Chapter 1591 Waste!

"City...City Lord, why are you here? Ling'er has seen the city before."

"Wan Ling'er, is that dog-shaped cat the one Meng'er gave you a few years ago?" City Lord Yun didn't have the heart to talk to Wan Ling'er so much, and pointed directly at the cat that was still with the guards. the tangled canine cat questioned.

"ah?"

Wan Ling'er was confused by City Lord Yun's question.

Turning her head and looking at the dog-shaped cat that was fighting with the guards, she squinted her eyes and couldn't remember if this was the one she had always kept by her side.

"I...I don't know, I...I haven't seen you for several months..."

She shook her head, instinctively wanting to deny it, but her intuition told her that nothing good would happen if she admitted that the dog-shaped cat in front of her was hers.

But before he finished speaking, City Lord Yun grabbed him by the collar and carried him in front of him.

"Look at me carefully, City Lord. Don't think you are the only one who knows that dog-shaped cat!" City Lord Yun's face was filled with anger.

Naturally, he could see the little bit of Xiao Jiujiu in Wan Ling'er's heart, wasn't it already written on her face?

"I....."

Wan Ling'er was so frightened that she almost cried.

If she had known that such a mess would happen, she would never have taken this dog-shaped cat from Yun Menger's hands.

At that time, she was just dissatisfied that Yun Meng'er was the daughter of City Lord Yun, why was the daughter of City Lord not her, so she wanted to give Yun Meng'er her favorite things!

And in the past few years, she had not treated the dog-shaped cat well. She treated it as Yun Meng'er every day, just a tool for her to vent her anger.

"I...seem to be so."

She wasn't sure at all, because even though the dog-shaped cat was next to her, she didn't take a close look at it.

But when facing City Lord Yun's anger, how could she dare to say no? I can only nod bravely.

"Since it is, then let it come to you." City Lord Yun let go of her and ordered.

"What?!"

Wan Ling'er heard his words and looked at him with wide eyes.

Then, she swallowed and turned to look at the dog-shaped cat that so many guards had failed to catch.

How could she find a way to get it to come over?

"No...it won't work. That dog-shaped cat won't listen to me at all."

At this moment, she really wanted to cry.

Not to mention whether that dog-type cat was the one she raised, even if it was the one she raised, it wouldn't listen to her.

"Didn't you raise it for several years? You can still have some feelings for it, right?"

City Lord Yun frowned and asked.

What's more, he looked at the dog-shaped cat, which must be very spiritual. How could he not listen to his owner when he saw her?

If Wan Ling'er, his owner of several years, doesn't even listen, then who else can this dog-shaped cat listen to?

"me....."

Wan Ling'er was speechless and didn't know what to say.

How dare she say that it was because she was not nice to the dog-type cat that it ran away.

"City Lord, the dog-type cat I raised was very disobedient. I often trained it to no avail, and finally ran away. It... really won't listen to me, City Lord."

"waste!"

City Lord Yun scolded her angrily.

What a lame excuse. Don't think he doesn't know that this dog-shaped cat has never lived a peaceful life since Wan Ling'er took it away from his daughter.

At this time, Wan Ling'er actually had the nerve to put all the blame on a pet?

Chapter 1592 Let me try

Since she is so shameless, don't blame him for being ruthless!

"Come here, go and invite Miss Yunmeng over." He ordered the guard.

"yes."

The guards heard his order and responded immediately.

However, just as he was about to go find Yunmeng, he heard a voice.

"Come, come, City Lord, my subordinates have fetched Miss Yunmeng." This was a guard beside City Lord Yun. Seeing that the City Lord sent people to find Wan Ling'er, he secretly went to invite Yunmeng.

If City Lord Yun is looking for Wan Ling'er, he might as well look for Miss Yunmeng.

"Meng'er."

City Lord Yun saw his daughter and immediately walked over.

"Father, what happened here?"

Yunmeng was panting as she walked. Before she could see clearly what was happening in front of her, she saw her father first, and she immediately asked.

"It's a bit..."

"Hey, isn't that the dog-shaped cat I gave Ling'er? Why is it here?"

Before City Lord Yun could say anything, he heard a scream coming from his daughter's mouth, and then looked at the dog-shaped cat and said.

"Meng'er, did you see clearly? Is this really your dog-shaped cat?" City Lord Yun's eyes lit up and he asked immediately.

"Yes, that's the one."

Yun Meng'er glanced at her father and nodded.

"Father, the dog-type cat you gave me is different from the others. Did you see that its eyes are red, while the eyes of other dog-type cats are brown."

She looked at the dog-shaped cat and her tone couldn't be more certain.

"It's just... that the dog-shaped cat that Ling'er said before... Ling'er, didn't you say that the dog-shaped cat is dead? Then why is it still... still there?"

Glancing at Wan Ling'er who was stunned, she asked in confusion.

"Well."

Wan Linger was choked by her question.

She couldn't say that it was because she was not good to the dog-type cat and often beat and scolded it three times a day that the dog-type cat ran away, right?

If she said this, how could Yun Meng'er play with her in the future? Maybe the two of them would never have the chance to meet again. Then how could she use Yun Meng'er's status as a good friend to show off in Yuncheng? ah?

"That...I don't know, before...before..."

"snort!"

Before Wan Ling'er could come up with an explanation, City Lord Yun snorted coldly.

"Meng'er, let's not talk about this in advance, can you calm down that dog-shaped cat?"

"this....."

Yun Meng'er looked very unhappy.

She and the dog-type cat haven't seen each other for several years, right?

Moreover, when the dog-type cat was by his side, it was just a young dog-type cat, and now it has grown so big.

She wasn't sure if the canine cat still remembered it.

"Then...let me try."

She walked forward slowly, wanting to speak to the angry dog-shaped cat.

"Mi'er, I'm Yunmeng, do you still remember...ah!"

Before she could finish her gentle words, she felt a dangerous aura coming toward her, and she screamed in fright.

"Meng'er, be careful!"

City Lord Yun was also frightened by this scene.

But it turned out that the dog-shaped cat was attacking Yun Meng'er directly, and its sharp claws were directly directed towards Yun Meng'er's face to greet her.

For a moment, all the guards became silent and gasped.

This scene happened so fast that they didn't even have time to react. The dog-shaped cat had already ducked to Yun Meng'er's side.

Chapter 1593 Kill this woman!

In the scene, there was only Wan Ling'er's eyes, which was so exciting that she couldn't help shouting in her heart: Hurry up, hurry up and scratch her face so that she can never see anyone again!

However, in this critical situation, no one noticed Wan Ling'er's expression. Everyone was focused on Yun Meng'er.

'Snapped!'

Suddenly, there was a sound of a long whip flying through the air.

The dog-shaped cat's body was hit by the Wind Spirit Whip, and it flew to the side and landed on the ground, splashing dust all over the ground.

It rolled on the ground and immediately stood up again. However, because it was hit by the wind spirit whip, a streak of blood appeared on its body, its body was trembling slightly, and its limbs were even more unsteady.

"Menger!"

Yun Bai threw the beggar to the ground and ran forward to pull Yun Meng'er to the side, where it seemed a little safer.

"City Lord, how could you bring Meng'er to such a dangerous place?"

His eyes fell on City Lord Yun, and he couldn't help but blame him.

They all knew how powerful this dog-shaped cat was, and even City Lord Yun knew it. Even if they knew it, how could they still bring Yun Meng'er here?

It's really inappropriate!

"Well."

City Lord Yun's face turned red when Yun Bai questioned him.

He was also in a hurry, so he thought of asking Meng'er to comfort the dog-shaped cat and try to stop the dog-shaped cat from causing trouble in Cloud City.

Who knew that this dog-type cat really didn't care about anything?

"Meng'er, are you okay? It's my father's fault. I shouldn't have let you come here."

"Brother Yun Bai, don't blame father. It was Meng'er who wanted to do something for the city." Yun Mengjian raised his head, looked at Yun Bai, and said softly.

It's just that she is so useless that she can't even do such a small thing well. She obviously had this dog-shaped cat before, but she doesn't even recognize her anymore.

It seems that she really failed as a person!

"Father, I'm fine, it's just..."

She turned to look at the dog-shaped cat who was looking at Lin Caisang and Sui Zimo with bared teeth.

At this moment, one of Sui Zimo's feet was stepping on the beggar's back, causing him to crawl on the ground.

As for the dog-shaped cat, seeing its owner being bullied, how could it stand still? It immediately rushed towards Sui Zimo and Lin Caisang.

"give it to me."

Lin Caisang said something to Sui Zimo, then waved the Wind Spirit Whip and walked towards him.

As long as the beggar man is not approached by the dog-shaped cat, she believes that the dog-shaped cat will never run away.

"Be careful."

Sui Zimo warned her from behind.

The Wind Spirit Whip in Lin Caisang's hand was not polite at all, and she swung it directly at the dog-shaped cat that was attacking her.

There was a 'pop' sound.

The Wind Spirit Whip landed on the ground, but it was in vain.

The dog-shaped cat is indeed capable of teleportation, making it impossible for her to hit him.

The dog-shaped cat landed on the ground, pawed on the ground with one paw, glanced fiercely at the beggar man who was stepped on by Sui Zimo, and then set its eyes on Lin Caisang, staring fiercely.

If it wants to rescue its owner, it must kill this woman!

"Woo!"

The next moment, it let out a cry and rushed towards Lin Caisang at the speed of light.

However, before it rushed in front of Lin Caisang, it flashed behind Lin Caisang, and then continued to rush towards her.

At this time, Lin Caisang seemed to have expected it all the time. Before he turned around, the Wind Spirit Whip he was waving in his hand turned around and hit him behind him.

Chapter 1594 Waste, waste!

‘Pah-chah!’

The sound of the whip entering the flesh was heard, and the dog-shaped cat was beaten out again and landed not far away.

"Brother Yunbai, that girl is so amazing." Yun Meng'er watched Lin Caisang fighting with the dog-shaped cat. She could catch the dog-shaped cat's movement with every move, and her eyes were filled with pink. little bubbles.

It would be great if she could be that powerful, but unfortunately, she can't.

"Shhh."

Yun Bai made a silencing gesture for her, signaling her not to make any sound.

Lin Caisang was invited by him and Yun Zhi from Wuzhu Teahouse. How could he be so powerful? That's it, Sui Zimo hadn't even made a move yet.

"Just watch it."

"Hmm, uh-huh.

Yun Meng'er nodded repeatedly.

After a while, the dog-shaped cat fell to the leeward, and was whipped many times by the wind spirit. It looked like the whole skin was missing, and it had a bloody feeling.

Lin Caisang took back the Wind Spirit Whip, held it in her hand, and looked at the dog-shaped cat confronting her.

The other hand was raised.

"One, two, three...down!"

Counting with one finger, when she said "Fall down," everyone saw the vicious and terrifying dog-shaped cat fall down without any defense, completely unconscious. .

"ah!"

Yun Meng'er shouted.

"Brother Yunbai, will Mi'er be okay?"

After all, this dog-shaped cat was raised by her. Although Wan Ling'er finally gave it away, it was her favorite pet.

If she was beaten to death like this, she didn't know how sad she would be.

With that said, she let go of Yun Bai's hand and ran towards the dog-shaped cat. As long as she didn't take two steps, she was stopped by Yun Bai again.

"Don't go there!"

Yun Bai's face was cold.

Who knows if the dog-shaped cat is dead? What if he pretended to be unconscious?

Lin Caisang turned around, raised an eyebrow at Sui Zimo, and then came to the dog-shaped cat with the wind spirit whip in hand.

"You take it away and put it in my yard. Remember, you can't compete with it. Do you understand?"

She ordered to the guard on the side.

They were afraid that because this dog-shaped cat caused trouble and caused the people of Yuncheng to have insufficient food, these guards would take all their anger out on it.

In fact, this big guy is also a poor master, and he is being used by others.

"Yes, girl."

Four guards came over and carried the dog-shaped cat away.

"Trash, trash!"

The beggar man looked at the dog-shaped cat being carried away, and he was so angry that he beat his hands on the ground.

He also pointed out that the dog-shaped cat could save him. Who knew that this dog-shaped cat would be so useless when facing these two people? He was subdued in just a few moves!

"waste?"

Hearing the sound, Lin Caisang strode towards the beggar man.

"Who is the loser? How about... let's have a competition?"

Besides being able to take advantage of a dog-shaped cat, what else can this stinky thing have? He is just a pathetic and vicious person!

"you....."

The beggar man raised his head with difficulty and looked at Lin Caisang.

"What do you want, why are you meddling in other people's business, what do the affairs of Yuncheng have to do with you?!"

He was so angry, why did these two people want to help the people in Yuncheng? Why on earth!

"Girl, sir, this person is..."

The dog-shaped cat was taken away, and City Lord Yun could finally breathe a sigh of relief and look at the beggar man.

Chapter 1595 Stop fighting, stop fighting

"City Lord, he is the owner of that dog-shaped cat. He used that dog-shaped cat to steal all the food in the city. Yun Bai came over and said to City Lord Yun.

"What? Is it him?"

City Lord Yun frowned and looked at the beggar man.

Didn't Lin Caisang and Sui Zimo speculate that someone was seeking revenge on him?

But he really had no impression of the beggar man in front of him at all.

How could he, a city lord, have any grudge against a beggar? Wouldn't it be a bit ridiculous to say this?

"I...I don't know him."

He raised his head and shook his head at Sui Zimo.

"You don't know him, maybe he knows you?"

Sui Zimo looked at the back of the beggar man's head and said quietly.

This beggar man was scolding City Lord Yun all the way, which made him not even want to listen. It was really unbearable.

"Take him away first and go to the city lord's palace for interrogation."

"take away."

City Lord Yun immediately ordered the guards to escort the people away.

...

In the city lord's mansion.

Not only the beggar man, but also Wan Ling'er was brought back. At this moment, she was like a clown, just like the stinking beggar man, in the yard.

However, compared to the beggar man, she was pretty good. At least she was standing, while the beggar man was kneeling.

"Tell me, why did you use that dog-shaped cat to deal with the people in Yuncheng?" Lin Caisang looked at the beggar man and asked.

"snort!"

Faced with Lin Caisang's questioning, the beggar man snorted coldly.

She's just a woman, who has the right to ask him questions? Does he have to answer when she asks?

hehe.

There was a sneer at the corner of his mouth, and he was extremely disdainful of Lin Caisang.

However, the next moment, he couldn't laugh anymore.

Because the dog-shaped cat was caught, there was no need to keep a fish tank in the warehouse, so Lin Caisang took it back.

Seeing that the beggar man was so hard-boned and refused to say anything, she directly called Hong Yin out and ordered her to beat the beggar man hard.

"Ah, ah, don't fight, don't fight, I said, I said!"

The screams lasted only a moment before Hongyin was called back by Lin Caisang.

"You really don't have to fight. Why do you want to show your backbone in front of me? Haha."

"Why do you want to deal with the people in Yuncheng?" Sui Zimo asked calmly.

"Isn't it just for revenge!"

The beggar man covered the painful part of his face, glared at City Lord Yun hatefully, and said while grinding his teeth.

Everyone in the yard followed the beggar man's gaze and looked at City Lord Yun.

"Look what I'm doing, I really don't know him..."

He is so unlucky. He obviously doesn't know him. Is this man sick? Revenge, what revenge?

"Father, I... know him."

Before City Lord Yun finished speaking, he was interrupted by his daughter.

"What?!"

He was startled and looked at Yun Meng'er.

"Meng'er, how do you know such... a person?"

Looking at the beggar man, he didn't have the shame to say that this was a human being. How could anyone let himself be so stinky and behave like this? He really lost the face of his eighteen generations of ancestors.

"Father, have you forgotten?"

Seeing that her father really couldn't be remembered, Yun Meng'er reminded him loudly.

"Four months ago, you took me to Lan Yuan Ju for dinner. When I came out, I still had Lan Yuan Ju's plain bag in my hand."

Lan Yuanmei's plain bag is the hardest thing to buy in Yuncheng. It's so fragrant that it can make people's noses fall off.

Chapter 1596 Shameless thing

After being reminded by his daughter, City Lord Yun finally remembered.

"Oh, you are the beggar who wants to snatch the plain bag from Meng'er!!!"

He looked at the beggar man with wide eyes and said.

"Yes, it's me!"

The beggar man raised his chin and looked at City Lord Yun.

"As the lord of Yun City, you are not even willing to give a bun to the people in your city, and you also ordered someone to beat me up. Do you think I should seek revenge from you?!"

City Lord Yun: "!"

Thinking of what happened that day, City Lord Yun was so angry that he wanted to kill someone.

"Don't you have any idea why I ordered someone to beat you?"

If it was really for a plain bag, would he let the guards beat him? He, the city lord, is not the kind of person who can't even afford a plain bag, right?

"what happened?"

Lin Caisang looked at City Lord Yun and asked.

Although I don't know what the situation is, looking at this beggar man, I know that this kind of person is very extreme, and he can make a big deal out of even the smallest things.

"Girl, young master, you don't know, he..."

Thinking of what happened that day, City Lord Yun was embarrassed to speak out.

"Let me tell you.

Yun Meng'er is an innocent little girl, and she has never thought about those embarrassing things.

"That day, my father and I came out of Lanyuanju. I bought some vegetarian buns and wanted to give them to Brother Yunbai. Who knew that we had just come out and before we even got on the carriage, we were struck by this...

The beggar stopped me. Neither my father nor I expected that he would be so bold and immediately snatch the plain bag from my hand.

This is for Brother Yunbai to eat, so of course I won't give it to him.

Then he grabbed me and pushed me down. He just pushed me down, and he actually... He also said that I was so beautiful, but my heart was so vicious. Seeing him as a beggar, I was not even willing to give out a few buns.

He also used his dirty hands to touch my chest and face..."

"What?!"

Yun Bai, who was standing next to her, turned pale with anger when he heard what she said.

He strode up to the beggar man and kicked him several times before stopping.

"You bastard, can you touch my Meng'er? You shameless thing, I'll beat you to death!"

Lin Caisang and Sui Zimo listened and understood the key point of this matter.

It's not just a few plain bags, nor is it a matter of begging, it's because this beggar is so shameless that he dares to touch a little girl, and in front of the little girl's father.

How is this possible? If you can even endure such a thing, then City Lord Yun, the Lord of Yun City, has done it in vain.

"Haha, this is really... the best thing to do without your face!"

If her daughter was touched by a pig's hand, she would definitely cut off the guy's hand and feed it to the pigs. How could she just order someone to beat her up and then throw her away far away?

There is only one person as kind-hearted as City Lord Yun, right?

As for this beggar man, not only did he not know his fault, he also thought that City Lord Yun Xiaoti had done something wrong, so he wanted to take revenge!

This is really true, what should she say?

"Yun Bai, stop, you scared Meng'er." City Lord Yun frowned and looked at Yun Bai and said.

He really wanted to beat this beggar man again, and beat him with his own hands.

However, he definitely didn't want to beat Yun Meng'er in front of her. He had to find a time to deal with this beggar man when she was not around.

Chapter 1597 I won't let anyone go!

"Father, I'm not scared. This man is so hateful and should be beaten!"

Yun Meng'er watched Yun Bai stop and walk towards her, fearing that he would be scolded by her father, so she hurriedly spoke.

"It's obviously his fault, how could he take my things without my consent? Even if he is a poor beggar, that's not okay. I didn't even agree to give it to him?

Also, how pitiful is he? It is impossible at all, he is simply hateful! "

She pointed at the beggar man and said word by word.

Everyone nodded after hearing Yun Meng'er's words.

Isn't it just hateful? He actually dared to extend his dirty hands to the young lady of the City Lord's Mansion. Isn't it normal for him to be beaten?

Not to mention just being beaten, even taking his life, that's fine!

"Nonsense, you are just talking nonsense!"

The beggar man listened to Yun Meng'er's words and said angrily.

"I just... I just touched you accidentally. What's the big deal? You are a woman who was born to be touched by men. What will happen if I touch you?"

He didn't feel at all that he had done anything wrong, and he was still yelling.

Women were born to be touched by men. He just saw how tender that little girl was and couldn't help but touch her. Is there anything wrong with her?

At worst, he asked that little girl to touch her back. Why did she beat him so hard?

"I am already very pitiful for being a beggar. I have to be looked down upon by others every day. As the city lord, you still order people to beat me. You are so heartless! People like you are not worthy of being the city lord of Yun City!"

He yelled at City Lord Yun.

Everyone: "..."

Can they rush forward and give this shameless guy another beating to relieve his anger?

What does it mean that women are born to be touched by men? What's the point?

Although most of the people present were guards at the City Lord's Mansion, they were not all young men. They all had wives and children at home, and quite a few had daughters.

Thinking that if my daughter encounters such a thing in the future, then...

"This bitch is really extremely mean."

Lin Caisang looked at the beggar steadily and said while grinding his teeth.

Sui Zimo just raised his eyes, glanced at the little girl, then raised his hand and patted her head.

"How did that dog-shaped cat come to you?" he asked.

If you want to vent your anger, you will have plenty of time later. What you need now is to ask about the dog-shaped cat.

"hehe."

Thinking of the dog-shaped cat, the beggar man laughed.

"Don't be complacent. If you attack me today, I will pay you back one by one sooner or later!"

He still has the dog-shaped cat. Although he knows that it was beaten and ripped off by Lin Caisang, he knows that it is not dead yet. As long as it is not dead, he will definitely be able to rescue his owner.

When the time comes, he will make all of these people kneel at his feet and cry!

If you dare to attack him, he will not let any of these people go!

"Ah."

Listening to his words, Lin Caisang really wanted to laugh.

"Hongyin, hit him."

He directly ordered Hong Yin, and the next moment, Hong Yin's fist hit the man's face and body unceremoniously.

"Ah, don't hit, don't hit, I was wrong, I was really wrong, I shut up, I won't say anything anymore." The beggar man has always been a boneless man, and he was beaten only a few times by Hongyin. Unable to hold on any longer, he begged for mercy.

Chapter 1598 Bitch!

"laugh.

Lin Caisang sneered.

"Hongyin, come back."

She called Hongyin back, and then looked at the beggar man intently.

"If you let me hear something I shouldn't hear from a bitch like you again, I will kill you!"

As she said that, her eyes were sharp, and her look was like a knife cutting the beggar man's flesh. In fact, the beggar man was really in pain.

"No, I don't dare anymore, I don't dare anymore."

The beggar man shivered and glanced at Lin Caisang carefully.

This woman was really cruel. She could do such a thing to a poor beggar like him. His whole body hurt, and every bone seemed to be broken.

"Answer the question just now."

Lin Caisang shouted at him.

"What did you say just now?"

After the beggar man was beaten, it took him a while to remember that Sui Zimo had asked him a question just now.

He swallowed and turned his attention to Wan Ling'er.

"You, what do you see me doing? What does it have to do with me?"

Wan Ling'er felt the beggar man's eyes looking at her, and immediately jumped a big step to the side, wanting to distance herself from the matter.

In fact, she thought to herself that this matter had nothing to do with her. The dog-shaped cat was stolen by this beggar man, and she was not willing to give it to him.

"City Lord, Meng'er, you have to believe me, this has nothing to do with me, Meng'er, I just didn't want to make you sad, so I said that the dog-shaped cat was dead. Think about it, if I said the dog-shaped cat If it's lost, you must look for it."

She looked at Yun Meng'er and said it so sincerely that even she almost believed it.

"Ling'er, do you remember the name of that dog-shaped cat?" Yun Meng'er asked Wan Ling'er in a faint voice.

"Well."

Wan Ling'er choked hard at her light words.

How could she remember the names of those dog-shaped cats? The names were given by Yun Meng'er. She hated Yun Meng'er to death, and hated Yun Meng'er to death. How could she possibly remember the names Yun Meng'er gave to the dog-shaped cats? Woolen cloth?

"This...this...I forgot, but I gave it a new name, called..."

"Bitch girl!"

Before she could finish her words, she was picked up by the beggar man.

"you....."

Wan Ling'er was frightened by these three words, and her lips trembled violently.

"You're talking nonsense, I didn't..."

"Why am I talking nonsense?"

The beggar man suddenly became angry when he saw that she actually accused him.

"I used to live in the hut in the alley of your house. Every day I could hear you calling the dog-shaped cat 'you're a bitch, you're a bitch, you're a bitch', and you would beat and scold it several times a day without giving it food. On heavy rainy days, he slept in the rain.

Which of your neighbors doesn't know this, and who hasn't seen you abusing that canine cat?

If you don't believe it, you can go to her house and ask about it. Is it what I said? If she was really nice to that dog-type cat, would the dog-type cat still be able to follow me? "

"you you....."

At this time, Wan Ling'er couldn't say a word.

She secretly glanced sideways at Yun Meng'er, and saw that her expression at the moment was also very bad.

"Meng'er, please listen to my explanation. It's really the dog-shaped cat that's disobedient. That's why I wanted to discipline it. I didn't expect it to run away..."

Chapter 1599 Do you still want the future?

She hurriedly explained that she must not lose Yun Meng'er as a friend. Even if Yun Meng'er was no longer close to her, she could still ask Yun Meng'er for help if something happened in the future.

But if Yun Meng'er knew that she took Yun Meng'er's dog-shaped cat just to vent her anger, what would she do?

She absolutely cannot allow such a thing to happen!

"It has a name, it's called Mi'er." Yun Meng'er said coldly to Wan Ling'er.

"Well."

Wan Ling'er choked at her words and thought to herself, who cares what the name of that beast is? !

But at this moment, she could only smile at Yun Menger.

"Ah, I remembered, it is indeed called Mil, called Mil."

"Besides, Miriam is not female."

Yun Meng'er said something to Wan Ling'er again.

Since Mi'er is not a female, why did Wan Ling'er call Mi'er a bitch?

At the beginning, maybe she still couldn't figure it out, but looking at Wan Ling'er's guilty eyes and stiff face, what else could she not guess?

I'm afraid that Wan Ling'er calls her a cheap girl. She doesn't want to call her Mi'er, but wants to call her Yun Meng'er, right?

"Wan Ling'er, you've been calling me a bitch to my daughter for the past few years. You must have been very happy, right?"

She asked Wan Ling'er with a bad look on her face.

Although everyone thinks she is still young and does not understand many things, but in fact, she is really not young, okay?

She could still figure out many things if she thought about them carefully.

For example, her father often told her to have less contact with Wan Ling'er.

But her friend in Yuncheng was not just Wan Ling'er. Why didn't her father let her have less contact with other friends, just Wan Ling'er?

This has to explain a problem. There is definitely something wrong with Wan Ling'er!

"I....."

Wan Ling'er kept mumbling and didn't speak.

At this moment, she really regretted why she had to speak so openly. Even if she kept all her dissatisfaction in her heart, it was okay.

Others were envious that she had made friends with Yun Meng'er, the city lord's daughter. They had no chance to make friends with her even if they wanted to.

And she actually ruined such a good move!

"Meng'er, I was wrong. I really know I was wrong. I will never do it again. Can you forgive me?"

Knowing that this matter could not be concealed, she immediately apologized to Yun Menger.

Yun Meng'er's temper could not be softer. As long as she apologizes, Yun Meng'er will definitely forgive her. If she doesn't forgive her, it means that the city lord's daughter has no tolerance!

"Do you still want the future?"

Yun Bai frowned and looked at Wan Ling'er.

In fact, in the entire city lord's palace, except for Yun Meng'er, no one else is optimistic about Wan Ling'er.

It's just that Yun Meng'er likes her, so they have no choice but to minimize the chances of Wan Ling'er coming into contact with Yun Meng'er, so that Yun Meng'er won't be led astray by Wan Ling'er.

"Wan Ling'er is not allowed to enter the City Lord's Mansion from now on. Do you all hear clearly?" City Lord Yun ordered the guards in the yard.

"No, City Lord, Meng'er, I really know I was wrong, I..."

Wan Ling'er screamed miserably and hurriedly stepped forward, trying to pull Yun Meng'er's sleeves, but how could Lord Yun and Yun Bai give her such a chance.

City Lord Yun winked at the guards, and two guards came out and took Wan Ling'er into custody.

Chapter 1600: What is the use of the Qiqiao Pearl...?

"Throw it out.

City Lord Yun ordered.

"Yes, City Lord."

The guard responded and immediately escorted Wan Ling'er away.

Wan Ling'er was still there, screaming and refusing to leave, calling Yun Meng'er's name again and again.

But at this moment, no one would pay attention to Wan Ling'er anymore. They would all focus on the beggar man, staring at him until his scalp went numb.

"You...what do you want to do?"

He trembled and hugged his body, retreating in fear.

"I've... already told the truth, what else do you want?"

...

Finally, beggar men will definitely not be treated well.

However, he was not thrown out of Yun City by City Lord Yun, but found a place that was most suitable for him.

There were also smelly ditches in Yuncheng City, so Lord Yun City ordered someone to escort him. The beggar man's daily task was to clean up those smelly ditches and clean up the environment in Yuncheng City.

And all the missing grains were found.

Now that the warehouses could no longer be piled up, City Lord Yun distributed all the extra food to the people in the city with a wave of his hand.

Everyone's face was cheerful and laughing non-stop.

Lin Caisang and Sui Zimo did not leave Yuncheng immediately. Instead, they closed the door and looked at the stunned dog-shaped cat in the yard prepared for them by the Lord of Yuncheng.

"Sonny, you said that the reason why it can do magic is because it swallowed a Seven-Aperture Pearl?"

Sui Zimo stared at the dog-shaped cat in the yard and asked Lin Caisang.

"Um."

Lin Caisang nodded vigorously.

"This is what Jinzhu told me. There is a Seven-Aperture Pearl in this dog-shaped cat's body, and we must take out the Seven-Aperture Pearl."

This is why even though a virtual task has been completed and she can take a break and go home to see her two younger brothers, she still has to stay in the virtual space.

It is because of this Seven-Aperture Bead that you absolutely cannot miss it.

"Seven Aperture Pearl...what is it used for?"

Sui Zimo looked at her and asked.

"I don't know either."

Lin Caisang shook her head. She was also very confused.

She didn't even know what the Qiqiao Pearl was, so how could she know what it was used for?

"The Golden Pearl Order has no other information, it just says that the Seven Aperture Pearl must be obtained."

"That....."

Sui Zimo drew out his long sword directly.

"Wait, Brother Melian, what do you want to do?"

Lin Caisang looked at his movements and almost slashed the dog-shaped cat's belly with his long sword, and hurriedly stopped him.

"Take the Qiqiao Pearl." Sui Zimo replied.

Lin Caisang: "..."

She looked at Sui Zimo speechlessly, then shook her head.

"Brother Mo Lian, even if you want to take the Seven Aperture Pearl, you can't kill any living being."

This dog-shaped cat was always innocent, so killing her like this would definitely not work. Moreover, she was afraid that the little girl named Yunmeng in the city lord's mansion would jump out and make trouble with them.

This dog-shaped cat is her pet!

"Don't cut it randomly yet. I'll perform a small operation on it and take out the Qiqiao Pearl."

She didn't know what the use of the Seven-Aperture Pearl was. She asked Jin Zhuling about it, but she didn't get an answer. She just said it was very important.

Very important? Is it important to the Golden Pearl Space, or is it important to her, the owner of the Golden Pearl Space?

Only Jin Zhuling himself knew the answer.

...

Two hours later, Sui Zimo accompanied Lin Caisang and finally cut out the Qiqiao Pearl from the belly of the dog-shaped cat.

Looking at the blood-like bead on the plate, Lin Caisang was speechless.
