

Star of Space 1701

Chapter 1701 I am in pain, I am about to die of pain

"Ah, ah, don't pull, my hand... my hand is broken, my hand is going to be broken, it hurts!"

In just a moment, Yue Tianhao's face was already filled with tears and he turned into a little tearful person.

He was just listening to people making noises and wanted to give the bumpkin who just arrived at their house a showdown, but he didn't want to lose his hand!

"This...how could this happen?"

Yue Tianze quickly let go of his hand and panicked when he looked at his brother's hand that was not in the courtyard.

When did their courtyard gate become like this, and they even start eating people's hands?

"Hurry up and help, come here quickly... No, why don't you go ask your father and mother to come quickly? Go quickly!"

It is useless to rely on these servants. For such a difficult matter, only by inviting father and mother can we come up with a solution.

"Second brother, are my hands useless? I don't want to be one-handed. Second brother, save me, save me." At this moment, Yue Tianhao felt unprecedentedly scared and cried to Yue Tianze. .

If I had known he wouldn't have come here, it's not fun at all, it's so scary.

"Don't be afraid, third brother, father and mother will be here soon. They will get your hand out. It will be fine." Yue Tianze comforted you.

"How about, second brother and third brother, let's call Yue Chushui inside and ask him to help third brother get his hand out?" Yue Tianyu on the side suggested.

"No, I don't want it!"

Hearing the words Yue Chushui, Yue Tianhao cried even harder.

He came here just to bring bad luck to Yue Chushui. If Yue Chushui came out, he shouldn't take it out on him.

Maybe then it won't be just one hand, but half his body. His whole body will be thrown into this door. I don't know how he died by then.

"Second brother, don't call him, you can't call him."

"Okay, okay, don't scream, my name is not Yue Chushui." Yue Tianze hurriedly comforted.

Soon, upon hearing that something had happened to their son, Yue Chong and Luo Mianyi hurried over.

Seeing her son become like this, Luo Mianyi felt distressed in her heart. She kept comforting Yue Tianhao, but in her heart she had scolded Yue Chushui countless times.

"What's going on? How did you get here?"

No matter how partial Yue Chong was to these two sons, he still knew that he had to ask clearly first.

"Uncle, aunt, is the third brother. He wanted to come to see Chu Shui, so he asked us to come together." Yue Tianyu hurriedly explained after hearing what he said.

"Uuuuuuuuuuuuuuuuuuu Dad, please save me, save me, I hurt, I hurt." Yue Tianhao cried to Yue Chong.

At this time, no one cared about whether Yue Tianyu's words were correct, they only cared about Yue Tianhao, a child who was imprisoned by someone who didn't know what.

"Why are you asking these questions at this time? Rescue Hao'er quickly." Luo Mianyi looked at Yue Chong reproachfully and said.

"Hao'er, wait a minute. Mother will use her spiritual power to get rid of these things. You..."

"ah!"

As soon as Luo Mianyi used her spiritual power, she heard her son's scream.

She quickly took her hand back.

"Hao'er, what's wrong with you? Does it hurt?"

"Mother, please save me. I'm in pain. I'm about to die of pain. What is this? It's so scary. Will I die?" Yue Tianhao cried so hard.

He was really regretting it to death. Why did he have to come to this place?

Chapter 1702 Have you ever called me big brother?

"No, no, what are you talking about? Your father is here, he will save you, and you will be fine.

Luo Mianyi was so flustered that she couldn't even speak quickly and turned to look at Yue Chong.

"Brother Chong, why are you still standing there? Haven't you seen Hao'er in such pain? Hurry up and save him."

Yue Chong couldn't help but roll his eyes when he saw Luo Mianyi like this.

Didn't he move just now? He also used his spiritual power, but even if he tried to pull him away, he couldn't pull him out. Moreover, as soon as he passed the door and leaned into the courtyard, he felt like something wanted to suck him in.

He had no choice but to move further away.

"Where's Chu Shui? Haven't you seen him?"

He asked Yue Tianze.

"No, I haven't seen him... brother Yue." Yue Tianze replied.

The third brother screamed so loudly just now that it could have been heard far away, but there was no movement at all in the yard.

If Yue Chushui didn't hear it, it would be impossible for him to believe it. He must have deliberately not come out, right?

"Chu Shui, are you in the yard? Chu Shui."

Yue Chong had no choice but to shout towards the yard.

He also knew that since he returned to the Yuezhi clan, he and his eldest son had become even more inseparable.

"Chu Shui, please come out. Dad has something to do with you."

In the room, Yue Chushui, who was meditating, opened his eyes and sighed softly.

Putting on his shoes, he opened the door to the courtyard and walked towards the courtyard door. The next moment, everyone saw Yue Lin Chushui walking directly from the courtyard door. The courtyard door did not even need to be opened.

"Father, it's so late, why do you want to see me?" He directly looked at Yue Chong and asked.

"Well."

Yue Chong choked at his words.

I thought to myself, if it's okay, as a father, couldn't he come and talk to his son for a while?

But now is really not the time to say anything else. He looked at Yue Tianhao anxiously.

"Chu Shui, you..."

"Yue Chushui, what's wrong with you? Your third brother came to see you. Why did you make him look like this? Do you still act like an older brother?" Before Yue Chong could speak, Luo Mianyi beside him asked. Angrily, he lectured Yue Chushui.

After hearing Luo Mianyi's words, Yue Chushui just frowned and moved his eyes from Yue Chong to Luo Mianyi.

"Mom, when you asked me this question, did you ask the second and third brothers if they considered me their elder brother? Or, did you hear them call me big brother?"

he asked coolly.

"I....."

Luo Mianyi opened her mouth, unable to refute anything.

"Then you can't hurt your brother like this. Look how much you hurt your brother?"

Hearing this, Yue Chushui even sneered and turned to Yue Tianhao.

"Are you in pain?"

"It hurts, I hurt, dad, mom, I hurt..."

Yue Tianhao continued to cry, he was really scared.

"Why do you feel pain? This thing of mine can only imprison people. Even if I throw your whole body in, it won't hurt you. Let me ask you, Yue Tianhao, where do you feel pain?"

Yue Chushui asked him coldly.

As early as when he was in the room, he heard Yue Tianhao's ghostly roars and screams, which really made him laugh.

"I....."

Yue Tianhao opened his mouth when he was reminded like this.

But soon, he felt it himself, and then looked at his parents with a blank expression.

"Dad, Mom, it seems...it doesn't really hurt, hehe."

After saying that, he even giggled twice.

Chapter 1703. All the eating, drinking, and diarrhea are here.

Yue Chong: "..."

Luo Mianyi: "!!!"

This son, she really wanted to slap him and knock him unconscious.

Doesn't it hurt that you screamed so miserably just now? Does he still look like the third son of the Yuezhi clan?

"I don't feel any pain, then get me off."

Yue Tianhao ordered Yue Chushui matter-of-factly.

Hearing this, Yue Chushui shook his head, thinking that he was still a child after all. Looking at Yue Tianhao's silly look reminded him of Lin Changyi.

With a slight sigh, he took out a porcelain bottle from his waist, opened the lid, and dropped a drop of the potion on the courtyard door. The next moment, he directly took Yue Tianhao out.

"I came out? I actually came out?"

Yue Tianhao turned around in a circle, then looked at his imprisoned hand, and then turned to look at Yue Chushui.

"It's disgusting that I'm so simple. This door..."

As he spoke, his somewhat chubby hand wanted to poke at the courtyard door to see if he could come out again.

However, before he could get close, he was slapped back by an outstretched palm.

"What are you doing!"

He glared at Yue Chushui angrily.

"It's not what I want to do, it's probably you who want to suffer." Yue Chushui narrowed his eyes and spoke to him.

"If you go in again, I won't save you. Of course, you won't die. You will be imprisoned at the gate of this courtyard from now on. You will have three meals a day, eat, drink and have sex here. What do you think of this? Like? Huh?"

"What?!"

Yue Tianhao was almost frightened and had a heart attack. He hurriedly hugged his body, took a few steps back, and hid in his mother's arms.

"Chu Shui, what did you do on the door of your courtyard? How can others get in?" Yue Chong looked at his son unhappily and asked coldly.

"Of course it's for self-defense."

Yue Chushui turned around and looked at Yue Chong.

"Father, I am the only one in this courtyard. No one comes here on weekdays, and I have no spiritual power. You don't think I am safe alone in this courtyard, do you?"

He asked Yue Chong.

"I....."

Yue Chong opened his mouth, not knowing how to reply.

"You kid, didn't you kick out all the servants that day? Why are you blaming your father now?" Luo Mianyi looked at Yue Chushui reproachfully and said.

"Who knows who sent those servants? I don't want to die early." Yue Chushui chuckled, looked at Luo Mianyi seriously, and said.

"this....."

Luo Mianyi had nothing to say.

People's hearts are unpredictable these days, and she doesn't dare to force anyone on Yue Chushui, and end up with a mean reputation.

Although Yue Chushui is nominally her son, many people in the Yue family still know that Yue Chushui is her sister's son. If she doesn't do well, she will definitely be criticized by outsiders.

Even if she really didn't want to see Yue Chushui, she still had to pretend to be a loving mother.

"Even if you don't like them, then one day, mother will personally select a few for you..."

"No need, mother."

Yue Chushui shook his head and interrupted her words directly.

"I can live a good life by myself. I did it this way when I was in the deserted land, and I can do the same here. There is nothing that can be changed, and there is no need to change it."

He sent those servants and maids out not entirely because the identities of those people were unclear.

Chapter 1704 Too lazy to meet you!

But he is alone in the yard, it is more peaceful, and he can do whatever he wants to do by himself, how nice it is.

"Also, my dear third brother, my courtyard is too remote. It would be better for you to come less often in the future. After all, it is really embarrassing to eat, drink and defecate near the courtyard gate."

"you--"

In Yue Tianhao's mind, it was called eating alone.

What does it mean to eat, drink, and have diarrhea by the courtyard gate? Do you want to say it so harshly?

"Huh, I'm too lazy to get to know you!"

"Father, if there is nothing wrong with you, then I will go back first. It is already getting late, and my body is not as good as those of you spiritual cultivators. It is time to rest, otherwise I will really be unbearable."

Yue Chushui looked at Yue Chong and said lightly.

"You go back."

What else could Yue Chong say? That was all he could do today.

...

"Old mistress, I have gone to investigate. Today's incident involving the Third Young Master, although on the surface it seems that the Third Young Master wants to cause trouble for the Eldest Young Master, secretly it is Young Master Tianyu who is responsible for it."

A nun stood in front of Madam Yue and said to her.

"Yue Tianyu..."

Mrs. Yue frowned slightly, her face was very unhappy.

"You go to the front yard and tell the head of the family that it was me who said it. Since Tian Yu is not from the Yue family, let him take the surname Lin from today on."

She ordered to grandma.

Hearing this, Grandma raised her eyes and glanced at Madam Yue.

"Yes, old mistress."

Although the old mistress said that she would no longer make decisions for the eldest son, but something happened to the eldest son, the old mistress directly took action on the eldest son.

However, this is understandable. The old mistress has always been very clear about the distance between people. How could she have wronged her grandson for the sake of a child who is not from the Yue family?

She backed away.

...

On the other side, in Luo Mianyi's yard.

"Brother Chong, this kid Chu Shui is too disrespectful. You have to talk to him properly in the future."

Luo Mianyi was giving Yue Chushui eye drops next to her husband. Her son had suffered a loss from Yue Chushui today, and she had to get back this laughter no matter what.

But looking at Yue Chong, he glanced at Luo Mianyi indifferently.

"Chu Shui has just come back. As a mother, please stop being so harsh to him."

Today's son's attitude towards him as a father is indeed not good, but if you think about it carefully, if his own father ignored him, I'm afraid his attitude wouldn't be much better, right?

Moreover, my son has only been back for a few days, and he has not been with him day and night for many years.

Thinking about it this way, Yue Chushui's attitude towards him was actually quite good.

Luo Mianyi: "..."

After being held back by her husband, she felt even more unconvinced.

"Then he can't treat Haotian like this, that's his biological brother!"

"Chu Shui is right. Have Ze'er and Hao'er ever regarded Chu Shui as their biological brother? This family affection is mutual. When you ask Chu Shui, you can also use the requirements of your peers to restrain Ze'er and Hao'er. , sleepiness?"

Yue Chong asked her back.

"I....."

Luo Mianyi opened her mouth, not knowing what to say.

"Master, the nanny from the old mistress's side is here."

Suddenly, the guard's voice sounded outside the door, making the couple startled at the same time.

"Why did mother send someone here?" And it was still at this time.

Yue Chong immediately stood up and walked outside. Soon, Luo Mianyi heard the voice of her nanny outside the door.

Chapter 1705 Changed identity, surnamed Lin!

"Master, the old mistress has sent a slave to tell you a message. What she means is that since the Third Young Master has been found, the identity of the Royal Young Master that day should be changed. His original surname is Lin. Then you can no longer have the Yuezhi surname.

After hearing what Mammy said, Yue Chong was shocked.

He also found out why Hao'er went to Chu Shui's yard before, and it was Tian Yuqi who was responsible.

It seems that the old lady knows everything and is ready to support Chu Shui!

"Okay, I'll bother you, mama, to go back and report to mother. I'll take care of this tomorrow." Simply speaking, Yue Tianyu was not from the Yue family, and it didn't matter what his surname would be in the future.

But Luo Mianyi in the room almost bit her silver teeth into pieces.

That old immortal thing was actually willing to stand up for Yue Chushui. She thought that after Yue Chushui contradicted Mrs. Yue in public at the dinner that day, she would never look at Yue Chushui again!

But I didn't expect...

After all, Yue Chushui was also her grandson, so it was impossible to ignore him.

But isn't her child the immortal grandson? She also gave birth to two sons for Yue Chong!

Why is that old immortal so biased? Why can't he just hold a bowl of water flat? !

...

the next day.

When Yue Tianyu heard Yue Chong talking to him about changing his surname in front of everyone, he was completely confused.

"Uncle, I..."

He doesn't want to change his surname at all. If he changes the surname "Yue", how will he live in the Yue family in the future?

However, under Yue Chong's gaze, he was unable to say a single word.

He knew that Yue Chong knew about yesterday's incident when he coaxed Tianhao to go to Yue Chushui's yard to cause trouble, and that's why today's incident happened.

But he really didn't expect that Yue Chong would be so cruel and even asked him to change his surname!

Doesn't this push him to a dead end?

Seeing that Yue Chong left after talking to him because he had something to do, his mouth was full of bitterness.

At this time, he really regretted it.

If he had known that yesterday, Peng Tianhao would fall into the hands of Yue Lin Chushui and bring the matter to Yue Chong, he would never have coaxed people to go to Yue Lin Chushui's yard.

He has shot himself in the foot by lifting a rock.

"Brother, your surname will no longer be Yue?"

Yue Tianhao learned to read in the school building with Yue Tianyu. When he heard his father's words, he was confused at a young age.

After hearing his words, Yue Tianyu was not in the mood to answer. He just pursed his lips.

When he didn't get an answer, Yue Tianhao turned to look at his second brother Yue Tianze.

"Second brother, can you change your surname if you want?"

he asks.

"Of course the surnames of ordinary people cannot be changed." Yue Tianze thought for a while and explained to his brother.

"Then why does the eldest brother's surname need to be changed?" Yue Tianhao still didn't understand.

What did his father think? Why did he want his eldest brother to change his surname? What would his surname be?

"Because the eldest brother is not my father's biological son. The eldest brother...oh, no, he should be called Brother Lin now. I heard from the nanny that when he was young, Brother Lin had the wrong eldest brother with us. He was brought back by the wrong person. of."

Yue Tianze explained.

"ah?"

Yue Tianhao stretched his face.

"Oh, I know, it's the one in the new yard. Mother asked me to call him brother Chu Shui."

He remembered that Yue Chushui, who almost caused him to lose his hands before, was his biological brother?

Chapter 1706 When is the end?

"Yes, that's Brother Chu Shui." Yue Tianze nodded.

He is a bit older than Yue Tianhao and is not so easy to coax, so the words Yue Tianyu sometimes says go in one ear and out the other.

Of course, this also proves that he is not as stupid as his third brother, right?

"He is our biological brother. Father and mother just found him."

"So, second brother, you mean that we should be closer to brother Chu Shui in the future, right?" Yue Tianhao asked the second brother, tilting his head slightly.

"It seems like that." Yue Tianze nodded.

The teacher has always taught them to be respectful to brothers, friends, and brothers. Is that what it means?

"Then how about we go and play with Brother Chu Shui later?"

Yue Tianhao is really still young, and he just thinks about it. He suffered a loss from Yue Chushui yesterday, and today he wants to go to his place to play.

Yue Tianze: "..."

He looked at his third brother speechlessly.

"Third brother, aren't you afraid of the cannibal gate in Brother Chu Shui's house? You just said you would have nightmares tonight."

he reminded.

"Oh, then I don't know that he is my eldest brother. Second brother, do you think my eldest brother can harm me?" Yue Tianhao said with an innocent look.

"Too."

Yue Tianze nodded, feeling that his third brother was right.

"Then we'll go tomorrow morning."

On the side, Yue Tianyu listened to the words of the two brothers, his whole body was filled with gloom.

These two little guys were supposed to be his younger brothers. Why did everything change so soon after?

It's all Yue Chushui, why did he come back and take away everything that should belong to him!

He put his hands in his sleeves and squeezed them tightly.

...

In the Golden Pearl Space, another five days passed.

"When will this kind of day end?"

Lin Caisang looked at the sky speechlessly, lying on a table. They were all paintings she had painted, but they all had one thing in common, that is... they were all painted with Sui Zimo.

"Ziyou, how are you spending your time here?"

She looked at Sui Ziyou who was walking towards them from a distance and asked.

She had only been here for twenty days, and she already felt like she was going crazy. How long had Sui Ziyou been here? Did she really not miss the colorful world outside?

"It's pretty good here."

Sui Ziyou came over and said.

I usually talk to the animals for a while, and when I get bored, I go to plant some grass, plant some medicinal materials, etc. How nice.

"Sister-in-law, you are too impatient and want to go out."

Lin Caisang was so anxious because he was anxious about what he wanted to do outside.

But she is different. Her external affairs are all over. Apart from that hatred, what else is there?

Of course, Brother Zimo and sister-in-law will avenge her hatred. The only downside is that she can no longer see Jiang Zuo often.

But she is already very content. It is better not to see her often than never to see her in her lifetime, right?

"Yeah?"

Lin Caisang pursed her lips and looked at Sui Zimo.

"Brother Mo Lian, do you think so too? Am I really too impatient?"

"Um."

Sui Zimo nodded.

"Don't worry, when we can come out, we will be able to come out."

"Then I'm really anxious..."

Before Lin Caisang finished speaking, she felt a violent shaking under her feet, which made her head dizzy.

"Mo...Brother Mo Lian..."

Chapter 1707 The one who jumps should be the emperor

"Sonny, be careful.

Sui Zimo directly reached out and pulled her into his arms, but he couldn't stop the shaking of the space, which became more and more violent.

Not long after, in the front yard of Prince Mo's Mansion.

The two dusty men rolled out of nowhere. Jiang Zuo, who had just come in from outside, was so frightened that he almost stepped on them.

"Who dares to break into Prince Mo's Mansion? Come and arrest him..."

"Jiang Zuo, you are looking for death!"

When Lin Caisang heard his voice, he actually dared to call the guards to arrest them, and he was so angry that he scolded them.

"Well."

Jiang Zuo was stunned and looked at the two of them carefully, but still couldn't see the reason.

"Why does this voice sound so familiar?"

It's so strange. I seem to have heard this voice somewhere before. It's really familiar.

Lin Caisang: "..."

Is this Jiang Zuo too idle and stupid?

"Your Majesty, Miss Lin, where did you two come from?" Ban Wu rushed over after hearing the commotion, and asked quickly when he saw the person whose body was covered with no trace of his original shape.

"hiss!"

Jiang Zuo gasped.

"Your Majesty, Miss Lin? Ban Wu, do you think these two people are..."

Their prince and mistress!

But where did these two people go? How could they be so virtuous?

"puff!"

Lin Caisang turned his eyes, looked at Sui Zimo, then looked at the white clothes on his body, and couldn't help but laugh.

"Go down and get ready."

Sui Zimo just gave instructions to Ban Wu and Jiang Zuo.

This dust must be washed away quickly.

...

An hour later, the two of them returned to the front yard, finally feeling refreshed.

"Phew, it's finally back to normal."

Lin Caisang breathed a sigh of relief, remembering how embarrassed he was just now, and couldn't help but grin again.

"Has anything happened in the mansion these days?"

Sui Zimo held Lin Caisang's hand and asked Ban Wu.

"Going back to the prince, the palace and Prince Yi's Mansion sent people to come secretly several times, but they failed to get any benefits. On the contrary, the man in black cloak was injured by Xiao Hei again and was caught by us. He was imprisoned in the prison. I'm waiting for you to interrogate me in person in the secret room."

Exiled Wu replied.

"Caught the cloaked man?"

Lin Caisang raised his eyebrows, with excitement that couldn't be hidden in his eyes.

The cloaked man caught him, that was really good news. They should be able to get a lot of information from him.

"Yes, Lin Caisang, the cloaked man has caught him." Ban Wu replied.

"Also, Your Majesty, there are some things from Concubine Lian's palace. It is said that they are old things left by you when you were a child. My subordinates joined forces with the person in the palace to take them from Concubine Lian and put them in the study. "

he said.

Thinking of the baggage, he actually didn't look at it carefully.

After all, it belonged to the prince, so how could he open it at will? He thought it would be better to wait for the prince to come back and ask him to take a look.

"Concubine Lian is not jumping up and down in anger, is she?" Lin Caisang asked excitedly.

"Well."

Ban Wu choked.

Concubine Lian should dance at this time, but no one will watch her dance.

"What's wrong, Concubine Lian is acting like a monster again?" Sui Zimo asked, seeing that his expression was wrong.

"Because your things were lost, the emperor blamed Concubine Lian for poor care and sent her to the cold palace. Therefore, the emperor should be the one to jump now." Ban Wu replied.

Being able to send Concubine Lian directly into the cold palace for these things shows the importance of these things.

"Into the cold palace?"

Chapter 1708 Don't touch it, it's poisonous

Lin Caisang whispered "haha" twice.

It would be an advantage for Concubine Lian to enter the cold palace, as she would suffer less in the future.

"Go look at those things first."

Sui Zimo nodded and led Lin Caisang towards the study, while Fei Wu followed behind them.

...

Outside the study room of Prince Mo's Mansion.

Because she was anxious to see what was taken out from the palace, Lin Caisang broke away from Sui Zimo's hand as soon as she entered the courtyard, strode towards the study, and pushed the door open with her hand.

However, as soon as she opened the door, she frowned.

"Sonny..."

"do not come!"

Sui Zimo had almost walked behind her. When she yelled at him, he paused and his expression became even worse.

"Miss Lin, why..."

‘Whoosh whoosh!’

The sharp arrow shot straight out of the study and headed towards Lin Caisang's face.

Fortunately, after Lin Caisang reacted, he took two steps back before he had time to take out the Wind Spirit Whip.

As for Sui Zimo, the long sword in his hand had also been unsheathed, and he started to separate the arrows. After a while, the ground in front of them was full of sharp arrows.

Ban Wu was so frightened that he broke into a cold sweat. Although he also blocked arrows for himself, many sharp arrows were blocked by Sui Zimo and Lin Caisang.

After a while, no sharp arrows were shot out of the study room.

"Sonny..."

Sui Zimo strode to Lin Caisang's side, wanting to check if there was any injury on her body, but Lin Caisang separated her.

"Don't touch it, it's poisonous."

She reminded Sui Zimo.

As soon as the door was opened, she smelled a strange smell, and it smelled like poisonous powder.

At this moment, her body must be covered with poisonous powder. It would be enough for her to be poisoned alone. There is no need to drag another one in.

"What?!"

Sui Zimo was shocked, his black eyes looked him up and down.

"Don't worry, it's not a poison, it's just a poison used to trigger the poison in your body. However, the dose this time is very large. If you touch it, I'm afraid..."

She didn't say anything else.

She was secretly glad that she was anxious just now. If she hadn't been too eager to see Sui Zimo's childhood things, I'm afraid it would be Sui Zimo who would suffer now.

That is definitely not just a simple poisonous hair!

It's a pity that the person who poisoned the study probably didn't expect that the poison in Sui Zimo had been cured. Even if he sprinkled more poison to trigger it, it would only make Sui Zimo's old poison relapse.

"and you....."

"Exiled Wu, this is for you. You cover your mouth and nose, go in, scatter all these in the study, and then open the windows all around. After getting rid of these, go and wash yourself. Don't leave any traces on your body. Remains of poison."

She took out a jar and handed it to Xu Wu.

"Yes, Miss Lin."

Ban Wu secretly wiped his hands with cold sweat and took the jar from Lin Caisang's hand.

Fortunately, it was Miss Lin who opened the door just now. If it were his prince, that would be really incredible!

However, who would have thought of doing these tricks in the study room of Prince Mo's Mansion?

People from the emperor or people from Prince Yi's palace?

Impossible. How could they get close to the study?

Who could it be?

"I'm going to take a shower again."

Lin Caisang looked at Sui Zimo, said something, and then flashed into the Jinzhu space.

When she came out again, Ban Jue just walked out of the study with a bundle in his arms, which should have been Sui Zimo's old things.

Chapter 1709 Just like that

"what are these?"

Lin Caisang looked at Sui Zimo as he watched the baggage being opened and the items inside were all extraordinary.

Of course, Sui Zimo could only shake his head. He also didn't know what these were, but he could understand the small clothes, which he wore when he was a child.

But other things should be worn on the body.

But those things are indeed a lot. It's just a child. With so many things on his body, wouldn't it break the child's body?

"My lord, I heard from people in the palace that what the emperor is looking for is a jade pendant." Ban Wu said.

"Jade pendant?"

Lin Caisang picked up the jade pendant and looked at it carefully before his eyes.

"That's this jade pendant, right?"

"Um."

Sui Zimo responded, agreeing with her words.

"It looks pretty ordinary, I wonder what the secret is."

he said.

"Let me put it away first, okay?" Lin Caisang raised her eyes and asked him.

Although these things have been brought from the palace, they still feel unsafe when placed in Prince Mo's Mansion. It is better to put them in the Jinzhu Space.

"good."

Sui Zimo nodded.

"You put it away first, I should go meet the cloaked man." He said.

Then, he looked at Lin Caisang.

"are you going?"

Although Lin Caisang wanted to go, he thought about it and shook his head.

"You go ahead, I'll go back and take a look first."

After being trapped there for twenty days, although the food was delicious, she was inevitably worried about her family. She had to go and take a look first.

"Okay, you go first."

...

Yacun.

Lin Caisang ignored what had become of Jinzhu Space after the change, and returned directly to the Lin family.

However, when he saw the two people in his home who were not supposed to be there, he was stunned for a moment.

"Mother, Brother Changfeng, when did you come back?"

She hurried over and asked.

"I've been here for several days, Sangsang, and you've lost weight again." The eldest princess looked at her daughter and said distressedly.

Lin Caisang: "..."

There is a kind of thinness, which is called mother-in-law's feeling that she has lost weight.

But heaven and earth couldn't bear it, she really didn't lose weight, how could she lose weight if she stayed in the golden bead space eating and drinking well.

"Mom, I haven't lost weight. Maybe it's because you haven't seen me for many days."

She replied with a smile.

"You."

The eldest princess raised her hand and tapped her daughter's nose with her index finger, her eyes full of doting.

"Brother Changfeng, you passed the exam, how do you think you did?" Lin Caisang turned to ask Lin Changfeng.

"That's pretty much it. Just getting by."

Lin Changfeng said.

"Just get by."

Lin Caisang smiled and didn't take it to heart at all.

"Sangsang, where have you been this time? Grandma is worried about you."

Lu Qiubo heard his granddaughter's voice and walked in from outside the courtyard. He put the bamboo basket on the ground and came over to ask.

"Grandma, I'm fine. Why don't you go to the county for a visit? I haven't been to our shop for a long time. I have to find time to sit down occasionally. I can't let those guys slack off."

Lin Caisang smiled and explained.

This was the reason she had thought up early in the morning. No other reason to go to the mountains to collect medicinal materials would be as effective as this reason.

"Aren't you with Mo Lian?" Lu Qiubo asked.

She thought the child was with Mo Lian, so she felt so relieved.

After arguing for a long time, the two of them were not together at all. It was just Sangsang who went to the shop in the county alone.

Chapter 1710 Kill me if you can!

But that's okay.

"Brother Mo Lian has something to do and won't be able to come back in time." Lin Caisang said.

...

In the secret room of Prince Mo's Mansion.

The heavy iron door was opened, and Sui Zimo walked in with Ban Jue and Ban Wu.

Inside the iron gate, the cloaked man was tied up with thick iron chains, unable to move.

Of course, even if there is nothing tied up, he can't move. Who told him to be poisoned by the black panther again? He just has one breath left and is not dead.

"Give it to him."

Sui Zimo handed the two pills in his hand to Ban Jue.

Ban Jue took the elixir, went straight over, and forcefully stuffed it into the cloaked man's mouth.

The cloaked man originally wanted to grit his teeth, but because he hadn't eaten for several days and was only given water, he had no strength to resist, and the pill was stuffed into his mouth.

Then, a large bowl of water was poured into his mouth, and the elixir could not be spit out even if he wanted to vomit it, so it went directly into his stomach.

"Your Majesty, this man is very tough and refuses to explain anything." Ban Wu said to Sui Zimo.

Before the prince came back, they had interrogated him many times, but they couldn't get anything out of the cloaked man's mouth.

This was the first time he had encountered such a tough talker.

"No matter how stubborn you are, there will always be times when you get caught."

Sui Zimo looked at the cloaked man with cold eyes and slowly spoke word by word. 6

"Let go."

He gave orders to Ban Jue.

"Yes, Your Majesty."

After receiving the order, he removed the chains from the cloaked man.

But the cloaked man had no strength, and as soon as the chains tied to his body were loosened, he fell down.

"Those two pills, one is to suspend the poison in your body, and the other is to make you lie on the ground from now on, with your bones so soft that you can never stand up. In this way, you will never think about getting out of this place. Escaped."

Sui Zimo squatted down and explained to the cloaked man.

"I'm not in a hurry. I can wait for you to think it over and see if you want to say anything to me."

With that said, he stood up and turned to look at Ban Jue.

"Send some soup and water every day. Don't really starve the person to death. This person is still useful," he said.

"Yes, Your Highness, I understand." Ban Jue responded.

"Of course, don't let him be too idle. There are three batches of rotations every day. Don't let him fall asleep and interrogate." Sui Zimo ordered again.

"Yes, Your Majesty."

Ban Jue responded again.

As long as this person can talk, he can do anything.

He knew that there must be a secret hidden in this person. He thought that the movement in the study room just now must have been caused by this cloaked man, right?

This man could actually go against his master's will and want to kill his prince!

"Sui Zimo, you have the ability to kill me!"

The cloaked man kept his eyes fixed on Sui Zimo and roared lowly.

"What's the use of killing you?" Sui Zimo asked him with a chuckle.

"As long as you are alive, that is the most important thing to me. If you die, who will I ask about Qianhuan Continent? Haha."

"Sui Zimo!"

The cloaked man wanted to grind his teeth, but he didn't even have the strength to do so.

"Don't expect to know anything from me. I won't say anything. Just give up!"

How could he tell Sui Zimo his master's secret? Unless he is stupid!

"Hmph, don't be proud. Do you think it will be fine just by catching me? I am just the most inconspicuous person around the master. Don't even think about getting any news from me! Don't even think about it!"
