really impossible without thinking about it.

"good."

Ya Jinghong responded, turned around and left.

...

An hour and a half later.

In Suizi Mo's house, a gray pigeon was caught by Beidou in her hand. She looked at her two masters.

"Master, mistress, that family in the town has been targeted by our people. Please tell me how to deal with those people," she said.

"Tsk."

Lin Caisang clicked his tongue lightly.

Who would have thought that she and Brother Mo Lian, who only came back to treat her grandfather, could actually uproot an intelligence network?

"Brother Mo Lian, I'm afraid there are more than just one or two of these people. How about picking them up directly?"

Hearing this, Sui Zimo just raised his hand and patted her head.

"Beidou, go and do it. You must be able to do it without anyone noticing." He ordered Beidou.

"etc."

Lin Caisang handed a packet of medicine in front of Beidou, and then took the pigeon in her hand.

"This pigeon is very valuable, so I'd better keep it first. Maybe it will be useful later."

Chapter 1355 Brothers who grew up together!

This pigeon was not the ones raised by Ya Mu, but the pigeons raised by the family in the hidden pile in the town. She thought, anyway, if you raise one, you can raise a group of pigeons. There is nothing wrong with raising them in the pasture space.

"Beidou, make good use of these medicines. Whether you can find anything depends on them."

"Yes, Mistress."

Beidou responded, took the medicine and left.

...

After a while, Ya Mu, Ya Jinghong and Ban Yilu were taken to the bamboo house in the forest.

The three of them didn't know what happened until they were splashed with cold water and their eyes were very confused.

"You... you..."

Ya Jinghong was the first to react. When he saw the unfamiliar environment and the Beidou people standing in front of them, he was so frightened that he couldn't even speak.

"Beidou, Nangong Piao'er, how could it be you? What do you want to do?" Ban Yi showed that he was frightened.

She never thought that she would be kidnapped by the two women she had always looked down upon, and that she would be brought to this ghost place in the middle of the night.

"woke up?"

Beidou held a whip in his hand and looked at them condescendingly.

"Then let's talk about it, who is your master and why are you sent to keep an eye on the prince? Huh?"

"I....."

"What master, what prince, we don't understand what you are talking about!"

Ban Yilu was about to open her mouth when she was interrupted by Ya Mu. She gritted her teeth and decided to ask questions.

"Don't you understand? That's great."

Beidou chuckled, turned his head, and looked at the other people on the side.

Seeing her looking towards him, Ya Enxi immediately opened the medicine bag, took out three pills from it, and stuffed them into the mouths of the three people lying on the ground.

"Well!"

Ya Jinghong wanted to grit his teeth, but how could a tied-up person be Ya Enxi's opponent? He was stuffed directly into his mouth.

Ya Mu and Ban Yi Lu were not much better either. After being stuffed with poison, they gasped for air and looked at Ya Enxi with poisoned eyes.

"Ya Enxi, what did you give us to eat?" Ya Jinghong asked in horror.

His intuition told him that the thing Ya Enxi stuffed into him just now was definitely not something good, it was definitely poison.

But now, he could only ask Ya Enxi this way, and there was nothing else he could say.

"Of course it's a good thing, you'll know later."

Ya Enxi replied to him, then stepped away and sat on a chair nearby, looking at him with a smile in her eyes.

"you--"

Ya Jinghong had a breath of bad breath stuck in his throat, and almost vomited blood out of anger.

He thought he was different from Ya Enxi and the others. When Ban Yilu was unkind to Beidou and Nangong Piao'er, he thought it was nothing. They were just two country girls anyway.

Unexpectedly, Ya Enxi and Ya Yufeng were already Sui Zimo's people.

Needless to say, Beidou and Nangong Piao'er must also be people around Sui Zimo? And it is very likely that he has always been Sui Zimo's subordinate!

"Enxi, what are you doing? If Yilu and I have offended you, you can't treat us like this? We are brothers from the same village and grew up together!"

Now that things have happened, he can't even admit that he is the one who has been staring at Sui Zimo. He can only have a relationship with Ya Enxi based on the friendship between the two of them who grew up together.

Chapter 1356 Everyone is dead

"laugh.

Ya Enxi sneered, turned his head, and looked at Beidou who had been standing.

"Brothers who grew up together? Ya Jinghong, are you kidding me? As for the relationship between you and your second mother, do you think we really don't know about it? Or do you think those people in the town can still come to save you? Can't do it?"

"you....."

When Ya Enxi mentioned those people in the town, Ya Jinghong's expression suddenly turned bad.

"How do you know..."

"Ya Jinghong, shut up!"

He was about to ask, but was interrupted by Ya Mu.

He was startled and immediately woke up, thinking that he couldn't talk nonsense. As long as he refused to admit it, Ya Enxi and Beidou would not dare to do anything to them.

People in the village disappeared all of a sudden. If his father went to report it to the officials, the officials would definitely come to check their whereabouts.

If Sui Zimo is finally found...

"If something happens to us, the government won't let you go. Ya Enxi, you'd better let us go now, otherwise, just wait for the government people to come and settle accounts with you!"

He said to Ya Enxi.

Ya Enxi: "..."

He turned his head silently and looked at Beidou.

The look in his eyes seemed to ask, under what circumstances did the master of these people find these idiots as his subordinates?

At this time, they actually still expect the government to seek justice for them?

Beidou also snorted softly, feeling a little incredible.

On the other side, Ya's mother was so angry when she heard Ya Jinghong's words. If she had known that, even if she had kicked her son out to live there and stared at Ya Molian, she wouldn't have used Ya Jinghong's words. Hong is such an idiot!

It's all her fault. She feels that her son is her biological son after all, and she doesn't want him to be involved in her mother's scheme and become a subordinate of her master.

Only then did she focus on Ya Jinghong, but she didn't expect that Ya Jinghong would be so stupid!

She gritted her teeth and glared at Ya Enxi and Beidou.

"What do you want to do to let us go?" she asked bitterly.

She didn't expect that Sui Zimo had already been targeting them before. Otherwise, Ya Jinghong wouldn't have come to her. As soon as she handed over the news, Ya Enxi and Beidou got them here. The place has come.

"It's okay to tell the truth, but do you think we will let you go?" Beidou asked Ya Mu with a smile.

Let it go?

These two words were said lightly. These people had been lingering around them, and they didn't want to pass on the news about their master, right?

Are you still thinking about asking them to let these people go?

"Since you won't let us go, and you will die, why should I tell you the truth?" Mother Ya also snorted coldly and asked Beidou.

"Tsk."

Beidou clicked his tongue and looked at Ya Mu in a funny way.

"You are really a stubborn duck with a tough mouth, and you are always a dead man. How about I... Enxi, you said, the road to Huangquan is lonely. Otherwise, how about we let Ya Jingbai go and explore the road for Aunt Ya first?"

She looked at Ya Enxi and suggested softly.

Ya was shocked and realized that the son Ya's mother had with Ya's father after she came to Ya Village was only fifteen years old now.

"How dare you!"

Ya Mu was immediately frightened by Beidou's words.

Her son is her lifeblood. If something happens to him, she will have nothing in her life, not even a person to inherit her bloodline!

Chapter 1357 They are all idiots, idiots!

"We dare?"

Beidou raised his eyebrows and looked at Ya Mu.

"Don't you think we dare? Huh?" she asked.

"you--"

Ya Mu had a bad breath stuck in her throat.

He knew very well in his heart that if Beidou and Ya Enxi were Sui Zimo's subordinates, then they would really be able to do anything.

After all, if someone like Sui Zimo wants to kill a few people, why does he need any reason?

"You...what do you want? There are so many people in Ya Village who are against Ya Molian. Why did you find us? This is impossible, we have always been very secretive!"

She really couldn't understand how Sui Zimo and the others found out?

"Ah.

Beidou chuckled lightly, turned his eyes and looked at Ban Yilu.

And Ya Enxi's eyes were also focused on Ban Yilu who didn't dare to say a word.

"It's you?!"

Mother Ya naturally understood what they meant.

She screamed at Ban Yilu, and would have pounced on Ban Yilu if she hadn't been restrained and couldn't move.

Even though she couldn't move, her cannibalistic gaze scared Ban Yilu so much that she shrank back.

"Ban Yilu, you bitches, you are a guy who fails to accomplish anything but fails more than you should. I have known for a long time that you are unreliable. Now that you are fine, you have also caused me to be shocked. You bitch, I will kill you sooner or later." Just wait and see!"

Ban Yilu must have accidentally leaked her identity when she went to inquire about the news!

Otherwise, Ban Yilu asked too many questions, which aroused the suspicion of Beidou and the others. Ya Jinghong happened to come to her, and she handed over the information, and then Beidou and the others were completely discovered.

"Ban Yilu, Ya Jinghong, you two...are idiots, idiots!"

These two people are really useless at all and will only hurt her. If she had known, if she had known, she would not have let them go to Sui Zimo's place. Wouldn't it be better to stay at home?

"Tsk, does this count as dog bites dog?" Ya Enxi looked at them and really found it funny.

We have already reached this point, and we are tied up in many ways. We don't know how to unite our own people, and we are still blaming each other. What's the use?

"Ya Jinghong, do you have anything to say? You don't want to be like your second mother, scolding there non-stop, right?"

"I....."

Ya Jinghong opened his mouth.

Turning her head, she glanced at the second mother who used to treat her like a mother, but her expression had already changed.

On the other side, Ban Yilu was already dumbfounded, let alone counting on her.

"Ya Enxi, don't try to sow discord. Although Ban Yilu has a bad temper, he won't reveal his identity. You definitely didn't get our identities from me and Ban Yilu. There must be others. Someone we didn't know was caught by you, right?"

He gritted his teeth and asked Ya Enxi.

Hearing his words, Beidou took a deep breath. Just when he was about to explain something, he was stopped by Ya Enxi.

"What's the use of spending time with them like this? Master is still waiting for us to reply to the message!" he said.

Hearing this, Beidou was stunned for a moment, and then came back to his senses.

"Still want to delay?"

She looked at Ya Mu and immediately understood that what she did so excitedly just now was entirely intentional!

"That depends on whether you have that ability!"

Chapter 1358 Go and bring the person over

"Since they want to drag it, let them drag it." Ya Enxi said, and asked Beidou to go to the other side, and the two of them actually started drinking.

This really stunned Ya Mu and Ya Jinghong.

Didn't these two people want to get information about their master from their mouths? Why didn't they ask now and went to the side to drink tea?

But soon, they knew why, because it didn't take long for their stomachs to start cramping.

The cold sweat on his face was falling drop by drop, and his clothes were soaked, and the look on his face was red because he was enduring the pain, but also because he was poisoned.

That greenish-reddish, with some purple complexion looked unusually frightened.

"ah!"

Ban Yilu was already rolling on the ground, and Ya Jinghong wasn't much better.

His face and hands were full of veins, exposed to the air, and he was rolling on the ground. He wished he could break free of his bound hands and cover his stomach.

Among the three people, Ya Mu was the most tolerant. Even though her face was not much better than the other two, she still clenched her teeth and sat there motionless.

"I don't know, I really don't know anything!"

Ban Yilu couldn't bear it anymore and spoke to Beidou and Ya Enxi.

"I'm just a little person. I really don't know anything about the master. Ask her, ask her, she knows everything!" She looked at Ya Mu and said.

"Antidote, give me the antidote, it hurts... it hurts... ah!"

"waste!"

Ya Mu glanced at Ban Yilu with her scarlet eyes.

Why would the master send such a loser? She really lost her face. She might as well have been a country brat like Ya Jinghong!

"She is trash, then who are you?"

Beidou's eyes were sharp, he raised his foot and stepped on Ya Mu directly under his foot.

"It seems that you are really not afraid if something powerful doesn't come, are you?"

"snort!"

Mother Ya snorted coldly.

So what if she was poisoned, they wouldn't kill her anyway, they just had to endure it and it would be over.

To put it another way, even if he is poisoned to death, so what?

When she was sent to this place by her master to marry an ordinary-looking man who knew nothing, she had long wanted to die. If it hadn't been for her son over the years, she would have...

"You can do whatever you want, huh, if I frown, I will die without a burial place!"

"Yeah?"

Beidou's red lips were slightly raised as he looked at this woman.

"Enxi, go and bring this person over."

"good."

Ya Enxi responded and went out.

After a while, he walked in carrying an unconscious man and threw the man to the ground with a bang.

"You...what do you want to do?"

When Ya Mu saw the man, her expression suddenly turned bad and she looked at Beidou in panic.

"He knows nothing, he is innocent, you can't do this to him!"

Do these people really have no morals at all? Ya Jingbai actually dared to arrest her son. In order to allow her son to grow up safely in Ya Village, she never revealed her identity to him at all!

"What we will do to him depends on how you cooperate with us." After Beidou said this, he took out a pill and stuffed it into the unconscious Ya Jingbai's mouth.

Then Ya Enxi brought a glass of water and poured it into Ya Jingbai's mouth.

Chapter 1359 The Queen Mother

"It's so pitiful, Ya Jingbai, who allowed you to have such a mother? If you don't suffer, who will suffer?" Ya Enxi said while filling him with water.

"No, no, you can't do this. You'll be shocked that he doesn't know anything, he doesn't know anything!"

Mother Ya watched her son being fed poison, and screamed in horror. His two eyes protruded from the outside, which was extremely terrifying.

"He doesn't know, as long as you know!" Beidou said to her.

What's the matter, do you still want them to be polite to these people who sell information about her master all day long?

Even if Ya Jingbai doesn't know anything, so what? Who gave him such a mother, then he deserves to suffer this!

"Aunt Ya, are you going to wait slowly until your son wakes up from the pain, or do you want to say it now, okay?" Ya Enxi looked at Aunt Ya, raised an eyebrow, and asked.

"You...you are not human!"

Ya Mu looked at them hatefully and said through gritted teeth.

In order to get her to talk, they really did everything they could to get her to speak. They even poisoned Jingbai who didn't know anything!

"What do you want to know? Ask quickly!" she said.

"hehe!"

Beidou chuckled.

"Wouldn't it be better to be so obedient earlier? Enxi, those two people are too noisy."

She looked at Ya Enxi and said.

Ya Enxi immediately carried one in each hand and carried out Ya Jinghong and Ban Yilu, who had been rolling on the ground and roaring.

"Okay, now it's your turn. Tell me, who is your master?" Beidou looked at Ya Mu and asked.

"It's the Queen Mother."

Ya Mu gritted her teeth and said.

"What?!"

No matter how calm Beidou was, he couldn't imagine what he heard?

Even the master and mistress could only guess about the emperor, Prince Yi and his wife, and Concubine Lian.

But I didn't expect that the person behind Ya Mu would be the Queen Mother!

"Really the Queen Mother?" she asked again.

Why doesn't she believe it? The Queen Mother? Isn't this a bit ridiculous?

"Of course."

Ya Mu said with unusual certainty.

"I am the eldest palace maid of the Queen Mother. I don't believe you can ask Prince Mo to investigate. He is very capable, so he can naturally investigate!"

"The Queen Mother!"

It turned out to be the Queen Mother, the old man who she thought was the best to her master.

Sure enough, no one in the imperial palace of Weiguo is a good person!

...

Not long after, Sui Zimo's house.

Ya Enxi and Beidou came back. They directly tapped the faint points of the people in the bamboo house before coming over to reply.

But they saw Ya Yufeng and Nangong Piao'er who were sent to the town and had also returned.

"Master, Mother Ya is from the Queen Mother." Ya Enxi said to Sui Zimo.

"The Queen Mother? Isn't she Princess Yi?"

Before Sui Zimo could react, Nangong Piao'er took over Ya Enxi's words.

"Master, those people in the town have been recruited. They are the people sent by Prince Yi."

But since this Yamu is in the same group as those people in the town, she has the same master. But now when I ask this question, it turns out...are these two groups of people?

Ya Enxi and Beidou were also stunned when they heard Nangong Piao'er's words.

"Master, this... is a little strange."

They looked at Sui Zimo at the same time, and Ya Yufeng said.

Chapter 1360 Go back home

What was going on? They were confused for a moment.

"Nothing surprising."

Sui Zimo didn't think so and chuckled lightly.

Princess Yi's ability is not small, not to mention that Prince Yi is not really as harmless as he seems on the surface.

Maybe all the news that the Queen Mother wanted to get from here these years has become Prince Yi's house, and the Queen Mother is still unaware of it.

"Continue the interrogation. There may be something else we don't know about among these people," he ordered.

"Something else?"

The four of them were stunned when they heard his order.

Could it be that in addition to the Queen Mother and Prince Yi and his wife, there are other people among these people who have bad ears and eyes? Then these people are too complicated, right? It's simply too complicated for them to imagine!

"Yes, my subordinates will do it immediately."

The four people responded at the same time and went out.

...

The next day, in Lin Laojie's room, Lin Caisang put away her silver needles and started massaging him. She didn't stop until half an hour later.

"Sang Sang, isn't it tiring to give your grandpa a massage? Grandma has learned it while watching from the side. How about grandma massages me tomorrow and you can just watch from the side?"

Lu Qiubo was watching from the side. He felt very distressed when he saw that his granddaughter was suffering from acupuncture and massage. She was so tired that she was sweating profusely every day, so he suggested it.

"Yes, Sangsang, let your grandma do it."

Lin Laogong also echoed.

Lin Caisang: "..."

As a granddaughter, do you feel tired after doing so many things for your grandpa?

Then is she still the granddaughter of two elders who love her to the core? Just rush out the door.

"Grandma, I'm not tired. This massage can't be careless. I'll do it myself. If you feel sorry for me, just make me some tortillas. I'm hungry."

She smiled and said to Lu Qiubo.

"Okay, Grandma will cook it for you right now." Upon hearing this, Lu Qiubo hurriedly responded and went to the kitchen.

After a while, Lin Caisang pushed Lin Laogong to the yard. The two sat there chatting, and Sui Zimo also walked in.

"Grandpa, Sonny, what are you talking about?" he asked.

"nothing."

Lin Caisang shook his head.

What can we talk about? Isn't it just to let her grandpa relax? This leg treatment is really not a temporary thing.

"Brother Mo Lian, sit down."

She patted the wooden bench next to her and spoke to him.

"Mo Lian, is it really okay for you to stay here and not go home?" Lin Laogan also looked at him and asked.

I heard from his granddaughter that it will take a long time to cure his leg. He can't stay home and stay with his Sangsang at that age, right?

"I'll go home in two days." Sui Zimo said.

He naturally wanted to go home, otherwise, if he had been here all this time, the people in Shaohua City would have become suspicious, and it would be inevitable that he would be discovered if he was always being punished.

"Sonny, I'm going to go into the mountains later. Take a look. Do you want me to bring something?"

He looked at Lin Caisang and asked.

Lin Caisang: "..."

Her brother Mo Lian, if you ask me what I want to bring in front of my grandpa, what can I say?

You are always going to the mountains, not the city!

"No need, right? Do you want to go into the mountains? Just in time, I will go to Menghuang Mountain later, let's go together." She suggested.
